BOARD MEETING MINUTES

**West Virginia Board of Licensed Dietitians
Minutes**

Board Meeting – August 14, 2017

**723 Kanawha Blvd. East
Room 105 – Union Building
Charleston, WV**

Members Present: Peg Andrews, Susan Arnold, Grady Bowyer, Mary Kathryn Gould, and Joan Starliper (via phone)

Non-Members Present: Nancy Hill, WVBOLD Administrative Assistant and Richard McGinnis, Public Member appointed by WVAND as the Consumer Protection Coordinator

Call to Order: The meeting was called to order at 4:00 PM by Peg Andrews, chair. A quorum was established.

Approval of Minutes: Motion #1 to approve the minutes of the November 28, 2016 meeting passed.

Treasurer's Report: FY 2017 budget was \$34,957.00 and at the end of the year (June 30, 2017) the WVBOLD had spent \$24,518.80. No money was taken by the state this year. FY 2018 budget is based on \$33,000. Account balance as of August 14, 2017 was \$53,632.33. Motion #2 to approve the Treasurer's report as presented was approved.

CE Audits: The audit for 2016 was an even-year audit, meaning fewer people were audited. Ten percent of licensees resulted in 16 people being audited. Letters were mailed October 3, 2016 requesting documentation of 20 hours of CPEs over the period of July 1, 2014 – June 30, 2016 by November 15, 2016. By the deadline, 13 satisfactory replies had been completed. The three who did not respond had either moved out of state or had not renewed their license in 2016. Three additional people were selected from the alternate license numbers. Those letters were mailed November 29, 2016 for submission by December 21. All CPE documentation was acceptable and no further action was needed. Emails were sent to all of the respondents to let them know that their documentation was received and accepted.

As this is an odd-year, 10% of 243 licensees (24) will be audited. Board members randomly drew 28 numbers between 1 and 243. The last 4 will be used as alternates.

Numbers drawn were as follows:

136, 32, 198, 205, 236, 210, 108, 127, 154, 238, 158, 110, 93, 209, 64, 143, 134, 144,
203, 117, 139, 113, 199, 10

Alternate: 52, 116, 145, 152

These numbers correspond to an alphabetical list of licensees who obtained their license in an odd-year; they are not license numbers.

Audit request letters will be mailed in early October with a November 15 deadline.

Complaint Follow-up: Two complaints (a scope of practice issue and information in a newspaper article) and one question from a national weight loss provider were received in the time since the last board meeting. Each complaint/question was reviewed by the board's attorney in the Attorney General's office.

A licensee questioned why the board does not make its budget public. A summary of the Treasurer's Report is available in the minutes of each board meeting and is provided on the website once the minutes are approved. Additionally, information on the budget will be supplied upon request.

Increasing the License Fee: The proposed fee increase was sent out for public comment in April 2017. Fees have not been increased since 1997 and changes were proposed in order to cover increasing expenses related to personnel, rent, technology, and attorney consultations. Following the public comment period, the proposed increase was refiled and submitted to the Legislative Rulemaking Review Committee. The proposed fees are as follows:

Original license - \$75

Renewal - \$75

Provisional - \$75

Late Renewal - \$125

Reinstatement - \$125

P-card Report: Between July 1, 2017 and August 14, 2017 9 bills have been paid using the p-card and the system appears to be working well.

Online Renewal of Licenses: Overall, the online renewal of licenses for FY 2018 worked very well. Several licensees inquired about when their license would arrive in the mail and those individuals were reminded that the board will no longer mail certificates, as they can be printed by the licensee immediately following the online renewal process. Compliments were received about the ease of the new process from active licensees and hospital HR departments because they now have immediate primary source verification.

To improve the process, board members discussed providing instructions on the website to go to the link where certificates can be printed and moving the most recent certificate from the bottom to the top of the list for ease in identification of the most current license.

Call Logs: Currently, a written log of questions directed toward the WVBOLD is maintained in the office. Since board members are located in multiple parts of the state, we will look into putting a board members only log on the website so all members can see what questions have been asked.

