The Honorable James Justice  
Governor of the State of West Virginia  
1900 Kanawha Boulevard East  
Charleston, West Virginia 25305

Dear Governor Justice:

Presented herein is *the Annual Report for the West Virginia Board of Examiners for Speech-Language Pathology and Audiology for fiscal years 2020 and 2021.*

The Board's mission is safeguarding the public health by assuring and maintaining the academic & clinical requirements and qualifications of professional, provisional and assistant Speech-Language Pathologists and Audiologists. The goal of this agency will be to maintain competent and professionally prepared licensed Speech-Language Pathologists and Audiologists in the great State of West Virginia.

The Board is charged with the enforcement and administration of the provisions set forth in Chapter 30, Article 32 of the West Virginia Code and the West Virginia Code Rule CSR29 Series 1 - 5 relating to the licensure and regulation of Speech-Language Pathologists and Audiologists. All complaints received are included in the Complaint Log on pages 28 - 47 of this report.

The Board consists of five members appointed by the governor; two (2) members being Speech-Language Pathologists, two (2) members being Doctors of Audiology and one (1) citizen member. The current Board President is Erin Browning, Speech-Language Pathologist. Each member may serve two (2) three year terms or until successors have been appointed by the governor.

The Board was very proactive at the beginning of the COVID-19 pandemic to ensure continued therapy services would be provided to patients/clients in the State of West Virginia -

- The Board held an Emergency Meeting when Executive Order 9-20 was issued on March 16, 2020 and voted to temporarily suspend W. Va. Code R. §29-1-15-5.2 prohibiting provisional licensees and registered speech pathology or audiology assistants from providing telepractice therapy services. This rule suspension remained in effect during the WV State of Emergency.

- At an Emergency Meeting held on April 8, 2020, the board approved by vote to request an Executive Order to suspend the limited timeframe for nonresident practitioners to provide speech-language pathology or audiology services as stated in W. Va. Code §30-32-2(6). Executive Order 26-20 was granted and effective on April 13, 2020.
  - “All out of state practitioners who wish to provide telepractice services during this emergency shall:”
  - ✓ Hold a current and active out of state license to practice
  - ✓ Register with the WV Board using the form provided
  - ✓ Abide by the WV Standards of Professional Conduct

As of June 30, 2020, forty-three (43) practitioners registered with the WV Board to provide telepractice services to WV patients/clients during the state of emergency. As of June 8, 2021 (FY 2021) an additional twenty-seven (27) were registered or a current total of 70 practitioners. (pages 105 - 106)

An Emergency Rule modification for §29-1 was submitted for approval after HB2024 was passed during the 2021 Legislative Regular Session. HB2024 relates specifically to telehealth or what is more commonly known as telepractice in the Speech and Audiology world. It is now possible for a provider with an out of state license may apply for an Interstate Telepractice Therapy Registration to provide services in the State of WV.

The Rule modification also deleted the limitation of Speech-Language Pathologists holding a Provisional license from providing telepractice therapy services while completing a postgraduate professional experience/clinical fellowship year. (§29-17.5.2.)

The final draft of the Audiology and Speech-Language Pathology Interstate Compact (ASLP-IC) was approved by the Project Advisory Group on March 31, 2019. Compact legislation (HB4375) was adopted by the WV Legislature during the 2020 regular session.

As of June 30, 2021, fifteen states have adopted compact legislation with West Virginia being the first state to adopt the legislation. The following states have adopted compact Legislation:

- ✓ West Virginia
- ✓ Wyoming
- ✓ North Carolina
- ✓ Maryland
- ✓ New Hampshire
- ✓ Georgia
- ✓ Alabama

The first meeting of the ASLP-IC will be held the second week of January 2022 with full implementation of the compact expected within 12 - 16 months. One Speech-Language Pathologist and one Audiologist from the WV Board be represented at the ASLP-IC and be involved in creating the Compact By-Laws, etc.

The WV Board of Examiners for Speech-Language Pathology & Audiology has been active in many ways safeguarding the public health of our consumers in WV, as well as offering providers additional ways to provide speech pathology and audiology services in WV.

