In case a less number than a quorum of the Senate shall convene, the members present are hereby authorized to send the Sergeant at Arms, or any other person or persons by them authorized, for any and all absent members as the majority of such members shall agree, at the expense of such absent members, respectively, unless such excuse for nonattendance shall be made as the Senate, when a quorum is convened, shall judge sufficient; and, in that case, the expense shall be paid out of the contingent fund of the Senate. This rule shall apply, as well to the first meeting of the Senate at the legal time of meeting, as to each day of the session, after the hour has arrived to which the Senate stood adjourned.

OFFICERS

3. The Senate, at the commencement of each new Legislature, shall elect as its officers a President, Clerk, Sergeant at Arms and Doorkeeper. If at any time the President is obligated to act as Governor pursuant to Article VII, Section 16 of the West Virginia Constitution, the Senate shall immediately elect one of its remaining members to serve as Acting President. The Acting President shall act and serve at all times when the duly elected President is acting as Governor and shall perform all of the duties of the office of Senate President without limitation, including any duties imposed by the West Virginia Constitution, any statute, the Senate Rules and any adopted Joint Rules of the Senate and House of Delegates, and he or she shall receive the compensation and expenses of the President of the Senate as provided in article two-a, chapter four of the Code of West Virginia. The Acting President shall not be in the line of succession to act as Governor under the provisions of Article VII, Section 16 of the West Virginia Constitution. The vote of a majority of all the members elected to the Senate shall be necessary for the election of these officers and the vote shall be by voice vote and be entered upon the Journal.

4. The President of the Senate or Acting President shall appoint a President *pro Tempore*, who, during the absence of the President or Acting President, if any, shall preside and perform all the duties of the President.

5. The President may call a member to the chair who shall perform the duties of the chair until the President returns to the chair, but no member by virtue of such appointment shall preside for a longer period than three consecutive legislative days.

6. The Clerk of the Senate shall not allow any records or papers to be taken from the table or out of his or her custody except by a chairperson of a committee to which they may have been referred and then only upon a proper receipt therefor and except as required by these rules or by the Joint Rules of the Senate and House of Delegates.

ORDER OF BUSINESS AND PROCEDURE

7. The order of business of the Senate shall be:
1. To read, correct and approve the Journal.
 2. Introduction of guests.
 3. To dispose of communications from the House of Delegates and the Executive.
 4. To receive reports from standing committees.
 5. To receive reports from select committees.
 6. To receive bills, resolutions, motions and petitions.
 7. To act upon unfinished business of the preceding day and resolutions lying over from the previous day, and no resolution shall lose its place on the calendar by not being acted upon on the day following that on which it was offered.
 8. Senate and House bills on third reading.
 9. Senate and House bills on second reading.
 10. Senate and House bills on first reading.
 11. Introduction of guests.
 12. Remarks by members of the Senate.
 13. Miscellaneous business.

8. Every member desiring to speak shall stand in his or her own place, address the President and, upon being recognized, shall proceed, confining oneself to the question under debate, avoiding all indecorous or disrespectful language. The President may recognize the member by name; but no member in debate or remarks shall designate another by name.

9. If the question in debate contains several points, any member may have the same divided. On motion to strike out and insert, it shall not be in order to move for a division of the question.

10. The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition and shall not prevent a subsequent motion to simply strike out. The rejection of a motion simply to strike out shall not prevent a subsequent motion to strike out and insert.

11. No question shall be debated until it has been propounded by the President. The President, after calling a member to assume the chair, the mover of the question, the chairperson of the committee that reported the matter or the sponsor of the bill or resolution, in that order of preference, shall have the right to explain his or her views in preference to any other member.

12. No member shall speak more than twice upon the same question without leave of the Senate or more than once until every member choosing to speak shall have spoken, except that the mover of the question shall have the right to close the debate thereon.

13. While the President is putting the question, any member who has not spoken before to the matter may speak to the question before the negative is put.

BILLS AND RESOLUTIONS

14. No Senate bill, other than a Senate supplementary appropriation bill, and no Senate joint resolution shall be introduced in the Senate after the forty-first day of a regular session unless

permission to introduce the bill or the joint resolution be given by a Senate resolution, setting out the title to the bill or the joint resolution and adopted by a two-thirds vote of the Senate members present. When permission is requested to introduce a bill or joint resolution under the provisions of this rule, duplicate copies of the bill or the joint resolution shall accompany the resolution when introduced and all such bills or joint resolutions shall be filed electronically with the Clerk's office.

A standing committee of the Senate may originate a bill or resolution and report the same after the forty-first day.

The forty-first day of the regular session held in the year one thousand nine hundred seventy-seven and every fourth year thereafter shall be computed from and include the second Wednesday of February of such years.

15. Each bill or resolution for introduction shall be presented in duplicate and electronically, bearing the name of the member or members by whom it is to be introduced, and shall be filed with the Clerk not later than twelve o'clock meridian on the legislative day next preceding its introduction: *Provided*, That the pre-filing requirement shall not apply to the first day of any session of the Legislature. A bill may be introduced by request. All bills introduced by request shall bear the words "by request", following the designation of the name or names of the bill sponsor or sponsors.

The Clerk shall designate one copy of a bill or resolution the official copy and it shall constitute the official bill or resolution for use of committees and for the permanent files of the Senate. One copy shall be used for printing.

Each bill or resolution shall be numbered, edited and corrected as to form by the Clerk and reported by the Clerk to the Senate on the next legislative day, under the sixth order of business. In case of urgency, on motion for leave agreed to by a majority of the members present, a member may introduce a bill or resolution from the floor.

15a. Prior to final consideration, by any committee in the Senate, of any bill which either increases or decreases the revenue or fiscal liability of the State or any county, municipality or other subdivision of the State or in any manner changes or modifies any existing tax or rate of taxation, such bill shall have attached thereto a fiscal note, if available, which "Fiscal Note" shall conform to the requirements as to form and content prescribed by the "Fiscal Note Manual", prepared and adopted by the Committee on Rules to govern preparation of fiscal notes to bills introduced in the Senate.

It shall be the responsibility of the legislator introducing a bill to obtain such note when required. Such note shall be attached to the bill when filed for introduction, if at all possible, and shall accompany any bill requiring such note when the same is reported from committee.

The jackets of all measures with fiscal notes attached or requiring such notes shall have the words "Fiscal Note" or the initials "FN" clearly stamped or endorsed thereon.

16. All concurrent and simple resolutions when introduced shall lie on the table at least one day, and then be referred to the appropriate committee unless the Senate directs otherwise by a vote of a majority of the members present.

It is hereby declared to be the policy of the Senate that concurrent resolutions be limited to the general purposes of expressing the sentiments of the Legislature, for authorizing expenditures incidental to the sessions and business of the Legislature, for agreeing upon adjournments beyond the constitutional limitation, for creating special joint committees, for raising a joint assembly and other inferior and incidental purposes of legislation, and such other purposes as the Legislature may deem proper. The adoption of such resolutions must be concurred in by both houses.

Concurrent resolutions shall be restricted to expressions of sentiments and actions having a bearing upon matters incident to legislative business and the functioning of the legislative process insofar as possible.

Concurrent resolutions shall not embrace congratulatory expressions to individuals, organizations, associations or other entities having no relation to the Legislature or public affairs generally, athletic events, scholastic contests, or any other matter not related to the scope and areas of legislative business: *Provided*, That this rule shall not bar the introduction of resolutions memorializing deceased members of the Legislature and public officials or commending or congratulating public officials on actions in connection with governmental affairs.

Before any concurrent resolution is introduced, it shall be submitted to the Clerk for determination of compliance with this rule. If the Clerk determines that it is in compliance with this rule, the concurrent resolution shall be introduced. If the Clerk determines that it is not in compliance with this rule, or if the Clerk is in doubt about its compliance, the Clerk shall submit it to the Committee on Rules for this determination, and then the concurrent resolution shall be introduced only if the Committee determines that it is in compliance with this rule.

17. Unless otherwise directed by the Committee on Rules all bills, resolutions or business originating in the Senate shall be considered at the appropriate order of business in the order in which they are introduced, and all bills and resolutions received from the House of Delegates shall be introduced in the order in which they are received and shall be considered at the appropriate order of business in their numerical order.

18. All bills and resolutions passed or adopted by and reported from the House of Delegates shall be read by their titles and referred to the appropriate committee unless the Senate directs otherwise by a vote of a majority of the members present. They shall then be proceeded with in the same manner as Senate bills or resolutions. All bills and joint resolutions introduced shall be read by their titles and referred to the appropriate committee without printing and shall be treated in committee as resolutions of inquiry. If the committee reports a bill or resolution different, either by amendment or substitution, from the one introduced, it shall be

received and treated by the Senate as the original bill or resolution. All Senate bills and joint resolutions reported by a committee shall be printed, with the proposed committee amendments printed on the foot thereof, and shall be then read a first time, unless in any of the aforesaid cases the Senate directs otherwise by a vote of a majority of the members present.

18a. Any bill, resolution or business which does not follow the procedures of Rule Nos. 17 and 18 shall remain in the possession of the Senate Committee on Rules.

19. All bills shall be read on three different days, unless in case of urgency, by a vote of four fifths of the members present, taken by yeas and nays, on each bill, this rule be dispensed with.

20. All engrossed bills shall be fully and distinctly read when put upon their passage.

21. On each reading of the bill the Clerk shall state whether it is the first, second or third reading of such bill, but no bill shall be put upon its second reading until the same shall have been printed and delivered to the members of the Senate at least one day previous to such reading, unless the Senate directs otherwise by a vote of a majority of the members present.

21a. Upon motion of any member, on any legislative day or the day preceding, the Senate may, by a vote of two thirds of those present, establish a period of time known as "Bill Reading Docket".

Such motion shall state each bill to be read, the time and order for such bill reading docket to commence and to conclude, and may provide for the adjournment or recess of the Senate for not more than one legislative day, during which reading of the docket no motion, except a motion to postpone the reading of the bills, by two-thirds vote of those elected, shall be heard. A quorum shall not be required during the reading of the docket. Any and all members requesting that a bill be read shall be present at all times in the Chamber during its reading.

All bills read on the bill reading docket shall be considered as having been read fully and distinctly.

22. On the first reading of a bill, a motion to reject the bill shall be in order.

23. If a committee shall have reported adversely to a bill, the President immediately after the report of said committee is read shall put the question, "Shall the bill be rejected?" which question shall have precedence over all motions, except a motion to adjourn.

24. A bill shall be amended only on second reading. When a bill is being read for amendment, it shall be read section by section on the demand of any two members. When the amendments which may be moved shall be disposed of, the question shall be taken on ordering a Senate bill to be engrossed and ordered to third reading and on ordering a House bill to third reading. If a Senate bill should be ordered to its engrossment and third reading and amendments thereto have been made, the type from which the bill was originally printed shall be changed to conform to the amendments. The bill shall then be reprinted and shall be the engrossed bill. If no amendments are made, the bill as originally printed may be ordered to its third reading and shall become the engrossed bill. All Senate bills so ordered shall be jacketed, endorsed with their number, title, by whom introduced, and if the bill is finally passed, the date of its passage and the signature of the Clerk. If a Senate bill should be passed by the House and returned to the Senate without amendments, or if amended, and the amendments should be agreed to, the bill shall be enrolled by the Clerk and delivered to the Joint Committee on Enrolled Bills. In the case of a House bill on second reading if the same be amended, the amendment or amendments shall be noted in full in typewriting on slips of paper and attached to the bill at the proper place by the Clerk before the bill is returned to the House, and all amendments shall appear in the Senate Journal.

