Reports From Supervising Physicians with Letters Requesting Termination of Consent Orders:

Reports were received from the Supervising Physicians for Jane Kelley-Tallman, D.O. and Brian McDevitt, D.O. Each physician also provided a letter requesting termination of their Consent Orders.

Jane Kelley-Tallman, D.O. has completed all requirements of her Consent Order, has requested termination of her Consent Order and has also submitted a letter of recommendation from her supervising physician, Michael A. Kelly, MD. Motion was made and unanimously approved to remove Dr. Kelley-Tallman from the Consent Order dated, May 18, 2018. **(Thymius/Adams)**

Brian McDevitt, D.O. has completed his two year probation as outlined in his Consent Order dated, February 28, 2017 and has submitted a letter requesting removal of the probationary status. Motion was made and approved to remove the Probationary Status from Dr. McDevitt's license. **(Muscari/Adams)**

NEW BUSINESS:

Executive Director Report:

- 1) Parting Letter from Thomas Steele, D.O.: The Board Office received a gracious letter from Thomas Steele, D.O. announcing his retirement and move to Salem, Virginia. He thanked the Board for their work and service to the osteopathic physicians and citizens of West Virginia.
- 2) Letter From Roland Chalifoux, Jr., D.O.: A letter was received from Dr. Chalifoux requesting guidance from the Board on the use of Hemp based CBD for chronic pain patients. If federal and state laws are followed regarding the use of CBD, the Board has no policy on what patients may benefit from its use. This is a decision between the physician and his/her patient. A letter will be forwarded to Dr. Chalifoux as requested.

- 3) Expanded Access to Hormonal Contraception: With the passage of HB2583 during the 2019 Legislative Session, Dr. Cathy Slemp, State Health Commissioner, requested an Osteopathic volunteer to serve on the committee to develop a self-screening risk assessment questionnaire. Dr. Tanner volunteered to work with the committee, but the meetings have not coordinated with his schedule.
- 4) Review of Application Questions Regarding Medical School: A board member, during the interview process, had identified several applicants misinterpreting the questions about any remediation, suspension, probation, expulsion or other types of disciplinary actions taken by their medical school. The same questions are used and have been approved as standardized questions for medical licensing applicants. Therefore, the Board took no action to revise the applications at this time.
- 5) Board Credit Card Dispute of Charges: The P-Card Coordinator noticed two \$10.64 charges to Gino's Pizza which were not authorized by her or the card holder. This was immediately reported to the P-Card Division and the credit care company. The Board P-Card was terminated and a new one issued.
- 6) Workforce Unemployment Appeal: The Executive Director had received an invoice from Workforce West Virginia for unemployment filed by the previous Licensure Analyst. The Executive Director filed an appeal and a phone hearing was held on August 1, 2019 with Hearing Examiner, Gregory W. Sproles. The former employee did not appear at the hearing and evidence was presented by the Executive Director, represented by Board Counsel. On August 7, 2019, the Board received the Hearing Examiner's decision which determined the employee was discharged for simple misconduct and is disqualified for unemployment for the week of discharge and the next six weeks.

The Board recessed from 10:30 AM until 10:40 AM.

Legislative Issues:

- 1) Recommended Changes to W.Va. Code 30-14:
 - A) Requirement for an AOA Internship - Revise §30-14-4
 - B) Temporary License - Eliminate §30-14-8
 - C) Statute of Limitations - Board Counsel will review for code or rule inclusion
 - D) Interviews and Acceptance of FCVS - Need to be addressed in a rule change
- 2) A) Use of Notification Agreements for Hospital-Based PA's - Emergency rules have already been activated to include the notification agreements for hospital-based physician assistants as required in SB668. The final rule will be approved at the 2020 Legislative Session.
- 3) A) Fee Schedule - Will not need revised at the 2020 Legislative Session due to the PA application changes because the cost of the notification agreements was addressed in SB668. However, the Fee Schedule rule was last reviewed in 2015 and, by statute, must be reviewed every five years. That will need to be done before the 2021 legislative session.

