The Honorable Patrick Morrisey
Governor, State of West Virginia
State Capitol Building
1900 Kanawha Boulevard, East
Charleston, WV 25305

Dear Governor Morrisey:

On behalf of the West Virginia State Board of Registration for Professional Engineers, we are pleased to provide you with our FY2025 Annual Report. This report is hereby submitted in compliance with mandates of the statutory requirements of W.Va. Code §30-1-12(b).

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is declared to be subject to regulation in the public interest. The WV PE Board is charged with the administration and enforcement of the provisions of W.Va. Code §30-13 governing the practice of professional engineering. Enclosed is the Board's certified Annual Report covering fiscal years 2024-2025, including required documentation of agendas, minutes, receipts, disbursements, rosters and a listing of filed complaints. As always, all information contained within this report, as well as other relevant applicant and examinee information, is accessible 24 hours a day, 7 days a week, via our website at www.wvpebd.gov.

In closing, please know the WV State Board of Registration for Professional Engineers and their staff will continue to strive to provide superior service to the engineering students, the engineering professionals, and the citizens of our great state! Should you have any comments or questions regarding the content of this report, please do not hesitate to contact our office.

Sincerely,

Lesley L. Rosier-Tabor, P.E.
Executive Director

BOARD MEMBERS

It is the responsibility of the West Virginia State Board of Registration for Professional Engineers to administer the provisions of the West Virginia Engineering Law, and corresponding Legislative Rules and Regulations, governing the practice of the profession of engineering in such a manner as to protect the public's health, safety and welfare. The West Virginia State Board of Registration for Professional Engineers consists of five registered professional engineers, each Board Member being appointed by the Governor of the State of West Virginia with the consent of the Senate of the West Virginia Legislature. The Board members serve for up to 3 full terms of five years each or until they are reappointed or successors are named.

The following persons were the appointed members of the Board at the end of the FY2025 time period covered by this report:

RECEIPTS & DISBURSEMENTS

The West Virginia Board of Registration for Professional Engineers is self-supporting, and operates on the collection of license application fees and renewals rather than appropriated funds. Receipts collected by the WV PE Board are deposited into a Special Revenue Fund at the Office of the Treasurer, and the expenses of the Board are disbursed from this fund. A statement of the total receipts and disbursements of the Board for FY2024 and FY2025 are shown on the following pages. All civil penalties (fines) paid as a result of a disciplinary action are not retained by the Board but rather deposited directly into the General Fund for the State of West Virginia.

All revenue received by the WV State Board of Registration for Professional Engineers is generated in accordance with WV Engineering Law (WV Code Chapter 30-13 and Legislative Rule 7-1-13.4) as outlined in the Fee Table provided below. Additional monies deposited by this agency that could appear in the revenue total from year to year include nominal FOIA copy charges and directly reimbursed Administrative Costs resulting from resolution of a complaint. Daily itemized deposits by revenue type are available for review and all expense disbursements are processed by Object Code in WVOASIS.

The seal of the West Virginia Board of Registration for Professional Engineers is a circular emblem. It features a rope-like border. Inside the border, the text "BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS" is written in a circular path. The center of the seal contains the state seal of West Virginia, which depicts a landscape with a river, a bridge, and a figure holding a plow. Above the figure is the date "JUNE 20 1863". Below the figure, the words "MONTANI SEMPER PARATI" are visible. At the bottom of the seal, the word "CHARLESTON" is written.

The seal of the State Board of Professional Engineers of West Virginia is a circular emblem. It features a central shield with a plow, a sheaf of wheat, and a gear, symbolizing industry and agriculture. Above the shield is a banner with the date "JUNE 20 1863". The shield is flanked by two figures, one holding a torch and the other a scroll. The outer ring of the seal contains the text "STATE BOARD OF PROFESSIONAL ENGINEERS" at the top and "WEST VIRGINIA" at the bottom. The word "CHARLESTON" is inscribed at the very bottom of the seal.

Board Agendas / Minutes

Board meetings are typically held the third Tuesday of every other month at the Board office in Charleston, West Virginia. All meetings are open to the public, however we ask that persons wishing to bring matters for the Board's consideration submit written notification or request to be placed on the agenda at least 10 business days prior to the scheduled meeting. This request should be addressed to the attention of Lesley L. Rosier, PE, Executive Director at info@wvpebd.gov.

General Session Minutes
State Board of Registration for Professional Engineers
July 16, 2024

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Tuesday, July 16, 2024. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
Edward L. Robinson	Member
Carol Stevens	Member
Lesley L. Rosier-Tabor	Executive Director
Edward Eagloski	Board Counsel

The meeting was called to order at 10:05am. Mr. Gates, Secretary, was absent and did not participate. The Board meeting minutes for the May 21, 2024 meeting were reviewed. A motion to approve the minutes as presented was then made by Mr. Robinson, seconded by Dr. Nottingham. Motion carried.

The Board budget summaries, including P-Card transactions, for May and June 2024 were received and reviewed, as well as the FY2024 year-end summary. Ms. Rosier reported a \$1.61M balance for the FY2024 year-end and beginning balance for FY2025. Ms. Rosier also discussed the 22-year Revenue/Expense Comparison, noting that the year-end balance showed a slight increase from FY2023 due to the COA renewal year revenues being more than PE renewal year revenues in the alternating year.

Ms. Rosier presented the Executive Director's report, including recent and upcoming meetings, training and travel. She also reported that the Board-approved computer and printer upgrades would be taking place in the next few weeks as the new printers had arrived for installation and the new computers were in transit.

A motion was made by Mrs. Stevens, seconded by Dr. Nottingham, to approve the budget, current expenditures, purchasing card transactions, and upcoming travel for Board members and staff. Motion carried.

Prior to entering into Executive Session, the Board's Counsel provided the details of the resolution of Complaints C2024-23, C2024-35, C2024-36, C2024-37, C2024-38, C2024-39, C2024-40, C2024-41, and C2024-44.

Mrs. Stevens made a motion to enter into Executive Session at 10:29am, seconded by Dr. Nottingham. Motion carried.

Mr. Robinson excused himself and exited the room, as to not be part of any discussion or decision making regarding C2022-12 and C2022-13.

Mrs. Stevens excused herself and exited the room, as to not be part of any discussion or decision making regarding C2024-18.

At 11:05am the Board held an informal conference for case C2024-18, wherein the Respondent and his guest appeared. Again, Mrs. Stevens was excused from the conference, as to not be part of any discussion or decision making regarding C2024-18.

At 12:15pm, the informal conference ended and the Respondent and his guest exited the meeting. At 12:20pm, Mrs. Stevens rejoined the meeting and made a motion, seconded by Dr. Nottingham, to move into General Session. Motion carried. Thereafter, the Board recessed for lunch and returned to General Session at 1:05pm.

At the resumption of the General Session, the Board welcomed two visitors, Bhajan S. Saluja, former Board Member, and Angela Chestnut, P.E.

Former Board member Saluja requested a few minutes to speak about his recent meeting with the WVU Dean of the College of Engineering. He shared an initiative he plans to personally be involved in, hoping to improve the performance of and increase the number of FE exam takers on their campus. Upon the conclusion of his remarks, the Board proceeded with additional NCEES items on the agenda, including the review of the 2024 NCEES Annual Meeting information, the Summary of Motions, planned forums, and professional development activities to be offered. In addition, Ms. Rosier also shared the latest update on Boards that responded they would be participating in the UK Mutual Recognition ceremonial signing along with representatives from the Engineering Council (UK) and NCEES leadership. This event is intended to signify a significant step forward in international engineering standards and demonstrate a shared commitment to fostering global collaboration.

Ms. Rosier noted she and other staff members have been participating in the on-going NCEES State of the Council virtual meetings as well as the Alliance for Responsible Professional Licensing (ARPL) activities. In addition, she provided updates on the NCEES President-Elect decisions for the 2024-2025 NCEES committee appointments, to include her serving on the Advisory Committee on Council Activities and President Thomas continuing as a member of the Committee on Examinations for Professional Engineers.

The Board reviewed the 2024 WV Legislative Interims calendar as well as the most recent information disseminated by the ARPL group regarding the importance and role of licensing. In addition, Ms. Rosier presented the Board with updates on the following legislative requests for information:

- Current licensee statistics in response to the annual request by the WV Legislative Joint Committee on Government and Finance
- Summary of follow-up requests by the legislative analyst conducting the agency's Regulatory Board Review for PERD.

The Board reviewed the required BRIM Loss Control Questionnaire and Annual Safety Committee meeting documentation in accordance with BRIM's Standards of Participation letter dated May 17, 2024. In addition, the Board completed their Executive Branch Confidentiality agreements for inclusion in the annual BRIM submission and was provided with the links to view the driver's safety video, as well as information on data breaches, privacy, and workplace safety already reviewed by all staff members.

Ms. Rosier reported she had been in contact with the Coordinator for ABET Accreditation Operations and there is one new EAC engineering program in West Virginia up for Fall 2024 review. However, the ABET Coordinator indicated that they had declined any observer participation and the Board has no observer roles to fill until the fall of 2025.

Ms. Rosier reported she provided the Executive Director for the WV Board of Architects with the PE Board's comments and concerns with the most recent draft of the Handbook for WV Building Code Officials. At the Board's direction, she also extended an invitation for a one-hour joint session between both Boards to discuss. Their Director indicated she would convey the information to her Board and be in touch if they determine a meeting is worthwhile.

Ms. Rosier reported her recent participation in the Interorganizational Council on Regulation (ICOR) Practice Overlap Task Force webinar and shared the informative slide deck with the Board. The recent practice overlap initiative appears to be much more comprehensive than any previous work. ICOR leadership indicated draft guidance documents are forthcoming in the next few months with hopes of anticipated changes being introduced for Model Law/Model Rule consideration for the various interest groups (Architects, Engineers, Landscape Architects, etc.) in early 2025.

At 2:50pm, and after guests had departed, Mr. Robinson made a motion to re-enter into Executive Session, seconded by Mrs. Stevens. Motion carried.

At 3:20pm, Mr. Robinson made a motion, seconded by Dr. Nottingham, to re-enter into General Session. The motion carried, and the Board took the following action:

- Mr. Robinson made a motion, seconded by Mrs. Stevens, to "Receive and File Complaint C2025-01, and to set said Complaint for a hearing on January 21, 2025, at 1:00pm. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Robinson, to move I2025-01 to Complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mr. Robinson, to "Receive and File" Complaint C2025-02, and set said Complaint for a hearing on January 21, 2025, at 1:00pm. Motion carried.
- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move I2025-02 to Complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to "Receive and File" Complaint C2025-03, and set said Complaint for a hearing on January 21, 2025, at 1:00pm. Motion carried.

- Mrs. Stevens made a motion, seconded by Mr. Robinson, to move I2025-03 to Complaint. Motion carried. Furthermore, Mrs. Stevens made a motion, seconded by Mr. Robinson, to “Receive and File” Complaint C2025-04, and set said Complaint for a hearing on January 21, 2025, at 1:00pm. Motion carried.

The Board acted upon 1 of 3 special case files as follows:

- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to deny the Business Entity - DBA Waiver application for Engineering Property Solutions, LLC. Motion carried.

No action was taken on 2 special case files as the Board requested and is awaiting the receipt of additional information from the applicants and will review at a future board meeting.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

Ms. Rosier discussed plans regarding the Board’s 2024 INTERchange newsletter to be disseminated with the 2025-2026 PE renewal notices. She requested articles be submitted in draft format as soon as possible, but no later than September 1, 2024.

The Board discussed the FY2025 officer elections and Mr. Robinson made a motion, seconded by Ms. Stevens, to retain the same Board officers for the upcoming fiscal year. The motion carried and therefore Mr. Thomas will remain as Board President, Dr. Nottingham as Board Vice-President, and Mr. Gates as Board Secretary from July 1, 2024 to June 30, 2025.

The Board reviewed the upcoming 2024 Calendar of Events. Ms. Rosier requested members notify her with any anticipated conflicts. President Thomas noted he may be serving as an adjunct professor for a fall course at WV Tech but does not yet know his schedule.

Upon motion by Mr. Robinson, seconded by Dr. Nottingham, the Board voted to adjourn the meeting at 3:35pm. The next Board meeting will be September 10, 2024, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
September 11, 2024

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, September 11, 2024. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
L.A. Gates	Secretary
Edward L. Robinson	Member
Carol Stevens	Member
Lesley L. Rosier-Tabor	Executive Director
Edward Eagloski	Board Counsel

The meeting was called to order at 10:11am. The Board meeting minutes for the July 16, 2024 meeting were reviewed. A motion to approve the minutes as presented was then made by Mr. Robinson, seconded by Dr. Nottingham. Motion carried.

The Board budget summaries for July and August 2024 were received and reviewed, as well as the PCard transactions for the months of July and August 2024. Ms. Rosier reported a \$1.486M balance for the end of August 2024. Ms. Rosier discussed the current FY2025 budget report, in addition to the FY2026 Appropriations Request submission filed with the WV State Budget Office prior to the required September 1st deadline. The FY2026 Appropriation request was similar to the FY2025 Expenditure Schedule submission reviewed by the Board at its May 2024 Board meeting, containing the exact same overall expenditure totals but slightly different revenue projections due to the odd/even year revenue difference resulting from the biennial PE vs. COA renewal cycles.

Ms. Rosier also presented the Board with the quotes for a new ST ViewScan 4 System and software that provides an innovative microfilm scanner to instantly display high-resolution images of the Board's archived documents. The Board's current microfiche viewer is over 25 years old and no longer dependable to retrieve and view the Board's archival documents such as roll microfilm, microfiche strips or jackets.

A motion was made by Mr. Gates, seconded by Mrs. Stevens, to approve the budget, current expenditures, purchasing card transactions, purchase of a ViewScan 4 microfiche reader, and upcoming travel for Board members and staff. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments regarding the following:

- She and several staff members participated in the June and July 2024 NCEES State of the Council Virtual Meetings
- She and Tiffany Coleman participated in the Empowering Innovators STEM Training/Engineering Presentations at the Putnam Career and Technical Center in Eleanor, WV, August 5, 2024.

- Tiffany Coleman and Edward Eagloski, along with Board President Thomas and Carol Stevens, participated in the 2024 NCEES Annual Meeting in Chicago, IL.
- Tiffany Coleman recently completed the required online training modules and necessary examinations for the WV State Purchasing Card Coordinators, including the online Ethics Training, in order to assume official responsibilities of the PCard as Sue Rubenstein prepares to retire.
- Ms. Rosier reported she provided licensure presentations to approximately 50 engineering technology students at Fairmont State University on September 5, 2024. She also spoke to, and answered questions during, the FSU ASCE Student Chapter meeting on the same day.
- Ms. Rosier reported she, Tiffany Coleman and Sue Rubenstein will be traveling to attend a number of required state government trainings in the next few months.

Prior to entering into Executive Session, the Board's Counsel provided the details of the resolution of Complaints C2024-19, C2024-20, C2024-25, and C2025-02.

Dr. Nottingham made a motion to enter into Executive Session at 10:46am, seconded by Mrs. Stevens. Motion carried.

Mr. Robinson excused himself and exited the room, as to not be part of any discussion or decision making regarding C2022-12 and C2022-13.

At 11:40am, Mr. Robinson made a motion, seconded by Mr. Gates, to move into General Session. The motion carried, and the Board took the following action:

- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to dismiss Complaint C2025-01. Motion carried.

The Board acted upon the special case files as follows:

- Mr. Robinson made a motion, seconded by Dr. Nottingham, to deny the Business Entity - DBA Waiver application for Engineered Facades, LLC. Motion carried.
- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to deny the Business Entity - DBA Waiver application for Swartley Bros. Engineers, Inc. Motion carried.
- Mr. Gates made a motion, seconded by Mr. Robinson, to update job titles and position descriptions in conjunction with the creation of a new temporary position for purposes of hiring Ms. Angela Chestnut, P.E., at an agreed upon salary, effective early November 2024. The purpose of this new temporary position within WVOASIS is to permit an incoming transfer of a current state employee and allow sufficient time for cross-training of staff, ensuring a smooth and efficient handover of duties and responsibilities prior to the planned retirement of Sue Rubenstein on December 31, 2024. Motion carried.

President Thomas shared a summary of recent actions taken at the 2024 NCEES Annual Meeting held in Chicago, IL. Mrs. Stevens provided additional observations and insights as both she and Tiffany Coleman were participating as first-time attendees. President

Thomas also reported he participated in the initial meeting with his NCEES committee members to discuss their 2024-2025 charges assigned by incoming NCEES President Zoutewelle.

Ms. Rosier and President Thomas gave brief updates on their new NCEES Committee appointments. Ms. Rosier also reviewed a legislative summary recently shared by NCEES and discussed by the Alliance for Responsible Professional Licensing (ARPL), including information on universal licensure, board consolidation, sunseting and deregulation. Ms. Rosier noted that the WV ARPL group has made tentative plans to meet in person in October 2024 to discuss the remaining 2024 interim meetings and upcoming 2025 WV Legislative session, and to share tools and resources to be effective in navigating today's challenging regulatory environment.

The Board recessed at 12:17pm for lunch and resumed the General Session at 12:56pm.

Ms. Rosier shared the dates of the remaining 2024 WV Legislative Interims and provided the Board with an update on the agency's Regulatory Board Review for the Performance Evaluation and Research Division. Per a phone call from Director John Sylvia, received by Mr. Eagloski on September 5, 2024, they have completed their Board review and the draft report is forthcoming. The report is tentatively scheduled to be presented during the October 2024 interim meeting of the Joint Committee on Government Organization. Details on the time and location of the Joint Committee meeting will be provided once available so President Thomas and Ms. Rosier can plan to attend to answer any questions of the committee members.

Ms. Rosier discussed the staff and database vendor efforts to date in preparing for the biennial PE license renewal. All current PE and Retired PE licenses are set to expire on December 31, 2024 and must be renewed. In addition, any new PE licenses processed and activated after September 30th will not be required to renew until their newly issued license expires in December 2026.

The Board was presented with the most recent issue of the Professional Licensing Report (PLR).

Ms. Rosier reported that the required 2024 Annual Licensing Board Seminar conducted by the WV State Auditor will be held on Tuesday, November 7th in South Charleston. Anticipated staff attendance includes Rosier, Coleman, Chestnut and Counsel Eagloski and President Thomas and Board Member Stevens confirmed their interest in participating as well. Ms. Rosier provided a reminder that all Board members are required to attend at least one time during each appointed term and, although all current Board members are in compliance, everyone was encouraged to check their calendars and plan to attend if possible.

Ms. Rosier reminded the Board that all PE and Retired renewal notifications would include a copy of the Fall 2024 InterChange newsletter publication. Ms. Rosier anticipates a draft version of this annual agency publication will be available for Board review and comment prior to the end of September. Once finalized and printed, all firms with an active COA will be mailed a copy of the new publication as well.

Ms. Rosier reported she is unaware of any additional progress made on the WV Code Officials handbook, but anticipates she will see the Executive Director of the WV Architects Board at a number of upcoming meetings and trainings over the next few months.

The Board reviewed the remaining 2024 Calendar of Events and Ms. Rosier requested members notify her with any anticipated conflicts as soon as possible. President Thomas asked to meet on Wednesdays for the remainder of this calendar year and in 2025 to accommodate conflicts with his teaching schedule on the traditional Tuesday meeting days.

Upon motion by Dr. Nottingham, seconded by Mrs. Stevens, the Board voted to adjourn the meeting at 1:35pm. The next Board meeting will be November 20, 2024, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

**General Session Minutes
State Board of Registration for Professional Engineers
November 20, 2024**

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, November 20, 2024. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
Edward L. Robinson	Member
Carol Stevens	Member
Lesley L. Rosier-Tabor	Executive Director
Angela Chestnut	License Analyst / Assistant Investigator

The meeting was called to order at 10:10am. The Board meeting minutes for the September 11, 2024 meeting were reviewed. A motion to approve the minutes as presented was then made by Dr. Nottingham, seconded by Mrs. Stevens. Motion carried.

The Board budget summaries for September and October 2024 were received and reviewed, as well as the PCard transactions for the months of September and October 2024. Ms. Rosier reported a \$1.37M balance for the end of October 2024.

A motion was made by Mr. Robinson, seconded by Dr. Nottingham, to approve the budget, current expenditures, and purchasing card transactions. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments regarding the following:

- Ms. Rosier reported she attended the required 2024 PCard Coordinator Seminar on October 1, 2024 in Canaan Valley, WV.
- Ms. Rosier reported that Tiffany Coleman and Sue Rubenstein attended the 2024 WV Purchasing Conference on October 22-25, 2024 at Oglebay in Wheeling, WV.
- Ms. Rosier reported that she attended the WV ARPL Coalition Pre-Session Meeting on October 29, 2024 in Charleston, WV.
- Ms. Rosier reported she, Tiffany Coleman, and Angela Chestnut, along with Board President Thomas and Carol Stevens attended the required Annual Seminar for West Virginia State Licensing Boards on November 7, 2024 in Charleston, WV.
- Ms. Rosier reported that Tiffany Coleman and Sue Rubenstein attended the 2024 Cash Management Training on November 12-14, 2024 in Roanoke, WV.
- Ms. Rosier reported she, along with Angela Chestnut, provided a licensure and complaint process presentation on November 12, 2024 to WVDEP personnel at their offices in Kanawha City, Charleston, WV.
- Ms. Rosier reported she and Angela Chestnut attended the State Agency Workers' Compensation training on November 14, 2024 in Charleston, WV.
- Ms. Rosier reported she provided a licensure presentation to 65 civil and environmental engineering students at WVU on November 15, 2024.

Board President Thomas requested that staff obtain FE and PE exam statistics for the 2024 calendar year for all WV examinees, to include pass/fail data, for presentation to the Board at the January 22, 2024 meeting.

Prior to entering into Executive Session, Ms. Rosier provided the details of the resolution of Complaints C2022-39, C2024-18, C2024-42, C2024-43, C2025-03, C2025-04, in addition to receipt of fine payment for C2024-19.

Mrs. Stevens made a motion to enter into Executive Session at 10:29am, seconded by Dr. Nottingham. Motion carried.

Mr. Robinson excused himself and exited the room, as to not be part of any discussion or decision making regarding C2022-12 and C2022-13.

At 11:40am, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move into General Session. The motion carried, and the Board took the following action:

- Mr. Robinson made a motion, seconded by Dr. Nottingham, to move I2025-04 to Complaint. Motion carried. Furthermore, Mr. Robinson made a motion, seconded by Dr. Nottingham, to “Receive and File” Complaint C2025-05, and set said Complaint for a hearing on May 20, 2025, at 1:00pm. Motion carried.

