October 1, 2018

The Honorable Jim Justice
Governor, State of West Virginia
State Capitol Building
1900 Kanawha Boulevard, East
Charleston, WV 25305

Dear Governor Justice:

On behalf of the West Virginia State Board of Registration for Professional Engineers, we are pleased to provide you with our Annual Report for FY2018. This report is hereby submitted in compliance with mandates of the statutory requirements of W.Va. Code §30-1-12(b).

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is declared to be subject to regulation in the public interest. The PE Board is charged with the administration and enforcement of the provisions of W.Va. Code §30-13 governing the practice of professional engineering. Enclosed is the Board's certified Annual Report covering fiscal years 2017-2018, including required documentation of agendas, minutes, receipts, disbursements, rosters and a listing of filed complaints. As always, all information contained within this report, as well as other relevant applicant and examinee information, is accessible 24 hours a day, 7 days a week, via our website at www.wvpebd.org.

In closing, please recognize that the WV State Board of Registration for Professional Engineers continues to strive to provide superior service to the engineering students, the engineering professionals, and the citizens of our great state! Should you have any comments or questions, please do not hesitate to contact our office.

Sincerely,

Lesley L. Rosier-Tabor, P.E.
Executive Director

cc: Mitch Carmichael, President of the Senate
Tim Armstead, Speaker of the House of Delegates
Clark Barnes, Clerk of the Senate
Steve Harrison, Clerk of the House of Delegates
Mac Warner, Secretary of State
DeAnnia Spelock, Resources Manager of Legislative Library
Joseph N. Gieger, Interim Director of Archives and History

REGISTRATION SUMMARY

REGISTRATION REPORTING SUMMARY

July 1, 2016 – June 30, 2017

Individuals **

New Professional Engineer Registrations Granted (by exam or comity) = 492
Active Professional Engineers (new by exam or comity application + renewals) = 8520
Retired Professional Engineers = 283
Engineer Interns = 5013

Companies **

Certificates of Authorizations Granted to Companies (new by application or renewal) = 3304

July 1, 2017 – June 30, 2018

Individuals **

New Professional Engineer Registrations Granted (by exam or comity) = 585
Active Professional Engineers (new by exam or comity application + renewals) = 9097
Retired Professional Engineers = 280
Engineer Interns = 5023

Companies **

Certificates of Authorizations Granted to Companies (new by application or renewal) = 3228

* *Active, Retired, and COA numbers reported reflect Roster values after the end of the FY 2017 renewal (per query 10/10/2017). New PE Registrations granted calculated through July 1, 2017.*

** *Active, Retired, and COA numbers reported reflect Roster values after the end of the FY 2018 renewal (per query 9/11/2018). New PE Registrations granted calculated through July 1, 2018.*

RECEIPTS & DISBURSEMENTS

All revenue received by the WV State Board of Registration for Professional Engineers is generated in accordance with WV Engineering Law and the Fee Table provided below. Additional monies deposited by this agency, and appearing in the revenue total include nominal FOIA copy charges and directly reimbursed Administrative Costs resulting from resolution of a complaint. Daily itemized deposits by revenue type are available for review and all expense disbursements are processed by Object Code in WVOASIS. All civil penalties (fines) paid as a result of a disciplinary action are not retained by the Board but rather deposited directly into the General Fund for the State of West Virginia.

Fundamentals of Engineering Exam (FE or Engineer Intern Exam)	
Post-Exam Application Fee for EI Certification	\$25.00
Examination Fee	<i>As charged by NCEES</i>
Re-examination Fee	<i>As charged by NCEES</i>
Principles and Practice of Engineering Exam (PE Exam)	
Application Fee	\$80.00
Examination Fee	<i>As charged by NCEES</i>
Re-application Fee	\$40.00
Re-examination Fee	<i>As charged by NCEES</i>
Professional Engineer Comity / Reciprocity	
Comity / Reciprocity Application Fee	\$150.00
Professional Engineer Reinstatement	
PE Reinstatement Application Fee	\$185.00
Certificate of Authorization	
FIRST APPLICATION	
Application Fee for Sole Proprietor with no employees	\$0.00
Application Fee for Firm with three or fewer Professional Engineers**	\$100.00
Application Fee for Firm with four or more Professional Engineers*	\$150.00
REINSTATEMENT APPLICATION	
COA for Sole Proprietor with no employees	\$0.00
COA for Firm with three or fewer Professional Engineers*	\$300.00
COA for Firm with four or more Professional Engineers*	\$900.00

Two-Year Biennial Renewal Fee (transition after July 2015)***	
Professional Engineer	\$70.00
Professional Engineer – Retired	\$30.00
COA for Sole Proprietor with no employees	\$0.00
COA for Firm with three or fewer Professional Engineers*	\$100.00
COA for Firm with four or more Professional Engineers*	\$600.00
Miscellaneous	
PE or COA Roster**	\$25.00
Seal Registration Fee	\$25.00
Replacement Certificates	\$25.00
Return Check Fee	\$25.00

* Regardless of the P.E.'s state of registration or licensure.

** Available for free download on the Board web site.

*** **Late Fees** - A renewal fee (PE, Retired or COA) postmarked after the license expiration date is considered late, and the Board shall assess the registrant a penalty in the amount of twenty-five percent (25%) of the fee per month of delay during the allowable grace period. A renewal postmarked more than one month after the license expiration date will be rejected and returned, and the PE registration or COA will be void without hearing.

Board Agendas / Minutes

Board meetings are typically held the third Tuesday of every other month at the Board office in Charleston, West Virginia. All meetings are open to the public, however we ask that persons wishing to bring matters for the Board's consideration submit written notification or request to be placed on the agenda at least 14 days prior to the scheduled meeting. This request should be addressed to the attention of Lesley L. Rosier, PE, Executive Director at info@wvpebd.org.

**General Session Minutes
State Board of Registration for Professional Engineers
July 18, 2017**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, July 18, 2017. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
Larry Nottingham	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9am.

The Board meeting minutes for May 15, 2017 were reviewed. A motion to approve the minutes was made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

The Board budget summaries for May and June 2017 were received and reviewed, and the Board reviewed all PCard transactions for the same period. Ms. Rosier discussed the ending balance as of June 2017, which is the end of the fiscal year, and reviewed the Board's historical 15-year summary of revenue/expense comparisons and year-end balances for the benefit of the new Board members. Ms. Rosier reported the FY2018 Board budget documents and expenditure schedule were completed electronically via WVOASIS on June 19, 2017. President Robinson inquired about the 'Bank Cost' line item on the expenditure schedule, and Ms. Rosier explained that item covers payment to the WV State Treasurer's Office to cover the credit card transaction fees paid to the bank for allowing the agency to accept credit cards for renewal payments.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Saluja, seconded by Dr. Nottingham. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Pass rate for the April 2017 PE exam was exactly 50%. Additionally, the pass percentage was identical between first-time examinees and repeat takers, 11/22 and 16/32, respectively.
- Ms. Rosier provided the Board with an NCEES E3 database online demonstration, highlighting the information readily available to Board and staff.
- Due to the upcoming transition to the CBT PE exam, staff will need to update the PE approval letter and customize it for accuracy. Ms. Rosier reported that

the first CBT PE exam application (Chemical) has already been received and is being processed.

- Ms. Rosier discussed some new online features being planned with the software developer for the Board database, which could include fields showing the registrants their last renewal date and PDH carryover hours. These enhancements will allow for sending a post-card type renewal notice for future renewal cycles.
- Ms. Rosier confirmed the attendance of 3 Board members and 2 staff to the NCEES annual meeting to be held August 23-26, 2017.

A motion was made by Mr. Saluja, seconded by Mr. Gates, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2017 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator reported the details of the settlement of complaint C2017-09. The consent order will be posted on the Board's website within a reasonable time.

Mr. Saluja made a motion to enter into Executive Session at 10:10am, seconded by Mr. Gates. Motion carried.

These minutes reflect that, due to Mr. Gates' recusal and Ms. Rosier's non-involvement in anything substantive related to C2017-16, C2017-17, C2017-18, and I2017-26, Mr. Gates and Ms. Rosier absented themselves from the Board room during all discussion of these matters.

The Board recessed the Executive Session at 11:30am for a presentation and Q&A session with NCEES Board of Directors' representative Roy Shrewsbury, PS, NE Zone Vice President. Some issues of mutual interest between the PE and Surveyors Boards were also discussed. Immediately following lunch, the meeting resumed in Executive Session at 12:35pm.

At the conclusion of the Executive Session, Dr. Nottingham moved to enter into General Session at 1:47pm. Seconded by Mr. Thomas, the motion carried, and the Board took the following action:

- Mr. Thomas made a motion, seconded by Mr. Gates, to dismiss complaint C2017-21. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2017-26 to complaint. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to move I2017-28 to complaint. Motion carried.

On motion by Dr. Nottingham, seconded by Mr. Thomas, the Board approved the following special case file:

- James Basinger, Zachary Grosel, Richard Halteman, Ryan Hanemann, and Eric Hobson.

The Board reviewed the MBA Report of the most recent NCEES Board of Directors Meeting. Ms. Rosier discussed the NCEES annual meeting agenda and highlighted the issues to be brought before the Council on both the consent agenda and non-consent agenda. The Board also reviewed the NCEES officer nominations.

The Board discussed the NSPE Board update and reviewed other State Board actions.

Ms. Rosier provided the Board with a nationwide update concerning the issue of PE exam 'de-coupling' and discussed the plan to submit Legislative rules for consideration during the 2019 Legislative session.

The Board discussed the recently passed SB602 regarding registering and indexing of fictitious names used by sole proprietors, individuals, or general partnerships. They also reviewed President Robinson's recent response to the request from Delegate Howell, Chairman for House Committee on Government Organization, regarding certain licensees.

Ms. Rosier indicated the likelihood that procedural rules for PLLCs would be filed in the next few months and that proposed Legislative rules regarding exam application deadlines would be filed next summer along with the changes addressing de-coupling.

The Board received official correspondence stating that Governor Justice has reappointed Dr. Larry Nottingham to serve on the Board until June 30, 2022. President Robinson, followed by all present in the meeting room, congratulated Dr. Nottingham on the reappointment.

The Board reviewed the required BRIM Loss Control Questionnaire and conducted their annual Safety Committee meeting in accordance with BRIM's Standards of Participation letter dated May 10, 2017. In addition, the Board provided staff with their signed confidentiality statements for inclusion in the BRIM submission.

Ms. Rosier discussed the staff's upcoming COA renewal plans and schedule, as well as the 2018 newsletter needs.

The Board reviewed the upcoming calendar of events, and Ms. Rosier highlighted that the September and November meetings are scheduled for on Wednesdays.

Upon motion by Dr. Nottingham, seconded by Mr. Gates, the Board voted to adjourn the meeting at 2:00 pm. The next Board meeting will be September 20, 2017, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

Edward L. Robinson, P.E.
Board President

Garth E. Thomas, P.E.

**General Session Minutes
State Board of Registration for Professional Engineers
September 20, 2017**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, September 20, 2017. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
Larry Nottingham	Member
L.A. Gates	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9 am.

The Board meeting minutes for July 18, 2017 were reviewed. A motion to approve the minutes was made by Mr. Saluja, seconded by Dr. Nottingham. Motion carried.

The Board budget summaries for July and August 2017 were received and reviewed, and the Board reviewed all PCard transactions for the same period. Ms. Rosier discussed the ending balance as of August 2017. Ms. Rosier discussed the FY19 Appropriation Request and noted that the request was submitted through WV OASIS and to the WV Budget Office prior to the September 1st deadline. Ms. Rosier also noted that there was no increase in the FY19 figures as per the instructions received from the Department of Revenue.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Gates, seconded by Mr. Thomas. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- 67 applications were received and accepted for the October 2017 PE exams, but only 60 applicants registered with NCEES and ordered exams.
- Ms. Rosier reported two PE exam interviews were conducted in August with Board member Thomas; both were permitted to sit for the upcoming exam.
- Ms. Rosier discussed the upcoming required Chapter 30 Annual Licensing Board Seminar conducted by the WV State Auditor's conference and Board member Nottingham elected to attend the next scheduled conference.

- Ms. Rosier discussed the recent attendance at meetings and/or conferences, to include the NCEES annual meeting, WV Purchasing Conference, WV Municipal League Annual Meeting, and Marshall University student presentation.
- Mr. Thomas reported he would be speaking to the WVU Tech Senior Seminar class next week regarding WV Engineering Law, licensure and ethics-related topics.
- Ms. Rosier requested any newsletter articles be transmitted via email to her prior to December 15th so that they may be included in the spring 2018 publication.

A motion was made by Mr. Saluja, seconded by Dr. Nottingham, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2017 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator reported the details of the resolution of complaints C2017-21 and C2017-22. The consent orders will be posted on the Board's website within a reasonable time.

Mr. Saluja made a motion to enter into Executive Session at 10:12 am, seconded by Mr. Thomas. Motion carried.

These minutes reflect that, due to Mr. Gates' recusal and Ms. Rosier's non-involvement in anything substantive related to C2017-16, C2017-17, C2017-18, and C2018-02, Mr. Gates and Ms. Rosier absented themselves from the Board room during all discussion of these matters.

The Board recessed the Executive Session at 12:00 pm for lunch and the meeting resumed in Executive Session at 12:35 pm.

At the conclusion of the Executive Session, Dr. Nottingham moved to enter into General Session at 1:45 pm. Seconded by Mr. Saluja, the motion carried, and the Board took the following action:

- Mr. Saluja made a motion, seconded by Mr. Thomas, to notice related complaints C2017-16, C2017-17, and C2017-18 for hearing during the November meeting if not settled. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Saluja, to dismiss C2018-01. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to dismiss C2018-03. Motion carried.
- Mr. Thomas made a motion, seconded by Mr. Saluja, to move I2018-08 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Dr. Nottingham, to move I2018-10 to complaint. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to move I2018-11 to complaint. Motion carried.

On motion by Mr. Thomas, seconded by Mr. Saluja, the Board approved the following special case files:

- Robert Hinojosa and Justin Taylor

The Board discussed the summary of actions at the 2017 NCEES Annual Meeting and Ms. Rosier presented a joint letter from NCEES/CLARB/NCARB discussing their efforts regarding reasonable regulation.

Ms. Rosier advised the Board of the NCEES PE exam observer announcement for the upcoming October exam.

Ms. Rosier reported her progress on review of current WV Engineering Law to highlight the necessary changes to implement 'decoupling' of experience from the exam application process. She is also reviewing other state engineering laws that have already implemented decoupling for suggested language modification. She and counsel will have a draft for Board consideration in 2018. These legislative changes would be submitted for consideration during the 2019 Legislative session.

The Board reviewed recent correspondence between Delegate Howell and the Board President concerning the pending DOH complaints, and President Robinson updated the Board regarding his attendance at the Joint Committee on Government Operations interim meeting on August 22, 2017, to address the Board's actions on the DOH matter. The Board also reviewed draft correspondence for the Board President's signature to the Legislative Rule-Making Review Committee regarding federal and state regulations as required by 2016's SB619.

Ms. Rosier discussed the fall ABET visit for initial review of the Mechanical Engineering program at Marshall University and Dr. Nottingham reported that he would be the Board's representative for this visit.

Ms. Rosier reported that the agencies 2017 Annual Report draft will be made available for Board review within the next few weeks. All comments are requested on or before the November Board meeting date. The deadline for submission is December 31, 2017.

Mr. Rosier discussed the upcoming COA renewal game plan and presented the new project requests submitted to Big Picture to assist with the renewal and other ongoing upgrades.

The Board reviewed the upcoming calendar of events, and Ms. Rosier highlighted that the November meeting is scheduled for a Wednesday. She also noted that a draft 2018 Calendar of Events will be presented during the November 2017 meeting and requested Board members to check their 2018 calendar for any conflicts.

Upon motion by Mr. Saluja, seconded by Mr. Thomas, the Board voted to adjourn the meeting at 2:10 pm. The next Board meeting will be November 15, 2017, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes
State Board of Registration for Professional Engineers
November 15, 2017**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, November 15, 2017. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
Larry Nottingham	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:15 am.

The Board meeting minutes for September 20, 2017 were reviewed. A motion to approve the minutes was made by Mr. Saluja, seconded by Dr. Nottingham. Motion carried.

The Board budget summaries for September and October 2017 were received and reviewed, and the Board reviewed all PCard transactions for the same period. Ms. Rosier discussed revenue projections through the end of January 2018 due to the COA renewal season and noted that the Board's projected budget remains unchanged. Ms. Rosier also provided the Board with further clarification of the PCard statement.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- 67 applications were received and accepted for the October 2017 PE exams, but only 60 applicants registered with NCEES and ordered exams. Additionally, she reported there were 2 absences at the exam sites so a total of 58 examinees were present in WV for the October PE exams. Mr. Saluja noted the recent decline in examinees and contemplated if there may be a correlation with a decrease in the number of college graduates in the engineering field in WV.
- Ms. Rosier discussed a new agency website feature on the license verification page that allows anyone to view the number of PDHs a registrant last reported, their last renewal date, and the number of PDH carryover hours awarded for their 2018 renewal.

- Ms. Rosier discussed the Chemical computer-based testing (CBT) PE exam which will be offered starting in January 2018 and that we have 1 candidate approved to register with NCEES for this new PE exam format.
- Ms. Rosier reported that the State Auditor's office announced that their current contract with Citibank would be expiring and US Bank has been awarded the new PCard contract. For this reason, their annual P-Card Coordinator training was postponed until Spring 2018. However, Ms. Rosier and Mrs. Rubenstein both completed the required online training sessions for coordinators to keep their training up-to-date.
- Ms. Rosier discussed the agendas for the upcoming 2017 State Auditor's Required Annual Seminar for State Licensing Boards scheduled for November 29th, 2017 and the upcoming NCEES joint committee meetings that will be held in San Diego December 10-12, 2017.

A motion was made by Mr. Saluja, seconded by Mr. Thomas, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2017 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of consolidated complaints C2016-18/C2017-07. The consent order will be posted on the Board's website within a reasonable time.

Mr. Saluja made a motion to enter into Executive Session at 10 am, seconded by Mr. Thomas. Motion carried.

These minutes reflect that, due to Ms. Rosier's non-involvement in anything substantive related to C2017-16, C2017-17, C2017-18, and C2018-02, Ms. Rosier absented herself from the Board room during all discussion of these matters. Additionally, it is noted that Mr. Gates, though absent, is recused from C2017-16, C2017-17, C2017-18, and C2018-02, and Mr. Robinson is recused from, and left the room during, all discussion of C2018-07.

At the conclusion of the Executive Session, Mr. Thomas moved to enter into General Session at 12:45 pm. Seconded by Dr. Nottingham, the motion carried, and the Board took the following action:

- Mr. Saluja made a motion, seconded by Dr. Nottingham, to amend C2018-04 to include a violation of W. Va. Code §30-13-21(a)(1). Motion carried.
- Mr. Thomas made a motion, seconded by Mr. Saluja, to move I2018-14 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Dr. Nottingham, to move I2018-15 to complaint. Motion carried.

On motion by Mr. Thomas, seconded by Mr. Saluja, the Board approved the following special case files:

- Jameel Hattab and Frank Zaino

The Board participated in a webinar from 1-2 PM presented by the Council on Licensure, Enforcement & Regulation (CLEAR).

The Board discussed a memorandum from the NCEES President, Patrick Tami, highlighting the anticipated retirement of CEO Jerry Carter and the appointment of a search committee to find a successor.

Ms. Rosier advised the Board of the request for nominations for the various NCEES National Service Awards, as well as the NCEES Northeast Zone Award. She shared the eligibility requirements and requested if the Board would like to make a nomination to let her know as soon as possible as the applications are due to NCEES prior to January 31, 2018.

The Board reviewed correspondence provided by the Executive Director of the WV Society of Professional Engineers addressed to the Governor offering a nomination consideration for a future Board appointment.

The Board reviewed a request for information from the Joint Committee on Government Organization regarding the Board's complaint process, as well as the proposed agency response.

Upon motion by Dr. Nottingham, second by Mr. Saluja, the Board voted in favor to once again purchase a booth registration at the 2018 WV Construction and Design Exposition (EXPO), as well as a program page ad to serve as a continuing education documentation certificate for attendees of the 2-day event. Motion carried.

Dr. Nottingham discussed his ABET visit to Marshall University and reported that the final ABET report has yet to be released.

Mr. Rosier discussed the upcoming COA renewal game plan and distributed a copy of the renewal postcard for Board review.

The Board reviewed the upcoming calendar of events, and Ms. Rosier highlighted that the draft 2018 board meeting dates are included in bold. She also requested Board members check their 2018 calendar for any conflicts.

Upon motion by Mr. Saluja, seconded by Mr. Thomas, the Board voted to adjourn the meeting at 2:40 pm. The next Board meeting will be January 23, 2018, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes
State Board of Registration for Professional Engineers
January 25, 2018**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Thursday, January 25, 2018. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
L.A. Gates	Member
Larry Nottingham	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:10 am.

The Board meeting minutes for November 15, 2017 were reviewed. A motion to approve the minutes was made by Mr. Saluja, seconded by Mr. Thomas. Motion carried.

The Board budget summaries for November and December 2017 were received and reviewed, and the Board reviewed all PCard transactions for the same period. Ms. Rosier also discussed revenue projections for the current COA renewal cycle which ends on January 31, 2018.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier discussed the 3 PE applicant interviews and discussed the ongoing NCEES CBT transition and decoupling initiatives. Based upon this discussion, Mr. Thomas made a motion, seconded by Dr. Nottingham, to discontinue the PE exam applicant interview process for those multiple repeat examinees after the April 2018 testing administration. Motion carried. For the April 2018 PE exam, 64 applications received and 61 were accepted.
- The Board reviewed the recent and upcoming travel, presentations and meeting participation. Attending the upcoming NCEES NE Zone meeting will be Ms. Rosier, Mr. Armstrong, and Dr. Nottingham as the funded delegates, and Mr. Saluja and Mr. Thomas as board-approved and funded attendees.
- Ms. Rosier discussed the on-going database maintenance contract and that following the successful completion of COA renewals she intends to prepare

and submit a new change order for minor modifications to some existing database fields, as well as the necessary PE renewal system updates.

- Ms. Rosier discussed the upcoming InterChange Newsletter publication and noted that the draft for comments issue will be circulated for Board review in mid-February.

A motion was made by Mr. Saluja, seconded by Mr. Thomas, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2018 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2017-16, C2017-17, and C2017-18. The consent orders will be posted on the Board's website within a reasonable time.

Mr. Thomas made a motion to enter into Executive Session at 9:43 am, seconded by Mr. Saluja. Motion carried.

