The Honorable James Justice
Governor of the State of West Virginia
1900 Kanawha Boulevard East
Charleston, West Virginia 25305

Dear Governor Justice:

Presented herein is *the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology for fiscal years 2019 and 2020.*

The Board's mission is safeguarding the public health by assuring and maintaining the academic & clinical requirements and qualifications of professional, provisional and assistant Speech-Language Pathologists and Audiologists. The goal of this agency will be to maintain competent and professionally prepared licensed Speech-Language Pathologists and Audiologists in the great State of West Virginia.

The Board is charged with the enforcement and administration of the provisions set forth in Chapter 30, Article 32 of the West Virginia Code and the West Virginia Code Rule CSR29 Series 1 - 5 relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. All complaints received are included in the Complaint Log on pages 27 - 47 of this report.

The Board consists of five members appointed by the governor; two (2) members being Speech-Language Pathologists, two (2) members being Doctors of Audiology and one (1) citizen member. The current Board President is Erin Browning, Speech-Language Pathologist. Each member may serve two (2) three year terms or until successors have been appointed by the governor.

The increase in Speech-Language Pathology licensure for telepractice continues to increase and factors into the overall 14% increase of licensees in Speech-Language Pathology from FY 2019. The Board also experienced an 8% licensee increase in Audiology. (page 7)

The Board was very proactive at the beginning of the COVID-19 pandemic to ensure continued therapy services would be provided to patients/clients in the State of West Virginia -

- When Executive Order 9-20 was issued on March 16, 2020, the Board held an Emergency Meeting and voted to temporarily suspend W. Va. Code R. §29-1-15-5.2 prohibiting provisional licensees and registered speech pathology or audiology assistants from

providing telepractice therapy services. This suspension will remain in effect during the State of Emergency.

- At an Emergency Meeting held on April 8, 2020, the board approved by vote to request an Executive Order to suspend the limited timeframe for nonresident practitioners to provide speech-language pathology or audiology services as stated in W. Va. Code §30-32-2(6). Executive Order 26-20 was granted and effective on April 13, 2020.

“All out of state practitioners who wish to provide telpractice services during this emergency shall:

Hold a current and active out of state license to practice

Register with the WV Board using the form provided

Abide by the WV Standards of Professional Conduct

As of June 30, 2020, forty-three (43) practitioners registered with the WV Board to provide telepractice services to WV patients/clients during the state of emergency. As of September 30, 2020 (FY 2021) an additional twenty-seven (27) registered or a current total of 70 practitioners. (pages 105 - 106)

UPDATE - The Board voted during the May 23, 2019 meeting to update all license application and renewal processes to an online web based application with a scheduled completion date of June or July 2020. Because 2020 is a license renewal year the completion date of the project was critical. The software company was unable to deliver in the timeframe required so the contract was cancelled on August 26, 2020. At this point, the Board office will continue to utilize the Treasurer's Office for the webpage, database hosting and IT support as needed, for the nominal fee of \$30 per month.

The final draft of the Audiology and Speech-Language Pathology Interstate Compact (ASLP-IC) was approved by the Project Advisory Group on March 31, 2019. The compact was passed by the WV Legislature during the 2020 session. The ASLP-IC becomes operational once 10 states enact legislation and enter the compact. West Virginia was slated as one of the first 10 states for legislative approval and the Board was actively involved in meetings with legislators to advance the compact legislation in 2020 providing consumers with increased access to services even in the most rural areas of WV and granting military spouses the ability to move from state to state with one license. **UPDATE** - The WV Legislature approved the compact legislation and it was signed into law on March 25, 2020. There are currently a total of five states with approved compact legislation; WV, WY, UT, OK & NC.

The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

- Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings and denied any objections or defenses by the Respondent (licensee).

- Respondent must undergo formal training in supervision. (Respondent attended two continuing education courses in supervision after the complaint was filed. The Respondent has fulfilled this requirement and no additional training is required.)

The ALJ's decision was appealed to the Harrison County Circuit Court. The hearing on the appeal was heard on February 9, 2017. During the hearing, the Judge noticed the Complaint & Notice of Hearing was signed by Patricia Nesbitt, Administrative Services Manager and Vickie Pullins did not recuse herself during the Board meeting discussing the adoption of the ALJ's recommendation. Ms. Pullins seconded the motion to adopt the recommended order.

On May 8, 2017, the Final Order of the Board was vacated and remanded to permit the Board to amend the Complaint with proper signatures, so the Board may retry the case in its entirety, if it chooses to do so.