The Board acted upon the special case files as follows:

- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to approve the Business Entity - DBA Waiver application for Aero International DBA AMS Engineered Solutions. Motion carried.
- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to deny the Business Entity - DBA Waiver application for WesTech Engineering, LLC DBA WesTech Water. Motion carried.
- Mr. Robinson made a motion, seconded by Dr. Nottingham, to approve the Business Entity - DBA Waiver application for Engineered 4U DBA Engineered 4U, Inc. Motion carried.
- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to increase the annual pay of Ms. Tiffany Coleman at an agreed upon salary, pursuant to her promotion, including new position title and increased job responsibilities effective December 28, 2024. This action will complete the handover of duties and responsibilities of the Board Administrator following the planned retirement of Sue Rubenstein on December 27, 2024. Motion carried.

Ms. Rosier provided a summary on the latest NCEES State of the Council Meeting conducted via Zoom on October 9, 2024 that was conducted by the new CEO, Davy McDowell. She also shared presentation materials from the latest ARPL and ICOR meetings as well as the agenda for the upcoming 2025 NCEES Northeast Zone meeting scheduled for April 10-12, 2025 in Cambridge, MA. Ms. Rosier noted with the Board that NCEES delegate registration for this meeting is due the first week of January and prior to

the Board's next meeting and asked Board members to check their calendars and respond with interest no later than January 3, 2025.

The Board reviewed the call for nominations for the 2024-2025 NCEES National Service Awards. Completed nomination packages must be received at NCEES headquarters no later than January 31, 2025. President Thomas requested Ms. Rosier to prepare updates of his 2024 nomination submission for the Meritorious Service Award with Special Commendation.

Ms. Rosier presented the Board with the Associate Membership documentation for our newest staff member. Motion was made by Dr. Nottingham, seconded by Mr. Robinson, to approve Mrs. Chestnut as an NCEES Associate Member, in order for her to complete her Board staff duties. Motion carried.

President Thomas and Ms. Rosier provided updates on their 2024-2025 NCEES Committee work to date, noting both committees have already met virtually and have scheduled face-to-face meetings in January 2025 to tackle a myriad of charges assigned by NCEES President Zoutewelle.

The Board recessed at 11:55am for lunch and resumed the General Session at 1:36pm. During lunch, the Board and staff surprised Board Administrator Sue Rubenstein with a much-deserved retirement celebration. Family members, former Board members and staff, along with several other state employees who have worked with Sue stopped by to congratulate her on her 42 years of service to the State of West Virginia.

Ms. Rosier presented the Board with the Legislative calendar and updates from the most recent interims meetings. In addition, the Board was provided with a copy of the Final Report of the agency's Regulatory Board Review conducted by the Performance Evaluation and Research Division. In addition, Ms. Rosier provided the Board with an update on several website recommendations already implemented to date. The Board members congratulated their staff on a job well done.

Ms. Rosier announced that preparations for the launch of the biennial PE license renewal were complete and the online renewal system will be activated immediately following the Board meeting. All current PE and Retired PE licenses set to expire on December 31, 2024 must be renewed no later than the close of the one-month grace period ending on January 31, 2024. In addition, Ms. Rosier noted all PE and Retired renewal notifications would be mailed Wednesday, November 27, 2024 and would include a copy of the Fall 2024 InterChange publication. In addition, all firms with an active COA will receive a copy of the Board's newsletter as well.

The Board was presented with the most recent issue of the Professional Licensing Report (PLR).

Ms. Rosier shared her recent communication with WV State Fire Marshal, Kenneth Tyree, regarding dissemination of information to our stakeholders. In order to foster successful project completion, meet high-quality standards and mitigate risks, she noted their latest

collaborative efforts involved important announcements posted to the Board's website and published in the Boards newsletter specific to the following:

- April 2024 Announcement of Newly Adopted State Fire Code containing several significant changes impacting the design, construction, remodel/renovation/repair, fire protection system installation, and inspection of buildings.
- October 2024 Announcement of required Electronic Plan Review Process that will begin on January 1, 2025, with beta testing starting in December 2024.

Ms. Rosier presented the detailed agenda from the required 2024 Annual Licensing Board Seminar conducted by the WV State Auditor on Thursday, November 7, 2024 in South Charleston. The WV PE Board was well represented with 3 staff members and 2 Board members present. Board attendees shared a number of items from this informative seminar and panel discussion.

The Board was presented with dates for the 2025 WV Construction and Design Exposition (EXPO) to be held at the Charleston Civic Center on March 26-27, 2025. The Board confirmed their continued interest in participating, so Ms. Rosier will again submit the requests to secure a regulatory agency booth space and program ad (which serves as a Professional Development reporting document for PE attendees), and a request to offer their annual 2-hour continuing education seminar free to all participants. Ms. Rosier plans to contact the Executive Director of the OH PE/PS Board in hopes of teaming up to conduct another 2-hour joint session that will count toward both WV PE and OH PE and PS renewal requirements.

Ms. Rosier presented the Board with concerns regarding the most recent PEIA insurance plan changes for FY2026. In reviewing the recent drafts and presentation of slides prepared for Public Meetings, the draft proposal includes premium increases of 14% for public employees, a 40% increase in deductibles and out-of-pocket maximums for employees, a high hike in the spousal surcharge from \$149 per month to \$350 per month, and several other increases in copays for therapies, emergency room visits, inpatient and pharmacy charges. She plans to attend the upcoming public hearing to be held at the Cultural Center in Charleston, WV.

Ms. Rosier shared recent correspondence from the WV Architects Board regarding the PE Board's feedback on the updates to the WV Code Officials handbook. Copies of the latest draft, along with additional documents provided by their Board's Executive Director, were disseminated to the Board members for review. President Thomas and Board Member Stevens shared their thoughts and continued concerns, with the remaining Board members concurring. Ms. Rosier was asked to follow-up with the Architect Board's Director to share, that after much discussion, the PE Board has elected to not move forward as a signatory on the project at this time.

Ms. Rosier shared the draft update of the FY2024 Annual Report. She will be meeting with both President Thomas and Secretary Gates in December to obtain the required notarization and signatures on the final report prior to submission by the end of calendar year deadline.

The Board reviewed the upcoming 2025 Calendar of Events, also shown on the back cover of the Board's 2024 InterChange newsletter publication. Ms. Rosier reported she has already published the dates on the Board's website and Mrs. Chestnut has updated the WV Secretary of State's website with the required public meeting notices.

Upon motion by Mrs. Stevens, seconded by Dr. Nottingham, the Board voted to adjourn the meeting at 2:18pm. The next Board meeting will be January 22, 2025, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
January 29, 2025

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Wednesday, January 29, 2025. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
L.A. Gates	Secretary
Carol Stevens	Member
Rodney D. Holbert	Member
Lesley L. Rosier-Tabor	Executive Director
Edward Eagloski	Board Counsel
Angela K. Chestnut	Licensing Analyst / Assistant Investigator

The meeting was called to order at 10:11am. The Board welcomed its newest member, Rodney D. Holbert and acknowledged the service of its outgoing member, Edward L. Robinson.

The Board meeting minutes for the November 20, 2024 meeting were reviewed. A motion to approve the minutes as presented in the Board notebook was then made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

The Board budget summaries for November and December 2024 were received and reviewed, as well as the P-Card transactions for the months of November and December 2024. Ms. Rosier reported a \$1.72M balance at the end of the calendar year. Ms. Rosier reminded the Board members that the December 2024 revenue spike and high calendar year-end balance was due to more than 9000 biennial PE and Retired PE license renewals being received throughout late November and December 2024.

A motion was made by Dr. Nottingham, seconded by Mrs. Stevens, to approve the budget, current expenditures, purchasing card transactions, and upcoming travel for Board members and staff. Motion carried.

Ms. Rosier presented the Executive Director's report and addressed all Board questions and comments regarding the following:

- Ms. Rosier reported that WV FE and PE exam statistics obtained from NCEES, with additional requests for CY2024 breakdowns will be provided to the Board for review at the March 25, 2025 meeting.
- Ms. Rosier reported she, along with Angela Chestnut, attended the 2025 NCEES Member Board Administrator Training on January 13-15, 2025 at NCEES Headquarters in Greenville, SC.

- Ms. Rosier reported she attended the 2025 NCEES Advisory Committee on Council Activities on January 16-18, 2025 in Pensacola, FL.
- Ms. Rosier updated the Board on ongoing staff activities, including Board room audio/visual upgrades, database updates, records retention, PE license renewal updates, and upcoming training opportunities.
- The Board reviewed the upcoming activity and meeting participation schedule, which includes National Engineers Week presentations, WV EXPO, and the 2025 NCEES Northeast Zone meeting.

Prior to entering into Executive Session, the Board's Counsel provided the details of the resolution of Complaint C2025-05.

Dr. Nottingham made a motion to enter into Executive Session at 10:34am, seconded by Mr. Holbert. Motion carried.

The Board recessed the Executive Session at 12:08pm for lunch and resumed the Executive Session at 1:12pm. During the lunch recess, the Board was joined by former Board member Edward Robinson and staff members Tara Jordan and Tiffany Coleman. After lunch, President Thomas led the group in thanking Mr. Robinson for his dedication, leadership, and unwavering energy provided during his 25 years of service to the Board. President Thomas presented Mr. Robinson with a local, handmade gift from reclaimed wood and bearing the West Virginia seal. Each Board member and staff member was provided the opportunity to also share their appreciation toward Mr. Robinson. Mr. Robinson responded by thanking both Board members and staff for the honor of serving the Board and his profession, noting that while he will miss the work, he is confident the Board's duties remain in good hands.

At 2:10pm, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move into General Session. The motion carried, and the Board took the following action:

- Mrs. Stevens made a motion, seconded by Mr. Gates, to move I2025-05 to Complaint. Motion carried. Furthermore, Mrs. Stevens made a motion, seconded by Mr. Gates, to "Receive and File" Complaint C2025-06, and set said Complaint for a hearing on July 16, 2025, at 1:00pm. Motion carried.

The Board acted upon the special case files as follows:

- Mrs. Stevens made a motion, seconded by Dr. Nottingham, to approve the reinstatement application for Frank A. Coulter. Motion carried.
- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to approve the comity application for Zachary A. Cox. Motion carried.
- Mr. Holbert made a motion, seconded by Dr. Nottingham, to approve the Business Entity - DBA Waiver application for Gainwell Engineering Inc. Motion carried.

- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to approve the Business Entity - DBA Waiver application for Two-X Engineers & Constructors, LLC. Motion carried.

Ms. Rosier provided an update from the NCEES Member Board Administrator Training, which included review of the MBA meeting agenda items and presentations slides noting the following:

- The Mutual Recognition Agreement between the United Kingdom and NCEES is moving forward with several states and jurisdictions that intend to participate. This item will be a topic of the State of the Council webinars, as well as the upcoming 2025 NCEES NE Zone Meeting and Annual Meeting, and will be taken up as a discussion item by the Board at a future meeting.
- NCEES Advocacy and External Engagement Strategist, Josh Twitty, provided a detailed federal and state level legislative update, which included specifics on Universal Licensure and Board Consolidation legislation and potential legislation across the states.
- NCEES outreach initiatives were discussed. NCEES Foundation Letters of Interest due date was moved to March 1, 2025 to allow for more applicants. Recipients will be announced August 20, 2025 during the NCEES Annual Meeting in New Orleans, LA. Additionally, Ms. Rosier provided updates on graduation honor cords for graduating seniors who have passed the NCEES Fundamental of Engineering exam while still in college, in addition to NCEES/ACEC college scholarships, the NCEES Ambassador Programs, and Future City Competition volunteer needs.
- Costs of exams, methods for calculating exam fees, and the timing of implementing exam fee changes are all under review at this time by NCEES leadership and relevant committees. Recommended changes will be brought forth at the 2025 Annual Meeting for consideration.
- An overview of the number and types of exams and exam questions was provided. All exams are now available in the CBT format, as of 2024. FE interactive practice exams are now available, using a bank of deactivated exam questions. The PE Structural Exam Breadth and Depth sections are now decoupled and there is no longer a 5-year expiration of results.
- The NCEES Electronic License Verification System (ELVS) pilot program is being beta tested in Texas, which aims to automate license and exam verifications to minimize manual labor and overhead costs for NCEES and state board staff while enabling much faster processing of records applications for prospective multi-state licensees. Ms. Rosier noted that she volunteered for our Board to be next in line for NCEES beta testing migration with a smaller board later this year.
- MBA Committee Updates were provided by MBA Chair and Executive Director of the Ohio PE/PS Board, John Greenhalge.

The upcoming 2025 NCEES Northeast Zone meeting is scheduled for April 10-12, 2025 in Cambridge, MA. Ms. Rosier confirmed that NCEES delegate registrations had been submitted for President Thomas, Ms. Stevens, Board Administrator Tiffany Coleman, and herself. Additionally, Angela Chestnut will be attending as a Board funded Associate Member.

President Thomas and Ms. Rosier provided updates on their 2024-2025 NCEES Committee work to date. President Thomas noted that new specifications for some exams were approved at the last meeting and his next meeting is scheduled for February 2025. Ms. Rosier provided updates from her attendance of the NCEES Advisory Committee on Council Activities (ACCA) meeting January 16-18, 2025.

Ms. Rosier reminded Board members that NCEES Committee Preference surveys were emailed and interest forms are currently open for completion.

President Thomas provided an update to the Board on the NCEES Emeritus Member nomination for Edward L. Robinson. Mr. Holbert made a motion, seconded by Mrs. Stevens, to submit the nomination for former Board member Edward L. Robinson as an Emeritus Member of the NCEES. Motion unanimously approved.

Ms. Rosier provided the announcement for six upcoming NCEES State of the Council webinars in 2025. These virtual meetings are valuable interactions to keep member boards informed about timely topics and issues prior to the Zone and Annual Meetings, while allowing a forum for questions to be answered by NCEES leadership.

Ms. Rosier presented the Board with the upcoming 2025 NCEES Exam Notice of changes giving notice as required by the NCEES Manual of Policy and Position Statements, Exam Development Policy (EDP) 7.

Ms. Rosier provided the Board with the WV Legislative calendar dates for the 2025 WV Legislative Session. She also shared updates regarding legislative staff requests and the Governor's Executive Orders as they relate to Chapter 30 Boards.

Ms. Rosier provided the Board with an update on the latest Board appointee, Rodney D. Holbert, P.E., whose partial term took effect January 3, 2025 and ends June 30, 2029.

Ms. Rosier reminded all Board members that they must file the Ethics Commission Financial Disclosure Statement (FDS) by February 1, 2025.

Ms. Rosier reported approximately 15,000 of the Board's Fall 2024 InterChange newsletters were mailed out to all active PEs, Retired PEs and COA holders the last week of November and first week of December. The newsletters mailed to PEs and Retired PEs were accompanied by their biennial 2025-2026 PE and Retired PE renewal notifications. A total of 10,308 PE renewals and 259 Retired renewal notices were mailed on November 27, 2024. Board staff are currently processing renewals submitted during the one-month grace period, which will end on January 31, 2025 at midnight EST. Multiple courtesy email reminders were also sent throughout December 2024 and January 2025, but only to those yet to renew. All PE renewals received during the January

2025 grace period are required to pay late fees. Official Lapsed notifications, as well as all resulting COA Invalidation Pending letters for firms without an active PE, will be mailed during the first 2 weeks of February 2025. The required percentage of audit notifications will also be mailed in February 2025.

The Board was presented plans for the 2025 WV Construction and Design Exposition (EXPO) at the Charleston Civic Center on March 26-27, 2025. Ms. Rosier reported registration is complete for their annual agency booth and program ad (which serves as a continuing education/professional development reporting document for WV PE attendees). In addition, approval confirmation was received for the Board's submission to conduct a free, 2-hour continuing education seminar held jointly with the Ohio PE/PS Board and the WV State Fire Marshal.

Ms. Rosier reported that, as directed, she followed up with the WV Architect Board's Director to share that the WV PE Board elected not to move forward as a signatory on the WV Code Officials Handbook. She also noted she received confirmation from the WV Architect Board respecting the PE Board's decision and looking forward to collaborating with the Board on future projects.

Ms. Rosier presented the Board with an inquiry regarding a city job posting for a land surveyor. The Board discussed the wording of the posting, and agreed that the intent was specific to the types of experience a surveyor might need to complete the job.

The Board was presented with the most recent issue of the Professional Licensing Report (PLR) and there were no questions or comments.

The Board reviewed the upcoming 2025 Calendar of Events and Ms. Rosier requested members notify her with any anticipated conflicts.

Ms. Rosier shared with the Board that the FY2024 Annual Report was submitted in December 2024 and a bound copy is on file and available for preview in the Board office.

President Thomas reported that his 2024 nomination submission for the NCEES Meritorious Service Award with Special Commendation for Ms. Rosier has been submitted.

Upon motion by Mr. Holbert, seconded by Mrs. Stevens, the Board voted to adjourn the meeting at 3:10pm. The next Board meeting will be March 25, 2025, in Charleston. The Board members will be compensated one day per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
May 19, 2025

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Monday, May 19, 2025. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
L.A. Gates	Secretary
Carol Stevens	Member
Rodney D. Holbert	Member
Lesley L. Rosier-Tabor	Executive Director
Edward Eagloski	Board Counsel
Angela K. Chestnut	Licensing Analyst / Asst. Bd. Investigator

The meeting was called to order at 10:07am. The Board meeting minutes for the March 25, 2025 meeting were reviewed. A motion to approve the minutes as presented was then made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

The Board budget summaries for March and April 2025 were received and reviewed, as well as the P-Card transactions for the months of March and April 2025. Ms. Rosier reported a \$1.58M balance for the ending of April 2025.

Ms. Rosier presented the FY26 Budget and Expenditure Schedule Submission that was required to be sent to the WV State Budget Office no later than May 5, 2025. Ms. Rosier noted the agency submission was consistent with the FY25 Budget and Expenditure Schedule from April 2024 as well as the FY26 Appropriations Request from August 2024. As a new Board member, Mr. Holbert asked some clarifying questions on various budget line items, which were answered by Ms. Rosier.

A motion was made by Mrs. Stevens, seconded by Dr. Nottingham to approve the budget, current expenditures, and purchasing card transactions. Motion carried.

Ms. Rosier presented the Executive Director's report, including recent and upcoming meetings, training and travel. The latest NCEES test data analysis was also reviewed and made available to the Board for review. Ms. Rosier also provided a status report on a number of on-going projects that she and staff are working on and addressed all Board questions.

Prior to entering into Executive Session, the Board's Counsel provided the details of the resolution of Complaint C2025-08. In addition, Mr. Eagloski announced to the Board that, after much consideration and deliberation, he has decided to retire effective August 2025. The Board thanked Mr. Eagloski for his exemplary performance serving as the Board's legal counsel for the last 7 years.

Dr. Nottingham made a motion to enter into Executive Session at 10:35am, seconded by Mrs. Stevens. Motion carried.

Mrs. Stevens excused herself and exited the room at 10:50am, as to not be part of any discussion or decision making regarding C2025-07.

Mr. Eagloski and Ms. Chestnut exited the room for the discussion of Board personnel matters, which included staff replacement considerations due to Mr. Eagloski's pending retirement and discussions on merit increases for Board staff (Chestnut, Coleman, Jordan and Rosier). Subsequently, Ms. Rosier was also asked to exit the room for final deliberations on staff merit increases.

At 12:05pm the Board recessed the Executive Session for lunch and resumed the Executive Session at 1:00pm.

At 3:38pm, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move into General Session. The motion carried, and the Board took the following action:

The Board acted upon the special case files as follows:

- Mr. Holbert, made a motion, seconded by Mrs. Stevens, to approve the Engineer Intern application for Kevin H. Dicello. Motion carried.
- Mr. Holbert made a motion, seconded by Dr. Nottingham, to approve the comity application for James P. Begley. Motion carried.

- Dr. Nottingham, made a motion, seconded by Mrs. Stevens, to approve the reinstatement application for John R. Callahan, Jr. Motion carried.
- Mr. Holbert made a motion, seconded by Dr. Nottingham, to approve the comity application for Wendy Tulu. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Holbert, to approve the comity application for Luke J. Zupan. Motion carried.

The Board acted upon the personnel matters as follows:

- Dr. Nottingham made a motion, seconded by Mr. Gates, to approve 5% and 8% merit increases for Board staff, based on time served with the agency (with 5% if less than 1 year), effective with the pay period that includes July 1, 2025. Motion carried. Ms. Rosier was directed to prepare the required documentation to submit to the Department of Administration / Finance Division payroll administrator for processing, including updated Personnel Requisition (PR) documents to be signed by President Thomas and a copy of meeting minutes indicating the official Board action.
- Mr. Gates made a motion, seconded by Dr. Nottingham, to move forward with the hiring of Rebecca Schoen, Attorney at Law, on a temporary, part-time basis and at an agreed upon hourly rate, starting no later than July 1, 2025. Motion carried. The purpose of this new hire is to allow sufficient time for cross-training of staff, ensuring a smooth and efficient handover of duties and responsibilities prior to the retirement of Edward Eagloski in August 2025. In addition, President Thomas and Ms. Rosier shared plans to reconnect with the WV Attorney General's Office in the next few weeks, requesting assignment of a new AG representative to assist with workload and hearings on an as-needed basis. Ms. Rosier is hopeful both could attend all or part of the July Board meeting.

President Thomas and Ms. Rosier provided updates from the NCEES Zone Interim Meeting held in Cambridge, MA in early April. They shared the presentation slides from NCEES leadership, each NCEES Committee Report, and an overview of important topics moving forward into the 2025 NCEES Annual Meeting scheduled for late August.

The Board then reviewed the specifics of the 2025 NCEES Annual Meeting agenda and supporting documentation, and Ms. Rosier reviewed the travel policies and reimbursement requirements for NCEES funded delegates. Ms. Rosier requested that any Board members interested in attending as an NCEES delegate, please check their calendar and let her know as soon as possible.

Ms. Rosier presented the 2024-2025 Advisory Committee on Council Activities (ACCA) Committee summary for the Board's review. There were 8 charges, which resulted in 4 motions, from the committee's work. The most notable recommendation, which affects all examinees, is related to exam price increases. The recommendation of ACCA is to begin using CPI for cost adjustments at least every 3 years, with the adjustment to be effective January 1 of the following year after each increase is applied. President Thomas also

provided an overview of his work to date on the 2024-2025 Committee on Examinations for Professional Engineers.