These minutes reflect that, due to Ms. Rosier's non-involvement in anything substantive related to C2018-02, she absented herself from the Board room during all discussion of the complaint matters. Additionally, it is noted that Mr. Gates is recused from C2018-02 and Mr. Robinson is recused from C2018-07. Both left the room during the discussion of those complaints.

At the conclusion of the Executive Session, Mr. Saluja moved to enter into General Session at 12:58 pm. Seconded by Mr. Thomas, the motion carried, and the Board took the following action:

- Regarding consolidated complaints C2014-16 / C2015-10 (Supreme Court of Appeals No. 17-1115), Mr. Thomas made a motion, seconded by Mr. Gates, to grant, in part, respondent's motion for stay pending appeal. The stay is only as to the required payment of the civil penalties and administrative costs. Motion carried.
- Mr. Thomas made a motion, seconded by Mr. Saluja, to notice C2018-02 for a hearing to be held at the upcoming EXPO in Charleston, if not previously settled. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Thomas, to file an additional complaint relating to non-compliance with the consent order in C2017-17. The Board directed staff to defer the service of said complaint until 10 days after contacting respondent regarding the non-compliance. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Saluja, to notice C2018-04 for hearing during the March 2018 meeting if not settled. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to dismiss C2018-05. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Gates, to dismiss C2018-08. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to dismiss C2018-09. Motion carried.

- Mr. Saluja made a motion, seconded by Mr. Gates, to move I2018-12 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Mr. Thomas, to move I2018-17 to complaint. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Saluja, to move I2018-18 to complaint. Motion carried.
- Mr. Gates made a motion, seconded by Dr. Nottingham, to move I2018-19 to complaint. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2018-20 to complaint. Motion carried.
- Upon motion by Mr. Saluja, second by Mr. Gates, the Board voted to grant complainant's motion for hearing and to set C2017-11 for hearing on one issue (misuse of seal allegation) during the Board's May 2018 meeting and to dismiss without prejudice the remaining allegations. Motion carried.

There were no special case files for Board consideration during this timeframe.

The Board reviewed the NCEES Board of Directors' meeting minutes held on November 3-4, 2017.

Ms. Rosier presented the NCEES NE Zone meeting DRAFT agenda.

The Board reviewed the NSPE Licensure Under Attack presentation and similar issues of concern as they relate to the Western Governors' Association's draft license compact.

Ms. Rosier discussed NCEES's PE CBT conversion plan and highlighted that their tentative plan is for all paper-and-pencil exams to be fully converted to CBT by 2024.

The Board reviewed the Governor's Executive Orders 2-18 and 3-18 regarding regulatory rules. Mr. Thomas made a motion, seconded by Mr. Gates, to submit a request for exemption from the governor's office for filing Legislative and Procedural Rules in the near future. Motion carried. The Board directed staff and counsel to draft the request for review at the March meeting.

Ms. Rosier discussed the Board's EXPO presentation planned for March 21st.

Mr. Rosier provided a COA renewal update and informed the Board that 95 firms have currently requested to go to the non-practicing status of 'Inactive.' Additionally, she informed the Board that the firms that have yet to renew will have been contacted 18 times (via email or other correspondence) prior to administrative action at the end of the grace period where their COA status will be 'Lapsed.'

Ms. Rosier reminded the Board that their Annual Financial Disclosure Statements must be filed with the WV Ethics Commission by February 1st.

The Board discussed an invitation from WVU to attend a Biomedical Engineering ABET accreditation visit in the fall of 2018. Ms. Rosier indicated no action was necessary at this time and reminded the Board they will receive official notification from ABET in the late summer/early fall regarding sending an official observer to this new program visit, as well as any other WV ABET EAC or TAC program currently on cycle for review this fall.

The Board reviewed the upcoming calendar of events, and Ms. Rosier highlighted that the May 2018 board meeting date is May 8th, 2018 to address Board and staff scheduling conflicts.

Upon motion by Dr. Nottingham, seconded by Mr. Gates, the Board voted to adjourn the meeting at 1:40 pm. The Board then conducted the 3 repeat PE applicant interviews beginning at 2pm and completed shortly after 3pm. The next Board meeting will be March 20, 2018, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes
State Board of Registration for Professional Engineers
March 20, 2018**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, March 20, 2018. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
L.A. Gates	Member
Larry Nottingham	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:05 am.

The Board meeting minutes for January 25, 2018 were reviewed. A motion to approve the minutes as corrected was made by Dr. Nottingham, seconded by Mr. Thomas. Motion carried.

The Board budget summaries for January and February 2018 were received and reviewed, and the Board reviewed all PCard transactions for the same period.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Gates, seconded by Dr. Nottingham. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier discussed the Board's budget balance and explained that the current balance includes the additional \$200K of revenue brought in by addressing the COA renewal discrepancies occurring during the last 2 COA renewal seasons.
- The Board reviewed the recent and upcoming travel, presentations and meeting participation. Attending the upcoming NCEES NE Zone meeting will be Ms. Rosier, Mr. Armstrong, and Dr. Nottingham as the NCEES delegates, and Mr. Saluja and Mr. Thomas as board-funded attendees.
- Ms. Rosier reported all 3 interviewees at the last meeting were approved to sit for the PE exam and reminded Board members there would be no further interviews conducted due to plans for decoupling and PE exams transitioning to CBT.

- Ms. Rosier discussed the planned database upgrades required in preparation for the PE renewal season beginning in November. A new change order will be prepared and submitted to the Purchasing Division to initiate this work.

A motion was made by Mr. Thomas, seconded by Mr. Saluja, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2018 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2018-02 and C2018-07. The consent orders will be posted on the Board's website within a reasonable time.

Mr. Gates made a motion to enter into Executive Session at 9:45 am, seconded by Mr. Thomas. Motion carried.

It is noted that Mr. Gates is recused from C2018-10 and left the room during the discussion of the complaint. These minutes also reflect that, due to Ms. Rosier's non-involvement in anything substantive related to this complaint, she also absented herself from the Board room during this same discussion.

At the conclusion of the Executive Session, Mr. Saluja moved to enter into General Session at 11:36 am. Seconded by Dr. Nottingham, the motion carried, and the Board took the following action:

- Upon motion by Mr. Gates, seconded by Mr. Saluja, which carried, authorization was given to hire an expert witness for complaint C2018-11 if considered necessary.
- Mr. Thomas made a motion, seconded by Mr. Saluja, to move I2018-21 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Dr. Nottingham, to dismiss C2018-10 as moot due to respondent's compliance with C2017-17. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2018-22 to complaint. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Saluja, to move I2018-23 to complaint. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Saluja, to move I2018-25 to complaint. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to authorize the executive director to advertise for employment of in-house counsel if an agreement to keep the Board's current counsel on a part time basis upon her retirement is not reached with the AG's office. Motion carried.

On motion by Dr. Nottingham, seconded by Mr. Thomas, the Board approved the following special case file:

- Joshua Brighton

The Board reviewed the NCEES announcement concerning their search for a chief executive officer as Jerry Carter is retiring.

Ms. Rosier presented the updated NCEES NE Zone meeting agenda.

The Board reviewed the NCEES Bylaws proposed changes, reviewed the NCEES letter announcing the discontinuation of the Software Engineering PE Exam, and discussed the council's on-going PE exam transition to computer based testing (CBT).

The Board reviewed the Governor's Executive Orders 2-18 and 3-18 regarding regulatory rules and the draft exemption letter. The Board also discussed the passage of Senate Bill 313.

Ms. Rosier discussed the Board's WV EXPO plans and, in particular, the continuing education presentation scheduled for March 21st.

Mr. Rosier reported there were 3110 active COAs as of 3-8-18.

Ms. Rosier discussed that Sue Rubenstein, the Board Administrator, had met a 35-year state employment milestone and would be recognized during public service recognition week scheduled for May 6-12, 2018.

The Board reviewed the final printed annual newsletter, and Ms. Rosier reported that copies would be mailed to all registrants and firms by the end of March. Ms. Rosier also discussed the printing issues experienced with WV Correction Industries and that she was working with their representatives on a fair solution on behalf of the Board.

The Board reviewed the upcoming calendar of events. Ms. Rosier then previewed the WV PE continuing education presentation using the "Jeopardy" software program in preparation for the WV EXPO class to be held on March 21st.

Upon motion by Dr. Nottingham, seconded by Mr. Gates, the Board voted to adjourn the meeting at 12:53 pm. The next Board meeting will be May 9, 2018, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
May 9, 2018

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, May 9, 2018. Those present for all or part of the meeting were:

Edward L. Robinson	President
Bhajan S. Saluja	Vice-President
Garth E. Thomas	Secretary
L.A. Gates	Member
Larry Nottingham	Member
Lesley L. Rosier-Tabor	Executive Director
Aaron M. Armstrong	Board Investigator
Debra L. Hamilton	Legal Counsel

The meeting was called to order at 9:07am.

The Board meeting minutes for March 20, 2018 were reviewed. A motion to approve the minutes was made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

The Board budget summaries for March and April 2018 were received and reviewed, and the Board reviewed the PCard transactions for the month of March only. Due to timing of the meeting date as well as the State switching from Citibank to US Bank as the new PCard credit vendor, April's PCard transactions will be reviewed during the July meeting.

A motion to approve the budget, current expenditures, and purchasing card transactions was made by Mr. Gates, seconded by Mr. Saluja. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments:

- Ms. Rosier reported estimated expenditures for the close of FY2018 to be slightly lower than recent years. In addition, FY2018 revenue receipts increased due to: (1) the increase in biennial COA renewals and (2) diligent staff review and follow-up on all COA renewals, specifically the responses to the size of the firm which directly impacts the fee structure.
- Ms. Rosier discussed the upcoming PE renewal season and reported that an anticipated change order will be submitted for database upgrades to support the on-line renewals.
- Ms. Rosier reported that April PE exam results have yet to be received, but are anticipated to be released in late May/early June. There were no absences reported for the April 2018 PE exam administration in WV; however, 1 applicant decided to not return for the 2nd day of the Structural 16-hr exam.

- Ms. Rosier reported that the next Interchange Newsletter will be distributed in October 2019 and mailed as part of the COA renewals (separately as just the newsletter for PEs).
- The Board discussed the upcoming NCEES NE Zone Meeting and Ms. Rosier reported that 3 board members and 2 staff will attend.

A motion was made by Mr. Thomas, seconded by Mr. Saluja, to approve attendance and travel for Board members, staff and counsel to the activities as discussed and outlined in the Executive Director's report and the updated 2018 calendar. Motion carried.

Prior to entering into Executive Session, the Board Investigator provided the details of the settlement of complaints C2018-04, C2018-06, C2018-12, C2018-13, C2018-14, and C2018-15. The consent orders will be posted on the Board's website within a reasonable time. The Board was also informed of the Supreme Court's April 12th dismissal of Appeal No. 17-1115 (the appeal of 2014-16/C2015-10). The Board President will be signing an order to be served upon the respondent lifting the stay of the Board's Order dated 8/11/16.

Dr. Nottingham made a motion to enter into Executive Session at 9:27 am, seconded by Mr. Saluja. Motion carried.

At the conclusion of the Executive Session, Mr. Saluja moved to enter into General Session at 11:45 am. Seconded by Dr. Nottingham, the motion carried, and the Board took the following action:

- Mr. Thomas made a motion, seconded by Mr. Saluja, to move I2018-26 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Mr. Gates, to move I2108-28 to complaint. Motion carried.
- Mr. Thomas made a motion, seconded by Dr. Nottingham, to move I2018-29 to complaint. Motion carried.
- Mr. Saluja made a motion, seconded by Dr. Nottingham, to move I2018-30 to complaint. Motion carried.
- Mr. Saluja made a motion to approve the \$2160 state-directed across-the-board (ATB) increase for permanent staff, effective July 1, 2018. Mr. Gates seconded, and the motion carried.
- The Board authorized the Executive Director to extend an offer of employment to the selected applicant for the position of in-house legal counsel and to proceed with the hiring process as a temporary part-time employee at \$50/hour starting on or about June 1, 2018.

There were no special case files for Board consideration during this timeframe.

The Board directed Ms. Rosier to make the necessary purchases for any new equipment, software, cell phone, etc. needed for new hire of in-house legal counsel. In addition, Ms. Rosier will contact WV Correction Industries to order new chairs for the Board room and for any staff member as needed.

The Board reviewed the upcoming NCEES Northeast Zone meeting information and Ms. Rosier also presented the August 2018 NCEES annual meeting notification and requested Board members check their calendar for availability and/or interest. The NCEES delegates will be the Board's investigator, Board Administrator, and Board member Thomas.

The Board reviewed the press release regarding the NCEES settlement agreement regarding the unauthorized use of copyrighted practice questions belonging to NCEES.

Ms. Rosier shared the NCEES plan for converting all PE exams to computer-based format.

The Board reviewed the Governor's Executive Orders 2-18 and 3-18 regarding regulatory rules and the draft exemption letter. The Board also discussed the veto of Senate Bill 313.

The Board recognized the 35-year service mark of the Board Administrator and thanked her for her many years of state government service. At the conclusion of the meeting, President Robinson and Ms. Rosier will be accompanying Ms. Rubenstein to the Governor's Public Service Recognition Ceremony to be held at the WV Cultural Center at the State Capitol Complex.

The Board reviewed the upcoming calendar of events.

Upon motion by Dr. Nottingham, seconded by Mr. Gates, the Board voted to adjourn the meeting at 1:10 pm. The next Board meeting will be July 17, 2018, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

**LESLEY L. ROSIER-TABOR, PE,
EXECUTIVE DIRECTOR**

Is It Time To Decouple?

Decoupling is being considered right here, right now! And, no, I am not writing to discuss the historical breakups of Lucille Ball and Desi Arnaz or Sonny and Cher or even Brad Pitt and Angelina Jolie. I am informing of one of the most recent decisions of the WV State Board of Registration for Professional Engineers to move forward to “decouple” or to disconnect the Principles and Practice Examination (PE exam) from the experience requirements in order to be approved to sit for the PE exam.

There is a trend among states to allow early taking of the PE exam. For many years, California has allowed candidates to take the PE exam in preparation for licensure after only two years of engineering experience. As of November 2017, the National Society of Professional Engineers reported there were 14 states that allow candidates to take the PE exam after meeting their minimum education requirements and having successfully passed the FE exam. Those states are Arizona, California, Illinois, Kentucky, Louisiana, Nevada, New Mexico, North Carolina, Oklahoma, Oregon, South Carolina, Texas, Utah, and Wyoming. In all of these states, the licensure candidate still needs to accumulate the requisite years of qualifying engineering experience prior to being approved for a PE license.

In the past, NCEES Model Law required that four years of qualifying engineering experience be earned before a licensure candidate could take the PE exam. In our state, WV Engineering Law required that those four years of experience be earned before applying to the Board for approval to sit for the PE exam. NCEES delegates from all state licensing Boards voted in 2013 to remove the timing aspect of the requirements from the NCEES Model Law document. But the NCEES Model Law is just that, a “model”, so it is left to individual state licensing boards to decide if they want to implement change in their practice laws, legislative rules and/or policies.

There are varying opinions on the concept of decoupling but the fact is that many states have already implemented the change and are reporting no problems. If we decouple, it really comes down to a matter of personal choice. If you are one who prefers to take the PE exam early, you may be permitted to do so! If you are one who wants to wait until you have earned the minimum required experience so you can become a PE immediately upon notification of passage that is certainly understandable as well. The key is that one may soon have a choice as the WV PE Board considers moving forward with this concept as early as mid-2019 to provide flexibility IF a candidate wishes to and is capable of passing the exam early.

We want to hear from you. We want to hear from sage Professional Engineers. We want to hear from Engineering Interns. We want to hear from engineering faculty as well as engineering students. Just what do you think about “decoupling”? If you would like to provide your input directly to the WV PE Board as they begin to draft legislation for consideration during the 2019 WV Legislative Session, email me at lesley@wvpebd.org.

To review the most Frequently Asked Questions regarding the concept of “Decoupling”, continue to Page 5 of this publication.

Board Secretary
Term expires June 30, 2018

Board Updates

INTRODUCING YOUR NEW WV PE BOARD

Since our last **INTERchange** publication, the West Virginia State Board of Registration for Professional Engineers has welcomed another new face to the Board. Per a gubernatorial appointment made by Governor Earl Ray Tomblin on December 13, 2016, Dr. Larry C. Nottingham was selected to fill an unexpired term ending on June 30, 2017. He was appointed to replace Richard E. Plymale, Jr. who moved to South Carolina.

After Dr. Nottingham graciously agreed to serve the 6 ½ month short term, the newly elected Governor, Jim Justice, saw fit to reappoint Dr. Nottingham to begin to serve his first, full 5-year term beginning on July 1, 2017. Dr. Nottingham is from the Twelfth Senatorial District and lives in Duck, West Virginia.

WELCOME DR. LARRY NOTTINGHAM, PE

Dr. Larry C. Nottingham, PE, is the President and Owner of LCN, PLLC, a company he formed in 2005 to provide forensic engineering and expert witness services to the insurance and legal industries. To date, he has provided professional engineering services on approximately 100 projects. He is also a Senior Geotechnical Engineer at NGE, LLC, where he works alongside two of his children, who are also both professional engineers, providing consulting engineering services on a wide variety of engineering projects, including highway and bridge design, commercial, industrial and governmental buildings, landslide investigations and remediation plans, and retaining wall designs.

Dr. Nottingham earned his Bachelor's degree in Civil Engineering from West Virginia Institute of Technology in 1965, a Master's Degree from the University of Pittsburgh in 1966 and a Ph.D. from the University of Florida in 1975. He has been a licensed Professional Engineer in West Virginia since 1969.

Dr. Nottingham spent much of his engineering career as a Principal Engineer for Triad Engineering where he led the firm as their Vice-President, President and then CEO spanning more than a 20-year period until he started his own firm in 2005. He is also well known throughout the WV engineering community for his service as an engineering educator at WV Institute of Technology. Dr. Nottingham not only taught a variety of Civil Engineering classes, he served as the Civil Engineering Department Chair from 1989 to 1995 and then returned in 2006 to serve as the Interim Dean of the Leonard C. Nelson College of Engineering while a search was in progress to hire a new Dean.

Dr. Nottingham is a Life Member of the American Society of Civil Engineers, where he has held several offices, including President of the WV Section. He is also a member of the International Society for Soil Mechanics and Geotechnical Engineering, a member of Tau Beta Pi, was named WVU Tech Engineering Alumnus of the Year in 2005 and was inducted into the WVU Academy of Civil Engineers in 2014. Dr. Nottingham has also served as a member of both the WVU Tech Engineering Technology Department Advisory Committee and chaired the WVU Tech Civil Engineering Department Advisory Committee for a number of years.

2017-18 BOARD LEADERSHIP ELECTION RESULTS

During the May 15, 2017 Board meeting, the WV PE Board held officer elections for the upcoming fiscal year, 2018. Upon unanimous vote, the following resulted:

- **Mr. Edward Robinson, PE, PS**
Board President
- **Mr. Bhajan Saluja, PE**
Board Vice-President
- **Mr. Garth Thomas, PE**
Board Secretary

DR. LARRY NOTTINGHAM, PE

Future of the Professions

A BOARD MEMBER'S PERSPECTIVE

GARTH E. THOMAS, JR., PE, BOARD SECRETARY

How do we embody expertise in society? Are the professions as currently constituted the only means of providing this expertise? These questions are addressed by Richard and Daniel Susskind in *The Future of the Professions: How Technology Will Transform the Work of Human Experts* (Oxford University Press, 2015). This book is an addition to the growing library of books and articles concerned with the loss of human employment to automation, but is focused on the replacement of professionals such as lawyers, physicians, and management consultants.

Engineering is never specifically called out in the book; however, the arguments presented in the book have stimulated discussion within the engineering profession. The National Society of Professional Engineers has formed a task force to study the future of engineering, and NCEES invited representatives from NSPE to conduct a forum on this topic at the most recent annual meeting. If the Susskinds are mostly correct in their assessments, all professions will be seriously impacted.

The central thesis of the book is that the professions function under a "grand bargain". In return for access to specialized knowledge and skills, society grants members of the professions a high degree of autonomy, control over the practice of their respective professions, and control over who can practice within the professions. Professionalism has been the response of industrial societies to the question of how expertise is provided within society. However, the Susskinds argue that this is not the only way to organize expertise. Their case against the current organization of the professions is that the expertise is becoming unavailable to many members of society, knowledge is locked away from the public, professionals discourage client self-help, most professionals do not match the service of the best practitioners in their profession, and clients cannot objectively evaluate the quality of the service they receive. In short, the professions are not serving society as well as they should be, and change is needed. However, the authors do not think that practitioners within the professions will make the necessary changes without outside intervention.

The authors do think that these changes are already underway due to developments in technology and demands for greater access to expertise at lower cost. Much of the book is devoted to describing changes that are taking place in the practices of law, medicine, accounting, management consulting, and architecture. In these fields the authors point to current developments that are replacing professionals: tax preparation software, software that automates the development of building plans, image analysis software to automate the reading of x-rays, and software to generate wills and routine contracts. These examples were initially developed as tools to assist professionals in their work, but have been or are being developed to the point where non-professionals or para-professionals can use them. Knowledge that had been contained in specialized monographs or journals is now available on public websites such as Web MD. Groups of clients for professional services, particularly in the medical fields, have and are forming interest groups to share what they have learned.

The authors contend that this is only the beginning. The development of artificial intelligence as embodied in software like Watson, the

question-answering computer system developed by IBM and capable of answering questions posed in natural language, will accelerate this process of embedding expertise in software or robotic systems. A central argument is that the "capable machines" will not operate in the same way as human experts, but will be as or more effective than human experts in providing service to their users. Examples such as self-driving vehicles, text analysis software, and computerized diagnostic tools are used to make the case that substantial expertise can be embedded within computerized systems. Many readers might conclude that the authors are overstating the case for the impact of artificial intelligence on professional practice, but how professional expertise is provided is not as important as the authors' overarching theme that the professions as currently constituted have outlived their usefulness.

How do we embody expertise in society? Are the professions as currently constituted the only means of providing this expertise?

The book does not provide a timeline for these changes to take place, but does provide a list of indicators that professional practice is being affected. Some of these signs are: professions encroaching on each other's turf, replacement of professionals by para-professionals having less training, replacement of practitioners by software developers, clients organizing self-help groups to reduce reliance on professionals, and the merger and consolidation of professional services firms. Although the book does not address professional licensing, challenges to the continued need for professional licensing within legislative bodies might be another indicator of change in the "contract" between the professions and society.

Many points in this book are controversial and are open to debate, ranging from the philosophical to the practical. Are the professions failing society as badly as the authors seem to think? Can "capable machines" perform as well as the authors believe they can? The authors do anticipate several of these objections and provide rebuttals to them. Whether the responses are convincing will be up to the reader. In the opinion of this reviewer it is not clear that the outcomes the authors envision will necessarily provide better service to society. It is also not clear that knowledge and expertise will continue to be developed without a support structure that is currently provided by the professions. However, the authors are correct that the professions will need to adapt to a changing environment, regardless of whether the development occurs as they predict.