The Board moved into Executive Session at 11:25 AM with the Executive Director and Board Counsel present. (Adams/Thymius)

The Board moved back into Public Session at 12:00 PM. (Adams/Muscari)

REPORT FROM THE COMPLAINT COMMITTEE:

- Recommend Dismissals:** 2019-11; 2019-10; 2019-14;
2019-16 and 2019-07.
- Recommend Dismissal with Letter of Concern:** 2019-15 and 2018-15
- Recommend Suspension During Treatment:** 2019-08
- Implement Statute of Limitations:** 2019-05 and 2019-06
- Recommend New Complaints:**

- 1) **Complaint 2019-18 - WV Board of Pharmacy alleges physician never accesses CSMP before prescribing controlled substances.**
- 2) **Complaint 2019-19 - Pharmacist reports postdating of controlled substance prescriptions.**

Following the report of the August 2, 2019 Complaint Committee, the following committee recommendations were made and approved by the Board:

- A) **Complaints for Dismissal:** 2019-11; 2019-10; 2019-14; 2019-16 and 2019-07
- B) **Dismissals With Letters of Concern:** 2019-15 and 2018-15
- C) **Continue Investigation:** 2019-05 and 2019-06
- D) **New Complaints Issued:**
 - 1) **#2019-18: (Adams/Jones)**
 - 2) **#2019-19: (Adams/Thymius)**
 - 3) **#2019-20: (Muscari/Adams) Dr. Thymius recused herself from the room during discussion and vote.**

- Malpractice Reports:** Eleven (11) malpractice reports were reviewed with no further action required.
- CSMP Outliers:** One CSMP outlier report was received from the WV Board of Pharmacy. A letter will be forwarded to the physician requesting a response regarding his practice and prescribing.
- Vinson DiSanto, D.O.:** The Board continues to receive reports on Dr. DiSanto regarding disciplinary actions taken by other state medical licensing boards.
- Troy Balgo, D.O.:** Second declined Board invitation to a respond to questions about his reinstatement application. Dr. Balgo requested to respond to the Board in writing via an affidavit.
- Anna Dang, D.O.:** Dr. Dang was asked to appear before the Board at today's meeting. She requested to withdraw her application for licensure and it was granted.

ADJOURNMENT: The meeting was adjourned at 12:15 PM. (Muscari/Thymius)

NEW BUSINESS:

Executive Director Position:

A contract to secure the consulting services of Diana Shepard during the interim, while the search continues for an Executive Director, was presented. Ms. Shepard has agreed to provide services to the Board at a rate of \$50/hour during the Executive search and for a training period once a new Director is hired. The contract was approved as presented. (Thymius/Adams)

Interviews were conducted with two prospective candidates, but the Board requested another interview session to allow all board members to participate and to receive possible new candidates who meet the eligibility requirements. Possible dates for those interviews are January 6, 2020 or January 9, 2020. Contacts will be made with all board members as to the exact date and time. During the interview of candidates, the Executive Director and Board Counsel recused themselves and left the meeting.

Appointment of Interim IMLCC Commissioner:

With the retirement of Ms. Shepard the IMLCC Commissioner appointment for the West Virginia Board of Osteopathic Medicine also becomes vacant. The Board appointed Tiffany Thymius, D.O. as the interim Commissioner to the Interstate Medical Licensure Compact Commission. (Tanner/Adams)

Sharon Rowe, Public Member

Staff Members Present:

Jonathan Osborne – Executive Director
Chase Holcomb – Board Counsel

Absent:

Michael Muscari, D.O. – Physician Member
Heather Jones, PA-C - Phys. Asst. Member

NEW BUSINESS:

Executive Director Report:

- 1) Changes in Office Policies Due to COVID-19: Due to the outbreak of COVID-19 and the need for social distancing, the office has incorporated changes that allow office staff to work remotely whenever possible. The staff have setup a schedule for items that cannot be performed remotely and have communicated the changes to the public via the office voicemail and the Board's website.
- 2) Changes at WVPHMP Due to Covid-19: The WVPHMP is evaluating the need to make changes to certain face-to-face requirements for WVPHMP participants during the state of emergency and will keep the Board apprised of these changes.

Temporary Statutory and Rule Changes:

In an effort to maximize the number of physicians and physician assistants able to respond to the COVID-19 emergency, the Board voted to work with the Governor to waive statutory requirements and to waive the Board's rules to implement the following:

1. Establish Emergency Temporary Permit for use during states of emergency or states of preparedness related to public health.
(Thymius/Adams)
2. Allow out-of-state physicians and physician assistants who hold an unrestricted license in another state to qualify for an emergency temporary permit to practice in West Virginia during the state of emergency without a fee.
(Thymius/Adams)
3. Allow retired or inactive physicians or physician assistants who have not had their license revoked by the Board to qualify for an emergency temporary permit to practice in West Virginia during the state of emergency without a fee.
(Thymius/Adams)
4. Allow out-of-state physicians and physician assistants who are licensed in another state to practice telemedicine in West Virginia with an Emergency Temporary Permit during the state of emergency.
(Thymius/Adams)
5. Allow non-HIPPA compliant means of communication for the purpose of telemedicine during the state of emergency.
(Tanner/Rowe)
6. Allow the establishment of a physician-patient relationship via audio-only communication for the purpose of telemedicine during the state of emergency.
(Tanner/Rowe)

