# **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors West Virginia Housing Development Fund Charleston, West Virginia

# Opinions

We have audited the accompanying financial statements of the business-type activities (enterprise fund) and fiduciary fund type activities of the West Virginia Housing Development Fund (the Fund), a component unit of the State of West Virginia, as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities (enterprise fund) and the fiduciary fund type activities of the Fund, as of June 30, 2023 and 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedules of the proportionate share of the net pension liability (asset) PERS, the schedules of contributions to the PERS, the schedules of changes in net OPEB liability (asset) and related ratios - Welfare Benefit plan, the schedules of contributions to the Welfare Benefit plan, the schedules of annual rate of return on investments - Welfare Benefit plan, and the accompanying notes to required supplementary information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements,

# **Required Supplementary Information (Continued)**

is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### WEST VIRGINIA HOUSING DEVELOPMENT FUND MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

#### INTRODUCTION

The West Virginia Housing Development Fund (the Fund) is a public body corporate with statewide responsibility for housing and operates a wide variety of programs to provide safe and affordable housing for residents and families in the State of West Virginia (the State). The Fund is a self-supporting agency and does not receive State appropriations for its operations. Through June 30, 2023, the Fund has provided assistance for more than 165,900 housing or housing-related units.

The permanent staff of the Fund consists of 110 persons as of June 30, 2023, including professional staff members qualified in the fields of accounting, finance, law, mortgage underwriting, mortgage loan servicing, secondary mortgage markets, planning, cost estimation, construction, inspection, and housing management. The Fund provides services in these fields for its programs as required and utilizes professional consulting services from time to time to supplement its own staff.

The Fund has 14 bond issues totaling \$389,635,000 par amount outstanding under its Housing Finance bond resolution. The bonds are rated "AAA" by Standard & Poor's Public Ratings Services (S&P) and "Aaa" by Moody's Investors Service, Inc. (Moody's).

The Fund's unsecured long-term general obligation debt pledge is rated "Aaa" by Moody's and "AAA" by S&P. The Fund is the first and only housing finance agency ever to receive such ratings on its long-term general obligation debt pledge. These ratings are not assigned to any particular issue of debt, but rather represent an overall credit assessment of the Fund's long-term general obligation pledge.<sup>1</sup>

The financial transactions of the Fund related to its various programs are reported in the enterprise fund financial statements, which are more fully explained in the Notes to the Financial Statements. These programs consist of the General Account, Bond Programs, Other Loan Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs. These were established in accordance with the West Virginia Housing Development Fund Act (the Act), the bond resolution, or at management's discretion. The restricted net position of the Fund includes the net position of the Bond Programs, Affordable Housing Fund, Land Development Account, and Federal Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs, Mich are restricted by the bond resolution, the Act, or federal regulations. The Fund reports one fiduciary type fund, the Welfare Benefit Plan, an irrevocable trust for postemployment healthcare insurance benefits (OPEB) for the Fund's employees. The fiduciary fund's activities benefit the employees of the Fund and the fiduciary fund's resources are not available to support the various programs of the enterprise fund.

As management of the Fund, we offer readers of the Fund's enterprise fund financial statements the following narrative overview and analysis of the Statements of Net Position and the Statements of Revenues, Expenses, and Changes in Fund Net Position as of and for the years ended June 30, 2023, 2022, and 2021.

<sup>&</sup>lt;sup>1</sup> An explanation of the Moody's ratings may be obtained by writing to Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007; an explanation of the S&P ratings may be obtained by writing to Standard & Poor's Public Ratings Services, 55 Water Street, New York, New York 10041. There is no assurance that such ratings will be maintained for any period of time or that such ratings will not be withdrawn or revised downward by Moody's or S&P if, in their judgment, circumstances so warrant. Such actions, if taken, could have an adverse effect on the market price of bonds issued by the Fund.

#### USING THIS REPORT

This report consists of a series of enterprise fund financial statements extracted from the audited financial statements: the Statements of Net Position, the Statements of Revenues, Expenses, and Changes in Fund Net Position, and the Statements of Cash Flows. These statements provide information about the activities for each period presented.

The Fund prepares financial statements in conformity with accounting principles generally accepted in the United States of America for state housing finance enterprise funds. The enterprise fund Statements of Net Position represent the difference between the assets and deferred outflows of resources and liabilities and deferred inflows of resources and include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the basis of accounting described above. Over time, increases or decreases in the net position are one indicator of whether financial status is improving, stable, or deteriorating. There are also other factors that should be considered when reviewing the operational results, such as changes in the interest rate environment, bond market, changes to state and federal laws governing the Fund's programs, changes to the tax code, and the real estate market in the State. The Statements of Revenues, Expenses, and Changes in Fund Net Position reflect revenues, such as interest on loans, loan-servicing fees, interest on investments, fees for the administration of federal financial awards programs, and expenses, such as loan fees, program expenses, administrative expenses, and interest on outstanding debt. The Notes to the Financial Statements provide information that is essential to fully understand the data provided in the financial statements.

#### FINANCIAL HIGHLIGHTS

Following is a comparison of the enterprise fund condensed Statements of Net Position at June 30:

| (Dollars in thousands)  | 2023       | 2022       | 2021       |
|---|------------|------------|------------|
| ASSEIS  |            |            |            |

Below is additional discussion of the significant financial statement items and the changes in those items over the prior two years due to recent events and activities of the Fund, current economic factors, and other factors affecting financial and programmatic operations.

# <u>Current assets</u>

The decrease of \$34,579,000 (17.2%) in <u>Current assets</u> from 2022 to 2023 was primarily due to a decrease of \$32,866,000 in federal funds, which includes COVID relief funds, a decrease in cash of \$4,395,000 for debt service, a \$739,000 decrease in accounts receivable, a decrease of \$557,000 in cash held for the Federal Home Loan Bank of Pittsburgh's HOME 4 Good program, a decrease of \$173,000 in foreclosed property, a decrease of \$20,000 in the balance of Mortgage Loans Held for Sale, an increase of \$1,469,000 in multifamily construction funds, an increase of \$1,334,000 in funds held for others which includes insurance and tax accounts held on behalf of the Fund's various mortgagors, an increase of \$971,000 in cash for program disbursements, and an increase of \$402,000 in accrued interest.

The decrease of \$146,183,000 (42.1%) in <u>Current assets</u> from 2021 to 2022 was primarily due to a decrease of \$124,417,000 in federal funds, which includes COVID relief funds, a decrease in cash of \$12,618,000 for debt service, a decrease in multifamily construction funds of \$10,524,000, a decrease of \$610,000 in the balance of Mortgage Loans Held for Sale, a decrease of \$326,000 in accrued interest, a decrease of \$121,000 in funds held for others which includes insurance and tax accounts held on behalf of the Fund's various mortgagors, an increase of \$1,804,000 in cash for program disbursements, an increase in cash of \$401,000 in cash held for the Federal Home Loan Bank of Pittsburgh's HOME 4 Good program, and a \$215,000 increase in accounts receivable.

## Mortgage loans & Restricted mortgage loans, net of allowance for losses

The increase of \$90,018,000 (12.8%) in <u>Mortgage loans & Restricted mortgage loans, net of allowance for losses</u> from 2022 to 2023 was primarily due to originations of \$174,204,000 exceeding loan repayments of \$81,607,000, foreclosures of \$2,325,000, and an increase in allowance for loan losses of \$254,000.

The increase of \$30,095,000 (4.5%) in <u>Mortgage loans & Restricted mortgage loans, net of allowance for losses</u> from 2021 to 2022 was primarily due to originations of \$152,165,000 exceeding loan repayments of \$119,698,000, foreclosures of \$2,154,000, and an increase in allowance for loan losses of \$218,000.

## Restricted Federal Program mortgage loans, net of allowance for losses

This line item consists of the United States Department of Housing and Urban Development's (HUD) HOME Investment Program (HOME) and National Housing Trust Fund (NHTF) mortgage loans. The fluctuations from year to year represent the net of HOME and NHTF program loan originations and repayments during the years presented.

## Restricted cash and cash equivalents

The increase of \$18,478,000 (32.1%) in <u>Restricted cash and cash equivalents</u> from 2022 to 2023 was primarily due to a \$20,084,000 net increase in the balance of funds available to purchase single family mortgage loans related to the timing of bond issuances and a decrease of \$1,606,000 in short-term funds on hand in 2022 invested long-term in 2023.

The decrease of \$33,586,000 (36.8%) in <u>Restricted cash and cash equivalents</u> from 2021 to 2022 was primarily due to a decrease of \$15,574,000 in short-term funds on hand in 2021 invested long-term in 2022 and a \$9,185,000 net decrease in the balance of funds available to purchase single family mortgage loans related to the timing of bond issuances.

## Investments & Restricted investments

The fluctuations in *Investments and Restricted investments* from year to year is the net effect of investment purchases, redemptions, maturities and amortization and the change in fair value of investments as required by governmental accounting standards. Certain investments are required to be recorded at fair value and the unrealized gains or losses are to be reported in the enterprise fund Statements of Revenues, Expenses and Changes in Fund Net Position.

# The following summary illustrates the changes in *Investments & Restricted investments* as of June 30:

| (Dollars in thousands)                                  | <br>2023     | <br>2022     | <br>2021     |
|---|--------------|--------------|--------------|
| Balance at beginning of fiscal year                     | \$<br>49,587 | \$<br>38,746 | \$<br>51,603 |
| Sales and maturities                                    | (37,313)     | (1,063)      | (12,960)     |
| Purchases   | 52,231       | 16,638       | 3,425        |
| Decrease in fair value of investments and amortizations | (1,160)      | (4,734)      | (3,322)      |
| Balance at end of fiscal year                           | \$<br>63,345 | \$<br>49,587 | \$<br>38,746 |

# *Capital assets, net of depreciation* See Note A – <u>Capital assets, net of depreciation</u>

The decrease of \$269,000 (3.5%) from 2022 to 2023 was due to depreciation of the Fund's office building, equipment, and software.

The decrease of \$269,000 (3.4%) from 2021 to 2022 was due to depreciation of the Fund's office building, equipment, and software.

# Other assets and Restricted other assets, net of allowance for losses

The decrease of \$2,499,000 (46.7%) in <u>Other assets and Restricted other assets, net of allowance for losses</u> from 2022 to 2023 was primarily due to a decrease in the net pension asset of \$3,538,000 a decrease in miscellaneous assets of \$12,000, a \$1,023,000 increase in foreclosed properties, and an increase of \$28,000 due from Federal program reimbursements.

The increase of \$3,222,000 (151.1%) in <u>Other assets and Restricted other assets, net of allowance for losses</u> from 2021 to 2022 was primarily due to an increase in the net pension asset of \$3,538,000, an increase of \$103,000 due from Federal program reimbursements, an increase in miscellaneous assets of \$12,000 and a \$431,000 decrease in foreclosed properties.

## **Deferred outflows of resources related to pension and OPEB and Deferred inflows of resources related to pension and OPEB** See Note A – Accounting methods

Deferred outflows and inflows of resources are directly related to the activity described in *Note* F - <u>Retirement Plan</u> to the financial statements in accounting for the changes in the Fund's proportionate share of the West Virginia Public Employees Retirement System's net pension liability (asset) and in *Note* H - <u>Other Postemployment Benefits</u> to the financial statements in accounting for the changes in the Fund's proportionate share of the West Virginia Public Employees Retirement System's net pension liability (asset) and in *Note* H - <u>Other Postemployment Benefits</u> to the financial statements in accounting for the changes in the Fund's net OPEB liability (asset).