The Future of the Professions is recommended reading for all professionals. The issues raised in this book demand serious consideration. We should be concerned with our roles in the "grand bargain." Are we providing the service that our clients and society require in the most effective manner? Will the professions continue to have relevance? If we don't provide the right answers to these questions, the future of our profession will no longer be in our control.

Frequently Asked Questions

Q: What are some of the advantages of taking the PE exam early?

A: Many believe that for young engineering graduates who can pass the exam early, there is a higher likelihood that he or she will become a professional engineer once they meet the experience requirement. In turn, this increase in the number of PEs should increase the protection of the health, safety and welfare of the public. Others state that allowing one to take the PE exam early could be beneficial to those who, 4-6 years down the road when traditionally eligible, will likely have heavier workloads and greater demands for their spare study time (such as raising a family). Another benefit could be seen by those licensure candidates who are working in unique and narrowed fields of engineering not necessarily represented on any particular PE exam, which could make it much more difficult to go back and prepare for the breadth portion of a PE exam.

Q: What are some of the disadvantages of taking the PE exam early?

A: The PE exam is designed for engineers who have gained at least four years of work experience in their respective discipline. NCEES statistics show examinees with four years of engineering experience after graduation have the greatest probability of success on the PE exam. Pass rates for examinees with fewer than or more than four years' experience are lower, typically in proportion to the length of time from the four-year mark. For early-takers, another disadvantage is that it could be problematic for those who may want to consider future comity/reciprocity. If you take the PE exam early and apply for PE licensure in another jurisdiction in the future, you MAY be required to take the PE exam again. Some jurisdictions may not honor the "early taking" of the PE exam prior to obtaining the requisite progressive engineering experience.

Moved? Don't forget to Keep Your Records Current

Did you know that whenever your contact information changes it is YOUR responsibility to update your personal record with the WV PE Board? It is the responsibility of the licensee, examinee or certificate holder to notify the Board of any change of vital information previously submitted, such as a name or address change, contact phone number(s), email addresses, name of employer, or change of the Engineer In Responsible Charge for a firm holding a Certificate of Authorization.

This information should be provided within 30 days of when the change occurs to ensure uninterrupted service and proper delivery of official Board correspondence (paper correspondence as well as electronic communications). We also encourage our examinees and licensees to provide a current primary and secondary email address as we routinely provide special notices, renewal reminders and examinee updates via electronic means.

The most convenient way to submit your personal changes is by simply completing the online Change of Address form located on our website at www.wvpebd.org. You may also submit an email with the same information to info@wvpebd.org or simply phone our office and speak to an agency representative.

For those individuals requesting to change their name and obtain a new EI or PE wall certificate, you are required to submit new photo identification and a copy of a marriage certificate, divorce decree, or other official court documentation of an official name change along with the required \$25.00 replacement certificate fee.

PE VOLUME & PASS RATES VS. EXPERIENCE

PDHs, CPC, CEUs, CPDs ... Alphabet Soup?

INVESTIGATOR'S CORNER

A Little Trivia ...

Alphabet soup was the hottest culinary innovation of ... 1867.

Just after the Civil War, the *Tri-Weekly Standard* in Raleigh first reported on a new fun type of food. The short item marveled:

"The latest culinary novelty is alphabetical soup. Instead of the usual cylindric and star shaped morsels of macaroni which have hitherto given body to our broth, the letters of the alphabet have been substituted. These letters of pasta preserve their forms in passing through the pot".

Though a later article speculated that the soup's inventor wanted to improve literacy through his pasta, there's no proof of his or her name (or that they existed at all).

Only one thing is certain: alphabet soup has been around for over 150 years. And it's nearly as certain we'll be spelling with our food for 150 more.

CREDIT: triviahappy.com/articles/alphabet-soup-is-150-years-old-this-is-how-we-started-spelling-with-our-food

Happy 2018 to everyone and I hope this year brings you great happiness and success.

This edition's article will focus primarily on, and as the title suggests,

Continuing Education. There are many different ways to describe continuing education. Just to name a few, it can be called Professional Development Hours (PDHs), Continuing Professional Competency (CPCs), Continuing Professional Development (CPDs), and even Continuing Education Units (CEUs). Surely there are other acronyms out there, but in reality we must understand they all really mean the same thing, or at least all relate to the same topic.

Before delving too deep into the subject though, I would be remiss not to quote the exact section of the WV Legislative Rules for Professional Engineers that refers to continuing education. WV Code R. §7-1-10, entitled Continuing Professional Competency, is binding upon all registrants and takes precedent to any information contained in this newsletter. First and foremost, and as you will always hear the Board Staff quote WV Code R. §7-1-10.5, "The Board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit. No pre-approval of offerings will be issued."

WV CPC Audit

Per WV Code R. §7-1-10.8(b), the Board is required to audit between 3-5% of renewals to verify compliance with continuing education claims. Prior to the 2016 audit, the Board would consistently audit within this range. However, the percentage of renewals for the 2016 audit increased due to some changes in WV engineering law and some differences in the renewal cycle. As you will recall, WV was one of only 6 other states that required an annual renewal and when you renewed your license in 2016 it was the first time having to report on a biennial basis, thus requiring 30 PDHs (as opposed to the 15/year required previously). As I am sure all registrants are now aware, WV has come in line with the other 44 states in regards to a biennial renewal and requires the PE license to be renewed by December 31st

of even-numbered years. With that change in the renewal cycle, the PDH requirement simply doubled, meaning that you must report 30 credits upon renewal. Interestingly enough, out of the 534 audits (6.4% of all renewals) conducted last year, over 500 of them were reviewed because the registrant did not report enough credits! And even more interesting, most of the audited renewals claimed 15 hours and 8 carryover hours, typically what these individuals had been claiming on their previous annual renewals! Taken at face-value, it appears many registrants simply did not take the time to update their records and record the correct amount of PDHs. Let's hope for more attention to detail during the 2018 renewal period and a greater understanding of the reporting requirements. Don't forget, you can now carryover up to 15 credit hours - so the simple rule of thumb is 30/15 every 2 years.

PDH Q&A

While our office fields numerous questions on a daily basis, the questions concerning PDHs are usually routed to me. I can say that the second most popular topic revolves around the type and reporting of PDHs. Questions such as: Do I have to take an ethics course? Can I take all of my PDHs online or do I need to have a portion of my credits as live, in person training? Do I have to use a certain PDH provider? I attended a week long (40 hour) technical conference; can I claim all of these hours on my renewal? I lost my completion certificate, do really I need to have one?

These are all valid questions, especially for those who may be registered in multiple states. As those who hold multiple licenses know, the PDH requirements differ amongst the jurisdictions but hopefully the next few sentences will add some clarity on the PDH requirements specifically relevant to renewing your WV PE license.

WV does not require any ethics courses, but an individual could claim a relevant ethics course as a PDH. Similarly, the Board's Rules do not specifically limit nor specify a number of online hours versus live, in-person hours as some states do. The West Virginia Board does not pre-approve continuing education courses nor do we pre-qualify companies to offer continuing education seminars. The current WV policy has been to allow the PE to determine whether or not certain activities

serve as valid professional development for their current position. The philosophy is that we license thousands of Professional Engineers and all have diverse backgrounds and needs that must be met. Since no pre-approval process is offered in WV, the Board will have final authority with respect to approval of credits when reviewing annual renewals. Should one be audited, it will be the responsibility of the engineer to produce records and defend the claimed credit used for professional development activities.

Concerning the completion certificate question, I direct your attention to WV Code R. §7-1-10.7 which states "Each registrant is responsible for his or her own professional development activities. The registrant shall maintain the records to be used to support credits claimed for professional development activities. Records required include, but are not limited to: 1) a log showing the type of activity claimed, the sponsoring organization, the activity's location and duration, the instructor's or speaker's name, and the PDH credits earned; and 2) attendance verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance." Please note this is an "and", i.e., a log and attendance verification. Towards the conclusion of this article, please find a description of the National Council of Examiners for Engineering and Surveying (NCEES) record-keeping option that I highly recommend. In regards to the claiming of 40 hours in one week for a two year renewal, I bring this up because NCEES model law also requires 30 PDHs biennially, but the model law requires that you get 15 each year (i.e., cannot earn all 30 PDHs in the same year). Please know that WV Engineering Law does not have this requirement, and you can claim all 30 of your WV PDHs in the first or second year of your licensing period. Of course, please feel free to call the Board office with any specific questions particular to your situation.

Since I just described the 'second most popular' PDH topic, I guess I should at least mention the 'most' commonly asked question, which is: 'Can I count this training, course, class, presentation, etc. as PDHs for my next renewal?' After reading the above Q&A, I am sure you can now answer this question. However, to reiterate, WV Code R. §7-1-10.5 states that 'no pre-approval of offerings will be issued.'

Have we beaten this to death yet?

Well, I hope not. I find the topic of PDHs to be very important, not only because continuing education is required by WV Engineering Law, but more so because it furthers us as professionals. Continuing your professional growth, continuing to further your technical knowledge, and keeping up with ever changing technology are all common sense reasons to take your PDHs seriously. I urge you to focus on high quality, relevant, and interesting professional education in 2018 and beyond, not only for yourself, but for the entire engineering profession.

In an effort to assist all PEs nationwide, NCEES has created an online CPC tracking and records management program. Each time you complete a CPC course, you may enter the course information, corresponding PDHs, and upload supporting documentation. If your renewal ever comes up for audit in WV, you can electronically transmit your CPC information to the WV PE Board for ease of complying with WV Code R. §7-1-10. All you will need is a free MyNCEES account to sign up. Visit ncees.org/cpc for further information.

Remember, while non-compliance with the PDH requirements may not be a cause for disciplinary action in WV (some states do consider a continuing education violation an automatic reason for license discipline), non-compliance will invalidate your license and you will be required to reinstate your WV PE license prior to offering or practicing engineering.

I close this year's edition of the Investigator Corner highlighting a true CPC story, albeit not in WV. An engineer stated that he was unable to provide documentation of his reported professional development hours because he had attended conferences without paying the registration fee. He would simply wait by the sign-in table and, once the conference began, would pick up a registration packet of someone who had registered for the conference but had not picked up his event information. When he contacted the conference sponsors and asked them to verify his attendance (after explaining that he had not paid the registration fee), the sponsoring organization refused.

While the Board may appreciate the honesty, an ethics course should probably be a priority for his next renewal cycle.

Want to engage with others about the profession? Eager to be the first to know when results are released? Join NCEES on your preferred social network to experience a new level of interaction and learning.

www.facebook.com/NCEES

NCEES' Facebook page is filled with premium content, a rich history of NCEES, and photo albums of recent events. Like NCEES on Facebook, and you'll be able to stay on top of the pertinent issues affecting the engineering and surveying professions.

www.twitter.com/NCEES

If you prefer to quickly scan headlines, follow NCEES on Twitter to learn about its activities and engineering and surveying related news. Retweet NCEES to share important facts and answers to common questions about licensure with your colleagues.

www.linkedin.com

Do you hold a professional engineering or surveying license? Join NCEES' LinkedIn groups (Professionally Licensed Engineering Community and Professionally Licensed Surveying Community) to connect with your professionally licensed peers. You can also broadcast your association with NCEES by following its LinkedIn page.

NCEES YouTube channel features videos of professional engineers and professional surveyors promoting the value of licensure. These videos are excellent tools to share with those who want to know more about our organization and the process of becoming licensed. In the near future, NCEES' YouTube will be expanding to include videos that answer their most frequently asked questions, as well as to clarify processes and policies.

Board Disciplinary Actions

Disclaimer: *Every effort has been made to ensure that the enforcement information is correct; however this information should not be relied upon without verification from the Board office or website. It should be noted that the names of companies and individuals listed may be similar to the names of parties who have not had enforcement actions taken against them. Should you have any specific questions regarding the disciplinary actions noted below, please contact the Board office.*

In meeting its mission of safeguarding life, health and property, and to promote the public welfare, the WV Board actively enforces the statutes and rules that fall within its jurisdiction. Below is a summary of formal complaints that resulted in disciplinary action since the 2016 newsletter. Numerous other investigations were conducted, some resulting in formal complaints which are still pending; some dismissed because the charges were unsubstantiated or considered trivial; and some closed after acceptable corrective action or warning.

Disciplinary actions can be either a result of a formal hearing resulting in a Board Order or settled informally resulting in a Consent Order. These orders are public records. If you are interested in knowing more about the nature of the complaint, you may request a copy pursuant to the State's Freedom of Information Act. All Orders are posted on the Board website.

All civil penalties are deposited in the state's general fund. Administrative costs are made payable to the WV PE Board and are retained by the Board to offset costs incurred in the investigation and complaint resolution efforts. Administrative costs may be waived if the complaint is resolved with a minimum of expense.

Case #: **C2016-09 - William L. Toney**

Violation: Improper use of seal. [§30-13-21(a)(4), W. Va. R. 7-1-7.3(e)&(h)]

Resolution: Consent Order signed. Administrative costs of \$500 paid. Case closed 10/13/16.

Case #: **C2016-18 - Churches Engineering, LLC and Churches Engineering**

Violation: Practicing engineering in WV without Certificates of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$500 paid. Administrative costs of \$1,500 paid. Case closed 9/20/17.

Case #: **C2016-25 - Schneider Electric Engineering Services LLC / John R. Carlin**

Violation: Failure within thirty days to provide information requested by the Board [§30-13-21(a)(6)]

Resolution: Consent Order signed. Civil penalty of \$1,000 paid. Administrative costs of \$300 paid. Case closed 10/13/16.

Case #: **C2016-27 - WiSEngineers, Inc.**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$550 paid. Case closed 9/12/16.

Case #: **C2017-01 - DCS Infrastructure Engineering, PLLC / Donald Stout**

Violation: Offering to practice and practicing engineering in WV without a license and Certificate of Authorization. [§30-13-2, §30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$1000 paid. Case closed 9/15/16.

Case #: **C2017-03 - Odisea, LLC / Jeffrey Ruppert**

Violation: Offering to practice engineering in WV without a license and Certificate of Authorization. [§30-13-2, §30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$500 paid. Case closed 10/13/16.

Case #: **C2017-04 - DWG, Inc. Consulting Engineers**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$250 paid. Case closed 9/12/16.

Case #: **C2017-05 - Machado Patano, PLLC**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$250 paid. Case closed 9/12/16.

Case #: **C2017-06 - Seizmic, Inc.**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$1,250 paid. Case closed 11/2/16.

Case #: **C2017-08 – FESCO, LTD.**

Violation: Offering engineering in WV without a license and Certificate of Authorization. [§30-13-2, §30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Administrative costs of \$500 paid. Case closed 3/21/17.

Case #: **C2017-09 – Picard Engineering**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$250 paid. Case closed 5/15/17.

Case #: **C2017-10 – Structural Resources, Inc.**

Violation: Providing misinformation to the Board and failing to timely respond to the Board's request for information. [§30-13-21(a)(6), §30-13-21(a)(12)]

Resolution: Consent Order signed. Civil penalty of \$500 paid. Case closed 5/5/17.

Case #: **C2017-15 – Stevens Engineering / Ross Stevens**

Violation: Offering and practicing engineering in WV without a license and Certificate of Authorization. [§30-13-2, §30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$1,000 paid. Case closed 5/5/17.

Case #: **C2017-16 – Bruce E. Kenney**

Violation: Committed an act of misconduct in the practice of engineering, convicted of a crime which is a felony, knowingly made false statements or signed false statements to induce payment, engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public. [§30-13-21(a)(2), §30-13-21(a)(3), §30-13-21(a)(4), §30-13-21(a)(7), §30-13-21(a)(11)] Violations of the Rules of Professional Responsibility. [W.Va. R. §7-1-12.2, §7-1-12.3(g), §7-1-12.4(d), §7-1-12.4(e), §7-1-12.4(f)]

Resolution: Consent Order signed. Civil penalty of \$15,000 payment pending. Administrative costs of \$500 paid. Case closed 12/14/17.

Case #: **C2017-17 – James T. Miller**

Violation: Committed an act of misconduct in the practice of engineering, convicted of a crime which is a felony, knowingly made false statements or signed false statements to induce payment, engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public. [§30-13-21(a)(2), §30-13-21(a)(3), §30-13-21(a)(4), §30-13-21(a)(7), §30-13-21(a)(11)] Violations of the Rules of Professional Responsibility. [W.Va. R. §7-1-12, §7-1-12.3(g), §7-1-12.4(d), §7-1-12.4(e), §7-1-12.4(f)]

Resolution: Consent Order signed. License revoked for 3 years. 30 hour professional ethics course required prior to reinstatement application. Civil penalty of \$15,000 payment pending. Administrative costs of \$1,500 paid. Case closed 11/15/17.

Case #: **C2017-18 – Dennis Corporation / Daniel Dennis**

Violation: Convicted of a crime which is a felony, knowingly made false statements or signed false statements to induce payment, engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public. [§30-13-21(a)(3), §30-13-21(a)(4), §30-13-21(a)(7), §30-13-21(a)(11),] Violation of the Rules of Professional Responsibility. [W.Va. R. §7-1-12.3(g)]

Resolution: Consent Order signed. Civil penalty of \$25,000 payment pending. Administrative costs of \$1,500 paid. Case closed 11/15/17.

Case #: **C2017-19 – TK Architects International, Inc.**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$250 paid. Case closed 5/5/17.

Case #: **C2017-20 – Current Consulting, LLC**

Violation: Practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4)]

Resolution: Consent Order signed. Civil penalty of \$250 paid. Case closed 5/5/17.

Case #: **C2017-22 – Franklin S. Pajaro, PE**

Violation: Providing false information to the Board and practicing engineering in WV without a Certificate of Authorization. [§30-13-17(a), §30-13-21(a)(4), §30-13-21(a)(12)]

Resolution: Consent Order signed. Civil penalty of \$750 paid. Case closed 8/4/17.

Case #: **C2018-02 - Andrew P. Nichols**

Violation: Committed an act of misconduct in the practice of engineering, convicted of a crime which is a felony, knowingly made false statements or signed false statements to induce payment, engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public. [§30-13-21(a)(2), §30-13-21(a)(3), §30-13-21(a)(4), §30-13-21(a)(11)] Violations of the Rules of Professional Responsibility. [W.Va. R. §7-1-12, §7-1-12.3(g)]

Resolution: Consent Order signed. License revoked for 3 years. 30 hour professional ethics course required prior to reinstatement application. Civil penalty of \$15,000 payment pending. Administrative costs of \$1,500 payment pending. Case closed 2/21/18.

Time's Up!

LEGAL CORNER

DEBRA L. HAMILTON, BOARD COUNSEL & DEPUTY ATTORNEY GENERAL

As my time as counsel for the WV PE Board winds down (I am retiring June 30), there are things in our attorney/client relationship we will both miss, but there is one thing I am sure the staff will not miss – and that is the fact that I change language that at some prior point I had signed off on or even had written. That is not uncommon, as we are always considering new angles, clarifying, adapting to the changing landscape, but I really threw them a curveball when I questioned the format of the table of complaints that resulted in disciplinary action since the last newsletter. Though thankfully it didn't happen all that often, in this instance they did not take my advice to provide more information about the complaints that have been resolved since the last newsletter.

For one reason, as I have stated before in terms of my client's philosophy, consistency is always a consideration for the Board when determining how complaints are handled. Their decision to keep this table as is was, I think, another example of the Board's predilection for consistency. The information in the table is the information provided in the annual report to the Governor, and there is good reason for it to be the same. Plus, as staff correctly pointed out and as the intro to the table in the newsletter always states, anyone can find out more about a particular disciplinary action through a FOIA request or by reading the Orders posted to the Board's website.

However, I was invited to expand upon the information in the table for my last article for this newsletter should I so choose. Since I thought that, particularly this year, the cryptic summary of how the complaints were resolved didn't tell much of the story. That is the long version of how my topic for this year came about.

Here is one general observation: the table often doesn't say whether someone is prohibited from practicing or is now in good standing with the Board. In many cases, the complaint comes to the attention of the Board because an applicant for licensure or COA is working or has offered to do work in West Virginia, wants to get the necessary credentials, and answers truthfully on the application regarding prior work or offers.

In those cases, almost all of the sanctioned licensees are in good standing with the Board and are able to practice engineering in West Virginia. As a side note, some seem reluctant to apply for licensure or the COA while there is a complaint pending, despite the fact that both staff and I encourage them to do so sooner rather than later. Even if someone jumps the gun when offering or starting to do work in West Virginia, it is always best to get right with the Board as soon as possible.

Included in the table are a couple of revocations for specific terms, so obviously those individuals cannot practice until they are eligible for and have become licensed by the Board. However, there are a few others where the licensees either turned in their license or did not renew their license, and the consent orders specifically state they have agreed never to apply for licensure in West Virginia or practice engineering here.

Another general comment: Several years ago the Board considered it more fair to charge offers to practice and practice as separate offenses since some did work for existing clients (there was no offer) and some submitted offers but made sure they were licensed before commencing their engineering work. While the amount may change based on the understanding that the West Virginia Board's civil penalties are much lower than assessed in most states, offering or practicing without a license or COA is generally \$250 per each violation. This guideline can help you understand the amount of civil penalty in many of the sanctions listed in the table.

However, there are some matters where the sanctioned licensee is paying more. This is usually explained by the fact there was more than one offer or more than one practice. The amount assessed is decided on a case-by-case basis, but there was a change in philosophy that is reflected in the first FY2017 multi-count matter. While the Board reserves the right to settle matters on a case-by-case basis, if you practice engineering more than once without a license or COA, chances are you will be assessed for each of those instances. In C2017-06, the firm had done five jobs in WV and paid a \$250 civil penalty for each of those projects.

Previous Columns On Various Legal Issues

Visit the "Publications/Reports" link on our website at www.wvpebd.org to review previous editions of the **INTERchange**.

2016 – **FIRST RULE: Know Your Rules.**

Explains the importance of PEs understanding the Rules of Professional Responsibility.

2015 – **What's the Deal With Using Your Seal?** Discusses several seal violations, with a focus on sealing work done in whole or in part by others.

2014 – General primer on the statute and rules that comprise WV Engineering Law and an explanation of some legal terms found in WV Engineering Law.

2013 – **Are You Talking to Me?** What constitutes a 'disciplinary action' and the information needed to fully respond to the renewal question regarding that, investigations & criminal matters.

2012 – **Settlement of a Complaint.** A brief explanation of the usual procedure for resolving complaints by Consent Order.

2011 – **Exemptions, Exceptions, Etc.** A brief discussion of the various listserves that allow for sharing and comparison among licensing boards, with specific attention to various states' exemptions from their licensure requirements.