7. Immediately implement SB770 by removing certain requirements for initial licensure that may impede individuals from gaining a license in West Virginia.
(Thymius/Tanner)
8. Allow physician assistants greater flexibility by allowing changes to practice agreements and practice notifications to be communicated to the Board via simple email identifying new collaborative physicians or new practice locations and waive the fee for any changes during the state of emergency.
(Adams/Tanner)
9. Extend renewal period by six months provided that those intending to renew their license pay the fee by June 30th in order to notify the Board of the licensee's intent to renew.
(Thymius/Tanner)
10. Extend period for providing proof of required Continuing Medical Education by six months.
(Thymius/Tanner)

ADJOURNMENT: The meeting was adjourned at 2:30 PM. (Adams/Thymius)

Board declined to draft letter of support, however a motion was made and unanimously carried to provide a letter stating that physician is in compliance with his consent agreement with the Board and that working as a medical consultant in a role that does not require patient contact would not violate the physician's consent agreement with the Board. (Tanner/Jones)

Legislative Issues:

- 1) **Extension of Education Permit Deadline:**
The Board considered whether to extend the deadline for application of Education Permits. Discussion of the issue determined no apparent need at the present time. No action was recommended.
- 2) **Amendment of Legislative Rules:**
The Board reviewed Senate Bill 770 and the changes the bill made to Chapter 30, Article 14 of the West Virginia Code. A motion was made and unanimously carried to adopt the changes made by Senate Bill 770. (Adams/Tanner)
- 3) **Joint Standing Committee On Governemnt Organization Study:**
The Board reviewed a request by the Joint Standing Committee on Government Organization to provide information to the committee on several study topics regarding the combining of boards and board functions with other Chapter 30 boards. A motion was made and unanimously carried to have the executive director and counsel draft a response to the committee. (Adams/Tanner).
- 4) **Establishment of Legislative Committee:**
Board President, Robert Whitley, established a Legislative Committee for the purpose of providing expedited responses to legislators requesting information from the Board. Board Secretary, Sharon Rowe; Physician Member, Andy Tanner; and Physician Member Tiffany Thymius were appointed to serve as the members of the Legislative committee.

The Board moved into Executive Session at 2:30 PM with the Executive Director and Board Counsel present. (Adams/Thymius)

The Board moved back into Public Session at 3:30 PM. (Adams/Thymius)

C) New Complaints:

2020-28 Physician's hospital privileges suspended after peer review.

2020-29 Physician convicted of felony offense involving prescription drugs. **(Thymius/Adams) (Whitler and Tanner recused)**

Malpractice Reports:

Eight (8) malpractice reports were reviewed with no further action required.

William Earley, D.O.:

Physician entered guilty plea to the felony offense of distributing a quantity of a Schedule II controlled substance. The United States District Court for the Southern District of West Virginia deferred adjudication of guilt pending receipt of the pre-sentence investigation report. The Board will continue to monitor the case.

Chad Poage, D.O.:

Physician was convicted of the felony offense of obtaining controlled substances by fraud in the United States District Court for the Northern District of West Virginia. The Court entered judgment on November 4, 2019. W. Va. Code § 30-14-11(a)(1) requires the Board to revoke the license of an individual convicted of a felony offense that involves the transfer, delivery or illicit possession of a prescription drug. Physician has been under consent agreement with the Board by reason of same set of facts that resulted in physician's felony conviction. Physician has been compliant with all aspects of consent agreement and monitoring. A motion was made and unanimously carried to modify physician's existing consent agreement to include revocation of physician's license. (Adams/Thymius) (Tanner – opposed)

Katherine Asadi, D.O.:

Physician applied for Emergency Temporary Permit. Physician does not qualify for an Emergency Temporary Permit because she does not possess an active license in another jurisdiction, and she was not active continuously for the five-year period prior to going inactive in West Virginia. (Adams/Tanner)

Barton Adams, D.O.:

Physician applied for Emergency Temporary Permit. Physician does not qualify for an Emergency Temporary Permit because he does not possess an active license in another jurisdiction, and he was not active and unrestricted continuously for the five-year period prior to going inactive in West Virginia. (Thymius/Tanner)

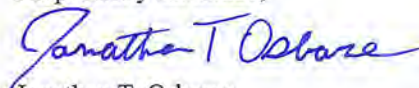

NEXT BOARD MEETING:

The next Board meeting will take place on July 21, 2020, at 9:00am.

