### **OLD BUSINESS**

#### **TOPIC: Applications for OTR Board position**

**FINDINGS/CONCLUSIONS:** Board reviewed applications received. All resumes mailed to Governor's office with letter requesting re-appointments and appointment of OTR representative. Multiple emails have been sent regarding status. No appointments made per 9/16/13 email. No response to 11/14/13 email. No response from Governor's office to May 6<sup>th</sup> email.

**ACTION/FOLLOW-UP: Determine new contact in Governor's office. Continue to follow up regarding status of appointments.**

#### **TOPIC: Legislative Performance Audit**

**FINDINGS/CONCLUSIONS:** Package of information sent in response to letter requesting information for entrance conference. Entrance conference held 3/21 via phone. Expect to complete audit process in June. Audit report presented to Interim Committee 10/9/12. Audit report reviewed by Board. Mailed CD with past Annual Reports to Governor's office 1/25/13.

**ACTION/FOLLOW-UP: Continue to follow up on auditor recommendations as appropriate. Work with STO to explore alternative cash receipts handling methods (i.e. credit card payments, scanning of checks, lockbox, etc.)**

#### **TOPIC: Online renewal applications**

**FINDINGS/CONCLUSIONS:** Initial discussions with STO have raised a few issues, i.e. inability to attach documents or photos, OTR unable to sign COTA applications, convenience fee to cover merchant fees to accept credit cards. Board agreed the convenience fee could be absorbed by the Board. Also agreed the OTR signature is an important requirement for COTA renewals. Agreed to explore other options to gain OTR approval of COTA applications. Attended presentation by System Automation 9/12/13.

**ACTION/FOLLOW-UP: Research systems recently purchased by Board of Osteopathic Medicine, Board of Medicine, and Engineering Board.**

#### **TOPIC: On-line Defensive Driver Training**

**FINDINGS/CONCLUSIONS:** Board members and staff required to complete online defensive driver training from WV BRIM. **Kathy, Bambi, Vonda, and Phil completed training.**

**ACTION/FOLLOW-UP: None.**

**TOPIC: Regulation of Athletic Trainers**

**FINDINGS/CONCLUSIONS:** During the Legislative session, it was requested that a study be authorized on the regulation of athletic trainers, based on the introduction of HB 4413. The Board reviewed the proposed changes of HB 4413 as related to the regulation of athletic trainers and expressed concerns with the broad, vague definition of the “Practice of athletic training” as “services performed for physically active patients...” and the lack of detail as to “appropriate education and training”. Without further clarity as to the scope of practice, this definition would allow the opportunity to easily infringe on the practice of occupational therapy. The Board is also concerned that occupational therapy was not included in the list of professions protected from the practice of athletic trainers. Phil motioned the Board send letter during appropriate comment period expressing concerns. Bambi seconded. Vote 5-0.

**ACTION/FOLLOW-UP: Research process for submitting comments. Follow study and submit concerns at the appropriate time. Contact Legislative Auditor’s office regarding status and to determine where the bill originated.**

**TOPIC: Board sponsored CE conference**

**FINDINGS/CONCLUSIONS:** Information received from Flatwoods Conference Center regarding facility/meal prices. Dates not available at Flatwoods. Inquired about dates at Bridgeport Conference Center, Stonewall Jackson Resort, and Charleston Marriott. Received quotes from BCC and Marriott. Contacted NBCOT and AOTA regarding speakers.

**ACTION/FOLLOW-UP: Board agreed to hold conference on Friday, March 27, 2015 at the Bridgeport Conference Center, due to the central location.**

**NEW BUSINESS**

**TOPIC: Safety Policy Review**

**FINDINGS/CONCLUSIONS:** Board reviewed safety policy.

**ACTION/FOLLOW-UP: None.**

**TOPIC: NBCOT Annual Conference**

**FINDINGS/CONCLUSIONS:** Conference scheduled for October 24-25, 2014 in Alexandria, VA.

**ACTION/FOLLOW-UP: Marty to check schedule and get back to Vonda. As of 9/23, all rooms were sold out at conference hotel. Same weekend as WVOTA conference. Will not send representative this year.**

**TOPIC: OT’s role in medication management.**

**FINDINGS/CONCLUSIONS:** Board reviewed emails from COTA expressing concerns regarding medication management expectations. Also reviewed information obtained from supervising OT, AOTA, and Director of Regulations at facility, who also noted that the COTA is no longer working there. Board found no issues with how the role of occupational therapy in medication management was being applied at the facility.