25. When a bill or joint resolution is put upon its passage or adoption, respectively, the President shall propound the question, "Shall the bill pass?" or "Shall the resolution be adopted?" On the

passage or adoption, respectively, of every bill or joint resolution, the vote shall be taken by yeas and nays. When the bill or joint resolution is on second reading and the question is upon striking out, the President shall propound the question, "Shall these words be stricken out?"

26. When a Senate bill or Senate joint resolution passed by the Senate shall be amended by the House of Delegates, the question on agreeing to the bill or joint resolution, as amended, shall be again voted on by yeas and nays in the Senate. In all such cases the affirmative vote of a majority of all the members elected to the Senate shall be necessary.

COMMITTEES

27. At the commencement of each Legislature, standing committees shall be appointed, each committee to consist of the number of members indicated in the parentheses following the naming of the committee. The following committees shall be named:

1. On Agriculture and Rural Development (11).
2. On Banking and Insurance (13).
3. On Confirmations (9).

16. On Pensions (7).
17. On Rules (11); (the presiding officer of the Senate is to be ex officio chairperson).
18. On Transportation and Infrastructure (9).

28. All standing committees shall be appointed by the President. The President shall designate the chairperson of each standing committee and may also designate a vice chairperson of any standing committee when the President may deem it advisable.

The chairperson of each standing committee of the Senate shall cause a record to be kept of every meeting of such committee, wherein shall be entered:

(a) The time and place of each committee meeting and every hearing had before the committee.

(b) The attendance of members of the committee at each meeting thereof.

(c) The name of any person appearing before the committee and the interest represented by him or her.

(d) The vote of each member of the committee when a yea and nay vote is taken.

Any member of such standing committee may cause a notation to be made upon the record aforesaid of the reason for his or her absence at any former meeting of the committee; and, in the absence of any such explanatory note, the presumption shall be that his or her absence was without reasonable cause.

The chairperson of each standing committee shall, upon request, make the record of any yea and nay vote taken, in open or executive session, available for public inspection no later than the next legislative day after the close of the standing committee meeting at which such yea and nay vote was taken.

The several standing committees shall have leave to report by bill, resolution, or otherwise, any proposed legislation originating therein, as well as to report back a committee substitute for a Senate bill or resolution, or otherwise. A committee substitute, with the consent of the original sponsor, shall carry the name of the original sponsor.

Reports of committees shall be advisory only. All committees shall submit their reports to the Senate in writing and the same shall be printed in the Journal.

On the adjournment of each session of the Legislature, the chairperson of the respective committees shall deliver to the Clerk of the Senate the record book herein provided for, and it shall be the duty of such Clerk to preserve the same among the archives of his or her office.

29. The President shall refer bills and resolutions introduced and such other matters as the President shall deem appropriate to a standing committee.

30. Select committees shall consist of not less than three nor more than five members, unless the Senate directs otherwise by a vote of a majority of the members present.

31. The Committee on Rules shall examine the oaths taken by each member and the evidence of their election and report to the Senate.

The Committee on Rules shall report in all cases of privileges and contested elections, the principles and reasons on which their resolutions are founded.

The Committee on Rules shall see that all papers belonging to the Clerk's Office are properly labeled and filed and that the books belonging to the office are chronologically arranged.

32. All meetings of Senate standing committees, other than executive sessions, shall be open to the public, and an executive session may be held only upon a majority vote of the members present.

33. When the Senate shall resolve itself into the Committee of the Whole, the President shall leave the chair and appoint a chairperson to preside in the committee.

The Committee of the Whole shall consider and report on such subjects as may be committed to it by the Senate. The rules of the Senate shall be observed in the Committee of the Whole, so far as they are applicable, except the rules limiting the number of times speaking, concerning the previous question and taking the yeas and nays. The proceedings in the Committee of the Whole shall not be recorded on the Journal of the Senate, except so far as reported to the Senate by the chairperson of the committee.

34. Any bill, resolution or business may, by a vote of the majority of the members present, be withdrawn from the committee to which it had been referred or be taken from the table, and placed upon the calendar of the Senate in such order of business as the Senate may direct: *Provided*, That those bills, resolutions or business referred to the Senate Committee on Rules under authority of Rule No. 17 may by a vote of two thirds of the members present be withdrawn from the Senate Committee on Rules.

DECORUM AND DEBATE

35. If a member be called to order for words spoken in debate, the person calling the member to order shall repeat the words excepted to, and they shall be taken down in writing at the Clerk's table; and no member shall be held to answer, or be subject to the censure of the Senate, for words spoken in debate if any other member has spoken or other business has intervened after the words spoken and before the exception to them was taken.

36. While the President is reporting or putting a question, no one shall entertain private discourse or walk into, out of or across the Senate Chamber.

37. No member or other person except the Clerk and the Clerk's assistants shall visit or remain by the Clerk's table while the yeas and nays are being taken.

38. During any debate, any Senator, though he or she has spoken to the matter, may arise and speak to the orders of the Senate, if they be transgressed, in case the President does not.

MOTIONS

39. When a question is pending, no motion shall be received except:

1. To adjourn.
2. To lay on the table.
3. For the previous question.
4. To postpone the question to a different day.
5. To commit.
6. To amend.
7. To postpone indefinitely.

These several motions shall have precedence in order in which they are arranged.

40. The following motions shall be decided without debate, and shall not be amended:

1. To adjourn.
2. To fix the time to which the Senate shall adjourn.
3. To lay on the table.
4. For the previous question.
5. To suspend the constitutional rule requiring bills to be read on three several days.
6. To recess.

41. There shall be a motion for the previous question, which being ordered by a majority of the members present, shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been asked and ordered. The previous question may be asked and ordered upon a single motion, a series of motions, or may be made to embrace all authorized motions or amendments and include the bill to its

engrossment and third reading and then, on renewal and second of said motion, to its passage or rejection. It shall be in order, pending a motion for, or after the previous question shall have been ordered on its passage, for the President to entertain and submit a motion to commit with or without instructions to a standing or select committee. A motion to lay upon the table pending a motion for the previous question shall be in order only when the previous question has been moved on the second or third reading of a bill.

A call of the Senate shall not be in order after the previous question is ordered, unless it shall appear upon an actual count by the President that a quorum is not present.

All incidental questions of order arising after a motion is made for the previous question, and pending such motion, shall be decided, whether on appeal or otherwise, without debate.

RECONSIDERATION OF VOTE

42. After any question has been decided in the affirmative or in the negative, it shall be in order for any member who voted with the prevailing side to move for a reconsideration of the vote thereon at any time on the same day or the next succeeding day of actual session. When the yeas and nays have not been recorded in the Journal, any member, irrespective of whether he or she voted with the prevailing side or not, may make the motion to reconsider. If the Senate refuse to reconsider, or upon reconsideration shall affirm its first decision, no further motion to reconsider shall be in order. No vote shall be reconsidered upon motions to adjourn, to lay on the table, to take from the table or for the previous question.

The motion to reconsider may be put and acted upon when made. If seconded, it shall take precedence of all other questions, except the consideration of a conference report and the motion to adjourn, and unless by motion postponed until some future date be acted upon at once. When a motion to reconsider is made and not acted upon at the time, it shall be placed upon the calendar, under

unfinished business, and be acted upon the next succeeding day of actual session. A motion to reconsider shall not be withdrawn without leave of the Senate.

No bill, resolution, message, report, amendment or motion, upon which a motion is pending to reconsider the vote thereon, shall be taken out of the possession of the Senate until final disposition of the motion to reconsider. No motion for reconsideration of the vote on any question, which has gone out of the possession of the Senate, shall be in order unless subsequently recalled by vote of the Senate and in possession of the Clerk.

When a motion to reconsider has been carried, its effect shall be to place before the Senate the original question in the exact position it occupied before it was voted upon.

VOTING

43. Every member within the Senate Chamber, when a question is put, shall vote unless he or she is immediately and particularly interested therein, meaning an interest that affects the member directly and not as one of a class, or the Senate excuses him or her. All motions to excuse a member from voting must be made by the member requesting to be excused before the Senate divides, or before the call of the yeas and nays is commenced, and it shall be decided without debate, except that the member making the motion to be excused from voting may briefly state the reason why it ought to be adopted.

44. The yeas and nays shall be taken on motions to dispense with the constitutional rule requiring a bill to be fully and distinctly read on three different days and on fixing the effective date of an act of the Legislature; on agreeing to a joint resolution proposing an amendment to the Constitution of the State; on the passage of a bill notwithstanding the objections of the Governor; on the passage of a supplementary appropriation bill; on the passage of a Senate bill or Senate joint resolution amended by

the House; on all questions where a specific vote is required by the Constitution, the Joint Rules of the Senate and House of Delegates, or by these rules; on the passage of a bill; and on quorum calls: *Provided*, That the yeas and nays shall be taken on demand of any member on any question unless another member objects. Upon any such objection the President shall inquire of the membership if the demand for the yeas and nays is sustained. If the demand is so sustained by one tenth of the members present, the yeas and nays shall be taken, and, if the demand is not sustained by one tenth of the members present, then the yeas and nays shall not be taken.

The result of all votes taken by yeas and nays shall be entered on the Journal. When the yeas and nays are inserted on the Journal, the result of the vote as to total yeas, nays and absentees shall be recorded, with the names of the Senators voting yea or nay, and those absent.

When the yeas and nays are ordered, or a call of the Senate is directed, the names of the members shall be called in alphabetical order; excepting, however, the name of the President, which shall be called last.

After completion of a roll call vote, no member shall speak to explain his or her vote. A member's vote explanation shall not be printed in the daily Journal. A member may have his or her vote explanation printed in the bound Journal provided the member obtains the floor and makes this request immediately following announcement of the results of the roll call vote and disposition of the matter and delivers his or her written vote explanation to the Clerk within three legislative days during the session or, if there are less than three legislative days remaining in the session, within seventy-two hours after adjournment *sine die*. The Clerk shall note on the daily Journal for the day of the roll call vote that the member has reserved the privilege of having his or her vote explanation printed later in the bound Journal.

45. On all roll calls of the yeas and nays when the voting machine is not used, and before the result is announced, the Clerk shall at the request of any member read either the names of those who voted yea or of those who voted nay, whichever is the smaller number, and the names of those absent and not voting, if any, and shall announce that all others voted either yea or nay, whichever is the larger number. In the event of a tie vote, the Clerk shall upon such request read the names of those who voted yea and the names of those absent and not voting, if any, and shall announce that all others voted nay. At that time any member shall have the right to correct any mistake committed in enrolling his or her name. The vote then shall be announced and the count entered on the Journal.