Sincerely,

Erin Browning, M.A., CCC-SLP

The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV and standard VA protocol must be followed.**

**The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations and procedures.**

**Some leniency was given to Ms. Hitt for the following reasons:**

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

**Complainant: WV Board of Speech and Audiology**

**Nature of Complaint: Unlicensed Provisional (CFY) practice**

**Ms. McCullough is in violation of WV Code §§30-32-17 (b)(4), (b)(9) and (b)(13), and WV Code Rule §§29-5-2.6.a.1 and 2.7.b.2**

**Some leniency was given to Ms. McCullough for the following reasons:**

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor’s license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor’s.

- Ms. McCullough completed her Clinical Fellowship Year and received her CCC from ASHA. Because she received her CCC, per our Law and Rules her professional license was granted on January 9, 2012.

The Board proposed the following settlement:

- Probation status for a period of six (6) months. At the end of six (6) months, the probation will be expunged from Board records unless another complaint is received during the probation period, fault is found and disciplinary action is required.
- Two (2) hours of Ethics continuing education prior to license renewal in December, 2014
- Letter of reprimand for the licensee's file.
- Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings and denied any objections or defenses by the Respondent (licensee).

An appeal was filed on June 4, 2015. The hearing for the appeal is scheduled for November 30, 2015 and rescheduled for January 4, 2016. The matter was argued before Raleigh County Circuit Court Judge Robert A. Burnside, Jr.

Judge Burnside overturned the Administrative Law Judge's decision from the bench on the day of the hearing. As of September 29, 2016, the Court's final order has not been entered and until the order is entered, the Board cannot make a decision on whether to appeal the Circuit Court Decision to the WV Supreme Court.

After failure of Judge Burnside entering the Final Order, the Board entered a Writ of Mandamus with the Supreme Court on May 11, 2017 to compel Judge Burnside to issue a Final Order and enable the Board to appeal the adverse ruling. Judge Burnside issued his Final Order on May 26, 2017 and vacated the entirety of the Board's May 5, 2015 Order.

The Board voted to appeal the Circuit Court's decision to the Supreme Court during the July 14, 2017 Board Meeting. Vickie Pullins recused herself and left the meeting during the discussion and vote. The Petitioner's Brief (Board) was filed with the Supreme Court on September 27, 2017.

Memorandum Decision from the Supreme Court received June 18, 2018.

**Case #42 - Dismissed**

**Complainant: Sharon Clagett, SLP**

**Nature of complaint: Code of Ethics violation**

**Name: Stephanie Richards, Au.D., CCC-A**

**The Board found the following facts:**

- Currently holds an Audiology license, #A-0167, initially issued by the Board on July 18, 2000. From 2000 – June 30, 2007 Audiology services were provided in various private practices.
- On July 1, 2007, she received a Temporary Authorization as a Speech Assistant from the WV Dept. of Education to provide speech therapy services in the public school system.
- Completed a Doctorate Degree in Audiology in July, 2007
- Was certified/endorsed as a Speech-Language Pathologist from the Harrison County WV Board of Education on July 26, 2008 and has provided speech-language pathology services to public school students since 2008. The certification/endorsement also included a Doctorate Degree Salary Class.

- Was endorsed, July 1, 2011, by the WV Dept. of Education as having ASHA certification (CCC). This endorsement entitles her to a \$2,500 yearly salary supplement from the Dept. of Education. The supplement may be awarded “when employed in the public schools in the position in which they hold the board certification.” ASHA certification is in Audiology.

The Board found the Audiologist was working outside her scope of practice as a Speech-Language Pathologist.

**Disciplinary Action:**

Settlement letter sent 09/25/2015 requiring a voluntary surrender of her AUD license.

Based on legal advice received from the Assistant Attorney General handling the complaint re: the Board having no jurisdiction in the public schools, even if the respondent holds an active and valid license from the WV Board of Examiners. The Board voted 4-1 to dismiss the complaint on November 18, 2015.