Ms. Rosier reminded the Board members of the dates and times for the upcoming NCEES State of the Council virtual events. These scheduled webinars feature timely announcements and updates on NCEES initiatives, including review and discussion on the upcoming Annual Meeting motions and headquarters updates.

The latest NCEES Advocacy and ARPL updates were provided to the Board by Ms. Rosier and included a summary of bills on Universal Licensure, Board Consolidation, Deregulation, Sunset Reviews, Alternative Pathways to Licensure, and International Licensure Recognition.

The Board reviewed the upcoming changes to NCEES exams scheduled for implementation in Fall 2025 and Spring 2026. The Board also reviewed NCEES and Member Board correspondence regarding the CBT Structural Exam, as well as a NCEES score modification notification to a WV examinee due to the removal of a flawed item on the PE Civil Water Resources and Environmental examination. The Board also reviewed the latest version of the NCEES Licensure Exchange newsletter and *Squared*. Ms. Rosier noted that the 2024 NCEES Annual Report and its companion guide to engineering and licensing statistics, *Squared*, were also available online.

Ms. Rosier provided an update on the completion of the 2025 WV Legislative Session, including the passage of Senate Bill 458 (Universal Professional and Occupational Licensing Act of 2025). As a result of SB458's passage, Ms. Rosier has started updating existing application materials to reflect the required bill language that must appear effective July 1, 2025. Ms. Rosier also discussed the quarterly reporting requirements of applicants applying under SB458 conditions and provided a number of news articles regarding the same.

The Board reviewed the agency responses to Executive Orders No. 1-25 and 6-25. No additional questions or requests for information have been made since the original responses were delivered to the Governor's office in mid-April.

Ms. Rosier reported completion of the required biennial audit on renewal continuing education claims. The audit consisted of 317 PEs, which represented 3.5% of active licensees who renewed. All audit submissions were approved with the exception of 8 PEs who chose to go to Inactive Status and 1 PE who failed to adequately respond, resulting in the invalidation of his PE license.

At the recommendation of Ms. Stevens, the Board reviewed NCEES's Draft Position Statement on artificial intelligence (AI) and the AI position statements from NCARB, ASCE, NSPE, and the Texas PE Board. Ms. Rosier noted that NCEES will be holding a workshop at their upcoming Annual Meeting to review artificial intelligence as it relates to the engineering and surveying professions. Steven Matthews, NCEES chief technology and strategy officer, will be sharing specific AI initiatives and findings from the NCEES AI Working Group's year-long efforts, highlighting practical applications and regulatory

considerations for the industry and implications specifically relevant to NCEES stakeholders and our processes.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

The Board discussed the FY2026 officer elections, and Mr. Holbert made a motion, seconded by Mrs. Stevens, to retain the same Board officers for the upcoming fiscal year. The motion carried and therefore Mr. Thomas will remain as Board President, Dr. Nottingham as Board Vice-President, and Mr. Gates as Board Secretary from July 1, 2025 to June 30, 2026. Ms. Rosier also noted that all Board member terms remain current and there are no appointment or re-appointment needs at this time.

The Board reviewed the upcoming 2025 Calendar of Events, including the July meeting date. Ms. Rosier requested members notify her of any anticipated conflicts as soon as possible.

Upon motion by Dr. Nottingham, seconded by Mrs. Stevens, the Board voted to adjourn the meeting at 4:30pm. The next Board meeting will be July 16, 2025, in Charleston. The Board members will be compensated one day's per diem plus travel expenses.

General Session Minutes
State Board of Registration for Professional Engineers
May 19, 2025

The West Virginia State Board of Registration for Professional Engineers met at their office in Charleston on Monday, May 19, 2025. Those present for all or part of the meeting were:

Garth E. Thomas	President
Larry C. Nottingham	Vice-President
L.A. Gates	Secretary
Carol Stevens	Member
Rodney D. Holbert	Member
Lesley L. Rosier-Tabor	Executive Director
Edward Eagloski	Board Counsel
Angela K. Chestnut	Licensing Analyst / Asst. Bd. Investigator

The meeting was called to order at 10:07am. The Board meeting minutes for the March 25, 2025 meeting were reviewed. A motion to approve the minutes as presented was then made by Dr. Nottingham, seconded by Mr. Gates. Motion carried.

The Board budget summaries for March and April 2025 were received and reviewed, as well as the P-Card transactions for the months of March and April 2025. Ms. Rosier reported a \$1.58M balance for the ending of April 2025.

Ms. Rosier presented the FY26 Budget and Expenditure Schedule Submission that was required to be sent to the WV State Budget Office no later than May 5, 2025. Ms. Rosier noted the agency submission was consistent with the FY25 Budget and Expenditure Schedule from April 2024 as well as the FY26 Appropriations Request from August 2024. As a new Board member, Mr. Holbert asked some clarifying questions on various budget line items, which were answered by Ms. Rosier.

A motion was made by Mrs. Stevens, seconded by Dr. Nottingham to approve the budget, current expenditures, and purchasing card transactions. Motion carried.

Ms. Rosier presented the Executive Director's report, including recent and upcoming meetings, training and travel. The latest NCEES test data analysis was also reviewed and made available to the Board for review. Ms. Rosier also provided a status report on a number of on-going projects that she and staff are working on and addressed all Board questions.

Prior to entering into Executive Session, the Board's Counsel provided the details of the resolution of Complaint C2025-08. In addition, Mr. Eagloski announced to the Board that, after much consideration and deliberation, he has decided to retire effective August 2025. The Board thanked Mr. Eagloski for his exemplary performance serving as the Board's legal counsel for the last 7 years.

Dr. Nottingham made a motion to enter into Executive Session at 10:35am, seconded by Mrs. Stevens. Motion carried.

Mrs. Stevens excused herself and exited the room at 10:50am, as to not be part of any discussion or decision making regarding C2025-07.

Mr. Eagloski and Ms. Chestnut exited the room for the discussion of Board personnel matters, which included staff replacement considerations due to Mr. Eagloski's pending retirement and discussions on merit increases for Board staff (Chestnut, Coleman, Jordan and Rosier). Subsequently, Ms. Rosier was also asked to exit the room for final deliberations on staff merit increases.

At 12:05pm the Board recessed the Executive Session for lunch and resumed the Executive Session at 1:00pm.

At 3:38pm, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move into General Session. The motion carried, and the Board took the following action:

- Dr. Nottingham made a motion, seconded by Mrs. Stevens, to move I2025-12 to Complaint. Motion carried. Furthermore, Dr. Nottingham made a motion, seconded by Mrs. Stevens, to "Receive and File" Complaint C2025-09, and set said Complaint for a hearing on January 19, 2026 at 1:00pm. Motion carried.

The Board acted upon the special case files as follows:

- Mr. Holbert, made a motion, seconded by Mrs. Stevens, to approve the Engineer Intern application for Kevin H. Dicello. Motion carried.
- Mr. Holbert made a motion, seconded by Dr. Nottingham, to approve the comity application for James P. Begley. Motion carried.

- Dr. Nottingham, made a motion, seconded by Mrs. Stevens, to approve the reinstatement application for John R. Callahan, Jr. Motion carried.
- Mr. Holbert made a motion, seconded by Dr. Nottingham, to approve the comity application for Wendy Tulu. Motion carried.
- Dr. Nottingham made a motion, seconded by Mr. Holbert, to approve the comity application for Luke J. Zupan. Motion carried.

The Board acted upon the personnel matters as follows:

- Dr. Nottingham made a motion, seconded by Mr. Gates, to approve 5% and 8% merit increases for Board staff, based on time served with the agency (with 5% if less than 1 year), effective with the pay period that includes July 1, 2025. Motion carried. Ms. Rosier was directed to prepare the required documentation to submit to the Department of Administration / Finance Division payroll administrator for processing, including updated Personnel Requisition (PR) documents to be signed by President Thomas and a copy of meeting minutes indicating the official Board action.
- Mr. Gates made a motion, seconded by Dr. Nottingham, to move forward with the hiring of Rebecca Schoen, Attorney at Law, on a temporary, part-time basis and at an agreed upon hourly rate, starting no later than July 1, 2025. Motion carried. The purpose of this new hire is to allow sufficient time for cross-training of staff, ensuring a smooth and efficient handover of duties and responsibilities prior to the retirement of Edward Eagloski in August 2025. In addition, President Thomas and Ms. Rosier shared plans to reconnect with the WV Attorney General's Office in the next few weeks, requesting assignment of a new AG representative to assist with workload and hearings on an as-needed basis. Ms. Rosier is hopeful both could attend all or part of the July Board meeting.

President Thomas and Ms. Rosier provided updates from the NCEES Zone Interim Meeting held in Cambridge, MA in early April. They shared the presentation slides from NCEES leadership, each NCEES Committee Report, and an overview of important topics moving forward into the 2025 NCEES Annual Meeting scheduled for late August.

The Board then reviewed the specifics of the 2025 NCEES Annual Meeting agenda and supporting documentation, and Ms. Rosier reviewed the travel policies and reimbursement requirements for NCEES funded delegates. Ms. Rosier requested that any Board members interested in attending as an NCEES delegate, please check their calendar and let her know as soon as possible.

Ms. Rosier presented the 2024-2025 Advisory Committee on Council Activities (ACCA) Committee summary for the Board's review. There were 8 charges, which resulted in 4 motions, from the committee's work. The most notable recommendation, which affects all examinees, is related to exam price increases. The recommendation of ACCA is to begin using CPI for cost adjustments at least every 3 years, with the adjustment to be effective January 1 of the following year after each increase is applied. President Thomas also

provided an overview of his work to date on the 2024-2025 Committee on Examinations for Professional Engineers.

Ms. Rosier reminded the Board members of the dates and times for the upcoming NCEES State of the Council virtual events. These scheduled webinars feature timely announcements and updates on NCEES initiatives, including review and discussion on the upcoming Annual Meeting motions and headquarters updates.

The latest NCEES Advocacy and ARPL updates were provided to the Board by Ms. Rosier and included a summary of bills on Universal Licensure, Board Consolidation, Deregulation, Sunset Reviews, Alternative Pathways to Licensure, and International Licensure Recognition.

The Board reviewed the upcoming changes to NCEES exams scheduled for implementation in Fall 2025 and Spring 2026. The Board also reviewed NCEES and Member Board correspondence regarding the CBT Structural Exam, as well as a NCEES score modification notification to a WV examinee due to the removal of a flawed item on the PE Civil Water Resources and Environmental examination. The Board also reviewed the latest version of the NCEES Licensure Exchange newsletter and *Squared*. Ms. Rosier noted that the 2024 NCEES Annual Report and its companion guide to engineering and licensing statistics, *Squared*, were also available online.

Ms. Rosier provided an update on the completion of the 2025 WV Legislative Session, including the passage of Senate Bill 458 (Universal Professional and Occupational Licensing Act of 2025). As a result of SB458's passage, Ms. Rosier has started updating existing application materials to reflect the required bill language that must appear effective July 1, 2025. Ms. Rosier also discussed the quarterly reporting requirements of applicants applying under SB458 conditions and provided a number of news articles regarding the same.

The Board reviewed the agency responses to Executive Orders No. 1-25 and 6-25. No additional questions or requests for information have been made since the original responses were delivered to the Governor's office in mid-April.

Ms. Rosier reported completion of the required biennial audit on renewal continuing education claims. The audit consisted of 317 PEs, which represented 3.5% of active licensees who renewed. All audit submissions were approved with the exception of 8 PEs who chose to go to Inactive Status and 1 PE who failed to adequately respond, resulting in the invalidation of his PE license.

At the recommendation of Ms. Stevens, the Board reviewed NCEES's Draft Position Statement on artificial intelligence (AI) and the AI position statements from NCARB, ASCE, NSPE, and the Texas PE Board. Ms. Rosier noted that NCEES will be holding a workshop at their upcoming Annual Meeting to review artificial intelligence as it relates to the engineering and surveying professions. Steven Matthews, NCEES chief technology and strategy officer, will be sharing specific AI initiatives and findings from the NCEES AI Working Group's year-long efforts, highlighting practical applications and regulatory

considerations for the industry and implications specifically relevant to NCEES stakeholders and our processes.

The Board reviewed the latest edition of the Professional Licensure Report (PLR).

The Board discussed the FY2026 officer elections, and Mr. Holbert made a motion, seconded by Mrs. Stevens, to retain the same Board officers for the upcoming fiscal year. The motion carried and therefore Mr. Thomas will remain as Board President, Dr. Nottingham as Board Vice-President, and Mr. Gates as Board Secretary from July 1, 2025 to June 30, 2026. Ms. Rosier also noted that all Board member terms remain current and there are no appointment or re-appointment needs at this time.

The Board reviewed the upcoming 2025 Calendar of Events, including the July meeting date. Ms. Rosier requested members notify her of any anticipated conflicts as soon as possible.

Upon motion by Dr. Nottingham, seconded by Mrs. Stevens, the Board voted to adjourn the meeting at 4:30pm. The next Board meeting will be July 16, 2025, in Charleston. The Board members will be compensated one day's per diem plus travel expenses.

SEPTEMBER 2024: ANNOUNCEMENT OF ELECTRONIC PLANS SUBMITTAL AND REVIEW PROCESS

Implementation of the new Electronic Plans Submittal and Review process, as noted in the State Fire Code, Section 2.1.d, will be effective January 1, 2025. The new submission process will incorporate all architectural, mechanical, electrical, plumbing, and fire protection system drawings. To ensure timely response and turn around, all drawings/plans shall require a Life Safety Plan and Building/Fire Code Analysis form with emphasis on the applicable fire codes (NFPA 1, NFPA 101, Other applicable NFPA Codes, & State Fire code).

"...The whole is not, as it were, a mere heap, but the totality is something besides the parts, there is a cause of unity ..." (Metaphysics, Book 8). Although not his exact words, "the whole is greater than the sum of its parts", is attributed to Aristotle and is a well-known phrase describing the combined effect of a group or system far exceeding the individual contributions of its components.

Whether referencing a sports team or a symphony orchestra, it is evident that a well-coordinated effort of a group far exceeds what one individual can effectively execute alone. Business collaborations such as mergers and partnerships allow companies to create superior, innovative products with a far greater reach in the market than possible for each entity on their own. The natural ecological systems on earth rely on the relationships between species to create a stable habitat for our oceans and forests. Crowdsourcing and open-source projects exemplify how much stronger outcomes result by pooling the collective knowledge and opinions of a large group that could not be accomplished by a single person or one firm. These examples show that effective collaboration can harness collective expertise, creativity, and problem-solving capabilities enabling teams to tackle complex challenges and deliver high-quality solutions.

As a civil engineer myself, I recognize the importance of multi-disciplinary teams and working together with stakeholders to plan, design, manage and construct infrastructure projects. This work cannot be completed efficiently without open communication, mutual respect, and shared accountability among professional engineers, architects, planners, code officials, policymakers, community members, and construction professionals. All must foster a culture of trust, transparency, and shared vision to provide the best product possible.

The work completed for our state government agency is no different. During my three decades as a state employee, I have come to realize that collaboration is key. By taking advantage of historical knowledge and the collective wisdom and expertise of others, we collaborate and navigate the intricacies of our program delivery while overcoming challenges and realizing shared goals. Most boards, commissions and regulatory agencies have common mission statements that closely align ... be fiscally responsible while effectively and efficiently carrying out duties and responsibilities to protect the health, safety and welfare of the public.

Case In Point: In recent months, we called upon the expertise of the WV State Fire Marshal, and his staff, for assistance with investigation of a complaint. Not only were we in need of obtaining their inspection documentation, we required assistance from those much more knowledgeable of applicable building codes and code compliance than our staff or Board members. Fire Marshal, Kenneth Tyree, not only attended our Board meeting, but made himself and his staff readily available for follow-up calls and questions during the Board's investigation through the closure of the complaint. In turn, we have kept the lines of communication open and developed a game plan to better disseminate information to our stakeholders in order to foster successful project completion, meet high-quality standards, mitigate risks and achieve the best end result.

In closing, we are kicking off our latest collaborative efforts by sharing timely announcements from the WV State Fire Marshal on our website and in our newsletter. Should you have questions about these important notices, please email firecommissioner@wv.gov.

Garth Thomas, Jr., PE

BOARD MEMBER CONCLUDES TWO DECADES OF SERVICE

With over 21 years of tireless service to the Board, Mr. Bhajan S. Saluja, PE, completed his final Board duties in August of 2023. Mr. Saluja was originally appointed to the Board by Governor Bob Wise in August of 2002 to fill a partial term, and then subsequently reappointed by new gubernatorial administrations. Mr. Saluja dedicated a tremendous amount of time to fulfilling the entrusted responsibilities of the Board to protect the health, safety and welfare of the public. During his service, Mr. Saluja accepted various leadership roles, including Secretary,

Vice President and President of the Board, spanning over 17 years as an elected officer. He actively participated in NCEES Zone and National meetings and served as a Board observer during several Accreditation Board for Engineering and Technology (ABET) visits at universities and colleges throughout the state. In recent years, he took keen interest in studying the performance data and outcome assessments of both the FE and PE exams. Bhajan also participated in countless forums and seminar presentations throughout the state, speaking on the engineering profession and the value and importance of licensure. The Board recognized Mr. Saluja for over two decades of service during their November 2023 Board meeting and presented him with a locally made, bourbon barrel lid that was laser-engraved with the West Virginia state seal.

2024-2025 BOARD LEADERSHIP ELECTION RESULTS

During the July 16, 2024 Board meeting, the WV PE Board discussed FY2025 officer elections and Mr. Robinson made a motion, seconded by Mrs. Stevens, to retain the same Board officers for the upcoming fiscal year. The motion carried and therefore, the current officer slate remained unchanged:

- **Mr. Garth Thomas, Jr., PE**
Board President
- **Dr. Larry Nottingham, PE**
Board Vice-President
- **Mr. L.A. Gates, PE**
Board Secretary

Ann Urling, the Governor's Deputy Chief of Staff and Lesley Rosier-Tabor, PE, Executive Director of the WV PE Board

CONGRATULATIONS ARE IN ORDER!

Public Service Recognition Week has been celebrated the first week of May since 1985 to honor the people who serve our nation as federal, state, county, local and tribal government employees. Throughout the nation, public servants use this occasion to educate others about the work they do and why they have chosen public service careers, as well as the many ways government services make life better for all of us.

Governor Jim Justice recognized state employees who have served for at least 20 years or longer during the Governor's Public Service Recognition Ceremony on Wednesday, May 8, 2024. This event was hosted by the Department of Arts, Culture, and History at the State Culture Center. Governor Justice shared that West Virginians are known for their strong work ethic and commitment to getting the job done. He noted that the time given as public servants is invaluable to our state and the programs and services offered by the honored individuals support their colleagues and people across our state each day.

We are pleased to share that our Executive Director, Lesley Rosier-Tabor, PE, was recognized for 30 years of dedicated service to the State of West Virginia. Serving 8 years as a professor in Civil Engineering at West Virginia Institute of Technology, followed by another 22 years leading the WV PE Board, Lesley has dedicated her entire career spanning three decades to the advancement of the engineering profession and the protection of the health, safety and welfare of the citizens of our great state.

Reporting Disciplinary Actions

COUNSEL'S COLUMN

N. EDWARD EAGLOSKI, II, BOARD COUNSEL

Your West Virginia Professional Engineer's license is expiring on December 31, 2024. As Board Counsel / Investigator, I want to help you stay out of trouble when you renew your PE license for 2025-2026. In this renewal, you will be asked the following question:

"Since the date of your last WV PE renewal (or if this is your first WV PE renewal, since the date of your initial PE application) have you been subject to any disciplinary action or any investigation by any local, state or national regulatory board (including those in WV), or have you been convicted of a felony or a misdemeanor (excluding minor traffic violations)?" ☐ Yes ☐ No

This question is simple, but has been difficult for a few. I hope to assist everyone in answering this question correctly. Most people can recollect whether they have appeared in court on a criminal matter. That part of the question is fairly easy to answer. If you have been in a criminal proceeding, you can answer "Yes," and provide a brief statement of the criminal charges and a copy of the court order. If additional information is needed, the Board Office will contact you.

The problem area, which I hope to assist you in avoiding, is failing to disclose disciplinary actions taken by other state regulatory boards. The West Virginia Board is aware whether you were disciplined or investigated by our own Board within the last few years. After all, that has been my job. The issue is whether you were disciplined or investigated by another PE or regulatory board since your last renewal (or date of licensure for new licensees). You are to answer "Yes" if you have been the subject of a disciplinary action or investigation in this timeframe. If you are not sure, then you should report the same on your renewal, and simply let the Board review it. It is far better for you to report it as a possible disciplinary action and be wrong, versus not reporting it at all. If you were disciplined or investigated, and you did not report it, then you are subjecting yourself to a violation and disciplinary action by the Board, should it learn of your discipline through its search of the National Council of Examiners for Engineering and Surveying (NCEES) Enforcement Exchange database or review of other state PE Boards' publications.

If you were disciplined or investigated by another Board, you are to answer "Yes" and provide a short statement regarding the investigation and disciplinary proceedings, including the outcome, and provide a copy of the closing document, i.e. the dismissal letter, the Consent Order or Settlement Agreement. Otherwise, it will cause additional work for our staff, and who enjoys extra work when it can be avoided? Moreover, if there is a disciplinary finding against you, it could lead to a civil penalty and a disciplinary action that you will have to report to other PE Boards. Note: There is at least one PE Board that requires its licensees to report a disciplinary action **within 48 hours**, and failure to do so may be grounds for additional disciplinary action. So, just say "Yes", and then explain. Again, if additional information is needed, the Board Office will contact you.

Board Disciplinary Actions

Disclaimer: Every effort has been made to ensure that the enforcement information is correct; however this information should not be relied upon without verification from the Board office or website. It should be noted that the names of companies and individuals listed may be similar to the names of parties who have not had enforcement actions taken against them. Should you have any specific questions regarding the disciplinary actions noted below, please contact the Board office.

In meeting its mission of safeguarding life, health and property, and to promote the public welfare, the WV Board actively enforces the statutes and rules that fall within its jurisdiction. Below is a summary of formal complaints that resulted in disciplinary action since the 2023 newsletter. Numerous other investigations were conducted, some resulting in formal complaints which are still pending; some dismissed because the charges were unsubstantiated or considered trivial; and some closed after acceptable corrective action or warning.

