WEST VIRGINIA BOARD OF MEDICINE

Physician Assistant Committee Meeting Minutes

July 7, 2018

A meeting of the West Virginia Board of Medicine Physician Assistant Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 7th day of July 2018 at 9:00 a.m.

The following Committee members were present:

Kenneth Dean Wright, P.A.-C.
Harry E. Duncan, Jr., M.D.
Carrie Lakin, D.P.M.
Rev. Janet Harman
Victoria (Tori) Mullins, P.A.-C.

The following Committee members were absent:

David A. Mullins, M.D.
Russell O. Wooton, Esq.

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing
Diane M. Callison, Physician Assistant Licensure Analyst

With a quorum present, Mr. Wright called the meeting to order. A motion was made by Dr. Lakin to approve the minutes of the May 5, 2018, meeting of the Physician Assistant Committee. Dr. Duncan seconded the motion, and the motion carried.

**CALL TO
ORDER**

Mr. Wright led a brief discussion on collaboration practice between physician assistants and physicians in relation to the requirement of practice agreements. A follow-up on this topic is planned for the September Board meeting, including a discussion of possible recommendations to the Legislative Committee.

**APPROVAL
OF PUBLIC
MINUTES**

At its May 2018 meeting, the Physician Assistant Committee reviewed the licensure application of Cheryl-Ann Leslie-Theall, P.A.-C. Ms. Leslie-Theall's application was placed on hold and she was requested to review and amend her application prior to appearing before the Committee at its July meeting. Ms. Leslie-Theall submitted an amended application and she appeared before the Committee in support of her application. After an in-depth discussion with the applicant, including a discussion of continued omissions in her work and licensure history, Dr. Duncan moved that Ms. Leslie-Theall be given the opportunity to withdraw her application. Dr. Lakin seconded the motion, and the motion carried.

The Committee received an update in the matter of Richard Santostefano, Sr., P.A.-C. Mr. Santostefano entered with the Board on October 4, 2017, which restricted his practice to direct collaboration for a minimum period of six months. At its May meeting, the Physician Assistant Committee reviewed the documentation submitted by his collaborating physician, who had recommended lifting the direct supervision restriction. The Committee recommended Mr. Santostefano be released from his Consent Order. An Order Terminating Consent Order was entered on May 7, 2018.

The Physician Assistant Committee reviewed the following complete applications for physician assistant licensure:

1. Edward Beck Baldwin, III, P.A.-C.
2. Jean Trimble Bried, P.A.-C.
3. Brandon Phillip Carag, P.A.-C.
4. Holli Lucia Dalton, P.A.-C.
5. Lynn Ann Damico, P.A.-C. - #1190
6. Pricilla Gail Delp, P.A.-C.
7. Amy Leigh Dingess, P.A.-C.
8. Kari Rae Hunter, P.A.-C.
9. Kayla Marie Johns, P.A.-C.
10. Erica Michelle Paul, P.A.-C.
11. Kate Kennedy Pierce, P.A.-C.
12. Ashley Grace Reese, P.A.-C.
13. Adele Denise Rinchuse, P.A.-C.
14. Jenna Alyse Saltsgaver, P.A.-C.
15. Brittany Ann Sebben, P.A.-C.

No conflicts being declared, Dr. Lakin moved that the Committee recommend each such applicant for Physician Assistant licensure by the Board. Ms. Mullins seconded the motion, and the motion carried.

The Physician Assistant Committee reviewed the licensure application of Peter John Womack, P.A.-C. A discrepancy was noted by Board staff between the date of graduation on the diploma and the date on the education verification form submitted by George Washington University. Board policy has been to use the diploma date for data entry purposes, however, the diploma date only includes the month and year. Dr. Duncan moved that the Board utilize the graduation date provided on the verification form, and approve Mr. Womack for Physician Assistant licensure. Dr. Duncan further moved that in the event that the University provides different documentation of Mr. Womack's graduation date, his record be modified accordingly. Dr. Lakin seconded the motion, and the motion carried.

The Committee reviewed and discussed a proposed practice agreement that includes the delegation of physician assistant practice via telemedicine. Dr. Lakin moved that the agreement be authorized. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed and discussed an amended proposed practice agreement that includes the delegation of MAT, including via telemedicine. Ms. Harman moved that the agreement be authorized. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed the Consent Order and quarterly collaborating physician status reports of James Michael Lackey, P.A.-C. The two-years of continuous employment probationary period began with his employment on September 14, 2016. Ms. Harman moved that Mr. Lackey appear before the Physician Assistant Committee at its September meeting. Dr. Duncan seconded the motion, and the motion carried.

Ms. Thompson reported that sixty-six (66) practice agreements were authorized since the May 2018 meeting. Additionally, sixty-eight (68) alternate supervisors were designated.

There being no further business, the Physician Assistant Committee was adjourned by consensus.

The following Committee member was absent:

Rev. Janet Harman

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Mr. Wright called the meeting to order. A motion was made by Dr. Duncan to approve the minutes of the July 7, 2018, meeting of the Physician Assistant Committee. Dr. Lakin seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

James M. Lackey, P.A.-C. appeared before the Physician Assistant Committee in accordance with the terms of the Consent Order he entered with the Board on January 4, 2016. Mr. Wooton joined the meeting during Mr. Lackey's appearance before the Committee. Mr. Lackey was granted a physician assistant license pursuant to a period of probation which was imposed for his first two full years of practice after licensure. The probationary period is expected to end on September 18, 2018. After a thorough

discussion with Mr. Lackey, the Committee did not recommend any further action with respect to Mr. Lackey.

The Physician Assistant Committee reviewed the following complete applications for physician assistant licensure:

1. Caitlyn Justine Asbury, P.A.-C.
2. Brandon Edouard Bolduc, P.A.-C.
3. Jon-Michael Brunner, P.A.-C.
4. Daniel Thomas Burns, Jr., P.A.-C.
5. Emily Jane Butler, P.A.-C.
6. Chelsea Marie Camerlengo, P.A.-C.

17. Jacob Roger Stoner, P.A.-C.
18. Heidi Jo Stout, P.A.-C.
19. Elizabeth Virginia Ward, P.A.-C.
20. Hannah Elizabeth Warner, P.A.-C.

No conflicts having been declared, Dr. Lakin moved that the Committee recommend each such applicant for physician assistant licensure by the Board. Dr. Mullins seconded the motion, and the motion carried.

The Physician Assistant Committee reviewed the physician assistant licensure application of Laura Alohalani Waialae, P.A.-C. After a thorough discussion, Dr. Duncan moved that the Committee recommend Ms. Waialae for physician assistant licensure by the Board. Ms. Mullins seconded the motion, and the motion carried.

At its May 2018 meeting, the Physician Assistant Committee reviewed the licensure application of Cheryl-Ann Leslie-Theall, P.A.-C. Ms. Leslie-Theall's application was placed on hold and she was requested to review and amend her application prior to appearing before the Committee at its July meeting. Ms. Leslie-

Theall submitted an amended application and she appeared before the Committee in support of her application. After her appearance in July, Ms. Leslie-Theall was given the opportunity to withdraw her application. Ms. Leslie-Theall submitted a request to withdraw her application. Dr. Lakin moved that the Committee recommend to the Board to permit Ms. Leslie-Theall to withdraw her application for physician assistant licensure. Dr. Mullins seconded the motion, and the motion carried.

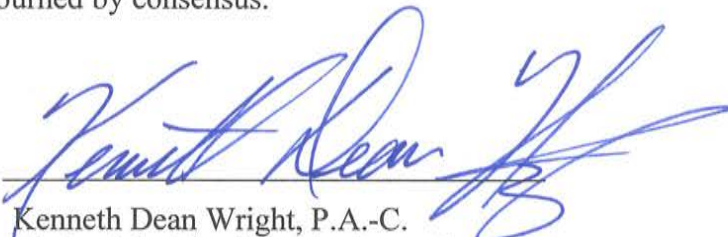

Mr. Wright led a discussion on possible changes in the regulation of physician assistant practice and suggestions for potential legislative changes to the West Virginia Physician Assistants Practice Act which are expected to be introduced during the 2019 legislative session by interested parties.

The Committee reviewed and discussed a query submitted by a physician assistant related to whether physician assistants may perform circumcision procedures. The Committee decided it needs more information and elected to review the issue and place it back on for consideration at its November meeting.

Ms. Thompson reported that fifty-four (54) practice agreements were authorized since the July 2018 meeting. Additionally, twenty-four (24) alternate collaborating physicians were designated.

There being no further business, the Physician Assistant Committee was adjourned by consensus.

Physician Assistant Committee Meeting Minutes

November 3, 2018

A meeting of the West Virginia Board of Medicine Physician Assistant Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 3rd day of November 2018 at 9:00 a.m.

The following Committee members were present:

Kenneth Dean Wright, PA-C
Harry E. Duncan, MD
Rev. Janet Harman
Carrie Lakin, DPM
David A. Mullins, MD
Victoria (Tori) Mullins, PA-C
Russell O. Wooton, ESQ

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Mr. Wright called the meeting to order. A motion was made by Dr. Mullins to approve the minutes of the September 8, 2018, meeting of the Physician Assistant Committee. Dr. Lakin seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

The Committee received an update on licensee James M. Lackey, PA-C, who entered into a Consent Order with the Board on January 4, 2016. Mr. Lackey's Consent Order restricted his practice to direct supervision for a minimum of the first 720 work hours, required a minimum two-year probationary period of his license and required all submitted practice agreements to be reviewed by the Physician Assistant Committee prior to authorization to practice. Mr. Lackey appeared before the Committee at its September 2018 meeting and the Committee did not recommend any further action. Mr. Lackey has

fulfilled the terms of his Consent Order, and his Consent Order terminated effective September 18, 2018.

The Physician Assistant Committee reviewed the following complete applications for physician assistant licensure:

1. Brittany Nicole Abruzzino
2. Paige Nicole Berkhouse

Mr. Wooton joined the meeting at this time and was present for the remainder of the meeting. The Physician Assistant Committee reviewed the remaining complete applications for physician assistant licensure after Mr. Wooton joined the meeting.

3. Jill Bethany Bethlehem
4. Heather Lynn Booth
5. Caitlyn M. Brown (#1661)
6. Peter John Villanueva Domaoal
7. Cristina Lee Eddy
8. Allison Marie Fansler
9. Christopher John Foti
10. Shannon Catherine Harman Kerr
11. Casey Shannon Hatfield
12. Jamie Elizabeth Jackson
13. Amber Dawn King
14. Gretchen Danielle Lantz
15. Katharine Victoria Lee
16. Sarah Catherine Lobert
17. Kelsey Dawn Mathis
18. Rebekah Ruth Rick
19. Rachel Marie McKay Rosa
20. Kacey Lynn Sebert
21. Shalee Lynn Shumiloff
22. Laura K. Smith (#1201)
23. Ian Christopher Stack
24. David Tomczyk
25. Kayla Marie Turconi
26. Raafeh Ahmed Waseem
27. Thomas Wilson Wood

No conflicts having been declared, Dr. Mullins moved that the Committee recommend each such applicant for physician assistant licensure by the Board. Dr. Duncan seconded the motion, and the motion carried.

The Physician Assistant Committee reviewed the Consent Order of Sarah Leigh LaSala, PA-C. Ms. LaSala entered into a Consent Order with the Board on April 24, 2018, which restricted her practice as a physician assistant to direct collaboration for a minimum period of six months. Ms. LaSala's collaborating physician submitted quarterly status reports as required and recommended lifting the restriction of direct collaboration. Dr. Lakin moved that the Committee recommend that the Board enter an order terminating Ms. LaSala's Consent Order. Dr. Duncan seconded the motion, and the motion carried.

Rev. Harman joined at this time and was present the remainder of the meeting.

Mr. Wright led a discussion on possible changes in the regulation of physician assistant practice and suggestions for potential legislative changes to the West Virginia Physician Assistants Practice Act which are expected to be introduced during the 2019 legislative session by interested parties.

The Committee reviewed and discussed a proposed practice agreement that includes the delegation of physician assistant practice via telemedicine in psychiatry. Dr. Lakin moved to authorize the practice agreement as submitted. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed and discussed a query submitted by the West Virginia Association of Health Plans related to the designation of physician assistants as primary care providers. Dr. Duncan moved that staff provide a response to the Association stating that nothing in the Medical Practice Act or the West Virginia Physician Assistants Practice Act precludes physician assistants from service as primary care providers, and this is a role PAs have played in primary care settings for years. The scope of a physician assistant's practice is established in her or her practice agreement. Ms. Mullins seconded the motion, and the motion carried.

The Committee initially reviewed and discussed a query submitted by a physician assistant related to whether physician assistants may perform circumcision procedures at its

September 2018 meeting. The Committee decided it needed more information and elected to review the issue and place it back on for consideration at its November meeting. After discussion, Dr. Mullins moved that circumcision not be approved as an advanced duty that physician assistants may perform independently. Rev. Harman seconded the motion, and the motion carried.

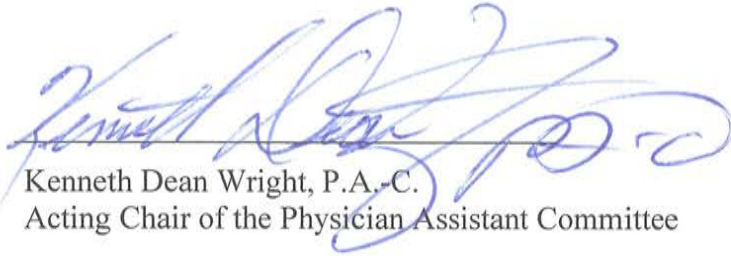

The Committee reviewed and discussed a query submitted by a physician assistant related to the delegation of the advanced duty of testosterone pellet implantation. Dr. Duncan moved that Testopel implantation may be delegated as an advanced duty if the requestor's submitted practice agreement is accompanied by satisfactory evidence of completion of appropriate training and a log of ten procedures completed by the physician assistant in the presence of a collaborating physician. Dr. Lakin seconded the motion, and the motion carried.

The Committee reviewed and discussed whether use of the Good Moral Character Statement form in the application for licensure for physician assistants was beneficial. The form is currently submitted by a medical doctor, doctor of osteopathy or podiatric physician who knows the applicant and attests, via notarized signature, the good moral character of the applicant, and that the applicant is physically and mentally capable of practicing as a physician assistant. The Committee determined that the applicant's moral character and ability to engage safely in practice as a physician assistant is more adequately determined through the answers provided in response to the Professional Practice, Character and Fitness application questions. Dr. Duncan moved that the Committee recommend to the Board that beginning January 1, 2019, the Board will no longer require applicants to submit Good Moral Character Statements in support of a licensure application. Dr. Mullins seconded the motion, and the motion carried.

Ms. Thompson reported that sixty-nine (69) practice agreements were authorized since the September 2018 meeting. Additionally, fifty-nine (59) alternate collaborating physicians were designated.

There being no further business, the Physician Assistant Committee adjourned
by consensus.

WEST VIRGINIA BOARD OF MEDICINE

Physician Assistant Committee Meeting Minutes

January 12, 2019

The Physician Assistant Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on January 12, 2019 at 9:05 a.m.

The following Committee members were present:

Kenneth Dean Wright, PA-C, Acting Chair
Harry E. Duncan, MD
Rev. Janet Harman
Jonathan P. Lilly, MD
David A. Mullins, MD
Russell O. Wooton, Esq.

The following Committee member was absent:

Victoria (Tori) Mullins, PA-C, Chair

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Acting Chair Mr. Wright called the meeting to order. Dr. Duncan moved that the Committee approve the minutes of its November 3, 2018 meeting as presented. Dr. Mullins seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

The Committee received an update on licensee Sarah Leigh LaSala, PA-C. Ms. LaSala entered into a Consent Order with the Board on April 24, 2018, which restricted her practice as a physician assistant to direct collaboration for a minimum period of six months. Ms. LaSala's collaborating physician submitted quarterly status reports as required and recommended lifting the restriction of direct supervision. On November 5, 2018, the Board entered an order, at the Committee's request, terminating Ms. LaSala's

Consent Order after her successful re-entry into practice. A copy of the Consent Order and Order Terminating Consent Order are available on the Board's website.

The Physician Assistant Committee reviewed the following complete applications for physician assistant licensure:

1. Stacy Megan Blake
2. Sharon Roberta Cain
3. Chase Emerson Duckwall
4. Randyl Erik Gessel (#1342)
5. Natalie Marie Kovatch
6. Alexandra Leigh Tranchini
7. Michele Gedeon Vidulich (#480)

With no conflicts declared, Dr. Duncan moved that the Committee recommend each identified applicant be granted a license to practice as a physician assistant in West Virginia by the Board. Rev. Harman seconded the motion, and the motion carried.

The Committee also reviewed the application of Tyler Joseph Zwahlen. At the applicant's request, the Committee deferred action upon Mr. Zwahlen's application until the Committee's March 2019 meeting.

Mr. Wooton joined the meeting at this time and was present for the remainder of the meeting.

The Committee reviewed a letter of inquiry seeking clarification concerning whether certain medical procedures are approved advanced duties for physician assistant practice. After robust discussion, Dr. Duncan moved that the Committee approve the following procedures as advanced duties for physician assistants:

LEEP

IUD removal

Intradermal injection of steroids

Dr. Mullins seconded the motion, and the motion carried. These procedures will be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospitals and Ambulatory Surgical Facilities*, which is available on the Board's website. The Committee also confirmed that anesthetic injections are a core duty for PAs, and that the following

medical acts all fall within the categories of advanced duties previously approved by the Committee:

- Shave biopsy

- Punch biopsy and simple closure

- Electrodessication and curettage

- Use of liquid nitrogen for destruction of warts and precancerous lesions

- Use of cantharidin for treatment of warts

The Committee reviewed and discussed the procedure for handling Physician Assistant reinstatement applications for expired licensees who seek to reinstate within a year of license expiration. In prior years, the Physician Assistant Committee personally reviewed all reinstatement applications, which required applicants to await a scheduled meeting for reinstatement and potentially delaying return to practice. Rev. Harman moved that, consistent with the Board's process for MD and DPM reinstatement applicants, Board staff may process physician assistant reinstatement applications which do not contain discrepant information. Applications with discrepant information will be presented to the Committee for review and action. Dr. Mullins seconded the motion, and the motion carried.

Mr. Spangler notified the Committee that physician assistant renewal is scheduled to commence on February 6, 2019 and to conclude on March 29, 2019. Board staff will provide a renewal update at the March meeting.

The Committee reviewed correspondence from a hospital requesting clarification with respect to whether a PA may prepare discharge summaries for patients at a secondary location if the PA was not involved in the patient's care. The Committee determined that physician assistant preparation of discharge summaries is governed by legislative rule, and directed Board staff to notify the hospital that W. Va. Code R. § 11-1B-9.1.q establishes that physician assistants may only "prepare patient discharge summaries if physician assistant has been directly involved in patient care[.]"

Ms. Thompson reported that Board staff authorized 35 practice agreements since November 5, 2018 and approved 49 alternate collaborating physicians.

There being no further business, the Physician Assistant Committee adjourned by
consensus.

Physician Assistant Committee Meeting Minutes

March 9, 2019

The Physician Assistant Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on March 9, 2019 at 9:00 a.m.

The following Committee members were present:

Tori Mullins, PA-C, Chair
Harry E. Duncan, MD
Rev. Janet Harman
Jonathan Lilly, MD
Angela Mayfield
Kenneth Dean Wright, PA-C

The following Committee member was absent:

Russell O. Wooton, Esq.

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Ms. Mullins called the meeting to order. The Committee welcomed Ms. Mayfield as a newly appointed Committee member. Mr. Wright moved that the Committee approve the minutes of its January 12, 2019, meeting. Dr. Duncan seconded the motion, and the motion carried.

**CALL TO

MINUTES**

The Physician Assistant Committee reviewed the complete applications for the following applicants seeking physician assistant licensure:

1. Dominic Michael Alesandrini, PA-C
2. Robin Mary Allen, PA-C
3. Shanna Michele Autrey, PA-C (#566)
4. Amber Rose Blackledge, PA-C

5. Lynette Joy Cline, PA-C (#1177)
6. Alexa Marie Falo, PA-C
7. Sha'Quayla Jean Hill, PA-C
8. Rachele Nicole Jeffries, PA-C
9. Raymond Jacob Johnson, PA-C

11. Jonathan Kirk Livers, PA-C
12. Kara Michelle Malagise, PA-C (#1452)
13. Aislinn Marie McIlvenny, PA-C
14. Megan Nicole Olish-Terry, PA-C (#1385)
15. Dustyn Gregory Pastors, PA-C
16. Alycia Marie Perrine, PA-C
17. Melissa Ann Rabinek, PA-C
18. Janet Lee Smith, PA-C
19. Leah Marie Trautzch, PA-C

No conflicts having been declared, Dr. Duncan moved that the Committee recommend each such applicant for physician assistant licensure by the Board. Mr. Wright seconded the motion, and the motion carried.

Farrah Syed Zahir, PA-C appeared before the Physician Assistant Committee in support of her application for licensure. Ms. Zahir was previously licensed as a physician assistant by this Board between March 12, 2007 and December 31, 2016. After a thorough discussion with Ms. Zahir, Mr. Wright moved that the Committee recommend to the Board that Ms. Zahir be granted physician assistant licensure contingent upon her acceptance of a Consent Order with the following terms:

1. Until further order of the Board:
 - a. Ms. Zahir may only practice in West Virginia through a Board approved practice agreement, regardless of her practice setting;
 - b. Any practice agreement she submits must be reviewed by the Physician Assistant Committee for approval prior to authorization;
 - c. Ms. Zahir shall practice under direct collaboration for a minimum of 1000 work hours;
 - d. Ms. Zahir's collaborating physician must send quarterly status reports updating the Board on her progress reentering PA practice, and a recommendation regarding when direct collaboration should be lifted; and

- e. Ms Zahir must appear before the Physician Assistant Committee at its discretion, but no later than six months after her return to clinical practice to discuss her reentry to practice.

Dr. Lilly seconded the motion, and the motion carried.

The Committee considered the request of a recent licensee to rescind a license which was issued in January 2019. Stacy Megan Blake, PA-C was granted licensure in January 2019. Prior to the Board meeting, she requested that her application be deferred until March 2019. March 2019 licensees are not required to participate in the 2019 renewal process, which concludes on March 29, 2019. Ms. Blake's deferral request was inadvertently overlooked. Similar requests to defer licensure are customarily granted. Rev. Harman moved to recommend to the Board that while the Board cannot rescind and reissue Ms. Blake's license, since the Board overlooked her valid deferral request, Ms. Blake's 2019 renewal fee of \$150 be waived. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed and discussed a practice agreement seeking clarification concerning whether a certain medical procedure is approved as an advanced duty for physician assistant practice. After robust discussion, Mr. Wright moved that the Committee approve the Mona Lisa Touch procedure as an advanced duty for physician assistants. Rev. Harman seconded the motion, and the motion carried. This procedure will be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospitals and Ambulatory Surgical Facilities*, which is available on the Board's website.

The Committee reviewed and discussed three proposed practice agreements including the practice of telemedicine, one of which includes MAT with telemedicine. Mr. Wright moved that the Committee authorize all three agreements. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed correspondence from a PA seeking guidance regarding whether physician assistant SOAP notes/progress notes need physician cosignature in a

hospital practice environment. Rev. Harman moved that the Committee direct staff to respond that while neither the Physician Assistants Practice Act nor the Board's legislative rules requires a physician to cosign progress notes, hospitals have the discretion to establish their own policy and practice requirements with respect to when a physician cosignature is required. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed correspondence from Community Care of West Virginia seeking guidance on how to complete practice agreements for PAs who may be scheduled to work at any of its 51 School-Based Health Centers and 15 Primary Care Clinics. Dr. Duncan moved that the Committee direct staff to respond that the physician assistant's primary practice locations must be included on the application form, and a list of all possible locations may be provided as an attachment to the practice agreement. The primary work locations will be provided on the Board's website. Dr. Lilly seconded the motion, and the motion carried.

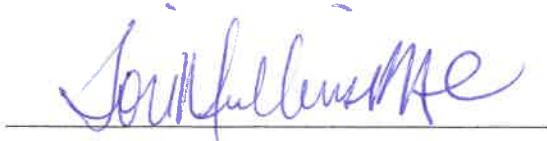

The Committee reviewed Senate Bill 668, which provides process changes for physician assistant practice authorization in hospital settings. Physician assistants employed by hospitals will be able to submit institutional practice notifications rather than practice agreements with individual collaborating physicians. If approved by the governor, the bill will require emergency rulemaking.

Physician Assistant licensure renewal began February 6, 2019. Staff reported approximately 60% of eligible PAs have renewed to date. The renewal deadline is 4:30 pm on Friday, March 29, 2019.

Ms. Thompson reported that 50 practice agreements were authorized since the January 2019 meeting. Additionally, 17 alternate collaborating physicians were designated.

There being no further business, the Physician Assistant Committee adjourned
by consensus.

Russell O. Wooton, Esq.
Kenneth Dean Wright, PA-C

The following Committee member was absent:

Jonathan P. Lilly, MD

The following Staff members were present:

Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Ms. Mullins called the meeting to order. A motion was made by Mr. Wright to approve the minutes of the March 9, 2019, meeting of the Physician Assistant Committee. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Farrah Syed Zahir, PA-C was offered a Consent Order to be granted a physician assistant license pursuant to the terms and conditions approved by the Board at the March 2019 meeting. During the pendency of her Consent Order, regardless of her practice setting: Ms. Zahir may only practice in West Virginia through a Board approved practice agreement, regardless of her practice setting; any practice agreement she submits must be reviewed by the Physician Assistant Committee for approval prior to

authorization; Ms. Zahir shall practice under direct collaboration for a minimum of 1000 work hours; Ms. Zahir's collaborating physician must send quarterly status reports updating the Board on her progress reentering PA practice, and a recommendation regarding when direct collaboration should be lifted; and Ms. Zahir must appear before the Physician Assistant Committee at its discretion, but no later than six months after her return to clinical practice to discuss her reentry to practice. Ms. Zahir accepted the terms and entered a Consent Order with the Board on May 8, 2019.

The Physician Assistant Committee reviewed the following complete applications for physician assistant licensure:

1. Sinead Deirdre Arndt
2. Geoffrey M. Blankenship (#1162)
3. Lana Julia Burdi
4. Kelsey Quinn Dekart
5. Richard Allen Flowers
6. Rachel Ann Harris
7. Sarah Beth Hunt
8. Katlyn Nicole Laird
9. Frank Steven Masino
10. Urlin Daniel Mathews, II (#1172)
11. Emily Frances Nelson
12. Nicole Leigh Niese
13. Maureen Gallagher Russell
14. Stacey Ann Smith
15. Ronald Ray Spruill, Jr.
16. Cierra Michelle Zeigler

No conflicts having been declared, Mr. Wooton moved that the Committee recommend each such applicant for physician assistant licensure by the Board. Dr. Duncan seconded the motion, and the motion carried.

The Committee reviewed and discussed an inquiry from a physician assistant clarification concerning whether fine needle aspiration biopsy is approved as an advanced duty for physician assistant practice. After robust discussion, Dr. Duncan moved that the Committee approve Fine Needle Aspiration Biopsy as an advanced duty for physician assistants in a clinic setting. Mr. Wright seconded the motion, and the motion carried. This procedure will be added to the Board's *Advanced Procedure List for all Practice Locations*

Except Hospitals and Ambulatory Surgical Facilities, which is available on the Board's website. The procedure will require the submission of 10 site specific logs for approval.

The Committee reviewed and discussed a practice agreement seeking to delegate Non-Stress Test (NST) Interpretations as an advanced duty to a physician assistant. After discussion, Mr. Wright moved that the Committee approve the practice agreement for authorization and approve Non-Stress Test (NST) Interpretations as an advanced duty for physician assistants. Rev. Harman seconded the motion, and the motion carried. This procedure will also be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospitals and Ambulatory Surgical Facilities*, which is available on the Board's website. The procedure will require the submission of 10 logs for approval.

The Committee reviewed Senate Bill 668, which provides process changes for physician assistant practice authorization in hospital settings. Physician assistants employed by hospitals will be able to submit institutional practice notifications rather than practice agreements with individual collaborating physicians. The bill requires the Board to promulgate legislative and emergency rules.

The Committee also reviewed Senate Bill 396, which requires the Board to grant waivers of initial licensing fees for eligible low income and military family applicants.

Physician Assistant licensure renewal began February 6, 2019 and ended March 29, 2019. Staff reported that 1038 licensees were eligible for renewal. One hundred twenty-five physician assistants did not renew. As of today, 945 the May meeting Committee meeting, there were 945 physician assistants are actively licensed by the Board.

Ms. Thompson reported that the Board authorized 75 practice agreements between March 11, 2019 and May 17, 2019. Additionally, the Board approved the designation of 7 alternate collaborating physicians.

Ms. Mullins, the Committee and Board staff congratulated Dean Wright on his new appointment to join the Marshall University Joan C. Edwards School of Medicine in preparation for the University's new physician assistant program. The program is undergoing the initial accreditation process.

Ms. Thompson informed the Committee that Diane Callison, Physician Assistant Licensure Analyst, has accepted another position and will be leaving her position in approximately two weeks. The Committee requested a card be available for its signature to thank Ms. Callison for her service to the Committee and Board.

There being no further business, the Physician Assistant Committee adjourned by consensus.

WEST VIRGINIA BOARD OF MEDICINE
Amended Licensure Committee Meeting Minutes
July 7, 2018

A meeting of the West Virginia Board of Medicine Licensure Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 7th day of July 2018, at 11:00 a.m.

The following Committee members were present:

Kenneth Dean Wright, P.A.-C., Acting Chair
Harry E. Duncan, M.D.
Rev. Janet Harman
Carrie Lakin, D.P.M.

The following Committee members were absent:

Mustafa Rahim, M.D., Chair
David A. Mullins, M.D.
Russell O. Wooton, Esq.

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

Amendments to the July 7, 2018 minutes which were approved on September 8, 2018, are in bold font.

Mr. Wright called the meeting to order. A motion was made by Dr. Lakin, and seconded by Dr. Duncan, to approve the minutes of the May 5, 2018, Licensure Committee meeting. The motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Nassir Rostambeigi, M.D. appeared before the Licensure Committee in support of his application for a permanent medical license. After a thorough discussion with Dr. Rostambeigi, Dr. Duncan moved that the Committee recommend that the Board accept his amended application and approve Dr. Rostambeigi for licensure pending payment of the PICF assessment fee. Dr. Lakin seconded the motion, and the motion carried.

At its May 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Gregory Arnold Nelcamp, M.D. Dr. Nelcamp was requested to appear before the Committee at its July 2018 meeting. After a thorough discussion with Dr. Nelcamp, Rev. Harman moved that the Committee recommend that the Board approve Dr. Nelcamp for licensure pending payment of the PICF assessment fee based on the following factors: his extensive experience prior to leaving clinical practice; he has remained current in continuing medical education; he holds eight unrestricted active licenses in other states, and he plans to practice solely administrative medicine. Dr. Duncan seconded the motion, and the motion carried.

At its May 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Benjamin Jay Bryant, M.D. Dr. Bryant was requested to appear before the Committee at its July meeting, however, was unable to attend the meeting. Dr. Lakin moved that Dr. Bryant be requested to appear at its September 2018 meeting, and that he be given the opportunity to request withdrawal of his application in lieu of appearing in September. Rev. Harman seconded the motion, and the motion carried.

Ruthie Shannon Cooper, M.D. appeared before the Licensure Committee in support of her application for a permanent medical license. After a thorough discussion with Dr. Cooper, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Cooper for licensure. Dr. Duncan seconded the motion, and the motion carried.

Nathan Timothy Pearson, M.D. appeared before the Licensure Committee in support of his application for a permanent medical license. After a thorough discussion with Dr. Pearson, Rev. Harman moved that the Committee recommend that the Board approve Dr. Pearson for licensure. Dr. Duncan seconded the motion, and the motion carried.

At its March 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Tarek Alasil, M.D. Dr. Alasil was requested to appear before the Committee at its May and July 2018 meetings, however, was unable to change his work schedule. Dr. Alasil's application is currently on hold per his request, and no action was taken by the Committee.

At its March 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Dennis Michael Grolman, M.D. Dr. Grolman was requested to appear before the Committee at its May 2018 meeting, however, he was unexpectedly unavailable for the May or rescheduled July meetings. Dr. Grolman submitted a request to withdraw his application. Dr. Duncan moved that the Committee recommend that the Board accept Dr. Grolman's withdrawal request. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Walid Saado, M.D. After a thorough discussion, Dr. Lakin moved that Dr. Saado appear before the Committee at its September 2018 meeting. Rev. Harmon seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Nina Roberta House, M.D. After a thorough discussion, Dr. Duncan moved that Dr. House appear before the Committee at its September 2018 meeting. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Muhammad Amer, M.D. After a thorough discussion, Dr. Lakin moved that Dr. Amer appear before the Committee at its September 2018 meeting. Rev. Harmon seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Yokesh Balaraman, M.D. After a thorough discussion, Dr. Duncan moved that Dr. Balaraman appear before the Committee at its September 2018 meeting. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the applications for a permanent medical license of the following applicants:

Mohamed Alfaris
Mohammed Salah Alreshidan
Gregory Dale Casey
Richard Henry Catlett, III
Yi-Wen Chen
Marcus Felix Cox
Matthew Ramey Craig
David Joseph Cygan
Brian Schmid Dye
Nadia A. Falah
Matthew Guy Kestenbaum
Nico Dorfling Kristen
Robert Aaron Looper

After a thorough discussion of each application, Dr. Duncan moved that the Committee recommend that the Board approve each of these applicants for licensure. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the applications for a permanent medical license of the following applicants:

Akshay Goel
Asti Pilika
Scott Kain Rineer
Kevin Sanford Smith
William Rost Walker

After a thorough discussion of each application, Dr. Duncan moved that the Committee recommend that the Board approve each of these applicants for licensure pending payment of the PICF assessment fee. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the applications for reactivation of the permanent medical license of:

Laura Anne Hotchkiss
Nathaniel Seth Laden

After a thorough discussion of both applications, Dr. Lakin moved that the Committee recommend that the Board accept the evidence of CME completion submitted by these applicants as satisfactory and approve both applicants for activation of licensure. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of John Della Badia, Jr., M.D. Dr. Della Badia was unable to produce a copy of his medical school diploma as it has been reported as lost or stolen. Dr. Della Badia provided a letter from his medical school confirming his graduation in June 1988, however, the school does not issue duplicate diplomas. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board accept the documentation in lieu of a copy of his medical diploma and approve Dr. Della Badia for licensure. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Samuel Chi Hei Lau, M.D. Dr. Lau attended his first two years of medical school at Saint Therasas Medical University, which closed in 2009.

After a thorough discussion, Dr. Duncan moved that the Committee recommend that the Board determine that Dr. Lau's first two years of medical school education has been satisfactorily verified because his transcript provided by his matriculating medical school Windsor University contains his accepted transfer credits from Saint Therasas Medical University and approve him for licensure. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Sherif Albert Felix, M.D. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board accept Dr. Felix's medical school education at Cairo University in Egypt as satisfactorily verified and approve him for licensure based on the following factors: there is currently civil unrest in Egypt and Cairo University has not complied with the requests for verification of education from the FCVS; and in accordance with current Board policy, two of Dr. Felix's classmates have submitted notarized letters attesting to graduating from medical school with him. Dr. Duncan seconded the motion, and the motion carried.

The Licensure Committee received an update on the Board's current rulemaking regarding 11 CSR 1A and 11 CSR 12.

Board Staff updated the Committee on the status of Interstate Medical Licensure Compact (IMLCC) applications. The following five applicants listed along with their state of principal licensure were granted permanent medical licensure through an IMLC application between the March 10 Licensure Committee meeting and the rescheduled March 19, 2018 Board meeting and were inadvertently omitted from being reported at the May meeting:

Billy N. Bravo	AZ
Michael Tinamisan Catausan	KS
Curtis Scott Hammerman	AZ
Marcjonathan Serota	WI
Lloyd David Wagner	AZ

The following fourteen applicants listed along with their state of principal licensure were granted permanent medical licensure through an IMLC application between the May 7 and July 9, 2018 Board meetings:

Hem Chand Aggarwal	IL
Jalal Ud-din Akbar	SD
Kavita Garg	CO
Jeffrey Wayne Grossman	ID
Min Sang Kim	MS
King Swee Leong	IL
Patricia Lynn Little	CO
Steven Robert Maynard	WA
Kristin Renee McCoy	CO
Keith Edward Pereira	AZ
Ali Asim Pitafi	SD
Alexis Udal Schmitt	AZ
Joan Hazel Sutcliffe	NH
Bradley Nels Younggren	WA

During this period two Letters of Qualification were issued to:

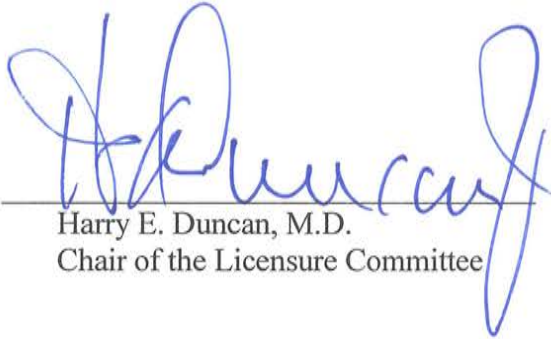

Adeel Ahmad
Teresa Elizabeth Frazer

A report was given by Ms. Thompson on the 2018 Renewal for Medical Doctors A - L, Controlled Substance Dispensing Practitioner Registrations and PLLCs. A final count is pending, however initial counts indicate that approximately 3557 physicians renewed their medical license and 541 medical licenses expired. With regard to Controlled Substance Dispensing Practitioner Registrations, 164 physicians renewed their registrations and 248 registrations expired. With regard to PLLCs, 115 PLLCs renewed 44 PLLCs expired, and 2 PLLCs notified the Board that they have closed their company.

The Licensure Committee reviewed and discussed the list of applicants whose application did not require an appearance or individualized discussion. The list includes one hundred sixty-eight initial medical doctor applications, eight initial medical doctor applications pending receipt of the PICF assessment fee, two reactivations of

medical licensure and one initial podiatric physician application. Dr. Lakin moved that the Committee recommend that the Board approve the applicants for licensure as indicated. Dr. Duncan seconded the motion, and the motion carried. A list of all approved applicants are incorporated into these minutes.

The Licensure Committee determined by consensus to adjourn, there being **ADJOURNMENT** no further business.

Licensure Committee Meeting Minutes

September 8, 2018

A meeting of the West Virginia Board of Medicine Licensure Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 8th day of September 2018, at 11:00 a.m.

The following Committee members were present:

Harry E. Duncan, M.D., Chair
Carrie Lakin, D.P.M.
David A. Mullins, M.D.
Victoria (Tori) Mullins, P.A.-C.
Russell O. Wooton, Esq.

The following Committee member was absent:

Rev. Janet Harman

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Sheree J. Thompson, Supervisor of Licensing

As newly appointed Chair, Dr. Duncan called the meeting to order. A motion was made by Mr. Wooton, and seconded by Dr. Lakin, to approve the minutes of the July 7, 2018, Licensure Committee meeting. The motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

At its July 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Muhammad Amer, M.D. Dr. Amer was requested to appear before the Committee at its September 2018 meeting. After a thorough discussion with Dr. Amer, Dr. Mullins moved that the Committee

recommend that the Board approve Dr. Amer for licensure. Mr. Wooton seconded the motion, and the motion carried.

At its July 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Nina Roberta House, M.D. Dr. House was requested to appear before the Committee at its September meeting. After a thorough discussion with Dr. House, Dr. Mullins moved that the Committee recommend that the Board approve Dr. House for licensure. Dr. Lakin seconded the motion, and the motion carried.

Larissa Braga Casaburi, M.D. appeared before the Licensure Committee in support of her application for a medical school faculty medical license. After a thorough discussion with Dr. Casaburi, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Casaburi for medical school faculty licensure. Mr. Wooton seconded the motion, and the motion carried.

At its July 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Yokesh Balaraman, M.D. Dr. Balaraman was requested to appear before the Committee at its September meeting. Ms. Thompson reported that Dr. Balaraman had phone conversations with Board staff regarding the appearance request. He also submitted a written explanation of his unavailability to attend the meeting and provided significant additional information in support of his application for the Committee's review. The Committee reviewed and discussed Dr. Balaraman's application and the supplemental information he supplied. Dr. Lakin moved that the Committee recommend that the Board accept the additional information to complete his application and approve Dr. Balaraman for licensure. Dr. Mullins seconded the motion, and the motion carried.

At its July 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Walid Saado, M.D. Dr.

Saado was requested to appear before the Committee at its September meeting. Instead, Dr. Saado submitted a request to withdraw his application. Dr. Mullins moved that the Committee recommend that the Board permit Dr. Saado to withdraw his application. Mr. Wooton seconded the motion, and the motion carried.

At its May 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Benjamin Jay Bryant, M.D. Dr. Bryant was requested to appear before the Committee at its July meeting, however, was unable to attend the meeting. Dr. Bryant was requested to appear at the Committee's September 2018 meeting, and also be given the opportunity to request withdrawal of his application in lieu of appearing in September. Dr. Bryant submitted a request to withdraw his application. Dr. Lakin moved that the Committee recommend that the Board permit Dr. Bryant to withdraw his application. Dr. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Mitchell Brandon Stotland, M.D. After a thorough discussion, Dr. Mullins moved that Dr. Stotland appear before the Committee at its November 2018 meeting. Mr. Wooton seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for reactivation of the permanent medical license of James Lawrence Fernau, M.D. After a thorough discussion, Dr. Mullins moved that Dr. Fernau appear before the Committee at its November 2018 meeting. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Mark Walter Penn, M.D. After a thorough discussion, Dr. Mullins moved that the Committee recommend that the Board approve Dr. Penn for licensure pending receipt of the PICF assessment fee. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Michael Ng, M.D. After a thorough discussion, Dr. Mullins moved that the Committee recommend that the Board approve Dr. Ng for licensure. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Edward Abell, M.D. Dr. Abell was unable to obtain a letter in lieu of a certificate that was never issued for completion of his postgraduate training in 1974. After a thorough discussion, Mr. Wooton moved that the Committee accept the postgraduate training as satisfactorily verified and approve him for licensure based on the receipt of his verification of training along with correspondence confirming Dr. Abell's position on the faculty. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed James M. Dauphin, M.D.'s application for a change of status of his West Virginia medical license from inactive status to active status. Dr. Mullins moved that the Committee recommend that the Board approve a change in status of Dr. Dauphin's license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Dauphin acknowledges that he inaccurately attested to the completion of all required CME in association with his 2018 license renewal application and that he can only provide evidence of completion of fifteen hours of CME for the July 1, 2016 through June 30, 2018 licensure cycle; (2) the Board accepts thirty-five hours of CME Dr. Dauphin has completed since July 1, 2018 in satisfaction of his CME deficiency for the period of July 1, 2016 through June 30, 2018; (3) Dr. Dauphin may not utilize any of the 35 hours used to satisfy his CME requirements for the current reporting period; and (4) Dr. Dauphin shall pay an administrative fine in the amount of \$3,500 for his CME delinquency and deficiency prior to his status change becoming effective. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed Michael Joel Shuster, M.D.'s application for a change of status of his West Virginia medical license from inactive status to active status. Dr. Mullins moved that the Committee recommend that the Board approve a change in status of Dr. Shuster's license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Shuster acknowledges that he inaccurately attested to the completion a 3 hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017; (2) the Board accepts Dr. Shuster's completion of a Board approved course in drug diversion training and best practice prescribing of controlled substances on May 20, 2018 in satisfaction of his CME deficiency for the period of July 1, 2015 through June 30, 2017; (3) Dr. Shuster may not utilize the May 2018 course in satisfaction on any CME obligations for the his current reporting period; and (4) Dr. Shuster shall pay an administrative fine in the amount of \$500 for his CME delinquency and deficiency prior to his status change becoming effective. Mr. Wooton seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Mandana Hashefi, M.D. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board accept Dr. Hashefi's medical school education at Tehran University of Medical Sciences in Iran as satisfactorily verified and approve her for licensure based on the following factors: there is currently not diplomatic relations with Iran; Tehran University has not complied with the requests for verification of education from the applicant or FCVS; and in accordance with current Board policy, two of Dr. Hashefi's classmates have submitted notarized letters attesting to graduating from medical school with her. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Adam Stephen Lundy, M.D. After a thorough discussion,

Mr. Wooton moved that Dr. Lundy appear before the Committee at its November 2018 meeting. Dr. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Derek Scott Buck, M.D. After a thorough discussion, Mr. Wooton moved that Dr. Buck appear before the Committee at its November 2018 meeting. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Zenoun Omar Abouzelam, M.D. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board accept Dr. Abouzelam's medical school education at Ain Sham's University in Egypt as satisfactorily verified and approve him for licensure based on the following factors: there is currently civil unrest in Egypt; Ain Shams University has not complied with the requests for verification of education from the applicant; and in accordance with current Board policy, two of Dr. Abouzelam's classmates have submitted notarized letters attesting to graduating from medical school with him. Mr. Wooton seconded the motion, and the motion carried.

The Licensure Committee received an update on the Board's preparation for issuing optional educational permits once the emergency rule for 11 CSR12 is approved by the Secretary of State's office.

Board Staff updated the Committee on the status of Interstate Medical Licensure Compact (IMLCC) applications. Seventy applications were received in the initial year of IMLC implementation ending June 30, 2018. Of those received, 66 have been issued licenses. One application is pending, one was denied due to already having an application pending, one withdrew, and one applicant deceased prior to completing the application.

Twenty-seven Letters of Qualification were also requested in the initial year. As of the end of June 2018, seventeen LOQs have been issued. Five applicants were denied, three applications expired, one was ineligible, and one is pending.

Ms. Thompson advised the Committee that IMLC updates will be provided for the two months preceding the Committee meetings beginning with the September 2018 meeting. Seventeen applications were received in July and August of 2018 and sixteen IMLC licenses have been issued. Four LOQs were requested in July and August, with one issued and three pending.

The following twenty-two applicants listed along with their state of principal licensure were granted permanent medical licensure through an IMLC application In July and August of 2018:

Stanley Francis Abramski	WA

The Licensure Committee reviewed and discussed the list of applicants whose applications did not require an appearance or individualized discussion. The list includes eighty-eight initial medical doctor applications, three initial medical doctor applications pending receipt of the PICF assessment fee and five reactivations of medical licensure. No conflicts having been declared, Dr. Lakin moved that the Committee recommend that the Board approve the applicants for initial licensure as indicated. Mr. Wooton seconded the motion, and the motion carried.

Dr. Mullins declared a conflict with the reactivation application for Matthew J. Metz, M.D. and left the meeting. No conflicts having been declared, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Metz for reactivation of licensure. Ms. Mullins seconded the motion, and the motion carried. Dr. Mullins rejoined the meeting. Dr. Lakin moved that the Committee recommend that the Board approve the remaining four applicants for reactivation of licensure. Ms. Mullins

seconded the motion, and the motion carried.

A list of all approved applicants are incorporated into these minutes.

The Licensure Committee determined by consensus to adjourn, there being **ADJOURNMENT** no further business.

WEST VIRGINIA BOARD OF MEDICINE
Licensure Committee Meeting Minutes
November 3, 2018

A meeting of the West Virginia Board of Medicine Licensure Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 3rd day of November 2018, at 10:50 a.m.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Rev. Janet Harman
Carrie Lakin, DPM
David A. Mullins, MD
Victoria (Tori) Mullins, PA-C
Russell O. Wooton, Esq.

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

Dr. Duncan called the meeting to order. A motion was made by Dr. Lakin, and seconded by Rev. Harman, to approve the amended minutes of the July 7, 2018, Licensure Committee meeting. The motion carried. A motion was made by Mr. Wooton, and seconded by Dr. Lakin, to approve the minutes of the September 8, 2018, Licensure Committee meeting. The motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

The Committee received an update on Consent Orders offered as a result of the September 2018 meeting cycle. James M. Dauphin, MD was offered a Consent Order to change his license from inactive to active status which imposed an

administrative fine of \$3,500 for his CME delinquency for the July 1, 2016 through June 30, 2018 licensure cycle, during which time he completed only 15 CME hours. Dr. Dauphin completed 35 CME hours out of cycle to satisfy his CME deficiency. The Consent Order prohibits Dr. Dauphin from utilizing any of these 35 CME hours to satisfy his CMEs for the current reporting period. Dr. Dauphin accepted the terms and the Consent Order was entered on October 2, 2018, at which time his license status was changed to active.

Joel Michael Shuster, MD was offered a Consent Order to change his license from inactive to active status which imposed an administrative fine of \$500 due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017. The Board accepted Dr. Shuster's completion of the course out of cycle in satisfaction of his delinquency. The Consent Order prohibits Dr. Shuster from utilizing the accepted course to satisfy any CME obligations for the current reporting period. The Board has received the signed Consent Order from Dr. Shuster, which is pending the signatures of the Board President and Secretary.

At its May 2018 meeting, Cynthia Erin Prather, MD appeared before the Licensure Committee in support of her application for reactivation of her permanent medical license after a lengthy absence from practice. The Licensure Committee placed Dr. Prather's application on hold pending her attaining a passing score on the Federation of State Medical Board's Special Purpose Licensing Exam (SPEX) and her submission of a proposed plan for reentry to practice. The Board received notification of Dr. Prather's passing SPEX exam score in September 2018 and Dr. Prather submitted her proposed plan for reentry to practice in October 2018, along with a request to appear before the Committee at its November 2018 meeting. After a thorough discussion with Dr. Prather, Mr. Wooton moved that the Committee recommend that the Board approve Dr. Prather for reactivation of licensure pending receipt of the Patient Injury Compensation Fund (PICF) fee. Ms. Mullins seconded the motion, and the motion carried.

Sebastian Francis Cruz-Schiavone, MD, appeared before the Licensure Committee in lieu of having his application for a permanent medical license reviewed and discussed. After a thorough discussion with Dr. Cruz-Schiavone, Dr. Mullins moved that the Committee recommend that the Board approve Dr. Cruz-Schiavone for licensure. Rev. Harman seconded the motion, and the motion carried.

Hussain Mohammad H. Naseri, MD, appeared before the Licensure Committee in lieu of having his application for a permanent medical license reviewed and discussed. After a thorough discussion with Dr. Naseri, Dr. Mullins moved that the Committee recommend that the Board approve Dr. Cruz-Schiavone for licensure pending receipt of the PICF fee. Mr. Wooton seconded the motion, and the motion carried.

Jodi Lynn Long, DPM, requested to appear before the Licensure Committee in lieu of having her application for a permanent podiatric license reviewed and discussed. After a thorough discussion with Dr. Long, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Long for permanent podiatric licensure pursuant to Dr. Long's acceptance of a Consent Order with the following terms, conditions, limitations and restrictions related to her re-entry into surgical podiatric practice:

Prior to engaging in the unsupervised practice of surgical podiatric medicine pursuant to her West Virginia license, Dr. Long shall complete a proctoring regimen designed to ensure her clinical skills are current and appropriate for the practice of surgical podiatric medicine.

For the purposes of Dr. Long's Consent Order "surgical podiatric medicine" shall mean the practice of podiatric medicine involving operative care for foot and/or ankle conditions requiring the use of sterile preparation and a sterile field with or without anesthesia.

Dr. Long's proctoring regimen shall comport with the following requirements:

- a. Dr. Long shall be proctored by a West Virginia licensed podiatric physician ("Proctoring Physician") who has been approved by the Board to serve as a proctor for Dr. Long.
- b. In order to be eligible to serve as proctor for Dr. Long, and prior to initiating the proctoring regimen, the Proctoring Physician must be familiar with the terms and conditions of the Consent Order and must submit written notification to the Board that he or she understands the terms of the proctorship imposed by the Order and agrees to submit the required documentation associated with the proctorship.
- c. Prior to engaging in the unsupervised practice of surgical podiatric medicine pursuant to her West Virginia license, Dr. Long shall complete a proctoring regimen of a minimum of six weeks.
- d. The proctoring regimen shall include the performance of the following specific procedures under direct supervision of the Proctoring Physician. For each procedure and/or item, the minimum required number of proctored cases is indicated. For the purposes of the Consent Order, each proctored case must be associated with a unique patient. Multiple procedures on the same patient constitute one case for the purposes of the proctoring required by the Consent Order.

Procedures	Minimum Number of Proctored Cases
Incision and drainage of deep infection(s) of the foot or ankle	5
Osseous elective procedures of the forefoot such as bunionectomy, hammertoe corrections, hallux varus correction, exostectomy, joint replacement or fusion of metatarsophalangeal joint or proximal interphalangeal joint and/or digital amputations	10
Non-osseous elective procedures such as endoscopic plantar fasciotomy (EPF), neuroma removal and/or cyst removal	10
Surgical care of traumatic injuries of the foot or ankle such as deep laceration and/or removal of a foreign body deep to the subcutaneous layer	5

- e. At the discretion of the Proctoring Physician, the number of proctored procedures can be increased as needed to ensure that Dr. Long's clinical skills are satisfactory.
- f. Upon completion of the proctoring regimen, the proctoring physician shall submit a report to the Board containing a certification that the proctoring regimen was successfully completed, and recommendations regarding Dr. Long's independent practice of surgical podiatric medicine.
- g. Once the Board receives and reviews documentation from the proctoring physician which indicates that Dr. Long is recommended for independent surgical podiatric practice, with or without conditions, the Board will notify Dr. Long that she may commence independent surgical podiatric practice.

The proposed Consent Order would terminate by Order of the Board when the Board, in its discretion, determines that all of the terms and conditions imposed upon Dr. Long's license should be lifted.

Dr. Mullins seconded the motion, and the motion carried.

At its September 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Adam Stephen Lundy, MD, and requested that Dr. Lundy appear before the Committee at its November meeting. After a thorough discussion with Dr. Lundy, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Lundy for licensure. Ms. Mullins seconded the motion, and the motion carried.

Dr. Mullins and Mr. Wooton left the meeting at this time and did not return. The Committee, continuing to have a quorum present, continued with the meeting.

At its September 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Derek Scott Buck, MD, and requested that Dr. Buck appear before the Committee at its November meeting. After a thorough discussion with Dr. Buck, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Buck for licensure. Rev. Harman seconded the motion, and the motion carried.

Edward Joseph Silvio Picardi, MD, appeared before the Licensure Committee in lieu of having his application for a permanent medical license reviewed and discussed. After a thorough discussion with Dr. Picardi, Dr. Lakin moved that Dr. Picardi's application be placed on hold pending receipt of additional information. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Michael Hosny Gabriel, MD. After a thorough discussion, Dr. Lakin moved that Dr. Gabriel appear before the Committee at its January 2019 meeting. Ms. Mullins seconded the motion, and the motion carried.

At its September 2018 meeting, the Licensure Committee reviewed and discussed the application for a permanent medical license of Mitchell Brandon Stotland, MD and requested that Dr. Stotland appear before the Committee at its November meeting. Dr. Stotland was unable to attend a Saturday meeting and requested to either not be required to appear or to appear on a different day of the week. After a thorough discussion, Rev. Harman moved that Board staff be authorized to reach out to Dr. Stotland for additional information. If such information supports the scheduling of his appearance on an alternate day of the week, the Committee requests that the application be transferred to the January 2019 meeting of the Executive Management Committee so that the applicant's appearance may occur on a day other than Saturday. Ms. Mullins seconded the motion, and the motion carried.