## Accounts payable and other liabilities

The increase of \$311,000 (1.7%) in <u>Accounts payable and other liabilities</u> from 2022 to 2023 was primarily due to an increase of \$1,137,000 in funds held for others, which includes tax and insurance accounts held on behalf of the Fund's various mortgagors, a decrease of \$557,000 in cash held on behalf of the Federal Home Loan Bank of Pittsburgh (FHLB) for program disbursements to be used for its Home4Good program, a decrease of \$200,000 in accrued expenses at year-end, and a decrease in the bond rebate liability of \$69,000.

The increase of \$737,000 (4.1%) in <u>Accounts payable and other liabilities</u> from 2021 to 2022 was primarily due to an increase of \$470,000 in accrued expenses at year-end, an increase of \$402,000 in cash held on behalf of the FHLB for program disbursements to be used for its Home4Good program, an increase in the bond rebate liability of \$73,000 and a decrease of \$208,000 in funds held for others, which includes tax and insurance accounts held on behalf of the Fund's various mortgagors.

## Bonds and notes payable, current and noncurrent

As illustrated in the following schedule, the changes in <u>Bonds and notes payable</u> were due to the early redemption or refunding of bonds, scheduled debt service payments, and new bonds and notes issued. The changes in the balance of bonds and notes payable and interest rates generally account for the fluctuations in <u>Accrued interest payable</u> in 2023 and 2022. See <u>Note D - Bonds & Notes payable</u>, current and noncurrent.</u>

## **Other liabilities**

The decrease of \$30,495,000 (15.4%) in <u>Other liabilities</u> from 2022 to 2023 was due to the expenditure of \$31,596,000 in federal COVID relief funds for rental and homeowner assistance programs the Fund administers on behalf of the State, and a decrease in the net OPEB liability of \$261,000 and an increase of \$699,000 due to Federal Program mortgage loan repayments and prepayments exceeding originations and an increase of \$663,000 in the net pension liability.

The decrease of \$127,322,000 (39.2%) in <u>Other liabilities</u> from 2021 to 2022 was due to the expenditure of \$126,060,000 in federal COVID relief funds for rental and homeowner assistance programs the Fund administers on behalf of the State, a net decrease of \$1,235,000 in the net pension and net OPEB liability and a decrease of \$27,000 due to Federal Program mortgage loan repayments and prepayments exceeding originations.

<u>Total Net Position</u> improved by \$14,116,000 (2.5%) from June 30, 2021 to June 30, 2022. From June 30, 2022 to June 30, 2023, <u>Total Net Position</u> improved by \$14,919,000 (2.6%) as the enterprise fund net position improved to \$595,985,000 at June 30, 2023.

Following is a comparison of condensed enterprise fund Statements of Revenues, Expenses, and Changes in Fund Net Position for the fiscal years ended June 30:

## Interest on loans

The increase in *Interest on loans* of \$2,937,000 (10.2%) from 2022 to 2023 was due to an increase in the volume of loans and an increase in the average mortgage loan rate.

The decrease in *Interest on loans* of \$918,000 (3.1%) from 2021 to 2022 was primarily due to a decrease in the average mortgage loan rate from the prior year.

## Pass through grant revenue and Pass through grant expense

This line item represents federal funds received and disbursed to sub-recipients under Federal Programs.

The decrease of \$41,007,000 (21.4%) from 2022 to 2023 was primarily due to a decrease of \$63,956,000 in program disbursements for federal COVID relief rental assistance programs the Fund is administering on behalf of the State, a decrease of \$858,000 in HOME disbursements, an increase of \$14,744,000 in program disbursements for the federal COVID relief homeowner assistance program the Fund is administering on behalf of the State, an increase of \$6,036,000 in Community Development Block Grants (CDBG) disbursements, an increase of \$2,591,000 in National Housing Trust Fund disbursements, and an increase of \$436,000 in Section 8 Housing Assistance Payments Program disbursements.

The increase of \$107,539,000 (127.8%) from 2021 to 2022 was primarily due to an increase of \$103,749,000 in program disbursements for federal COVID relief rental assistance programs the Fund is administering on behalf of the State, an increase of \$2,283,000 in program disbursements for the federal COVID relief homeowner assistance program the Fund is administering on behalf of the State, an increase of \$1,855,000 in Section 8 Housing Assistance Payments Program disbursements, an increase of \$771,000 in National Housing Trust Fund disbursements, an increase of \$451,000 in CDBG disbursements and a decrease of \$1,570,000 in HOME disbursements.

# <u>Fee revenue</u>

The decrease of \$38,000 (0.4%) in *Fee revenue* from 2022 to 2023 was primarily due to a decrease of \$140,000 in mortgage loan processing fees, a decrease of \$133,000 in Affordable Housing Fund fees, an increase of \$119,000 Section 8 fees, an increase of \$108,000 in Low-Income Housing Tax credit fees and an increase of \$8,000 in foreclosure fees.

The decrease of \$226,000 (2.5%) in *Fee revenue* from 2021 to 2022 was primarily due to a decrease of \$221,000 in mortgage loan processing fees, a decrease of \$109,000 in Low-Income Housing Tax credit fees, an increase of \$81,000 Section 8 fees and an increase of \$23,000 in Affordable Housing Fund fees.

## <u>Net investment earnings</u>

<u>Net investment earnings</u> decreased \$2,985,000 (1139.3%) from 2021 to 2022 and increased \$7,315,000 (268.6%) from 2022 to 2023 in the comparison of revenues and expenses above. However, <u>Net investment earnings</u> include unrealized gains and losses in the fair value of investments for each of the fiscal years presented as required by United States Generally Accepted Accounting Principles (US GAAP). As shown in the schedule below, investment earnings, adjusted for the unrealized gains or losses, decreased 21.1% from 2021 to 2022 and increased 211.9% from 2022 to 2023.

| (Dollars in thousands)                                      |           |        |    | 1ne 30, |    |       |

| Interest earned on investments                              | \$        | 6,317  | \$ | 2,025   | \$ | 2,565 |
| % Increase (Decrease) from prior year                       |           | 212.0% |    | (21.1%) |    |       |

## **Other revenues**

The decrease of \$332,000 (27.5%) in <u>Other revenues</u> from 2022 to 2023 was primarily due to a decrease in gains on sale of mortgage loans of \$240,000, a decrease in gains on sale of foreclosed properties of \$85,000 and a decrease in miscellaneous revenue of \$7,000.

The decrease of \$1,777,000 (59.6%) in <u>Other revenues</u> from 2021 to 2022 was primarily due to a decrease in gains on sale of mortgage loans of \$1,685,000 and a decrease in gains on sale of foreclosed properties of \$95,000.

#### Interest and debt expense

The \$2,566,000 (34.9%) increase in *Interest and debt expense* from 2022 to 2023 was primarily due to debt issuances of \$134,953,000 exceeding \$19,000,000 in debt service and \$12,370,000 in redemptions.

The \$2,219,000 (23.2%) decrease in *Interest and debt expense* from 2021 to 2022 was primarily due to \$35,530,000 in redemptions and \$21,278,000 in debt service exceeding debt issuances of \$30,250,000.

#### Loan fees expense

The \$976,000 (23.2%) increase in *Loan fees expense* from 2022 to 2023 was primarily due to an increase in loan origination fees of \$669,000, an increase in service fees on loans of \$185,000 and an increase in service release fees of \$122,000.

The \$547,000 (14.9%) increase in *Loan fees expense* from 2021 to 2022 was primarily due to an increase in loan origination fees of \$541,000, an increase in service fees on loans of \$52,000 and a decrease in service release fees of \$46,000.

#### Program expenses, net

The \$1,425,000 (32.9%) increase in *Program expenses, net* from 2022 to 2023 was primarily due to an increase of \$1,115,000 in cost of issuance expenses, an increase of \$410,000 in Affordable Housing Fund disbursements, an increase of \$158,000 in expenses related to repairs and holding costs for foreclosed properties, an increase of \$24,000 in building expenses, a decrease of \$174,000 in losses on sale of foreclosed properties, a decrease of \$44,000 in general program disbursements, a decrease of \$33,000 in bad debt expense, and a decrease of \$28,000 in Special Needs disbursements.

The \$609,000 (12.3%) decrease in *Program expenses, net* from 2021 to 2022 was primarily due to a decrease of \$600,000 in losses on sale of foreclosed properties, a decrease of \$445,000 in cost of issuance expenses, a decrease of \$297,000 in expenses related to repairs and holding costs for foreclosed properties, a decrease of \$26,000 in bad debt expense, an increase of \$461,000 in Affordable Housing Fund disbursements, an increase of \$252,000 in general program disbursements, an increase of \$24,000 in building expenses and an increase of \$21,000 in Special Needs disbursements.

#### Administrative expenses, net

The \$4,112,000 (68.1%) increase in <u>Administrative expenses, net</u> from 2022 to 2023 was primarily due to an increase in pension and OPEB related expenses of \$1,447,000, an increase of \$199,000 in professional services and temporary employees, an increase of \$136,000 in general expenses, an increase of \$78,000 in travel expenses, an increase of \$23,000 in salary and benefit expenses, a decrease in various administrative reimbursements of \$2,300,000 related to the administration of COVID relief funds, a decrease in computer related expenses of \$52,000, and a decrease in compensated absences of \$20,000.

The \$3,764,000 (38.4%) decrease in <u>Administrative expenses, net</u> from 2021 to 2022 was primarily due to an increase in various administrative reimbursements of \$3,541,000 related to the administration of COVID relief funds, a decrease in pension and OPEB related expenses of \$969,000, a decrease in compensated absences of \$109,000, a decrease in computer related expenses of \$43,000, an increase of \$851,000 in salary and benefit expenses, an increase of \$28,000 in general expenses and an increase of \$18,000 in travel expenses.

## OVERVIEW OF THE ENTERPRISE FUND FINANCIAL STATEMENTS

## **COVID Relief Programs**

In response to the housing crisis related to a global outbreak of COVID-19, a respiratory disease declared to be a pandemic (the Pandemic) by the World Health Organization, Congress enacted the Consolidated Appropriations Act, 2021 in December 2020 creating the Emergency Rental Assistance (ERA1) program to provide funding to assist households that were unable to pay rent or utilities. The Fund received the State's allocation of \$200 million under this Act to administer the rental assistance program on behalf of the State. As of June 30, 2023, \$87,359,000 of these funds have been disbursed for rental and utility assistance. These funds are included in pass through grant revenue and pass through grant expense and in restricted cash and cash equivalents. As of August 26, 2022, the Fund ceased accepting applications for rental and utility assistance and all activity under ERA1 ceased pursuant to the U.S. Treasury guidelines as of September 30, 2022.

