> [Passed February 19, 2015; in effect from passage.] [Approved by the Governor on March 3, 2015.]

AN ACT to amend and reenact §22-5-20 of the Code of West Virginia, 1931, as amended, relating to the development of a state plan under Section 111(d) of the Clean Air Act; setting forth legislative findings; prohibiting submission of a state plan without authority; requiring the Department of Environmental Protection to study the feasibility of a state plan; requiring the Department of Environmental Protection to submit a report to the Legislature determining whether a state plan is feasible; allowing for the development of a proposed state plan; requiring the state plan to be on a unit-specific basis; allowing for the plan to be on either a ratebased or meter-based standard; allowing for legislative review and consideration prior to submission of a state plan to the Environmental Protection Agency; and creating exceptions to the legal effect of the state plan.

Be it enacted by the Legislature of West Virginia:

That §22-5-20 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

## §22-5-20. Development of a state plan relating to carbon dioxide emissions from existing fossil fuel-fired electric generating units.

1 (a) Legislative Findings-

## 1276 ENVIRONMENTAL PROTECTION [Ch. 109

2 (1) The United States Environmental Protection Agency has

3 proposed a Federal Rule pursuant to Section 111(d) of the Clean
4 Air Act, 42 U.S.C. § 7411(d), to regulate carbon dioxide
5 emissions from electric generating units.

6 (2) The Rule is expected to go into effect on or about June 7 30, 2015, and will require each state to submit a state plan 8 pursuant to Section 111(d) that sets forth laws, policies and 9 regulations that will be enacted by the State to meet the federal 10 guidelines in the Rule.

(3) The creation of this state plan necessitates establishmentand creation of law affecting the economy and energy policy ofthis State.

(4) The Environmental Protection Agency has stated that any
state plan it ultimately approves shall become enforceable
federal law upon that State.

(5) The State disputes the jurisdiction and purported binding
nature asserted by the Environmental Protection Agency through
this Rule, and reserves to itself those rights and responsibilities
properly reserved to the State of West Virginia.

(6) Given the economic impact and potentially legally
binding nature of the submission of a State Plan, there is a
compelling state interest to require appropriate legislative review
and passage of law prior to submission, if any, of a state plan
pursuant to Section 111(d) of the Clean Air Act.

(b) Submission of a State Plan- Absent specific legislative
enactment granting such powers or rulemaking authority, the
Department of Environmental Protection or any other agency or
officer of state government is not authorized to submit to the
Environmental Protection Agency a state plan under this section,
or otherwise pursuant to Section 111(d) of the Clean Air Act: *Provided, however*, the Department of Environmental Protection,

in consultation with the Department of Environmental Protection
Advisory Council and other necessary and appropriate agencies
and entities, may develop a proposed state plan in accordance
with this section.

37 (c) Development of a Proposed State Plan- (1) The 38 Department of Environmental Protection shall, no later than one hundred eighty days after a rule is finalized by the 39 Environmental Protection Agency that requires the state to 40 submit a state plan under Section 111(d) of the Clean Air Act, 42 41 42 U.S.C. § 7411(d), submit to the Legislature a report regarding the feasibility of the state's compliance with the Section 111(d) 43 44 Rule. The report must include a comprehensive analysis of the 45 effect of the Section 111(d) Rule on the state, including, but not limited to, the need for legislative or other changes to state law, 46 47 and the factors referenced in subsection (g) of this section. The 48 report must make at least two feasibility determinations: (i) 49 Whether the creation of a state plan is feasible based on the comprehensive analysis; and (ii) whether the creation of a state 50 51 plan is feasible before the deadline to submit a state plan to Environmental Protection Agency under the Section 111(d) 52 Rule, assuming no extensions of time are granted by 53 54 Environmental Protection Agency. If the department determines that a state plan is or is not feasible under clause (i) of this 55 56 subsection, the report must explain why. If the department 57 determines that a state plan is not feasible under clause (ii) of 58 this subsection, it shall explain how long it requires to create a 59 state plan and then endeavor to submit such a state plan to the 60 Legislature as soon as practicable. Such state plan shall be on a unit-specific performance basis and shall be based upon either a 61 62 rate-based model or a meter-based model.

(2) If the department determines that the creation of a state
plan is feasible, it shall develop and submit the proposed state
plan to the Legislature sitting in Regular Session, or in an
extraordinary session convened for the purpose of consideration

## 1278 ENVIRONMENTAL PROTECTION [Ch. 109

67 of the state plan, in sufficient time to allow for the consideration

68 of the state plan prior to the deadline for submission to the

69 Environmental Protection Agency.

(3) In addition to submitting the proposed state plan to the
Legislature, the department shall publish the report and any
proposed state plan on its website.

73 (d) If the department proposes a state plan to the Legislature 74 in accordance with subsection (c) of this section, the department shall propose separate standards of performance for carbon 75 76 dioxide emissions from existing coal-fired electric generating units in accordance with subsection (e) of this section and from 77 78 existing natural gas-fired electric generating units in accordance 79 with subsection (f) of this section. The standards of performance 80 developed and proposed under any state plan to comply with Section 111 of the Clean Air Act should allow for greater 81 82 flexibility and take into consideration the additional factors set 83 forth in subsection (g) of this section as a part of any state plan to achieve targeted reductions in greenhouse gas emissions 84 which are equivalent or comparable to the goals and marks 85 86 established by federal guidelines.

(e) Standards of performance for existing coal-fired electric
generating units. – Except as provided under subsection (g) of
this section, the standard of performance proposed for existing
coal-fired electric generating units under subsection (c) of this
section may be based upon:

(1) The best system of emission reduction which, taking into
account the cost of achieving the reduction and any nonair
quality health and environmental impact and energy
requirements, has been adequately demonstrated for coal-fired
electric generating units that are subject to the standard of
performance;

## Ch. 109] ENVIRONMENTAL PROTECTION 1279

98 (2) Reductions in emissions of carbon dioxide that can
 99 reasonably be achieved through measures undertaken at each
 100 coal-fired electric generating unit; and

(3) Efficiency and other measures that can be undertaken at
each coal-fired electric generating unit to reduce carbon dioxide
emissions from the unit without switching from coal to other
fuels or limiting the economic utilization of the unit.

(f) Standards of performance for existing natural gas-fired
electric generating units. – Except as provided in subsection (g)
of this section, the standard of performance proposed for existing
gas-fired electric generating units under subsection (c) of this
section, may be based upon:

(1) The best system of emission reduction which, taking into
account the cost of achieving the reduction and any nonair
quality health and environmental impact and energy
requirements, has been adequately demonstrated for natural
gas-fired electric generating units that are subject to the standard
of performance;

- (2) Reductions in emissions of carbon dioxide that can
  reasonably be achieved through measures at each natural
  gas-fired electric generating unit; and
- (3) Efficiency and other measures that can be undertaken at
  the unit to reduce carbon dioxide emissions from the unit
  without switching from natural gas to other lower-carbon fuels
  or limiting the economic utilization of the unit.

(g) Flexibility in establishing standards of performance. – In developing a flexible state plan to achieve
targeted reductions in greenhouse gas emissions, the department
shall endeavor to establish an achievable standard of
performance for any existing fossil fuel-fired electric generating
unit, and examine whether less stringent performance standards

#### 1280 ENVIRONMENTAL PROTECTION [Ch. 109

or longer compliance schedules may be implemented or adopted
for existing fossil fuel-fired electric generating units in
comparison to the performance standards established for new,
modified or reconstructed generating units, based on the
following:

- (1) Consumer impacts, including any disproportionateimpacts of energy price increases on lower income populations;
- 136 (2) Nonair quality health and environmental impacts;
- 137 (3) Projected energy requirements;
- (4) Market-based considerations in achieving performancestandards;
- (5) The costs of achieving emission reductions due to factorssuch as plant age, location or basic process design;
- (6) Physical difficulties with or any apparent inability tofeasibly implement certain emission reduction measures;
- 144 (7) The absolute cost of applying the performance standard145 to the unit;
- 146 (8) The expected remaining useful life of the unit;

(9) The impacts of closing the unit, including economic consequences such as expected job losses at the unit and throughout the state in fossil fuel production areas including areas of coal production and natural gas production and the associated losses to the economy of those areas and the state, if the unit is unable to comply with the performance standard;

153 (10) Impacts on the reliability of the system; and

(11) Any other factors specific to the unit that makeapplication of a modified or less stringent standard or a longercompliance schedule more reasonable.

#### Ch. 109] 1281 **ENVIRONMENTAL PROTECTION**

157 (h) Legislative consideration of proposed state plan under 158 Section 111(d) of the Clean Air Act. -(1) If the department 159 submits a proposed state plan to the Legislature under this section, the Legislature may by act, including presentment to the 160 161 Governor, (i) authorize the department to submit the proposed 162 state plan to the Environmental Protection Agency, (ii) authorize 163 the department to submit the state plan with amendment, or (iii) 164 not grant such rulemaking or other authority to the department 165 for submission and implementation of the state plan.

166 (2) If the Legislature fails to enact or approve all or part of 167 the proposed state plan, the department may propose a new or modified state plan to the Legislature in accordance with the 168 169 requirements of this section.

170 (3) If the Environmental Protection Agency does not 171 approve the state plan, in whole or in part, the department shall 172 as soon as practicable propose a modified state plan to the 173 Legislature in accordance with the requirements of this section.

174 (i) Legal effect. – Any obligation created by this section and 175 any state plan submitted to the Environmental Protection Act 176 pursuant to this section shall have no legal effect if:

177 (1) the Environmental Protection Agency fails to issue, or 178 withdraws, its federal rules or guidelines for reducing carbon 179 dioxide emissions from existing fossil fuel-fired electrical 180 generating units under 42 U.S.C. §7411(d); or,

181 (2) a court of competent jurisdiction invalidates the 182 Environmental Protection Agency's federal rules or guidelines 183 issued to regulate emissions of carbon dioxide from existing 184 fossil fuel-fired electrical generating units under 42 U.S.C. 185 §7411(d).

186 (i) Effective date. — All provisions of this section are 187 effective immediately upon passage.

[Passed March 12, 2015; in effect ninety days from passage.] [Approved by the Governor on March 26, 2015.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §5-22-3, relating to establishing the Fair and Open Competition in Governmental Construction Act; providing legislative findings; defining terms; prohibiting project labor agreements from being part of the competitive bid process on governmental construction projects; prohibiting project labor agreements from being a condition for receiving a grant, tax abatement or tax credit for construction projects; providing exclusions; and establishing a process for an exemption.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §5-22-3, to read as follows:

#### ARTICLE 22. GOVERNMENT CONSTRUCTION CONTRACTS.

# §5-22-3. Certain labor requirements not to be imposed on contractor or subcontractor.

- 1 (a) This section may be known and cited as The Fair and
- 2 Open Competition in Governmental Construction Act.

#### 1326 GOVERNMENTAL CONSTRUCTION ACT [Ch. 116

(b) Legislative findings. — The Legislature finds that to 3 promote and ensure fair competition on governmental, 4 governmental funded or governmental assisted construction 5 projects that open competition in governmental construction 6 contracts is necessary. The Legislature also finds that when a 7 governmental entity awards a grant, tax abatement or tax credit 8 that it should be an open and fair process. Therefore, to prevent 9 10 discrimination against governmental bidders, offerors. contractors or subcontractors based upon labor affiliation or the 11 12 lack thereof, the Legislature declares that project labor agreements should not be part of the competitive bid process or 13 14 be a condition for a grant, tax abatement or tax credit.

15 (c) *Definitions*. — For purposes of this section:

(1) "Construction" means the act, trade or process of
building, erecting, constructing, adding, repairing, remodeling,
rehabilitating, reconstructing, altering, converting, improving,
expanding or demolishing of a building, structure, facility, road
or highway, and includes the planning, designing and financing
of a specific construction project.

(2) "Governmental entity" means the state, a politicalsubdivision or any agency or spending unit thereof.

(3) "Project labor agreement" means any pre-hire collective
bargaining agreement with one or more labor organizations that
establishes the terms and conditions of employment for a
specific construction project.

(d) *Prohibition - Competitive bid.* — Commencing July 1,
2015, a governmental entity or a construction manager acting on
behalf of a governmental entity, seeking a construction bid
solicitation, awarding a construction contract or obligating funds
to a construction contract, shall not include the following in the
bid specifications, bid requests, project agreements or any other
controlling documents for the construction project:

35 (1) A requirement or prohibition that a bidder, offeror,
36 contractor or subcontractor must enter into or adhere to a project
37 labor agreement;

(2) A term, clause or statement that infers, either directly or
indirectly, that a bidder, offeror, contractor or subcontractor
must enter into or adhere to a project labor agreement;

(3) A term, clause or statement that rewards or punishes a
bidder, offeror, contractor or subcontractor for becoming or
remaining, or refusing to become or remain a signatory to, or for
adhering or refusing to adhere to, a project labor agreement; or

45 (4) Any other provision dealing with project labor 46 agreements.

(e) *Prohibition - Grant, tax abatement or tax credit.* —
Commencing July 1, 2015, a governmental entity may not award
a grant, tax abatement or tax credit for construction that is
conditioned upon a requirement that the awardee include any
prohibited provision set out in subsection (d) of this section.

52 (f) *Exclusions*. — This section does not:

53 (1) Prohibit a governmental entity from awarding a contract, 54 grant, tax abatement or tax credit to a private owner, bidder, 55 contractor or subcontractor who enters into or who is party to an agreement with a labor organization, if being or becoming a 56 57 party or adhering to an agreement with a labor organization is 58 not a condition for award of the contract, grant, tax abatement or tax credit, and if the governmental entity does not discriminate 59 against a private owner, bidder, contractor or subcontractor in 60 61 the awarding of that contract, grant, tax abatement or tax credit 62 based upon the status as being or becoming, or the willingness 63 or refusal to become, a party to an agreement with a labor 64 organization.

(2) Prohibit a private owner, bidder, contractor or
subcontractor from voluntarily entering into or complying with
an agreement entered into with one or more labor organizations
in regard to a contract with a governmental entity or funded, in
whole or in part, from a grant, tax abatement or tax credit from
the governmental entity.

(3) Prohibit employers or other parties from entering into
agreements or engaging in any other activity protected by the
National Labor Relations Act, 29 U. S. C. §§151 to 169.

(4) Interfere with labor relations of parties that are left
unregulated under the National Labor Relations Act, 29 U. S. C.
§§151 to 169.

77 (g) *Exemptions*. — The head of a governmental entity may 78 exempt a particular project, contract, subcontract, grant, tax abatement or tax credit from the requirements of any or all of the 79 80 provisions of subsections (d) and (e) of this section if the 81 governmental unit finds, after public notice and a hearing, that 82 special circumstances require an exemption to avert an imminent 83 threat to public health or safety. A finding of special circumstances under this subsection may not be based on the 84 85 possibility or presence of a labor dispute concerning the use of contractors or subcontractors who are nonsignatories to, or 86 otherwise do not adhere to, agreements with one or more labor 87 organizations or concerning employees on the project who are 88 89 not members of or affiliated with a labor organization.

# ARTICLE 14. HATFIELD-MCCOY REGIONAL RECREATION AUTHORITY.

#### §20-14-1. Legislative findings.

1 The West Virginia Legislature finds that there is a 2 significant need within the state and throughout the eastern 3 United States for well-managed facilities for trail-oriented 4 recreation for off-highway motor vehicle enthusiasts. The 5 Legislature further finds that under an appropriate contractual 6 and management scheme, well-managed, trail-oriented recreation facilities could exist on private property without 7 8 diminishing the landowner's interest, control or profitability in 9 the land and without increasing the landowner's exposure to liability. 10

# 1338 HATFIELD-MCCOY REGIONAL [Ch. 117 RECREATIONAL AUTHORITY

11 The Legislature further finds that, with the cooperation of 12 private landowners, there is an opportunity to provide trail-oriented recreation facilities primarily on private property 13 in the mountainous terrain of southern West Virginia and that the 14 15 facilities will provide significant economic and recreational benefits to the state and to the communities in southern West 16 17 Virginia through increased tourism in the same manner as 18 whitewater rafting and snow skiing benefit the state and communities surrounding those activities. 19

The Legislature further finds that the creation and empowering of a joint development entity to work with the landowners, county officials and community leaders, state and federal government agencies, recreational user groups and other interested parties to enable and facilitate the implementation of the facilities will greatly assist in the realization of these potential benefits.

27 The Legislature further finds that it is in the best interests of 28 the state to encourage private landowners to make available for 29 public use through the Hatfield-McCoy Regional Recreation 30 Authority land for these recreational purposes by limiting their 31 liability for injury to persons entering thereon, by limiting their liability for injury to the property of persons entering thereon 32 and by limiting their liability to persons who may be injured or 33 34 otherwise damaged by the acts or omissions of persons entering 35 thereon.

#### §20-14-2. Definitions.

24 ensure the distribution, free of charge, of federally supplied vaccines to public and private providers to be used to check 25 contagions and control epidemics: Provided, That the public and 26 27 private providers may not make a charge for the vaccine itself when administering it to a patient. The Commissioner of the 28 29 Bureau for Public Health, through the immunization program, 30 shall keep an accurate record of any vaccine delivered as 31 provided in this section.

32 (d) The commissioner is charged with establishing an 33 Immunization Advisory Committee. The advisory committee is to make recommendations on the distribution of vaccines 34 acquired pursuant to this section, advise the secretary on the 35 changing needs and opportunities for immunization from known 36 diseases for all persons across their life span and track 37 38 immunization compliance in accordance with federal and state 39 laws. (e) An advisory committee member may not participate in a
matter involving specific parties that will have a direct and

direct in instances where the chain of causation is attenuated or
is contingent upon the occurrence of events that are speculative.

A copy of the petition shall be served upon the agency and all other parties of 29 record by registered or certified mail. The petition shall state 30 whether the appeal is taken on questions of law or questions of 31 32 fact, not both. No appeal bond is required to effect any such 33 appeal.

34 (e) The filing of the petition for appeal does not stay or 35 supercede enforcement of the final decision or order of the 36 agency. The agency may voluntarily stay such enforcement and the appellant, at any time after the filing of the petition for 37 38 appeal, may apply to the circuit court of Kanawha County, or in 39 the circuit court of the county in which the petitioner or any one of the petitioners resides or does business, for a stay of or to 40 41 supersede the final decision or order. Pending the appeal, the 42 circuit court may grant a stay or supersede the order upon such 43 terms as it considers proper.

44 (f) Within fifteen days after receipt of a copy of the petition by the agency, or within such further time as the court may 45 46 allow, the agency shall prepare and transmit to the circuit court of Kanawha County, or in the circuit court of the county in 47 48 which the petitioner or any one of the petitioners resides or does business, the original or a certified copy of the entire record of 49 50 the proceeding under review: *Provided*. In the event the complete record is not filed with the 59 court within the time provided for in this section, the appellant may apply to the court to have the case docketed and the court 60 61 shall order the agency to file the record.

(g) The cost of preparing the official record shall be assessed as part of the costs of the appeal. The appellant shall provide security for costs satisfactory to the court. Upon demand by any party to the appeal, the agency shall furnish, at cost to the requesting party, a copy of the official record.

69 (h) The court shall hear appeals upon assignments of error filed in the petition or set out in the briefs filed by the parties. 70 The court, it its discretion, may disregard errors not argued by 71 72 brief or may consider errors that are not assigned or argued. The 73 court shall fix a date and time for the hearing on the petition. 74 Unless otherwise agreed by the parties, the court shall not 75 schedule the hearing sooner than ten days after the filing of the petition for appeal. The petitioner shall provide notice of the date 76 77 and time of the hearing to the agency.

section. The court may hear oral arguments and require written
briefs.

(j) The court may affirm the final decision or order of the
agency or remand the matter for further proceedings. The court
may reverse, vacate or modify the final decision or order of the
agency only if the substantial rights of the petitioner have been
prejudiced because the administrative findings, inferences,

- 94 (3) Made upon unlawful procedures;

remedy for judicial review of final decisions of the Board of
Review and the Bureau for Medical Services.

- 7 state, to or for the benefit of the person named therein as insured.
- 8 (b) Such owner's policy of liability insurance:
- 9 (1) Shall designate by explicit description or by appropriate 10 reference all vehicles with respect to which coverage is thereby 11 to be granted; and

(2) Shall insure the person named therein and any other 12 person, as insured, using any such vehicle or vehicles with the 13 express or implied permission of such named insured, against 14 15 loss from the liability imposed by law for damages arising out of the ownership, operation, maintenance or use of such vehicle or 16 vehicles within the United States of America or the Dominion of 17 18 Canada, subject to limits exclusive of interest and costs, with 19 respect to each such vehicle, in the amounts required in section two of this article. 20

(c) Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him or her by law for damages arising out of the use by him or her of any motor vehicle not owned by him or her, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

(d) Such motor vehicle liability policy shall state the name 28 and address of the named insured, the coverage afforded by the 29 policy, the premium charged therefor, the policy period, and the 30 31 limits of liability, and shall contain an agreement or be endorsed that insurance is provided thereunder in accordance with the 32 33 coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the 34 provisions of this chapter. 35

44 (f) Every motor vehicle liability policy is subject to the45 following provisions which need not be contained therein:

46 (1) The liability of the insurance carrier with respect to the 47 insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle 48 49 liability policy occurs; the policy may not be canceled or annulled as to such liability by an agreement between the 50 insurance carrier and the insured after the occurrence of the 51 52 injury or damage; no statement made by the insured or on his or 53 her behalf and no violation of the policy defeats or voids the 54 policy.

(2) The satisfaction by the insured of a judgment for such
injury or damage is not a condition precedent to the right or duty
of the insurance carrier to make payment on account of such
injury or damage.

(3) The insurance carrier may settle any claim covered by
the policy, and if such settlement is made in good faith, the
amount thereof shall be deductible from the limits of liability
specified in subdivision (2), subsection (b) of this section.

(4) The policy, the written application therefor, if any, and

(j) The requirements for a motor vehicle liability policy may
be fulfilled by the policies of one or more insurance carriers
which policies together meet such requirements.

(k) Any binder issued pending the issuance of a motorvehicle policy fulfills the requirements for such a policy.

# CHAPTER 33. INSURANCE.

### ARTICLE 6. THE INSURANCE POLICY.

# §33-6-31. Motor vehicle policy; omnibus clause; uninsured and underinsured motorists' coverage; conditions for recovery under endorsement; rights and liabilities of insurer.

- 1 (a) No policy or contract of bodily injury liability insurance,
- 2 or of property damage liability insurance, covering liability
- 3 arising from the ownership, maintenance or use of any motor

4 vehicle, may be issued or delivered in this state to the owner of such vehicle, or may be issued or delivered by any insurer 5 licensed in this state upon any motor vehicle for which a 6 certificate of title has been issued by the Division of Motor 7 Vehicles of this state, unless it contains a provision insuring the 8 9 named insured and any other person, except a bailee for hire and any persons specifically excluded by any restrictive endorsement 10 attached to the policy, responsible for the use of or using the 11 motor vehicle with the consent, expressed or implied, of the 12 named insured or his or her spouse against liability for death or 13 bodily injury sustained or loss or damage occasioned within the 14 15 coverage of the policy or contract as a result of negligence in the operation or use of such vehicle by the named insured or by such 16 person: Provided, That in any such automobile liability 17 insurance policy or contract, or endorsement thereto, if coverage 18 19 resulting from the use of a nonowned automobile is conditioned 20 upon the consent of the owner of such motor vehicle, the word "owner" shall be construed to include the custodian of such 21 nonowned motor vehicles. Notwithstanding any other provision 22 23 of this code, if the owner of a policy receives a notice of 24 cancellation pursuant to article six-a of this chapter and the reason for the cancellation is a violation of law by a person 25 insured under the policy, said owner may by restrictive 26 endorsement specifically exclude the person who violated the 27 28 law and the restrictive endorsement shall be effective in regard to the total liability coverage provided under the policy, 29 including coverage provided pursuant to the mandatory liability 30 31 requirements of section two, article four, chapter seventeen-d of 32 this code, but nothing in such restrictive endorsement may be construed to abrogate the "family purpose doctrine". 33

(b) Nor may any such policy or contract be so issued or
delivered unless it contains an endorsement or provisions
undertaking to pay the insured all sums which he or she is
legally entitled to recover as damages from the owner or
operator of an uninsured motor vehicle, within limits which shall

39 be no less than the requirements of section two, article four, chapter seventeen-d of this code, as amended from time to time: 40 *Provided*, That such policy or contract shall provide an option to 41 the insured with appropriately adjusted premiums to pay the 42 insured all sums which he or she shall be legally entitled to 43 44 recover as damages from the owner or operator of an uninsured 45 motor vehicle up to an amount of \$100,000 because of bodily injury to or death of one person in any one accident and, subject 46 to said limit for one person, in the amount of \$300,000 because 47 of bodily injury to or death of two or more persons in any one 48 accident and in the amount of \$50,000 because of injury to or 49 destruction of property of others in any one accident: Provided, 50 51 however, That such endorsement or provisions may exclude the first \$300 of property damage resulting from the negligence of 52 an uninsured motorist: Provided further, That such policy or 53 54 contract shall provide an option to the insured with appropriately 55 adjusted premiums to pay the insured all sums which he or she is legally entitled to recover as damages from the owner or 56 operator of an uninsured or underinsured motor vehicle up to an 57 amount not less than limits of bodily injury liability insurance 58 59 and property damage liability insurance purchased by the insured without set off against the insured's policy or any other policy. 60 Regardless of whether motor vehicle coverage is offered and 61 provided to an insured through a multiple vehicle insurance 62 63 policy or contract, or in separate single vehicle insurance policies or contracts, no insurer or insurance company providing 64 65 a bargained for discount for multiple motor vehicles with respect to underinsured motor vehicle coverage may be treated 66 differently from any other insurer or insurance company utilizing 67 a single insurance policy or contract for multiple covered 68 vehicles for purposes of determining the total amount of 69 coverage available to an insured. "Underinsured motor vehicle" 70 means a motor vehicle with respect to the ownership, operation 71 or use of which there is liability insurance applicable at the time 72 73 of the accident, but the limits of that insurance are either: (i)

Less than limits the insured carried for underinsured motorists' coverage; or (ii) has been reduced by payments to others injured in the accident to limits less than limits the insured carried for underinsured motorists' coverage. No sums payable as a result of underinsured motorists' coverage may be reduced by payments made under the insured's policy or any other policy.

80 (c) As used in this section, the term "bodily injury" includes death resulting therefrom and the term "named insured" means 81 82 the person named as such in the declarations of the policy or 83 contract and also includes such person's spouse if a resident of the same household and the term "insured" means the named 84 insured and, while resident of the same household, the spouse of 85 any such named insured and relatives of either, while in a motor 86 vehicle or otherwise, and any person, except a bailee for hire, 87 who uses, with the consent, expressed or implied, of the named 88 89 insured, the motor vehicle to which the policy applies or the 90 personal representative of any of the above; and the term 91 "uninsured motor vehicle" means a motor vehicle as to which there is no: (i) Bodily injury liability insurance and property 92 damage liability insurance both in the amounts specified by 93 94 section two, article four, chapter seventeen-d of this code, as 95 amended from time to time; (ii) there is such insurance, but the insurance company writing the same denies coverage thereunder; 96 97 or (iii) there is no certificate of self-insurance issued in accordance with the provisions of said section. A motor vehicle 98 99 shall be deemed to be uninsured if the owner or operator thereof 100 be unknown: Provided, That recovery under the endorsement or provisions is subject to the conditions hereinafter set forth. 101

(d) Any insured intending to rely on the coverage required
by subsection (b) of this section shall, if any action be instituted
against the owner or operator of an uninsured or underinsured
motor vehicle, cause a copy of the summons and a copy of the
complaint to be served upon the insurance company issuing the
policy, in the manner prescribed by law, as though such

insurance company were a named party defendant; such
company shall thereafter have the right to file pleadings and to
take other action allowable by law in the name of the owner, or
operator, or both, of the uninsured or underinsured motor vehicle
or in its own name.

Nothing in this subsection prevents such owner or operator
from employing counsel of his or her own choice and taking any
action in his or her own interest in connection with such
proceeding.

(e) If the owner or operator of any motor vehicle which
causes bodily injury or property damage to the insured is
unknown, the insured, or someone in his or her behalf, in order
for the insured to recover under the uninsured motorist
endorsement or provision, shall:

(1) Within twenty-four hours after the insured discover, and
being physically able to report the occurrence of such accident,
the insured, or someone in his or her behalf, reports the accident
to a police, peace or to a judicial officer, unless the accident has
already been investigated by a police officer;

127 (2) Notify the insurance company, within sixty days after 128 such accident, that the insured or his or her legal representative 129 has a cause or causes of action arising out of such accident for 130 damages against a person or persons whose identity is unknown 131 and setting forth the facts in support thereof; and, upon written 132 request of the insurance company communicated to the insured 133 not later than five days after receipt of such statement, make 134 available for inspection the motor vehicle which the insured was 135 occupying at the time of the accident; and

(3) Upon trial establish that the motor vehicle, which caused
the bodily injury or property damage, whose operator is
unknown, was a "hit and run" motor vehicle, meaning a motor

#### 1536

139 vehicle which causes damage to the property of the insured arising out of physical contact of such motor vehicle therewith, 140 141 or which causes bodily injury to the insured arising out of 142 physical contact of such motor vehicle with the insured or with 143 a motor vehicle which the insured was occupying at the time of 144 the accident. If the owner or operator of any motor vehicle 145 causing bodily injury or property damage be unknown, an action 146 may be instituted against the unknown defendant as "John Doe", 147 in the county in which the accident took place or in any other county in which such action would be proper under the 148 provisions of article one, chapter fifty-six of this code; service of 149 process may be made by delivery of a copy of the complaint and 150 151 summons or other pleadings to the clerk of the court in which the 152 action is brought, and service upon the insurance company 153 issuing the policy shall be made as prescribed by law as though such insurance company were a party defendant. The insurance 154 155 company has the right to file pleadings and take other action 156 allowable by law in the name of John Doe.

157 (f) An insurer paying a claim under the endorsement or provisions required by subsection (b) of this section is 158 159 subrogated to the rights of the insured to whom such claim was 160 paid against the person causing such injury, death or damage to 161 the extent that payment was made. The bringing of an action 162 against the unknown owner or operator as John Doe or the 163 conclusion of such an action does not constitute a bar to the 164 insured, if the identity of the owner or operator who caused the injury or damages complained of, becomes known, from 165 166 bringing an action against the owner or operator theretofore proceeded against as John Doe. Any recovery against such 167 168 owner or operator shall be paid to the insurance company to the 169 extent that such insurance company has paid the insured in the 170 action brought against such owner or operator as John Doe, 171 except that such insurance company shall pay its proportionate 172 part of any reasonable costs and expenses incurred in connection 173 therewith, including reasonable attorney's fees. Nothing in an

# 1538 INSURANCE [Ch. 141

endorsement or provision made under this subsection, nor any
other provision of law, operates to prevent the joining, in an
action against John Doe, of the owner or operator of the motor
vehicle causing injury as a party defendant, and such joinder is
hereby specifically authorized.

(g) No such endorsement or provisions may contain any
provision requiring arbitration of any claim arising under any
such endorsement or provision, nor may anything be required of
the insured except the establishment of legal liability, nor may
the insured be restricted or prevented in any manner from
employing legal counsel or instituting legal proceedings.

(h) The provisions of subsections (a) and (b) of this section
do not apply to any policy of insurance to the extent that it
covers the liability of an employer to his or her employees under
any workers' compensation law.