2010 – **Unlicensed Practice.** A discussion of the WV PE Board's authority to take administrative action against unlicensed practice.

2008 – **5G: Where to Go? What to Do?** A brief overview of the law that requires "Qualifications-Based Selection (QBS)" for procurement by governmental entities of engineering and architectural services.

2007 – **A Legal Perspective on Expert Testimony.** A discussion of licensure requirements for expert witnesses testifying about engineering matters.

2006 – **Plan Stamping, Sealing Record/As-Built Drawings** and an article reprinted from the NC Board – Attributes of Responsible Charge.

2005 – **Initiating Board Investigations, Duty to Report Alleged Infractions and Home Inspectors.**

There are two matters in this year's roster that settled only for administrative costs – C2016-09 and C2017-08. Like I said, you can't always read between the lines to tell what is going on. In the first matter, a professional engineer had been charged with misuse of seal, and a lot of time went into investigating the circumstances where it appeared that someone else had placed his seal on a West Virginia drawing. That investigation hit a dead end, but the licensee admitted that it was done by a former employee who, with the licensee's permission and reportedly with the supervision and verification required by West Virginia Engineering Law, had been allowed to affix the licensee's seal to engineering work. The Board conceded that sometimes there is nothing a licensee can do about the rogue use of one's engineering seal, but here the licensee had been lax about control of his seal. He was reprimanded for that and agreed to not relinquish the physical possession of his seal, not allow anyone else to affix his seal to a document, and to report any known use of it to the Board within 30 days of discovery of that use.

In C2017-08, a Texas firm advertised in a local Chamber of Commerce program as a petroleum engineering company, but it did not have a WV COA. The Board was satisfied that the company's work in WV was for field services. Even though the ad was technically an offer of services without a COA, the Board agreed to settle the matter for administrative costs upon the firm's agreement not to advertise or otherwise offer engineering services until it was qualified to do so.

C2016-25 is another instance where the brief write-up doesn't tell the whole story, which was so confusing that even the consent order doesn't go into great detail. It was a COA issue, discovered in connection with the COA questionnaire sent out by the Board in 2016. Through several moves, the firm and its engineer-in-charge (EIRC) had not updated the information in the Board's records as required by the Board's rules, it took repeated attempts to get the updated information from the firm, and then it was learned that several projects had been performed during the time of the outdated records. Given that the records were finally straightened out and all was right with the Board after much effort on its part, the matter was closed with the firm's payment of civil penalties and administrative costs.

I will close with a brief comment on the complaints that resulted in significant civil penalties and loss of each professional engineers' license – permanently or for several years. These severe sanctions were in connection with the pay-to-play scheme involving WV Department of Highway funds and four WV professional engineers who entered guilty pleas to federal felonies. The pay-to-play scheme involving WV Department of Highway funds and four WV professional engineers who entered guilty pleas to federal felonies. In some ways, it was an unfortunate way to end my tenure with the West Virginia PE Board. Over the years, they have been zealous in their enforcement, fair in their resolution, and well-respected on both counts by engineers and other boards throughout the country. I could feel the Board's anguish engendered by the headline-making convictions, given the importance to the Board both of protecting the public and upholding the professional reputation of this State's engineering community. Here, it was especially wrenching since it involved public monies and the reputation of a state agency. It can only be hoped that events such of these will not happen again, and that each licensee will know and honor the Rules of Professional Responsibility that govern professional engineers.

Which brings me to my last point. Early on I heard a colleague in the Attorney General's office advise a client that he just needed to fall on his sword. It was a phrase I remembered and used often in describing various settlement negotiations. I found that for the most part professional engineers were honest and quite quick to admit responsibility for their infractions. Most wanted to get the matter resolved so they would be in good standing with the Board and could get back to work. Over the years, there were some glaring exceptions to that overall experience, including a couple on this year's list. Best for some things to remain confidential.

With that, I extend a fond farewell to West Virginia's engineering community, and I hope that both you and the State prosper through improvements to our infrastructure and economy.

NCEES
advancing licensure for
engineers and surveyors

The NCEES pages contain an overview of recent news releases received from the National Council of Examiners for Engineering and Surveying (NCEES), as well as NCEES Licensure Exchange articles, concerning items that may be of interest to our engineering community. Some of these articles may have been adapted to fit the space allocated. For more information on any of these updates, or to review the full news releases, simply visit the NCEES website at [ncees.org](https://www.ncees.org).

NCEES Exams Transition To Computer-Based Testing (CBT)

NCEES began the process of transitioning exams to computer-based testing (CBT) in 2011. CBT offers many benefits, such as enhanced exam content security and uniformity in testing conditions. For most exams, it provides greater scheduling flexibility. All exams are offered at approved Pearson VUE test centers (visit [ncees.org/exams/test-center-locations](https://www.ncees.org/exams/test-center-locations) to view NCEES-approved test centers near you). For more information on registering for a CBT exam, visit the NCEES website to download the Examinee Guide and watch a video series about the exam-day experience.

CONVERSION SCHEDULE: NCEES has successfully converted, or is in the process of converting, the following exams to a computer-based format. They are no longer offered in pencil-and-paper format.

YEAR	EXAM	AVAILABILITY	YEAR	EXAM	AVAILABILITY
2014	FE exam (all disciplines)	Year-round	2018	PE Chemical	Year-round
	FS exam	Year-round		PE Nuclear	Single-day
2017	PS exam	Year-round			

All other NCEES exams are currently in the conversion process and scheduled to launch in computer-based format between now and 2024. They are currently offered in pencil-and-paper format and available once or twice per year depending on the exam. Please visit the NCEES website or the WV PE Board website to view the current pencil-and-paper exam schedule.

The following conversion schedule is **TENTATIVE**. Official notification and details related to each exam will be provided 12 months in advance and available on the NCEES website for review.

YEAR	EXAM	AVAILABILITY	YEAR	EXAM	AVAILABILITY
2019	PE Environmental	Year-round	2022	PE Architectural	Single-day (date TBD)
	PE Petroleum	Single-day (date TBD)		PE Control Systems	Single-day (date TBD)
2020	PE Fire Protection	Single-day (date TBD)		PE Metallurgical & Materials	Single-day (date TBD)
	PE Industrial & Systems	Single-day (date TBD)		PE Naval Architecture & Marine	Single-day (date TBD)
	PE Mechanical:			PE Software	Single-day (date TBD)
	HVAC & Refrigeration	Year-round	2023	PE Civil: Construction	Year-round
	Machine Design & Materials	Year-round		PE Civil: Geotechnical	Year-round
2021	Thermal & Fluids Systems	Year-round		PE Civil: Structural	Year-round
	PE Agricultural & Biological	Single-day (date TBD)		PE Civil: Transportation	Year-round
	PE Electrical & Computer: Computer			PE Civil: Water Resources	
	Engineering Electronics, Controls,		2024	& Environmental	Year-round
	& Communications	Single-day (date TBD)		Structural exam (SE)	TBD
	PE Electrical & Computer: Power	Year-round			
	PE Mining & Mineral Processing	Single-day (date TBD)			

YEAR-ROUND VS. SINGLE-DAY EXAMS

Some CBT exams are administered year-round. NCEES constructs these exams using a linear-on-the-fly (LOFT) algorithm. This means that all examinees for a particular exam are required to answer the same number of questions in the same topics; however, no examinees will have the same set of questions. The algorithm will assemble a unique exam within the same specification framework (i.e., the same number of questions per topic area) and the same relative level of difficulty. Other CBT exams that have a smaller examinee population use a different high-stakes testing model and are administered on a single day each year. All examinees taking these exams receive the same questions. The question formats used on both types of exams are the same, independent of the statistical model employed.

ALTERNATIVE ITEM TYPES

CBT exams include traditional multiple-choice questions as well as alternative item types (AITS). AITS provide opportunities to assess the technical knowledge of examinees using methods not available through paper-based testing. AITS include but are not limited to the following: (1) Multiple correct—allow examinees to select multiple answers; (2) Point and click—require examinees to click on part of a graphic to answer; (3) Drag and drop—require examinees to click on and drag items to match, sort, rank, or label; (4) Fill in the blank—provide a space for examinees to enter a response to the question.

NEW EXAM SPECIFICATIONS & STANDARDS

Details regarding the following new exam specifications and standards are posted on the NCEES website. If you have any questions about these changes or require additional information, please contact NCEES.

April 2018 Exam Changes

- PE Architectural Engineering
- PE Electrical and Computer
- PE Environmental (also being reduced from 100 to 80 questions to match the other PE exams)
- Structural 16-hour
- PE Civil (Construction, Geotechnical, and Structural modules)

October 2018 Exam Changes

- PE Nuclear (Transitioning to CBT in October 2018 and offered on a single-day only).
- PE Fire Protection

Special Accommodations

- All requests for testing accommodations must be submitted through the NCEES E3 system by the posted registration deadlines. These include accommodations for ADA and religious reasons and for active military service. More information about special accommodations is posted on the NCEES website.

NCEES ANNOUNCES SEARCH FOR NEW CEO

The National Council of Examiners for Engineering and Surveying has begun the search process for a new chief executive officer. Current CEO Jerry Carter will retire on September 30, 2018. The board of directors has formed a five-member CEO Search Committee, chaired by President Patrick Tami, PLS. The committee will accept applications from qualified candidates until April 30, 2018.

"Under CEO Carter's leadership, NCEES has become one of the most respected organizations in the engineering and surveying professions. He has greatly improved our ability to achieve NCEES' mission by bringing about a significant evolution of the Council's services and governance," Tami says. "Thanks to him, our new CEO will be able to continue our mission with a dedicated staff and strong financial footing."

NCEES helps its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops, administers, and scores the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories.

Candidates for the position should hold a bachelor's degree or higher and have at least five years of executive-level leadership or management experience. The ideal candidate will be a visionary leader with strong financial experience in leading an organization, preferably in an engineering or surveying community. He or she will have an understanding of organizational governance and its structure and be a strong collaborative leader of NCEES leadership, staff, members, and volunteers. Previous experience at an executive level is preferred.

ESTABLISHED TIMELINE: Position published February 12, 2018, Application deadline April 30, 2018, Interview period June–July, 2018, Executive selected, August 2018

APPLICATION INFO: Information about the search is available at ncees.org/CEOsearch.

1. About NCEES, **2.** About the position, **3.** Qualifications, **4.** Timeline, **5.** Contact information

ABOUT NCEES

The National Council of Examiners for Engineering and Surveying is a nonprofit organization made up of engineering and surveying licensing boards from all U.S. states, the District of Columbia, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.

NCEES was founded in 1920 to help its member licensing boards carry out their duties to regulate the professions of engineering and surveying. It develops best-practice models for state licensure laws and regulations and promotes uniformity among the states. It develops, administers, and scores the exams used for engineering and surveying licensure throughout the country. It also provides services to help licensed engineers and surveyors practice their professions in other U.S. states and territories.

NCEES Vision: The vision of NCEES is to provide leadership in professional licensure of engineers and surveyors through excellence in uniform laws, licensing standards, and professional ethics in order to safeguard the health, safety, and welfare of the public and to shape the future of professional licensure.

NCEES Mission: The mission of NCEES is to advance licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the public. This mission is supported through its member boards, board of directors, staff, board administrators, and volunteers by:

- Providing outstanding nationally normed examinations for engineers and surveyors
- Providing uniform model laws and model rules for adoption by the member boards
- Promoting professional ethics among all engineers and surveyors
- Coordinating with domestic and international organizations to advance licensure of all engineers and surveyors.

Learn more at ncees.org.

TIFFANY COLEMAN,
ADMINISTRATIVE ASSISTANT II

COA Matters Really Matter!

You may recall an article published by the West Virginia Professional Engineers Board in the 2016 Fall Interchange detailing renewal issues where the Certificate of Authorization (COA) renewal fee submissions did not appear to match previous submissions and the reported number of Professional Engineers claimed for a number of firms did not match the number reported in previous years. In efforts to correct renewal inconsistencies, the WV PE Board sent a questionnaire to each firm and the Engineer in Responsible Charge (EIRC) requesting the total number of employees associated with the firm's COA and the total number of Professional Engineers associated with the firm's COA. The responses from the questionnaire revealed that 327 firms had not renewed properly.

As noted in the WV Engineering Law (statute and rules) as well as the COA application and renewal documents, the COA fee structure is based on a sliding scale and is determined by the number of **ALL** Professional Engineers employed with the firm, not simply WV PEs. To rectify the situation, firms who had renewal discrepancies were contacted to pay the difference between the 2016-17 renewal fee made and the actual renewal fee payment that should have been paid. To avoid potential disciplinary action for providing misinformation to the board, firms need to continue to renew based on the current and correct information for the firm at the time of future renewals.

A New Year is here and we have now completed the second biennial 2018 - 2019 Certificate of Authorization renewal. Upon review of the renewal submissions, there continued to be an ongoing problem with firms not accurately reporting the correct number of Professional Engineers or erroneously classifying their firm as a Sole Proprietor when they had more employees than simply the sole WV PE. In fact, we had to individually contact more than 291 firms who appeared to have renewal discrepancies. Some of these are the same firms we had to contact after the 2016-2017 review for renewal inconsistencies. The process involved to individually contact and correct COA renewals is a manual one which can often involve more than two dozen steps if a refund is required so they can re-renew with correct credit card payment. It is very tedious and time consuming for our staff as well as the staff of the engineering firms who made the errors.

The key problems are two-fold: (1) A common issue is that firms are not reading the questions where they are to report the **TOTAL** number of Professional Engineers they employ company-wide, regardless of their state of licensure, and not simply those licensed in WV. (2) Another issue appears to be a misunderstanding of what the Board classifies as a Sole Proprietor and who qualifies for this entity type (which results in a \$0 renewal fee). A Sole Proprietor is a business that is owned and operated by one individual, the WV PE only, meaning the firm has no other employees.

I hope by reading this article we have cleared up any confusion or misunderstandings you may have regarding your firm's COA. I am optimistic that we can move forward from this point and have a smoother COA renewal season in late 2019. If you still have questions about your COA, please do not hesitate to contact our office. We are always happy to assist.

Renewal Status Report and COA Renewal Follow-Up

2018 WV PE AND COA RENEWAL STATUS REPORT

To view or download a complete roster of the Active PE licenses, Firm Certificates of Authorizations (COAs), and Retired PEs, simply visit our website. You may also access the online verification search to determine if a particular individual and/or firm is authorized to practice, or even offer to provide engineering services in WV. Please be reminded that due to our upgraded technology and “real-time” search features available on our website, we are no longer publishing lengthy lists within our newsletter of those PEs or firm COAs with Lapsed, Inactive or Invalidated status. It is quite possible these individuals or firms may have already begun or completed the reinstatement process to bring such non-practicing status situations into Active status and good standing. However, in addition to individual look-ups by name, one may use our Licensure Verification search tool to review other Status designations of their choosing. Again, visit our website for complete status details for any WV PE or WV COA, or simply contact the Board office with any specific questions.

In addition, please be reminded that all licensees should report disciplinary actions, a change in address, employer or email to the Board within 30 days. All submitted address changes, new employer updates, new licensees, as well as any recent Board changes to the status of a licensee will appear immediately unless an action is required by staff before it will post. If such an action is required by staff, a flashing warning signal will appear the next time a staff member logs into the in-house database prompting them to perform the check and release the “real-time” update. In most instances, such approvals are performed during the normal course of business and multiple times throughout each work day. If, however, an after-hours/weekend/holiday submission occurs that requires staff action, rest assured such will take place within a few hours of our office opening on the next official business day.

UPCOMING WV RENEWAL REMINDERS

West Virginia Engineering Law requires our agency to send notification at least 30 days prior to the expiration of a license, meaning no later than December 1st of odd numbered years for COAs and December 1st of even numbered years for PEs and Retired PEs. Renewal notification postcards are typically mailed in mid-late November and the WV State Treasurer's Office activates our online license renewal system at the same time. There will be renewal instructions on the mailer as well as at the live link posted on our website at that time. You will also receive a number of courtesy email notifications to your record email address(es) throughout the renewal season until you successfully renew. Upon successful renewal, we will no longer contact you with unnecessary email communication.

All WV PE licenses will be required to be renewed by December 31, 2018. At a meeting in November 2016, and after the printing of our last Board newsletter, the West Virginia State Board of Registration for Professional Engineers voted to allow registrants to check a box on the online renewal certifying that they have met the Continuing Professional Competency requirements as outlined in WV Engineering Law (specifically WV Legislative Rules 7-1-10) during the biennial renewal period (or other qualifying period for new or reinstated licensees). As a condition of WV PE renewal, every registrant must:

- Certify that he or she has met the continuing education requirements (obtained the minimum of thirty (30) PDHs prior to the biennial renewal period; and
- Indicate the total number of PDHs obtained during the qualifying renewal period; and
- Indicate the total number of requested carryover hours (up to a maximum of 15 PDHs) to be used during the next biennial renewal.

Submission of a detailed description of the PDHs obtained will no longer be required at the time of renewal. Only registrants randomly selected for audit following the close of this renewal period will be required to submit detailed records to support the credits claimed at the time of renewal.

If you wish to track your PDHs online, NCEES offers a free CPC tracking tool. Information about the NCEES CPC Tracking System is available at ncees.org/cpc.

2018 REGISTRATIONS

The following is a numerical summary of registered individuals and firms as of March 1, 2018.

» Active PEs.....	8740
» Retired PEs	281
» Active COAs	3101

COA Status Summary for Recent 2018-2019 COA Renewal

CALENDAR of events - 2018

JAN	25	Board Meeting, WV PE Board Office, Charleston, WV
JAN	25	PE Exam Candidate Interviews, Charleston, WV
FEB	8-24	National Engineers E-Week - various Board activities/speaking engagements
MAR	20	Board Meeting, WV PE Board Office, Charleston, WV
MAR	21-22	40th Annual WV EXPO and Continuing Education Seminars, Charleston, WV
APR	13-14	PE Exam + SE Exams, Charleston and Morgantown, WV
MAY	9	Board Meeting, WV PE Board Office, Charleston, WV
MAY	17-19	NCEES Northeast Meeting, Portland, ME
JUL	17	Board Meeting, WV PE Board Office, Charleston, WV
JUL	28	PE Application Deadline for October 2018 Exam Administrations (Please note this is a "received in office" deadline, not a "postmark" deadline)
AUG	15-18	NCEES Annual Meeting, Scottsdale, AZ
SEP	18	Board Meeting, WV PE Board Office, Charleston, WV
OCT	26-27	PE Exam + SE Exams, Charleston and Morgantown, WV
NOV	13	Board Meeting, WV PE Board Office, Charleston, WV

! Red Flags

Watch out for these issues:

- Architectural sheets sealed by an engineer
- Engineering sheets sealed by an architect
- Plans sealed by an unlicensed person, architect or engineer
- Plans sealed by an engineer of an unauthorized firm (one without a COA)
- Incomplete documents sealed without a disclaimer
- Plans that have not been sealed, signed (dated) by the licensee(s)
- Prototypical, standard plans that do not bear the seal of the WV licensee and disclaimer
- Seals that appear to be cut and pasted
- Contact person is not the licensee or it is difficult to contact the licensee
- Plans, details, letters, reports, etc. do not appear to apply to the project
- Plans have numerous or serious code violations
- Non-dated revisions
- Revisions or changes missing seal, signature (date)
- Plans which do not list the name of the architect or engineer involved and the name of his/her firm.

? What to do?

- Question the professional as to circumstances and qualifications
- Get the issue corrected
- Reject the documents
- Contact the appropriate licensing board
- File a complaint with the appropriate licensing board

e Engineering Addendum:

Are the services of a registered professional engineer required for single family residential structures?

Single family residences do not normally require the design services of professional (structural) engineers except for some large custom designed homes where the owner requests the services or the spans are too large for typical code-specified framing to work. Generally the only times a structural engineer will become involved in a single family residence are as follows:

- Where there is a problem with the foundation or framing of the house, such as storm damage, soil movements, or unusual deflections and damages in the architectural finishes.
- When an existing house is being sold and the mortgage company is looking for someone to identify and describe the various structural movements and damages that have occurred in the structure, as well as provide some recommendations of what should be done to eliminate the problems.
- When the design of the house involves a structural system which is outside of the typical structural framing and foundation systems specified in the residential building code or when the building code requires engineering services.

§ Relevant Codes

What is the current building code reference?

Neither board is responsible for regulating or enforcing building code compliance. Interested parties should contact the WV State Fire Marshal or their local code official for details.

What WV laws govern the Architect and Professional Engineers boards?

- § 30-12 et seq. – WV State Registration Law for Architects
- § 2-1 et seq. – Registration of Architects
- § 2-2 et seq. – Disciplinary and Complaint Procedures for Architects
- § 2-3 et seq. – Fees for Registration of Architects
- § 30-13 et seq. – WV State Registration Law for Professional Engineers
- § 7-1 et seq. – Legislative Rule for Professional Engineers
- § 7-2 et seq. – Procedural Rule for Professional Engineers
- § 7-3 et seq. – Interpretive Rule for Professional Engineers

Requirements regarding the practice of architecture and engineering in West Virginia

? Which type of licensee must prepare and seal plans?

Can architects prepare and seal engineering plans?

☐ ☒ Although incidental engineering is allowed, architects generally should not seal electrical, mechanical, plumbing, civil or structural engineering drawings.

Can engineers prepare and seal architectural plans?

☐ ☒ Although incidental architecture is allowed, engineers should not represent their work as architecture and should not seal drawings identified as architectural.

Are companies employing these licensed professionals required to be registered by their respective Boards prior to providing, or even offering, professional services on projects in WV?

☐ No, but an individual architect is required to be registered in WV before soliciting work in WV

☒ Yes, a valid Certificate of Authorization (COA) must be obtained from the PE Board.

How can one verify that an architect, engineer, or engineering company is currently licensed and eligible to offer professional services in WV?

☒ Both Boards have websites which allow online licensure verification. West Virginia engineers are not licensed by discipline but as professional engineers. Seals shall not reference an engineer's branch or discipline.

☐ Visit www.wvbrdarch.org or call 304-528-5825

☒ Visit www.wvpebd.org or call 304-558-3554

? Are there special requirements regarding the seals?

Can a licensee use an electronic seal?

☐ Electronic seals are permitted, but electronic signatures are not permitted. The signature must be an original, handwritten signature.

☒ Electronic seals and signatures are allowed. Facsimile signatures are not allowed.

Can a licensee seal another licensed designer's standard (prototypical) plans?

☒ No, they must be sealed by a West Virginia licensed architect or engineer who is in responsible charge of the preparation of the documents.

Can an individual licensed in another jurisdiction engage in temporary practice before obtaining a license here?

☒ No.

Security of seal – can someone else use an individual's seal?

☒ ☐ No.

Must professional corporations use corporate seals on plans?

☒ ☐ No.

