INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Pocahontas County Senior Citizens, Inc.
Marlinton, West Virginia

We have audited the accompanying financial statements of Pocahontas County Senior Citizens, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pocahontas County Senior Citizens, Inc. as of September 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of revenues and support and schedule of expenditures of state awards are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 13, 2019, on our consideration of Pocahontas County Senior Citizens, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pocahontas County Senior Citizens, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies

The Pocahontas County Senior Citizens, Inc. is a nonprofit organization whose purpose is to improve the quality of life for senior citizens in Pocahontas County, West Virginia. The purpose of the Organization is to study and document the needs of the seniors, to encourage, promote and aid in the establishment of programs for the seniors, to conduct programs of public education in the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is implementing.

This summary of significant accounting policies of the Pocahontas County Senior Citizens, Inc. is presented to assist in understanding the Organization's financial statements. The financial statements and notes are the representation of management, who is responsible for their integrity and objectivity.

Basis of Accounting

The financial statements of Pocahontas County Senior Citizens, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

Note 1. Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The Organization has adopted a \$ 5,000 capitalization policy whereby all property and equipment over \$ 5,000 is depreciated using the straight-line method over its estimated useful life. In addition, all property and equipment purchased with grant monies must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Federal grant awards are classified as refundable advances until expended for the purposes of the grants since they are conditional promises to give.

Federal and State Grant Revenues

Grants Monies are received on a reimbursement basis; this is utilized for Title III-B, Title III-D, Title III-E, Title VII, and LIFE grants. Upon completion of a grant year, any unexpended grants have to be approved for carryover to the next grant year.

Title III-C monies are received on a meal reimbursement basis but not to exceed the total grant award. Lighthouse and FAIR are drawn down per unit of service as are Medicare and Waiver personal care services. The Division of Public Transit provides Federal Transit Administration, Section 5310 funding to purchase transportation services from Pocahontas County Senior Citizens, Inc. on a reimbursement basis, per service mile. The services are to be provided to seniors and individuals with disabilities

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Directors of
Pocahontas County Senior Citizens, Inc.
Marlinton, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pocahontas County Senior Citizens, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 13, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pocahontas County Senior Citizens, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pocahontas County Senior Citizens, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pocahontas County Senior Citizens, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

The Board of Directors of
Pocahontas County Senior Citizens, Inc.
Marlinton, West Virginia

In planning and performing our audit of the financial statements of Pocahontas County Senior Citizens, Inc. for the year ended September 30, 2018, we considered the Organization's internal control structure to plan our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control structure.

However, during our audit, we noted certain matters involving internal control structure and other operational matters that are presented for your consideration. This letter does not affect our report dated August 13, 2019, on the financial statements of Pocahontas County Senior Citizens, Inc.

We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control structure or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Segregation of Duties

We noted that two employees are responsible for most of the accounting and financial duties. As a result, many aspects of the internal accounting control which rely upon an adequate segregation of duties are, for all practical purposes, missing in Pocahontas County Senior Citizens, Inc. We recognize that the Organization is not large enough to make the employment of additional people for the purpose of segregating duties practicable from a financial standpoint, but we are required, under our professional responsibilities to describe the situation.

We wish to thank the Director and his staff for their support and assistance during our audit.

This report is intended solely for the information and use of the Board of Directors, management, and others within the Organization.

Buckhannon, West Virginia