At its September 2018 meeting, the Licensure Committee reviewed and discussed the application for reactivation of the permanent medical license of James Lawrence Fernau, MD, and requested that Dr. Fernau appear at its November meeting. Dr. Fernau had a conflict with the date of the November meeting and was unable to appear. After discussion, Dr. Lakin moved that Dr. Fernau appear before the Committee at its January 2019 meeting. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Mark William McCurry, MD. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board approve Dr. McCurry for licensure pending receipt of the PICF assessment fee. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent podiatric license of Christopher Eric Majewski, DPM. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Majewski for licensure. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Eric Richmond Fenn, MD. After a thorough discussion, Rev. Harman moved that the Committee recommend that the Board approve Dr. Fenn for licensure. Dr. Lakin seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Casandra Arevalo Marcano, MD. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board accept Dr. Marcano's medical school education at Universidad Central de Venezuela, Escuela de Medicina Luis Razeit in Venezuela as satisfactorily verified and approve her for licensure based on the following factors: there is civil unrest that includes a reported strike at the medical school; and in accordance with current Board policy, two of Dr. Marcano's classmates have submitted notarized letters attesting to graduating from medical school with her. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Jana Betsy Alyce Macleod, MD. Dr. Macleod was unable to obtain an official transcript of her LMCC exam scores from the Medical Council of Canada. A copy of her LMCC exam scores that had been received from the Canadian Council during her earlier application for licensure in Georgia was provided by the Georgia Composite Medical Board. In addition, Dr. Macleod has not been practicing in the United States for several years. After a thorough discussion, Dr. Lakin moved that Dr. Macleod's application be placed on hold pending receipt of additional information, and that the applicant be offered the opportunity to appear before the Committee at its January 2019 meeting. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed Charles Matthew Justice, MD's application for a change of status of his West Virginia medical license from inactive status to active status. Ms. Mullins moved that the Committee recommend that the Board approve a change in status of Dr. Justice's license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Justice acknowledges that he inaccurately attested to the completion a 3 hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2016 and June 30, 2018; (2) the Board accepts Dr. Justice's completion of a Board approved course in drug diversion training and best practice prescribing of controlled substances on October 12, 2018 in satisfaction of his CME deficiency for the period of July 1, 2016 through June 30, 2018; (3) Dr. Justice may not utilize the October 2018 course in satisfaction on any CME obligations for the his current reporting period; and (4) Dr. Justice shall pay an administrative fine in the amount of \$500 for his CME delinquency and deficiency prior to his status change becoming effective. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Cornell Jacobus Overbeeke, MD. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Overbeeke for licensure pending receipt of the PICF assessment fee. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of John Wagdy William Fahim Ibrahim, MD. After a thorough discussion, Dr. Lakin moved that the Committee recommend that the Board approve Dr. Ibrahim for licensure. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of John Henry Velyvis, MD. After a thorough discussion,

Rev. Harman moved that the Committee recommend that the Board approve Dr. Velyvis for licensure pending receipt of the PICF assessment fee. Ms. Mullins seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for reactivation of the permanent medical license of Sunila Mehrotra, MD. After a thorough discussion, Dr. Lakin moved that Dr. Mehrotra appear before the Committee at its January 2019 meeting. Rev. Harman seconded the motion, and the motion carried.

The Licensure Committee reviewed and discussed the application for a permanent medical license of Michael Scott Fenster, MD. After a thorough discussion, Rev. Harman moved that the Committee recommend that the Board approve Dr. Fenster for licensure. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed whether use of the Good Moral Character Statement form in the application for licensure for medical doctors and podiatric physicians was beneficial. The form is currently submitted by a fellow medical doctor or podiatric physician who knows the applicant and who attests, via notarized signature, to the good moral character of the applicant, and that the applicant is physically and mentally capable of practicing as a medical doctor or podiatric physician. The Committee determined that the applicant's moral character and ability to engage safely in practice as a physician or podiatric physician is more adequately determined through the answers provided in response to the Professional Practice, Character and Fitness application questions. Dr. Lakin moved that the Committee recommend to the Board that beginning January 1, 2019, the Board no longer require applicants to submit Good Moral Character Statements in support of a licensure application. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed modification to update the application instruction language which currently reads:

For schools located in countries under Communist rule or presently engaged in civil war, we will accept notarized letters from two (2) classmates, officials of the school, professors, etc., who will swear to your graduation and who were at the school the same time you were. These letters must give the name of the school, the dates both you and the letter writer started and graduated (month, day, year). The letters must be received by the West Virginia Board of Medicine directly from the letter writer, not from you. These letters will not be accepted by the board just because it will take a long time to have your school complete this form. It will be up to the Board office to determine which schools cannot or will not complete this form.

Dr. Lakin moved that the Committee recommend to the Board to continue the practice of accepting notarized letters from classmates and to replace the school description with, "For medical schools located in countries experiencing known civil unrest or countries with no diplomatic relations with the United States, ..." Ms. Mullins seconded the motion, and the motion carried.

An inquiry was made by a hospital chief quality officer for clarification of the scope of practice questions for a podiatric physician who has been granted privileges to perform ankle surgery in their hospital. While the Board cannot opine on local credentialing and privileging practices, all patient care provided by podiatric physicians should be consistent with podiatric medical practice in West Virginia. The Committee informed the staff to offer the following scope of practice guidance:

1. A podiatric physician may perform Achilles tendon lengthening, even if it involves an incision above the ankle.
2. A podiatric physician may perform ankle repair fracture that may involve the tibia and fibula.
3. A podiatric physician may not take skin grafts from above the ankle.

4. A podiatric physician may treat venous status ulcers above the ankle and below the knee if simultaneously treating venous status ulcers that are at or below the ankle on the same leg.

Board staff updated the Committee on the status of Educational Permit applications. Since the approval of the emergency rule for 11 CSR12 the Board received 88 educational permit applications through October 31, 2018. Eighty permits have been issued.

Board staff updated the Committee on the status of Controlled Substance Dispensing Practitioner Registration applications. There are currently 469 medical doctors, 16 podiatric physicians and 23 physician assistants who are registered as controlled substance dispensing practitioners. The total includes 13 medical doctor and 6 physician assistant registrations which were issued after July 1, 2018.

Board staff reported that 15 reinstatement applications were received since July 1, 2018. Thirteen have been processed, with ten requesting active status, and three requesting inactive status. Two applications are pending additional information. In addition, five applications for change of license status from inactive to active status were received. Four have been processed and one is pending.

Board Staff updated the Committee on the status of Interstate Medical Licensure Compact Commission (IMLCC) applications. The Board received twenty-three applications in September and October of 2018 and issued 22 licenses pursuant to the IMLCC. One applicant was not eligible due to having been previously licensed by the Board requiring submission of a reactivation application.

In September and October 2018, the Board received four requests for Letters of Qualification (LOQs). The Board issued two LOQs and two requests are pending.

Since July 1, 2018, the Board has received 40 applications for IMLCC licensure and eight LOQs requests. Four applications and three LOQ requests remain pending at this time.

The following twenty-two applicants, listed along with their state of principal licensure, were granted permanent medical licensure through an IMLCC application in September and October of 2018:

State of Principal Licensure	Licensee
NH	Francis Michael Adams
CO	Linus Ngante Akamangwa
IL	Ayoob Ali
WI	Kalil Ibrahim Al-Nassir

MS	Anthony Louis Schmidt
WA	Kyle Benton Varner
MT	Charles Richard Wilson
AZ	Judy Yun-Lun Wu

During this period Letters of Qualification were issued to:

Akash Vijaykumar Ajmera
Kevin Douglas Maupin

The Licensure Committee reviewed and discussed the list of applicants whose applications did not require an appearance or individualized discussion. The list includes fifty-nine initial medical doctor applications, five initial medical doctor applications pending receipt of the PICF assessment fee, five reactivation of medical license applications and five initial podiatric physician applications. No conflicts were declared with respect to any of these applicants.

Dr. Lakin moved that the Committee recommend that the Board approve the applicants for initial licensure as indicated. Rev. Harman seconded the motion, and the motion carried.

Rev. Harman moved that the Committee recommend that the Board approve the applicants for reactivation of licensure. Dr. Lakin seconded the motion, and the motion carried.

Dr. Lakin moved that the Board approve the four applicants for podiatric physician licensure. Rev. Harman seconded the motion, and the motion carried.

A list of all approved applicants are incorporated into these minutes.

The Licensure Committee determined by consensus to adjourn, there being **ADJOURNMENT** no further business.

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

January 12, 2019

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on January 12, 2019 at 10:30 a.m.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Rev. Janet Harman
Jonathan P. Lilly, MD
David A. Mullins, MD
Russell O. Wooton, Esq.

The following Committee member was absent:

Victoria (Tori) Mullins, PA-C

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Greg S. Foster, Board Attorney
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Dr. Duncan called the meeting to order. Rev. Harman moved that the Committee approve the minutes of its November 3, 2018 meeting as presented. Dr. Mullins seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

The Committee received an update on Consent Orders offered at the request of the Committee:

**CONSENT
ORDERS**

1. **Michael Joel Shuster, MD** was offered a Consent Order to change his license status from inactive to active status due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017. The Consent Order, which imposed an administrative fine of \$500 and accepted Dr. Shuster's completion of the course out of cycle in satisfaction of his delinquency, was entered on November 5, 2018.

2. **Charles Matthew Justice, MD** was offered a Consent Order to change his license status from inactive to active status due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2016 and June 30, 2018. The Consent Order, which imposed an administrative fine of \$500 and accepted Dr. Justice's completion of the course out of cycle in satisfaction of his delinquency, was entered on December 21, 2018.

3. **Jodi Lynn Long, DPM** was offered an opportunity to be licensed via Consent Order after her appearance before the Committee in November 2018. The proposed Consent Order would have restricted Dr. Long from practicing surgical podiatric medicine until she had completed a specific proctoring regimen. Dr. Long failed to accept the Consent Order by the established deadline. The Committee reviewed and discussed communications between Dr. Long and the Board since the November Committee meeting. Thereafter, Rev. Harman moved that Dr. Long's application be placed on hold until the March 2019 meeting. Rev. Harman further moved that Dr. Long be offered the opportunity to request to withdraw her application for podiatric licensure. Dr. Lilly seconded the motion, and the motion carried.

All executed Consent Orders are publicly available on the Board's website.

James Lawrence Fernau, MD appeared before the Committee in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. After a thorough discussion with Dr. Fernau, the applicant requested that his application be placed on hold and that he be given the opportunity to supplement his application. Having deliberated upon the applicant's request, Dr. Mullins moved that Dr. Fernau's application be placed on hold pending the receipt of additional information, or in the alternative, that Dr. Fernau be given the opportunity to withdraw his application. Dr. Lilly seconded the motion, and the motion carried.

David Philip Richards, MD appeared in support of his application for a medical school faculty license to practice and teach at the medical center of West Virginia University School of Medicine's Eastern Division. During discussion with Dr. Richards, there was some confusion regarding the physical location designated as the medical center of the Eastern Division. After a through discussion, and after reviewing the requirements for a medical school faculty license, Dr. Mullins moved that the Committee approve Dr. Richards' application and recommend that the Board grant Dr. Richards a medical school faculty license to practice medicine and surgery at the medical center of the West Virginia University School of Medicine's Eastern Division. Dr. Mullins further moved that if West Virginia University advises the Board that the medical center of the Eastern Division is Jefferson Medical Center located at 300 S. Preston Street, Ranson, WV 25438, rather than the currently identified location of WVU Health Science Center – Eastern Division, 2500 Foundation Way, Martinsburg, WV 25401, WVU must submit a new Certification of Faculty Appointment which includes the appropriate location and Dr. Richard's will be authorized to practice as medical school faculty at the appropriate location of the division medical center. Rev. Harman seconded the motion, and the motion carried.

Seyfi Alper Toker, MD appeared before the Committee in support of his application for a restricted license in extraordinary circumstances ("extraordinary

circumstance license”). After a thorough discussion with the applicant, and after reviewing the requirements for extraordinary circumstance licenses, Rev. Harman moved that the Committee place Dr. Toker’s application on hold pending the receipt of additional information in the form of letters of reference from physicians currently practicing in the United States who are familiar with Dr. Toker and his practice of cardiothoracic medicine. Dr. Lilly seconded the motion, and the motion carried.

Sunila Mehrotra, MD was scheduled to appear before the Committee today in support of her application for licensure reactivation. However, on January 9, 2019, Dr. Mehrotra communicated to the Board that she would not be able to appear due to an unexpected family emergency. Mr. Wooton moved that the Committee reschedule the applicant’s appearance for March 2019. Rev. Harman seconded the motion, and the motion carried.

Michael Hosny Gabriel, MD appeared before the Committee in support of his application for medical licensure. Dr. Gabriel advised the Committee that, although he has legal counsel in connection with his pending application and understands that he may have them accompany him before the Committee, he affirmatively elected to appear before the Committee without his attorneys and voluntarily engaged with the Committee without legal counsel present. The Committee engaged in a thorough discussion with the applicant and reviewed Dr. Gabriel’s application, including but not limited to the following facts and information:

1. On June 28, 2012, based upon his plea of guilty, Dr. Gabriel was adjudicated guilty of the felony offense of conspiracy to distribute and possess with intent to distribute the controlled substance Adderall, in violation of 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(C) in the matter of United States of America v. Michael Hosny Gabriel, Case Number CR10-588. This adjudication constitutes a felony conviction involving prescribing, selling, administering, dispensing, mixing, or otherwise preparing any prescription drug, including any controlled substance under

state or federal law, for other than generally accepted therapeutic purposes within the meaning of W. Va. Code § 30-3-14(d);

2. The Board also considered the facts and circumstances as set forth in the September 8, 2010 Information filed against Dr. Gabriel in the matter of United States of America v. Michael Hosny Gabriel, Case Number CR10-588;
3. Between May 1, 2008 and December 21, 2009, Dr. Gabriel knowingly and intentionally conspired to distribute and possessed with the intent to distribute a Schedule II Controlled Substance, Adderall within the jurisdiction of the United States District Court for the Eastern District of New York;
4. Dr. Gabriel obtained access to the Schedule II Controlled Substance by affirmatively seeking and obtaining a prescription pad from the pharmacy of the hospital where he was engaged in training, despite having no legitimate need for access to a prescription pad. Dr. Gabriel used the prescription pad to prescribe Schedule II Controlled Substances with no legitimate medical purpose and outside the bounds of medical practice to sell to others;
5. The scope of Dr. Gabriel's prescribing and selling of a controlled substance outside the bounds of the medical profession was such that he received money and property equal to or greater than the sum of his forfeiture judgment, which was \$88,500;
6. The Board considered the terms, conditions and sentence imposed upon Dr. Gabriel in the Judgment issued in 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(C) in the matter of United States of America v. Michael Hosny Gabriel, Case Number CR10-588, including the requirement that he satisfy the associated Forfeiture Order entered against him; and
7. The Board considered Dr. Gabriel's education and training as set forth in his application, including but not limited to the fact that he was dismissed from his PGY-2 year of anesthesia training after the facts and circumstances forming the basis of his felony conviction resulted in his arrest, and the fact that he has not participated in graduate medical education or practiced medicine in any jurisdiction at any time since 2010.

Thereafter, Dr. Mullins moved that the Committee recommend that the Board provisionally refuse Dr. Gabriel's application for a West Virginia medical license and preliminarily determine that Dr. Gabriel failed to meet his burden of satisfying the Board that he is qualified for licensure as required by W. Va. Code R. §11-1A-4.14, and that Dr. Gabriel is unqualified for medical licensure pursuant to W. Va. Code § 30-3-14(d), which provides:

The board shall deny any application for a license or other authorization to practice medicine and surgery or podiatry in this state to any applicant, and shall revoke the license of any physician or podiatrist licensed or otherwise lawfully practicing within this state who, is found guilty by any court of competent jurisdiction of any felony involving prescribing, selling, administering, dispensing, mixing, or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Presentation to the board of a certified copy of the guilty verdict or plea rendered in the court is sufficient proof thereof for the purposes of this article. A plea of nolo contendere has the same effect as a verdict or plea of guilt. Upon application of a physician that has had his or her license revoked because of a drug related felony conviction, upon completion of any sentence of confinement, parole, probation, or other court-ordered supervision and full satisfaction of any fines, judgments, or other fees imposed by the sentencing court, the board may issue the applicant a new license upon a finding that the physician is, except for the underlying conviction, otherwise qualified to practice medicine: Provided, That the board may place whatever terms, conditions, or limitations it deems appropriate upon a physician licensed pursuant to this subsection.

Dr. Mullins further moved that the Committee recommend that the Board concluded that probable cause exists to deny Dr. Gabriel's application for conduct in violation of the following professional conduct standards set forth in the West Virginia Medical Practice Act and the Board's legislative rules:

1. W. Va. Code §30-3-14(c)(2) and/or W. Va. Code R. §11-1A-12.1.k, related to being found guilty of a crime in any jurisdiction, which offense is a felony, involves moral turpitude or directly relates to the practice of medicine; and/or

2. W. Va. Code §30-3-14(c)(13) prescribing, dispensing administering, mixing or otherwise preparing a prescription drug, including any controlled substance under state and federal law, other than in good faith and in a therapeutic manner in accordance with accepted medical standards and in the course of the physician's practice; and/or
3. W. Va. Code §30-3-14(c)(17) and W. Va. Code R. §11-1A-12.2.a, relating to prescribing or dispensing a controlled substance:
 - a. with the intent or knowledge that a controlled substance will be used or is likely to be used other than medicinally or for an accepted therapeutic purpose;
 - b. with the intent to evade any law with respect to the sale, use or disposition of the controlled substances;
 - c. for the licensee's personal use, or for the use of his or her immediate family when the licensee knows or has reason to know that an abuse of controlled substance(s) is occurring, or may result from such a practice; or
 - d. in such amounts that the licensee knows or has reason to know, under the attendant circumstances, that the amounts prescribed or dispensed are excessive under accepted and prevailing medical practice standards; and/or
4. W. Va. Code §30-3-14(c)(17) and W. Va. Code R. §11-1A-12.1.e. relating to engaging in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof; and/or
5. W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.1.j. relating to engaging in unprofessional conduct, including, but not limited to, any departure from, or failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or has committed any act contrary to honesty, justice or good morals, whether the same is committed in the course of his or her practice or otherwise and whether committed within or without this State; and/or
6. W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.2.d. relating to conduct which is calculated to bring or has the effect of bringing the medical profession into disrepute, including, but not limited to, any departure from or failure to conform to the standards of acceptable and prevailing medical or podiatric practice within the state, and any departure from or failure to

conform to the current principles of medical ethics of the AMA, with or without an actual injury to a patient; and/or

7. W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.1.bb., relating to violating or attempting to violate any law or lawfully promulgated rule or regulation of this State, any other state, the Board, the United States or any other lawful authority (without regard to whether the violation is criminally punishable), which law or rule or regulation relates to or in part regulates the practice of medicine or podiatry, when the licensee or applicant knows or should know that such action is violative of the law.

Dr. Mullins also moved that the Board consider that: Dr. Gabriel has never held a license to practice medicine and surgery outside the auspices of medical school or residency; he has not practiced medicine at all since 2010; and he has failed to demonstrate that his significant period of absence from the clinical practice of medicine has not resulted in the loss of current skills or knowledge, or that his clinical skills and knowledge are current. Rev. Harman seconded Dr. Mullin's motion in its entirety, and the motion carried.

The Committee reviewed discussed correspondence from applicant **Edward Joseph Silvio Picardi, MD**. Dr. Picardi appeared before the Licensure Committee in November 2018 in lieu of having his application for a permanent medical license reviewed and discussed. The Committee took no action upon Dr. Picardi's application, which remains on hold pending receipt of additional information related to action against his South Dakota license and action regarding his Ohio application.

DISCUSSIONS

The Committee reviewed and discussed the application of **Jana Betsy Alyce MacLeod, MD**. In November 2018, the Committee sought additional information from the applicant in support of her application. On January 9, 2019, Dr. MacLeod submitted a written request to withdraw her application, citing a change in her work plans. Rev. Harman moved that the Committee recommend that the Board grant Dr. MacLeod's withdrawal request. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Susan Leontyne Carter, MD** for medical licensure. Dr. Mullin's moved that the Committee approve Dr.

Carter's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **John Daniel Morrissey, Jr., MD** for medical licensure. Dr. Mullins moved that the Committee accept Dr. Morrissey's postgraduate training as satisfactorily verified, approve Dr. Morrissey's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Choudhury Mohammed Sarwarul Hasan, MD** for medical licensure. Dr. Mullins moved that the Committee place Dr. Hasan's application on hold pending receipt of additional information. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **William Richard Poller, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Poller's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Bernard Stanley Jay, MD** for medical licensure. Dr. Lilly moved that the Committee approve Dr. Jay's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Percival Ofrecio Buenaventura, MD** for medical licensure. Rev. Harman moved that the Committee

approve Dr. Buenaventura's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Adarsh Sahni, MD** for medical licensure. Mr. Wooton moved that the Committee approve Dr. Sahni's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Rachel Miriam Wagner, MD** for medical licensure. Mr. Wooton moved that the Committee accept Dr. Wagner's postgraduate training as satisfactorily verified, approve Dr. Wagner's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Nagaraj R. Birudavol, MD** for reactivation of medical licensure. Dr. Birudavol was previously licensed by the Board, and his license lapsed on June 30, 1983. Rev. Harman moved that the Committee approve Dr. Birudavol's application to reactivate his lapsed West Virginia medical license. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Mohamed Chebaclo, MD** for medical licensure. Dr. Mullins moved that the Committee invite Dr. Chebaclo to appear before the Committee on March 9, 2019 to discuss his application. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Noormahal Kabani, MD** for medical licensure. Dr. Mullins moved that the Committee accept Dr. Kabani's

postgraduate training as satisfactorily verified, approve Dr. Kabani's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Jerry Alvin Allison, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Allison's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending the Board's receipt of satisfactory verification of Dr. Allison's medical school education. Mr. Wooton seconded the motion, and the motion carried.

The Committee discussed a pending IMLC application for an applicant that the Board has been unable to locate or contact. The applicant cannot be reached at any of the contact information that was provided by him or on his behalf. The IMLC Commission has directed the Board to issue a license, but the applicant has not been licensed at this time. Board staff sought direction from the Committee regarding how to proceed when all contact information for an IMLC applicant appears invalid. Mr. Wooton moved that the Committee recommend the Board correspond with the IMLC Commission to seek a written opinion on how to handle situations where the Board does not receive valid contact information from IMLC applicants. Dr. Lilly seconded the motion, and the motion carried.

The Committee considered a written inquiry seeking an opinion from the Board concerning whether a podiatric physician may supervise CRNAs and/or the anesthesia plan of care for operative patients. Dr. Mullins moved that Board staff provide a response to the inquiry indicating that the podiatric physician's scope of practice does not preclude a podiatric physician from performing this function, and the decisions regarding privileging for this purpose should be made at the institutional level in accord with hospital protocol and policies. Mr. Wooton seconded the motion, and the motion carried.

Board staff provided the Committee with the following updates and information:

2019 Renewal Cycle

Renewal will occur in May and June for medical doctors with the last names beginning with M – Z and all podiatric physicians. More information will be available at future meetings.

Educational Permit Update

The Board received 17 educational permit applications in November and December of 2018. To date, the Board has issued 105 permits.

Controlled Substance Dispensing Registration Update

There are currently 473 medical doctors, 16 podiatric physicians, and 30 physician assistants who are registered as controlled substance dispensing practitioners. Since July 1, 2018, 34 new practitioners have registered (16 MDs and 18 PAs) During November and December, the Board processed controlled substance dispensing registration applications for 4 MDs and 7 PAs.

Reinstatement and Change of License Status Report

Board staff have processed 16 reinstatement applications since July 1, 2018. Two applications are currently pending. Board staff have processed seven change of license status from inactive to active applications since July 1, 2018.

Interstate Medical Licensure Compact Commission (IMLCC)

In November and December 2018, the Board issued licenses to the following twenty applicants (listed along with their state of principal licensure) through the IMLC application process.

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

March 9, 2019

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on March 9, 2019 at 11:25 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Timothy (Tim) Donatelli, DPM
Rev. Janet Harman
Jonathan P. Lilly, MD
Angela Mayfield
Victoria (Tori) Mullins, PA-C

The following Committee member was absent:

Russell O. Wooton, Esq.

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Deputy Director/General Counsel
Sheree J. Thompson, Supervisor of Licensing

The following Staff Member was intermittently present throughout the meeting:

Greg S. Foster, Board Attorney

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the draft minutes for the January 12, 2019 meeting. Ms. Mayfield noted that a correction was needed to the proposed minutes to correct a misnomer on page 2, line 6. Rev. Harman moved that the Committee approve the minutes of its January 12, 2019 meeting with Ms. Mayfield's suggested amendment incorporated. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

**APPEARING
APPLICANTS**

David Charles Fogarty, MD appeared before the Committee in support of his application for medical license reactivation. Dr. Fogarty was previously licensed by the Board, but his license expired on June 30, 2012. After a thorough discussion with Dr. Fogarty, Ms. Mullins moved that the Committee recommend that the Board grant the applicant reactivation of licensure to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

John Stanley Taras, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Taras, Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

DISCUSSIONS

Mohamed Chebaclo, MD was scheduled to appear before the Committee today in support of his application for licensure. However, on March 4, 2019, Dr. Chebaclo communicated to the Board that he would not be able to appear due the illness of a family member. Rev. Harman moved that the Committee reschedule the applicant's appearance for May 2019. Dr. Lilly seconded the motion, and the motion carried.

Choudhury Mohammed Sarwarul Hasan, MD was scheduled to appear before the Committee today in support of his application for medical licensure. However, on February 26, 2019, Dr Hasan communicated to the Board that he would not be able to appear due to a job interview for a position in New York state. Rev. Harman moved that the Committee reschedule the applicant's appearance for May 2019, or if his practice plans have changed, offer him the opportunity to request withdrawal of his application. Ms. Mayfield seconded the motion, and the motion carried.

Sunila Mehrotra, MD was scheduled to appear before the Committee today in support of her application for licensure reactivation. However, on March 4, 2019, Dr.

Mehrotra communicated to the Board that she would not be able to appear due to a personal matter. Dr Lilly moved that the Committee reschedule the applicant's appearance for May 2019. Ms. Mullins seconded the motion, and the motion carried.

James Lawrence Fernau, MD appeared before the Committee at its January meeting in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. Dr. Fernau's application was placed on hold and he was given the opportunity to supplement his application. After review of the additional information at its March meeting, Dr. Lilly moved that Dr. Fernau's application remain on hold and that Dr. Fernau be provided a copy of both his previously withdrawn application from 2014 and his current 2018 application for submission of an explanation of the discrepancy between the information provided in the two applications. Rev. Harman seconded the motion, and the motion carried.

Jodi Lynn Long, DPM was offered an opportunity to be licensed via Consent Order after her appearance before the Committee in November 2018. The proposed Consent Order would have restricted Dr. Long from practicing surgical podiatric medicine until she had completed a specific proctoring regimen. Dr. Long failed to accept the Consent Order by the established deadline. The Committee reviewed and discussed communications between Dr. Long and the Board since the November Committee meeting and placed her application on hold until the March meeting. The Committee offered Dr. Long the opportunity to request to withdraw her application for podiatric license. On January 9, 2019, Dr. Long submitted a written request to withdraw her application. Rev. Harman moved that the Committee recommend that the Board grant Dr. Long's withdrawal request. Ms. Mullins seconded the motion, and the motion carried.

Seyfi Alper Toker, MD appeared before the Committee at its January meeting. His application was placed on hold pending receipt of additional information in the form

of letters of reference from physicians currently practicing in the United States who are familiar with Dr. Toker and his practice of cardiothoracic medicine. Dr. Lilly moved that the Committee recommend to the Board that Dr. Toker be approved for Restricted Licensure in Extraordinary Circumstance and that the Board make the following findings:

- 1) Dr. Toker has exceptional education, training and practice credentials, including:
 - a. He is an internationally renowned leader in the practice of thoracic surgery;
 - b. He has conducted leading research in cardiovascular surgery, tracheal reconstruction and lung transplantation;
 - c. He is past president (2014-2015) of the European Society of Thoracic Surgeons, which is the largest international association of thoracic surgeons;
 - d. He is a member of the American Association for Thoracic Surgery, the most prestigious thoracic association in the world;
 - e. He is recognized by the International Thymic Malignancy Interest Group as a pioneer in robotic mediastinal surgery; and
 - f. He is currently Professor and Head of Thoracic Surgery at Istanbul Medical School, Istanbul University.
- 2) Dr. Toker's practice in the state would be beneficial to the public welfare because West Virginia has the highest cancer rates in the country, including lung cancer. Additionally, West Virginia has an alarming rate of black lung diagnoses, and many black lung patients will eventually require lung transplants. Dr. Toker's skills and expertise will fill an existing service gap for these patients.
- 3) Dr. Toker's specialty is thoracic surgery, and there is a need for this specialty in West Virginia because West Virginia does not currently have a lung transplant program.
- 4) The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While Dr. Toker's education and training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state his superior research, extensive clinical experience, renowned scholarship, including over 120 peer reviewed publications and contributions to leading texts books in his field, his lengthy faculty appointments, and his international leadership in thoracic surgery satisfy this requirement.
- 5) Dr. Toker received more than nine years of medical postgraduate training

outside of the United States and its territories.

- 6) Dr. Toker has no professional discipline which would render him ineligible for an extraordinary circumstances license.
- 7) Dr. Toker is eligible for a restricted license in extraordinary circumstances.

Dr. Lilly further moved that, based upon these findings, the Committee recommend that the Board grant Dr. Toker a restricted license in extraordinary circumstances restricted to the practice of **thoracic medicine and surgery** at West Virginia University in Morgantown, West Virginia, pending receipt of the PICF fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Allison Marian Spiker, MD**. Dr. Spiker's application was approved for licensure pending payment of the PICF fee at the January 2019 Board meeting. Thereafter, Dr. Spiker communicated to the Board on January 13, 2019, that she may not be proceeding with her licensure application. In a follow-up phone conversation with Board staff she stated she wished to withdraw her application and was directed to put her request in writing. She has not submitted a written request for withdrawal of her application. Rev. Harman declared a conflict with respect to this application. Rev. Harmon disclosed that she has a conflict because Dr. Spiker is a member of her congregation. After declaring a conflict, Rev. Harmon exited the meeting room and was absent for all discussion and action regarding this application. Ms. Mullins moved that Dr. Spiker's application be placed on hold pending receipt of either payment of the PICF fee by Dr. Spiker, Dr. Spiker's submission of a written request to withdraw her application. Ms. Mayfield seconded the motion, and the motion carried. Rev. Harmon returned to the meeting room at this time.

The Committee reviewed and discussed the application of **Ijaz Rasul, MD**. Dr. Rasul's application was approved for licensure pending payment of the PICF fee at the November 2018 Board meeting. The Committee reviewed extensive communications with Dr. Rasul concerning his request for a waiver of the PICF fee. Dr. Lilly moved that

Dr. Rasul's application be placed on hold pending either receipt of payment of the PICF fee, Dr. Rasul's appearance in support of his request to waive the fee at the May 2019 meeting, or in lieu of his appearance, submission of a written request for withdrawal of his application for licensure. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ruxandra Faraon-Pogaceanu, MD** for medical licensure. Dr. Lilly moved that the Committee request the applicant's appearance at its May 2019 meeting. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Omer Wali, MD** for medical licensure. Dr. Donatelli moved that the Committee approve Dr. Wali's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ioanna Kanellitsas, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Kanellitsas' application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Sanjoydeb Mukherjee, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Mukherjee's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Chioma Vivian Udogu, MD** for medical licensure. Dr. Lilly moved that the Committee approve Dr. Udogu's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Tushar Nandlad Shah, MD** for reactivation of medical licensure. Rev. Harman moved that the Committee approve Dr. Shah's application and recommend that the Board grant the applicant reactivation of licensure to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Syed Arsalan Khalid, MD** for medical licensure. Rev. Harman moved that the Committee request the applicant's appearance at its May 2019 meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Bryan Ross Fine, MD** for medical licensure. Ms. Mullins moved that Dr. Fine be provided a copy of documentation submitted to the Board in association with his Good Moral Character Statement and that the Committee request the applicant's appearance at its May 2019 meeting. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ebad Ur Rahman, MD** for medical licensure. Rev. Harman moved that the Committee request the applicant's appearance at its May 2019 meeting. Dr. Donatelli seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ethan Harold Silver, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Silver's

application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Chukwuemeke Oscar Nkadi, MD** for medical licensure. Dr. Lilly moved that the Committee approve Dr. Nkadi's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Daniel Benjamin Westawski, MD** for medical licensure. Dr. Lilly moved that the Committee approve Dr. Westawski's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Robert Terry Smith, MD** for medical licensure. Ms. Mullins moved that the Committee approve Dr. Smith's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ishtiaque Hossain Mohiuddin, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Mohiuddin's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Michael Lawrence Stanchina, MD** for medical licensure. Rev. Harman moved that the Committee approve Dr. Stanchina's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ashraf Yehia Youssef Abou-El-Ezz, MD** for medical licensure. The applicant could not obtain primary source verification of his medical school education from the University of Alexandria in Egypt. In accordance with Board policy for schools located in countries experiencing civil unrest, the applicant requested letters from two classmates attesting they attended medical school with the applicant. The Committee reviewed the submitted correspondence. Rev. Harman moved that the Committee accept Dr. Abou-El-Ezz's medical school education as satisfactorily verified, approve Dr. Abou-El-Ezz's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Donatelli seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Cherif M. El Younis, MD** for medical licensure. The applicant could not obtain primary source verification of his medical school education from Ain Shams University in Cairo, Egypt. In accordance with Board policy for schools located in countries experiencing civil unrest, the applicant requested letters from two classmates attesting they attended medical school with the applicant. The Committee reviewed the submitted correspondence. Dr. Donatelli moved that the Committee accept Dr. El Younis' medical school education as satisfactorily verified, approve Dr. El Younis' application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Malik Moh'd Saleh Hamdan, MD** for medical licensure. Dr. Hamdan's medical school, October 6 University

Faculty of Medicine in Egypt, inadvertently sent only the first page of the two-page medical school verification form. The correct form is expected in five days and Dr. Hamdan completes his residency training on March 31, 2019. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending receipt of satisfactory verification of his medical school education. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Daniel Dmitry Langleben, MD** for medical licensure. Dr. Langleben's medical school, Hadassah Medical School Hebrew University in Jerusalem, Israel, was only provided the first page of the two-page medical school verification form. The correct form is expected in two days. Dr. Donatelli moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending receipt of satisfactory verification of his medical school education. Ms. Mullins seconded the motion, and the motion carried.

In January, the Staff reported on a situation involving an IMLC applicant that the Board could not reach at the contact information provided by him or on his behalf. Since January, Board staff obtained new contact information for the applicant from another licensing board. The applicant has been contacted by telephone and is no longer interested in pursuing licensure in West Virginia due to a change in his practice. He indicated that he will submit a request to withdraw his application. The Committee was advised that the application will be kept on hold pending request for withdrawal. Dr. Lilly moved that the Committee authorize the Executive Director to follow-up with the IMLCC on applicant address issues and concerns at a future IMLCC meeting. Ms. Mayfield seconded the motion, and the motion carried.

Podiatric Scope of Practice Inquiry

The Committee revisited an inquiry it received in January 2019 requesting clarification on CRNA supervision. The inquiry seeks an opinion from the Board on

whether the podiatric scope of practice includes supervision of CRNAs and the anesthesia plan of care. The Committee directed staff to notify the requesting hospital that the Board recommends that the best practice is for anesthesiologists to provide oversight of CRNAs and anesthesia plans of care with respect to podiatric surgical procedures.

Board staff provided the Committee with the following updates and information:

2019 Renewal Cycle

The 2019 renewal schedule for licenses other than PAs is:

April 1, 2019 - June 28, 2019: Educational permits

May 1, 2019 - June 28, 2019: Physicians M-Z
Podiatric Physicians
Controlled Substance Dispensing Practitioner Registration
for Physicians M-Z and Podiatric Physicians
PLLCs

The Board will mail each podiatric physician and PLLC a renewal application prior to May 1, 2019. Physician renewal will be online.

Educational Permit Update

The Board received 1 educational permit application in January and February 2019. To date, the Board has issued 106 permits. Educational permits, including reciprocal permits for out of state residents completing rotations in West Virginia, become mandatory, effective July 1, 2019. The Board anticipates a significant volume of initial applications in the spring.

Ms. Thompson informed the Committee that requests were being received for verification of issued educational permits. Ms. Mayfield moved to recommend that staff process verification of educational permits for the same \$25 fee as is customary for in house verification of licensure. Dr. Lilly seconded the motion and the motion carried.

Controlled Substance Dispensing Registration Update

There are currently 476 medical doctors, 16 podiatric physicians, and 31 physician assistants who are registered as controlled substance dispensing practitioners. Since July 1, 2018, 37 new practitioners have registered (18 MDs and 19 PAs) During January and February, the Board processed controlled substance dispensing registration applications for 3 MDs and 1 PA.

Reinstatement and Change of License Status Report

Board staff have processed 20 reinstatement and eight change of status from inactive to active applications since July 1, 2018. Four reinstatement and four change of status applications are currently pending.

Interstate Medical Licensure Compact Commission (IMLCC)

The following twenty applicants listed along with their state of principal licensure were granted permanent medical licensure through an IMLC application in January and February 2019.

In January and February 2019, the Board issued four Letters of Qualification (LOQs) to the following licensees:

Mary Elizabeth Faw, MD
David Lee Groten, MD
Lauretha Uzoamaka Rogers, MD
Stephanie Ann Salas, MD

The Licensure Committee received a list of applicants whose applications did not require an appearance or individualized discussion, which includes 96 initial medical doctor applications, 3 initial medical doctor applications pending receipt of the PICF assessment fee, 9 reactivation of medical license applications and 1 initial podiatric physician application. Members of the Committee reviewed the list for conflicts.

Rev. Harman declared a conflict with respect to initial medical doctor applicant William James Artrip, IV. Rev. Harmon disclosed that she has a conflict because Dr. Artrip is a member of her congregation. After declaring a conflict, Rev. Harmon exited the meeting room and was absent for all discussion and action regarding this application. Ms. Mullins moved that the Committee approve Dr. Artrip's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried. Rev. Harmon returned to the meeting room at this time.

No other conflicts having been declared with respect to the remaining 95 applications for initial medical licensure, Dr. Donatelli moved that the Committee approve the following applications and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. No conflicts having been declared with respect to the three applicants for initial medical licensure pending payment of the PICF fee, Ms. Mullins moved that the Committee approve the following applications and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Rev. Harmon seconded the motion, and the motion carried.

Applicants for Medical Licensure, payment of PICF fee pending:

Raja Nanda Gopal Mogallapu, MD
Amar Raju Patel, MD
Luis Alberto Puchi, MD

Dr. Lilly declared a conflict with respect to a medical doctor applicant for reactivation of licensure, Jeffrey Wayne Hively. Dr. Lilly disclosed that he has a recent business relationship with a family member of the applicant. After declaring a conflict,

Dr. Lilly exited the meeting room and was absent for all discussion and action regarding this application. Ms. Mayfield moved that the Committee approve Dr. Hively's application and recommend that the Board grant the applicant reactivation of licensure to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion, and the motion carried. Dr. Lilly returned to the meeting room at this time.

No other conflicts having been declared with respect to the remaining 8 applicants for initial medical licensure pending payment of the PICF fee, Ms. Mullins moved that the Committee approve the following applications and recommend that the Board grant each applicant reactivation of licensure to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion, and the motion carried.

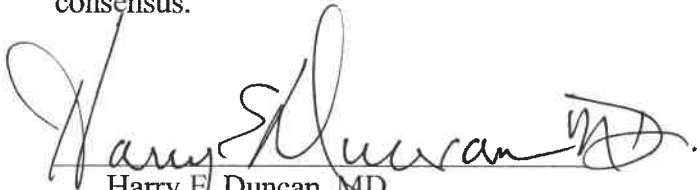

Applicants for Reactivation of Medical Licensure:

Ernest Frank Baldwin, III, MD
Rut Dinkar Dholakia, MD
Jeffrey Wayne Hively, MD
Richard John Mailloux, MD
Fauzia Naeem Rana, MD
Rebecca Marie Reece, MD
Scott Andrew Riley, MD
Janet Lynn Walker, MD
Beverly Jean Davis Yamour, MD

Dr. Donatelli moved that the Committee approve Jana Atik, DPM's application for podiatric licensure and recommend that the Board grant the applicant a license to practice podiatric medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

There being no further business, the Licensure Committee adjourned by **ADJOURNMENT**

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

May 18, 2019

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on May 18, 2019 at 10:30 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Rev. Janet Harman
Angela Mayfield
Tori Mullins, PA-C
Russell O. Wooton, Esq.

The following Committee members were absent:

Timothy (Tim) Donatelli, DPM
Jonathan P. Lilly, MD

The following Staff members were present:

Jamie S. Alley, Deputy Director/General Counsel
Sheree J. Thompson, Supervisor of Licensing
Greg S. Foster, Board Attorney

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the March 9, 2019 meeting. Rev. Harman moved that the Committee approve the minutes of its March 9, 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Syed Arsalan Khalid, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Khalid, Ms.

**APPEARING
APPLICANTS**

Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

Ebad Ur Rahman, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Rahman, Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

Mohamed Chebaclo, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Chebaclo, Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia contingent upon his acceptance of a Consent Order which imposes a \$500 fine for failing to disclose action against his Kentucky license on his West Virginia application. The Consent Order would also affirmatively require Dr. Chebaclo to personally complete all future West Virginia license applications, renewals and otherwise. Rev. Harman seconded the motion, and the motion carried.

Ruxandra Faraon-Pogaceanu, MD appeared before the Committee in support of her application for a medical license. After a thorough discussion with Dr. Faraon-Pogaceanu, Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

Sunila Mehrotra, MD was scheduled to appear before the Committee today in support of her application for licensure reactivation. However, on May 13, 2019, Dr. Mehrotra communicated to the Board that she would like to withdraw her application for

DISCUSSIONS

reactivation. Rev. Harman moved that the Committee recommend that the Board grant Dr. Mehrotra's withdrawal request. Ms. Mullins seconded the motion, and the motion carried.

Choudhury Mohammed Sarwarul Hasan, MD was scheduled to appear before the Committee today in support of his application for medical licensure. However, on May 1, 2019, Dr Hasan communicated to the Board that his practice plans had changed, and he would like to withdraw his application for licensure. Mr. Wooton moved that the Committee recommend that the Board grant Dr. Hasan's withdrawal request. Ms. Mayfield seconded the motion, and the motion carried.

Bryan Ross Fine, MD was scheduled to appear before the Committee today, however, in lieu of his appearance Dr. Fine requested that the Committee accept his written addendum to his application. The Committee reviewed and discussed the addendum and determined that it satisfactorily resolved the need for a personal appearance. Ms. Mullins moved that the Committee recommend that the Board accept Dr. Fine's explanation and that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Allison Marian Spiker, MD**. Dr. Spiker's application was approved for licensure pending payment of the PICF fee at the January 2019 Board meeting. On January 13, 2019, Dr. Spiker communicated to the Board that she may not be proceeding with her licensure application, however, she did not submit a written request to withdraw her application at that time. On May 15, 2019, Dr. Spiker submitted a request to withdraw her application for licensure which was presented to the Committee for consideration today. Rev. Harman declared a conflict with respect to this application. Rev. Harman disclosed that she has a conflict because Dr. Spiker is a member of her congregation. After declaring a conflict, Rev. Harman exited the meeting room and was absent for all discussion and action

regarding this application. Ms. Mullins moved that the Committee recommend that the Board grant Dr. Spiker's withdrawal request. Ms. Mayfield seconded the motion, and the motion carried. Rev. Harman returned to the meeting room at this time.

The application of **Michael Hosny Gabriel, MD** is before the Committee today for consideration of his request to withdraw his application in lieu of proceeding to a denial hearing. The Committee reviewed and discussed the applicant's request for withdrawal. At its regular meeting on January 14, 2019, the Board considered the matter of Dr. Gabriel's medical licensure application. After receiving a recommendation from the Licensure Committee, the Board provisionally refused Dr. Gabriel's application for a West Virginia medical license based upon its preliminary determination that Dr. Gabriel failed to meet his burden of satisfying the Board that he is qualified for licensure. The Board made a preliminary determination that that Dr. Gabriel is unqualified for medical licensure pursuant to W. Va. Code § 30-3-14(d) and further concluded that probable cause exists to deny Dr. Gabriel's application pursuant to certain provisions of the West Virginia Medical Practice Act and the Board's legislative rules. After Dr. Gabriel was provided with the Board's preliminary decision, he exercised his right to request a public hearing to adjudicate the merits of his application. The Board issued a Notice of Hearing and scheduled a hearing. Since that time, Dr. Gabriel has requested that the hearing be continued and has requested, through counsel, the opportunity to withdraw his application in lieu of proceeding to a license denial hearing. After a lengthy discussion, Mr. Wooton moved that the Committee recommend that the Board grant Dr. Gabriel's withdrawal request. Ms. Mullins seconded the motion, and the motion carried.

James Lawrence Fernau, MD appeared before the Committee at its January meeting in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. Dr. Fernau's application was placed on hold and he was given the opportunity to supplement his application. After review of the additional information at its March meeting, Dr. Fernau's application remained on hold and he was provided a copy of both his previously

withdrawn application from 2014 and his current 2018 application for submission of an explanation of the discrepancy between the information provided in the two applications. Dr. Fernau did not respond by the deadline. Rev. Harman moved that Dr. Fernau's application remain on hold for an opportunity to respond to the Committee's previous request. Ms. Mayfield seconded the motion, and the motion carried.

The Committee received an update from Board staff concerning the status of the application of **Ijaz Rasul, MD**. Dr. Rasul's application was approved for licensure pending payment of the PICF fee at the November 2018 Board meeting. The Committee reviewed extensive communications with Dr. Rasul concerning his request for a waiver of the PICF fee at its March meeting. Dr. Rasul's application was placed on hold pending either receipt of payment of the PICF fee, Dr. Rasul's appearance in support of his request to waive the fee at the May 2019 meeting, or in lieu of his appearance, submission of a written request for withdrawal of his application for licensure. Dr. Rasul paid the PICF fee and was issued a license on March 13, 2019.

The Committee reviewed and discussed the application of **Susan Kaufman Arnoult, MD** for medical licensure. Ms. Mayfield moved that Dr. Arnoult's application be placed on hold pending receipt of additional information. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Alex Yazhbin, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its July 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Leon Browning McNealy, MD** for medical licensure. Rev. Harman moved that the Committee request the applicant's appearance at its July 2019 meeting. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Eric Alfon, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its July 2019 meeting, or in lieu of appearing, that he be given the opportunity to withdraw his application. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Humpartzoom James Kojian, II, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its July 2019 meeting or, in lieu of appearing, that he be given the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ellis Senanu Kojo Sampram, MD** for medical licensure. Ms. Mayfield moved that the Committee request the applicant's appearance at its July 2019 meeting. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Hany Lotfy Youssef, MD** for reactivation of medical licensure. Rev. Harman moved that the Committee approve Dr. Youssef's application and recommend that the Board grant the applicant reactivation of licensure to practice medicine and surgery in West Virginia, pending payment of the required Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Robert Lynn Horne, MD** for medical licensure. Ms. Mullins moved that the Committee approve Dr. Horne's application and recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Samir Mahendra Shah, MD** for medical licensure. Ms. Mayfield moved Dr. Shah's application be placed on hold pending additional information from the applicant and his residency program. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Timothy Keefe Bowers, Jr., MD** for reactivation of medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant reactivation of licensure to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Adesoji Adeolu Adenigbagbe, MD** for medical licensure. Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Robert David Rubin, MD** for medical licensure. Ms. Mullins moved that the Committee approve Dr. Rubin's request to placed his application on hold until the July 2019 meeting of the Board, at which time it may be presented without individual discussion. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Richard Shameed Mohammed, MD** for medical licensure. Rev. Harmon moved that the Committee approve Dr. Mohammed's request to placed his application on hold until the July 2019 meeting of the Board, at which time it may be presented without individual discussion. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Jason Andrew Bennett, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Geertruida Kints, MD** for a change of licensure status from inactive to active. Ms. Mullins moved that Dr. Kints' application be placed on hold pending receipt of additional information. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Melissa Rife Larzo, MD** for a change of licensure status from inactive to active. Ms. Mayfield moved that the Committee request the applicant's appearance at its July 2019 meeting. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the reinstatement of licensure application of **Bruce Lawrence Lasker, MD**. Ms. Mullins moved that the Committee request the applicant's appearance at its July 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the request of **Anthony Todde Securo MD** to modify the terms of his October 26, 2017 Consent Order. Mr. Wooton moved that the Committee request Dr. Securo's appearance at its July 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed correspondence from a licensee currently under Consent Order with the Board that identifies possible non-compliance with the terms of the Consent Order. The Committee determined to refer this matter to the Complaint Committee for possible disciplinary action.

In January, the Staff reported on a situation involving an IMLC applicant that the Board could not reach at the contact information provided by him or on his behalf. Since January, Board staff obtained new contact information for the applicant from another licensing board. The application was kept on hold pending his written request to withdraw his application which was submitted March 12, 2019. The applicants IMLC license application has been formally withdrawn.

Board staff provided the Committee with the following updates and information:

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

July 24, 2018

A meeting of the West Virginia Board of Medicine Legislative Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 24th day of July 2018 at 5:00 pm.

The following Committee members attended the meeting via teleconference:

K. Dean Wright, P.A.-C., Chair
Reverend O. Richard Bowyer
Timothy Donatelli, D.P.M.
Ahmed D. Faheem, M.D., D.L.F.A.P.A.
Ashish P. Sheth, M.D.

The following Committee members were absent:

Kishore K. Challa, M.D., F.A.C.C.
Mustafa Rahim, M.D.
Matthew Upton, M.D.

The following Staff members were present:

Jamie S. Alley, Esq.
Jamie C. Frame
Andrew Wessels

Mr. Wright called the meeting to order and announced that the purpose of today's meeting is to consider and review the comments that were received with regard to the Board's proposed amendments to 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*, and 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*. Prior to today's meeting a copy of each of the comments that were received was made available to Board members for review.

**CALL TO
ORDER**

Ms. Alley reported that on June 22, 2018, board staff filed a Notice of Comment Period on Proposed Rules 11 CSR 1A and 11 CSR 12. The notice established a thirty-day comment period on the proposed rules, which concluded at 9:00 a.m. on Monday, July 23, 2018.

The Board received four written comments regarding 11 CSR 1A from the following individuals and / or the entities that they represent:

Commenter	Date Received
1. Jondavid Pollock, M.D., Ph.D.	June 27, 2018
2. Kimberly Burgess, M.D.	June 28, 2018
3. Timothy Linkous, Esq.	July 2, 2018
4. John Wade, M.D.	July 9, 2018

The Committee thoroughly reviewed and considered each of the comments received. No modifications were made to 11 CSR 1A. Reverend Bowyer moved that the Committee approve the agency approved version of 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*, and authorize staff to file the agency approved version of the rule with the Secretary of State’s Office. Dr. Sheth seconded, and the motion carried.

The Board received three written comments regarding 11 CSR 12 from the following individuals and / or the entities that they represent:

Commenter	Date Received
1. Shafic Sraj, M.D.	June 28, 2018
2. John Wade, M.D.	July 9, 2018
3. Carolyn Long	July 25, 2018

Following a thorough review and consideration of each of the comments received, Reverend Bowyer moved that the Committee incorporate only the following modifications into the agency approved version of the rule:

1. Replace the word “of” with the word “for” to correct the name of the Accreditation Council for Graduate Medical Education in subdivision 2.1.1.; and

2. Replace “reciprocal residency permit” with “reciprocal educational permit” in subsection 9.3.

The motion failed for lack of a second.

Dr. Faheem moved that the Committee incorporate the following modifications into the agency approved version of the rule:

1. Replace the word “of” with the word “for” to correct the name of the Accreditation Council for Graduate Medical Education in subdivision 2.1.1.;
2. Replace “reciprocal residency permit” with “reciprocal educational permit” in subsection 9.3; and
3. Modify the permit renewal requirements to eliminate the proposed requirement that the permit-holders Program Director verify that the permit holder is in good standing in subsection 5.3.2.

Dr. Donatelli seconded, and the motion carried.

The Committee elected not to modify 11 CSR 12 to reflect the comments submitted by Dr. Shafic. Dr. Faheem moved that the Committee authorize staff to correspond with Dr. Shafic indicating that:

1. Fellowship programs do not have to be individually ACGME-accredited as long as they are part of an approved institution accredited to provide graduate medical training. The Committee considered changing the language of 2.1.5 to clarify that accreditation is offered by ACGME, however it ultimately elected not to make the change to keep the language in align with the statutory language of W.Va. Code §30-3-16(c)(5)(b).
2. All individual licenses issued by the Board expire on the last day of June in the year of expiration, therefore, for efficiency and uniformity of process, the Committee did not to incorporate his suggestion that educational permits expire on the last day of the first year of the training program.

Reverend Bowyer seconded, and the motion carried.

Reverend Bowyer moved that the Committee authorize staff to file an Agency Approved version of 11 CSR 12, as modified during the meeting, with the Secretary of State's Office. Dr. Faheem seconded, and the motion carried.

Dr. Faheem moved that the Committee authorize staff to file an Emergency Amended version of Emergency Rule 11 CSR 12, which mirrors the modifications to the Agency Approved version of 11 CSR 12, with the Secretary of State's Office. Reverend Bowyer seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, Reverend Bowyer moved that the meeting be adjourned. Dr. Sheth seconded, and the motion carried.

Legislative Committee Minutes

August 6, 2018

A meeting of the West Virginia Board of Medicine Legislative Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 6th day of August 2018 at 5:00 pm.

The following Committee members attended the meeting via teleconference:

Kishore K. Challa, M.D., F.A.C.C., Acting Chair

Reverend O. Richard Bowyer

Timothy Donatelli, D.P.M.

Ahmed D. Faheem, M.D., D.L.F.A.P.A.

Rahul Gupta, M.D., M.P.H., M.B.A., F.A.C.P.

Mustafa Rahim, M.D.

Ashish P. Sheth, M.D.

Matthew Upton, M.D.

The following Committee members were absent:

K. Dean Wright, P.A.-C., Chair

The following Staff members were present:

Mark A. Spangler, M.A.

Jamie S. Alley, Esq.

Greg S. Foster, Esq.

Jamie C. Frame

In the absence of Mr. Wright, Dr. Challa called the meeting to order and chaired the meeting.

**CALL TO
ORDER**

Mr. Spangler reported that on July 25, 2018, board staff filed Notice of an Emergency Amendment to an Emergency Rule with the Secretary of State's Office with regard to 11 CSR 12,

Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows. Currently 11-12-3.7 of the rule states that “The Board shall begin issuing educational permits to qualified applicants on October 1, 2018.” The Board was recently notified that there is a need to begin issuing educational permits prior to October 1, 2018 to accommodate certain graduate medical training programs in the state and to resolve an ongoing conflict with regard to billing services provided in whole or in part by residents and fellows. To accommodate this immediate need, Dr. Faheem moved that the Committee modify 11-12-3.7 of the Board’s Emergency Rule 11 CSR 12 to provide that the Board will begin issuing educational permits to qualified applicants on September 1, 2018. Reverend Bowyer seconded, and the motion carried.

Ms. Alley reported that board staff will submit a request to withdraw the Notice of an Emergency Amendment to an Emergency Rule for 11 CSR 12 that was filed with the Secretary of State’s Office on July 25, 2018, and a second Notice of an Emergency Amendment to an Emergency Rule will be filed which incorporates all amendments.