Disciplinary actions can be either a result of a formal hearing resulting in a Board Order or settled informally resulting in a Consent Order. These orders are public records. If you are interested in knowing more about the nature of the complaint, you may request a copy pursuant to the State's Freedom of Information Act. All Orders are posted on the Board website.

All civil penalties are deposited in the state's general fund. Administrative costs are made payable to the WV PE Board and are retained by the Board to offset costs incurred in the investigation and complaint resolution efforts. Administrative costs may be waived if the complaint is resolved with a minimum of expense.

Case #: C2022-39 - BSEG, LLC

Violation: Aiding or assisting another to violate Engineering Law. Failure to Seal.

Alternative Paths to Licensure: Are They Equivalent?

INSIGHT FROM THE BOARD PRESIDENT

GARTH E. THOMAS, JR., PE, BOARD PRESIDENT

The standard requirements for engineering licensure outlined in the NCEES Model Law are: a degree from an ABET/EAC accredited program or a program that meets the NCEES education requirements, obtaining a minimum of four years of experience with increasing responsibility, and passing both the Fundamentals of Engineering FE and Professional Engineering PE examinations. While most engineering licensing boards adhere to this standard, many of them have created or agreed to accept alternative paths to licensure having different requirements. The problem arises when a candidate who has been licensed via an alternative pathway attempts to obtain a license in another jurisdiction that does not accept the equivalence of the alternative requirements. A common example of this problem is licensure of candidates having a degree from a four-year engineering technology program. Boards that do not permit this path also will not grant a license for comity applicants who hold ETAC degrees. This limits mobility for these candidates.

NCEES is attempting to address this problem through the work of the Engineering Licensure Task Force, to be replaced by the Committee on Licensure. This group has provided an approach to assessing the equivalence of alternate pathways using a “stacking boxes” concept. The boxes would represent the various licensure components - education, experience, examinations - with the “height” of each box representing its relative contribution toward licensure. The idea is that alternative licensure pathways would be acceptable where the “heights” of the contributing boxes stack to height corresponding to that of an accepted standard. This concept is illustrated in Figure 1 for a comparison between licensure pathways for an ABET/EAC accredited degree and an ABET/ETAC accredited degree.

EAC		ETAC
	EXAMINATIONS	
	EXPERIENCE	
	DEGREE	

Figure 1. “Stacked Boxes” Comparison of Requirements for Engineering and Engineering Technology Graduates

In this case additional experience is used to offset the differences between the degrees. Most licensing boards accept this equivalence, permitting candidates with degrees from ABET/ETAC programs to be licensed if they obtain additional experience, usually a minimum of six years. At the most recent NCEES annual meeting, a majority of the licensing boards voted to accept a motion from the Northeast Zone to modify the model law to add an ABET/ETAC accredited degree as an acceptable option for the education requirement for licensure with the provision of an additional two years of experience. This change to model law may prompt some additional boards to approve a licensing pathway for engineering technology graduates, but likely won't convince all. Boards that do not accept the experience vs. education tradeoff will likely require additional education for technology graduates to be licensed. It is also likely that any effort to reduce the experience requirement for ETAC graduates will not gain broad support.

This example points out a limitation of the “stacked boxes” concept. There is no well-defined way to assess how additional experience compensates for differences in education, or how additional education or experience might be used in place of examinations. The assessment is subjective and there is rarely broad agreement on appropriate tradeoffs. Some boards will waive the requirement to pass the FE examination for candidates who have a PhD degree in engineering, essentially allowing an increase in the education box to offset a smaller examinations box. But this is not a commonly accepted substitution. It is hoped that the Committee on Licensure will be able to develop guidelines that can be used by the licensing boards to assess differences in licensing pathways, promoting improved mobility between licensing jurisdictions.

This need becomes more pressing as NCEES enters into agreements to increase international mobility. At the most recent NCEES annual meeting, an agreement was signed between NCEES and the United Kingdom Engineering Council to facilitate licensure of Chartered Engineers in the US and Professional Engineers in the UK. On the US side, member boards would agree to license chartered engineers without further requirements. The UK Engineering Council does not have examinations that are equivalent to the FE and PE examinations, but Chartered Engineers are required to have the equivalent of a master's degree, and the experience is assessed in a more formal manner than in the US. In this case the examinations “box” would be replaced by a larger education “box” and a larger experience “box”. This also requires that the UK degrees are accepted as equivalent to ABET accredited degrees without further evaluation. Most licensing boards would need to make substantial changes to their law to enable this agreement. It is expected that additional international pacts would require similar accommodations to meet the goal of enhanced mobility.

The answer to the title question is open. Licensing boards are still faced with the problem of assessing equivalence to deal with variations in licensing requirements across jurisdictions. The key will be for boards to consider alternative paths to licensure and not simply fall back on previous practice. It is hoped that the NCEES Committee on Licensure may be able to provide additional guidance.

PE / COA Renewal Updates

CURRENT WV PE BOARD STATISTICS

The following is a numerical summary of registered individuals and firms as of October 1, 2024.

Active PEs	10,309
Retired PEs	259
Active COAs	3,491
Engineer Intern	5,565
TOTAL	19,624

PE RESIDENCY SUMMARY AS OF OCTOBER 1, 2024:

Active PEs living in WV	1,641 (15.9%)
Active PEs living outside WV	8,668 (84.1%)

COA SUMMARY AS OF OCTOBER 1, 2024:

Active COAs with firm record address in WV	435 (12.5%)
Active COAs with firm record address outside WV	3,056 (87.5%)

UPCOMING WV PE RENEWAL REMINDER

It's time to renew your individual WV PE licenses! All individuals in possession of an active WV PE license will be required to renew their PE license by December 31, 2024. As outlined in West Virginia Engineering Law, our agency is required to send notification at least 30 days prior to the expiration of a license, meaning no later than December 1st of odd numbered years for COAs and December 1st of even numbered years for PEs and Retired PEs. Renewal notifications are mailed in late November and the WV State Treasurer's Office activates our online license renewal system at the same time. If you have an active WV PE or Retired PE registration, renewal instructions were enclosed with this newsletter and live renewal links are posted on our website as well. A number of courtesy email notifications will also be sent to the record email address(es) throughout the renewal season until successfully renewed. Upon successful renewal, one will be able to print receipt confirmations and we will no longer send unnecessary renewal email communication.

If you have any questions regarding the WV PE or Retired PE renewal process, please do not hesitate to contact our office by email at info@wvpebd.gov or call 304-558-3554.

WV COA RENEWAL SEASON SUMMARY

WV COA Status Summary for Recent 2024-2025 COA Renewal

- Active firms receiving COA Renewal Notification in November 2023 = 3,527
- Non-Responding firms resulting in Lapsed Status after COA Renewal Season in February 2024 = 113

To view or download a complete roster of the Active PE licenses, Firm Certificates of Authorizations (COAs), and Retired PEs, simply visit our website License/COA Verification page at www.services.wvpebd.gov/verification. There you will find access to a real-time, online verification search tool that shows if a particular individual and/or firm is authorized to practice or offer engineering services in West Virginia.

REPORTING YOUR CONTINUING EDUCATION

During the PE renewal process, you will document your continuing education by certifying that you have earned a minimum of thirty (30) Professional Development Credits (PDHs) during the 2023-2024 licensure period. Under the Legislative Rules, you are allowed to count your carryover PDHs from your 2023-2024 WV PE renewal to meet this requirement. Your renewal application will have this number pre-populated and presented to you on the online form. A new registrant by way of examination or reciprocity is exempt for his or her first renewal period from this PDH reporting requirement. However, new PEs may report up to 15 PDHs earned since their initial registration date with the WV PE Board to create carryover for the next renewal period of 2027-2028. In any case, current PDHs earned prior to your upcoming renewal data entry date that are not reported in this upcoming 2025-2026 renewal, will not be able to be recorded with the Board in the future.

If you need to check the number of carry-over PDHs you reported to the Board, use the link www.services.wvpebd.gov/verification. Insert your name as the licensee and then click on the result, e.g. your name, and a detailed report of public information regarding your PE license will be shown, including the number of carry over PDHs you last reported. This will allow you to determine the number of additional PDHs you need prior to completing the online renewal form.

HOW TO TRACK YOUR CPC COURSES AND REQUIREMENTS

Most state licensing boards require licensed engineers and surveyors to meet a continuing professional competency (CPC) requirement to renew their licenses. Did you know you can conveniently track and report your CPC requirements for free through your MyNCEES account? You don't have a MyNCEES account? NO PROBLEM! It's quick, easy and free to create an account and there are many advantages to doing so. Simply go to [NCEES.org](https://www.ncees.org) and click on the MyNCEES button to get started. A step-by-step guide is provided below:

- 1. Identify the state licensing board(s) to track CPC requirements.** Create and/or log in to your MyNCEES account and select CPC Tracking. Select the appropriate state licensing boards and enter renewal period information for each.
- 2. Enter CPC course information.** When you complete a continuing education course, add the course information and corresponding professional development hours (PDHs). Supporting documentation can be uploaded to your account, and the course and PDHs will be applied to the appropriate states.
- 3. Track your progress.** View a side-by-side comparison of the state's requirements and your completed CPC courses.
- 4. Transmit your completed CPC report.** Send your CPC transcript electronically to a state licensing board. Check with your state licensing board for specific requirements as most do not need or want you to send unless you are selected as part of their continuing education audit.

The CPC Register is an integrated CPC tracking system free of charge to all licensees. It was built to allow the licensee to track CPC hours for one or multiple states using the NCEES CPC standard. Certificates and other proof of attendance may be uploaded for easy accessibility and review by state boards. All uploaded documents will become a part of the user's course documentation and will be transmitted to a state licensing board. Upload only the documentation necessary to provide proof of completing the course. Examples of supporting documentation include:

- Transcript, certificate, or other proof of completion
- Proof of attendance
- Course syllabus
- Copy of course information as printed in a conference program or brochure
- Proof of teaching or instructing

It is important to remember the system does not evaluate or approve the information entered into the system; it is strictly a reporting/storage tool. Having a single repository of CPC information that is accessible to the licensee and the state boards goes a long way toward streamlining the renewal process and removing barriers to comity licensure. After all, a primary objective of NCEES is to facilitate professional mobility and promote uniformity of licensure processes. This is achieved in part through its Model Law and Model Rules. These documents reflect best practices as determined by the member boards and serve as models for state laws and regulations. Over the years, many NCEES committees have worked on improving uniformity in continuing education requirements. While there are still a number of variations in renewal cycles and state-specific requirements, the CPC tracking system helps to minimize the work involved.

In closing, the WV PE Board staff has reported great experiences with those using the NCEES CPC tracking and reporting tool when conducting their biennial renewal audits. The NCEES CPC tracking provides a side-by-side comparison of a state's requirements and your completed CPC courses which is a great benefit to professional engineers and surveyors who are licensed in multiple states.

WV ENGINEERING LAW & NCEES CPC STANDARD

It is important to note that the WV Engineering Law is more lenient than the NCEES CPC Standard. The NCEES CPC Standard requires a licensee to obtain the equivalent of 15 professional development hours (PDHs) per calendar year (January 1–December 31) with no carryover allowed. A minimum of 1 PDH of the 15 PDHs shall be earned by successfully completing a course or activity that has a content area focusing on engineering ethics or improving a licensee's methods of business practice or operations. However, the WV Engineering Law simply requires 30 hours biennially and not necessarily 15 hours in each calendar year (i.e., all 30 can be earned in one year if that is the decision of the WV PE). In addition, WV Engineering Law allows for up to 15 hours of carryover into the next biennial renewal for those PEs earning in excess of the required 30 hours.

EDUCATOR RESOURCES

Why are Educator Resources Important?

NCEES offers several resources for educators interested in providing students with information about the licensure process and its career benefits. For many, having a professional license can open doors to career options and lead to a rewarding career that helps protect the health, safety, and welfare of the public. Contact NCEES for more information about any of the following:

Exam prep materials

NCEES publishes practice exams and reference handbooks for candidates preparing for engineering and surveying exams. Downloadable PDF files are available. Register or log in to review NCEES exam publications.

Speaker Outreach

The best way to learn about licensure is to hear about it from someone who has done it. For that reason, NCEES has developed a Speaker's Link and a Speaker's Kit for engineers and surveyors. Speaker's Link is a network of licensed engineers and surveyors who can talk to students about the licensure process and provide first-hand accounts of what it takes to become licensed—and how doing so has benefited their careers. The NCEES Speaker's Kit is a versatile multimedia presentation tool that makes it easy to help answer questions about the licensure process. Contact NCEES to request a speaker or a speaker's kit

BOARD PRESIDENT AND EXECUTIVE DIRECTOR APPOINTED TO NATIONAL NCEES COMMITTEES

In June of 2024, the following individuals received notification from the National Council of Examiners for Engineering and Surveying (NCEES) regarding their selection by then President-Elect Andrew Zoutewelle, PLS, to NCEES Committees for the 2024-25 administrative year.

- **Garth E. Thomas, Jr., PE**, who serves as the current President of the WV PE Board, was appointed to serve as a Member on the Committee on Examination Policy and Procedures Committee.

The Committee on Examinations for Professional Engineers (EPE) consists of a chair and three members from each zone. It shall supervise the preparation of examination specifications and be responsible for the content and scoring of all examinations in the fundamentals and principles and practice of engineering. The committee, in the interest of uniformity and efficiency, may prepare examination development procedures and shall review examination scores and make recommendations of minimum passing grades for examinations.

- **Lesley L. Rosier-Tabor, PE**, who serves as the WV PE Board's Executive Director, was appointed to serve as a Member of the Advisory Committee on Council Activities Committee.

The Advisory Committee on Council Activities (ACCA) shall consist of a chair and two members from each zone. At least one member shall be a professional engineer, one member a professional surveyor, and one member a member board administrator. The committee shall provide advice and briefing to the President and the Board of Directors on new policy issues, problems, and plans that warrant preliminary assessment of policy choices and procedures not as yet assigned to a standing committee or involving several existing committees. The committee shall review the Manual of Policy and Position Statements, in consideration of past and current action of the Council, and present any proposed revisions as needed.

The WV PE Board would like to thank President Zoutewelle for his confidence in their capability to make meaningful contributions when addressing his assigned committee charges in the coming year. In addition, the appointees would like to thank the WV PE Board for their continued support of their involvement with NCEES in our efforts to assist the Member Boards in safeguarding the health, safety and welfare of the general public.

NEW EXAM SPECIFICATIONS AND STANDARDS

The Principles and Practice of Engineering (PE) exam tests for a minimum level of competency in a particular engineering discipline. It is designed for engineers who have gained a minimum of four years' post-college work experience in their chosen engineering discipline.

For the most up-to-date exam information, including exam specifications and standards, as well as the relevant exam schedules, please visit the NCEES website and select your engineering discipline at ncees.org/engineering/pe. Once registered with NCEES and approved by their State Board, examinees may reserve their seats at a Pearson VUE test center for NCEES exams.

Below is a list of the most recent PE Exam Updates published by NCEES for the Fall of 2024:

- PE Metallurgical and Materials – The PE Metallurgical and Materials exam has new specifications and design standards as of October 2024 and have been posted to the NCEES website.
- There will be no new specifications or design standards for the exams that will be offered in the Spring of 2025.

WHAT IS THE NCEES FOUNDATION?

The NCEES Foundation is the philanthropic arm of the National Council of Examiners for Engineering and Surveying. It is committed to supporting programs that further the NCEES mission to advance licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the public.

The NCEES Foundation conducts one funding cycle per year, starting on October 1 and ending on September 30. Below is the projected Timeline to be followed:

Timeline

- Applicants must submit a Letter of Inquiry (LOI) between October 1 and December 31.
- Invitations to submit a full proposal will be issued in February.
- Full proposals must be submitted by April 1.
- Funding will be formally announced in August.
- Funds will be distributed on or before September 30.

Priorities For Giving

Priority is given to proposals that demonstrate a clear connection to advancing engineering and surveying licensure to protect the health, safety, and welfare of the public. Examples include programs that:

- Promote the value of engineering and surveying licensure within the profession or to the general public.
- Build the pipeline of future engineers and surveyors at the K-12 level.
- Keep current engineering and surveying students enrolled and/or successful in their respective programs.

Education Awards

The NCEES Engineering Education Award celebrates engineering programs that provide opportunities for engineering students to interact inside and outside of the classroom with professional engineers.

The NCEES Surveying Education Award recognizes surveying/ geomatics programs that best reflect NCEES' mission to advance licensure for engineers and surveyors in order to safeguard the health, safety, and welfare of the public.

Outcomes Assessment

The Fundamentals of Engineering (FE) exam is the only uniform, nationally used exam that tests candidates on the material covered in college engineering degree programs. For educators and administrators, the exams have the potential to provide a wealth of information about the relative strengths and weaknesses of students in a program. As an educator, having your students take the FE exam can be an effective means of assessing your program's academic strengths and weaknesses.

NCEES offers free subject matter reports that break down the performance of students and graduates from their programs, comparing results on specific content areas to national averages. These reports can be an excellent means of evaluating program outcomes.

NCEES publishes a white paper and several accompanying documents that describe in detail how engineering departments can use the FE exam to assess program outcomes.

Red Flags

Watch out for these issues:

- Architectural sheets sealed by an engineer
- Engineering sheets sealed by an architect
- Plans sealed by an unlicensed person, architect or engineer
- Plans sealed by an engineer of an unauthorized firm (one without a COA)
- Incomplete documents sealed without a disclaimer
- Plans that have not been sealed, signed (dated) by the licensee(s)
- Prototypical, standard plans that do not bear the seal of the WV licensee and disclaimer
- Seals that appear to be cut and pasted
- Contact person is not the licensee or it is difficult to contact the licensee
- Plans, details, letters, reports, etc. do not appear to apply to the project
- Plans have numerous or serious code violations
- Non-dated revisions
- Revisions or changes missing seal, signature (date)
- Plans which do not list the name of the architect or engineer involved and the name of his/her firm.

What to do?

- Question the professional as to circumstances and qualifications
- Get the issue corrected
- Reject the documents
- Contact the appropriate licensing board
- File a complaint with the appropriate licensing board

Engineering Addendum:

Are the services of a registered professional engineer required for single family residential structures?

Single family residences do not normally require the design services of professional (structural) engineers except for some large custom designed homes where the owner requests the services or the spans are too large for typical code-specified framing to work. Generally the only times a structural engineer will become involved in a single family residence are as follows:

- Where there is a problem with the foundation or framing of the house, such as storm damage, soil movements, or unusual deflections and damages in the architectural finishes.
- When an existing house is being sold and the mortgage company is looking for someone to identify and describe the various structural movements and damages that have occurred in the structure, as well as provide some recommendations of what should be done to eliminate the problems.
- When the design of the house involves a structural system which is outside of the typical structural framing and foundation systems specified in the residential building code or when the building code requires engineering services.

Relevant Codes

What is the current building code reference?

Neither board is responsible for regulating or enforcing building code compliance. Interested parties should contact the WV State Fire Marshal or their local code official for details.

? Which type of licensee must prepare and seal plans?

Can architects prepare and seal engineering plans?

A/E Although incidental engineering is allowed, architects generally should not seal electrical, mechanical, plumbing, civil or structural engineering drawings.

Can engineers prepare and seal architectural plans?

A/E Although incidental architecture is allowed, engineers should not represent their work as architecture and should not seal drawings identified as architectural.

Are companies employing these licensed professionals required to be registered by their respective Boards prior to providing, or even offering, professional services on projects in WV?

A No, but an individual architect is required to be registered in WV before soliciting work in WV.*

E Yes, a valid Certificate of Authorization (COA) must be obtained from the PE Board prior to offering engineering services.*

**Both Licensed Architects and Professional Engineers (and their firms) should check with the WV Secretary of State's Office regarding additional business license requirements once properly registered with their respective Board.*

How can one verify that an architect, engineer, or engineering company is currently licensed and eligible to offer professional services in WV?

A/E Both Boards have websites which allow online licensure verification. West Virginia engineers are not licensed by discipline but as professional engineers. Seals shall not reference an engineer's branch or discipline.

A Visit www.brdarch.wv.gov or call 304-558-1406

E Visit www.wvpebd.gov or call 304-558-3554

? Are there special requirements regarding the seals?

Can a licensee use an electronic seal?

A Electronic seals are permitted, but electronic signatures are not permitted. The signature must be an original, handwritten signature.

E Electronic seals and signatures are allowed. Facsimile signatures are not allowed.

Can a licensee seal another licensed designer's standard (prototypical) plans?

A/E No, they must be sealed by a West Virginia licensed architect or engineer who is in responsible charge of the preparation of the documents.

Can an individual licensed in another jurisdiction engage in temporary practice before obtaining a license here?

A/E No.

Security of seal – can someone else use an individual's seal?

A/E No.

Must professional corporations use corporate seals on plans?

A/E No.

Must the licensee seal, sign and date each sheet of original drawings issued for bidding, permitting or construction?

A They must sign and seal the index page or each individual sheet that was prepared under the architect's responsible control. The date is not required.

E They must sign, seal and date the first sheet or title sheet of the appropriate sections.

Must the licensee seal, sign and date the index page identifying each set of specifications or technical submissions?

A The architect is required to sign and seal all technical work prepared by him/her. No date is required.

E The engineer is required to sign, seal and date all technical work prepared by him/her.

What structures may be exempt in the licensing laws from the architect's and engineer's requirements and/or may be prepared by others?

A There are limited exemptions in the architect's law to permit a person who is not registered as an architect to design and supervise the erection or alteration of the following:

1. A detached single family dwelling and any incidental sheds, storage buildings and garages;
2. A multifamily residential structure not in excess of three stories excluding any basement area;
3. Farm buildings, including barns, silos, sheds or housing for farm equipment and machinery, livestock, poultry or storage, if such structures are designed to be occupied by no more than ten persons;
4. Any alteration, renovation or remodeling of a building, if such alteration, renovation or remodeling does not affect the structural or other safety features of the building or if the work contemplated by the design does not require the issuance of a permit under any applicable code;
5. Pre-engineered buildings, including mobile classrooms purchased by county school boards, and;
6. A commercial structure which contains not more than 7,600 square feet and is only one story, excluding any basement area.

E No specific types of structures are exempt from engineer licensing laws.

Plans for changes to previously exempt structures?

A Exempt, if finished structure would still qualify for its original exemption.

E Not exempt.

Plans for changes to nonexempt structures?

A Exempt if changes:

- Do not alter or affect the structural system.
- Do not change access or exit patterns.
- Do not change live or dead loads.
- Do not change safety features.
- Do not require the issuance of a permit under any applicable code.

E Not exempt.