Must the licensee seal, sign and date each sheet of original drawings issued for bidding, permitting or construction?

☐ They must sign and seal the index page or each individual sheet that was prepared under the architect's responsible control. The date is not required.

☒ They must sign, seal and date the first sheet or title sheet of the appropriate sections.

Must the licensee seal, sign and date the index page identifying each set of specifications or technical submissions?

☐ The architect is required to sign and seal all technical work prepared by him/her. No date is required.

☒ The engineer is required to sign, seal and date all technical work prepared by him/her.

What structures may be exempt in the licensing laws from the architect's and engineer's requirements and/or may be prepared by others?

☐ There are limited exemptions in the architect's law to permit a person who is not registered as an architect to design and supervise the erection or alteration of the following:

1. A detached single family dwelling and any incidental sheds, storage buildings and garages;
2. A multifamily residential structure not in excess of three stories excluding any basement area;
3. Farm buildings, including barns, silos, sheds or housing for farm equipment and machinery, livestock, poultry or storage, if such structures are designed to be occupied by no more than ten persons;
4. Any alteration, renovation or remodeling of a building, if such alteration, renovation or remodeling does not affect the structural or other safety features of the building or if the work contemplated by the design does not require the issuance of a permit under any applicable code;
5. Pre-engineered buildings, including mobile classrooms purchased by county school boards, and;
6. A commercial structure which contains not more than 7,600 square feet and is only one story, excluding any basement area.

☒ No specific types of structures are exempt from engineer licensing laws.

Plans for changes to previously exempt structures?

☐ Exempt, if finished structure would still qualify for its original exemption.

☒ Not exempt.

Plans for changes to nonexempt structures?

☐ Exempt if changes:

- Do not alter or affect the structural system.
- Do not change access or exit patterns.
- Do not change live or dead loads.
- Do not change safety features.
- Do not require the issuance of a permit under any applicable code.

☒ Not exempt.

Plans for alterations or up-fitting of a shell or unfinished structure?

☒ ☐ Not exempt.

Shop drawings?

☐ Exempt ☒ Not exempt.

Are church plans exempt?

☒ ☐ No.

? What types of documents require a seal?

Must a licensee seal all plans prepared for bidding, permitting or construction?

☐ Yes. ☒ Yes.

Are specifications required to be sealed?

☐ Yes. ☒ Yes.

If a project is exempt but a licensee does the work, must the licensee seal the plans?

☐ Yes ☒ Yes, generally.

Are change orders, technical submissions or drawings accompanying or related to change orders required to be sealed?

☒ Yes, if the changes, technical submissions or drawings were of a type that must be prepared by a licensee.

Are addenda and field changes required to be sealed?

☒ Yes, if the documents, addenda or field changes can only be lawfully prepared by a licensee.

Are "record drawings (as built)" required to be sealed?

☒ Yes, when prepared by an architect or engineer.

? What kinds of documents do not require a seal?

Must licensees seal presentation documents (renderings used to communicate conceptual information only) not a part of a set of drawings?

☒ ☐ Not required to be sealed or signed.

Can a licensee seal sheets or pages prepared by others?

☐ Yes, in certain cases where portions of the work were prepared by others under the direct supervision of the architect. The architect may also sign or seal those portions of professional work if the architect has reviewed them and coordinated their preparation.

☒ Yes, if the licensee was in responsible charge of the work or completely checked it.

? Under what circumstances are licensees limited from sealing certain documents?

Can a licensee seal a professional opinion letter or report concerning whether plans that he/she did not prepare comply with the building code?

☒ ☐ Yes.

Can a licensee seal a document that was not prepared by the licensee or under his/her direct control?

☒ ☐ No.

? Proper architectural and engineering seals

Architect and engineer seals properly signed, sealed and dated:

Architect

Engineer

Acceptable disclaimers include:

- Preliminary – Do Not Use for Construction
- Progress Drawings – Do Not Use for Construction
- Final Drawing – For Review Purposes Only

Engineer's Creed

As a professional engineer, I dedicate my professional knowledge and skill to the advancement and betterment of human welfare. I pledge to give the utmost of performance, to participate in none but honest enterprise, to live and work according to the laws of man and the highest standards of professional conduct, to place service before profit, honor and understanding of the profession before personal advantage, and the public welfare above all other considerations. In humility and with need for divine guidance, I make this pledge.

Members of the Board

Edward L. Robinson, P.E., P.S.

Board President
Cross Lanes, Kanawha County
Term Expires June 30, 2019

Richard E. Plymale, Jr., P.E., P.S.

Board Vice-President

Charleston, Kanawha County
Term Expires June 30, 2018

Introduction

The licensing of Professional Engineers began in the State of Wyoming in 1907. The West Virginia State Board of Registration for Professional Engineers (WV PE Board) was formed to oversee the licensing of engineers in West Virginia in 1921.

Article 13 – the part of the professional licensing chapter of the code (Chapter 30) that regulates Professional Engineers – was first enacted in 1992. The statutes in W.Va. Code 30-13-1 et seq. and Series 7 of the Code of State Rules are the primary components of what is referred to as “West Virginia Engineering Law.”

Laws requiring professional licensure and regulating the practice of that profession are enacted under the police powers of the State. The primary purpose is to protect the public. Through its statutes and rules, the WV PE Board works to safeguard life, health and property and promote the public welfare. This is done, in part, by requiring professional engineers to meet specified minimum standards, follow certain procedures, and practice in accordance with their rules of professional responsibility.

Those licensure standards, and the procedures and rules that govern those who have been granted the privilege to practice engineering in West Virginia, can be found in these pages. It is hoped that the information provided here helps you understand the substantive and procedural aspects of West Virginia Engineering Law. The staff and its counsel are always available in the event you need more information or have questions regarding the Board’s implementation and application of West Virginia Engineering Law.

The Board and staff work diligently to carry out our responsibilities to the public, the State of West Virginia, and to the professional engineers licensed in West Virginia. The more that these entities know, understand and comply with West Virginia Engineering Law, the easier our job will be, and we can all work together to ensure that West Virginia’s professional engineers are providing good service to the State and its people.

CHANGES TO STATUTE OR RULES AFTER 2016:

Please be advised this booklet contains only legislative action prior to September 2016. It is unpredictable when the West Virginia Legislature may consider and possibly pass legislation amending Article 13, and there is always the possibility that the Board may choose to seek statutory changes through the legislative process in future years. The Board, on its website, will attempt to keep the engineering community and citizens of West Virginia apprised of legislative developments and will always post legislation amending Article 13 that is enacted into law.

Similarly, the Board may pursue changes to its rules in future years although no changes to its legislative rules (Series 1) are proposed for rule-making review by the WV Legislature in 2017. You will always be able to find the rules in effect and any proposed rules on the Board’s website at www.wvpebd.org and on the WV Secretary of State’s website at www.sos.wv.gov.

WEST VIRGINIA CODE

CHAPTER 30 - PROFESSIONS AND OCCUPATIONS

ARTICLE 13 - ENGINEERS

§30-13-1. Legislative findings; intent.

The Legislature hereby determines the need to regulate the practice of engineering; to provide for the registration of qualified persons as professional engineers and the certification of engineer interns; to define the terms “engineer,” “professional engineer,” “engineer intern” and “practice of engineering”; to create a state board of registration for professional engineers and provide for the appointment and compensation of its members; to fix the term of members of the board and define its powers and duties; to set forth the minimum qualifications and other requirements for registration as an engineer and certification as an engineer intern; to establish registration fees with expiration and renewal requirements; to impose certain duties upon the state and political subdivisions thereof in connection with public works; and to provide for the enforcement of this article and penalties for its violation.

§30-13-2. General provisions.

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is hereby declared to be subject to regulation in the public interest. It is unlawful for any person to practice or to offer to practice engineering in this state, as defined in the provisions of this article, or to use in connection with his or her name or otherwise assume or advertise any title or description tending to convey the impression that he or she is a registered or licensed engineer, unless the person has been duly registered or exempted under the provisions of this article. Engineering is hereby declared a learned profession and its practitioners are held accountable to the state and the public by professional standards in keeping with the ethics and practice of other learned professions in this state. The practice of engineering is a privilege granted by the state.

§30-13-3. Definitions.

Unless the context in which used clearly requires a different meaning as used in this article:

- (a) **“Board”** means the West Virginia state board of registration for professional engineers as provided for in this article.
- (b) **“Consulting engineer”** means a professional engineer whose principal occupation is the independent practice of engineering; whose livelihood is obtained by offering engineering services to the public; who serves clients as an independent fiduciary; who is devoid of public, commercial and product affiliation that might tend to infer a conflict of interest; and who is cognizant of their public and legal responsibilities and is capable of discharging them.
- (c) **“Engineer”** means a person who is qualified to practice engineering by reason of special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience.
- (d) **“Engineer intern”** means a person who has qualified for, taken and has passed an examination in the fundamental engineering subjects, as provided in this article.

- (e) **"Practice of engineering"** means any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems; planning the use of land and water; teaching of advanced engineering subjects, engineering surveys and studies; and the review of construction for the purpose of assuring compliance with drawings and specifications any of which embraces such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. Engineering surveys include all survey activities required to support the sound conception, planning, design, construction, maintenance and operation of engineered projects.

Any person who practices any branch of the profession of engineering or who, by verbal claim, sign, advertisement, letterhead, card or in any other way represents himself or herself to be a professional engineer, or by using another title implies that he or she is a professional engineer or that he or she is registered under this article or who holds himself or herself out as able to perform, or who performs any engineering service or work or any other service designated by the practitioner which is recognized as engineering, is considered to practice or offer to practice engineering within the meaning and intent of this article.

- (f) **"Professional engineer"** means a person who has been duly registered or licensed as a professional engineer by the board. The board may designate a professional engineer, on the basis of education, experience and examination, as being licensed in a specific discipline or branch of engineering signifying the area in which the engineer has demonstrated competence.
- (g) **"Responsible charge"** means direct control and personal supervision of engineering work.
- (h) **"Rules of professional responsibility for professional engineers"** means those rules, if any, promulgated by the West Virginia state board of registration for professional engineers as authorized by this article.

§30-13-4. Board of registration for professional engineers; appointment and term.

There is hereby created the board of registration for professional engineers which shall hereafter be referred to as the board. The board shall be composed of five members appointed by the governor, by and with the consent of the Senate, preferably from a list of names submitted by the West Virginia society of professional engineers. The members of the board shall be qualified and shall meet the requirements of section five of this article. The governor shall present each board member with a certificate of appointment. Each board member shall make and file an oath or affirmation with the secretary of state to faithfully execute the duties of a member of the board. Members of the board shall serve a term of five years. Of the members first appointed, one shall serve a term of one year,

one shall serve a term of two years, one shall serve a term of three years, one shall serve a term of four years and one shall serve a term of five years. Members are eligible for reappointment but no member may be appointed for more than three full consecutive terms. Each member shall hold office until the expiration of the term for which appointed or until a successor has been duly appointed and has qualified. In the event of a vacancy on the board due to resignation, death or for any cause resulting in an unexpired term and if not filled within three months by the governor, the board may appoint a member to serve in the vacancy until the governor makes the appointment. Members of the former board whose terms have not expired shall fill the term on this board which corresponds with the length of the unexpired term of that member.

§30-13-5. Board qualifications.

Each member of the board must be a citizen of the United States and a resident of this state. Each member shall have been engaged in the lawful practice of engineering as a professional engineer for at least twelve years; shall have been in responsible charge of engineering projects for at least five years; and shall be a registered professional engineer in this state.

§30-13-6. Compensation and expenses.

Each member of the board shall receive compensation for time spent, and reimbursement for reasonable and necessary expenses incurred, in the performance of board-related duties pursuant to section eleven, article one of this chapter.

§30-13-7. Removal of members and vacancies.

The governor may remove any member of the board for misconduct, incompetency, neglect of duty or for any reason prescribed by law for removal of state officials. Vacancies in the membership of the board shall be filled for the unexpired term.

§30-13-8. Organization and meetings.

The board shall hold at least one regular meeting each year. Special meetings may be held as the bylaws of the board provide. Each year the board shall elect the following officers: A president, a vice president and a secretary, who shall serve at the will and pleasure of the board. A quorum of the board shall consist of not less than three professional engineer members.

§30-13-9. Board powers.

- (a) The board may adopt and amend bylaws not inconsistent with the constitution and laws of this state. The board may promulgate and shall adopt “rules of professional responsibility for professional engineers.” These rules are binding to any person registered with the board under the provisions of this article. These rules are also applicable to firms holding a certificate of authorization as provided in section seventeen of this article.
- (b) The board may subpoena witnesses and compel their attendance and it may also subpoena books, papers, documents or other pertinent data in any disciplinary matters or in any case involving an allegation of a violation of the provisions of this article. The board may apply to the circuit court of Kanawha county to enforce compliance with any subpoena it issues.

- (c) The board may seek an injunction in circuit court to enforce the provisions of this article or to restrain a person or entity from violating a provision of this article. In pursuing injunctive relief under this section, the board shall not be required to prove that an adequate remedy at law does not exist or that substantial or irreparable damage would result from the continued violation. The members of the board may not be personally liable for any decisions made in good faith in pursuing injunctive relief.
- (d) The board may require all applicants for registration to take and successfully pass an examination of their fitness and qualifications to become registered.
- (e) The board may require that a registered professional engineer demonstrate continuing professional competency in engineering as a condition of renewal or reregistration.
- (f) Board members are exempt from civil liability for any decision made or any act done in good faith in the performance of any duty or the exercise of any power granted under this article.

§30-13-10. Receipt of fees, fund established, disbursements.

There is hereby established within the state treasury a "board of professional engineers fund." The board shall deposit all fees and other moneys received by the board into the fund. The moneys in the fund shall be used for expenses of the board and shall be requisitioned on the signatures of the president and secretary of the board. The secretary of the board shall annually furnish an accounting of all funds received and expended by the board to the governor and to each house of the Legislature. The board may use the moneys in the fund to employ necessary staff, pay for membership fees to the national council of examiners for engineering and surveying and for any other necessary and reasonable expense of the board: Provided, That the board may not issue warrants in excess of moneys in the fund.

§30-13-11. Records and reports.

- (a) The board shall keep a record of its proceedings and of all applications for registration. The record shall show: (1) The name, age and last known address of each applicant; (2) the date of application; (3) place of business of such applicant; (4) education, experience and other qualifications; (5) type of examination required; (6) whether or not the applicant was rejected; (7) whether or not a certificate of registration was granted; (8) the date of the action by the board; and (9) such information as may be deemed necessary by the board.
- (b) The record of the board is prima facie evidence of the proceedings of the board and a transcript duly certified by the secretary shall be admissible as evidence with the same force and effect as if the original were produced.
- (c) On the first day of July of each year, the board shall submit to the governor a report of its transactions of the preceding year and shall transmit to the governor a complete statement of the receipts and expenditures of the board, attested to by affidavits of its chairman and secretary.
- (d) Board records and papers of the following class are of a confidential nature and are not public records: Examination material for examinations not yet given, file records of examination problem solutions, letters of inquiry and reference concerning applicants, board inquiry forms concerning applicants, investigation files where any investigation is still pending and all other materials of like confidential nature.

§30-13-12. Roster.

A complete roster with the names and the last known addresses of all registered professional engineers shall be published by the secretary of the board at intervals established by the board. Copies of this roster may be mailed to each person registered and shall be placed on file with the secretary of state and may be distributed or sold to county and city officials and to the public.

§30-13-13. Requirements for registration of professional engineers and certification of engineer interns.

- (a) **General requirements.** - Every person who desires to be certified as an engineer intern or to be registered as a professional engineer in this state must comply with the following requirements:
- (1) Submission of a completed application specified by the board and payment of the application fee specified by rule of the board;
 - (2) Be at least eighteen years of age;
 - (3) Be of good moral character;
 - (4) Submit statements of reference as specified by rule of the board;
 - (5) Graduate from a four-year engineering curriculum accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET), or an equivalent as approved by the board as being of satisfactory standing; and
 - (6) Be free of any grounds for disqualification as set forth in subsection of (a) of section twenty-one of this article.
- (b) **Certification of an engineer intern.** - In addition to the foregoing general requirements, an applicant must meet the following requirements to be certified as an engineer intern in this state:
- (1) Satisfactorily complete the required examination on the fundamentals of engineering; and
 - (2) Complete each additional requirement that the board may specify by legislative rule.
- (c) **Registration of a professional engineer.** - In addition to the general requirements specified in subsection (a) of this section, an applicant must meet the following requirements to be certified as a professional engineer in this state:
- (1) Meet all the requirements for certification as an engineer intern;
 - (2) Submit a record of four years or more of progressive experience in engineering work of a grade and a character that indicates to the board that the applicant may be competent to practice engineering;
 - (3) Satisfactorily complete the required examination on the principles and practice of engineering;
 - (4) Complete each additional requirement that the board may specify by legislative rule.

- (d) **Registration of a professional engineer through comity or reciprocal registration.** - Notwithstanding the requirements of the foregoing subsection of this section, the board may issue a license to an applicant who holds a valid license or other authorization to practice engineering from another state, if the applicant satisfies the general requirements of subsection (a) of this section, satisfies the additional requirements specified by rule of the board and meets one of the following requirements:
- (1) Holds a license or other authorization to engage in the practice of engineering issued by a proper authority of any jurisdiction, based on requirements that do not conflict with the provisions of this article and possesses credentials that are, in the judgment of the board, of a standard equivalent to or not lower than that specified in the applicable licensure act and rules in effect in this state at the time such license was issued, upon application, which may include a council record with NCEES; or
 - (2) Holds a valid council record with NCEES, which is the compilation of documents maintained by NCEES of an applicant's qualifications as a professional engineer, including official transcripts, engineering examination results, employment verifications and references, which indicates that the applicant meets the requirements of this article.
- (e) **Certification or registration of qualified applicants.** - The board shall issue a certification to a qualified applicant who meets the requirements for certification as an engineer intern and shall issue a professional engineer registration to a qualified applicant who meets the requirements for registration as a professional engineer.
- (f) **Continuation of existing registrations and certificates.** - A registration or certificate issued by the board prior to July 1, 2013, shall for all purposes be considered a registration or certificate issued under this article: Provided, That a person registered or certified prior to July 1, 2013, must renew the registration or certification pursuant to the provisions of this article and the rules of the board.

§30-13-13a. Designations of nonpracticing status.

The board may designate a professional engineer as ineligible to practice or offer to practice engineering in this state using one of the following terms:

- (1) **Professional engineer-retired.** - A registrant may apply for retired status upon certification that he or she is no longer practicing or offering to practice engineering in this state for remuneration.
- (2) **Professional engineer-inactive.** - A registrant may request inactive status upon affirmation that he or she is no longer practicing or offering to practice engineering in this state.
- (3) **Professional engineer-lapsed.** - A registrant's license is lapsed when the registrant does not respond to renewal notices or pay the required fees.
- (4) **Professional engineer-invalidated.** - A registrant's license is invalidated when he or she is unable to provide sufficient proof that any condition of renewal set forth in this article or by board rule has been met.

§30-13-14. Application and registration fee.

Every person seeking to become registered as a professional engineer or seeking to become certified as an engineer intern shall file an application on forms provided by the board. The application shall be made under oath and shall include:

- (a) The level of education of the applicant;
- (b) A summary of the applicant's technical experience; and
- (c) The names and complete mailing addresses of any references.

Applicants may not use the names of board members as references.

In lieu of information required on the board's application forms, the board may accept the verified information contained in a valid council record issued by the national council of examiners for engineering and surveying for professional engineer applicants.

The board shall set fees for all applicants for registration and certification by promulgating legislative rules under the provisions of article three, chapter twenty-nine-a of this code.

Fees of unsuccessful applicants and the fees of applicants who have been refused registration or certification for any purpose shall be retained by the board to cover administrative costs.

§30-13-15. Examinations.

- (a) The board has the power to establish, by legislative rule, the requirements for examination for registration as a professional engineer and certification as an engineer intern including, but not limited to, the following criteria: subject matter, prerequisites for testing, passing score, examination sites and schedules, entities authorized to administer examinations, prerequisites for testing and form of testing, including examination by electronic or other means.
- (b) The board's rules for examination shall include the following minimum requirements:
 - (1) An examination to qualify to be an engineer intern, to test the applicant's knowledge and understanding of the fundamentals of engineering; and
 - (2) An examination to qualify as a professional engineer, to test the applicant's knowledge and understanding of the principles and practice of engineering.
- (c) If the board determines that the safe and ethical practice of engineering in this state requires examination of matters specific to the law and practice in this state, the board may also establish criteria, by legislative rule, for an examination of the applicant's knowledge and understanding of this state's statutes, rules, professional ethics and design requirements.
- (d) A candidate for registration as a professional engineer who fails the examination of the principles and practice of engineering may retake the examination one time upon payment of the fee established by the board. In the event of a second failure, the candidate may not repeat the examination unless the examinee demonstrates to the board that he or she has pursued additional instruction or training to correct the candidate's deficit areas of knowledge.
- (e) In the event that examination requirements, test administration procedures, scoring or testing methods are modified by a board-approved testing entity providing standard tests for use by the board, the board has the authority to promulgate emergency rules to adopt and reflect those changes.

§30-13-16. Certificates and seals.

- (a) The board shall issue a certificate of registration to any applicant who, in the opinion of the board, has met the requirements of this article. The certificate of registration shall carry the designation “professional engineer.” It shall give the full name of the registrant with their registration number and shall be signed by the chairman and the secretary under the seal of the board. The certificate of registration grants the recipient authority to practice in this state.
- (b) An unexpired and unrevoked certificate is prima facie evidence that the person named on it is entitled to all rights, privileges and responsibilities of a professional engineer.
- (c) Every registrant shall obtain a seal for use in identifying his or her official professional work. The design of the seal shall be determined by the board and shall bear the registrant’s name, registrant’s registration number, the legend “registered professional engineer, state of West Virginia” and such other words or figures as the board may prescribe. The seal may be a rubber stamp. Whenever the seal is applied, the registrant’s written signature shall be adjacent to or across the seal. No further words or wording are required. A facsimile signature is not acceptable. Whenever presented to a client or any public or governmental agency, the seal, signature and date shall be placed on all specifications, reports, drawings, plans, design information and calculations in accordance with rules promulgated by the board. The seal and signature shall be used by registrants only when the work being stamped was under the registrant’s complete direction and control.

In the case of a registrant of another state using a temporary permit issued by this state, the registrant shall use the state of permanent registration seal and shall affix his or her signature and temporary permit number to all work. In the case of a registrant checking the work of an out-of-state registrant, the state registrant shall completely check and have complete dominion and control of the design. The complete dominion and control includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

- (d) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this article, an enrollment card as engineer intern, which indicates that his or her name has been recorded in the board office. The engineer intern enrollment card does not authorize the holder to practice as a professional engineer. It is unlawful for a registrant to affix or to permit his or her seal and signature to be affixed to any document after the expiration of his or her certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provisions of this article.