Goals, Objectives, and Performance Measures: The WVBOLD has met the majority of its goals established in 2015.

1. Decrease the average turnaround time to issue a license within three days.
2017 – same day online renewal; performance measure met
2. Enhance the website by the end of FY 2017 by adding application forms and frequently asked questions, updating the listing of all licensed dietitians, allowing licensees to pay fees using their debit or credit cards, and providing more space for continuing education descriptions on the application.
2017 – website revisions complete; goal met
3. Add to the website the ability to have employers confirm a member's status online by the end of FY 2017.
2017 – goal met

Goal for FY 2019 is to revise the provisional permit application to ensure it is not confused with the initial application for Registered Dietitian Nutritionist who are applying for their first license in the state, as well as to enable provisional and first-time licensees to obtain their license electronically.

Building Update: The building manager of the current office space would like to relook at the lease which expires in October. The board will look at other options as there are maintenance and safety concerns with the current location.

Board Positions: Board members agreed to continue in their current positions:

Chair: Peg Andrews

Treasurer: Grady Bowyer

Secretary: Mary Kathryn Gould

CPE Audit Chair: Susan Arnold

Administrative Assistant: Effective August 14, 2017, Nancy Hill has resigned from her position as Administrative Assistant. In the interim, Grady Bowyer has agreed to act as the administrative assistant per diem for a flat rate of \$150/week.

Document Storage: The state archives office will be contacted in order to inquire as to how long certain documents need to be kept.

The next board meeting has been scheduled for November 6, 2017 from 4-6 PM.

The meeting was adjourned at 6:30 PM

Board Meeting – October 4, 2017

**723 Kanawha Blvd. East
Room 105 – Union Building
Charleston, WV**

Members Present via Conference Call: Peg Andrews, Susan Arnold, Grady Bowyer, Mary Kathryn Gould, and Joan Starliper

Guests Present: Richard McGinnis (WVAND Liaison)

Call to Order: The meeting was called to order at 4:07 PM by Peg Andrews, chair. A quorum was established.

Administrative Assistant Position: Board members have reviewed the resume of Marguerite Price and approved her to be interviewed by Peg Andrews and Grady Bowyer. Peg and Grady believe she would be a good fit to the board.

Motion #1 to hire Marguerite Price was approved.

Month to Month Lease: The lease for WVBOLD current office space expired October 1. A month-to-month leases has been proposed to stay in this location while searching for a new location. The proposed month-to-month lease will run through March 31, 2018 at the latest. WVBOLD will continue to pay \$138/month for the rooms and \$70/month for parking.

Motion #2 to accept the month-to-month lease was approved.

Peg and Grady have looked at two locations already and will soon be looking at a third. The board agrees the cost should be kept to no more than \$300/month for the room and one parking space. Locations outside Charleston like South Charleston and Belle may need to be considered.

The meeting was adjourned at 4:32 PM.

Board Meeting – November 14, 2017

**723 Kanawha Blvd. East
Room 105 – Union Building
Charleston, WV**

Members Present: Peg Andrews, Susan Arnold (via conference call), Grady Bowyer, Mary Kathryn Gould

Members Absent: Joan Starliper

Guests Present: Richard McGinnis (WVAND Liaison)

Call to Order: The meeting was called to order at 4:30 PM by Peg Andrews, chair. A quorum was established.

Minutes: Motion #1 to approve the minutes from both the August 14, 2017 and October 4, 2017 meetings was approved.

Treasurer's Report: The account balance as of today is \$48,427.40. The per diem line item has been a bit higher, as Grady has filled in during the transition of administrative assistants. Purchases made include a cross-cut shredder to destroy sensitive material, a postage scale, printer ink, hanging folders, and 21 cent stamps to provide the additional postage for large envelopes rather than use another 49 cent stamp. A quote of \$1498.63 was provided by Dunbar Transfer to move the office contents to the new location. The new property manager has agreed to move us at no cost, which saves ~\$1500.