In addition, in March 2021 Congress enacted the American Rescue Plan Act of 2021, which allocated an additional \$152,000,000 to the State for rental assistance for the Emergency Rental Assistance (ERA2) Program and \$50,000,000 in homeowner assistance for the Homeowners Assistance Fund (HAF), both of which the Fund administers on behalf of the State. Collectively, ERA1 and ERA2 are locally known as the Mountaineer Rental Assistance Program (MRAP). As of June 30, 2023, \$80,512,000 of the ERA2 funds has been disbursed for rental and utility assistance and \$354,000 for the development of multifamily rental units. In addition, \$19,311,000 of the HAF funds has been disbursed for mortgage and utility assistance. These funds are included in pass through grant revenue and pass through grant expense and in restricted cash and cash equivalents.

## Mortgage Lending

The Fund's Bond Programs are the core-housing programs and the primary source of income for the Fund. Various economic and regulatory factors such as prevailing economic conditions, mortgage interest rates, investment rates, the demand for housing, the cost of housing and of operating housing programs, the volume of mortgage lending activity in the State and other factors affecting the supply of housing in the State can create significant challenges for the Fund in both the Bond Programs and its overall operations.

The Fund's Movin' Up program is a long-term strategy intended to be a self-funding lending program as an alternative to dependency on the bond market and a method of assisting moderate income borrowers. The program is designed to attract a market to our single family loan program and provide a long-term increase in the Fund's mortgage loan balances. Unlike other single family bond programs the Fund offers, the Movin' Up Program does not have a first time homebuyer restriction and has significantly higher income limits than other single family programs offered. Its target market is moderate income buyers who may have outgrown their current homes and want to move up to a larger home and provides the borrower with down payment and closing cost assistance.

In fiscal years 2020 and 2021, a decrease in interest rates contributed to an increase in the number of borrowers refinancing their mortgages. To a lesser extent, the decrease also reduced the Fund's competitive edge of mortgage rates and loan originations. The Fund's Bond Program mortgage loan balances decreased \$22,494,000 (3.8%) in fiscal year 2021 compared to 2020 due to borrowers refinancing loans due to a drop in interest rates. In fiscal year 2022, mortgage rates increased, and the Fund regained its competitive edge of mortgage rates and loan originations increased. The Fund's Bond Program mortgage loan balances increased \$13,505,000 (2.4%) in fiscal year 2022 as compared to fiscal year 2021 and increased \$82,211,000 (14.1%) in fiscal year 2023 as compared to fiscal year 2022. Mortgage loan balances and continued loan originations are key elements to future earnings potential.

The changes in Bond Programs mortgage loan balances from fiscal year 2021 through fiscal year 2023 are as follows:

The Fund continues to proactively monitor cash positions to ensure sufficient liquidity is maintained and to meet the increased demand for single family mortgage loan originations.

The Fund's single family Bond Program loans consist of 30-year fixed rate loans and no sub-prime loans. The median income of Fund single family borrowers is \$51,000 as of June 30, 2023. This income level tends to be impacted quicker than an average borrower during economic declines.

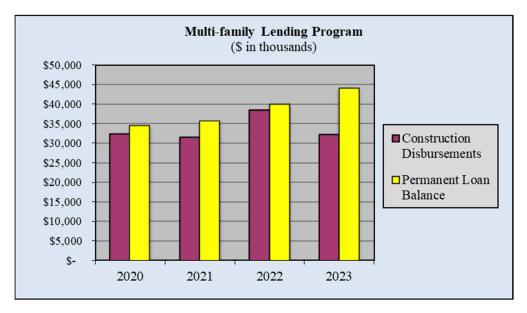

The ability of the Fund to pay debt service on bonds outstanding is heavily dependent on the receipt of mortgage payments from borrowers. However, the Fund maintains a Capital Reserve Fund in an amount no less than the highest aggregate debt service of any year on all outstanding Mortgage Finance Bonds. In addition, the Fund maintains the Bond Insurance Account, as required by the Act, to provide for the payment of debt service on Mortgage Finance Bonds, if necessary.

The Fund's Bond Program loan delinquency rates increased from 2021 to 2022 in the One-, Two- and Three-month categories and increased again from 2022 to 2023 as shown in the chart below. The Three + month category decreased in 2022 and 2023 due to the expiration of the foreclosure moratorium and borrowers receiving assistance from the federal COVID relief HAF. The Fund will continue

to monitor delinquencies and increase communication with borrowers to control delinquencies where possible and/or modify loans as borrowers continue to deal with unemployment and other economic impacts.

In response to a continual increase in the demand for affordable rental housing, the Fund provides financing for both construction and permanent financing of multifamily rental housing. Resources for this initiative are provided from Other Loan Programs, HOME, the National Housing Trust Fund and the Low-Income Housing Tax Credit Program. Permanent loans financed from Other Loan Programs often carry United States Department of Agriculture (USDA) 538 loan guarantees. The Fund expects to continue its focus on financing rental housing into fiscal 2024 and future years.

Interest rates on new single family bond loans originated in fiscal year 2023 have averaged approximately 5.49%. Interest rates on new multifamily permanent loans originated in fiscal year 2023 have averaged approximately 4.83%. The average loan interest rate listed below shows the Bond Programs average for fiscal years 2021 through 2023.

| Average Loan  | Interest Rate |
|---------------|---------------|
| June 30, 2021 | 4.28%         |
| June 30, 2022 | 4.12%         |
| June 30, 2023 | 4.41%         |
|               |               |

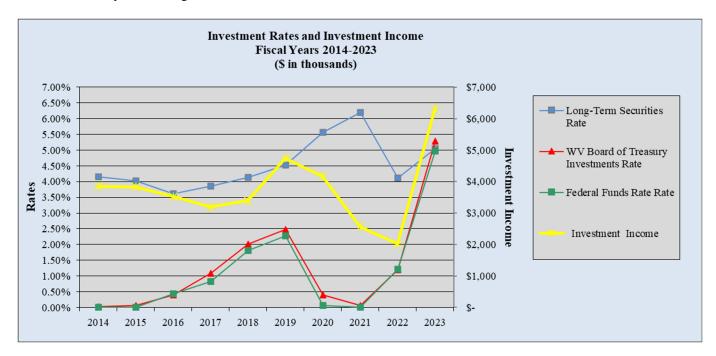

#### Investments

The Fund invests cash, as permitted by the Act, the bond resolution, and the Board approved Investment Policy. Funds related to the Bond Programs capital reserves and the Bond Insurance Account are primarily invested in long-term United States agency securities and FDIC insured money market accounts, which are expected to be held to maturity. Certain funds in the Bond Insurance Account and general operating funds are invested in mortgage loans held solely for investment. The interest earnings on these investment types are less affected by the fluctuation in short-term interest rates.

Loan proceeds and revenues of the Bond Programs, Other Loan Program, and operating funds are primarily on deposit with a bank, invested in FDIC insured money market accounts and short-term United States agency securities. All bank deposits are either FDIC insured or collateralized by permitted investments. The remaining funds are on deposit with the West Virginia Board of Treasury Investments (WVBOTI). Such funds are extremely sensitive to short-term interest rate fluctuations.

As shown in the following chart, the average investment rates for short-term investments and the WVBOTI have been consistent with the Federal Funds rate and remained at a historical low of 0.00% to 0.25% in 2014 and 2015. During fiscal year 2016, the Federal Reserve increased the federal funds rate ranging from 0.25% to 0.50% and continued to increase the rate eight additional times during fiscal years 2017 through 2019 ranging from 1.00% to 2.50%. During fiscal year 2020, the Federal Reserve decreased the rate five times to rates ranging from 0.00% to 0.25% to 4.5%. Since February 2023, the Federal Reserve increased the rate three times with rates ranging from 4.5% to 5.25%.

Due to fluctuations in interest rates, investment earnings decreased 21.1% from 2021 to 2022, net of unrealized gains or losses and increased 211.9% from 2022 to 2023, net of unrealized gains or losses.

Below is a summary of the average investment rates from June 2014 to June 2023:

## **Debt Management**

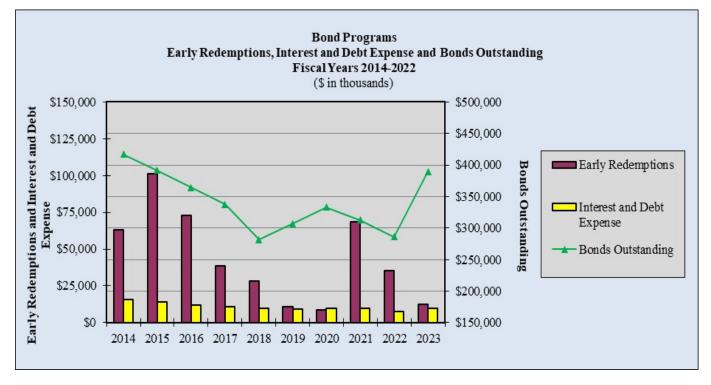

The Fund issues qualified mortgage revenue bonds to fund its single family Bond Programs. When bonds are issued, the initial proceeds are invested in short-term investments until the funds are used for the purchase of mortgage loans. Because short-term investment rates are typically lower than the long-term bond rates, this creates negative arbitrage. To reduce this negative arbitrage, the Fund delays the issuance of new bonds until absolutely necessary. The Fund sometimes uses general operating funds or other available funds as a warehouse line to purchase new loans in anticipation of bond sales.

When bonds are issued from the bond volume allocation, known as "new money" bonds, certain repayments and prepayments of mortgage loans made from these proceeds may be "recycled" into additional mortgage loans for ten years. The Fund uses recycling to supplement its bond issues by using prepayments for additional mortgage loans instead of issuing debt. If the market interest rates on mortgages are lower than the corresponding bond rates, the Fund may redeem bonds in lieu of recycling. However, if mortgage rates are higher than the corresponding bond rates the Fund may redirect prepayments into additional mortgage loans in lieu of redeeming bonds. Moving forward into fiscal year 2024 the Fund expects to continue to recycle mortgage loan repayments from its bond issues when it is economically prudent to do so.

During fiscal years 2021, 2022 and 2023, the Fund redeemed \$68,660,000, \$35,530,000 and \$12,370,000 in bonds, respectively. By actively redeeming bonds, the Fund offsets the impact of reduced mortgage loan balances and rates.

Interest and debt expense was \$9,576,000, \$7,358,000 and \$9,923,000 in fiscal years 2021, 2022 and 2023, respectively. Interest and debt expense decreased in 2022 as compared to 2021 due to \$35,530,000 in redemptions and debt service of \$21,278,000 exceeding bond issuances of \$30,250,000. Interest and debt expense increased in 2023 as compared to 2022 due to bond issuances of \$134,953,000 exceeding debt service of \$19,000,000 and \$12,370,000 in redemptions.

The following chart illustrates early bond redemptions, interest and debt expense and bonds outstanding in the Bond Programs.

## Other

The Fund services all of its outstanding mortgage loans and services loans on behalf of Fannie Mae, Freddie Mac, Federal Home Loan Bank of Pittsburgh and various non-profit organizations. The Fund is the largest loan servicer located in the State with serviced loans of \$1.2 billion. Servicing fee income in the amount of \$2,801,000 represents 6.10% of the Fund's total revenues, net of pass through grant revenue, for the fiscal year ended June 30, 2023.

#### **OVERVIEW OF THE FIDUCIARY FUND FINANCIAL STATEMENTS**

The Fund has one fiduciary fund, the Welfare Benefit Plan, which is an irrevocable trust for postemployment healthcare benefits for employees. These funds are not available to support the Fund's enterprise activities. The accounting used for fiduciary funds is much like that used for enterprise funds.