45a. The voting machine may be used in taking the yeas and nays on any question. It may also be used for quorum calls and for determining the result when a division is demanded. When the machine is used for calling the attendance roll, a member shall indicate "present" by use of the green "yea" button.

When a vote is to be taken on the voting machine, the President shall announce the question to be voted upon and direct the Clerk to prepare the machine. When the machine is ready for voting, the President shall state, "The members will now vote." After reasonable time has been given for all members to vote, the President shall ask, "Have all members voted?" After a brief pause, the President shall direct the Clerk to close the machine and ascertain the result. The Clerk shall hand the record of the vote to the President who shall promptly announce the result. Voting shall be continuous and shall be permitted until the result thereof is announced by the President: *Provided*, That any vote cast after the machine has been closed shall be stated by the President as having been cast and such shall be entered on the Journal: *Provided, however*, That no vote may be cast after the vote has been announced.

While the members are voting and before the machine is closed, the wall display boards shall continuously display the vote of each member and the total pending vote.

Under no circumstance shall a member or nonmember vote on behalf of another member.

All other rules governing voting and the taking of the yeas and nays, insofar as applicable, shall apply to taking votes by means of the voting machine.

MESSAGES

46. The Clerk of the Senate may interchange messages with the Clerk of the House of Delegates during sessions of the Senate and between the hours of adjournment and that of meeting on the following legislative day.

47. Messages may be received in any stage of business except when a question is being put by the President, while the yeas and nays are being called by the Clerk or while the votes are being counted.

48. When a bill or resolution of the House of Delegates is passed or rejected by the Senate, the fact of its passage or rejection, with the bill or resolution shall be communicated to the House of Delegates.

JOURNAL

49. The Journal of the Senate shall be daily drawn up by the Clerk and shall be read, corrected and approved the succeeding day. It shall be printed under the supervision of the Clerk and delivered to the members without delay. After the printed Journal has been approved and fully marked for corrections, the type from which it was printed shall be changed in accordance therewith, and from the type so corrected shall be printed the number of copies required by law for the regular bound volumes of the Journal. In addition thereto ten copies shall be printed on 6 x 9 heavy weight bond paper with a certificate at the end thereof signed by the President and Clerk of the Senate certifying that the same is the Official Journal of the Senate. They shall be bound in flexible binding and bear the imprint on the back, "Official Journal of the Senate of West Virginia", with

designation of regular or extraordinary session and the year. After being signed by the proper officers, two of these copies shall be retained in the office of the Clerk, one copy shall be lodged in the office of the Governor, one with the Secretary of State, one with the Division of Archives and History and one with the Clerk of the House of Delegates.

ABSENCE OF MEMBERS

50. No member shall absent himself or herself from the service of the Senate during its sittings without leave of the Senate, except in case of his or her sickness or other unavoidable cause which may prevent his or her attendance.

POWER OVER MEMBERS

51. No Senator shall be taken into custody by the Sergeant at Arms on any question of complaint of breach of privilege until the matter is examined by the Committee on Rules and reported to the Senate, unless by order of the President of the Senate.

52. The Senate may punish its own members for disorderly behavior, and with the concurrence of two thirds of the members elected thereto, expel a member, but not twice for the same offense.

POWER OVER OTHERS

53. The Senate may punish by imprisonment, any person not a member, for disrespectful behavior in its presence; for obstructing any of its officers in the discharge of their duties, or for any assault, threat or abuse of any member for words spoken in debate; but such imprisonment shall not extend beyond the termination of the session.

GUESTS AND PRIVILEGE OF THE FLOOR

54. No person except members of the House of Delegates, former members of the West Virginia Legislature who are not lobbyists, duly accredited representatives of the press, radio and television and legislative officers and employees engaged

in the proper discharge of their duties shall be admitted within the Senate Chamber while the Senate is in session. The rear or east balcony of the Senate Chamber shall be reserved for guests of the members of the Senate, and admission thereto shall be by pass signed by the President and the member seeking admission of the guest.

LOBBYING

55. No person, not a member of the Senate, shall, while within the Chamber when the Senate is in session, seek in any manner whatsoever to influence the vote or opinion of any Senator on any subject of legislative consideration, under penalty of disbarment from the Chamber for the remainder of the legislative session. No employee of the Senate shall, at any time, engage in such activity, under penalty of immediate dismissal by the Committee on Rules.

56. Repealed by S. R. 16, February 1, 1978.

NOMINATIONS AND CONFIRMATIONS

57. Unless the Senate directs otherwise by a vote of a majority of the members present, when nominations shall be made in writing by the Governor to the Senate, a future day shall be assigned for taking them into consideration and the nominations shall be referred to the Committee on Confirmations.

When considering and acting on the nominations of the Governor, the Senate shall be in open session. The voting on each nomination shall be by yeas and nays. The result of Senate action upon any nomination by the Governor shall be forthwith certified to the Governor in a formal communication signed by the President and attested by the Clerk.

57a. The phrase "next meeting of the Senate" contained in article seven, section nine of the Constitution of West Virginia means any time the full Senate is convened and includes, but is not limited to, any regular session, any extraordinary session called during any recess or

adjournment of the Legislature, during any impeachment proceeding or any time the Senate is convened pursuant to section ten-a, article one, chapter four of the code of West Virginia.

CONSTITUTIONAL AMENDMENT

58. When an amendment to be proposed to the Constitution of West Virginia is under consideration, the vote of a majority of the members present shall be sufficient to decide an amendment thereto or any collateral or incidental questions. A proposed amendment to the Constitution of West Virginia, to be adopted, must be agreed to by a two-thirds vote of the members elected to the Senate.

ADJOURNMENT

On motion of Senator Unger, the Senate recessed for five minutes.

Upon expiration of the recess, the Senate reconvened.

At the request of Senator Unger, and by unanimous consent, the provisions of rule number fifty-four of the Rules of the Senate, relating to persons entitled to the privileges of the floor, were suspended in order to permit the Senators to have members of their families as guests during today's session.

The next order of business being the election of a President,

For that office, Senator Prezioso nominated the Honorable Jeffrey V. Kessler, of the County of Marshall; seconded by Senator Palumbo.

Senator Nohe then nominated the Honorable Mike Hall, of the County of Putnam; seconded by Senator Carmichael.

There being no further nominations, the Senate proceeded to the vote for the election of a President.

On the call of the roll, those voting for Senator Kessler were: Chafin, Facemire, Fitzsimmons, Green, D. Hall, Helmick, Jenkins, Kessler, Kirkendoll, Laird, McCabe, Miller, Minard, Palumbo, Plymale, Prezioso, Snyder, Stollings, Tucker, Unger, Wells, Williams and Yost—23.

A standing ovation was then accorded the President-elect, as he proceeded to the rostrum accompanied by the foregoing select committee.

Whereupon, Senator Kessler came forward to the Clerk's desk, taking and subscribing to the several oaths of office prescribed by the Constitution, which oaths were administered by the Honorable Brent D. Benjamin, Chief Justice of the Supreme Court of Appeals of West Virginia.

Senator Kessler (Mr. President) assumed the Chair and addressed the Senate as follows:

SENATOR KESSLER: Thank you very much. It is both an honor and a privilege to stand on this podium today and serve as the elected leader of this body. I am humbled and honored to serve this body for the next two years in the Legislature. I also want to thank my brother Chris, who came down today to watch the ceremony and swearing in, as well as my oldest son Jacob, who I earlier introduced.

The first time I was sworn in, similar to the Senator from Ohio, I was appointed to the position. I was sworn in on November 17, 1997. That was an important day for me—my first day of being sworn into office also happened to be Jacob's seventh birthday. So every time

he has a birthday I'm reminded that, not only is it another year of his birth, it signals another year that I have been in the Senate.

It's now been sixteen years I've had the privilege of serving in this body and as I look back over those last sixteen years I see how many wonderful things we have done as a Senate. We had a medical insurance crisis back in 2003. We had a workers' compensation reform system that was hemorrhaging, as the Junior Senator from the Seventeenth District mentioned.

We have faced significant problems, but over the last couple of years, since I've had occasion to stand at this podium, we've also taken on some enormous challenges for this state. OPEB, as you know, is something that has been a hemorrhage of ours and an albatross around the neck of our body and this entire state and the future of the state. We've got that under control with the hard work done in this body.

We also took on Marcellus Shale with the work that was done here in this body to make sure that we were the first state in the Appalachian region that had a template in place for legislative oversight of that industry which is so prevalent and has such great potential for opportunities for this state. Also, the sales tax elimination that we did with our Governor.

We have done remarkable things over the last few years, but I can tell you that the best is yet to come. We have enormous challenges, as the Senator from Marion alluded to, with the budget. But with challenges come opportunities. I can tell you, looking forward—as I look out through this body knowing many of you and the work ethic that you have and the vision that we share together—I'm convinced that the best days of this Senate and the best days of this state are in front of us. You know, there's the old adage that "leaders lead" and every single time that I can recall that there's been a problem, a crisis in this state, it has been the Senate, truthfully, that has stepped to the forefront, stepped to the plate, looked for the solutions, put its nose to the grindstone and got the work done for the betterment of this state across party

lines. We don't have Democrat problems or Republican problems, we have West Virginia problems. I intend to solve them and work with you to solve them in that fashion in the future.

I can pledge to you that my door is always open. I will strive for perfection, but I hope you recognize that's not possible either in my own performance or in any legislation that we may put forth out of this body; however, you can always strive for that.

I can tell you that as we face this upcoming session with balancing the budget, prison overcrowding and education reform which the Senator from Wayne County will be leading us on, that I am comfortable and I am confident that we will not only face those challenges, we will find solutions that will change this state positively so that future generations, quite frankly, will remember what we did, because it will change this state for the better and forever.

Working together, I am confident that can happen. I am confident that working in unity together across the aisle, working together with all of our members, that we will be able to face every challenge, face every obstacle and face them with conviction, dignity, respect for each other and with positive solutions to these problems to move this state forward.

Thank you again. I appreciate all of you and I'll continue to do my best to make sure that I never disappoint you and always make you proud.

Thank you very much, ladies and gentlemen.

At the request of Senator Unger, and by unanimous consent, the foregoing acceptance remarks by Senator Kessler (Mr. President) were ordered extended in the Journal.

Senate Concurrent Resolution No. 9—Requesting the Division of Highways to name the bridge crossing the Little Coal River in Danville, Boone County, bridge number 3-85/8-0.37, the “Naval

Chief Boatswain Fred L. Byrnside and Army Captain Dora Jo Chambers Byrnside Memorial Bridge”.