(i) The commissioner of insurance shall formulate and
require the use of standard policy provisions for the insurance
required by this section, but use of such standard policy
provisions may be waived by the commissioner in the
circumstances set forth in section ten of this article.

194 (j) A motor vehicle is uninsured within the meaning of this 195 section, if there has been a valid bodily injury or property 196 damage liability policy issued upon such vehicle, but which policy is uncollectible, in whole or in part, by reason of the 197 198 insurance company issuing such policy upon such vehicle being 199 insolvent or having been placed in receivership. The right of subrogation granted insurers under the provisions of subsection 200 201 (f) of this section does not apply as against any person or persons 202 who is or becomes an uninsured motorist for the reasons set forth 203 in this subsection.

(k) Nothing contained herein prevents any insurer from alsooffering benefits and limits other than those prescribed herein,

206 nor does this section prevent any insurer from incorporating in 207 such terms, conditions and exclusions as may be consistent with

208 the premium charged.

(1) The Insurance Commissioner shall review on an annual
basis the rate structure for uninsured and underinsured motorists'
coverage as set forth in subsection (b) of this section and shall
report to the Legislature on said rate structure on or before
January 15, 1983, and on or before January 15, of each of the
next two succeeding years.

215 (m) For insurance policies in effect on December 31, 2015, 216 including motor vehicle insurance policies and liability policies that are of an excess or umbrella type that cover automobile 217 218 liability, insurers are not required to make a new offer of uninsured and underinsured motor vehicle coverage upon the 219 220 renewal if the liability coverage is increased solely to meet the requirements of the increased minimum required financial 221 222 responsibility limits set forth in subdivision (b), section two, 223 article four, chapter seventeen-d of this code. Those insurers that 224 have issued policies that carry limits of coverage below the 225 minimum required financial responsibility limits in effect on December 31, 2015 shall increase such limits to an amount equal 226 to or above the new minimum required financial responsibility 227 228 limits when the policy is renewed but not later than December 229 31. 2016.

# §33-6-31d. Form for making offer of optional uninsured and underinsured coverage.

1 (a) Optional limits of uninsured motor vehicle coverage and 2 underinsured motor vehicle coverage required by section 3 thirty-one of this article shall be made available to the named 4 insured at the time of initial application for liability coverage and 5 upon any request of the named insured on a form prepared and 6 made available by the Insurance Commissioner. The contents of

7 the form shall be as prescribed by the commissioner and shall specifically inform the named insured of the coverage offered 8 and the rate calculation therefor, including, but not limited to, all 9 10 levels and amounts of such coverage available and the number of vehicles which will be subject to the coverage. The form shall 11 12 be made available for use on or before the effective date of this 13 section. The form shall allow any named insured to waive any or 14 all of the coverage offered.

15 (b) Any insurer who issues a motor vehicle insurance policy in this state shall provide the form to each person who applies 16 for the issuance of such policy by delivering the form to the 17 18 applicant or by mailing the form to the applicant together with the applicant's initial premium notice. The applicant shall 19 20 complete, date and sign the form and return the form to the insurer within thirty days after receipt thereof. No insurer or 21 22 agent thereof is liable for payment of any damages applicable 23 under any optional uninsured or underinsured coverage authorized by section thirty-one of this article for any incident 24 25 which occurs from the date the form was mailed or delivered to 26 the applicant until the insurer receives the form and accepts 27 payment of the appropriate premium for the coverage requested 28 therein from the applicant: Provided, That if prior to the 29 insurer's receipt of the executed form the insurer issues a policy 30 to the applicant which provides for such optional uninsured or underinsured coverage, the insurer is liable for payment of 31 claims against such optional coverage up to the limits provided 32 therefor in such policy. The contents of a form described in this 33 section which has been signed by an applicant creates a 34 presumption that such applicant and all named insureds received 35 36 an effective offer of the optional coverages described in this 37 section and that such applicant exercised a knowing and intelligent election or rejection, as the case may be, of such offer 38 39 as specified in the form. Such election or rejection is binding on all persons insured under the policy. 40

41 (c) Any insurer who has issued a motor vehicle insurance policy in this state which is in effect on the effective date of this 42 section shall mail or otherwise deliver the form to any person 43 who is designated in the policy as a named insured. A named 44 insured shall complete, date and sign the form and return the 45 46 form to the insurer within thirty days after receipt thereof. No insurer or agent thereof is liable for payment of any damages in 47 any amount greater than any limits of such coverage, if any, 48 49 provided by the policy in effect on the date the form was mailed or delivered to such named insured for any incident which occurs 50 51 from the date the form was mailed or delivered to such named 52 insured until the insurer receives the form and accepts payment 53 of the appropriate premium for the coverage requested therein from the applicant. The contents of a form described in this 54 section which has been signed by any named insured creates a 55 56 presumption that all named insureds under the policy received an 57 effective offer of the optional coverages described in this section and that all such named insured exercised a knowing and 58 intelligent election or rejection, as the case may be, of such offer 59 as specified in the form. Such election or rejection is binding on 60 61 all persons insured under the policy.

(d) Failure of the applicant or a named insured to return the
form described in this section to the insurer as required by this
section within the time periods specified in this section creates
a presumption that such person received an effective offer of the
optional coverages described in this section and that such person
exercised a knowing and intelligent rejection of such offer. Such
rejection is binding on all persons insured under the policy.

(e) The insurer shall make such forms available to any
named insured who requests different coverage limits on or after
the effective date of this section. No insurer is required to make
such form available or notify any person of the availability of
such optional coverages authorized by this section except as
required by this section.

# §33-6-31h. Excluded drivers; definitions; legislative findings; restrictive endorsements.

(a) For purposes of this section, the following definitions
 apply:

3 (1) A "motor vehicle liability policy" means an "owner's 4 policy" or an "operator's policy" of liability insurance certified 5 as provided in section twelve, article four, chapter seventeen-d 6 of this code.

7 (2) "Excluded driver" means any driver specifically
8 excluded from coverage under section thirty- one, article six,
9 chapter thirty-three of this code.

(3) "Minimum financial responsibility limits" means those
limits defined in section two, article four, chapter seventeen-d of
this code.

13 (b) The Legislature finds that:

(1) The explicit, plain language of a motor vehicle liability
policy between an insurer and its insureds should control its
effect;

(2) Where insurers are required by the common law toprovide minimum financial responsibility limits coverage for

19 excluded drivers, consumers not excluded by restrictive20 endorsement are negatively impacted;

(3) The decision of the Supreme Court of Appeals of West
Virginia in *Jones v. Motorists Mutual Insurance Company*, 177
W. Va. 763 (1987) interpreted chapter seventeen-d of this code
to require insurers to provide minimum financial responsibility
limits of coverage to excluded drivers; and

(4) It is not the intent of the legislature to require insurers to
provide minimum financial responsibility limits of coverage to
excluded drivers.

29 (c) When any person is specifically excluded from coverage under the provisions of a motor vehicle liability policy by any 30 31 restrictive endorsement to the policy, the insurer is not required to provide any coverage, including both the duty to indemnify 32 and the duty to defend, for damages arising out of the operation, 33 maintenance or use of any motor vehicle by the excluded driver, 34 35 notwithstanding the provisions of chapter seventeen-d of this 36 code.

AN ACT to amend and reenact §33-3-14d of the Code of West Virginia, 1931, as amended, relating to investments by local policemen's and firemen's pension and relief fund boards; requiring annual review of investment performance; requiring investment with the Investment Management Board in certain

circumstances; and reallocating certain tax revenue in certain circumstances.

#### Be it enacted by the Legislature of West Virginia:

That §33-3-14d of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

# ARTICLE 3. LICENSING, FEES AND TAXATION OF INSURERS.

# §33-3-14d. Additional fire and casualty insurance premium tax; allocation of proceeds; effective date.

(a) (1) For the purpose of providing additional revenue for 1 municipal policemen's and firemen's pension and relief funds 2 and the Teachers Retirement System Reserve Fund and for 3 4 volunteer and part-volunteer fire companies and departments, there is hereby levied and imposed an additional premium tax 5 equal to one percent of taxable premiums for fire insurance and 6 casualty insurance policies. For purposes of this section, casualty 7 8 insurance does not include insurance on the life of a debtor pursuant to or in connection with a specific loan or other credit 9 transaction or insurance on a debtor to provide indemnity for 10 payments becoming due on a specific loan or other credit 11 12 transaction while the debtor is disabled as defined in the policy.

13 (2) All moneys collected from this additional tax shall be received by the commissioner and paid by him or her into a 14 special account in the State Treasury, designated the Municipal 15 16 Pensions and Protection Fund: Provided, That on or after January 1, 2010, the commissioner shall pay ten percent of the 17 amount collected to the Teachers Retirement System Reserve 18 Fund created in section eighteen, article seven-a, chapter 19 eighteen of this code, twenty-five percent of the amount 20 collected to the Fire Protection Fund created in section 21 22 thirty-three of this article for allocation by the Treasurer to

1544

23 volunteer and part-volunteer fire companies and departments and 24 sixty-five percent of the amount collected to the Municipal Pensions and Protection Fund: Provided, however, That upon 25 26 notification by the Municipal Pensions Oversight Board pursuant to the provisions of section eighteen-b, article twenty-two, 27 28 chapter eight of this code, on or after January 1, 2010, or as soon thereafter as the Municipal Pensions Oversight Board is prepared 29 to receive the funds, sixty-five percent of the amount collected 30 31 by the commissioner shall be deposited in the Municipal 32 Pensions Security Fund created in section eighteen-b, article twenty-two, chapter eight of this code. The net proceeds of this 33 34 tax after appropriation thereof by the Legislature is distributed in accordance with the provisions of this section, except for 35 distribution from proceeds pursuant to subsection (d), section 36 eighteen-a, article twenty-two, chapter eight of this code. 37

38 (b) (1) Before August 1 of each year, the treasurer of each 39 municipality in which a municipal policemen's or firemen's 40 pension and relief fund is established shall report to the State 41 Treasurer the average monthly number of members who worked 42 at least one hundred hours per month and the average monthly 43 number of retired members of municipal policemen's or 44 firemen's pension and relief fund or the Municipal Police 45 Officers and Firefighters Retirement System during the 46 preceding fiscal year: *Provided*, That beginning in the year 2010 and continuing thereafter, the report shall be made to the 47 48 oversight board created in section eighteen-a, article twenty-two, 49 chapter eight of this code. These reports received by the 50 oversight board shall be provided annually to the State Treasurer by September 1. 51

(2) Before September 1 of each calendar year, the State
Treasurer, or the Municipal Pensions Oversight Board, once in
operation, shall allocate and authorize for distribution the
revenues in the Municipal Pensions and Protection Fund which
were collected during the preceding calendar year for the

57 purposes set forth in this section. Before September 1 of each calendar year and after the Municipal Pensions Oversight Board 58 has notified the Treasurer and commissioner pursuant to section 59 eighteen-b, article twenty-two, chapter eight of this code, the 60 Municipal Pensions Oversight Board shall allocate and authorize 61 62 for distribution the revenues in the Municipal Pensions Security Fund which were collected during the preceding calendar year 63 for the purposes set forth in this section. In any year the actuarial 64 report required by section twenty, article twenty-two, chapter 65 eight of this code indicates no actuarial deficiency in the 66 municipal policemen's or firemen's pension and relief fund, no 67 68 revenues may be allocated from the Municipal Pensions and Protection Fund or the Municipal Pensions Security Fund to that 69 fund. The revenues from the Municipal Pensions and Protection 70 71 Fund shall then be allocated to all other pension and relief funds 72 which have an actuarial deficiency.

73 (3) The Municipal Pensions Oversight Board shall annually review the investment performance of each municipal 74 policemen's or firemen's pension and relief fund. If the 75 76 municipal pension and relief fund's board fails for three 77 consecutive years to comply with the investment provisions 78 established by section twenty-two-a, article twenty-two, chapter 79 eight of this code, the oversight board may require the municipal 80 policemen's or firemen's pension and relief fund to invest with the Investment Management Board to continue to receive its 81 allocation of funds from the premium tax. If the municipal 82 83 pension and relief fund fails to move its investments to the Investment Management Fund within the eighteen-month 84 drawdown period, provided in subsection (e), section nineteen, 85 article twenty-two, chapter eight of this code, the revenues shall 86 be reallocated to all other municipal policemen's or firemen's 87 88 pension and relief funds that have drawn down one hundred 89 percent of their allocations.

90 (4) The moneys, and the interest earned thereon, in the Municipal Pensions and Protection Fund allocated to volunteer 91 92 and part-volunteer fire companies and departments shall be allocated and distributed quarterly to the volunteer fire 93 companies and departments. Before each distribution date, the 94 95 State Fire Marshal shall report to the State Treasurer the names and addresses of all volunteer and part-volunteer fire companies 96 97 and departments within the state which meet the eligibility requirements established in section eight-a, article fifteen, 98 99 chapter eight of this code.

100 (c) (1) Each municipal pension and relief fund shall have 101 allocated and authorized for distribution a pro rata share of the revenues allocated to municipal policemen's and firemen's 102 103 pension and relief funds based on the corresponding 104 municipality's average monthly number of police officers and 105 firefighters who worked at least one hundred hours per month 106 during the preceding fiscal year. On and after July 1, 1997, from 107 the growth in any moneys collected pursuant to the tax imposed 108 by this section and interest thereon there shall be allocated and authorized for distribution to each municipal pension and relief 109 110 fund, a pro rata share of the revenues allocated to municipal 111 policemen's and firemen's pension and relief funds based on the 112 corresponding municipality's average number of police officers 113 and firefighters who worked at least one hundred hours per 114 month and average monthly number of retired police officers and 115 firefighters. For the purposes of this subsection, the growth in 116 moneys collected from the tax collected pursuant to this section 117 is determined by subtracting the amount of the tax collected during the fiscal year ending June 30, 1996, from the tax 118 collected during the fiscal year for which the allocation is being 119 made and interest thereon. All moneys received by municipal 120 121 pension and relief funds under this section may be expended 122 only for those purposes described in sections sixteen through 123 twenty-eight, inclusive, article twenty-two, chapter eight of this 124 code.

# 1548 INSURANCE [Ch. 142

(2) Each volunteer fire company or department shall receive
an equal share of the revenues allocated for volunteer and
part-volunteer fire companies and departments.

128 (3) In addition to the share allocated and distributed in 129 accordance with subdivision (1) of this subsection, each 130 municipal fire department composed of full-time paid members 131 and volunteers and part-volunteer fire companies and departments shall receive a share equal to the share distributed 132 133 to volunteer fire companies under subdivision (2) of this subsection reduced by an amount equal to the share multiplied 134 by the ratio of the number of full-time paid fire department 135 136 members who are also members of a municipal firemen's 137 pension and relief fund or the Municipal Police Officers and Firefighters Retirement System to the total number of members 138 139 of the fire department.

(d) The allocation and distribution of revenues provided in
this section are subject to the provisions of section twenty,
article twenty-two, chapter eight of this code and sections eight-a
and eight-b, article fifteen of said chapter.

144 (e) Based upon the findings of an audit by the Treasurer, the Legislature hereby finds and declares that during the period of 145 1982 through April 27, 2012, allocations from the Municipal 146 Pensions and Protection Fund were miscalculated and errors 147 148 were made in amounts transferred, resulting in overpayments 149 and underpayments to the relief and pension funds and to the 150 Teachers Retirement System, and that the relief and pension 151 funds and the Teachers Retirement System were not at fault for 152 any of the overpayments and underpayments. The Legislature 153 hereby further finds and declares that any attempt by the 154 Municipal Pension Oversight Board or other entity to recover 155 any of the overpayments would be unjust and create economic 156 hardship for the entities that received overpayments. 158 Board, may seek to recover from a relief or pension fund, the 159 Teachers Retirement System or the state any overpayments 160 received from the Municipal Pensions and Protection Fund and 161 the overpayments are not subject to recovery, offset or litigation. 162 Pursuant to the audit by the Treasurer, the amount of 163 \$3,631,846.55 is determined owed to specific relief and pension 164 funds through the period of April 27, 2012. The Treasurer is 165 hereby authorized to transfer the amount of \$3,631,846.55 from 166 the Unclaimed Property Trust Fund to the Municipal Pensions and Protection Fund, which is hereby reopened for the sole 167 purpose of the transfer and remittances pursuant to this 168 169 subsection, and to use the amount transferred to remit the 170 amounts due to the pension and relief funds. The payment of 171 \$3,631,846.55 to the pension and relief funds is complete 172 satisfaction of any amounts due and no entity, including, without 173 limitation, the Municipal Pension Oversight Board and any 174 pension or relief fund, may seek to recover any further amounts.

- 40 commencement of a delinquency proceeding with respect to an
- 41 insurer-member does not operate as a stay, injunction or
- 42 prohibition of the exercise by a federal home loan bank of its
- 43 rights regarding collateral pledged by the insurer-member.

### §33-10-26. Voidable preferences and liens.

1 (a) A preference is a transfer of any of the property of an 2 insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within one year 3 before the filing of a successful petition for liquidation under this 4 5 article, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor 6 of the same class would have otherwise received. If a liquidation 7 order is entered while the insurer is already subject to a 8 rehabilitation order, then the transfers are preferences if made or 9 suffered within one year before the filing of the successful 10 petition for rehabilitation, or within two years before the filing 11 of the successful petition for liquidation, whichever time is 12 13 shorter.

- (b) Any preference may be avoided by the liquidator if theinsurer was insolvent at the time of the transfer; and
- 16 (1) The transfer was made within four months before the17 filing of the petition; or
- (2) The creditor receiving it or to be benefitted thereby or his
  or her agent acting with reference thereto had, at the time when
  the transfer was made, reasonable cause to believe that the
  insurer was insolvent or was about to become insolvent; or
- (3) The creditor receiving it was an officer, or any employee
  or attorney or other person who was in fact in a position of
  comparable influence in the insurer to an officer whether or not
  he or she held such position, or any shareholder holding directly
  or indirectly more than five percent of any class of any equity

security issued by the insurer, or any other person, firm,corporation, association or aggregation of persons with whomthe insurer did not deal at arm's length.

30 (c) (1) Notwithstanding subsections (a) and (b) of this 31 section or any other provision of this chapter, the receiver for an 32 insurer-member subject to a delinquency proceeding may not void a transfer made to a federal home loan bank in the ordinary 33 34 course of business within four months of the commencement of the delinquency proceedings or which received prior approval of 35 the receiver: Provided, That a transfer may be voided under this 36 37 section if the transfer was made with actual intent to hinder. 38 delay or defraud the insurer-member, a receiver appointed for 39 the insurer-member or existing or future creditors.

40 (2) Following the appointment of a receiver for an insurer41 member and upon request of the receiver, the federal home loan
42 bank shall, within ten days of the request, provide a process and
43 establish timing for:

(A) The release of collateral that exceeds the lending value,
as determined in accordance with the advance agreement with
the federal home loan bank, required to support secured
obligations remaining after any repayment of advances;

(B) The release of any collateral remaining in the federalhome loan bank's possession following repayment of alloutstanding secured obligations in full;

51 (C) The payment of fees and the operation of deposits and 52 other accounts with the federal home loan bank; and

(D) The possible redemption or repurchase of federal home
loan bank stock or excess stock of any class that an insurermember is required to own.

(3) Upon the request of the receiver for an insurer-member,the federal home loan bank shall provide any available options

for the insurer-member to renew or restructure an advance to defer associated prepayment fees, to the extent that market conditions, the terms of the advance outstanding to the insurermember, the applicable policies of the federal home loan bank and compliance with the Federal Home Loan Bank Act and corresponding regulations permit.

64 (4) Nothing in this subsection affects the receiver's rights
65 pursuant to 12 C.F.R. § 1266.4 regarding advances to an insurer66 member in delinquency proceedings.

67 (d) Where the preference is voidable, the liquidator may 68 recover the property or, if it has been converted, its value from any person who has received or converted the property; except 69 70 where a bona fide purchaser or lienor has given less than fair 71 equivalent value, the purchaser or lienor shall have a lien upon 72 the property to the extent of the consideration actually given. 73 Where a preference by way of lien or security title is voidable, 74 the court may on due notice order the lien or title to be preserved 75 for the benefit of the estate, in which event the lien or title shall 76 pass to the liquidator.

(e) A transfer under this section is considered to have beenmade as follows:

(1) A transfer of property other than real property is made or
suffered when it becomes so far perfected that no subsequent
lien obtainable by legal or equitable proceedings on a simple
contract could become superior to the rights of the transferee.

(2) A transfer of real property is made or suffered when it
becomes so far perfected that no subsequent bona fide purchaser
from the insurer could obtain rights superior to the rights of the
transferee.

87 (3) A transfer which creates an equitable lien is not perfected88 if there are available means by which a legal lien could be89 created.

90 (4) A transfer not perfected prior to the filing of a petition91 for liquidation is made immediately before the filing of the92 successful petition.

(5) The provisions of this subsection apply whether or notthere are or were creditors who might have obtained liens orpersons who might have become bona fide purchasers.

96 (f) (1) A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of 97 the proceedings upon the entry or docketing of a judgment or 98 99 decree, or upon attachment, garnishment, execution or like process, whether before, upon or after judgment or decree and 100 whether before or upon levy. It does not include liens which 101 102 under applicable law are given a special priority over other liens which are prior in time. 103

104 (2) A lien obtainable by legal or equitable proceedings becomes superior to the rights of a transferee, or a purchaser 105 106 obtains rights superior to the rights of a transferee within the 107 meaning of subsection(e) of this section, if the consequences 108 follow only from the lien or purchase itself, or from the lien or 109 purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of 110 ministerial action by public officials. A lien does not, however, 111 112 become superior and the purchase does not create superior rights 113 for the purpose of subsection(e) of this section through any acts 114 subsequent to the obtaining of the lien or subsequent to the 115 purchase which require the agreement or concurrence of any third party or which require any further judicial action or ruling. 116

(g) A transfer of property for or on account of a new and contemporaneous consideration which is considered under subsection (e) of this section to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any

122 acts required by the applicable law to be performed in order to 123 perfect the transfer as against liens or bona fide purchasers' 124 rights are performed within twenty-one days or any period 125 expressly allowed by the law, whichever is less. A transfer to 126 secure a future loan, if the loan is actually made, or a transfer 127 which becomes security for a future loan, has the same effect as 128 a transfer for or on account of a new and contemporaneous 129 consideration.

(h) If any lien that is voidable under subsection (b) of this
section has been dissolved by the furnishing of a bond or other
obligation, the surety on which has been indemnified directly or
indirectly by the transfer of or the creation of a lien upon any
property of an insurer before the filing of a petition under this
article which results in a liquidation order, the indemnifying
transfer or lien is also considered voidable.

137 (i) The property affected by any lien considered voidable 138 under subsections (a), (b) and (h) of this section shall be discharged from the lien and that property and any of the 139 140 indemnifying property transferred to or for the benefit of a surety 141 shall pass to the liquidator, except that the court may on due 142 notice order the lien to be preserved for the benefit of the estate 143 and the court may direct that the conveyance be executed as may 144 be proper or adequate to evidence the title of the liquidator.

145 (j) The circuit court has summary jurisdiction of any 146 proceeding by the liquidator to hear and determine the rights of 147 any parties under this section. Reasonable notice of any hearing 148 in the proceeding shall be given to all parties in interest, 149 including the obligee of a releasing bond or other like obligation. 150 Where an order is entered for the recovery of indemnifying 151 property in kind or for the avoidance of an indemnifying lien the court, upon application of any party in interest, shall in the same 152 153 proceeding ascertain the value of the property or lien and if the value is less than the amount for which the property is indemnity 154

or than the amount of the lien, the transferee or lienholder may
elect to retain the property or lien upon payment of its value, as
ascertained by the court, to the liquidator within reasonable
times the court fixes.

(k) The liability of the surety under a releasing bond or other
like obligation is discharged to the extent of the value of the
indemnifying property recovered or the indemnifying lien
nullified and avoided by the liquidator or where the property is
retained under subsection (j) of this section to the extent of the
amount paid to the liquidator.

(1) If a creditor has been preferred, and afterward in good
faith gives the insurer further credit without security of any kind,
for property which becomes a part of the insurer's estate, the
amount of the new credit remaining unpaid at the time of the
petition may be set off against the preference which would
otherwise be recoverable from him or her.

171 (m) If an insurer, directly or indirectly, within four months 172 before the filing of a successful petition for liquidation under this 173 article, or at any time in contemplation of a proceeding to 174 liquidate it, pays money or transfers property to an attorney-at-175 law for services rendered or to be rendered, the transactions may 176 be examined by the court on its own motion or shall be examined 177 by the court on petition of the liquidator and may be held valid 178 only to the extent of a reasonable amount to be determined by 179 the court and the excess may be recovered by the liquidator for the benefits of the estate provided that where the attorney is in a 180 181 position of influence in the insurer or an affiliate thereof payment of any money or the transfer of any property to the 182 183 attorney-at-law for services rendered or to be rendered shall be 184 governed by the provision of subdivision (3), subsection (b) of 185 this section.

(n) (1) Every officer, manager, employee, shareholder,member, subscriber, attorney or any other person acting on

1560	INSURANCE	[Ch. 145

188 behalf of the insurer who knowingly participates in giving any preference when he or she has reasonable cause to believe the 189 190 insurer is or is about to become insolvent at the time of the 191 preference is personally liable to the liquidator for the amount of the preference. It is permissible to infer that there is a reasonable 192 193 cause to so believe if the transfer was made within four months 194 before the date of filing of this successful petition for 195 liquidation.

(2) Every person receiving any property from the insurer or
the benefit thereof as a preference voidable under subsections (a)
and (b) of this section is personally liable therefor and is bound
to account to the liquidator.

(3) Nothing in this subsection prejudices any other claim bythe liquidator against any person.

23 placement, excluding placements made for abuse and neglect, if that juvenile has had no prior adjudications for a status or 24 delinquency offense, or no prior disposition to a pre-adjudicatory 25 improvement period or probation for the current matter: 26 27 Provided, however, That if the court finds by clear and 28 convincing evidence the existence of a significant and likely risk of harm to the juvenile, a family member or the public and 29 30 continued placement in the home is contrary to the best interests 31 of the juvenile, such juvenile may be ordered to an out-of-home placement: Provided further, That the court finds the department 32 has made all reasonable efforts to prevent removal of the 33 34 juvenile from his or her home, or that such reasonable efforts are 35 not required due to an emergent situation.

36 (c) In ordering any further disposition under this section, the 37 court is not limited to the relief sought in the department's 38 petition and shall make reasonable efforts to prevent removal of 39 the juvenile from his or her home or, as an alternative, to place 40 the juvenile in a community-based facility which is the least 41 restrictive alternative appropriate to the needs of the juvenile and 42 the community. The disposition may include reasonable and relevant orders to the parents, guardians or custodians of the 43 juvenile as is necessary and proper to effectuate the disposition. 44

(d) (1) If the court finds that placement in a residential
facility is necessary to provide the services under subsection (a)
of this section, except as prohibited by subdivision (2),
subsection (b) of this section, the court shall make findings of
fact as to the necessity of this placement, stated on the record or
reduced to writing and filed with the record or incorporated into
the order of the court.

52 (2) The findings of fact shall include the factors that 53 indicate:

54 (A) The likely effectiveness of placement in a residential55 facility for the juvenile; and

56 (B) The community services which were previously 57 attempted.

(e) The disposition of the juvenile may not be affected by the
fact that the juvenile demanded a trial by jury or made a plea of
not guilty. Any order providing disposition other than mandatory
referral to the department for services is subject to appeal to the
Supreme Court of Appeals.

(f) Following any further disposition by the court, the court
shall inquire of the juvenile whether or not appeal is desired and
the response shall be transcribed; a negative response may not be
construed as a waiver. The evidence shall be transcribed as soon
as practicable and made available to the juvenile or his or her
counsel, if it is requested for purposes of further proceedings. A
judge may grant a stay of execution pending further proceedings.

(g) A juvenile adjudicated solely as a status offender on or
after January 1, 2016, may not be placed in a Division of
Juvenile Services facility.

#### \*§49-4-714. Disposition of juvenile delinquents; appeal.

(a) In aid of disposition of juvenile delinquents, the juvenile 1 2 probation officer assigned to the juvenile shall, upon request of 3 the court, make an investigation of the environment of the juvenile and the alternative dispositions possible. The court, 4 upon its own motion, or upon request of counsel, may order the 5 use of a standardized screener, as defined in section two hundred 6 six, article one of this chapter or, if additional information is 7 necessary, a psychological examination of the juvenile. The 8 report of an examination and other investigative and social 9 10 reports shall not be relied upon the court in making a

determination of adjudication. Unless waived, copies of the
report shall be provided to counsel for the petitioner and counsel
for the juvenile no later than seventy-two hours prior to the
dispositional hearing.

15 (b) Following the adjudication, the court shall receive and consider the results of a risk and needs assessment conducted 16 17 pursuant to section seven hundred twenty-four, article four of this chapter and shall conduct the disposition, giving all parties 18 19 an opportunity to be heard. The disposition may include 20 reasonable and relevant orders to the parents, custodians or 21 guardians of the juvenile as is necessary and proper to effectuate 22 the disposition. At disposition the court shall not be limited to 23 the relief sought in the petition and shall, in electing from the following alternatives, consider the best interests of the juvenile 24 25 and the welfare of the public:

26 (1) Dismiss the petition;

(2) Refer the juvenile and the juvenile's parent or custodian
to a community agency for needed assistance and dismiss the
petition;

30 (3) Upon a finding that the juvenile is in need of extra-parental supervision: (A) Place the juvenile under the 31 supervision of a probation officer of the court or of the court of 32 33 the county where the juvenile has his or her usual place of abode 34 or other person while leaving the juvenile in custody of his or 35 her parent or custodian; and (B) prescribe a program of treatment or therapy or limit the juvenile's activities under terms which are 36 reasonable and within the child's ability to perform, including 37 participation in the litter control program established pursuant to 38 section three, article fifteen-a, chapter twenty-two of this code or 39 40 other appropriate programs of community service;

41 (4) Upon a finding that a parent or custodian is not willing42 or able to take custody of the juvenile, that a juvenile is not

43 willing to reside in the custody of his or her parent or custodian 44 or that a parent or custodian cannot provide the necessary supervision and care of the juvenile, the court may place the 45 juvenile in temporary foster care or temporarily commit the 46 juvenile to the department or a child welfare agency. The court 47 48 order shall state that continuation in the home is contrary to the 49 best interest of the juvenile and why; and whether or not the 50 department made a reasonable effort to prevent the placement or 51 that the emergency situation made those efforts unreasonable or 52 impossible. Whenever the court transfers custody of a youth to 53 the department, an appropriate order of financial support by the 54 parents or guardians shall be entered in accordance with part 55 eight, article four of this chapter and guidelines promulgated by 56 the Supreme Court of Appeals;

(5) (A) Upon a finding that the best interests of the juvenile
or the welfare of the public require it, and upon an adjudication
of delinquency, the court may commit the juvenile to the custody
of the Director of the Division of Juvenile Services for
placement in a juvenile services facility for the treatment,
instruction and rehabilitation of juveniles. The court maintains
discretion to consider alternative sentencing arrangements.

64 (B) Notwithstanding any provision of this code to the contrary, in the event that the court determines that it is in the 65 66 juvenile's best interests or required by the public welfare to place the juvenile in the custody of the Division of Juvenile 67 Services, the court shall provide the Division of Juvenile 68 Services with access to all relevant court orders and records 69 70 involving the underlying offense or offenses for which the 71 juvenile was adjudicated delinquent, including sentencing and presentencing reports and evaluations, and provide the division 72 with access to school records, psychological reports and 73 74 evaluations, risk and needs assessment results, medical reports 75 and evaluations or any other such records as may be in the 76 court's possession as would enable the Division of Juvenile

Services to better assess and determine the appropriatecounseling, education and placement needs for the juvenileoffender.