There being no further business to consider, the meeting adjourned.

Reverend Bowyer seconded, and the motion carried.

Mr. Spangler reported that the Board's emergency rule 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*, became effective on August 3, 2018. Board staff filed an Emergency Amendment with the Secretary of State's Office which, if approved, will change the date that the Board begins issuing educational permits from October 1, 2018 to September 1, 2018 or as soon as the amendment is approved thereafter. To date, the Secretary of State's office has not taken any action regarding the amendment. Board staff are prepared to begin issuing educational permits as soon as the amendment is approved. If the Secretary of State's Office does not take action with regard to the amendment prior to September 18, 2018, the amendment will become effective on that date.

Mr. Spangler reported that on January 10, 2018, Governor Justice signed Executive Order No. 3-18 known as the Regulatory Review. The Order requires executive agencies with rule-making authority to review all rules under the agencies jurisdiction to determine which rules, if any, are outdated, ineffective, or excessively burdensome and unnecessary. Each agency must submit a Regulatory Review report to the Governor and the Legislative Rule-Making Review Committee prior to November 1, 2018. Board staff have begun reviewing the Board's rules and will submit a report prior to the deadline.

Mr. Spangler reported that Board staff continue to receive inquiries regarding Senate Bill 273, reducing the use of certain prescription drugs, which became effective on June 7, 2018. Board staff have been working with other entities regarding proposed modifications to Senate Bill 273 and anticipate that the proposed modification will be introduced during the 2019 legislative session.

At the request of the Executive / Management Committee, the Legislative Committee considered whether or not to pursue legislative changes to the prohibition on corporate practice of medicine as it applies to for-profit hospitals. Reverend Bowyer moved that legal staff provide a

summary of the current law and provide some proposed changes for consideration at the November 4, 2018 meeting. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the following subjects may be topics of interest for the Board in the upcoming legislative session:

- Possible consolidation of the Board of Medicine and the Board of Osteopathic Medicine;
- Potential modifications to Senate Bill 273;
- Clarification regarding the corporate practice of medicine; and
- Possible modifications to the Physician Assistants Practice Act.

Dr. Sheth moved that the Committee recommend that the Board authorize staff to explore the potential topics of interest identified above. Dr. Challa seconded, and the motion carried.

Mr. Wright reported that legislation will likely be introduced in the 2019 session relating to physician assistant practice. Several organizations will be meeting in the coming weeks to discuss and develop proposed modifications to the West Virginia Physician Assistants Practice Act. Reverend Bowyer moved that the Committee recommend that the Board authorize staff to participate in upcoming meetings which relate to potential legislative changes for physician assistants. Dr. Sheth seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, Reverend Bowyer moved that the meeting be adjourned. Dr. Challa seconded, and the motion carried.

Mr. Wright called the meeting to order. Reverend Bowyer moved that the minutes of the September 9, 2018 meeting be approved. Dr. Challa seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Mr. Spangler reported that the Legislative Rule-Making Review Committee has authorized the Board to promulgate emergency rule 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*, and 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*, as filed.

Mr. Spangler reported that pursuant to Executive Order No. 3-18, on November 1, 2018, Board staff submitted a Regulatory Review Report to the Governor and the Legislative Rule-Making Review Committee. The report provides a description of each of the fourteen rules that the Board has jurisdiction over and identifies recent changes to the rules as well as anticipated upcoming changes when applicable.

The Committee discussed the corporate practice of medicine. Following discussion, Dr. Challa moved that the Committee recommend that the Board authorize staff to draft proposed amendments to W.Va. Code §30-3-15, which would: (1) exclude all hospitals, both for-profit and non-profit, from the corporate practice of medicine doctrine; and (2) permit providers (medical doctors, podiatric physicians and physician assistants) licensed by the Board of Medicine to form a medical corporation, either solely or in combination with other members, and seek authorization by the Board of Medicine. Likewise, osteopathic physicians and physician assistants who are licensed by the Board of Osteopathic Medicine may join together with practitioners licensed by the Board of Medicine to seek authorization to practice as a medical corporation. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the following subjects may be topics of interest for the Board in the 2019 legislative session:

- Possible modifications to the Physician Assistants Practice Act;
- Possible changes to Chapter 30 Boards;
- Potential modifications to Senate Bill 273;
- Precertification / prior authorization of medications and medical procedures;
- Medical cannabis; and
- Modifications to current immunization requirements, including changes to exemption process.

Dr. Gupta joined the meeting at this time.

Mr. Spangler reported that it is likely that legislation will be introduced during the upcoming session regarding a PEIA pilot project utilizing telemedicine services. Reverend Bowyer moved that the Committee recommend that the Board support the current telemedicine

requirements and not support any legislation that would allow the physician patient relationship to be established utilizing audio-only communication or text-based communications such as email, internet questionnaires, text-based messaging or other written forms of communication. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that it is also likely that legislation will be introduced which would authorize Board investigators to carry a firearm. Reverend Bowyer moved that the Committee recommend that the Board support legislation, if introduced, which would authorize at least one Board investigator to carry a firearm. Dr. Sheth seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, the meeting adjourned.

APPROVAL
OF MINUTES

Mr. Spangler reported that the following bills have been introduced during the 2019 legislative session and are being monitored by Board staff:

Senate Bill 5 – Requiring certain insurers and managed care organization develop prior authorization forms

Senate Bill 80 – Establishing a tax credit for practicing physicians locating in West Virginia

Senate Bill 119 – Specifying documents not subject to discovery in certain proceedings

Senate Bill 145 – Relating to the West Virginia Medical Cannabis Act

Senate Bill 201 and **House Bill 2248** – Board of Medicine rule, 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*

Senate Bill 202 and **House Bill 2249** – Board of Medicine rule, 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*

House Bill 2038 – Relating to the procedure to determine if an occupation or profession should be regulated

House Bill 2090 – Relating to advertising by physicians and podiatric physicians

House Bill 2189 – Relating generally to the disclosure of certain confidential information

House Bill 2204 – Prohibiting state licensing boards from hiring lobbyists

House Bill 2210 – Relating to the criminal offense of therapeutic deception

House Bill 2227 – Nondiscrimination in Involuntary Denial of Treatment Act

House Bill 2351 – Relating to regulating prior authorizations

Mr. Spangler reported that at the November 2018 meeting, the Legislative Committee recommended, and the Board approved, that staff be authorized to draft proposed amendments to W.Va. Code §30-3-15, which would: exclude all hospital, both for-profit and non-profit, from the corporate practice of medicine doctrine; and (2) permit providers (medical doctors, podiatric physicians and physician assistants) licensed by the Board of Medicine to form a medical corporation, either solely or in combination with other members, and seek authorization by the Board of Medicine. Likewise, osteopathic physician and physician assistants who are licensed by the West Virginia Board of Osteopathic Medicine may join together with practitioners licensed by the Board of Medicine to seek authorization to practice as a medical corporation. The draft of the proposed amendments has not been finalized for review; therefore, this matter will be placed on a future Legislative Committee agenda for consideration.

Prior to today's meeting, a copy of proposed legislation which would authorize at least one Board investigator to carry a concealed weapon was made available for members to review. Mr. Spangler reported that the Board has not yet sought a sponsor for the proposed legislation.

Mr. Spangler reported that there are conversations occurring regarding the possible combining of the Board of Medicine and the Board of Osteopathic Medicine. To date, no bills related to combining the Boards has been introduced.

Mr. Spangler reported that it is likely that Senate Bill 273, reducing the use of certain prescription drugs, which was passed during the 2018 legislative session will be reintroduced this year. It is anticipated that the 2019 bill will clean up language throughout and will address the Board's concerns regarding the provision of the bill which requires a practitioner to conduct and document the results of a physical examination every 90 days for any patient that he or she continues to treat with any Schedule II controlled substance, including non-opioids. If introduced, Board staff will monitor legislation pertaining to Senate Bill 273.

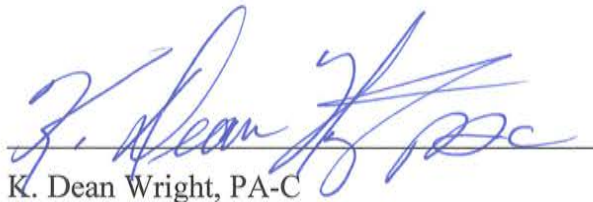

The Legislative Committee reviewed the following proposed interim meeting dates:

Tuesday, January 29, 2019 5:00 pm
Tuesday, February 12, 2019 5:00 pm
Tuesday, February 26, 2019 5:00 pm

Dr. Rahim moved that the proposed interim Legislative Committee meeting dates be approved. Dr. Sheth seconded, and the motion carried. Reverend Bowyer moved that the Committee recommend that the Board grant the Legislative Committee authority to act on behalf of the Board as necessary to respond to legislative matters at these meetings, and any other special meetings which become necessary during the legislative session. Dr. Sheth seconded, and the motion carried.

There being no further business to consider, the meeting adjourned.

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Mr. Wright called the meeting to order and roll call was taken by Ms. Frame.

CALL TO
ORDER

Mr. Spangler provided an update with regard to the following Board of Medicine proposed legislative rule bills: (1) **Senate Bill 201** and **House Bill 2248**, Board of Medicine rule relating to licensing and disciplinary procedures: physicians; podiatric physicians; and surgeons; and (2) **Senate Bill 202** and **House Bill 2249**, Board of Medicine rule relating to permitting and disciplinary procedures: educational permits for graduate medical interns, residents, and fellows.

There has been no activity with regard to the house bills since introduction. The senate bills have passed Senate Judiciary Committee, and have been incorporated into **Senate Bill 199**, authorizing certain miscellaneous agencies and boards to promulgate legislative rules.

Mr. Spangler reported that he has spoken with Senator Michael J. Maroney, who has agreed to introduce proposed legislation which would permit Board of Medicine investigators to carry a concealed weapon. However, to date, no such legislation has been introduced.

Dr. Slemp joined the meeting at this time.

Mr. Spangler reported that Board staff have drafted proposed amendments to W.Va. Code §30-3-15, which would: exclude all hospitals, both for-profit and non-profit, from the corporate practice of medicine doctrine; and (2) permit providers (medical doctors, podiatric physicians and physician assistants) licensed by the Board of Medicine to form a medical corporation, either solely or in combination with other members, and seek authorization by the Board of Medicine. Likewise, osteopathic physicians and physician assistants who are licensed by the West Virginia Board of Osteopathic Medicine may join together with practitioners licensed by the Board of Medicine to seek authorization to practice as a medical corporation. To allow Committee members ample time to review the proposed amendments, no action was taken at today's meeting and this matter will be placed on the February 12, 2019 agenda for consideration.

Mr. Spangler reported that the West Virginia Association of Physician Assistants has submitted two draft bills to the Board of Medicine for consideration. Each of the bills seek to amend the West Virginia Physician Assistants Practice Act. The first draft, submitted by Matthew Walker, was received by the Board on January 17, 2019. The second draft, submitted by Gary Culver, PA-C, was received by the Board on today's date, January 29, 2019, and was accompanied by correspondence which requests that the Board provide input on the proposed amendments as soon as possible. Board staff have not yet had adequate time to review and consider the second draft; however, at first glance, the definition of "credentialing body" is vague in each of the drafts. To accommodate the Association's request for input from the Board as soon as possible, Dr. Challa moved that a Legislative Committee meeting be scheduled for Monday, February 6, 2019 at 5:00pm. Reverend Bowyer seconded, and the motion carried.

Mr. Spangler reported on **Senate Bill 119**, specifying documents not subject to discovery in certain proceedings. During the 2018 legislative session, a similar bill was introduced, and Board staff were successful in collaborating with representatives to amend the bill amended to allow the Board access to peer review records for use in administrative proceedings. The amendment also provided that peer review proceedings, communications, and documents of a review organization and all records developed or obtained during an investigation are confidential and privileged and are not subject to disclosure in any civil action or administrative proceeding. The 2018 bill completed the legislative process but was vetoed by the Governor. The 2019 bill, Senate Bill 119, incorporates the 2018 amendments. The bill has passed the Senate and now moves to House Judiciary Committee.

Mr. Spangler reported that **Senate Bill 351** and **House Bill 2204** have been introduced. These bills would prohibit state licensing boards from hiring lobbyists and would authorize the director and appointed board members to lobby on behalf of the board. Dr. Faheem moved that the Committee authorize Board staff to seek an amendment which would authorize the director or his designee to lobby on behalf of the Board. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that Board staff are monitoring the following bills:
House Bill 2004, providing for a program of instruction in workforce preparedness;
House Bill 2038, relating to the procedure to determine if an occupation or profession should be regulated; and
House Bill 2354, creating a provisional license to practice in this state by an applicant with an expired license from another state.

Mr. Spangler reported that **House Bill 2385** has been introduced. This bill would add a new section to the West Virginia Medical Practice Act, which would authorize the Board of Medicine to issue limited prescriptive authority to a licensed psychologist who meets certain criteria. Dr. Faheem moved that the Board oppose this bill. Reverend Bowyer seconded, and the motion carried.

Mr. Foster reported on **House Bill 2486**, using records of criminal conviction to disqualify a person from receiving a license for a profession or occupation. This bill provides that “If an applicant is disqualified for licensure because of a criminal conviction that has not been reversed, the board or licensing authority shall afford the applicant the opportunity to reapply for licensure a maximum of five years from the date of conviction or date of release from the penalty that was imposed, whichever is later”. The bill also provides that “Boards or licensing authorities referred to in this chapter may not use criteria such as moral character, moral turpitude or other related undefined standards of conduct in making licensure determinations.” Additionally, it would also require the Board, within sixty days of receiving a request, to determine whether an individual’s criminal record would disqualify the individual from obtaining a license. Reverend Bowyer moved that the Committee authorize Board staff to work in conjunction with other licensing boards to seek a carve out for physicians, podiatric physicians and physician assistants. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **House Bill 2592** has been introduced. This bill would require all Chapter 30 boards to “be relocated to the same location in any part of this state, as determined by a majority of the boards, by July 1, 2023.” Additionally, the bill provides that boards may share office resources, storage, supplies, and staff. Dr. Slemp moved that the Board oppose House Bill 2592. Reverend Bowyer seconded, and the motion carried.

Dr. Slemp reported on **House Bill 2583**, Family Planning Access Act. This bill would permit a pharmacist to dispense a self-administered hormonal contraceptive to a patient who is 18 years old or older pursuant to a standing prescription drug order. Additionally, the bill requires the State Health Officer, in collaboration with the Board of Pharmacy and the Board of Medicine, to approve a self-screening risk assessment questionnaire that is to be completed by the patient prior to receiving a self-administered hormonal contraceptive. The Bureau for Public Health has provided members of the legislature with proposed amendments to the bill which would: (1) remove the requirement that the Board of Medicine review the dispensing practices of the pharmacist and clarify that the Board of Pharmacy regulates the action of the dispensing pharmacist; (2) require the pharmacist to complete a training program to be eligible to participate in the utilization of the standing prescription drug orders for a self-administered hormonal contraceptive; (3) add the Board of Osteopathic Medicine to the list of Board’s that the State Health

Officer collaborates with regarding the self-screening risk assessment questionnaire; (4) require the pharmacist to notify the individual's primary care provider, if they have one, within two business days of dispensing a self-administered hormonal contraceptive; (5) prohibit a pharmacist from dispensing a self-administered hormonal contraceptive to a patient for more than 12 months after the date of the initial prescription without evidence that the patient has consulted with a health care practitioner during the preceding twelve months; and (6) establish counseling protocols for pharmacists. Reverend Bowyer moved that the Board of Medicine support House Bill 2583 with the amendments proposed by the Bureau for Public Health. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that **House Bill 2351**, relating to regulating prior authorizations, would establish universal forms and deadlines for submitting prior authorizations electronically. This bill was on amended during second reading in the House earlier today, January 29, 2019, however, the amendments are not yet available for review. Board staff will continue to monitor this bill.

Mr. Spangler reported that Board staff are monitoring the following bills:
Senate Bill 5, requiring certain insurers and managed care organizations develop prior authorization forms;
Senate Bill 307, House Bill 2227 and House Bill 2493, Creating Nondiscrimination Involuntary Denial of Treatment Act; and
House Bill 2189, relating generally to the disclosure of certain confidential information.

Dr. Slemp reported on **House Bill 2525**, Tobacco Cessation Therapy Access Act. This bill would permit a pharmacist to dispense tobacco cessation therapy under a standing prescription drug order. Additionally, the bill requires the Bureau for Public Health, in collaboration with the Board of Pharmacy and the Board of Medicine, to approve Tobacco Cessation Therapy Protocol. The Bureau for Public Health has provided members of the legislature with proposed amendments to the bill which would: (1) clarify that the Board of Pharmacy regulates the action of the dispensing pharmacist; (2) require the pharmacist to notify the individual's primary care provider, if they have one, within two business days of dispensing a tobacco cessation therapy medication; and (3) establish counseling protocols for pharmacists. The bill is scheduled for third reading in

the House tomorrow, January 30, 2019. Reverend Bowyer moved that the Board support House Bill 2525 with the amendments proposed by the Bureau for Public Health. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that it is likely that legislation will be introduced during the 2019 session which would modify W.Va. Code §30-3-13a to permit a physician practicing telemedicine to order a Schedule II controlled substance to a hospital patient for immediate administration in a hospital intensive care unit. It is also likely that Senate Bill 273, reducing the use of certain prescription drugs, which was passed during the 2018 legislative session will be reintroduced this year. It is anticipated that the 2019 bill will clean up language throughout and will address the Board's concerns regarding the provision of the bill which requires a practitioner to conduct and document the results of a physical examination every 90 days for any patient that he or she continues to treat with any Schedule II controlled substance, including non-opioids. If introduced, Board staff will monitor legislation relating to these matters.

Mr. Spangler reported that Board staff continue to monitor the following bills:

Senate Bill 80, establishing a tax credit for practicing physicians locating in West Virginia;

House Bill 2090, relating to advertising by physicians and podiatric physicians;

House Bill 2538, providing banking services for medical cannabis;

House Bill 2210, relating to the criminal offense of therapeutic deception;

House Bill 2356, requiring each executive branch agency to maintain a website that contains certain information; and

House Bill 2380, protecting consumers from surprise bills by health care providers.

Mr. Spangler reported that the Board has received two draft bills relating to provider enrollment and the ability for practitioners who hold a temporary license to bill for services. Each of the draft bills define the term "valid license" as a temporary license issued pursuant to W.Va. Code §30-3-11 or §30-14-8. Additionally, the first draft provides that "an applicant may request to appear before one of the board members for an interview to have his or her permanent license granted or denied prior to the next regular meeting of the board." Mr. Spangler advised the Committee that he had shared the infeasibility of this language with the West Virginia Hospital Association. If introduced, Board staff will monitor legislation relating to provider enrollment.

Mr. Spangler reported that **House Bill 2510**, relating to special funds of boards of examination or registration, has been introduced and is scheduled for third reading in the House tomorrow, January 30, 2019. This bill would require the Legislative Auditor to conduct a review of the fee structure of a specific board of examination or registration when its special fund exceeds twice its annual budget or \$10,000, whichever is greater. Additionally, the excess funds would be transferred to the states General Revenue Fund. Board staff will continue to monitor this bill.

Mr. Spangler reported on **House Bill 2524**, permitting a pharmacist to convert prescriptions authorizing refills under certain circumstances. This bill would authorize a pharmacist to refill a prescription for certain medications one or more times, so long as the total quantity of the drug does not exceed a 90-day supply. Reverend Bowyer moved that the Board oppose House Bill 2524. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **Senate Bill 454**, providing exemptions from mandatory immunizations, has been introduced. This bill would modify the current immunization exemption process and would allow for religious and conscientious objection exemptions. Dr. Faheem moved that the Board oppose Senate bill 454. Reverend Bowyer seconded, and the motion carried.

Mr. Spangler reported on **Senate Bill 464**, modifying licensing requirements for telemedicine and surgery or podiatry. This bill would allow a physician-patient or podiatrist-patient relationship to be established through audio-only communication, unless the physician or podiatric physician, in his or her sole discretion and professional judgment, determines that interactive video using store and forward technology, real-time videoconferencing or similar secure video services is necessary to conform to the standard of care; and would enable physicians and podiatric physicians to practice telemedicine using secure telephonic communication or similar secure real time audio-only communication. Dr. Faheem moved that the Board oppose Senate Bill 464. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **House Bill 2648**, continuing education for registered nurses (RNs) and advanced practice registered nurses (APRNs), has been introduced. This bill exempts RNs and APRNs from completing the mandatory three-hour drug diversion and best practice prescribing of controlled substances continuing education training. Reverend Bowyer moved that

the Board support maintaining current training requirements. Dr. Challa seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, Dr. Faheem moved that the meeting be adjourned. Dr. Slemp seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

February 6, 2019

A meeting of the West Virginia Board of Medicine Legislative Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 6th day of February 2019 at 5:00 pm.

The following Committee members attended the meeting via teleconference:

K. Dean Wright, PA-C, Chair
Reverend O. Richard Bowyer
Timothy Donatelli, DPM
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD

The following Committee members were absent:

Kishore K. Challa, MD, FACC
Mustafa Rahim, MD
Catherine C. Slemp, MD, MPH

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Mr. Wright called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Mr. Spangler reported that that the West Virginia Association of Physician Assistants (WVAPA) has submitted two draft bills to the Board of Medicine for consideration. Each of the bills seek to amend the West Virginia Physician Assistants Practice Act (WVPAPA). The first draft, submitted by Matthew Walker, was received by the Board on January 17, 2019. The second draft, submitted by Gary Culver, PA-C, was received by the Board on, January 29, 2019, and was accompanied by correspondence which requests that the Board provide input on the proposed amendments as soon as possible. Following an in-depth conversation, Reverend Bowyer moved that the Committee authorize Board staff to reach out to the WVAPA indicating that the Board

does not support either of the two draft bills, due in part, that the term “credentialing body” is vague and ambiguous, and does not provide clarity concerning which part of the practice agreement process would apply to any given physician assistant; therefore, undermining the Board’s ability to protect the public. Additionally, Reverend Bowyer moved that Board staff convey to the WVAPA that the Board would be agreeable to modifications to the WVPAPA which would:

1. Require that a notification of hospital practice, in lieu of a practice agreement, be submitted to the Board for all physician assistants practicing in a hospital-based setting, while maintaining the current practice agreement process for all practice settings which are not hospital-based; and
2. Eliminate the physician assistant / collaborating physician ratio with respect to hospital-based practice.

Additionally, while the Board does not believe that the elimination of statutory language in section 11 concerning a collaborating physician’s responsibility for a collaborating physician assistant would actually alter the legal responsibility of the collaborating physician, the Board is not opposed to the elimination of such language. Dr. Faheem seconded, and the motion carried.

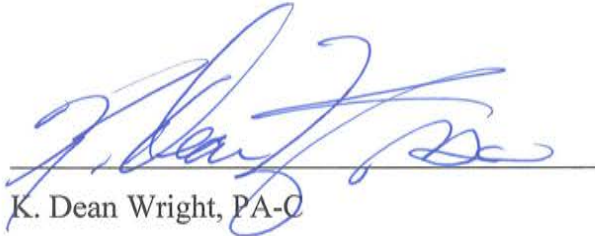

Mr. Spangler reported that Senator Michael J. Maroney has agreed to introduce proposed legislation which would permit Board of Medicine investigators to carry a concealed weapon. However, to date, no such legislation has been introduced.

Mr. Spangler reported that during the 2018 legislative session Senate Bill 273, reducing the use of certain prescription drugs, was passed. The Board had concerns regarding the provision of Senate Bill 273 which requires a practitioner to conduct and document the results of a physical examination every 90 days for any patient that he or she continues to treat with any Schedule II controlled substance, including non-opioids. On January 29, 2019, **House Bill 2768**, reducing the use of certain prescription drugs, was introduced. This bill cleans up the language of Senate Bill 273 and provides that a practitioner is required to conduct and document the results of a physical examination every 90 days for any patient that he or she continues to treat with any Schedule II opioid drug. With regard to House Bill 2768, Mr. Foster reported that §16-54-7(b) states that “This article does not apply to a patient being prescribed any medication for use in the treatment of substance abuse or opioid dependence.” Board staff interpret this to read that the prescribing

limitations do not apply to patients who are being prescribed suboxone. Dr. Faheem moved that the Committee authorize Board staff to point out the language of §16-54-7(b) to members of the legislature. Reverend Bowyer seconded, and the motion carried.

There being no further business to consider, the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

February 12, 2019

A meeting of the West Virginia Board of Medicine Legislative Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 12th day of February 2019 at 5:00 pm.

The following Committee members attended via teleconference:

K. Dean Wright, PA-C, Chair
Reverend O. Richard Bowyer
Kishore K. Challa, MD, FACC
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slemp, MD, MPH

The following Committee members were absent:

Timothy Donatelli, DPM
Mustafa Rahim, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Mr. Wright called the meeting to order and roll call was taken by Ms. Frame.

CALL TO
ORDER

Ms. Alley reported that **Senate Bill 199**, authorizing certain miscellaneous agencies and boards to promulgate legislative rules, includes the Board of Medicine's rule 11 CSR 1A, licensing and disciplinary procedures for physicians; podiatric physicians and surgeons, and 11 CSR 12, permitting and disciplinary procedures: educational permits for graduate medical interns, residents and fellows. This bill has passed the Senate and now moves to House Government Organization Committee.

Mr. Spangler joined the meeting at this time.

Mr. Spangler reported that **Senate Bill 567**, permitting West Virginia Board of Medicine investigators to carry a concealed weapon, has been introduced and is currently in Senate Judiciary Committee. The West Virginia Board of Pharmacy would like this bill to be amended to include Board of Pharmacy investigators.

Mr. Spangler reported that Board staff have drafted proposed amendments to W.Va. Code §30-3-15, which would: (1) exclude all hospitals, both for-profit and non-profit, from the corporate practice of medicine doctrine; and (2) permit providers (medical doctors, podiatric physicians and physician assistants) licensed by the Board of Medicine to form a medical corporation, either solely or in combination with other members, and seek authorization by the Board of Medicine. Likewise, osteopathic physicians and physician assistants who are licensed by the West Virginia Board of Osteopathic Medicine may join together with practitioners licensed by the Board of Medicine to seek authorization to practice as a medical corporation. Following discussion, Reverend Bowyer moved that Board staff seek to find a sponsor to introduce the proposed amendments to W.Va. Code §30-3-15 during the 2019 legislative session. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that following the February 6, 2019 Legislative Committee meeting, as directed by the Committee, he communicated to the West Virginia Association of Physician Assistants (WVAPA) that the Board does not support either of the two draft bills that were submitted to the Board of Medicine for consideration, each of which seek to amend the West Virginia Physician Assistants Practice Act (WVPAPA). Additionally, he communicated that the Board would be supportive of modifications to the WVPAPA which: (1) modify the practice agreement requirements for physician assistant who practice in a hospital setting to require that a notification of hospital practice be submitted to the Board in lieu of a practice agreement; (2) maintain the current practice agreement process for all practice settings which are not hospital based; and (3) eliminate the physician assistant / collaborating physician ratio with regard to hospital based practice. Also, while the Board does not believe that the elimination of statutory language concerning a collaborating physician's responsibility for a physician assistant would actually alter the legal responsibility of the collaborating physician, the Board is not opposed to elimination of this language. The WVAPA has submitted to the Board a third draft bill for

consideration. This bill is generally consistent with the proposed modifications that the Board indicated it would be supportive of; however, technical, non-substantive changes will need to be made if the bill is introduced.

Mr. Spangler reported that **Senate Bill 119**, specifying documents not subject to discovery in certain proceedings, has completed the legislative process and has been signed by the Governor. The bill will become law 90 days from passage.

Mr. Spangler reported that **House Bill 2004**, providing for a program of instruction in workforce preparedness, is currently in Senate Education Committee, and **House Bill 2385**, providing limited prescriptive authority to a licensed psychologist who meets certain criteria, remains in House Health and Human Resources Committee. Board staff will continue to monitor these bills.

Mr. Spangler provided an update on **House Bill 2486**, using records of criminal conviction to disqualify a person from receiving a license for a profession or occupation. This bill provides that “If an applicant is disqualified for licensure because of a criminal conviction that has not been reversed, the board or licensing authority shall afford the applicant the opportunity to reapply for licensure a maximum of five years from the date of conviction or date of release from the penalty that was imposed, whichever is later.” The bill also provides that “Boards or licensing authorities referred to in this chapter may not use criteria such as moral character, moral turpitude or other related undefined standards of conduct in making licensure determinations.” Additionally, the bill would require the Board, within sixty days of receiving a request, to determine whether an individual’s criminal record would disqualify the individual from obtaining a license. Reverend Bowyer moved that the Board oppose House Bill 2486 if an exemption for physicians, podiatric physicians and physician assistants is not obtainable. Dr. Sheth seconded, and the motion carried. Board staff will continue to seek an exemption for physicians, podiatric physicians and physician assistants.

Mr. Spangler reported that Board staff continue to monitor **House Bill 2592**, requiring all Chapter 30 boards to be relocated to the same location in the same area of the state. This bill is currently in House Government Organization Committee.

Mr. Spangler provided an update on **House Bill 2583**, Family Planning Access Act. This bill was amended in House Health and Human Resources Committee, and the amendment is consistent with what the Legislative Committee discussed and voted to support at the January 29, 2019 meeting.

Mr. Spangler reported that **House Bill 2351**, relating to regulating prior authorizations, is currently in conference. Board staff will continue to monitor this bill.

Mr. Spangler reported that **House Bill 2525**, Tobacco Cessation Therapy Access Act, has passed the House and now moves to Senate Health and Human Resources Committee. Dr. Slempp reported that the Bureau for Public Health has provided members of the legislature with proposed amendments to the bill which would: (1) clarify that the Board of Pharmacy regulates the action of the dispensing pharmacist; (2) require the pharmacist to notify the individual's primary care provider, if they have one, within two business days of dispensing a tobacco cessation therapy medication; and (3) establish counseling protocols for pharmacists. To date, the amendments have not been incorporated.

Mr. Spangler reported that **House Bill 2538**, providing banking services for medical cannabis is on first reading in the House tomorrow.

Mr. Spangler provided an update on **House Bill 2768**, reducing the use of certain prescription drugs. This bill, which is intended to resolve issued which arose from last year's Senate Bill 273, was amended in House Prevention and Treatment of Substance Abuse Committee to correct a drafting error which would have exempted patients being treated for substance abuse or opioid dependence from the requirements of the bill.

Mr. Spangler reported that **House Bill 2510**, relating to special funds of boards of examination or registration, has passed the House and now moves to Senate Government Organization Committee.

Mr. Spangler reported that **House Bill 2524**, permitting a pharmacist to convert prescriptions authorizing refills under certain circumstances, has passed House Health and Human

Resources Committee and now moves to Senate Health and Human Resources Committee. A similar bill, **House Bill 3115**, extending the prescription length of certain life sustaining emergency prescriptions, was introduced today. Board staff will continue to monitor these bills.

Mr. Spangler reported that Board staff continue to monitor **Senate Bill 454** and **House Bill 2647**, providing exemptions from mandatory immunizations. Neither of these bills have moved since introduction.

Mr. Spangler reported that **House Bill 2648**, continuing education for registered nurses and advanced nurse practitioners, has not moved since introduction. Mr. Spangler has communicated to Delegates Margaret Staggers and Matthew Rohrbach that the Board of Medicine supports maintaining current training requirements for health practitioners.

Mr. Spangler reported that **Senate Bill 60** and **House Bill 2401**, licensing practice of athletic trainers, have been introduced. These bills would establish a Board of Athletic Trainers and would make it unlawful for any person to practice or offer to practice athletic training in this state without a license or permit issued by the Board of Athletic Trainers. House Bill 2401 has not moved since introduction. The Committee Substitute for Senate Bill 60 is scheduled for second reading in the Senate tomorrow, February 13, 2019. The West Virginia Board of Physical Therapy does not support the bill. The Committee directed Board staff to monitor the bill and obtain the West Virginia State Medical Association's opinion of this bill.

Mr. Spangler reported that **Senate Bill 492** and **House Bill 2697**, Creating Occupational Licensing Consumer Choice Act, have been introduced. These bills would allow persons to work for employers or consumers without first obtaining a professional license. The act would apply to the regulation of all occupations in West Virginia except for medical doctors, registered nurses, licensed practical nurses, dentist and pharmacists. Board staff will continue to monitor these bills.

Mr. Spangler reported on **Senate Bill 510**, relating to medical professional liability. This bill would require that claims against facilities identify individuals by job title, specific areas of professional practice, or specific role in the health care at issue. Additionally, the bill provides that "The notice of claim shall include a statement of the theory or theories of liability upon which a

cause of action may be based, and a list of all health care providers and health care facilities to whom notices of claim are being sent, together with a screening certificate of merit, and a list of all medical records and other information reviewed by the signer of the certificate of merit”. Dr. Faheem moved that the Committee support Senate Bill 510. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that during the 2018 legislative session House Bill 4199, permitting a nursing home to use trained individuals to administer medication, was introduced, but did not become law. During the current legislative session, **Senate Bill 548**, relating to administration of medication in nursing homes, has been introduced. This bill differs from House Bill 4199 in that it requires the individual administering medication under the direction of a registered professional nurse to complete Approved Medication Assistive Personnel training. Also, §16-5AA-2(d) of this bill states that “Nothing in this article prohibits a staff member from administering medications or performing health maintenance tasks or providing any other prudent emergency assistance to aid any person who is in acute physical distress or requires emergency assistance.” Board staff will continue to monitor this bill.

Mr. Spangler reported that **House Bill 2817**, Youth Mental Health Protection Act, has been introduced. The purpose of this bill is to protect lesbian, gay, bisexual, and transgender youth from conversion therapy. The bill also sets forth a prohibition for referral services for conversion therapy and provides for disciplinary actions against certain persons violating the prohibition. Reverend Bowyer moved that the Board support House Bill 2817. Dr. Slemp seconded, and the motion carried.

Ms. Alley reported on **House Bill 2903**, the Fetal Heartbeat Act. This bill would require a physician or other licensed medical provider to determine whether there is a detectable fetal heartbeat prior to performing an abortion. The physician or other licensed medical provider is prohibited from performing an abortion once a heartbeat is detected. Additionally, the bill provides that a physician or other licensed medical provider who performs or induces an abortion after a fetal heartbeat is detected is considered to have acted outside of the scope of practice permitted by law and is subject to discipline from the applicable licensure board. The bill also provides that “The board [of Medicine], by an affirmative vote of no fewer than nine members, shall, to the

extent permitted by law, limit, revoke, or suspend an individual's license to practice or license to recommend, refuse to issue a license to an individual, refuse to renew a license refuse to reinstate a license, or reprimand or place on probation the holder of a license for one or more of the following reasons: (1) Permitting one's name or one's license to practice to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment given; (2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease; (3) Except as otherwise provided in this code, selling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug; and (4) Willfully betraying a professional confidence.” The language of the bill conflicts with some provisions of the Medical Practice Act with respect to the Board’s disciplinary processes and requirements. Reverend Bowyer moved that the Board oppose House Bill 2903. Dr. Challa seconded, and the motion carried.

Ms. Alley reported that **House Bill 2915**, restricting the performance of abortions and acquiring, providing, receiving, otherwise transferring, or using fetal body parts, has been introduced. This bill would require legislative rulemaking by the Board of Medicine. Board staff will research other state Boards involvement in promulgating similar regulations and will continue to monitor this bill.

Mr. Spangler reported that at the January 13, 2019 Executive/Management Committee meeting, members received comments from individuals who are seeking a modification to W.Va. Code §30-3-13a(g)(1), relating to telemedicine prescribing limitations. The modification sought would add language to this section of the Code that would allow physicians who are practicing critical care telemedicine to hospitalized patients to order a Schedule II controlled substance. The Executive/Management Committee provisionally supported a modification to W.Va. Code §30-3-13a(g)(1) which would allow physicians practicing telemedicine to order a Schedule II controlled substance for a hospital patient for immediate administration in an intensive care unit setting, pending legal review, and they referred the matter to the Legislative Committee for further consideration. **House Bill 2947**, relating generally to telemedicine prescription practice

requirements and exceptions, has been introduced. As currently written, this bill would permit a physician to submit an order to dispense a controlled substance, listed in Schedule II of the Uniform Controlled Substance Act (UCSA), to a hospital patient for immediate administration in a hospital. The bill was considered by House Health and Human Resources Committee earlier today, where an amendment was introduced that would limit the order to dispense a controlled substance to a hospital patient for immediate administration in a hospital intensive care unit setting. However, the amendment was not adopted. Reverend Bowyer moved that the Board oppose House Bill 2957 unless the dispensing is limited to a hospital patient for immediate administration in a hospital intensive care unit, and that it is clear that no outpatient prescriptions can be ordered. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **House Bill 2951**, placing the regulation of non-medical professions and occupation in a new chapter of the code, has been introduced. Board staff will continue to monitor this bill and will report back to the Committee at a future meeting.

Mr. Spangler reported that **House Bill 2954**, defining certain terms used in insurance, has been introduced. The purpose of the bill is to clarify that a valid license includes a temporary permit issued by a Chapter 30 licensing board. In the bill, “valid license” includes a license or temporary permit issued pursuant to the provision of §30-3-1 et seq., and §30-14-1 et seq. Mr. Spangler has had conversation with legislative counsel to clarify that the Board of Medicine does not issue temporary permits, only temporary licenses. Board staff will continue to monitor this bill.

Mr. Spangler reported on **House Bill 2992**, relating to governmental websites. This bill would require agencies to maintain certain information on their website. In addition to the information currently available on the Board of Medicine’s website, our Board would be required to post: (1) an organizational chart; (2) administrative agency officials; and (3) meeting minutes.

Mr. Spangler reported that **Senate Bill 574** and **House Bill 2987**, would permit an authorized physician to order the involuntary hospitalization of an individual whom the physician believes is addicted or mentally ill. Board staff will continue to monitor these bills.

Mr. Spangler reported on **Senate Bill 575**, creating long-term care medical review boards. This bill would permit a long-term care provider to request that a medical review panel review claims of injury against the provider. While the Board of Medicine is not named in Senate Bill 575, Board staff will continue to closely monitor this bill.

Mr. Spangler reported that **Senate Bill 464** and **House Bill 3089** would eliminate the prohibition on audio only for establishing a physician/patient relationship via telemedicine. At the January 29, 2019 meeting, the Committee voted to oppose allowing a physician-patient or podiatrist-patient relationship to be established through audio-only communication. Board staff will continue to monitor these bills.

Mr. Foster reported that **House Bill 3042** would require prescriptions to be made by electronic means and sets out exceptions to the electronic prescribing requirement. Board staff will continue to monitor this bill.

Ms. Alley reported that **House Bill 3050**, West Virginia Broadband Expansion Act, was introduced today. This bill would encourage new investment in broadband capabilities in West Virginia. Dr. Faheem moved that the Board support House Bill 3050. Reverend Bowyer seconded, and the motion carried.

Ms. Alley reported that **Senate Bill 400** and **House Bill 2977**, allowing Board of Dentistry to create specialty licenses, has been introduced. The Senate Bill references a special certificate, while the House Bill references a special license. The specialties recognized by the Board of Dentistry are: (1) dental public health; (2) endodontics; (3) oral and maxillofacial surgery; (4) oral and maxillofacial radiology; (5) orthodontics and dentofacial orthopedics; (6) pediatric dentistry; (7) periodontics; (8) prosthodontics; and (9) oral pathology. Board staff will continue to monitor these bills.

There being no further business to consider, the meeting be adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

February 26, 2019

A meeting of the West Virginia Board of Medicine Legislative Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 26th day of February 2019 at 5:00 pm.

The following Committee members attended via teleconference:

K. Dean Wright, PA-C, Chair
Kishore K. Challa, MD, FACC
Ahmed D. Faheem, MD, DLFAPA
Mustafa Rahim, MD
Ashish P. Sheth, MD
Catherine C. Slemp, MD, MPH

The following Committee member was absent:

Timothy Donatelli, DPM

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Mr. Wright called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Mr. Spangler reported that **Senate Bill 199**, authorizing certain miscellaneous agencies and boards to promulgate legislative rules, includes the Board of Medicine's rule 11 CSR 1A, licensing and disciplinary procedures for physicians; podiatric physicians and surgeons, and 11 CSR 12, permitting and disciplinary procedures: educational permits for graduate medical interns, residents and fellows, has passed House Government Organization Committee and now moves to House Judiciary Committee.

Mr. Spangler reported that **Senate Bill 567**, permitting West Virginia Board of Medicine investigators to carry a concealed weapon, was introduced, but was not placed on the Senate Judiciary Committee agenda; therefore, the bill will not advance this year.

Mr. Spangler reported that the **Senate Bill 653**, relating generally to the practice of medical corporations, has been introduced. This bill incorporates the Board's proposed amendments to W.Va. Code §30-3-15 regarding medical corporations. The bill completed third reading on the Senate floor today and now advances to the House.

Mr. Spangler reported on **Senate Bill 668**, relating to physician assistants collaborating with physicians in hospitals. This bill completed third reading on the Senate floor today and now advances to the House. Some technical amendments will need to be made to this bill. Board staff will continue to closely monitor the bill.

Mr. Spangler reported that an Engrossed Committee Substitute for **Senate Bill 60**, licensing practice of athletic training, has passed the Senate and is currently on the agenda for consideration in House Health and Human Resources Committee, which is meeting now. The West Virginia State Medical Association continues to oppose this bill.

Mr. Spangler reported that the Engrossed Committee Substitute for **Senate Bill 510**, relating to medical professional liability, has passed House Judiciary Committee and was on first reading on the House floor today.

Mr. Spangler reported that a Committee Substitute has been introduced for **House Bill 2204**, prohibiting state licensing boards for hiring lobbyists. The Committee Substitute allows the director, board counsel and appointed board members to lobby on behalf of the Board. This bill was on the Senate Government Organization Committee agenda for consideration this afternoon.

Mr. Spangler provided an update on **House Bill 2486**, using records of criminal conviction to disqualify a person from receiving a license for a profession or occupation. The Engrossed Committee Substitute has passed the House and now moves to Senate Judiciary Committee. Mr. Spangler has spoken with the Chairman of the Senate Judiciary Committee indicating that the

Board supports rehabilitation efforts, but would like for the Board of Medicine and the Board of Osteopathic Medicine to be removed from the bill. Board staff will continue to monitor this bill.

Mr. Spangler reported **House Bill 2510**, relating to special funds of boards of examination or registration, was on the Senate Government Organization Committee agenda for consideration this afternoon.

Mr. Spangler reported that **House Bill 2524**, permitting a pharmacist to convert prescriptions authorizing refills under certain circumstances, has passed the House and now moves to Senate Health and Human Resources Committee.

Dr. Rahim joined the meeting via teleconference at this time.

Dr. Slempp reported that **House Bill 2525**, Tobacco Cessation Therapy Access Act, was amended in Senate Health and Human Resources Committee today. Prior to being amended, the bill provided that “The Commissioner of the Bureau for Public Health, may prescribe on a statewide basis a tobacco cessation therapy by one or more standing orders permitting pharmacists to initiate the dispensing of noncontrolled prescription medications, over-the-counter medications, or other professional services to eligible individuals.” The amendment changes the word “may” to “shall” in this sentence. Additionally, the amendment clarifies that the Board of Pharmacy regulates a pharmacist who dispenses a tobacco cessation noncontrolled prescription medication, over-the-counter medication, or other professional service.

Dr. Slempp provided an update on **House Bill 2583**, Family Planning Access Act. This bill was on the Senate Health and Human Resources Committee agenda for consideration today but was not taken up. The bill is scheduled to be placed back on Senate Health and Human Resources Committee agenda for consideration next week.

Mr. Spangler reported that **House Bill 2768**, reducing the use of certain prescription drugs, has passed the House, but has not yet been placed on the Senate Health and Human Resources Committee agenda.

Mr. Spangler reported that the following bills have passed the House but have not yet been placed on a Senate Committee agenda:

House Bill 2538, providing banking services for medical cannabis

House Bill 2947, relating generally to telemedicine prescription practice requirements and exceptions

House Bill 2954, defining certain terms used in insurance.

Mr. Spangler reported that **Senate Bill 400**, permitting the Board of Dentistry to create specialty certificates, has passed the Senate and now moves to House Government Organization Committee.

Mr. Spangler reported that **House Bill 2801**, requiring abortions to be performed by a licensed physician, and **Senate Bill 80**, establishing tax credit for practicing physicians locating in West Virginia are not likely complete the legislative process this year.

Mr. Spangler reported that **House Bill 3132**, relating to exempting providers that serve no more than 30 patients with office-based medication-assisted treatment, has passed the House and has been communicated to the Senate.

Mr. Spangler provided an update on **Senate Bill 396**, waiving occupational licensing fees for low-income individuals, military families and young workers. A Committee Substitute was passed which removes young workers from the bill. This bill was on second reading on the Senate floor today.

Mr. Spangler provided an update on **Senate Bill 574**, permitting authorized physicians to order involuntary hospitalization of an individual if the physician believes addicted or mentally ill. A Committee Substitute for the Committee Substitute was amended on the Senate floor earlier today. This bill provides that no later than 24 hours after admission the staff physician or designated employee will file a mental hygiene petition in which the authorized physician certifies that the individual for who the involuntary hospitalization is sought is addicted or is mentally ill and because of his or her addiction or mental illness, is likely to cause serious harm to himself or herself or other individual if allowed to remain at liberty. The floor amendment provides that

“Persons carrying out duties or rendering professional opinions as provided in this section are free of personal liability for the actions, if the actions are performed in good faith and within the scope of their professional duties and in a manner consistent with standard of care.” Dr. Faheem moved that the Board support Senate Bill 574. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that an originating bill has been introduced which will add a line item to the budget to provide funding for telestroke services.

Mr. Spangler reported that the following bills are not likely to complete the legislative process this year:

Senate Bill 5, requiring certain insurers and managed care organization develop prior authorization forms;

Senate Bill 307, House Bill 2227 and House Bill 2493, creating Nondiscrimination Involuntary Denial of Treatment Act

Senate Bill 351, relating to lobbying by state boards and commissions (the House version of this bill is advancing)

Mr. Spangler provided an update on **Senate Bill 464** and **House Bill 3089**, modifying licensing requirements for telemedicine and surgery or podiatry. Staff from the Board of Medicine and the Board of Osteopathic Medicine were requested to meet with members of the Senate to assist with drafting a Committee Substitute. At the meeting, a Committee Substitute was drafted which provides that: (1) a physician who establishes a physician-patient relationship through the use of secure telephonic communication or similar secure real-time, audio-only communication, is prohibited from prescribing any controlled substance medications listed in Schedules II through V of the Uniform Controlled Substances Act to the patient until the physician has evaluated the patient in person; and (2) a physician establishing a physician-patient relationship by audio-only communication shall have established a collaborative agreement with a primary care physician located within a 50-mile radius of the patient’s primary residence. A physician prescribing care by means of audio-only telemedicine during the establishing encounter shall advise the patient to follow up with that primary care physician within 15 days of the establishing audio encounter. Senate Bill 464 was on second reading on the Senate floor today. Dr. Faheem moved that the Board continue to oppose Senate Bill 464. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that **House Bill 2351**, relating to regulating prior authorizations, has completed the legislative process and was communicated to the Governor today.

Mr. Spangler reported that **House Bill 2951**, placing the regulation of non-medical professions and occupation in a new chapter of the codes is on third reading on the House floor tomorrow, February 27, 2019.

Mr. Spangler reported that the following bills are not likely to complete the legislative process this year:

Senate Bill 454 and House Bill 2847, providing exemptions from mandatory immunizations Both are dead

Senate Bill 492 and House Bill 2697, creating Occupational Licensing Consumer Choice Act

Senate Bill 548 – Relating to administration of medication in nursing homes

Senate Bill 606 – Enacting Fetal Heartbeat Act

House Bill 2090 – Relating to advertising by physician and podiatrists

House Bill 2189 – Relating generally to the disclosure of certain confidential information

Mr. Wright called the meeting to order. Dr. Faheem moved that the minutes of the following meetings be approved:

January 13, 2019;

January 29, 2019;

February 6, 2019;

February 12, 2019; and

February 26, 2019.

Dr. Sheth seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Mr. Spangler reported that the Board's legislative rules 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians, Podiatric Physician and Surgeons*, and 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*, have completed the legislative process and are awaiting action by the Governor.

Dr. Slempp joined the meeting at this time.

Mr. Spangler reported that the following bills, which were being monitored by Board staff, have completed the 2019 legislative process:

Senate Bill 60, licensing practice of athletic training;

Senate Bill 119, specifying documents not subject to discovery in certain proceedings (the Board of Medicine was removed from this bill);

Senate Bill 396, which requires chapter 30 boards to process the initial application for low-income individuals or military families within 30 days of receipt of the application and requires that licensing fees be waived. If signed by the Governor, this bill will require legislative rulemaking by the Board;

Senate Bill 510, relating to medical professional liability;

Senate Bill 653, the Board's bill which modifies W.Va. Code §30-3-15 to exclude all hospitals from the prohibition on the corporate practice of medicine and permits medical doctors, podiatric physicians and physician assistants to seek authorization as a medical corporation;

Senate Bill 668, which provides that a physician assistant who is practicing in a hospital setting will need to submit a notification of practice rather than a practice agreement. If signed by the Governor, this bill will require emergency and legislative rulemaking by the Board;

House Bill 2204, prohibiting state licensing boards from hiring lobbyists;

House Bill 2351, relating to regulating prior authorizations;

House Bill 2486, using records of criminal conviction to disqualify a person from receiving a license for a profession or occupation;

House Bill 2510, relating to special funds of boards of examination or registration, which provides that if the special fund of any board accumulates to an amount which exceeds twice the annual budget of the board or \$10,000, whichever is greater, that the State Treasurer will transfer the

excess amount to the General Revenue Fund and the Legislative Auditor will review the fee structure of the board;

House Bill 2524, permitting a pharmacist to convert prescriptions authorizing refills under certain circumstances;

House Bill 2525, Tobacco Cessation Therapy Access Act;

House Bill 2583, Family Planning Access Act;

House Bill 2768, reducing the use of certain prescription drugs, this legislation makes certain amendments to the Opioid Reduction Act passed as Senate Bill 273 in 2018;

House Bill 2947, which permits a physician practicing telemedicine to submit an order to dispense a controlled substance, listed in Schedule II of the Uniform Controlled Substance Act, to a hospital patient for immediate administration in a hospital, excluding the emergency department;

House Bill 2992, relating to government websites; and

House Bill 3132, relating to exemptions for providers that serve no more than 30 patients with office-based medication-assisted treatment.

Dr. Slemp reported that in addition to the aforementioned bills, **House Bill 2079**, removing certain limitation on medical cannabis grower, processor and dispensary licenses, and **House Bill 2538**, providing banking services for medical cannabis, have completed the legislative process.

Mr. Spangler reported that Board staff were successful in obtaining a sponsor to introduce **Senate Bill 567**, permitting West Virginia Board of Medicine investigators to carry a concealed weapon. Unfortunately, this bill did not advance out of Senate Judiciary Committee, and therefore was not passed during the 2019 legislative session.

Mr. Spangler reported that **Senate Bill 464**, modifying licensing requirements for telemedicine and surgery or podiatry, was closely monitored by Board staff. This bill would have eliminated the prohibition of audio-only for establishing a physician/patient relationship via telemedicine. The bill was not passed during the 2019 legislative session; however, it is likely that similar proposed legislation will be introduced during the 2020 legislative session.

Mr. Spangler reported that the Board will need to evaluate current legislative and procedural rules to determine which will need to undergo rulemaking in the 2020 legislative session.

Mr. Spangler reported that potential legislative goals for 2020 include reintroducing legislation which would authorize Board of Medicine investigators to carry a concealed weapon and the possible consolidation of the Board of Medicine and the Board of Osteopathic Medicine.

There being no further business to consider, the meeting adjourned.

Mr. Wright called the meeting to order. Dr. Rahim moved that the minutes of the March 10, 2019 meeting be approved. Dr. Challa seconded, and the motion carried.

**CALL TO
ORDER**

Mr. Spangler reported that Senate Bill 668, which provides process changes for physician assistant practice authorization in hospital settings, was passed during the 2019 legislative session and becomes effective on June 6, 2019. Pursuant to this legislation, physician assistants who are employed by hospitals will be permitted to submit to the Board instructional practice notifications rather than practice agreements with individual collaborating physicians. The Board will need to promulgate emergency and legislative rules in order to implement this change.

Mr. Spangler reported that Senate Bill 396, was passed during the 2019 legislative session. This legislation required the Board to waive initial licensing fees for low-income individuals and military families. The bill becomes effective on June 6, 2019 and requires the Boar to promulgate legislative rules to implement the waiver.

In addition to rulemaking required by the bills passed during the 2019 legislative session, Dr. Sheth moved that Board staff review the Board's legislative rule 11 CSR 10, *Accessing the West Virginia Controlled Substance Monitoring Program*, and report back to the Committee regarding proposed modifications / updates to the rule. Dr. Rahim seconded, and the motion carried.

Mr. Spangler reported that the Committee will need to hold a special meeting to review and consider draft rules to be promulgated during the 2020 legislative session. Dr. Faheem moved that a special Legislative Committee meeting be held on Tuesday, June 11, 2019 at 5:00 pm. Dr. Challa seconded, and the motion carried.

Executive/Management Committee Minutes

July 8, 2018

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 8th day of July 2018 at 11:00 am.

The following Committee members were present:

Ahmed Faheem, M.D., D.L.F.A.P.A., Chair
Reverend O. Richard Bowyer

The following Committee member attended the meeting via teleconference:

Rahul Gupta, M.D., M.P.H., M.B.A., F.A.C.P.

The following Committee member was absent:

Kishore K. Challa, M.D., F.A.C.C.

The following Staff members were present:

Mark A. Spangler, M.A.
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Faheem called the meeting to order. Reverend Bowyer moved that the minutes of the May 6, 2018 meeting be approved. Dr. Gupta seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

Steven Luby, Esquire, of Steptoe & Johnson, PLLC was present for the meeting and signed up to address the Committee. Following Mr. Luby's address to the Committee, members thanked him for his comments.

**PUBLIC
COMMENTS**

Mr. Luby left the meeting at this time.

In advance of the meeting, Committee members were provided with a copy of correspondence concerning the corporate practice of medicine as it applies to physician-owned for-profit hospitals. The requestor asked the Board to extend the current exemption for non-profit hospitals to for-profit hospitals which are entirely physician owned. The Committee considered this issue at length and ultimately determined that the language of WV Code §30-3-15(a) establishes a clear prohibition on any corporation practicing medicine without a certificate of authorization issued by the Board and the not for profit exemption was adopted as the result of a court decision, not independent Board action. Dr. Gupta moved that the Committee recommend to the Board that in light of the issues raised by recent correspondence to the Board and acknowledging the trend, including in surrounding states, to except all hospitals from the corporate practice of medicine prohibition, that this issue be referred to the Legislative Committee to pursue action by the legislature regarding hospitals and the applicability of the corporate practice of medicine. Reverend Bowyer seconded, and the motion carried.

Prior to today's meeting, Committee members were provided with a copy of the fiscal report and purchasing card transactions for the period of April 17th through June 16th, 2018. Upon review of the expenditures, Reverend Bowyer moved that the purchasing card transactions for the period of April 17th through June 16th, 2018 be approved. Dr. Gupta seconded, and the motion carried.

Mr. Spangler reported to the Committee that the Board has received correspondence which provides that the Society of Interventional Radiology is pleased to see that the Board includes Interventional Radiology in its list of specialties.