**ACTION/FOLLOW-UP: Send response to COTA.**

**TOPIC: OccupationalTherapy.com**

**FINDINGS/CONCLUSIONS:** Board reviewed request to add link to website.

**ACTION/FOLLOW-UP: Gene motioned to add link to continuing education section of website. Bambi seconded. Vote 5-0.**

**TOPIC: Purchasing & Pcard audits**

**FINDINGS/CONCLUSIONS:** Both audits initiated last week of August.

**ACTION/FOLLOW-UP: Respond to findings as necessary.**

## **OLD BUSINESS**

### **TOPIC: Applications for OTR Board position**

**FINDINGS/CONCLUSIONS:** Board reviewed applications received. All resumes mailed to Governor's office with letter requesting re-appointments and appointment of OTR representative. Multiple emails have been sent regarding status. No appointments made per 9/16/13 email. No response to 11/14/13 email. No response from Governor's office to May 6<sup>th</sup> email. New contact is Melissa Parsons. Info regarding expired terms sent to Grady Bowyer 10/29/14 to forward to Legislature and Governor's office.

**ACTION/FOLLOW-UP: None.**

### **TOPIC: Legislative Performance Audit**

**FINDINGS/CONCLUSIONS:** Package of information sent in response to letter requesting information for entrance conference. Entrance conference held 3/21 via phone. Expect to complete audit process in June. Audit report presented to Interim Committee 10/9/12. Audit report reviewed by Board. Mailed CD with past Annual Reports to Governor's office 1/25/13.

**ACTION/FOLLOW-UP: Continue to follow up on auditor recommendations as appropriate. Work with STO to explore alternative cash receipts handling methods (i.e. credit card payments, scanning of checks, lockbox, etc.)**

### **TOPIC: Online renewal applications**

**FINDINGS/CONCLUSIONS:** Initial discussions with STO have raised a few issues, i.e. inability to attach documents or photos, OTR unable to sign COTA applications, convenience fee to cover merchant fees to accept credit cards. Board agreed the convenience fee could be absorbed by the Board. Also agreed the OTR signature is an important requirement for COTA renewals. Agreed to explore other options to gain OTR approval of COTA applications. Attended presentation by System Automation 9/12/13.

**ACTION/FOLLOW-UP: Research systems recently purchased by Board of Osteopathic Medicine, Board of Medicine, and Engineering Board.**

### **TOPIC: Regulation of Athletic Trainers**

**FINDINGS/CONCLUSIONS:** During the Legislative session, it was requested that a study be authorized on the regulation of athletic trainers, based on the introduction of HB 4413. The Board reviewed the proposed changes of HB 4413 as related to the regulation of athletic trainers and expressed concerns with the broad, vague definition of the "Practice of athletic training" as "services performed for physically active patients..." and the lack of detail as to "appropriate education and training". Without further clarity as to the scope of practice, this definition would allow the opportunity to easily infringe on the practice of occupational therapy. The Board is also concerned that occupational therapy was not included in the list of professions protected from the practice of athletic trainers. Phil motioned the Board send letter during appropriate comment period expressing concerns. Bambi seconded. Vote 5-0.