ADJOURNMENT:

The meeting was adjourned at 4:30 PM. **(Muscari/Thymius)**

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE
Legislative Committee Meeting Minutes
February 8, 2021

The Legislative Committee of the West Virginia Board of Osteopathic Medicine met on Monday, February 8, 2021, in the 405 Capitol Street Board Conference Room with some Members appearing virtually.

Legislative Committee Chair, Sharon Rowe, called the business meeting to order at 8:30 AM.

Members Present:

Sharon Rowe, Secretary and Committee Chair
Andy Tanner, D.O. – Physician Member
Tiffany Thymius, D.O. – Physician Member

Staff Members Present:

Jonathan Osborne – Executive Director
Chase Holcomb – Board Counsel

The Legislative Committee discussed the following legislation and topics that could potentially be addressed during the 2021 Regular Session:

- 1) A bill allowing individuals licensed in another state to be granted automatic licensure by boards in West Virginia.
- 2) Creation of a telemedicine registration process whereby practitioners licensed in another state would be entitled to practice telemedicine in West Virginia as long as they registered with the appropriate licensure board. Such a bill could also address payment parity and allowing a physician-patient relationship to be established via audio-only means.
- 3) Codification of nurses' prescriptive authority.
- 4) Revisions to the Physician Assistants Practice Act, including allowing all physician assistants to practice under practice notifications rather than practice agreements.

The Legislative Committee directed Board staff to monitor any developments in proposed legislation and to report those developments, as necessary.

ADJOURNMENT:

The meeting was adjourned at 9:10 AM. (Tanner/Thymius)

Respectfully submitted,

Jonathan T. Osborne

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE
Legislative Committee Emergency Meeting Minutes
February 11, 2021

The Legislative Committee of the West Virginia Board of Osteopathic Medicine met on Thursday, February 11, 2021, at 405 Capitol Street, Suite 402 with some Members appearing virtually.

Legislative Committee Chair, Sharon Rowe, called the business meeting to order at 8:38 AM.

Members Present:

Sharon Rowe, Secretary and Committee Chair
Andy Tanner, D.O. – Physician Member
Tiffany Thymius, D.O. – Physician Member

Staff Members Present:

Jonathan Osborne – Executive Director
Chase Holcomb – Board Counsel

The Legislative Committee discussed the following legislation introduced during the 2021 Regular Session:

- 1) HB2004 – This bill would allow individuals licensed in another state to practice telemedicine upon registering with the appropriate board in West Virginia. The Committee noted it was unclear what the requirements would be for registration, as the bill does not define them. Board staff noted that Minnesota has a telemedicine registration statute that specifically outlines requirements and restrictions, including that the individual must be licensed in good standing in all other states and cannot establish a physical practice location in Minnesota pursuant to the registration.
- 2) SB1 – This bill would create a telemedicine registration process whereby practitioners licensed in another state would be entitled to practice telemedicine in West Virginia as long as they registered with the appropriate board. The bill would also allow a physician-patient relationship to be established via audio-only means. The bill would limit a patient to three telemedicine visits in a year without having an in-person encounter. The Committee questioned how that limit would be enforced.
- 3) HB2007 – This bill would allow individuals licensed in another state to obtain automatic licensure in West Virginia.

The Legislative Committee directed Board staff to monitor any developments and to report those developments, as necessary.

ADJOURNMENT:

The meeting was adjourned at 9:00 AM. (Thymius/Rowe)

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE
Legislative Committee Emergency Meeting Minutes
February 17, 2021

The Legislative Committee of the West Virginia Board of Osteopathic Medicine met on Wednesday, February 17, 2021, at 405 Capitol Street, Suite 402 with some Members appearing virtually.

Legislative Committee Chair, Sharon Rowe, called the business meeting to order at 7:35 AM.

Members Present:

Sharon Rowe, Secretary and Committee Chair
Andy Tanner, D.O. – Physician Member
Tiffany Thymius, D.O. – Physician Member

Staff Members Present:

Jonathan Osborne – Executive Director
Chase Holcomb – Board Counsel

The Legislative Committee discussed the following legislation introduced during the 2021 Regular Session:

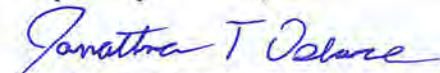

- 1) HB2004 – This bill would allow individuals licensed in another state to practice telemedicine upon registering with the appropriate board in West Virginia. The Committee Substitute for this bill passed the House Health & Human Resources Committee on February 12, 2021, with the recommendation that it do pass.
- 2) SB1 – This bill would create a telemedicine registration process whereby practitioners licensed in another state would be entitled to practice telemedicine in West Virginia as long as they registered with the appropriate board. The bill would also allow a physician-patient relationship to be established via audio-only means. The bill would limit a patient to three telemedicine visits in a year without having an in-person encounter. This bill was scheduled to be considered by the Senate Health & Human Resources Committee on February 17, 2021.
- 3) HB2311 – This bill would require that all prescriptions be made by electronic means, with some exceptions.

