Dear Mr. Allred:

As required by West Virginia Code 11-13-20a, here is our report on the use of Coalbed Methane Tax Severance (CMTS) Funds for fiscal year 7-1-2018 to 6-30-2019. A total of \$11,000 was advanced during the year.

\$11,000 was provided toward repairs to a building owned by the Development Authority for the commercial space at 1 North Main Street in Philippi, WV. The repaired space attracted a new business to the downtown, Molly's Ice Cream. They opened December 21, 2019 and now have six (6) part time employees.

Please advise if you require any additional information.

Sincerely,