Plans for alterations or up-fitting of a shell or unfinished structure?

A/E Not exempt.

Shop drawings?

A Exempt. **E** Not exempt.

Are church plans exempt?

A/E No.

? What types of documents require a seal?

Must a licensee seal all plans prepared for bidding, permitting or construction?

A Yes. **E** Yes.

Are specifications required to be sealed?

A Yes. **E** Yes.

If a project is exempt but a licensee does the work, must the licensee seal the plans?

A Yes. **E** Yes, generally.

Are change orders, technical submissions or drawings accompanying or related to change orders required to be sealed?

A/E Yes, if the changes, technical submissions or drawings were of a type that must be prepared by a licensee.

Are addenda and field changes required to be sealed?

A/E Yes, if the documents, addenda or field changes can only be lawfully prepared by a licensee.

Are "record drawings (as built)" required to be sealed?

A/E Yes, when prepared by an architect or engineer.

? What kinds of documents do not require a seal?

Must licensees seal presentation documents (renderings used to communicate conceptual information only) not a part of a set of drawings?

A/E Not required to be sealed or signed.

Can a licensee seal sheets or pages prepared by others?

A Yes, in certain cases where portions of the work were prepared by others under the direct supervision of the architect. The architect may also sign or seal those portions of professional work if the architect has reviewed them and coordinated their preparation.

E Yes, if the licensee was in responsible charge of the work or completely checked it.

? Under what circumstances are licensees limited from sealing certain documents?

Can a licensee seal a professional opinion letter or report concerning whether plans that he/she did not prepare comply with the building code?

A/E Yes.

Can a licensee seal a document that was not prepared by the licensee or under his/her direct control?

A/E No.

? Proper architectural and engineering seals

Architect and engineer seals properly signed, sealed and dated:

Engineer's Creed

As a professional engineer, I dedicate my professional knowledge and skill to the advancement and betterment of human welfare. I pledge to give the utmost of performance, to participate in none but honest enterprise, to live and work according to the laws of man and the highest standards of professional conduct, to place service before profit, honor and understanding of the profession before personal advantage, and the public welfare above all other considerations. In humility and with need for divine guidance, I make this pledge.

Introduction

The licensing of Professional Engineers began in the State of Wyoming in 1907. The West Virginia State Board of Registration for Professional Engineers (WV PE Board) was formed to oversee the licensing of engineers in West Virginia in 1921. Article 13 – the part of the professional licensing chapter of the code (Chapter 30) that regulates Professional Engineers – was first enacted in 1992. The statutes in W.Va. Code 30-13-1 et seq. and Series 7 of the Code of State Rules are the primary components of what is referred to as “West Virginia Engineering Law.”

Laws requiring professional licensure and regulating the practice of that profession are enacted under the police powers of the State. The primary purpose is to protect the public. Through its statutes and rules, the WV PE Board works to safeguard life, health and property and promote the public welfare. This is done, in part, by requiring professional engineers to meet specified minimum standards, follow certain procedures, and practice in accordance with their rules of professional responsibility.

Those licensure standards, and the procedures and rules that govern those who have been granted the privilege to practice engineering in West Virginia, can be found in these pages. It is hoped that the information provided here helps you understand the substantive and procedural aspects of West Virginia Engineering Law. The staff and its counsel are always available in the event you need more information or have questions regarding the Board’s implementation and application of West Virginia Engineering Law.

The Board and staff work diligently to carry out our responsibilities to the public, the State of West Virginia, and to the professional engineers licensed in West Virginia. The more that these entities know, understand and comply with West Virginia Engineering Law, the easier our job will be, and we can all work together to ensure that West Virginia’s professional engineers are providing good service to the State and its people.

CHANGES TO STATUTE OR RULES:

Please be advised this booklet contains only legislative action effective as of June 2025. It is unpredictable when the West Virginia Legislature may consider and possibly pass legislation amending Article 13, and there is always the possibility that the Board may choose to seek statutory and/or or legislative rule changes through the legislative process in future years. The Board, on its website, will attempt to keep the engineering community and citizens of West Virginia apprised of legislative developments and will always post legislation amending Article 13 that is enacted into law. In addition, any proposed legislative rule filing will be posted for comment on the Board’s website at www.wvpebd.gov and on the WV Secretary of State’s website at www.sos.wv.gov.

WEST VIRGINIA CODE

CHAPTER 30 - PROFESSIONS AND OCCUPATIONS

ARTICLE 13 - ENGINEERS

§30-13-1. Legislative findings; intent.

The Legislature hereby determines the need to regulate the practice of engineering; to provide for the registration of qualified persons as professional engineers and the certification of engineer interns; to define the terms “engineer,” “professional engineer,” “engineer intern” and “practice of engineering”; to create a state board of registration for professional engineers and provide for the appointment and compensation of its members; to fix the term of members of the board and define its powers and duties; to set forth the minimum qualifications and other requirements for registration as an engineer and certification as an engineer intern; to establish registration fees with expiration and renewal requirements; to impose certain duties upon the state and political subdivisions thereof in connection with public works; and to provide for the enforcement of this article and penalties for its violation.

§30-13-2. General provisions.

In order to safeguard life, health and property and to promote the public welfare, the practice of engineering in this state is hereby declared to be subject to regulation in the public interest. It is unlawful for any person to practice or to offer to practice engineering in this state, as defined in the provisions of this article, or to use in connection with his or her name or otherwise assume or advertise any title or description tending to convey the impression that he or she is a registered or licensed engineer, unless the person has been duly registered or exempted under the provisions of this article. Engineering is hereby declared a learned profession and its practitioners are held accountable to the state and the public by professional standards in keeping with the ethics and practice of other learned professions in this state. The practice of engineering is a privilege granted by the state.

§30-13-3. Definitions.

Unless the context in which used clearly requires a different meaning as used in this article:

- (a) **“Board”** means the West Virginia state board of registration for professional engineers as provided for in this article.
- (b) **“Consulting engineer”** means a professional engineer whose principal occupation is the independent practice of engineering; whose livelihood is obtained by offering engineering services to the public; who serves clients as an independent fiduciary; who is devoid of public, commercial and product affiliation that might tend to infer a conflict of interest; and who is cognizant of their public and legal responsibilities and is capable of discharging them.
- (c) **“Engineer”** means a person who is qualified to practice engineering by reason of special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience.
- (d) **“Engineer intern”** means a person who has qualified for, taken and has passed an examination in the fundamental engineering subjects, as provided in this article.

- (e) **"Practice of engineering"** means any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems; planning the use of land and water; teaching of advanced engineering subjects, engineering surveys and studies; and the review of construction for the purpose of assuring compliance with drawings and specifications any of which embraces such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. Engineering surveys include all survey activities required to support the sound conception, planning, design, construction, maintenance and operation of engineered projects.

Any person who practices any branch of the profession of engineering or who, by verbal claim, sign, advertisement, letterhead, card or in any other way represents himself or herself to be a professional engineer, or by using another title implies that he or she is a professional engineer or that he or she is registered under this article or who holds himself or herself out as able to perform, or who performs any engineering service or work or any other service designated by the practitioner which is recognized as engineering, is considered to practice or offer to practice engineering within the meaning and intent of this article.

- (f) **"Professional engineer"** means a person who has been duly registered or licensed as a professional engineer by the board. The board may designate a professional engineer, on the basis of education, experience and examination, as being licensed in a specific discipline or branch of engineering signifying the area in which the engineer has demonstrated competence.
- (g) **"Responsible charge"** means direct control and personal supervision of engineering work.
- (h) **"Rules of professional responsibility for professional engineers"** means those rules, if any, promulgated by the West Virginia state board of registration for professional engineers as authorized by this article.

§30-13-4. Board of registration for professional engineers; appointment and term.

There is hereby created the board of registration for professional engineers which shall hereafter be referred to as the board. The board shall be composed of five members appointed by the governor, by and with the consent of the Senate, preferably from a list of names submitted by the West Virginia society of professional engineers. The members of the board shall be qualified and shall meet the requirements of section five of this article. The governor shall present each board member with a certificate of appointment. Each board member shall make and file an oath or affirmation with the secretary of state to faithfully execute the duties of a member of the board. Members of the board shall serve a term of five years. Of the members first appointed, one shall serve a term of one year,

one shall serve a term of two years, one shall serve a term of three years, one shall serve a term of four years and one shall serve a term of five years. Members are eligible for reappointment but no member may be appointed for more than three full consecutive terms. Each member shall hold office until the expiration of the term for which appointed or until a successor has been duly appointed and has qualified. In the event of a vacancy on the board due to resignation, death or for any cause resulting in an unexpired term and if not filled within three months by the governor, the board may appoint a member to serve in the vacancy until the governor makes the appointment. Members of the former board whose terms have not expired shall fill the term on this board which corresponds with the length of the unexpired term of that member.

§30-13-5. Board qualifications.

Each member of the board must be a citizen of the United States and a resident of this state. Each member shall have been engaged in the lawful practice of engineering as a professional engineer for at least twelve years; shall have been in responsible charge of engineering projects for at least five years; and shall be a registered professional engineer in this state.

§30-13-6. Compensation and expenses.

Each member of the board shall receive compensation for time spent, and reimbursement for reasonable and necessary expenses incurred, in the performance of board-related duties pursuant to section eleven, article one of this chapter.

§30-13-7. Removal of members and vacancies.

The governor may remove any member of the board for misconduct, incompetency, neglect of duty or for any reason prescribed by law for removal of state officials. Vacancies in the membership of the board shall be filled for the unexpired term.

§30-13-8. Organization and meetings.

The board shall hold at least one regular meeting each year. Special meetings may be held as the bylaws of the board provide. Each year the board shall elect the following officers: A president, a vice president and a secretary, who shall serve at the will and pleasure of the board. A quorum of the board shall consist of not less than three professional engineer members.

§30-13-9. Board powers.

- (a) The board may adopt and amend bylaws not inconsistent with the constitution and laws of this state. The board may promulgate and shall adopt “rules of professional responsibility for professional engineers.” These rules are binding to any person registered with the board under the provisions of this article. These rules are also applicable to firms holding a certificate of authorization as provided in section seventeen of this article.
- (b) The board may subpoena witnesses and compel their attendance and it may also subpoena books, papers, documents or other pertinent data in any disciplinary matters or in any case involving an allegation of a violation of the provisions of this article. The board may apply to the circuit court of Kanawha county to enforce compliance with any subpoena it issues.

- (c) The board may seek an injunction in circuit court to enforce the provisions of this article or to restrain a person or entity from violating a provision of this article. In pursuing injunctive relief under this section, the board shall not be required to prove that an adequate remedy at law does not exist or that substantial or irreparable damage would result from the continued violation. The members of the board may not be personally liable for any decisions made in good faith in pursuing injunctive relief.
- (d) The board may require all applicants for registration to take and successfully pass an examination of their fitness and qualifications to become registered.
- (e) The board may require that a registered professional engineer demonstrate continuing professional competency in engineering as a condition of renewal or reregistration.
- (f) Board members are exempt from civil liability for any decision made or any act done in good faith in the performance of any duty or the exercise of any power granted under this article.

§30-13-10. Receipt of fees, fund established, disbursements.

There is hereby established within the state treasury a “board of professional engineers fund.” The board shall deposit all fees and other moneys received by the board into the fund. The moneys in the fund shall be used for expenses of the board and shall be requisitioned on the signatures of the president and secretary of the board. The secretary of the board shall annually furnish an accounting of all funds received and expended by the board to the governor and to each house of the Legislature. The board may use the moneys in the fund to employ necessary staff, pay for membership fees to the national council of examiners for engineering and surveying and for any other necessary and reasonable expense of the board: Provided, That the board may not issue warrants in excess of moneys in the fund.

§30-13-11. Records and reports.

- (a) The board shall keep a record of its proceedings and of all applications for registration. The record shall show: (1) The name, age and last known address of each applicant; (2) the date of application; (3) place of business of such applicant; (4) education, experience and other qualifications; (5) type of examination required; (6) whether or not the applicant was rejected; (7) whether or not a certificate of registration was granted; (8) the date of the action by the board; and (9) such information as may be deemed necessary by the board.
- (b) The record of the board is prima facie evidence of the proceedings of the board and a transcript duly certified by the secretary shall be admissible as evidence with the same force and effect as if the original were produced.
- (c) On the first day of July of each year, the board shall submit to the governor a report of its transactions of the preceding year and shall transmit to the governor a complete statement of the receipts and expenditures of the board, attested to by affidavits of its chairman and secretary.
- (d) Board records and papers of the following class are of a confidential nature and are not public records: Examination material for examinations not yet given, file records of examination problem solutions, letters of inquiry and reference concerning applicants, board inquiry forms concerning applicants, investigation files where any investigation is still pending and all other materials of like confidential nature.

§30-13-12. Roster.

A complete roster with the names and the last known addresses of all registered professional engineers shall be published by the secretary of the board at intervals established by the board. Copies of this roster may be mailed to each person registered and shall be placed on file with the secretary of state and may be distributed or sold to county and city officials and to the public.

§30-13-13. Requirements for registration of professional engineers and certification of engineer interns.

- (a) **General requirements.** - Every person who desires to be certified as an engineer intern or to be registered as a professional engineer in this state must comply with the following requirements:
- (1) Submission of a completed application specified by the board and payment of the application fee specified by rule of the board;
 - (2) Be at least eighteen years of age;
 - (3) Be of good moral character;
 - (4) Submit statements of reference as specified by rule of the board;
 - (5) Graduate from a four-year engineering curriculum accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (EAC/ABET), or an equivalent as approved by the board as being of satisfactory standing; and
 - (6) Be free of any grounds for disqualification as set forth in subsection of (a) of section twenty-one of this article.
- (b) **Certification of an engineer intern.** - In addition to the foregoing general requirements, an applicant must meet the following requirements to be certified as an engineer intern in this state:
- (1) Satisfactorily complete the required examination on the fundamentals of engineering; and
 - (2) Complete each additional requirement that the board may specify by legislative rule.
- (c) **Registration of a professional engineer.** - In addition to the general requirements specified in subsection (a) of this section, an applicant must meet the following requirements to be certified as a professional engineer in this state:
- (1) Meet all the requirements for certification as an engineer intern;
 - (2) Submit a record of four years or more of progressive experience in engineering work of a grade and a character that indicates to the board that the applicant may be competent to practice engineering;
 - (3) Satisfactorily complete the required examination on the principles and practice of engineering;
 - (4) Complete each additional requirement that the board may specify by legislative rule.

- (d) **Registration of a professional engineer through comity or reciprocal registration.** - Notwithstanding the requirements of the foregoing subsection of this section, the board may issue a license to an applicant who holds a valid license or other authorization to practice engineering from another state, if the applicant satisfies the general requirements of subsection (a) of this section, satisfies the additional requirements specified by rule of the board and meets one of the following requirements:
- (1) Holds a license or other authorization to engage in the practice of engineering issued by a proper authority of any jurisdiction, based on requirements that do not conflict with the provisions of this article and possesses credentials that are, in the judgment of the board, of a standard equivalent to or not lower than that specified in the applicable licensure act and rules in effect in this state at the time such license was issued, upon application, which may include a council record with NCEES; or
 - (2) Holds a valid council record with NCEES, which is the compilation of documents maintained by NCEES of an applicant's qualifications as a professional engineer, including official transcripts, engineering examination results, employment verifications and references, which indicates that the applicant meets the requirements of this article.
- (e) **Certification or registration of qualified applicants.** - The board shall issue a certification to a qualified applicant who meets the requirements for certification as an engineer intern and shall issue a professional engineer registration to a qualified applicant who meets the requirements for registration as a professional engineer.
- (f) **Continuation of existing registrations and certificates.** - A registration or certificate issued by the board prior to July 1, 2013, shall for all purposes be considered a registration or certificate issued under this article: Provided, That a person registered or certified prior to July 1, 2013, must renew the registration or certification pursuant to the provisions of this article and the rules of the board.

§30-13-13a. Designations of nonpracticing status.

The board may designate a professional engineer as ineligible to practice or offer to practice engineering in this state using one of the following terms:

- (1) **Professional engineer-retired.** - A registrant may apply for retired status upon certification that he or she is no longer practicing or offering to practice engineering in this state for remuneration.
- (2) **Professional engineer-inactive.** - A registrant may request inactive status upon affirmation that he or she is no longer practicing or offering to practice engineering in this state.
- (3) **Professional engineer-lapsed.** - A registrant's license is lapsed when the registrant does not respond to renewal notices or pay the required fees.
- (4) **Professional engineer-invalidated.** - A registrant's license is invalidated when he or she is unable to provide sufficient proof that any condition of renewal set forth in this article or by board rule has been met.

§30-13-14. Application and registration fee.

Every person seeking to become registered as a professional engineer or seeking to become certified as an engineer intern shall file an application on forms provided by the board. The application shall be made under oath and shall include:

- (a) The level of education of the applicant;
- (b) A summary of the applicant's technical experience; and
- (c) The names and complete mailing addresses of any references.

Applicants may not use the names of board members as references.

In lieu of information required on the board's application forms, the board may accept the verified information contained in a valid council record issued by the national council of examiners for engineering and surveying for professional engineer applicants.

The board shall set fees for all applicants for registration and certification by promulgating legislative rules under the provisions of article three, chapter twenty-nine-a of this code.

Fees of unsuccessful applicants and the fees of applicants who have been refused registration or certification for any purpose shall be retained by the board to cover administrative costs.

§30-13-15. Examinations.

- (a) The board has the power to establish, by legislative rule, the requirements for examination for registration as a professional engineer and certification as an engineer intern including, but not limited to, the following criteria: subject matter, prerequisites for testing, passing score, examination sites and schedules, entities authorized to administer examinations, prerequisites for testing and form of testing, including examination by electronic or other means.
- (b) The board's rules for examination shall include the following minimum requirements:
 - (1) An examination to qualify to be an engineer intern, to test the applicant's knowledge and understanding of the fundamentals of engineering; and
 - (2) An examination to qualify as a professional engineer, to test the applicant's knowledge and understanding of the principles and practice of engineering.
- (c) If the board determines that the safe and ethical practice of engineering in this state requires examination of matters specific to the law and practice in this state, the board may also establish criteria, by legislative rule, for an examination of the applicant's knowledge and understanding of this state's statutes, rules, professional ethics and design requirements.
- (d) A candidate for registration as a professional engineer who fails the examination of the principles and practice of engineering may retake the examination one time upon payment of the fee established by the board. In the event of a second failure, the candidate may not repeat the examination unless the examinee demonstrates to the board that he or she has pursued additional instruction or training to correct the candidate's deficit areas of knowledge.
- (e) In the event that examination requirements, test administration procedures, scoring or testing methods are modified by a board-approved testing entity providing standard tests for use by the board, the board has the authority to promulgate emergency rules to adopt and reflect those changes.

§30-13-16. Certificates and seals.

- (a) The board shall issue a certificate of registration to any applicant who, in the opinion of the board, has met the requirements of this article. The certificate of registration shall carry the designation “professional engineer.” It shall give the full name of the registrant with their registration number and shall be signed by the chairman and the secretary under the seal of the board. The certificate of registration grants the recipient authority to practice in this state.
- (b) An unexpired and unrevoked certificate is prima facie evidence that the person named on it is entitled to all rights, privileges and responsibilities of a professional engineer.
- (c) Every registrant shall obtain a seal for use in identifying his or her official professional work. The design of the seal shall be determined by the board and shall bear the registrant’s name, registrant’s registration number, the legend “registered professional engineer, state of West Virginia” and such other words or figures as the board may prescribe. The seal may be a rubber stamp. Whenever the seal is applied, the registrant’s written signature shall be adjacent to or across the seal. No further words or wording are required. A facsimile signature is not acceptable. Whenever presented to a client or any public or governmental agency, the seal, signature and date shall be placed on all specifications, reports, drawings, plans, design information and calculations in accordance with rules promulgated by the board. The seal and signature shall be used by registrants only when the work being stamped was under the registrant’s complete direction and control.

In the case of a registrant of another state using a temporary permit issued by this state, the registrant shall use the state of permanent registration seal and shall affix his or her signature and temporary permit number to all work. In the case of a registrant checking the work of an out-of-state registrant, the state registrant shall completely check and have complete dominion and control of the design. The complete dominion and control includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.

- (d) The board shall issue to any applicant who, in the opinion of the board, has met the requirements of this article, an enrollment card as engineer intern, which indicates that his or her name has been recorded in the board office. The engineer intern enrollment card does not authorize the holder to practice as a professional engineer. It is unlawful for a registrant to affix or to permit his or her seal and signature to be affixed to any document after the expiration of his or her certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provisions of this article.

§30-13-17. Certificates of authorization required; naming of engineering firms.

- (a) No person or firm is authorized to practice or offer to practice engineering in this state until the person or firm has been issued a certificate of authorization by the board.
- (b) A person or firm desiring a certificate of authorization must file all the required information with the board on an application form specified by the board. The required information shall include the sworn statement of the engineer in responsible charge who is a professional engineer registered in this state. The board shall issue a certificate of authorization to an applicant who has met all the requirements and paid the fees set forth in board rules.

- (c) No person or firm is relieved of responsibility for the conduct or acts of its agents, employees, officers or partners due to compliance with the provisions of this article. No individual practicing engineering under the provisions of this article is relieved of responsibility for engineering services performed due to his or her employment or other relationship with a person or firm holding a certificate of authorization.
- (d) An engineer who renders occasional, part-time or contract engineering services to or for a firm may not be designated as being in responsible charge for the professional activities of the firm unless that engineer is an owner or principal of the firm.
- (e) The Secretary of State shall not issue a certificate of authority or business registration or license to an applicant whose business includes, among the objectives for which it is established, the words engineer, engineering or any modification or derivation thereof unless the board of registration for this profession has issued to the applicant a certificate of authorization or a letter indicating eligibility to receive the certificate. The certificate or letter from the board shall be filed with the application filed with the Secretary of State to do business in West Virginia.
- (f) The Secretary of State shall decline to register a trade name or service mark which includes the words engineer, engineering or modifications or derivatives thereof in its business name or logotype except those businesses holding a certificate of authorization issued under the provisions of this article.
- (g) The certificate of authorization may be renewed or reinstated in accordance with board rule and upon payment of the required fees.
- (h) Every holder of a certificate of authorization has a duty to notify the board promptly of any change in information previously submitted to the board in an application for a certificate of authorization.

§30-13-18. Renewals and reinstatement.