The Legislative Committee directed Board staff to monitor any developments and to report those developments, as necessary.

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE
Legislative Committee Emergency Meeting Minutes
March 22, 2021

The Legislative Committee of the West Virginia Board of Osteopathic Medicine met on Wednesday, February 17, 2021, at 405 Capitol Street, Suite 402 with some Members appearing virtually.

Legislative Committee Chair, Sharon Rowe, called the business meeting to order at 7:30 AM.

Members Present:

Sharon Rowe, Secretary and Committee Chair
Andy Tanner, D.O. – Physician Member
Tiffany Thymius, D.O. – Physician Member

Staff Members Present:

Jonathan Osborne – Executive Director
Chase Holcomb – Board Counsel

The Legislative Committee discussed the following legislation introduced during the 2021 Regular Session:

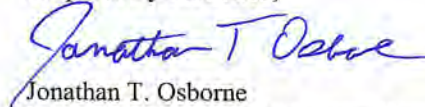

- 1) Senate Health & Human Resources Committee Originating Bill Regarding the Physician Assistants Practice Act – This bill would amend the Physician Assistants Practice Act by eliminating practice agreements and requiring all physician assistants to practice in collaboration with physicians under a practice notification. It was anticipated that the bill would be introduced in committee this week so that it could be passed in the Senate before Crossover Day. The Committee reviewed the bill and did not voice opposition to it.

The Legislative Committee directed Board staff to monitor any developments and to report those developments, as necessary.

ADJOURNMENT:

The meeting was adjourned at 7:40 AM. (Thymius/Tanner)

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE

NEWSLETTER

MARCH 30, 2020

Since the potential for an international spread of COVID-19 was announced, the Board has closely monitored developments and worked to identify impediments to a comprehensive and effective healthcare response. Following the states of emergency declared by the state and federal governments regarding the COVID-19 pandemic, the Board has implemented temporary measures designed to maximize the number of healthcare providers available during the emergency and to alleviate certain licensing requirements for the Board's licensees. This newsletter summarizes some of these important measures.

Licensees may contact the Board via email at wvbdosteo@wv.gov with questions regarding the COVID-19 actions or with other general concerns. The Board will also periodically update its website with new information as it develops.

Emergency Temporary Permits for DOs and PAs

To maximize the number of healthcare providers available during COVID-19 pandemic, the Board has developed procedures to grant emergency temporary permits to practice medicine to the following practitioners:

1. **Out-of-State Practitioners:** DOs and PAs who have no pending complaints, investigations, consent orders, board orders, or pending disciplinary proceedings and who possess valid, unrestricted medical licensure in another state, district, or territory of the United States; and
2. **Retired or Inactive Practitioners:** DOs and PAs who, at one time, possessed a license issued by the West Virginia Board of Osteopathic Medicine which was not revoked by the Board, but who are now retired or in inactive status.

The application for obtaining an emergency temporary permit will be located on the Board's website beginning on Monday, March 30th.

Individuals seeking emergency temporary permits may not begin practicing in West Virginia until they have received authorization from the Board. Individuals obtaining an emergency temporary permit shall be subject to the Board's jurisdiction for all purposes set forth in or related to the Board's rules and Chapter 30 of the West Virginia Code.

Emergency temporary permits will remain valid until terminated by the Board or the state of emergency is lifted in West Virginia, whichever occurs first. Individuals seeking full licensure by the Board, including retired and inactive licensees, must complete the appropriate application process and satisfy all applicable requirements. For more information regarding licensing, please utilize the licensing tab on the Board's website.

Physician Assistant Practice Agreements and Notifications

In recognition of the potentially fluid and dynamic nature of providing medical care during the COVID-19 emergency, the Board has temporarily suspended its formal procedures for creating or amending practice agreements and practice notifications. These changes will streamline the process by allowing the use of a simple email in place of the usual method of creating or amending practice notifications and agreements.

