Mr. Miller,

See attached a copy of the checks, invoices, corresponding purchase forms, tax forms, emails, and room reservations. The dates of the book signings are:

December 16, 2012  
December 14, 2013  
March 21, 2014  
December 20, 2014  
March 14, 2015

Our Greenbrier Shoppe hosts books signings and generally buys from local authors. They will conduct books signings either by contacting a publisher or author directly. I do not think there is a charge for hosting a book signing as retail likes to have the activity going on. The Greenbrier will order books for inventory, and sometimes the author will send them already autographed. When a guest purchases a book, the sale is run through The Greenbrier's point of sale system.

If you have any questions, I can arrange a phone call with the manager of The Greenbrier Shoppe. She is familiar with all this and has answered questions with other investigatory agencies.

Thanks,  
Joshua