The ALJ's decision was appealed to the Harrison County Circuit Court. The hearing on the appeal was heard on February 9, 2017. During the hearing, the Judge noticed the Complaint & Notice of Hearing was signed by Patricia Nesbitt, Administrative Services Manager and Vickie Pullins did not recuse herself during the Board meeting discussing the adoption of the ALJ's recommendation. Ms. Pullins seconded the motion to adopt the recommended order.

On May 8, 2017, the Final Order of the Board was vacated and remanded to permit the Board to amend the Complaint with proper signatures, so the Board may retry the case in its entirety, if it chooses to do so.

Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

**Complainant:** Lara Ann Hartzell, PT – WV Birth to Three

**Nature of Complaint:** Providing Services outside the scope of practice of Speech-Language Pathology.

**Name:** Stacy Bastin, SLP-0710

**Alleged Violations:** Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin

was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

- The Peace of Mind was in effect until June 13, 2014.
- The hearing aids were sent for repair in December, 2015 (out of warranty) and August, 2016 (out of warranty)

Joe Richards seconded the motion. Motion carried.

## **OLD BUSINESS**

Interstate Compact – The Board’s position on the Interstate Compact was discussed. Vickie Pullins presented a summary of the information from the ASLP-IC Legislative Summit in Washington, DC on August 19<sup>th</sup> & 20<sup>th</sup>.

The WV Audiology Assn. Conference is the last week of October. Vern Mullins and Mike Zagarella will discuss with the attendees for their feedback and report back to the Board. The Board’s position was tabled until the next Board Meeting.

Rule 29-1 & 29-4 Modification Status – Patty Nesbitt reported 29-1 was originally on the Interim Committee Schedule for September but because 29-4 modification is currently out for public comment, 29-1 was pulled from September’s agenda so the Legislative Rules Committee can review both modifications at the same time. Public Comment ends for 29-4 on Friday, September 20, 2019.

Regulatory Software – Patty Nesbitt reported the board has a purchase order for the InLumon regulatory software. InLumon will not begin “building” our software package until November 1, 2019.

## **NEW BUSINESS**

Patty Nesbitt reported, that based on information brought to the Board office’s attention by an applicant after completing a Postgraduate Professional Experience, the Board can no longer require 10 hours of continuing education while holding a provisional license for completion of the Professional Experience. The requirement is not stated in Rule 29-1 so it cannot be required by the Board.

The wv.gov email accounts have become very cumbersome for the Board Members because they use them so rarely. When the accounts are not accessed on a regular basis, passwords are deleted, accounts are locked because of non-use., etc. After researching a secure encrypted service, Patty Nesbitt recommended the Board Members set up email accounts with ProtonMail. Instructions for setting up an account will be sent to the Board Members.

A question from an unlicensed school speech pathologist, regarding the requirement for completing billing information for Medicaid services provided, was received by the Board office. Since the SLP is unlicensed, they are considered a SSLPA by the Dept. of Education and cannot bill Medicaid. Vickie Pullins spoke to LeeAnn Brammer regarding the issue. All unbillable services provided are totaled at the end of the year for a cost settlement. Medicaid then reimburses the Dept. of Education for those services.

A request was received to share expenses for Keith Fisher, Board Attorney, to attend the FARB Regulatory Law Seminar in St. Louis, MO the first week of October. Mike Zagarella made a motion to contribute a maximum of \$500 toward travel and registration expenses. Vickie Pullins seconded the motion. Motion carried.

Erin Browning summarized the accomplishments of the WVU summer intern, Natalie Thorpe. Overall, it was a positive experience for all involved.

Vickie Pullins made a motion to adjourn. The next tentative meeting date is December 4, 2019. Joe Richards seconded the motion. Meeting adjourned at 7:15 PM.

Respectfully submitted,

Erin Browning led a discussion on a Board concensus for information provided to licensees when questions arise regarding their scope of practice. After a lengthy discussion, some members felt the Board and the Board office cannot determine what is or is not in a clinician's scope of practice. They can, however, provide a copy of or refer the clinician to WV Code §30-32-13. Scope of practice for Speech-Language Pathology or WV Code §30-32-14. Scope of practice for Audiology. ### **OLD BUSINESS**

Interstate Compact – Vickie Pullins discussed her meeting yesterday, December 11<sup>th</sup> with Senator Eric Tarr. Senator Tarr has agreed to sponsor the Interstate Compact bill in the Senate and suggested Vickie contact Delegate Amy Summers to sponsoring the bill in the House. The feedback received was very positive and optimistic.