<u>Net position restricted for other postemployment benefits</u> improved by \$465,000 (7.8%) from June 30, 2021 to June 30, 2022. From June 30, 2022 to June 30, 2023, <u>Net position restricted for other postemployment benefits</u> improved by \$343,000 (5.3%) to \$6,770,000 at June 30, 2023.

The fiduciary fund financial statements Plan is discussed in greater detail in Note H - Postemployment Healthcare Plan.

# CONTACTING THE FUND'S FINANCIAL MANAGEMENT

The above financial highlights are designed to provide a general overview of the Fund's operations and insight into the following financial statements. Additional information may be requested by contacting the Executive Director, West Virginia Housing Development Fund, at 5710 MacCorkle Ave. SE, Charleston, WV 25304, or may be found on our website at <u>www.wvhdf.com</u>.

#### WEST VIRGINIA HOUSING DEVELOPMENT FUND NOTES TO FINANCIAL STATEMENTS, AN INTEGRAL PART OF THE FINANCIAL STATEMENTS June 30, 2023

#### NOTE A - AGENCY DESCRIPTION AND SIGNIFICANT ACCOUNTING POLICIES

The West Virginia Housing Development Fund (the Fund) is a governmental instrumentality of the State of West Virginia (the State) and a public body corporate, created under the provisions of Article 18, Chapter 31 of the Code of West Virginia, 1931, as amended, and known as the West Virginia Housing Development Fund Act (the Act). Under the Act, the Fund's corporate purposes primarily relate to providing various housing programs. The Fund can also finance non-residential projects as defined in the Act.

The Fund is governed by a Board of Directors consisting of the Governor, Attorney General, Commissioner of Agriculture, and Treasurer of the State, all of whom serve ex-officio as public directors, and seven members, chosen by the Governor with the advice and consent of the State Senate, as private directors from the general public residing in the State. The Act designates the Governor or his or her designee as the Chair of the Board of Directors and provides that the Governor shall appoint the Executive Director, with the advice and consent of the State Senate, and that the Executive Director will serve at the Governor's will and pleasure.

The Fund receives no appropriations from the State; however, it is included as a discretely presented component unit of the primary government in the State's Annual Comprehensive Financial Report. The reporting entity for the Fund includes its Enterprise Fund and Welfare Benefit Plan. In defining the Fund for financial reporting purposes, management considered all potential component units. Based on the criteria of accounting principles generally accepted in the United States, the Fund has one component unit, the Welfare Benefit Plan, an irrevocable trust for postemployment healthcare insurance benefits provided to the Fund's employees. The Fund's financial statement presentation includes the Welfare Benefit Plan as a fiduciary fund.

The various programs of the Fund consist of the General Account, the Bond Programs, Other Loan Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs.

The General Account includes the results of the Fund's loan servicing operations, administrative expenses of the Fund's operations, operations of the Fund's building, fee income related to the administration of the Section 8 Housing Assistance Payments Programs (HAPs Program) and the Low-Income Housing Tax Credit Program, and Single Family mortgage loans remaining after the retirement of the corresponding bonds.

The Bond Programs include the activities of the single-family bond programs under the Housing Finance Bond Program resolution, the purpose of which is to provide affordable housing throughout the State. Assets and revenues of the Bond Programs are restricted, subject to the provisions of the bond resolution, and are available for other purposes only to the extent they are not required to meet specified reserve and funding provisions of the resolution.

Other Loan Programs include the Down Payment and Closing Cost Assistance Program, Secondary Market Program, Multifamily Lending Program, Low-Income Assisted Mortgage Program, On-Site Septic Systems Loan Program and the Special Assistance Lending Program, all of which have been financed from the general reserves of the Fund.

The Affordable Housing Fund was created by the State Legislature in 2018 through the transfer of operations of the West Virginia Affordable Housing Trust Fund (WVAHTF) to the Fund effective June 8, 2018. The Affordable Housing Fund's purpose is to provide funding for both technical assistance and housing assistance to 501(C)(3) non-profits, public housing authorities and government entities to encourage stronger partnerships, collaboration and greater involvement of local communities in meeting housing needs in the State. The Affordable Housing Fund receives a fee of twenty dollars on the transfer of real property and on the sale of factory-built homes by licensed dealers and is restricted by State statute. The transfer fees are required to be set aside in a special purpose account for the sole benefit of the WVAHTF.

The Land Development Program was established by the Act in 1973 with a \$2,000,000 appropriation from the State Legislature from which the Fund can make below-market interest rate loans to developers to acquire and improve land for residential housing and non-residential construction. The Land Development Program includes the West Virginia Property Rescue Initiative Program and is restricted by State statute. The Land Development Program is included in the Fund's financial statements but is kept separate and apart from all other accounts of the Fund and the State.

The Bond Insurance Account was created by the Act as a special trust fund within the State Treasury designated as the "Mortgage Finance Bond Insurance Fund" and was established to provide for the payment of principal and interest in the event of default by the Fund on "Mortgage Finance Bonds," as defined in the Act. The Bond Insurance Account is restricted by State statute and is under the supervision of the West Virginia Municipal Bond Commission (the "Bond Commission"). The Bond Insurance Account is included in the Fund's financial statements but is kept separate and apart from all other accounts of the Fund, the Bond Commission, and the State. The only Mortgage Finance Bonds currently outstanding are in the Housing Finance Bond Program.

Federal Programs include the United States Department of Housing and Urban Development's (HUD) HOME Investment Program (HOME), National Housing Trust Fund (NHTF), HOME American Rescue Plan (ARP), Tax Credit Assistance Program (TCAP), HAPs Program and the U.S. Treasury's Tax Credit Exchange Program (TCEP) for which the Fund acts as program administrator. These programs are funded solely through federal monies and are restricted by Federal regulations.

Additionally, in response to the housing crisis related to the COVID-19 Pandemic, Congress enacted the Consolidated Appropriations Act, 2021 in December 2020 creating the Emergency Rental Assistance (ERA1) program to provide funding to assist households that are unable to pay rent or utilities. The Fund received the State's allocation of \$200 million under this Act to administer the rental assistance program on behalf of the State. As of August 26, 2022, the Fund ceased accepting applications for rental and utility assistance and all activity under ERA1 ceased pursuant to the U.S. Treasury guidelines as of September 30, 2022. As of June 30, 2023, \$87,359,000 of these funds had been disbursed for rental and utility assistance.

In addition, in March 2021 Congress enacted the American Rescue Plan Act of 2021, which allocated an additional \$152,000,000 to the State for the Emergency Rental Assistance (ERA2) Program and \$50,000,000 in homeowner's assistance for the Homeowners Assistance Fund (HAF), both of which the Fund administers on behalf of the State. Collectively, ERA1 and ERA2 are locally known as the Mountaineer Rental Assistance Program MRAP). As of June 30, 2023, \$80,512,000 of the ERA2 funds have been disbursed for rental and utility assistance and \$354,000 has been disbursed for the production of multifamily rental units. In addition, \$19,311,000 of the HAF funds has been disbursed for mortgage and utility assistance.

<u>Accounting methods</u>: The accounting policies of the Fund conform to accounting principles generally accepted in the United States and to accounting principles for state housing finance agency enterprise funds. The various programs were established in accordance with the Act, the bond resolution, or at management's discretion. The financial statements of the enterprise fund and the fiduciary fund are prepared using the flow of economic resources measurement focus and the accrual basis of accounting, which requires recognition of revenue when earned and expenses when incurred.

*Estimates*: Certain estimates and assumptions are required by management in the preparation of the financial statements in accordance with accounting principles generally accepted in the United States (US GAAP). The significant estimates and assumptions are those required in the determination of the allowance for losses for the following items: accounts receivable and other assets, mortgage loans, restricted mortgage loans, and restricted other assets. Actual results in the near-term could differ significantly from those estimates.

<u>Cash and cash equivalents</u>: The Fund considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. This includes cash, certificates of deposit, short-term agency notes, and deposits with the West Virginia Board of Treasury Investments (WVBOTI).

<u>Accounts receivable and other assets, net of allowance for losses</u> include accounts receivables, land for housing purposes and foreclosed properties, net of an allowance for estimated probable declines in net realizable value.

<u>Mortgage loans held for sale</u>: In its Secondary Market Program, the Fund purchases and sells fixed-rate mortgage loans, primarily to Fannie Mae and Federal Home Loan Bank of Pittsburgh, on a servicing retained basis. The sale price is determined at the date of commitment and the commitment period generally ranges from 30 to 90 days. <u>Mortgage loans held for sale</u> are carried at the lower of aggregate cost or estimated fair value.

Enterprise fund <u>Restricted cash and cash equivalents</u> represents monies the Fund holds on behalf of others, restricted by the Act or by the bond resolution. Included in this line item are tax and insurance escrows held on behalf of the Fund's various mortgagors and payments collected on mortgages for which the Fund acts as servicer only. The Fund is obligated to expend these monies on escrowed items or remit them to the appropriate investors in the case of mortgage loans serviced for the benefit of others. Also included in <u>Restricted cash and cash equivalents</u> are federal and other housing program funds, including COVID relief funds, for which the Fund acts as grantee or agent. The total funds held on behalf of others were \$118,498,000 at June 30, 2023 and \$150,587,000 at June 30, 2022. <u>Restricted cash and cash equivalents</u> to be used for the acquisition of noncurrent assets, such as mortgage loans or investments, are classified as <u>Noncurrent assets</u>.

Fiduciary fund <u>Restricted cash and cash equivalents</u> represents monies held in an irrevocable trust for postemployment healthcare insurance benefits for Fund employees. These funds are not available to support the various programs of the enterprise fund.

<u>Mortgage loans, net of allowances for losses:</u> These loans consist primarily of unrestricted mortgage loans made under the General Account and Other Loan Programs. The Fund provides for possible losses on loans based on management's review of potential problem loans. The allowance for loan losses is shown below.

<u>Capital assets, net of depreciation</u> include land, buildings, equipment, furnishings and computer software that are stated at their original cost less accumulated depreciation. Capital asset expenditures of \$20,000 or more with a useful life greater than 1 year are capitalized at cost and reported net of accumulated depreciation. Depreciation is computed using the straight-line method over the useful lives of the assets, which is 40 years for the building and from 3 to 10 years for furniture, equipment and software.

<u>Restricted investments</u>: The Fund established guidelines for the investment of its funds to meet the requirements of the bond resolution and the Act. Currently, investments consist primarily of United States government and agency obligations with maturities greater than 90 days.

Investment securities are recorded at fair value, or at amortized cost as permissible, and a portion of the unrealized gains or losses is reported in the Statements of Revenues, Expenses, and Changes in Fund Net Position as part of <u>Net investment</u> <u>earnings</u> as more fully explained in *Note* C - Cash and Investments.

<u>Restricted mortgage loans, net of allowance for losses</u> includes loans originated that are restricted by the bond resolution, the Act, State statute or other restricted purposes.

The allowance for loan losses in these programs is shown below.