Mr. Spangler reported that the Board has received correspondence from the West Virginia Board of Pharmacy which identifies proposed recommended parameters to be used in identifying abnormal or unusual prescribing or dispensing patterns among prescribers. The recommended parameters include the:

- Average MED per prescription;
- Total MME prescribed;
- Total opioid prescriptions;
- Number of unique opioid patients; and
- Number of days supply of overlapping opioids and benzodiazepines.

Reverend Bowyer moved that the Committee recommend that the Board notify the West Virginia Board of Pharmacy that the Board of Medicine agrees with the Board of Pharmacy's proposed parameters and suggest that the Board's jointly reassess the efficacy of the parameters in a year. Dr. Gupta seconded, and the motion carried.

Mr. Spangler reported that the Board has received correspondence inquiring about Senate Bill 273, reducing use of certain prescription drugs, which became effective on June 7, 2018. Following discussion, Reverend Bowyer moved that the Committee recommend that the Board authorize staff to respond to the requestor indicating that West Virginia Department of Health and Human Resources and several other agencies are working to provide clarification regarding Senate Bill 273, and that more guidance from various regulators is anticipated in the future. Dr. Gupta seconded, and the motion carried.

Mr. Spangler reported that the Board has received correspondence requesting access to licensing data captured by the Board of Medicine. The request seeks information that is publicly available by utilizing the Look Up a Doctor or PA search feature on the Board's website. Dr. Gupta declared a conflict with regard to this matter. Without a quorum of members present who were not conflicted from voting on this matter, no action could be taken. The matter will be placed on the September 2018 agenda.

Ms. Alley reported that no requests for expungement of medical professional liability claims have been received since May 2018. The Board's proposed legislative rule 11 CSR 1A has been modified to clarify the circumstances under which malpractice settlements and judgments must be reported to the Board and to align the Board's malpractice reporting standards with other reporting requirements for malpractice, including the National Practitioner Data Bank.

Mr. Spangler reported to the Committee that in an effort to update the Board of Medicine's Medical Record Retention Guidelines which were published in the December 2015 newsletter, Board staff have contacted several entities to inquire about their medical record retention guidelines. The guidelines vary, however, maintaining patient records for a minimum of five years, with certain exemptions, appears to be generally acceptable. Board staff will draft revised Record Retention Guidelines for review and consideration at the September 2018 meeting.

Mr. Spangler reported that license renewal for physicians whose last name begins with the letters A through L, controlled substance dispensing practitioner registration for physicians whose last name begins with the letters A through L, and PLLC certificate of authorization renewal began on May 2, 2018 and concluded on June 29, 2018. A final count is pending, however initial counts indicate that approximately 3557 physicians renewed their medical license and 541 medical licenses expired. With regard to controlled substance dispensing registrations, 164 physicians renewed their registration and 248 registrations expired. With regard to PLLC certificate of authorization, 115 PLLCs renewed their certificate, 44 PLLCs expired and 2 PLLCs notified the Board that they have closed their company.

Mr. Spangler reported that for the 2018-2019 fiscal year, the Board has contracted with the following:

Court Reporters

Wilda Stonestreet
Sargent's Court Reporting

Hearing Examiners

Lewis Brewer, Esq.
Jack McClung, Esq.
J. Rudy Martin, Esq.
Janis Reynolds, Esq.
Jennifer Taylor, Esq.

Mr. Spangler reported that John (Brad) Smith joined the Board in May, as the Complaints Coordinator, and tomorrow, July 9, 2018, Sarah Loftus will assume her position as Paralegal for the Board.

Mr. Spangler reported that, at the May Board meeting, it was announced that the 2018 strategic planning session will be held on Saturday, October 6, 2018. If members are available, Board staff would like to move the date of the planning session to Saturday, October 13, 2018 beginning at 1:00 pm. This date and time will be presented to the Board, tomorrow, July 9, 2018. The Executive / Management Committee was agreeable with this change.

There being no further business to consider, Reverend Bowyer moved that the meeting be adjourned. Dr. Gupta seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

September 9, 2018

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 9th day of September 2018 at 11:00 am.

The following Committee members were present:

Kishore K. Challa, M.D., F.A.C.C., Chair
Reverend O. Richard Bowyer
Ahmed Faheem, M.D., D.L.F.A.P.A.,
Ashish P. Sheth, M.D.

The following Committee member was absent:

Rahul Gupta, M.D., M.P.H., M.B.A., F.A.C.P.

The following Staff members were present:

Mark A. Spangler, M.A.
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the July 8, 2018 meeting be approved. Reverend Bowyer seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, Committee members were provided with a copy of the fiscal report and purchasing card transactions for the period of June 16 through August 15, 2018. Upon review of the expenditures, Reverend Bowyer moved that the purchasing card transactions for the period of June 16 through August 15, 2018 be approved. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and discussed correspondence requesting access to the Board’s database for the purpose of obtaining licensing data that is otherwise already publicly available on the Board’s website. Currently, the Board cannot segregate public and non-public data within the database. Reverend Bowyer moved that the Committee recommend that the Board deny the request for direct database access. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and discussed correspondence regarding a medical corporation that was previously registered with the Board. In 2005, the corporation added dental faculty as members, therefore disqualifying them from operating as a medical corporation. At that time, the corporation did not renew its registration as a medical corporation and began to function as a nonprofit corporation. The correspondence received provides that the corporation is “aware that the Board has amended its Policy Statement on the corporate practice of medicine in recent years” and states that if the Board is of the opinion that the corporation no longer qualifies under the current policy statement, to please advise. The Committee concluded that no changes have been made to the *Position Statement on the Corporation Practice of Medicine* which would require this corporation to register with the Board.

The Committee reviewed and discussed correspondence regarding the denial of coverage for certain medications by insurance companies. The Board has no jurisdiction over insurance companies. Reverend Bowyer moved that the Board refer this correspondent to the West Virginia Offices of the Insurance Commissioner for consideration. Dr. Sheth seconded, and the motion carried.

The Committee reviewed and discussed correspondence regarding continuing education training available by the National Center for Health Statistics, Centers for Disease Control and Prevention entitled *Improving Cause of Death Reporting*. The training focuses on how to accurately complete a death certificate. Dr. Sheth moved that the Committee recommend that the Board authorize staff to send an email blast to licensees notifying them of the training and providing a link to the same. Reverend Bowyer seconded, and the motion carried.

Mr. Spangler reported that per West Virginia Purchasing Division requirements, the Board’s database contract will need to be rebid in 2019. Reverend Bowyer moved that the

Committee authorize Board staff to work with the Purchasing Division and place the database contract out for rebid. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the Agreement between the Board of Medicine and the West Virginia Medical Professionals Health Program (WVMPHP), designating the WVMPHP as a Physician Health Program, is scheduled to terminate at the end of December. A copy of a proposed agreement between the Board and the WVMPHP for the period beginning January 1, 2019 was made available for members to review prior to today's meeting. Dr. Faheem moved that the Committee recommend that the Board enter into the Agreement with the WVMPHP for the period beginning January 1, 2019. Reverend Bowyer seconded, and the motion carried.

Mr. Spangler reported that in an effort to update the Board's recommendations on medical records retention, Board staff obtained input from several entities regarding record retention guidelines. The responses vary significantly from three years to ten plus years depending on the types of records. The Committee directed Board staff to draft revised recommendations on medical records retention for consideration at the November 2018 meeting.

Mr. Spangler reported that the Board may need to hire an additional staff member to process educational permits, however, for the time being, the permits will be processed by licensure staff. Additionally, Mr. Spangler reported that Kimberly Jett is no longer employed by the Board. Ms. Jett's departure leaves a vacancy in the position of certifications analyst. Currently other staff members are performing the duties of this position, and the Board will reevaluate the need for this position in the coming months. The Board wishes Ms. Jett the best in her future endeavors.

There being no further business to consider, Dr. Sheth moved that the meeting **ADJOURNMENT** adjourned. Reverend Bowyer seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

November 4, 2018

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 4th day of November 2018 at 10:45 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Chair
Reverend O. Richard Bowyer
Rahul Gupta, MD, MPH, MBA, FACP
Ashish P. Sheth, MD

The following Committee member was absent:

Ahmed Faheem, MD, DLFAPA

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Dr. Challa called the meeting to order. Reverend Bowyer moved that the minutes of the September 9, 2018 meeting be approved. Dr. Gupta seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

Prior to today's meeting, Committee members were provided with a copy of the fiscal report and purchasing card transactions for the period of August 16 through October 16, 2018. Upon review of the expenditures, Dr. Sheth moved that the purchasing card transactions for the period of August 16 through October 16, 2018 be approved. Dr. Gupta seconded, and the motion carried.

The Committee reviewed the proposed schedule of 2019 Board meeting dates. Dr. Sheth moved that the following Board meeting dates be presented to the Board for approval:

January 14, 2019;
March 11, 2019;
May 20, 2019;
July 15, 2019;
September 9, 2019; and
November 4, 2019.

Reverend Bowyer seconded, and the motion carried.

The Committee reviewed the Board's 2019 Strategic Plan that was established during the October 13, 2019 strategic planning meeting. Dr. Sheth moved that the Committee recommend that the Board adopt the 2019 Strategic Plan. Dr. Gupta seconded, and the motion carried.

The Committee reviewed and discussed correspondence that was received which requests expungement of a medical malpractice settlement claim report for four licensees. Dr. Sheth moved that the Committee recommend that the Board expunge the medical malpractice settlement claim reports for Jessica A. Rhodes, PA-C and Robert D. Santrock, MD. Dr. Gupta seconded, and the motion carried. Dr. Sheth further moved that the Committee recommend that the Board decline the request for expungement of the medical malpractice settlement claim report for John France, MD and Jan C. Kletter, MD. Dr. Gupta seconded, and the motion carried.

The Committee reviewed and discussed correspondence that was received from a licensee regarding controlled substance prescribing. Following passage of new legislation, residents in training are no longer allowed to write prescriptions for controlled substances for Medicaid patients. These prescriptions must now be signed by the supervising faculty member. The licensee is concerned that signing the prescriptions for residents in training will raise concerns if his prescribing records are reviewed. Dr. Sheth moved that the Committee authorize Board staff to respond to the licensee indicating that his correspondence will be maintained in his historical

record in case any questions are raised in the future. Reverend Bowyer seconded, and the motion carried.

Dr. Challa reported that he would like to establish an Ad Hoc Committee on Joint Regulatory Concerns / Opportunities to proactively develop and maintain relationships with other regulatory agencies. Reverend Bowyer moved that Dr. Challa establish an Ad Hoc Committee on Joint Regulatory Concerns / Opportunities. Dr. Gupta seconded, and the motion carried.

At the September 2018 meeting, the Board approved a proposed Agreement between the Board of Medicine and the West Virginia Medical Professional Health Program (WVMPHP) for the period beginning January 1, 2019. Mr. Spangler reported that the Agreement was presented to the WVMPHP for consideration and review. The WVMPHP has requested that language in section 4.1, which is included in the current Agreement but was struck from the proposed Agreement, be reinserted. Mr. Foster reported that the language that the WVMPHP proposes be reinserted does not cover all of the code sections and may undercut what is already stated. Dr. Gupta moved that the Committee recommend that the Board make no modifications to the proposed Agreement that the Board will enter into with the WVMPHP effective January 1, 2019. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported to the Committee that the West Virginia University Office of Health Services Research currently processes approximately 12 requests for information regarding Board of Medicine licensees each quarter. The Committee took no action with regard to this agenda item.

Mr. Spangler reported to the Committee that there are 365 active medical corporations and 141 active professional limited liability companies authorized by the Board. Currently, once a medical corporation or professional limited liability company is authorized by the Board, it takes approximately two weeks to obtain the Board President and the Board Secretary's signature on the certificate of authorization. In order to improve the processing time, Dr. Sheth moved that the Committee recommend that the Board authorize Mr. Spangler to sign the certificate of authorization that is issued to medical corporations and professional limited liability companies. Reverend Bowyer seconded, and the motion carried.

The Committee reviewed and discussed an article that was drafted by Board staff entitled *Medical Records Retention Guidelines*. Board staff sought guidance from members regarding the number of years in which the Board recommends that medical records be maintained. Following discussion, the Committee directed Board staff to modify the article to provide that “at a minimum, the Board recommends that licensees retain records for at least 10 years after the last entry into the record or the last date of service, whichever is greater.” Also, the Committee directed staff to change the word healthcare to health care. Dr. Sheth moved that the Committee recommend that the Board approved the article with the technical modifications identified above. Dr. Gupta seconded, and the motion carried.

Dr. Challa reported to the Committee that he has had conversation with individuals from West Virginia University School of Medicine regarding the application process for physicians whose services are highly sought after and would greatly benefit West Virginia. He reported that he explained the medical faculty license and extraordinary circumstance license process and communicated that eligible applicants may seek licensure through these existing statutory provisions.

Mr. Spangler reported that a wrongful termination suit has been filed, *Young v. West Virginia Board of Medicine*, Civil Action No. 18-C-121. The Board is represented by AIG insurance, and Chuck Bailey has been assigned to represent the Board. Additional information will be provided as it becomes available.

Mr. Spangler reported that staff continue to work with the West Virginia Purchasing Division and are beginning to develop specifications to be included in the request for quotation as it relates to the rebidding of the database provider.

Mr. Spangler reported that with regard to staff, the Board has not yet filled the vacant certifications analyst position. Additionally, one staff member is scheduled to be out of the office on maternity leave in the near future. Licensure staff will assume the duties associated with this position while the staff member is on leave.

There being no further business to consider, Dr. Sheth moved that the meeting ADJOURNMENT adjourned. Reverend Bowyer seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

January 13, 2019

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 13th day of January at 10:30 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Chair
Reverend O. Richard Bowyer
Harry E. Duncan, MD
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slemph, MD, MPH
Russell O. Wooton

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order. The Committee received public comments from individuals who are seeking a modification to W.Va. Code §30-3-13a(g)(1), relating to telemedicine prescribing limitations.

CALL TO
ORDER AND
PUBLIC
COMMENTS

Reverend Bowyer moved that the minutes of the November 4, 2018 meeting be approved. Dr. Faheem seconded, and the motion carried.

APPROVAL
OF MINUTES

Prior to today's meeting, Committee members were provided with a copy of the fiscal report and purchasing card transactions for the period of October 16 through December 17, 2018. Upon review of the expenditures, Reverend Bowyer moved that the purchasing card transactions for the period of October 16 through December 17, 2018 be approved. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and discussed correspondence that was received which seeks a modification to W.Va. Code §30-3-13a(g)(1), relating to telemedicine prescribing limitations. The modification sought would add language to this section of the Code that would allow physicians who are practicing critical care telemedicine to hospitalized patients to order a Schedule II controlled substance. Reverend Bowyer moved that the Committee provisionally support a modification to §30-3-13a(g)(1) which would allow physicians practicing telemedicine to order a Schedule II controlled substance for a hospital patient for immediate administration in an intensive care unit setting, pending legal review, and that this matter be referred to the Legislative Committee for further consideration. Dr. Faheem seconded, and the motion carried.

Dr. Duncan joined the meeting at this time.

Mr. Spangler reported that on Saturday, January 12, 2019, an applicant for extraordinary circumstances licensure appeared before the Licensure Committee via video appearance utilizing Skype. This is the first time that the Board has authorized such an appearance, and there are currently no policies or procedures in place regarding video appearances. Dr. Faheem moved that the Committee direct Board staff to research the possibility of allowing video appearances, including technical and legal concerns, as well as policies and procedures, and report back to the Committee with recommendations at a future meeting. Dr. Slemp seconded, and the motion carried.

Mr. Wooton joined the meeting at this time.

Mr. Spangler reported that the wrongful termination suit, *Young v. WVBOM*, Civil Action No. 18-C-1216, is scheduled for trial in Kanawha County Circuit Court on March 20, 2020. Board staff will keep members apprised of any updates.

Mr. Spangler reported that Board staff have submitted specifications and all related documents for the Request for Quotation (RFQ) to the West Virginia Purchasing Division for the rebidding of the database provider. Board staff are awaiting final approval of the RFQ from the purchasing division, and it is likely that bidding will begin within a month.

Mr. Spangler reported that Mitchell Brandon Stotland, MD's application for medical licensure was transferred from the Licensure Committee to the Executive/Management Committee for consideration at a Sunday meeting. Reverend Bowyer moved that the Board enter into executive session for the purpose of receiving legal advice. Dr. Duncan seconded, and the motion carried.

EXECUTIVE
SESSION

The executive session concluded, and the Executive/Management Committee returned to public session. Dr. Stotland appeared before the Executive/Management Committee in support of his application for a permanent medical license. After a thorough discussion with Dr. Stotland, Dr. Sheth moved that the Committee recommend that the Board approve Dr. Stotland for licensure. Dr. Faheem seconded, and the motion carried.

PUBLIC
SESSION

There being no further business to consider, the meeting adjourned.

March 10, 2019

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 10th day of March at 11:00 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Chair
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slemph, MD, MPH

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the January 13, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of January and February 2019 were made available for members to review. Dr. Faheem moved that the purchasing card transactions for the months of January and February 2019 be approved. Dr. Sheth seconded, and the motion carried.

The Committee reviewed and discussed correspondence that was received which requests that the Board email current licensees a link to a survey titled *West Virginia Provider Survey on Pain Management and Medication-Assisted Treatment*. Dr. Faheem moved that on this singular occasion, and taking into consideration the public health issue, that the survey to be forwarded to the West Virginia Bureau for Public Health (WVBPH) for review in conjunction with the West

Virginia Office of Drug Control Policy (WVODCP), and if the survey is supported by the WVBPH and the WVODCP, Board staff be authorized to email current licensees a link to the survey. Dr. Sheth seconded, and the motion carried.

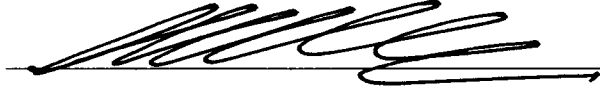

Mr. Spangler reported that at the January 13, 2019 meeting, the Committee directed Board staff to research the possibility of allowing video appearances, including technical and legal concerns, as well as policies and procedures, and report back to the Committee with recommendations at a future meeting. This matter was on today's agenda but was tabled for consideration at a future meeting.

Mr. Spangler reported that at the November 2018 Board meeting, the Committee recommended, and the Board voted to decline the request for expungement of a medical malpractice claim report for John C. France, MD and Jan C. Kletter, MD. The Board recently received two Notice of Claims, *France v. West Virginia Board of Medicine* and *Kletter v. West Virginia Board of Medicine*, indicating that each of the licensees intend to file suit against the Board in Kanawha County Circuit Court to have the medical malpractice settlement report expunged from their historical record. Board staff will keep members apprised of any updates.

Mr. Spangler reported that the Request for Quotation (RFQ) for the rebidding of the database provider has concluded. Per West Virginia Purchasing Division requirements, the Board is required to accept the lowest bid which meets all required specifications. Board staff have reviewed the quotes and have determined that the lowest bidder meets all required specifications. The bid is currently being reviewed by the West Virginia Office of Technology.

Mr. Spangler reported that the Board's Paralegal, Sarah Loftus, recently submitted her resignation. Upon Ms. Loftus' departure, the Board will have two vacant positions, one in the Complaints, Compliance and Investigations Unit and one in the Licensure Unit. The Board wishes Ms. Loftus the best in her future endeavors.

There being no further business to consider, Dr. Faheem moved that the meeting be adjourned. Dr. Sheth seconded, and the motion carried.

Executive/Management Committee Minutes

May 19, 2019

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 19th day of May at 11:00 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Chair
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slemp, MD, MPH

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Dr. Challa called the meeting to order. Dr. Sheth moved that the minutes of the March 10, 2019 meeting be approved. Dr. Faheem seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of March and April 2019 were made available for members to review. Dr. Faheem moved that the purchasing card transactions for the months of March and April 2019 be approved. Dr. Sheth seconded, and the motion carried.

The Committee reviewed correspondence and received comments from individuals representing iSelectMD, who are seeking the Board's support of legislation to be introduced during the 2020 legislative session that would permit a pilot project with the Public Employees Insurance Agency (PEIA) system to permit the physician-patient relationship to be established via audio-only communication (similar but narrower in application to legislation introduced, but not passed,

during the 2019 legislative session). Dr. Faheem moved that this matter be referred to the Legislative Committee for review and consideration. Dr. Sheth seconded, and the motion carried.

The Committee reviewed correspondence that was received inquiring whether a medical license is required to eviscerate a body for pathological examination. Dr. Slemp reported that prior to today's meeting, she forwarded a copy of the inquiry to the West Virginia Medical Examiner's Office for consideration and input. To date, she has not received a response from the Medical Examiner's Office. Dr. Sheth moved that the Committee authorize Board Staff to respond to the inquiry indicating that the evisceration of a body falls within the scope of medicine, and for clarification purposes, ask the individual to set forth any specific questions that they have regarding this topic.

The Committee reviewed correspondence that was received from a psychiatric-mental health nurse practitioner who is interested in starting a business, Integrated Psychiatric Care, in West Virginia. The Board of Medicine does not license and regulate nurse practitioners, and therefore is not the appropriate entity to authorize the approval of a business which is owned and operated by a nurse practitioner. Committee members expressed concern that corporations and companies that are not owned and operated by physicians, but contain medical terminology in the company name, may be misleading to the public. Dr. Sheth moved that the Committee authorize Board staff to contact the West Virginia Secretary of State's Office regarding their business registration process and corporate name approval for medical corporations and professional limited liability companies. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and discussed correspondence that was received which request expungement of a medical malpractice settlement claim report for Jennifer Christine Knight Davis, MD. Dr. Faheem moved that the Committee recommend that the Board grant the request for expungement of a medical malpractice settlement report for Jennifer Christine Knight Davis, MD. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that there are currently three legal matters which remain in a pending status. *John France, MD, v. West Virginia Board of Medicine* and *Jan Kletter, MD, v. West Virginia Board of Medicine* both relate to requests for expungement of a medical malpractice

settlement. The West Virginia Attorney General's Office is representing the Board in these two matters. *Young v. West Virginia Board of Medicine* involves a former Board employee. Charles Bailey, Esquire, of Bailey & Wyant has been assigned to represent the Board in this matter. Board staff will keep the Committee apprised of updates regarding these matters.

Mr. Spangler reported that the annual strategic planning meeting will be held on Saturday, October 19, 2019 at the Board Office.

Mr. Wessels reported that a Board of Medicine Communications Survey was recently sent to Board of Medicine licensees, state lawmakers and key stakeholders in an effort to improve outreach efforts. The Board received 925 responses to the survey. Respondents reported familiarity with the Board's newsletter, website and email blasts. More than eighty percent of the respondents reported that they read Board publications as they become available, and nearly ninety percent of respondents consider them to be a valuable source of information.

Mr. Spangler reported that licensure renewal and controlled substance dispensing practitioner registration renewal for physicians whose last names begin with the letters M through Z and podiatric physicians, as well as professional limited liability companies began earlier this month. As of May 17, 2019, Board staff have processed renewal applications for:

868 medical doctors;

13 podiatric physicians;

9 controlled substance dispensing practitioner registrations; and

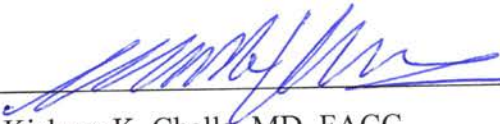

28 professional limited liability companies.

Mr. Spangler reported that the rebidding of the database has concluded, and the database contract has been awarded to inLumon. Board staff have begun meeting with inLumon, and the new database is expected to be fully implemented within 180 days. The Board has extended its contract with the current database vendor, Big Picture, for one year; however, it is likely that the contract with Big Picture will terminate once the new database is fully implemented.

Mr. Spangler reported that the Board is currently seeking candidates to fill the following three positions within the office: paralegal, physician assistant coordinator, and a technical writing / support staff position.

Dr. Faheem moved that the Committee go in to executive session to discuss matters related to salary adjustments. Dr. Slep seconded and the motion carried. The executive session concluded, and the Committee reentered public session.

The Committee discussed the Executive Director's recommendations for salary increases. Dr. Sheth moved that the Committee except the Executive Director's recommendation for salary increases for the fiscal year 2020 in a manner consistent with State Budget's Office's across the table raises as established by the legislature. Dr. Faheem seconded the motion and the motion carried.

Having no further business to discuss, the meeting adjourned.

The following Committee members were present:

Reverend O. Richard Bowyer, Acting Chair
Ashish P. Sheth, M.D.
Matthew Upton, M.D.
Wes Steele, M.D.

The following Committee member was absent:

Kishore K. Challa, M.D., F.A.C.C., Chair

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Esquire
Greg Foster, Esquire
Leslie A. Thornton, CMBI
Patrick A. Muncie, CMBI
Brad Smith

**CALL TO
ORDER**

In his capacity as Acting Chair of the Complaint Committee, Reverend Bowyer called the meeting to order.

**APPROVAL
OF**

MINUTES Dr. Upton made a motion to approve the minutes of the May 6, 2018 Complaint Committee meeting. Dr. Steele seconded the motion, and the motion carried.

**BOARD
COUNSEL
REPORT**

Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the May meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. Sarah Brooke Cash, M.D.: On May 7, 2018 the licensee entered into a Consent Order with the Board which imposed a public reprimand and suspension of her license for a period of up to five (5) years for exercising influence within a patient-physician relationship for the purpose of engaging a patient in sexual activity
2. Kenneth Jude Emch, D.P.M.: On June 21, 2018 the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for an inaccurate response to Professional Practice Question Number 12 on his renewal application.
3. Joy Jeannine Juskowich, M.D.: On March 5, 2018, the licensee entered into a Consent Order with the Board providing that her medical license would remain in an inactive status until she was fit to return to practice medicine and surgery and until she became compliant with certain terms and conditions. Dr. Juskowich satisfied the conditions of her March 5, 2018 Consent Order. On June 5, 2018 the licensee entered into an Amended Consent Order which converted her license to active status and immediately placed her on probation until satisfactory completion of certain terms and conditions or until the Order is lifted or otherwise modified pursuant to a subsequent Order issued by the Board. Dr. Juskowich may not seek modification of the Amended Consent Order any sooner than one year after entry.
4. Effrain Perez-Rivera, M.D.: On June 27, 2018 the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation for successfully completing the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
5. Livio Romani, M.D.: On June 27, 2018 the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for an inaccurate response to Professional Practice Question Number Twelve on his renewal application.

EXECUTIVE

SESSION

Dr. Upton made a motion that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code § 6-9A-4(b)(4) and (6) and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. A second was given by Dr. Sheth. The motion carried, and the Complaint Committee entered into Executive Session to consider disciplinary matters pursuant to West Virginia Code §30-3-6.

PUBLIC

SESSION

The Executive Session concluded, and the Complaint Committee returned to Public Session.

**COMPLAINT COMMITTEE
ACTIONS**

Dr. Sheth declared a conflict in a pending Complaint Committee matter, Complaint No. 18-72-M, and having being absent for all prior discussion regarding this complaint, exited the meeting room. After Dr. Sheth exited the meeting room, Dr. Upton moved that Complaint 18-72-M against Darshankumar Ashwinbhai Dave, M.D. be closed without further action. Dr. Steele seconded the motion, and the motion carried. Thereafter, Dr. Sheth returned to the meeting room and was present for the remainder of the meeting.

Dr. Upton also declared a conflict in a pending Complaint Committee matter, Complaint No. 18-63-B, and having been absent for all prior discussion regarding this complaint, exited the meeting room. After Dr. Upon left the meeting room, Dr. Sheth moved that Complaint No. 18-63-B against Jaime Thompson Hayes, M.D. be closed without further action. Dr. Steele seconded the motion, and the motion carried. Thereafter, Dr. Upton returned to the meeting room and was present for the remainder of the meeting.

Dr. Upton moved that the Committee take the following additional actions:

Dr. Upton moved that the Committee seek authority from the Board to issue Consent Orders or Amended Consent Orders in thirteen ongoing matters. Dr. Sheth seconded the motion, and the motion carried.

Dr. Upton moved that the Committee make the following findings:

**FINDING OF PROBABLE CAUSE TO SUBSTANTIATE CHARGES OF
DISQUALIFICATION UNDER WV CODE §30-3-14**

17-197-W Muhammed Samer Nasher-Alneam

Dr. Sheth seconded the motion, and the motion carried.

**RECCOMENDATION REGARDING REACTIVATION FOR APPLICANT WHOSE
LICENSE TERMINATED WHILE UNDER CONSENT ORDER**

The Complaint Committee reviewed and considered the reactivation of licensure application submitted by Thomas Jay Belford, Jr., P.A.-C. Mr. Belford's application was before the Complaint Committee for review because his West Virginia physician assistant license was subject to a period of disciplinary suspension when his license terminated due to his loss of NCCPA certification in March of 2016. Having acquired recertification through the NCCPA, Mr. Belford has applied with the Board for reactivation of licensure.

After a thorough review of Mr. Belford's disciplinary history with the Board, his application for reactivation and all supporting documentation, and having met with Mr. Belford to discuss his application and well being, Dr. Upton moved that the Committee recommends to the full Board that it offer Mr. Belford reactivation of licensure contingent upon his acceptance of a Consent Order which imposes the following terms and conditions:

Mr. Belford's license to practice as a physician assistant in West Virginia shall be subject to an indefinite period of probation, which shall begin upon the entry of this Consent Order. Mr. Belford's license shall be in probationary status throughout his next three full years of active practice as a physician assistant in West Virginia. Calculation of this three year period of active practice shall commence when Mr. Belford actually begins to practice as a physician assistant pursuant to a Board approved practice agreement. Calculation of the three year period of active practice probation shall be tolled during any period of time when Mr. Belford is not authorized to practice as a physician assistant pursuant to an approved practice agreement and/or when he is absent from clinical practice for more than 20 consecutive days.

During Mr. Belford's period of probation, he shall comply with the following terms and conditions:

1. Mr. Belford shall see a Board-approved psychiatrist on a regular basis and shall attend regular therapy sessions with a board approved psychologist, each of whom would be required to provide quarterly reports to the Board.
2. Mr. Belford shall continue to attend three AA meetings a week and Sexual Addiction group once a week. Mr. Belford shall maintain logs of his meeting attendance and shall make the same available to the Board upon request and shall bring them with him for each of his annual appearances before the Complaint Committee
3. In the event that Mr. Belford seeks authorization to practice as a physician assistant pursuant to this license, he shall first submit a proposed practice agreement for review and approval by the Board, which will be reviewed by the Complaint Committee.
4. Any proposed practice agreement submitted to the Board for approval pursuant to this Consent Order shall incorporate a direct collaboration requirement. Direct collaboration means that Mr. Belford's collaborating physician and/or any properly authorized alternate collaborating physician must be physically present at the place of practice and must be immediately available to furnish assistance and directions to the physician assistant.
5. Mr. Belford shall practice under direct collaboration for a minimum of six months.
6. Until further Order of the Board, Mr. Belford shall ensure that his approved collaborating physician submits to the Executive Director of the Board a written statement on a quarterly basis which confirms that Mr. Belford is practicing as a physician assistant with reasonable skill and safety for patients and with recommendations regarding when, after a minimum of six months, the direct collaboration requirement may be lifted. The first such report will be due three months from the date Mr. Belford's is authorized to practice under the collaborating physician pursuant to a Board approved practice agreement.
7. The Committee may lift the direct collaboration provision once it determines that direct collaboration is no longer required.
8. At all times when Mr. Belford is authorized to practice pursuant to an approved practice agreement while under probation, he shall be accompanied by a female health care provider when he has patient encounters with female patients.

9. Mr. Belford shall appear before the Complaint Committee on an annual basis and may not petition for a change in the terms of his probation, other than direct collaboration, for a least one full year after he is actively practicing pursuant to the terms of his probation.

Dr. Steele seconded the motion, and the motion carried.

ADJOURNMENT Due to prior obligations, the Complaint Committee determined by consensus to adjourn. A special Complaint Committee meeting was scheduled for August 14, 2018 to complete the meeting agenda.

**APPROVAL
OF**

MINUTES Dr. Upton made a motion to approve the minutes of the July 8, 2018 Complaint Committee meeting and the minutes of the August 14, 2018 special meeting. Dr. Sheth seconded the motion, and the motion carried.

**BOARD
COUNSEL
REPORT**

Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the July meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. Thomas J. Belford, P.A.-C On August 15, 2018, the licensee entered into a Consent Order with the Board which granted his application for reactivation of physician assistant licensure pursuant to an indefinite period of probation and the specific terms approved by the Board at its July 9, 2018 meeting. The period of probation shall last through Mr. Belford's next three years of active practice as a physician assistant in West Virginia. During his period of probation, Mr. Belford must comply with specific probationary terms including reentry into practice under direct collaboration until further notice and Complaint Committee approval of his practice agreements. At all times when Mr. Belford is authorized to practice pursuant to an approved practice agreement while under probation, he must be accompanied by a female health care provider when he has patient encounters with females.
2. Robert Andrew Dale, D.P.M. On August 30, 2018, the licensee entered into a Consent Order with the Board which restricts Dr. Dale from performing any podiatric medical procedure that involves suturing. This restriction will remain in place until a qualified physician determines, to the satisfaction of the Board, that Dr. Dale is fit to return to the unrestricted practice of podiatric surgery with reasonable skill and safety.
3. Tinofa Ozias Muskwe, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
4. Magued Raafat Rizk Edouard Meawad Rizk, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
5. Arthur Magno Santos, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
6. William Michael Skeens, M.D. On August 13, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
7. Steven Ray Smith, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a public reprimand for his unprofessional conduct related to his prescribing of a controlled substance to his wife and his failure to maintain a medical record with respect thereto. Dr. Smith is prohibited from prescribing controlled substances to

immediate family members. For a period of two years the Board will monitor the licensee's prescribing practices.

8. Thomas Robert Walther, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
9. Matthew Frederick Way, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
10. Lesley Wong, M.D. On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.
11. Nayan Kantilal Zinzuwadia, M.D. On August 13, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$2,650.00 and was required to complete 26.5 hours of CME to satisfy his CME deficiency.

EXECUTIVE

SESSION

Dr. Upton made a motion that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code § 6-9A-4(b)(4) and (6) and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. A second was given by Dr. Sheth. The motion carried, and the Complaint Committee entered into Executive Session to consider disciplinary matters pursuant to West Virginia Code §30-3-6.

WITHDRAWAL OF PREVIOUS COMPLAINT

18-138-W

Dr. Sheth seconded the motion, and the motion carried.

Dr. Upton moved that the Committee seek authority from the Board to issue Consent Orders or Amended Consent Orders in five ongoing matters. Dr. Sheth seconded the motion, and the motion carried.

Dr. Upton moved that the Committee make the following finding:

**FINDING OF PROBABLE CAUSE TO SUBSTANTIATE CHARGES OF
DISQUALIFICATION UNDER WV CODE §30-3-14**

18-79-W Tod Hagins, M.D.

Dr. Sheth seconded the motion, and the motion carried.

Dr. Upton moved that the Committee recommend that the Board accept the permanent surrender of the medical license of Tod Hagins, M.D., license number 18832, via Consent Order in lieu of proceeding to public hearing upon complaint number 18-79-W. Dr. Sheth seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee recommend that the Board enter an order terminating the Consent Order of Munawar Siddiqi. Dr. Siddiqi's Consent Order prohibits him from seeking a change in licensure status in West Virginia from inactive to active until he has fully satisfied the obligations of his Consent Order in Kentucky. Dr. Siddiqi has been released from his Kentucky Consent Order and has requested that his West Virginia Consent Order be similarly terminated. Dr. Upton seconded the motion, and the motion carried.

Dr. Upton moved that the Committee recommend that the Board order a Mental and Physical Examination for Practitioner A and provide the following report in support thereof:

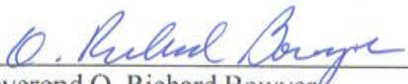

The Complaint Committee of the Board is currently conducting an investigation in connection with allegations against a particular physician stemming from a patient complaint alleging improper interference in the physician's prescribing by medical office staff and the subsequent termination of the physician-patient relationship. In order to protect the privacy of the licensee, and to ensure the impartiality of the Board should the matter come before it in the future for adjudication, the physician in question will be identified for purposes of this discussion as "Physician A."

Physician A appeared before the Complaint Committee yesterday. Based upon the physician's demeanor and responses to questions by Committee members, the Committee unanimously agreed that we have concerns regarding the mental and physical health and well-being of Physician A.

West Virginia Code § 30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board. In connection with its current investigation, and pursuant to the West Virginia Code § 30-3-14(f), the Complaint Committee now moves that the Board authorize the issuance of an Order requiring Physician A to submit to a complete mental and physical examination by a physician or physicians approved by the Board. Such mental and physical examination should be scheduled as soon as possible to ensure that the public is protected and should include all appropriate testing.

Dr. Sheth seconded the motion, and the motion carried.

Emergency Meeting Minutes

October 5, 2018

An emergency meeting of the West Virginia Board of Medicine Complaint Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 5th day of October 2018, at 1:00 p.m. to discuss information obtained in the course of the Committee's investigation into Complaint 18-157-W and to consider possible action with respect thereto. This complaint was initiated based upon a report that raised concerns about the responding licensee's current fitness to practice and associated safety concerns for his patients.

The following Committee members participated via telephone:

Reverend O. Richard Bowyer, Chair
Matthew Upton, M.D.
Thomas (Wes) Steele, M.D.
Ashish P. Sheth, M.D.

The following staff members were present for the emergency meeting:

Jamie S. Alley, Esquire
Greg Foster, Esquire
Leslie A. Thornton, CMBI
Brad Smith

The following staff member participated via telephone:

Mark A. Spangler, Executive Director

**CALL TO
ORDER**

Reverend Bowyer called the meeting to order.

**EXECUTIVE
SESSION**

Dr. Sheth made a motion that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code § 6-9A-4(b)(4) and (6) to discuss effecting a license as well as related information that, if disclosed, would constitute an unwarranted invasion of privacy. A second was given by Dr. Steele, and the motion carried. The Complaint Committee entered into Executive

Session to consider matters pursuant to West Virginia Code §30-3-6 and W. Va. Code § 6-9A-4(b)(4) and (6).

**PUBLIC
SESSION**

The Executive Session concluded, and the Complaint Committee returned to Public Session.

**COMPLAINT COMMITTEE
ACTIONS**

Upon return to public session, Dr. Upton moved that the Committee:

1. Conclude that the evidence in its possession supports a determination that Dr. San Pablo is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment, including deterioration through the aging process and loss of motor skills. W. Va. Code § 30-3-14(c)(21);
2. Conclude that evidence in the Committee's possession suggests that others may be using Dr. San Pablo's medical license to make medical decisions for and prescribe medications, including controlled substances, to his patients while he is unable to do so, with or without his agreement and/or meaningful participation;
3. Determine that under all of the circumstances, for Dr. San Pablo to continue to hold an unrestricted license to practice medicine in the State of West Virginia, constitutes an immediate danger to the health, welfare and safety of the public;
4. Conclude, as a matter of law, that such a danger to the public demands extraordinary measures;
5. Recommend to the full Board that it ratify the Committee's conclusions and determinations;
6. Recommend that the Board summarily suspend the West Virginia medical license of William Amaro San Pablo, M.D., License Number 11963, pursuant to West Virginia Code § 30-3-14(k), which provides that:

if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (j) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

7. Recommend that if the Board summarily suspends Dr. San Pablo, that the suspension, if upheld after hearing, be in place for the duration of the Committee's continuing investigation into the underlying complaint; and
8. Recommend that if the Board summarily suspends Dr. San Pablo, that he be offered a Consent Order to permanently surrender his West Virginia medical license in lieu of proceeding to hearing and to resolve any and all pending complaints against him.

Dr. Steele seconded the motion, and the motion carried.

OF**

MINUTES Dr. Sheth made a motion to approve the minutes of the September 9, 2018 Complaint Committee meeting, the minutes of the September 27, 2018 special meeting and the October 5, 2018 special meeting. Dr. Steele seconded the motion, and the motion carried.

**BOARD
COUNSEL**

REPORT Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the September meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. William Amaro San Pablo, MD Effective October 10, 2018, the licensee entered into a Consent Order with the Board permanently surrendering his West Virginia medical license.
2. Carol M. Williams, PA-C On October 18, 2018, the licensee entered into a Consent Order with the Board which imposed a public reprimand for failing to disclose a disciplinary complaint pending before the Osteopathic Board on her 2017 renewal application with this Board.
3. Curtis Jeffrey Thwing, MD On October 18, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$3,000.00 for failing to produce documentation of successful completion of all of his CME requirements in response to a CME audit. Dr. Thwing must also successfully complete 3 CME hours in a Board approved course on drug diversion training and best practice prescribing of controlled substances and 27 hours of additional CME to satisfy his CME deficiency.

EXECUTIVE

SESSION Dr. Steele made a motion that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code § 6-9A-4(b)(4) and (6) and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. A second was given by Dr. Sheth. The motion carried, and the Complaint Committee entered into Executive Session to consider disciplinary matters pursuant to West Virginia Code §30-3-6.

PUBLIC

SESSION The Executive Session concluded, and the Complaint Committee returned to Public Session.

COMPLAINT COMMITTEE

Dr. Sheth seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee seek authority from the Board to issue Consent Orders or Amended Consent Orders in eight ongoing matters. Dr. Steele seconded the motion, and the motion carried.

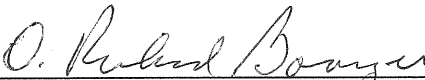

Dr. Sheth moved that the Committee recommend that the Board accept a copy of the signature page signed by the Respondent, Tod Hagins, M.D., for his Consent Order, in lieu of the original signature page, effecting the permanent voluntary surrender of the Respondent's West Virginia license based on the fact that Respondent is currently in jail and neither Respondent nor his counsel have access to the original signature page. The Respondent's counsel verified that Respondent executed the signature page and the copy that was provided via email to the Board is authentic. Under the circumstances, Respondent's counsel requested that the Board accept the copy of the Respondent's signature page and enter the Consent Order in accordance with the Respondent's wishes. Dr. Steele seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee recommend that the Board order a Mental and Physical Examination for Practitioner A based upon the following:

1. The Complaint Committee of the Board is currently conducting an investigation in connection with allegations against a particular physician associated with responses provided in association with the physician's 2018 licensure renewal application.
2. Physician A was subpoenaed to appear before the Complaint Committee today and failed to appear.
3. Based upon information currently in possession of the Complaint Committee, we have concerns regarding the mental and physical health and well-being of Physician A.
4. West Virginia Code § 30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board.
5. Such mental and physical examination should be scheduled as soon as possible to ensure that the public is protected and should include all appropriate testing.

Dr. Steele seconded the motion, and the motion carried.

CALL TO

ORDER Reverend Bowyer called the meeting to order. Reverend Bowyer welcomed Dr. Lakin to the Complaint Committee.

APPROVAL

OF

MINUTES Dr. Steele made a motion to approve the minutes of the November 4, 2018 Complaint Committee meeting. Dr. Sheth seconded the motion, and the motion carried.

BOARD

COUNSEL

REPORT Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the November meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. Tod Hagins, MD On November 13, 2018, the licensee entered into a Consent Order with the Board permanently surrendering his West Virginia medical license subsequent to his plea of guilty to three felony charges, including conspiracy to distribute

controlled substances without a legitimate medical purpose and outside the boundaries of the medical profession, in the matter of USA v. Tod Hagins, MD Criminal Action No. 5:18-CR-7.

2. Roger Lee McCauley, MD Due to his CME deficiency during the Board's CME audit, on November 8, 2018, the licensee entered into a Consent Order with the Board which requires him to complete 44 hours of volunteer/community service work. Dr. McCauley also completed 44 hours of CME out of cycle to satisfy his CME deficiency.
3. David Allen Moore, PA-C On November 28, 2018, the licensee entered into a Consent Order with the Board which publicly reprimanded him and required him to take continuing education in the prescribing of benzodiazepines. Mr. Moore is not currently practicing in West Virginia, and if he seeks to return to practice pursuant to his West Virginia license he must submit a proposed practice agreement for Complaint Committee review and approval.

EXECUTIVE

SESSION Dr. Sheth made a motion that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code § 6-9A-4(b)(4) and (6) and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. A second was given by Dr. Steele. The motion carried, and the Complaint Committee entered into Executive Session to consider disciplinary matters pursuant to West Virginia Code §30-3-6.

PUBLIC

SESSION The Executive Session concluded, and the Complaint Committee returned to Public Session.

COMPLAINT COMMITTEE

ACTIONS Dr. Sheth declared a conflict in a pending Complaint Committee matter, Complaint No. 18-92-G, and having been absent for all prior discussion regarding this complaint, exited the meeting room. Dr. Sheth's conflict relates to a professional relationship with the responding licensee. After Dr. Sheth exited the room, Dr. Steele moved that Complaint No.18-92-G against Karim Abdul Katrib, MD be closed without further action. Dr. Lakin seconded the motion, and the motion carried. Thereafter, Dr. Sheth returned to the meeting room and was present for the remainder of the meeting.

Dr. Steele moved that the Committee take the following actions:

Dr. Steele seconded the motion and the motion carried.

Dr. Sheth moved that the Committee seek authority from the Board to issue Consent Orders or Amended Consent Orders in ten ongoing matters. Dr. Lakin seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee recommend that the Board expunge all information and documents within the complaint file related to Complaint No. 18-18-W, with the exception of the Closure Decision Order, which the Board is required to maintain. Dr. Steele seconded the motion and the motion carried.

Dr. Lakin declared a conflict in a licensee's appearance before the Complaint Committee and exited the room. Dr. Lakin's conflict relates to the licensee's counsel representing one or more parties in a legal proceeding that Dr. Lakin is involved in. After Dr. Lakin exited the room, Dr. Sheth moved that the Committee initiate Complaint No. 19-29-W. Dr. Steele seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee recommend that the Board order a Mental and Physical Examination for Practitioner A based upon the following:

1. The Complaint Committee of the Board is currently conducting an investigation in connection with allegations against a particular podiatric physician stemming from an issue related to potential impairment.
2. Physician A appeared before the Complaint Committee today. Based upon the physician's demeanor, responses to questions by Committee members, and other information obtained during the course of the investigation, the Committee

unanimously agreed that it had concerns regarding the mental and physical health and well-being of Physician A.

3. West Virginia Code § 30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board.
4. Such mental and physical examination should be scheduled as soon as possible to ensure that the public is protected and should include all appropriate testing, including drug testing.

Dr. Steele seconded the motion, and the motion carried.

Thereafter, Dr. Lakin returned to the meeting room and was present for the remainder of the meeting

APPROVAL

OF

MINUTES Dr. Steele made a motion to approve the minutes of the January 13, 2019 Complaint Committee meeting. Dr. Lakin seconded the motion, and the motion carried.

BOARD

COUNSEL

REPORT Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the January 2019 meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. Sylvanus Osomoba Oyogoa, MD: On January 28, 2019, the licensee entered into an Amended Consent Order with the Board which modifies the terms of his September 10, 2018 Consent Order to permit the licensee to complete an online course entitled "ACS/APDS Surgery Resident

Skills Curriculum- Phase 3: Team-Based Skills” as an acceptable in-person course as required by the original Consent Order was not located.

2. Edmundo E. Figueroa, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which restricts Dr. Figueroa from performing any surgical procedure. This restriction will remain in place until a qualified physician determines that he may return to surgical practice with reasonable skill and safety.
3. Daniel Leon Alkon, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposes a fine in the amount of \$5,000.00 for CME noncompliance. Within 30 days Dr. Alkon must submit proof of satisfactory CME completion and verify that he has read and fully understands his CME obligations.
4. Thomas Alan Durnell, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposes a fine in the amount of \$400.00 for failure to disclose a medical malpractice payment on his renewal application for the period of July 1, 2016 through June 30, 2018.
5. Johnny Dy, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposes a fine in the amount of \$400.00 for failure to disclose his September 25, 2017 Consent Order on his 2018 license renewal application.
6. Anup Kumar Das, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposes a fine in the amount of \$400.00 for failure to disclose his October 5, 2017 Consent Order on his 2018 license renewal application.
7. Thair Ali Barghouthi, MD: On March 5, 2019, the licensee entered into a Consent Order with the Board which prohibits the licensee from performing or directing the performance of nuclear stress tests in an office-based setting.

EXECUTIVE

SESSION Dr. Mullins moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Lakin seconded the motion, and the motion carried.

PUBLIC

SESSION The Executive Session having concluded, the Complaint Committee returned to Public Session.

Dr. Mullins seconded the motion, and the motion carried.

Dr. Lakin moved that the Committee seek authority from the Board to offer Consent Orders and/or Amended Consent Orders in eight ongoing matters. Dr. Mullins seconded the motion, and the motion carried.

Dr. Steele declared a conflict with respect to Complaint No. 17-193-W, and having been absent from all prior executive session discussion and activity regarding this complaint, exited the meeting room. Prior to exiting the meeting room, Dr. Steele disclosed that the nature of his conflict is that he has a physician - patient relationship with a family member of one of the parties to the underlying proceeding. After Dr. Steele exited the room, Dr. Lakin moved that the Committee seek authorization from the Board to offer a consent order in this matter. Dr. Mullins seconded the motion, and the motion carried. Thereafter, Dr. Steele returned to the meeting room and was present for the remainder of the meeting.

Dr. Lakin declared a conflict in a pending Complaint Committee matter related to Initiated Complaint 16-89-W, and having been absent from all prior executive session discussion regarding this matter, exited the meeting room. Prior to exiting the meeting room, Dr. Lakin disclosed that her conflict relates to the fact that the responding licensee's legal counsel represents her in a pending legal matter. After Dr. Lakin exited the room, Dr. Steele moved that the Committee seek authorization from the Board to offer a consent order in this matter. Dr. Mullins seconded the motion, and the motion carried. Thereafter, Dr. Lakin returned to the meeting room and was present for the remainder of the meeting.

Dr. Mullins moved that the Committee refer certified court records regarding Marios Dimitrios Papachristou, MD to the Board for review and possible action pursuant to West Virginia Code § 30-3-14(d). Dr. Steele seconded the motion, and the motion carried.

Dr. Lakin moved:

1. That the Committee conclude that, based upon evidence in its possession, Nabil Gaballa Guirguis, MD is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment (W. Va. Code § 30-3-14(c)(21).
2. That the Committee determine that Dr. Guirguis' continuation in practice constitutes an immediate danger to the health, welfare and safety of the public;
3. That the Committee recommend that the Board:
 - a. Ratify its conclusion that Dr. Guirguis is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment, and its determination that his continuation in practice constitutes an immediate danger to the health, welfare and safety of the public; and
 - b. Summarily suspend Dr. Guirguis' medical license pursuant to W. Va. Code §30-3-14(k) and W. Va. Code §11-3-10.16 (2010); and

4. That the Board be provided with the evidence which the Committee reviewed in reaching their recommendation in this matter.

Dr. Steele seconded the motion, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Complaint Committee Meeting Minutes

May 19, 2019

A meeting of the West Virginia Board of Medicine Complaint Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 19th day of May 2019 beginning at 12:30 p.m.

The following Committee members were present:

Ashish P. Sheth, MD, Chair
Wes Steele, MD
David Mullins, MD
Carrie Lakin, DPM

The following Staff members were present:

Mark A. Spangler, Executive Director
Jamie S. Alley, Esquire
Greg Foster, Esquire
Leslie A. Thornton, CMBI
Brad Smith

**CALL TO
ORDER**

Dr. Sheth called the meeting to order.

**APPROVAL
OF**

MINUTES The Committee reviewed and considered the minutes of its March 10, 2019 meeting. Dr. Steele indicated that the basis for his conflict with respect to Complaint No. 17-193-W was incorrectly described in the draft minutes. He clarified that the basis for the conflict with respect to that matter was that he has a physician-patient relationship with a family member of one of the parties to the underlying proceeding. Dr. Mullins moved that the March 10, 2019 minutes be amended to correctly reflect Dr. Steele's amendment and be approved as amended. Dr. Lakin seconded the motion, and the motion carried.

Dr. Mullins moved that the March 19, 2019 special meeting minutes be approved. Dr. Steele seconded the motion, and the motion carried.

**BOARD
COUNSEL
REPORT**

Mr. Foster provided an update with respect to the Consent Orders offered by the

Committee. Since the March 2019 meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. David Mark Anderson, MD: On March 13, 2019, the licensee entered into a Consent Order with the Board which publicly reprimanded Dr. Anderson for his unethical and unprofessional conduct relating to his conviction on three felony counts of embezzlement.
2. Wigberto Condevillamar Camomot, MD: On April 3, 2019, the licensee entered into a Consent Order with the Board which suspended Dr. Camomot's licensee until such time as he successfully demonstrates, through the submission of the appropriate documentation, his fitness to resume the practice of medicine and surgery with reasonable skill and safety.

EXECUTIVE

SESSION Dr. Steele moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Lakin seconded the motion, and the motion carried.

PUBLIC

SESSION The Executive Session having concluded, the Complaint Committee returned to Public Session.

COMPLAINT COMMITTEE

ACTIONS Upon return to Public Session, Dr. Steele moved that the Committee take the following actions:

Dr. Mullins seconded the motion, and the motion carried.

Dr. Lakin moved that the Committee seek authority from the Board to offer Consent Orders and/or Amended Consent Orders in thirteen ongoing matters. Dr. Steele seconded the motion, and the motion carried.

Dr. Steele declared a conflict with respect to Complaint No. 17-193-W and having been absent from all prior executive session discussion and activity regarding this complaint, exited the meeting room. Prior to exiting the meeting room, Dr. Steele disclosed that the basis of the conflict was that he has a physician-patient relationship with a family member of one of the parties to the underlying proceeding. After Dr. Steele exited the room, Dr. Lakin moved that the Committee take the following action:

**FINDING OF PROBABLE CAUSE TO SUBSTANTIATE CHARGES OF
 DISQUALIFICATION UNDER WV CODE §30-3-14**

17-193-W John Michel Shamma’a, MD

Dr. Mullins seconded the motion, and the motion carried. Thereafter, Dr. Steele returned to the meeting room and was present for the remainder of the meeting.

Dr. Steele moved that the Committee take the following actions:

**FINDING OF PROBABLE CAUSE TO SUBSTANTIATE CHARGES OF
DISQUALIFICATION UNDER WV CODE §30-3-14**

WEST VIRGINIA BOARD OF MEDICINE

Board Meeting Minutes

July 9, 2018

A meeting of the West Virginia Board of Medicine was held at 101 Dee Drive, Charleston, West Virginia, on the 9th day of July 2018 at 9:00 a.m.

The following Board members were present for the meeting:

Ahmed D. Faheem, M.D., D.L.F.A.P.A., President
Kishore K. Challa, M.D., F.A.C.C., Vice President
Rahul Gupta, M.D., M.P.H., M.B.A., F.A.C.P., Secretary
Reverend O. Richard Bowyer
Timothy Donatelli, D.P.M.
Harry Duncan, M.D.
Reverend Janet Harman
Carrie Lakin, D.P.M.
David Mullins, M.D.
Victoria Mullins, P.A.-C.
Mustafa Rahim, M.D.
Ashish Sheth, M.D.
Wes Steele, M.D.
Russell O. Wooton
K. Dean Wright, P.A.-C.

The following Board member was absent:

Matthew Upton, M.D.

The following Staff members were present:

Mark A. Spangler, M.A.
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Sarah E. Loftus
John B. Smith
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Faheem called the meeting to order. Dr. Rahim moved that the May 7, 2018 and June 19, 2018 board meeting minutes be approved. Reverend Bowyer seconded, and the motion carried.

Dr. Faheem announced that the strategic planning meeting that was scheduled for Saturday, October 6, 2018, has rescheduled. The meeting will be held on Saturday, October 13, 2018, beginning at 1:00 pm.