Whereas, Fred Byrnside and his wife, Dora Jo Byrnside, were both military veterans who served their country proudly; and

Whereas, Fred Byrnside had a long and distinguished Naval career, serving active duty from January 1938 until October 1955, and then in the reserve until 1966. He retired with the rank of Chief Boatswain; and

Whereas, Fred Byrnside served in World War II and was captured by the Japanese in 1942. During his captivity, Fred endured unspeakable atrocities and hardships at the hands of the Japanese, including the infamous Bataan Death March in the Philippines. Fred was held prisoner in the Funatsu prisoner-of-war camp until the war’s end in 1945; and

Whereas, By the grace of God, Fred Byrnside survived his ordeals, when all at home believed him to have been killed. But when Fred was liberated from that prison camp, he still felt the call to service. When others may have felt they had done enough, or had endured enough on behalf of their country, Fred chose to reenlist and continue serving the country he so loved; and

Whereas, Fred Byrnside was proud of his service in the United States Navy, and while he seldom talked about the horrors he endured as a prisoner, he was always ready to relate stories of his other military experiences and what it meant to be a member of the United States Navy; and

Whereas, Fred Byrnside was awarded the National Defense Service Medal, Asiatic-Pacific Area Campaign Ribbon, Philippine Defense Service Ribbon with three Bronze Stars, Army Distinguished Unit Badge with One Oak Leaf Cluster, American Defense Service Ribbon, Good Conduct Medal, China Service Ribbon, Victory Ribbon of World War II, Pre-Pearl Harbor Ribbon with one Bronze Star; and Presidential Unit Citation; and

Whereas, Dora Jo Chambers was awarded the American Campaign Medal, Asiatic-Pacific Campaign Medal, Philippine Liberation and Women's Army Auxiliary Corps Service Medal; and

Whereas, Fred Byrnside and Dora Jo Chambers Byrnside were married after Dora Jo's tour of duty ended in 1946, and they returned home to Danville in 1955 when Fred retired from active duty. Fred served as the postmaster at the Danville Post Office, while Dora Jo raised their children and later taught at Scott High School when the children were grown; and

Whereas, Fred Lincoln Byrnside passed away on January 3, 1980, and Dora Jo Chambers Byrnside passed away on January 3, 2010. They are survived by their children, Fred Byrnside and wife, Emma, of Danville, Ellajo Thompson of Knoxville, Tennessee, and Lois Byrnside of Dunedin, Florida; five grandchildren and ten great-grandchildren; and

Whereas, It is only fitting that we so honor Fred and Dora Jo Byrnside for their dedicated and selfless service to their country, and for their contributions to the town of Danville and Boone County; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is hereby requested to name the bridge crossing the Little Coal River in Danville, Boone County,

bridge number 3-85/8-0.37, the “Naval Chief Boatswain Fred L. Byrnside and Army Captain Dora Jo Chambers Byrnside Memorial Bridge”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “Naval Chief Boatswain Fred L. Byrnside and Army Captain Dora Jo Chambers Byrnside Memorial Bridge”; and, be it

Senators Stollings, Kirkendoll and Unger offered the following resolution:

Senate Concurrent Resolution No. 10—Requesting the Division of Highways to name the Atenville Beam Span Bridge on Rt. 10, Lincoln County, .1 mile south of South Route 68, bridge number 22-10-6.54, the “Shelton Topping Bridge”.

Whereas, Shelton Topping was born May 11, 1926. He has been married to Edith Maynard Topping for sixty-two years. They had three children, eight grandchildren and ten great-grandchildren. He is an Elder at 14 Mile Church of Christ and upstanding member of the Harts Community. He is a World War II veteran, joining the Army in November, 1944, at seventeen years old. He was awarded the Bronze Star, badges for Marksmanship, the Combat Infantry and a European African Middle Eastern campaign ribbon. Additionally, he has the Honor Service Lapel, commonly known as the ruptured duck. Shelton Topping says the reason for joining the Army was “There were six boys in our family and five of them were in the service. My older brother told me I’d better join up soon, or the war would be over before I’d get to go in.” He was

a member of the 3rd Infantry Division of the Army in Company D. Company D was the oldest outfit in the U. S. Army. It was founded and served under General George Washington during the Revolutionary War. When General Patton died in Europe, in December, 1945, Company D served as an Honor Guard at his funeral. Shelton Topping began his military training at Camp Joseph T. Robertson, near Little Rock, Arkansas, was later sent to Fort Meade, Maryland, and then to Camp Shanks in New York before leaving for Europe. He left New York, crossed the English Channel to reach Le Havre, France, and then traveled by train to Germany. In January, 1945, the 3rd Infantry Division had smashed the Colmar pocket and was driving the last German soldier from the area. The division hit the line again in March, 1945. The main Siegfried Line positions south of Sweibruken, Germany, were breached and the 3rd was on its way to the Rhine River a second time. Light opposition was encountered and on March 23, the division was moved on the Rhine Plain, in the triangle formed by Bad Durkheim-Frankenthal-Worms to prepare for a crossing of the river. In March, the division was across the Rhine and driving deep into the heart of Germany. The 3rd's last major battle was at Nurnberg where the Germans put up their last big effort to deal a mortal blow. After three weeks there, the war ended. Shelton Topping's company turned to guarding POWs. They had 4,500 prisoners to guard. They processed the prisoners five hundred men at a time and only eight American soldiers would guard this large group of men. Although he was eighteen at the end of the war, he celebrated his nineteenth and twentieth birthdays overseas. Mr. Topping served as a Special Honor Guard at the United Nations building at the American Embassy in Berlin. The Honor Guard was made up of four soldiers from four countries: The United States, England, France and Russia. There were eighteen regular guards and four honor guards. In order to be an American Honor Guard, one had to be a Bronze Star recipient. Upon returning to the United States from active duty, Mr. Topping studied for his GED, then attended Marshall University. He taught in a one-room school in Sand Creek, West Virginia, and later at a one-room school in Atenville, West

Virginia. Because teaching school made it difficult to support a family at that time, he had to quit teaching and go work in the coal mines. He worked for Island Creek Coal Company in Logan County, until he retired; and

Whereas, The contributions of Shelton Topping to his country, state and community should not go unnoticed. It is fitting to honor Shelton Topping by naming the bridge on Rt. 10, Lincoln County, .1 mile south of South Route 68 for Shelton Topping; therefore, be it

Resolved by the Legislature of West Virginia:

That the Legislature hereby requests the Division of Highways to name the Atenville Beam Span Bridge on Rt. 10, Lincoln County, .1 mile south of South Route 68, bridge number 22-10-6.54, the “Shelton Topping Bridge”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “Shelton Topping Bridge”; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Secretary of the Department of Transportation, to Mr. Shelton Topping and to his surviving children and relatives.

Which, under the rules, lies over one day.

Senators Snyder, Kessler (Mr. President), Beach, Cann, Edgell, Fitzsimmons, Green, Laird, McCabe, Miller, Tucker, Unger, Wells, Yost, Plymale, Palumbo and Williams offered the following resolution:

Senate Resolution No. 24—Opposing the United States Supreme Court's interpretation of the Constitution in *Citizens United v. Federal Election Commission* regarding the constitutional rights of corporations; supporting an amendment to the Constitution to provide that corporations are not entitled to the entirety of protections or rights of natural persons, specifically so that the expenditure of corporate money to influence the electoral process is no longer a form of constitutionally protected speech; and calling on Congress to begin the process of amending the Constitution.

Whereas, In 2010 the United States Supreme Court issued its decision in *Citizens United v. Federal Election Commission*, holding that independent spending on elections by corporations and other groups could not be limited by government regulations; and

Whereas, This decision rolled back the legal restrictions on corporate spending in the electoral process, allowing for the

unlimited corporate spending to influence elections, candidate selection and policy decisions; and

Whereas, In reaching this decision, a narrow majority of the Supreme Court, relying on and expanding prior decisions, interpreted the First Amendment of the Constitution to afford corporations the same free speech protections as natural persons; and

Whereas, The Supreme Court relied on other prior decisions which afforded the spending of money to influence elections the full protection of the First Amendment and disregarded the distorting and corrupting effects of unlimited money in elections; and

Whereas, In his eloquent dissent, Justice John Paul Stevens rightly recognized that, “corporations have no consciences, no beliefs, no feelings, no thoughts, no desires. Corporations help structure and facilitate the activities of human beings, to be sure, and their ‘personhood’ often serves as a useful legal fiction. But they are not themselves members of ‘We the People’ by whom and for whom our Constitution was established”; and

Whereas, The court’s decision in *Citizens United* severely hampers the ability of federal, state and local governments to enact reasonable campaign finance reforms and regulations regarding corporate political activity; and

Whereas, Corporations should not be afforded the entirety of protections or rights of natural persons, such that the expenditure of corporate money to influence the electoral process is a form of constitutionally protected speech; and

Whereas, In 2012 the same narrow majority of the Supreme Court voted to strike down longstanding campaign finance laws in the State of Montana without hearing any evidence or argument on that state’s own history and experience with corporate spending and corruption; and

Whereas, Several proposed amendments to the Constitution have been introduced in Congress that would allow government to regulate the raising and spending of money by corporations to influence elections; and

Whereas, On Election Day, 2012, over six million voters across the United States, including the states of Colorado and Montana, had the opportunity to vote on state and local ballot measures calling for a constitutional amendment to limit money in politics, and all proposed initiatives passed overwhelmingly, averaging seventy-five percent support; therefore, be it

Resolved by the Senate:

That the Senate opposes the United States Supreme Court's interpretation of the Constitution in *Citizens United v. Federal Election Commission* regarding the constitutional rights of corporations; supports an amendment to the Constitution to provide that corporations are not entitled to the entirety of protections or rights of natural persons, specifically so that the expenditure of corporate money to influence the electoral process is no longer a form of constitutionally protected speech; and calls on Congress to begin the process of amending the Constitution; and, be it

Further Resolved, That the Senate respectfully opposes the United States Supreme Court's interpretation of the Constitution in *Citizens United v. Federal Election Commission* and related cases allowing unlimited corporate election spending; and, be it

Further Resolved, That the Senate supports an amendment to the United States Constitution to establish that corporations are not entitled to the same rights and protection as natural persons under the Constitution; and, be it

Further Resolved, That such an amendment should assure the power of the federal, state and local governments to limit, regulate and require disclosure of sources of all money spent to influence elections; and, be it

Further Resolved, That the Senate charges the West Virginia Congressional Delegation with the duty to support such an amendment, to work diligently towards its passage and to vote at all stages to advance such legislation in the Congress; and, be it

Further Resolved, That the Senate declares its intention to ratify such an amendment if and when the Congress shall submit it to the states; and, be it

Further Resolved, That the Clerk is hereby directed to deliver a copy of this resolution to the Vice President of the United States and the President pro tempore of the United States Senate, to the Speaker of the House of Representatives, to the Majority and Minority Leaders of both houses of Congress and to each United States Senator and Member of the House of Representatives from West Virginia.

After working for the IRS in Chicago, Illinois, David and Janet moved back to West Virginia in 1963 where they remained until their deaths. David began a thirty-year teaching career in 1963 at Coal Mountain School, Huff Consolidated and Baileysville High School where he touched the lives of the many students he taught and coached. He served two terms on the Wyoming County Board of Education after his retirement, continuing to be an advocate for the students and public education. Affectionately known as “Poppy”, David cherished his four sons, David Jr., Dale, Dean and Dante, and his grandchildren, JL, Tiffany, Chelsea, Aaron, Danielle, Jessica, Brittany, Drew and Kendra and his great grandchildren, John David, Katie, Isabella and Colton. David was active in his church and community and was always willing to help his neighbors. Janet Rife Lee was born September 13, 1933, the daughter of John and Cara Rife. She owned a restaurant and flower shop until she became a cook in the Wyoming County school system and at the Wyoming County Jail. Known for her great cooking, she served the students with a smile and a special touch of believing in them. She devoted her life to David and her boys as well as her grandchildren. She was active in her church and community and was a compassionate shoulder for those in need. They say “behind every great man is an even greater woman pushing him”. That was never more true than for David and Janet. She was truly the strong force that kept the family together. David passed away on April 16, 2012; and

Whereas, It is fitting to honor David and Janet Lee by naming a stretch of highway in Wyoming County, West Virginia, on State Route 20, just across the Wyoming County line approximately one mile to just past Ikes Fork Freewill Baptist Church, for David and Janet Lee; therefore, be it

Senate Concurrent Resolution No. 10, Requesting DOH name bridge in Lincoln County “Shelton Topping Bridge”.