During the July 14, 2017 Board Meeting, the Board voted to retry the case. Vickie Pullins recused herself and was not in the room during the discussions and the vote. The newly assigned Board AG attorney left the Attorney General's office with no notification to the Board, the same week the complaint was to go to another hearing in February 2018.

June 12, 2018 - Final Disposition of the case – After discussing the feasibility of a new hearing with the Board's newly assigned AG attorney, the Board voted on June 12, 2018 to dismiss the case.

Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for

review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

Case #48 – Not Reportable to NPDB – Dismissed – May 3, 2017

Complainant: Ms. Delores Czap

Nature of Complaint: Two separate issues – same complaint number. Initial complaint referenced charge to fix hearing aids and the fee would have been covered by her Ohio Medicaid card but she was not given the correct information re: whether the Audiologist was a Medicaid provider.

Name: Deborah Albaugh, A-0271

The response was received from the Audiologist on May 3, 2017 and provided:

- Signed repair authorizations by Ms. Czap for each repair in question
- Ms. Czap made regular payments for each repair she authorized
- Copies of the most recent insurance/Medicare cards provided by the Ms. Czap when she checked in on the visits. No Medicaid card was provided.
- Ms. Albaugh is not a participating provider of Medicaid.

Ms. Albaugh practices in West Virginia and Pennsylvania. If she was a Medicaid provider, Ms. Czap is an Ohio resident with Ohio Medicaid.

The Board voted to dismiss the complaint on May 3, 2017 for lack of just cause. A letter was sent to Ms. Czap re: the dismissal of the complaint. Ms. Czap called after receiving the letter and could not understand why because her hearing aids were under warranty at the time of the repairs. The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

- Hearing aids were purchased May. 2011 with the Peace of Mind warranty. The standard warranty is two (2) years. The Peace of Mind warranty adds one additional year for a total of three (3) years.
- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

A letter with the above information was sent to Ms. Czap on July 24, 2017 The original dismissal of the case remains May 3, 2017.

Erin also discussed her meeting with CE Broker at FARB. The CE service is no charge to the Board and no charge to the licensee. Erin does feel their service is worth considering.

The Board discussed the audit of continuing education instead of requiring the continuing education documentation submission at the time of renewal. Vickie Pullins made a motion to implement audit verification of continuing education every two years after license renewal is complete. Mike Zagarella seconded the motion. Motion carried.

The required Legislative Rule will be revised by Patty Nesbitt and presented to the Board at the April board meeting for approval.

NEW BUSINESS

Erin Browning discussed her recent licensure presentation with WVU grad students. She will also be presenting to Marshall students via Skype in the near future.

OLD BUSINESS

Legislative Updates – Patty Nesbitt reported of the numerous bills introduced during the 2019 Legislative Session, the only bill approved by both houses and signed by the Governor was SB 396. The applicable rule change required to Rule 29-1 for low income applicants/licensee and military families and veterans specified in SB396 are included with the CE audit changes approved by the Board during the February 19th meeting.

Rule 29-1 Modifications – The modifications to Rule 29-1 were reviewed and discussed. Vickie Pullins made a motion to approve the modifications. After further discussion, Joe Richards seconded the motion. Motion carried.

Board Meeting Minutes
April 4, 2019

WVU Intern – Vickie Pullins reached out to the Department Chair, Jayne Brandel regarding the expected wage for an intern. Vickie Pullins reported, per Jayne Brandel, they thought a fair wage would be \$10 per hour. After a discussion on the weekly maximum number of hours and what duties the intern would be allowed to perform in the office, the Board decided it was up to the Executive Director whether or not it was feasible to hire an intern for 20 hours a week. If the Executive Director decides it is feasible, she may go forward with required paperwork and the interviewing process.

Public Outreach – Erin Browning discussed the importance of reaching out to consumers to articulate the mission of the Board of Examiners. She is waiting for a call back from a graphic designer at the Treasurer’s office for an approximate cost to develop a brochure. She also discussed the idea of a Facebook page. She will do further research and report back to the board so decisions can be made.

NEW BUSINESS

Staff Salary – Erin Browning presented a list of 2018 salaries for WV Chapter 30 Boards. Since the Executive Director had not had a salary increase since 2014, she felt, based on the work load and a comparison to similar size boards, an increase was justified. Joe Richards made a motion to increase the Executive Director’s salary to \$61,500 per year. Vickie Pullins seconded the motion. Motion carried.