80 (C) Commitments may not exceed the maximum term for 81 which an adult could have been sentenced for the same offense 82 and any such maximum allowable term of confinement to be 83 served in a juvenile correctional facility shall take into account 84 any time served by the juvenile in a detention center pending 85 adjudication, disposition or transfer. The order shall state that 86 continuation in the home is contrary to the best interests of the juvenile and why; and whether or not the state department made 87 a reasonable effort to prevent the placement or that the 88 89 emergency situation made those efforts unreasonable or impossible; or 90

91 (6) After a hearing conducted under the procedures set out 92 in subsections (c) and (d), section four, article five, chapter 93 twenty-seven of this code, commit the juvenile to a mental health 94 facility in accordance with the juvenile's treatment plan; the director of the mental health facility may release a juvenile and 95 96 return him or her to the court for further disposition. The order 97 shall state that continuation in the home is contrary to the best 98 interests of the juvenile and why; and whether or not the state 99 department made a reasonable effort to prevent the placement or 100 that the emergency situation made those efforts unreasonable or 101 impossible.

102 The court shall make all reasonable efforts to place the 103 juvenile in the least restrictive alternative appropriate to the 104 needs of the juvenile and the community: Provided, That a 105 juvenile adjudicated delinquent for a nonviolent misdemeanor 106 offense may not be placed in an out-of-home placement within 107 the Division of Juvenile Services or the department if that 108 iuvenile has no prior adjudications as either a status offender or 109 as a delinquent, or no prior dispositions to a pre-adjudicatory

110 improvement period or probation for the current matter, 111 excluding placements made for abuse or neglect: Provided, 112 however, That if the court finds by clear and convincing 113 evidence that there is a significant and likely risk of harm, as 114 determined by a risk and needs assessment, to the juvenile, a 115 family member or the public and that continued placement in the 116 home is contrary to the best interest of the juvenile, such juvenile 117 may be ordered to an out-of-home placement: Provided further, 118 That the department has made all reasonable efforts to prevent 119 removal of the juvenile from his or her home, or that reasonable 120 efforts are not required due to an emergent situation.

(c) In any case in which the court decides to order the
juvenile placed in an out-of-state facility or program, it shall set
forth in the order directing the placement the reasons the juvenile
was not placed in an in-state facility or program.

(d) The disposition of the juvenile shall not be affected by
the fact that the juvenile demanded a trial by jury or made a plea
of not guilty. Any disposition is subject to appeal to the Supreme
Court of Appeals.

(e) Following disposition, the court shall inquire whether the
juvenile wishes to appeal and the response shall be transcribed;
a negative response shall not be construed as a waiver. The
evidence shall be transcribed as soon as practicable and made
available to the juvenile or his or her counsel, if the same is
requested for purposes of further proceedings. A judge may grant
a stay of execution pending further proceedings.

(f) Following a disposition under subdivision (4), (5) or (6),
subsection (b) of this section, the court shall include in the
findings of fact the treatment and rehabilitation plan the court
has adopted upon recommendation of the multidisciplinary team
under section four hundred six, article four of this chapter.

## 1634JUVENILE JUSTICE REFORM[Ch. 150

(g) Notwithstanding any other provision of this code to the
contrary, if a juvenile charged with delinquency under this
chapter is transferred to adult jurisdiction and there tried and
convicted, the court may make its disposition in accordance with
this section in lieu of sentencing the person as an adult.

### \*§49-4-718. Modification of dispositional orders; motions; hearings.

1 (a) A dispositional order of the court may be modified:

2 (1) Upon the motion of the probation officer, a department
3 official, the director of the Division of Juvenile Services or
4 prosecuting attorney; or

5 (2) Upon the request of the juvenile or a juvenile's parent, 6 guardian or custodian who alleges a change of circumstances 7 relating to disposition of the juvenile.

8 (b) Upon such a motion or request, the court shall conduct a 9 review hearing, except that if the last dispositional order was within the previous six months, the court may deny a request for 10 review. Notice in writing of a review hearing shall be given to 11 the juvenile, the juvenile's parent, guardian or custodian and all 12 13 counsel not less than seventy-two hours prior to the proceeding. 14 The court shall review the performance of the juvenile, the juvenile's parent or custodian, the juvenile's case worker and 15 other persons providing assistance to the juvenile or juvenile's 16 family. If the motion or request for review of disposition is based 17 upon an alleged violation of a court order, the court may modify 18 the disposition order and impose a more restrictive alternative if 19 it finds clear and convincing proof of substantial violation. In the 20 21 absence of such evidence, the court may decline to modify the 22 dispositional order or may modify the order and impose one of

<sup>\*</sup> NOTE: This section was also amended by H. B. 2200 (Chapter 46), which passed prior to this act.

23 the less restrictive alternatives set forth in section seven hundred

twelve of this article. A juvenile may not be required to seek a modification order as provided in this section in order to exercise

26 his or her right to seek relief by habeas corpus.

(c) In a hearing for modification of a dispositional order, or
in any other dispositional hearing, the court shall consider the
best interests of the child and the welfare of the public.

30 (d) (1) For dispositional orders that include probation, the
31 juvenile's probation officer shall submit an overview to the court
32 of the juvenile's compliance with the conditions of probation and
33 goals of his or her case plan every ninety days.

(2) If the juvenile is compliant and no longer in need of
probation supervision, the probation officer shall submit a
recommendation for discharge from probation supervision. If the
court determines that early termination of the probation term is
warranted, it may issue an order discharging the juvenile from
probation without conducting a review hearing.

(3) If the juvenile is not compliant with the conditions or has
not met his or her goals, the probation officer shall include an
accompanying recommendation to the court with additional or
changed conditions or goals necessary to achieve compliance. If
the court determines that changes to the conditions of probation
are warranted, the court shall conduct a review hearing in
accordance with subsection (b) of this section.

#### \*§49-4-719. Juvenile probation officers; appointment; salary; facilities; expenses; duties; powers.

1 (a) (1) Each circuit court, subject to the approval of the 2 Supreme Court of Appeals and in accordance with the rules of

<sup>\*</sup> NOTE: This section was also amended by H. B. 2200 (Chapter 46), which passed prior to this act.

3 the Supreme Court of Appeals, shall appoint one or more

4 juvenile probation officers and clerical assistants for the circuit.5 A probation officer or clerical assistant may not be related by

6 blood or marriage to the appointing judge.

7 (2) The salary for juvenile probation officers and clerical assistants shall be determined and fixed by the Supreme Court of 8 Appeals. All expenses and costs incurred by the juvenile 9 probation officers and their staff shall be paid by the Supreme 10 Court of Appeals in accordance with its rules. The county 11 12 commission of each county shall provide adequate office facilities for juvenile probation officers and their staff. All 13 equipment and supplies required by juvenile probation officers 14 and their staff shall be provided by the Supreme Court of 15 16 Appeals.

- (3) A juvenile probation officer may not be considered alaw-enforcement official under this chapter.
- (b) The clerk of a court shall notify, if practicable, the chief
  probation officer of the county, or his or her designee, when a
  juvenile is brought before the court or judge for proceedings
  under this article. When notified, or if the probation officer
  otherwise obtains knowledge of such fact, he or she or one of his
  or her assistants shall:
- 25 (1) Make investigation of the case; and
- 26 (2) Furnish information and assistance that the court or judge27 may require.
- (c) (1) The Supreme Court of Appeals may develop a system
  of community-based juvenile probation sanctions and incentives
  to be used by probation officers in response to violations of
  terms and conditions of probation and to award incentives for
  positive behavior.

(2) The community-based juvenile probation sanctions and
incentives may consist of a continuum of responses from the
least restrictive to the most restrictive, designed to respond
swiftly, proportionally and consistently to violations of the terms
and conditions of probation and to reward compliance therewith.

(3) The purpose of community-based juvenile probation
sanctions and incentives is to reduce the amount of resources and
time spent by the court addressing probation violations, to
reduce the likelihood of a new status or delinquent act, and to
encourage and reward positive behavior by the juvenile on
probation prior to any attempt to place a juvenile in an
out-of-home placement.

#### §49-4-724. Standardized risk and needs assessment.

(a) The Supreme Court of Appeals is requested to adopt a
 risk and needs assessment to be used for juvenile dispositions. A
 validation study of the risk and needs assessment may be
 conducted at least every three years to ensure that the risk and
 needs assessment is predictive of the risk of reoffending.

(b) Each juvenile adjudicated for a status or delinquency 6 7 offense in accordance with this chapter shall undergo a risk and needs assessment prior to disposition to identify specific factors 8 9 that predict a juvenile's likelihood of reoffending and, when 10 appropriately addressed, may reduce the likelihood of reoffending. The risk and needs assessment may be conducted by 11 a probation officer, other court official or the state department 12 13 worker trained to conduct the risk and needs assessment.

(c) Each multidisciplinary team convened pursuant to
section four hundred six, article four of this chapter shall receive
and consider the results of the risk and needs assessment of the
juvenile.

18 (d) The results of the risk and needs assessment shall be

19 provided to the court prior to disposition or at the time of the

20 dispositional hearing.

#### §49-4-725. Restorative justice programs.

(a) The court or prosecuting attorney may divert a juvenile
 referred to the court for a status offense or for a nonviolent
 misdemeanor offense to a restorative justice program, where
 available, prior to adjudication.

5 (b) A restorative justice program shall:

6 (1) Emphasize repairing the harm against the victim and the7 community caused by the juvenile;

8 (2) Include victim-offender dialogues or family group 9 conferencing attended voluntarily by the victim, the juvenile 10 offender, a facilitator, a victim advocate, community members, 11 or supporters of the victim or the juvenile offender that provide 12 an opportunity for the offender to accept responsibility for the 13 harm caused to those affected by the crime and to participate in 14 setting consequences to repair the harm; and

(3) Implement sanctions for the juvenile, including, but not
limited to, restitution to the victim, restitution to the community,
services for the victim or the community, or any other sanction
intended to provide restitution to the victim or the community.

(c) If a juvenile is referred to, and successfully completes, a
restorative justice program, the petition against the juvenile shall
be dismissed.

(d) No information obtained as the result of a restorative
justice program is admissible in a subsequent proceeding under
this article.

#### ARTICLE 5. RECORDKEEPING AND DATABASE.

## \*§49-5-103. Confidentiality of juvenile records; permissible disclosures; penalties; damages.

4 (b) Records of a juvenile proceeding conducted under this 5 chapter are not public records and shall not be disclosed to 6 anyone unless disclosure is otherwise authorized by this section.

7 (c) Notwithstanding the provisions of subsection (b) of this 8 section, a copy of a juvenile's records shall automatically be 9 disclosed to certain school officials, subject to the following 10 terms and conditions:

16 (iii) Involves possession or delivery of a controlled17 substance as that term is defined in section one hundred one,18 article one, chapter sixty-a of this code; and

(B) The juvenile's case has proceeded to a point where oneor more of the following has occurred:

(i) A circuit court judge or magistrate has determined that
there is probable cause to believe that the juvenile committed the
offense as charged;

- (ii) A circuit court judge or magistrate has placed thejuvenile on probation for the offense;
- (iii) A circuit court judge or magistrate has placed the
  juvenile into a preadjudicatory community supervision period in
  accordance with section seven hundred eight, article four of this
  chapter; or
- 30 (iv) Some other type of disposition has been made of the31 case other than dismissal.
- 32 (2) The circuit court for each judicial circuit in West
  33 Virginia shall designate one person to supervise the disclosure
  34 of juvenile records to certain school officials.
- (3) If the juvenile attends a West Virginia public school, the
  person designated by the circuit court shall automatically
  disclose all records of the juvenile's case to the county
  superintendent of schools in the county in which the juvenile
  attends school and to the principal of the school which the
  juvenile attends, subject to the following:
- (A) At a minimum, the records shall disclose the followinginformation:
- 43 (i) Copies of the arrest report;
- 44 (ii) Copies of all investigations;

(iii) Copies of any psychological test results and any mentalhealth records;

47 (iv) Copies of any evaluation reports for probation or facility48 placement; and

49 (v) Any other material that would alert the school to
50 potential danger that the juvenile may pose to himself, herself or
51 others;

(B) The disclosure of the juvenile's psychological test results
and any mental health records shall only be made in accordance
with subdivision (14) of this subsection;

55 (C) If the disclosure of any record to be automatically 56 disclosed under this section is restricted in its disclosure by the 57 Health Insurance Portability and Accountability Act of 1996, PL 104-191, and any amendments and regulations under the act, the 58 59 person designated by the circuit court shall provide the superintendent and principal any notice of the existence of the 60 61 record that is permissible under the act and, if applicable, any action that is required to obtain the record; and 62

(D) When multiple disclosures are required by this
subsection, the person designated by the circuit court is required
to disclose only material in the juvenile record that had not
previously been disclosed to the county superintendent and the
principal of the school which the juvenile attends.

(4) If the juvenile attends a private school in West Virginia,
the person designated by the circuit court shall determine the
identity of the highest ranking person at that school and shall
automatically disclose all records of a juvenile's case to that
person.

(5) If the juvenile does not attend school at the time the
juvenile's case is pending, the person designated by the circuit
court may not transmit the juvenile's records to any school.
However, the person designated by the circuit court shall
transmit the juvenile's records to any school in West Virginia
which the juvenile subsequently attends.

#### 1642 JUVENILE JUSTICE REFORM

79 (6) The person designated by the circuit court may not automatically transmit juvenile records to a school which is not 80 located in West Virginia. Instead, the person designated by the 81 circuit court shall contact the out-of-state school, inform it that 82 83 iuvenile records exist and make an inquiry regarding whether the laws of that state permit the disclosure of juvenile records. If so, 84 the person designated by the circuit court shall consult with the 85 86 circuit judge who presided over the case to determine whether 87 the juvenile records should be disclosed to the out-of-state 88 school. The circuit judge has discretion in determining whether 89 to disclose the juvenile records and shall consider whether the other state's law regarding disclosure provides for sufficient 90 confidentiality of juvenile records, using this section as a guide. 91 92 If the circuit judge orders the juvenile records to be disclosed, they shall be disclosed in accordance with subdivision (7) of this 93 94 subsection.

95 (7) The person designated by the circuit court shall transmit 96 the juvenile's records to the appropriate school official under 97 cover of a letter emphasizing the confidentiality of those records 98 and directing the official to consult this section of the code. A 99 copy of this section of the code shall be transmitted with the 100 juvenile's records and cover letter.

101 (8) Juvenile records are absolutely confidential by the school official to whom they are transmitted and nothing contained 102 within the juvenile's records may be noted on the juvenile's 103 permanent educational record. The juvenile records are to be 104 105 maintained in a secure location and are not to be copied under 106 any circumstances. However, the principal of a school to whom 107 the records are transmitted shall have the duty to disclose the contents of those records to any teacher who teaches a class in 108 109 which the subject juvenile is enrolled and to the regular driver of a school bus in which the subject juvenile is regularly 110 111 transported to or from school, except that the disclosure of the 112 juvenile's psychological test results and any mental health 113 records may only be made in accordance with subdivision (14)

of this subsection. Furthermore, any school official to whom the
juvenile's records are transmitted may disclose the contents of
those records to any adult within the school system who, in the
discretion of the school official, has the need to be aware of the
contents of those records.

119 (9) If for any reason a juvenile ceases to attend a school 120 which possesses that juvenile's records, the appropriate official 121 at that school shall seal the records and return them to the circuit 122 court which sent them to that school. If the juvenile has changed 123 schools for any reason, the former school shall inform the circuit 124 court of the name and location of the new school which the 125 juvenile attends or will be attending. If the new school is located 126 within West Virginia, the person designated by the circuit court 127 shall forward the juvenile's records to the juvenile's new school 128 in the same manner as provided in subdivision (7) of this 129 subsection. If the new school is not located within West 130 Virginia, the person designated by the circuit court shall handle 131 the juvenile records in accordance with subdivision (6) of this 132 subsection.

133 If the juvenile has been found not guilty of an offense for 134 which records were previously forwarded to the juvenile's 135 school on the basis of a finding of probable cause, the circuit 136 court may not forward those records to the juvenile's new 137 school. However, this does not affect records related to other 138 prior or future offenses. If the juvenile has graduated or quit 139 school or will otherwise not be attending another school, the 140 circuit court shall retain the juvenile's records and handle them 141 as otherwise provided in this article.

(10) Under no circumstances may one school transmit ajuvenile's records to another school.

(11) Under no circumstances may juvenile records beautomatically transmitted to a college, university or otherpost-secondary school.

#### 1644JUVENILE JUSTICE REFORM[Ch. 150

147 (12) No one may suffer any penalty, civil or criminal, for 148 accidentally or negligently attributing certain juvenile records to the wrong person. However, that person has the affirmative duty 149 to promptly correct any mistake that he or she has made in 150 151 disclosing juvenile records when the mistake is brought to his or 152 her attention. A person who intentionally attributes false 153 information to a certain person shall be subjected to both 154 criminal and civil penalties in accordance with subsection (e) of 155 this section.

(13) If a circuit judge or magistrate has determined that there is probable cause to believe that a juvenile has committed an offense but there has been no final adjudication of the charge, the records which are transmitted by the circuit court shall be accompanied by a notice which clearly states in bold print that there has been no determination of delinquency and that our legal system requires a presumption of innocence.

163 (14) The county superintendent shall designate the school psychologist or psychologists to receive the juvenile's 164 psychological test results and any mental health records. The 165 166 psychologist designated shall review the juvenile's 167 psychological test results and any mental health records and, in 168 the psychologist's professional judgment, may disclose to the principal of the school that the juvenile attends and other school 169 170 employees who would have a need to know the psychological 171 test results, mental health records and any behavior that may trigger violence or other disruptive behavior by the juvenile. 172 Other school employees include, but are not limited to, any 173 174 teacher who teaches a class in which the subject juvenile is 175 enrolled and the regular driver of a school bus in which the 176 subject juvenile is regularly transported to or from school.

(d) Notwithstanding the provisions of subsection (b) of thissection, juvenile records may be disclosed, subject to thefollowing terms and conditions:

#### Ch. 150] JUVENILE JUSTICE REFORM 1645

(2) If a juvenile case is transferred to the criminal
jurisdiction of the circuit court pursuant to the provisions of
subsection (e), (f) or (g), section seven hundred ten, article four
of this chapter, the juvenile records are open to public inspection
only if the juvenile fails to file a timely appeal of the transfer
order, or the Supreme Court of Appeals refuses to hear or denies
an appeal which has been timely filed.

191 (3) If a juvenile is fourteen years of age or older and a court 192 has determined there is a probable cause to believe the juvenile 193 committed an offense set forth in subsection (g), section seven 194 hundred ten, article four of this chapter, but the case is not 195 transferred to criminal jurisdiction, the juvenile records are open 196 to public inspection pending trial only if the juvenile is released 197 on bond and no longer detained or adjudicated delinquent of the 198 offense.

199 (4) If a juvenile is younger than fourteen years of age and a 200 court has determined there is probable cause to believe that the 201 juvenile committed the crime of murder under section one, two 202 or three, article two, chapter sixty-one of this code, or the crime 203 of sexual assault in the first degree under section three, article 204 eight-b of chapter sixty-one, but the case is not transferred to 205 criminal jurisdiction, the juvenile records shall be open to public inspection pending trial only if the juvenile is released on bond 206 207 and no longer detained or adjudicated delinquent of the offense.

(5) Upon a written petition and pursuant to a written order,the circuit court may permit disclosure of juvenile records to:

(A) A court, in this state or another state, which has juvenile
jurisdiction and has the juvenile before it in a juvenile

# CHAPTER 165

(S. B. 532 - By Senators Trump, Woelfel, Plymale, Stollings, Takubo, Prezioso, Carmichael, Ferns and Beach)

> [Passed March 12, 2015; in effect ninety days from passage.] [Approved by the Governor on March 24, 2015.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §55-7H-1, §55-7H-2, §55-7H-3, §55-7H-4, §55-7H-5 and §55-7H-6, all relating to immunity from civil liability for clinical practice plans and personnel associated with medical and dental schools; providing legislative findings and declarations of public purpose; defining terms; limiting civil liability for clinical practice plans and their directors, officers, employees, agents and contractors; providing for minimum medical professional liability insurance requirements; and determining the applicability and construction of the immunity from civil liability.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new article, designated §55-7H-1, §55-7H-2, §55-7H-3, §55-7H-4, §55-7H-5 and §55-7H-6, all to read as follows:

#### ARTICLE 7H. IMMUNITY FROM CIVIL LIABILITY FOR CLINICAL PRACTICE PLANS AND PERSONNEL ASSOCIATED WITH MEDICAL AND DENTAL SCHOOLS.

#### §55-7H-1. Findings and declaration of public purpose.

1 The Legislature finds and declares:

#### LIABILITY

That the citizens of this state have been and should continue
to be well served by physicians and dentists educated and trained
at the Marshall University School of Medicine, the West
Virginia School of Osteopathic Medicine, the West Virginia
University School of Medicine and the West Virginia University
School of Dentistry;

8 That the state's medical and dental schools play a vital role 9 in ensuring an adequate supply of qualified and trained 10 physicians throughout the state;

11 That the education, training and research provided at the 12 state's medical and dental schools and state medical school are 13 an essential governmental function in which the state has a 14 substantial and compelling interest;

That the provision of clinical services to patients by faculty members,, residents, fellows and students of the state's medical and dental schools and state medical school, is an inseparable component of the aforementioned education, training and research;

That the provision of the clinical services significantly contributes to the ongoing quality, effectiveness and scope of the state's health care delivery system;

That the provision of the clinical services also raises the public profile and reputation of the respective institutions both regionally and nationally, thereby facilitating the recruitment of talented faculty, residents, fellows and students to their programs of study;

That the provision of the clinical services generates additional revenues needed to fund faculty salaries and other costs associated with the overall operation of the state medical school and state's medical and dental schools;

# 1710 LIABILITY [Ch. 165

That the continued availability of the revenues to the state medical school and state's medical and dental schools is necessary to their ongoing operation and delivery of the benefits described above;

That the continued availability of the revenues is compromised by the cost of medical professional liability insurance, the cost of defending medical professional liability claims, and the cost of compensating patients who suffer medical injury or death;

41 That the state concurrently has an interest in providing a 42 system that makes available adequate and fair compensation to 43 those individual patients who suffer medical injury or death;

That it is the duty and responsibility of the Legislature to balance the rights of individual patients to obtain adequate and fair compensation, with the substantial and compelling state interests set forth herein supporting the need for a financially viable system of medical and dental schools;

49 That, in balancing these important state interests, the 50 Legislature acknowledges the sovereign immunity set forth in 51 the West Virginia Constitution under Article VI, Section 35, to 52 prevent the diversion of state moneys from legislatively 53 appropriated purposes;

That, in conjunction with the provision of clinical services to patients by faculty members, , residents, fellows and students of the state's medical and dental schools, or state medical school, it is a common practice both here and in other states to create one or more clinical practice plans as nonprofit corporations;

That the clinical practice plans, among other things,
administratively support clinical activities by holding real and
personal property, offering personnel and financial management,
providing billing and collection for services rendered, and

#### LIABILITY

That the clinical practice plans become integrated with their respective state medical school and state's medical and dental schools and exclusively serve the interests of these schools and their faculty;

69 That any moneys the clinical practice plans expend for the 70 defense, settlement, and satisfaction of medical professional 11 liability claims inevitably result in a shortfall of funds available 72 to the medical and dental schools for faculty compensation and 73 other operational purposes, thereby undermining the sovereign 74 immunity otherwise granted to state institutions by the West 75 Virginia Constitution;

That it is therefore reasonable and appropriate for the Legislature to provide immunity from civil liability to clinical practice plans and their respective directors, officers, employees and agents given the substantial and compelling state interests being served; and

81 That it is further reasonable and appropriate to require the 82 state's medical and dental schools to maintain a level of medical 83 professional liability insurance to adequately and fairly 84 compensate patients who suffer medical injuries or death.

The clinical practice plans shall pay for this 11 12 insurance. #### ARTICLE 7B. MEDICAL PROFESSIONAL LIABILITY.

#### §55-7B-1. Legislative findings and declaration of purpose.

1 The Legislature finds and declares that:

The citizens of this state are entitled to the best medical care and facilities available and that health care providers offer an essential and basic service which requires that the public policy of this state encourage and facilitate the provision of such service to our citizens;

7 As in every human endeavor the possibility of injury or 8 death from negligent conduct commands that protection of the 9 public served by health care providers be recognized as an 10 important state interest;

Our system of litigation is an essential component of this state's interest in providing adequate and reasonable compensation to those persons who suffer from injury or death as a result of professional negligence, and any limitation placed on this system must be balanced with and considerate of the need to fairly compensate patients who have been injured as a result of negligent and incompetent acts by health care providers;

Liability insurance is a key part of our system of litigation,
affording compensation to the injured while fulfilling the need
and fairness of spreading the cost of the risks of injury;

A further important component of these protections is the capacity and willingness of health care providers to monitor and effectively control their professional competency, so as to protect the public and ensure to the extent possible the highest quality of care;

It is the duty and responsibility of the Legislature to balance the rights of our individual citizens to adequate and reasonable compensation with the broad public interest in the provision of services by qualified health care providers and health care facilities who can themselves obtain the protection of reasonably priced and extensive liability coverage; In recent years, the cost of insurance coverage has risen dramatically while the nature and extent of coverage has diminished, leaving the health care providers, the health care facilities and the injured without the full benefit of professional liability insurance coverage;

37 Many of the factors and reasons contributing to the increased cost and diminished availability of professional liability 38 insurance arise from the historic inability of this state to 39 40 effectively and fairly regulate the insurance industry so as to 41 guarantee our citizens that rates are appropriate, that purchasers of insurance coverage are not treated arbitrarily and that rates 42 reflect the competency and experience of the insured health care 43 providers and health care facilities; 44

45 The unpredictable nature of traumatic injury health care services often results in a greater likelihood of unsatisfactory 46 patient outcomes, a higher degree of patient and patient family 47 48 dissatisfaction and frequent malpractice claims, creating a 49 financial strain on the trauma care system of our state, increasing costs for all users of the trauma care system and impacting the 50 51 availability of these services, requires appropriate and balanced 52 limitations on the rights of persons asserting claims against 53 trauma care health care providers, this balance must guarantee 54 availability of trauma care services while mandating that these 55 services meet all national standards of care, to assure that our 56 health care resources are being directed towards providing the 57 best trauma care available:

The cost of liability insurance coverage has continued to rise dramatically, resulting in the state's loss and threatened loss of physicians, which, together with other costs and taxation incurred by health care providers in this state, have created a competitive disadvantage in attracting and retaining qualified physicians and other health care providers;

#### Ch. 168] MEDICAL PROFESSIONAL LIABILITY 1721

64 Medical liability issues have reached critical proportions for 65 the state's long-term health care facilities, as: (1) Medical 66 liability insurance premiums for nursing homes in West Virginia 67 continue to increase and the number of claims per bed has 68 increased significantly; (2) the cost to the state Medicaid 69 program as a result of such higher premiums has grown considerably in this period; (3) current medical liability premium 70 71 costs for some nursing homes constitute a significant percentage of the amount of coverage; (4) these high costs are leading some 72 73 facilities to consider dropping medical liability insurance 74 coverage altogether; and (5) the medical liability insurance crisis 75 for nursing homes may soon result in a reduction of the number 76 of beds available to citizens in need of long-term care; and

The modernization and structure of the health care delivery system necessitate an update of provisions of this article in order to facilitate and continue the objectives of this article which are to control the increase in the cost of liability insurance and to maintain access to affordable health care services for our citizens.

Therefore, the purpose of this article is to provide a comprehensive resolution of the matters and factors which the Legislature finds must be addressed to accomplish the goals set forth in this section. In so doing, the Legislature has determined that reforms in the common law and statutory rights of our citizens must be enacted together as necessary and mutual ingredients of the appropriate legislative response relating to:

90 (1) Compensation for injury and death;

(2) The regulation of rate making and other practices by the
liability insurance industry, including the formation of a

#### §55-7B-8. Limit on liability for noneconomic loss.

(a) In any professional liability action brought against a

3 amount recoverable as compensatory damages for noneconomic

- 4 loss may not exceed \$250,000 for each occurrence, regardless of
- 5 the number of plaintiffs or the number of defendants or, in the
- 6 case of wrongful death, regardless of the number of distributees,
- 7 except as provided in subsection (b) of this section.

8 (b) The plaintiff may recover compensatory damages for noneconomic loss in excess of the limitation described in 9 subsection (a) of this section, but not in excess of \$500,000 for 10 each occurrence, regardless of the number of plaintiffs or the 11 12 number of defendants or, in the case of wrongful death, regardless of the number of distributees, where the damages for 13 noneconomic losses suffered by the plaintiff were for: (1) 14 Wrongful death; (2) permanent and substantial physical 15 16 deformity, loss of use of a limb or loss of a bodily organ system; or (3) permanent physical or mental functional injury that 17 18 permanently prevents the injured person from being able to 19 independently care for himself or herself and perform life-20 sustaining activities.

21 (c) On January 1, 2004, and in each year thereafter, the 22 limitation for compensatory damages contained in subsections 23 (a) and (b) of this section shall increase to account for inflation by an amount equal to the Consumer Price Index published by 24 25 the United States Department of Labor, not to exceed one 26 hundred fifty percent of the amounts specified in said (d) The limitations on noneconomic damages 27 subsections. contained in subsections (a), (b), (c) and (e) of this section are 28 29 not available to any defendant in an action pursuant to this article which does not have medical professional liability insurance in 30 31 the aggregate amount of at least \$1 million for each occurrence 32 covering the medical injury which is the subject of the action.

(e) If subsection (a) or (b) of this section, as enacted during
the 2003 regular session of the Legislature, or the application
thereof to any person or circumstance, is found by a court of law

to be unconstitutional or otherwise invalid, the maximum
amount recoverable as damages for noneconomic loss in a
professional liability action brought against a health care
provider under this article shall thereafter not exceed \$1 million.

#### §55-7B-9. Several liability.

(a) In the trial of a medical professional liability action under
 this article involving multiple defendants, the trier of fact shall
 report its findings on a form provided by the court which
 contains each of the possible verdicts as determined by the court.
 Unless otherwise agreed by all the parties to the action, the jury
 shall be instructed to answer special interrogatories, or the court,
 acting without a jury, shall make findings as to:

8 (1) The total amount of compensatory damages recoverable9 by the plaintiff;

(2) The portion of the damages that represents damages fornoneconomic loss;

(3) The portion of the damages that represents damages foreach category of economic loss;

14 (4) The percentage of fault, if any, attributable to each15 plaintiff; and

16 (5) The percentage of fault, if any, attributable to each of the17 defendants.

(b) In assessing percentages of fault, the trier of fact shall
consider only the fault of the parties in the litigation at the time
the verdict is rendered and may not consider the fault of any
other person who has settled a claim with the plaintiff arising out
of the same medical injury: *Provided*, That, upon the creation of
the Patient Injury Compensation Fund provided for in article
twelve-c, chapter twenty-nine of this code, or of some other

mechanism for compensating a plaintiff for any amount of economic damages awarded by the trier of fact which the plaintiff has been unable to collect, the trier of fact shall, in assessing percentages of fault, consider the fault of all alleged parties, including the fault of any person who has settled a claim with the plaintiff arising out of the same medical injury.

(c) If the trier of fact renders a verdict for the plaintiff, the
court shall enter judgment of several, but not joint, liability
against each defendant in accordance with the percentage of fault
attributed to the defendant by the trier of fact.