And reports back a committee substitute for same as follows:

Com. Sub. for Senate Concurrent Resolution No. 10 (originating in the Committee on Transportation and Infrastructure)—Requesting the Division of Highways to name the Atenville Beam Span Bridge on Rt. 10, Lincoln County, .1 mile south of South Route 68, bridge number 22-10-6.54, the “Shelton Topping Bridge”.

Whereas, Shelton Topping was born May 11, 1926. He has been married to Edith Maynard Topping for sixty-two years. They had three children, eight grandchildren and ten great-grandchildren. He is an Elder at 14 Mile Church of Christ and upstanding member of the Harts Community. He is a World War II veteran, joining the Army in November, 1944, at seventeen years old. He was awarded the Bronze Star, badges for Marksmanship, the Combat Infantry and a European African Middle Eastern campaign ribbon. Additionally, he has the Honor Service Lapel, commonly known as the ruptured duck. Shelton Topping says the reason for joining the Army was “There were six boys in our family and five of them were in the service. My older brother told me I’d better join up soon, or the war would be over before I’d get to go in.” He was a member of the Third Infantry Division of the Army in Company D. Company D was the oldest outfit in the U. S. Army. It was founded and served under General George Washington during the Revolutionary War. When General Patton died in Europe, in December, 1945, Company D served as an Honor Guard at his funeral. Shelton Topping began his military training at Camp Joseph T. Robertson, near Little Rock, Arkansas, was later sent to Fort Meade, Maryland, and then to Camp Shanks in New York before leaving for Europe. He left New York, crossed the English Channel to reach Le Havre, France, and then traveled by train to Germany. In January, 1945, the Third Infantry Division had smashed the Colmar pocket and was driving the last German soldier from the area. The division hit the line again in March, 1945. The

main Siegfried Line positions south of Zweibruecken, Germany, were breached and the Third was on its way to the Rhine River a second time. Light opposition was encountered and on March 23, the division was moved on the Rhine Plain, in the triangle formed by Bad Duerkheim-Frankenthal-Worms to prepare for a crossing of the river. In March, the division was across the Rhine and driving deep into the heart of Germany. The Third's last major battle was at Nuremberg where the Germans put up their last big effort to deal a mortal blow. After three weeks there, the war ended. Shelton Topping's company turned to guarding prisoners of war. They had 4,500 prisoners to guard. They processed the prisoners five hundred men at a time and only eight American soldiers would guard this large group of men. Although he was eighteen at the end of the war, he celebrated his nineteenth and twentieth birthdays overseas. Mr. Topping served as a Special Honor Guard at the United Nations building at the American Embassy in Berlin. The Honor Guard was made up of four soldiers from four countries: The United States, England, France and Russia. There were eighteen regular guards and four honor guards. In order to be an American Honor Guard, one had to be a Bronze Star recipient. Upon returning to the United States from active duty, Mr. Topping studied for his General Educational Development Test, then attended Marshall University. He taught in a one-room school in Sand Creek, West Virginia, and later at a one-room school in Atenville, West Virginia. Because teaching school made it difficult to support a family at that time, he had to quit teaching and go work in the coal mines. He worked for Island Creek Coal Company in Logan County, until he retired; and

Whereas, The contributions of Shelton Topping to his country, state and community should not go unnoticed. It is fitting to honor Shelton Topping by naming the bridge on Rt. 10, Lincoln County, .1 mile south of South Route 68 for Shelton Topping; therefore, be it

Resolved by the Legislature of West Virginia:

That the Legislature hereby requests the Division of Highways to name the Atenville Beam Span Bridge on Rt. 10, Lincoln County,

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Secretary of the Department of Transportation, to Mr. Shelton Topping and to his surviving children and relatives.

Senators Cann, Kessler (Mr. President), Stollings, Unger, Williams, McCabe, D. Hall, Prezioso and Plymale offered the following resolution:

Senate Resolution No. 37—Congratulating the West Virginia Golf Association on the occasion of its one hundredth anniversary.

Whereas, The West Virginia Golf Association was founded on October 10, 1913, at the Fairmont Field Club through the leadership of the Honorable FH McGregor of Parkersburg; and

Whereas, The founding clubs of the West Virginia Golf Association include Wheeling, Fairmont, Clarksburg, Charleston, Huntington and Parkersburg; and

Whereas, The West Virginia Golf Association aspires to maintain the tradition and spirit of the game of golf, and to ensure that all of its tournaments and events are pleasurable and rewarding for all involved; and

Whereas, The West Virginia Golf Association encourages participation in the game of golf by hosting regular events for men, women, seniors and youth; and

Whereas, The West Virginia Amateur has been held almost every year since 1913, with the exception of the years coinciding with World Wars I and II, showcasing West Virginia's best golfers who play for the love of the game, not financial gain; and

Whereas, Huntington native William C. Campbell won fifteen West Virginia Amateur titles and later served as President of the United States Golf Association and as Captain of the Royal and Ancient Golf Club of St. Andrews, the only person to ever hold both positions. Campbell, a former House of Delegates member (1949-50) and one of the most distinguished amateurs in golf history, serves as the inspiration for the West Virginia Golf Association's logo; and

Whereas, The West Virginia Open is held annually and pits West Virginia Golf Association members against each other, amateur and professional alike, to vie for the title of best golfer in the state; and

Whereas, Legendary golf great Sam Snead began his illustrious career on West Virginia's links, securing his first of seventeen West Virginia Open victories in 1936 at the Guyan Country Club in Huntington; first prize was \$150.00. Snead was later inducted into the World Golf Hall of Fame in 1974, received the PGA Tour Lifetime Achievement Award in 1998 and was in the first class of inductees into the West Virginia Golf Hall of Fame, along with William C. Campbell; and

Whereas, The West Virginia Golf Association continues to foster the game of golf with our state's youth, awarding nearly \$90,000 in scholarships to more than eighty West Virginia students who attend college; therefore, be it

Senate Concurrent Resolution No. 22—Requesting the Division of Highways to name the bridge on highway U. S. 214 South, Oakhurst Drive and Deer Oaks Road in Kanawha County, BR-0214(011)D, Bridge No. 10730, built in 2011, the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”.

Whereas, Joseph Albert “Joey” King, Jr., died in the line of duty as a volunteer firefighter on December 4, 2011, when he fell to his death from a bridge while looking for a fire. Joey was very dedicated to the Davis Creek and Ruthtdale volunteer fire departments and the

safety of his community. The first left from this bridge going south is the road that Joey traveled for years to and from home and work; and

Whereas, Joseph Albert “Joey” King, Jr., was born on August 28, 1951, in Charleston, West Virginia, the son of Joseph and Betty Jo King. He grew up with his parents and his siblings: Arietta, Diana, Bethel and Linnie “Curley”. Joey was blessed to have three children: Edna, Joey III and LeAnne. Joey’s beloved only son passed away at age twelve in 1988. Joey later met his longtime companion, Sonja Kay, and helped raise her son, Anthony. Joey loved to travel to Florida on his motorcycle to visit his daughter and spend time with his granddaughters, Amanda and Skyler. He loved to ride and was a member of the Patriot Guard and The Red Knights motorcycle clubs. Joey spent many years working at Copley’s Wrecker Service. He later worked for the City of Charleston Sanitary Board as a mechanic, before retiring for health reasons. Joey served as a volunteer and took pride in being a firefighter. He found a way to help people and the community by becoming a volunteer firefighter, a task that lasted for the last seven years of his life; and

Whereas, Joey originally started at the fire department to get Anthony interested in something worthwhile and positive. However, he soon realized that he had a knack for what a volunteer fire department does—helping people. He became not only a firefighter, but a great friend to many members of the department. He saw that he could use his mechanical skills to benefit the fire department by caring for the equipment. Most people will never realize how valuable an asset Joey was to the fire department. To his brother firefighters, he was a friend, brother and mentor, with many looking to him for personal advice to help them to get through life. One man stated at the memorial service that Joey was a “First responder” before there was such a thing, the man you wanted at an accident scene. On a lighter note, Joey loved to tease and play practical jokes on others. He enjoyed taking his nieces’ sons and granddaughters to his garage, sitting them on his motorcycle, or

taking them to the firehouse and putting them in the fire truck. Joey was always there for someone in need. People have said he was the nicest guy they knew and could never be replaced. Never once did he hesitate to help anyone in need of help; and

Whereas, It is only fitting that we honor Joseph Albert “Joey” King, Jr., for his dedication to the Davis Creek and Ruthdale volunteer fire departments and the safety of his community, and for his contributions to his community; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is hereby requested to name the bridge on highway U. S. 214 South, Oakhurst Drive and Deer Oaks Road in Kanawha County, BR-0214(011)D, Bridge No. 10730, built in 2011, the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Secretary of the Department of Transportation and to the children, surviving relatives and companion of Joseph Albert “Joey” King, Jr.

Which, under the rules, lies over one day.

Senators D. Hall, Chafin, Green, Unger, Cole and Stollings offered the following resolution:

Senate Concurrent Resolution No. 23—Requesting the Division of Highways to name bridge number 55-16/40-0.01, in Allen Junction, Wyoming County, West Virginia, the “Reverend Edward and Mary Mullins Memorial Bridge”.

Whereas, Reverend Edward and Mary Mullins moved to Allen Junction in 1951, when they purchased property across the Guyandotte River from Route 16; and

Whereas, At the time, the residents living across the river from Route 16 had only a cable swinging foot bridge to reach their homes, but Reverend Mullins later purchased property on both sides of the river and allowed his property to be used for construction of a bridge that would enable the residents to reach their homes by automobile; and

Whereas, In addition to playing an instrumental role in getting the bridge built at Allen Junction and serving as its longtime caretaker, Reverend Mullins also constructed a building for the community to use as its post office, and it was used in that capacity for many years; and

Whereas, Reverend Mullins worked diligently in the coal mines while pastoring several churches over the years, and Mary served the churches he pastored as their secretary, janitor, baker or any other role in which she was needed. They both worked tirelessly to establish new churches in Wyoming County, some of which are still in existence today; and

Whereas, Reverend Mullins later served as the state superintendent for his church organization and was responsible for overseeing numerous churches around the state; and

Whereas, Reverend Edward and Mary Mullins were respected by all who knew them for their commitment to church and community and for the spirit of devoted service with which they lived their lives; and

Whereas, Sadly, Reverend Edward Mullins passed away on June 22, 1970, and his beloved wife, Mary Mullins, followed him home to the Lord on January 6, 1975. They are survived by their children, James E. Mullins and Ruby Mullins Byrd, and their

grandchildren, James Mullins, Lonnie Mullins, Robert Mullins and Deborah Mullins Conner; and

Whereas, It is only fitting that we name this bridge, which Reverend and Mary Mullins were so instrumental in having built, to honor their many contributions to the community of Allen Junction and greater Wyoming County, and for their enduring legacy of service; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is hereby requested to name bridge number 55-16/40-0.01, in Allen Junction, Wyoming County, West Virginia, the “Reverend Edward and Mary Mullins Memorial Bridge”; and, be it

Further Resolved, That the Commissioner of the Division of Highways is hereby requested to erect signs at both ends of the bridge proclaiming the bridge the “Reverend Edward and Mary Mullins Memorial Bridge”; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Commissioner of the Division of Highways and to James E. Mullins and Ruby Mullins Byrd.