Federal Programs include HOME, NHTF, and HOME ARP, which are designed to assist very low-income borrowers and to provide capacity building funds for nonprofit housing organizations. The funds provided to the nonprofits will only be required to be repaid if the nonprofit fails to provide the services required as a condition of receiving HOME and NHTF funds. Federal Programs also include TCAP and TCEP, which were designed to assist in the development of Low-Income Housing Tax Credit Program properties. These funds will only be repaid if the recipient fails to comply with certain covenants of their agreement. Therefore, HOME, NHTF, TCAP and TCEP projects are recorded as restricted mortgage loans and the TCAP, TCEP and nonprofit HOME and NHTF projects have a corresponding 100% loss allowance in the Statements of Net Position.

Most loans in the Bond Programs are protected against loss by various federal and private insurance programs. Repayment of certain multifamily rental project loans is dependent, in part, upon rental and interest subsidy programs of HUD.

Enterprise fund <u>Restricted other assets</u> include certain foreclosed properties, properties developed for flood activities, other land for restricted housing purposes, the Fund's net pension asset as explained in Note F - <u>Retirement Plan</u> and miscellaneous receivables, net of an allowance for estimated probable declines in the net realizable value. These assets are restricted subject to the provisions of the bond resolution, the Act, or federal regulations.

<u>Deferred outflows of resources related to pension and OPEB</u> represent a consumption of net assets that applies to future periods and will not be recognized as an outflow of resources (expense) until that time as explained in Note F - Retirement Plan and Note H - Other Postemployment Healthcare Benefits.

<u>Accounts payable and other liabilities</u> includes amounts held on behalf of others as explained in *Note A* - <u>Restricted cash</u> <u>and cash equivalents</u>, amounts due to vendors, and rebateable investment earnings.

<u>Other liabilities</u> include federal housing program funds for which the Fund acts as grantee or agent to originate mortgages under the HOME and NHTF programs and to disburse program funds under the ERA1, ERA2 and HAF programs, the Fund's net pension liability (asset) as explained in *Note*  $F - \underline{Retirement Plan}$  and the Fund's net OPEB liability (asset) as explained in *Note*  $H - \underline{Other Postemployment Healthcare Benefits.}$ 

<u>Deferred inflows of resources related to pension and OPEB</u> represent an acquisition of net assets that applies to future periods and will not be recognized as an inflow of resources (revenue) until that time as explained in Note  $F - \underline{Retirement}$  <u>Plan</u> and Note  $H - \underline{Other Postemployment Healthcare Benefits}$ .

Enterprise fund <u>Restricted net position</u>: Net position of the Bond Programs is restricted to meet specified reserve and funding provisions in accordance with the bond resolution. Net positions of the Affordable Housing Fund, Land Development Program and Bond Insurance Account are restricted in accordance with the Act. Federal Programs are restricted due to requirements of HUD or other grantor agencies. Net position restricted for pension and OPEB is restricted for the payment of pension and OPEB benefits. When both restricted and unrestricted resources are available for use, it is generally the Fund's policy to use restricted resources first, and then unrestricted resources as they are needed.

Fiduciary fund <u>Restricted net position</u>: Net position of the fiduciary fund is restricted to postemployment healthcare insurance benefits for the Fund's employees.

<u>Operating revenues and expenses</u>: The Fund classifies operating revenues and expenses in the enterprise fund based on the services provided by the Fund and its ongoing operations. This includes such activities as mortgage lending, administration of federal financial awards programs, property management and development, and other related program activities. <u>Net investment earnings</u> and interest on debt are reported as <u>non-operating revenues and expenses</u>.

<u>Pass-through grant revenue and pass-through grant expense</u>: The Fund receives grants and other financial assistance from HOME, NHTF, HOME ARP, CDBG, ERA1, ERA2, HAF and the HAPs Programs to transfer or spend on behalf of various secondary recipients. These amounts are considered pass-through grants and are reported in the financial statements as revenue and expense when funds are disbursed to the secondary recipient.

<u>Fee revenue</u> consists primarily of loan servicing fees on mortgage loans serviced by the Fund, administration fees earned from the HAPs Program, financing fees, tax credit fees, secondary market fees, Affordable Housing Fund transfer fees and deferred document penalty fees.

The Fund services all loans in its portfolio as well as loans on behalf of others totaling approximately \$1,213,463,000 and \$1,156,447,000 at June 30, 2023 and 2022, respectively. Of this total, the portfolio serviced by the Fund on behalf of others approximated \$233,522,000 and \$281,973,000 at June 30, 2023 and 2022, respectively.

<u>Other revenues</u> consist primarily of rental income, gains on sale of mortgages in the Secondary Market Program, gains on sales of foreclosed properties acquired through the Fund's mortgage lending activities, and other miscellaneous revenue items.

<u>Loan fees expense</u> includes fees paid to lenders and vendors related to the origination of mortgage loans. In addition, loan fees expense includes the cost of acquiring the servicing rights to mortgage loans owned by the Fund and loans owned by others, primarily Fannie Mae.

<u>Program expenses</u> primarily consist of disbursements made under the Fund's various programs, provisions for mortgage loan losses, losses on sales of foreclosed properties acquired through the Fund's mortgage lending activities, repair and maintenance costs for foreclosed properties and costs of bond issuance. <u>Program expenses</u> also include daily operating expenses of the office building owned by the Fund.

<u>Administrative expenses</u>, <u>net</u> include salary, benefits, and other operating expenses related to the daily operations of the Fund. When an expense is incurred, the expense is charged to the program or account for which it is directly applicable, whether restricted or unrestricted. Indirect expenses are allocated to programs and accounts based on a percentage of the program's or account's direct salary cost.

<u>Contributions – Employer</u> includes contributions from the enterprise fund to the fiduciary fund for healthcare insurance benefits for retired employees and their eligible dependents.

<u>Net investment income</u> represents interest earnings on postemployment healthcare cash and investments and the increase or decrease in the fair value of investments for the fiduciary fund.

<u>Benefits</u> include benefit payments from the fiduciary fund for postemployment healthcare costs for retired employees and their eligible dependents.

<u>Administrative expenses</u> in the fiduciary fund include trustee fees associated with investment management of the Welfare Benefit Plan and fees for actuarial valuations.

## NOTE B – ASSETS FOR RESERVED AND OTHER PURPOSES

Assets and revenues of the Bond Programs are subject to the provisions of the bond resolution and are available for other purposes only to the extent they are not required to meet specified reserve and funding provisions of the resolution. The Fund, to the extent such monies become available under the terms of the resolution, has pledged to maintain the net position of its Bond Programs at a level to preserve the Fund's bond ratings. In the event that the Fund fails to comply with the terms of the bond resolution the holders of such obligations would have recourse to the unrestricted assets of the Fund. The Affordable Housing Fund, Land Development Program and the Bond Insurance Account are restricted by State statute.

Assets of the General Account and Other Loan Programs are principally unrestricted and may be transferred to other programs subject to the approval of the Board of Directors. As of June 30, 2023, the Fund has committed \$32,057,000 from Other Loan Programs for various loans or projects. These amounts are included in <u>Unrestricted net position</u>. The Fund is actively accepting applications from prospective recipients to originate loans from amounts allocated by the Board of Directors from Other Loan Programs.

The Board of Directors has also allocated \$1,000,000 of the <u>Unrestricted net position</u> for the "Directors' and Officers' Insurance Account" for the purpose of providing indemnification for the directors and officers of the Fund. The fiscal year 2024 administrative budget of \$15,393,300 will be provided from the <u>Unrestricted net position</u> and from future revenues of the Fund.

# NOTE C – CASH AND INVESTMENTS

The Fund's enterprise fund actively invests cash in conformity with the Act, the Bond Programs and the Board-approved Investment Policy. Permitted investments include a wide variety of securities and obligations such as certain corporate deposits, money market accounts, investment agreements or repurchase agreements with primary government dealers, direct obligations or obligations guaranteed by the State, United States government securities, or federal agency securities. Currently, the enterprise fund's investments consist primarily of United States government or agency securities, FDIC insured money markets and cash. The Investment Policy also permits the Fund to invest a maximum of \$40,000,000, excluding funds held for others, with the WVBOTI of which a maximum of \$20,000,000 can be invested in the WVBOTI West Virginia Money Market Pool. The WVBOTI operates in accordance with applicable State laws and regulations.

The following is a detail of the Fund's enterprise fund investments, including cash equivalents, by type:

Interest Rate Risk - Enterprise fund. The Investment Policy limits the weighted average maturity of various fund types as shown in the following table. The Act does not provide for investment maturity limits. Reserve funds are the capital reserve investments required for the Bond Programs which are currently invested in long-term U.S. Government and government agency obligations. The Bond Insurance Account, which provides additional reserves for the payment of the Housing Finance Bonds is currently invested in U.S. Government and government agency obligations as well as mortgage loans for investment purposes. Other funds consist of bond revenues to be used for debt service on the outstanding bonds, bond proceeds for the purchase of mortgage revenue bond loans, Other Loan Program funds and general operating funds. Other funds are primarily invested short-term to meet program funding needs and to provide for daily operational costs of the Fund. Funds held for others consist of single family and multifamily escrow funds as well as amounts to be remitted to others. The Fund has both the intent and the ability to hold long-term securities until final maturity and is therefore limited in its exposure to interest rate risk on these long-term obligations.

*Interest Rate Risk – Fiduciary fund.* The Investment Policy limits the weighted average maturity of all funds as shown in the following table. The Act does not provide for investment maturity limits. Fiduciary fund investments are managed at an appropriate average duration based on current interest rate environments.

|                 | Permitted<br><u>Maturity Limit</u> | Average Maturity<br>as of June 30, 2023 |
|-----------------|------------------------------------|---|
| Fiduciary Funds | 4 years                            | 1 year                                  |

*Credit Risk – Enterprise fund.* Although permitted by the Act, the Fund's Investment Policy prohibits investment in State and Local obligations other than West Virginia and prohibits investment in corporate debt instruments. The Fund's Investment Policy additionally requires repurchase agreements to be invested with banks or primary dealers which are rated or provide the necessary collateral to maintain the Fund's bond, note and issuer ratings. Furthermore, the Investment Policy limits collateral for repurchase agreements to direct federal and federally guaranteed obligations, and federal agency obligations.

As of June 30, 2023, the Fund's investments in the WVBOTI are rated AAAm. Federal agency securities consist of Fannie Mae, Federal Farm Credit Bank and Federal Home Loan Bank all of which are rated AAA. Fannie Mae MBS pools are also rated AAA. Insured Cash Sweep (ICS) Funds and the Demand Deposit Marketplace Funds are FDIC insured. Money Market Funds are invested in the Fidelity Investments Money Market Government Portfolio and are rated AAA. Mortgages held for investment purposes are not rated.

*Credit Risk – Fiduciary fund*. The fiduciary fund's Investment Policy limits investments to U.S. Treasury Securities that are backed by the full faith and credit of the United States, Federal agency securities, which are rated AAA and FDIC insured certificates of deposit.

*Concentration of Credit Risk – Enterprise fund.* The Investment Policy limits the percentage or amount of the investment portfolio that may be invested in various types of issuers as indicated in the table below. The Act does not limit the percentage of investments in any permitted investment type.

*Custodial Credit Risk – Deposits* - The Act requires all deposits to be FDIC insured or fully collateralized by permitted investments for both enterprise funds and fiduciary funds. The enterprise fund Investment Policy further limits the securities permitted as collateral for amounts in excess of FDIC insurance to direct federal or federally guaranteed obligations, federal agency, or State of West Virginia obligations. The fiduciary fund Investment Policy further limits the securities permitted as collateral for amounts in excess of FDIC insurance to direct federal or federally guaranteed obligations or federal agency obligations.