35 (d) To determine the amount of judgment to be entered 36 against each defendant, the court shall first, after adjusting the verdict as provided in section nine-a of this article, reduce the 37 adjusted verdict by the amount of any preverdict settlement 38 39 arising out of the same medical injury. The court shall then, with regard to each defendant, multiply the total amount of damages 40 remaining, with interest, by the percentage of fault attributed to 41 42 each defendant by the trier of fact. The resulting amount of 43 damages, together with any post-judgment interest accrued, shall 44 be the maximum recoverable against the defendant.

45 (e) Upon the creation of the Patient Injury Compensation Fund provided for in article twelve-c, chapter twenty-nine of this 46 code, or of some other mechanism for compensating a plaintiff 47 48 for any amount of economic damages awarded by the trier of 49 fact which the plaintiff has been unable to collect, the court shall, 50 in determining the amount of judgment to be entered against each defendant, first multiply the total amount of damages, with 51 52 interest, recoverable by the plaintiff by the percentage of each defendant's fault and that amount, together with any post-53 54 judgment interest accrued, is the maximum recoverable against said defendant. Prior to the court's entry of the final judgment 55 56 order as to each defendant against whom a verdict was rendered. 57 the court shall reduce the total jury verdict by any amounts

58 received by a plaintiff in settlement of the action. When any 59 defendant's percentage of the verdict exceeds the remaining 60 amounts due the plaintiff after the mandatory reductions, each defendant shall be liable only for the defendant's pro rata share 61 of the remainder of the verdict as calculated by the court from 62 63 the remaining defendants to the action. The plaintiff's total award may never exceed the jury's verdict less any statutory or 64 65 court-ordered reductions.

(f) Nothing in this section is meant to eliminate or diminishany defenses or immunities which exist as of the effective dateof this section, except as expressly noted in this section.

(g) Nothing in this article is meant to preclude a health care 69 provider from being held responsible for the portion of fault 70 attributed by the trier of fact to any person acting as the health 71 care provider's agent or servant or to preclude imposition of 72 fault otherwise imputable or attributable to the health care 73 provider under claims of vicarious liability. A health care 74 provider may not be held vicariously liable for the acts of a 75 76 nonemployee pursuant to a theory of ostensible agency unless the alleged agent does not maintain professional liability 77 insurance covering the medical injury which is the subject of the 78 79 action in the aggregate amount of at least \$1 million for each 80 occurrence.

#### §55-7B-9a. Reduction in compensatory damages for economic losses for payments from collateral sources for the same injury.

(a) In any action arising after the effective date of this
 section, a defendant who has been found liable to the plaintiff for
 damages for medical care, rehabilitation services, lost earnings
 or other economic losses may present to the court, after the trier
 of fact has rendered a verdict, but before entry of judgment,
 evidence of payments the plaintiff has received for the same
 injury from collateral sources.

#### 1732 MEDICAL PROFESSIONAL LIABILITY [Ch. 168

8 (b) In a hearing held pursuant to subsection (a) of this

9 section, the defendant may present evidence of future payments10 from collatoral sources if the court determines that:

10 from collateral sources if the court determines that:

(1) There is a preexisting contractual or statutory obligationon the collateral source to pay the benefits;

(2) The benefits, to a reasonable degree of certainty, will be
paid to the plaintiff for expenses the trier of fact has determined
the plaintiff will incur in the future; and

(3) The amount of the future expenses is readily reducible toa sum certain.

(c) In a hearing held pursuant to subsection (a) of this
section, the plaintiff may present evidence of the value of
payments or contributions he or she has made to secure the right
to the benefits paid by the collateral source.

(d) After hearing the evidence presented by the parties, thecourt shall make the following findings of fact:

(1) The total amount of damages for economic loss found bythe trier of fact;

26 (2) The total amount of damages for each category of27 economic loss found by the trier of fact;

(3) The total amount of allowable collateral source payments
received or to be received by the plaintiff for the medical injury
which was the subject of the verdict in each category of
economic loss; and

(4) The total amount of any premiums or contributions paid
by the plaintiff in exchange for the collateral source payments in
each category of economic loss found by the trier of fact.

(e) The court shall subtract the total premiums the plaintiff
was found to have paid in each category of economic loss from
the total collateral source benefits the plaintiff received with
regard to that category of economic loss to arrive at the net
amount of collateral source payments.

(f) The court shall then subtract the net amount of collateral
source payments received or to be received by the plaintiff in
each category of economic loss from the total amount of
damages awarded the plaintiff by the trier of fact for that
category of economic loss to arrive at the adjusted verdict.

(g) The court may not reduce the verdict rendered by thetrier of fact in any category of economic loss to reflect:

47 (1) Amounts paid to or on behalf of the plaintiff which the48 collateral source has a right to recover from the plaintiff through49 subrogation, lien or reimbursement;

(2) Amounts in excess of benefits actually paid or to be paid
on behalf of the plaintiff by a collateral source in a category of
economic loss;

(3) The proceeds of any individual disability or incomereplacement insurance paid for entirely by the plaintiff;

(4) The assets of the plaintiff or the members of theplaintiff's immediate family; or

57 (5) A settlement between the plaintiff and another tortfeasor.

(h) After determining the amount of the adjusted verdict, thecourt shall enter judgment in accordance with the provisions ofsection nine of this article.

# §55-7B-9c. Limit on liability for treatment of emergency conditions for which patient is admitted to a

### designated trauma center; exceptions; emergency rules.

1 (a) In any action brought under this article for injury to or 2 death of a patient as a result of health care services or assistance 3 rendered in good faith and necessitated by an emergency 4 condition for which the patient enters a health care facility designated by the Office of Emergency Medical Services as a 5 trauma center, including health care services or assistance 6 rendered in good faith by a licensed emergency medical services 7 8 authority or agency, certified emergency medical service personnel or an employee of a licensed emergency medical 9 services authority or agency, the total amount of civil damages 10 recoverable may not exceed \$500,000 for each occurrence, 11 12 exclusive of interest computed from the date of judgment, and regardless of the number of plaintiffs or the number of 13 14 defendants or, in the case of wrongful death, regardless of the 15 number of distributees

(b) The limitation of liability in subsection (a) of this section
also applies to any act or omission of a health care provider in
rendering continued care or assistance in the event that surgery
is required as a result of the emergency condition within a
reasonable time after the patient's condition is stabilized.

(c) The limitation on liability provided under subsection (a)
of this section does not apply to any act or omission in rendering
care or assistance which:

- (1) Occurs after the patient's condition is stabilized and the
  patient is capable of receiving medical treatment as a
  nonemergency patient; or
- 27 (2) Is unrelated to the original emergency condition.
- (d) In the event that: (1) A physician provides follow-up careto a patient to whom the physician rendered care or assistance

30 pursuant to subsection (a) of this section; and (2) a medical 31 condition arises during the course of the follow-up care that is 32 directly related to the original emergency condition for which 33 care or assistance was rendered pursuant to said subsection, there 34 is rebuttable presumption that the medical condition was the 35 result of the original emergency condition and that the limitation on liability provided by said subsection applies with respect to 36 37 that medical condition.

(e) There is a rebuttable presumption that a medical
condition which arises in the course of follow-up care provided
by the designated trauma center health care provider who
rendered good faith care or assistance for the original emergency
condition is directly related to the original emergency condition
where the follow-up care is provided within a reasonable time
after the patient's admission to the designated trauma center.

45 (f) The limitation on liability provided under subsection (a)46 of this section does not apply where health care or assistance for47 the emergency condition is rendered:

(1) In willful and wanton or reckless disregard of a risk ofharm to the patient; or

In the event that the Office of 54 Emergency Medical Services has not developed a written triage 55 or emergency medical protocol by the effective date of this section, the limitation on liability provided under subsection (a) 56 57 of this section does not apply where health care or assistance is 58 rendered under this section in violation of nationally recognized 59 standards for triage and emergency health care procedures.

(g) The Office of Emergency Medical Services shall, priorto the effective date of this section, develop a written protocol

specifying recognized and accepted standards for triage and
emergency health care procedures for treatment of emergency

trauma center.

66 (h) In its discretion, the Office of Emergency Medical 67 Services may grant provisional trauma center status for a period of up to one year to a health care facility applying for designated 68 trauma center status. A facility given provisional trauma center 69 70 status is eligible for the limitation on liability provided in 71 subsection (a) of this section. If, at the end of the provisional period, the facility has not been approved by the Office of 72 73 Emergency Medical Services as a designated trauma center, the 74 facility is no longer eligible for the limitation on liability 75 provided in subsection (a) of this section.

76 (i) The Commissioner of the Bureau for Public Health may 77 grant an applicant for designated trauma center status a one-time 78 only extension of provisional trauma center status, upon 79 submission by the facility of a written request for extension, accompanied by a detailed explanation and plan of action to 80 81 fulfill the requirements for a designated trauma center. If, at the 82 end of the six-month period, the facility has not been approved by the Office of Emergency Medical Services as a designated 83 84 trauma center, the facility no longer has the protection of the 85 limitation on liability provided in subsection (a) of this section.

(j) If the Office of Emergency Medical Services determines
that a health care facility no longer meets the requirements for a
designated trauma center, it shall revoke the designation, at
which time the limitation on liability established by subsection
(a) of this section ceases to apply to that health care facility for
services or treatment rendered thereafter.

(k) The Legislature hereby finds that an emergency existscompelling promulgation of an emergency rule, consistent with

94 the provisions of this section, governing the criteria for 95 designation of a facility as a trauma center or provisional trauma 96 center and implementation of a statewide trauma/emergency care 97 system. The Legislature therefore directs the Secretary of the 98 Department of Health and Human Resources to file, on or before July 1, 2003, emergency rules specifying the criteria for 99 100 designation of a facility as a trauma center or provisional trauma center in accordance with nationally accepted and recognized 101 102 standards and governing the implementation of a statewide trauma/emergency care system. The rules governing the 103 statewide trauma/emergency care system shall include, but not 104 105 be limited to:

(1) System design, organizational structure and operation,
including integration with the existing emergency medical
services system;

(2) Regulation of facility designation, categorization andcredentialing, including the establishment and collection ofreasonable fees for designation; and

(3) System accountability, including medical review and
audit to assure system quality. Any medical review committees
established to assure system quality shall include all levels of
care, including emergency medical service providers, and both
the review committees and the providers shall qualify for all the

section shall increase to account for inflation by an amount equal
to the Consumer Price Index published by the United States
Department of Labor, not to exceed one hundred fifty percent of
said subsection.

45 (5) The retail rate customarily charged by the dealer for 46 labor rate must be established using the same process as 47 provided under subsection (4) of this section and declaring the average labor rate. The average labor rate must be determined by 48 dividing the amount of the dealer's total labor sales by the 49 50 number of total hours that generated those sales. If a labor rate and parts markup rate simultaneously declared by the dealer, the 51 52 dealer may use the same repair orders to complete each calculation as provided under subsection (4) of this section. A 53 54 reasonable allowance for labor for diagnostic time shall be either included in the manufacturer's labor time allowance or listed as 55 56 a separate compensable item. A dealer may request additional 57 time allowance for either diagnostic or repair time, which 58 request shall not be unreasonable denied by the manufacturer.

(6) In calculating the retail rate customarily charged by thedealer for parts and labor, the following work may not beincluded in the calculation:

62 (a) Repairs for manufacturer or distributor special events,63 specials or promotional discounts for retain customer repairs;

(7) The average of the parts markup rates and labor rate is presumed to be reasonable and must go into effect thirty days following the manufacturer's approval. A manufacturer or distributor may rebut the presumption by a preponderance of the evidence that a rate is unreasonable in light of the practices of all other same line-make franchised motor vehicle dealers in an economically similar area of the state offering the same linemake vehicles, not later than thirty days after submission. If the average parts markup rate or average labor rate is rebutted, or

both, the manufacturer or distributor shall propose an adjustment
of the average percentage markup based on that rebuttal not later

83 than thirty days after submission.

84 (8) Each manufacturer, in establishing a schedule of compensation for warranty work, shall rely on the vehicle 85 86 dealer's declaration of hourly labor rates and parts as stated in 87 subsections (4), (5) and (6) of this section and may not obligate 88 any vehicle dealer to engage in unduly burdensome or time-89 consuming documentation of rates or parts, including obligating vehicle dealers to engage in transaction-by-transaction or part-90 by-part calculations. 91

92 (9) A dealer or manufacturer may demand that the average 93 parts markup or average labor rate be calculated using the process provided under subsections (4) and (5) of this section; 94 95 however, the demand for the average parts markup may not be made within twelve months of the last parts markup declaration 96 97 and the demand for the average labor rate may not be made 98 within twelve months of the last labor rate declaration. If a parts 99 markup or labor rate is demanded by the dealer or manufacturer, 100 the dealer shall determine the repair orders to be included in the 101 calculation under subsections (4) and (5) of this section.

(10) As it applies to a school bus, truck tractor, road tractor
and truck as defined in section one, article one of this chapter,
with a gross vehicle weight on excess of twenty-six thousand one

105 pounds the manufacturer, distributor and/or O. E. M. supplier shall pay the dealer its incurred actual time at the retail labor rate 106 107 for retrieving a motor vehicle and returning a motor vehicle to dealer's designated parking area. Dealer shall be paid \$50 108 minimum for each operation that requires the use of each 109 110 electronic tool (i.e. laptop computer). The manufacturer or 111 distributor may not reduce what is paid to a dealer for this 112 retrieval or return time, or for the electronic tool charge. The 113 dealer is allowed to add to a completed warranty repair order 114 three hours for every twenty-four hours the manufacturer, 115 distributor and/or O. E. M. supplier makes the dealer stop 116 working on a vehicle while the manufacturer, distributor and/or 117 O. E. M. supplier decides how it wants the dealer to proceed with the repairs. 118

119 (11) All claims made by motor vehicle dealers pursuant to 120 the section for compensation for delivery, preparation, warranty 121 and recall work, including labor, parts and other expenses, shall 122 be paid by the manufacturer within thirty days after approval and shall be approved or disapproved by the manufacturer within 123 thirty days after receipt. When any claim is disapproved, the 124 125 dealer shall be notified in writing of the grounds for disapproval. 126 No claim which has been approved and paid may be charged 127 back to the dealer unless it can be shown that the claim was false 128 or fraudulent, that the repairs were not properly made or were 129 unnecessary to correct the defective condition or the dealer failed 130 to reasonable substantiate the claim in accordance with the written requirements of the manufacturer or distributor in effect 131 132 at the time the claim arose. No charge back may be made until the dealer has had notice and an opportunity to support the claim 133 134 in question. No otherwise valid reimbursement claims may be 135 denied once properly submitted within manufacturers' submission guidelines due to a clerical error or omission or 136 137 based on a different level of technician technical certification or 138 the dealer's failure to subscribe to any manufacturer's 139 computerized training programs.

# Ch. 172] MOTOR VEHICLES 1779

140 (12) Notwithstanding the terms of a franchise agreement or provision of law in conflict with this section, the dealer's 141 delivery, preparation, warranty and recall obligations constitutes 142 the dealer's sole responsibility for product liability as between 143 144 the dealer and manufacturer and, except for a loss caused by the 145 dealer's failure to adhere to the obligations, a loss caused by the dealer's negligence or intentional misconduct or a loss caused by 146 147 the dealer's modification of a product without manufacturer authorization, the manufacturer shall reimburse the dealer for all 148 149 loss incurred by the dealer, including legal fees, court costs and damages, as a result of the dealer having been named a party in 150 151 a product liability action.

### §17A-6A-9. Payment of compensation.

1 (1) Compensation for new motor vehicle inventory under 2 subdivision (a), subsection (1), section eight of this article shall be paid within sixty days after the effective date of the 3 4 termination, cancellation, nonrenewal or discontinuance. 5 Compensation for items of personal property required by subdivisions (b), (c) and (d), subsection (1), section eight of this 6 7 article shall be paid within sixty days after the effective date of the termination, cancellation, nonrenewal or discontinuance. The 8 9 new motor vehicle dealer will meet all reasonable requirements of the dealer agreement with respect to the return of the 10 11 repurchased personal property, including providing clear title.

12 (2) Reasonable compensation pursuant to subdivision (a), subsection (1), section eight of this article may not be less than 13 the new motor vehicle dealer's net acquisition cost, including 14 any special promotions ordered by the manufacturer, such as 15 advertising charges. Reasonable compensation pursuant to 16 subdivision (b) of said subsection shall be the amount stated in 17 18 the manufacturer's or distributor's current parts price list. 19 Reasonable compensation pursuant to subdivisions (c) and (d) of 20 said subsection shall be the fair market value of the personal

property determined by a five-year straight line depreciationschedule.

23 (3) In the event payment is not made within ninety days as 24 provided in subsection (1) of this section, interest shall accumulate at the rate of the Fifth Federal Reserve District's 25 secondary discount rate in effect on January 2 of the year in 26 which payment is due plus five percentage points. In 27 determining when interest begins to accumulate, the court may 28 consider whether the dealer reasonably complied with the 29 reasonable manufacturer's submission requirements and the 30 reasonableness of the manufacturer's determinations in refusing 31 or delaying payment to the dealer. 32

### §17A-6A-10. Prohibited practices.

1 (1) A manufacturer or distributor may not require any new 2 motor vehicle dealer in this state to do any of the following:

3 (a) Order or accept delivery of any new motor vehicle, part 4 or accessory of the vehicle, equipment or any other commodity 5 not required by law which was not voluntarily ordered by the 6 new motor vehicle dealer. This section does not prevent the 7 manufacturer or distributor from requiring that new motor 8 vehicle dealers carry a reasonable inventory of models offered 9 for sale by the manufacturer or distributor;

(b) Order or accept delivery of any new motor vehicle with
special features, accessories or equipment not included in the list
price of the new motor vehicle as publicly advertised by the
manufacturer or distributor;

(c) Unreasonably participate monetarily in any advertising
campaign or contest, or purchase any promotional materials,
display devices, display decorations, brand signs and dealer
identification, nondiagnostic computer equipment and displays
or other materials at the expense of the new motor vehicle
dealer;

1780

20 (d) Enter into any agreement with the manufacturer or 21 distributor or do any other act prejudicial to the new motor vehicle dealer by threatening to terminate a dealer agreement, 22 limit inventory, invoke sales and service warranty or other types 23 of audits or any contractual agreement or understanding existing 24 25 between the dealer and the manufacturer or distributor. Notice in good faith to any dealer of the dealer's violation of any terms or 26 27 provisions of the dealer agreement is not a violation of this 28 article;

29 (e) Change the capital structure or financial requirements of the new motor vehicle dealership without reasonable business 30 justification in light of the dealer's market, historical 31 performance and compliance with prior capital structure or 32 33 financial requirements and business necessity, or the means by 34 or through which the dealer finances the operation of the 35 dealership if the dealership at all times meets any reasonable 36 capital standards determined by the manufacturer in accordance with uniformly applied criteria. The burden of proof is on the 37 manufacturer to prove business justification by a preponderance 38 39 of the evidence:

(f) Refrain from participation in the management of, 40 investment in or the acquisition of any other line of new motor 41 vehicle or related products, provided that the dealer maintains a 42 reasonable line of credit for each make or line of vehicle. 43 remains in compliance with reasonable facilities requirements 44 and makes no change in the principal management of the dealer. 45 Notwithstanding the terms of any franchise agreement, a 46 manufacturer or distributor may not enforce any requirements, 47 48 including facility requirements, that a new motor vehicle dealer establish or maintain exclusive facilities, personnel or display 49 50 space, when the requirements are unreasonable considering 51 current economic conditions and are not otherwise justified by reasonable business considerations. The burden of proving that 52 current economic conditions 53 or reasonable business

54 considerations justify exclusive facilities is on the manufacturer

55 or distributor and must be proven by a preponderance of the

56 evidence;

(g) Change the location of the new motor vehicle dealership
or make any substantial alterations to the dealership premises,
where to do so would be unreasonable. The burden is on the
manufacturer or distributor to prove reasonableness by a
preponderance of the evidence;

62 (h) Prospectively assent to a waiver of trial by jury release, arbitration, assignment, novation, waiver or estoppel which 63 would relieve any person from liability imposed by this article 64 or require any controversy between a new motor vehicle dealer 65 and a manufacturer or distributor to be referred to a person other 66 67 than the duly constituted courts of this state or the United States District Courts of the Northern or Southern Districts of West 68 Virginia. Nothing in this prevents a motor vehicle dealer, after 69 a civil action is filed, from entering into any agreement of 70 71 settlement, arbitration, assignment or waiver of a trial by jury;

72 (i) To coerce or require any dealer, whether by agreement, 73 program, incentive provision or otherwise, to construct improvements to its facilities or to install new signs or other 74 franchisor image elements that replace or substantially alter 75 76 those improvements, signs or franchisor image elements completed within the proceeding ten years that were required 77 and approved by the manufacturer, factory branch, distributor or 78 distributor branch or one of its affiliates. If a manufacturer, 79 80 factory branch, distributor or distributor branch offers incentives 81 or other payments to a consumer or dealer paid on individual 82 vehicle sales under a program offered after the effective date of this subdivision and available to more than one dealer in the state 83 that are premised, wholly or in part, on dealer facility 84 improvements or installation of franchiser image elements 85 required by and approved by the manufacturer, factory branch, 86 87 distributor or distributor branch and completed within ten years

1783

88 preceding the program shall be deemed to be in compliance with 89 the program requirements pertaining to construction of facilities or installation of signs or other franchisor image elements that 90 91 would replace or substantially alter those previously constructed 92 or installed with that ten year period. This subdivision shall not 93 apply to a program that is in effect with more than one dealer in the state on the effective date of this subsection, nor to any 94 95 renewal of such program, nor to a modification that is not a 96 substantial modification of a material term or condition of such 97 program;

98 (j) To condition the award, sale, transfer, relocation or 99 renewal of a franchise or dealer agreement or to condition sales, 100 service, parts or finance incentives upon site control or an 101 agreement to renovate or make substantial improvements to a 102 facility: Provided, That voluntary and noncoerced acceptance of 103 such conditions by the dealer in writing, including, but not 104 limited to, a written agreement for which the dealer has accepted 105 separate and valuable consideration, does not constitute a 106 violation:

107 (k) To enter into a contractual requirement imposed by the108 manufacturer, distributor or a captive finance source as follows:

(i) In this section, "captive finance source" means any
financial source that provides automotive-related loans or
purchases retail installment contracts or lease contracts for motor
vehicles in this state and is, directly or indirectly, owned,
operated or controlled by such manufacturer, factory branch,
distributor or distributor branch.

(ii) It shall be unlawful for any manufacturer, factory branch,
captive finance source, distributor or distributor branch, or any
field representative, officer, agent or any representative of them,
notwithstanding the terms, provisions or conditions of any
agreement or franchise, to require any of its franchised dealers
located in this state to agree to any terms, conditions or

121 requirements in subdivisions (a) through (j), inclusive, of this 122 subsection in order for any such dealer to sell to any captive 123 finance source any retail installment contract, loan or lease of 124 any motor vehicles purchased or leased by any of the dealer's 125 customers, or to be able to participate in, or otherwise, directly 126 or indirectly, obtain the benefits of the consumer transaction 127 incentive program payable to the consumer or the dealer and 128 offered by or through any captive finance source as to that 129 incentive program.

(iii) The applicability of this section is not affected by achoice of law clause in any agreement, waiver, novation or anyother written instrument.

(iv) It shall be unlawful for a manufacturer or distributor to
use any subsidiary corporation, affiliated corporation or any
other controlled corporation, partnership, association or person
to accomplish what would otherwise be illegal conduct under
this section on the part of the manufacturer or distributor.

(2) A manufacturer or distributor may not do any of thefollowing:

140 (a) (i) Fail to deliver new motor vehicles or new motor 141 vehicle parts or accessories within a reasonable time and in 142 reasonable quantities relative to the new motor vehicle dealer's 143 market area and facilities, unless the failure is caused by acts or 144 occurrences beyond the control of the manufacturer or 145 distributor, or unless the failure results from an order by the new 146 motor vehicle dealer in excess of quantities reasonably and fairly 147 allocated by the manufacturer or distributor. No manufacturer or 148 distributor may penalize a new motor vehicle dealer for an alleged failure to meet sales quotas where the alleged failure is 149 150 due to actions of the manufacturer or distributor:

(ii) Refuse to offer to its same line-make new motor vehicledealers all models manufactured for that line-make, including,

but not limited to, any model that contains a separate label or
badge indicating a upgraded version of the same model. This
provision does not apply to motorhome, travel trailer or
fold-down camping trailer manufacturers; or

(iii) Require as a prerequisite to receiving a model or series
of vehicles that a new motor vehicle dealer pay an extra
unreasonable acquisition fee or surcharge, or purchase
unreasonable advertising displays or other materials, or conduct
unreasonable remodeling, renovation or reconditioning of the
dealer's facilities, or any other type of unreasonable upgrade
requirement;

(b) Refuse to disclose to a new motor vehicle dealer the
method and manner of distribution of new motor vehicles by the
manufacturer or distributor, including any numerical calculation
or formula used, nationally or within the dealer's market, to
make the allocations within thirty days of a request. Any
information or documentation provided by the manufacturer may
be subject to a reasonable confidentiality agreement;

(c) Refuse to disclose to a new motor vehicle dealer the total
number of new motor vehicles of a given model, which the
manufacturer or distributor has sold during the current model
year within the dealer's marketing district, zone or region,
whichever geographical area is the smallest within thirty days of
a request;

177 (d) Increase prices of new motor vehicles which the new motor vehicle dealer had ordered and then eventually delivered 178 179 to the same retail consumer for whom the vehicle was ordered. 180 if the order was made prior to the dealer's receipt of the written official price increase notification. A sales contract signed by a 181 182 private retail consumer and binding on the dealer which has been submitted to the vehicle manufacturer is evidence of each order. 183 184 In the event of manufacturer or distributor price reductions or

## 1786 MOTOR VEHICLES [Ch. 172

185 cash rebates, the amount of any reduction or rebate received by 186 a dealer shall be passed on to the private retail consumer by the dealer. Any price reduction in excess of \$5 shall apply to all 187 188 vehicles in the dealer's inventory which were subject to the price reduction. A price difference applicable to new model or series 189 190 motor vehicles at the time of the introduction of the new models 191 or the series is not a price increase or price decrease. This 192 subdivision does not apply to price changes caused by the 193 following:

(i) The addition to a motor vehicle of required or optionalequipment pursuant to state or federal law;

(ii) In the case of foreign-made vehicles or components,revaluation of the United States dollar; or

(iii) Any increase in transportation charges due to anincrease in rates charged by a common carrier and transporters;

dealer for the purchase of new motor vehicles of a certain linemake to be sold to this state or any political subdivision of this

other new motor vehicle dealers of the same line-make;

(f) Release to an outside party, except under subpoena or in
an administrative or judicial proceeding to which the new motor
vehicle dealer or the manufacturer or distributor are parties, any
business, financial or personal information which has been
provided by the dealer to the manufacturer or distributor, unless
the new motor vehicle dealer gives his or her written consent;

(g) Deny a new motor vehicle dealer the right to associatewith another new motor vehicle dealer for any lawful purpose;

(B) Operating a preexisting dealership which is for sale at areasonable price.

Notice of any such extension of the 247 original twelve-month period must be given to any dealer of the 248 same line-make whose dealership is located in the same county, 249 or within twenty air miles of, the dealership owned or controlled 250 by the manufacturer or distributor prior to the expiration of the 251 original twelve-month period. Any dealer receiving the notice may protest the proposed extension within thirty days of 252 253 receiving notice by bringing a declaratory judgment action in the 254 circuit court for the county in which the new motor vehicle 255 dealer is located to determine whether good cause exists for the 256 extension:

257 (1) For the purpose of broadening the diversity of its dealer 258 body and enhancing opportunities for qualified persons who are part of a group who have historically been under represented in 259 its dealer body, or other qualified persons who lack the resources 260 261 to purchase a dealership outright, but for no other purpose, a 262 manufacturer or distributor may temporarily own an interest in 263 a dealership if the manufacturer's or distributor's participation 264 in the dealership is in a bona fide relationship with a franchised 265 dealer who:

(i) Has made a significant investment in the dealership,subject to loss;

Failure to respond to the request within the sixty days is consent;

(o) Unfairly prevent a new motor vehicle dealer from
receiving reasonable compensation for the value of the new
motor vehicle dealership;

285 (p) Audit any motor vehicle dealer in this state for warranty 286 parts or warranty service compensation, service compensation, 287 service or sales incentives, manufacturer rebates or other forms 288 of sales incentive compensation more than twelve months after 289 the claim for payment or reimbursement has been made by the 290 automobile dealer. No chargeback may be made until the dealer 291 has had notice and an opportunity to support the claim in 292 question within thirty days of receiving notice of the chargeback. 293 No otherwise valid reimbursements claims may be denied once 294 properly submitted in accordance with the manufacturer's 295 submission guidelines due to clerical error or omission. This 296 subsection does not apply where a claim is fraudulent. In 297 addition, the manufacturer or distributor is responsible for 298 reimbursing the audited dealer for all copying, postage and 299 administrative costs incurred by the dealer during the audit. Any 300 charges to a dealer as a result of the audit must be separately 301 billed to the dealer:

If a motor vehicle 377 dealer petitions the court, no alteration to a motor vehicle 378 dealer's area of responsibility shall become effective until a final 379 determination by the court. If a new motor vehicle dealer's area 380 of responsibility is altered, the manufacturer shall allow twentyfour months for the motor vehicle dealer to become sales 381 effective prior to taking any action claiming a breach or 382 nonperformance of the motor vehicle dealer's sales performance 383 384 responsibilities;

431 (y) Require a dealer to purchase goods or services from a vendor selected, identified or designated by a manufacturer. 432 factory branch, distributor, distributor branch or one of its 433 affiliates by agreement, program, incentive provision or 434 435 otherwise without making available to the dealer the option to 436 obtain the goods or services of substantially similar quality and 437 overall design from a vendor chosen by the dealer and approved 438 by the manufacturer, factory branch, distributor or distributor 439 branch: *Provided*, That such approval may not be unreasonably 440 withheld: Provided, however, That the dealer's option to select 441 a vendor is not available if the manufacturer or distributor 442 provides substantial reimbursement for the goods or services 443 offered. Substantial reimbursement is equal to the difference in 444 price of the goods and services from manufacturer's proposed vendor and the motor vehicle dealer's selected vendor: Provided 445 446 *further*. That the goods are not subject to the manufacturer or 447 distributor's intellectual property or trademark rights, or trade 448 dress usage guidelines.

(3) A manufacturer or distributor, either directly or through
any subsidiary, may not terminate, cancel, fail to renew or

established place of business except for a material breach of the
lease.

454 (4) Except as may otherwise be provided in this article, no 455 manufacturer or franchisor may sell, directly or indirectly, any 456 new motor vehicle to a consumer in this state, except through a 457 new motor vehicle dealer holding a franchise for the line-make 458 covering such new motor vehicle. This subsection does not 459 apply to manufacturer or franchisor sales of new motor vehicles to charitable organizations, qualified vendors or employees of 460 461 the manufacturer or franchisor.