CE audit: Susan mailed 24 letters informing licensees they had been randomly selected for audits the first week of October, and provided November 15 as the deadline to submit documentation. Nineteen licensees have returned their information. Susan will draft a letter and Grady will email to the 5 individuals who have not returned their documentation reminding them of the deadline and that without substantiated documentation, their license will be suspended.

The board will discuss developing a procedural rule regarding failing to submit CEs in a timely manner at the next board meeting.

For the 2018-2019 audit, the board will need to emphasize to those being audited that CPE certificates need to be completely filled out (name and registration number) in order to be valid.

Office move: The current office in the Union Building is beginning to be cleared out. The new office is located at 101 Dee Drive, Suite D. Other occupants in the new location include the Board of Medicine and Licensed Practical Nurse (LPN) Board. The office offers parking and easy walk-in access. Our space is 224 sq feet and will cost \$275/month. We will be increasing our cost \$75/month. Rent begins Dec. 1st but we are able to move in a few days before (either Nov. 28 or 24 if the weather is bad on the 28th). WVBOLD office will be closed for two weeks beginning the week of Thanksgiving. The official reopening is Dec. 4 and this information will be posted to the website.

Retention Policy: At this time, a policy outlining the retention of documents does not exist for the WVBOLD. Board members used an example from the LPN Board and made revisions/tailored guidelines to the type of documents kept by this office. Peg will make the revisions and send an electronic copy to the board for review. Motion #2 was made and approved stating if a majority of board members rules in favor of the revision the document will be adopted as the record of retention policy.

Lease: The lease for the new office on Dee Drive was presented. Motion #3 to accept the lease as presented was approved.

Legislative rules: A call was received in the board office from the Legislative Rules Review Committee seeking documentation on why an increase in fees was proposed by the board. Grady replied the fee increase was necessary due to an increase in rent, attorney fees (\$100/hr) accrued several times in last 2 fiscal years, and the rising cost of board member travel. It was also noted that the fees have remained the same since 1997. The Legislative Rules Committee meeting will be either December 1, 2, or 3. Grady will be attending the meeting.

The meeting was adjourned at 6:00 PM.

Minutes**

Board Meeting – April 30, 2018

**101 Dee Drive, Suite D
Charleston, WV 25311**

Members Present: Peg Andrews, Grady Bowyer, Mary Kathryn Gould, Joan Starliper

Members Absent: Susan Arnold

Non-Members Present: Meredith Chapman, liaison from WVAND as the Consumer Protection Coordinator and Mark Weiler, Assistant Attorney General

Call to Order: The meeting was called to order at 3:58 PM by Peg Andrews, chair. A quorum was established.

Approval of Minutes: There was an edit to the tense of a word from the 11-9-2017 minutes: "was" to "were". Following this, a motion was made and seconded to approve the minutes as corrected. **Motion #1** to approve the November 9, 2017 meeting minutes passed.

Treasurer's Report: Grady provided Purchase Card statements for FY 2018, as well as the third quarter budget report. The FY 2018 budget was set at \$33,000. To date, we have spent \$23,885.62 with \$9,114.38 remaining for the fourth quarter. As of April 30, 2018, the cash balance was \$34,772.18. The need to increase the budget to \$38,000 for FY 2019 was discussed. This change is primarily due to the projected increased cost for personnel.

Motion #2 to increase budget from \$33,000 to \$38,000 for FY 2019 was approved

Website Update: The electronic application for new licensees was initiated and is working well. The application is submitted and then, the individual receives an email requesting payment. At this time the Social Security number is provided and prepopulated in the database.

There have been several requests to change the open enrollment timeframe for renewing licenses from May 1st to April 1st and board members agree this would be a good idea. With this change, licensees would receive an email at the end of March announcing the renewal

period. **Motion#3** to change the beginning of the renewal period from May 1 to April 1 was approved.

Complaints:

02-FY2018 – did not submit CPE documentation as requested during the random audit. This individual was contacted by certified mail, email, and phone, but has never responded. It was decided that since this is the renewal period for FY 2019, if the individual submits an application for renewal, it will be rejected as the continuing education requirements were not met. June 30, 2018 will be the last day for this individual to renew. If no renewal is requested, the license will fall into lapsed status. If at some point, the individual seeks a reinstatement of the license, it would be rejected due to failure to report CPE activities. At that time, the individual would be sent a certified letter outlining the reason for rejection and providing an opportunity to have a hearing.