The enterprise fund cash, including escrow funds, had a carrying value of \$94,721,000 and \$102,020,000 as of June 30, 2023 and 2022, respectively. Bank balances approximated \$96,396,000 and \$112,923,000 as of June 30, 2023 and 2022, respectively, of which approximately \$79,740,000 and \$85,463,000 was covered by federal depository insurance as of June 30, 2023 and 2022, respectively, and \$13,450,000 and \$22,985,000 was either collateralized with securities pledged to the Fund and held by the trust department of the pledging financial institution or held and pledged to the Fund by the pledging financial institution's agent as of June 30, 2023 and 2022, respectively. Also included in the bank balances above are trust account money market fund balances of \$3,206,000 and \$4,475,000 as of June 30, 2023 and 2022, respectively, which are not subject to custodial credit risk.

The fiduciary fund cash had a carrying value of \$904,000 and \$495,000 as of June 30, 2023 and 2022, respectively. Bank balances approximated \$907,000 and \$496,000 as of June 30, 2023 and 2022, respectively, which are trust account money market funds and not subject to custodial credit risk.

*Custodial Credit Risk – Investments –* The Investment Policy requires purchased securities to be physically delivered to the Fund's custodian or trustee or, in the case of book-entry securities; registration books shall designate the custodian or trustee. The Investment Policy also requires collateral for repurchase agreements be delivered to a third-party custodian or in the case of book-entry securities, be registered to the Fund. All U.S. government and agency obligations owned by the Fund are registered in the Fund's name or the Fund's designated trustee. The Act does not address custodial credit risk for investments.

*Fair value hierarchy*: The fair value hierarchy established under GAAP categorizes the inputs to valuation techniques used to measure fair value into three levels. The fair value hierarchy gives the highest priority to quoted prices in active markets inputs (Level 1) and the lowest priority to unobservable inputs (Level 3).

The levels of the hierarchy are identified as follows:

Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in an active market.

Level 2 – Valuation is based upon inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.

Level 3 – Valuation is based upon unobservable inputs for an asset or liability.

Enterprise fund investments measured at fair value using the fair value hierarchy categories are as follows:

| (Dollars in thousands)                              |    | June 30, |    |        |  |
|---|----|----------|----|--------|--|
|   |    | 2023     |    | 2022   |  |
| Level 1 inputs                                      |    |          |    |        |  |
| Federal agency securities                           | \$ | 75,321   | \$ | 30,127 |  |
| U.S. Treasury securities                            |    | 9,231    |    | 19,069 |  |
| Total   |    | 84,552   |    | 49,196 |  |
| Level 2 inputs                                      |    |          |    |        |  |
| Fannie Mae MBS pools                                |    | 267      |    | 391    |  |
| Total   |    | 267      |    | 391    |  |
| Total investments, reported at estimated fair value | \$ | 84,819   | \$ | 49,587 |  |

Fiduciary fund investments measured at fair value using the fair value hierarchy categories are as follows:

| (Dollars in thousands)                              | <b>June 30</b> , |       |    |       |
|---|------------------|-------|----|-------|
|   |                  | 2023  |    | 2022  |
| Level 1 inputs                                      |                  |       |    |       |
| U.S. Treasury securities                            | \$               | 2,944 | \$ | 2,496 |
| Federal agency securities                           |                  | 1,192 |    | 1,193 |
| Certificates of deposit                             |                  | 1,699 |    | 1,956 |
| Total investments, reported at estimated fair value | \$               | 5,835 | \$ | 5,645 |

Fair value measurements for investments classified as Level 2, Fannie Mae MBS pools, are valued using matrix pricing sources that provide a pricing indication from market transactions for similar or identical assets.

Mortgages held for investment are included in <u>Mortgage loans, net of allowances</u> and <u>Restricted mortgage loans, net of</u> <u>allowances</u> on the Statements of Net Position. Investments are included in the accompanying enterprise fund financial statements as follows:

| (Dollars in thousands)                          | June 30,   |            |  |  |
|---|------------|------------|--|--|
|   | 2023       | 2022       |  |  |
| Cash and cash equivalents                       | \$ 14,872  | \$ 13,049  |  |  |
| Current restricted cash and cash equivalents    | 146,455    | 182,324    |  |  |
| Noncurrent restricted cash and cash equivalents | 76,104     | 57,626     |  |  |
| Restricted investments                          | 63,345     | 49,587     |  |  |
| Plus mortgages held for investment purposes     | 14,275     | 15,599     |  |  |
| Total Investments and cash equivalents          | \$ 315,051 | \$ 318,185 |  |  |
| Less unrealized gains                           | 1,086      | 2,879      |  |  |
| Total Invested Funds                            | \$ 313,965 | \$ 315,306 |  |  |

Investments are included in the accompanying fiduciary fund financial statements as follows:

| (Dollars in thousands)                 | June 30, |          |  |  |  |
|--|----------|----------|--|--|--|
|  | 2023     | 2022     |  |  |  |
| Restricted cash and cash equivalents   | \$ 904   | \$ 495   |  |  |  |
| Restricted investments                 | 5,835    | 5,645    |  |  |  |
| Total Investments and cash equivalents | \$ 6,739 | \$ 6,140 |  |  |  |
| Less unrealized loss                   | (155)    | (100)    |  |  |  |
| Total Invested Funds                   | \$ 6,894 | \$ 6,240 |  |  |  |

The enterprise fund has an unrealized gain on investments of \$1,086,000 and \$2,879,000 as of June 30, 2023 and 2022, respectively. This represents an increase in unrealized loss on investments of \$1,793,000 and \$4,675,000 as of June 30, 2023 and 2022, respectively. In connection with the unrealized gain, a liability for related investment earnings is recorded in the amount of \$4,000 and \$73,000 as of June 30, 2023 and June 30, 2022, respectively. This portion is recorded as a liability because, if this gain were realized, it would increase excess rebateable investment earnings pursuant to Section 103A of the Internal Revenue Code, as amended (the Code). To adjust the fair value of investments to reflect this unrealized gain at June 30, 2023 and 2022 and to properly reflect the rebate liability, a \$1,725,000 and \$4,748,000 decrease was recorded in <u>Net investment earnings</u> in the Statements of Revenues, Expenses, and Changes in Fund Net Position for the year ended June 30, 2023 and 2022, respectively.

The fiduciary fund has an unrealized loss on investments of \$155,000 and \$100,000 as of June 30, 2023 and June 30, 2022, respectively. This represents an increase in unrealized loss on investments of \$55,000 and \$119,000 from June 30, 2022 and 2021, respectively. To adjust the fair value of investments to reflect this unrealized loss at June 30, 2023 and 2022 a \$55,000 and a \$119,000 decrease was recorded in <u>Net investment income</u> in the Statements Changes in Fiduciary Net Position for the year ended June 30, 2023 and 2022, respectively.

#### NOTE D – BONDS PAYABLE

The Act authorizes the Fund to issue bonds and notes for its various programs in an aggregate principal amount not to exceed \$1,250,000,000 outstanding at any one time, exclusive of refunded obligations. Bonds and notes issued by the Fund are considered obligations of the Fund and are not deemed to constitute a debt or liability of the State.

The proceeds from the Fund's Bond Programs are used to finance mortgage loans to eligible State borrowers and to establish certain reserves as required by the resolution. The mortgage loans are secured by deeds of trust and approximately 77.91% of all Bond Program loans are subject to coverage under federal or private mortgage insurance or guarantee programs. All bonds are secured by a pledge of all mortgage loan repayments, all proceeds of federal or private mortgage insurance, interest received on any monies or securities held pursuant to the resolution, and the rights and interest of the Fund in and to the mortgage loans. In the event that the Fund fails to comply with the terms of the bond resolution, the holders of such obligations would have recourse to the unrestricted assets of the Fund. Principal

and interest paid on bonds and notes payable for the years ended June 30, 2023 and 2022 was \$40,512,000 and \$64,264,000, respectively. Total pledged revenues in 2023 and 2022 were \$81,346,000 and \$109,380,000 respectively.

The On-Site Systems Loan Program (the OSLP) was created in September 2007 in partnership with the West Virginia Department of Environmental Protection (the DEP). Under this program the Fund may borrow funds from the DEP Clean Water Revolving Loan Fund. These funds are then loaned to State residents to upgrade, replace or repair inadequate septic systems. Initially, the Board authorized \$1,000,000 for the OSLP and the Board authorized an additional \$1,000,000 in March 2013 and again in May 2022 for the program. The Fund is obligated to repay the amount borrowed from the DEP only to the extent the Fund receives payments from loan recipients. An allowance for loan losses has been established based on management's review of potential problem loans. At June 30, 2023, *Bonds & notes payable - noncurrent* includes a \$535,000 note payable, net of a \$132,000 loss allowance, due to DEP related to this program under Other Loan Programs.

Most bonds issued by the Fund are subject to redemption at the option of the Fund prior to maturity at dates and premiums as set forth in the bond documents. To reduce its debt expense, the Fund redeems bonds prior to their stated maturity dates primarily due to excess program revenues, the prepayments of mortgage loans pledged for the repayment of the bonds, excess amounts in the capital reserve funds, and/or from proceeds of refunding bonds. During the fiscal years ended June 30, 2023 and 2022, the Fund redeemed or refunded \$12,370,000 and \$35,530,000 of bonds, respectively, at redemption prices that approximated their carrying value.

The following tables summarize bond and note activity from 2022 to 2023 and 2021 to 2022, respectively.

Total bonds payable does not include \$19,250,000 in special obligation bonds issued by the Fund as a conduit issuer. These special obligation bonds are secured by loan payments and deeds of trust on three projects. None of the Fund's assets or revenues are pledged to the payment of these special obligations. Furthermore, these special obligations are not secured by the Fund's general obligation debt pledge or its moral obligation and are not included in the Fund's financial statements.

The following is a summary of scheduled annual principal and interest for bonds in the Bond Programs for the five years commencing July 1, 2023, and thereafter to maturity.

| Bonds Maturing During | <b>D</b> · · · 1 | Driveinal Interest    |            |

|                       | \$ 389,635       | \$ 150,193            | \$ 539,828 |

In accordance with Section 103A of the Code, the Fund has established allowances for excess rebateable investment earnings. The excess rebateable investment earnings arise due to actual investment yields earned by the Fund being greater than yields permitted to be retained by the Fund under the Code. The Code requires such excess investment earnings to be remitted to the Internal Revenue Service. The Housing Finance Bond Program established liabilities of \$4,000 and \$73,000 at June 30, 2023 and June 30, 2022, respectively, for the excess of the fair value of investments over amortized costs as explained in *Note C* - *Cash and Investments*. Future excess investment earnings may require the establishment of liabilities for these and other bond issues.

On January 30, 2020, the Fund entered into a revolving Commercial Loan Agreement (the "Line of Credit") with United Bank, in an amount not to exceed \$20,000,000, payable monthly, which expired January 30, 2022. This Line of Credit was renewed January 31, 2022 and is due to expire on January 30, 2024. The purpose of the Line of Credit is to provide warehouse funding for loans under the Multifamily Loan Program. As of June 30, 2023, there have been no draws under the Line of Credit.

