The Honorable Patrick Morrisey
Governor of the State of West Virginia
1900 Kanawha Boulevard East
Charleston, West Virginia 25305

Dear Governor, Morsey:

Presented herein is the Annual Report for the West Virginia Board of Examiners for Speech Language Pathologists, Audiologists and Hearing Aid Dealers for the fiscal year ending December 31, 2025.

The mission of the Board is to protect consumers by ensuring that all licensed practitioners meet or exceed education standards and adhere to the Code of Ethics as set forth in the WV Code.

The Board is charged with the enforcement and administration of the provisions set forth in Chapter 30, Article 32 of the West Virginia Code relating to the licensure and regulation of Speech-Language Pathologists and Audiologists and Article 26 relating to the licensure and regulation of Hearing Aid Dealers.

The Board consists of seven members appointed by the governor: three (3) members being Speech Language Pathologists, two (2) members being Audiologists, one (1) member being a Hearing Aid Dealer and one (1) citizen member. Each member may serve two (2) three year terms or until successors have been appointed by the governor.

HB443 for Criminal History Record Checks was passed during the 2025 Legislation. WV Code §30-32-11A authorizes the Board to implement an FBI Criminal Background Check for licensees seeking initial compact privileges.

The SB369 for Board of Examiners for Speech-Language Pathology and Audiology Assistants passed during the 2025 Legislation session. This Bill authorized the Board to update the procedures for Legislative Rule §29-2-1 Rule Governing Speech-Language Pathology and Audiology Assistants for registrations of assistants, qualifications, duties and responsibilities for both assistants and supervising licensee for assistant.

The Board has been actively involved in the implementation of the Interstate Compact for Speech-Language Pathology and Audiology (ASLP-IC). Two of our members, Vickie Pullins, Board President and Dr. Michael Zagarella, Audiology Board member have been serving on the Executive Committee, Finance Committee and the Rules Committee for the Interstate Compact since 2022.

The Audiology and Speech-Language Pathology Interstate Compact (ASLP-IC) went live with CompactConnect data system on October 28, 2025, Louisiana and West Virginia became the first states to begin issuing privileges to eligible audiologists and speech-language pathologists (SLPs)!

The ASLP-IC offers several benefits to the public:

- Improves continuity of care
- Improves portability for military spouses
- Improves access to audiology and speech-language pathology providers
- Increases choice of audiology and speech-language pathology providers
- Facilitates alternate delivery methods (Telehealth)
- Simplifies/speeds up the current process
- Addresses portability & barriers to access
- Practice of audiology and speech-language pathology occurs in the state where the patient/client is located at the time of the patient/client encounter

It has been my honor to serve on this board providing leadership to protect consumers across WV.

Sincerely,

Vickie Pullins

Vickie Pullins, M.A./CCC-S
Speech/Language Pathologist
President of the Board

Syndrome. The examination was a "Compensation and Pension Evaluation" – not a medical examination but an administrative evaluation requested by VA, Huntington, WV, and standard VA protocol must be followed.

The case against Dr. Rene' Donley was dismissed. The Board is without jurisdiction to decide matters concerning VA compensation and pension evaluation rules, regulations, and procedures.

Case #32: - Reported to NPDB 08/06/2010

Some leniency was given to Ms. Hitt for the following reasons:

- Completed her Clinical Fellowship Year in the Kanawha County, WV school system; WV licensure is not a requirement in the school system
- Even though, she advised her employer that she did not have a professional license and was waiting for her CCC and would then apply, the employer told her she could see patients and they would have a licensed SLP co-sign her evaluations, treatments, etc.

- Information received from her SLP supervisor was incorrect. The supervisor, who is licensed in PA and WV, thought a Clinical Fellow worked under the supervisor's license. This is true in PA but a provisional license is required in WV. Even though, the Board found fault with Ms. McCullough, they felt the biggest part of the culpability was the supervisor's.

The Board found Ms. Lindsay to be in violation of the following Code and Code Rules:

WV Code - §30-32-19.(g)(3) Being guilty of unprofessional conduct as defined by legislative rule of the board.

§30-32-19.(g)(5) Providing substandard care due to a deliberate or negligent act or failure to act regardless of whether actual injury to a patient or client is established.