§30-13-17. Certificates of authorization required; naming of engineering firms.

- (a) No person or firm is authorized to practice or offer to practice engineering in this state until the person or firm has been issued a certificate of authorization by the board.
- (b) A person or firm desiring a certificate of authorization must file all the required information with the board on an application form specified by the board. The required information shall include the sworn statement of the engineer in responsible charge who is a professional engineer registered in this state. The board shall issue a certificate of authorization to an applicant who has met all the requirements and paid the fees set forth in board rules.

- (c) No person or firm is relieved of responsibility for the conduct or acts of its agents, employees, officers or partners due to compliance with the provisions of this article. No individual practicing engineering under the provisions of this article is relieved of responsibility for engineering services performed due to his or her employment or other relationship with a person or firm holding a certificate of authorization.
- (d) An engineer who renders occasional, part-time or contract engineering services to or for a firm may not be designated as being in responsible charge for the professional activities of the firm unless that engineer is an owner or principal of the firm.
- (e) The Secretary of State shall not issue a certificate of authority or business registration or license to an applicant whose business includes, among the objectives for which it is established, the words engineer, engineering or any modification or derivation thereof unless the board of registration for this profession has issued to the applicant a certificate of authorization or a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall be filed with the application filed with the Secretary of State to do business in West Virginia.
- (f) The Secretary of State shall decline to register a trade name or service mark which includes the words engineer, engineering or modifications or derivatives thereof in its business name or logotype except those businesses holding a certificate of authorization issued under the provisions of this article.
- (g) The certificate of authorization may be renewed or reinstated in accordance with board rule and upon payment of the required fees.
- (h) Every holder of a certificate of authorization has a duty to notify the board promptly of any change in information previously submitted to the board in an application for a certificate of authorization.

§30-13-18. Renewals and reinstatement.

- (a) Certificates of registration and certificates of authorization expire on the last day of December of the year indicated on the certificate, and the holder of any certificate that is not timely renewed is ineligible to practice or offer to practice engineering in this state until the certificate has been reinstated in accordance with rules promulgated by the board.
- (b) Certificates may be renewed only in accordance with board rule, which may include payment of a late fee for renewals not postmarked by December 31 of the year in which renewal is required. The board shall notify every person or firm holding an active certificate under this article of the certificate renewal requirements at least one month prior to the renewal date. The notice shall be made by mail or electronic means using the contact information provided to the board.
- (c) A certificate that was not timely renewed or for other reason was given a nonpracticing status may be reinstated under rules promulgated by the board and may require reexamination and payment of fees set forth in board rules.
- (d) Effective July 1, 2015, the board may renew certificates on a biennial basis.
- (e) The board shall promulgate emergency rules pursuant to section fifteen, article three, chapter twenty-nine-a of this code to implement the provisions of this section.

§30-13-19. Reissuance of certificates.

A new certificate of registration or certificate of authorization to replace any certificate lost, destroyed or mutilated may be issued subject to the rules of the board. A charge established by rule shall be made for each new certificate.

§30-13-20. Public works.

Government agencies, authorities, officials and employees may not engage in the practice of engineering involving either public or private property unless the provisions of this article are met.

§30-13-21. Disciplinary action – Revocation, suspension, refusal to issue, restore or renew, probation, civil penalty, reprimand.

- (a) The board may suspend or revoke or refuse to issue, restore or renew a certificate of registration of, or place on probation, impose a civil penalty or reprimand any professional engineer who has:
- (1) Perpetrated any fraud or deceit in obtaining or attempting to obtain or renew a certificate of registration or certificate of authorization;
 - (2) Been negligent, incompetent or committed an act of misconduct in the practice of engineering;
 - (3) Been convicted of or has entered a plea of nolo contendere to any crime under the laws of the United States or any state or territory thereof, which is a felony whether related to practice or not; and conviction of or entry of a plea of nolo contendere to any crime, whether a felony, misdemeanor or otherwise, an essential element of which is dishonesty, or which is directly related to the practice of engineering;
 - (4) Failed to comply with any of the provisions of this article or any of the rules promulgated under it;
 - (5) Been disciplined by another state, territory, the District of Columbia, foreign country, the United States government or any other governmental agency, if at least one of the grounds for discipline is the same or substantially equivalent to those grounds for discipline contained in this article;
 - (6) Failed within thirty days to provide information requested by the board as a result of a formal or informal complaint to the board which would indicate a violation of this article;
 - (7) Knowingly made false statements or signed false statements, certificates or affidavits to induce payment;
 - (8) Aided or assisted another person in violating any provision of this article or the rules promulgated;
 - (9) Violated any terms of probation imposed by the board or using a seal or practicing engineering while the professional engineer's license is suspended, revoked, nonrenewed or inactive;
 - (10) Signed or affixed the professional engineer's seal or permitted the professional engineer's seal or signature to be affixed to any specifications, reports, drawings, plans, design information, construction documents or calculations or revisions which have not been prepared or completely checked by the professional engineer or under the professional engineer's direct supervision or control;

- (11) Engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public;
- (12) Provided false testimony or information to the board; and
- (13) Been habitually intoxicated or addicted to or by the use of drugs or alcohol.
- (b) In addition to any other penalty provided in this article, the board may assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.
- (c) The board shall prepare and shall adopt “rules of professional responsibility for professional engineers.” The board may revise and amend these “rules of professional responsibility for professional engineers” from time to time and shall notify each registrant in writing of any revisions or amendments.
- (d) The board may:
 - (1) Revoke a certificate of authorization;
 - (2) Suspend a certificate of authorization of any firm for a period of time not exceeding two years where one or more of its officers or directors of the firm have been found guilty of any conduct which would authorize a revocation or suspension of his or her certificate of registration under the provisions of this article;
 - (3) Place the person or firm on probation for a period of time and make the person or firm subject to conditions as the board may specify;
 - (4) Assess a civil penalty and related costs for each count or separate offense in an amount set by the board.

§30-13-22. Disciplinary action – Procedures.

- (a) Any person may file a complaint with the board that a person or firm subject to the provisions of this article has committed a fraud, been deceitful, been grossly negligent, incompetent, guilty of misconduct or has violated the “rules of professional responsibility for professional engineers.”
- (b) All complaints, unless dismissed by the board as unfounded, trivial or unless settled informally, shall be heard by the board within six months after the date each complaint was received by the board.
- (c) The board shall fix the time and place for hearings on complaints and a copy of all charges, together with a notice of the time and place of hearing on the complaint the person or firm complained against or mailed to the last known address of the person or firm at least thirty days prior to the hearing. At the hearing, the person or firm shall have the right to appear in person or by counsel, or both, to cross-examine witnesses and to produce evidence and witnesses in his, her or its defense. If the accused person or firm fails or refuses to appear, the board may proceed to hear the complaint and determine the validity of the charges.
- (d) If after the hearing a majority of the board votes in favor of sustaining the charges, the board shall reprimand or assess a civil penalty against the person or firm complained against. The board may also suspend, revoke, refuse to issue or refuse to restore or renew an individual’s certificate of registration or a firm’s certificate of authorization. In addition, the board may place a registrant on probation.

- (e) Any person or firm aggrieved by any action of the board in assessing a civil penalty, denying, suspending, refusing to issue, refusing to restore or renew or revoking a certificate of registration or a certificate of authorization, may appeal the board's decision to the circuit court.
- (f) Any civil penalty assessed as a result of a hearing shall be paid within fifty days after the decision becomes final.
- (g) The board may, upon petition of a person or firm, reissue a certificate of registration or authorization, provided that a majority of the members of the board votes in favor of such issuance.

§30-13-23. Criminal offenses.

Any person who practices or offers to practice engineering in this state without being registered in accordance with the provisions of this article, or any person, firm, partnership, organization, association, corporation or other entity using or employing the words engineer, engineering or any modification or derivative thereof in its name or form of business activity except as authorized in this article, or any person presenting or attempting to use the certificate of registration or the seal of another, or any person who gives any false or forged evidence of any kind to the board or to any member thereof in obtaining or attempting to obtain a certificate of registration, or any person who falsely impersonates any other registrant of like or different name, or any person who attempts to use an expired, suspended or revoked or nonexistent certificate of registration, or who practices or offers to practice when not qualified, or any person who falsely claims that he or she is registered or authorized under this article, or any person who violates any of the provisions of this article is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not more than five hundred dollars, or imprisoned in the county jail not more than six months, or both fined and imprisoned.

Any person who commits a second or subsequent offense under this section is guilty of a felony, and, upon conviction thereof, shall be imprisoned in the penitentiary not less than ten nor more than twenty years.

The attorney general may act as legal adviser to the board and render any legal assistance as may be necessary in carrying out the provisions of this article. The board may employ counsel and necessary assistance to aid in the enforcement of this article and the compensation and expenses of the council shall be paid from the funds of the board.

§30-13-24. Exemptions.

This article may not be construed to prevent the practice by:

- (a) **Other professions.** – The practice of any other legally recognized profession;
- (b) **Temporary permits.** – The practice or offer to practice engineering by a person not a resident of or having no established place of business in this state, provided the person is legally qualified by registration to practice engineering, as defined in this article, in their own state or country. The person shall make application to the board in writing and after payment of a fee established by the board may be granted a written permit for a definite period of time not to exceed one year to do a specific job: Provided, That no right to practice engineering shall accrue to the applicant with respect to any other works not set forth in the permit; and

- (c) **Employees and subordinates.** – The work of an employee or a subordinate of a person holding a certificate of registration under this article, or an employee of a person practicing lawfully: Provided, That the work does not include final engineering designs or decisions and is done under the direct supervision of and verified by a person holding a certificate of registration under this article or a person practicing lawfully. Any regular full-time employee of a person, partnership, corporation or other business entity who is engaged solely and exclusively in performing services for such person, partnership, corporation or other business entity, who is not required by any provision of the law other than this article to be a registered professional engineer and whose services are performed on, or in connection with, property owned or leased by such person, partnership, corporation or other business entity, or in which such person, partnership, corporation or other business entity has an interest, estate or possessory right, and are not offered or made available to the public. This exemption includes the use of job title and personal classification by such person, but no name, title or words may be used which tend to convey the impression that an unlicensed person is offering professional engineering services to the public.

Title 7

Series 1

Examination, Licensure and Practice of Professional Engineers

§7-1-1. General.

- 1.1. **Scope.** – This rule sets forth standards for the regulation and conduct of members, records, applications and examinations. This rule is binding upon persons applying and registered under W. Va. Code §30-13-1 et seq. and is applicable to individuals or firms providing engineering services.
- 1.2. **Authority.** – W. Va. Code §§30-13-9(a), 13, 14, 15, 16(c) 17, 18, 19, 21.
- 1.3. **Filing Date.** – July 18, 2016
- 1.4. **Effective Date.** – July 18, 2016
- 1.5. **Amendment of Former Rules.** – This legislative rule amends West Virginia 7CSR1 “Rules Governing The West Virginia Board of Registration for Professional Engineers” filed and effective July 1, 2004.

§7-1-2. Definitions.

- 2.1. **“ABET” means ABET, Inc.,** formally known as the Accreditation Board for Engineering and Technology.
- 2.2. **“ABET/TAC” means the Technology Accreditation Commission of ABET, Inc.,** formally known as the Accreditation Board for Engineering and Technology.
- 2.3. **“Board” means the West Virginia State Board of Registration for Professional Engineers.**
- 2.4. **“COA” means Certificate of Authorization,** which is a document required and issued in accordance with §7-1-11 of these rules.
- 2.5. **“College/Unit Semester/Quarter Hour” means the credit given for courses** in an ABET approved program or other Board-approved courses approved in accordance with §7-1-10 of these rules.
- 2.6. **“Comity Applicant” means a person who is applying to become a registered PE in West Virginia and is currently in possession of a PE registration or certificate of licensure issued by a proper authority of a jurisdiction other than West Virginia.**
- 2.7. **“EI” means a certified Engineer Intern,** who is a person who has been certified as such by this Board after having met the qualifications set forth in W. Va. Code §30-13-13 and these rules.
- 2.8. **“FE” means the Fundamentals of Engineering Examination.**
- 2.9. **“Foreign Degree Applicant” means a person applying for certification or registration who received a Baccalaureate degree in Engineering from a non-ABET accredited foreign institution outside of the United States.**
- 2.10. **“Firm” means a firm, corporation, partnership, joint stock association, private practitioner employing others, or sole proprietor employing no one but himself/herself which practices or offers to practice engineering.**
- 2.11. **“NCEES” means the National Council of Examiners for Engineering and Surveying.**

- 2.12. **"PDH"** means a Professional Development Hour, which is one contact hour of instruction or presentation designed to keep a professional engineer current in his or her branch/discipline.
- 2.13. **"PE"** means a registrant or registered Professional Engineer, who is a person who has passed the PE exam and is an acronym used after an engineer's name to indicate he or she is a registered engineer with the Board.
- 2.14. **"PE exam"** means the Principles and Practice of Engineering Examination.
- 2.15. **"Registrant"** means a PE.
- 2.16. **"Satisfactory"** means that which a reasonable person would find acceptable for purposes of applying to the Board for licensure.
- 2.17. **"Status"** refers to the designation of a current or former registrant, including the designations of nonpracticing status set forth in W. Va. Code §30-13-13a.

§7-1-3. EI and PE Applications.

3.1. Types of Applications.

- (a) **PE Application.** A person applying to the Board for examination and registration as a Professional Engineer shall submit to the Board a completed application on forms prescribed by the Board. In order to allow sufficient time for processing and for securing PE examinations, PE applications must be submitted at least 90 days prior to the desired PE exam date, which dates are available from the Board or NCEES.
- (b) **EI Application.** A person applying to the Board for certification as an Engineer Intern shall pass the FE examination in accordance with §7-1-5.3 of these rules and submit to the Board a completed application on forms prescribed by the Board.

3.2. Criteria for Applications.

- (a) The Board shall only consider applications completed in accordance with §7-1-3.4 of these rules.
- (b) **EI Certification.** The Board shall accept applications for EI certification from persons who meet all of the requirements of W. Va. Code §30-13-13.
 - (1) A person with a baccalaureate degree from a Board-approved curriculum as defined in §7-1-3.5(a) of these rules who has passed the FE examination may apply for certification as an EI.
 - (2) An EI applicant who graduated from a four-year engineering technology program accredited by the TAC/ABET may only be certified as an EI after the applicant has presented evidence of two (2) years of work experience in accordance with §7-1-3.6 of this rule.

3.3. Applications Generally.

- (a) **Form of Applications.** Applications shall be completely filled out on forms prescribed and provided by the Board. It is the responsibility of the applicant to submit to the Board a completed application package as set forth in this section.
- (b) **Translations.** All foreign language documentation shall be accompanied by translations certified to be accurate by a competent authority recognized by the Board.

- (c) **Submission under Oath.** All applications made to this Board shall be subscribed and sworn to before a Notary Public or other persons qualified to administer oaths on the forms used by the applicant.
- (d) **Staff Review of Applications.** The Board staff shall review the submitted application package and shall notify the applicant if the package is not complete as set forth in §7-1-3.4 below. The Board shall not act upon an application until the applicant has submitted a completed application package. Upon such submission, the Board shall act in accordance with §7-1-4.
- (e) **Confidentiality of Applications.** References and transcripts received in accordance with §7-1-3.7 of these rules shall be kept confidential, and the Board shall place all such confidential records regarding the qualifications of an applicant in files that are considered non-public records. The Board shall not divulge the source and character of the information except in special cases when required by law.
- (f) **Retention of Applications.** The Board shall make copies of all approved applications which show the name, date of birth, the date of application, education, experience and other qualifications of the applicant, the examination required of the applicant, and the Board granted registration or certification notice. The Board shall store the duplicate copies of these records and one copy shall be stored in fireproof and secure facilities.

3.4. Completed Application Package.

- (a) **Definition.** A completed application package shall include the following:
 - (1) The requisite education as set forth in §7-1-3.5 of these rules, which education shall be obtained prior to the time of submitting the application;
 - (2) The requisite work experience as set forth in §7-1-3.6 of these rules, which experience shall be obtained prior to the time of submitting the application;
 - (3) The references required in §7-1-3.7 of these rules;
 - (4) One (1) passport-like photo taken within six (6) months of the date of application;
 - (5) Such fee(s) as are required in §7-1-13.4 of these rules, including the non-refundable application fee.
- (b) The Board shall accept an application for PE registration that includes the documented NCEES Record properly executed and issued with verification by NCEES in lieu of that portion of the application form prescribed by the Board.
- (c) **Specific application requirements.**
 - (1) **Comity Applicant.** In addition to the requirements set forth in this section, comity applicants shall also meet the following requirements:
 - (A) passage of the FE and PE exam; and
 - (B) verification of current registration in a jurisdiction where they currently live and/or work.

- (2) **Foreign Degree Applicants.** In addition to the requirements set forth in this section, applicants with degrees from foreign schools shall also meet the requirements set forth in subsection 3.5.c.

3.5 Education.

- (a) **Board-approved curricula.** The term “a graduate of a curriculum of four years or more approved by the Board as being of satisfactory standing” used in W. Va. Code §30-13-13(a)(2) is interpreted by this Board to mean a person who has:
- (1) a Baccalaureate Degree in Engineering from a school whose curricula are accredited by ABET at the time of the awarding of the degree;
 - (2) a Baccalaureate Degree in Engineering Technology from a school whose curricula is accredited by ABET/TAC at the time of the awarding of the degree;
 - (3) a Baccalaureate Degree in Engineering from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET;
 - (4) a Baccalaureate Degree from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET, in addition to a Master's and/or Ph.D. in Engineering from a school whose undergraduate program in that engineering area is accredited by ABET.
- (b) **Transcripts.** Upon graduation, it is the responsibility of the applicant to have transcripts of all college grades sent directly from the school or college to the Board with the signature of the proper school officer and the official seal of the school.
- (c) **Degrees from Non-ABET-Accredited Foreign Institutions.** All applicants with an undergraduate degree from a non-ABET-accredited foreign institution shall comply with one of the following:
- (1) If an applicant receives only a Baccalaureate degree in Engineering from a foreign institution not accredited by ABET, he or she shall submit a foreign degree evaluation. An applicant who is required to submit a foreign degree evaluation shall use NCEES or such other evaluation service as may be approved by the Board.
 - (2) If an applicant receives a Baccalaureate degree in Engineering or related curricula from a foreign institution not accredited by ABET, and Master's and/or Ph.D. degree in Engineering from an institution whose undergraduate program is ABET accredited, the Board may review the applicant's transcripts and waive the requirement to submit a foreign degree evaluation.

- 3.6. **Employment; work experience.** Employment and work experience verifications are the responsibility of the applicant and shall be submitted on forms supplied by the Board as part of the completed application package.

(a) Requirements.

- (1) **Number of Years.** A PE applicant who has earned the degree described in §7-1-3.5(a)(1) or §7-1-3.5(a)(3) shall demonstrate that he or she has obtained a minimum of four (4) years of experience satisfactory to the Board. A PE applicant who has earned the degree described in §7-1-3.5(a)(2) shall demonstrate that he or she has obtained a minimum of six (6) years of experience satisfactory to the Board.

(b) Satisfactory Experience.

- (1) The applicant's experience on engineering projects shall be broad in scope in his or her branch/discipline and progressive in that it was of increasing quality and required greater responsibility.
- (2) The experience shall be under the supervision of a registered Professional Engineer. If not, the applicant shall explain why the Board should consider the experience acceptable.
- (3) Upon review of the completed application package, the Board may credit experience based on the following:
 - (A) **Armed Services.** Experience gained in the Armed Services shall be of a character equivalent to that which would have been gained in the civilian sector doing similar work. A good indicator of equivalence is that the applicant while in the Armed Services served in an engineering or engineering-related group.
 - (B) **Sales or supervision.** For sales experience or construction supervision experience to be satisfactory, the applicant shall prove that engineering principles were required and used while gaining this experience.
 - (C) **Teaching.** The Board may classify the teaching of courses in ABET-approved programs as satisfactory experience.
 - (D) **Research.** The Board may credit experience gained in the performing of engineering research or projects if the applicant at the time was a member of an engineering faculty or higher at an institution with a Board approved curricula as defined in §7-1-3.5(a).
 - (E) **Graduate Studies.** The Board may credit an applicant who has followed Board-approved curricula as defined in §7-1-3.5(a) with a Master's degree in engineering with one year's experience. If such applicant follows the Master's degree in engineering with a Doctor of Philosophy degree in engineering, the Board may credit the applicant with an additional year of experience. If the Doctor of Philosophy degree is obtained without the Master's degree, the applicant may be credited with two years of experience.

(c) Verifications. The verifications shall include the following:

- (1) **Time Period.** The Board shall consider only the experience an applicant obtains after he or she graduates from a Board-approved curriculum.

- (2) **Documentation.** An applicant shall provide a detailed description of the nature of the work and duties he or she has performed on forms supplied by the Board. The applicant shall account for all employment or work experience for the period of time that has elapsed since graduation from the Board-approved curriculum. If the applicant was not employed or was employed in other kinds of work, he or she should indicate this in the experience record.

3.7. References.

- (a) It is the responsibility of the applicant to supply all references on forms supplied by the Board. A PE applicant shall submit satisfactory references from five individuals, three of whom shall be professional engineers having personal knowledge of the applicant's engineering experience and ability. Also, the applicant should preferably include in the references individuals familiar with the applicant's experience noted in the employment section of the application. An EI applicant shall submit at least three satisfactory character references.
- (b) An applicant may not use a relative or a current Board member as a reference.
- (c) An applicant shall provide each individual being used as a reference with the Board-approved reference form. The reference form shall be returned to the applicant in a signed, sealed envelope to be included in the applicant's completed application package.

§7-1-4. Board Actions on Applications.

4.1. The Board shall take action on all submitted applications.

- (a) The application must be complete as set forth in §7-1-3.4 of these rules before the Board considers the application.
- (b) The Board may approve, defer, or deny an application.
 - (1) **Approval.** When an application is approved by the Board, it indicates that the applicant has met all the requirements for registration or certification required by the statutes of this state, and the Board shall grant the applicant a registration or certification. The Board shall notify the applicant of the approval.
 - (2) **Deferral.** When an application is deferred by the Board, it indicates that the applicant must take further steps to meet the requirements for registration or certification required by the statutes of this state, and the Board shall retain the deferred application until the applicant submits the additional information required by the Board. The Board shall notify the applicant of the deficiencies.
 - (3) **Denial.** When an application is denied by the Board, it indicates that the applicant has not met the requirements for registration or certification required by the statutes of this state, and the Board shall retain the denied application for one year and then may dispose of it. The Board shall notify the applicant of the denial.