#### NOTE E - CONTINGENT LIABILITIES AND RISK MANAGEMENT

Under the terms of certain federal programs, periodic audits are required and certain costs and expenditures may be questioned under the terms of the program. Such audits could lead to reimbursements to the grantor agencies. Historically, questioned costs have been immaterial. Management of the Fund believes future disallowances relating to current federal program expenditures, if any, will continue to be immaterial.

The Fund is a defendant in various legal proceedings arising in the normal course of business. In the opinion of management, based upon the advice of legal counsel, the ultimate resolution of these proceedings will not have a material adverse effect on the Fund's financial position.

Through its business operations, the Fund is exposed to various risks of loss related to potential loan losses on program mortgages, fire, liability, and employee wrongdoing. To reduce the risk of loss on program mortgages, the Fund has various types of mortgage insurance. At June 30, 2023, 46.8% of the Fund's single family Bond Program loans were VA, USDA Rural Development, or FHA guaranteed. Another 31.11% of these loans carry private mortgage insurance. Substantially all permanent multifamily mortgages are federally insured or guaranteed and/or are subject to HUD Section 8 rental assistance subsidies.

The Fund is insured against fire for owned assets, liability, and employee negligence through private insurance. Furthermore, key staff members of the Fund are bonded against theft in the aggregate amount of \$4,000,000. The Board of Directors has allocated \$1,000,000 of the Fund's unrestricted net position to provide indemnification for the directors and officers of the Fund. Additionally, the Fund has general liability insurance with the State Board of Risk and Insurance Management in the amount of \$1,000,000 per occurrence and excess liability coverage of \$10,000,000 aggregate with General Star Insurance Company for officers' and directors' indemnity. The Fund pays an annual premium in exchange for such coverage. The Fund has \$3,000,000 in cyber insurance through At-Bay and an additional \$2,000,000 excess policy for cyber coverage through Lloyd's syndicate. There have been no significant settlements in excess of insurance coverage during the past three calendar years.

## NOTE F – RETIREMENT PLAN

*Plan Description*. All full-time Fund employees participate in the State's Public Employees' Retirement System (PERS), a multiple-employer defined benefit cost-sharing public employee retirement system administered by the West Virginia Consolidated Public Retirement Board (CPRB). Benefits under PERS include deferred retirement, early retirement, death, and disability benefits and have been established and may be amended by action of the State Legislature. The CPRB issues a publicly available financial report that includes financial statements for PERS that may be obtained at <u>www.wvretirement.com</u>.

**Benefits Provided**. Employees hired before July 1, 2015 are eligible for normal retirement at age 60 with five or more years of credited service, or at least age 55 with age and service equal to 80 or greater. Employees hired on or after July 1, 2015 may retire at age 62 with ten years of service. The straight-life annuity retirement benefit, established by State statute, is equivalent to two percent of the employee's final average salary multiplied by years of service. Final average salary is the average of the three consecutive highest annual earnings out of the last fifteen years of earnings. For all employees hired on or after July 1, 2015, average salary is the average of the five consecutive highest annual earnings.

out of the last fifteen years of earnings. Terminated members with at least five years of contributory service who do not withdraw their accumulated contributions may elect to receive their retirement annuity beginning at age 62. For all employees hired on or after July 1, 2015, this age increases to 64 with ten years of service.

*Contributions.* Contributions as a percentage of payroll for members are established by statutes, subject to legislative limitations and are not actuarially determined. Contributions as a percentage of payroll for employees are established by the CPRB. Current funding policy requires employer contributions of 9.0% for 2023 and 10.0% for each of the years ended June 30, 2022 and 2021. As permitted by legislation, the Fund has elected to pay 100% of all costs relating to the Plan, including the employee's 4.5% contribution of annual earnings for employees hired on or before February 6, 2012. Beginning February 7, 2012, new hires are required to pay the employee's contribution of 4.5%. For all employees hired on or after July 1, 2015 the employee contribution is 6.0%. The Fund's contribution to the Plan, excluding the employee's contribution paid by the Fund, approximated \$640,000, \$721,000, and \$642,000 for the fiscal years ended June 30, 2023, 2022, and 2021, respectively.

**Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions.** The Fund reported a liability (asset) of \$663,000 and (\$3,538,000) as of June 30, 2023 and June 30, 2022, respectively, for its proportionate share of the net pension liability (asset). The net pension liability (asset) reported at June 30, 2023 was measured as of June 30, 2022 and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial valuation as of July 1, 2021, rolled forward to the measurement date of June 30, 2022. The Fund's proportion of the net pension liability (asset) was based on the Fund's share of contributions to the pension plan relative to the contributions of all employers participating in PERS for the year ended June 30, 2022. At June 30, 2022 and June 30, 2021, the Fund's proportionate share was .45% and .40% respectively.

For the years ended June 30, 2023 and June 30, 2022, respectively, the Fund recognized pension expense of \$352,000 and \$(660,000). At June 30, 2023 and June 30, 2022, the Fund reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

| -  | \$            | 1,872                       | \$ | 4,596                         |  |  |

Deferred outflows of resources related to pensions of \$640,000 resulting from Fund contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability (or increase in the net pension asset) in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

| (Dollars in thousands) |         |  |
|------------------------|---------|--|
| Year Ended             | Pension |  |
| June 30:               | Expense |  |
| 2024                   | \$ 454  |  |
| 2025                   | 45      |  |
| 2026                   | (421)   |  |
| 2027                   | 1,046   |  |
|                        |         |  |

Actuarial Assumptions and Methods. The following assumptions and methods were used in the actuarial valuation:

The long-term rates of return on pension plan investments were determined using the building-block method in which estimates of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of long-term geometric rates of return are summarized in the following table:

| Asset Class          | Target<br>Allocation | Long-Term<br>Expected Real<br>Rate of<br>Return | Weighted<br>Average<br>Expected Real<br>Rate of<br>Return |
|----------------------|----------------------|---|---|
| Domestic Equity      | 27.5%                | 5.3%  | 1.46%   |
| International Equity | 27.5%                | 6.1%  | 1.68%   |
| Fixed Income         | 15.0%                | 2.2%  | 0.33%   |
| Real estate          | 10.0%                | 6.5%  | 0.65%   |
| Private equity       | 10.0%                | 9.5%  | 0.95%   |
| Hedge funds          | 10.0%                | 3.8%  | 0.38%   |
| Total                | 100%                 |   | 5.45%   |
| Inflation (CPI)      |                      |   | 1.80%   |
|                      |                      |   | 7.25%   |

**Discount Rate.** The discount rates used to measure the total pension liabilities were 7.25% for the 2022 and 2021 actuarial valuations. At June 30, 2022 and 2021, the projection of cash flows used to determine the discount rate assumed that employer contributions will continue to follow the current funding policies. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Fund's proportionate share of the net pension liability (asset) to changes in the discount rate. The following table presents the Fund's proportionate share of the net pension liability (asset) calculated using the discount rate of 7.25% and 7.25% for the years ended June 30, 2023 and June 30, 2022, respectively, as well as what the Fund's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is one-percentage-point lower or one-percentage-point higher than the current rate:

|             |              | Net Pension Li | iability | (Asset) |               |             |
|-------------|--------------|----------------|----------|---------|---------------|-------------|
|             |              | Jun            | e 30,    |         |               |             |
|             | 2023         |                |          |         | 2022          |             |
|             | Current      |                |          |         | Current       |             |
| 1% Decrease | Discount Rat | e 1% Increase  | 1% D     | ecrease | Discount Rate | 1% Increase |
| 6.25%       | 7.25%        | 8.25%          | 6.       | 25%     | 7.25%         | 8.25%       |
| \$ 4,691    | \$ 663       | \$ (2,784)     | \$       | 40      | \$ (3,538)    | \$ (6,559)  |

## NOTE G – COMPENSATED ABSENCES

Employees accumulate annual leave balances to a maximum of 210 hours. Most employees receive a 100% termination payment upon separation based upon their final rate of pay. The liability for annual leave is valued at 100% of the balance plus the Fund's share of Social Security and Medicare contributions. The Fund has recorded a liability for accrued leave for all employees in accordance with GAAP. The liability for annual leave is shown below. In lieu of cash payment at retirement, an employee who became a member of PERS before July 1, 2015 may elect to use accumulated annual leave toward additional service in the computation of retirement benefits or toward their postemployment health care insurance

premium as further explained in *Note* H – *Postemployment Healthcare Plan.* If an employee became a member on or after July 1, 2015, they may not use accumulated annual leave to acquire additional credited service but they may still elect to use accumulated annual leave toward their postemployment health care insurance premium explained in Note H – *Postemployment Healthcare Plan.* 

|                                     | Accumulated Annual Leave |       |    |       |    |       |  |
|-------------------------------------|--------------------------|-------|----|-------|----|-------|--|
|                                     | 2                        | 2023  |    | 2022  |    | 2021  |  |
| Balance at beginning of fiscal year | \$                       | 631   | \$ | 659   | \$ | 550   |  |
| Annual leave earned                 |                          | 571   |    | 575   |    | 877   |  |
| Annual leave (used)                 |                          | (591) |    | (603) |    | (768) |  |
| Balance at end of fiscal year       | \$                       | 611   | \$ | 631   | \$ | 659   |  |
| Estimated to be paid in one year    | \$                       | 611   | \$ | 631   | \$ | 659   |  |

## NOTE H – OTHER POSTEMPLOYMENT HEALTHCARE BENEFITS

#### **Plan Description**

*Plan administration*. The Welfare Benefit Plan (the Plan), an irrevocable trust, is a single-employer defined other postemployment benefit plan administered by the Fund and the Fund's Board of Directors that is used to provide postemployment benefits other than pensions (OPEB) for employees of the Fund. Substantially all employees may become eligible for these benefits if they reach normal retirement age while working for the Fund. The assets of the Plan are deposited with an external trustee and are presented in the stand-alone fiduciary fund financial statements.

#### **Benefits Provided**

The Fund provides certain healthcare insurance benefits for retired employees and their eligible dependents. Benefits are fully self-insured by the Fund and are administered through a third-party administrator. The full cost of benefits is covered by the plan. Management of the Fund has the authority to establish and amend benefit provisions of the Plan. In lieu of cash payment at retirement, an employee may elect to use accumulated annual and accumulated sick leave toward their postemployment health care insurance premium. A retiree may convert two unused leave days into one month's insurance premium for single coverage or three unused leave days into one month's premium for family coverage. The Fund will pay monthly health insurance premiums of these retirees based on unused sick leave and/or annual leave at the time of retirement until the unused leave is fully utilized or until the retiree reaches the eligible age for Medicare. Accordingly, the maximum period for which a retiree may be entitled to such benefits would be twelve years.

*Employees covered by benefit terms*. At June 30, 2023 and June 30, 2022, the following employees were covered by the benefit terms:

|  | June 30, |      |  |  |
|--|----------|------|--|--|
| Covered Employees  | 2023     | 2022 |  |  |
| Inactive employees or beneficiaries currently receiving benefit payments | 8        | 3    |  |  |
| Inactive employees entitled to but not yet receiving benefit payments    | -        | -    |  |  |
| Active plan members  | 97       | 96   |  |  |
| Total  | 105      | 99   |  |  |

## Contributions

The contribution requirements of plan members and the Fund are established and may be amended by the Fund's management. Management establishes contribution rates based on an actuarially determined rate. Plan members are not required to contribute to the plan. The Fund's contribution to the Plan approximated \$450,000, and \$789,000 for the fiscal years ended June 30, 2023 and 2022, respectively.