462 (5) Except when prevented by an act of God, labor strike,463 transportation disruption outside the control of the manufacturer

# §17A-6A-11. Where motor vehicle dealer deceased or incapacitated.

1 (1) Any designated family member of a deceased or 2 incapacitated new motor vehicle dealer may succeed the dealer in the ownership or operation of the dealership under the existing 3 4 dealer agreement if the designated family member gives the 5 manufacturer or distributor written notice of his or her intention to succeed to the dealership within one hundred twenty days 6 after the dealer's death or incapacity, agrees to be bound by all 7 of the terms and conditions of the dealer agreement, and the 8 9 designated family member meets the current criteria generally 10 applied by the manufacturer or distributor in qualifying new 11 motor vehicle dealers. A manufacturer or distributor may refuse 12 to honor the existing dealer agreement with the designated family member only for good cause. In determining whether 13 good cause exists for refusing to honor the agreement, the 14 manufacturer or distributor has the burden of proving that the 15 designated successor is a person who is not of good moral 16 character or does not meet the manufacturer's existing written, 17 reasonable and uniformly applied standards for business 18 experience and financial qualifications. The designated family 19 20 member will have a minimum of one year to satisfy that 21 manufacturer's written and reasonable standards and financial qualifications for appointment as the dealer and principal. 22

(2) The manufacturer or distributor may request from adesignated family member such personal and financial data as is

## 1796MOTOR VEHICLES[Ch. 172

reasonably necessary to determine whether the existing dealer
agreement should be honored. The designated family member
shall supply the personal and financial data promptly upon the
request.

29 (3) If a manufacturer or distributor believes that good cause 30 exists for refusing to honor the succession, the manufacturer or distributor may, within forty-five days after receipt of the notice 31 of the designated family member's intent to succeed the dealer 32 in the ownership and operation of the dealership, or within forty-33 34 five days after the receipt of the requested personal and financial data, serve upon the designated family member notice of its 35 refusal to approve the succession. 36

(4) The notice of the manufacturer or distributor provided in
subsection (3) of this section shall state the specific grounds for
the refusal to approve the succession and that discontinuance of
the agreement shall take effect not less than one hundred-eighty
days after the date the notice is served.

42 (5) If notice of refusal is not served within the sixty days
43 provided for in subsection (3) of this section, the dealer
44 agreement continues in effect and is subject to termination only
45 as otherwise permitted by this article.

(6) This section does not preclude a new motor vehicle
dealer from designating any person as his or her successor by
will or any other written instrument filed with the manufacturer
or distributor, and if such an instrument is filed, it alone
determines the succession rights to the management and
operation of the dealership.

52 (7) If the manufacturer challenges the succession, it 53 maintains the burden of proof to show good cause by a 54 preponderance of the evidence. If the person seeking succession 55 files a civil action within the one hundred eighty days set forth

56 in subsection (4) of this section, no action may be taken by the manufacturer contrary to the dealer agreement until such time as 57 the civil action and any appeal has been exhausted: Provided, 58 That when a motor vehicle dealer appeals a decision upholding 59 a manufacturer's decision to not allow succession based upon the 60 designated person's insolvency, conviction of a crime punishable 61 by imprisonment in excess of one year under the law which the 62 designated person was convicted, the dealer agreement shall 63 remain in effect pending exhaustion of all appeals only if the 64 motor vehicle dealer establishes a likelihood of success on 65 appeal and the public interest will not be harmed by keeping the 66 dealer agreement in effect pending entry of final judgment after 67 68 the appeal.

# §17A-6A-12. Establishment and relocation or establishment of additional dealers.

(1) As used in this section, "relocate" and "relocation" do 1 2 not include the relocation of a new motor vehicle dealer within four miles of its established place of business or an existing new 3 motor vehicle dealer sells or transfers the dealership to a new 4 owner and the successor new motor vehicle dealership owner 5 relocates to a location within four miles of the seller's last open 6 7 new motor vehicle dealership location. The relocation of a new 8 motor vehicle dealer to a site within the area of sales 9 responsibility assigned to that dealer by the manufacturing 10 branch or distributor may not be within six air miles of another dealer of the same line-make. 11

12 (2) Before a manufacturer or distributor enters into a dealer agreement establishing or relocating a new motor vehicle dealer 13 within a relevant market area where the same line-make is 14 represented, the manufacturer or distributor shall give written 15 notice to each new motor vehicle dealer of the same line-make 16 in the relevant market area of its intention to establish an 17 additional dealer or to relocate an existing dealer within that 18 19 relevant market area.

20 (3) Within sixty days after receiving the notice provided in subsection (2) of this section, or within sixty days after the end 21 of any appeal procedure provided by the manufacturer or 22 23 distributor, a new motor vehicle dealer of the same line-make within the affected relevant market area may bring a declaratory 24 25 judgment action in the circuit court for the county in which the 26 new motor vehicle dealer is located to determine whether good 27 cause exists for the establishing or relocating of the proposed new motor vehicle dealer. Provided, That a new motor vehicle 28 29 dealer of the same line-make within the affected relevant market 30 area shall not be permitted to bring such an action if the 31 proposed relocation site would be further from the location of 32 the new motor vehicle dealer of the same line-make than the location from which the dealership is being moved. Once an 33 34 action has been filed, the manufacturer or distributor may not 35 establish or relocate the proposed new motor vehicle dealer until 36 the circuit court has rendered a decision on the matter. An action brought pursuant to this section shall be given precedence over 37 38 all other civil matters on the court's docket. The manufacturer has the burden of proving that good cause exists for establishing 39 40 or relocating a proposed new motor vehicle dealer.

(4) This section does not apply to the reopening in a relevant
market area of a new motor vehicle dealer that has been closed
within the preceding two years if the established place of
business of the new motor vehicle dealer is within four air miles
of the established place of business of the closed or sold new
motor vehicle dealer.

47 (5) In determining whether good cause exists for establishing
48 or relocating an additional new motor vehicle dealer for the same
49 line-make, the court shall take into consideration the existing
50 circumstances, including, but not limited to, the following:

(a) Permanency and amount of the investment, including anyobligations incurred by the dealer in making the investment;

Ch. 172]		MOTOR VEHICLES						1799

- (b) Effect on the retail new motor vehicle business and theconsuming public in the relevant market area;
- 55 (c) Whether it is injurious or beneficial to the public welfare;

competition and convenient consumer care for the motor
vehicles of that line-make in the market area, including the
adequacy of motor vehicle sales and qualified service personnel;

61 (e) Whether the establishment or relocation of the new motor62 vehicle dealer would promote competition;

(f) Growth or decline of the population and the number ofnew motor vehicle registrations in the relevant market area; and

(b) Separate and valuable consideration that can becalculated to a sum certain.

21 (3) If a manufacturer and new motor vehicle dealer are in parties to a property use agreement, the dealer agreement 22 between the manufacturer and new motor vehicle dealer is 23 terminated by a manufacturer or by a successor manufacturer or 24 by operation of law and the reason for the termination is not a 25 26 reason described in paragraphs (1) through (5), inclusive, 27 subdivision (c), section seven of this article, the property use 28 agreement terminates and ceases to be effective at the time the 29 dealer agreement is terminated.

(4) If any provision contained in a property use agreement
entered into on or after the effective date of the amendatory act
that added this subsection is inconsistent with this section, the
provision is voidable at the election of the affected new motor
vehicle dealer, proposed new motor vehicle dealer, or owner of
an interest in the dealership facility.

(a) An agreement that requires that a new motor vehicledealer establish or maintain exclusive dealership facilities.

purchase or lease, option to purchase, option to lease, or other
similar agreement, regardless of who the parties to that

47 agreement are.

The manufacturer or distributor shall provide the new 8 motor vehicle dealer with the schedule of compensation to be 9 paid to the dealer for parts, work and service, and the time allowance for the performance of the work and service in a 10 11 manner in compliance with section eight-a of this article.

Time allowances for the diagnosis and performance of 14 warranty work and service shall be reasonable and adequate for 15 16 the work to be performed. In the determination of what 17 constitutes reasonable compensation under this section, section 18 eight-a of this article shall govern: Provided, That in the case of a dealer of new motorcycles, motorboat trailers, all-terrain 19 20 vehicles, utility terrain vehicles and snowmobiles, the 21 compensation of a dealer for warranty parts is the greater of the 22 dealer's cost of acquiring the part plus thirty percent or the

(b) The dealer is only required to provide the customerinformation to the extent lawfully permissible; and to the extent

15 the requested information relates solely to specific program requirements or goals associated with the manufacturer's or 16 distributor's own vehicle makes. A manufacturer, factory 17 branch, distributor, distributor branch, dealer management 18 19 computer system vendor or any third party acting on behalf of 20 any manufacturer, factory branch, distributor, distributor branch 21 or dealer management computer system vendor may not prohibit a dealer from providing a means to regularly and continually 22 23 monitor the specific data accessed from or written to the dealer's 24 computer system and from complying with applicable state and federal laws and any rules or regulations promulgated 25 26 thereunder. If requested by the dealer, the list shall further describe the scope and specific fields of the data provided. The 54 consent does not change the person's obligations to comply with 55 56 the terms of this section and any additional state or federal laws, 57 and any rules or regulations promulgated thereunder, applicable 58 to them with respect to the access.

59 (d) A manufacturer, factory branch, distributor, distributor branch, dealer management computer system vendor or any third 60 party acting on behalf of or through any dealer management 61 computer system vendor, having electronic access to customer 62 63 or motor vehicle dealership data in a dealership management 64 computer system used by a motor vehicle dealer located in this state shall provide notice in a reasonable timely manner to the 65 66 dealer of any security breach of dealership or customer data 67 obtained through the access.

If the dealer causes 10 the vehicle to be registered in this state or any other state and has 11 12 determined that the customer is not on a list of known or suspected exporters provided by the manufacturer at the time of 13 sale, a rebuttable presumption is established that the dealer did 14 not have reason to know of the customer's intent to export or 15 resell the vehicle. 16

# §17A-6A-15c. Manufacturer performance standards; uniform application, prohibited practices.

A manufacturer may not require dealer adherence to a

# ARTICLE 2F. NET METERING OF CUSTOMER-GENERA-TORS.

### §24-2F-8. Net metering and interconnection standards.

1 (a) "Net metering" means measuring the difference between 2 electricity supplied by an electric utility and electricity generated 3 from a facility owned or leased and operated by a customer 4 generator when any portion of the electricity generated from the 5 facility is used to offset part or all of the electric retail 6 customer's requirements for electricity.

7 (b) "Customer-generator" means an electric retail customer
8 who owns or leases and operates a customer-sited generation
9 project utilizing an alternative or renewable energy resource or
10 a net metering system in this state.

(c) "Cross-subsidization", for purposes of this section,
means the practice of charging costs directly incurred by the
electric utility in accommodating a net metering system to
electric retail customers who are not customer generators.

15 (d) The Public Service Commission shall adopt a rule requiring that all electric utilities provide a rebate or discount at 16 fair value, to be determined by the Public Service Commission, 17 18 to customer-generators for any electricity generation that is delivered to the utility under a net metering arrangement. The 19 commission shall assure that any net metering tariff does not 20 21 create a cross-subsidization between customers within one class of service. 22

(e) The Public Service Commission shall also consider
adopting, by rule, a requirement that all sellers of electricity to
retail customers in the state, including rural electric cooperatives,
municipally owned electric facilities or utilities serving less than
thirty thousand residential electric customers in this state, offer
net metering rebates or discounts to customer-generators.

#### NET METERING

29 (f) The Public Service Commission shall institute a general 30 investigation for the purpose of adopting rules pertaining to net 31 metering and the interconnection of eligible electric generating 32 facilities intended to operate in parallel with an electric utility's 33 system. As part of its investigation, the Public Service 34 Commission shall take into consideration rules of other states 35 within the applicable region of the regional transmission organization, as that term is defined in 18 C.F.R. §35.34, that 36 37 manages a utility's transmission system in any part of this state. Furthermore, the Public Service Commission shall consider 38 39 increasing the allowed kilowatt capacity for commercial customer-generators to an amount not to exceed five hundred 40 kilowatts and for industrial customer-generators to an amount 41 42 not to exceed two megawatts. The Public Service Commission shall further consider interconnection standards for combined 43 44 heat and power.

45 (g) An electric utility shall offer net metering to a customer-46 generator that generates electricity on the customer-generator side of the meter using alternative or renewable energy sources, 47 48 on a first-come, first-served basis, based on the date of application for interconnection as provided in the rules 49 50 promulgated by the commission and pursuant to a standard tariff. 51 An electric utility may offer net metering to customer-52 generators, on a first-come, first-served basis, so long as the total 53 generation capacity installed by all customer-generators is no 54 greater than three percent (3%) of the electric utility aggregate customer peak demand in the state during the previous year, of 55 56 which no less than one-half percent (0.5%) is reserved for 57 residential customer-generators.

(h) The Public Service Commission shall adopt a rule
requiring compliance with the Institute of the Electrical and
Electronics Engineers (IEEE) standards at all times, and as the
same shall be amended, including having a disconnect readily

CHAPTER 181

# (Com. Sub. for H. B. 2568 - By Delegate(s) Sobonya, Arvon, Kessinger, Rowan, Summers, Border, Blair, Espinosa, Waxman, Moye and Eldridge)

[Passed February 25, 2015; in effect ninety days from passage. Vetoed by the Governor. Repassed notwithstanding the objections of the Governor, March 6, 2015.]

AN ACT to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §16-2M-1, §16-2M-2, §16-2M-3, §16-2M-4, §16-2M-5, §16-2M-6 and §16-2M-7, all relating to prohibiting certain abortions; stating legislative findings; defining terms; requiring a calculation of gestational age before an abortion is performed or attempted, except in certain cases; prohibiting abortions when the gestational age of the fetus reaches pain capable gestational age; creating certain exceptions to that prohibition; requiring a physician performing an abortion of a fetus that has reached pain capable gestational age to use the process most likely to allow the fetus to survive, with certain exceptions; requiring reporting of all completed abortions and that the reports contain certain information regarding the abortion; requiring an annual public report that provides statistics of the abortions while keeping the identities of the persons involved confidential; deeming violations by physicians and other licensed medical practitioners to be a breach of the standard of care and outside the scope of practice that is permitted by law; allowing for discipline from the applicable licensure board for that conduct, including, but not limited to, loss of professional license to practice for violation; constituting violations for nonphysician and

nonlicensed medical practitioners as unauthorized practice of medicine and subject to criminal penalties; preserving existing legal remedies for violations; clarifying that no penalty may be assessed against a patient; and making provisions severable.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new article, designated §16-2M-1, §16-2M-2, §16-2M-3, §16-2M-4, §16-2M-5, §16-2M-6 and §16-2M-7, all to read as follows:

# ARTICLE 2M. THE PAIN-CAPABLE UNBORN CHILD PRO-TECTION ACT.

# §16-2M-1. Legislative findings.

- 1 The Legislature makes the following findings:
- (1) Pain receptors (unborn child's entire body nociceptors)
  are present no later than sixteen weeks after fertilization and
  nerves link these receptors to the brain's thalamus and
  subcortical plate by no later than twenty weeks.
- 6 (2) By eight weeks after fertilization, the unborn child reacts 7 to stimuli that would be recognized as painful if applied to an 8 adult human, for example, by recoiling.
- 9 (3) In the unborn child, application of painful stimuli is 10 associated with significant increases in stress hormones known 11 as the stress response.

(4) Subjection to painful stimuli is associated with longterm harmful neuro developmental effects, such as altered pain
sensitivity and, possibly, emotional, behavioral and learning
disabilities later in life.

# 1868 PAIN-CAPABLE UNBORN CHILD PROTECTION ACT [Ch. 181

(5) For the purposes of surgery on unborn children, fetal
anesthesia is routinely administered and is associated with a
decrease in stress hormones compared to their level when painful
stimuli is applied without the anesthesia.

20 (6) The position, asserted by some medical experts, that the unborn child is incapable of experiencing pain until a point later 21 22 in pregnancy than twenty weeks after fertilization, which point in the pregnancy is generally consistent with twenty-two weeks 23 following the woman's last menstrual cycle, predominately rests 24 25 on the assumption that the ability to experience pain depends on 26 the cerebral cortex and requires nerve connections between the 27 thalamus and the cortex. However, recent medical research and analysis, especially since 2007, provides strong evidence for the 28 conclusion that a functioning cortex is not necessary to 29 30 experience pain.

(7) Substantial evidence indicates that children born missing
the bulk of the cerebral cortex, those with hydranencephaly,
nevertheless experience pain.

(8) In adults, stimulation or ablation of the cerebral cortex
does not alter pain perception while stimulation or ablation of
the thalamus does.

(9) Substantial evidence indicates that structures used for
pain processing in early development differ from those of adults,
using different neural elements available at specific times during
development, such as the subcortical plate, to fulfill the role of
pain processing.

42 (10) Consequently, there is substantial medical evidence that
43 an unborn child is capable of experiencing pain by pain capable
44 gestational age as defined in subsection (7), section two, article
45 two-m of this chapter.

(11) It is the purpose of the state to assert a compelling state
interest in protecting the lives of unborn children from the stage
at which substantial medical evidence indicates that they are
capable of feeling pain.

# §16-2M-2. Definitions.

1 For purposes of this article:

2 (1) "Abortion" means abortion as that term is defined in 3 section two, article two-f of this chapter.

4 (2) "Attempt to perform or induce an abortion" means an act 5 or an omission of a statutorily required act that, under the 6 circumstances as the person believes them to be, constitutes a 7 substantial step in a course of conduct planned to culminate in 8 the performance or induction of an abortion in this state in 9 violation of the applicable provisions of this code.

10 (3) "Fertilization" means the fusion of a human 11 spermatozoon with a human ovum.

(4) "Fetus" means the developing young in the uterus,specifically the unborn offspring in the postembryonic periodfrom nine weeks after fertilization until birth.

(5) "Medical emergency" means a condition that, on the 15 16 basis of a reasonably prudent physician's reasonable medical judgment, so complicates the medical condition of a pregnant 17 18 female that it necessitates the immediate abortion of her 19 pregnancy without first determining gestational age to avert her death or for which the delay necessary to determine gestational 20 age will create serious risk of substantial and irreversible 21 22 physical impairment of a major bodily function, not including 23 psychological or emotional conditions. No condition may be 24 deemed a medical emergency if based on a claim or diagnosis that the woman will engage in conduct which she intends to 25

# 1870 PAIN-CAPABLE UNBORN CHILD PROTECTION ACT [Ch. 181

result in her death or in substantial and irreversible physicalimpairment of a major bodily function.

(6) "Nonmedically viable fetus" means a fetus that contains
sufficient lethal fetal anomalies so as to render the fetus
medically futile or incompatible with life outside the womb in
the reasonable medical judgment of a reasonably prudent
physician.

(7) "Pain capable gestational age" means twenty-two weeks
since the first day of the woman's last menstrual period. The
pain capable gestational age defined herein is generally
consistent with the time that is twenty weeks after fertilization.

(8) "Physician" means a person with an unrestricted license
to practice allopathic medicine pursuant to article three of
chapter thirty of this code or osteopathic medicine pursuant to
article fourteen, chapter thirty of this code.

(9) "Probable gestational age of the fetus" means, in
reasonable medical judgment and with reasonable probability,
the gestational age of the fetus at the time an abortion is planned
to be performed.

(10) "Reasonable medical judgment" means a medical
judgment that would be made by a reasonably prudent physician,
knowledgeable about the case and the treatment possibilities
with respect to the medical conditions involved.

#### §16-2M-3. Determination of gestational age.

1 Except in the case of a medical emergency or a 2 nonmedically viable fetus, no abortion may be performed or 3 induced or be attempted to be performed or induced unless the 4 physician performing or inducing it has first made a 5 determination of the probable gestational age of the fetus or 6 relied upon such a determination made by another physician. In 7 making this determination, the physician shall make inquiries of
8 the patient and perform or cause to be performed medical
9 examinations and tests as a reasonably prudent physician,
10 knowledgeable about the case and the medical conditions
11 involved, would consider necessary to perform in making an
12 accurate diagnosis with respect to gestational age.

# §16-2M-4. Abortion of fetus of pain capable gestational age prohibited.

1 (a) No person may perform or induce, or attempt to perform 2 or induce, an abortion when it has been determined, by the physician performing or inducing or attempting to perform or 3 induce the abortion or by another physician upon whose 4 determination that physician relies, that the probable gestational 5 6 age of the fetus has reached the pain capable gestational age, unless in the reasonable medical judgment of a reasonably 7 prudent physician there exists a nonmedically viable fetus or the 8 9 patient has a condition that, on the basis of a reasonably prudent physician's reasonable medical judgment, so complicates her 10 medical condition as to necessitate the abortion of her pregnancy 11 to avert her death or to avert serious risk of substantial and 12 irreversible physical impairment of a major bodily function, not 13 including psychological or emotional conditions. No condition 14 may be deemed a medical emergency if based on a claim or 15 diagnosis that the woman will engage in conduct which she 16 17 intends to result in her death or in substantial and irreversible 18 physical impairment of a major bodily function.

(b) When an abortion upon a patient whose fetus has been
determined to have a probable gestational age that has reached
the pain capable gestational age is not prohibited by subsection
(a) of this section, the physician shall terminate the pregnancy in
the manner which, in reasonable medical judgment, provides the
best opportunity for the fetus to survive, unless, in reasonable
medical judgment, termination of the pregnancy in that manner

# 1872 PAIN-CAPABLE UNBORN CHILD PROTECTION ACT [Ch. 181

would pose a greater risk either of the death of the patient or of
the substantial and irreversible physical impairment of a major
bodily function of the patient than would other available
methods.

## §16-2M-5. Reporting.

(a) Any physician who performs or induces an abortion shall
 report to the Bureau for Public Health. The reporting shall be on
 a schedule and on forms set forth by the Secretary of the
 Department of Health and Human Resources annually, no later
 than December 31. The reports shall include the following
 information:

- 7 (1) Probable gestational age:
- 8 (A) If a determination of probable gestational age was made,
  9 whether ultrasound was employed in making the determination,
  10 and the week of probable gestational age determined.
- (B) If a determination of probable gestational age was not
  made, the basis of the determination that a medical emergency
  existed or that there existed a nonmedically viable fetus.
- 14 (2) Method of abortion;

15 (3) If the probable gestational age was determined to have 16 reached the pain capable gestational age, the basis of the determination that there existed a nonmedically viable fetus or 17 that the patient had a condition which so complicated the 18 19 medical condition of the patient that it necessitated the abortion of her pregnancy in order to avert her death or avert a serious 20 risk of substantial and irreversible physical impairment of a 21 22 major bodily function; and

(4) If the probable gestational age was determined to havereached the pain capable gestational age, whether the method of

abortion used was one that, in reasonable medical judgment, provided the best opportunity for the fetus to survive and, if such a method was not used, the basis of the determination that termination of the pregnancy in that manner would pose a greater risk either of the death of the patient or of the substantial and irreversible physical impairment of a major bodily function of the patient than would other available methods.

(b) Reports required by subsection (a) of this section may
not contain the name or the address of the patient whose
pregnancy was terminated nor may the report contain any
information identifying the patient. These reports shall be
maintained in strict confidence by the department, may not be
available for public inspection, and may not be made available
except pursuant to court order.

39 (c) Beginning June 30, 2016, and annually after that, the 40 Department of Health and Human Resources shall issue a public report providing statistics for the previous calendar year 41 42 compiled from all of the reports covering that year submitted in accordance with this section for each of the items listed in 43 subsection (a) of this section. Each report shall provide the 44 statistics for all previous calendar years from the effective date 45 of this section, adjusted to reflect any additional information 46 from late or corrected reports. The Department of Health and 47 Human Resources shall take care to ensure that none of the 48 49 information included in the public reports could reasonably lead 50 to the identification of any patient upon whom an abortion was 51 performed or induced.

# §16-2M-6. Penalties.

1 (a) Any physician or other licensed medical practitioner who 2 intentionally or recklessly performs or induces an abortion in 3 violation of this article is considered to have acted outside the 4 scope of practice permitted by law or otherwise in breach of the

### 1874 PAIN-CAPABLE UNBORN CHILD PROTECTION ACT [Ch. 181

5 standard of care owed to patients, and is subject to discipline

- 6 from the applicable licensure board for that conduct, including,
- 7 but not limited to, loss of professional license to practice.

8 (b) Any person, not subject to subsection (a) of this section, 9 who intentionally or recklessly performs or induces an abortion 10 in violation of this article is considered to have engaged in the 11 unauthorized practice of medicine in violation of section 12 thirteen, article three, chapter thirty of this code, and upon 13 conviction, subject to the penalties contained in that section.

(c) In addition to the penalties set forth in subsections (a)and (b) of this section, a patient may seek any remedy otherwiseavailable to such patient by applicable law.

(d) No penalty may be assessed against any patient uponwhom an abortion is performed or induced or attempted to beperformed or induced.

# §16-2M-7. Severability.

1 If any one or more provisions, sections, subsections, sentences, clauses, phrases or words of this article or the 2 application thereof to any person or circumstance is found to be 3 4 unconstitutional or temporarily or permanently restrained or 5 enjoined by judicial order, or both, the same is declared to be severable and the balance of this article shall remain effective 6 7 notwithstanding such judicial decision, including for all other applications of each of the provisions, sections, subsections, 8 9 sentences, clauses, phrases or words of this article: Provided, That whenever any judicial decision is stayed, dissolved, or 10 11 otherwise ceases to have effect, such provisions shall have full 12 force and effect.

# CHAPTER 184

(Com. Sub. for S. B. 374 - By Senators Trump and D. Hall)

[Passed March 6, 2015; in effect from passage.] [Approved by the Governor on March 13, 2015.]

- AN ACT to amend and reenact §62-12-13 of the Code of West Virginia, 1931, as amended, relating to permitting parole hearings to be conducted without the presence of the inmate when a documented medical condition precludes his or her appearance.
- Be it enacted by the Legislature of West Virginia:

That §62-12-13 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

### ARTICLE 12. PROBATION AND PAROLE.

# \$62-12-13. Powers and duties of board; eligibility for parole; procedure for granting parole.

- (a) The Parole Board, whenever it is of the opinion that the
   best interests of the state and of the inmate will be served, and
   subject to the limitations provided in this section, shall release
   any inmate on parole for terms and upon conditions provided by
   this article.
- 6 (b) Any inmate of a state correctional institution is eligible7 for parole if he or she:
- 8 (1) (A) Has served the minimum term of his or her 9 indeterminate sentence or has served one fourth of his or her 10 definite term sentence, as the case may be; or

11 (B) He or she:

(i) Has applied for and been accepted by the Commissionerof Corrections into an accelerated parole program;

crime of violence against the person, a felony offense involving
the use of a firearm or a felony offense where the victim was a

26 (C) Notwithstanding any provision of this code to the 27 contrary, any inmate who committed, or attempted to commit, a felony with the use, presentment or brandishing of a firearm, is 28 not eligible for parole prior to serving a minimum of three years 29 of his or her sentence or the maximum sentence imposed by the 30 31 court, whichever is less: Provided, That any inmate who 32 committed, or attempted to commit, any violation of section 33 twelve, article two, chapter sixty-one of this code, with the use, presentment or brandishing of a firearm, is not eligible for parole 34 35 prior to serving a minimum of five years of his or her sentence 36 or one third of his or her definite term sentence, whichever is 37 greater. Nothing in this paragraph applies to an accessory before 38 the fact or a principal in the second degree who has been 39 convicted as if he or she were a principal in the first degree if, in 40 the commission of or in the attempted commission of the felony, 41 only the principal in the first degree used, presented or

42 brandished a firearm. An inmate is not ineligible for parole under 43 the provisions of this paragraph because of the commission or 44 attempted commission of a felony with the use, presentment or 45 brandishing of a firearm unless that fact is clearly stated and 46 included in the indictment or presentment by which the person 47 was charged and was either: (i) Found guilty by the court at the time of trial upon a plea of guilty or nolo contendere; (ii) found 48 49 guilty by the jury, upon submitting to the jury a special interrogatory for such purpose if the matter was tried before a 50 51 jury; or (iii) found guilty by the court, if the matter was tried by 52 the court without a jury.

53 (D) The amendments to this subsection adopted in the year54 1981:

(i) Apply to all applicable offenses occurring on or afterAugust 1 of that year;

(ii) Apply with respect to the contents of any indictment or
presentment returned on or after August 1 of that year
irrespective of when the offense occurred;

60 (iii) Apply with respect to the submission of a special 61 interrogatory to the jury and the finding to be made thereon in any case submitted to the jury on or after August 1 of that year 62 63 or to the requisite findings of the court upon a plea of guilty or 64 in any case tried without a jury: *Provided*, That the state gives 65 notice in writing of its intent to seek such finding by the jury or 66 court, as the case may be. The notice shall state with particularity 67 the grounds upon which the finding will be sought as fully as the grounds are otherwise required to be stated in an indictment, 68 69 unless the grounds upon which the finding will be sought are alleged in the indictment or presentment upon which the matter 70 71 is being tried; and

(iv) Does not apply with respect to cases not affected by theamendments and in those cases the prior provisions of this

74 section apply and are construed without reference to the 75 amendments.

(v) Insofar as the amendments relate to mandatory sentences
restricting the eligibility for parole, all matters requiring a
mandatory sentence shall be proved beyond a reasonable doubt
in all cases tried by the jury or the court.

(E) As used in this section, "felony crime of violence against
the person" means felony offenses set forth in article two, threee, eight-b or eight-d, chapter sixty-one of this code; and

(F) As used in this section, "felony offense where the victim
was a minor child" means any felony crime of violence against
the person and any felony violation set forth in article eight,
eight-a, eight-c or eight-d, chapter sixty-one of this code.

(G) For the purpose of this section, the term "firearm" means
any instrument which will, or is designed to, or may readily be
converted to expel a projectile by the action of an explosive,
gunpowder or any other similar means.

91 (2) Is not in punitive segregation or administrative92 segregation as a result of disciplinary action;

93 (3) Has prepared and submitted to the Parole Board a written parole release plan setting forth proposed plans for his or her 94 place of residence, employment and, if appropriate, his or her 95 plans regarding education and post-release counseling and 96 treatment: Provided, That an inmate's application for parole may 97 be considered by the board without the prior submission of a 98 home plan, but the inmate shall have a home plan approved by 99 the board prior to his or her release on parole. The 100 101 Commissioner of Corrections or his or her designee shall review 102 and investigate the plan and provide recommendations to the 103 board as to the suitability of the plan: Provided, however, That 104 in cases in which there is a mandatory thirty-day notification

#### Ch. 184] PROBATION AND PAROLE 1891

105 period required prior to the release of the inmate, pursuant to 106 section twenty-three of this article, the board may conduct an 107 initial interview and deny parole without requiring the development of a plan. In the event the board believes parole 108 109 should be granted, it may defer a final decision pending 110 completion of an investigation and receipt of recommendations. Upon receipt of the plan together with the investigation and 111 recommendation, the board, through a panel, shall make a final 112 113 decision regarding the granting or denial of parole; and

(4) Has satisfied the board that if released on parole he orshe will not constitute a danger to the community.

116 (c) Except in the case of an inmate serving a life sentence, a 117 person who has been previously twice convicted of a felony may 118 not be released on parole until he or she has served the minimum 119 term provided by law for the crime for which he or she was 120 convicted. An inmate sentenced for life may not be paroled until 121 he or she has served ten years, and an inmate sentenced for life 122 who has been previously twice convicted of a felony may not be 123 paroled until he or she has served fifteen years: Provided, That 124 an inmate convicted of first degree murder for an offense 125 committed on or after June 10, 1994, is not eligible for parole 126 until he or she has served fifteen years.

(d) In the case of an inmate sentenced to a state correctional
institution regardless of the inmate's place of detention or
incarceration, the Parole Board, as soon as that inmate becomes
eligible, shall consider the advisability of his or her release on
parole.