01-FY2018 – E-mails have been received with complaints about this individual and program being presented. The complainants have described bad outcomes with regard to laboratory values. The individual offering the program has been contacted, but has not responded. The next step will be to set up a call with the individual or the head of the company employing the individual.

The person who initiated the complaint will be provided a status update through certified mail by June 1, 2018.

Issue #3 – A provisional license holder is approaching the end of the provisional license period and has yet to notify the board office of passing the CDR exam. If this individual attempts to renew the license, the status would be moved to “non-licensed” as the requirements of licensure have not been met. A certified letter would then be sent providing an explanation for the denial of licensure and outlining the appeal process. .

Hospital Condition of Participation:

The board office receives multiple inquiries about order writing privileges for RDNs. CMS has stated that a qualified dietitian can place diet orders; however, the facility’s medical staff has to improve and include in hospital policies. Title 64, Legislative Rule, WV Division of Health, Series 12, Hospital Licensure has not been updated to reflect the federal revisions. Section 7.3.k, “All therapeutic diets, including between meal nourishments, shall be prepared and served as prescribed by the attending practitioner,” is in opposition to federal guidelines. Board members agree that WVBOLD and the WV Academy of Nutrition and Dietetics (WVAND) need to collaborate and encourage revision. Mark will try to find out who would be responsible for revising the Hospital Licensure.

Legislative review: A request was made to increase the licensure fees, as they have not been increased in 20 years. Peg and Grady attending hearings to answer questions and ultimately HB 4079 supporting the increases were passed with an effective date of April 1, 2018.

New Business:

Renewal Notices: Notices of the renewal period will go out electronically and will indicate whether or not it is a year in which the licensee is required to document 20 hours of CEUs within the past two years. In FY 2020, this process will be completely electronic and no cash or checks will be accepted, only credit cards.

Applicants for office vacancies: Four applications for the open administrative assistant were reviewed. Peg and Grady interviewed and recommend the hiring of Jordyn Chapman.

Motion #4 to hire Ms. Chapman was approved. She will be offered \$10.50/hour to start, and will receive a performance evaluation at 3 months with the potential to increase her pay to \$11.00/hr. After the 3 month probationary period, she will receive an annual evaluation.

Primary Source Verification: The board office is receiving many requests to provide letters verifying licensure status. As we are trying to complete most tasks electronically, the board discussed adding information to the website describing how to verify an individual's license electronically. If a paper copy is required, a \$10.00 processing fee will be charged. **Motion #5** to add license verification instructions and fee information for paper copies was approved.

Next Meeting Date: Tentative August 27, 2018, 3:00 – 5:00 PM

The meeting was adjourned at 5:42 PM.

Board Meeting – August 27, 2018

**101 Dee Drive, Suite D
Charleston, WV 25311**

Members Present: Peg Andrews, Grady Bowyer, Susan Arnold, and Mary Kathryn Gould,

Non-Members Present: Jordyn Chapman, WVBOLD Administrative Assistant; Gina Wood, Public Member appointed by WVAND as the Consumer Protection Coordinator; Mark Weiler, Assistant Attorney General

Call to Order: The meeting was called to order at 2:56 PM by Peg Andrews, chair. A quorum was established.

Approval of Minutes: An edit to the Minutes from the April 30, 2018 meeting was made. The zip code of the meeting location was corrected to 25311. After the correction was made, the Minutes were approved through Motion #1.

2017 CEU Audit: An active 2017-2018 licensee did not submit documentation of CEUs after being randomly selected for CEU audit. A certified letter was mailed and received by the licensee; but evidence of CEUs was never received. The licensee did attempt to renew the license for the 2018-2019 year, but the renewal was denied due to failure to present documentation of CEUs. A request has been made for the former licensee to return any printed copies of a 2018-2019 license; however, none have been received at this time. A request to return any printed copies of a new license was made through certified letter, along with notification of 2018-2019 license denial.