Contacted Legislative Auditor's office 10/29/14; bill originated in House Gov Org; doesn't appear to have passed; not aware of a study being done. No response received from emails sent to Steve Thompson in House Gov Org 10/30 and 11/6. **No action taken in 2015 Legislative session.**

**ACTION/FOLLOW-UP: No further action required at this time.**

**TOPIC: Board sponsored CE conference**

**FINDINGS/CONCLUSIONS:** Information received from Flatwoods Conference Center regarding facility/meal prices. Dates not available at Flatwoods. Inquired about dates at Bridgeport Conference Center, Stonewall Jackson Resort, and Charleston Marriott. Received quotes from BCC and Marriott. Contacted NBCOT and AOTA regarding speakers. Board agreed to hold conference on Friday, March 27, 2015 at the Bridgeport Conference Center, due to the central location. All speakers confirmed. Reviewed and made modifications to registration form. Agreed on purchase of Certificates, name badges, portfolios.

**ACTION/FOLLOW-UP: Review evaluation forms at next Board meeting.**

**PURCHASE CARD TRANSACTIONS**

The Board reviewed all purchases made on the Purchase Card since the last board meeting. Gene motioned to accept all purchases. Phil seconded. Vote 5-0.

If your current license expires 12/31/14, it is now time to renew your license to continue practicing Occupational Therapy in WV. If you are due for renewal, you will find the renewal application and information related to continuing competency requirements enclosed.

To assure receiving your new license cards prior to January 1, 2015, submit your properly completed application no later than December 1, 2014. The Board recommends that you make copies of your renewal application before mailing it. Renewal applications must be postmarked by December 31, 2014 to avoid late fee.

## Continuing Education

License renewal requires 24 hours of continuing education and competency activities, as it has been two years since your last renewal. If you obtained your initial WV license in 2013, you only need 12 hours of continuing education hours.

The enclosed summary of the broad variety of activities you may claim is included to aid in the completion of your renewal application. Please note that there is a maximum allowable credit for some activities. This is intended to encourage a varied competency experience. Six (6) excess contact hours may carry over from one licensure period to the next immediate renewal period. Therefore, if you have excess CE hours from 2012, you may list up to six of these hours on your renewal application.

The Board conducts a random audit of continuing education credits annually. If you have been selected

to participate in this audit, further instructions are attached to your renewal application. Copies of continuing education documents are only required to be returned with your renewal application if you have been selected for this audit.

WVBOT does not require a licensee or provider to obtain pre-approval of courses by the Board. Acceptable courses must be related to the practice and theory of occupational therapy and be relevant to the licensee's area of practice.

**Courses that DO NOT meet the CE requirements include ethics courses, training in coding, billing, and payment systems, such as Medicare courses, CPR, and first aid training.** Although these courses may be beneficial, and the Board certainly does not discourage them, please do not submit them on your renewal application to fulfill your continuing

## **Continuing Education Conference held in Bridgeport**

On Friday, March 27th, 168 OT's and OTA's from around the state attended a Continuing Education Conference sponsored by the Board at the Bridgeport Conference Center. The Board would like to thank all those who joined us for the day, with a special thanks to Amanda Acord-Vira, Diana Davis, Suzanne Holsen, Maricris Miller, and Molly O'Dell, who were among our speakers.

The feedback from the conference was very positive, with some good suggestions for possible future conferences. Attendees seemed to appreciate the quality of the courses, the free CE hours, as well as the opportunity to interact with other practitioners from around the state. The food was a big hit, too!

In order to offer future conferences, the Board would like to hear from any licensees who may be interested in speaking, or have a recommendation for a speaker. Please call 304-285-3150 or email [help@wvbot.org](mailto:help@wvbot.org).

*The purpose of the WV Board of Occupational Therapy is to protect consumers and promote quality of occupational therapy services, and to assure the highest degree of professional care and conduct on the part of occupational therapists and occupational therapy assistants. The continuing competency requirements set forth in the WV Occupational Therapy Practice Act and Legislative Rules are designed to support this purpose and all practitioners licensed by the Board are subject to such requirements.*

# Continuing Competency Tools from NBCOT

One of the speakers at our conference was Shaun Conway, Director of Credentialing Services with NBCOT. Shaun introduced the NBCOT Navigator, a new continuing competency suite of tools available to all active NBCOT certificants through their online certification portal, MyNBCOT at <https://my.ncbot.org>. Upon completion of the tools, professional development units (PDU's) can be earned toward their next certification renewal. There is no charge for certificants, but they must maintain an active certification status. For a preview, please see the Navigator video clips and infographic at the link shown below.

