

Insulin Caravan to Canada

From Morgantown, WV

WHY?

- Price of insulin has risen by over 1,000%.
- Diabetics, especially Type 1, are rationing insulin - some have died.
- Insulin is much cheaper in Canada - **one person who went on a caravan saved \$11,000!**
- Colorado limits insulin co-pays to \$100/month.
- Bi-partisan support for a WV bill.

WHEN? NOW

- DONATIONS NEEDED for travel and passport costs.
- Passport mandatory - Forms at www.travel.state.gov, take documents to post office or get help from *Senator Manchin* (304) 342-5855 or *Senator Capito* (304-347-5372)
- Passport approval can take 4-6 weeks, *expedited service (8 days)*.
- **Sunday Dec. 8th - one day trip to Niagara Falls.**
- Register NOW for tickets or make donations: insulincaravan.eventsmart.com. We will probably be renting mini-vans, need to know who is actually going.

HOW MUCH?

- Bus tickets - NO CHARGE because of donations. With more donations, we may be able to help with passport costs.
- Passport card (Good for Canada, Caribbean - \$65. Expedited service - \$60). *We recommend: Get passport card and get it expedited!* Regular passport is \$145
- U.S. law allows individuals to bring in three-month supply.

WHO?

- WV Legislators are drafting legislation, planning caravan
- Some legislators and candidates are going to Canada.
- State Chapter of #insulin4all, part of T1 International, helping with planning.