(e) If, upon consideration, parole is denied, the board shall
promptly notify the inmate of the denial. The board shall, at the
time of denial, notify the inmate of the month and year he or she
may apply for reconsideration and review. The board shall at
least once a year reconsider and review the case of every inmate

# 1892 PROBATION AND PAROLE [Ch. 184

137 who was denied parole and who is still eligible: Provided, That

138 the board may reconsider and review parole eligibility any time

139 within three years following the denial of parole of an inmate

140 serving a life sentence with the possibility of parole.

(f) Any inmate in the custody of the commissioner for
service of a sentence who reaches parole eligibility is entitled to
a timely parole hearing without regard to the location in which
he or she is housed.

145 (g) The board shall, with the approval of the Governor, adopt 146 rules governing the procedure in the granting of parole. No 147 provision of this article and none of the rules adopted under this 148 article are intended or may be construed to contravene, limit or 149 otherwise interfere with or affect the authority of the Governor 150 to grant pardons and reprieves, commute sentences, remit fines 151 or otherwise exercise his or her constitutional powers of 152 executive clemency.

153 (h) (1) The Division of Corrections shall promulgate policies 154 and procedures for developing a rehabilitation treatment plan 155 created with the assistance of a standardized risk and needs 156 assessment. The policies and procedures shall provide for, at a 157 minimum, screening and selecting inmates for rehabilitation 158 treatment and development, using standardized risk and needs 159 assessment and substance abuse assessment tools, and 160 prioritizing the use of residential substance abuse treatment resources based on the results of the standardized risk and needs 161 162 assessment and a substance abuse assessment. The results of all 163 standardized risk and needs assessments and substance abuse 164 assessments are confidential.

(2) An inmate shall not be paroled under paragraph (B),
subdivision (1), subsection (b) of this section solely due to
having successfully completed a rehabilitation treatment plan,
but completion of all the requirements of a rehabilitation

169 treatment plan along with compliance with the requirements of 170 subsection (b) of this section creates a rebuttable presumption 171 that parole is appropriate. The presumption created by this subdivision may be rebutted by a Parole Board finding that, 172 173 according to the standardized risk and needs assessment, at the 174 time parole release is sought the inmate still constitutes a 175 reasonable risk to the safety or property of other persons if 176 released. Nothing in subsection (b) of this section or in this 177 subsection may be construed to create a right to parole.

178 (i) Notwithstanding the provisions of subsection (b) of this 179 section, the Parole Board may grant or deny parole to an inmate 180 against whom a detainer is lodged by a jurisdiction other than 181 West Virginia for service of a sentence of incarceration, upon a 182 written request for parole from the inmate. A denial of parole 183 under this subsection precludes consideration for parole for a 184 period of one year or until the provisions of subsection (b) of this 185 section are applicable.

186 (i) If an inmate is otherwise eligible for parole pursuant to 187 subsection (b) of this section and has completed the 188 rehabilitation treatment program required under subsection (g) 189 of this section, the Parole Board may not require the inmate to 190 participate in an additional program, but may determine that the 191 inmate must complete an assigned task or tasks prior to actual release on parole. The board may grant parole contingently, 192 193 effective upon successful completion of the assigned task or 194 tasks, without the need for a further hearing.

(k) (1) The Division of Corrections shall supervise all
probationers and parolees whose supervision may have been
undertaken by this state by reason of any interstate compact
entered into pursuant to the Uniform Act for Out-of-State
Parolee Supervision.

(2) The Division of Corrections shall provide supervision,treatment/recovery and support services for all persons released

1894	PROBATION AND PAROLE	[Ch. 184

to mandatory supervision under section twenty-seven, articlefive, chapter twenty-eight of this code.

204 (1) (1) When considering an inmate of a state correctional center for release on parole, the Parole Board panel considering 205 206 the parole shall have before it an authentic copy of or report on the inmate's current criminal record as provided through the 207 208 West Virginia State Police, the United States Department of 209 Justice or any other reliable criminal information sources and 210 written reports of the warden or superintendent of the state 211 correctional institution to which the inmate is sentenced:

(A) On the inmate's conduct record while in custody,
including a detailed statement showing any and all infractions of
disciplinary rules by the inmate and the nature and extent of
discipline administered for the infractions;

216 (B) On improvement or other changes noted in the inmate's 217 mental and moral condition while in custody, including a statement expressive of the inmate's current attitude toward 218 219 society in general, toward the judge who sentenced him or her, 220 toward the prosecuting attorney who prosecuted him or her, 221 toward the policeman or other officer who arrested the inmate 222 and toward the crime for which he or she is under sentence and 223 his or her previous criminal record;

224 (C) On the inmate's industrial record while in custody which shall include: The nature of his or her work, occupation or 225 education, the average number of hours per day he or she has 226 been employed or in class while in custody and a 227 228 recommendation as to the nature and kinds of employment 229 which he or she is best fitted to perform and in which the inmate 230 is most likely to succeed when he or she leaves the state 231 correctional institution; and

(D) On any physical, mental, psychological or psychiatricexaminations of the inmate.

234 (2) The Parole Board panel considering the parole may 235 waive the requirement of any report when not available or not 236 applicable as to any inmate considered for parole but, in every 237 case, shall enter in its record its reason for the waiver: Provided, 238 That in the case of an inmate who is incarcerated because the inmate has been found guilty of, or has pleaded guilty to, a 239 240 felony under the provisions of section twelve, article eight, 241 chapter sixty-one of this code or under the provisions of article 242 eight-b or eight-c of said chapter, the Parole Board panel may 243 not waive the report required by this subsection. The report shall 244 include a study and diagnosis of the inmate, including an on-245 going treatment plan requiring active participation in sexual 246 abuse counseling at an approved mental health facility or through some other approved program: Provided, however, That 247 248 nothing disclosed by the inmate during the study or diagnosis may be made available to any law-enforcement agency, or other 249 party without that inmate's consent, or admissible in any court 250 251 of this state, unless the information disclosed indicates the 252 intention or plans of the parolee to do harm to any person, 253 animal, institution or to property. Progress reports of outpatient 254 treatment are to be made at least every six months to the parole 255 officer supervising the parolee. In addition, in such cases, the 256 Parole Board shall inform the prosecuting attorney of the county in which the person was convicted of the parole hearing and 257 258 shall request that the prosecuting attorney inform the Parole 259 Board of the circumstances surrounding a conviction or plea of 260 guilty, plea bargaining and other background information that 261 might be useful in its deliberations.

262 (m) Before releasing any inmate on parole, the Parole Board 263 shall arrange for the inmate to appear in person before a Parole 264 Board panel and the panel may examine and interrogate him or 265 her on any matters pertaining to his or her parole, including 266 reports before the Parole Board made pursuant to the provisions of this section: Provided, That an inmate may appear by video 267 268 teleconference if the members of the Parole Board panel 269 conducting the examination are able to contemporaneously see

#### 1896 PROBATION AND PAROLE

the inmate and hear all of his or her remarks and if the inmate is 270 271 able to contemporaneously see each of the members of the panel 272 conducting the examination and hear all of the members' 273 remarks: Provided, however, That the requirement that an inmate 274 personally appear may be waived where a physician authorized 275 to do so by the Commissioner of Corrections certifies that the 276 inmate, due to a medical condition or disease, is too debilitated, 277 either physically or cognitively, to appear. The panel shall reach 278 its own written conclusions as to the desirability of releasing the 279 inmate on parole and the majority of the panel considering the 280 release must concur in the decision. The warden or 281 superintendent shall furnish all necessary assistance and 282 cooperate to the fullest extent with the Parole Board. All 283 information, records and reports received by the Parole Board 284 shall be kept on permanent file.

(n) The Parole Board and its designated agents are at all
times to have access to inmates imprisoned in any state
correctional institution or in any jail in this state and may obtain
any information or aid necessary to the performance of its duties
from other departments and agencies of the state or from any
political subdivision of the state.

(o) The Parole Board shall, if requested by the Governor,
investigate and consider all applications for pardon, reprieve or
commutation and shall make recommendation on the
applications to the Governor.

(p) (1) Prior to making a recommendation for pardon,
reprieve or commutation, the board shall notify the sentencing
judge and prosecuting attorney at least ten days before the
recommendation.

(2) Notwithstanding any other provision of law to the
contrary, if the board grants a person parole, the board shall
provide written notice to the prosecuting attorney and circuit
judge of the county in which the inmate was prosecuted, that

#### Ch. 185] PROBATION AND PAROLE 1897

303 parole has been granted. The notice shall be sent by certified

304 mail, return receipt requested, and include the anticipated date of

305 release and the person's anticipated future residence. A written

- 306 statement of reasons for releasing the person, prepared pursuant
- 307 to subsection (b) of this section, shall be provided upon request.
- 308 (q) A parolee shall participate as a condition of parole in the
  309 litter control program of the county to which he or she is
  310 released to the extent directed by the Parole Board, unless the
  311 board specifically finds that this alternative service would be
- 312 inappropriate.

#### ARTICLE 1C. INTERSTATE MEDICAL LICENSURE COM-PACT.

#### §30-1C-1. Purpose.

1 In order to strengthen access to health care, and in recognition of the advances in the delivery of health care, the 2 member states of the Interstate Medical Licensure Compact have 3 4 allied in common purpose to develop a comprehensive process that complements the existing licensing and regulatory authority 5 of state medical boards, provides a streamlined process that 6 allows physicians to become licensed in multiple states, thereby 7 enhancing the portability of a medical license and ensuring the 8 safety of patients. The Compact creates another pathway for 9 licensure and does not otherwise change a state's existing 10 medical practice statutes. The Compact also adopts the 11 prevailing standard for licensure and affirms that the practice of 12 13 medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, requires the 14 physician to be under the jurisdiction of the state medical board 15 where the patient is located. 16

State medical boards that participate in the Compact retain
the jurisdiction to impose an adverse action against a license to
practice medicine in that state issued to a physician through the
procedures in the Compact.

14 (c) Not later than thirty days after a rule is promulgated, any person may file a petition for judicial review of the rule in the 15 United States District Court for the District of Columbia or the 16 federal district where the Interstate Commission has its principal 17 18 offices, provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the 19 court finds that the petitioner has a substantial likelihood of 20 success. The court shall give deference to the actions of the 21 Interstate Commission consistent with applicable law and shall 22 23 not find the rule to be unlawful if the rule represents a reasonable 24 exercise of the authority granted to the Interstate Commission.

# §30-1C-16. Oversight of Interstate Compact.

1 (a) The executive, legislative, and judicial branches of state 2 government in each member state shall enforce the Compact and

- 3 shall take all actions necessary and appropriate to effectuate the
- 4 Compact's purposes and intent. The provisions of the Compact
- 5 and the rules promulgated hereunder shall have standing as

6 statutory law but shall not override existing state authority to7 regulate the practice of medicine.

- 8 (b) All courts shall take judicial notice of the Compact and 9 the rules in any judicial or administrative proceeding in a 10 member state pertaining to the subject matter of the Compact 11 which may affect the powers, responsibilities or actions of the 12 Interstate Commission.
- (c) The Interstate Commission shall be entitled to receive all
  service of process in any such proceeding, and shall have
  standing to intervene in the proceeding for all purposes. Failure
  to provide service of process to the Interstate Commission shall
  render a judgment or order void as to the Interstate Commission,
  the Compact, or promulgated rules.

# §30-1C-17. Enforcement of Interstate Compact.

- (a) The Interstate Commission, in the reasonable exercise of
   its discretion, shall enforce the provisions and rules of the
- 3 Compact.

4 (b) The Interstate Commission may, by majority vote of the Commissioners, initiate legal action in the United States District 5 6 Court for the District of Columbia, or, at the discretion of the 7 Interstate Commission, in the federal district where the Interstate Commission has its principal offices, to enforce compliance with 8 the provisions of the Compact, and its promulgated rules and 9 bylaws, against a member state in default. The relief sought may 10 include both injunctive relief and damages. In the event judicial 11 enforcement is necessary, the prevailing party shall be awarded 12 13 all costs of such litigation including reasonable attorney's fees.

(c) The remedies herein shall not be the exclusive remedies
of the Interstate Commission. The Interstate Commission may
avail itself of any other remedies available under state law or the
regulation of a profession.

#### §30-1C-18. Default procedures.

(a) The grounds for default include, but are not limited to,
 failure of a member state to perform such obligations or
 responsibilities imposed upon it by the Compact, or the rules and
 bylaws of the Interstate Commission promulgated under the
 Compact.

(b) If the Interstate Commission determines that a member
state has defaulted in the performance of its obligations or
responsibilities under the Compact, or the bylaws or
promulgated rules, the Interstate Commission shall:

(1) Provide written notice to the defaulting state and other
member states, of the nature of the default, the means of curing
the default, and any action taken by the Interstate Commission.
The Interstate Commission shall specify the conditions by which
the defaulting state must cure its default; and

(2) Provide remedial training and specific technicalassistance regarding the default.

(c) If the defaulting state fails to cure the default, the
defaulting state shall be terminated from the Compact upon an
affirmative vote of a majority of the Commissioners and all
rights, privileges, and benefits conferred by the Compact shall
terminate on the effective date of termination. A cure of the
default does not relieve the offending state of obligations or
liabilities incurred during the period of the default.

(d) Termination of membership in the Compact shall be
imposed only after all other means of securing compliance have
been exhausted. Notice of intent to terminate shall be given by
the Interstate Commission to the Governor, the majority and
minority leaders of the defaulting state's Legislature, and each
of the member states.

30 (e) The Interstate Commission shall establish rules and
31 procedures to address licenses and physicians that are materially
32 impacted by the termination of a member state, or the
33 withdrawal of a member state.

(f) The member state which has been terminated is
responsible for all dues, obligations, and liabilities incurred
through the effective date of termination including obligations,
the performance of which extends beyond the effective date of
termination.

(g) The Interstate Commission shall not bear any costs
relating to any state that has been found to be in default or which
has been terminated from the Compact, unless otherwise
mutually agreed upon in writing between the Interstate
Commission and the defaulting state.

(h) The defaulting state may appeal the action of the
Interstate Commission by petitioning the United States District
Court for the District of Columbia or the federal district where
the Interstate Commission has its principal offices. The
prevailing party shall be awarded all costs of such litigation
including reasonable attorney's fees.

# §30-1C-19. Dispute resolution.

1 (a) The Interstate Commission shall attempt, upon the 2 request of a member state, to resolve disputes which are subject 3 to the Compact and which may arise among member states or 4 member boards.

5 (b) The Interstate Commission shall promulgate rules 6 providing for both mediation and binding dispute resolution as 7 appropriate.

#### **§30-1C-20.** Member states, effective date and amendment.

(a) Any state is eligible to become a member state of the
 Compact.

3 (b) The Compact shall become effective and binding upon
4 legislative enactment of the Compact into law by no less than
5 seven states. Thereafter, it shall become effective and binding on
6 a state upon enactment of the Compact into law by that state.

7 (c) The governors of nonmember states, or their designees,
8 shall be invited to participate in the activities of the Interstate
9 Commission on a nonvoting basis prior to adoption of the
10 Compact by all states.

(d) The Interstate Commission may propose amendments to
the Compact for enactment by the member states. No
amendment shall become effective and binding upon the
Interstate Commission and the member states unless and until it
is enacted into law by unanimous consent of the member states.

# §30-1C-21. Withdrawal.

1 (a) Once effective, the Compact shall continue in force and 2 remain binding upon each and every member state; provided that

- 3 a member state may withdraw from the Compact by specifically
- 4 repealing the statute which enacted the Compact into law.

5 (b) Withdrawal from the Compact shall be by the enactment 6 of a statute repealing the same, but shall not take effect until one 7 year after the effective date of such statute and until written 8 notice of the withdrawal has been given by the withdrawing state 9 to the governor of each other member state.

10 (c) The withdrawing state shall immediately notify the 11 chairperson of the Interstate Commission in writing upon the 12 introduction of legislation repealing the Compact in the 13 withdrawing state.

(d) The Interstate Commission shall notify the other member
states of the withdrawing state's intent to withdraw within sixty
days of its receipt of notice provided under subsection (c) of this
section.

(e) The withdrawing state is responsible for all dues,
obligations and liabilities incurred through the effective date of
withdrawal, including obligations, the performance of which
extend beyond the effective date of withdrawal.

(f) Reinstatement following withdrawal of a member state
shall occur upon the withdrawing state reenacting the Compact
or upon such later date as determined by the Interstate
Commission.

(g) The Interstate Commission is authorized to develop rules
to address the impact of the withdrawal of a member state on
licenses granted in other member states to physicians who
designated the withdrawing member state as the state of
principal license.

# §30-1C-22. Dissolution.

(a) The Compact shall dissolve effective upon the date of the
 withdrawal or default of the member state which reduces the
 membership in the Compact to one member state.

(b) Upon the dissolution of the Compact, the Compact
becomes null and void and shall be of no further force or effect,
and the business and affairs of the Interstate Commission shall
be concluded and surplus funds shall be distributed in
accordance with the bylaws.

# §30-1C-23. Severability and construction.

1 (a) The provisions of the Compact shall be severable, and if 2 any phrase, clause, sentence, or provision is deemed 3 unenforceable, the remaining provisions of the Compact shall be 4 enforceable.

5 (b) The provisions of the Compact shall be liberally 6 construed to effectuate its purposes.

- 7 (c) Nothing in the Compact shall be construed to prohibit the
- 8 applicability of other interstate compacts to which the states are
- 9 members.

# §30-1C-24. Binding effect of Compact and other laws.

- (a) Nothing herein prevents the enforcement of any other law
   of a member state that is not inconsistent with the Compact.
- 3 (b) All laws in a member state in conflict with the Compact4 are superseded to the extent of the conflict.
- (c) All lawful actions of the Interstate Commission,
  including all rules and bylaws promulgated by the Commission,
  are binding upon the member states.
- 8 (d) All agreements between the Interstate Commission and9 the member states are binding in accordance with their terms.
- 10 (e) In the event any provision of the Compact exceeds the
- 11 Constitutional limits imposed on the Legislature of any member
- 12 state, such provision shall be ineffective to the extent of the
- 13 conflict with the Constitutional provision in question in that
- 14 member state.

(B) The number and kind of fixtures connected with thefacilities located on the various premises;

21 (C) The number of persons served by the facilities;

(D) Any combination of paragraphs (A), (B) and (C) of thissubdivision; or

24 (E) May be determined on any other basis or classification 25 which the board may determine to be fair and reasonable, taking 26 into consideration the location of the premises served and the 27 nature and extent of the services and facilities furnished. 28 However, no rates, fees or charges for stormwater services may 29 be assessed against highways, road and drainage easements or stormwater facilities constructed, owned or operated by the West 30 31 Virginia Division of Highways.

(2) The board of a public service district with at least four
thousand five hundred customers and annual combined gross
revenue of \$3 million or more from its separate or combined
services may make, enact and enforce all needful rules in
connection with the enactment or amendment of rates, fees and
charges of the district. At a minimum, these rules shall provide
for:

(A) Adequate prior public notice of the contemplated rates,
fees and charges by causing a notice of intent to effect such a
change to be specified on the monthly billing statement of the
customers of the district for the month next preceding the month
in which the contemplated change is to be before the board on
first reading.

(B) Adequate prior public notice of the contemplated rates,fees and charges by causing to be published as a Class I legal

47 advertisement of the proposed action, in compliance with the 48 provisions of article three, chapter fifty-nine of the code. The 49 publication area for publication shall be all territory served by 50 the district. If the district provides service in more than one 51 county, publication shall be made in a newspaper of general 52 circulation in each county that the district provides service.

53 (C) The public notice of the proposed action shall state the 54 current rates, fees and charges and the proposed changes to said 55 rates, fees and charges; the date, time and place of both a public 56 hearing on the proposal and the proposed final vote on adoption; 57 and the place or places within the district where the proposed 58 rates, fees and charges may be inspected by the public. A reasonable number of copies of the proposal shall be kept at the 59 60 place or places and be made available for public inspection. The 61 notice shall also advise that interested parties may appear at the 62 public hearing before the board and be heard with respect to the 63 proposed rates, fees and charges.

(D) The proposed rates, fees and charges shall be read at two
meetings of the board with at least two weeks intervening
between each meeting. The public hearing may be conducted
with or following the second reading.

68 (E) Rates, fees and charges approved by an affirmative vote 69 of the board shall be forwarded in writing to the county 70 commission appointing the approving board. The county commission shall publish notice of the proposed rates, fees and 71 72 charges by a Class 1 legal advertisement in compliance with the provisions of article three, chapter fifty-nine of the code. Within 73 forty-five days of receipt of the proposed rates, fees and charges, 74 75 the county commission shall take action to approve or reject the 76 proposed rates, fees and charges. After forty-five days, the 77 proposed rates, fees and charges shall be effective with no 78 further action by the board or county commission. In any event, 79 this 45-day period shall be mandatory unless extended by the official action of both the board proposing the rates, fees andcharges, and the appointing county commission.

82 (F) Enactment of the proposed rates, fees and charges shall 83 follow an affirmative vote by the county commission and shall 84 be effective no sooner than forty-five days following action. The 85 45-day waiting period may be waived by public vote of the county commission only if the commission finds and declares 86 87 the district to be in financial distress such that the 45-day waiting 88 period would be detrimental to the ability of the district to deliver continued and compliant public services. 89

90 (3) Where water, sewer, stormwater or gas services, or any combination thereof, are all furnished to any premises, the 91 92 schedule of charges may be billed as a single amount for the 93 aggregate of the charges. The board shall require all users of 94 services and facilities furnished by the district to designate on 95 every application for service whether the applicant is a tenant or 96 an owner of the premises to be served. If the applicant is a 97 tenant, he or she shall state the name and address of the owner or owners of the premises to be served by the district. 98 99 Notwithstanding the provisions of section eight, article three, 100 chapter twenty-four of this code to the contrary, all new 101 applicants for service shall deposit the greater of a sum equal to 102 two twelfths of the average annual usage of the applicant's 103 specific customer class or \$50, with the district to secure the payment of service rates, fees and charges in the event they 104 become delinquent as provided in this section. If a district 105 106 provides both water and sewer service, all new applicants for 107 service shall deposit the greater of a sum equal to two twelfths of the average annual usage for water service or \$50 and the 108 109 greater of a sum equal to two twelfths of the average annual 110 usage for wastewater service of the applicant's specific customer 111 class or \$50. In any case where a deposit is forfeited to pay 112 service rates, fees and charges which were delinquent at the time 113 of disconnection or termination of service, no reconnection or

114 reinstatement of service may be made by the district until 115 another deposit equal to the greater of a sum equal to two 116 twelfths of the average usage for the applicant's specific 117 customer class or \$50 has been remitted to the district. After 118 twelve months of prompt payment history, the district shall 119 return the deposit to the customer or credit the customer's 120 account at a rate as the Public Service Commission may 121 prescribe: Provided, That where the customer is a tenant, the 122 district is not required to return the deposit until the time the 123 tenant discontinues service with the district. Whenever any rates, 124 fees, rentals or charges for services or facilities furnished remain 125 unpaid for a period of twenty days after the same become due 126 and pavable, the user of the services and facilities provided is 127 delinquent and the user is liable at law until all rates, fees and 128 charges are fully paid. The board may, under reasonable rules 129 promulgated by the Public Service Commission, shut off and 130 discontinue water or gas services to all delinquent users of either 131 water or gas facilities, or both, ten days after the water or gas 132 services become delinquent: Provided, however, That nothing 133 contained within the rules of the Public Service Commission 134 shall be deemed to require any agents or employees of the board to accept payment at the customer's premises in lieu of 135 136 discontinuing service for a delinquent bill.

137 (b) In the event that any publicly or privately owned utility, 138 city, incorporated town, other municipal corporation or other 139 public service district included within the district owns and operates separately water facilities, sewer facilities 140 141 stormwater facilities and the district owns and operates another 142 kind of facility, either water or sewer, or both, as the case may 143 be, then the district and the publicly or privately owned utility, 144 city, incorporated town or other municipal corporation or other 145 public service district shall covenant and contract with each 146 other to shut off and discontinue the supplying of water service for the nonpayment of sewer or stormwater service fees and 147 148 charges: Provided, That any contracts entered into by a public

149 service district pursuant to this section shall be submitted to the 150 Public Service Commission for approval. Any public service district which provides water and sewer service, water and 151 152 stormwater service or water, sewer and stormwater service has 153 the right to terminate water service for delinquency in payment 154 of water, sewer or stormwater bills. Where one public service 155 district is providing sewer service and another public service 156 district or a municipality included within the boundaries of the 157 sewer or stormwater district is providing water service and the 158 district providing sewer or stormwater service experiences a delinquency in payment, the district or the municipality included 159 160 within the boundaries of the sewer or stormwater district that is 161 providing water service, upon the request of the district providing sewer or stormwater service to the delinquent account, 162 163 shall terminate its water service to the customer having the 164 delinquent sewer or stormwater account: Provided, however, 165 That any termination of water service must comply with all rules 166 and orders of the Public Service Commission: Provided further, 167 That nothing contained within the rules of the Public Service 168 Commission shall be deemed to require any agents or employees 169 of the public service districts to accept payment at the customer's premises in lieu of discontinuing service for a 170 171 delinquent bill.

172 (c) Any district furnishing sewer facilities within the district 173 may require or may, by petition to the circuit court of the county 174 in which the property is located, compel or may require the 175 Division of Health to compel all owners, tenants or occupants of 176 any houses, dwellings and buildings located near any sewer facilities where sewage will flow by gravity or be transported by 177 178 other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, approved under the 179 180 provisions of section nine, article one, chapter sixteen of this 181 code, from the houses, dwellings or buildings into the sewer 182 facilities, to connect with and use the sewer facilities and to 183 cease the use of all other means for the collection, treatment and

184 disposal of sewage and waste matters from the houses, dwellings 185 and buildings where there is gravity flow or transportation by 186 any other methods approved by the Division of Health, including, but not limited to, vacuum and pressure systems, 187 approved under the provisions of section nine, article one of this 188 chapter and the houses, dwellings and buildings can be 189 190 adequately served by the sewer facilities of the district and it is 191 declared that the mandatory use of the sewer facilities provided 192 for in this subsection is necessary and essential for the health and 193 welfare of the inhabitants and residents of the districts and of the 194 state. If the public service district requires the property owner to 195 connect with the sewer facilities even when sewage from 196 dwellings may not flow to the main line by gravity and the 197 property owner incurs costs for any changes in the existing dwellings' exterior plumbing in order to connect to the main 198 199 sewer line, the public service district board shall authorize the 200 district to pay all reasonable costs for the changes in the exterior 201 plumbing, including, but not limited to, installation, operation, 202 maintenance and purchase of a pump or any other method 203 approved by the Division of Health. Maintenance and operation 204 costs for the extra installation should be reflected in the users 205 charge for approval of the Public Service Commission. The 206 circuit court shall adjudicate the merits of the petition by 207 summary hearing to be held not later than thirty days after service of petition to the appropriate owners, tenants or 208 209 occupants.

210 (d) Whenever any district has made available sewer facilities 211 to any owner, tenant or occupant of any house, dwelling or 212 building located near the sewer facility and the engineer for the 213 district has certified that the sewer facilities are available to and 214 are adequate to serve the owner, tenant or occupant and sewage 215 will flow by gravity or be transported by other methods approved by the Division of Health from the house, dwelling or building 216 217 into the sewer facilities, the district may charge, and the owner, 218 tenant or occupant shall pay, the rates and charges for services

established under this article only after thirty days' notice of the
availability of the facilities has been received by the owner,
tenant or occupant. Rates and charges for sewage services shall
be based upon actual water consumption or the average monthly
water consumption based upon the owner's, tenant's or
occupant's specific customer class.

225 (e) The owner, tenant or occupant of any real property may 226 be determined and declared to be served by a stormwater system 227 only after each of the following conditions is met: (1) The 228 district has been designated by the Environmental Protection Agency as an entity to serve a West Virginia Separate Storm 229 Sewer System community, as defined in 40 C. F. R. §122.26; (2) 230 231 the district's authority has been properly expanded to operate and maintain a stormwater system; (3) the district has made 232 233 available a stormwater system where stormwater from the real 234 property affects or drains into the stormwater system; and (4) the 235 real property is located in the Municipal Separate Storm Sewer 236 System's designated service area. It is further hereby found, 237 determined and declared that the mandatory use of the 238 stormwater system is necessary and essential for the health and 239 welfare of the inhabitants and residents of the district and of the 240 state. The district may charge and the owner, tenant or occupant 241 shall pay the rates, fees and charges for stormwater services 242 established under this article only after thirty days' notice of the 243 availability of the stormwater system has been received by the 244 owner. An entity providing stormwater service shall provide a 245 tenant a report of the stormwater fee charged for the entire 246 property and, if appropriate, that portion of the fee to be assessed 247 to the tenant.

(f) All delinquent fees, rates and charges of the district for either water facilities, sewer facilities, gas facilities or stormwater systems or stormwater management programs are liens on the premises served of equal dignity, rank and priority with the lien on the premises of state, county, school and 253 municipal taxes. Nothing contained within the rules of the Public 254 Service Commission shall be deemed to require any agents or 255 employees of the public service districts to accept payment at the customer's premises in lieu of discontinuing service for a 256 257 delinquent bill. In addition to the other remedies provided in this 258 section, public service districts are granted a deferral of filing 259 fees or other fees and costs incidental to the bringing and 260 maintenance of an action in magistrate court for the collection of 261 delinquent water, sewer, stormwater or gas bills. If the district 262 collects the delinquent account, plus reasonable costs, from its 263 customer or other responsible party, the district shall pay to the 264 magistrate the normal filing fee and reasonable costs which were 265 previously deferred. In addition, each public service district may exchange with other public service districts a list of delinquent 266 267 accounts: Provided, That an owner of real property may not be 268 held liable for the delinquent rates or charges for services or 269 facilities of a tenant, nor may any lien attach to real property for 270 the reason of delinquent rates or charges for services or facilities 271 of a tenant of the real property unless the owner has contracted 272 directly with the public service district to purchase the services 273 or facilities.

(g) Anything in this section to the contrary notwithstanding,
any establishment, as defined in section three, article eleven,
chapter twenty-two of this code, now or hereafter operating its
own sewage disposal system pursuant to a permit issued by the
Department of Environmental Protection, as prescribed by
section eleven of said article, is exempt from the provisions of
this section.

(h) A public service district which has been designated by
the Environmental Protection Agency as an entity to serve a
West Virginia Separate Storm Sewer System community shall
prepare an annual report detailing the collection and expenditure
of rates, fees or charges and make it available for public review

286 at the place of business of the governing body and the 287 stormwater utility main office.

### §16-13A-25. Borrowing and bond issuance; procedure.

A public service district has plenary power to borrow 1 money, enter into contracts for the provision of engineering, 2 design or feasibility studies, issue or contract to issue revenue 3 bonds or exercise any of the powers conferred by the provisions 4 of section thirteen, twenty or twenty-four of this article. Upon 5 written request of the public service board contemplating such 6 7 transaction or project, the Public Service Commission shall 8 provide technical support to the public service board, including, 9 but not limited to, engineering, design and financial analysis of the proposed transaction or project. 10

# CHAPTER 24. PUBLIC SERVICE COMMISSION.

## **ARTICLE 1. GENERAL PROVISIONS.**

# §24-1-1. Legislative purpose and policy; plan for internal reorganization; promulgation of plan as rule; cooperation with Joint Committee on Government and Finance.