Dr. Faheem welcomed Mr. Smith and Ms. Loftus to the meeting. He announced that Mr. Smith joined the Board in May as the Complaints Coordinator, and today, July 9, 2018, is Ms. Loftus' first day as Paralegal for the Board.

Dr. Faheem welcomed Michael Zanolli, M.D. and Lisa Robin of the Federation of State Medical Boards, and announced that Dr. Zanolli and Ms. Robin will be making a brief presentation to the Board following today's meeting.

Dr. Faheem announced that in accord with the Board's *Procedure for Making Public Comments at Meetings of the Board*, anyone seeking to address the Board is allotted five minutes to make his or her comments. Ryan Wakim, M.D., President and CEO of GR&W, Inc. was present for the meeting and signed up to address the Board. Following Dr. Wakim's address to the Board, members thanked him for his comments.

Dr. Faheem reported that the Board is currently accepting written comments on proposed amendments to 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians, Podiatric Physicians and Surgeons*, and a proposed new rule series 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*. The Comment period ends at 9:00 am on July 23, 2018. In the past, the Board has authorized the Legislative Committee to convene special meetings to act on behalf of the full Board with regard to reviewing the comments received and authorizing the agency approved version of the proposed rules, including associated amendments to emergency rules. Dr. Rahim moved that the Board delegate authority to the Legislative

Committee to act on behalf of the Board with regard to proposed rules 11 CSR 1A and 11 CSR 12, in the interval between Board meetings. Dr. Challa seconded, and the motion carried.

Dr. Faheem reported that the Executive/Management Committee met on Sunday, July 8, 2018, at which time the Committee reviewed and discussed correspondence concerning a request to address the prohibition against the corporate practice of medicine as it applies to physician-owned for-profit hospitals. The requestor asked the Board to extend the current exemption for non-profit hospitals to for-profit hospitals which are entirely physician owned. The Committee considered this issue at length and heard from the attorney for the hospital in question. The Committee ultimately determined that the language of WV Code §30-3-15(a) establishes a clear prohibition on any corporation practicing medicine without a certificate of authorization issued by the Board. In light of the issues raised by recent correspondence to the Board and acknowledging the trend, including in surrounding states, to except all hospitals from the corporate practice of medicine prohibition, the Committee recommended that the Board refer this issue to the Legislative Committee to pursue action by the legislature regarding the applicability of the prohibition against the corporate practice of medicine to hospitals. The motion of the Committee was given by Dr. Faheem, and the motion carried.

EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT

Dr. Faheem reported that the Committee approved the fiscal report and purchasing card transactions for the period of April 17th through June 16th, 2018.

Dr. Faheem reported that the Committee received correspondence from the Society of Interventional Radiology expressing their appreciation and approval of the inclusion of Interventional Radiology in the list of specialties utilized by the Board.

Dr. Faheem reported that the Committee reviewed and discussed correspondence that was received from the Board of Pharmacy which identifies proposed recommended

parameters to be used in identifying abnormal or unusual prescribing or dispensing patterns among prescribers. The recommended parameters include:

- Average MED per prescription
- Total MME prescribed
- Total opioid prescriptions;
- Number of unique opioid patients; and
- Number of days supply of overlapping opioids and benzodiazepines.

The Committee recommended that the Board notify the Board of Pharmacy that the Board agrees with the Board of Pharmacy's proposed parameters and suggests that the Boards jointly reassess the efficacy of the parameters in a year. The motion of the Committee was given by Dr. Faheem, and the motion carried.

Dr. Faheem reported that the Committee reviewed and discussed correspondence that was received inquiring about Senate Bill 273, which became effective on June 7, 2018. The Committee recommended that the Board authorize staff to respond to the requestor indicating that the Department of Health and Human Resources and several other agencies are working to provide clarification regarding Senate Bill 273, and that more guidance from various regulators is anticipated in the future. The motion of the Committee was given by Dr. Faheem, and the motion carried.

Dr. Faheem reported that no requests for expungement of medical professional liability claims have been received since May 2018. The Board's proposed legislative rule 11 CSR 1A has been modified to clarify the circumstances under which malpractice settlements and judgments must be reported to the Board and to align the Boards malpractice reporting standards with other reporting requirements for malpractice, including the National Practitioner Data Bank.

Dr. Faheem reported that license renewal for physicians whose last names begin with the letters A through L, controlled substance dispensing practitioner registration for physicians whose last names begin with the letters A through L, and Professional Limited Liability Company (PLLC) certificate of authorization renewal began on May 2, 2018 and concluded on June 29, 2018. A final count is pending, however initial counts indicate that

approximately 3557 physicians renewed their medical licenses and 541 medical licenses expired. With regard to controlled substance dispensing registrations, 164 physicians renewed their registrations and 248 registrations expired. With regard to PLLC certificate of authorization, 115 PLLCs renewed their certificates, 44 PLLCs expired and 2 PLLCs notified the Board that they have closed.

Dr. Faheem reported that for the 2018-2019 fiscal year, the Board has contracted with the following:

Court Reporters

Wilda Stonestreet
Sargent’s Court Reporting

Hearing Examiners

Lewis Brewer, Esq.
Jack McClung, Esq.
J. Rudy Martin, Esq.
Janis Reynolds, Esq.
Jennifer Taylor, Esq.

Dr. Faheem moved that the Board accept and ratify the report of the Executive / Management Committee. The motion carried.

Mr. Foster reported that on May 11, 2018, the West Virginia Supreme Court issued a ruling in the matter of *Shivkumar Iyer, M.D., Petitioner, v. West Virginia Board of Medicine, Respondent*. The ruling affirmed the Board’s Order entered on January 11, 2016, which revoked Dr. Iyer’s license to practice medicine and surgery in the state of West Virginia.

BOARD
ATTORNEY
REPORT

Mr. Foster reported that the Board is awaiting a decision by the Kanawha County Circuit Court in the matter of *Omar Khalid Hasan, M.D., Petitioner, v. West Virginia Board of Medicine, Respondent*.

Mr. Foster reported that there is a public hearing scheduled to convene on September 28, 2018. Also, it is anticipated that there will be a public hearing scheduled for mid-September.

Mr. Wright provided the report of the Physician Assistant Committee which met on Saturday, July 7, 2018.

PHYSICIAN
ASSISTANT
COMMITTEE
REPORT

Mr. Wright reported that at its May 2018 meeting, the Physician Assistant Committee reviewed the licensure application of Cheryl-Ann Leslie-Theal, P.A.-C, and Ms. Leslie-Theal was requested to appear before the Committee at its July meeting. Ms. Leslie-Theal appeared before the Committee to discuss her application. The Committee recommended that the Ms. Leslie-Theal be offered the opportunity to request withdrawal of her application prior to the Committee's September 2018 meeting. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that Richard Santostefano, Sr., P.A.-C. entered into a Consent Order with the Board of October 4, 2017, which restricted his practice to direct supervision for a minimum period of six months. At its May meeting, the Physician Assistant Committee reviewed the documentation submitted by his collaborating physician, who had recommended lifting the direct supervision restriction. The Committee recommended that Mr. Santostefano be released from his Consent Order. Mr. Wright reported that the Board's Order Terminating Consent Order was entered on May 7, 2018.

Mr. Wright asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Edward Beck Baldwin, III, P.A.-C.
Jean Trimble Bried, P.A.-C.

Brandon Phillip Carag, P.A.-C.
Holli Lucia Dalton, P.A.-C.
Lynn Ann Damico, P.A.-C.
Pricilla Gail Delp, P.A.-C.
Amy Leigh Dingess, P.A.-C.
Kari Rae Hunter, P.A.-C.
Kayla Marie Johns, P.A.-C.
Erica Michelle Paul, P.A.-C.
Kate Kennedy Pierce, P.A.-C.
Ashley Grace Reese, P.A.-C.
Adele Denise Rinchuse, P.A.-C.
Jenna Alyse Saltgaver, P.A.-C.
Brittany Ann Sebben, P.A.-C.

The motion of the Physician Assistant Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that James Michael Lackey, P.A.-C entered into a Consent Order with the Board on January 4, 2016, which restricted his first 720 hours of practice to on-site collaboration, placed his license in a probationary status during his first two full years of employment and required the submission of quarterly practice status reports from his collaborating physicians. The Committee reviewed the quarterly reports and staff reported to the Committee that Mr. Lackey is nearing the end of the two full years of his probationary employment period in September 2018. The Committee will request that Mr. Lackey appear before the Committee at the September 2018 meeting.

Mr. Wright reported that the Committee reviewed two practice agreements which involve the use of telemedicine for Medication Assisted Treatment (MAT).

Mr. Wright reported that Board staff have authorized 66 practice agreements for the period of May 5, 2018 to July 6, 2018. Additionally, 68 alternate collaborating physicians were designated.

Mr. Wright moved that the Board accept and ratify the report of the Physician Assistant Committee. The motion carried.

In the absence of Dr. Rahim, Mr. Wright chaired the Licensure Committee meeting Saturday, July 7, 2018, and provided the following report.

Mr. Wright reported that four applicants appeared before the Licensure Committee to discuss their applications. Based thereupon the Committee made the following recommendations:

Approve for permanent medical licensure:

Ruthi Shannon Cooper, M.D.

Nathan Rimothy Pearson, M.D.

Approve for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Nassir Rostambeigi, M.D.

The motion of the Committee was given by Mr. Wright, and the motion carried.

The Committee also recommended that the Board approve Gregory Arnold Nelcamp, M.D. for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee and based on the following factors: he has demonstrated extensive experience prior to leaving clinical practice; he has remained current in continuing medical education; he holds eight unrestricted licenses in other states; and he plans to practice administrative medicine exclusively. The motion of the Committee was given by Mr. Wright, and the motion carried.

The Committee recommended that the Board accept Dennis Michael Grolman, M.D.'s request to withdrawal his application. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that Benjamin Jay Bryant, M.D. will be invited to appear before the Committee at its September 2018 meeting. In lieu of appearing, Dr. Bryant may request withdrawal of his application.

The Committee will maintain the application of Tarek Alasil, M.D. on hold per the applicant's request.

Mr. Wright reported that the Committee reviewed and discussed 27 applications. Based thereupon, the Committee makes the following recommendations:

Approve for permanent medical licensure:

Mohamed Alfaris, M.D.
Mohammed Salah Alreshidan, M.D.
Gregory Dale Casey, M.D.
Richard Henry Catlett, III, M.D.
Yi-Wen Chen, M.D.
Marcus Felix Cox, M.D.
Matthew Ramey Craig, M.D.
David Joseph Cygan, M.D.
Brian Schmid Dye, M.D.
Nadia A. Falah, M.D.
Matthew Guy Kestenbaum, M.D.
Nico Dorfling Kristen, M.D.
Robert Aaron Looper, M.D.

The motion of the Licensure Committee was given by Mr. Wright, and the motion carried.

Approve for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Akshay Goel, M.D.
Asti Pilika, M.D.
Scott Kain Rineer, M.D.
Kevin Sanford Smith, M.D.
William Rost Walker, M.D.

The motion of the Licensure Committee was given by Mr. Wright, and the motion carried.

Accept the letter from the medical school confirming that John Della Badia, Jr., M.D. graduated in June 1988, and approve Dr. Badia for permanent medical licensure. The motion of the Licensure Committee was given by Mr. Wright, and the motion carried.

Accept Samuel Chi Hei Lau, M.D.'s first two years of medical school education at Saint Theresas Medical University, which closed in 2009, as satisfactorily verified based on the accepted transfer of credits listed on his transcript provide by Windsor University, where he completed his last two years of medical education and approve Dr. Lau for permanent medical licensure. The motion of the Licensure Committee was given by Mr. Wright, and the motion carried.

Accept Sherif Albert Felix's medical school education at Cairo University in Egypt as satisfactorily verified and approve Dr. Felix for licensure based on the following factors: there is currently civil unrest in Egypt and Cairo University has not complied with the requests for verification of education from the FCVS; and in accordance with current Board policy, two of Dr. Felix's classmates have submitted notarized letters attesting to graduating from medical school with him. The motion of the Committee was given by Mr. Wright, and the motion carried.

Approve for reactivation of permanent medical licensure:

Laura Anne Hotchkiss, M.D.
Nathaniel Seth Laden, M.D.

The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that the following applicants will be invited to appear before the Committee at the September meeting:

Muhammad Amer, M.D.
Yokesh Balaraman, M.D.
Nina Roberta House, M.D.
Walid Saado, M.D.

Mr. Wright asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared.

The Committee recommended that the Board approve the following applicants for licensure:

CONSENT ORDERS

Reverend Bowyer requested that the Board authorize the Complaint Committee to move forward with offering 13 Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Complaint Committee was given by Reverend Bowyer, and the motion carried.

FULLY EXECUTED CONSENT ORDERS

Reverend Bowyer reported that since the May meeting, fully executed Consent Orders have been entered with respect to the following licensees:

Efrain Perez-Rivera, M.D.: On June 27, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation for successfully completing the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Livio Romani, M.D.: On June 27, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for an inaccurate response to professional practice question number twelve on his renewal application.

Kenneth Jude Emch, D.P.M.: On June 21, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for an inaccurate response to professional practice question number twelve on his renewal application.

Sarah Brooke Cash, M.D.: On May 7, 2018, the licensee entered into a Consent Order with the Board which imposed a public reprimand and a suspension of her license for a period of up to five (5) years for exercising influence within a patient-physician relationship for the purpose of engaging a patient in sexual activity.

Joy Jeannine Juskowich, M.D.: On March 5, 2018, the licensee entered into a Consent Order with the Board providing that her medical license would remain in an inactive status until she was fit to return to practice medicine and surgery and until she became compliant with certain terms and conditions. Dr. Juskowich satisfied the conditions of her March 5, 2018 Consent Order. On June 5, 2018, Dr. Juskowich entered into an Amended Consent Order which converted her license to active status and immediately placed her on probation until satisfactory completion of certain terms and conditions or until the Order is lifted or

otherwise modified pursuant to a subsequent Order issued by the Board. Dr. Juskowich may not seek modification of the Amended Consent Order any sooner than one year after entry.

All Consent Orders are available on the Board's website.

Reverend Bowyer reported that Steven Scott Melek, D.P.M. was served an Order of Summary Suspension on May 7, 2018 and a public hearing was scheduled for May 21, 2018. Prior to the public hearing, Dr. Melek moved to continue the hearing and agreed to permanently surrender his podiatric license in lieu of proceeding to hearing. The public hearing was continued by Order of the Hearing Examiner, and the Proposed Consent Order signed by Dr. Melek was submitted to the Complaint Committee for consideration. A copy of the Proposed Consent Order was made available for members to review prior to today's meeting. Under the Proposed Consent Order, Dr. Melek agrees: (1) to permanently surrender his West Virginia license; (2) that he is permanently ineligible for licensure in West Virginia; and (3) that he will not seek or apply for reinstatement or reactivation of his license in the future. The Committee recommended that the Board accept Dr. Melek's Consent Order. The motion of the Committee was given by Mr. Wright, and the motion carried.

Reverend Bowyer reported that the Complaint Committee reviewed and considered the reactivation of licensure application submitted by Thomas Jay Belford, Jr., P.A.-C. Mr. Belford's application was before the Complaint Committee for review because his West Virginia physician assistant license was subject to a period of disciplinary suspension when his license terminated due to his loss of NCCPA certification in March of 2016. Having acquired recertification through the NCCPA, Mr. Belford has applied with the Board for reactivation of licensure.

After a thorough review of Mr. Belford's disciplinary history with the Board, his application for reactivation and all supporting documentation, and having met with Mr. Belford to discuss his application and well being, the Committee recommended that the Board offer Mr. Belford reactivation of licensure contingent upon his acceptance of a

Consent Order which imposes the following terms and conditions:

Mr. Belford's license to practice as a physician assistant in West Virginia shall be subject to an indefinite period of probation, which shall begin upon the entry of this Consent Order. Mr. Belford's license shall be in probationary status throughout his next three full years of active practice as a physician assistant in West Virginia. Calculation of this three-year period of active practice shall commence when Mr. Belford actually begins to practice as a physician assistant pursuant to a Board approved practice agreement. Calculation of the three-year period of active practice probation shall be tolled during any period of time when Mr. Belford is not authorized to practice as a physician assistant pursuant to an approved practice agreement and/or when he is absent from clinical practice for more than 20 consecutive days.

During Mr. Belford's period of probation, he shall comply with the following terms and conditions:

1. Mr. Belford shall see a Board-approved psychiatrist on a regular basis and shall attend regular therapy sessions with a board approved psychologist, each of whom will be required to provide quarterly reports to the Board.
2. Mr. Belford shall continue to attend three AA meetings a week and sexual addiction group once a week. Mr. Belford shall maintain logs of his meeting attendance and shall make the same available to the Board upon request and shall bring them with him for each of his annual appearances before the Complaint Committee
3. In the event that Mr. Belford seeks authorization to practice as a physician assistant pursuant to this license, he shall first submit a proposed practice agreement for review and approval by the Board, which will be reviewed by the Complaint Committee.
4. Any proposed practice agreement submitted to the Board for approval pursuant to this Consent Order shall incorporate a direct collaboration requirement. Direct collaboration means that Mr. Belford's collaborating physician and/or any properly authorized alternate collaborating physician must be physically present at the place of practice and must be immediately available to furnish assistance and directions to the physician assistant.

5. Mr. Belford shall practice under direct collaboration for a minimum of six months.
6. Until further Order of the Board, Mr. Belford shall ensure that his approved collaborating physician submits to the Executive Director of the Board a written statement on a quarterly basis which confirms that Mr. Belford is practicing as a physician assistant with reasonable skill and safety for patients and with recommendations regarding when, after a minimum of six months, the direct collaboration requirement may be lifted. The first such report will be due three months from the date Mr. Belford's is authorized to practice under the collaborating physician pursuant to a Board approved practice agreement.
7. The Committee may lift the direct collaboration provision once it determines that direct collaboration is no longer required.
8. At all times when Mr. Belford is authorized to practice pursuant to an approved practice agreement while under probation, he shall be accompanied by a female health care provider when he has patient encounters with female patients.
9. Mr. Belford shall appear before the Complaint Committee on an annual basis and may not petition for a change in the terms of his probation, other than direct collaboration, for a least one full year after he is actively practicing pursuant to the terms of his probation.

The motion of the Committee was given by Reverend Bowyer, and the motion carried.

Reverend Bowyer moved that the Board accept and ratify the report of the Complaint Committee. The motion carried.

Reverend Bowyer reported that the Nominating Committee met on June 19, 2018, at which time the Committee developed a slate of nominees for the offices of President and Vice President for presentation at today's meeting. The Committee's agreed upon slate of nominees are Kishore Challa, M.D., for President and Ashish P. Sheth, M.D. for Vice President. Dr. Faheem opened the floor for additional nominations. Mr. Wooton moved that Mustafa Rahim, M.D. be nominated for the office of Vice President. Dr. Donatelli seconded, and the motion carried. Dr. Challa was elected President by acclamation, and based on the majority vote of the members present, Dr. Sheth was elected Vice President.

Dr. Challa called the meeting to order. Reverend Bowyer moved that the July 9, 2018 meeting minutes be approved. Dr. Faheem seconded, and the motion carried.

**CALL TO ORDER AND
APPROVAL OF
MINUTES**

Dr. Challa announced that a strategic planning session for the Board will be held on Saturday, October 13, 2018, beginning at 1:00 pm at the Board Office.

ANNOUNCEMENTS

Dr. Challa reported that the Executive/Management Committee met on Sunday, September 9, 2018, at which time the Committee approved the fiscal report and purchasing card transactions for the period of June 17th through August 15th, 2018.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Dr. Challa reported that the Committee reviewed and discussed correspondence requesting access to the Board's database for the purpose of obtaining licensure data that is otherwise already publicly available on the Board's website. The Committee recommended that the Board deny the request. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Committee reviewed and discussed correspondence regarding the denial of certain medications by insurance companies. The Board has no jurisdiction over insurance companies, and therefore will refer the correspondent to the West Virginia Offices of the Insurance Commissioner.

Dr. Duncan joined the meeting at this time.

Dr. Challa reported that the Committee reviewed and discussed correspondence regarding continuing education training available by the National Center for Health Statistics, Centers for Disease Control and Prevention entitled *Improving Cause of Death Reporting*. This training focuses on how to accurately complete a death certificate. The Committee recommended that the Board authorize staff to send an email blast to licensees notifying them of the training and providing a link to the same. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that per the West Virginia Purchasing Division requirements, the Board's database contract will need to be rebid in 2019. The Committee authorized Board staff to work with the West Virginia Purchasing Division and place the contract out for rebid.

Dr. Challa reported that the Agreement between the Board of Medicine and the West Virginia Medical Professionals Health Program (WVMPHP), designating the WVMPHP as a Physician Health Program, is scheduled to terminate at the end of December. A copy of a proposed agreement between the Board and the WVMPHP for the period beginning January 1, 2019 was made available for members to review prior to today's meeting. The Committee recommended that the Board enter into the Agreement with the WVMPHP beginning January 1, 2019. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Board may need to hire an additional staff member to process educational permits, however, for the time being, the permits will be processed by licensure staff. Dr. Challa also reported that Kimberly Jett is no longer employed by the Board. Ms. Jett's departure leaves a vacancy in the position of certifications analyst. The Board wishes Ms. Jett the best in her future endeavors.

Dr. Challa moved that the Board accept and ratify the report of the Executive / Management Committee. The motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, September 9, 2018, at which time the Mr. Spangler reported that the Board's emergency rule 11 CSR 12, pertaining to educational permits, became effective on August 3, 2018. Board staff filed an Emergency Amendment with the Secretary of State's Office which, if approved, will change the date that the Board begins issuing educational permits from October 1, 2018 to September 1, 2018 or as soon as the amendment is approved thereafter. To date, the Secretary of State's office has not taken any action regarding the amendment. Board staff are prepared to begin issuing educational permits as soon as the amendment is approved.

LEGISLATIVE
COMMITTEE
REPORT

If the Secretary of State's Office does not take action with regard to the amendment prior to September 18, 2018, the amendment will become effective on that date.

Mr. Wright reported that on January 10, 2018, Governor Justice signed Executive Order No. 3-18 establishing a regulatory review requirement for state regulations. The Order requires executive agencies with rule-making authority to review all rules under the agencies jurisdiction to determine which rules, if any, are outdated, ineffective, or excessively burdensome and unnecessary. Each agency must submit a Regulatory Review report to the Governor and the Legislative Rule-Making Review Committee prior to November 1, 2018. Board staff have begun reviewing the Board's rules and will submit a report prior to the deadline.

Mr. Wright reported that Board staff continue to receive questions regarding Senate Bill 273. Board staff have been working with other entities regarding proposed modifications to Senate Bill 273 and anticipate that the proposed modifications will be introduced during the 2019 legislative session.

Mr. Wright reported that at the request of the Executive/Management Committee, the Legislative Committee considered whether or not to pursue legislative changes to the prohibition on corporate practice of medicine as it applies to for-profit hospitals. The Committee has asked legal staff to provide a summary of the current law and provide some proposed changes for consideration at the November meeting.

Mr. Wright reported that the Committee proposed that the following subjects be considered as topics of interest for the Board during the upcoming legislative session:

- Possible consolidation of the Board of Medicine and the Board of Osteopathic Medicine;
- Potential modifications to Senate Bill 273;
- Clarification regarding the corporate practice of medicine; and
- Possible modifications to the Physician Assistants Practice Act.

Mr. Wright asked board members to identify any additional topics that they would like to be included in the list of 2019 legislative topics of interest / goals. Dr. Challa indicated that he would like for precertification / prior authorization of medications and medical procedures to be included in the list. The Committee recommended that the Board authorize staff to explore the above matters identified as 2019 legislative topics of interest / goals. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that several organizations will be meeting in the coming weeks to discuss and develop proposed legislation to be introduced during the 2019 session relating to the practice of physician assistants. The Committee recommended that the Board authorize staff to participate in upcoming meetings which relate to potential legislative changes for physician assistant practice. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright moved that the Board accept and ratify the report of the Legislative Committee. The motion carried.

Ms. Alley reported that on July 13, 2018, the Kanawha County Circuit Court affirmed the Board's Order in the matter of *Omar Khalid Hasan, M.D., Petitioner, v. West Virginia Board of Medicine, Respondent*. On August 10, 2018, Dr. Hasan filed an appeal to the West Virginia Supreme Court, and the court granted a stay in this matter. Briefing will occur prior to the end of 2018.

**BOARD
ATTORNEY
REPORT**

Ms. Alley reported that there are two hearings scheduled to occur in the coming months. Additionally, there are two cases set for hearing that are currently in a stayed posture.

Mr. Wright provided the report of the Physician Assistant Committee which met on Saturday, September 8, 2018.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Mr. Wright reported that James Michael Lackey, P.A.-C. appeared before the

Committee in accordance with the terms of the Consent Order that he entered with the Board on January 4, 2016. No action was taken by the Committee with respect to Mr. Lackey, and his Consent Order will conclude as scheduled.

Mr. Wright asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Caitlyn Justine Asbury, P.A.-C.
Brandon Edouard Bolduc, P.A.-C.
Jon-Michael Brunner, P.A.-C.
Daniel Thomas Burns, Jr., P.A.-C.
Emily Jane Butler, P.A.-C.
Chelsea Marie Camerlengo, P.A.-C.
Kaitlyn Nicole Crites, P.A.-C.
Laura Michelle Dent, P.A.-C.
Jennifer Lynn Ensminger (formerly Fisher), P.A.-C.
Ryan John Gratchick, P.A.-C.
Makenzie Taylor Hamrick, P.A.-C.
Cara Garrett Housden, P.A.-C.
Erin Rae Kenny, P.A.-C.
Victoria Danielle Kissell, P.A.-C.
Jillian Mari Laslo, P.A.-C.
Karen Malee Palmateer, P.A.-C.
Jacob Roger Stoner, P.A.-C.
Heidi Jo Stout, P.A.-C.
Laura Alohalani Waialae, P.A.-C.
Elizabeth Virginia Ward, P.A.-C.
Hannah Elizabeth Warner, P.A.-C.

The motion of the Physician Assistant Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that Cheryl-Ann Leslie-Theall, P.A.-C. appeared before the Committee at the July 2018 meeting in support of her application for physician assistant licensure. Following her appearance, Ms. Leslie-Theall submitted a request to withdraw her

application. The Committee recommended that the Board accept Ms. Leslie-Theall's request to withdraw her application for physician assistant licensure. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that the Committee discussed possible changes in the regulation of physician assistant practice and suggestions for potential legislative changes to the West Virginia Physician Assistants Practice Act which are expected to be introduced during the 2019 legislative session by interested parties.

Mr. Wright reported that the Committee reviewed and discussed an inquiry that was submitted by a physician assistant related to whether physician assistants may perform circumcision procedures. No action was taken by the Committee with regard to the inquiry. This matter will be placed on the November 2018 agenda for further consideration.

Mr. Wright reported that Board staff have authorized 54 practice agreements since July 9, 2018. Additionally, 24 alternate collaborating physicians were designated.

Mr. Wright moved that the Board accept and ratify the report of the Physician Assistant Committee. The motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, September 8, 2018.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that three out of six scheduled applicants appeared before the Licensure Committee to discuss their applications. Based thereupon the Committee made the following recommendations:

Approve the following applicants for permanent medical licensure:

Muhammad Amer, M.D.
Nina Roberta House, M.D.

Approve Larissa Braga Casaburi, M.D. for medical school faculty licensure.

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed fourteen applications. Based thereupon, the Committee made the following recommendations:

Approve Michael Ng, M.D. for permanent medical licensure.

Approve Mark Walter Penn, M.D. for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee.

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the additional information submitted as satisfactory documentation of work history and approve Yokesh Balarman, M.D. for permanent medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the postgraduate training as satisfactorily verified and approve Edward Abell, M.D. for permanent medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept Zenoun Omar Abouzelam, M.D.'s medical school education at Ain Sham's University in Egypt as satisfactorily verified and approve Dr. Abouzelam for permanent medical licensure based on the following factors: there is currently civil unrest in Egypt; Ain Shams University has not complied with the requests for verification of education from the applicant; and in accordance with current Board policy, two of Dr. Abouzelam's classmates have submitted notarized letters attesting to graduating from medical school with him. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept Mandana Hashefi, M.D.'s medical school education at Tehran University of Medical Sciences in Iran as satisfactorily verified and approve Dr. Hashefi for licensure based on the following factors: there is currently not diplomatic relations between the United States and Iran; Tehran University has not complied with the requests for verification of education from the applicant or FCVS; and in accordance with current Board policy, two of Dr. Hashefi's classmates have submitted notarized letters attesting to graduating from medical school with her. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve a change in status of James M. Dauphin, M.D.'s license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Dauphin acknowledges that he inaccurately attested to the completion of all required CME in association with his 2018 license renewal application and that he can only provide evidence of completion of fifteen hours of CME for the July 1, 2016 through June 30, 2018 licensure cycle; (2) the Board accepts thirty-five hours of CME Dr. Dauphin has completed since July 1, 2018 in satisfaction of his CME deficiency for the period of July 1, 2016 through June 30, 2018; (3) Dr. Dauphin may not utilize any of the 35 hours used to satisfy his CME requirements for the current reporting period; and (4) Dr. Dauphin shall pay an administrative fine in the amount of \$3,500 for his CME delinquency and deficiency prior to his status change becoming effective. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve a change in status of Michael Joel Shuster, M.D.'s license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Shuster acknowledges that he inaccurately attested to the completion of a 3 hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017; (2) the Board accepts Dr. Shuster's completion of a Board approved course in drug diversion training and best practice prescribing of controlled substances on May

20, 2018 in satisfaction of his CME deficiency for the period of July 1, 2015 through June 30, 2017; (3) Dr. Shuster may not utilize the May 2018 course in satisfaction on any CME obligations for the his current reporting period; and (4) Dr. Shuster shall pay an administrative fine in the amount of \$500 for his CME delinquency and deficiency prior to his status change becoming effective. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the request for withdrawal of application for medical licensure in lieu of appearance for the following applicants:

CONSENT ORDERS

Reverend Bowyer requested that the Board authorize the Complaint Committee to move forward with offering 5 Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Complaint Committee was given by Reverend Bowyer, and the motion carried.

FULLY EXECUTED CONSENT ORDERS

Reverend Bowyer reported that since the July meeting, fully executed Consent Orders have been entered with respect to the following licensees:

Thomas J. Belford, P.A.-C - On August 15, 2018, the licensee entered into a Consent Order with the Board which granted his application for reactivation of physician assistant licensure pursuant to an indefinite period of probation and the specific terms approved by the Board at its July 9, 2018 meeting. The period of probation shall last through Mr. Belford's next three years of active practice as a physician assistant in West Virginia. During his period of probation, Mr. Belford must comply with specific probationary terms including reentry into practice under direct collaboration until further notice and Complaint Committee approval of his practice agreements. At all times when Mr. Belford is authorized to practice pursuant to an approved practice agreement while under probation, he must be accompanied by a female health care provider when he has patient encounters with females.

Robert Andrew Dale, D.P.M. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed restrictions on Dr. Dale's podiatric license that he shall not perform any podiatric medical procedure that involves suturing. This restriction will remain in place until a qualified physician determines, to the satisfaction of the Board,

16

that Dr. Dale is fit to return to the unrestricted practice of podiatric surgery with reasonable skill and safety.

Tinofa Ozias Muskwe, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Magued Raafat Rizk Edouard Meawad Rizk, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Arthur Magno Santos, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

William Michael Skeens, M.D. - On August 13, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Steven Ray Smith, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed being publicly reprimanded for his unprofessional conduct related to his prescribing of a controlled substance to his wife and his failure to maintain a medical record with respect thereto. For a period of two years the Board will monitor the

licensee's prescribing practices.

Thomas Robert Walther, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Matthew Frederick Way, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Lesley Wong, M.D. - On August 30, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$500.00 for being unable to produce documentation of successful completion of the required Board approved course on drug diversion training and best practice prescribing of controlled substances during the requisite time frame.

Nayan Kantilal Zinzuwadia, M.D. - On August 13, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$2,650.00 and was required to complete 26.5 hours of CME to satisfy his CME deficiency.

All Consent Orders are available on the Board's website.

Reverend Bowyer reported that when probable cause is found, Consent Orders must be individually considered and approved by the Board. Yesterday, September 9, 2018, the Complaint Committee found probable cause in the matter of Tod Hagins, M.D., Complaint No. 18-79-W. Dr. Hagins has agreed to permanently surrender his West Virginia medical license via Consent Order in lieu of continuing in the disciplinary process. The Committee

requested that the Board approve this Consent Order. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

The Complaint Committee recommended that the Board enter an order terminating the Consent Order of Munawar Siddiqi, M.D.. Dr. Siddiqi's Consent Order prohibits him from seeking a change in licensure status in West Virginia from inactive status to active status until he fully satisfied the obligations of his Consent Order in Kentucky. Dr. Siddiqi has been released from his Kentucky Consent Order and has requested that his West Virginia Consent Order be similarly terminated. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

Reverend Bowyer reported that the Complaint Committee of the Board is currently conducting an investigation in connection with allegations against a particular physician stemming from a patient complaint alleging improper interference in the physician's prescribing by medical office staff and the subsequent termination of the physician-patient relationship. In order to protect the privacy of the licensee, and to ensure the impartiality of the Board should the matter come before it in the future for adjudication, the physician in question will be identified for purposes of this discussion as "Physician A."

Physician A appeared before the Complaint Committee yesterday. Based upon the physician's demeanor and responses to questions by Committee members, the Committee unanimously agreed that it had concerns regarding the mental and physical health and well-being of Physician A.

West Virginia Code § 30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board. In connection with its current investigation, and pursuant to the West Virginia Code § 30-3-14(f), the Complaint Committee moved that the Board authorize the issuance of an Order requiring Physician A to submit to a complete mental and physical examination by a physician or physicians approved by the Board. Such mental and physical examination should be scheduled as soon as possible to ensure that the

public is protected, and should include all appropriate testing. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

Reverend Bowyer moved that the Board accept and ratify the report of the Complaint Committee. The motion carried.

Dr. Challa welcomed Dawn Morton-Rias, President and Chief Executive Officer of the National Commission on Certification of Physician Assistants. Ms. Morton-Rias will be presenting to the Board following today's meeting.

There being no further business to consider, the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE
Emergency Board Meeting Minutes
October 5, 2018

An emergency meeting of the West Virginia Board of Medicine was held at 101 Dee Drive, Charleston, West Virginia, on the 5th day of October 2018, at 1:30 p.m.

The following Board members attended the meeting via teleconference:

Kishore K. Challa, M.D., F.A.C.C., President
Ashish Sheth, M.D., Vice President
Reverend O. Richard Bowyer
Timothy Donatelli, D.P.M.
Ahmed D. Faheem, M.D., D.L.F.A.P.A.,
Reverend Janet Harman
Carrie Lakin, D.P.M.
David Mullins, M.D.
Victoria Mullins, P.A.-C.
Mustafa Rahim, M.D.
Wes Steele, M.D.
Matthew Upton, M.D.
Russell O. Wooton
K. Dean Wright, P.A.-C.

The following members were absent:

Rahul Gupta, M.D., M.P.H., M.B.A., F.A.C.P., Secretary
Harry E. Duncan, M.D.

The following Staff member attended the meeting via teleconference:

Mark A. Spangler, M.A.

The following Staff members were present:

Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie Thornton-Inghram, CMBI

Dr. Challa called the meeting to order, and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Dr. Challa announced that the purpose of the emergency meeting is to consider whether a licensee's continuation in practice constitutes an immediate danger to the public requiring immediate action by the Board.

Reverend Bowyer reported that this matter relates to possible discipline of a licensee, William Amaro San Pablo, M.D, and asked if there were any declarations of conflict by Board members. No conflicts were declared.

**COMPLAINT
COMMITTEE
REPORT**

Reverend Bowyer reported that an emergency meeting of the Complaint Committee was convened at 1:00 p.m. today to discuss information obtained in the course of the Committee's investigation into Complaint No. 18-157-W. The complaint was initiated based upon a report that raised concerns about Dr. San Pablo's current fitness to practice and associated safety concerns for his patients. The Committee is still investigating this complaint, which was initiated on September 27, 2018, and is not ready to make a final determination upon the complaint at this time. However, the Complaint Committee has received and reviewed information obtained by Board Investigators on October 1, 2018 that indicates that Dr. San Pablo's continuation in practice constitutes an immediate danger to the public and summary action is required.

The Committee concluded that the evidence in its possession supports a determination that Dr. San Pablo is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment, including deterioration through the aging process and loss of motor skills. W.Va. Code §30-3-14(c)(21).

The Committee further concluded that evidence in its possession suggests that others may be using Dr. San Pablo's medical license to make medical decisions for and

prescribe medications, including controlled substances, to his patients while he is unable to do so, with or without his agreement and/or meaningful participation.

West Virginia Code §30-3-14(k) provides that:

If the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (f) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and beginning within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

The Committee determined, that under the circumstances and based upon the evidence in its possession, to recommend that the Board summarily suspend Dr. San Pablo's West Virginia medical license while the Committee completes its investigation into the allegations of Complaint No. 18-157-W.

The Complaint Committee recommended that the Board:

1. Ratify the Complaint Committee's conclusion as reported;
2. Determine that under all of the circumstances, for Dr. San Pablo to continue to hold an unrestricted license to practice medicine in the State of West Virginia, constitutes an immediate danger to the health, welfare and safety of the public;
3. Conclude, as a matter of law, that such a danger to the public demands extraordinary measures; and
4. In accordance with its statutory mandate to protect the public interest, summarily suspend the license to practice medicine of Dr. San Pablo, license number 11963,

in accordance with the provisions of W. Va. Code §30-3-14(k) and W. Va. Code R. §11-3-10.16 (2010) while the Board continues its investigation into Initiated Complaint No. 18-157-W.

The Committee further recommended that if the Board votes to summarily suspend Dr. San Pablo, that he be offered a Consent Order to permanently surrender his West Virginia medical license in lieu of proceeding to hearing on his summary suspension and to resolve any and all pending complaints against him.

The following members left the teleconference at this time:

Reverend O. Richard Bowyer

Ashish P. Sheth, M.D.

Wes Steele, M.D.

Matthew Upton, M.D.

With a quorum of the Board present and voting, Dr. Faheem moved that the Board find that for Dr. San Pablo to continue to hold an unrestricted license to practice medicine in the State of West Virginia constitutes an immediate danger to the health, welfare and safety of the public; that such a danger to the public demands extraordinary measures; and that in accordance with its statutory mandate to protect the public interest, the Board summarily suspend the license to practice medicine of Dr. San Pablo, license number 11963, in accordance with the provisions of W. Va. Code §30-3-14(k) and W. Va. Code R. §11-3-10.16(2010) while the Board continues its investigation into Initiated Complaint No. 18-157-W. Dr. Faheem further moved that the summary suspension become effective on the date that the Order is served on Dr. San Pablo, and that Dr. San Pablo be offered a Consent Order to permanently surrender his West Virginia medical license in lieu of proceeding to hearing on his summary suspension and to resolve any and all pending complaints against him. Dr. Wooton Seconded. Dr. Challa called for a roll call vote, and the motion carried unanimously.

Dr. Rahim left the teleconference at this time.

Reverend Harman moved that the summary suspension hearing be held on Wednesday, October 17, 2018 at 10:00 am at the Board Office. Mr. Wright seconded, and the motion carried.

Dr. Faheem moved that the Board accept and ratify the Complaint Committee report. Mr. Wooten seconded, and the motion carried.

There being no further business to consider, Reverend Harmon moved that the meeting adjourned. Dr. Mullins seconded, and the motion carried. **ADJOURNMENT**

Matthew Upton, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Challa called the meeting to order and announced that today, November 5, 2018, is Dr. Gupta's last meeting as Secretary of the Board. Dr. Challa thanked Dr. Gupta for his commitment to the Board and wished him the best in his future endeavors.

**CALL TO
ORDER
AND APPROVAL
OF MINUTES**

The Committee recommended that the following meeting minutes be approved:

September 10, 2018 Board Meeting Minutes
October 4, 2018 Board Meeting Minutes
October 13, 2018 Board Meeting Minutes
June 19, 2018 Nominating Committee Minutes

Reverend Bowyer moved that the Board adopt the Committee's recommendation. Mr. Wright seconded, and the motion carried.

Mr. Spangler reminded members to promptly notify Board staff if they are unable to attend any Committee or Board meeting.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler announced that the 2018 Licensing Board Seminar will be held on Tuesday, November 27, 2018 from 8:00 am to 4:30 pm at the Charleston Marriott. W.Va. Code provides that all board members are required to attend at least one licensing board seminar during their term. The deadline to register for the seminar is Friday, November 16, 2018. Mr. Spangler asked that any member who is interested in attending the seminar, please see him following today's meeting.

Mr. Spangler reported that during the Alderson Broaddus University Alumni Awards Banquet, which was held on October 6, 2018, Mr. Wright received the Hu C. and Avanelle Myers Award. The award is named in honor of Dr. Hu C. Myers, founder of the program, and his wife Avanelle.

Mr. Spangler thanked members for their participation during the recent strategic planning session and for their commitment to the Board.

Dr. Challa reported that the Executive/Management Committee met on Sunday, November 4, 2018, at which time the Committee approved the fiscal report and purchasing card transactions for the period of August 16th through October 16th, 2018.

The Committee recommended that the Board approve the following 2019 Board meeting dates:

January 14, 2019
March 11, 2019
May 20, 2019
July 15, 2019
September 9, 2019
November 4, 2019

Reverend Harman moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

Dr. Challa reported that the Board will need to hold a special meeting prior to December 13, 2018 to consider the Hearing Examiner's Recommended Decision in the matter of *West Virginia Board of Medicine v. David Carol Shamblin, MD*, Complaint Nos. 16-36-W and 16-154-W. Dr. Challa asked all members who are not excluded from voting on this matter to review their calendar and identify which of the following proposed meeting dates best fit their schedule: November 20, 21, 28, 29 or 30, 2018 or December 3, 4 or 5, 2018. Members will be notified of the meeting date once it has been confirmed.

Dr. Challa reported that the 2019 strategic plan has made available on the cloud for members to review. The Committee recommended that the Board adopt the 2019 Strategic Plan as presented. Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

Dr. Challa reported that the Committee reviewed four requests for expungement of a medical malpractice settlement claim report. The expungement requests and supporting

documents were made available for members to review prior to today's meeting. The Committee recommended that the Board take the following action upon the requests:

Grant the request for expungement of a medical malpractice claim report for Jessica A. Rhodes, PA-C;

Grant the request for expungement of a medical malpractice claim report for Robert D. Santrock, MD;

Decline the request for expungement of a medical malpractice claim report for John France, MD; and

Decline the request for expungement of a medical malpractice claim report for Jan C. Kletter, MD.

Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Duncan seconded, and the motion carried.

Dr. Challa reported that the Committee reviewed and discussed correspondence that was received from a licensee regarding controlled substance prescribing. The Committee authorized Board staff to respond to the licensee indicating that the correspondence will be maintained in his historical record.

Dr. Challa reported that he will establish an Ad Hoc Committee on Joint Regulatory Concerns / Opportunities for the purpose of engaging with other regulatory entities with common interests.

Dr. Challa reported that at the September 2018 meeting, the Board approved a proposed agreement between the Board and the West Virginia Medical Professionals Health Program (WVMPHP) for the period beginning January 1, 2019. The agreement was presented to Brad Hall, M.D for consideration and review. A WVMPHP Board member suggested that language in section 4.1, which is included in the current agreement but was struck from the proposed agreement, be reinserted. A copy of the Agreement and the modification being proposed by the WVMPHP were made available for members to review prior to today's meeting. The language that the WVMPHP proposed be reinserted does not cover all of the code sections and may undercut what is already stated. The Committee

recommended that the Board make no modifications to the proposed Agreement that the Board will enter into with the WVMPHP effective January 1, 2019. Reverend Bowyer moved that the Board adopt the Committee's recommendation. Dr. Duncan seconded, and the motion carried.

Dr. Challa reported that there are 365 active medical corporations and 141 active professional limited liability companies that are authorized by the Board. It currently takes approximately two weeks for Board staff to obtain the Board President and Secretary's signature on the certificate of authorization that is issued to medical corporations and PLLCs. In order to improve the processing time and consistent with other non-license authorizations, the Committee recommended that the Board authorize Mr. Spangler to sign the certificates of authorization that the Board issues to medical corporations and PLLCs. Reverend Harman moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

Dr. Challa reported that the Committee reviewed an article that was drafted by Board staff entitled *Medical Records Retention Guidelines*. The article includes a recommendation that licensees retain patient medical records "for at least 10 years after the last entry into the record or the last date of service, whichever is greater." A copy of the article was made available for members to review prior to today's meeting. The Committee recommended that the Board approve the article as presented. Dr. Lakin moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

Dr. Challa reported to the Board that he has had conversation with West Virginia University School of Medicine regarding the application process for physicians whose services are highly sought after and would greatly benefit West Virginia. He reported that he explained the medical faculty license and extraordinary faculty license process and that eligible applicants may seek licensure through these existing statutory provisions.

Dr. Challa reported that a wrongful termination suit has been filed against the Board in the Circuit Court of Kanawha County, *Young v. WVBOM*. Charles Bailey, Esquire, has been assigned to represent the Board by AIG Insurance.

Dr. Challa reported that Board staff continue to work with the West Virginia Purchasing Division and are beginning to develop specifications to be included in the request for quotation as it relate to the rebidding of the database provider.

Dr. Challa reported that with regard to staff, the Board has not yet filled the vacant certifications analyst position. Additionally, one staff member is out of the office on maternity leave beginning today, November 5, 2018. Licensure staff will assume the duties associated with this position while the staff member is on leave.

The Committee recommended that the Board accept and ratify the report of the Executive / Management Committee. Dr. Duncan moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, November 4, 2018, at which time Mr. Spangler reported that the Legislative Rule-Making Review Committee has authorized the Board to promulgate 11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*, and 11 CSR 12, *Permitting and Disciplinary Procedures: Education Permits for Graduate Medical Interns Residents and Fellows*, as originally filed. The Committee will monitor these rules during the 2019 legislative session.

**LEGISLATIVE
COMMITTEE
REPORT**

Mr. Wright reported that pursuant to Executive Order No. 3-18, Board staff have submitted a Regulatory Review Report to the Governor and the Legislative Rule-Making Review Committee. The report provides a description of each of the fourteen rules that the Board has jurisdiction over and identifies recent changes to the rule as well as anticipated upcoming changes when applicable. A copy of the report was made available for members

to review prior to today's meeting.

Mr. Wright reported that the following subjects which will likely be topics of interest for the Board during the 2019 legislative session:

- o Possible modifications to the PA Practice Act
- o Possible changes to Chapter 30 Boards
- o Senate Bill 273
- o Precertification / prior authorization of medications and medical procedures
- o Medical cannabis
- o Modifications to current immunization requirements, including changes to exemption process

Mr. Wright reported that discussion occurred regarding corporate practice of medicine. The Committee recommended that Board staff be directed to draft proposed amendments to W.Va. Code §30-3-15, which would: (1) exclude all hospitals, both for-profit and non-profit, from the prohibition on corporate practice of medicine; and (2) permit providers (MDs, DPMs, and PAs) licensed by the Board of Medicine to form a medical corporation, either solely or in combination with other members, and seek authorization by the Board of Medicine. Likewise, DOs and PAs who are licensed by the Board of Osteopathic Medicine may join together with practitioners licensed by the Board of Medicine to seek authorization to practice as a medical corporation. The proposed amendments will be presented to the Committee at the January 2019 meeting. Dr. Duncan moved that the Board adopt the Committee's recommendation. Dr. Gupta seconded, and the motion carried.

Mr. Wright reported that it is likely that there will be legislation introduced during the upcoming session regarding a PEIA pilot project utilizing telemedicine services. The Committee recommended that the Board support the current telemedicine requirements and not support any legislation that would allow the physician patient relationship to be established utilizing audio-only communication or text-based communications such as email, internet questionnaires, text-based messaging or other written forms of communication. Dr. Faheem moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded and the motion carried.

Mr. Wright reported that the Committee recommends that the Board support legislation which would authorize at least one investigator to carry a firearm. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that the Board accept and ratify the report of the Legislative Committee. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

Mr. Foster reported that the Kanawha County Circuit Court affirmed the Board's Order in the matter of *Omar Khalid Hasan, M.D., Petitioner, v. West Virginia Board of Medicine, Respondent*. Dr. Hasan filed an appeal to the West Virginia Supreme Court, and the court granted a stay in this matter. The Board's brief in this matter is due at the end of December 2018.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that one hearing recently concluded, and there are three hearings scheduled to occur in the coming months.

Mr. Wright provided the report of the Physician Assistant Committee which met on Saturday, November 3, 2018.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Mr. Wright reported that James Michael Lackey, PA-C. entered into a Consent Order with the Board on January 4, 2016. Mr. Lackey's Consent Order restricted his practice to direct supervision for a minimum of the first 720 work hours, required a minimum two-year probationary period of his license and required all submitted practice agreements to be reviewed by the Physician Assistant Committee prior to authorization to practice. Mr. Lackey has fulfilled the terms of his Consent Order, and his Consent Order was terminated effective September 18, 2018.

Mr. Wright asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Brittany Nicole Abruzzino, PA-C
Paige Nicole Berkhouse, PA-C
Jill Bethany Bethlehem, PA-C
Heather Lynn Booth, PA-C
Caitlyn M. Brown, PA-C
Peter John Villanueva Domaoal, PA-C
Cristina Lee Eddy, PA-C
Allison Marie Fansler, PA-C
Christopher John Foti, PA-C
Shannon Catherine Harman Kerr, PA-C
Casey Shannon Hatfield, PA-C
Jamie Elizabeth Jackson, PA-C
Amber Dawn King, PA-C
Gretchen Danielle Lantz, PA-C
Katharine Victoria Lee, PA-C
Sarah Catherine Lobert, PA-C
Kelsey Dawn Mathis, PA-C
Rebekah Ruth Rick, PA-C
Rachel Marie McKay Rosa, PA-C
Kacey Lynn Sebert, PA-C
Shalee Lynn Shumiloff, PA-C
Laura K. Smith, PA-C
Ian Christopher Stack, PA-C
David Tomczyk, PA-C
Kayla Marie Turconi, PA-C
Raafeh Ahmed Waseem, PA-C
Thomas Wilson Wood, PA-C

Dr. Duncan moved that the Board adopt the Committee's recommendation. Reverend Harman seconded, and the motion carried.

Mr. Wright reported that Sarah Leigh LaSala, PA-C entered into a Consent Order with the Board on April 24, 2018, which restricted her practice as a physician assistant to

direct collaboration for a minimum period of six months. Ms. LaSala's collaborating physician submitted quarterly status reports and recommended lifting the restriction of direct collaboration. The Committee recommended that the Board enter an Order terminating Ms. LaSala's Consent Order. Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Duncan seconded, and the motion carried.

Mr. Wright reported that the Committee discussed possible changes in the regulation of physician assistant practice and suggestions for potential legislative changes to the West Virginia Physician Assistants Practice Act which are expected to be introduced during the 2019 legislative session by interested parties.

Mr. Wright reported that the Committee reviewed an inquiry submitted by the West Virginia Association of Health Plans related to the designation of physician assistants as primary care providers. The Committee directed Board staff to respond to the inquiry stating the nothing in the Medical Practice Act or the West Virginia Physician Assistants Practice Act precludes physician assistants from service as primary care providers, and this is a role that physician assistants have played in primary care settings for years.

Mr. Wright reported that the Committee reviewed an inquiry submitted by a physician assistant related to whether physician assistants may perform circumcision procedures at its September 2018 meeting. At that time, the Committee elected to review the issued and consider it at the November meeting. At its November meeting, the Committee determined that circumcision will not currently be approved as an advanced duty for physician assistants.

Mr. Wright reported that the Committee reviewed an inquiry related to the delegation of the advanced duty of testosterone pellet implantation. The Committee determined that testopel implantation may be delegated as an advanced duty through a practice agreement which includes satisfactory evidence of completion of appropriate training and a log of personal supervision of ten procedures completed by the physician assistant in the presence of a collaborating physician.

Mr. Wright reported that the Committee reviewed and discussed whether use of the Good Moral Character Statement form in the application for licensure for physician assistants was beneficial. The form is currently submitted by a medical doctor, doctor of osteopathy or podiatric physician who knows the applicant and attests, via notarized signature, the good moral character of the applicant, and that the applicant is physically and mentally capable of practicing as a physician assistant. The Committee determined that the applicant's moral character and ability to engage safely in practice as a physician assistant is more adequately determined through the answers provided in response to the Professional Practice, Character and Fitness application questions. The Committee recommended that beginning January 1, 2019, applicants no longer be required to submit Good Moral Character Statements. Dr. Sheth moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

Mr. Wright reported that the Committee received and approved a practice agreement which involves the use of telemedicine in psychiatry.

Mr. Wright reported that Board staff have authorized 69 practice agreements since September 10, 2018. Additionally, 59 alternate collaborating physicians were designated.

The Committee recommended that the Board accept and ratify the report of the Physician Assistant Committee. Dr. Duncan moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, November 3, 2018.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that at its September 2018 meeting the Licensure Committee recommended and the Board approved a change in status of James M. Dauphin, MD's license from inactive to active status pursuant to his acceptance of a Consent Order

imposing an administrative fine of \$3,500 for his CME delinquency for the July 1, 2016 through June 30, 2018 licensure cycle, during which time he completed only 15 CME hours. Dr. Dauphin has since completed 35 CME hours in satisfaction of his CME deficiency. Dr. Dauphin may not utilize any of these 35 CME hours to satisfy his CMEs for the current reporting period. Dr. Dauphin accepted the terms and the Consent Order was entered on October 2, 2018.

Dr. Duncan reported that at its September 2018 meeting the Licensure Committee recommended and the Board approved a change in status of Michael Joel Shuster, MD's license from inactive to active status pursuant to his acceptance of a Consent Order imposing an administrative fine of \$500 due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017. The Board accepted Dr. Shuster's completion of the needed course on May 20, 2018 in satisfaction of his delinquency. Dr. Shuster may not use the May 2018 course to satisfy any CME obligations for the current reporting period. The Board has received the signed Consent Order from Dr. Shuster.

Dr. Duncan reported that seven applicants appeared before the Licensure Committee to discuss their applications. The Committee recommended that the following applicants be approved for permanent medical licensure:

Derek Scott Buck, MD
Sebastian Francis Cruz-Schiavone, MD
Adam Stephen Lundy, MD

Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Faheem seconded, and the motion carried.

The Committee recommended that the following applicants be approved for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Cynthia Erin Prather, MD

Hussain Mohammad H. Naseri, MD

Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

The Committee reported that the application of Edward Joseph Silvio Picardi, MD was placed on hold pending receipt of additional information.

The Committee recommended that the Board approve Jodi Lynn Long, D.P.M. for permanent podiatric licensure via proposed Consent Order with the following terms, conditions, limitations and restrictions:

Prior to engaging in the unsupervised practice of surgical podiatric medicine pursuant to her West Virginia license, Dr. Long shall complete a proctoring regimen designed to ensure her clinical skills are current and appropriate for the practice of surgical podiatric medicine. For the purposes of the Consent Order "surgical podiatric medicine" means the practice of podiatric medicine involving operative care for foot and/or ankle conditions requiring the use of sterile preparation and a sterile field with or without anesthesia.