Which, under the rules, lies over one day.

Senate Resolution No. 38—Recognizing the many contributions of the thousands of volunteers and paid staff at pregnancy care centers in West Virginia and across the United States.

Whereas, The life-affirming impact of pregnancy care centers on the women, men, children and communities they serve is considerable and growing; and

Whereas, Pregnancy care centers serve women in West Virginia and across the United States with integrity and compassion with more than 2,500 centers across the United States providing comprehensive care to women and men facing unplanned pregnancies, including resources to meet their physical, psychological, emotional and spiritual needs; and

Whereas, Pregnancy care centers offer women free, confidential and compassionate services, including pregnancy tests, peer counseling, 24-hour hotlines, childbirth and pregnancy classes and referrals to community, health care and other support services; and

Whereas, Many pregnancy care centers offer ultrasounds and other medical services, information on adoption and adoption referrals while encouraging women to make positive life choices by equipping them with complete and accurate information regarding their pregnancy options and the development of the unborn; and

Whereas, Pregnancy care centers ensure that women are receiving prenatal information and services that lead to the birth of healthy infants; and

Whereas, Pregnancy care centers provide important support and resources for women and their children, including prenatal care and education, ultrasound screenings, pregnancy tests, parenting training, life-skills education and financial management education, as well as the provision of nursery furniture, diapers, diaper bags, infant clothing, maternity clothing and child safety seats; and

Whereas, The pregnancy care centers of West Virginia have worked to prevent unplanned pregnancies among teens by teaching effective abstinence education to over 1,700 public school students in 2011; and

Whereas, In 2011, pregnancy care centers in West Virginia provided services to more than 4,500 clients for an estimated savings of at least \$46 million for West Virginia taxpayers; and

(4) The provisions of this subsection do not apply to the filling of a position vacated because of resignation or retirement that became effective on or before the twentieth day prior to the beginning of the instructional term, but not posted until after that date; and

(5) The Legislature finds that it is not in the best interest of the students particularly in the elementary grades to have multiple teachers for any one grade level or course during the instructional term. It is the intent of the Legislature that the filling of positions through transfers of personnel from one professional position

to another after the twentieth day prior to the beginning of the instructional term should be kept to a minimum.

(m) (n) All professional personnel whose seniority with the county board is insufficient to allow their retention by the county board during a reduction in work force shall be placed upon a preferred recall list. As to any professional position opening within the area where they had previously been employed or to any lateral area for which they have certification, licensure or both, the employee shall be recalled on the basis of seniority if no regular, full-time professional personnel, or those returning from leaves of absence with greater seniority, are qualified, apply for and accept the position.

(n) (o) Before position openings that are known or expected to extend for twenty consecutive employment days or longer for professional personnel may be filled by the board, the board shall be required to notify all qualified professional personnel on the preferred list and give them an opportunity to apply, but failure to apply shall not cause the employee to forfeit any right to recall. The notice shall be sent by certified mail to the last known address of the employee, and it shall be the duty of each professional personnel to notify the board of continued availability annually, of any change in address or of any change in certification, licensure or both.

(o) (p) Openings in established, existing or newly created positions shall be processed as follows:

Senator Unger offered the following resolution:

Senate Concurrent Resolution No. 25—Requesting the Joint Committee on Government and Finance study how West Virginia can create new jobs, increase industrial competitiveness and reduce emissions through development and deployment of distributed electricity generation technologies, including industrial cogeneration and energy recycling.

Whereas, Distributed generation offers many potential benefits, including enhanced grid stability, deferred transmission and distribution system upgrades and local job creation; and

Whereas, Development of West Virginia's cogeneration potential provides an opportunity to use some of West Virginia's natural gas resources for economic development within the state; and

Whereas, Cogeneration is a more efficient use of fossil fuels, providing reductions in greenhouse gas emissions and other pollutants; and

Whereas, The recent Executive Order No. 13624 established the development of combined heat and power (cogeneration) as a national priority; and

Whereas, Several distributed generation projects that would have provided jobs and local economic development in West Virginia have stalled due to an inability to obtain a fair price for power sales to the grid; and

Whereas, West Virginia's utility companies have no incentive to purchase the power from distributed generation projects under long-term contracts that would make the development of those projects financially feasible; and

Whereas, Other states have enacted policies ensuring that distributed generation developers can receive a fair price for their electricity; and

Whereas, A thorough study is necessary to understand the barriers to developing distributed generation systems in West Virginia and policies to effectively remove those barriers; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study how West Virginia can create new jobs, increase industrial competitiveness and reduce emissions through development and deployment of distributed electricity generation technologies, including industrial cogeneration and energy recycling; and, be it

Further Resolved, That the Joint Committee on Government and Finance is requested to study how West Virginia can promote

distributed electricity generation technologies, including industrial cogeneration, to spur economic development and reduce emissions; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2014, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

To those friendly hills I love.
Where moonlit meadows ring
with the call of whippoorwills
Always you will find me in my home among the hills
And where the sun draws rainbows in the mist
of waterfalls and mountain rills
My heart will be always in the West Virginia Hills
There, autumn hillsides are bright with scarlet trees
and in the spring, the robins sing
While apple blossoms whisper in the breeze
And there is music in the flashing streams
and joy in the fields of daffodils
Laughter through the happy valleys of my home among the
hills; and*

Whereas, “My Home Among the Hills” appears in music method books written for children; and

Senate Concurrent Resolution No. 28—Requesting the Division of Natural Resources study the feasibility of making the Upper Mud River Wildlife Management and Recreation Area in Lincoln County a state park or other designated area, as may be appropriate.

Whereas, The Upper Mud River Wildlife Management and Recreation Area is part of the Upper Mud River Site 2-A Multipurpose Flood Control Recreation Project built by the United States Department of Agriculture Natural Resources Conservation Service, the Soil Conservation Agency and the Division of Natural Resources. Project sponsors include the following entities: Soil Conservation Agency, Guyan Soil Conservation District, Lincoln County Commission and the Division of Natural Resources. The total area comprises 1,600 acres, including a 307-acre lake and required twenty-five years to complete at a cost of \$25 million; and

Whereas, The Upper Mud River Dam is a 75-foot dam that creates a 307-acre lake that can store 8,850 acre-feet of flood water, temporarily storing runoff water during periods of high rainfall and protecting the town of Hamlin from the risk of flood damage. The recreational facilities of the project were completed and opened to the public in July, 1999. The recreation and support facilities of the project include the following: Access roads, boat launch ramp, fishing access for physically challenged anglers, hiking trails, swimming, beach, playground equipment, picnic shelters, softball field, restrooms, picnic tables, sewage treatment system, water treatment system, superintendent's residence, office and storage facility and fuel storage facility. The Mud River Dam was built to assist in the control of floods and to provide some recreation. The dam has two boat docks and two man-made beaches. One of the beaches is fully developed with bath house and eighty picnic tables with grills and a covered shelter. The second beach is located on the Left Fork at what is known as Camp Lakeview. This is fifty acres

set aside for a youth camp and has a caretaker house with some rustic camping. Near the dam is a private campground on Route 7 north of the main dam. Near the main beach is a covered stage for performing events. The county provides a bluegrass and gospel program each spring/summer. Other private events are scheduled as requested. On the south end of the dam is a certified shooting range for public use. The range contains eight shooting stations with twenty-five, fifty, seventy-five and one hundred yards of target shooting. The Lincoln County commission provides one shooting event open to the public free of charge with prizes being provided for each event. Just south of the main dam is a fully functional boat dock with parking for forty vehicles and a bathroom facility and covered picnic area. Once a year in the spring, the Lincoln County commission provides and sponsors a kids' fishing tournament for ages four through fourteen years with the theme of "Hooked on Fishing not Drugs". The Mud River Dam is within five miles of a future horse park as provided in an agreement with Hobet Mining, Robin Land Company and the Lincoln County commission. The location is east of the dam on Route 7. A 100-acre site will provide a horse ring, camping and other recreation; and

Whereas, The Division of Natural Resources signed a lease agreement in February, 1996, with the Lincoln County commission to manage 1,425 acres of the project area as a wildlife management area for the benefit and enjoyment of Lincoln County residents and other visitors. The wildlife management area activities include: Forty acres of wildlife clearings, eighteen wood duck nest boxes, management and stocking of fish, the release of black bears in the area and hunting opportunities. During 2000 alone, an estimated 11,705 anglers, 351 hunters and 14,350 other outdoor enthusiasts utilized the Wildlife Management and Recreation Area. The residents of the area served by the Upper Mud River Wildlife Management and Recreation Area and other visitors utilize and enjoy the facilities on a regular basis; and

Whereas, The Mud River Dam is near the Big Ugly Wildlife Hunting Area and a future site for the second Hatfield and McCoy

Trail System. Once completed this system will be near the dam, the horse park and the Ivy Branch System. The Hatfield and McCoy Trails in Lincoln County is scheduled to open on Ivy Branch which is located near U. S. 119 and the Boone County Hatfield and McCoy Trail System. These two systems will be connected by means of a low-water bridge near the Boone County Trail Head. This will provide access to established campgrounds on U. S. 119 and the Boone County Water Ways. On County Route 7 just below the dam is a private campground with full hook up and cabins. All of these provisions will create a hub for recreation in a ten-mile radius in Boone and Lincoln counties; and

Whereas, Several area residents have voiced the opinion that they would like to see the area developed into a state park or other designated area, as may be appropriate, to broaden the opportunities for the project; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Natural Resources is hereby requested to study the feasibility of making the Upper Mud River Wildlife Management and Recreation Area in Lincoln County a state park or other designated area, as may be appropriate; and, be it

Senate Concurrent Resolution No. 33—Requesting the Joint Committee on Government and Finance study the safety, roles and responsibilities of the West Virginia Deputy Sheriff Reserve.