<http://www.ncbot.org/public/news-events/news/2015/sneak-preview>

At the May 15th meeting of the WVBOT, the Board voted to accept PDU's earned through the NBCOT Navigator as Formal Self-Study CEU's for WV license renewal. If you are selected for the random audit, you will be able to print an electronic confirmation from NBCOT.

## ***Time for a New Photo.....***

Approximately every five years, the Board requires an updated photo be attached to renewal applications. The 2010 renewal year was the last time photos were updated. Therefore, a new photo will be required this year on the front page of your renewal application.

***Please note that applications received without a photo will be considered incomplete and returned to the licensee.***

## ***Keeping Your Records Up-To- Date***

Please notify the Board within 30 days of any change in your contact information. The easiest way to do this is to complete the Name/Address/Employment Change form found on our website, [www.wvbot.org](http://www.wvbot.org), and mail, email or fax it to the Board.

Those licensees requesting a name change with new license cards, are required to also submit a copy of the legal document authorizing the change, i.e. marriage certificate, divorce decree, or other official court documentation.

If your current license expires 12/31/15, it is now time to renew your license to continue practicing Occupational Therapy in WV.

If you are due for renewal, you will find the renewal application and information related to continuing competency requirements enclosed.

If you did not receive a renewal application in this packet, your current license should be valid through 12/31/16. If not, please call the office immediately at the number shown above.

As noted at the top of the application, the fee for a two-year license renewal is \$140 for an OT license and \$120 for an OTA license.

Your renewal application and associated fee must be returned to the Board office prior to the issuance of new license cards.

*You may not practice Occupational Therapy in WV after December 31, 2015 without the actual license cards in your possession.*

To assure receiving your new license cards prior to January 1, 2016, submit your properly completed application no later than December 1, 2015. The Board recommends that you make copies of your renewal application before mailing it. Renewal applications must be postmarked by December 31, 2015 to avoid late fee.

*Please do not mail your renewal application via an express or overnight service that requires a signature for delivery. This may delay delivery of your application.*

### **New Photo Required...**

Please note that a new photo is required this year on the front page of your renewal application. *Applications received without a photo will be considered incomplete and returned to the licensee.*

## Continuing Education

License renewal requires 24 hours of continuing education and competency activities, as it has been two years since your last renewal. If you obtained your initial WV license in 2014, you only need 12 hours of continuing education hours.

The enclosed summary of the broad variety of activities you may claim is included to aid in the completion of your renewal application. Please note that there is a maximum allowable credit for some activities. This is intended to encourage a varied competency experience. Six (6) excess contact hours may carry over from one licensure period to the next immediate renewal period. Therefore, if you have excess CE hours from 2013, you may list up to six of these hours on your renewal application.

The Board conducts a random audit of continuing education credits annually. If you have been selected to participate in this audit, further instructions are attached to your renewal application. Copies of continuing education documents are only required to be returned with your renewal application if you have been selected for this audit

WVBOT does not require a licensee or provider to obtain pre-approval of courses by the Board. Acceptable courses must be related to the practice and theory of occupational therapy and be relevant to the licensee's area of practice.

Courses that DO NOT meet the CE requirements include ethics courses, training in coding, billing, and payment systems, such as Medicare courses, CPR, and first aid training. Although these courses may be beneficial, and the Board certainly does not discourage them, please do not submit them on your renewal application to fulfill your continuing competency requirements.

### Disciplinary Actions

Investigations into complaints continue to be conducted as necessary to assure compliance to licensure laws and to protect the public.

The following disciplinary actions have been taken for violations of the Practice Act and/or Legislative Rules governing the practice of occupational therapy in WV.

Joshuah Ebert #1637      Consent Agreement

Benjamin Pitt #C1569      Consent Agreement

Please note that our standard mailing list includes only name, license number, and address.