Dr. Long's proctoring regimen shall comport with the following requirements:

- a. Dr. Long shall be proctored by a West Virginia licensed podiatric physician ("Proctoring Physician") who has been approved by the Board to serve as a proctor for Dr. Long.
- b. In order to be eligible to serve as proctor for Dr. Long, and prior to initiating the proctoring regimen, the Proctoring Physician must be familiar with the terms and conditions of the Consent Order and must submit written

notification to the Board that he or she understands the terms of the proctorship imposed by the Order and agrees to submit the required documentation associated with the proctorship.

- c. Prior to engaging in the unsupervised practice of surgical podiatric medicine pursuant to her West Virginia license, Dr. Long shall complete a proctoring regimen for a minimum of six weeks.
- d. The proctoring regimen shall include the performance of the following specific procedures under direct supervision of the Proctoring Physician. For each procedure and/or item, the minimum required number of proctored cases is indicated. For the purposes of the Consent Order, each proctored case must be associated with a unique patient. Multiple procedures on the same patient constitute one case for the purposes of the proctoring required by the Consent Order.

Procedures	Minimum Number of Proctored Cases
Incision and drainage of deep infection(s) of the foot or ankle	5
Osseous elective procedures of the forefoot such as bunionectomy, hammertoe corrections, hallux varus correction, exostectomy, joint replacement or fusion of metatarsophalangeal joint or proximal interphalangeal joint and/or digital amputations	10
Non-osseous elective procedures such as endoscopic plantar fasciotomy (EPF), neuroma removal and/or cyst removal	10

Surgical care of traumatic injuries of the foot or ankle such as deep laceration 5
and/or removal of a foreign body deep to the subcutaneous layer

- e. At the discretion of the Proctoring Physician, the number of proctored procedures can be increased as needed to ensure that Dr. Long's clinical skills are satisfactory.
- f. Upon completion of the proctoring regimen, the proctoring physician shall submit a report to the Board containing a certification that the proctoring regimen was successfully completed, and recommendations regarding Dr. Long's independent practice of surgical podiatric medicine.
- g. Once the Board receives and reviews documentation from the proctoring physician which indicates that Dr. Long is recommended for independent surgical podiatric practice, with or without conditions, the Board will notify Dr. Long that she may commence independent surgical podiatric practice.

The Consent Order may be terminated by Order of the Board when the Board, in its discretion, determines that all of the terms and conditions imposed upon Dr. Long's license should be lifted. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed fourteen applications. Based thereupon, the Committee recommended that the following applicants be approved for permanent medical licensure:

Michael Scott Fenster, MD
John Wagdy William Fahim Ibrahim, MD
Eric Richmond Fenn, MD (pending receipt of the PICF fee)
Mark William McCurry, MD (pending receipt of the PICF fee)
Cornell Jacobus Overbeeke, MD (pending receipt of the PICF fee)
John Henry Velyvis, MD (pending receipt of the PICF fee)

Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that Christopher Eric Majewski, DPM be approved for permanent podiatric licensure. Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Gupta seconded, and the motion carried.

Dr. Duncan reported that the application for Jana Betsy Alyce Macleod, MD will be placed on hold pending receipt of additional information and possible appearance before the Committee.

The Committee recommended that the Board authorize staff to reach out to applicant Mitchell Brandon Stotland, MD to obtain additional information regarding his request to appear on a day other than Saturday. The Committee further recommended that the Board delegate staff the authority to determine whether or not accommodations should be made which would allow Dr. Stotland to appear before the Executive / Management Committee on a Sunday. Reverend Bowyer moved that the Board authorize staff to further explore Dr. Stotland's unavailability to appear at a Saturday meeting and to report back to the Board. Dr. Gupta seconded, and the motion carried.

The Committee recommended that the Board accept Casandra Arevalo Marcano, MD's medical school education at Universidad Central de Venezuela in Venezuela as satisfactorily verified and approve Dr. Marcano for permanent medical licensure. Dr. Gupta moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that the Board approve a change in status of Charles Matthew Justice, MD's license from inactive status to active status pursuant to his acceptance of a Consent Order with the following terms: (1) Dr. Justice acknowledges that he inaccurately attested to the completion a 3 hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1,

2016 and June 30, 2018; (2) the Board accepts Dr. Justice's completion of a Board approved course in drug diversion training and best practice prescribing of controlled substances on October 12, 2018 in satisfaction of his CME deficiency for the period of July 1, 2016 through June 30, 2018; (3) Dr. Justice may not utilize the October 2018 course in satisfaction on any CME obligations for the his current reporting period; and (4) Dr. Justice shall pay an administrative fine in the amount of \$500 for his CME delinquency and deficiency prior to his status change becoming effective. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee will request that the following applicants appear before the Committee at its January 2019 meeting:

James Lawrence Fernau, MD
Michael Hosny Gabriel, MD
Sunila Mehrotra, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve the following applicants for permanent medical licensure:

Lina May AbuJamra, MD
Kelly Melissa Aguilar, MD
Magid Hashim Amer, MD
Pascal Aliihnu Atanga, MD
Magid Hashim Amer, MD
Saad Muhammad Amin, MD

Reverend Harman moved that the Board adopt the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that the Board approve the following applicants for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Jonathan Lee Mathis, MD
Michael Gordon Millin, MD
Ijaz Rasul, MD
Li Roters-Ouyang, MD
Ehab Mostafa Shalaby, MD

Dr. Lakin moved that the Board adopt the Committee's recommendation. Dr. Faheem seconded, and the motion carried.

The Committee recommended that the Board approve the following applicants for reactivation of permanent medical licensure:

Daniel Alfred Beals, MD
Michael Dale Hendren, MD
Rishi Kad, MD
Zaher Admin Naji, MD
Ronak Rajnikant Shah, MD

Dr. Sheth moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

The Committee recommended that the Board approve the following applicants for permanent podiatric medical licensure:

Jacqueline Marie Chen, DPM
Isaac Kwaku Neequaye, DPM
Brian Joseph Tuminski, DPM

Dr. Lakin moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

Dr. Donatelli declared a conflict with regard to an applicant who is applying for reactivation of permanent medical licensure and left the meeting room at this time.

The Committee recommended that the Board approved Jungmin Yoo, DPM for permanent podiatric medical licensure. Dr. Lakin moved that the Board adopt the Committee's recommendation. Ms. Mullins seconded, and the motion carried.

Dr. Donatelli returned the meeting room at this time.

Dr. Duncan reported that the Committee reviewed and discussed whether use of the Good Moral Character Statement form in the application for licensure for medical doctors and podiatric physicians is beneficial. The form is currently submitted by a fellow medical doctor or podiatric physician who attests that the applicant has good moral character and is physically and mentally capable of practicing as a medical doctor or podiatric physician. The Committee determined that the applicant's moral character and ability to engage safely in practice as a physician or podiatric physician is satisfactorily and more adequately determined through the answers provided in response to the Professional Practice, Character and Fitness application questions. The Committee recommended that beginning January 1, 2019, applicants no longer be required to submit Good Moral Character Statements. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Gupta seconded, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed modifications to the physician application instructions relating to primary source verification of international medical education. The current instructions are arcane, and refer to countries under Communist rule:

For schools located in countries under Communist rule or presently engaged in civil war, we will accept notarized letters from two (2) classmates, officials of the school, professors, etc., who will swear to your graduation and who were at the school the same time you were. These letters must give the name of the school, the dates both you and the letter writer started and graduated (month, day, year). The letters must be received by the West Virginia Board of Medicine directly from the letter

writer, not from you. These letters will not be accepted by the board just because it will take a long time to have your school complete this form. It will be up to the Board office to determine which schools cannot or will not complete this form.

The Committee recommended that the Board to continue the practice of accepting notarized letters from classmates under circumstances where other avenues of verification are impossible and to revise the instructions to replace “For schools located in countries under Communist rule or presently engaged in civil war” with “For medical schools located in countries experiencing known civil unrest or countries with no diplomatic relations with the United States” Discussion occurred concerning the current language and the recommendation of the Licensure Committee. Reverend Bowyer moved that the Board accept the recommendation of the Licensure Committee with the modification that the Board will accept letters from not only year-mate classmates of the applicant, but also any other student who attended the same school during the same timeframe as the applicant and who can attest to the necessary information as set forth in the instructions. Dr. Gupta seconded the motion, and the motion carried.

Dr. Duncan reported that the Committee reviewed an inquiry that was made by a hospital chief quality officer for clarification of the scope of practice questions for a podiatric physician who has been granted privileges to perform ankle surgery in their hospital. While the Board cannot opine on local credentialing and privileging practices, all patient care provided by podiatric physicians should be consistent with podiatric medical practice in West Virginia. The Committee directed Board staff to offer the following scope of practice guidance:

1. A podiatric physician may perform Achilles tendon lengthening, even if it involves an incision above the ankle.
2. A podiatric physician may perform ankle repair fracture that may involve the tibia and fibula.

3. A podiatric physician may not take skin grafts from above the ankle.

4. A podiatric physician may treat venous status ulcers above the ankle and below the knee if simultaneously treating venous status ulcers that are at or below the ankle on the same leg.

Dr. Duncan reported that the Board has received eighty-eight educational permit applications through October 31, 2019. Eighty permits have been issued and eight are awaiting payment for final processing.

Dr. Duncan reported that there are currently four hundred and sixty-nine medical doctors, sixteen podiatric physicians, and twenty-three physician assistants who are registered as controlled substance dispensing practitioners. The total includes thirteen medical doctor and six physician assistant registrations issued after July 1, 2018.

Dr. Duncan reported that fifteen reinstatement applications have been received since July 1, 2018. Thirteen have been processed, with ten requesting active status, and three requesting inactive status. Two applications are pending additional information. In addition, five applications for change of license status from inactive to active status were received. Four have been processed and one is pending.

Dr. Duncan reported that the following twenty-two applicants, listed along with their state of principal licensure, were granted permanent medical licensure through an Interstate Medical Licensure Compact Commission (IMLCC) application in September and October of 2018:

<u>State of Principal Licensure</u>	<u>Licensee</u>
NH	Francis Michael Adams, MD
CO	Linus Ngante Akamangwa, MD

MT	Charles Richard Wilson, MD
AZ	Judy Yun-Lun Wu, MD

Also, during this period, letters of Qualification were issued to:

Akash Vijaykumar Ajmera, MD
Kevin Douglas Maupin, MD

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. Dr. Lakin moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

Reverend Bowyer delivered the report of the Complaint Committee, which met on Sunday, November 4, 2018.

CONSENT ORDERS

Reverend Bowyer requested that the Board authorize the Complaint Committee to offer eight Consent Orders and/or Amended Consent Orders in ongoing Complaint

Committee matters. Dr. Faheem moved that the Board adopt the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

FULLY EXECUTED CONSENT ORDERS

Reverend Bowyer reported that since the September meeting, fully executed Consent Orders have been entered with respect to the following licensees:

William Amaro San Pablo, MD - Effective October 10, 2018, the licensee entered into a Consent Order with the Board permanently surrendering his West Virginia medical license.

Carol M. Williams, PA-C - On October 18, 2018, the licensee entered into a Consent Order with the Board which imposed a public reprimand for failing to disclose a disciplinary complaint pending before the Osteopathic Board on her 2017 renewal application with this Board.

Curtis Jeffrey Thwing, MD - On October 18, 2018, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$3,000.00 for failing to produce documentation of successful completion of all of his CME requirements in response to a CME audit. Dr. Thwing must also successfully complete 3 CME hours in a Board approved course on drug diversion training and best practice prescribing of controlled substances and 27 hours of additional CME to satisfy his CME deficiency.

All Consent Orders are available on the Board's website.

Reverend Bowyer reported that the Complaint Committee has two additional matters to report which require Board Action.

With regard to Complaint No. 18-79-W, the Complaint Committee recommended that the Board accept a copy of the signature page signed by the Respondent for his Consent Order in lieu of the original signature page, effecting the permanent voluntary surrender of

the Respondent's West Virginia license. This is based on the fact that the Respondent is currently in jail and neither the Respondent nor his counsel have access to the original signature page. The Respondent's counsel verified that the Respondent executed the signature page and the copy that was provided via email to the Board is authentic. Under the circumstances, the Respondent's counsel has requested that the Board accept the copy of the Respondent's signature page and enter the Consent Order in accordance with the Respondent's wishes. Dr. Faheem moved that the Board adopt the Committee's recommendation. Dr. Duncan seconded, and the motion carried.

Reverend Bowyer reported that the Complaint Committee is currently conducting an investigation in connection with allegations against a particular physician associated with responses provided in association with the physician's 2018 licensure renewal application. In order to protect the privacy of the licensee, and to ensure the impartiality of the Board should the matter come before it in the future for adjudication, the physician in question was identified as "Physician A." Physician A was subpoenaed to appear before the Complaint Committee yesterday, November 4, 2018. He failed to appear. Based upon information currently in possession of the Complaint Committee, the Committee unanimously agreed that they have concerns regarding the mental and physical health and well-being of Physician A.

West Virginia Code §30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board. In connection with its current investigation, and pursuant to the West Virginia Code §30-3-14(f), the Complaint Committee moved that the Board authorize the issuance of an Order requiring Physician A to submit to a complete mental and physical examination by a physician or physicians approved by the Board. Such mental and physical examination should be scheduled as soon as possible to ensure that the public is protected and should include all appropriate testing.

In an effort to provide the Board with the basis for the Complaint Committee's request, a proposed Order with the physician's personally identifiable information redacted

was made available to all Board members on the cloud for review.

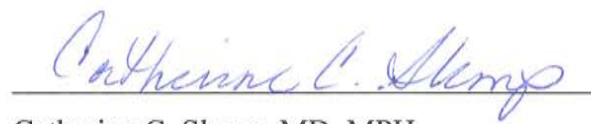

The motion of the Committee was given by Reverend Bowyer, and the motion carried.

The Committee recommended that the Board accept and ratify the report of the Complaint Committee. Dr. Duncan moved to adopt the Committee's recommendation. Dr. Challa seconded, and the motion carried.

There being no further business to consider, the meeting adjourned.

With a quorum of the Board present and participating, Dr. Challa called the meeting to order.

**CALL TO
ORDER**

Mr. Spangler reported that medical licensure applicant Mitchell Stotland, MD is unable to appear before the Licensure Committee at their meeting which is scheduled for January 12, 2019, or any other Saturday, due to religious reasons. Dr. Duncan moved that the Board allow Dr. Stotland to appear before the Executive/Management Committee on Sunday, January 13, 2019 in lieu of appearing before the Licensure Committee on Saturday, January 12, 2019. Dr. Duncan further moved that the Board authorize the Executive/Management Committee to make a recommendation to the Board on January 14, 2019 with regard to the licensure application of Dr. Stotland. Dr. Challa seconded, and the motion carried.

Mr. Spangler announced that the next agenda item relates to the consideration of the Hearing Examiner's Recommended Decision in the matter of *West Virginia Board of Medicine, Petitioner, v. David Carol Shamblin, MD, Respondent*, Complaint Nos. 16-36-W and 16-154-W. He asked that all members who need to declare a conflict with regard to this matter state the reason for the conflict.

Ms. Alley left the meeting room at this time and was not present for the remainder of the meeting.

Dr. Challa designated Mr. Wright to chair the remainder of the meeting. Mr. Wright requested that roll call be taken, and that members who are conflicted from participating in the matter of *West Virginia Board of Medicine, Petitioner, v. David Carol Shamblin, Respondent*, Complaint Nos. 16-36-W and 16-154-W, declare a conflict and provide the reason for the conflict. Roll call was taken by Ms. Frame with the following responses:

Reverend O. Richard Bowyer - declared a conflict due to his participation on the Board's Compliant Committee during the investigation of the underlying administrative complaints;

Kishore K. Challa, MD, FACC - declared a conflict due to his participation on the Board's Compliant Committee during the investigation of the underlying administrative complaints;

Timothy Donatelli, DPM – no conflict declared;

Ashish Sheth, MD – declared a conflict due to his participation on the Board's Compliant Committee during the investigation of the underlying administrative complaints;

Catherine Slempp, MD, MPH – no conflict declared;

Thomas (Wes) Steele – declared a conflict due to his participation on the Board's Compliant Committee during the investigation of the underlying administrative complaints;

Rusty Wooton – declared a conflict due to a business relationship with Dr. Shamblin; and K. Dean Wright, PA-C – no conflict declared.

The following members left the meeting at this time and were not present for the remainder of the meeting:

Reverend O. Richard Bowyer

Kishore Challa, MD, FACC

Ashish Sheth, MD

Thomas (Wes) Steele, MD

Rusty Wooton

Mark A. Spangler also left the meeting room at this time and was not present for the remainder of the meeting.

Mr. Wright requested that Ms. Frame take roll call of the remaining members at this time. The following members remained in attendance:

Timothy Donatelli, DPM

Harry Duncan, MD

Reverend Janet Harman

Carrie Lakin, MD

Jonathan Lilly, MD

David Mullins, MD

Victoria (Tori) Mullins, PA-C

Catherine Slemp, MD, MPH

K. Dean Wright, PA-C.

With a quorum present and participating, Ms. Talbott advised the Board in the matter of *West Virginia Board of Medicine, Petitioner, v. David Carol Shamblin, MD, Respondent*, Complaint Nos. 16-36-W & 16-154-W. Ms. Talbott gave the procedural history of the case and reported on the Hearing Examiner's Recommended Findings of Fact, Conclusions of Law and Recommended Decision.

Dr. Duncan moved that the Board adopt and accept the Hearing Examiner's Findings of Fact and Conclusions of Law and modify the Hearing Examiner's Recommended Decision. Mr. Wright seconded, and the motion carried.

Dr. Duncan moved that the Board modify the "Procedural History" section on page two of the Hearing Examiner's Findings of Fact, Conclusions of Law and Recommended Decision, by changing the date that the matter became mature for a recommended decision from October 24, 2015 to the correct date which the matter became mature for a recommended decision which was October 24, 2018. Mr. Wright seconded, and the motion carried.

Dr. Duncan moved that the Board use the term revoked rather than the term suspend. Reverend Harman seconded, and the motion carried.

Dr. Slemple moved that Dr. Shamblin's license to practice medicine and surgery in the State of West Virginia be revoked for a period of three years, after which he may petition the Board to restore his license. Dr. Duncan seconded, and the motion carried.

Dr. Duncan moved that the Order of Revocation be hand delivered to Dr. Shamblin, and that the Order begin at 11:59 pm on December 31, 2019 to allow Dr. Shamblin to facilitate the transition of care for his patients. Dr. Lakin seconded, and the motion carried.

Dr. Duncan moved that Dr. Shamblin be Ordered to pay a fine to the Board of Medicine in the amount of \$3,000.00, that Dr. Shamblin pay the costs and expenses of the proceeding against him, and that the fine and cost and expenses be paid within thirty days of the issuance of an invoice by the Board. Dr. Lilly seconded, and the motion carried.

Reverend Harman moved that Dr. Shamblin be publicly reprimanded for the violations of the Medical Practice Act set forth in the Hearing Examiner's Recommended

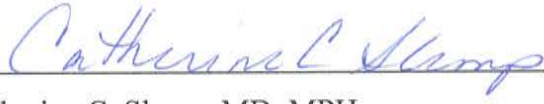

Findings of Fact, Conclusions of Law and Recommended Decision as adopted, with modification, by the Board. Dr. Mullins seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, Dr. Duncan moved that the meeting be adjourned. Dr. Slempp seconded, and the motion carried.

Board Meeting Minutes

January 14, 2019

A meeting of the West Virginia Board of Medicine was held at 101 Dee Drive, Charleston, West Virginia, on the 14th day of January 2019 at 9:00 am.

The following Board members were present for the meeting:

Kishore K. Challa, MD., FACC, President
Ashish P. Sheth, MD, Vice President
Catherine C. Slemp, MD, MPH., Secretary
Reverend O. Richard Bowyer
Timothy Donatelli, DPM
Harry Duncan, MD
Ahmed D. Faheem, MD, DLFAPA
Reverend Janet Harman
Carrie Lakin, DPM
Jonathan P. Lilly, MD
David (Dave) Mullins, MD
Victoria (Tori) Mullins, PA-C
Mustafa Rahim, MD
Thomas (Wes) Steele, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Challa called the meeting to order and welcomed newly appointed Board member Jonathan P. Lilly, MD and interim Commission of the Bureau for Public Health, Catherine C. Slemp, MD, MPH, to the meeting. As interim Commission for the Bureau for Public Health Dr. Slemp serves as Secretary of the Board. Reverend Bowyer moved that

**CALL TO
ORDER
AND APPROVAL
OF MINUTES**

the minutes of the November 5, 2018 and the November 28, 2018 meetings be approved. Dr. Duncan seconded, and the motion carried.

Ms. Mullins joined the meeting at this time.

Mr. Spangler reported that former Board members, Dr. Gupta and Dr. Upton, were invited to attend today's meeting and be recognized for their dedication and service to the Board. Unfortunately, they were unable to attend. They will be invited to attend the March 2019 Board meeting.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler reported that all Board members are required to file financial disclosures with the West Virginia Ethics Commission annually. He reminded members that the deadline to file disclosures is February 1, 2019.

Mr. Spangler reported that the 2019 Federation of State Medical Boards annual meeting will be held April 25-27, 2019 in Fort Worth, Texas. He advised any member who is interested in attending the meeting to see him at the conclusion of today's meeting.

Mr. Spangler reported that the Board is meeting the goals and objectives outlined in the 2019 Strategic Plan.

Mr. Spangler reported that copies of the *2018-2019 West Virginia Board of Medicine Medical Practice Act, Physician Assistants Practice Act, Related Articles and Board Rules* are available if any member is interesting in a receiving a paper copy. This information is available electronically on the Board's website.

Dr. Challa reported that the Executive/Management Committee met on Sunday, January 13, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for the period of October 16 through December 17, 2018.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Dr. Challa reported that the Committee reviewed correspondence and received comments from individuals who are seeking a modification to W.Va. Code §30-3-13a(g)(1), relating to telemedicine prescribing limitations. They would like to see language added to this section of the Code that would allow physicians who are practicing critical care telemedicine to hospitalized patients in an intensive care unit setting to order a Schedule II controlled substance. The Committee provisionally supports a modification to §30-3-13a(g)(1) which would allow physicians practicing telemedicine to order a Schedule II controlled substance for a hospital patient for immediate administration, pending legal review. This matter will be referred to the Legislative Committee for further consideration after legal review by Board staff.

Dr. Challa reported that on Saturday, January 12, 2019, an applicant for extraordinary circumstances licensure appeared before the Licensure Committee via video appearance utilizing Skype. This is the first time that the Board has authorized such an appearance and there are currently no policies or procedures in place regarding video appearances. The Committee directed Board staff to research the possibility of allowing video appearances, including technical and legal concerns, as well as policies and procedures, and report back to the Committee with recommendations at a future meeting.

Dr. Challa reported that a wrongful termination suit, *Young v. WVBO* is scheduled for trial in Kanawha County Circuit Court on March 20, 2020. Board staff will keep members apprised of any updates.

Dr. Challa reported that Board staff have submitted specifications and all related documents for the Request for Quotation (RFQ) to the West Virginia Purchasing Division for the rebidding of the database provider. Board staff are awaiting final approval of the RFQ from purchasing, and it is likely that bidding will begin within a month.

Dr. Challa reported that Mitchell Brandon Stotland, MD's application for medical licensure was transferred from the Licensure Committee to the Executive/Management Committee for consideration at a Sunday meeting. Having met with Dr. Stotland, the

Committee recommended that he be approved for permanent medical licensure. The motion of the Committee was given by Dr. Challa, and the motion carried.

The Committee recommended that the Board accept and ratify the report of the Executive / Management Committee. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, January 13, 2019, at which time Mr. Spangler reported that the following bills have been introduced since January 9, 2019 and are being monitored by Board staff:

**LEGISLATIVE
COMMITTEE
REPORT**

Senate Bill 5 – Requiring certain insurers and managed care organization develop prior authorization forms

Senate Bill 80 – Establishing a tax credit for practicing physicians locating in West Virginia

Senate Bill 119 – Specifying documents not subject to discovery in certain proceedings

Senate Bill 145 – Relating to the West Virginia Medical Cannabis Act

Senate Bill 201 and House Bill 2248 – Board of Medicine rule 11 CSR 1A, relating to licensing and disciplining of physician and podiatric physicians

Senate Bill 202 and House Bill 2249 – Board of Medicine rule 11 CSR 12, relating to educational permits

House Bill 2038 – Relating to the procedure to determine if an occupation or profession should be regulated

House Bill 2090 – Relating to advertising by physicians and podiatric physicians

House Bill 2189 – Relating generally to the disclosure of certain confidential information

House Bill 2204 – Prohibiting state licensing boards from hiring lobbyists

House Bill 2210 – Relating to the criminal offense of therapeutic deception

House Bill 2227 – Nondiscrimination in Involuntary Denial of Treatment Act

House Bill 2351 – Relating to regulating prior authorizations

Mr. Wright reported that the Committee reviewed proposed legislation that was drafted by Board staff which would authorize Board of Medicine investigators to carry a

concealed weapon. The Board has not yet sought a sponsor for the bill.

Mr. Wright reported that there are conversations occurring regarding the possible combining of the Board of Medicine and the Board of Osteopathic Medicine. To date, no bills related to combining the Boards has been introduced.

Mr. Wright reported that it is likely that Senate Bill 273, reducing the use of certain prescription drugs, which was passed during the 2018 legislative session, but was vetoed by the Governor, will be reintroduced during the 2019 session. It is anticipated that the 2019 bill will clean up language throughout and will address the Board's concerns regarding the provision of the bill which requires a practitioner to conduct and document the results of a physical examination every 90 days for any patient that he or she continues to treat with any Schedule II controlled substance, including non-opioids. If introduced, Board staff will monitor the bill and will keep the Board apprised.

Mr. Wright reported that the Committee will hold three interim meetings between today's Board meeting and the March Board meeting. The tentative dates of these meetings are:

January 29, 2019

February 12, 2019

February 26, 2019

Mr. Wright reported that it has been the practice of the Board to delegate authority to the Legislative Committee to act on behalf of the Board as necessary to respond to legislative matters at these meetings, and any other special meetings which become necessary during the legislative session. The Committee recommended that the Board delegate such authority to the Committee again this year. The motion of the Committee was given by Mr. Wright, and the motion carried.

The Committee recommended that the Board accept and ratify the report of the Legislative Committee. The motion of the Committee was given by Mr. Wright, and the motion carried.

Ms. Alley reported that the Board filed its brief with the West Virginia Supreme Court of Appeals in the matter of *Omar Khalid Hasan, MD, Petitioner, v. West Virginia Board of Medicine, Respondent*. The petitioner's rely brief is due to the Court in January. Once briefing is complete, the court will determine whether to schedule oral arguments or issue a ruling based upon the parties' submissions.

**BOARD
ATTORNEY
REPORT**

Ms. Alley reported that one matter is currently awaiting the hearing examiner's recommended decision, and two complaint matters are in a continued posture and will hopefully be rescheduled soon.

Mr. Wright provided the report of the Physician Assistant Committee which met on Saturday, January 12, 2019.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Mr. Wright reported that Sarah Leigh LaSala, PA-C. entered into a Consent Order with the Board on April 24, 2018, which restricted her practice to direct collaboration for a minimum period of six months. Ms. LaSala has fulfilled the terms of her Consent Order, and her Consent Order was terminated effective November 5, 2018.

Mr. Wright asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Stacy Megan Blake, PA-C
Sharon Roberta Cain, PA-C

Chase Emerson Duckwall, PA-C
Randyl Erik Gessel, PA-C
Natalie Marie Kovatch, PA-C
Alexandra Leigh Tranchini, PA-C
Michele Gedeon Vidulich, PA-C

The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that the Committee reviewed the application of Tyler Joesph Zwahlen, PA-C. At the applicant's request, the Committee deferred action upon Mr. Zwahlen's application until the March 2019 meeting.

Mr. Wright reported that the Committee reviewed and discussed the procedure for handling physician assistant reinstatement applications for expired licensees who seek to reinstate within a year of license expiration. In prior years, the Physician Assistant Committee personally reviewed all reinstatement applications, which required applicants to await a scheduled meeting for reinstatement and potentially delayed return to practice. The Committee recommended that the Board authorize staff to process physician assistant reinstatement applications in conformity with the current medical doctor and podiatric physician reinstatement applications. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that the Committee reviewed correspondence from a hospital requesting clarification with respect to whether a physician assistant may prepare discharge summaries for patients at a secondary location if the physician assistant was not involved in the patient's care. The Committee directed Board staff to notify the hospital that W. Va. Code R. § 11-1B-9.1.q establishes that physician assistants may only "prepare patient discharge summaries if physician assistant has been directly involved in patient care[.]"

Mr. Wright reported that physician assistant renewal is scheduled to commence on February 6, 2019 and to conclude on March 29, 2019.

Mr. Wright reported that the Committee considered and approved the following procedures to be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospital and Ambulatory Surgical Facilities*: (1) LEEP; (2) IUD removal; and (3) intradermal injection of steroids.

Mr. Wright reported that Board staff have authorized 35 practice agreements since November 5, 2018. Additionally, 49 alternate collaborating physicians were designated.

The Committee recommended that the Board accept and ratify the report of the Physician Assistant Committee. The motion of the Committee was given by Mr. Wright, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, January 12, 2019.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that at its September 2018 meeting the Licensure Committee recommended and the Board approved a change in status of Michael Joel Shuster, MD's license from inactive status to active status pursuant to his acceptance of a Consent Order imposing an administrative fine of \$500 due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017. The Board accepted Dr. Shuster's completion of the needed course in satisfaction of his delinquency. Dr. Shuster may not use the accepted out of cycle course to satisfy any CME obligations for the current reporting period. The Consent Order was entered on November 5, 2018.

Dr. Duncan reported that at its September 2018 meeting the Licensure Committee recommended and the Board approved a change in status of Charles Matthew Justice, MD's license from inactive status to active status pursuant to his acceptance of a Consent Order imposing an administrative fine of \$500 due to his failure to complete a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2015 and June 30, 2017. The Board accepted Dr. Justice's

completion of the needed course in satisfaction of his delinquency. Dr. Justice may not use the accepted out of cycle course to satisfy any CME obligations for the current reporting period. The Consent Order was entered on December 21, 2018.

Dr. Duncan reported that four of the five scheduled applicants appeared before the Licensure Committee to discuss their applications. The Committee recommended that the Board approve David Philip Richards, MD for a medical school faculty license to practice medicine and surgery at the medical center of West Virginia University School of Medicine's Eastern Division. If West Virginia University advises the Board that the medical center of the Eastern Division is Jefferson Medical Center located at 300 S. Preston Street, Ranson, West Virginia 25438, rather than the currently identified location of West Virginia University health Science Center, Eastern Division, 2500 Foundation Way, Martinsburg, West Virginia 25401, West Virginia University must submit a new Certification of Faculty appointment which includes the appropriate location and Dr. Richard's will be authorized to practice as medical school faculty at the appropriate location of the division medical center. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The application for the following physicians was placed on hold pending receipt of additional information:

James Lawrence Fernau, MD

Seyfi Alper Toker, MD

Dr. Duncan reported that Sunila Mehrotra, MD will appear before the Committee at the March 2019 meeting.

Dr. Duncan reported that Michael Hosny Gabriel, MD appeared before the Committee in support of his application for medical licensure. The Committee recommended that the Board find that probable cause exists to deny Dr. Gabriel's medical licensure application and refuse to grant Dr. Gabriel a license based upon the following:

1. On June 28, 2012, based upon Dr. Gabriel's plea of guilty, he was adjudicated guilty of the felony offense of conspiracy to distribute and possess with intent to distribute the controlled substance Adderall, in violation of 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(C) in the matter of *United States of America v. Michael Hosny Gabriel*, Case Number CR10-588. This adjudication constitutes a felony conviction involving prescribing, selling, administering, dispensing, mixing, or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes within the meaning of W. Va. Code § 30-3-14(d).
2. The Board considered the facts and circumstances as set forth in the September 10, 2010 Information filed against Dr. Gabriel in the matter of *United States of America v. Michael Hosny Gabriel*, Case Number CR10-588.
3. Between May 1, 2008 and December 21, 2009, Dr. Gabriel knowingly and intentionally conspired to distribute and possessed with the intent to distribute a Schedule II Controlled Substance, Adderall within the jurisdiction of the United States District Court for the Eastern District of New York.
4. Dr. Gabriel obtained access to the Schedule II Controlled Substance by affirmatively seeking and obtaining a prescription pad from the pharmacy of the hospital where Dr. Gabriel was engaged in training, despite having no legitimate need for access to a prescription pad. Dr. Gabriel used the prescription pad to prescribe Schedule II Controlled Substances, with no legitimate medical purpose and outside the bounds of medical practice, to sell to others.

5. The scope of Dr. Gabriel's prescribing and selling of a controlled substance outside the bounds of the medical profession was such that Dr. Gabriel received money and property equal to or greater than the sum of Dr. Gabriel's forfeiture judgment, which was \$88,500.
6. The Board considered the terms, conditions and sentence imposed upon Dr. Gabriel in the Judgment issued in 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(C) in the matter of *United States of America v. Michael Hosny Gabriel*, Case Number CR10-588, including the requirement that Dr. Gabriel satisfy the associated Forfeiture Order entered against him.
7. The Board considered Dr. Gabriel's education and training as set forth in Dr. Gabriel's application, including but not limited to the fact that Dr. Gabriel was dismissed from his PGY-2 year of anesthesia training after the facts and circumstances forming the basis of Dr. Gabriel's felony conviction resulted in Dr. Gabriel's arrest, and Dr. Gabriel has not participated in graduate medical education or practiced medicine in any jurisdiction at any time since 2010.

The Committee further recommended that the Board find that Dr. Gabriel has failed to meet his burden of satisfying the Board that he is qualified for licensure and that under all of the circumstances, it would not protect the public health, interest, safety and welfare to grant Dr. Gabriel a license to practice medicine in the state of West Virginia. The Board should determine that Dr. Gabriel is not qualified for licensure because of:

1. His lengthy absence from clinical practice;
2. **W. Va. Code § 30-3-14(d)**, which provides:

The board shall deny any application for a license or other authorization to practice medicine and surgery or podiatry in this state to any applicant, and shall revoke the license of any physician or podiatrist licensed or otherwise lawfully practicing within this state who, is found guilty by

any court of competent jurisdiction of any felony involving prescribing, selling, administering, dispensing, mixing, or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Presentation to the board of a certified copy of the guilty verdict or plea rendered in the court is sufficient proof thereof for the purposes of this article. A plea of nolo contendere has the same effect as a verdict or plea of guilt. Upon application of a physician that has had his or her license revoked because of a drug related felony conviction, upon completion of any sentence of confinement, parole, probation, or other court-ordered supervision and full satisfaction of any fines, judgments, or other fees imposed by the sentencing court, the board may issue the applicant a new license upon a finding that the physician is, except for the underlying conviction, otherwise qualified to practice medicine: Provided, That the board may place whatever terms, conditions, or limitations it deems appropriate upon a physician licensed pursuant to this subsection.

3. **W. Va. Code §30-3-14(c)(2)** and/or **W. Va. Code R. §11-1A-12.1.k**, relating to being found guilty of a crime in any jurisdiction, which offense is a felony, involves moral turpitude or directly relates to the practice of medicine;
4. **W. Va. Code §30-3-14(c)(13)** relating to prescribing, dispensing administering, mixing or otherwise preparing a prescription drug, including any controlled substance under state and federal law, other than in good faith and in a therapeutic manner in accordance with accepted medical standards and in the course of the physician's practice; and/or
5. **W. Va. Code §30-3-14(c)(17)** and **W. Va. Code R. §11-1A-12.2.a**, relating to prescribing or dispensing a controlled substance:
 - a. with the intent or knowledge that a controlled substance will be used or is likely to be used other than medicinally or for an accepted therapeutic purpose;
 - b. with the intent to evade any law with respect to the sale, use or disposition of the controlled substances;
 - c. for the licensee's personal use, or for the use of his or her immediate family when the licensee knows or has reason to know that an abuse of controlled substance(s) is occurring, or may result from such a practice; or
 - d. in such amounts that the licensee knows or has reason to know, under the attendant circumstances, that the amounts prescribed or dispensed are excessive under accepted and prevailing medical practice standards;

6. **W. Va. Code §30-3-14(c)(17) and W. Va. Code R. §11-1A-12.1.e.** relating to engaging in dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof;
7. **W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.1.j.** relating to engaging in unprofessional conduct, including, but not limited to, any departure from, or failure to conform to, the standards of acceptable and prevailing medical practice, or the ethics of the medical profession, irrespective of whether or not a patient is injured thereby, or has committed any act contrary to honesty, justice or good morals, whether the same is committed in the course of his or her practice or otherwise and whether committed within or without this State;
8. **W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.2.d.** relating to conduct which is calculated to bring or has the effect of bringing the medical profession into disrepute, including, but not limited to, any departure from or failure to conform to the standards of acceptable and prevailing medical or podiatric practice within the state, and any departure from or failure to conform to the current principles of medical ethics of the AMA, with or without an actual injury to a patient; and/or
9. **W. Va. Code §30-3-14(c) (17) and W. Va. Code R. §11-1A-12.1.bb.** relating to violating or attempting to violate any law or lawfully promulgated rule or regulation of this State, any other state, the Board, the United States or any other lawful authority (without regard to whether the violation is criminally punishable), which law or rule or regulation relates to or in part regulates the practice of medicine or podiatry, when the licensee or applicant knows or should know that such action is violative of the law, rule or regulation; or has violated a lawful order of the Board; or has failed to comply with a lawfully issued subpoena of the Board; or has violated an order of any court entered pursuant to any proceedings commenced by the Board.

Dr. Duncan reported that if the Board reaches this conclusion, Dr. Gabriel will be notified of this preliminary determination, and will be given the opportunity to request a hearing to have his rights and interests with respect to his application for medical licensure adjudicated before a duly appointed hearing examiner. If he does not request a hearing, an Order denying his application will be entered by the Board at the March 2019 meeting. Mr.

Wright abstained from voting on this matter. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed fourteen applications. Based thereupon, the Committee recommended that the following applicants be approved for permanent medical licensure:

Jerry Alvin Allison, MD (pending receipt of complete medical school education verification)

Percival Ofrecio Buenaventura, MD

Susan Leontyne Carter, MD

Bernard Stanley Jay, MD

William Richard Poller, MD (pending receipt of the PICF fee)

Adarsh Sahni, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the postgraduate training as satisfactory verified and approve the following applicants for permanent medical licensure:

John Daniel Morrissey, Jr., MD

Rachel Miriam Wagner, MD (pending receipt of the PICF fee)

Noormahal Kabani, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Nagaraj R. Birudavol, MD be approved for reactivation of medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the applications for the following physicians will be placed on hold pending receipt of additional information and possible appearance before the Committee:

Chaudhury Mohammed Sarwarul Hasan, MD

Edward Joseph Silvio Picardi, MD

Jodi Lynn Long, DPM

The Committee will request that Mohamed Chebacló, MD appear before the Committee at its March 2019 meeting.

The Committee recommended that the Board accept Jana Betsy Alyce Macleod, MD's request for withdrawal of her application for medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve the following applicants for permanent medical licensure:

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve the following applicants for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Geoffrey Allan Martin, MD
Michael Bruce Robins, MD
Anna Heffernan Rominger, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Bowyer declared a conflict with regard to Alison Marian Spiker, MD, as they are members of the same congregation, and he left the meeting room at this time.

The Committee recommended that Dr. Spiker be approved for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Bowyer returned to the meeting room at this time.

The Committee recommended that the Board approve the following applicants for reactivation of permanent medical licensure:

Jon Peter Anderson, MD
Clement Albert Cahall, MD
Felicia Kay Cain, MD
Cheryl Linette Dickason, MD
David Wayne Mantik, MD
Michelle Mercia Mouria, MD
Kevin Ray Shanabrook, MD
Arthur Lawson Webb, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve Brett James Dupont, DPM for permanent podiatric medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Donatelli declared a conflict with regard to Bradley Henry Hoffman, DPM, as he will be employing this physician, and he left the meeting room at this time.

The Committee recommended that Dr. Hoffman be approved for permanent podiatric medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Donatelli returned to the meeting room at this time.

Dr. Duncan reported that the Committee discussed a pending Interstate Medical Licensure Compact (IMLC) application for an applicant that the Board has been unable to locate or contact. The Committee recommended that the Board correspond with the IMLC Commission to seek a written opinion on how to handle situation where the Board does not receive valid contact information from IMLC applicants. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee considered a written inquiry seeking an opinion from the Board concerning whether a podiatric physician may supervise CRNAs and/or the anesthesia plan of care for operative patients. The Committee gave staff direction to respond that the podiatric physician's scope of practice does not preclude a podiatric physician from performing this function, and that the decisions regarding privileging for this purpose should be made at the institutional level in accord with hospital protocol and policies. Dr. Lakin and Dr. Donatelli have concerns regarding this matter. Reverend Bowyer moved that this matter be tabled for consideration at the March meeting. Mr. Wooton seconded, and the motion carried.

Dr. Duncan reported that renewal will occur in May and June for medical doctors with the last names beginning with M – Z and all podiatric physicians.

Dr. Duncan reported that the Board received 17 educational permit applications in November and December 2018. To date, the Board has issued 105 educational permits.

Dr. Duncan reported that there are currently 473 medical doctors, 16 podiatric physicians, and 30 physician assistants who are registered as controlled substance

dispensing practitioners. Since July 1, 2018, 34 new practitioners have registered (16 medical doctors and 18 physician assistants). During November and December, the Board processed controlled substance dispensing registration applications for 4 medical doctors and 7 physician assistants.

Dr. Duncan reported that Board staff have processed 16 reinstatement applications since July 1, 2018. Two applications are currently pending. Board staff have processed seven change of license status from inactive to active applications since July 1, 2018.

Dr. Duncan reported that in November and December 2018, the Board issued licenses to the following twenty applicants (listed along with their state of principal licensure) through the IMLC application process.

Licensee	State of Principal Licensure
Scott Garret Baginski, MD	WI
Mary Jane Bovo, MD	AL
Terry Chris Chiganos, MD	IL

Additionally, the Board issued licenses to the following two physicians through the IMLC process earlier this year.

Licensee	State of Principal Licensure
King Swee Leong, MD	IL
Brian Keith Privett , MD	IA

In November and December 2018, the Board issued Letters of Qualification (LOQs) to the following licensees:

- Akash Vijaykumar Ajmera, MD
- Joel LeRoy Grow, MD
- Kevin Douglas Maupin, MD
- Gregory Michael Peters, MD
- Zhengyi Wang, MD

The Board declined to issue a LOQ to Bahar Altaha, MD.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Bowyer delivered the report of the Complaint Committee, which met on Sunday, January 13, 2019.

CONSENT ORDERS

Reverend Bowyer requested that the Board authorize the Complaint Committee to offer ten Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

FULLY EXECUTED CONSENT ORDERS

Reverend Bowyer reported that since the September meeting, fully executed Consent Orders have been entered with respect to the following licensees:

Tod Hagins, MD - On November 13, 2018, the licensee entered into a Consent Order with the Board permanently surrendering his West Virginia medical license subsequent to his plea of guilty to three felony charges, including conspiracy to distribute controlled substances without a legitimate medical purpose and outside the boundaries of the medical profession, in the matter of USA v. Tod Hagins, MD Criminal Action No. 5:18-CR-7.

Roger Lee McCauley, MD - Due to his CME deficiency during the Board's CME audit, on November 8, 2018, the licensee entered into a Consent Order with the Board which required him to complete 44 hours of volunteer/community service medical practice. Dr. McCauley also completed 44 hours of CME out of cycle to satisfy his CME deficiency.

David Allen Moore, PA-C - On November 28, 2018, the licensee entered into a Consent Order with the Board which publicly reprimanded him and required him to take continuing

education in the prescribing of benzodiazepines. Mr. Moore is not currently practicing in West Virginia, and if he seeks to return to practice pursuant to his West Virginia license he must submit a proposed practice agreement for Complaint Committee review and approval.

All Consent Orders are available on the Board's website.

Reverend Bowyer reported that the Complaint Committee considered a Motion for Expungement of Information and Documents Within Historical Record of Alison M. Wilson, MD. Dr. Wilson is seeking to expunge all information and documents in her historical record related to Initiated Complaint No. 18-18-W, which was initiated after the Board received a report of a medical malpractice payment made on behalf of Dr. Wilson. Complaint No. 18-18-W was subsequently closed because it was determined that the medical malpractice payment report was incorrectly reported to the Board. Because the Complaint was initiated based upon an incorrect report, the Complaint Committee recommended that all documents within the Complaint File related to Complaint No. 18-18-W be expunged, with the exception of the Closure Decision Order, which the Board is required to maintain. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

Reverend Bowyer reported that the Complaint Committee is currently investigating allegations against a particular podiatric physician stemming from an issue related to potential impairment. In order to protect the privacy of the licensee, and to ensure the impartiality of the Board should the matter come before it in the future for adjudication, the physician in question is identified for purposes of this discussion as "Physician A."

Physician A appeared before the Complaint Committee yesterday. Based upon the physician's demeanor, responses to questions by Committee members, and other information obtained during the course of the investigation, the Committee unanimously agreed that they have concerns regarding the mental and physical health and well-being of Physician A.

West Virginia Code § 30-3-14(f) authorizes the Board, under any circumstances, to require a physician to submit to a mental or physical examination by a physician or physicians approved by the Board. In connection with its current investigation, and pursuant to the West Virginia Code § 30-3-14(f), the Complaint Committee recommended that the Board authorize the issuance of an Order requiring Physician A to submit to a complete mental and physical examination by a physician or physicians approved by the Board. Such mental and physical examination will be scheduled as soon as possible to ensure that the public is protected and should include all appropriate testing including drug testing.

Reverend Bowyer, Dr. Sheth, Dr. Lakin and Dr. Steele, members of the Board's Complaint Committee, and they left the meeting room at this time and the Board considered the matter in their absence.

With a quorum present and voting, the motion of the Committee carried, and the Board authorized a complete mental and physical evaluation of Physician A to include all appropriate testing including drug testing.

Reverend Bowyer, Dr. Sheth, Dr. Lakin and Dr. Steele returned to the meeting room at this time.

The Committee recommended that the Board accept and ratify the report of the Complaint Committee. The motion of the Committee was given by Reverend Bowyer, and the motion carried.

There being no further business to consider, Dr. Lakin moved that the meeting be **ADJOURNMENT**
adjourned. Dr. Faheem seconded, and the motion carried.

Dr. Challa called the meeting to order and welcomed newly appointed Board member Angela Mayfield. Ms. Mayfield was appointed by the Governor to succeed Reverend O. Richard Bowyer, as one of the three lay members on the Board.

CALL TO
ORDER AND
ANNOUNCEMENTS

Dr. Challa welcomed former board members Rahul Gupta, MD, MPH, MBA, FACP and Matthew Upton, MD. Dr. Upton's term ended on September 30, 2018. Dr. Gupta accepted a position with the March of Dimes in November 2018. In recognition of their outstanding service and in appreciation of their commitment to protecting the quality and safety of medical and podiatric care for the citizens of West Virginia, Dr. Challa presented Dr. Upton and Dr. Gupta with plaques on behalf of the Board. Following recognition, Dr. Gupta and Dr. Upton left the meeting.

Dr. Challa announced that Dr. Slemp has been temporarily serving as the Commissioner for the Bureau for Public Health since November 2018. On February 8, 2019, Dr. Slemp was selected to fill the position of Commissioner for the Bureau for Public Health on a permanent basis, and therefore will continue to serve as Secretary of the Board.

Dr. Challa congratulated Dr. Faheem, who has been selected to receive the Federation of State Medical Boards (FSMB) 2019 John H. Clark, MD Leadership award. This award will be presented at the FSMB annual meeting next month in recognition of Dr. Faheem's "outstanding and exemplary leadership, commitment and contribution in advancing the public good at the state board level."

Dr. Challa reminded members that the FSMB annual meeting will be held on April 25 – 27, 2019 in Fort Worth, Texas. Any member who is interested in attending the meeting was instructed to see Mr. Spangler at the conclusion of today's meeting.

Due to the importance of maintaining quorum, Dr. Challa reminded members to contact either Mr. Spangler or himself if they are unable to attend any Committee or Board meeting.

Dr. Faheem moved that the January 14, 2019 meeting minutes be approved. Dr. Duncan seconded, and the motion carried.

**APPROVAL
OF MINUTES**

Mr. Spangler reported that the Board is meeting the goals and objectives outlined in the 2019 Strategic Plan. Specifically, the Board has began the rebidding process as it relates to the database, implemented an orientation procedure for newly appointed Board members, pursued opportunities for Board and Staff members to serve on a regional or national group devoted to the oversight of health professionals, and collaborated with other regulatory agencies regarding legislative matters.

**EXECUTIVE
DIRECTOR
REPORT**

Dr. Challa reported that the Executive/Management Committee met on Sunday, March 10, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for January and February 2019.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

The Committee reviewed correspondence requesting that the Board email current licensees a survey titled *West Virginia Provider Survey on Pain Management and Medication-Assisted Treatment*. The Committee recommended that the Board on this singular occasion, and taking into consideration that public health issue, that the survey be forwarded to the West Virginia Bureau of Public Health (WVBPH) for review in conjunction with the West Virginia Office of Drug Control Policy (WVODCP), and if the survey is supported by the WVBPH and WVODCP, authorize Board staff to email licensees a link to the survey. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that at the November 2018 Board meeting, the Executive/Management Committee recommended, and the Board voted to decline the request for expungement of a medical malpractice claim report for John France, MD and Jan Kletter, MD. The Board recently received two Notice of Claims, *France v. WVBOM* and *Kletter v. WVBOM*, indicating that each of the licensees intends to file suit against the Board in Kanawha County Circuit Court to have the medical malpractice settlement report expunged from their historical record.

Dr. Challa reported that the Request for Quotation (RFQ) for the rebidding of the database provider has concluded. Per West Virginia Division of Purchasing requirements, the Board is required to accept the lowest bid which meets all of the required specifications. Board staff have reviewed the quotes and have determined that the lowest bidder meets all of the required specifications. The bid is currently being reviewed by the West Virginia Office of Technology.

The Committee recommended that the Board accept and ratify the report of the Executive/Management Committee. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, March 10, 2019, at which time Mr. Spangler reported that the following bills, which were being monitored by Board staff, have completed the 2019 legislative process:

Senate Bill 199, which contains the Board's legislative rules 11 CSR 1A, relating to licensing and discipline of physicians and podiatric physician, and 11 CSR 12, relating to educational permits;

Senate Bill 119, specifying documents not subject to discovery in certain proceedings (the Board of Medicine was removed from this bill);

Senate Bill 396, which requires chapter 30 boards to process the initial application for low-income individuals or military families within 30 days of receipt of the application and

requires that licensing fees be waived. If signed by the Governor, this bill will require legislative rulemaking by the Board;

Senate Bill 510, relating to medical professional liability;

Senate Bill 653, the Board's bill which modifies W.Va. Code §30-3-15 to exclude all hospitals from the prohibition on the corporate practice of medicine and permits medical doctors, podiatric physicians and physician assistants to seek authorization as a medical corporation;

Senate Bill 668, which provides that a physician assistant who is practicing in a hospital setting will need to submit a notification of practice rather than a practice agreement. If signed by the Governor, this bill will require emergency and legislative rulemaking by the Board;

House Bill 2204, prohibiting state licensing boards from hiring lobbyists;

House Bill 2351, relating to regulating prior authorizations;

House Bill 2486, using records of criminal conviction to disqualify a person from receiving a license for a profession or occupation (the Board of Medicine was removed from this bill);

House Bill 2510, relating to special funds of boards of examination or registration, which provides that if the special fund of any board accumulates to an amount which exceeds twice the annual budget of the board or \$10,000, whichever is greater, that the State Treasurer will transfer the excess amount to the General Revenue Fund and the Legislative Auditor will review the fee structure of the board;

House Bill 2768, reducing the use of certain prescription drugs, this legislation makes certain amendments to the Opioid Reduction Act passed as Senate Bill 273 in 2018; and

House Bill 2947, which permits a physician practicing telemedicine to submit an order to dispense a controlled substance, listed in Schedule II of the Uniform Controlled Substance Act, to a hospital patient for immediate administration in a hospital, excluding the emergency department.

Mr. Wright reported that Senate Bill 464, modifying licensing requirements for telemedicine and surgery or podiatry, was closely monitored by Board staff. This bill would have eliminated the prohibition on audio-only contact for establishing a physician/patient

relationship via telemedicine. The bill was not passed during the 2019 legislative session; however, it is likely that similar proposed legislation will be introduced during the 2020 session.

Mr. Wright reported that the Board will need to evaluate current legislative and procedural rules to determine which will need to undergo rulemaking in the 2020 legislative session.

The Committee recommended that the Board accept and ratify the report of the Legislative Committee. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Foster reported that there are currently three hearings pending. One hearing is scheduled to convene on March 26, 2019, but will likely be continued to a later date, one hearing is scheduled to convene in June 2019, and one hearing is on hold.

**BOARD
ATTORNEY
REPORT**

The matter of *Omar Khalid Hasan, MD, Petitioner, v. West Virginia Board of Medicine, Respondent*, remains pending before the West Virginia Supreme Court of Appeals.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, March 9, 2019.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Dominic Michael Alesandrini, PA-C
Robin Mary Allen, PA-C

Shanna Michele Autrey, PA-C
Amber Rose Blackledge, PA-C
Lynette Joy Cline, PA-C
Alexa Marie Falo, PA-C
Sha'Quayla Jean Hill, PA-C
Rachele Nicole Jeffries, PA-C
Raymond Jacob Johnson, PA-C
Thomas E. Johnson, PA-C
Jonathan Kirk Livers, PA-C
Kara Michelle Malagise, PA-C
Aislinn Marie McIlvenny, PA-C
Megan Nicole Olish-Terry, PA-C
Dustyn Gregory Pastors, PA-C
Alycia Marie Perrine, PA-C
Melissa Ann Rabinek, PA-C
Janet Lee Smith, PA-C
Leah Marie Trautzch, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that Farrah Syed Zahir, PA-C appeared before the Committee in support of her application for physician assistant licensure. The Committee recommended that Ms. Zahir be granted physician assistant licensure contingent upon her acceptance of a licensure Consent Order with the following terms:

Until further order of the Board:

- a. Ms. Zahir may only practice in West Virginia through a Board approved practice agreement, regardless of her practice setting;
- b. Any practice agreement she submits must be reviewed by the Physician Assistant Committee for approval prior to authorization;
- c. Ms. Zahir shall practice under direct collaboration for a minimum of 1000 work hours;
- d. Ms. Zahir's collaborating physician must send quarterly status reports updating the Board on her progress reentering PA practice, and a recommendation regarding when direct collaboration should be lifted;
and
- e. Ms. Zahir must appear before the Physician Assistant Committee at its

discretion, but no later than six months after her return to clinical practice to discuss her reentry to practice.

The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that Stacy Megan Blake, PA-C was granted physician assistant licensure in January 2019. Prior to the January Board meeting, Ms. Blake requested that her application be deferred until the March 2019 meeting as applicants who are granted an initial license in March 2019 are not required to participate in the current renewal process, which concludes on March 29, 2019. Ms. Blake's deferral request was inadvertently overlooked. Similar requests to defer licensure are customarily granted. The Board cannot rescind the reissuance of Ms. Blake's license, however, the Committee recommended that since the Board overlooked her valid deferral request that Ms. Blake's 2019 renewal fee of \$150.00 be waived. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that the Committee reviewed correspondence from a physician assistant seeking guidance regarding whether physician assistant SOAP notes/progress notes need physician cosignature in a hospital practice environment. The Committee directed Board staff to respond that while neither the Physician Assistants Practice Act nor the Board's legislative rules require a physician to cosign progress notes, hospitals have the discretion to establish their own policy and practice requirements with respect to when a physician cosignature is required.