- (a) Certificates of registration and certificates of authorization expire on the last day of December of the year indicated on the certificate, and the holder of any certificate that is not timely renewed is ineligible to practice or offer to practice engineering in this state until the certificate has been reinstated in accordance with rules promulgated by the board.
- (b) Certificates may be renewed only in accordance with board rule, which may include payment of a late fee for renewals not postmarked by December 31 of the year in which renewal is required. The board shall notify every person or firm holding an active certificate under this article of the certificate renewal requirements at least one month prior to the renewal date. The notice shall be made by mail or electronic means using the contact information provided to the board.
- (c) A certificate that was not timely renewed or for other reason was given a nonpracticing status may be reinstated under rules promulgated by the board and may require reexamination and payment of fees set forth in board rules.
- (d) Effective July 1, 2015, the board may renew certificates on a biennial basis.
- (e) The board shall promulgate emergency rules pursuant to section fifteen, article three, chapter twenty-nine-a of this code to implement the provisions of this section.

§30-13-19. Reissuance of certificates.

A new certificate of registration or certificate of authorization to replace any certificate lost, destroyed or mutilated may be issued subject to the rules of the board. A charge established by rule shall be made for each new certificate.

§30-13-20. Public works.

Government agencies, authorities, officials and employees may not engage in the practice of engineering involving either public or private property unless the provisions of this article are met.

§30-13-21. Disciplinary action — Revocation, suspension, refusal to issue, restore or renew, probation, civil penalty, reprimand.

- (a) The board may suspend or revoke or refuse to issue, restore or renew a certificate of registration of, or place on probation, impose a civil penalty or reprimand any professional engineer who has:
- (1) Perpetrated any fraud or deceit in obtaining or attempting to obtain or renew a certificate of registration or certificate of authorization;
 - (2) Been negligent, incompetent or committed an act of misconduct in the practice of engineering;
 - (3) Been convicted of or has entered a plea of nolo contendere to any crime under the laws of the United States or any state or territory thereof, which is a felony whether related to practice or not; and conviction of or entry of a plea of nolo contendere to any crime, whether a felony, misdemeanor or otherwise, an essential element of which is dishonesty, or which is directly related to the practice of engineering;
 - (4) Failed to comply with any of the provisions of this article or any of the rules promulgated under it;
 - (5) Been disciplined by another state, territory, the District of Columbia, foreign country, the United States government or any other governmental agency, if at least one of the grounds for discipline is the same or substantially equivalent to those grounds for discipline contained in this article;
 - (6) Failed within thirty days to provide information requested by the board as a result of a formal or informal complaint to the board which would indicate a violation of this article;
 - (7) Knowingly made false statements or signed false statements, certificates or affidavits to induce payment;
 - (8) Aided or assisted another person in violating any provision of this article or the rules promulgated;
 - (9) Violated any terms of probation imposed by the board or using a seal or practicing engineering while the professional engineer's license is suspended, revoked, nonrenewed or inactive;
 - (10) Signed or affixed the professional engineer's seal or permitted the professional engineer's seal or signature to be affixed to any specifications, reports, drawings, plans, design information, construction documents or calculations or revisions which have not been prepared or completely checked by the professional engineer or under the professional engineer's direct supervision or control;

- (11) Engaged in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public;
- (12) Provided false testimony or information to the board; and
- (13) Been habitually intoxicated or addicted to or by the use of drugs or alcohol.
- (b) In addition to any other penalty provided in this article, the board may assess civil penalties against any person who violates any provision of this article or any rule promulgated by the board for each offense in an amount determined by the board.
- (c) The board shall prepare and shall adopt “rules of professional responsibility for professional engineers.” The board may revise and amend these “rules of professional responsibility for professional engineers” from time to time and shall notify each registrant in writing of any revisions or amendments.
- (d) The board may:
 - (1) Revoke a certificate of authorization;
 - (2) Suspend a certificate of authorization of any firm for a period of time not exceeding two years where one or more of its officers or directors of the firm have been found guilty of any conduct which would authorize a revocation or suspension of his or her certificate of registration under the provisions of this article;
 - (3) Place the person or firm on probation for a period of time and make the person or firm subject to conditions as the board may specify;
 - (4) Assess a civil penalty and related costs for each count or separate offense in an amount set by the board.

§30-13-22. Disciplinary action – Procedures.

- (a) Any person may file a complaint with the board that a person or firm subject to the provisions of this article has committed a fraud, been deceitful, been grossly negligent, incompetent, guilty of misconduct or has violated the “rules of professional responsibility for professional engineers.”
- (b) All complaints, unless dismissed by the board as unfounded, trivial or unless settled informally, shall be heard by the board within six months after the date each complaint was received by the board.
- (c) The board shall fix the time and place for hearings on complaints and a copy of all charges, together with a notice of the time and place of hearing on the complaint the person or firm complained against or mailed to the last known address of the person or firm at least thirty days prior to the hearing. At the hearing, the person or firm shall have the right to appear in person or by counsel, or both, to cross-examine witnesses and to produce evidence and witnesses in his, her or its defense. If the accused person or firm fails or refuses to appear, the board may proceed to hear the complaint and determine the validity of the charges.
- (d) If after the hearing a majority of the board votes in favor of sustaining the charges, the board shall reprimand or assess a civil penalty against the person or firm complained against. The board may also suspend, revoke, refuse to issue or refuse to restore or renew an individual’s certificate of registration or a firm’s certificate of authorization. In addition, the board may place a registrant on probation.

- (e) Any person or firm aggrieved by any action of the board in assessing a civil penalty, denying, suspending, refusing to issue, refusing to restore or renew or revoking a certificate of registration or a certificate of authorization, may appeal the board's decision to the circuit court.
- (f) Any civil penalty assessed as a result of a hearing shall be paid within fifty days after the decision becomes final.
- (g) The board may, upon petition of a person or firm, reissue a certificate of registration or authorization, provided that a majority of the members of the board votes in favor of such issuance.

§30-13-23. Criminal offenses.

Any person who practices or offers to practice engineering in this state without being registered in accordance with the provisions of this article, or any person, firm, partnership, organization, association, corporation or other entity using or employing the words engineer, engineering or any modification or derivative thereof in its name or form of business activity except as authorized in this article, or any person presenting or attempting to use the certificate of registration or the seal of another, or any person who gives any false or forged evidence of any kind to the board or to any member thereof in obtaining or attempting to obtain a certificate of registration, or any person who falsely impersonates any other registrant of like or different name, or any person who attempts to use an expired, suspended or revoked or nonexistent certificate of registration, or who practices or offers to practice when not qualified, or any person who falsely claims that he or she is registered or authorized under this article, or any person who violates any of the provisions of this article is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not more than five hundred dollars, or imprisoned in the county jail not more than six months, or both fined and imprisoned.

Any person who commits a second or subsequent offense under this section is guilty of a felony, and, upon conviction thereof, shall be imprisoned in the penitentiary not less than ten nor more than twenty years.

The attorney general may act as legal adviser to the board and render any legal assistance as may be necessary in carrying out the provisions of this article. The board may employ counsel and necessary assistance to aid in the enforcement of this article and the compensation and expenses of the council shall be paid from the funds of the board.

§30-13-24. Exemptions.

This article may not be construed to prevent the practice by:

- (a) **Other professions.** – The practice of any other legally recognized profession;
- (b) **Temporary permits.** – The practice or offer to practice engineering by a person not a resident of or having no established place of business in this state, provided the person is legally qualified by registration to practice engineering, as defined in this article, in their own state or country. The person shall make application to the board in writing and after payment of a fee established by the board may be granted a written permit for a definite period of time not to exceed one year to do a specific job: Provided, That no right to practice engineering shall accrue to the applicant with respect to any other works not set forth in the permit; and

- (c) **Employees and subordinates.** – The work of an employee or a subordinate of a person holding a certificate of registration under this article, or an employee of a person practicing lawfully: Provided, That the work does not include final engineering designs or decisions and is done under the direct supervision of and verified by a person holding a certificate of registration under this article or a person practicing lawfully. Any regular full-time employee of a person, partnership, corporation or other business entity who is engaged solely and exclusively in performing services for such person, partnership, corporation or other business entity, who is not required by any provision of the law other than this article to be a registered professional engineer and whose services are performed on, or in connection with, property owned or leased by such person, partnership, corporation or other business entity, or in which such person, partnership, corporation or other business entity has an interest, estate or possessory right, and are not offered or made available to the public. This exemption includes the use of job title and personal classification by such person, but no name, title or words may be used which tend to convey the impression that an unlicensed person is offering professional engineering services to the public.

Examination, Licensure and Practice of Professional Engineers

§7-1-1. General.

- 1.1. **Scope.** – This rule sets forth standards for the regulation and conduct of members, records, applications and examinations. This rule is binding upon persons applying and registered under W. Va. Code §30-13-1 et seq. and is applicable to individuals or firms providing engineering services.
- 1.2. **Authority.** – W. Va. Code §§30-13-9(a), 13, 14, 15, 16(c) 17, 18, 19, 21.
- 1.3. **Filing Date.** – May 5, 2022
- 1.4. **Effective Date.** – August 1, 2022
- 1.5. **Sunset Provision.** – This rule shall terminate and have no further force or effect on August 1, 2030.
- 1.6. **Amendment of Former Rules.** – This legislative rule amends West Virginia 7CSR1 “Rules Governing The West Virginia Board of Registration for Professional Engineers” filed and effective April 1, 2020.

§7-1-2. Definitions.

- 2.1. **“ABET”** means ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.
- 2.2. **“ABET/TAC”** means the Technology Accreditation Commission of ABET, Inc., formally known as the Accreditation Board for Engineering and Technology.
- 2.3. **“Board”** means the West Virginia State Board of Registration for Professional Engineers.
- 2.4. **“COA”** means Certificate of Authorization, which is a document required and issued in accordance with §7-1-11 of these rules.
- 2.5. **“College/Unit Semester/Quarter Hour”** means the credit given for courses in an ABET approved program or other Board-approved courses approved in accordance with §7-1-10 of these rules.
- 2.6. **“Comity Applicant”** means a person who is applying to become a registered PE in West Virginia and is currently in possession of a PE registration or certificate of licensure issued by a proper authority of a jurisdiction other than West Virginia.
- 2.7. **“EI”** means a certified Engineer Intern, who is a person who has been certified as such by this Board after having met the qualifications set forth in W. Va. Code §30-13-13 and these rules.
- 2.8. **“FE”** means the Fundamentals of Engineering Examination.
- 2.9. **“Foreign Degree Applicant”** means a person applying for certification or registration who received a Baccalaureate degree in Engineering from a non-ABET accredited foreign institution outside of the United States.
- 2.10. **“Firm”** means a firm, corporation, partnership, joint stock association, private practitioner employing others, or sole proprietor employing no one but himself/herself which practices or offers to practice engineering.

- 2.11. **"Initial license"** means obtaining a license in West Virginia for the practice of engineering for the first time.
- 2.12. **"License" or "licensure"** means the official authorization by the Board to engage in the practice of or the offering of engineering in the state.
- 2.13. **"Low-income individual"** means an individual in the local labor market as defined in W. Va. Code §21-1C-2, whose household adjusted gross income is below 130 percent of the federal poverty line. This term also includes any person enrolled in a state or federal public assistance program including, but not limited to, the Temporary Assistance for Needy Families Program (TANF), Medicaid, or the Supplemental Nutrition Assistance Program (SNAP).
- 2.14. **"Military families"** means any person who serves as an active member of the armed forces of the United States, the National Guard, or a reserve component as described in 38 U. S. C. §101, honorably discharged veterans of those forces, and their spouses. This term also includes surviving spouses of deceased service members who have not remarried.
- 2.15. **"NCEES"** means the National Council of Examiners for Engineering and Surveying.
- 2.16. **"PDH"** means a Professional Development Hour, which is one contact hour of instruction or presentation designed to keep a professional engineer current in his or her branch/discipline.
- 2.17. **"PE"** means a registrant or registered Professional Engineer, who is a person who has passed the PE exam and is an acronym used after an engineer's name to indicate he or she is a registered engineer with the Board.
- 2.18. **"PE exam"** means the Principles and Practice of Engineering Examination.
- 2.19. **"Registrant"** means a PE.
- 2.20. **"Satisfactory"** means that which a reasonable person would find acceptable for purposes of applying to the Board for licensure.
- 2.21. **"Status"** refers to the designation of a current or former registrant, including the designations of nonpracticing status set forth in W. Va. Code §30-13-13a.
- 2.22. **"Unreversed"**, as that term refers to a criminal conviction, means that a conviction has not been set aside, vacated, pardoned, or expunged.

§7-1-3. EI and PE Applications.

3.1. Types of Applications.

- (a) **PE Application.** A person applying to the Board for registration as a Professional Engineer shall pass the FE and PE examinations in accordance with §7-1-5.2 and §7-1-5.3 of these rules and submit to the Board a completed application on forms prescribed by the Board.
- (b) **EI Application.** A person applying to the Board for certification as an Engineer Intern shall pass the FE examination in accordance with §7-1-5.3 of these rules and submit to the Board a completed application on forms prescribed by the Board.

3.2. Criteria for Applications.

- (a) The Board shall only consider applications completed in accordance with §7-1-3.4 of these rules.

- (b) **EI Certification.** The Board shall accept applications for EI certification from persons who meet all of the requirements of W. Va. Code §30-13-13.
 - (1) A person with a baccalaureate degree from a Board-approved curriculum as defined in §7-1-3.5(a) of these rules who has passed the FE examination may apply for certification as an EI.
 - (2) An EI applicant who graduated from a four-year engineering technology program accredited by the TAC/ABET may only be certified as an EI after the applicant has presented evidence of two (2) years of work experience in accordance with §7-1-3.6 of this rule.

3.3. Applications Generally.

- (a) **Form of Applications.** Applications shall be completely filled out on forms prescribed and provided by the Board. It is the responsibility of the applicant to submit to the Board a completed application package as set forth in this section.
- (b) **Translations.** All foreign language documentation shall be accompanied by translations certified to be accurate by a competent authority recognized by the Board.
- (c) **Submission under Oath.** All applications made to this Board shall be subscribed and sworn to before a Notary Public or other persons qualified to administer oaths on the forms used by the applicant.
- (d) **Staff Review of Applications.** The Board staff shall review the submitted application package and shall notify the applicant if the package is not complete as set forth in §7-1-3.4 below. The Board shall not act upon an application until the applicant has submitted a completed application package. Upon such submission, the Board shall act in accordance with §7-1-4.
- (e) **Confidentiality of Applications.** References and transcripts received in accordance with §7-1-3.7 of these rules shall be kept confidential, and the Board shall place all such confidential records regarding the qualifications of an applicant in files that are considered non-public records. The Board shall not divulge the source and character of the information except in special cases when required by law.
- (f) **Retention of Applications.** The Board shall make copies of all approved applications which show the name, date of birth, the date of application, education, experience and other qualifications of the applicant, the examination required of the applicant, and the Board granted registration or certification notice. The Board shall store the duplicate copies of these records and one copy shall be stored in fireproof and secure facilities.

3.4. Completed Application Package.

- (a) **Definition.** A completed application package shall include the following:
 - (1) The requisite education as set forth in §7-1-3.5 of these rules, which education shall be obtained prior to the time of submitting the application;

- (2) The requisite work experience as set forth in §7-1-3.6 of these rules, which experience shall be obtained prior to the time of submitting the application;
 - (3) The references required in §7-1-3.7 of these rules;
 - (4) One (1) passport-like photo taken within six (6) months of the date of application;
 - (5) Such fee(s) as are required in §7-1-13.4 of these rules, including the non-refundable application fee.
 - (6) Verification of passage of the FE and PE exams.
- (b) The Board shall accept an application for PE registration that includes the documented NCEES Record properly executed and issued with verification by NCEES in lieu of that portion of the application form prescribed by the Board.
- (c) **Specific application requirements.**
- (1) **Comity Applicant.** In addition to the requirements set forth in this section, comity applicants shall also provide verification of current registration in a jurisdiction where they currently live and/or work.
 - (2) **Foreign Degree Applicants.** In addition to the requirements set forth in this section, applicants with degrees from foreign schools shall also meet the requirements set forth in subsection 3.5.c.

3.5 Education.

- (a) **Board-approved curricula.** The term “a graduate of a curriculum of four years or more approved by the Board as being of satisfactory standing” used in W. Va. Code §30-13-13(a)(5) is interpreted by this Board to mean a person who has:
- (1) a Baccalaureate Degree in Engineering from a school whose curricula are accredited by ABET at the time of the awarding of the degree;
 - (2) a Baccalaureate Degree in Engineering Technology from a school whose curricula is accredited by ABET/TAC at the time of the awarding of the degree;
 - (3) a Baccalaureate Degree in Engineering from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET;
 - (4) a Baccalaureate Degree from a school whose curricula is evaluated by the Board and found to be of a high quality essentially equal to those curricula which are accredited by ABET, in addition to a Master’s and/or Ph.D. in Engineering from a school whose undergraduate program in that engineering area is accredited by ABET.
- (b) **Transcripts.** Upon graduation, it is the responsibility of the applicant to have transcripts of all college grades sent directly from the school or college to the Board with the signature of the proper school officer and the official seal of the school.

- (c) Degrees from Non-ABET-Accredited Foreign Institutions. All applicants with an undergraduate degree from a non-ABET-accredited foreign institution shall comply with one of the following:
- (1) If an applicant receives only a Baccalaureate degree in Engineering from a foreign institution not accredited by ABET, he or she shall submit a foreign degree evaluation. An applicant who is required to submit a foreign degree evaluation shall use NCEES or such other evaluation service as may be approved by the Board.
 - (2) If an applicant receives a Baccalaureate degree in Engineering or related curricula from a foreign institution not accredited by ABET, and Master's and/or Ph.D. degree in Engineering from an institution whose undergraduate program is ABET accredited, the Board may review the applicant's transcripts and waive the requirement to submit a foreign degree evaluation.

3.6. Employment; work experience. Employment and work experience verifications are the responsibility of the applicant and shall be submitted on forms supplied by the Board as part of the completed application package.

(a) Requirements.

- (1) **Number of Years.** A PE applicant who has earned the degree described in §7-1-3.5(a)(1) or §7-1-3.5(a)(3) shall demonstrate that he or she has obtained a minimum of four (4) years of experience satisfactory to the Board. A PE applicant who has earned the degree described in §7-1-3.5(a)(2) shall demonstrate that he or she has obtained a minimum of six (6) years of experience satisfactory to the Board.

(b) Satisfactory Experience.

- (1) The applicant's experience on engineering projects shall be broad in scope in his or her branch/discipline and progressive in that it was of increasing quality and required greater responsibility.
- (2) The experience should be under the supervision of a registered Professional Engineer. If not, the applicant shall explain why the Board should consider the experience acceptable.
- (3) Upon review of the completed application package, the Board may credit experience based on the following:
 - (A) Armed Services.** Experience gained in the Armed Services shall be of a character equivalent to that which would have been gained in the civilian sector doing similar work. A good indicator of equivalence is that the applicant while in the Armed Services served in an engineering or engineering-related group.
 - (B) Sales or supervision.** For sales experience or construction supervision experience to be satisfactory, the applicant shall prove that engineering principles were required and used while gaining this experience.
 - (C) Teaching.** The Board may classify the teaching of courses in ABET-approved programs as satisfactory experience.

(D) Research. The Board may credit experience gained in the performing of engineering research or projects if the applicant at the time was a member of an engineering faculty or higher at an institution with a Board approved curricula as defined in §7-1-3.5(a).

(E) Graduate Studies. The Board may credit an applicant who has followed Board-approved curricula as defined in §7-1-3.5(a) with a Master's degree in engineering with one year's experience. If such applicant follows the Master's degree in engineering with a Doctor of Philosophy degree in engineering, the Board may credit the applicant with an additional year of experience. If the Doctor of Philosophy degree is obtained without the Master's degree, the applicant may be credited with two years of experience.

(c) Verifications. The verifications shall include the following:

- (1) Time Period.** The Board shall consider only the experience an applicant obtains after he or she graduates from a Board-approved curriculum.
- (2) Documentation.** An applicant shall provide a detailed description of the nature of the work and duties he or she has performed on forms supplied by the Board. The applicant shall account for all employment or work experience for the period of time that has elapsed since graduation from the Board-approved curriculum. If the applicant was not employed or was employed in other kinds of work, he or she should indicate this in the experience record.

3.7. References.

- (a)** It is the responsibility of the applicant to supply all references on forms supplied by the Board. A PE applicant shall submit satisfactory references from five individuals, three of whom shall be professional engineers having personal knowledge of the applicant's engineering experience and ability. Also, the applicant should preferably include in the references individuals familiar with the applicant's experience noted in the employment section of the application. An EI applicant shall submit at least three satisfactory character references.
- (b)** An applicant may not use a relative or a current Board member as a reference.
- (c)** An applicant shall provide each individual being used as a reference with the Board-approved reference form. The reference form shall be returned to the applicant in a signed, sealed envelope to be included in the applicant's completed application package.

§7-1-4. Board Actions on Applications.

4.1. The Board shall take action on all submitted applications.

- (a)** The application must be complete as set forth in §7-1-3.4 of these rules before the Board considers the application.
- (b)** The Board may approve, defer, or deny an application.
 - (1) Approval.** When an application is approved by the Board, it indicates that the applicant has met all the requirements for registration or certification required by the statutes of this state, and the Board shall grant the applicant a registration or certification. The Board shall notify the applicant of the approval.

- (2) **Deferral.** When an application is deferred by the Board, it indicates that the applicant must take further steps to meet the requirements for registration or certification required by the statutes of this state, and the Board shall retain the deferred application until the applicant submits the additional information required by the Board. The Board shall notify the applicant of the deficiencies.
 - (3) **Denial.** When an application is denied by the Board, it indicates that the applicant has not met the requirements for registration or certification required by the statutes of this state, and the Board shall retain the denied application for one year and then may dispose of it. The Board shall notify the applicant of the denial.
- 4.2. The Board may defer or deny any application of an applicant who has not provided or withheld information, provided statements that are untrue or misrepresented the facts.
- 4.3. **Reconsideration of Applications.** An applicant may request that the Board reconsider an application that has been denied when the request is based on additional information and/or evidence that could affect the original decision. An applicant shall make the request for reconsideration within one year after the decision was made to deny the original application.
- 4.4. **Consideration of Criminal Records.**
 - (a) Notwithstanding other provisions of this rule, the Board may not disqualify an applicant from initial licensure as outlined in W.Va. Code §30-1-1 et seq. Specifically, the Board may not disqualify an applicant from initial licensure because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the practice of engineering. In determining whether a criminal conviction bears a rational nexus to the practice of engineering, the Board shall consider at a minimum:
 - (1) The nature and seriousness of the crime for which the individual was convicted;
 - (2) The passage of time since the commission of the crime;
 - (3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of a licensed engineer; and
 - (4) Any evidence of rehabilitation or treatment undertaken by the individual.
 - (b) Notwithstanding any other provision of W.Va. Code §30-1-1 et seq. to the contrary, if an applicant has been denied licensure because of a prior criminal conviction, the Board shall permit the applicant to apply for initial licensure if:
 - (1) A period of five years has elapsed from the date of conviction or the date of release from incarceration, whichever is later;
 - (2) The individual has not been convicted of any other crime during the period of time following the disqualifying offense; and
 - (3) The conviction was not for an offense of a violent or sexual nature: Provided, that a conviction for an offense of a violent or sexual nature may subject an individual to a longer period of disqualification from licensure, to be determined by the Board on a case by case basis.