During the State of Emergency, PAs and hospital representatives must, at a minimum, notify the Board via email when a PA enters into new agreements or notifications or when a PA adds or changes collaborating physicians. **These changes may be made by simply emailing the Board with the following information:** PA's name, license number, and name(s) of new collaborating physicians and/or hospital/hospital representative. **The subject line of your email should be in the following form:** (PA Name) – Practice Agreement/Practice Notification Change

The Board has temporarily suspended the fees associated with practice agreements and practice notifications during the State of Emergency. The Board has also temporarily suspended the regulations that limit collaborating physicians to practice agreements with only five PAs at one time.

The scope of practice and prevailing standard of care applicable to PAs remain unchanged. These measures will remain in effect until terminated by the Board or the State of Emergency is lifted, whichever occurs first.

Extension of CME Deadline for Renewals

In order to reduce the burden on DOs and PAs responding to the COVID-19 emergency, the Board has temporarily suspended the upcoming deadlines for submitting proof of CME hours for a period of up to six (6) months. DOs and PAs who have not completed the CME requirements by the applicable deadline may apply CME hours obtained during the extension to the current reporting period. **However, in no event may CME hours be applied to more than one reporting period. DOs and PAs shall still be required to comply with all other renewal requirements by the original deadline, including filing an application and paying applicable fees.**

Extension of Educational Permit Renewal Period

In order to reduce the burden on residents responding to the COVID-19 emergency, the Board has temporarily extended the deadlines for renewing educational permits for a period of up to six (6) months. **Residents are still required to inform the Board of their intent to renew and must pay applicable fees by the original deadline.**

Change to Post-Doctoral Training Requirements

During the 2020 Regular Session, the West Virginia Legislature passed Senate Bill 770 which made changes to the Board's requirements for post-doctoral training to remove a requirement that will no longer be available to licensees after July 1, 2020 (AOA approved programs), and to remove the requirement that individuals graduating from ACGME programs have to complete 40 hours of CME prior to licensure that their M.D. counterparts do not have to complete. Because Senate Bill 770 is

not yet in effect, the Board has suspended the aforementioned requirements which may have posed obstacles to individuals wishing to practice in West Virginia during the COVID-19 pandemic. Applicants for licensure by the Board must successfully complete a minimum of one year of post-doctoral, clinical training in a program approved by the AOA or ACGME.

LICENSE RENEWALS DUE BY JUNE 30, 2021

Those with a June 30, 2021 license expiration date will need to complete an online renewal application which will be available at www.wvbdosteo.org beginning on May 1, 2021. You will receive a reminder email via the email address you have on file with the Board. If you need to update or check that the email address you have provided is up to date, please call the Board office.

If your license is up for renewal before June 30, 2021. **THIS IS YOUR ONLY REMINDER**, so go to our website, www.wvbdosteo.org after May 1, 2021 and complete your renewal(s) for license, CSL, PLLC, and/or Corporation. You will need to submit the following for license renewal:

- 1) 32 hours of CME of which 16 must be AOA Category I A or B hours;
- 2) Proof of a Board-Approved 3 hour course in Pain Prescribing completed between July 1, 2019 and June 30, 2021;
- 3) Payment of the \$125 PICF assessment fee (see exemptions on pg. 3)

NEW BOARD PRESIDENT

On April 1, 2021, the Board voted to approve the nominating committee's recommendation that Jimmy W. Adams, D.O., move into the role of Board President. Dr. Adams replaces outgoing Board President Robert Whitler, who served on the Board from September 2005 through April 2021. Dr. Adams also serves as Regional Assistant Dean with the West Virginia School of Osteopathic Medicine.

D.O. CONTINUING MEDICAL EDUCATION REQUIREMENTS

During each two-year licensing period, an osteopathic physician must complete 32 hours of continuing medical education. 16 of the required 32 hours must be AOA Category I A or B hours

In addition to the 32 hours of continuing medical education outlined above, licensees must also complete a Board-

Approved 3 hour course in Pain Prescribing.

At the time of renewal, licensees will be required to fill out an attestation that they have met these requirements.

Each year the Board conducts CME audits to ensure compliance with these requirements.

“Licensees must also complete a Board-Approved 3-hour course in Pain Prescribing”

DISPENSING CONTROLLED SUBSTANCES

As a reminder, please note the following limitations on the dispensing of controlled substances:

W. Va. Code § 60A-9-4(f) provides that when a practitioner dispenses a controlled substance to his or her own patient, the quantity “may not exceed an amount adequate to treat the patient for a maximum of 72 hours with no greater than two 72-hour cycles dispensed in any 15-day period of time.” That law further requires the dispensing practitioner to report the required information to the Controlled Substances Monitoring Program Database. Failure to observe these provisions may result in disciplinary action against the practitioner.