Ms. Mullins reported that the Committee reviewed correspondence from Community Care of West Virginia seeking guidance on how to complete practice agreements for physician assistants who may be scheduled to work at any of its 51 school-based health centers and 15 primary care clinics. The Committee directed staff to respond that the physician assistant's primary practice locations must be included on the application form, and a list of all possible locations may be provided as an attachment to the practice agreement. The primary work locations will be publicly available on the Board's website.

Ms. Mullins reported that the Committee reviewed Senate Bill 668, which provides process changes for physician assistant practice authorization in hospital settings. Physician assistants employed by hospitals will be able to submit institutional practice notifications rather than practice agreements with individual collaborating physicians. If approved by the Governor, the bill will require emergency and legislative rulemaking by the Board.

Ms. Mullins reported that the Committee considered and approved the Mona Lisa Touch procedure as an advanced duty for physician assistants. The procedure will be added to the Board-Approved Advanced Procedure List and will require the submission of ten logs for approval.

Ms. Mullins reported that physician assistant licensure renewal began on February 6, 2019. To date, approximately 60% of licensees have renewed their license. The renewal deadline is 4:30 pm on Friday, March 29, 2019.

Ms. Mullins reported that the Committee reviewed and approved three proposed practice agreements that include telemedicine practice.

Ms. Mullins reported that Board staff have authorized 50 practice agreements since January 14, 2019. Additionally, 17 alternate collaborating physicians were designated.

The Committee recommended that the Board accept and ratify the report of the Physician Assistant Committee. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, March 9, 2019.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that two of the five scheduled applicants appeared before the Licensure Committee to discuss their applications. The Committee recommended that:

David Charles Fogarty, DDS, MD be approved for reactivation of medical licensure; and John Stanley Taras, MD be approved for medical licensure pending payment of the patient injury compensation fund assessment fee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the following applicants will appear before the Committee at its May 2019 meeting:

Mohhamed Chebaelo, MD

Sunil Mehrotra, MD

Chaudhury Mohammed Sarwarul Hasan, MD.

Dr. Duncan reported that the Committee reviewed and discussed 24 applications. Based thereupon, the Committee recommended that the following applicants be approved for permanent medical licensure:

Ioanna Kanellitsas, MD

Chukwuemeke Oscar Nkadi, MD

Michael Lawrence Stanchina, MD

Chioma Vivian Udogu, MD

Omer Wali, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the following applicants be approved for permanent medical licensure pending payment of the patient injury compensation fund assessment fee:

Ishtiaque Hossain Mohiuddin, MD

Sanjoydeb Mukherjee, MD

Ethan Harold Silver, MD

Robert Terry Smith, MD

Daniel Benjamin Westawski, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the postgraduate training as satisfactory verified and approve the following applicants for permanent medical licensure:
Ashraf Yehia Youssef Abou-El-Ezz, MD

Cherif M. El Younis, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the following applicants be approved for medical licensure pending receipt of satisfactory verification of medical education:

Malik Moh'd Saleh Hamdan, MD

Daniel Dmitry Langleben, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Tushar Nandlad Shah, MD be approved for medical licensure reactivation. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that Seyfi Alper Toker, MD appeared before the Committee at its January 2019 meeting in support of his application for a restricted license in extraordinary circumstances. Dr. Toker's application was placed on hold in January, pending receipt of additional information. Having received the additional information, the Committee recommended that the Board make the following findings:

1. Dr. Toker has exceptional education, training and practice credentials, including:
 - a. He is an internationally renowned leader in the practice of thoracic surgery;
 - b. He has conducted leading research in cardiovascular surgery, tracheal reconstruction and lung transplantation;
 - c. He is past president (2014-2015) of the European Society of Thoracic Surgeons, which is the largest international association of thoracic surgeons;
 - d. He is a member of the American Association for Thoracic Surgery, the most prestigious thoracic association in the world;

- e. He is recognized by the International Thymic Malignancy Interest Group as a pioneer in robotic mediastinal surgery; and
 - f. He is currently Professor and Head of Thoracic Surgery at Istanbul Medical School, Istanbul University.
2. Dr. Toker's practice in the state would be beneficial to the public welfare because West Virginia has the highest cancer rates in the country, including lung cancer. Additionally, West Virginia has an alarming rate of black lung diagnoses, and many black lung patients will eventually require lung transplants. Dr. Toker's skills and expertise will fill an existing service gap for these patients.
 3. Dr. Toker's specialty is thoracic surgery, and there is a need for this specialty in West Virginia because West Virginia does not currently have a lung transplant program.
 4. The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While Dr. Toker's education and training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state his superior research, extensive clinical experience, renowned scholarship, including over 120 peer reviewed publications and contributions to leading texts books in his field, his lengthy faculty appointments, and his international leadership in thoracic surgery satisfy this requirement.
 5. Dr. Toker received more than nine years of medical postgraduate training outside of the United States and its territories.
 6. Dr. Toker has no professional discipline which would render him ineligible for an extraordinary circumstances license.
 7. Dr. Toker is eligible for a restricted license in extraordinary circumstances.

The Committee further recommended that the Board grant Dr. Toker a restricted license in extraordinary circumstances restricted to the practice of thoracic medicine and surgery at West Virginia University in Morgantown, West Virginia, pending receipt of the patient injury compensation fund assessment fee. A roll call vote was taken with all members voting to accept the Committee's recommendation. The motion carried unanimously, exceeding the statutory requirement of approval by $\frac{3}{4}$ of the membership of the Board.

The Committee recommended that the Board accept Jodi Lynn Long, DPM's request to withdraw her podiatric medical licensure application. The motion of the Committee was given by Dr. Duncan and the motion carried.

Dr. Duncan reported that the applications for the following physicians will be placed on hold pending receipt of additional information and possible appearance before the Committee:

James Lawrence Fernau, MD

Allison Marian Spiker, MD

The Committee will request that the following applicants appear before the Committee at its May 2019 meeting:

Ruxandra Faraon-Pogaceanu, MD

Bryan Ross Fine, MD

Syed Arsalan Khalid, MD

Ebad Ur Rahman, MD

Ijaz Rasul, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. The Committee recommended that the Board approve the following applicants for permanent medical licensure:

Faith Aiguekeagbon Aimua, MD

Ahlim M Omer A Al Sanani, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Harman declared a conflict with respect to initial medical doctor applicant William James Artrip, IV, MD as Dr. Artrip is a member of her congregation. After declaring a conflict, Reverend Harmon exited the meeting room and was absent for all discussion and action regarding Dr. Artrip. The Committee recommended that Dr. Artrip be approved for permanent medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Harman returned to the meeting room at this time.

The Committee recommended that the Board approve the following applicants for permanent medical licensure pending receipt of the patient injury compensation fund assessment fee:

Raja Nanda Gopal Mogallapu, MD
Amar Raju Patel, MD
Luis Alberto Puchi, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve the following applicants for reactivation of medical licensure:

Ernest Frank Baldwin, III, MD
Rut Dinkar Dholakia, MD
Richard John Mailloux, MD
Fauzia Naeem Rana, MD
Rebecca Marie Reece, MD
Scott Andrew Riley, MD
Janet Lynn Walker, MD
Beverly Jean Davis Yamour, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Lilly declared a conflict with respect to a medical doctor applicant for reactivation of licensure, Jeffrey Wayne Hively, MD due to a recent business relationship with a family member of the applicant. After declaring a conflict, Dr. Lilly exited the

meeting room and was absent for all discussion and action regarding Dr. Hively. The Committee recommended that the Board approve Jeffrey Wayne Hively, MD for medical licensure reactivation. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Lilly returned to the meeting room at this time.

Dr. Duncan reported that the Committee revisited an inquiry it received in January 2019 requesting clarification on CRNA supervision. The inquiry seeks an opinion from the Board on whether the podiatric scope of practice includes supervision of CRNAs and the anesthesia plan of care. The Committee directed staff to notify the requesting hospital that the Board recommends that the best practice is for anesthesiologists to provide oversight of CRNAs and anesthesia plans of care. Dr. Lakin moved that the Board modify the Committee's direction, and for staff to notify the requesting hospital that the Board recommends that the best practice is for anesthesiologists rather than podiatric surgeons to provide oversight of CRNAs and anesthesia plans of care for podiatric patients. Dr. Mullins seconded, and the motion carried.

Dr. Duncan reported that in January the Committee reported on a situation involving an IMLC applicant that the Board could not reach at the contact information provided. Since January, new contact information has been obtained from another licensing board. The applicant has been contacted by telephone and is no longer interested in pursuing licensure in West Virginia due to a change in his practice. He has indicated that he will submit a request to withdraw his application. The Committee authorized the Executive Director to follow-up with the IMLCC on applicant address issues and concerns at a future IMLCC meeting.

Dr. Duncan reported that the 2019 renewal period for educational permits will begin on April 1, 2019 and will conclude on June 28, 2019. The renewal period for physicians whose last names begin with the letters M-Z, all podiatric physicians, controlled substance dispensing practitioner registration(s) for physicians whose last names begin with the

letters M-Z, and professional limited liability companies will begin on May 1, 2019 and will conclude on June 28, 2019.

Dr. Duncan reported that the Board has issued one educational permit since January 1, 2019. The total number of current educational permits issued by the Board is 106. Educational permits, including reciprocal permits for out of state residents completing rotations in West Virginia, become mandatory effective July 1, 2019.

Dr. Duncan reported that there are currently 476 medical doctors, 16 podiatric physicians, and 31 physician assistants who are registered as controlled substance dispensing practitioners. Since July 1, 2018 there have been 37 new registrants (18 medical doctors and 19 physician assistants). During January and February, the Board processed controlled substance dispensing practitioner registration applications for three medical doctors and one physician assistant.

Dr. Duncan reported that Board staff have processed 20 reinstatement applications and eight change of status applications since July 1, 2018. Eight applications are pending.

Dr. Duncan reported that in January and February, the Board issued licenses to the following 20 applicants (listed along with their state of principal licensure) through the IMLC application process.

Name of the Licensee	State of Principal Licensure

In January and February, the Board issued Letters of Qualification (LOQs) to the following licensees:

Mary Elizabeth Faw, MD
David Lee Groten, MD
Lauretha Uzoamaka Rogers, MD
Stephanie Ann Salas, MD

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Mr. Wooton joined the meeting via teleconference at this time.

Dr. Sheth delivered the report of the Complaint Committee, which met on Sunday, March 10, 2019.

CONSENT ORDERS

Dr. Sheth requested that the Board authorize the Complaint Committee to offer ten Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

FULLY EXECUTED CONSENT ORDERS

Dr. Sheth reported that since the January meeting, fully executed Consent Orders have been entered with respect to the following licensees:

Sylvanus Osomoba Oyogoa, MD: On January 28, 2019, the licensee entered into an Amended Consent Order with the Board which modified the terms of his September 10, 2018 Consent Order to permit him to complete an online course entitled “ACS/APDS Surgery Resident Skills Curriculum- Phase 3: Team-Based Skills” as an acceptable in-person course as required by the original Consent Order was not located.

Edmundo E. Figueroa, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which restricts Dr. Figueroa from performing any surgical procedures. This restriction will remain in place until a qualified physician determines that he may return to surgical practice with reasonable skill and safety.

Daniel Leon Alkon, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$5,000.00 for CME noncompliance. Within 30 days Dr. Alkon must submit proof of satisfactory CME completion and verify that he has read and fully understands his CME obligations.

Thomas Alan Durnell, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for failure to disclose a medical malpractice payment on his renewal application for the period of July 1, 2016 through June 30, 2018.

Johnny Dy, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for failure to disclose his September 25, 2017 Consent Order on his 2018 license renewal application.

Anup Kumar Das, MD: On January 14, 2019, the licensee entered into a Consent Order with the Board which imposed a fine in the amount of \$400.00 for failure to disclose his October 5, 2017 Consent Order on his 2018 license renewal application.

Thair Ali Barghouthi, MD: On March 5, 2019, the licensee entered into a Consent Order with the Board which prohibits him from performing or directing the performance of nuclear stress tests in an office-based setting.

All Consent Orders are available on the Board's website.

Dr. Sheth reported that on March 10, 2019, the Committee reviewed certified court records regarding licensee Marios Dimitrios Papachristou, MD in association with an ongoing matter. The court records including certified copy of the Judgment Order in the matter of *United States of America v. Marios D. Papachristou*, Criminal Action No. 2:18-CR-00084, were made available to Board members for review. Ms. Alley provided an overview of this matter. Dr. Papachristou holds a license to practice medicine and surgery in West Virginia, License Number 26968. His West Virginia medical license was initially granted on May 16, 2016. On or about March 27, 2018, a criminal Information was filed in the United States District Court for the Western District of Pennsylvania against Dr. Papachristou, in the matter of the *United States of America v. Marios D. Papachristou*, Criminal Action No. 2:18-CR-00084. The Information charged Dr. Papachristou with forty-six (46) felonious counts of unlawful dispensing and distributing hydrocodone and acetaminophen ("Vicodin"), a Schedule II controlled substance, from December 2014 to March 2018, in violation of 21 U.S.C. §§ 841 (a)(1) and 841 (b)(1)(C); and one (1) felony count of health care fraud (Count 47), in and around December 2014 to March 2018, in violation of 18 U.S.C. § 1347. According to the Information, on forty-six (46) separate occasions Dr. Papachristou did knowingly, intentionally and unlawfully dispense and distribute, and cause to be dispensed and distributed, a quantity of Vicodin, a Schedule II controlled substance, to two different individuals, identified as "E.A." and "A.N.", outside the usual course of professional practice and not for a legitimate medical purpose. In regard to the count for health care fraud, the Information alleged:

- a. That Dr. Papachristou, along with other individuals, participated in a scheme to defraud a health care benefit program, namely UPMC Health Plan, to obtain, by means of materially false and fraudulent pretenses, representations, and promises, money under the custody and control of the program in connection with the delivery of and payment for health care benefits and services.
- b. As part the scheme, Dr. Papachristou prepared and signed prescriptions for Schedule II narcotics outside the usual course of professional practice and not for a legitimate medical purpose. Dr. Papachristou caused these fraudulent and forged prescriptions to be filled in pharmacies by individuals known and unknown to the United States Attorney.
- c. As a result of the scheme, Dr. Papachristou caused losses to UPMC Health Plan.
- d. From December 2014 through March 2018, in the Western District of Pennsylvania and elsewhere, Dr. Papachristou did knowingly and willfully execute the scheme by submitting and causing to be submitted to UPMC Health Plan, false claims for payment for prescription narcotics, when in truth and fact as he well knew, the prescriptions were outside the course of professional practice and not for a legitimate medical purpose.

On May 3, 2018, the Court entered a plea of guilty signed by Dr. Papachristou, wherein Dr. Papachristou pled guilty to one felony count of unlawful dispensing and distributing a Schedule II controlled substance (Count 1), in violation of 21 U.S.C. §§ 841 (a)(1) and 841 (b)(1)(C), and one felony count of health care fraud (Count 47), in violation of 18 U.S.C. § 1347. On December 3, 2018, preceding his criminal sentencing hearing, Dr. Papachristou filed a Sentencing Memorandum in his criminal proceeding wherein he acknowledged his wrongful conduct and discussed the circumstances that facilitated his actions. On December 13, 2018, Dr. Papachristou was convicted on Count 1 and Count 47 of the Information, both felonies, pursuant to his guilty plea. The remaining counts of the Information were dismissed. Dr. Papachristou was sentenced to a term of imprisonment

of twenty-four (24) months followed by three (3) years of supervised release. Dr. Papachristou was further ordered to pay a \$200.00 assessment, a \$15,000.00 fine, and \$591.78 in restitution to UPMC Health Plan.

West Virginia Code §30-3-14(d) imposes a nondiscretionary duty upon the Board to revoke a license if a licensee has been found guilty and/or pled guilty in a court of competent jurisdiction to any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes. The Complaint Committee recommended that the Board conclude that:

- a. The Board has received sufficient proof, pursuant to W. Va. Code §30-3-14(d), to determine that Dr. Papachristou has been found guilty in a court of competent jurisdiction of guilty to one felony count of unlawful dispensing and distributing a Schedule II controlled substance (Count 1), in violation of 21 U.S.C. §§ 841 (a)(1) and 841 (b)(1)(C), and one felony count of health care fraud (Count 47), in violation of 18 U.S.C. § 1347;
- b. Dr. Papachristou's conviction of one felony count of unlawful dispensing and distributing a Schedule II controlled substance (Count 1), in violation of 21 U.S.C. §§ 841 (a)(1) and 841 (b)(1)(C) constitutes a felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes; and
- c. Pursuant to West Virginia Code §30-3-14(d), the Board conclude that, as a matter of law, the license to practice medicine and surgery of Dr. Papachristou, License No. 26968, must be revoked, effective upon the entry of an Order of Revocation.

The Committee's recommendation was made in the form of a motion by Dr. Sheth, and the motion carried.

Dr. Sheth reported that the Complaint Committee is presenting a recommendation to the full Board concerning possible discipline of a licensee, Nabil Gaballa Guirguis, MD, license number 21364. He asked members if there were any conflicts. Dr. Faheem declared a conflict and left the meeting room at this time.

Dr. Sheth reported that the Committee concluded that the evidence in its possession supports a determination that Dr. Guirguis is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment. W. Va. Code § 30-3-14(c)(21).

West Virginia Code § 30-3-14(k) provides that:

if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (j) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

The Committee determined, that under the circumstances and based upon the evidence in its possession, to recommend that the full Board summarily suspend Dr. Guirguis' West Virginia medical license on the grounds that Dr. Guirguis' continuation in practice or unrestricted practice constitutes an immediate danger to the health, welfare and safety of the public.

Materials reviewed by the Complaint Committee were made available to the members of the Board for review and consideration, including the results of a Board-ordered mental and physical evaluation of the licensee.

The Complaint Committee recommended that the Board:

1. Ratify the Complaint Committee's conclusions as reported here today;
2. Determine that under all of the circumstances, for Dr. Guirguis to continue to hold an unrestricted license to practice medicine in the State of West

Virginia, constitutes an immediate danger to the health, welfare and safety of the public;

3. Conclude, as a matter of law, that such a danger to the public demands extraordinary measures; and
4. In accordance with its statutory mandate to protect the public interest, summarily suspend the license to practice medicine of Dr. Guirguis, license number 21364, in accordance with the provisions of W. Va. Code §30-3-14(k) and W. Va. Code R. §11-3-10.16 (2010).

Dr. Sheth reported that if the Board votes to summarily suspend Dr. Guirguis, it must determine an effective date of the suspension. A hearing before a minimum of nine eligible Board members and a hearing examiner, must be held within fifteen days of the suspension. The licensee must be given ten days' notice of any hearing. Within five days of the conclusion of the hearing, the Board has to decide what action to take and must issue an order setting forth its final determination. Members of the Complaint Committee may not participate in the full hearing or the final vote.

Dr. Mullins, Dr. Lakin, Dr. Sheth and Dr. Steele, as member of the Complaint Committee, left the meeting room at this time and the Board considered this matter in their absence.

With a quorum of the Board present and voting, Mr. Wright moved that the Board accept the Complaint Committee's recommendation and find that for Dr. Guirguis to continue to hold an unrestricted license to practice medicine in the State of West Virginia, constitutes an immediate danger to the health, welfare and safety of the public, and to summarily suspend Dr. Guirguis' license to practice medicine effective immediately. Mr. Wright further moved that a hearing with regard to this matter convene at 10:00 am on March 21, 2019 at the Board office. Dr. Duncan seconded, and the motion carried.

Dr. Mullins, Dr. Lakin, Dr. Sheth and Dr. Steele returned to the meeting room at this time.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion was given by Dr. Sheth, and the motion carried.

There being no further business to consider, Dr. Lakin moved that the meeting be adjourned. Dr. Steele seconded, and the motion carried. ADJOURNMENT

K. Dean Wright, PA-C

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Dr. Sheth provided the report of the Complaint Committee which met earlier today, March 19, 2019. He reported that the Complaint Committee is presenting a recommendation to the full Board concerning possible discipline of a licensee, Jamie Leann Hall-Jasper, DPM, license number 10421. He asked members to advise of any conflicts. No conflicts were declared.

Dr. Slemp joined the meeting at this time.

Dr. Sheth reported that the Committee has concluded that the evidence in its possession supports a determination that Dr. Hall-Jasper is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment. W. Va. Code § 30-3-14(c)(21).

West Virginia Code § 30-3-14(k) provides that:

if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection (j) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

The Committee determined, that under the circumstances and based upon the evidence in its possession, to recommend that the full Board summarily suspend Dr. Hall-Jasper's West Virginia podiatric license on the grounds that her continuation in practice or unrestricted practice constitutes an immediate danger to the health, welfare and safety of the public.

Dr. Sheth reported that in order to provide more detail regarding grounds for the Complaint Committee's recommendation, the Board will need to enter into executive session to discuss personal medical information regarding the licensee which was obtained in the course of the investigation. Dr. Sheth moved that the Board enter into executive session. Dr. Challa seconded, and the motion carried.

**EXECUTIVE
SESSION**

The executive session concluded, and the Board reentered public session.

**PUBLIC
SESSION**

The Complaint Committee recommended that the Board:

1. Ratify the Complaint Committee's conclusions as reported here today;

2. Determine that under all of the circumstances, for Dr. Hall-Jasper to continue to hold an unrestricted license to practice podiatric medicine in the State of West Virginia, constitutes an immediate danger to the health, welfare and safety of the public;
3. Conclude, as a matter of law, that such a danger to the public demands extraordinary measures; and
4. In accordance with its statutory mandate to protect the public interest, summarily suspend the license to practice medicine of Dr. Hall-Jasper, license number 10421, in accordance with the provisions of W. Va. Code §30-3-14(k) and W. Va. Code R. §11-3-10.16 (2010).

Dr. Sheth reported that if the Board votes to summarily suspend Dr. Hall-Jasper's podiatric license, it must determine an effective date of the suspension. A hearing before a minimum of nine eligible Board members and a hearing examiner, must be held within fifteen days of the suspension. The licensee must be given ten days' notice of any hearing. Within five days of the conclusion of the hearing, the Board has to decide what action to take and must issue an order setting forth its final determination. Members of the Complaint Committee may not participate in the full hearing or the final vote.

The Committee recommended that the Board accept and ratify the report of the Complaint Committee. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Dr. Mullins, Dr. Sheth and Dr. Steele, as members of the Complaint Committee, left the meeting at this time and the Board considered this matter in their absence.

With a quorum of the Board present and voting, Dr. Faheem moved that the Board ratify the Complaint Committee's determination that Jamie Leanne Hall-Jasper's continuation in practice or unrestricted practice constitutes an immediate danger to the health, welfare and safety of the public and therefore, in accordance with the Board's mandate to protect the public interest, that Dr. Hall-Jasper's license to practice podiatric medicine and surgery in West Virginia be summary suspended in accordance with the

provisions of W.Va. Code 30-3-14(k) and W.Va. Code R. 11-3-10.16. Mr. Wooton seconded, and the motion carried.

Dr. Rahim joined the meeting at this time.

Dr. Challa moved that the summary suspension become effective at 11:59 pm on March 20, 2019. Reverend Harman seconded, and the motion carried.

Mr. Wooton moved that the summary suspension hearing regarding this matter convene at 10:00 am on April 1, 2019 at the Board Office. Dr. Faheem seconded, and the motion carried.

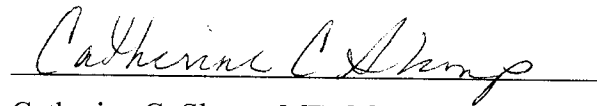

Dr. Faheem moved that Dr. Hall-Jasper be offered a consent order that she previously declined which would retain her license in suspended status until such time as she complies with specific terms and conditions for establishing her current fitness to return to active practice.

There being no further business to consider, Dr. Rahim moved that the meeting be adjourned. Dr. Slempp seconded, and the motion carried.

Reverend Janet Harman
Carrie Lakin, DPM
Jonathan P. Lilly, MD
Angela Mayfield
David (Dave) Mullins, MD
Victoria (Tori) Mullins, PA-C, Physician Assistant Committee Chair
Mustafa Rahim, MD
Thomas (Wes) Steele, MD
Russell O. Wooton
K. Dean Wright, PA-C, Legislative Committee Chair

The following Board member was absent:

Timothy J. Donatelli, DPM

The following former Board member was present:

Reverend O. Richard Bowyer

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI

Andrew R. Wessels

The following representative from the West Virginia Attorney General's Office was present:

Kelli Talbott, Deputy Attorney General

Dr. Challa called the meeting to order and welcomed former board member, Reverend O. Richard Bower. Reverend Bowyer was first appointed to the Board in 1981 by Governor John D. Rockefeller. Throughout his tenure on the Board, Reverend Bowyer was appointed and/or reappointed by seven governors. In recognition of his dedicated service and in appreciation of his commitment to protecting the safety of medical and podiatric care for the citizens of West Virginia, Dr. Challa presented him with a plaque on behalf of the Board.

CALL TO
ORDER AND
ANNOUNCEMENTS

Ms. Mayfield and Dr. Slemp joined the meeting at this time.

In recognition of her 25 years of dedicated service to the state of West Virginia, Dr. Challa presented Leslie Thornton, Supervisor of the Investigation, Complaints and Compliance Division, with a Certificate of Appreciation signed by Governor Justice. Ms. Thornton has actually been employed by the state for 29 years; however, certificates are only issued for 25 and 30 years of service. Dr. Challa thanked Ms. Thornton for her commitment to the Board and its mission.

Dr. Rahim moved that the minutes of the Board's March 11, 2019 and March 19, 2019 meetings be approved. Dr. Duncan seconded, and the motion carried.

Mr. Spangler announced that the next agenda item relates to consideration of the Hearing Examiner's Findings of Fact, Recommended Decision in the matter of *West Virginia Board of Medicine, Petitioner, v. Nathan David Airhart, MD, Respondent*, Complaint No. 17-100-W. He asked that all board members who need to declare a conflict with regard to this matter do so at this time.

The following board members declared a conflict due to their participation on the Board's Complaint Committee during the investigation of the underlying administrative complaint:

Kishore K. Challa, MD, FACC
Carrie Lakin, DPM
David A. Mullins, MD
Thomas (Wes) Steele, MD

Dr. Challa designated Dr. Faheem to chair the meeting in his absence. The members who declared a conflict (identified above) left the meeting room at this time. Additionally, the following staff members left the meeting room at time:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Leslie A. Thornton, CMBI

Mr. Wright joined the meeting at this time.

With a quorum of the Board present and participating, Ms. Talbott advised the Board in the matter of *West Virginia Board of Medicine, Petitioner, v. Nathan David Airhart, MD, Respondent*, Complaint No. 17-100-W. Ms. Talbott gave the procedural history of the case and reported on the Hearing Examiner's Recommended Findings of Fact, Conclusions of Law and Recommended Decision.

Dr. Rahim moved that the Board adopt and accept the Hearing Examiner's Recommended Findings of Fact, Conclusion of Law and Recommended Decision and publicly reprimand Dr. Airhart for:

1. Failure to respond to the Board's continuing medical education audit in a timely fashion;

2. Failure to comply with his continuing medical education requirements for the reporting period of July 1, 2014 through June 30, 2016;
3. Renewal of his West Virginia medical license through fraudulent misrepresentation;
4. Failure to appear, as requested, before the Board's Complaint Committee; and
5. Demonstration of a lack of candor in his communications with the Board of Medicine.

Dr. Rahim further moved that Dr. Airhart be order to pay a fine in the amount of \$1,500.00 and that he pay the costs and expenses of the proceeding against him, each to be paid to the Board within thirty days of receipt of an invoice from the Board. Mr. Wooton seconded, and the motion carried.

The following board and staff members returned to the meeting room at this time:

Kishore K. Challa, MD, FACC

Carrie Lakin, DPM

David A. Mullins, MD

Thomas (Wes) Steele, MD

Mark A. Spangler, MA

Jamie S. Alley, Esq.

Greg S. Foster, Esq.

Leslie A. Thornton, CMBI

Ms. Talbott left the meeting at this time and was not present for the remainder of the meeting.

Dr. Sheth joined the meeting at this time.

Mr. Spangler reported that the Board is meeting the goals and objectives outlined in the 2019 Strategic Plan.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler reported that a Board of Medicine Communications Survey was recently emailed to Board of Medicine licensees, state lawmakers and key stakeholders in an effort to improve outreach efforts. The Board received 925 responses to the survey. Respondents reported familiarity with the Board's newsletter, website and email blasts. More than eighty percent of the respondents reported that they read Board publications as they become available, and nearly ninety percent of respondents consider them to be a valuable source of information.

Dr. Challa reported that the Executive/Management Committee met on Sunday, May 19, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for March and April 2019.

Dr. Challa reported that the Committee reviewed correspondence and received comments from individuals representing iSelectMD, who are seeking the Board's support of legislation to be introduced during the 2020 session that would authorize a pilot project within the Public Employee Insurance Agency (PEIA) system to permit the physician-patient relationship to be established via audio-only communication (similar but narrower in application to legislation introduced, but not passed, during the 2019 legislative session). This matter will be referred to the Legislative Committee for consideration.

Dr. Challa reported that the Committee reviewed a request for expungement of a medical malpractice settlement claim report for Jennifer Christine Knight Davis, MD. The expungement request and supporting documents were made available for members to review. The Committee recommended that the Board grant the request for expungement of a medical malpractice settlement report for Jennifer Christine Knight Davis, MD. Dr. Duncan moved to accept the Committee's recommendation. Dr. Faheem seconded, and the motion carried.

Dr. Challa reported that there are currently three legal matters that remain in a pending status. *John France, MD, v. West Virginia Board of Medicine* and *Jan Carey Kletter, MD, v. West Virginia Board of Medicine* both relate to requests for expungement

of a medical malpractice settlement. The West Virginia Attorney General's Office is representing the Board in these matters. *Young v. West Virginia Board of Medicine* involves a former Board employee. Charles Bailey, Esquire, of Bailey & Wyant has been assigned to represent the Board in this matter. The Committee will keep the Board apprised of any updates in these matters.

Dr. Challa reported that the annual strategic planning meeting will be held on Saturday, October 19, 2019. He asked members to check their calendar and let Mr. Spangler or Ms. Frame know as soon as possible if they have a conflict with this date.

Dr. Challa reported that licensure renewal and controlled substance dispensing practitioner registration (CSDPR) renewal for medical doctors whose last names begin with the letters M-Z and all podiatric physicians, as well as PLLCs began earlier this month. As of May 17, 2019, Board staff have processed renewal applications for:

868 medical doctors;

13 podiatric physicians;

9 controlled substance dispensing practitioner registrations; and

28 professional limited liability companies.

Dr. Challa reported that the rebidding of the database has concluded, and the database contract has been awarded to inLumon. Board staff have begun meeting with inLumon, and the new database is expected to be fully implemented within 180 days. The Board has extended its contract with the current database vendor, Big Picture, for one year; however, it is likely that the contract with Big Picture will terminate once the new database is fully implemented.

Dr. Challa reported that the Board is currently seeking candidates to fill the following three positions within the office: paralegal, physician assistant coordinator, and a technical writing / support staff position.

Dr. Lakin moved that the Board accept and ratify the Executive/Management Committee report. Reverend Harman seconded, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, May 19, 2019, at which time Mr. Spangler reported that Senate Bill 668, which provides process changes for physician assistant practice authorization in hospital settings, was passed during the 2019 legislative session and becomes effective on June 6, 2019. Pursuant to this legislation, physician assistants who are employed by hospitals will be able to submit to the Board institutional practice notifications rather than practice agreements with individual collaborating physicians. The Board will need to promulgate emergency and legislative rules in order to implement this change.

Mr. Wright reported that Senate Bill 396 was passed during the 2019 legislative session. This legislation requires the Board to waive initial licensing fees for low-income individuals and military families. This bill becomes effective on June 6, 2019 and requires the Board to promulgate a legislative rule to implement the waiver.

Mr. Wright reported that in addition to rulemaking, required by bills passed during the 2019 legislative session, the Committee directed staff to review the Board's rule 11 CSR 10, Accessing the West Virginia Controlled Substance Monitoring Program, and to report back to the Committee regarding proposed modifications / updates to the rule.

Mr. Wright reported that the Committee will hold a special meeting on Tuesday, June 11, 2019 at 5:00 pm to review draft rules to be promulgated during the 2020 legislative session. A special meeting of the Board will need to convene after June 11, 2019 to consider the proposed rules.

Dr. Slemp moved that the Board accept and ratify the Legislative Committee report. Dr. Steele seconded, and the motion carried.

Dr. Challa reported that the Personnel Committee met with Mr. Spangler yesterday, May 19, 2019, and discussed his recommendation for salary increases. In accord with Mr. Spangler's recommendation, the Committee recommended that the Board adopt and implement salary increases for the fiscal year 2020 consistent with the West Virginia State Budget Office's across the board raises as established by the legislature. Dr. Lakin moved that the Board accept the Committee's recommendation. Mr. Wooton seconded, and the motion carried.

**PERSONNEL
COMMITTEE
REPORT**

The Committee recommended that the Board accept and ratify the report of the Personnel Committee. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Foster reported that the matter of *Omar Khalid Hasan, MD, Petitioner, v. West Virginia Board of Medicine, Respondent*, remains pending before the West Virginia Supreme Court of Appeals.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that there are currently four complaint matters set for administrative hearing in the upcoming months.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, May 18, 2019.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins reported that on May 8, 2019, Farrah Syed Zahir, PA-C entered into a Consent Order with the Board. The Consent Order requires that:

1. Ms. Zahir may only practice in West Virginia through a Board approved practice agreement, regardless of her practice setting;
2. Any practice agreement Ms. Zahir submits must be reviewed by the Physician Assistant Committee for approval prior to authorization;

3. Ms. Zahir must practice under direct collaboration for a minimum of 1000 work hours;
4. Ms. Zahir's collaborating physician must send quarterly status reports updating the Board on her progress, and a recommendation regarding when direct collaboration should be lifted; and
5. Ms. Zahir must appear before the Physician Assistant Committee at its discretion, but no later than six months after her return to clinical practice to discuss her reentry to practice.

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared.

The Physician Assistant Committee recommended that the following applicants be approved for physician assistant licensure:

Sinead Deirdre Arndt, PA-C
Geoffrey M. Blankenship, PA-C
Lana Julia Burdi, PA-C
Kelsey Quinn Dekart, PA-C
Richard Allen Flowers, PA-C
Rachel Ann Harris, PA-C
Sarah Beth Hunt, PA-C
Katlyn Nicole Laird, PA-C
Frank Steven Masino, PA-C
Urlin Daniel Mathews, II, PA-C
Emily Frances Nelson, PA-C
Nicole Leigh Niese, PA-C
Maureen Gallagher Russell, PA-C
Stacey Ann Smith, PA-C
Ronald Ray Spruill, Jr., PA-C
Cierra Michelle Zeigler, PA-C

Dr. Duncan moved that the Board accept the Committee's recommendation. Reverend Harman seconded, and the motion carried.

Ms. Mullins reported that the Committee approved fine needle aspiration biopsies performed in a clinical setting as an advanced duty for physician assistants. The procedure will require the submission of ten site specific logs for approval.

Ms. Mullins reported that the Committee also approved non-stress test interpretations as an advanced duty for physician assistants. Approval for this procedure will require the submission of ten logs.

Ms. Mullins reported that the Physician Assistant Committee also reviewed and discussed Senate Bill 668, which provides changes for physician assistant practice authorization in hospital settings, and Senate Bill 396 which implements initial application fee waivers for low-income and military family applicants.

Ms. Mullins reported that 1038 physician assistants were eligible to renew their license during the 2019 physician assistant renewal period. Of the physician assistants eligible to renew their license, 125 did not renew. As of Saturday, May 18, 2019, this Board has 945 physician assistant licensees.

Ms. Mullins reported that Board staff have authorized 75 practice agreements since March 11, 2019. Additionally, staff have processed requests to add 7 alternate collaborating physicians to existing practice agreements.

Dr. Slemp moved that the Board accept and ratify the report of the Physician Assistant Committee. Dr. Shefh seconded, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, May 18, 2019.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that four applicants appeared before the Licensure Committee to discuss their applications. Based thereupon, the Committee recommended that the

following applicants be approved for medical licensure:

Ruzanadra Faraon-Pogaceanu, MD

Syed Arsalan Khalid, MD

Ebad Ur Rahman, MD (pending payment of the patient injury compensation fund assessment fee)

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Mohamed Chebaclo, MD be approved for medical licensure contingent upon his acceptance of a Consent Order which imposes a \$500.00 fine for failing to disclose action against his Kentucky medical license on his West Virginia medical licensure application. The Consent Order would also affirmatively require Dr. Chebaclo to personally complete all future West Virginia license applications, renewal and otherwise. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed 27 applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Adesoji Adeolu Adenigbagbe, MD

Bryan Ross Fine, MD

Robert Lynn Horne, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the following applicants be approved for reactivation of permanent medical licensure:

Jason Andrew Bennett, MD

Timothy Keefe Bowers, Jr., MD

Hany Lotfy Youssef, MD (pending payment of PICF fee)

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that at the January 14, 2019 meeting, the Board considered Michael Hosny Gabriel, MD's medical licensure application. After receiving a recommendation from the Licensure Committee, the Board provisionally refused Dr. Gabriel's application for a West Virginia medical license based upon its preliminary determination that Dr. Gabriel failed to meet his burden of satisfying the Board that he is qualified for licensure. The Board made a preliminary determination that that Dr. Gabriel is unqualified for medical licensure pursuant to W. Va. Code § 30-3-14(d) and further concluded that probable cause exists to deny Dr. Gabriel's application pursuant to certain provisions of the West Virginia Medical Practice Act and the Board's legislative rules. After Dr. Gabriel was provided with the Board's preliminary decision, he exercised his right to request a public hearing to adjudicate the merits of his application. The Board issued a Notice of Hearing and scheduled a hearing. Since that time, Dr. Gabriel has requested the opportunity to withdraw his application in lieu of proceeding to a license denial hearing. The Committee recommended that the Board permit Dr. Gabriel to withdraw his application in lieu of proceeding to hearing. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board permit the following applicants to withdraw their respective applications for medical licensure:

Choudhury Mohammed Sarwarul Hasan, MD
Sunila Mehrotra, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan indicated that the next applicant for discussion was Alison Marian Spiker, MD. Reverend Harman declared a conflict with regard to Dr. Spiker as the applicant is a member of her congregation. Reverend Harman left the meeting room at this time.

The Committee recommended that the Board accept Alison Marian Spiker, MD's request to withdraw her medical licensure application. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Reverend Harman returned to the meeting room at this time.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer 13 Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Orders

Dr. Sheth reported that since the March meeting, executed Consent Orders have been entered with respect to the following licensees:

David Mark Anderson, MD - On March 13, 2019, Dr. Anderson entered into a Consent Order with the Board which publicly reprimanded him for his unethical and unprofessional

conduct relating to his conviction on three felony counts of embezzlement.

Wigberto Condevillamar Camomot, MD - On April 3, 2019, Dr. Camomot entered into a Consent Order with the Board which suspended his licensee until such time as he successfully demonstrates, through the submission of the appropriate documentation, his fitness to resume the practice of medicine and surgery with reasonable skill and safety.

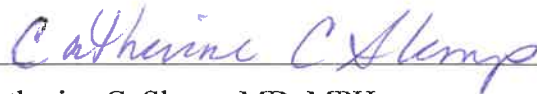

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion was given by Dr. Sheth, and the motion carried.

There being no further business to consider, Dr. Lakin moved that the meeting be adjourned. Dr. Duncan seconded, and the motion carried.

Board Meeting Minutes

June 18, 2019

A special meeting of the West Virginia Board of Medicine was held at 101 Dee Drive, Charleston, West Virginia, on the 18th day of June 2019 at 5:00 pm.

The following Board members were present for the meeting:

Harry Duncan, MD
David (Dave) Mullins, MD

The following Board members attended the meeting via teleconference:

Kishore K. Challa, MD, FACC, President
Ashish P. Sheth, MD, Vice President
Catherine C. Slemp, MD, MPH, Secretary
Timothy Donatelli, DPM
Ahmed D. Faheem, MD, DLFAPA
Carrie Lakin, DPM
Jonathan P. Lilly, MD
Victoria (Tori) Mullins, PA-C
Russell O. Wooton
K. Dean Wright, PA-C

The following Board members were absent:

Reverend Janet Harman
Angela Mayfield
Mustafa Rahim, MD
Thomas (Wes) Steele, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame. Prior to today's meeting, a copy of the proposed amendments to the Board's legislative rule 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and a copy of a proposed new rule series 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*, was made available to members for review.

CALL TO ORDER

Dr. Slemph joined the meeting via teleconference at this time.

Mr. Wright reported that the Legislative Committee met on June 11, 2019 to consider proposed Board of Medicine rules 11 CSR 1B and 11 CSR 13. The Committee recommended that the Board approve 11 CSR 1B as modified and authorize Board staff to move forward with promulgation of the legislative rule and an emergency rule. The motion of the Committee was given by Mr. Wright, and the motion carried.

**LEGISLATIVE
COMMITTEE
REPORT**

The Committee recommended that the Board approve 11 CSR 13 as presented and authorize Board staff to move forward with promulgation of the proposed new legislative rule. The motion of the Committee was given by Mr. Wright, and the motion carried.

Dr. Duncan reported that medical licensure applicant Alex Yazbin, MD is unable to appear before the Licensure Committee on Saturday, July 13, 2019, or any other Saturday, due to religious reasons. Mr. Wooton moved that the Board allow Dr. Yazbin to appear before the Executive/Management Committee on Sunday, July 14, 2019, in lieu of appearing before the Licensure Committee on a Saturday. Dr. Faheem seconded and the motion carried.

**LICENSURE
COMMITTEE
REPORT**

Dr. Challa appointed Dr. Duncan, as Chair of the Licensure Committee, to join as a member of the Executive / Management Committee in July for the purpose of conducting the applicant interview and participating in the deliberations and recommendation relative to Dr. Yazbin.

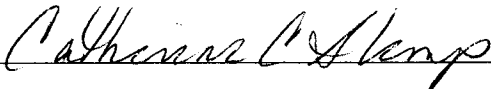

Dr. Duncan reported that Anand Rajendra Desai, MD was granted a medical license by the Board on May 20, 2019 as an applicant whose application did not require individual review or discussion by the Licensure Committee. The applicant's name was inadvertently omitted from the list of applications presented to the Board at the May 20, 2019 meeting. The application had no discrepant information, and the omission was a clerical oversight that was identified after the license had been issued. Dr. Faheem moved that Dr. Desai be approved for medical licensure effective May 20, 2019. Dr. Mullins seconded, and the motion carried.

There being no further business to consider, the meeting adjourned.

Physician Assistant Committee Meeting Minutes

July 13, 2019

The Physician Assistant Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on the July 13, 2019 at 9:00 am.

The following Committee members were present:

Victoria L. Mullins, PA-C, Chair
Harry E. Duncan, MD
Rev. Janet M. Harman
Jonathan P. Lilly, MD
Angela A. Mayfield
Russell O. Wooton, Esq.
Kenneth Dean Wright, PA-C

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Ms. Mullins called the meeting to order. The Committee reviewed the minutes from its May 18, 2019 meeting. Mr. Wright moved that the Committee approve the minutes. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

The Physician Assistant Committee reviewed the following complete applications for initial physician assistant licensure:

1. Katherine Elizabeth Hohos, PA-C
2. Robert Benson Morris, PA-C
3. David Philip Vitez, PA-C
4. Kristen Renee Walker, PA-C
5. Vincenzina Patricia Drosky, PA-C

No conflicts having been declared, Dr. Duncan moved that the Committee recommend each such applicant for physician assistant licensure by the Board. Dr. Lilly seconded the motion, and the motion carried.

The Physician Assistant Committee reviewed the following applications for reactivation of physician assistant licensure:

1. Danielle Renee Kaufman, PA-C (#1462)
2. Julie Ann Strother, PA-C (#654)

No conflicts having been declared, Mr. Wright moved that the Committee recommend each such applicant for reactivation of physician assistant licensure by the Board. Dr. Lilly seconded the motion, and the motion carried.

Ms. Thompson reported that since April 1, 2019, Board staff processed one licensure reinstatement application for Peter Samir Hanna, PA-C (#1990).

The Physician Assistant Committee reviewed and discussed a practice agreement and related documents which suggest that a physician assistant may have engaged in unauthorized practice. Mr. Wright moved that the Committee refer the matter to the Complaint Committee for review and possible action. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed Senate Bill 668, which amended the Physician Assistant Practice Act, and Senate Bill 396 regarding initial licensee fee waivers for eligible low income and military family applicants. Board staff updated the Committee on pending rulemaking regarding these bills. The public comment period closes on July 19, 2019 for the proposed amendments to 11 CSR 1B and new rule 11 CSR 13. After the comment period closes, the Board will finalize the agency approved version of these rules. The West Virginia Secretary of State's office must approve or reject the emergency rule revision of 11 CSR 1B by July 31, 2019. This timeline may be extended if the Board amends the emergency rule as a result of public comments.

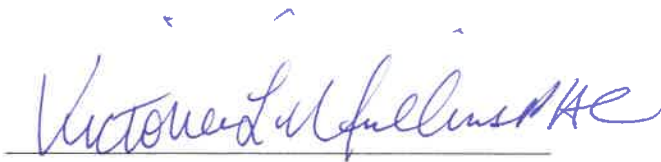

The Committee reviewed and discussed a Practice Agreement Notification form. Dr. Lilly moved that the Committee approve the proposed form, along with the delegation of discretion to Board staff to make any modifications which are necessary as a result of any changes which are made to the final agency approved version of the rule and/or the emergency rule once the comment period concludes. Dr. Duncan seconded the motion, and the motion carried.

Ms. Thompson reported that the Board authorized 31 practice agreements between May 20, 2019 and July 12, 2019. Additionally, the Board approved the designation of 10 alternate collaborating physicians.

Ms. Thompson informed the Committee that Valerie Anderson accepted the position of Physician Assistant Licensure Analyst and joined the Board staff on June 24, 2019.

There being no further business, the Physician Assistant Committee adjourned by consensus.

The Committee reviewed the application for reactivation of physician assistant licensure of Lakyn Allison Merrifield, PA-C (#1614). Ms. Mullins declared a conflict with respect to this application. Ms. Mullins disclosed that she has a personal friendship

with Ms. Merrifield. After declaring a conflict, Ms. Mullins exited the meeting room and was absent for all discussion and action regarding this application. Mr. Wright acted as Chair of the Committee during Ms. Mullins absence. Dr. Lilly moved that the Committee recommend the applicant for reactivation of physician assistant licensure by the Board. Ms. Mayfield seconded the motion, and the motion carried. Ms. Mullins returned to the meeting room at this time.

The Committee discussed an inquiry from Advanced ICU Care concerning PA hospital practice via telemedicine with off-site collaboration. Mr. Wright moved that the Committee direct Board staff to notify Advanced ICU Care that a Practice Notification would be required for each hospital location where the physician assistant will be practicing. Rev. Harman seconded the motion, and the motion carried. Rev. Harman further moved that the Committee direct Board staff to propose an amended Practice Notification form that would include the practice of telemedicine for the Committee's review. Dr. Donatelli seconded the motion, and the motion carried.

DISCUSSIONS

In the context of reviewing a proposed Practice Agreement, the Committee reviewed and discussed whether the following medical procedures may be delegated to physician assistants as advanced duties:

- Rigid sigmoidoscopy
- Anoscopy
- Internal hemorrhoidal ligation*
- Excision of thrombosed external hemorrhoids
- Cautery of anal fissures
- I & D peri rectal/anal abscess

After discussion, Rev. Harman moved the Committee not approve the I & D of peri rectal abscess as a delegable advanced duty for physician assistants. Dr. Duncan seconded the motion, and the motion carried. Dr. Duncan moved that the Committee approve the following list of procedures as advanced duties for physician assistants in an office setting:

- Rigid sigmoidoscopy
- Anoscopy
- Internal hemorrhoidal ligation*
- Excision of thrombosed external hemorrhoids
- Cautery of anal fissures
- I & D anal abscess

Mr. Wright seconded the motion, and the motion carried. These procedures will be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospitals and Ambulatory Surgical Facilities*, under surgical procedures, which is available on the Board's website. The procedures will require the submission of 10 logs for approval.

Ms. Thompson provided the Committee with an update on reinstatement activity in September and October 2019. On September 23, 2019, Board staff processed a reinstatement application for Matthew Ryan Dincher, PA-C.

Ms. Thompson notified the Committee that Board staff has authorized twenty-four practice agreements and thirty-five practice notifications in September and October, 2019.

There being no further business, Rev. Harman moved that the Committee adjourn. Ms. Mayfield seconded the motion, the motion carried, and the meeting adjourned.

28. Teresa Lynne Slager, PA-C
29. Brianna Lyn Topolnak, PA-C
30. Whitney Nicole Wigal, PA-C

No conflicts having been declared, Mr. Wright moved that the Committee recommend each of the thirty applicants discussed by the Committee for physician assistant licensure by the Board. *Dr. Duncan seconded the motion, and the motion carried.*

The Committee discussed an inquiry from David Sims, Esq. concerning what role a Physician Assistant may play in providing informed consent to surgical patients. Dr. Duncan moved that the Committee direct staff to respond via email that: Neither the West Virginia Medical Practice Act nor the Physician Assistants Practice Act explicitly address the question of which members of a health care team may participate in the informed consent process for surgical procedures. The ultimate responsibility for ensuring that a surgical patient receives informed consent lies with the physician performing the surgical procedure. However, it is within a physician assistant’s scope of practice to collaborate with a surgeon to obtain informed consent for surgical procedures performed with respect to mutual patients. Dr. Lilly seconded the motion, and the motion carried.

DISCUSSIONS

In the context of reviewing a proposed Practice Agreement, the Committee reviewed and discussed whether external hardware and pin removal and/or pin adjustment may be delegated to physician assistants as an advanced duty. After discussion, Mr. Wright moved that the Committee approve external hardware and pin removal and/or pin adjustment as an advanced duty for physician assistants in an office setting. Dr. Lilly seconded the motion, and the motion carried. This procedure will be added to the Board's *Advanced Procedure List for all Practice Locations Except Hospitals and Ambulatory Surgical Facilities*, which is available on the Board's website. The procedures will require the submission of 10 logs for approval.

The Committee reviewed and discussed a self-report from a physician assistant regarding possible unauthorized practice. Rev. Harman moved that, based upon the facts and circumstances as presented, not to take any action relative to the report. Mr. Wooton seconded the motion, and the motion carried.

At its November 2019, the Committee asked Board staff to propose modifications to the Board's Practice Agreement and Practice Notification forms for the purpose of clarifying whether the proposed practice will incorporate telemedicine. Rev. Harman moved that the Committee approve the modifications as proposed. Mr. Wright seconded the motion, and the motion carried.

Ms. Thompson notified the Committee that Board staff has authorized twenty-two Practice Agreements and fifty Practice Notifications in November and December 2019.

There being no further business, Rev. Harman moved that the Committee adjourn. Ms. Mayfield seconded the motion, the motion carried, and the meeting adjourned.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Leon Browning McNealy, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. McNealy, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

Ellis Senanu Kojo Sampram MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Sampram, Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

Bruce Lawrence Lasker MD appeared before the Committee in support of his application for reinstatement of his medical license. After a thorough discussion with Dr. Lasker, Ms. Mullins moved that the Committee recommend that the Board grant the applicant reinstatement of licensure to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

Milind Deogaonkar, MD appeared before the Committee in support of his application for a medical school faculty license. A member of the public was present during Dr. Deogaonkar's appearance, and left the meeting thereafter. After a thorough discussion with Dr. Deogaonkar, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a medical school faculty license to practice medicine and surgery in West Virginia at West Virginia University, Morgantown. Rev. Harman seconded the motion, and the motion carried.

Anthony Todde Securo, MD appeared before the Committee pursuant to his Consent Order. He requested that the Board consider lifting or modifying the terms of his October 26, 2017 Consent Order. The Board reactivated Dr. Securo's West Virginia medical license pursuant to a Consent Order which imposed the following terms and restrictions upon Dr. Securo's practice of medicine:

1. Dr. Securo shall not practice pain management or work in a pain management clinic, and shall refer patients with chronic pain, as necessary, to a pain management specialist or licensed clinic;
2. In the event that Dr. Securo regains a DEA registration which permits the prescribing of schedule II and III controlled substances he shall not prescribe controlled substances to any patient at an amount more than the morphine equivalent daily dose (MEDD) of 30mg and such prescriptions shall not be for more than one (1) week of medication per procedure;
3. Prior to prescribing, administering, ordering or dispensing any controlled substances, Dr. Securo shall detail in full, in the patient's file, the examination performed and diagnosis reached in the particular patient's file. Dr. Securo shall specifically record all physical data of the patient and detail the exact nature of his evaluation of the patient. In addition to this requirement, Dr. Securo agrees to comply with all record keeping requirements of the Board;
4. At six month intervals after the date of entry of this Consent Order, the Board may, in its discretion, query Dr. Securo's controlled substance prescribing practices with the West Virginia Board of Pharmacy's Controlled Substance Monitoring Database and/or similar state or federal entities in surrounding states to monitor Dr. Securo's compliance with the prescribing restrictions imposed by this Order;
5. Dr. Securo acknowledges that it is a best practice to chart in the medical record the name of the chaperone and/or female staff member present whenever he conducts a breast examination, gynecological examination, or any other medical test or procedure which requires contact with or exposure

of the breast or genitals. Dr. Securo agrees that he will strictly comport with this practice and will always chart the name of the female staff member/chaperone present for all such medical procedures;

6. Dr. Securo shall maintain current and accurate contact information with the Board, including home address, preferred mailing address, all practice addresses in West Virginia and e-mail address. Dr. Securo shall provide the Board with any changes or additions to his contact information within 5 days of any such change;
7. Within ten days of commencing practice at any place of practice in West Virginia, and for so long as the practice restrictions imposed by this Consent Order remain in place, Dr. Securo shall provide a complete copy of the fully executed Consent Order, to any and all employers and places where he practices and/or has privileges in West Virginia;
8. Dr. Securo shall appear before the Licensure Committee on an annual basis, at the discretion of the Board, to discuss his practice of medicine and/or his compliance with the terms of his probation or this Consent Order; and
9. After Dr. Securo has been in active practice in West Virginia for one full year, he may petition to the Board to modify and/or lift the practice restrictions related thereto which are imposed by this Order.

Dr. Securo requested that the Board lift the prescribing limitations included in his Consent Order. After a lengthy discussion with Dr. Securo, Rev. Harman moved that the Licensure Committee recommend that the Board decline to modify the terms of Dr. Securo's October 26, 2017 Consent Order at least in part because Dr. Securo does not appear to have been in active practice in West Virginia for one full year since October 26, 2017, and is therefore ineligible for a modification. Ms Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed a matter of possible noncompliance with a Licensure Consent Order. Rev. Harman moved that the Committee refer the matter to

the Complaint Committee for review and possible action. Ms. Mayfield seconded the motion, and the motion carried.

Mr. Wooton left the meeting at this time and did not return. The Committee, continuing to have a quorum present, continued with the meeting.

Eric Alfon, MD appeared before the Committee in support of his application for licensure reactivation. After a thorough discussion with Dr. Alfon, Dr. Lilly moved that Dr. Alfon be given the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

Melissa Rife Larzo, MD was scheduled to appear before the Committee today in support of her application to change the status of her license from inactive to active, however, Dr. Larzo notified the Committee that she had a conflict with the July meeting date and requested to be rescheduled for the September meeting. Ms. Mayfield moved that the Committee request the applicant's appearance at its September 2019 meeting. Dr. Lilly seconded the motion, and the motion carried.