#### Investments

*Investment policy.* The Plan's policy in regard to the allocation of invested assets is established and may be amended by the Fund's Board of Directors. Investments are to be diversified as to minimize the risk of large losses as follows:

| Permitted Investments            | Maximum %<br>of Porfolio |
|----------------------------------|--------------------------|
| Cash:                            |                          |
| Demand Deposits                  | 30%                      |
| Fixed Income:                    |                          |
| Direct Federal Obligations       | 90%                      |
| Federal Agency Obligations       | 90%                      |
| Federally Guaranteed Obligations | 90%                      |
| FDIC Insured CDs                 | 50%                      |

*Rate of Return*. For the years ended June 30, 2023 and June 30, 2022, the annual money-weighted rate of return on investments, net of investment expense, was 1.27% and (1.42) %, respectively. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

## Net OPEB Liability (Asset)

At June 30, 2023 and 2022, the components of the net OPEB liability of the Fund were as follows:

|  | June 30, |        |      |        |  |  |  |  |  |
|--|----------|--------|------|--------|--|--|--|--|--|
| (Dollars in thousands)                             |          | 2023   | 2022 |        |  |  |  |  |  |
| Total OPEB Liability                               | \$       | 7,286  | \$   | 7,276  |  |  |  |  |  |
| Plan Fiduciary Net Position                        |          | 6,770  |      | 6,427  |  |  |  |  |  |
| Net OPEB Liability                                 | \$       | 516    | \$   | 849    |  |  |  |  |  |
| Plan Fiduciary Net Position as a percentage of the |          |        |      |        |  |  |  |  |  |
| Total OPEB Liability                               |          | 92.90% |      | 88.30% |  |  |  |  |  |

#### **Actuarial Assumptions and Methods**

The total OPEB liability as of June 30, 2023 was determined by an actuarial valuation as of January 2022 rolled forward to June 30, 2022 and the total OPEB liability as of June 30, 2021 was determined by an actuarial valuation as of January 2020 and rolled forward to June 30, 2021. The following actuarial assumptions and methods were used:

| 1/1/2022 Rolled forward to 6/30/2023 | 1/1/2022 Rolled forward to 6/30/2022  |
|--------------------------------------|---|
| Entry Age                            | Entry Age   |
| Level Percentage of Pay, Closed      | Level Percentage of Pay, Closed   |
| 15 years as of 1/1/2022              | 15 years as of 1/1/2022   |
| Fair Value of Assets                 | Fair Value of Assets  |
|                                      |   |
| 3.00%                                | 3.00%   |
| 3.00%                                | 3.00%   |
| 2.72%                                | 2.72%   |
| 2.00%                                | 2.00%   |
|                                      | Entry Age<br>Level Percentage of Pay, Closed<br>15 years as of 1/1/2022<br>Fair Value of Assets<br>3.00%<br>2.72% |

Mortality rates for the January 2020 valuation rolled forward to June 30, 2021 were based on RP-2014 Mortality Table, adjusted to 2006 with Scale MP-2014, and projected fully generationally with Scale MP-2019. Mortality rates for the January 1, 2022 valuation rolled forward to June 30, 2022 were based on Pub-2010 General Employees table, below-median, headcount-weighted, projected generationally with scale MP-2018.

An actuarial experience study was not completed. Actuarial assumptions for disability, termination, retirement, and dependent age were based on the PERS actuarial valuation as of July 1, 2020 and July 1, 2018, for the January 2022 and January 2020 Plan valuation rolled forward to June 30, 2022 and June 30, 2021, respectively.

The long-term expected rate of return on the Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of Plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

|                             | Target     | Long-Term<br>Expected Real |
|-----------------------------|------------|----------------------------|
| Asset Class                 | Allocation | <b>Rate of Return</b>      |
| Cash and cash equivalents   | 10.0%      | 3.00%                      |
| U.S. Government Obligations | 90.0%      | 3.50%                      |
| Total                       | 100.0%     |                            |

**Discount rate.** The discount rate as of June 30, 2023 and June 30, 2022 is 3.00%, which is the assumed long-term expected rate of return on Plan investments. This is the same discount rate that was used in the January 1, 2022 liability calculations. Projections of the Plan's fiduciary net position have indicated that it is expected to be sufficient to make projected benefit payments for current plan members. As such, the single rate of return is equal to the long-term expected rate of return on the Plan assets, which is 3.00%.

## Development of discount rate.

As of June 30, 2023, the Plan uses the Bond Buyer GO 20-Bond Municipal Bond Index. As this index is issued weekly, the value closest to but not after the reporting date is used in determining the appropriate rate. Based on this practice, the municipal bond rate at June 30, 2022 was 3.54% and the municipal bond rate at June 29, 2023 was 3.65%. However, the depletion test as of the most recent actuarial valuation as of January 1, 2022, reflecting known contributions after that date as well as the current funding policy, showed that the projected assets are expected to cover future benefit payments for current participants and as such the single rate used as the discount rate is the long-term expected rate of return, 3.00%. The actuarial liability, normal cost, and expected benefit payments were projected for the remaining lifetimes of the closed group population as of January 1, 2022, using the assumptions detailed in the 2022 actuarial valuation report. An Actuarily Determined Contribution (ADC) was calculated each year based on the current closed amortization period. The assets were then projected forward reflecting known contributions through June 30, 2023, and then assuming that the ADC is contributed in the future. Since the assets are projected to always be greater than the expected benefit payments in any year, the long-term expected rate of return of 3.00% is used to calculate the liabilities.

As of June 30, 2022, the Plan uses the Bond Buyer GO 20-Bond Municipal Bond Index. As this index is issued weekly, the value closest to but not after the reporting date is used in determining the appropriate rate. Based on this practice, the municipal bond rate at June 24, 2021 was 2.16% and the municipal bond rate at June 30, 2022 was 3.54%. However, the depletion test as of the most recent actuarial valuation as of January 1, 2022, reflecting known contributions after that date as well as the current funding policy, showed that the projected assets are expected to cover future benefit payments for current participants and as such the single rate used as the discount rate is the long-term expected rate of return, 3.00%. The actuarial liability, normal cost, and expected benefit payments were projected for the remaining lifetimes of the closed group population as of January 1, 2022, using the assumptions detailed in the 2022 actuarial valuation report. An Actuarily Determined Contribution (ADC) was calculated each year based on the current closed amortization period. The assets were then projected forward reflecting known contributions through June 30, 2022, and then assuming that the ADC is contributed in the future. Since the assets are projected to always be greater than the expected benefit payments in any year, the long-term expected rate of return of 3.00% is used to calculate the liabilities.

#### Changes in the Net OPEB Liability (Asset)

At June 30, 2023 and June 30, 2022, respectively, the Fund reported a Net OPEB Liability of \$515,512 and \$848,503. Total OPEB Liability (TOL) at the end of the measurement year, June 30, 2023 and June 30, 2022, is measured as of a valuation date of January 1, 2022 and is projected to June 30, 2023 and June 30, 2022, respectively. Valuations will be completed every other year.

| 2027                   | (35)    |
|                        |         |

## NOTE I – SUBSEQUENT EVENTS

On July 19, 2023, the Fund issued the Housing Finance 2023 Series B bonds in the amount of \$50,000,000. Bond proceeds will be used to originate single family mortgage loans.

On July 26, 2023, the Fund withdrew \$15,000,000 in funds from the Line of Credit with United Bank.

#### NOTE J - NEW ACCOUNTING PRONOUNCEMENTS

The GASB has issued Statement No. 100, *Accounting Changes and Error Corrections* and Statement No. 101, *Compensated Absences*. The provisions of Statement 100 are effective for periods beginning after June 15, 2023. The provisions of Statement 101 are effective for periods beginning after December 15, 2023. The Fund has not yet determined the effect, if any, these statements will have on its financial statements.

## NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

#### NOTE A – RETIREMENT PLAN TREND INFORMATION PRESENTED

The accompanying schedules of the Fund's proportionate share of the net pension liabilities (assets) and contributions to the PERS and the Welfare Benefit Plan and the schedules of annual rate of return on investments of the Welfare Benefit Plan are required supplementary information to be presented for 10 years. However, until a full 10-year trend is compiled, information is presented in the schedules for those years for which information is available.

# NOTE B - RETIREMENT PLAN ACTUARIAL ASSUMPTIONS AND METHODS

The information presented in the Schedules of Contributions to PERS was based on the actuarial valuation as of July 1, 2020 using the actuarial assumptions and methods as follows:

|                             | 2022   | 2021   |
|-----------------------------|--|--|
| Actuarial cost method       | Individual entry age normal cost with level percentage of payroll  | Individual entry age normal cost with level percentage of payroll  |
| Asset valuation method      | Fair value   | Fair value   |
| Amortization method         | Level dollar, fixed period   | Level dollar, fixed period   |
| Amortization period         | Through Fiscal Year 2035   | Through Fiscal Year 2035   |
| Actuarial assumptions:      |  |  |
| Investment rate of return   | 7.25%  | 7.25%  |
| Projected salary increases: |  |  |
| State                       | 2.75% - 5.55%  | 2.75% - 5.55%  |
| Non-state                   | 3.60 - 6.75%   | 3.60 - 6.75%   |
| Inflation rate              | 2.75%  | 2.75%  |
| Discount rate               | 7.25%  | 7.25%  |

## NOTE C – PERS PLAN AMENDMENTS

The PERS was amended to make changes which apply to new employees hired on or after July 1, 2015 as follows:

- For employees hired prior to July 1, 2015, qualification for normal retirement is age 60 with five years of service or at least age 55 with age and service equal to 80 or greater. A member may retire with the pension reduced actuarially if the member is at least 55 and has at least 10 years of contributory service, or at any age with 30 years of contributory service. For employees hired after July 1, 2015, qualification for normal retirement is 62 with 10 years of service. A member hired after July 1, 2015 may retire with the pension reduced actuarially if the member is between the ages of 60 and 62 with at least ten years of contributory service, between ages 57 and 62 with at least twenty years of contributory service or between the ages 55 and 62 with at least thirty years of contributory service.
- The straight life annuity retirement benefit is equivalent to 2% of average salary multiplied by years of service. For employees hired prior to July 1, 2015, average salary is the average of the three consecutive highest annual earnings out of the last fifteen years of earnings. For all employees hired on or after July 1, 2015 average salary is the average of the five consecutive highest annual earnings out of the last fifteen years of earnings.
- For employees hired prior to July 1, 2015, terminated members with at least five years of contributory service who do not withdraw their accumulated contributions may elect to receive their retirement annuity beginning at age 62. For all employees hired on or after July 1, 2015, this age increases to 64 with at least ten years of contributory service, or age 63 with at least twenty years of contributory service.
- For all employees hired prior to July 1, 2015, employees are required to contribute 4.5% of annual earnings. All employees hired on or after July 1, 2015, are required to contribute 6% of annual earnings.