LEGISLATIVE UPDATE

2021 Legislative Session Overview

During the 2021 Regular Session, the West Virginia Legislature enacted a number of bills related to healthcare. As of the printing of this newsletter, most of the bills are still awaiting the Governor’s signature or veto.

HB2024 (Telemedicine) – This bill expands the practice of telemedicine to all “health care practitioners,” as defined in W. Va. Code § 30-1-26(a). The bill allows a physician-patient relationship to be established through audio-only means. It also requires a patient to have an in-person visit within 12 months of telemedicine encounter, with some exceptions. The bill prohibits prescribing of Schedule II Controlled Substances except for an “established patient,” which is defined as a “patient who has received professional services, face-to-face, from the physician, qualified health care professional, or another physician or qualified health care professional of the exact same specialty and subspecialty who belongs to the same group practice, within the past three years.” The bill also establishes a telemedicine registration process, whereby individuals licensed and in good standing in another state may apply to practice telemedicine in West Virginia. Individuals practicing under a telemedicine registration may not establish a physical practice in the state without first obtaining a full license. This bill was signed by the Governor and is now in effect.

SB714 (Physician Assistants) – This bill amends the Physician Assistants Practice Act by eliminating practice agreements and requiring all physician assistants to collaborate with physicians pursuant to a practice notification. Practice agreements in place by June 1, 2021 may remain active until June 1, 2022 or termination, whichever is earlier. The bill allows physician assistants to prescribe no more than a three-day supply, without refill, of a Schedule II Controlled Substance.

HB2262 (Controlled Substances) – This bill adds the requirement that practitioners who prescribe or dispense Schedule V Controlled Substances must obtain and maintain access to the Controlled Substances Monitoring Program Database. The bill was signed by the Governor and becomes effective May 31, 2021.

HB3311 (Medical Records) – The purpose of this bill is to limit the cost of obtaining medical records to a fee consistent with HIPAA.

HB2005 (Relating to No Surprises Act) – This bill authorizes the West Virginia Insurance Commissioner to enforce the federal No Surprises Act against insurers, providers, and facilities for violations of the Act.

HB2877 (Direct Healthcare Agreements) – The purpose of this bill is to expand direct healthcare agreements beyond primary care to include more medical care services.

HELPING PATIENTS COPE WITH SERIOUS LIFE LIMITING ILLNESS

UNDERSTANDING PALLIATIVE CARE

What is Palliative Care? It is NOT HOSPICE END OF LIFE CARE.

Palliative care is a Board Certified medical specialty for people with serious illness

Focused on providing relief from symptoms, pain, and stress of a serious illness

Provided by a team of doctors, advanced practice providers, nurses, social workers, counselors and other specialists to help navigate the challenges of coping with a serious life limiting illness

Also referred to as Supportive Care or Advanced Illness Care

Palliative care is appropriate at **ANY AGE** and at **ANY STAGE** in a serious illness, and can be **PROVIDED WITH CURATIVE TREATMENT** in **ANY SETTING**

Objectives of Palliative Care:

Assist in navigating patients and families with a serious life limiting illness

Improve quality of life and lower symptom burdens

Assist with quality measures and resource utilization

Assist with transitioning to End of Life Care (EOLC)

Palliative Care Tasks:

Work in partnership with the primary physician/provider

Devote time to intensive family meetings and patient/family counseling

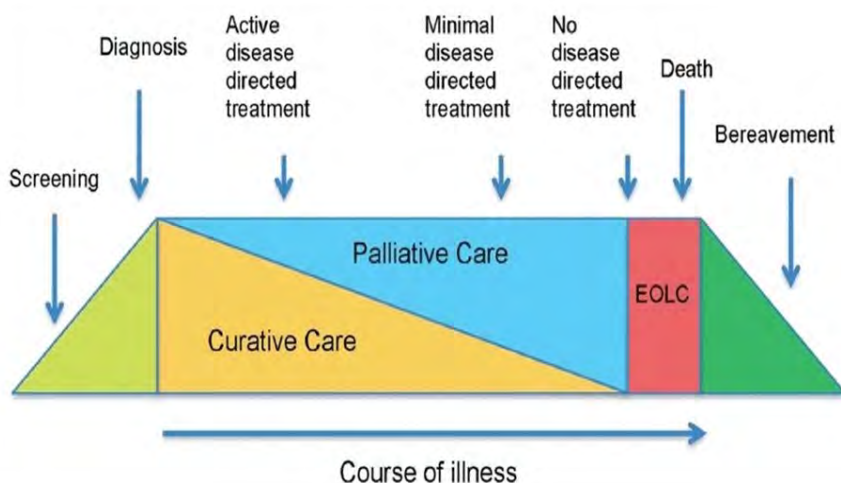

Skilled communication about what to expect in the future in order to ensure that care is matched to the goals and priorities of the patient and the family

Assist with medical appointments, treatment options, patient education, paperwork, advanced directives and physical, psychological, and emotional challenges

Expert management of complex physical and emotional symptoms including complex pain, depression, anxiety, fatigue, shortness of breath, constipation, nausea, loss of appetite, and difficulty sleeping.