Each board's contribution for Keith's attendance was \$389.71.

### **NEW BUSINESS**

President Erin Browning called the meeting to order at 5:00 PM.

Keith Fisher explained the Governor's Executive Order 07-20 authorizes state agencies to suspend rules during the State of Emergency. If the Board suspends the following, it will allow provisional licensees and speech and audiology assistants to provide telepractice services during the COVID-19 state of emergency:

29-1-15.5.2. Telepractice services shall not be provided by:

29-1-15.5.2.a. Speech Pathologists with a provisional license while completing a postgraduate professional experience/clinical fellowship year.

29-1-15.5.2.b. Speech Pathology or Audiology Assistants.

Erin Browning suggested also adding that all other requirements for provisional licensees and assistants are unaffected and still apply to the telepractice setting. Keith Fisher agreed.

Keith Fisher will write the letter for the Board to submit to the Secretary of State notifying him of the Board's suspension of the Rule. The Secretary of State will post the suspension on their website under the Administrative Law Department. The information will also be sent to all licensees via email and posted on the Board website.

Vickie Pullins made a motion to accept suspending the Rule(s), as presented by Keith Fisher, to allow provisional licensees and assistants to provide telepractice services during the COVID-19 state of emergency. Vernon Mullins seconded the motion. Motion carried.

Joe Richards made a motion to adjourn. Vern Mullins seconded the motion. Meeting adjourned at 5:21 PM.

President Erin Browning called the meeting to order at 5:00 PM.

The Board discussed the pros and cons of opening up the practice of telepractice across state lines to licensed providers in their home state. Keith Fisher explained the option of requesting an Executive Order from the Governor to suspend the current limitation of five days specified in our Code. The five day period in a calendar year allows licensed speech pathologists and audiologists from other states to provide services in West Virginia without applying for a license. The providers must, however, register with the Board.

Vickie Pullins made a motion to allow out of state licensees to provide telepractice services throughout the period of the pandemic as long as they register with our Board office.

Mike Zagarella stipulated the motion should include providing telepractice services to existing patients only and throughout the state of emergency instead of the pandemic. Vickie Pullins amended her motion to allow out of state licensees to provide telepractice services to existing patients through the duration of the state of emergency. Because the statute does not stipulate “existing patients/clients”, it will probably not be possible to stipulate the same in the Executive Order.

Vickie Pullins amended the motion to allow practitioners to provide telepractice services in WV during the duration of the state of emergency if they hold a license in their home state. They must also register with the Board. Mike Zagarella seconded the motion. Vernon Mullins and Joe Richards abstained. Motion carried with 3 yeas.

Keith Fisher will write the letter to the Governor requesting an Executive Order per the above motion.

The board had a lengthy discussion regarding the license requirement for public school speech pathologists providing telepractice because of the COVID-19 pandemic. Vickie Pullins made a motion to suspend the application fee of \$100 through June 30<sup>th</sup> for any public school speech pathologist who meets

the requirements for licensure. The license fee will be reduced to \$50 so continuity of services to the students of WV can continue. Mike Zagarella seconded the motion. Four members voted yes. Joe Richards voted no. Motion carried. Patty Nesbitt will prepare an emergency rule for submission to the Secretary of State's office.

Vernon Mullins made a motion to adjourn. Vickie Pullins seconded the motion. The meeting adjourned at 6:37 PM

## **OLD BUSINESS**

The Rule suspension approved by the Board allowing Provisional licensees and Assistants to provide telepractice therapy services during the state of emergency was discussed. Because the state of emergency is still in effect, the Rule suspension will remain in effect/

The Rule suspending the application and license fees for Department of Education Speech-Language Pathologists to provide telepractice services expired on June 30, 2020 and is no longer in effect.