Three Year Provisional License: After three years, a provisional licensee failed to show documentation of successfully completing the Registered Dietitian Examination and becoming a Registered Dietitian through the Commission on Dietetic Registration. The extension granted by the board has ended and the individual no longer holds a license to practice dietetics in West Virginia.

Complaint: Communication was made and complainant denies engaging in duties performed by a licensed dietitian. Approximately 30 days before the next board meeting, the

website will be reviewed for information regarding Medical Nutrition Therapy. It will then be determined if further action should be taken.

Treasurer's Report: Fiscal Year 2018 ended with a total of \$30,719.21 spent (\$3381 on P-Card) resulting in a balance of \$7,280.79. The Governor approved the FY 2019 budget increase request from \$33,000 – \$38,000. Motion #2, to approve the Treasurer's Report, was passed.

Website Update: All updates to the website for online renewal and applications for active and provisional licenses appear to be working as designed. No issues were noted in the 2018-2019 renewal process.

Renewal and New Licenses Report: The current licensee numbers are as follows: 462 active and 13 provisional for a total of 475.

2018-2019 Continuing Education Audit: The CEU audit for this fiscal year includes those who were initially licensed in an even year. Ten percent of 176 active licensees resulted in a random drawing of 18 LDs plus 2 alternates. Licensees will receive a letter requesting documentation of CEUs be provided for the audit.

Legislative Updates for 2019 Session: The following two changes were submitted for legislative review:

1. A reduction in the license reinstatement fee from \$125 to \$50.
2. A \$10 assessment for every license verification requested to be mailed to another state.

Hospital Conditions of Participation: Currently, Title 64, Legislative Rule, WV Division of Health, Series 12, Hospital Licensure, Section 7.3.k has not been updated to reflect current CMS guidelines enabling Registered Dietitians to write diet orders. The board would like members of WVAND to be aware of this in order to see if there is interest in creating a petition to have the WV Division of Health update the hospital licensure rule. Gina will inform the WVAND board of this issue.

Regulatory Review & Legislative Rule Submission: State boards are now required to review their rules and provide information addressing how often they have been revised and if there is a current need for revisions. These reviews are due November 1. At the Association of Licensing Board meeting, the Dental Board shared a format they used and the Association adopted the format. Grady prepared a review of the WVBOLD's five rules that include a description and justification of the rules, as well as dates when revisions were

made. Board members are to review these documents and provide feedback before they are submitted.

WIC Job Position Descriptions: During the 2018-2019 renewal period, the WVBOLD was contacted by an employee of WIC stating that because the job description does not require a registered/licensed dietitian, the individual does not need to be licensed to hold this position. Because clients of the WIC program may require medical nutrition therapy, the board believes that Regional Nutrition Directors of the program should be Registered and Licensed Dietitians. Mark will make some inquiries regarding how to proceed with this request and if it is viable.

Additional Money in Travel Line Item: The public member of WVBOLD made a suggestion to increase money in the travel line item to send one member of the board to a national meeting in order to remain abreast of current ideas and issues in the field. This would also serve as an incentive to future prospective board members to engage in service to the profession. Motion #3 to send one board member per year to a national meeting of the dietetics profession was approved.

Administrative Assistant: The three month probationary period for the administrative assistant will end next week. Jordyn is a fast learner and has been very efficient in her work. The board would like to increase her salary from \$10.50/hr. to \$11.50/hr. Motion #4 to increase the salary of the administrative assistant was approved.

Vacant Board Position: Due to the resignation of Joan Starliper, it is necessary for WVAND to provide the Governor with recommendations for her replacement. Gina will relay this message to the WVAND board.

The next board meeting is scheduled for November 5, 2018 from 3:00-5:00 PM.

The meeting was adjourned at 4:53 PM.