WV Code Rules - §29-5.2.4.b.1. Individuals shall provide all services competently

§29-5.2.4.b.2 Individuals shall use every resource, including referral when appropriate, to ensure that high-quality service is provided.

§29-5.2.4.b.7. Individuals shall not evaluate or treat speech, language, or hearing disorders solely by correspondence.

The Board proposed the following settlement:

- Letter of reprimand for the licensee's file.

- Write an article for the WV Board of Examiner's newsletter pertaining to this violation but not necessarily specific to this situation.

The licensee declined and requested a hearing. The case was heard before an Administrative Law Judge on December 9, 2014 at the Board office. The decision, dated April 10, 2015, sustained the Board's findings, and denied any objections or defenses by the Respondent (licensee).

An appeal was filed on June 4, 2015. The hearing for the appeal is scheduled for November 30, 2015 and rescheduled for January 4, 2016. The matter was argued before Raleigh County Circuit Court Judge Robert A. Burnside, Jr.

Judge Burnside overturned the Administrative Law Judge's decision from the bench on the day of the hearing. As of September 29, 2016, the Court's final order has not been entered and until the order is entered, the Board cannot make a decision on whether to appeal the Circuit Court Decision to the WV Supreme Court.

After failure of Judge Burnside entering the Final Order, the Board entered a Writ of Mandamus with the Supreme Court on May 11, 2017 to compel Judge Burnside to issue a Final Order and enable the Board to appeal the adverse ruling. Judge Burnside issued his Final Order on May 26, 2017 and vacated the entirety of the Board's May 5, 2015 Order.

The Board voted to appeal the Circuit Court's decision to the Supreme Court during the July 14, 2017 Board Meeting. Vickie Pullins recused herself and left the meeting during the discussion and vote. The Petitioner's Brief (Board) was filed with the Supreme Court on September 27, 2017.

Case #46 – Not Reportable to NPDB – Dismissed with Concerns February 22, 2017

Complainant: Lara Ann Hartzell, PT – WV Birth to Three

Nature of Complaint: Providing Services outside the scope of practice of Speech-Language Pathology.

Name: Stacy Bastin, SLP-0710

Alleged Violations: Evaluating and providing services directly related to Physical Therapy & Occupational Therapy to children in the WV Birth to Three program.

Response to complaint notification received from Respondent's attorney June 13, 2016. The Board did decide an investigation would be necessary to gather more information. The Subpoena for Activity Notes for Ms. Bastin's patients was denied by WV Birth to Three on July 25, 2016. The denial was based on privacy issues and Federal Regulations.

Patient files received from Ms. Bastin's attorney were reviewed by the Administrative Services Manager. Redacted files were sent to (3) Consultants hired by the Board; (1) Speech Pathologist, (1) Occupational Therapist & (1) Infant Toddler Developmental Specialist for review with instructions to verify if Ms. Bastin was working outside her scope of practice in the Birth to Three multidisciplinary team approach. All three consultants contract to WV Birth to Three and are familiar with the Birth to Three processes.

All three consultants had concerns but could not come to definitive decision because the files and information included in the patient files was incomplete, at best. Ms. Bastin is a very poor record keeper but that was not part of the original complaint.

Based on our attorney's recommendation, the Board voted to dismiss the case with concerns of no consultation with the appropriate team member (physical therapist or occupational therapist) before employing the use of assistive devices. The documents reviewed will also be submitted to WV Birth to Three for their review.

The Board voted to dismiss the complaint on February 22, 2017. The dismissal letter was mailed on March 7, 2017. The documents reviewed will be submitted to WV Birth to Three for their review.

The Administrative Services Manager explained the warranty issue was not in the initial written complaint received.

A letter was received on July 5, from Ms. Czap re: paying for repairs to her hearing aids when they were still under warranty. After doing a little research to find the manufacturer of the hearing aids, the Administrative Services Manager spoke with the manufacturer and found the following:

On March 8, 2022, the Board office sent a letter to Ms. Grose attorney Mr. Jonh Wooten offering Ms. Grose to enter into a consent agreement in lieu of a hearing.