Whereas, West Virginia Deputy Sheriff Reserve members do not serve as law-enforcement officers, nor do they carry firearms; and

Whereas, West Virginia Deputy Sheriff Reserve members' duties are limited; and

Whereas, Many counties use West Virginia Deputy Sheriff Reserve as a force multiplier and National Guard-style contingency force for special details and disasters; and

Whereas, Properly trained West Virginia Deputy Sheriff Reserve members could serve as limited law-enforcement officers similar to special deputies or process servers; and

Whereas, The current Code limits West Virginia Deputy Sheriff Reserve members' duties and powers and removing some of those limitations would enhance their value and effectiveness; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study the safety, roles and responsibilities of the West Virginia Deputy Sheriff Reserve; and, be it

Further Resolved, That the Joint Committee on Government and Finance seek input from the Governor's Committee on Crime, Delinquency and Correction, the West Virginia Sheriffs' Association, the West Virginia Deputy Sheriffs' Association, the West Virginia Chiefs of Police and the West Virginia Chapter of the Fraternal Order of Police; and, be it

Whereas, The Society of Human Resource Management practitioners dedicate themselves to legal compliance, bridging the gap between employees, employers and legal authorities; and

Whereas, The Society of Human Resource Management rigorously enforces in its members an established code of ethics; therefore, be it

Resolved by the Senate:

That the Senate hereby recognizes the Society of Human Resource Management for its hard work and dedication; and, be it

Your Committee on Agriculture and Rural Development has had under consideration

Senate Concurrent Resolution No. 35 (originating in the Committee on Agriculture and Rural Development)—Requesting the Joint Committee on Government and Finance study West Virginia’s aging watershed dams and channels to determine how to address the operation, maintenance, repair and ownership of the watershed dams to ensure they continue to provide flood control, water supply and recreational benefits to the citizens of the state.

Whereas, The mission of the West Virginia Conservation Agency is to preserve West Virginia’s natural resources by working with partners to promote soil and water conservation; and

Whereas, The West Virginia Conservation Agency, working with the state’s conservation districts and local governments, is responsible for the inspection, operation, maintenance and repair of 170 watershed dams and twenty-two channels throughout West Virginia, and is also responsible for the rehabilitation of the state’s aging watershed dam infrastructure; and

Whereas, Of the 170 flood control dams, 169 have been classified as high hazard by the West Virginia Department of Environmental Protection’s Dam Safety Office; and

Whereas, A high-hazard classification means a failure would cause probable loss of life or catastrophic economic damage; and

Whereas, Forty-two of the 170 dams have been in operation for more than fifty years, and by 2017 another forty-one will exceed fifty years of age; and

Whereas, Based on an analysis by the federal Natural Resources Conservation Service, 104 of the 170 dams do not meet current engineering design standards; and

Whereas, The current method of financing the operation, maintenance and repair of the watershed dams and channels is inadequate to meet ongoing maintenance and repair needs; and

Whereas, Common repair problems include seeps, deteriorated metal, broken drain gates, damaged concrete risers, erosion, plugged drains, inadequate spillways and encroachment; and

Whereas, Due to federal budget constraints the Natural Resources Conservation Service is unable to assist in the rehabilitation of West Virginia's watershed infrastructure; and

Whereas, A number of the watershed dams are predominately on private land owned by farmers and state citizens and represent a danger of causing significant damage to agricultural land and, possibly, human life; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study West Virginia's aging watershed dams and channels to determine how to address the operation, maintenance, repair and ownership of the watershed dams to ensure they continue to provide flood control, water supply and recreational benefits to the citizens of the state; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2014, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report and draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

And reports the same back with the recommendation that it be adopted; but with the further recommendation that it first be referred to the Committee on Rules.

Senate Resolution No. 48—Recognizing the West Virginia Association of Alcoholism and Drug Abuse Counselors and West Virginia Certification Board of Addiction and Prevention Professionals for their commitment to ending substance abuse.

Whereas, Working towards a healthy and productive West Virginian citizenry is of crucial importance; and

Whereas, West Virginia has one of the highest drug prescription rate and the highest per-capita overdose death rate in the nation, with ninety percent of those deaths involving prescription drugs; and

Whereas, West Virginia faces other pronounced drug problems, such as methamphetamine abuse and manufacturing and marijuana consumption and cultivation; and

Whereas, Substance abuse costs West Virginia millions of dollars each year, particularly the criminal justice, education and social services systems; and

Whereas, Substance abuse has a significant, negative impact on the job force because the perception of substance abuse problems dissuades potential employers from locating to West Virginia and current employees with substance abuse problems endanger themselves, their coworkers and their places of employment; and

Whereas, Persons who abuse substances can be rehabilitated through proper treatment and become healthy, productive citizens; and

Whereas, Treatment is more effective and less costly than cycling substance abusers through the criminal justice system; and

Whereas, The costs associated with substance abuse can be avoided with action and education that prevents persons at risk from becoming addicted to substances; and

Whereas, The West Virginia Association of Alcoholism and Drug Abuse Counselors, Inc., and the dozens of other programs and organizations aimed at preventing, treating and informing about substance abuse are critical to combating the great threat substance abuse poses to the people of West Virginia; therefore, be it

Resolved by the Senate:

McDonald Memorial Highway”.

Whereas, PFC McDonald was born on September 13, 1941, to Oscar Fred and VanDora McDonald; and

Whereas, PFC McDonald was raised in Avondale and had thirteen brothers and sisters; and

Whereas, When PFC McDonald was about seventeen he moved to Greensboro, North Carolina, where his sister Alice resided and began working in a cedar plant; and

Whereas, After moving to North Carolina PFC McDonald became active in the Central Assembly Church of God, taught Sunday School, sang in the choir, played the guitar and planned to become a minister; and

Whereas, PFC McDonald joined the United States Army in Beckley, West Virginia, in 1967, took basic training at Fort Benning, Georgia, and served as a private first class in Company A, 1st Battalion, 14th Infantry Regiment, 4th Infantry Division; and

Whereas, PFC McDonald was posthumously awarded the Medal of Honor by President Nixon during a special ceremony at the White House, for his actions during a June 7, 1968, firefight near Kontum City in the Republic of Vietnam, during which he was killed; and

Whereas, PFC McDonald's Medal of Honor Citation reads in full: "For conspicuous gallantry and intrepidity in action at the risk of his life above and beyond the call of duty. Pfc. McDonald distinguished himself while serving as a team leader with the First Platoon, Company A. While on a combat mission his platoon came under heavy barrage of automatic weapons fire from a concealed company-size enemy force. Volunteering to escort two wounded comrades to an evacuation point, McDonald crawled through intense fire to destroy with a grenade an enemy automatic weapon threatening the safety of the evacuation. Returning to his platoon, he again volunteered to provide covering fire for the maneuver

of the platoon from its exposed position. Realizing the threat he posed, enemy gunners concentrated their fire on McDonald's position, seriously wounding him. Despite his painful wounds, McDonald recovered the weapon of a wounded machine gunner to provide accurate covering fire for the gunner's evacuation. When other soldiers were pinned down by a heavy volume of fire from a hostile machine gun to his front, McDonald crawled toward the enemy position to destroy it with grenades. He was mortally wounded in this intrepid action. McDonald's gallantry at the risk of his life which resulted in the saving of the lives of his comrades, is in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit, and the U.S. Army"; and

Whereas, PFC McDonald is McDowell County's only Medal of Honor recipient; and

Senate Concurrent Resolution No. 22, Requesting DOH name bridge in Kanawha County “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”.

And reports back a committee substitute for same as follows:

Com. Sub. for Senate Concurrent Resolution No. 22 (originating in the Committee on Transportation and Infrastructure)—Requesting the Division of Highways to name the bridge on highway U. S. 214 South, Oakhurst Drive and Deer Oaks Road in Kanawha County, Bridge No. 20-214-7.97, the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”.

Whereas, Joseph Albert “Joey” King, Jr., died in the line of duty as a volunteer firefighter on December 4, 2011, when he fell to his death from a bridge while looking for a fire. Joey was very dedicated to the Davis Creek and Ruthdale volunteer fire departments and the safety of his community. The first left from this bridge going south is the road that Joey traveled for years to and from home and work; and

Whereas, Joseph Albert “Joey” King, Jr., was born on August 28, 1951, in Charleston, West Virginia, the son of Joseph and Betty Jo King. He grew up with his parents and his siblings: Arietta, Diana, Bethel and Linnie “Curley”. Joey was blessed to have three children: Edna, Joey III and LeAnne. Joey’s beloved only son passed away at age twelve in 1988. Joey later met his longtime companion, Sonja Kay, and helped raise her son, Anthony. Joey

loved to travel to Florida on his motorcycle to visit his daughter and spend time with his granddaughters, Amanda and Skyler. He loved to ride and was a member of the Patriot Guard and The Red Knights motorcycle clubs. Joey spent many years working at Copley's Wrecker Service. He later worked for the City of Charleston Sanitary Board as a mechanic, before retiring for health reasons. Joey served as a volunteer and took pride in being a firefighter. He found a way to help people and the community by becoming a volunteer firefighter, a task that lasted for the last seven years of his life; and

Whereas, Joey originally started at the fire department to get Anthony interested in something worthwhile and positive. However, he soon realized that he had a knack for what a volunteer fire department does—helping people. He became not only a firefighter, but a great friend to many members of the department. He saw that he could use his mechanical skills to benefit the fire department by caring for the equipment. Most people will never realize how valuable an asset Joey was to the fire department. To his brother firefighters, he was a friend, brother and mentor, with many looking to him for personal advice to help them to get through life. One man stated at the memorial service that Joey was a “first responder” before there was such a thing, the man you wanted at an accident scene. On a lighter note, Joey loved to tease and play practical jokes on others. He enjoyed taking his nieces' sons and granddaughters to his garage, sitting them on his motorcycle or taking them to the firehouse and putting them in the fire truck. Joey was always there for someone in need. People have said he was the nicest guy they knew and could never be replaced. Never once did he hesitate to help anyone in need of help; and

Whereas, It is only fitting that we honor Joseph Albert “Joey” King, Jr., for his dedication to the Davis Creek and Ruthdale volunteer fire departments and the safety of his community, and for his contributions to his community; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is hereby requested to name the bridge on highway U. S. 214 South, Oakhurst Drive and Deer Oaks Road in Kanawha County, Bridge No. 20-214-7.97, the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “Joseph Albert ‘Joey’ King, Jr., Memorial Bridge”; and, be it

Further Resolved, That the Clerk of the Senate is hereby directed to forward a copy of this resolution to the Secretary of the Department of Transportation and to the children, surviving relatives and companion of Joseph Albert “Joey” King, Jr.

And,

Com. Sub. for Senate Concurrent Resolution No. 29 (originating in the Committee on Transportation and Infrastructure)—Requesting the Division of Highways to name the bridge designated bridge number 20-64-54.37 the “Army Cpl. Kenneth R. Hess Bridge”.