1 (a) It is the purpose and policy of the Legislature in enacting

- 2 this chapter to confer upon the Public Service Commission of
- 3 this state the authority and duty to enforce and regulate the
- 4 practices, services and rates of public utilities in order to:
- 5 (1) Ensure fair and prompt regulation of public utilities in6 the interest of the using and consuming public;
- 7 (2) Provide the availability of adequate, economical and8 reliable utility services throughout the state;
- 9 (3) Encourage the well-planned development of utility 10 resources in a manner consistent with state needs and in ways

# Ch. 196] PUBLIC SERVICE COMMISSION 1969

11 consistent with the productive use of the state's energy12 resources, such as coal;

(4) Ensure that rates and charges for utility services are just,
reasonable, applied without unjust discrimination or preference,
applied in a manner consistent with the purposes and policies set
forth in article two-a of this chapter and based primarily on the
costs of providing these services;

(5) Encourage energy conservation and the effective andefficient management of regulated utility enterprises; and

(6) Encourage removal of artificial barriers to rail carrier
service, stimulate competition, stimulate the free flow of goods
and passengers throughout the state and promote the expansion
of the tourism industry, thereby improving the economic
condition of the state.

(b) The Legislature creates the Public Service Commission to exercise the legislative powers delegated to it. The Public Service Commission is charged with the responsibility for appraising and balancing the interests of current and future utility service customers, the general interests of the state's economy and the interests of the utilities subject to its jurisdiction in its deliberations and decisions.

32 (c) The Legislature directs the Public Service Commission 33 to identify, explore and consider the potential benefits or risks 34 associated with emerging and state-of-the-art concepts in utility 35 management, rate design and conservation. The commission may 36 conduct inquiries and hold hearings regarding such concepts in 37 order to provide utilities subject to its jurisdiction and other 38 interested persons the opportunity to comment and shall report to the Governor and the Legislature regarding its findings and 39 40 policies to each of these areas not later than the first day of the 41 regular session of the Legislature in the year 1985, and every two 42 years thereafter.

43 (d) It is legislative policy to ensure that the Legislature and the general public become better informed regarding the 44 45 regulation of public utilities in this state and the conduct of the 46 business of the Public Service Commission. To aid in the achievement of this policy, the Public Service Commission 47 48 annually shall present to the Joint Committee on Government 49 and Finance, created by article three, chapter four of this code, 50 or a subcommittee designated by the joint committee, a 51 management summary report which describes in a concise 52 manner:

- (1) The major activities of the commission for the year
  especially as such activities relate to the implementation of the
  provisions of this chapter;
- 56 (2) Important policy decisions reached and initiatives57 undertaken during the year;
- (3) The current balance of supply and demand for natural gas
  and electric utility services in the state and forecast of the
  probable balance for the next ten years; and
- 61 (4) Other information considered by the commission to be62 important including recommendations for statutory reform and63 the reasons for such recommendations.
- (e) In addition to any other studies and reports required to be
  conducted and made by the Public Service Commission pursuant
  to any other provision of this section, the commission shall study
  and initially report to the Legislature no later than the first day
  of the regular session of the Legislature in the year 1980 upon:

(1) The extent to which natural gas wells or wells heretofore
supplying gas utilities in this state have been capped off or shut
in; the number of such wells; their probable extent of future
production and the reasons given and any justification for
capping off or shutting in such wells; the reasons, if any, why

74 persons engaged or heretofore engaged in the development of 75 gas wells in this state or the Appalachian areas have been 76 discouraged from drilling, developing or selling the production 77 of such wells; and whether there are fixed policies by any utility 78 or group of utilities to avoid the purchase of natural gas 79 produced in the Appalachian region of the United States 80 generally and in West Virginia specifically.

81 (2) The extent of the export and import of natural gas utility82 supplies in West Virginia.

83 (3) The cumulative effect of the practices mentioned in 84 subdivisions (1) and (2) of this subsection upon rates theretofore 85 and hereafter charged gas utility customers in West Virginia. In carrying out the provisions of this section the commission shall 86 87 have jurisdiction over such persons, whether public utilities or 88 not, as may be in the opinion of the commission necessary to the exercise of its mandate and may compel attendance before it, 89 take testimony under oath and compel the production of papers 90 91 or other documents. Upon reasonable request by the commission, all other state agencies shall cooperate with the commission in 92 93 carrying out the provisions and requirements of this subsection.

(f) No later than the first day of the regular session of the
Legislature in the year 1980, the Public Service Commission
shall submit to the Legislature a plan for internal reorganization
which plan shall specifically address the following:

98 (1) A division within the Public Service Commission which
99 shall include the office of the commissioners, the hearing
100 examiners and such support staff as may be necessary to carry
101 out the functions of decisionmaking and general supervision of
102 the commission, which functions shall not include advocacy in
103 cases before the commission;

104 (2) The creation of a division which shall act as an advocate105 for the position of and in the interest of all customers;

(3) The means and procedures by which the division to be
created pursuant to the provisions of subdivision (2) of this
subsection shall protect the interests of each class of customers
and the means by which the commission will assure that such
division will be financially and departmentally independent of
the division created by subdivision (1) of this subsection;

112 (4) The creation of a division within the Public Service Commission which shall assume the duties and responsibilities 113 now charged to the commissioners with regard to motor carriers 114 115 which division shall exist separately from those divisions set out 116 in subdivisions (1) and (2) of this subsection and which shall 117 relieve the commissioners of all except minimal administrative responsibilities as to motor carriers and which plan shall provide 118 for a hearing procedure to relieve the commissioners from 119 hearing motor carrier cases; 120

(5) Which members of the staff of the Public Service
Commission shall be exempted from the salary schedules or pay
plan adopted by the Civil Service Commission and identify such
staff members by job classification or designation, together with
the salary or salary ranges for each such job classification or
designation;

(6) The manner in which the commission will strengthen its
knowledge and independent capacity to analyze key conditions
and trends in the industries it regulates extending from general
industry analysis and supply-demand forecasting to continuing
and more thorough scrutiny of the capacity planning,
construction management, operating performance and financial
condition of the major companies within these industries.

Such plan shall be based on the concept that each of the divisions mentioned in subdivisions (1), (2) and (4) of this subsection shall exist independently of the others and the plan shall discourage ex parte communications between them by such 138 means as the commission shall direct, including, but not limited 139 to, separate clerical and professional staffing for each division. 140 Further, the Public Service Commission is directed to 141 incorporate within the said plan to the fullest extent possible the 142 recommendations presented to the subcommittee on the Public 143 Service Commission of the Joint Committee on Government and 144 Finance in a final report dated February, 1979, and entitled A 145 Plan for Regulatory Reform and Management Improvement.

146 The commission shall, before January 5, 1980, adopt said 147 plan by order, which order shall promulgate the same as a rule of the commission to be effective upon the date specified in said 148 149 order, which date shall be no later than December 31, 1980. 150 Certified copies of such order and rule shall be filed on the first day of the 1980 regular session of the Legislature, by the 151 152 chairman of the commission with the clerk of each house of the 153 Legislature, the Governor and the Secretary of State. The 154 chairman of the commission shall also file with the office of the 155 Secretary of State the receipt of the clerk of each house and of 156 the Governor, which receipt shall evidence compliance with this 157 section.

Upon the filing of a certified copy of such order and rule, the clerk of each house of the Legislature shall report the same to their respective houses and the presiding officer thereof shall refer the same to appropriate standing committee or committees.

162 Within the limits of funds appropriated therefor, the rule of 163 the Public Service Commission shall be effective upon the date 164 specified in the order of the commission promulgating it unless 165 an alternative plan be adopted by general law or unless the rule 166 is disapproved by a concurrent resolution of the Legislature 167 adopted prior to adjournment sine die of the regular session of 168 the Legislature to be held in the year 1980: Provided, That if 169 such rule is approved in part and disapproved in part by a 170 concurrent resolution of the Legislature adopted prior to such

adjournment, such rule shall be effective to the extent and onlyto the extent that the same is approved by such concurrentresolution.

The rules promulgated and made effective pursuant to thissection shall be effective notwithstanding any other provisionsof this code for the promulgation of rules or regulations.

(g) The Public Service Commission is hereby directed to
cooperate with the Joint Committee on Government and Finance
of the Legislature in its review, examination and study of the
administrative operations and enforcement record of the Railroad
Safety Division of the Public Service Commission and any
similar studies.

(h) (1) The Legislature hereby finds that rates for natural gas
charged to customers of all classes have risen dramatically in
recent years to the extent that such increases have adversely
affected all customer classes. The Legislature further finds that
it must take action necessary to mitigate the adverse
consequences of these dramatic rate increases.

189 (2) The Legislature further finds that the practices of natural 190 gas utilities in purchasing high-priced gas supplies, in purchasing 191 gas supplies from out-of-state sources when West Virginia 192 possesses abundant natural gas, and in securing supplies, directly 193 or indirectly, by contractual agreements including take-or-pay 194 provisions, indefinite price escalators or most-favored nation 195 clauses have contributed to the dramatic increase in natural gas prices. It is therefore the policy of the Legislature to discourage 196 such purchasing practices in order to protect all customer 197 198 classes.

(3) The Legislature further finds that it is in the best interests
of the citizens of West Virginia to encourage the transportation
of natural gas in intrastate commerce by interstate or intrastate

## Ch. 196] PUBLIC SERVICE COMMISSION 1975

pipelines or by local distribution companies in order to provide
 competition in the natural gas industry and in order to provide
 automatical sector sect

204 natural gas to consumers at the lowest possible price.

205 (i) The Legislature further finds that transactions between 206 utilities and affiliates are a contributing factor to the increase in 207 natural gas and electricity prices and tend to confuse 208 consideration of a proper rate of return calculation. The Legislature therefore finds that it is imperative that the Public 209 210 Service Commission have the opportunity to properly study the 211 issue of proper rate of return for lengthy periods of time and to limit the return of a utility to a proper level when compared to 212 213 return or profit that affiliates earn on transactions with sister 214 utilities.

215 (j) The Legislature further finds that water and sewer utilities 216 that are political subdivisions of the state providing separate or combined services and having at least four thousand five 217 218 hundred customers and annual gross revenues of \$3 million or 219 more are most fairly and effectively regulated by the local 220 governing body with respect to rates, borrowing and capital 221 projects. Therefore, notwithstanding any contrary provisions of 222 this section, the jurisdiction of the Public Service Commission 223 over water and sewer utilities that are political subdivisions of 224 the state is limited to that granted specifically in this code.

225 (k) The Legislature further finds that an adequate cash 226 working capital fund is essential to allow water and sewer 227 utilities that are political subdivisions of the state to deliver 228 continuous and compliant service. Therefore, these utilities shall 229 maintain a working capital reserve in an amount of no less than 230 one eighth of actual annual operation and maintenance expense. 231 This reserve shall be separate and distinct from and in addition 232 to any repair and replacement fund that may be required by bond 233 covenants.

#### §24-1-1b. Supplemental rule for reorganization.

1 The Public Service Commission shall, by general order, create a division within its staff which shall, upon written request 2 3 of the governing body of a political subdivision that operates a 4 water, sewer and/or stormwater utility, provide legal, 5 operational, engineering, financial, ratemaking and accounting advice and assistance to water, sewer and/or stormwater utilities 6 that are political subdivisions of the state and may perform or 7 participate in the studies required under section one-b, article 8 9 thirteen-a, chapter sixteen of this code.

## §24-1-2. Definitions.

Except where a different meaning clearly appears from the 1 2 context, the words "public utility", when used in this chapter, shall mean and include any person or persons, or association of 3 persons, however associated, whether incorporated or not, 4 including municipalities, engaged in any business, whether 5 herein enumerated or not, which is, or shall hereafter be held to 6 be, a public service. Whenever in this chapter the words 7 8 "commission" or "Public Service Commission" occur, such word or words shall, unless a different intent clearly appears from the 9 context, be taken to mean the Public Service Commission of 10 West Virginia. Whenever used in this chapter, "customer" shall 11 mean and include any person, firm, corporation, municipality, 12 public service district or any other entity who purchases a 13 product or services of any utility and shall include any such 14 person, firm, corporation, municipality, public service district or 15 any other entity who purchases such services or product for 16 17 resale. Whenever in this chapter the words "governing body" occur, such word or words shall, unless a different intent clearly 18 appears from the context, be taken to mean the municipal body 19 charged with the authority and responsibility of enacting 20 21 ordinances of the municipality, as defined in section two, article one, chapter eight of this code, or a public service board of a 22

23 public service district, as defined in section three, article24 thirteen-a, chapter sixteen of this code.

# ARTICLE 2. POWERS AND DUTIES OF PUBLIC SERVICE COMMISSION.

# \*§24-2-1. Jurisdiction of commission; waiver of jurisdiction.

1 (a) The jurisdiction of the commission shall extend to all 2 public utilities in this state and shall include any utility engaged

3 in any of the following public services:

189 (7) The limitations on the jurisdiction of the commission over, and on the applicability of the provisions of this chapter to, 190 the owner or operator of an electric generating facility as 191 192 imposed by and described in this subsection shall not be deemed to affect or limit the commission's jurisdiction over contracts or 193 194 arrangements between the owner or operator of such facility and 195 any affiliated public utility subject to the provisions of this 196 chapter.

#### §24-2-2. General power of commission to regulate public utilities.

1 (a) The commission is hereby given power to investigate all 2 rates, methods and practices of public utilities subject to the 3 provisions of this chapter; to require them to conform to the laws 4 of this state and to all rules, regulations and orders of the commission not contrary to law; and to require copies of all 5 reports, rates, classifications, schedules and timetables in effect 6 and used by the public utility or other person to be filed with the 7 commission, and all other information desired by the 8 commission relating to the investigation and requirements, 9 including inventories of all property in such form and detail as 10 the commission may prescribe. The commission may compel 11 12 obedience to its lawful orders by mandamus or injunction or 13 other proper proceedings in the name of the state in any circuit court having jurisdiction of the parties or of the subject matter, 14 15 or the Supreme Court of Appeals directly, and the proceedings shall have priority over all pending cases. The commission may 16 change any intrastate rate, charge or toll which is unjust or 17 unreasonable or any interstate charge with respect to matters of 18 a purely local nature which have not been regulated by or 19 20 pursuant to an act of Congress and may prescribe a rate, charge 21 or toll that is just and reasonable, and change or prohibit any 22 practice, device or method of service in order to prevent undue 23 discrimination or favoritism between persons and between 24 localities and between commodities for а like and 25 contemporaneous service. But in no case shall the rate, toll or

26 charge be more than the service is reasonably worth, considering 27 the cost of the service. Every order entered by the commission 28 shall continue in force until the expiration of the time, if any, 29 named by the commission in the order, or until revoked or modified by the commission, unless the order is suspended, 30 31 modified or revoked by order or decree of a court of competent 32 jurisdiction: Provided, That in the case of utilities used by 33 emergency shelter providers, the commission shall prescribe 34 such rates, charges or tolls that are the lowest available. 35 "Emergency shelter provider" means any nonprofit entity which provides temporary emergency housing and services to the 36 37 homeless or to victims of domestic violence or other abuse.

(b) Notwithstanding any other provision of this code to the contrary, rates are not discriminatory if, when considering the debt costs associated with a future water or sewer project which would not benefit existing customers, the commission establishes rates which ensure that the future customers to be served by the new project are solely responsible for the debt costs associated with the project.

(c) Notwithstanding any other provision of this code to the contrary, the jurisdiction of the commission over water and/or sewer utilities that are political subdivisions of the state providing a separate or combined services and having at least four thousand five hundred customers and annual combined gross revenues of \$3 million or more shall be limited to those powers enumerated in subsection (b), section one of this article.

And whenever the commission shall, after hearing, find any existing rates, tolls, tariffs, joint 14 rates or schedules enacted or maintained by a utility regulated 15 under the provisions of this section to be unjust, unreasonable, 16 17 insufficient or unjustly discriminatory or otherwise in violation of any of the provisions of this chapter, the commission shall by 18 19 an order fix reasonable rates, joint rates, tariffs, tolls or 20 schedules to be followed in the future in lieu of those found to be 21 unjust, unreasonable, insufficient or unjustly discriminatory or 22 otherwise in violation of any provisions of law, and the said commission, in fixing the rate of any railroad company, may fix 23 a fair, reasonable and just rate to be charged on any branch line 24 25 thereof, independent of the rate charged on the main line of such 26 railroad.

27 (b) In determining just and reasonable rates, the commission 28 may audit and investigate management practices and policies, or have performed an audit and investigation of such practices and 29 policies, in order to determine whether the utility is operating 30 with efficiency and is utilizing sound management practices. The 31 commission shall adopt rules and regulations setting forth the 32 scope, frequency and application of such audits and 33 34 investigations to the various utilities subject to its jurisdiction. 35 The commission may include the cost of conducting the management audit in the cost of service of the utility. 36

(c) In determining just and reasonable rates, the commission
shall investigate and review transactions between utilities and
affiliates. The commission shall limit the total return of the

- 40 utility to a level which, when considered with the level of profit
- 41 or return the affiliate earns on transactions with the utility, is just
- 42 and reasonable.

#### §24-2-4a. Procedure for changing rates after June 30, 1981.

1 (a) After June 30, 1981, no public utility subject to this 2 chapter, except for water and/or sewer utilities that are political subdivisions of the state providing separate or combined services 3 and having at least four thousand five hundred customers and 4 5 annual gross revenue of \$3 million or more from its separate or combined services, shall change, suspend or annul any rate, joint 6 rate, charge, rental or classification except after thirty days' 7 8 notice to the commission and the public, which notice shall plainly state the changes proposed to be made in the schedule 9 then in force and the time when the changed rates or charges 10 shall go into effect; but the commission may enter an order 11 suspending the proposed rate as hereinafter provided. The 12 13 proposed changes shall be shown by printing new schedules, or shall be plainly indicated upon the schedules in force at the time, 14 and kept open to public inspection: Provided, That the 15 16 commission may, in its discretion, and for good cause shown, 17 allow changes upon less time than the notice herein specified, or 18 may modify the requirements of this section in respect to publishing, posting and filing of tariffs, either by particular 19 20 instructions or by general order.

21 (b) Whenever there shall be filed with the commission any 22 schedule stating a change in the rates or charges, or joint rates or charges, or stating a new individual or joint rate or charge or 23 24 joint classification or any new individual or joint regulation or practice affecting any rate or charge, the commission may, either 25 26 upon complaint or upon its own initiative without complaint, enter upon a hearing concerning the propriety of such rate, 27 28 charge, classification, regulation or practice; and, if the commission so orders, it may proceed without answer or other 29

30 form of pleading by the interested parties, but upon reasonable 31 notice, and, pending such hearing and the decisions thereon, the 32 commission, upon filing with such schedule and delivering to the public utility affected thereby a statement in writing of its 33 reasons for such suspension, may suspend the operation of such 34 35 schedule and defer the use of such rate, charge, classification, 36 regulation or practice, but not for a longer period than two 37 hundred seventy days beyond the time when such rate, charge, 38 classification, regulation or practice would otherwise go into 39 effect; and after full hearing, whether completed before or after 40 the rate, charge, classification, regulation or practice goes into 41 effect, the commission may make such order in reference to such rate, charge, classification, regulation or practice as would be 42 proper in a proceeding initiated after the rate, charge, 43 classification, regulation or practice had become effective: 44 Provided, That in the case of a public utility having two 45 46 thousand five hundred customers or less and which is not a political subdivision and which is not principally owned by any 47 other public utility corporation or public utility holding 48 49 corporation, the commission may suspend the operation of such 50 schedule and defer the use of such rate, charge, classification, regulation or practice, but not for a longer period than one 51 hundred twenty days beyond the time when such rate, charge, 52 classification, regulation or practice would otherwise go into 53 54 effect; and in the case of a public utility having more than two thousand five hundred customers, but not more than five 55 56 thousand customers, and which is not a political subdivision and 57 which is not principally owned by any other public utility 58 corporation or public utility holding corporation, the commission 59 may suspend the operation of such schedule and defer the use of such rate, charge, classification, regulation or practice, but not 60 61 for a longer period than one hundred fifty days beyond the time when such rate, charge, classification, regulation or practice 62 would otherwise go into effect; and in the case of a public utility 63 64 having more than five thousand customers, but not more than

65 seven thousand five hundred customers, and which is not a political subdivision and which is not principally owned by any 66 other public utility corporation or public utility holding 67 corporation, the commission may suspend the operation of such 68 schedule and defer the use of such rate, charge, classification, 69 70 regulation or practice, but not for a longer period than one 71 hundred eighty days beyond the time when such rate, charge, 72 classification, regulation or practice would otherwise go into 73 effect; and after full hearing, whether completed before or after 74 the rate, charge, classification, regulation or practice goes into effect, the commission may make such order in reference to such 75 76 rate, charge, classification, regulation or practice as would be 77 proper in a proceeding initiated after the rate, charge, classification, regulation or practice had become effective: 78 79 Provided, however, That, in the case of rates established or 80 proposed that increase by less than twenty-five percent of the 81 gross revenue of the regulated public service district, there shall 82 be no suspension period in the case of rates established by a public service district pursuant to section nine, article thirteen-a, 83 84 chapter sixteen of this code and the proposed rates of public 85 service districts shall go into effect upon the date of filing with the commission, subject to refund modification at the conclusion 86 of the commission proceeding. In the case of rates established or 87 proposed that increase by more than twenty-five percent of the 88 89 gross revenue of the public service district, the district may apply for, and the commission may grant, a waiver of the 90 91 suspension period and allow rates to be effective upon the date 92 of filing with the commission. The public service district shall 93 provide notice by Class 1 legal advertisement in a newspaper of 94 general circulation in its service territory of the percentage increase in rates at least fourteen days prior to the effective date 95 96 of the increased rates. Any refund determined to be determined to be due and owing as a result of any difference between any 97 final rates approved by the commission and the rates placed into 98 99 effect subject to refund shall be refunded by the public service

district as a credit against each customer's account for a period 100 101 of up to six months after entry of the commission's final order. 102 Any remaining balance which is not fully credited by credit 103 within six months after entry of the commission's final order 104 shall be directly refunded to the customer by check: Provided 105 *further*, That if any such hearing and decision thereon is not 106 concluded within the periods of suspension, as above stated, 107 such rate, charge, classification, regulation or practice shall go 108 into effect at the end of such period not subject to refund: And 109 provided further, That if any such rate, charge, classification, regulation or practice goes into effect because of the failure of 110 111 the commission to reach a decision, the same shall not preclude 112 the commission from rendering a decision with respect thereto which would disapprove, reduce or modify any such proposed 113 rate, charge, classification, regulation or practice, in whole or in 114 115 part, but any such disapproval, reduction or modification shall 116 not be deemed to require a refund to the customers of such utility 117 as to any rate, charge, classification, regulation or practice so 118 disapproved, reduced or modified. The fact of any rate, charge, 119 classification, regulation or practice going into effect by reason 120 of the commission's failure to act thereon shall not affect the 121 commission's power and authority to subsequently act with 122 respect to any such application or change in any rate, charge, classification, regulation or practice. Any rate, charge, 123 124 classification, regulation or practice which shall be approved, disapproved, modified or changed, in whole or in part, by 125 126 decision of the commission shall remain in effect as so approved, 127 disapproved, modified or changed during the period or pendency 128 of any subsequent hearing thereon or appeal therefrom. Orders 129 of the commission affecting rates, charges, classifications, 130 regulations or practices which have gone into effect 131 automatically at the end of the of the suspension period are

132 prospective in effect.

(c) At any hearing involving a rate sought to be increased orinvolving the change of any rate, charge, classification,

135 regulation or practice, the burden of proof to show the justness 136 and reasonableness of the increased rate or proposed increased rate, or the proposed change of rate, charge, classification, 137 regulation or practice shall be upon the public utility making 138 application for such change. The commission shall, whenever 139 140 practicable and within budgetary constraints, conduct one or 141 more public hearings within the area served by the public utility 142 making application for such increase or change, for the purpose of obtaining comments and evidence on the matter from local 143 144 ratepayers.

145 (d) Each public utility subject to the provisions of this 146 section shall be required to establish, in a written report which shall be incorporated into each general rate case application, that 147 148 it has thoroughly investigated and considered the emerging and 149 state-of-the-art concepts in the utility management, rate design and conservation as reported by the commission under 150 151 subsection (c), section one, article one of this chapter as 152 alternatives to, or in mitigation of, any rate increase. The utility 153 report shall contain as to each concept considered the reasons for 154 adoption or rejection of each. When in any case pending before 155 the commission all evidence shall have been taken and the 156 hearing completed, the commission shall render a decision in 157 such case. The failure of the commission to render a decision 158 with respect to any such proposed change in any such rate, 159 charge, classification, regulation or practice within the various 160 time periods specified in this section after the application 161 therefor shall constitute neglect of duty on the part of the 162 commission and each member thereof.

(e) Where more than twenty members of the public are
affected by a proposed change in rates, it shall be a sufficient
notice to the public within the meaning of this section if such
notice is published as a Class II legal advertisement in
compliance with the provisions of article three, chapter fifty-nine
of this code and the publication area for such publication shall be

the community where the majority of the resident members ofthe public affected by such change reside or, in case ofnonresidents, have their principal place of business within thisstate.

173 (f) The commission may order rates into effect subject to 174 refund, plus interest in the discretion of the commission, in cases 175 in which the commission determines that a temporary or interim rate increase is necessary for the utility to avoid financial 176 distress, or in which the costs upon which these rates are based 177 178 are subject to modification by the commission or another regulatory commission and to refund to the public utility. In such 179 180 case the commission may require such public utility to enter into a bond in an amount deemed by the commission to be reasonable 181 182 and conditioned upon the refund to the persons or parties entitled thereto of the amount of the excess if such rates so put into effect 183 184 are subsequently determined to be higher than those finally fixed 185 for such utility.

186 (g) No utility regulated under the provisions of this section may make application for a general rate increase while another 187 188 general rate application is pending before the commission and 189 not finally acted upon, except pursuant to the provisions of subsection (f) of this section. The provisions of this subsection 190 191 shall not be construed so as to prohibit any such rate application 192 from being made while a previous application which has been finally acted upon by the commission is pending before or upon 193 appeal to the West Virginia Supreme Court of Appeals. 194

- 2 cooperatives and municipal water and/or sewer utilities that are
- 3 political subdivisions of the state with at least four thousand five

hundred customers and annual combined gross revenue of less 4 than \$3 million dollars, except for municipally operated 5 6 commercial solid waste facilities as defined in section two, 7 article fifteen, chapter twenty-two of this code, and the rates and charges for local exchange services provided by telephone 8 9 cooperatives are not subject to the rate approval provisions of section four or four-a of this article, but are subject to the limited 10 rate provisions of this section. 11

12 (b) All rates and charges set by electric cooperatives, natural 13 gas cooperatives and municipally operated public utilities that are political subdivisions of the state providing water, sewer, 14 electric and natural gas services and all rates and charges for 15 local exchange services set by telephone cooperatives shall be 16 just, reasonable, applied without unjust discrimination between 17 18 or preference for any customer or class of customer and based primarily on the costs of providing these services. All rates and 19 20 charges shall be based upon the measured or reasonably estimated cost of service and the equitable sharing of those costs 21 between customers based upon the cost of providing the service 22 received by the customer, including a reasonable plant-in-service 23 24 depreciation expense. The rates and charges shall be adopted by the electric, natural gas, telephone cooperative or political 25 subdivision's governing board or body and, in the case of the 26 27 municipally operated public utility, by municipal ordinance to be effective not sooner than forty-five days after adoption. The 45-28 day waiting period may be waived by public vote of the 29 governing body if that body finds and declares the public utility 30 that is a political subdivision of the state to be in financial 31 distress such that the 45-day waiting period would be detrimental 32 33 to the ability of the utility to deliver continued and compliant public services: Provided, That notice of intent to effect a rate 34 35 change shall be specified on the monthly billing statement of the 36 customers of the utility for the month next preceding the month in which the rate change is to become effective and the utility 37 38 governing body shall give its customers and, in the case of a 39 cooperative, its customers, members and stockholders, other 40 reasonable notices as will allow filing of timely objections to the 41 proposed rate change and full participation in municipal rate legislation through the provision of a public forum in which 42 43 customers may comment upon the proposed rate change prior to 44 an enactment vote. The rates and charges or ordinance shall be filed with the commission, together with any information 45 46 showing the basis of the rates and charges and other information 47 as the commission considers necessary. Any change in the rates 48 and charges with updated information shall be filed with the 49 commission. If a petition, as set out in subdivision (1), (2) or (3), subsection (c) of this section, is received and the electric 50 51 cooperative, natural gas cooperative or telephone cooperative or municipality has failed to file with the commission the rates and 52 charges with information showing the basis of rates and charges 53 54 and other information as the commission considers necessary, 55 the suspension period limitation of one hundred twenty days and 56 the one hundred-day period limitation for issuance of an order by 57 a hearing examiner, as contained in subsections (d) and (e) of 58 this section, is tolled until the necessary information is filed. The 59 electric cooperative, natural gas cooperative, telephone cooperative or municipality shall set the date when any new rate 60 61 or charge is to go into effect.

62 (c) The commission shall review and approve or modify the 63 rates and charges of electric cooperatives, natural gas 64 cooperatives, telephone cooperatives, or municipal electric or natural gas utilities and municipally owned water and/or sewer 65 66 utilities that are political subdivisions of the state and having less 67 than four thousand five hundred customers and \$3 million dollars of annual combined gross revenues upon the filing of a 68 petition within thirty days of the adoption of the ordinance or 69 70 resolution changing the rates or charges by:

(1) Any customer aggrieved by the changed rates or chargeswho presents to the commission a petition signed by not less

than twenty-five percent of the customers served by the municipally operated electric or natural gas public utility or municipally owned water and/or sewer utility having less than four thousand five hundred customers and \$3 million dollars annual combined gross revenues or twenty-five percent of the membership of the electric, natural gas or telephone cooperative residing within the state;

(2) Any customer who is served by a municipally owned
electric or natural gas public utility and who resides outside the

#### Ch. 196] PUBLIC SERVICE COMMISSION

106 (2) Upon sufficient showing of discrimination by customers 107 outside the municipal boundaries or a customer or a group of 108 customers within the municipal boundaries under a petition filed under subdivision (2) or (3), subsection (c) of this section, the 109 110 commission shall suspend the adoption of the rate change 111 contained in the ordinance for a period of one hundred twenty 112 days from the date the rates or charges would otherwise go into 113 effect or until an order is issued as provided herein. A municipal 114 rate ordinance enacted pursuant to the provisions of this section 115 and municipal charter or state code that establishes or proposes 116 a rate increase that results in an increase of less than twenty-five 117 percent of the gross revenue of the utility shall be presumed valid and rates shall be allowed to go into effect, subject to 118 119 refund, upon the date stated in that ordinance. In the case of rates established or proposed that increase by more than twenty-five 120 percent of the gross revenue of the municipally operated public 121 122 utility, the utility may apply for, and the commission may grant, 123 a waiver of the suspension period and allow rates to be effective 124 upon enactment.

(e) The commission shall forthwith appoint a hearing 125 126 examiner from its staff to review the grievances raised by the 127 petitioners. The hearing examiner shall conduct a public hearing 128 and shall, within one hundred days from the date the rates or 129 charges would otherwise go into effect, unless otherwise tolled 130 as provided in subsection (b) of this section, issue an order 131 approving, disapproving or modifying, in whole or in part, the 132 rates or charges imposed by the electric, natural gas or telephone 133 cooperative or by the municipally operated public utility 134 pursuant to this section.

(f) Upon receipt of a petition for review of the rates under the provisions of subsection (c) of this section, the commission may exercise the power granted to it under the provisions of section three of this article, consistent with the applicable rate provisions of section twenty, article ten, chapter eight of this

140 code, section four, article nineteen of said chapter and section
141 sixteen, article thirteen, chapter sixteen of this code. The
142 commission may determine the method by which the rates are
143 reviewed and may grant and conduct a de novo hearing on the
144 matter if the customer, electric, natural gas or telephone
145 cooperative or municipality requests a hearing.