License Renewal – Patty Nesbitt reviewed the license renewal report with the Board. During the last license renewal (license expiration 12/31/2018) there were:

SLP Renewals	850
AUD Renewals	143
Dual Licensee Renewals	3
Total Renewal	996
New Licensees as of 03/31/2019	20
Provisional Licensees	60
Registered Assistants	8
Total	1,084

Regulatory Technology – Thentia Regulatory Technology presented their software via Zoom the last week of March to Patty Nesbitt, Joe Richards & Vickie Pullins. The proposed fee from Thentia is \$830 per month for 5 years with a renewal after 5 years. All the functions of the Board would be online, including applications, renewals, uploading of documents, online verifications, complaints and would also include a new website. The Board’s current database is not web based, so new applications and, more importantly, license renewals are completed in 4-5 separate steps. The Board requested that Patty Nesbitt have discussions with other similar size boards to see what direction they are planning in the near future. The Board requested a breakdown of time required to process applications & renewals with current methods.

NCSB Sponsorship – A sponsorship of the September 2019 NCSB conference in San Antonio was discussed. Mike Zagarella made a motion to provide a \$1500 sponsorship for the conference. Joe Richards seconded the motion. Motion carried.

Complaint #54 – Vickie Pullins made a motion to issue a Statement of Charges, as well as a Consent Agreement. The Consent Agreement will include a reprimand, the requirement of three (3) hours of continuing education in Ethics/Professional Responsibility, three (3) hours of continuing education in Billing Practices and the reimbursement of the Board’s legal fees and costs. Joe Richards seconded the motion. Motion carried.

OLD BUSINESS

Interstate Compact – The Board’s position on the Interstate Compact was discussed. Vickie Pullins presented a summary of the information from the ASLP-IC Legislative Summit in Washington, DC on August 19th & 20th.

The WV Audiology Assn. Conference is the last week of October. Vern Mullins and Mike Zagarella will discuss with the attendees for their feedback and report back to the Board. The Board’s position was tabled until the next Board Meeting.

Rule 29-1 & 29-4 Modification Status – Patty Nesbitt reported 29-1 was originally on the Interim Committee Schedule for September but because 29-4 modification is currently out for public comment, 29-1 was pulled from September’s agenda so the Legislative Rules Committee can review both modifications at the same time. Public Comment ends for 29-4 on Friday, September 20, 2019.

Regulatory Software – Patty Nesbitt reported the board has a purchase order for the InLumon regulatory software. InLumon will not begin “building” our software package until November 1, 2019.

NEW BUSINESS

Patty Nesbitt reported, that based on information brought to the Board office’s attention by an applicant after completing a Postgraduate Professional Experience, the Board can no longer require 10 hours of continuing education while holding a provisional license for completion of the Professional Experience. The requirement is not stated in Rule 29-1 so it cannot be required by the Board.

The wv.gov email accounts have become very cumbersome for the Board Members because they use them so rarely. When the accounts are not accessed on a regular basis, passwords are deleted, accounts are locked because of non-use., etc. After researching a secure encrypted service, Patty Nesbitt recommended the Board Members set up email accounts with ProtonMail. Instructions for setting up an account will be sent to the Board Members.

A question from an unlicensed school speech pathologist, regarding the requirement for completing billing information for Medicaid services provided, was received by the Board office. Since the SLP is unlicensed, they are considered a SSLPA by the Dept. of Education and cannot bill Medicaid. Vickie Pullins spoke to LeeAnn Brammer regarding the issue. All unbillable services provided are totaled at the end of the year for a cost settlement. Medicaid then reimburses the Dept. of Education for those services.

A request was received to share expenses for Keith Fisher, Board Attorney, to attend the FARB Regulatory Law Seminar in St. Louis, MO the first week of October. Mike Zagarella made a motion to contribute a maximum of \$500 toward travel and registration expenses. Vickie Pullins seconded the motion. Motion carried.

Erin Browning summarized the accomplishments of the WVU summer intern, Natalie Thorpe. Overall, it was a positive experience for all involved.

Vickie Pullins made a motion to adjourn. The next tentative meeting date is December 4, 2019. Joe seconded the motion. Meeting adjourned at 7:15 PM.

Erin Browning led a discussion on a Board concensus for information provided to licensees when questions arise regarding their scope of practice. After a lengthy discussion, some members felt the Board and the Board office cannot determine what is or is not in a clinician's scope of practice. They can, however, provide a copy of or refer the clinician to WV Code §30-32-13. Scope of practice for Speech-Language Pathology or WV Code §30-32-14. Scope of practice for Audiology. President Erin Browning called the meeting to order at 5:00 PM.