Whereas, Cpl. Kenneth R. Hess was born on May 21, 1921, in Buena Vista, Virginia; and

Whereas, Cpl. Kenneth R. Hess was inducted into the United States Army on August 6, 1942, at the age of twenty-one; and

Whereas, Cpl. Kenneth R. Hess spent eleven months overseas, serving in England, France, Belgium, Holland and Germany during the Second World War; and

Whereas, Cpl. Kenneth R. Hess was a member of Company D of the 377th Infantry Regiment of the 95th Infantry Division organized in Texas; and

Whereas, The members of the 95th Infantry Division are known as the “Iron Men of Metz”, and renowned for fighting back fierce German counterattacks and for the eventual liberation of the town of Metz, in the northeast of France; and

Whereas, The people of Metz, and of France, have never forgotten the contributions of the Iron Men of Metz; and

Whereas, In honor of his service, which included maintaining and repairing weapons of an infantry heavy weapons company, Cpl. Kenneth R. Hess was honored by the French government with the *Orde National de la Legion d’Honneur*, presented to him in a ceremony at the French Embassy in Washington, D. C.; and

Whereas, Cpl. Kenneth R. Hess was also honored by the United States Army with a Good Conduct Medal, three Bronze Service Stars, France and Germany Theater Ribbons and an American Theater Ribbon; and

Whereas, Cpl. Kenneth R. Hess was honorably discharged from the United States Army on November 11, 1945; and

Whereas, Cpl. Kenneth R. Hess returned to the United States, where he worked for thirty-eight years as a millwright at Union Carbide until his retirement; and

Whereas, It is fitting and proper that the outstanding service to his country by Cpl. Kenneth R. Hess be honored by naming the bridge designated bridge number 20-64-54.37 the “Cpl. Kenneth R. Hess Bridge”; therefore, be it

Resolved by the Legislature of West Virginia:

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the bridge as the “Army Cpl. Kenneth R. Hess Bridge”; and, be it

Your Committee on Transportation and Infrastructure has had under consideration

Senate Concurrent Resolution No. 18, Requesting DOH name portion of State Route 20 in Wyoming County “David and Janet Lee Memorial Highway”.

And reports back a committee substitute for same as follows:

Com. Sub. for Senate Concurrent Resolution No. 18 (originating in the Committee on Transportation and Infrastructure)—Requesting the Division of Highways to name a stretch of highway in Wyoming County, West Virginia, on State Route 20, just across the Wyoming County line approximately one mile to just past Ikes Fork Freewill Baptist Church, the “David and Janet Lee Memorial Highway”.

Whereas, David E. Lee, Sr., was born in Ikes Fork, West Virginia, May 16, 1927, the youngest son of John and Millie Lee. He served in the United States Air Force and was a proud veteran of World War II and the Korean War. He married his beloved wife Janet December 9, 1949, and they shared fifty-three wonderful years together until her death in 2004. After his military service, David utilized the GI Bill and graduated from Marshall College in 1959. After working for the IRS in Chicago, Illinois, David and Janet moved back to West Virginia in 1963 where they remained until their deaths. David began a thirty-year teaching career in 1963 at Coal Mountain School, Huff Consolidated and Baileysville High School where he touched the lives of the many students he taught and coached. He served two terms on the Wyoming

County Board of Education after his retirement, continuing to be an advocate for the students and public education. Affectionately known as “Poppy”, David cherished his four sons, David Jr., Dale, Dean and Dante, and his grandchildren, JL, Tiffany, Chelsea, Aaron, Danielle, Jessica, Brittany, Drew and Kendra and his great grandchildren, John David, Katie, Isabella and Colton. David was active in his church and community and was always willing to help his neighbors. Janet Riffe Lee was born September 13, 1933, the daughter of John and Cara Riffe. She owned a restaurant and flower shop until she became a cook in the Wyoming County school system and at the Wyoming County Jail. Known for her great cooking, she served the students with a smile and a special touch of believing in them. She devoted her life to David and her boys as well as her grandchildren. She was active in her church and community and was a compassionate shoulder for those in need. They say “behind every great man is an even greater woman pushing him”. That was never more true than for David and Janet. She was truly the strong force that kept the family together. David passed away on April 16, 2012; and

Whereas, It is fitting to honor David and Janet Lee by naming a stretch of highway in Wyoming County, West Virginia, on State Route 20, just across the Wyoming County line approximately one mile to just past Ikes Fork Freewill Baptist Church, for David and Janet Lee; therefore, be it

Resolved by the Legislature of West Virginia:

That the Legislature hereby requests the Division of Highways to name a stretch of highway in Wyoming County, West Virginia, on State Route 20, just across the Wyoming County line approximately one mile to just past Ikes Fork Freewill Baptist Church, the “David and Janet Lee Memorial Highway”; and, be it

Further Resolved, That the Division of Highways is hereby requested to have made and be placed signs identifying the stretch of highway as the “David and Janet Lee Memorial Highway”; and, be it

Senate Resolution No. 50—Calling upon Patriot Coal to live up to their obligations to active and retired miners, their families and widows.

Whereas, The United Mine Workers of America has secured health care and pensions for retired coal miners and widows through decades of collective bargaining; and

Whereas, The gains made for working miners as a result of collective bargaining are now being threatened through the use of the bankruptcy proceedings; and

Whereas, Peabody's spin off of Patriot Coal jeopardizes the current collective bargaining agreement for active UMWA members at Patriot operations; and

Whereas, Peabody's spin off of Patriot Coal jeopardizes retiree pensions and health care via Patriot's bankruptcy action; and

Whereas, Actions taken by Peabody and Arch to shed themselves of promised health and retirement benefits through corporate schemes could also hurt coal retiree's pensions and health care; and

Whereas, The loss of promised health care and retirement benefits jeopardizes the health and security of UMWA active, laid off and retired members and their dependants; and

Whereas, The loss of promised health care and retirement benefits, if not addressed, could push many local communities into a financial crisis; and

Whereas, All coalfield communities have a significant interest in fighting to maintain retiree pensions and health care for our citizens; therefore, be it

Resolved by the Senate:

That the Senate hereby calls upon Patriot Coal to live up to their obligations to active and retired miners, their families and widows; and, be it

Further Resolved, That the West Virginia Senate pledges the United Mine Workers of America and its membership to join in the fight to protect and maintain mine workers' pensions and health care from assaults by these and other coal operators; and, be it

Further Resolved, That the West Virginia Senate calls upon Peabody, Arch and Patriot to live up to their obligations to provide coal miners' health care and retirement security; and, be it

Further Resolved, That the West Virginia Senate calls upon others to assist in preventing these corporations from stripping from active, laid off and retired coal miners their contractually promised lifetime health care benefits.

At the request of Senator Unger, unanimous consent being granted, the resolution was taken up for immediate consideration, reference to a committee dispensed with, and adopted.

At the request of Senator Cann, unanimous consent being granted, Senators Cann and Facemire offered the following resolution from the floor:

Whereas, Salem College, now known as Salem International University, sits on one hundred beautiful acres of land nestled in the mountains of West Virginia; and

Whereas, Salem International University's mission is to prepare global citizens with broad knowledge, marketable professional skills and the ability to make decisions with integrity and an international perspective; and

Whereas, Salem International University's goals are to provide effective educational experiences; design and maintain a unique environment conducive to developing an international citizen; select, support and develop human resources consistent with excellence in leadership, scholarship and work and life skills; and improve student learning, facilitate improvements in teaching and corroborate institutional effectiveness; and

Whereas, Salem International University's list of alumni include CEOs for national and international companies, professional athletes, business executives, educators and even a state governor; and

Whereas, Salem International University has a tradition of academic excellence and innovation and is a valuable asset to the State of West Virginia; and

Whereas, The Senate hereby acknowledges the contributions of Salem International University to the State of West Virginia; therefore, be it

Resolved by the Senate:

That the Senate hereby recognizes Salem International University on the occasion of its 125th Anniversary; and, be it

Whereas, Over the past three decades, from June 1979 to December 2009, eight million manufacturing jobs have been lost; and

Whereas, Josh Miller found that nearly fifty-four percent of the apparel industry jobs have been lost over the past 4 1/2 years which directly effect other businesses such as cut-and-sew companies and mills; and

Which communication was received and referred to the Committee on Confirmations and incorporated with the executive nominations received earlier this session; all to be considered as a special order of business for Saturday, April 13, 2013, at 11 a.m.

The Senate proceeded to the fourth order of business.

Senator Williams, from the Committee on Economic Development, submitted the following report, which was received:

Your Committee on Economic Development has had under consideration

Senate Concurrent Resolution No. 41 (originating in the Committee on Economic Development)—Requesting the Joint Committee on Government and Finance study the critical access need for emergency electric generators; the best methods to ensure that businesses, public services and citizens have access to such emergency electric generators; and the feasibility of a tax credit to offset the costs of purchasing such emergency electric generators.

Whereas, Recent natural events, including the derecho of June 2012, have increased the awareness of and need for emergency electric generators in West Virginia; and

Whereas, The rural and mountainous terrain of much of West Virginia slows the restoration of electric service following natural disasters and other natural events, further underscoring the importance of access to emergency electric generators; and

Whereas, Future preparedness for potential natural disasters and emergencies requires increased access to emergency electric generators; and

Whereas, Uninterrupted access to certain critical services and goods, including health care, water, food and fuel, during emergency situations is an essential element in ensuring the safety and well being of the citizens of West Virginia; and

Whereas, The cost of purchasing an emergency electric generator can be very expensive, especially to small businesses and individual citizens; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study the critical access need for emergency

electric generators; the best methods to ensure that businesses, public services and citizens have access to such emergency electric generators; and the feasibility of a tax credit to offset the costs of purchasing such emergency electric generators; and, be it

Further Resolved, That the West Virginia Division of Homeland Security is requested to assist the Joint Committee on Government and Finance in its study of emergency electric generators; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2014, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

And reports the same back with the recommendation that it be adopted; but with the further recommendation that it first be referred to the Committee on Rules.

Respectfully submitted,

Bob Williams,
Chair.

Senator Snyder, from the Committee on Government Organization, submitted the following report, which was received:

Your Committee on Government Organization has had under consideration

Senate Concurrent Resolution No. 42 (originating in the Committee on Government Organization)—Requesting the Joint Committee on Government and Finance study the state’s purchasing process and procedures, including the possible adoption of the Model Procurement Act.

Whereas, It has been brought to the attention of the Legislature that the purchasing and procurement processes of the state are unclear; and

Whereas, There is some discrepancy in the best purchasing process for the state, and a study may produce a procedure or refine an existing procedure conducive to efficient spending; and

Whereas, Other states employ and advocate procurement methods that differ from that of West Virginia; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study the state’s purchasing process and procedures, including the possible adoption of the Model Procurement Act; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2014, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

And reports the same back with the recommendation that it be adopted; but with the further recommendation that it first be referred to the Committee on Rules.

Respectfully submitted,

Your Committee on Government Organization has had under consideration

Senate Concurrent Resolution No. 43 (originating in the Committee on Government Organization)—Requesting the Joint Committee on Government and Finance study the feasibility of regional testing for examinations given by state agencies, boards, commissions and entities and Chapter 30 boards.

Whereas, Most examinations given by state agencies, boards, commissions and entities and Chapter 30 boards are predominantly administered in Charleston; and

Whereas, Having to travel to Charleston creates a hardship for the citizens of West Virginia due to the significant driving distance to the capital city; and

Whereas, Providing for the administration of tests regionally and/or online may better serve the citizens of West Virginia; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study the feasibility of regional testing for examinations given by state agencies, boards, commissions and entities and Chapter 30 boards; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2014, on its findings, conclusions and recommendations, together with drafts of any legislation necessary to effectuate its recommendations; and, be it