- (c) Petition for licensure eligibility determination. An individual with a criminal record who has not previously applied for licensure may petition to the Board at any time for a determination of whether the individual's criminal record will disqualify the individual from obtaining a license. The petition shall be submitted on the application form prescribed by the Board and shall include sufficient details about the individual's criminal record to enable the Board to identify the jurisdiction where the conviction occurred, the date of the conviction, and the specific nature of the conviction.
 - (1) An individual may include with the petition evidence of rehabilitation, letters of reference, and any other information the applicant deems relevant.
 - (2) The Board shall provide the determination within 60 days of receiving the petition.

§7-1-5. Examinations.

5.1. Examinations Generally.

- (a) **Examination Dates and Locations.** Examinations are offered on dates and at locations set by NCEES, and information regarding the schedule and locations of examinations is available from the Board and NCEES.
- (b) **Language of the Examination.** The language used in the examination is English.
- (c) **Study Information.** The Board or NCEES shall make available NCEES-published specifications for examinations, which shall not include copies of questions used on prior examinations. The Board may provide such other information available to examinees as may be lawful and helpful to the examinee.
- (d) **Instructions for Examinees.** Instructions provided prior to each examination shall declare an examination to be open or closed book. Materials permitted in the examination room shall be listed in the instruction information provided to each applicant by the Board or NCEES upon confirmation of their approval to take an examination.
- (e) **Fees.** Application and examination fees are listed in §7-1-13.4 of this rule. All fees are non-refundable. The Board in accordance with Board policy may waive fees.

5.2. PE Examinations.

- (a) NCEES is wholly responsible for all matters related to administration of the PE examination and sets all policies, practices and procedures for the PE examination, including the dates and locations.
- (b) Information regarding NCEES administration of the PE examination including times, dates and locations is available from both the Board and NCEES.
- (c) Persons wanting to take the PE examination shall apply for the PE directly with NCEES without prior approval of the Board.
- (d) PE examinees will be notified by NCEES whether the examinee passed or failed the examination.

(e) Additional Branches/Disciplines.

- (1) Upon payment of the prescribed fees listed in §7-1-13.4 of this rule, a PE currently registered by this Board may take examinations in additional branches/disciplines of the PE examination offered by NCEES. The Board shall record the passing of the examination.
- (2) If an applicant fails to pass the examination in an additional branch/discipline, he or she retains his or her current registration status.
- (3) As with the initial registration, there shall be no reference to additional engineering branches/disciplines in the successful examinee's certificate or seal.

5.3. FE Examinations.

- (a) NCEES is wholly responsible for all matters related to administration of the FE examination and sets all policies, practices and procedures for the FE examination, including the dates and locations.
- (b) Information regarding NCEES administration of the FE examination including times, dates and locations is available from both the Board and NCEES.
- (c) Persons wanting to take the FE examination shall apply for the FE directly with NCEES without prior approval of the Board.
- (d) The Board recommends that persons seeking EI certification apply to NCEES to take the FE during his or her senior year of a Board-approved curricula or as soon thereafter as possible.
- (e) FE examinees will be notified by NCEES whether the examinee passed or failed the examination.

§7-1-6. Engineering Registration and Certification; Designations of Nonpracticing Status of Former Registrants.

- 6.1. Classifications of Registration.** The Board shall register or certify a qualified applicant under one of the following classifications, of which only a professional engineer is qualified to practice or offer to practice engineering in West Virginia:

- (a) Professional Engineer;
- (b) Engineer Intern; or
- (c) Professional Engineer-Retired.

6.2. Professional Engineer.

- (a) **PE Registration Numbers.** The Board shall assign each successful applicant a registration number. Numbers are issued consecutively in the order in which an applicant is authorized to obtain a seal. The Board shall advise the successful applicant of his or her number.
- (b) The Board shall grant an applicant authorization to obtain a seal who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE and PE examinations.
- (c) **Certificates of Registration.** The Board shall issue a certificate of registration and similar wallet card to an applicant who has met the requirements of this state and who has submitted a copy of a satisfactory West Virginia PE seal and

has paid the certificate fee prescribed in §7-1-13.4. The certificate signed by the Board members shall show the registrant's registration number and seal of the Board.

- (d) **Replacement of Certificate.** The registrant shall notify the Board when a certificate of registration is lost, destroyed or mutilated, and, if the registrant is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

6.3. Engineer Intern.

- (a) **EI Certification Numbers.** The Board shall assign each EI a certification number at the time certification is granted by the Board. Numbers are issued consecutively in the order in which an applicant is granted certification. The Board shall advise the EI of his or her number.
- (b) The Board shall grant an applicant who has met all the requirements of the W. Va. Code §30-13 and rules promulgated under this Code as they pertain to education, experience, and upon passing the required FE examination, a certificate of certification to serve as an EI in West Virginia.
- (c) **Certificates of Certification.** The Board shall issue a certificate of certification and similar wallet card to an applicant who has met the requirements of this state and who has paid all fees. The certificate signed by the Board members shall show the EI's certification number and seal of the Board.
- (d) **Replacement of Certificate.** The EI shall notify the Board when a certificate of certification is lost, destroyed or mutilated, and, if the EI is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.

6.4. Professional Engineer-Retired.

- (a) **Registration Numbers.** The Board shall reserve the original assigned registration number for any PE who elects to convert to Professional Engineer-Retired status. This number will remain on file in the event that the retired engineer should choose to reinstate his or her PE registration in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (b) **Documentation of Retired Status.** The Board shall issue an appropriate wallet card to an applicant who has met the requirements of this state and who has paid appropriate fees.
- (c) **PE-Retired status is a nonpracticing status.** Registrants who elect PE-Retired status must retire their seal and certify that they are no longer receiving remuneration from providing professional engineering services.

6.5. Updated Information.

It is the EI's or PE's responsibility to notify the Board within thirty days of any change in information previously submitted to the Board, such as name change, change of address, change of employer, or similar matter requiring current information.

6.6. Other designations of nonpracticing status.

In addition to a retired status or revoked status, the Board recognizes the following additional designations, all of which describe a type of nonpracticing status which does not qualify the former registrant to practice or offer to practice engineering in the state of West Virginia:

- (a) **Professional Engineer - Inactive.** An active PE or PE-Retired may elect to re-designate his or her status to Professional Engineer-Inactive upon application for inactive status which states that he or she is no longer practicing or offering to practice engineering in this state for remuneration and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (b) **Professional Engineer - Lapsed.** A PE who has not renewed his or her active status in accordance with §7-1-9.2 of these rules or has not applied for a re-designation to retired or inactive status shall be re-designated by the Board to Professional Engineer-Lapsed without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.
- (c) **Professional Engineer - Invalidated.** A PE who is unable to provide sufficient proof that any condition of renewal set forth in W. Va. Code §30-13-1 et seq. or these rules has been met shall be re-designated by the Board to Professional Engineer-Invalidated without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-9.3 and §7-1-10.10 of these rules.

§7-1-7. Seals.

- 7.1. **Seal of the Board.** The seal of the Board shall be affixed to each certificate of registration.
- 7.2. **Seal of Registrant.** When an applicant is granted registration he or she shall obtain an official seal of the size and design prescribed by the Board. The seal shall contain the following information:
 - (a) The words "State of West Virginia";
 - (b) The registrant's name;
 - (c) The registrant's registration number; and
 - (d) The words "Registered Professional Engineer."
 - (e) The seal may be a rubber stamp, electronic or one that embosses.
 - (f) The seal shall not reference any engineering branch/discipline.

The following is a sample of the suggested format:

Official Seal Sample

7.3. Seal on Documents.

- (a) A registrant's seal and signature and the date shall appear on the first or title page of all final and/or record documents of specifications, reports, drawings, plans, design information and calculations presented to a client or any public or government agency to certify that the work was done by the registrant or under the control of the registrant.

- (b) The registrant signing and sealing the first or title page of documents shall be the firm's PE in responsible charge as designated on the firm's COA application or the project engineer.
- (c) Revisions shall be numbered, dated, initialed, and sealed by the registrant responsible for the revision.
- (d) When copies are to be made, the registrant's seal and signature on all originals, tracings or other documents shall be reproducible.
- (e) Each registrant is solely responsible for the use of his or her seal.
- (f) When a registrant examines and verifies the engineering work of another, the registrant must take complete dominion and control of the design, which includes possession of the sealed and signed reproducible construction drawings with complete signed and sealed design calculations indicating all changes in design.
- (g) The Board authorizes the electronic reproduction of a seal when the resulting reproduction meets the specifications of 7.2. The registrant is responsible for the improper use of the seal on work not prepared either by the registrant or under his or her direct supervision.
- (h) It is the responsibility of each registrant to report the loss or theft of his or her seal to the Board as soon as practical after the loss or theft.

§7-1-8. Temporary Permits.

Any application for a temporary permit as authorized by W. Va. Code §30-13-24(b) will be processed as a comity application as set forth in §7-1-3.4(c)(1).

§7-1-9. Expirations, Renewals and Reinstatements to Active Status.

9.1. Expiration. PE registrations expire on December 31st of each even-numbered year and shall be re-designated as lapsed without further action by the Board after that date unless renewed in accordance with subsection 9.2 below.

9.2. Renewals.

- (a) The Board shall, during the month of November of every even-numbered year, send a renewal notice by electronic means or by mail to the last known address of every person currently registered by the Board. The notice shall indicate the expiration date of the PE registration and the amount of the renewal fee established by the Board.
- (b) The renewal form, which shall be completed and include documentation in compliance with Section 10 and any other applicable provisions of these rules, and the applicable fee, shall be received by the Board on or before the date of expiration appearing on the license being renewed.
- (c) Renewals postmarked or submitted online between January 1st to 31st after the expiration date shall render the PE registration valid upon payment of the late fee set forth in §7-1-13.5 of these rules.
- (d) Any renewal postmarked or submitted online on or after February 1st after the expiration date will be rejected, any fee returned, and the registration will be re-designated as lapsed without further action by the Board.

- 9.3. Reinstatement to active status.** A former PE desiring to reinstate his or her registration to active status from a nonpracticing status as defined in W. Va. Code §30-13-13a shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.

§7-1-10. Continuing Professional Competency.

- 10.1.** As a condition of registration renewal, every registrant shall show evidence that he or she obtained thirty (30) professional development hours (PDH's) during the previous two years.
- 10.2.** Requirements. A registrant may earn PDH's by providing evidence of:
- (a) Successful completion of college courses;
 - (b) Successful completion of continuing education courses;
 - (c) Successful completion of on-line, correspondence, televised, videotaped, and other short courses or tutorials;
 - (d) Actively participating in seminars, in-house courses, workshops, technical committees of professional engineering organizations, and professional conventions;
 - (e) Teaching or instructing in the activities set forth in subsections 10.2.a. through 10.2.d. if such teaching or instruction is outside of the registrant's regular employment duties or if the registrant can document such teaching activity or instruction was newly developed and presented for the first time; or
 - (f) Authoring published papers, articles, or books.
- 10.3.** If a registrant exceeds the requirement in any two-year period of licensure, he or she may carry a maximum of fifteen (15) PDH's forward into the subsequent two-year licensure period.
- 10.4. Units.** The conversion of other units of credit to PDH units is as follows:

1 College or unit semester hour	15 PDH's
1 College or unit quarter hour	10 PDH's
1 Continuing Education Unit (CEU)	10 PDH's
1 Hour of professional development in course work, seminars, professional conventions, workshops, technical committee work	1 PDH
1 Hour of teaching professional development in course work, seminars, professional conventions, workshops	2 PDH's
Each published paper or patent on engineering subjects	10 PDH's

- 10.5. Determination of Credit.** The Board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit. No pre-approval of offerings will be issued. The Board may deny or invalidate any renewal upon a determination of insufficient or unsatisfactory continuing education.
- 10.6. Forms.** All renewal applications require the completion of a continuing education form specified by the Board outlining PDH credit claimed. The registrant shall supply sufficient detail on the form to permit review for approval, shall certify and sign the continuing education form, and shall submit the form with the renewal form and fee.

- 10.7. Record keeping.** Each registrant is responsible for his or her own professional development activities. The registrant shall maintain the records to be used to support credits claimed for professional development activities. Records required include, but are not limited to: 1) a log showing the type of activity claimed, the sponsoring organization, the activity's location and duration, the instructor's or speaker's name, and the PDH credits earned; and 2) attendance or participation verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance or participation. These records shall be maintained for three renewal periods. Copies of these records and supporting documentation may be requested by the Board for approval and verification purposes.
- 10.8. Continuing Education Verification.**
- (a) Any registrant may be audited, including Board members and staff.
 - (b) Three to five percent (3-5%) of renewals will be selected at random and contacted by the Board to verify compliance with continuing education claims.
 - (c) Any renewal forms submitted with questionable continuing education shall be added to those selected at random for verification.
 - (d) All verification submissions will be analyzed by the Board who may recommend continued registration, deny or invalidate the renewal, or take such enforcement action as may be appropriate.
 - (e) Those who are denied renewal will be provided a thirty (30) day probationary period in which to acquire the necessary continuing education and submit documentation to the Board. If the registrant fails to submit satisfactory documentation in the given time period, the registration shall be re-designated as invalidated without further action by the Board.
 - (f) A registrant may bring a registration invalidated for insufficient continuing education to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting a PE reinstatement application and appropriate fees as prescribed in §7-1-13.4.
- 10.9. Exemptions.** An active registrant may be exempt from the professional development educational requirements for one of the following reasons:
- (a) A new registrant by way of examination or reciprocity is exempt for his or her first renewal period;
 - (b) A registrant serving on active duty in the armed forces of the United States for a period of time exceeding one hundred twenty (120) consecutive days in a calendar year is exempt from obtaining the professional development hours required during that year. The Board shall follow all other laws regarding continuing education for licensees on active duty and their spouses to the extent applicable and appropriate;
 - (c) A registrant experiencing physical disability, illness, or other extenuating circumstances may be exempt subject to review and approval by the Board; the registrant shall furnish supporting documentation to the Board; and
 - (d) Registrants who list their occupation as "Retired" on the Board-approved renewal form and who further certify that they are no longer receiving any remuneration from providing professional engineering services are exempt from the required professional development hours. In the event a retired engineer elects to return to the active practice as a professional engineer, he or she shall comply with the requirements of §7-1-10.10 before returning to active practice.

- 10.10. Nonpracticing status.** A registrant may bring a registration with a nonpracticing status designation to active status by obtaining the delinquent PDH's, up to a maximum of thirty (30) PDH's, and submitting the PE reinstatement application required by §7-1-9.3.

§7-1-11. Certificates of Authorization.

- 11.1. COA required; issuance.** A COA is required to practice or offer to practice engineering in WV. The Board shall issue a COA to firms who have met all the requirements of the W. Va. Code §30-13-17 and these rules promulgated under the Code to practice or offer to practice engineering in West Virginia. The certificate signed by the Board President shall show the firm's COA number and seal of the Board.
- 11.2. Classifications of Authorization.** The Board shall certify a qualified firm under one of the following classifications:
- (a) Sole Proprietor with no employees who practices or offers to practice engineering for compensation or other tangible benefit or remuneration;
 - (b) Firm with three or fewer Professional Engineers (regardless of PE's state of registration or licensure); or
 - (c) Firm with four or more Professional Engineers (regardless of the PE's state of registration or licensure).
- 11.3. Application and Fees.** A firm desiring to obtain a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules. Each application, including renewal and reinstatement, requires a sworn statement from the PE in responsible charge as set forth in §30-13-17.
- 11.4. Expiration, Renewal and Reinstatement.**
- (a) **Expiration.** COAs expire on December 31st of each odd-numbered year and are void and re-designated as COA – Lapsed without further action by the Board after that date unless renewed in accordance with subsection 11.4.b. below.
 - (b) **Renewals.**
 - (1) The Board shall, during the month of November of every odd-number year, send a renewal notice by electronic means or by mail to the last known address of every firm currently holding a COA by the Board. The notice shall indicate the expiration date of the COA and the amount of the renewal fee established by the Board.
 - (2) The completed renewal form and applicable fees shall be received by the Board on or before the expiration date indicated on the certificate.
 - (c) Renewals received from January 1st to 31st after the expiration date shall render the COA valid upon payment of the late fee set forth in §7-1-13.5 of these rules.
 - (d) Any renewal postmarked or submitted online on or after February 1st after the year of expiration will be rejected and any fee returned, and the non-renewed COA will be void and re-designated as COA-Lapsed without further action by the Board.
- 11.5. Designations of nonpracticing status.** The Board recognizes the following designations, all of which describe a type of nonpracticing status which does not qualify the former firm or sole proprietor to practice or offer to practice engineering in the state of West Virginia:

- (a) **COA - Inactive.** A firm or sole proprietor with an active COA may elect to re-designate their status to COA-Inactive upon application for inactive status which states the firm or sole proprietor is no longer practicing or offering to practice engineering in this state and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.
 - (b) **COA - Lapsed.** A firm or sole proprietor who has not renewed their active COA status in accordance with §7-1-11.4 of these rules or has not applied for a re-designation to inactive status shall be re-designated by the Board to COA-Lapsed without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.
 - (c) **COA - Invalidated.** A firm or sole proprietor who is unable to provide sufficient proof that any condition of renewal set forth in W. Va. Code §30-13-1 et seq. or these rules has been met shall be re-designated by the Board to Professional Engineer-Invalidated without further action by the Board and may seek reinstatement to active status only in accordance with §7-1-11.6 of these rules.
- 11.6. Reinstatement.** A firm desiring to reinstate a COA shall submit a completed application on forms prescribed by the Board, along with such non-refundable fees as required in §7-1-13.4 of these rules.
- 11.7. COA Number.** The Board shall assign each firm a certificate number at the time a COA is granted by the Board. Numbers are issued consecutively in the order in which a firm is granted a COA. The Board shall advise the firm of this number.
- 11.8. Replacement of Certificate.** The firm shall notify the Board when a COA is lost, destroyed or mutilated, and, if the firm is in good standing, the Board shall replace it, upon presentation of a statement of the loss and the prescribed fee in §7-1-13.4.
- 11.9. Updated Information.** It is the firm's responsibility to notify the Board within thirty days of any change in information previously submitted to the Board, such as name change, change of address, change of PE in responsible charge, or similar matter requiring current information.
- 11.10. Limited Liability Firms.** The PE in responsible charge on the COA is responsible for compliance with W. Va. Code §30-13-1 et seq. and this rule notwithstanding any limitations of liability provided by W. Va. Code §§47B-3-6 and 31B-13-1305.

§7-1-12. Professional Responsibility.

- 12.1. Knowledge of Rules.** All registrants are charged with having knowledge of the Rules of Professional Responsibility. The rules, and all proposed and adopted amendments to the rules, shall be available on the Board website.
- 12.2. Rules of Professional Responsibility.** To comply with the Board's responsibilities, which are to safeguard life, health and property, to promote the public welfare, and to maintain a high standard of integrity and practice, the Board has developed the following Rules of Professional Responsibility set forth in this section. These rules supplement the provisions for professional responsibility prescribed in W. Va. Code §30-13-21 and are binding on every registrant and firm.
- (a) All persons registered in West Virginia are required to be familiar with W. Va. Code §30-13-1 et seq., this rule, and all applicable laws relating to the practice of engineering. The Rules of Professional Responsibility delineate specific obligations the registrant shall meet. In addition, each registrant is charged with the responsibility of adhering to standards of highest ethical and moral conduct in all aspects of the practice of engineering.

- (b) The practice of engineering is a privilege, as opposed to a right. All registrants shall exercise this privilege by performing services only in the areas of their competence according to current standards of technical competence.
- (c) Registrants shall recognize their responsibility to the public and shall represent themselves before the public only in an objective and truthful manner.
- (d) Registrants shall avoid conflicts of interest and faithfully serve the legitimate interests of their employers, clients, and customers within the limits defined by this rule. Their professional reputation shall be built on the merit of their services, and they shall not compete unfairly with others.

12.3. Registrant's Obligation to Society.

- (a) Registrants, in the performance of their services for clients, employers and customers, shall be cognizant that their first and foremost responsibility is to the public welfare.
- (b) Registrants shall approve and seal only those designs, plans or other documents that conform to accepted engineering standards and safeguard the life, health, property and welfare of the public.
- (c) Registrants shall notify their employer or client and other appropriate authority when their professional judgment is overruled under circumstances where the life, health, property, or welfare of the public is endangered.
- (d) Registrants shall be objective and truthful in professional reports, statements or testimony. They shall include all relevant and pertinent information in the reports, statements or testimony.
- (e) Registrants shall express a professional opinion publicly only when it is founded upon an adequate knowledge of the facts and a competent evaluation of the subject matter.
- (f) Registrants shall issue no statements, criticisms or arguments on engineering matters which are inspired or paid for by interested parties, unless they explicitly identify the interested parties on whose behalf they are speaking, and reveal any interest they have in the matters.
- (g) Registrants shall not permit the use of their name or firm name, nor associate in business ventures with, any person or firm engaging in fraudulent or dishonest business or professional practices.
- (h) Registrants having knowledge of possible violations related to the practice of engineering as set forth in statute or these rules, including the Rules of Professional Responsibility, shall provide the Board with information and assistance necessary to the final determination of the violation.

12.4. Registrant's Obligation to Employer and Clients.

- (a) Registrants shall undertake assignments only when qualified by education or experience in the specific technical fields of engineering involved.
- (b) Registrants shall not affix their signatures or seals to any plans or documents except in accordance with §30-13-1 et seq. and these rules.
- (c) Registrants shall not reveal facts, data or information obtained in a professional capacity without the prior consent of the client or employer except as authorized or required by law.
- (d) Registrants shall not solicit or accept financial or other valuable consideration, directly or indirectly, from contractors, their agents, suppliers, manufacturers, or other parties in connection with work for employers or clients.