Keith Fisher explained the Governor's Executive Order 07-20 authorizes state agencies to suspend rules during the State of Emergency. If the Board suspends the following, it will allow provisional licensees and speech and audiology assistants to provide telepractice services during the COVID-19 state of emergency:

29-1-15.5.2. Telepractice services shall not be provided by:

29-1-15.5.2.a. Speech Pathologists with a provisional license while completing a postgraduate professional experience/clinical fellowship year.

29-1-15.5.2.b. Speech Pathology or Audiology Assistants.

Erin Browning suggested also adding that all other requirements for provisional licensees and assistants are unaffected and still apply to the telepractice setting. Keith Fisher agreed.

Keith Fisher will write the letter for the Board to submit to the Secretary of State notifying him of the Board's suspension of the Rule. The Secretary of State will post the suspension on their website under the Administrative Law Department. The information will also be sent to all licensees via email and posted on the Board website.

Present: Board President, Erin Browning
Board Secretary, Vickie Pullins
Board Member, Dr. Michael Zagarella
Board Member, Dr. Vernon Mullins
Citizen Member, Joe Richards
Keith Fisher, Assistant Attorney General - Board Attorney
Patty Nesbitt, Executive Director

President Erin Browning called the meeting to order at 5:00 PM.

The Board discussed the pros and cons of opening up the practice of telepractice across state lines to licensed providers in their home state. Keith Fisher explained the option of requesting an Executive Order from the Governor to suspend the current limitation of five days specified in our Code. The five day period in a calendar year allows licensed speech pathologists and audiologists from other states to provide services in West Virginia without applying for a license. The providers must, however, register with the Board.

Vickie Pullins made a motion to allow out of state licensees to provide telepractice services throughout the period of the pandemic as long as they register with our Board office.

Mike Zagarella stipulated the motion should include providing telepractice services to existing patients only and throughout the state of emergency instead of the pandemic. Vickie Pullins amended her motion to allow out of state licensees to provide telepractice services to existing patients through the duration of the state of emergency. Because the statute does not stipulate "existing patients/clients", it will probably not be possible to stipulate the same in the Executive Order.

Vickie Pullins amended the motion to allow practitioners to provide telepractice services in WV during the duration of the state of emergency if they hold a license in their home state. They must also register with the Board. Mike Zagarella seconded the motion. Vernon Mullins and Joe Richards abstained. Motion carried with 3 yeas.

Keith Fisher will write the letter to the Governor requesting an Executive Order per the above motion.

The board had a lengthy discussion regarding the license requirement for public school speech pathologists providing telepractice because of the COVID-19 pandemic. Vickie Pullins made a motion to suspend the application fee of \$100 through June 30th for any public school speech pathologist who meets the requirements for licensure. The license fee will be reduced to \$50 so continuity of services to the

students of WV can continue. Mike Zagarella seconded the motion. Four members voted yes. Joe Richards voted no. Motion carried. Patty Nesbitt will prepare an emergency rule for submission to the Secretary of State's office.

Vernon Mullins made a motion to adjourn. Vickie Pullins seconded the motion. The meeting adjourned at 6:37 PM

Respectfully submitted,

Patricia J. Nesbitt for
Vickie Pullins, Secretary

April 13, 2020

Time: 5:00PM
Location: Emergency Board Meeting via Video Conference from Remote Sites

Present: Board President, Erin Browning
Board Secretary, Vickie Pullins
Board Member, Dr. Michael Zagarella
Board Member, Dr. Vernon Mullins
Citizen Member, Joe Richards
Keith Fisher, Assistant Attorney General - Board Attorney
Patty Nesbitt, Executive Director

President Erin Browning called the meeting to order at 5:00 PM.

Keith Fisher explained to the Board that based on information received from the Secretary of State's office, the Board will be unable to file the Emergency Rule voted on during the April 8th emergency meeting. The Board had previously suspended a portion of §29-01 as authorized by the Governor's Executive Order 7-20. The Secretary of State's office shows the Rule as being suspended so a change by Emergency Rule cannot be done at this time. The Board is, however, allowed to suspend another portion of § 29-01. The Board discussed licensure fees and requirements for Dept. of Education speech pathologists.

Mike Zagarella made a motion to temporarily suspend two Rules; §29-1-10.4a & §29-1-10.4a, until June 30, 2020 for those individuals currently certified as Speech Pathologists by the Dept. of Education with all other Board requirements for licensure intact. Vernon Mullins seconded the motion. Motion carried.

Keith Fisher will produce the document for submission to the Secretary of State's office. The same document will be submitted to Lee Ann Brammer, Dept. of Education and posted on the Board website and the Board Facebook page.

Vern Mullins made a motion to adjourn. Mike Zagarella seconded the motion. Meeting adjourned at 5:22PM.