Coordination and communication of care plans among all providers and across **ALL SETTINGS** (i.e. hospital, home, assisted living, skilled nursing, nursing home, Veterans Administration)

Summary: Studies consistently show improvement in both quality measures and resource utilization once Palliative Care is introduced.

PICF ASSESSMENT FEE EXEMPTIONS

The following individuals are exempt from the PICF assessment fee and should NOT pay it at the time of renewal:

- 1) A resident physician who is a graduate of an osteopathic medical school and who is participating in an accredited full-time program of postgraduate medical education in this state;
- 2) A physician on active duty in the U.S. armed forces and who would not be reimbursed by the armed forces for the assessment;
- 3) A physician who practices solely under a special volunteer license;
- 4) A physician who practices less than 40 hours a year providing medical genetic services to patients in West Virginia.

DID YOU KNOW?

If you have not prescribed, administered, or dispensed a controlled substance during the current 2-year renewal period and do not plan to do so after renewing your license, you can submit a request to waive the requirement that you complete the required 3-hour CME on Drug Diversion and Best Practice Prescribing of Controlled Substances.

If you wish to fill out a Waiver Request, please complete the form on the Board's webpage located under the CME tab.

MEDICAL CANNABIS PHYSICIAN REGISTRATION

The West Virginia Bureau for Public Health's office of Medical Cannabis is now accepting physician registrations.

Physicians interested in being authorized to certify medical cannabis patients as having an applicable serious medical condition in West Virginia may do so by following the links on the Office of Medical Cannabis' website, www.medcanwv.org.

To register, interested physicians must first complete a mandatory four hour CME course and then fill out the registration application.

"Physician registration and training are essential steps to make medical cannabis available to West Virginians with serious medical conditions,"

- Jason Frame
Director, Office of Medical Cannabis.

If you have any questions please email medcanwv@wv.gov or call 304-356-5090.

WEST VIRGINIA MEDICAL PROFESSIONALS HEALTH PROGRAM

The WV Medical Professionals Health Program was founded in WV in 2007 and formed by a number of very passionate, influential physicians and organizations representing a collaborative medical community to ensure healthcare professionals had their own confidential resource when they experienced health problems.

In March of 2007, Senate Bill 573 was passed as enabling legislation providing a safe avenue for assistance and guidance in a confidential and respectful manner.

Since that time, WVMPHP has assisted over 700 participants and callers with a 90% referral success rate.

A CASE FOR YOUR SUPPORT

"This program didn't just save my career, it saved my life!"

"I truly believe I wouldn't be alive today if not for the WVMPHP staff and the people I have been blessed to meet in recovery."

"I'm really grateful to you and all the staff at the WVMPHP. Please continue your excellent job for some talented people with a bad disease."

"The main reason I didn't want to hear about WVMPHP is that I thought it would ruin my professional life. Instead, it helped my professional life tremendously! I became the Chief, salary increase and the relationship of the hospital and partners improved."

**WEST VIRGINIA
BOARD OF
OSTEOPATHIC MEDICINE**

The Board of Osteopathic Medicine was established in 1923 by legislative action under the signature of Governor, Ephraim F. Morgan. One of the first board meetings was held in the Daniel Boone Hotel in Charleston, WV where the board office is currently located.

The Board of Osteopathic Medicine is the sole authority for the issuance of licenses to practice osteopathic medicine and surgery as a physician or as a physician assistant for an osteopathic physician in the state of West Virginia. The Board also serves as the sole regulatory and disciplinary body for its licensees.

CHANGES TO CSMP REPORTING REQUIREMENTS

During the 2021 Regular Session, the West Virginia Legislature passed HB2262, which added the requirement that practitioners who prescribe or dispense Schedule V Controlled Substances must register with the Controlled Substances Monitoring Program and obtain and maintain access to the program database. The bill revises Article 9 of the Uniform Controlled Substances Act contained in Chapter 60A of the West Virginia Code. This new law becomes effective May 31, 2021, so impacted practitioners should be prepared to take the appropriate steps at that time.