Hospital Conditions of Participation	<p>Gina was asked if WVAND discussed the issue of order writing privileges for dietitians at their board meeting. The issue was brought up, but no ideas were finalized on how to address it. It was discussed that a member of WVAND was going to contact an individual (Pepin) at the national level to seek guidance.</p>	<p>WVBOLD would like to have the President and others from WVAND, as well as RDs in acute care settings to meet and discuss a strategy to suggest a change in the current policy.</p>
Provisional License	<p>A question was received by a board member asking if it was appropriate for an individual who has not yet become registered but who has a provisional license to use the LD credential. A discussion ensued and it was determined that because LD implies the individual is a dietitian, it is not appropriate to use the LD credential until an individual has passed the registration examination.</p>	<p>Individuals with Provisional Permits can document they have the permit, but are not able to use the LD credential until after they have passed the RD exam.</p>
WIC Positions	<p>Currently none of the WIC position descriptions require a registered dietitian as a qualification and use of the word "nutritionist" is not protected in the state. Because it is likely that medical nutrition therapy is conducted in the setting, the board would like to at least have the director of WIC be required to be a Registered Dietitian.</p>	<p>The board will contact the Division of Personnel again to verify position descriptions.</p>
Regulatory Review & Legislative Rule Submission	<p>The review of WVBOLD legislative and procedural rules was presented to and accepted by the Governor's Office (James Bailey) and the Legislative Rule Making Review Committee. A template was created by Chapter 30 boards and will be used to complete the report.</p> <p>Revisions made to Legislative Rule, Series 1 – Licensure and Renewal Requirements were approved as amended:</p> <ul style="list-style-type: none">1.5.- date will be updated after final filing4.1.2.3- Reinstatement fee changed from \$125 to \$504.1.3- <i>A charge of \$10 will be assessed for each license paper verification per state, was added.</i>8.1.2.3 - Reinstatement language removed.

Treasurer's Report	<p>As of November 1, 2018, \$14,035.46 has been spent. Individual line items discussed were as follows: 3205-Internet, should budget \$1200 as monthly fees are approximately \$100. 3206-Contractual Service is budgeted at \$275 and could be used for an investigator if necessary. 3324-Treasurer's fees will need to be re-budgeted as the board is charged a 2.25% fee for credit cards and most all transactions for new licenses and renewals are by credit card. P-card charges were reviewed.</p>	
Website Updates	<p>A suggestion was made to remove board member contact information from the website as most email addresses are linked to primary employers of board members. Questions and issues will be filtered through the administrative assistant.</p> <p>An email was sent to all licensees asking if there were questions they would like to have addressed on a FAQ page. At this time, there have been no responses to email.</p> <p>The legislative auditor looks for many items on state websites, many of which the WVBOLD website does not have. The board will take a look at the list and see what the high volume issues are and which ones can be feasibly taken care of in the context of the budget. A 5-year plan will be created regarding upgrades to website</p>	<p>Remove board members phone numbers and emails from the website and use only the board office contact information. Will look at cost for wv.gov email for board members and consider at the next meeting.</p> <p>The board will develop a plan to gradually upgrade the website and will investigate having a search option added.</p>
License Updates	<p>Since August 27, 15 new licenses, including 3 provisional, were issued. Since July 1st there have been 64 electronic license verifications, 33 offline verifications, 13 online renewals and 3 offline renewals.</p>

2018 CE Audit	Only two individuals from the audit list failed to respond by the deadline. One stated they relocated out of state and the other said she did not get the original letter. The latter emailed her documents within an hour of being contacted. One licensee from the alterative list was selected for audit to take the place of the individual who moved out of state. The alternate was provided with a deadline of November 15 th .	In the future, the board will request documentation of CE audit be submitted electronically.
WVBOLD Nominations	WVAND board does not yet have any nominations for the open WVBOLD position. The WVAND president has requested board members to ask 2 people if they would be interested. It is not likely they will be able to get 8 people for the governor's list and will send an "all call" email to members of WVAND seeking volunteers.	
Board Position Descriptions	BRIM has asked if WVBOLD has position descriptions for board members. Because descriptions could not be located, new descriptions are being developed.	Descriptions will be finalized by the next board meeting.