- (e) Registrants shall make full prior disclosures to their employers or clients of potential conflicts of interest or other circumstances which could influence or appear to influence their judgment or the quality of their service.
- (f) Registrants shall not accept compensation, financial or otherwise, from more than one party for services pertaining to the same project, unless the circumstances are fully disclosed and agreed to by all interested parties.
- (g) Registrants shall not solicit or accept a professional contract from a governmental body on which a principal or officer of their organization serves as a member. Conversely, registrants serving as members, advisors, or employees of a governmental body or department, who are the principals or employees of a private concern, shall not participate in decisions with respect to professional services offered or provided by the private concern to the governmental body which they serve unless their participation is approved by the West Virginia Ethics Commission.

12.5. Registrant's Obligation to Other Registrants.

- (a) Registrants shall not falsify or permit misrepresentation of their or their associates' academic or professional qualifications. They shall not misrepresent or exaggerate their degree of responsibility in prior assignments or the complexity of the assignments. Presentations incident to the solicitation of employment or business shall not misrepresent pertinent facts concerning employers, employees, associates, joint ventures or past accomplishments.
- (b) Registrants shall not offer, give, solicit or receive, either directly or indirectly, any commission, gift, or other valuable consideration in order to secure work, and shall not make any political contribution with the intent to influence the award of a contract by a public authority.
- (c) Registrants shall not attempt to injure, maliciously or falsely, directly or indirectly, the professional reputation, prospects, practice or employment of other registrants, nor indiscriminately criticize other registrants' work.

12.6. Actions brought against applicants.

A registered PE who has been fined, received a reprimand, or had his or her registration revoked, suspended or denied in another jurisdiction for reasons or causes which this Board finds would constitute a violation of the law governing the practice of engineering in this state or any rule promulgated by this Board, is sufficient cause for the Board to levy a fine, reprimand, or deny, revoke or suspend a registration to practice engineering by the registrant in this state. Any such actions by other jurisdictions shall be reported on the renewal form. For purposes of this section, "another jurisdiction" means any other governing entity, including a licensing board for another profession.

§7-1-13. Fees Generally.

- 13.1.** The fees listed in this section are payable to the West Virginia State Board of Registration for Professional Engineers unless charged by and payable to NCEES. Fees based upon NCEES charges may be obtained from the Board website or the NCEES website. Fees shall be paid by check, money order, credit card or electronic payment and are non-refundable.
- 13.2. Timing of Submission of Fees.** Any PE registration or COA application fee received prior to October 1 will entitle the approved PE or COA to be placed in good standing through the current renewal period. Registration or COA fees received on or after October 1 shall be effective through the next renewal period.

13.3. Renewal Fees.

- (a) The Board shall notify each registrant or firm at least thirty days prior to the expiration date of the amount of the renewal fee for the next renewal period.
- (b) A registrant or firm shall pay renewal fees on or before December 31st of the year of expiration.
- (c) A renewal postmarked or submitted online between January 1 through 31 after the expiration date is considered late, and the Board shall assess a late fee set forth in subsection 13.4 of this rule.
- (d) Any renewal postmarked or submitted online on or after February 1st will be rejected, any fee returned, and the registration or COA will be re-designated as lapsed without further action by the Board.

13.4. Fee Amounts. The fees for various services provided by the Board are:

13.5. Late Fees on Renewals. A renewal postmarked or submitted online after the date of expiration is considered late, and the Board shall assess the registrant a late fee in the amount of twenty-five percent (25%) of the renewal fee.

13.6. Fee Waivers.

- (a) Fees set forth in this section may be waived in accordance with Board policy.
- (b) Low-income individuals, as defined in this rule, may seek a waiver of the initial PE or comity application fee for licensure and must apply in a format prescribed by the Board. If the application is complete and it evidences that the applicant is a low-income individual as defined in §7-1-2.13 of these rules, the Board shall waive the application fee.
- (c) Military families, as defined in this rule, may seek a waiver of the initial PE or comity application fee for licensure and must apply in a format prescribed by the Board. If the application is complete and it evidences that the applicant is a person meeting the description of military families as defined in §7-1-2.14 of these rules, the Board shall waive the application fee.

§7-1-14. Board Enforcement, Investigations, Disciplinary Actions and Costs.

- 14.1. Enforcement.** Any person or entity who violates any of the provisions of W. Va. Code §30-13-1 et seq. or these rules is subject to the provisions of W. Va. Code §§30-13-21 through 23, as well as the penalties outlined in §7-1-15 of these rules. The Board may take disciplinary action against any person or firm subject to the provisions of W. Va. Code §30-13-1 et seq. and these rules for any non-compliance with or violation of same in accordance with the procedures set forth in W. Va. Code §30-13-22 and the procedural rules adopted by the Board and on file with the Secretary of State.
- 14.2. Investigations.** The Board shall have the power to investigate any complaint filed with the Board and any other matter brought to the attention of the Board regarding noncompliance with the provisions of W. Va. Code §30-13-1 et seq. and these rules.
- 14.3. Disciplinary Action.** Upon Board decision that disciplinary action is warranted, the Board may take such action as is provided for in W. Va. Code §§30-13-21 through 23, these rules, and any Board policies not inconsistent with such applicable law, including the imposition of civil penalties as set forth in §7-1-15 below.
- 14.4.** The Board may assess administrative costs incurred in the performance of its enforcement or investigatory activities against any person or entity who violates the provisions referenced in subsection 14.1 of this rule, which shall be paid to the West Virginia State Board of Registration for Professional Engineers by check or money order within the time prescribed or approved by the Board.

§7-1-15. Civil Penalties.

- 15.1.** The Board may enter an order assessing the appropriate civil penalties against any person or firm found by the Board to have violated the provisions of W. Va. Code §30-13-1 et seq. or these rules including but not limited to, the following for each offense:

Action	Penalty Up To
Practicing or offering to practice without a license, including a license designated as nonpracticing status	\$5,000
Practicing or offering to practice without a COA, including an expired COA	\$5,000
Misuse of seal	\$5,000
Illegal advertising of engineering services	\$5,000
Fraud, deceit, misrepresentation or misinformation to the Board	\$15,000
Violation of condition of probation	\$5,000
Misfeasance or malfeasance	\$1,000
Professional misconduct, negligence or incompetence	\$1,000
Action which is likely to deceive or defraud the public	\$15,000
Action which threatens the public health, safety and welfare	\$15,000
Failure to timely provide information to Board	\$1,000
Non-compliance with Board request or order	\$1,000
General (violation of applicable statute & rules, including W.Va. Code §30-13-21 or the Rules of Professional Responsibility set forth in these rules)	\$5,000

- 15.2. The penalty for aiding and assisting any of the above violations shall be no more than the maximum penalty defined above. The penalty for discipline by another jurisdiction shall be no more than the penalty set forth above that is substantially equivalent to the grounds for discipline in the other jurisdiction.
- 15.3. Each day of continued violation may constitute a separate offense.
- 15.4. In determining the amount of civil penalty to be assessed pursuant to this section, the Board may consider such factors as the following.
 - (a) Whether the amount imposed will be a substantial economic deterrent to the violation;
 - (b) The circumstances leading to the violation;
 - (c) The nature and severity of the violation and the risk of harm to the public;
 - (d) The history of previous violations;
 - (e) The extent to which the cited person or firm has cooperated with the Board and the Board's investigation;
 - (f) The economic benefits gained by the violator as a result of non-compliance;
 - (g) The interest of the public;
 - (h) Other matters as may be appropriate.
- 15.5. Civil penalties imposed by the Board shall be paid to the West Virginia State Treasurer's Office by check or money order within the time prescribed or approved by the Board.

§7-1-16. Board Policies.

- 16.1. The Board is authorized to establish policies and procedures not inconsistent with W. Va. Code §30-13-1 et seq. and these rules.

§7-1-17. Severability.

- 17.1. If this Rule, or any part of this Rule, is found by the courts to be invalid for any reason, the remainder of the Rule continues in full force and effect and each and every part of the Rule is severable.

TITLE 7 - SERIES 2

ADMINISTRATIVE HEARING PROCEDURES

§7-2-1. General.

- 1.1. **Scope.** — This rule specifies the procedure for Resolution of complaints relating to the practice of engineering in this State pursuant to the authority granted to the West Virginia State Board of Registration for Professional Engineers by W. Va. Code §30-13-1 et seq.
- 1.2. **Authority.** — W. Va. Code §30-13-1 et seq. and §30-1-1 et seq.
- 1.3. **Filing Date.** — June 22, 2004.
- 1.4. **Effective Date.** — July 23, 2004.

§7-2-2. Complaints.

2.1. Submission.

- (a) **Form.** The form of complaints shall be determined by the Board. All complaints shall be in writing and verified by the complainant before a notary public.
- (b) **Who may submit.** A complaint may be submitted by any natural person or legal entity, any registered engineer, or any firm holding a certificate of authorization. A complaint may be submitted by the Board, a member of the Board staff, with or without direction from the Board, or a member of the Board. Charges may be based upon information received solely through investigative activities undertaken by the Board.

2.2. Filing.

- (a) The applicable statute provides for disposition of a complaint if trivial, unfounded, or settled informally. Unless in the opinion of at least one member of the Board the alleged situation which is the subject of a

complaint presents an imminent danger to health or safety, a complaint will be deemed received and filed only upon the majority vote of the Board members present and meeting in general session. Until such action, the complaint will be on the agenda for each meeting until resolved informally or filed. During the period before a complaint is deemed filed, the Board may take appropriate action, upon motion and consistent with the applicable statutes, to investigate and settle the complaint informally.

- (b) A complaint will not be considered by the Board until an original is delivered to and logged in and numbered by the Board Administrator at Charleston during normal business hours. Facsimile and other electronic transmission of complaints will be accepted for filing, provided originals are delivered to the Board Administrator within fourteen (14) days thereafter.

2.3. Notice to Respondent. The Board Administrator shall give notice of the filing of a complaint to any and all respondents named in the complaint. Such notice shall be by certified mail, return receipt requested, to the respondent at his, her, or its last known address or in a manner consistent with the rules for service of process under the West Virginia Rules of Civil Procedure. A return of service shall be completed by the person effecting service and filed with the Board.

2.4. Response to Complaints. The respondent may file, within thirty days after service of the complaint, a responsive pleading which shall state with particularity every defense in law or fact to the allegations in the complaint. Every responsive pleading shall be verified by the respondent.

2.5. Failure to File Response. The failure to file a response to the complaint shall be deemed an admission of the factual allegations contained therein. The failure to file a response shall not be grounds for delaying hearing or other action upon the complaint.

2.6. More Definite Statement. The Board or a respondent may request a clarification or more definite statement of the allegations in the complaint. A respondent's request for a more definite statement shall be filed with the Board not less than fifteen days before the hearing date. The Board's request may be issued to a complainant at any time, and the complainant shall respond within seven days of service of the request by the Board. Failure of a complainant to respond timely to such request may be grounds for dismissal of the complaint.

§7-2-3. Hearing Panel.

3.1. Hearing Panel.

- (a) Complaints regarding persons licensed by the Board and complaints regarding unlawful practice of engineering in this State or a request for hearing regarding licensure or issuance of a certificate of authorization shall be heard and decided by the Board as a whole sitting as a Hearing Panel, except that any member of the Board who has a conflict of interest with regard to a particular complaint may decline to participate

in such proceedings. Recusal is mandatory in any proceeding in which a judge, similarly situated, would be required to exercise recusal. The filing of a complaint by a Board member will not automatically be grounds for recusal. Recusal shall not prevent a Board member from testifying as a witness.

- (b) If recusals result in there being less than a quorum, the remaining unrecused members of the Board shall appoint a registered professional engineer who is not a member of the Board for each recused member to serve solely for the purposes of hearing and deciding such complaint.
 - (c) The Hearing Panel shall conduct hearings, make findings of fact and conclusions of law, and issue administrative decisions and orders to enforce the provisions of W. Va. Code §30-13-1 et seq.
- 3.2. Location of Hearing Proceedings.** Unless otherwise ordered by a majority vote of the Board, all hearings shall be heard at Charleston.
- 3.3. Quorum.** A quorum shall consist of not less than three members of the Hearing Panel.
- 3.4. Presiding at Hearings.**
- (a) The President of the Board shall serve as the presiding officer at hearings. In the event of the President's recusal, the Hearing Panel shall elect a presiding officer from among themselves who will preside for hearings on that complaint.
 - (b) The presiding officer shall have the power to (1) administer oaths and affirmations, (2) rule upon offers of proof and receive relevant evidence, (3) regulate the course of the hearing, (4) hold conferences for the settlement or simplification of the issues by consent of the parties, and (5) dispose of procedural requests or similar matters.
- 3.5. Privilege and Immunity.** All information provided, including documents and testimony given with respect to any complaint, investigation or proceeding under these rules, shall be privileged in any action for defamation or the like. All members of the Board, its counsel, and their employees shall be absolutely immune from civil suit in the same manner as members of the judiciary in the State for any conduct in the course of their official duties.

§7-2-4. Procedural Rules for Hearings.

4.1. Notice of Hearings.

- (a) Within sixty (60) days of filing complaint, the presiding officer shall set a hearing date and time. Notice of the hearing date and time shall be served on respondent and counsel for respondent, if any, by first class mail addressed to the last known mailing address of such person. Such notices shall be mailed not less than thirty (30) days before the hearing date. All complaints, unless dismissed by the Board as unfounded, trivial or settled informally, shall be heard within six months after the date each complaint was received and filed.
- (b) Hearings may be rescheduled by the presiding officer and, once begun, continued from time to time, for cause shown as the interests of justice may require.

4.2. Prehearing Matters. The presiding officer, with or without the request of a party, may schedule a prehearing conference to narrow the issues to be heard, to estimate the time which will be required for the hearing, rule upon prehearing motions, and, when appropriate, negotiate informal disposition of the complaint.

4.3. Hearings Generally.

(a) Conduct and Order of Hearing.

- (1) Upon calling on for hearing any complaint, the presiding officer may cause the complaint to be read and shall offer the respondent the opportunity to reply. The Hearing Panel may receive evidence from its investigator or staff. Respondent, directly or by counsel, may present evidence in defense against the complaint. All testimony given shall be subject to cross-examination by the opposing party. The Board may receive rebuttal evidence after respondent's presentation. Any member of the Hearing Panel may inquire to any witness at any time.
- (2) After the receipt of all evidence, respondent and Board staff, directly or by counsel, may be allowed to make closing arguments.
- (3) If the respondent is not a natural person, the respondent shall be represented by counsel. The Board or its staff may be represented by counsel.
- (4) Failure of the respondent to appear, without cause, shall not result in delay or postponement of the hearing.

(b) The Record. The record of a hearing shall consist of the testimony and documentary and physical evidence admitted into evidence by the Hearing Panel, all judicially cognizable facts so noticed, and the administrative decision or order ruling upon the complaint. All hearing proceedings on the record shall be recorded by stenographic means. Any party may obtain a transcript of the proceedings at the party's expense.

(c) Testimony. Witnesses shall testify under oath or affirmation.

(d) Evidence.

- (1) The West Virginia Rules of Evidence shall apply. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under those rules, evidence not admissible thereunder may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. The Hearing Panel shall be bound by the rules of privilege recognized by law. Objections to evidentiary offers and the ruling thereupon shall be noted in the record. Any party to any such hearing may vouch the record as to any excluded testimony or other evidence.
- (2) Only the evidence admitted into the record and judicially cognizable facts so noticed shall be considered in the determination of the complaint.
- (3) Depositions may be taken and read or otherwise received as evidence in accordance with Rules 30 and 32 of the West Virginia Rules of Civil Procedure.

- (e) **Conformance.** Upon motion of any member of the Hearing Panel or any party assigning error or omission in any part of any transcript, the presiding officer shall settle all differences arising as to whether such transcript truly discloses what occurred at the hearing and shall direct that the transcript be corrected as appropriate so as to make it conform to the truth.
 - (f) **Deliberations.** Hearing Panels may deliberate and issue decisions in person, by telephone conference, or by written correspondence, including electronic communications.
 - (g) **Open Meetings and Executive Sessions.** Pursuant to W.Va. Code §6-9A-1, the Board may by majority vote hold hearings under these rules in executive session unless the respondent requests an open meeting. In any event, the vote upon the final decision of the Hearing Panel shall be in open session.
- 4.4. Standard of Proof.** To impose any sanction or penalty, the findings of the Hearing Panel in support thereof must be proved by a preponderance of the evidence.
- 4.5. Subpoena and Contempt Power.** The Hearing Panel shall have power to issue subpoenas or any other lawful process through the presiding officer at the request of any party. Subpoenas may be issued for attendance of witnesses or the production of documentary evidence. Subpoenas and other process may be served in accordance with the West Virginia Rules of Civil Procedure. All witnesses shall be entitled to such witness fees and expenses as in any civil proceeding in this State. The Hearing Panel may apply to any circuit court for an order requiring any person to comply with the presiding officer's directions in maintaining order at a hearing or to compel compliance with subpoenas.
- 4.6. Criminal Convictions.**
- (a) An engineer who has been convicted of a crime that reflects adversely on the engineer's honesty, trustworthiness or fitness as an engineer, or of any felony, shall, within thirty days of entry of the order or judgment of conviction, forward a copy of the order or judgment to the Board's Administrator. A plea or verdict of guilty or a conviction after a plea of nolo contendere shall be deemed to be a conviction within the meaning of this rule. Any other person may file a copy of the order or judgment with the Board.
 - (b) Upon receipt of the order or judgment, which shall be conclusive evidence of the guilt of the crime or crimes of which the engineer has been convicted, the Board Administrator shall treat the order or judgment as a complaint for misconduct and violation of professional responsibility.
 - (c) A respondent may present evidence and argument in support of mitigation based on, but not limited to, the nature of respondent's misconduct, surrounding facts and circumstances, previous ethical violations, the willfulness of the conduct, and the adequacy of respondent's previous opportunity to present evidence.

4.7. Reciprocal Discipline.

- (a) A final adjudication in another jurisdiction, whether state or federal, of misconduct constituting grounds for discipline of a registered professional engineer in that jurisdiction or a voluntary surrender of a license to practice engineering in connection with a disciplinary proceeding in that jurisdiction shall, for the purposes of proceedings under these rules, conclusively establish such conduct.
- (b) A registrant in this State against whom any form of public discipline has been imposed by the authorities of another jurisdiction, whether state or federal, or who voluntarily surrenders his or her license to practice engineering in connection with such disciplinary proceedings shall notify the Board of such action in writing within ten days thereof. Failure to notify the Board shall constitute an aggravating factor in any subsequent disciplinary proceeding. Any other person may notify the Board of such action by submitting a complaint.
- (c) If the registrant intends to challenge the validity of the disciplinary order entered in the foreign jurisdiction or the voluntary surrender of his or her license to practice engineering in connection with a disciplinary proceeding, the registrant must request a formal hearing and file with the Board a full copy of the record of the disciplinary proceedings which resulted in imposition of the disciplinary order or the voluntary surrender of a license to practice engineering.

§7-2-5. Disposition of Complaints.

5.1. Administrative Decisions and Orders.

- (a) Any party may submit proposed findings of fact and conclusions of law as permitted in the discretion of the presiding officer.
- (b) After a hearing upon a complaint is completed, including an instance in which the respondent defaults, the Hearing Panel may make findings of fact and conclusions of law and shall issue the appropriate administrative decision or order.
- (c) The Hearing Panel may make findings of fact and conclusions of law in connection with the hearing and in conformity with applicable law notwithstanding the failure of the complaint to allege the grounds therefor.
- (d) Informal disposition may also be made of any complaint by stipulation, agreed settlement, or consent order provided, however, that a hearing upon any pending complaint set pursuant to Rule 4.0 shall not be cancelled other than by a respondent's acceptance of such proposed informal disposition.
- (e) All dispositions of complaints shall be signed by the presiding officer. A copy shall be maintained in the permanent records of the Board.
- (f) The official determination of the Hearing Board shall be made by majority vote of the Hearing Panel. The presiding officer shall vote in every matter but shall reserve his vote to the last. Any minority of the Hearing Panel may preserve its opinion in written form submitted at or not less than ten days after the entry of the majority's administrative decision or order.

- (g) A copy of the administrative decision or order shall be served upon each party and his counsel in person or by registered or certified mail within five days after entry by the presiding officer.

- 5.2. **Unlawful Practice.** In addition to disciplinary actions authorized by W. Va. Code §30-13-21, if the administrative decision or order finds that the respondent is engaging in the practice of engineering in this state without being registered, the Board may request the prosecutor of any county to prosecute the respondent pursuant to W. Va. Code §31-13-23 or the Board may file a complaint seeking an injunction to enforce the provisions of W. Va. Code §31-13-1 et seq. Nothing in these rules shall prohibit the Board from requesting prosecution or seeking an injunction without prior notice and opportunity for hearing to the person who is believed to be in violation.

Chapter 29A - State Administrative Procedures Act

Some of the articles of particular relevance to the WV PE Board and its licensees are:

§29A-1-1 et seq. Definitions and Application of Chapter - Applicable to all WV agencies (boards, commissions, departments, offices and officers) of the executive branch of government.

§29A-3-1 et seq. Rule Making – Explains the differences in legislative, emergency, procedural and interpretive rules and sets forth the requirements for adopting each type.

§29A-5-1 et seq. Contested Cases and **§29A-6-1 et seq.** Appeals – The procedures set forth here may be applicable if there are no more specific procedures in WV Engineering Law or in §30-1-8 (procedures applicable to all licensing boards).

Chapter 29B - Freedom of Information Act

West Virginia's open records law requires that public records must be made available upon request. All public bodies are subject to the law, including the WV PE Board. The act defines public records, exempts certain records, and sets forth procedures for requesting and obtaining the records and enforcing the act.

Chapter 30 - Professions and Occupations

§30-1-1 et seq. – These general provisions are applicable to all WV professional licensing boards and address several topics such as meetings, disciplinary proceedings, and other powers and duties of licensing boards.

Chapter 48 - Domestic Relations

§48-15-1 et seq. – Enforcement of Support Order Through Action Against License, including **§48-15-303** – License applicant must certify, under penalty of false swearing, information regarding any child support obligation, and action may be taken against a licensee for failure to pay child support or appear at certain proceedings.