4.2 The Board may defer or deny any application of an applicant who has not provided or withheld information, provided statements that are untrue or misrepresented the facts.

- 4.3 Reconsideration of Applications.** An applicant may request that the Board reconsider an application that has been denied when the request is based on additional information and/or evidence that could affect the original decision. An applicant shall make the request for reconsideration within one year after the decision was made to deny the original application.

§7-1-5. Examinations.

5.1 Examinations Generally.

- (a) Examination Dates and Locations.** Examinations are offered on dates and at locations set by NCEES, and information regarding the schedule and locations of examinations is available from the Board and NCEES.
- (b) Language of the Examination.** The language used in the examination is English.
- (c) Study Information.** The Board or NCEES shall make available NCEES-published specifications for examinations, which shall not include copies of questions used on prior examinations. The Board may provide such other information available to examinees as may be lawful and helpful to the examinee.
- (d) Instructions for Examinees.** Instructions provided prior to each examination shall declare an examination to be open or closed book. Materials permitted in the examination room shall be listed in the instruction information provided to each applicant by the Board or NCEES upon confirmation of their approval to take an examination.
- (e) Fees.** Application and examination fees are listed in §7-1-13.4 of this rule. All fees are non-refundable. The Board in accordance with Board policy may waive fees.

5.2 PE Examinations.

- (a) Applications and Approval.** Applications shall be submitted pursuant to §7-1-3 at least 90 days prior to the desired PE exam date. Each applicant shall be notified by the Board whether he or she has been approved to take the examination at least 30 days before the examination date. Approved applicants shall also receive further instruction for registering with NCEES to take the PE examination.
- (b) Eligibility.** A PE applicant may not take the PE examination until the Board has established that the applicant is eligible to take the PE examination, which includes passing the FE examination.
- (c) Dates and Locations.** PE examinations are offered on dates and at locations set by NCEES. Information regarding examination dates and locations is available from the Board or NCEES.
- (d) Branches/Disciplines.** PE examinations are offered only in those branches/disciplines of engineering in which examinations are prepared and furnished by NCEES. Examinations in all engineering branches/disciplines may not be available at both the spring and fall examinations.

Successful examinees shall be registered as a professional engineer without reference to engineering branch/discipline in either his or her certificate or seal.

- (e) **Examination Results.** The Board or NCEES shall notify the examinee that he or she passed or failed the PE examination.
- (f) **Re-examination.** An applicant who fails to pass the PE examination or is absent from the PE examination may take further offerings of the examination upon notification and payment of the appropriate fees. Any applicant whose application is less than 2 years old may elect to re-apply using the shortened form supplied by the Board. Any applicant whose application is greater than 2 years old shall submit a new, completed application packet in accordance with §7-1-3.4 of this rule.
 - (1) An applicant who fails to attend the PE examination for which he or she has been scheduled and the Board has ordered the examination forfeits all fees paid.
 - (2) An applicant who fails to attend the PE examination for which he or she has been scheduled to attend is not considered by the Board to have failed the examination.
- (g) **Additional Branches/Disciplines.**
 - (1) Upon payment of the prescribed fees listed in §7-1-13.4 of this rule, a PE currently registered by this Board may take examinations in additional branches/disciplines of the PE examination offered by NCEES. The Board shall record the passing of the examination.
 - (2) If an applicant fails to pass the examination in an additional branch/discipline, he or she retains his or her current registration status.
 - (3) As with the initial registration, there shall be no reference to additional engineering branches/disciplines in the successful examinee's certificate or seal.

5.3. FE Examinations.

- (a) NCEES is wholly responsible for all matters related to administration of the FE examination and sets all policies, practices and procedures for the FE examination, including the dates and locations.
- (b) Information regarding NCEES administration of the FE examination including times, dates and locations is available from both the Board and NCEES.
- (c) Persons wanting to take the FE examination shall apply for the FE directly with NCEES without prior approval of the Board.
- (d) The Board recommends that persons seeking EI certification apply to NCEES to take the FE during his or her senior year of a Board-approved curricula or as soon thereafter as possible.
- (e) FE examinees will be notified by NCEES whether the examinee passed or failed the examination.

§7-1-6. Engineering Registration and Certification; Designations of Nonpracticing Status of Former Registrants.

- 6.1. Classifications of Registration.** The Board shall register or certify a qualified applicant under one of the following classifications, of which only a professional engineer is qualified to practice or offer to practice engineering in West Virginia:
 - (a) Professional Engineer;
 - (b) Engineer Intern; or
 - (c) Professional Engineer-Retired.
- 6.2. Professional Engineer.**
 - (a) **PE Registration Numbers.** The Board shall assign each successful applicant a registration number. Numbers are issued consecutively in the order in which an applicant is authorized to obtain a seal. The Board shall advise the successful applicant of his or her number.
 - (b) The Board shall grant an applicant authorization to obtain a seal who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE and PE examinations.
 - (c) **Certificates of Registration.** The Board shall issue a certificate of registration and similar wallet card to an applicant who has met the requirements of this state and who has submitted a copy of a satisfactory West Virginia PE seal and has paid the certificate fee prescribed in §7-1-13.4. The certificate signed by the Board members shall show the registrant's registration number and seal of the Board.
 - (d) **Replacement of Certificate.** The registrant shall notify the Board when a certificate of registration is lost, destroyed or mutilated, and, if the registrant is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.
- 6.3. Engineer Intern.**
 - (a) **EI Certification Numbers.** The Board shall assign each EI a certification number at the time certification is granted by the Board. Numbers are issued consecutively in the order in which an applicant is granted certification. The Board shall advise the EI of his or her number.
 - (b) The Board shall grant an applicant who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE examination, a certificate of certification to serve as an EI in West Virginia.
 - (c) **Certificates of Certification.** The Board shall issue a certificate of certification and similar wallet card to an applicant who has met the requirements of this state and who has paid all fees. The certificate signed by the Board members shall show the EI's certification number and seal of the Board.

- (d) **Replacement of Certificate.** The EI shall notify the Board when a certificate of certification is lost, destroyed or mutilated, and, if the EI is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

6.4. Professional Engineer-Retired.

- (a) **Registration Numbers.** The Board shall reserve the original assigned registration number for any PE who elects to convert to Professional Engineer-Retired status. This number will remain on file in the event that the retired engineer should chose to reinstate his or her PE registration in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (b) **Documentation of Retired Status.** The Board shall issue an appropriate wallet card to an applicant who has met the requirements of this state and who has paid appropriate fees.
- (c) **PE-Retired status is a nonpracticing status.** Registrants who elect PE-Retired status must retire their seal and certify that they are no longer receiving remuneration from providing professional engineering services.

6.5. Updated Information.

It is the EI's or PE's responsibility to notify the Board of any change in information previously submitted to the Board, such as name change, change of address, change of employer, or similar matter requiring current information.

6.6. Other designations of nonpracticing status.

In addition to a retired status or revoked status, the Board recognizes the following additional designations, all of which describe a type of nonpracticing status which does not qualify the former registrant to practice or offer to practice engineering in the state of West Virginia:

- (a) **Professional Engineer - Inactive.** An active PE or PE-Retired may elect to re-designate his or her status to Professional Engineer-Inactive upon application for inactive status which states that he or she is no longer practicing or offering to practice engineering in this state for remuneration and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (b) **Professional Engineer - Lapsed.** A PE who has not renewed his or her active status in accordance with §7-1-9.2 of these rules or has not applied for a re-designation to retired or inactive status shall be re-designated by the Board to Professional Engineer-Lapsed without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (c) **Professional Engineer - Invalidated.** A PE who is unable to provide sufficient proof that any condition of renewal set forth in W. Va. Code §30-13-1 et seq. or these rules has been met shall be re-designated by the Board to Professional Engineer-Invalidated without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

§7-1-7. Seals.

- 7.1. **Seal of the Board.** The seal of the Board shall be affixed to each certificate of registration.
- 7.2. **Seal of Registrant.** When an applicant is granted registration he or she shall obtain an official seal of the size and design prescribed by the Board. The seal shall contain the following information:
 - (a) The words "State of West Virginia";
 - (b) The registrant's name;
 - (c) The registrant's registration number; and
 - (d) The words "Registered Professional Engineer."
 - (e) The seal may be a rubber stamp, or one that embosses.
 - (f) The seal shall not reference any engineering branch/discipline.
 The following is a sample of the suggested format:

Official Seal Sample

- 7.3. **Seal on Documents.**
 - (a) A registrant's seal and signature and the date shall appear on the first or title page of all final and/or record documents of specifications, reports, drawings, plans, design information and calculations presented to a client or any public or government agency to certify that the work was done by the registrant or under the control of the registrant.
 - (b) The registrant signing and sealing the first or title page of documents shall be the firm's PE in responsible charge as designated on the firm's COA application or the project engineer.
 - (c) Revisions shall be numbered, dated, initialed, and sealed by the registrant responsible for the revision.
 - (d) When copies are to be made, the registrant's seal and signature on all originals, tracings or other documents shall be reproducible.
 - (e) Each registrant is solely responsible for the use of his or her seal.
 - (f) When a registrant examines and verifies the engineering work of another, the registrant must take complete dominion and control of the design, which includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.
 - (g) The Board authorizes the electronic reproduction of a seal when the resulting reproduction meets the specifications of 7.2. The registrant is responsible for the improper use of the seal on work not prepared either by the registrant or under his or her direct supervision.
 - (h) It is the responsibility of each registrant to report the loss or theft of his or her seal to the Board as soon as practical after the loss or theft.

§7-1-8. Temporary Permits.

Any application for a temporary permit as authorized by W. Va. Code §30-13-24(b) will be processed as a comity application as set forth in §7-1-3.4(c)(1).

§7-1-9. Expirations, Renewals and Reinstatements to Active Status.

- 9.1. Expiration.** PE registrations expire on December 31st of each even-numbered year and shall be re-designated as lapsed without further action by the Board after that date unless renewed in accordance with subsection 9.2 below.
- 9.2. Renewals.**
 - (a) The Board shall, during the month of November of every even-numbered year, send a renewal notice by electronic means or by mail to the last known address of every person currently registered by the Board. The notice shall indicate the expiration date of the PE registration and the amount of the renewal fee established by the Board.
 - (b) The renewal form, which shall be completed and include documentation in compliance with Section 10 and any other applicable provisions of these rules, and the applicable fee, shall be received by the Board on or before the date of expiration appearing on the license being renewed.
 - (c) Renewals postmarked or submitted online between January 1st to 31st after the expiration date shall render the PE registration valid upon payment of the late fee set forth in §7-1-13.5 of these rules.
 - (d) Any renewal postmarked or submitted online on or after February 1st after the expiration date will be rejected, any fee returned, and the registration will be re-designated as lapsed without further action by the Board.
- 9.3. Reinstatement to active status.** A former PE desiring to reinstate his or her registration to active status from a nonpracticing status as defined in W. Va. Code §30-13-13a shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

7-1-10. Continuing Professional Competency.

- 10.1.** As a condition of registration renewal, every registrant shall show evidence that he or she obtained thirty (30) professional development hours (PDH's) during the previous two years.
- 10.2. Requirements.** A registrant may earn PDH's by providing evidence of:
 - (a) Successful completion of college courses;
 - (b) Successful completion of continuing education courses;
 - (c) Successful completion of on-line, correspondence, televised, videotaped, and other short courses or tutorials;
 - (d) Actively participating in seminars, in-house courses, workshops, technical committees of professional engineering organizations, and professional conventions;
 - (e) Teaching or instructing in the activities set forth in subsections 10.2.a. through 10.2.d. if such teaching or instruction is outside of the registrant's regular employment duties or if the registrant can document such teaching activity or instruction was newly developed and presented for the first time; or

(f) Authoring published papers, articles, or books.

- 10.3.** If a registrant exceeds the requirement in any two-year period of licensure, he or she may carry a maximum of fifteen (15) PDH's forward into the subsequent two-year licensure period.
- 10.4. Units.** The conversion of other units of credit to PDH units is as follows:

1 College or unit semester hour	15 PDH's
1 College or unit quarter hour	10 PDH's
1 Continuing Education Unit (CEU)	10 PDH's
1 Hour of professional development in course work, seminars, professional conventions, workshops, technical committee work	1 PDH
1 Hour of teaching professional development in course work, seminars, professional conventions, workshops	2 PDH's
Each published paper or article on engineering subjects	10 PDH's

- 10.5. Determination of Credit.** The Board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit. No pre-approval of offerings will be issued. The Board may deny or invalidate any renewal upon a determination of insufficient or unsatisfactory continuing education.
- 10.6. Forms.** All renewal applications require the completion of a continuing education form specified by the Board outlining PDH credit claimed. The registrant shall supply sufficient detail on the form to permit review for approval, shall certify and sign the continuing education form, and shall submit the form with the renewal form and fee.
- 10.7. Record keeping.** Each registrant is responsible for his or her own professional development activities. The registrant shall maintain the records to be used to support credits claimed for professional development activities. Records required include, but are not limited to: 1) a log showing the type of activity claimed, the sponsoring organization, the activity's location and duration, the instructor's or speaker's name, and the PDH credits earned; and 2) attendance or participation verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance or participation. These records shall be maintained for three renewal periods. Copies of these records and supporting documentation may be requested by the Board for approval and verification purposes.
- 10.8. Continuing Education Verification.**
- (a) Any registrant may be audited, including Board members and staff.
 - (b) Three to five percent (3-5%) of renewals will be selected at random and contacted by the Board to verify compliance with continuing education claims.
 - (c) Any renewal forms submitted with questionable continuing education shall be added to those selected at random for verification.

- (d) All verification submissions will be analyzed by the Board who may recommend continued registration, deny or invalidate the renewal, or take such enforcement action as may be appropriate.
 - (e) Those who are denied renewal will be provided a thirty (30) day probationary period in which to acquire the necessary continuing education and submit documentation to the Board. If the registrant fails to submit satisfactory documentation in the given time period, the registration shall be re-designated as invalidated without further action by the Board.
 - (f) A registrant may bring a registration invalidated for insufficient continuing education to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.
- 10.9. Exemptions.** An active registrant may be exempt from the professional development educational requirements for one of the following reasons:
- (a) A new registrant by way of examination or reciprocity is exempt for his or her first renewal period;
 - (b) A registrant serving on active duty in the armed forces of the United States for a period of time exceeding one hundred twenty (120) consecutive days in a calendar year is exempt from obtaining the professional development hours required during that year. The Board shall follow all other laws regarding continuing education for licensees on active duty and their spouses to the extent applicable and appropriate;
 - (c) A registrant experiencing physical disability, illness, or other extenuating circumstances may be exempt subject to review and approval by the Board; the registrant shall furnish supporting documentation to the Board; and
 - (d) Registrants who list their occupation as "Retired" on the Board-approved renewal form and who further certify that they are no longer receiving any remuneration from providing professional engineering services are exempt from the required professional development hours. In the event a retired engineer elects to return to the active practice as a professional engineer, he or she shall comply with the requirements of §7-1-10.10 before returning to active practice.
- 10.10. Nonpracticing status.** A registrant may bring a registration with a nonpracticing status designation to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting the PE reinstatement application required by §7-1-9.3.

§7-1-11. Certificates of Authorization.

- 11.1. COA required; issuance.** A COA is required to practice or offer to practice engineering in WV. The Board shall issue a COA to firms who have met all the requirements of the W. Va. Code §30-13-17 and these rules promulgated under the Code to practice or offer to practice engineering in West Virginia. The certificate signed by the Board President shall show the firm's COA number and seal of the Board.

- 11.2. Classifications of Authorization.** The Board shall certify a qualified firm under one of the following classifications:
- (a) Sole Proprietor with no employees who practices or offers to practice engineering for compensation or other tangible benefit or remuneration;
 - (b) Firm with three or fewer Professional Engineers (regardless of PE's state of registration or licensure); or
 - (c) Firm with four or more Professional Engineers (regardless of the PE's state of registration or licensure).
- 11.3. Application and Fees.** A firm desiring to obtain a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules. Each application, including renewal and reinstatement, requires a sworn statement from the PE in responsible charge as set forth in §30-13-17.
- 11.4. Expiration, Renewal and Reinstatement.**
- (a) **Expiration.** COAs expire on December 31st of each odd-numbered year and are void without further action by the Board after that date unless renewed in accordance with subsection 11.4.b. below.
 - (b) **Renewals.**
 - (1) The Board shall, during the month of November of every odd-number year, send a renewal notice by electronic means or by mail to the last known address of every firm currently holding a COA by the Board. The notice shall indicate the expiration date of the COA and the amount of the renewal fee established by the Board.
 - (2) The completed renewal form and applicable fees shall be received by the Board on or before the expiration date indicated on the certificate.
 - (c) Renewals received from January 1st to 31st after the expiration date shall render the COA valid upon payment of the late fee set forth in §7-1-13.5 of these rules.
 - (d) Any renewal postmarked or submitted online on or after February 1st after the year of expiration will be rejected and any fee returned, and the non-renewed COA will be void without further action by the Board.
- 11.5. Inactive status.** A firm which is no longer doing business in this state may request inactive status. A firm on inactive status is prohibited from practicing or offering to practice engineering in this state until the COA is reinstated.
- 11.6. Reinstatement.** A firm desiring to reinstate a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.
- 11.7. COA Number.** The Board shall assign each firm a certificate number at the time a COA is granted by the Board. Numbers are issued consecutively in the order in which a firm is granted a COA. The Board shall advise the firm of this number.
- 11.8. Replacement of Certificate.** The firm shall notify the Board when a COA is lost, destroyed or mutilated, and, if the firm is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

- 11.9. Updated Information.** It is the firm's responsibility to notify the Board within thirty days of any change in information previously submitted to the Board, such as name change, change of address, change of PE in responsible charge, or similar matter requiring current information.
- 11.10. Limited Liability Firms.** The PE in responsible charge on the COA is responsible for compliance with W. Va. Code §30-13-1 et seq. and this rule notwithstanding any limitations of liability provided by W. Va. Code §§47B-3-6 and 31B-13-1305.

§7-1-12. Professional Responsibility.

- 12.1. Knowledge of Rules.** All registrants are charged with having knowledge of the Rules of Professional Responsibility. The rules, and all proposed and adopted amendments to the rules, shall be available on the Board website.
- 12.2. Rules of Professional Responsibility.** To comply with the Board's responsibilities, which are to safeguard life, health and property, to promote the public welfare, and to maintain a high standard of integrity and practice, the Board has developed the following Rules of Professional Responsibility set forth in this section. These rules supplement the provisions for professional responsibility prescribed in W. Va. Code §30-13-21 and are binding on every registrant and firm.
- (a) All persons registered in West Virginia are required to be familiar with W. Va. Code §30-13-1 et seq., this rule, and all applicable laws relating to the practice of engineering. The Rules of Professional Responsibility delineate specific obligations the registrant shall meet. In addition, each registrant is charged with the responsibility of adhering to standards of highest ethical and moral conduct in all aspects of the practice of engineering.
 - (b) The practice of engineering is a privilege, as opposed to a right. All registrants shall exercise this privilege by performing services only in the areas of their competence according to current standards of technical competence.
 - (c) Registrants shall recognize their responsibility to the public and shall represent themselves before the public only in an objective and truthful manner.
 - (d) Registrants shall avoid conflicts of interest and faithfully serve the legitimate interests of their employers, clients, and customers within the limits defined by this rule. Their professional reputation shall be built on the merit of their services, and they shall not compete unfairly with others.
- 12.3. Registrant's Obligation to Society.**
- (a) Registrants, in the performance of their services for clients, employers and customers, shall be cognizant that their first and foremost responsibility is to the public welfare.
 - (b) Registrants shall approve and seal only those designs, plans or other documents that conform to accepted engineering standards and safeguard the life, health, property and welfare of the public.
 - (c) Registrants shall notify their employer or client and other appropriate authority when their professional judgment is overruled under circumstances where the life, health, property, or welfare of the public is endangered.

- (d) Registrants shall be objective and truthful in professional reports, statements or testimony. They shall include all relevant and pertinent information in the reports, statements or testimony.
- (e) Registrants shall express a professional opinion publicly only when it is founded upon an adequate knowledge of the facts and a competent evaluation of the subject matter.
- (f) Registrants shall issue no statements, criticisms or arguments on engineering matters which are inspired or paid for by interested parties, unless they explicitly identify the interested parties on whose behalf they are speaking, and reveal any interest they have in the matters.
- (g) Registrants shall not permit the use of their name or firm name, nor associate in business ventures with, any person or firm engaging in fraudulent or dishonest business or professional practices.
- (h) Registrants having knowledge of possible violations related to the practice of engineering as set forth in statute or these rules, including the Rules of Professional Responsibility, shall provide the Board with information and assistance necessary to the final determination of the violation.

12.4. Registrant's Obligation to Employer and Clients.

- (a) Registrants shall undertake assignments only when qualified by education or experience in the specific technical fields of engineering involved.
- (b) Registrants shall not affix their signatures or seals to any plans or documents except in accordance with §30-13-1 et seq. and these rules.
- (c) Registrants shall not reveal facts, data or information obtained in a professional capacity without the prior consent of the client or employer except as authorized or required by law.
- (d) Registrants shall not solicit or accept financial or other valuable consideration, directly or indirectly, from contractors, their agents, suppliers, manufacturers, or other parties in connection with work for employers or clients.
- (e) Registrants shall make full prior disclosures to their employers or clients of potential conflicts of interest or other circumstances which could influence or appear to influence their judgment or the quality of their service.
- (f) Registrants shall not accept compensation, financial or otherwise, from more than one party for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.
- (g) Registrants shall not solicit or accept a professional contract from a governmental body on which a principal or officer of their organization serves as a member. Conversely, registrants serving as members, advisors, or employees of a governmental body or department, who are the principals or employees of a private concern, shall not participate in decisions with respect to professional services offered or provided by the private concern to the governmental body which they serve unless their participation is approved by the West Virginia Ethics Commission.

12.5. Registrant's Obligation to Other Registrants.

- (a) Registrants shall not falsify or permit misrepresentation of their or their associates' academic or professional qualifications. They shall not misrepresent or exaggerate their degree of responsibility in prior assignments or the complexity of the assignments. Presentations incident to the solicitation of employment or business shall not misrepresent pertinent facts concerning employers, employees, associates, joint ventures or past accomplishments.
- (b) Registrants shall not offer, give, solicit or receive, either directly or indirectly, any commission, gift, or other valuable consideration in order to secure work, and shall not make any political contribution with the intent to influence the award of a contract by a public authority.
- (c) Registrants shall not attempt to injure, maliciously or falsely, directly or indirectly, the professional reputation, prospects, practice or employment of other registrants, nor indiscriminately criticize other registrants' work.