Patty Nesbitt will notify the Secretary of State's office of the above. She will also delete the Rule suspension re: Department of Education from the Board's website.

Patty Nesbitt also reported there are currently 41 Speech-Language Pathologists with current out of state licenses registered to provide telepractice therapy services during the COVID-19 state of emergency, per the Governor's Executive Order 26-20.

The Interstate Compact progress was discussed. There are currently 6 states that have passed legislation for the compact. A total of 10 states are required for the compact to be operational.

The Legislative Auditor has recommended the Board's website include a "Frequently Ask Questions" link. Erin Browning & Patty Nesbitt will explore what other states' board websites include and report back to the Board.

### **NEW BUSINESS**

Moving the Board Office to Charleston when/after Patty Nesbitt retires next year was discussed, as well as the request from House Government Organization to send a written assessment of the positives and negatives of being part of a Multi-Professional Licensing Agency. Patty Nesbitt participated in a Zoom Meeting re: the same subject with Government Organization Joint Committee Counsel, House Government Organization Legislative Analyst and House Government Organization Chief of Staff on June 18<sup>th</sup>.

## OLD BUSINESS

The contract with inLumon was discussed. Patty Nesbitt was notified inLumon would not be able to meet the deadline promised for the upcoming license renewal. Vernon Mullins made a motion to terminate the contract per our attorney's recommendations. Joe Richards seconded the motion. Motion carried.

The cancelled airline ticket purchased for Vickie Pullins travel to the NCSB meeting in March was discussed. The meeting was cancelled because of COVID but the travel agency (National Travel) will not refund the ticket because it was cancelled by the traveler and not the airline. It is possible to use the ticket up to December 31, 2021. Vickie Pullins is going to reach out to American Airlines for a refund. The issue was tabled until the next meeting.

The Umbrella Board assessment request was briefly discussed. The final document was accepted by the Board and will be submitted to the Joint Committee on Government Organization.

## NEW BUSINESS

Vern Mullins wanted to reiterate, in case the request is made, that the Board members agree that extensions, etc., will not be granted, due to COVID-19, for the license renewal continuing education requirement. Even though in person sessions were cancelled there are many opportunities online. All members agreed.

An Audiology licensee contacted the Board regarding programming hearing aids virtually/online. She had been ask by her employer to program the hearing aids that are sold online using online hearing tests. She does not feel it is in the best interest of the patient and wanted to know if the Board could provide any information to help her case. The Board's WV Code & Code Rules do not state anything specific that relates to this issue. The Board made the decision to respond to her with a letter stating, based on the information she provided, fitting hearing aids virtually does violate our law and rules. Michael Zagarella will write the letter for the Board President's signature.

Patty Nesbitt reviewed the Purchasing Audit. This year's audit produced a 92% with (1) infraction. All purchases for statewide contract items from the Office Depot require an ADO (Agency Delivery Order) which was not completed.

Joe Richard made a motion to adjourn. Vern Mullins seconded the motion. Meeting adjourned at 5:40 PM.

Respectfully submitted,

Patricia J. Nesbitt, Executive Director

Vickie Pullins seconded the motion. Motion carried.

CE Audit – Vickie Pullins made a motion that the licensees who responded to the CE Audit but fell short by a few hours will be offered a Consent Agreement for a letter of reprimand, a \$75 late fee and notation that the non-compliance is mandated to be reported to the National Practitioners Database. It will also be noted that any CEs completed in 2021 for the audit cannot be used for the licensing period 2021-2022.

Vern Mullins seconded the motion. Motion carried.

### OLD BUSINESS

The University is collaborating with the WV Dept of Education on the program. Assistants provide services in public school and since the WV does not have universal licensure and Board does not have jurisdiction in the school system, there is no reason to change our requirement to include certification for an Assistant. Patty Nesbitt will respond to the letter with the Board response.

Regulatory Software – Patty Nesbitt is revisiting the implementation of a regulatory software system and reviewed a presentation with Thentia. Information from other state boards, as well as WV boards who have the software in place will be collected and reviewed by the Board for a final decision.