146 (g) The commission may, upon petition by an electric, natural gas or telephone cooperative or municipal electric or 147 148 natural gas public utility or a municipally owned water and/or 149 sewer utility having less than four thousand five hundred 150 customers and \$3 million dollars annual combined gross revenues, allow an interim or emergency rate to take effect, 151 152 subject to refund or future modification, if it is determined that the interim or emergency rate is necessary to protect the 153 154 municipality from financial hardship attributable to the purchase 155 of the utility commodity sold, or the commission determines that 156 a temporary or interim rate increase is necessary for the utility to 157 avoid financial distress. In such cases, the commission shall 158 waive the 45-day waiting period provided for in subsection (b) 159 of this section and the one hundred twenty-day suspension 160 period provided for in subsection (d) of this section.

(h) The commission shall, upon written request of the
governing body of a political subdivision, provide technical
assistance to the governing body in its deliberations regarding a
proposed rate increase.

(i) Notwithstanding any other provision, the commission has
no authority or responsibility with regard to the regulation of
rates, income, services or contracts by municipally operated
public utilities for services which are transmitted and sold
outside of the State of West Virginia.

(j) Notwithstanding any other provision of this code to thecontrary, the jurisdiction of the commission over water and/or

- 172 sewer utilities that are political subdivisions of the state and
- 173 having at least four thousand five hundred customers and annual
- 174 gross combined revenues of \$3 million or more shall be limited
- 175 to those powers enumerated in subsection (b), section one of this
- 176 article.

# §24-2-7. Unreasonable, etc., regulations, practices and services; receivership; procedures respecting receivership; appointment and compensation of receiver; liquidation.

1 (a) Whenever, under the provisions of this chapter, the 2 commission shall find any regulations, measurements, practices, acts or service to be unjust, unreasonable, insufficient or unjustly 3 discriminatory, or otherwise in violation of any provisions of this 4 chapter, or shall find that any service is inadequate, or that any 5 service which is demanded cannot be reasonably obtained, the 6 commission shall determine and declare, and by order fix 7 reasonable measurement, regulations, acts, practices or services, 8 to be furnished, imposed, observed and followed in the state in 9 lieu of those found to be unjust, unreasonable, insufficient, or 10 11 unjustly discriminatory, inadequate or otherwise in violation of 12 this chapter, and shall make such other order respecting the same 13 as shall be just and reasonable.

If the court 22 23 determines that the petition is proper in all respects and finds, after a hearing thereon, that the allegations contained in the 24

25 petition are true, it shall grant the same and shall order that the utility be placed in receivership. The court, in its discretion and 26 27 in consideration of the recommendation of the commission, shall 28 appoint a receiver who shall be a responsible individual, 29 partnership or corporation knowledgeable in public utility affairs 30 and who shall maintain control and responsibility for the running and management of the affairs of the utility. In so doing, the 31 32 receiver shall operate the utility so as to preserve the assets of 33 the utility and to serve the best interests of its customers. The 34 receiver shall be compensated from the assets of said utility in an amount to be determined by the court. 35

(c) Control of and responsibility for said utility shall remain 36 in the receiver until the same can, in the best interest of the 37 38 customers, be returned to the owners, transferred to other owners or assumed by another utility or public service corporation: 39 40 *Provided*, That if the court after hearing, determines that control 41 of and responsibility for the affairs of the utility should not, in 42 the best interests of its customers, be returned to the legal owners 43 thereof, the receiver shall proceed to liquidate the assets of the utility in the manner provided by law. 44

(d) The laws generally applicable to receivership shallgovern receiverships created pursuant to this section.

# §24-2-11. Requirements for certificate of public convenience and necessity.

section is not required to obtain such certificate before applying
for or obtaining any franchise, license or permit from any
municipality or other governmental agency.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new section, designated §24-2-1k, to read as follows:

### ARTICLE 2. POWERS AND DUTIES OF THE PUBLIC SERVICE COMMISSION.

#### §24-2-1k. Natural gas infrastructure expansion, development, improvement and job creation; findings; expedited process; requirements; rulemaking.

1 (a) The Legislature hereby finds that:

2 (1) West Virginia is rich in energy resources, which provide
3 many advantages to the state, its economy and its citizens;

4 (2) West Virginia is experiencing significant growth in the
5 natural gas industry with the development of the Marcellus and
6 Utica shale;

7 (3) West Virginia's abundant natural gas reserves have
8 created, and will continue to create, many benefits to the state
9 and its citizens;

(4) Growth in the natural gas industry and its accompanying
benefits require West Virginia to be proactive and increase the
focus on the natural gas infrastructure in this state in order for
those benefits to flow to the state and its citizens, including those
citizens in areas unserved or underserved by natural gas utilities;

(5) A comprehensive program of replacing, upgrading and
expanding infrastructure by natural gas utilities at reasonable
cost to ratepayers will benefit the customers of the natural gas
utilities, the public in West Virginia and the economy of the
state, as a whole;

(6) A natural gas utility infrastructure program will create
jobs, provide for continued and enhanced safety and reliability
of aging natural gas infrastructure, provide for more economic
natural gas utility service, and provide natural gas utility service
to new customers in areas of the state that are unserved or
underserved; and

(7) Natural gas utility infrastructure programs involve the
investment of capital and the incurrence of associated
incremental costs. Accordingly, in order for the natural gas
utility undertaking those infrastructure programs to attract the
necessary capital, the natural gas utility should be permitted to
recover the incremental rate of return, related income taxes,
depreciation and property taxes associated with the infrastructure

infrastructure program approved by the commission without
waiting for a full base rate tariff filing as more fully described in
subsection (f) of this section.

37 (b) Natural gas utilities may file with the commission an 38 multi-year comprehensive application for a plan for infrastructure replacements, upgrades and extensions. Subject to 39 commission review and approval, a plan may be amended and 40 41 updated by the natural gas utility as circumstances warrant. The 42 recovery of costs in support of the plans shall be allowed in the 43 manner set forth in this section if the proposed plans have been 44 found to be prudent and useful.

45 (c) The application is in lieu of a proceeding pursuant to 46 section eleven of this article and shall contain the following:

47 (1) A description of the infrastructure program, in such detail
48 as the commission prescribes, and the projected annual amount
49 (in approximate line sizes and feet), general location, type, and
50 projected installation timing of the facilities that the applicant
51 proposes to replace, construct and/or improve;

52 (2) The projected net cost, on an annual basis, of the 53 replacement, construction or improvements;

107 (1) An allowance for return shall be calculated by applying 108 a rate of return to the average planned net incremental increase 109 to rate base attributable to the infrastructure program for the 110 coming year, considering the projected amount and timing of expenditures under the infrastructure program plus any 111 112 expenditures in previous years of the infrastructure program. The 113 rate of return shall be determined by utilizing the rate of return 114 on equity authorized by the commission in the natural gas 115 utility's most recent rate case proceeding or in the case of a 116 settled rate case, a rate of return on equity as determined by the 117 commission, and the projected cost of the natural gas utility's 118 debt during the period of the infrastructure program to determine 119 the weighted cost of capital based upon the natural gas utility's 120 capital structure.

(2) Income taxes applicable to the return allowed on theinfrastructure program shall be calculated for inclusion in rates.

(3) Incremental depreciation and property tax expensesdirectly attributable to the infrastructure program shall beestimated for the upcoming year.

In each year subsequent to the order approving the infrastructure program and 135 136 an incremental cost recovery increment, the natural gas utility 137 shall file a petition with the commission setting forth a new 138 proposed incremental cost recovery increment based on 139 investments to be made in the subsequent year, plus any 140 under-recovery or minus any over-recovery of actual incremental costs attributable to the infrastructure program investments, for 141 142 the preceding year.

(g) The natural gas utility may make any accounting accruals
necessary to establish a regulatory asset or liability through
which actual incremental costs incurred and costs recovered
through the rate mechanism are tracked.

147 (h) Natural gas utilities may defer incremental operation and maintenance expenditures attributable to regulatory and 148 149 compliance-related requirements introduced after the natural gas utility's last rate case proceeding and not included in the natural 150 gas utility's current base rates. In a future rate case, the 151 152 commission may allow recovery of the deferred costs amortized 153 over a reasonable period of time to be determined by the 154 commission provided the commission finds that the costs were 155 reasonable and prudently incurred and were not reflected in rates 156 in prior rate cases.

16 classroom teacher in the same classroom continuously for more 17 than one half of a grading period and whose assignment remains 18 in effect two weeks prior to the end of the grading period, shall remain in the assignment until the grading period has ended, 19 unless the principal of the school certifies that the regularly 20 21 employed teacher has communicated with and assisted the 22 substitute with the preparation of lesson plans and monitoring 23 student progress or has been approved to return to work by his or her physician. For the purposes of this section, teacher and 24 25 substitute teacher, in the singular or plural, mean professional educator as defined in section one, article one of this chapter. 26

27 (c) (1) The Legislature hereby finds and declares that due to a shortage of qualified substitute teachers, a compelling state 28 29 interest exists in expanding the use of retired teachers to provide service as substitute teachers in areas of critical need and 30 31 shortage. The Legislature further finds that diverse 32 circumstances exist among the counties for the expanded use of retired teachers as substitutes. For the purposes of this 33 subsection, "area of critical need and shortage for substitute 34 teachers" means an area of certification and training in which the 35 36 number of available substitute teachers in the county who hold 37 certification and training in that area and who are not retired is 38 insufficient to meet the projected need for substitute teachers.

48 substitute teachers;

(B) The policy sets forth the areas of critical need and
shortage for substitute teachers in the county in accordance with
the definition of area of critical need and shortage for substitute
teachers set forth in subdivision (1) of this subsection;

(C) The policy provides for the employment of retired

for substitute teachers as provided in this subsection;

57 (D) The policy provides that a retired teacher may be 58 employed as a substitute teacher in an area of critical need and 59 shortage for substitute teachers on an expanded basis as provided 60 in this subsection only when no other teacher who holds 61 certification and training in the area and who is not retired is 62 available and accepts the substitute assignment;

(E) The policy is effective for one school year only and issubject to annual renewal by the county board;

(F) The state board approves the policy and the use of retired

person gave notice to the county board of the person's intent to
retire, and the effective date of the person's retirement. Upon
verification of compliance with this section and the eligibility of
the critical needs substitute teacher for employment beyond the
post-retirement limit, the state board shall submit the affidavit to
the Consolidated Public Retirement Board.

(3) Any person who retires and begins work as a critical
needs substitute teacher within the same employment term shall
lose those retirement benefits attributed to the annuity reserve,
effective from the first day of employment as a retiree substitute
in that employment term and ending with the month following
the date the retiree ceases to perform service as a substitute.

(4) Retired teachers employed to perform expanded
substitute service pursuant to this subsection are considered dayto-day, temporary, part-time employees. The substitutes are not
eligible for additional pension or other benefits paid to regularly
employed employees and may not accrue seniority.

98 (5) A retired teacher is eligible to be employed as a critical
99 needs substitute to fill a vacant position only if the retired
100 teacher's retirement became effective at least twenty days before
101 the beginning of the employment term during which he or she is
102 employed as a substitute;

(6) When a retired teacher is employed as a critical needs
substitute to fill a vacant position, the county board shall
continue to post the vacant position until it is filled with a
regularly employed teacher who is fully certified or permitted
for the position.

(7) When a retired teacher is employed as a critical needs
substitute to fill a vacant position, the position vacancy shall be
posted electronically and easily accessible to prospective
employees as determined by the state board;

Additionally, a copy shall be provided 115 116 to the Legislative Oversight Commission on Education 117 Accountability. (9) The provisions of this subsection shall expire on June 30,2017.

(d) (1) Notwithstanding any other provision of this code to
the contrary, each year a county superintendent may employ
prospective employable professional personnel on a reserve list
at the county level subject to the following conditions:

(A) The county board adopts a policy to address areas of
critical need and shortage as identified by the state board. The

  the order may be enforced and satisfied in the same manner.

22 (c) A tribunal of this state may not modify any aspect of a 23 child support order that may not be modified under the law of 24 the issuing state, including the duration of the obligation of 25 support. If two or more tribunals have issued child support 26 orders for the same obligor and same child, the order that 27 controls must be so recognized under section 16-207 [§48-16-207] establishes the aspects of the support order which are 28 29 nonmodifiable.

(d) In a proceeding to modify a child support order, the law
of the state that is determined to have issued the initial
controlling order governs the duration of the obligation of
support. The obligor's fulfillment of the duty of support
established by that order precludes imposition of a further
obligation of support by a tribunal of this state.

(e) On the issuance of an order by a tribunal of this state
modifying a child support order issued in another state, the
tribunal of this state becomes the tribunal having continuing,
exclusive jurisdiction.

40 (f) Notwithstanding subsections (a) through (e) of this
41 section and section 201 (b), a tribunal of this state retains
42 jurisdiction to modify an order issued by a tribunal of this state
43 if:

44 (1) One party resides in another state; and

45 (2) The other party resides outside the United States.

# §48-16-613. Jurisdiction to modify child support order of another state when individual parties reside in this state.

- 1 (a) If all of the parties who are individuals reside in this state
- 2 and the child does not reside in the issuing state, a tribunal of
- 3 this state has jurisdiction to enforce and to modify the issuing
- 4 state's child support order in a proceeding to register that order.

- 5 (b) A tribunal of this state exercising jurisdiction under this
- 6 section shall apply the provisions of parts I [§48-16-101 et seq.]
- 7 and II [§48-16-201 et seq.], and the procedural and substantive
- 8 law of this state to the proceeding for enforcement or
- 9 modification. Parts III, IV, V, VII and VIII [§§48-16-301 et seq.
- 10 through §§48-16-501 et seq. and §§48-16-701 et seq. and §§48-
- 11 16-801 et seq.] do not apply.

# §48-16-614. Notice to issuing tribunal of modification.

- 1 Within thirty days after issuance of a modified child support order, the party obtaining the modification shall file a certified 2 3 copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order and in each tribunal 4 5 in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is 6 7 subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the 8 validity or enforceability of the modified order of the new 9
- 10 tribunal having continuing, exclusive jurisdiction.

# §48-16-615. Jurisdiction to modify child support order of foreign country.

- 1 (a) Except as otherwise provided in section 711 [§48-16-711], if a foreign country lacks or refuses to exercise jurisdiction 2 3 to modify its child support order pursuant to its laws, a tribunal 4 of this state may assume jurisdiction to modify the child support order and bind all individuals subject to the personal jurisdiction 5 of the tribunal whether the consent to modification of a child 6 support order otherwise required of the individual pursuant to 7 section 611 [§48-16-611] has been given or whether the 8 9 individual seeking modification is a resident of this state or of the foreign country. 10
- (b) An order issued by a tribunal of this state modifying aforeign child support order pursuant to this section is thecontrolling order.

# §48-16-616. Procedure to register child support order of foreign country for modification.

- 1 A party or support enforcement agency seeking to modify,
- 2 or to modify and enforce, a foreign child support order not under
- 3 the convention may register that order in this state under sections
- 4 601 through 608 [§§48-16-601 through §48-16-608] if the order
- 5 has not been registered. A petition for modification may be filed
- 6 at the same time as a request for registration or at another time.

 requirements:

5 (1) He or she holds a Class Q permit;

6 (2) He or she has a permanent and substantial loss of 7 function in one or both hands while failing to meet the minimum 8 standards of the upper extremity pinch, grip and nine-hole peg 9 tests administered under the direction of a licensed physician; or

**CHAPTER 243** 

# (Com. Sub. for H. B. 2011 - By Delegate(s) Hanshaw, Shott, E. Nelson, Rohrbach, Sobonya, Weld, Espinosa, Statler and Miller)

[Passed March 14, 2015; in effect ninety days from passage.] [Approved by the Governor on March 31, 2015.]

AN ACT to amend and reenact §23-4-2 of the Code of West Virginia, 1931, as amended, relating generally to a workplace employee injury caused by the deliberate intention of the employer required for the employer to lose immunity from a lawsuit; defining actual

knowledge; eliminating obsolete language referring to the West Virginia Workers Compensation Fund and board of managers; establishing standards related to blood tests administered after accident; providing that intoxication shown by a positive blood test for alcohol or drugs that meet certain thresholds is the proximate cause of any injury; clarifying provisions outlining who may assert claims on behalf of an employee under this section; requiring that a claim for worker's compensation benefits be filed prior to bringing a cause of action under this section unless good cause is shown; providing that actual knowledge must be specifically proven by the employee or other person seeking to recover under this section and shall not be deemed or presumed; providing an employee may prove actual knowledge by evidence of an employer's intentional or deliberate failure to conduct a legally required inspection, audit or assessment; establishing actual knowledge is not established by what an employee's immediate supervisor or management personnel should have known had they exercised reasonable care or been more diligent; establishing that proof of actual knowledge of prior accidents, near misses, safety complaints or citations must be proven by documentary or other credible evidence; defining a commonly accepted and well-known safety standard within the industry or business of the employer; exempting certain codes or standards from applying to volunteer fire departments, municipal fire departments and emergency medical response personnel if those entities have followed rules promulgated by the Fire Commission; requiring that if the unsafe working condition relates to a violation of a state or federal safety provision that safety provision must address the specific work, working conditions and hazards involved; establishing that the applicability of state or federal safety provisions is a matter for judicial determination; defining generally serious compensable injury; establishing four categories of serious compensable injury including an injury rated at a whole person impairment of at least thirteen percent (13%) and other threshold requirements, an injury or condition likely to result in death within eighteen (18) months from the date of the filing of the complaint, an injury not capable

of whole person impairment if it causes permanent serious disfigurement, causes permanent loss or significant impairment of function of any bodily organ or system, or results in objectively verifiable bilateral or multi-level dermatomal radiculopathy and is not a physical injury that has no objective medical evidence to support a diagnosis, or if an employee suffers from complicated pneumoconiosis or pulmonary massive fibrosis and that condition has resulted in an impairment rating of at least fifteen percent (15%); establishing certification requirements for the categories of serious compensable injury; requiring that a verified statement submitted from a person with knowledge and expertise of the workplace safety, statutes, rules, regulations and consensus industry standards specifically applicable to the industry and workplace involved in an injury be served with any complaint asserting certain causes of action brought under this section; providing for the minimum contents of the required verified statement; limiting the use of the required verified statement during litigation; providing for consideration of bifurcation of discovery in certain circumstances; establishing the venue in which claims under this section may be brought; providing that actions accruing prior to the effective date are not affected; and establishing the effective date of July 1, 2015, for the amendments to this section.

Be it enacted by the Legislature of West Virginia:

That §23-4-2 of the Code of West Virginia, 1931, as amended, be amended and reenacted to read as follows:

# ARTICLE 4. DISABILITY AND DEATH BENEFITS.

- §23-4-2. Disbursement where injury is self-inflicted or intentionally caused by employer; legislative declarations and findings; "deliberate intention" defined.
  - 1 (a) Notwithstanding anything contained in this chapter, no
  - 2 employee or dependent of any employee is entitled to receive

### WORKERS' COMPENSATION

3 any sum under the provisions of this chapter on account of any personal injury to or death to any employee caused by a self-4 inflicted injury or the intoxication of the employee. Upon the 5 occurrence of an injury which the employee asserts, or which 6 reasonably appears to have, occurred in the course of and 7 8 resulting from the employee's employment, the employer may require the employee to undergo a blood test for the purpose of 9 determining the existence or nonexistence of evidence of 10 intoxication: Provided, That the employer must have a 11 12 reasonable and good faith objective suspicion of the employee's intoxication and may only test for the purpose of determining 13 14 whether the person is intoxicated. If any blood test for intoxication is given following an accident, at the request of the 15 employer or otherwise, and if any of the following are true, the 16 employee is deemed intoxicated and the intoxication is the 17 18 proximate cause of the injury:

(1) If a blood test is administered within two hours of the
accident and evidence that there was, at that time, more than five
hundredths of one percent, by weight, of alcohol in the
employee's blood; or

(2) If there was, at the time of the blood test, evidence of
either on or off the job use of a nonprescribed controlled
substance as defined in the West Virginia Uniform Controlled
Substances Act, West Virginia Code §60A-2-201, *et seq.*,
Schedules I, II, III, IV and V.

(b) For the purpose of this chapter, the commission may
cooperate with the Office of Miners' Health, Safety and Training
and the State Division of Labor in promoting general safety
programs and in formulating rules to govern hazardous
employments.

(c) If injury results to any employee from the deliberateintention of his or her employer to produce the injury or death,

35 the employee, or, if the employee has been found to be 36 incompetent, his or her conservator or guardian, may recover under this chapter and bring a cause of action against the 37 38 employer, as if this chapter had not been enacted, for any excess of damages over the amount received or receivable in a claim for 39 40 benefits under this chapter. If death results to any employee from 41 the deliberate intention of his or her employer to produce the 42 injury or death, the representative of the estate may recover 43 under this chapter and bring a cause of action, pursuant to section six, article seven of chapter fifty-five of this code, 44 against the employer, as if this chapter had not been enacted, for 45 46 any excess of damages over the amount received or receivable in a claim for benefits under this chapter. To recover under this 47 section, the employee, the employee's representative or 48 49 dependent, as defined under this chapter, must, unless good cause is shown, have filed a claim for benefits under this chapter. 50

51 (d)(1) It is declared that enactment of this chapter and the 52 establishment of the workers' compensation system in this 53 chapter was and is intended to remove from the common law tort 54 system all disputes between or among employers and employees 55 regarding the compensation to be received for injury or death to an employee except as expressly provided in this chapter and to 56 establish a system which compensates even though the injury or 57 58 death of an employee may be caused by his or her own fault or 59 the fault of a co-employee; that the immunity established in sections six and six-a, article two of this chapter is an essential 60 aspect of this workers' compensation system; that the intent of 61 the Legislature in providing immunity from common lawsuit 62 was and is to protect those immunized from litigation outside the 63 64 workers' compensation system except as expressly provided in 65 this chapter; that, in enacting the immunity provisions of this 66 chapter, the Legislature intended to create a legislative standard 67 for loss of that immunity of more narrow application and 68 containing more specific mandatory elements than the common 69 law tort system concept and standard of willful, wanton and

- 70 reckless misconduct; and that it was and is the legislative intent
- 71 to promote prompt judicial resolution of the question of whether
- 72 a suit prosecuted under the asserted authority of this section is or
- 73 is not prohibited by the immunity granted under this chapter.

(2) The immunity from suit provided under this section and
under sections six and six-a, article two of this chapter may be
lost only if the employer or person against whom liability is
asserted acted with "deliberate intention". This requirement may
be satisfied only if:

79 (A) It is proved that the employer or person against whom 80 liability is asserted acted with a consciously, subjectively and deliberately formed intention to produce the specific result of 81 82 injury or death to an employee. This standard requires a showing 83 of an actual, specific intent and may not be satisfied by 84 allegation or proof of: (i) Conduct which produces a result that was not specifically intended; (ii) conduct which constitutes 85 negligence, no matter how gross or aggravated; or (iii) willful, 86 wanton or reckless misconduct; or 87

(B) The trier of fact determines, either through specific
findings of fact made by the court in a trial without a jury, or
through special interrogatories to the jury in a jury trial, that all
of the following facts are proven:

92 (i) That a specific unsafe working condition existed in the
93 workplace which presented a high degree of risk and a strong
94 probability of serious injury or death;

(ii) That the employer, prior to the injury, had actual
knowledge of the existence of the specific unsafe working
condition and of the high degree of risk and the strong
probability of serious injury or death presented by the specific
unsafe working condition.

(I) In every case actual knowledge must specifically beproven by the employee or other person(s) seeking to recover

under this section, and shall not be deemed or presumed: *Provided*, That actual knowledge may be shown by evidence of
intentional and deliberate failure to conduct an inspection, audit
or assessment required by state or federal statute or regulation
and such inspection, audit or assessment is specifically intended
to identify each alleged specific unsafe working condition.

(II) Actual knowledge is not established by proof of what an
employee's immediate supervisor or management personnel
should have known had they exercised reasonable care or been
more diligent.

(III) Any proof of the immediate supervisor or management
personnel's knowledge of prior accidents, near misses, safety
complaints or citations from regulatory agencies must be proven
by documentary or other credible evidence.

(iii) That the specific unsafe working condition was a
violation of a state or federal safety statute, rule or regulation,
whether cited or not, or of a commonly accepted and well-known
safety standard within the industry or business of the employer.

120 (I) If the specific unsafe working condition relates to a 121 violation of a commonly accepted and well-known safety standard within the industry or business of the employer, that 122 123 safety standard must be a consensus written rule or standard 124 promulgated by the industry or business of the employer, such 125 as an organization comprised of industry members: Provided, 126 That the National Fire Protection Association Codes and 127 Standards or any other industry standards for Volunteer Fire 128 Departments shall not be cited as an industry standard for 129 Volunteer Fire Departments, Municipal Fire Departments and 130 Emergency Medical Response Personnel as an unsafe working 131 condition as long as the Volunteer Fire Departments, Municipal 132 Fire Departments and the Emergency Medical Response 133 Personnel have followed the Rules that have been promulgated 134 by the Fire Commission.

2472	WORKERS' COMPENSATION	[Ch. 243
------	-----------------------	----------

(II) If the specific unsafe working condition relates to aviolation of a state or federal safety statute, rule or regulationthat statute, rule or regulation:

(*a*) Must be specifically applicable to the work and working
condition involved as contrasted with a statute, rule, regulation
or standard generally requiring safe workplaces, equipment or

141 working conditions;

(*b*) Must be intended to address the specific hazard(s)presented by the alleged specific unsafe working condition; and

(c) The applicability of any such state or federal safetystatute, rule or regulation is a matter of law for judicialdetermination.

(iv) That notwithstanding the existence of the facts set forth
in subparagraphs (i) through (iii), inclusive, of this paragraph,
the person or persons alleged to have actual knowledge under
subparagraph (ii) nevertheless intentionally thereafter exposed
an employee to the specific unsafe working condition; and

(v) That the employee exposed suffered serious compensable
injury or compensable death as defined in section one, article
four, chapter twenty-three as a direct and proximate result of the
specific unsafe working condition. For the purposes of this
section, serious compensable injury may only be established by
one of the following four methods:

(I) It is shown that the injury, independent of any preexistingimpairment:

(*a*) Results in a permanent physical or combination of
physical and psychological injury rated at a total whole person
impairment level of at least thirteen percent (13%) as a final
award in the employees workers' compensation claim; and

# Ch. 243] WORKERS' COMPENSATION 2473

(*b*) Is a personal injury which causes permanent serious
disfigurement, causes permanent loss or significant impairment
of function of any bodily organ or system, or results in
objectively verifiable bilateral or multi-level dermatomal
radiculopathy; and is not a physical injury that has no objective
medical evidence to support a diagnosis; or

170 (II) Written certification by a licensed physician that the employee is suffering from an injury or condition that is caused 171 by the alleged unsafe working condition and is likely to result in 172 173 death within eighteen (18) months or less from the date of the filing of the complaint. The certifying physician must be 174 175 engaged or qualified in a medical field in which the employee 176 has been treated, or have training and/or experience in 177 diagnosing or treating injuries or conditions similar to those of 178 the employee and must disclose all evidence upon which the 179 written certification is based, including, but not limited to, all 180 radiographic, pathologic or other diagnostic test results that were 181 reviewed.

(III) If the employee suffers from an injury for which no
impairment rating may be determined pursuant to the rule or
regulation then in effect which governs impairment evaluations
pursuant to this chapter, serious compensable injury may be
established if the injury meets the definition in subclause (I)(b).

187 (IV) If the employee suffers from an occupational 188 pneumoconiosis, the employee must submit written certification 189 by a board certified pulmonologist that the employee is suffering from complicated pneumoconiosis or pulmonary massive 190 191 fibrosis and that the occupational pneumoconiosis has resulted 192 in pulmonary impairment as measured by the standards or 193 methods utilized by the West Virginia Occupational Pneumoconiosis Board of at least fifteen percent (15%) as 194 195 confirmed by valid and reproducible ventilatory testing. The certifying pulmonologist must disclose all evidence upon which 196

the written certification is based, including, but not limited to, all
radiographic, pathologic or other diagnostic test results that were
reviewed: *Provided*, That any cause of action based upon this
clause must be filed within one year of the date the employee
meets the requirements of the same.

(C) In cases alleging liability under the provisions ofparagraph (B) of this subdivision:

(i) The employee, the employee's guardian or conservator,
or the representative of the employee's estate shall serve with the
complaint a verified statement from a person with knowledge
and expertise of the workplace safety statutes, rules, regulations
and consensus industry safety standards specifically applicable
to the industry and workplace involved in the employee's injury,
setting forth opinions and information on:

(I) The person's knowledge and expertise of the applicable
workplace safety statutes, rules, regulations and/or written
consensus industry safety standards;

(II) The specific unsafe working condition(s) that were thecause of the injury that is the basis of the complaint; and

216 (III) The specific statutes, rules, regulations or written 217 consensus industry safety standards violated by the employer 218 that are directly related to the specific unsafe working 219 conditions: Provided, however, That this verified statement shall 220 not be admissible at the trial of the action and the Court. 221 pursuant to the Rules of Evidence, common law and subclause 222 two-c, subparagraph (iii), paragraph (B), subdivision (2), 223 subsection (d), section two, article four, chapter twenty-three of 224 this code, retains responsibility to determine and interpret the 225 applicable law and admissibility of expert opinions.

(ii) No punitive or exemplary damages shall be awarded tothe employee or other plaintiff;

# Ch. 243] WORKERS' COMPENSATION

228 (iii) Notwithstanding any other provision of law or rule to 229 the contrary, and consistent with the legislative findings of intent 230 to promote prompt judicial resolution of issues of immunity 231 from litigation under this chapter, the employer may request and 232 the court shall give due consideration to the bifurcation of 233 discovery in any action brought under the provisions of 234 subparagraphs (i) through (v), of paragraph (B) such that the 235 discovery related to liability issues be completed before 236 discovery related to damage issues. The court shall dismiss the 237 action upon motion for summary judgment if it finds pursuant to 238 rule 56 of the rules of civil procedure that one or more of the 239 facts required to be proved by the provisions of subparagraphs 240 (i) through (v), inclusive, paragraph (B) of this subdivision do 241 not exist, and the court shall dismiss the action upon a timely 242 motion for a directed verdict against the plaintiff if after 243 considering all the evidence and every inference legitimately and 244 reasonably raised thereby most favorably to the plaintiff, the 245 court determines that there is not sufficient evidence to find each and every one of the facts required to be proven by the 246 247 provisions of subparagraphs (i) through (v), inclusive, paragraph 248 (B) of this subdivision; and

(iv) The provisions of this paragraph and of each
subparagraph thereof are severable from the provisions of each
other subparagraph, subsection, section, article or chapter of this
code so that if any provision of a subparagraph of this paragraph
is held void, the remaining provisions of this act and this code
remain valid.

(e) Any cause of action brought pursuant to this section shall
be brought either in the circuit court of the county in which the
alleged injury occurred or the circuit court of the county of the
employer's principal place of business. With respect to causes of
action arising under this chapter, the venue provisions of this
section shall be exclusive of and shall supersede the venue
provisions of any other West Virginia statute or rule.

# 2476 WORKER'S COMPENSATION [Ch. 244

(f) The reenactment of this section in the regular session of
the Legislature during the year 2015 does not in any way affect
the right of any person to bring an action with respect to or upon
any cause of action which arose or accrued prior to the effective
date of the reenactment.

- 267 (g) The amendments to this section enacted during the 2015
- 268 session of the Legislature shall apply to all injuries occurring on
- 269 or after July 1, 2015.
