Dear Committee Members:

This letter is to inform you of the **status of the Coalbed Methane Gas Severance Tax revenues** Kanawha County has received. As you are aware, WV State Code requires a written report, by December 1st, setting forth the projects for which these funds were expended. As of this date, no funds have been spent. The Kanawha County Commission intends to place a discussion and a vote for the use of these funds on its December 19, 2013 agenda. If necessary, I can provide the outcome of such vote to you.

Thank you and if you should need additional information please feel free to contact me at 304-357-0179.

Sincerely,

Kimberly Fleck
Director of Finance