12.6. Actions brought against applicants.

A registered PE who has been fined, received a reprimand, or had his or her registration revoked, suspended or denied in another jurisdiction for reasons or causes which this Board finds would constitute a violation of the law governing the practice of engineering in this state or any rule promulgated by this Board, is sufficient cause for the Board to levy a fine, reprimand, or deny, revoke or suspend a registration to practice engineering by the registrant in this state. Any such actions by other jurisdictions shall be reported on the renewal form. For purposes of this section, "another jurisdiction" means any other governing entity, including a licensing board for another profession.

\$7-1-13. Fees Generally.

- 13.1.** The fees listed in this section are payable to the West Virginia State Board of Registration for Professional Engineers unless charged by and payable to NCEES. Fees based upon NCEES charges may be obtained from the Board website or the NCEES website. Fees shall be paid by check, money order, credit card or electronic payment and are non-refundable.
- 13.2. Timing of Submission of Fees.** Any PE registration or COA application fee received prior to October 1 will entitle the approved PE or COA to be placed in good standing through the current renewal period. Registration or COA fees received on or after October 1 shall be effective through the next renewal period.
- 13.3. Renewal Fees.**
 - (a) The Board shall notify each registrant or firm at least thirty days prior to the expiration date of the amount of the renewal fee for the next renewal period.
 - (b) A registrant or firm shall pay renewal fees on or before December 31st of the year of expiration.
 - (c) A renewal postmarked or submitted online between January 1 through 31 after the expiration date is considered late, and the Board shall assess a late fee set forth in subsection 13.4 of this rule.

- (d) Any renewal postmarked or submitted online on or after February 1st will be rejected, any fee returned, and the registration or COA will be re-designated as lapsed without further action by the Board.

13.4. Fee Amounts. The fees for various services provided by the Board are:

Engineering Intern	
Application Fee	\$25.00
Examination Fee	As charged by NCEES
Professional Engineer	
Application Fee	\$80.00
Examination Fee	As charged by NCEES
Re-application Fee	\$40.00
Re-examination Fee	As charged by NCEES
Certificate Fee	\$25.00
Comity Application Fee	\$150.00
Certificate of Authorization	
Application Fee for Sole Proprietor with no employees	\$ 0.00
Application Fee for Firm with three or fewer Professional Engineers*	\$100.00
Application Fee for Firm with four or more Professional Engineers*	\$150.00
Two-Year Renewal Fee	
Professional Engineer	\$70.00
Professional Engineer-Retired	\$30.00
COA for Sole Proprietor with no employees	\$ 0.00
COA for Firm with three or fewer Professional Engineers*	\$100.00
COA for Firm with four or more Professional Engineers*	\$600.00
Late fee	25% of fee
Reinstatement Applications	
Professional Engineer	\$185.00
COA for Sole Proprietor with no employees	\$ 0.00
COA for Firm with three or fewer Professional Engineers*	\$300.00
COA for Firm with four or more Professional Engineers*	\$900.00
PE or COA Roster**	\$ 25.00
Replacement Certificates	\$ 25.00
Returned Checks	\$ 25.00

* Regardless of the PE's state of registration or licensure

** Available for free download on the Board web site

- 13.5. **Late Fees on Renewals.** A renewal postmarked or submitted online after the date of expiration is considered late, and the Board shall assess the registrant a late fee in the amount of twenty-five percent (25%) of the renewal fee.
- 13.6. **Fee Waivers.** Fees set forth in this section may be waived in accordance with Board policy.

§7-1-14. Board Enforcement, Investigations, Disciplinary Actions and Costs.

- 14.1. **Enforcement.** Any person or entity who violates any of the provisions of W. Va. Code §30-13-1 et seq. or these rules is subject to the provisions of W. Va. Code §§30-13-21 through 23, as well as the penalties outlined in §7-1-15 of these rules. The Board may take disciplinary action against any person or firm subject to the provisions of W. Va. Code §30-13-1 et seq. and these rules for any non-compliance with or violation of same in accordance with the procedures set forth in W. Va. Code §30-13-22 and the procedural rules adopted by the Board and on file with the Secretary of State.
- 14.2. **Investigations.** The Board shall have the power to investigate any complaint filed with the Board and any other matter brought to the attention of the Board regarding noncompliance with the provisions of W. Va. Code §30-13-1 et seq. and these rules.
- 14.3. **Disciplinary Action.** Upon Board decision that disciplinary action is warranted, the Board may take such action as is provided for in W. Va. Code §§30-13-21 through 23, these rules, and any Board policies not inconsistent with such applicable law, including the imposition of civil penalties as set forth in §7-1-15 below.
- 14.4. The Board may assess administrative costs incurred in the performance of its enforcement or investigatory activities against any person or entity who violates the provisions referenced in subsection 14.1 of this rule, which shall be paid to the West Virginia State Board of Registration for Professional Engineers by check or money order within the time prescribed or approved by the Board.

§7-1-15. Civil Penalties.

15.1. The Board may enter an order assessing the appropriate civil penalties against any person or firm found by the Board to have violated the provisions of W. Va. Code §30-13-1 et seq. or these rules including but not limited to, the following for each offense:

Action	Penalty Up To
Practicing or offering to practice without a license, including a license designated as nonpracticing status	\$5,000
Practicing or offering to practice without a COA, including an expired COA	\$5,000
Misuse of seal	\$5,000
Illegal advertising of engineering services	\$5,000
Fraud, deceit, misrepresentation or misinformation to the Board	\$15,000
Violation of condition of probation	\$5,000
Misfeasance or malfeasance	\$1,000
Professional misconduct, negligence or incompetence	\$1,000
Action which is likely to deceive or defraud the public	\$15,000
Action which threatens the public health, safety and welfare	\$15,000
Failure to timely provide information to Board	\$1,000
Non-compliance with Board request or order	\$1,000
General (violation of applicable statute & rules, including W.Va. Code §30-13-21 or the Rules of Professional Responsibility set forth in these rules)	\$5,000

- 15.2. The penalty for aiding and assisting any of the above violations shall be no more than the maximum penalty defined above. The penalty for discipline by another jurisdiction shall be no more than the penalty set forth above that is substantially equivalent to the grounds for discipline in the other jurisdiction.
- 15.3. Each day of continued violation may constitute a separate offense.
- 15.4. In determining the amount of civil penalty to be assessed pursuant to this section, the Board may consider such factors as the following.
 - (a) Whether the amount imposed will be a substantial economic deterrent to the violation;
 - (b) The circumstances leading to the violation;
 - (c) The nature and severity of the violation and the risk of harm to the public;
 - (d) The history of previous violations;
 - (e) The extent to which the cited person or firm has cooperated with the Board and the Board's investigation;
 - (f) The economic benefits gained by the violator as a result of non-compliance;
 - (g) The interest of the public;
 - (h) Other matters as may be appropriate.
- 15.5. Civil penalties imposed by the Board shall be paid to the West Virginia State Treasurer's Office by check or money order within the time prescribed or approved by the Board.

§7-1-16. Board Policies.

- 16.1. The Board is authorized to establish policies and procedures not inconsistent with W. Va. Code §30-13-1 et seq. and these rules.

§7-1-17. Severability.

- 17.1. If this Rule, or any part of this Rule, is found by the courts to be invalid for any reason, the remainder of the Rule continues in full force and effect and each and every part of the Rule is severable.

TITLE 7 - SERIES 2

ADMINISTRATIVE HEARING PROCEDURES

§7-2-1. General.

- 1.1. **Scope.** — This rule specifies the procedure for Resolution of complaints relating to the practice of engineering in this State pursuant to the authority granted to the West Virginia State Board of Registration for Professional Engineers by W. Va. Code §30-13-1 et seq.
- 1.2. **Authority.** — W. Va. Code §30-13-1 et seq. and §30-1-1 et seq.
- 1.3. **Filing Date.** — June 22, 2004.
- 1.4. **Effective Date.** — July 23, 2004.

§7-2-2. Complaints.

2.1. Submission.

- (a) **Form.** The form of complaints shall be determined by the Board. All complaints shall be in writing and verified by the complainant before a notary public.
- (b) **Who may submit.** A complaint may be submitted by any natural person or legal entity, any registered engineer, or any firm holding a certificate of authorization. A complaint may be submitted by the Board, a member of the Board staff, with or without direction from the Board, or a member of the Board. Charges may be based upon information received solely through investigative activities undertaken by the Board.

2.2. Filing.

- (a) The applicable statute provides for disposition of a complaint if trivial, unfounded, or settled informally. Unless in the opinion of at least one member of the Board the alleged situation which is the subject of a

complaint presents an imminent danger to health or safety, a complaint will be deemed received and filed only upon the majority vote of the Board members present and meeting in general session. Until such action, the complaint will be on the agenda for each meeting until resolved informally or filed. During the period before a complaint is deemed filed, the Board may take appropriate action, upon motion and consistent with the applicable statutes, to investigate and settle the complaint informally.

- (b) A complaint will not be considered by the Board until an original is delivered to and logged in and numbered by the Board Administrator at Charleston during normal business hours. Facsimile and other electronic transmission of complaints will be accepted for filing, provided originals are delivered to the Board Administrator within fourteen (14) days thereafter.
- 2.3. **Notice to Respondent.** The Board Administrator shall give notice of the filing of a complaint to any and all respondents named in the complaint. Such notice shall be by certified mail, return receipt requested, to the respondent at his, her, or its last known address or in a manner consistent with the rules for service of process under the West Virginia Rules of Civil Procedure. A return of service shall be completed by the person effecting service and filed with the Board.
 - 2.4. **Response to Complaints.** The respondent may file, within thirty days after service of the complaint, a responsive pleading which shall state with particularity every defense in law or fact to the allegations in the complaint. Every responsive pleading shall be verified by the respondent.
 - 2.5. **Failure to File Response.** The failure to file a response to the complaint shall be deemed an admission of the factual allegations contained therein. The failure to file a response shall not be grounds for delaying hearing or other action upon the complaint.
 - 2.6. **More Definite Statement.** The Board or a respondent may request a clarification or more definite statement of the allegations in the complaint. A respondent's request for a more definite statement shall be filed with the Board not less than fifteen days before the hearing date. The Board's request may be issued to a complainant at any time, and the complainant shall respond within seven days of service of the request by the Board. Failure of a complainant to respond timely to such request may be grounds for dismissal of the complaint.

§7-2-3. Hearing Panel.

3.1. Hearing Panel.

- (a) Complaints regarding persons licensed by the Board and complaints regarding unlawful practice of engineering in this State or a request for hearing regarding licensure or issuance of a certificate of authorization shall be heard and decided by the Board as a whole sitting as a Hearing Panel, except that any member of the Board who has a conflict of interest with regard to a particular complaint may decline to participate

in such proceedings. Recusal is mandatory in any proceeding in which a judge, similarly situated, would be required to exercise recusal. The filing of a complaint by a Board member will not automatically be grounds for recusal. Recusal shall not prevent a Board member from testifying as a witness.

- (b) If recusals result in there being less than a quorum, the remaining unrecused members of the Board shall appoint a registered professional engineer who is not a member of the Board for each recused member to serve solely for the purposes of hearing and deciding such complaint.
 - (c) The Hearing Panel shall conduct hearings, make findings of fact and conclusions of law, and issue administrative decisions and orders to enforce the provisions of W. Va. Code §30-13-1 et seq.
- 3.2. Location of Hearing Proceedings.** Unless otherwise ordered by a majority vote of the Board, all hearings shall be heard at Charleston.
- 3.3. Quorum.** A quorum shall consist of not less than three members of the Hearing Panel.
- 3.4. Presiding at Hearings.**
- (a) The President of the Board shall serve as the presiding officer at hearings. In the event of the President's recusal, the Hearing Panel shall elect a presiding officer from among themselves who will preside for hearings on that complaint.
 - (b) The presiding officer shall have the power to (1) administer oaths and affirmations, (2) rule upon offers of proof and receive relevant evidence, (3) regulate the course of the hearing, (4) hold conferences for the settlement or simplification of the issues by consent of the parties, and (5) dispose of procedural requests or similar matters.
- 3.5. Privilege and Immunity.** All information provided, including documents and testimony given with respect to any complaint, investigation or proceeding under these rules, shall be privileged in any action for defamation or the like. All members of the Board, its counsel, and their employees shall be absolutely immune from civil suit in the same manner as members of the judiciary in the State for any conduct in the course of their official duties.

§7-2-4. Procedural Rules for Hearings.

- 4.1. Notice of Hearings.**
- (a) Within sixty (60) days of filing complaint, the presiding officer shall set a hearing date and time. Notice of the hearing date and time shall be served on respondent and counsel for respondent, if any, by first class mail addressed to the last known mailing address of such person. Such notices shall be mailed not less than thirty (30) days before the hearing date. All complaints, unless dismissed by the Board as unfounded, trivial or settled informally, shall be heard within six months after the date each complaint was received and filed.
 - (b) Hearings may be rescheduled by the presiding officer and, once begun, continued from time to time, for cause shown as the interests of justice may require.

4.2. Prehearing Matters. The presiding officer, with or without the request of a party, may schedule a prehearing conference to narrow the issues to be heard, to estimate the time which will be required for the hearing, rule upon prehearing motions, and, when appropriate, negotiate informal disposition of the complaint.

4.3. Hearings Generally.

(a) Conduct and Order of Hearing.

- (1) Upon calling on for hearing any complaint, the presiding officer may cause the complaint to be read and shall offer the respondent the opportunity to reply. The Hearing Panel may receive evidence from its investigator or staff. Respondent, directly or by counsel, may present evidence in defense against the complaint. All testimony given shall be subject to cross-examination by the opposing party. The Board may receive rebuttal evidence after respondent's presentation. Any member of the Hearing Panel may inquire to any witness at any time.
- (2) After the receipt of all evidence, respondent and Board staff, directly or by counsel, may be allowed to make closing arguments.
- (3) If the respondent is not a natural person, the respondent shall be represented by counsel. The Board or its staff may be represented by counsel.
- (4) Failure of the respondent to appear, without cause, shall not result in delay or postponement of the hearing.

(b) The Record. The record of a hearing shall consist of the testimony and documentary and physical evidence admitted into evidence by the Hearing Panel, all judicially cognizable facts so noticed, and the administrative decision or order ruling upon the complaint. All hearing proceedings on the record shall be recorded by stenographic means. Any party may obtain a transcript of the proceedings at the party's expense.

(c) Testimony. Witnesses shall testify under oath or affirmation.

(d) Evidence.

- (1) The West Virginia Rules of Evidence shall apply. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under those rules, evidence not admissible thereunder may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Hearing Panel shall be bound by the rules of privilege recognized by law. Objections to evidentiary offers and the ruling thereupon shall be noted in the record. Any party to any such hearing may vouch the record as to any excluded testimony or other evidence.
- (2) Only the evidence admitted into the record and judicially cognizable facts so noticed shall be considered in the determination of the complaint.
- (3) Depositions may be taken and read or otherwise received as evidence in accordance with Rules 30 and 32 of the West Virginia Rules of Civil Procedure.

- (e) **Conformance.** Upon motion of any member of the Hearing Panel or any party assigning error or omission in any part of any transcript, the presiding officer shall settle all differences arising as to whether such transcript truly discloses what occurred at the hearing and shall direct that the transcript be corrected as appropriate so as to make it conform to the truth.
 - (f) **Deliberations.** Hearing Panels may deliberate and issue decisions in person, by telephone conference, or by written correspondence, including electronic communications.
 - (g) **Open Meetings and Executive Sessions.** Pursuant to W.Va. Code §6-9A-1, the Board may by majority vote hold hearings under these rules in executive session unless the respondent requests an open meeting. In any event, the vote upon the final decision of the Hearing Panel shall be in open session.
- 4.4. Standard of Proof.** To impose any sanction or penalty, the findings of the Hearing Panel in support thereof must be proved by a preponderance of the evidence.
- 4.5. Subpoena and Contempt Power.** The Hearing Panel shall have power to issue subpoenas or any other lawful process through the presiding officer at the request of any party. Subpoenas may be issued for attendance of witnesses or the production of documentary evidence. Subpoenas and other process may be served in accordance with the West Virginia Rules of Civil Procedure. All witnesses shall be entitled to such witness fees and expenses as in any civil proceeding in this State. The Hearing Panel may apply to any circuit court for an order requiring any person to comply with the presiding officer's directions in maintaining order at a hearing or to compel compliance with subpoenas.
- 4.6. Criminal Convictions.**
- (a) An engineer who has been convicted of a crime that reflects adversely on the engineer's honesty, trustworthiness or fitness as an engineer, or of any felony, shall, within thirty days of entry of the order or judgment of conviction, forward a copy of the order or judgment to the Board's Administrator. A plea or verdict of guilty or a conviction after a plea of nolo contendere shall be deemed to be a conviction within the meaning of this rule. Any other person may file a copy of the order or judgment with the Board.
 - (b) Upon receipt of the order or judgment, which shall be conclusive evidence of the guilt of the crime or crimes of which the engineer has been convicted, the Board Administrator shall treat the order or judgment as a complaint for misconduct and violation of professional responsibility.
 - (c) A respondent may present evidence and argument in support of mitigation based on, but not limited to, the nature of respondent's misconduct, surrounding facts and circumstances, previous ethical violations, the willfulness of the conduct, and the adequacy of respondent's previous opportunity to present evidence.

4.7. Reciprocal Discipline.

- (a) A final adjudication in another jurisdiction, whether state or federal, of misconduct constituting grounds for discipline of a registered professional engineer in that jurisdiction or a voluntary surrender of a license to practice engineering in connection with a disciplinary proceeding in that jurisdiction shall, for the purposes of proceedings under these rules, conclusively establish such conduct.
- (b) A registrant in this State against whom any form of public discipline has been imposed by the authorities of another jurisdiction, whether state or federal, or who voluntarily surrenders his or an aggravating factor in any subsequent disciplinary proceeding. Any other person may notify the Board of such action by submitting a complaint.
- (c) If the registrant intends to challenge the validity of the disciplinary order entered in the foreign jurisdiction or the voluntary surrender of his or her license to practice engineering in connection with a disciplinary proceeding, the registrant must request a formal hearing and file with the Board a full copy of the record of the disciplinary proceedings which resulted in imposition of the disciplinary order or the voluntary surrender of a license to practice engineering.

§7-2-5. Disposition of Complaints.

5.1. Administrative Decisions and Orders.

- (a) Any party may submit proposed findings of fact and conclusions of law as permitted in the discretion of the presiding officer.
- (b) After a hearing upon a complaint is completed, including an instance in which the respondent defaults, the Hearing Panel may make findings of fact and conclusions of law and shall issue the appropriate administrative decision or order.
- (c) The Hearing Panel may make findings of fact and conclusions of law in connection with the hearing and in conformity with applicable law notwithstanding the failure of the complaint to allege the grounds therefor.
- (d) Informal disposition may also be made of any complaint by stipulation, agreed settlement, or consent order provided, however, that a hearing upon any pending complaint set pursuant to Rule 4.0 shall not be cancelled other than by a respondent's acceptance of such proposed informal disposition.
- (e) All dispositions of complaints shall be signed by the presiding officer. A copy shall be maintained in the permanent records of the Board.
- (f) The official determination of the Hearing Board shall be made by majority vote of the Hearing Panel. The presiding officer shall vote in every matter but shall reserve his vote to the last. Any minority of the Hearing Panel may preserve its opinion in written form submitted at or not less than ten days after the entry of the majority's administrative decision or order.

(g) A copy of the administrative decision or order shall be served upon each party and his counsel in person or by registered or certified mail within five days after entry by the presiding officer.

- 5.2. Unlawful Practice.** In addition to disciplinary actions authorized by W. Va. Code §30-13-21, if the administrative decision or order finds that the respondent is engaging in the practice of engineering in this state without being registered, the Board may request the prosecutor of any county to prosecute the respondent pursuant to W. Va. Code §31-13-23 or the Board may file a complaint seeking an injunction to enforce the provisions of W. Va. Code §31-13-1 et seq. Nothing in these rules shall prohibit the Board from requesting prosecution or seeking an injunction without prior notice and opportunity for hearing to the person who is believed to be in violation.

Other Relevant Code Sections and Related Rules

Chapter 5G - Procurement of Architect-Engineer Services by State and Its Subdivisions

§5G-1-1 et seq. – Requires procurement of architectural and/or engineering services on the basis of demonstrated competence and qualifications for the type of professional service required (also known as Qualification-Based Selection or QBS). Applicable to all state agencies, including quasi-public corporations, and all political subdivisions (cities, counties, boards of education and public service districts).

Chapter 6 - Open Governmental Proceedings

§6-9A-1 et seq. – Also known as “**The Sunshine Law**,” the open meetings law applies to the WV PE Board and all governing bodies of public agencies. As required by that act, notices of all meetings of the WV PE Board are published in the State Register at least five days before the meeting and also posted under Meeting Notices on the WV Secretary of State’s website.

Chapter 21A - Unemployment Compensation

§21A-2-6(17) – This code section required the Employment Programs Bureau Commissioner to promulgate rules prohibiting state agencies from granting, issuing or renewing a license, certificate or other authority to conduct a trade, profession or business whose unemployment compensation account is in default. See Title 96, Series 1 of the Code of State Rules.

Chapter 23 - Workers’ Compensation

§23-1-1b(g)(16) – This code section required [now the Insurance Commissioner] to promulgate rules prohibiting state agencies from granting, issuing or renewing a license, certificate or other authority to conduct a trade, profession or business whose workers’ compensation account is in default. See Title 85, Series 32 of the Code of State Rules.

Chapter 29A - State Administrative Procedures Act

Some of the articles of particular relevance to the WV PE Board and its licensees are:

§29A-1-1 et seq. Definitions and Application of Chapter - Applicable to all WV agencies (boards, commissions, departments, offices and officers) of the executive branch of government.

§29A-3-1 et seq. Rule Making – Explains the differences in legislative, emergency, procedural and interpretive rules and sets forth the requirements for adopting each type.

§29A-5-1 et seq. Contested Cases and **§29A-6-1 et seq.** Appeals – The procedures set forth here may be applicable if there are no more specific procedures in WV Engineering Law or in §30-1-8 (procedures applicable to all licensing boards).

Chapter 29B - Freedom of Information Act

West Virginia's open records law requires that public records must be made available upon request. All public bodies are subject to the law, including the WV PE Board. The act defines public records, exempts certain records, and sets forth procedures for requesting and obtaining the records and enforcing the act.

Chapter 30 - Professions and Occupations

§30-1-1 et seq. – These general provisions are applicable to all WV professional licensing boards and address several topics such as meetings, disciplinary proceedings, and other powers and duties of licensing boards.

Chapter 48 - Domestic Relations

§48-15-1 et seq. – Enforcement of Support Order Through Action Against License, including

§48-15-303 – License applicant must certify, under penalty of false swearing, information regarding any child support obligation, and action may be taken against a licensee for failure to pay child support or appear at certain proceedings.