DISCUSSIONS

James Lawrence Fernau, MD appeared before the Committee at its January meeting in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. After his January 2019 appearance before the Committee, Dr. Fernau's application was placed on hold and he was given the opportunity to supplement his application. The Committee received and reviewed additional information from Dr. Fernau in March 2019, but his application continued to contain discrepancies in his reported malpractice history. The Board provided the discrepant documents to Dr. Fernau and requested an additional explanation. Dr. Fernau did not respond by the May deadline. His application remained on hold pending receipt of the requested information, and he was given a deadline of August 23, 2019 to respond to the Committee. Dr. Fernau did not respond by the deadline. A member of Dr. Fernau's staff appeared at the July meeting. Dr. Lilly moved

that Dr. Fernau's application remain on hold and to offer him the opportunity to withdraw his application, and if Dr. Fernau declines to withdraw his application, or does not respond to the Committee by the Board's established deadline, his application for licensure reactivation, in its entirety, will be on the September 2019 agenda for Committee action. Rev. Harman seconded the motion, and the motion carried.

At its May 2019 meeting, the Committee reviewed and discussed the application of **Susan Kaufman Arnoult, MD** for medical licensure. Dr. Arnoult's application was placed on hold pending receipt of additional information. The Committee received and reviewed the additional information it requested from Dr. Arnoult. Thereafter, Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

At its May 2019 meeting, the Committee reviewed and discussed the application of **Samir Mahendra Shah, MD** for medical licensure. Dr. Shah's application was placed on hold pending additional information from the applicant and his residency program. The Committee reviewed information submitted by Dr. Shah. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

At its May 2019 meeting, the Committee reviewed and discussed the application of **Geertruida Kints, MD** to change the status of her license from inactive to active. Dr. Kints application was placed on hold pending receipt of additional information. Dr. Kints provided the additional information. The Committee reviewed and discussed the additional information. Ms. Mullins moved that the Committee request Dr. Kints appearance at its September 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

Humpartzoom James Kojian, II, MD was scheduled to appear before the Committee today in support of his application for medical licensure. However, on May 31, 2019, Dr. Kojian communicated to the Board that his practice plans had changed, and he would like to withdraw his application for licensure. Mr. Wooton moved that the Committee recommend that the Board grant Dr. Kojian's withdrawal request. Ms. Mayfield seconded the motion, and the motion carried.

The Committee considered a request from **Indranil Sau, MD** regarding his restricted license in extraordinary circumstances. Dr. Sau requested that the Board consider changing his license type from a restricted license in extraordinary circumstances to a regular, active status license. He also identified a current restriction upon his license that he would like modified or removed in the event that a change in license type was not possible. In discussing Dr. Sau's request, the Committee noted that the Board's authority to convert a Restricted License in Extraordinary Circumstances to a regular, active status license is limited to circumstances where an extraordinary circumstances licensee later meets the requirements for a standard license. The Committee also reviewed the Board's authority to change the restrictions imposed on an extraordinary circumstances license. Ms. Mullins moved that Board staff notify Dr. Sau that he may submit documentation establishing that he now meets the requirements and qualifications for a regular license in support of his correspondence. If he does not meet the qualifications for a regular license, and if he would like the Board to consider changing the current restrictions on his extraordinary circumstance license, he may submit additional information in support of his secondary request to change the restrictions on his license including information on why the requested change is appropriate, necessary and in the public interest. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Paula Pons, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending

payment of the Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **John Paul Duque, MD** for medical licensure. Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Joseph William Jasser, MD** for medical licensure. Ms. Mayfield moved that the Committee request the applicant's appearance at its September 2019 meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Sandra Jean Lewis, MD** for reinstatement of licensure. Rev. Harman moved that the Committee request the applicant's appearance at its September 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Yusuf Hassan, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its September 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **James Frederick Littles, Jr., MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Douglas Coleman Brown, MD** for medical licensure. Rev. Harman moved that the Committee request the

applicant's appearance at its September 2019 meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Lawrence Jerome Glad, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Michael Andrew Arata, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its September 2019 meeting or, in lieu of appearing, that he be given the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Dallas Wayne Johnson, MD** for medical licensure. Rev. Harman moved that the Committee request the applicant's appearance at its September 2019 meeting or, in lieu of appearing, that he be given the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Julio Cesar Galindo Sanchez, MD** for medical licensure. Ms. Mullins moved that the Committee request the applicant's appearance at its September 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Abdul Hafeez Abbasi, MD** for medical licensure. Ms. Mayfield moved that Dr. Abbasi's application be placed on hold pending receipt of additional information, and that he be given the opportunity to withdraw his application. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Hemant Sarin, MD** for reinstatement of medical licensure. Ms. Mayfield moved that that the Committee request the applicant's appearance at its September 2019 meeting or, in lieu of appearing, that he be given the opportunity to withdraw his application. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Gerald Etiemowei Dariah, MD** for reactivation of medical licensure. Ms. Mayfield moved that Dr. Dariah be given the opportunity to withdraw his application. Ms. Mullins seconded the motion, and the motion carried.

Reinstatement and Change of License Status Report

Board staff have processed 29 reinstatement and 14 change of status from inactive to active applications since July 1, 2018. Twelve applications are currently pending.

Educational Permit Update

Board staff reported that the Board issued 106 optional educational permits for the training year ending June 30, 2019. Of these permits, 76 were renewed and 30 expired on June 30 (or earlier if licensure was granted). The Board accepted and processed initial and renewal applications from April through June 28, 2019. A total of 633 educational permits are now active for the July 1, 2019 to June 30, 2020 postgraduate year.

Controlled Substance Dispensing Registration Update

Board staff reported that prior to renewal, 481 medical doctors, 16 podiatric physicians, and 37 physician assistants were registered as controlled substance dispensing practitioners. As of July 1, 2019, 366 medical doctors, 10 podiatric physician assistants are actively registered as controlled substance dispensing practitioners.

2019 Renewal Cycle

License and controlled substance dispensing registration renewal for physicians whose last names begin with the letters M through Z and podiatric physicians concluded on June 28, 2019. Board staff provided the Committee with the following chart summary of the 2019 renewal cycle.

The Board issued an IMLCC Letter of Qualification (LOQ) in May to the following licensee:

Camille Marie Ristroph, MD

The Committee reviewed proposed changes to USMLE score reporting that are currently open for comment. The USMLE proposes limiting score information reported out to licensing boards to Pass/Fail information only. Currently the Board receives specific score information in addition to Pass/Fail results. The Committee concluded that the proposed changes will not adversely affect the Board's ability to evaluate applicants for licensure, and elected not to take any action regarding the proposed change.

The Committee received and reviewed a list of applicants whose applications do not require an appearance or individualized discussion. The list includes 109 initial medical license applications and 6 reactivation of medical license applications.

Members of the Committee reviewed the list for conflicts. No conflicts having been declared, Ms. Mullins moved that the Committee approve the following applicants and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

September 7, 2019

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on September 7, 2019 at 10:15 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Jonathan P. Lilly, MD
Angela A. Mayfield
Victoria L. Mullins, PA-C
Russell O. Wooton, Esq.

The following Committee member was absent:

Rev. Janet M. Harman
Timothy J. Donatelli, DPM

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Carmella Walker, Licensure Analyst

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the July 13, 2019 meeting. Mr. Wooton moved that the Committee approve the minutes. Dr. Lilly seconded the motion, and the motion carried.

Geertruida Kints, MD appeared before the Committee in support of her application to change the status of her inactive license to active status. After a thorough discussion with Dr. Kints, Dr. Lilly moved that the Committee place Dr. Kints's

application on hold, pending receipt of additional information. Ms. Mullins seconded the motion, and the motion carried.

Melissa Rife Larzo, MD was scheduled to appear before the Committee in support of her application to change the status of her license from inactive to active, but notified the Board in writing on September 4, 2019 that she was not available. She also indicated that in the absence of practice plans in West Virginia, she may elect to withdraw her application. Ms. Mullins moved that Dr. Larzo be rescheduled to appear in November, and that the applicant be advised that she may submit a written request to withdraw her application in lieu of appearing. Dr. Lilly seconded the motion, and the motion carried.

While awaiting its next appearance, the Committee considered items on its agenda requiring discussion.

Michael Andrew Arata, MD was scheduled to appear before the Committee in support of his application for medical licensure. However, Dr. Arata notified the Board that he was unable to appear as scheduled, and requested that he be permitted to appear in November. Ms. Mullins moved that Dr. Arata's appearance be rescheduled for the Committee's November 2019 meeting. Mr. Wooton seconded the motion, and the motion carried.

The Committee received an update concerning a request the Board considered in July 2019 from **Indranil Sau, MD**. Dr. Sau notified the Board that he does not plan to pursue a change from a restricted license in extraordinary circumstances to a regular, active status license at this time. No action was taken by the Committee regarding this agenda item.

Eric Alfon, MD, who appeared before the Committee in July 2019, submitted a written request to withdraw his application for licensure reactivation. Ms. Mullins moved

that the Committee recommend that the Board grant Dr. Alfon's withdrawal request. Mr. Wooton seconded the motion, and the motion carried.

James Lawrence Fernau, MD appeared before the Committee at its January meeting in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. After his January 2019 appearance before the Committee, Dr. Fernau's application was placed on hold and he was given the opportunity to supplement his application. The Committee received and reviewed additional information from Dr. Fernau in March 2019, but his application continued to contain discrepancies in his reported malpractice history. The Board provided the discrepant documents to Dr. Fernau and requested an additional explanation. Dr. Fernau did not respond by the May deadline. His application remained on hold pending receipt of the requested information, and he was given a deadline of August 23, 2019 to respond to the Committee. Dr. Fernau did not respond by the deadline, but a member of his staff provided documentation on the evening before and morning of the July 2019 meeting. The Committee placed Dr. Fernau's application on hold and offered him the opportunity to withdraw his application. Dr. Fernau was further advised that if he declined to withdraw his application or did not respond to the Committee by the Board's established deadline, his application for licensure reactivation, in its entirety, would be on the September 2019 agenda for Committee action. After a review of this matter, Mr. Wooton moved that the Committee offer Dr. Fernau the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

The Committee received an update regarding the application of **Abdul Hafeez Abbasi, MD** for medical licensure. In July, the Committee requested additional information from the applicant. Dr. Abbasi notified the Board on Friday, September 6, 2019 that he is still in the process of seeking the requested records and asked that his application be deferred until November 2019. No action was taken with respect to this application.

The Committee was notified that one of its scheduled appearances had arrived, and elected to take the applicant out of time.

Dallas Wayne Johnson, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Johnson, Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Mr. Wooton seconded the motion, and the motion carried.

Sandra Jean Lewis, MD appeared before the Committee in support of her application for reinstatement of medical licensure. Dr. Lewis's license expired June 30, 2018. Dr. Lewis has not actively practiced medicine since 2014. After a thorough discussion with Dr. Lewis, Ms. Mayfield moved that the Committee place the application on hold and request that the applicant complete a SPEX examination, at the applicant's expense. Dr. Lilly seconded the motion, and the motion carried.

Julio Cesar Galindo Sanchez, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Galindo Sanchez, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Ms. Mayfield seconded the motion, and the motion carried.

While awaiting additional applicant appearances, the Committee considered application on its agenda requiring discussion. Ms. Mullins left the meeting room at this time. A quorum still present, the Committee continued consideration of applications appearing on its discussion agenda.

Gerald Etiemowei Dariah, MD submitted a written request to withdraw his application for licensure reactivation. Mr. Wooton moved that the Committee

recommend that the Board grant Dr. Dariah's withdrawal request. Ms. Mayfield seconded the motion, and the motion carried.

Ms. Mullins returned to the meeting room at this time.

The Committee reviewed and discussed the application of **Steven Brad Sonnabend, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Terrence Dewitt Morton, Jr., MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Juni Ayodeji Olumide Femi-Pearse, MD** for medical licensure. Mr. Wooton moved that the Committee request the applicant's appearance at its November 2019 meeting. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Tejaswi Reddy Voldari, MD** for medical licensure. Mr. Wooton moved that the Committee request additional information from the applicant and his residency program in support of his application. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Lisa Hamilton, MD** for medical licensure. Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

At this time, the Committee returned its attention to scheduled applicant appearances.

Hemant Sarin, MD was scheduled to appear before the Committee to discuss his application for reinstatement of expired licensure. Dr. Sarin provided a written response to the Committee which included information in support of his application and an assertion that he did not consider his appearance before the Committee to be necessary to evaluate this application. Mr. Wooton moved that the Committee request a subpoena be issued for Dr. Sarin's appearance at the Committee's November 2019 meeting. Ms. Mayfield seconded the motion, and the motion carried.

Douglas Coleman Brown, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Brown, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Dr. Lilly seconded the motion, and the motion carried.

Joseph William Jasser, MD appeared before the Committee in support of his application for a medical license. Dr. Jasser exclusively practices administrative medicine. After a thorough discussion with Dr. Jasser, Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia contingent upon Dr. Jasser's acceptance of a Consent Order restricting his practice of medicine to administrative medicine. Ms. Mayfield seconded the motion, and the motion carried.

Yusuf Hassan, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Hassan, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Dr. Lilly seconded the motion, and the motion carried.

Ms. Mullins left the meeting at this time, and was absent for the remainder of the meeting. A quorum still present, the Committee continued with its meeting.

Roberto Carlos Lopez Solis, MD appeared before the Committee in support of his application for a restricted license in extraordinary circumstances (“extraordinary circumstance license”). After a thorough discussion with the applicant, and after reviewing the requirements for extraordinary circumstance license, Mr. Wooton moved that the Committee recommend to the Board that Dr. Lopez Solis be approved for Restricted Licensure in Extraordinary Circumstance and that the Board make the following findings:

1. Dr. Lopez Solis has exceptional education, training and practice credentials, including:
 - a. He has conducted significant research in his field of transplant surgery;
 - b. He is a member of the International Liver Transplantation Society, the American Society of Transplant Surgeons, the American College of Surgeons, the American Association for the Study of Liver Diseases and the International Society for Organ Donation and Procurement;
 - c. He was a visiting instructor at the Thomas E. Starzl Transplantation Institute of the University of Pittsburgh Medical Center between July 1997 and June 2003;
 - d. He completed a two-year fellowship in Transplant Surgery at the Thomas E. Starzl Transplantation Institute of the University of Pittsburgh Medical Center from 2003-2005;

- e. He is the recipient of the 2006 Thomas E. Starzl Transplantation Institute *Young Investigator Award* for his research into developing a program of preparedness for potential liver transplant candidates;
 - f. He has served as Assistant Professor of Surgery at the Thomas E. Starzl Transplantation Institute of the University of Pittsburgh Medical Center since 2005.
 - g. He has served as and Director of Organ Procurement at the Thomas E. Starzl Transplantation Institute of the University of Pittsburgh Medical Center since 2009.
2. Dr. Lopez Solis's practice in the state would be beneficial to the public welfare because West Virginia has high rates of diabetes, high blood pressure, metabolic disorders and obesity, which affect kidney and liver function and as a result has a significant unmet need for transplantation procedures. The addition of a renal transplant center in northern West Virginia would be beneficial to the state.
 3. Dr. Lopez Solis's specialty is transplant surgery and organ procurement, and there is a need for this specialty in West Virginia because West Virginia's only renal transplant program currently has a lengthy waitlist and does not provide live donor transplantation procedures.
 4. The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-

3-10(b). While Dr. Lopez Solis's education and most of his training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state his superior research, extensive clinical experience, scholarship, including primary or co-authorship of seventeen articles, seven book chapters and forty-seven abstracts, satisfy this requirement.

5. Dr. Lopez Solis has no professional discipline which would render him ineligible for an extraordinary circumstances license.
6. Dr. Lopez Solis is eligible for a restricted license in extraordinary circumstances.

Mr. Wooton further moved that, based upon these findings, the Committee recommend that the Board grant Dr. Lopez Solis a restricted license in extraordinary circumstances restricted to the practice of **transplant surgery and organ procurement/preparation**. Ms. Mayfield seconded the motion, and the motion carried.

Guilherme Cardinali Barreiro, MD appeared before the Committee in support of his application for a restricted license in extraordinary circumstances ("extraordinary circumstance license"). After a thorough discussion with the applicant, and after reviewing the requirements for extraordinary circumstance licenses, Dr. Lilly moved that the Committee offer Dr. Barreiro the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

After Dr. Barreiro's appearance, the Committee resumed its consideration of applications for discussion.

The Committee reviewed and discussed the application of **Justin Chuang, MD** for medical licensure. Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Monica Wei-Funn Loke, MD** for medical licensure. Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Joseph James Colella, MD** for medical licensure. Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Alexia Frances Fernandez Bozek, MD** for a change of status of her medical license from inactive to active. Ms. Mayfield moved that the Committee recommend that the Board accept her submitted CME and approve her request to activate her license. Dr. Lilly seconded the motion, and the motion carried,

The Committee reviewed and discussed the application of **Mohammad Salim Ratnani, MD** to change the status of his inactive West Virginia medical license to active status. Mr. Wooton moved that the Committee recommend that the Board approve the applicant's request to activate his license. Dr. Lilly seconded the motion, and the motion carried.

Board staff provided the Committee with the following updates and information:

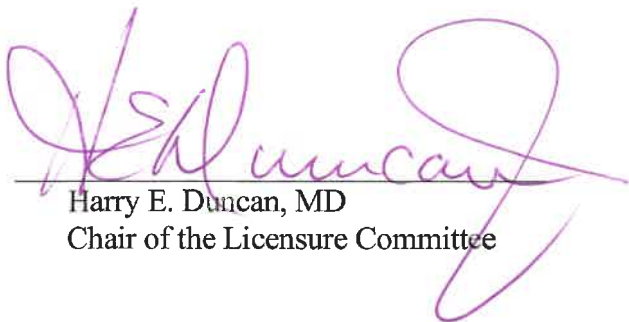

The Committee received and reviewed a list of applicants whose applications do not require an appearance or individualized discussion. The list includes sixty-nine initial medical license applications, nine applications to reactivate expired licenses, two application for initial podiatric licensure. Four of the initial physician applications were presented for considered pending the applicants' payment of the Patient Injury Compensation Fund fee. A complete list of the initial physician, reactivation physician and initial podiatric physician applicants considered by the Committee is attached to these minutes and incorporated herein by reference.

Members of the Committee reviewed the list for conflicts. No conflicts having been declared, Dr. Lilly moved that the Committee approve the following applicants and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

The Committee received an update on other licensure activity for the months of July and August 2019, including an update on licensure through the IMLC and the issuance of educational permits. Copies of these reports are attached to these minutes and incorporated herein by reference.

There being no further business, Mr. Wooton moved that the meeting be adjourned. Dr. Lilly seconded, the motion carried and the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

November 2, 2019

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on November 2, 2019 at 10:30 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Timothy J. Donatelli, DPM
Reverend Janet M. Harman
Jonathan P. Lilly, MD
Angela A. Mayfield
Victoria L. Mullins, PA-C
Russell O. Wooton

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Sheree J. Thompson, Supervisor of Licensing

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the September 7, 2019 meeting. Ms. Mullins moved that the Committee approve the minutes. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Michael Andrew Arata, MD appeared before the Committee with his legal counsel present in support of his application for medical licensure. After a thorough discussion with Dr. Arata, Ms. Mullins moved that the Committee recommend that the

**APPEARING
APPLICANTS**

Board grant Dr. Arata a West Virginia medical license contingent upon his acceptance of a Consent Order which imposes the following terms and restrictions:

1. Dr. Arata's license shall be issued in probationary status. His license shall be subject to a period of probation for five years.
2. During his period of probation, Dr. Arata:
 - a. Shall comply with all of the terms and conditions of his California and Maryland Consent Orders;
 - b. Shall provide quarterly written certifications to the Board attesting to his continuing compliance with the terms of his California and Maryland Consent Orders;
 - c. Shall notify the Board within three business days of any changes to either his California or Maryland requirements/orders;
 - d. Is prohibited from engaging in solo practice. Prohibited solo practice includes, but is not limited to, a practice where, (1) Respondent merely shares office space with another physician but is not affiliated for purposes of providing patient care; or (2) Respondent is the sole physician practitioner at that location;
 - e. Is prohibited from supervising or entering into collaborative agreements or practice agreements with PAs and APRNs;
 - f. Shall comply with the FDA's revocation of his eligibility to conduct clinical trials or investigations for products regulated by the FDA, and agrees that he will not seek reinstatement from or with the FDA to have his eligibility to conduct clinical trials or investigations restored; and
 - g. Shall provide a copy to this order to each West Virginia employer and facility prior to commencing practice there.
3. After five years of probation, Dr. Arata may petition the Board to lift his period of probation. Provided, that Dr. Arata may petition for early release from probation:

(a) after he has successfully completed two years of probation in West Virginia; and (b) he has been successfully released from probation in California and Maryland.

4. Dr. Arata agrees that in the event that his California and/or Maryland license is revoked, that such action is prima facie evidence of an immediate threat to public safety, and his West Virginia license shall immediately be converted to suspended status.

Ms. Mayfield seconded the motion, and the motion carried.

Hemant Sarin, MD was scheduled to appear before the Committee at its September 2019 meeting to discuss his application for reinstatement of expired licensure. Dr. Sarin provided a written response to the Committee which included information in support of his application and an assertion that he did not consider his appearance before the Committee to be necessary to evaluate his application. The Committee requested a subpoena be issued for Dr. Sarin's appearance at its November 2019 meeting. After receiving service of the Board's subpoena, Dr. Sarin submitted a request to withdraw his application for reinstatement of licensure. Rev. Harman moved that the Committee recommend that the Board grant Dr. Sarin's withdrawal request. Ms. Mayfield seconded the motion, and the motion carried.

Juni Ayodeji Olumide Femi-Pearse, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Femi-Pearse, Mr. Wooton moved that Dr. Femi-Pearse's application be placed on hold. Prior to taking up his application for further review, Mr. Wooton further moved that the Committee required Dr. Femi-Pearse review and certify the accuracy of his application responses, and that he pass the SPEX exam. Dr. Lilly seconded the motion, and the motion carried.

Mark Charles Nenow, MD appeared before the Committee in support of his application for a medical license. After a thorough discussion with Dr. Nenow, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

Erona Reza, MD appeared before the Committee in support of her application for Medical School Faculty licensure. She was accompanied by Md. Shahrier Amin, MD, who was present during her appearance. After a thorough discussion with Dr. Reza, Dr. Lilly moved that the Board grant the applicant Medical School Faculty licensure for practice at the West Virginia University School of Medicine in Morgantown, WV, pending payment of the Patient Injury Compensation Fund fee. Dr. Donatelli seconded the motion, and the motion carried.

Mr. Wooton left the meeting at this time, and was absent for the remainder of the meeting. A quorum still present, the Committee continued with its meeting.

Guilherme Cardinali Barreiro, MD, who appeared before the Committee at its September 2019 meeting, submitted a request to withdraw of his application for a restricted license in extraordinary circumstances (“extraordinary circumstance license”). Ms. Mullins moved that the Committee recommend that the Board grant Dr. Barreiro’s withdrawal request. Rev. Harman seconded the motion, and the motion carried.

**APPLICANT
DISCUSSIONS**

James Lawrence Fernau, MD appeared before the Committee at its January meeting in support of his application for medical license reactivation. Dr. Fernau was previously licensed by the Board, but his license expired on June 30, 2008. After his January 2019 appearance before the Committee, Dr. Fernau’s application was placed on hold and he was given the opportunity to supplement his application. The Committee received and reviewed additional information from Dr. Fernau in March 2019, but his application continued to contain discrepancies in his reported malpractice history. The

Board provided the discrepant documents to Dr. Fernau and requested an additional explanation. Dr. Fernau did not respond by the Committee's deadline of June 28, 2019. His application remained on hold pending receipt of the requested information, and he was given a deadline of August 23, 2019 to respond to the Committee. Dr. Fernau did not respond by the deadline, but a member of his staff provided documentation on the evening before and morning of the July 2019 meeting. The Committee placed Dr. Fernau's application on hold and offered him the opportunity to withdraw his application. Dr. Fernau was further advised that if he declined to withdraw his application or did not respond to the Committee by the Board's established deadline, his application for licensure reactivation, in its entirety, would be on the September 2019 agenda for Committee action. After review of Dr. Fernau's application at its September meeting, he was given the opportunity to withdraw his application. On October 9, 2019, Dr. Fernau submitted a request to withdraw his application for reactivation of licensure. Ms. Mullins moved that the Committee recommend that the Board grant Dr. Fernau's withdrawal request. Rev. Harman seconded the motion, and the motion carried.

Melissa Rife Larzo, MD was scheduled to appear before the Committee in September in support of her application to change the status of her license from inactive to active, but notified the Board in writing on September 4, 2019 that she was not available. Dr. Larzo was rescheduled to appear in November and advised that she may submit a written request to withdraw her application in lieu of appearing. Dr. Larzo submitted a request to withdraw her application. Ms. Mullins moved that the Committee recommend that the Board grant Dr. Larzo's withdrawal request. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Tejaswi Reddy Voladri, MD** for medical licensure at its September meeting, and requested additional information from the applicant in support of his application. After review of the additional documentation Dr. Voladri submitted, Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery

in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed the application of **Abdul Hafeez Abbasi, MD** for medical licensure. In July, the Committee requested additional information from the applicant which was not received until the November meeting. Rev. Harman moved that the Committee request the applicant's appearance at its January 2020 meeting. Ms. Mullins seconded the motion, and the motion carried.

Geertruida Kints, MD appeared before the Committee at its September meeting in support of her application to change the status of her inactive license to active status. Dr. Kints application was placed on hold, pending receipt of additional information. Dr. Kints submitted the requested information shortly after her appearance before the Committee. The Committee reviewed Dr. Kints' additional documentation. Thereafter, Ms. Mullins moved that the Committee recommend that the Board grant Dr. Kints' application to change the status of her license from inactive status to active status contingent upon her acceptance of a Consent Order with the following terms and conditions:

1. To satisfy her CME deficiency for the reporting period of July 1, 2016 through June 30, 2018, on January 21, 2019, Dr. Kints completed a three-hour Board approved course in drug diversion training and best practice prescribing of controlled substances. The Board accepts this course in satisfaction of Dr. Kints' CME deficiency for the July 1, 2016 through June 30, 2018 reporting period.
2. Dr. Kints may not utilize the January 21, 2019 course to satisfy her CME obligations for the current reporting period of July 1, 2018 through June 30, 2020.
3. Dr. Kints is assessed a civil fine in the amount of five hundred dollars for her CME delinquency and deficiencies.

Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Murat Dag Mardirossian, MD** for medical licensure. Dr. Lilly moved that the Committee request the applicant's appearance at its January 2020 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Richard Sidney Frank, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant Dr. Frank's application for medical licensure contingent upon his acceptance of a Consent Order restricting his practice to administrative medicine only. Dr. Lilly additionally moved that Dr. Frank be given the opportunity to appear at the Committee's January 2020 meeting in lieu of accepting the Consent Order. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Michael Huy Le, MD** for medical licensure. Dr. Rev. Harman moved that the Committee request the applicant's appearance at its January 2020 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **David Nicholas Lortscher, MD** for medical licensure. Dr. Donatelli moved that the Committee request the applicant's appearance at its January 2020 meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ali Reza Homayuni, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

Rev. Harman left the meeting room during the next application discussion. A quorum still present, the Committee continued consideration of applications appearing on its discussion agenda.

The Committee reviewed and discussed the application of **Avinash Aggarwal, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ronald Clifford Kinsey, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

Rev. Harman returned to the meeting room at this time.

The Committee reviewed and discussed the application of **Gordon Rider Archibald, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Stanley Mark Redwood, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Mohammad Kamal Shah, MD** for medical licensure. Rev. Harman moved that the Committee request the

applicant's appearance at its January 2020 meeting. Dr. Donatelli seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Jan Anthony Pijanowski, MD** for medical licensure. Rev. Harman moved that the Committee offer Dr. Pijanowski the opportunity to withdraw his application. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Peter Louis Duffy, MD** for medical license reactivation. Rev. Harman moved that the Committee recommend that the Board grant the applicant reactivation of licensure. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Azam Jan, MD** to change the status of his medical license from inactive to active status. Ms. Mullins moved that the Committee request the applicant's appearance at its January 2020 meeting. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Gary Patrick McCarthy, MD** for reinstatement of medical licensure. Dr. Donatelli disclosed that he has a conflict because he has provided professional treatment for some of the applicant's postoperative patients. After declaring a conflict, Dr. Donatelli exited the meeting room and was absent for all action regarding this application. Dr. Lilly moved that the Committee offer Dr. McCarthy the opportunity to withdraw his application. Rev. Harman seconded the motion, and the motion carried. Dr. Donatelli returned to the meeting room at this time.

The Committee reviewed and discussed the application of **Ramesh Babu Daggubati, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery

in West Virginia pending receipt of original verification of Dr. Daggubati's medical school education. Ms. Mayfield seconded the motion, and the motion carried.

The Committee discussed the Board's current practice handling applications that do not complete within six months and/or within one year from initial submission. The Committee requested Staff provide a written policy for its review at the January meeting.

The Committee received and reviewed a list of applicants whose applications do not require an appearance or individualized discussion. The list includes fifty-three initial medical license applications and four applications to reactivate expired licenses. A complete list of the initial physician and reactivation physician considered by the Committee is attached to these minutes and incorporated herein by reference.

Members of the Committee reviewed the list of initial medical license applications for conflicts. No conflicts having been declared, Rev. Harman moved that the Committee approve the applicants and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

Members of the Committee reviewed the list of reactivation of medical licensure applications for conflicts. No conflicts having been declared, Dr. Donatelli moved that the Committee approve the applicants and recommend that the Board grant each applicant reactivation of licensure to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee received an update on other licensure activity for the months of September and October 2019, including an update on licensure through the IMLC and the issuance of educational permits. The Committee received an update for the months of July through October 2019 for reinstatement and change of status from inactive to active

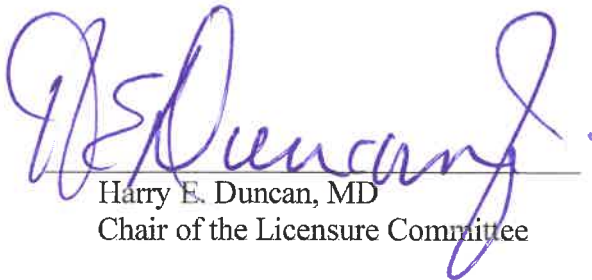

status licensure applicants. Copies of these reports are attached to these minutes and incorporated herein by reference.

The Committee received the following additional updates on licensure activity related to previous Committee Actions:

1. Terrance Dewitt Morton, Jr., MD was issued a license on September 9, 2019 after payment of the Patient Injury Compensation Fund fee.
2. On October 17, 2019 Joseph William Jasser, MD was granted a license pursuant to a Consent Order which restricts his practice of medicine to administrative medicine only. The Consent Order, which is available on the Board's website, includes procedures for seeking a modification of the restriction.
3. On October 21, 2019, Mohamed Chebaclo, MD was granted a license pursuant to a Consent Order which imposed a \$500 fine for failing to disclose action against his Kentucky license on his West Virginia application. The Consent Order, which is available on the Board's website, also affirmatively requires Dr. Chebaclo to personally complete all of his future West Virginia applications.

There being no further business, Dr. Lilly moved that the meeting be adjourned. **ADJOURNMENT**

Ms. Mayfield seconded, the motion carried and the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Licensure Committee Meeting Minutes

January 11, 2020

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on January 11, 2020 at 10:25 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Timothy J. Donatelli, DPM
Reverend Janet M. Harman
Jonathan P. Lilly, MD
Victoria L. Mullins, PA-C
Russell O. Wooton

The following Committee member was absent:

Angela A. Mayfield

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Sheree J. Thompson, Supervisor of Licensing
Carmella L. Walker, Licensure Analyst

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the November 2, 2019 meeting. Mr. Wooton moved that the Committee approve the minutes. Rev. Harman seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Azam Jan, MD was scheduled to appear before the Committee in support of his application to change the status of his West Virginia medical license from inactive to

**APPEARING
APPLICANTS**

active. Dr. Jan corresponded with the Committee and explained that he is currently in Pakistan and requested that the Committee permit him to provide additional information in support of his application via written response in lieu of an appearance. After a thorough discussion, Ms. Mullins moved that Dr. Jan's application be placed on hold pending receipt of additional information, including a detailed narrative of his professional activities since practicing outside of the United States, a procedure log, and clarification of his stateside practice and contact information. Dr. Lilly seconded the motion, and the motion carried.

While awaiting its next appearance, the Committee considered items on its agenda requiring discussion.

David Nicholas Lortscher, MD was scheduled to appear before the Committee in support of his application for licensure, however, Dr. Lortscher notified the Board that he would not be available for the January meeting date and asked to meet with the Committee at the next available meeting. Dr. Lortscher's appearance deferral necessitates an update of his application. Rev. Harman moved that the Committee request Dr. Lortscher's appearance at its March meeting, pending receipt of his updated licensure application. Mr. Wooton seconded the motion, and the motion carried.

APPLICANT DISCUSSIONS

Murat Dag Mardirossian, MD was scheduled to appear before the Committee in support of his application for licensure, however, Dr. Mardirossian notified the Board that he would not be available for the January or the March meeting dates and asked to meet with the Committee at the next subsequently available meeting. Dr. Mardirossian's appearance deferral necessitates an update of his application. Ms. Mullins moved that the Committee request Dr. Mardirossian's appearance at its May, meeting pending receipt of his updated licensure application. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Richard Sidney Frank, MD** for medical licensure at its November 2019 meeting. The Committee

recommended that the Board grant Dr. Frank's application for medical licensure contingent upon his acceptance of a Consent Order restricting his practice to administrative medicine only, or in lieu of accepting the Consent Order Dr. Frank be given the opportunity to appear at the Committee's January meeting. After receipt of the proposed Consent Order, Dr. Frank submitted a request to withdraw his application because he has changed employers and no longer plans to practice in West Virginia. Dr. Lilly moved that the Committee recommend that the Board grant Dr. Frank's withdrawal request. Mr. Wooton seconded the motion, and the motion carried.

The Committee received an update on the application of **Juni Ayodeji Olumide Femi-Pearse, MD**. Dr. Femi-Pearse appeared before the Committee in support of his application for medical licensure at its November 2019 meeting. Dr. Femi-Pearse's application was placed on hold pending Dr. Femi-Pearse's review and certification of the accuracy of his application responses, and pending Dr. Femi-Pearse passing the SPEX exam. Ms. Thompson notified the Committee that Dr. Femi-Pearse has taken the SPEX and the Board is awaiting his score report.

Sandra Jean Lewis, MD appeared before the Committee in support of her application for reinstatement of medical licensure at the Committee's September 2019 meeting. At that time, Dr. Lewis's application was placed on hold pending her passage of the SPEX exam. Dr. Lewis requested an extension to take the SPEX exam. Ms. Mullins moved that Dr. Lewis be notified that the Committee invites her to take the SPEX exam by February 21, 2020, or if she is not prepared to do so by the deadline, she may request to withdraw her application. Dr. Lilly seconded the motion, and the motion carried.

The Committee previously reviewed and discussed the application of **Gary Patrick McCarthy, MD** for reinstatement of medical licensure at its November 2019 meeting. Dr. McCarthy was offered the opportunity to withdraw his application, however he responded to the Committee that he does not wish to withdraw. Ms. Mullins moved

that Dr. McCarthy be given the opportunity to supplement his application, and request he appear at the Committee's March meeting. Mr. Wooton seconded the motion, and the motion carried.

The Committee was notified that one of its scheduled appearances had arrived, and elected to take the applicant out of time.

Hrishi Thakorbhai Patel, MD requested to appear before the Committee in lieu of having his application reviewed and discussed. After a thorough discussion with Dr. Patel, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Mr. Wooton seconded the motion, and the motion carried.

**APPEARING
APPLICANT**

While awaiting additional applicant appearances, the Committee considered additional applications on its agenda requiring discussion.

The Committee reviewed and discussed the application of **James Allen Hughes, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

**APPLICANT
DISCUSSIONS**

The Committee reviewed and discussed the application of **Keith Erick Cook, MD** for medical licensure. Mr. Wooton moved that the Committee request the applicant's appearance at its March meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Hamid Nawaz, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia,

pending payment of the Patient Injury Compensation Fund fee. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ann Davina Tuddenham, MD** for medical licensure. Dr. Lilly moved that the Committee request that Dr. Tuddenham update her application and submit additional information in support of her application. Dr. Lilly further moved that the Committee request Dr. Tuddenham's appearance at its March meeting, pending receipt of her updated licensure application and additional information. Rev. Harman seconded the motion, and the motion carried.

At this time, the Committee returned its attention to scheduled applicant appearances.

Mohamad Kamal Shah, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Shah, Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Ms. Mullins seconded the motion, and the motion carried.

**APPEARING
APPLICANTS**

Jan Anthony Pijanowski, MD was scheduled to appear before the Committee in support of his application for licensure, however, Dr. Pijanowski notified the Board the day before the meeting that he would not be available for the January meeting date and asked to meet with the Committee at the next available meeting. Dr. Pijanowski's appearance deferral necessitates an update of his application. Mr. Wooton moved that the Committee request Dr. Pijanowski's appearance at its March meeting, pending receipt of his updated licensure application. Dr. Lilly seconded the motion, and the motion carried.

Michael Huy Le, MD was scheduled as the second appearance before the Committee and failed to appear or notify the Board that he would not be attending the

Committee meeting. Mr. Wooton moved that the Committee request Dr. Le appear at its March meeting, pending receipt of his updated application, or in lieu of his appearance, Dr. Le be given the opportunity to withdraw his application. Rev. Harman seconded the motion, and the motion carried.

Abdul Hafeez Abbasi, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Abbasi, Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Mr. Wooton seconded the motion, and the motion carried.

After Dr. Abassi's appearance, the Committee resumed its consideration of applications for discussion.

The Committee reviewed and discussed the application of **Siva Rao Murthy, MD** for medical licensure. Dr. Lilly moved that the Committee request that Dr. Murthy supplement his application with copies of progress reports evidencing compliance with his Ohio Consent Order. Dr. Lilly further moved that the Committee request the applicant's appearance at its March meeting. Mr. Wooton seconded the motion, and the motion carried.

**APPLICANT
DISCUSSIONS**

The Committee reviewed and discussed the application of **Mitchell Ira Burken, MD** for medical licensure. Dr. Lilly moved that the Committee request that Dr. Burken supplement his application with additional information regarding his training in addiction medicine and request the applicant's appearance at its March meeting. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Dean Robert Carpenter, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Christine Cosentino Chalfant, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Murray H. Weissmann, MD** for medical licensure. Rev. Harman moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Steven Lee Wooley, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Jarrett Cain, DPM** for podiatric licensure. Rev. Harman moved that the Committee request the applicant's appearance at its January 2020 meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee received and a list of applicants whose applications do not require an appearance or individualized discussion. The list includes ninety-three initial medical licensure applications, five reactivation of expired medical licenses applications and three initial podiatric licensure applications. A complete list of the initial physician,

reactivation physician and initial podiatric physician considered by the Committee is attached to these minutes and incorporated herein by reference as Attachment 1.

Members of the Committee reviewed the lists of initial medical licensure applications, reactivation of expired medical licensure applications and initial podiatric licensure applications for conflicts. No conflicts having been declared, Mr. Wooton moved that the Committee approve the initial medical licensure applicants and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton further moved that the Committee approve the reactivation of expired medical licensure applications and recommend that the Board grant each applicant reactivation of licensure to practice medicine and surgery in West Virginia. Finally, Mr. Wooton moved that the initial podiatric licensure applications be approved and recommend that the Board grant each applicant a license to practice podiatry in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

In November 2019, the Committee requested Board staff prepare a written application expiration policy for its review. Board staff prepared and presented a proposed policy, which formalized current internal practices. Mr. Wooton moved that the Committee recommend that the Board adopt the draft policy. Dr. Donatelli seconded the motion, and the motion carried. A copy of the policy is attached to these minutes and incorporated herein by reference as Attachment 2. **DISCUSSIONS**

The Committee received an update on other licensure activity for the months of November and December 2019, including an update on licensure through the IMLC, the issuance of educational permits, reinstatement and change of status from inactive to active status licensure applicants. Copies of these reports are attached to these minutes and incorporated herein by reference as Attachment 3.

The Committee received the following additional updates on licensure activity related to previous Committee Actions:

1. Mark Charles Nenow, MD was issued a license on November 6, 2019 after payment of the Patient Injury Compensation Fund fee.
2. Erona Reza, MD was issued a Medical School Faculty license to practice at West Virginia University Hospitals in Morgantown on November 6, 2019 after payment of the Patient Injury Compensation Fund fee.
3. Tejaswi Reddy Voladri, MD was issued a license on November 15, 2019 after payment of the Patient Injury Compensation Fund fee.
4. Ramesh Babu Daggubati, MD was issued a license of December 2, 2019 after receipt of the original verification of his medical school education.
5. On December 20, 2019 Michael Andrew Arata, MD was granted a probationary medical license via Consent Order. Dr. Arata's license is subject to a five year period of probation, however, he may petition for early release from probation: (1) after he has successfully completes a minimum of two years of probation in West Virginia; and (2) his California and Maryland licenses have been restored to unrestricted status.

While on probation Dr. Arata must: (1) comply with all of the terms and conditions imposed by California and Maryland; (2) provide the Board with written quarterly certifications attesting to his continuing compliance in California and Maryland; (3) provide written notice of any modifications to his California and/or Maryland orders; and (4) comply with the FDA's revocation of his eligibility to conduct clinical trials or investigations for products regulated by the FDA.

Additionally, Dr. Arata is prohibited from: (1) conducting clinical trials or investigations for products regulated by the FDA in West Virginia, and that he

will not seek reinstatement from or with the FDA to have his eligibility to conduct clinical trials or investigations restored; (2) engaging in solo medical practice in West Virginia; and (3) from supervising or entering into collaborative agreements or practice agreements with physician assistants and advanced practice registered nurses/nurse practitioners.

6. On January 9, 2020, Geertruida Kints, MD's inactive status license was converted to active status pursuant to a Consent Order which addresses Dr. Kint's inaccurate certification of successful completion of a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1, 2016 and June 30, 2018. Dr. Kints was required to pay a \$500 fine for her CME delinquency.

7. Muhamad Haroon Burhanullah, MD's application for initial medical licensure was complete for the July 13, 2019 Committee meeting as an application not requiring individualized discussion. He was issued a license on July 15, 2019, however, his name was inadvertently not listed as pending approval, nor was his license issuance reported in the July minutes. Ms. Mullins made a motion that the Committee recommend that the Board ratify the issuance of Dr. Burhanullah's license effective July 13, 2019. Mr. Wooton seconded the motion, and the motion carried.

There being no further business, Ms. Mullins moved that the meeting be **ADJOURNMENT** adjourned. Mr. Wooton seconded, the motion carried and the meeting adjourned.

Board of Medicine licensure applications contain multiple parts, including primary and third-party verifications of certain credentials. Applications are not considered by the Board until they are complete. An application is complete once the Board receives:

1. A complete application, including all required sections and associated forms and documents;
2. All third-party documents necessary to verify the application and the applicant's credentials and/or responses;
3. The results of a fingerprint-based criminal history record check;
4. The application fee; and
5. Any additional information necessary, as identified by Board staff or Committee, to clarify an application or to explain any application information or answers.

If an application is not complete within six months, the applicant must update the application, re-verify all licenses held in other states and provide any additional information necessary as a result of the application update.

If an application is not complete within one year of the applicant's initial submission to the Board, the application expires. This is not a determination on the merits of the application, and is not a negative or adverse action regarding the application. The making of an application to the Board for licensure, and the status of the application (i.e. pending, granted, denied, withdrawn or expired due to failure to complete) are public information.

If an application expires for failure to complete within one year, it is administratively closed. The application will not be considered by the Board, and the applicant must apply anew for consideration of licensure.

The Board retains all applications that do not result in licensure for a period of seven years, in conformity with the Board's record retention policy. The name of applicants and the disposition of applications is retained permanently.

Licensure Committee Meeting Minutes

March 7, 2020

The Licensure Committee of the West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on March 7, 2020 at 10:00 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Timothy J. Donatelli, DPM
Reverend Janet M. Harman
Jonathan P. Lilly, MD
Angela A. Mayfield
Victoria L. Mullins, PA-C
Russell O. Wooton

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Sheree J. Thompson, Supervisor of Licensing
Melissa D. Cross, Technical Writer/Administrative Assistant

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the January 11, 2020 meeting. Mr. Wooton moved that the Committee approve the minutes. Rev. Harman seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

Dr. Duncan asked if anyone had any conflicts with the first appearance and Dr. Donatelli declared a conflict. Dr. Donatelli disclosed that he has a conflict because he has provided professional treatment for some of the applicant's postoperative patients. After declaring a conflict, Dr. Donatelli exited the meeting room and was absent for all action

**APPEARING
APPLICANTS**

regarding this application. With a quorum remaining, the meeting continued. The Committee welcomed its first appearance.

Gary Patrick McCarthy, MD appeared before the Committee in support of his application for reinstatement of medical licensure. After a thorough discussion with Dr. McCarthy, Ms. Mullins moved that the Committee recommend that the Board grant the applicant reinstatement of licensure to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

Dr. Donatelli returned to the meeting at this time and participated in the remaining Committee appearances and discussions.

Mitchell Ira Burken, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Burken, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

Keith Erick Cook, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Cook, Dr. Donatelli moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion. With one nay vote from Ms. Mayfield in opposition to the motion, the motion carried.

Siva Rao Murthy, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Murthy, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Mr. Wooton seconded the motion, and the motion carried.

David Nicholas Lortscher, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Lortscher, Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

Jan Anthony Pijanowski, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Pijanowski, Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Mr. Wooten seconded the motion, and the motion carried.

Catherine Michelle Herway, MD appeared before the Committee in support of her application for medical licensure. After a thorough discussion with Dr. Herway, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion, and the motion carried.

Dean Joseph Wickel, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Wickel, Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license pending the Board's receipt of additional documentation confirming one specific portion of his application. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the request to withdraw the application of **Ann Davina Tuddenham, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant Dr. Tuddenham's withdrawal request. Mr. Wooten seconded the motion, and the motion carried.

**RETURNING
APPLICANT
DISCUSSIONS**

The Committee reviewed and discussed the application of **Michael Huy Le, MD** for medical licensure. Dr. Le has not responded to recent efforts by the Board to communicate with him concerning the status of his application or to the Committee's offer to permit Dr, Le to request withdrawal of his application. Mr. Wooton moved that the Committee place Dr. Le's application on hold until he contacts the Board and appropriately updates his application. Dr. Donatelli seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Sandra Jean Lewis, MD** for reinstatement of medical licensure. Dr. Lewis appeared before the Committee in support of her application for reinstatement of medical licensure at the Committee's September 2019 meeting. At that time, Dr. Lewis's application was placed on hold pending her passage of the SPEX exam. Dr. Lewis requested an extension to take the SPEX exam and was granted the extension to take the SPEX exam by February 21, 2020. The Committee informed Dr. Lewis if she is not prepared to take the SPEX EXAM by the deadline, she may request to withdraw her application before the next Licensure Committee Meeting in March 2020. The Committee reviewed and discussed the request to withdraw the application of **Sandra Jean Lewis, MD** for reinstatement of medical licensure. Dr. Donatelli moved that the Committee recommend that the Board grant Dr. Lewis's withdrawal request. Ms. Mullins seconded the motion, and the motion carried.

The Committee received an update on the application of **Juni Ayodeji Olumide Femi-Pearse, MD**. Previously, and after meeting with Dr. Femi-Pearse, the Committee requested that Dr. Femi-Pearse sit for and pass the SPEX exam. The Committee received Dr. Femi-Pearse's SPEX results and follow-up correspondence from the applicant. Having reviewed all additional information, Rev. Harmon moved that the Committee offer Dr. Femi-Pearse the opportunity to submit a request to withdraw his application. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Azam Jan, MD** for a change in status of his West Virginia medical license from inactive status to active status. Rev. Harman moved that the Committee recommend that the Board grant the applicant a change in license status from inactive to active. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **David Lynn Keedy, MD** for medical licensure. Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Donatelli seconded the motion, and the motion carried.

**NEW
DISCUSSIONS**

The Committee reviewed and discussed the application of **Jesse David Lawrence, MD** for medical licensure. Rev. Harmon moved that the Committee request Dr. Lawrence's appearance at its May Committee meeting. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Kelly Kathleen Rhodes, MD** for medical licensure. Mr. Wooton moved that the Committee request Dr. Rhodes's appearance at its May Committee meeting. Dr. Donatelli seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Nancy Marlene Satur, MD** for medical licensure. Ms. Mullins moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Timothy Marvin Sitts, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Steven Brian Gilman, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Robert Brentwood Bux, MD** for medical licensure. Dr. Donatelli moved that the Committee request Dr. Bux's appearance at its May Committee meeting. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Robert Gary Gold, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Dr. Lilly seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Michael Edward Kelly, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Maria De La Luz Lozano, MD** for medical licensure. Dr. Lilly moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Kayvon Modjarrad, MD**, for reactivation of medical licensure. Dr. Donatelli moved that the Committee request Dr. Modjarrad's appearance at its May Committee meeting. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Victor Gordon Stiebel, MD** for reactivation of medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant reactivation of West Virginia licensure, pending payment of the Patient Injury Compensation Fund fee. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Brandon Willie Chan, MD** for reactivation of medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant reactivation of West Virginia licensure. Dr. Donatelli seconded the motion, and the motion carried.

The Committee received and reviewed a list of applicants whose applications do not require an appearance or individualized discussion. The list includes seventy-nine initial medical licensure applications, four reactivation of expired medical licenses applications and two initial podiatric licensure applications. A complete list of the initial physician, reactivation physician and initial podiatric physician applications considered by the Committee is attached to these minutes and incorporated herein by reference as Attachment 1. **DISCUSSIONS**

Members of the Committee reviewed the lists of initial medical licensure applications, reactivation of expired medical licensure applications and initial podiatric licensure applications for conflicts. No conflicts having been declared, Dr. Donatelli moved that the Committee approve the initial medical licensure applicants and recommend

that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Mr. Wooten seconded the motion and the motion carried. Dr. Lilly moved that the Committee approve the reactivation of expired medical licensure applications and recommend that the Board grant each applicant reactivation of licensure to practice medicine and surgery in West Virginia. Ms. Mullins seconded the motion and the motion carried. Mr. Wooton moved that the initial podiatric licensure applications be approved and recommend that the Board grant each applicant a license to practice podiatry in West Virginia. Dr. Donatelli seconded the motion, and the motion carried.

The Committee received an update that all applications that had been approved for licensure pending the payment of PICF fees from the January 2020 meeting had been paid, and the licenses issued.

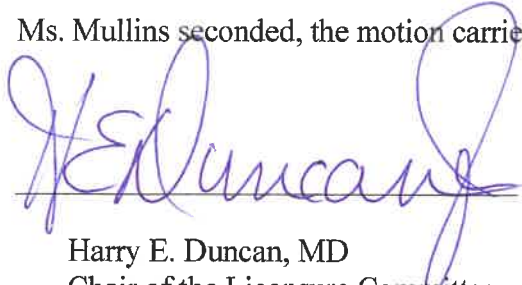

The Committee received an update on other licensure activity for the months of January and February 2020, including an update on licensure through the IMLC, the issuance of educational permits, reinstatement and change of status from inactive to active status licensure applicants. Copies of these reports are attached to these minutes and incorporated herein by reference as Attachment 2.

The Committee received an update on the new database implementation. Mr. Spangler explained to the Committee that the new database will not be ready for the current renewal period. This will necessitate extending the contract and/or issuing a change order with the current provider, Big Picture.

The Committee received an update on the 2020 renewal cycle. The 2020 renewal cycle will utilize the current vendor so that online license renewal can still be provided during this time. The renewal cycle for 2020 is for Medical Doctors A-L, Controlled Substance Dispensing Practitioners (A-L), PLLCs, and Educational Permits. Of these, only MD renewals are online at this time.

There being no further business, Mr. Wooten moved that the meeting be adjourned. **ADJOURNMENT**

Ms. Mullins seconded, the motion carried and the meeting adjourned.

Licensure Committee Minutes

April 30, 2020

The West Virginia Board of Medicine's Executive/Management Committee met via conference call on April 30, 2020 at 4:30 pm.

The following Committee members attended the meeting via teleconference:

Harry E. Duncan, MD, Licensure Committee Chair
Timothy J. Donatelli, DPM
Reverend Janet Harman
Jonathon P. Lilly, MD
Angela Mayfield
Tori Takubo, PA-C
Russell O. Wooton
K. Dean Wright, PA-C

The following Staff members attended the meeting via teleconference:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Sheree J. Thompson
Melissa D. Cross

Dr. Duncan called the meeting to order and roll call was taken by Ms. Cross.

**CALL TO
ORDER**

By action of the Board at its March 25, 2020 meeting, Mr. Wright is sitting by designation as a member of the Licensure Committee for all interim Committee meetings during the COVID-19 State of Emergency. The Committee reviewed a list of twenty-seven complete medical doctor applications that did not require individual discussion. One application is complete, but is pending payment of the Patient Injury Compensation Fund fee. No conflicts having been declared, Ms. Takubo moved that the Board grant the applications as presented. Rev. Harman seconded the motion, and the motion carried.

The Committee reviewed a list of nine complete physician assistant applications that did not require individual discussion. No conflicts having been declared, Dr. Donatelli moved that the Board grant the applications as presented. Ms. Takubo seconded the motion, and the motion carried.

The Committee considered technology options for its upcoming May meeting, including the potential for virtual licensure applicant appearances. The Committee meeting will convene via the GoToMeeting platform, and tutorials will be offered to Committee members prior to the meeting. Mr. Wooton moved that the Committee delegate to staff the ability to make arrangements, on a case by case basis, for scheduled May appearances. Any appearances which remain scheduled for the May meeting will utilize video conferencing technology, and others may be deferred to July in consultation with the applicants. Ms. Takubo seconded the motion, and the motion carried.

There being no further business to consider, Ms. Takubo made a motion to adjourn, Dr. **ADJOURNMENT** Donatelli seconded the motion and the meeting adjourned.

May 16, 2020

The Licensure Committee of the West Virginia Board of Medicine met via GoToMeeting , on May 16, 2020 at 10:00 am.

The following Committee members were present:

Harry E. Duncan, MD, Chair
Rev. Janet M. Harman
Angela A. Mayfield
Victoria L. Takubo, PA-C
Russell O. Wooton, Esq.

The following Committee member was absent:

Jonathan P. Lilly, MD
Timothy J. Donatelli, DPM

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Melissa D. Cross
Greg S. Foster, Esq.
Sheree J. Thompson

With a quorum present, Dr. Duncan called the meeting to order. The Committee reviewed the minutes for the March 7, 2020 and April 30, 2020 meetings. Rev. Harmon moved that the Committee approve the minutes. Ms. Mayfield seconded the motion, and the motion carried.

**CALL TO
ORDER**

**APPROVAL
OF PUBLIC
MINUTES**

**APPEARING
APPLICANTS**

Jesse David Lawrence, MD appeared before the Committee in support of his application for medical licensure. After a thorough discussion with Dr. Lawrence, Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Ms. Takubo seconded the motion, and the motion carried.

Kayvon Modjarrad, MD appeared before the Committee in support of his application for reactivation of medical licensure. After a thorough discussion with Dr. Modjarrad, Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a reactivation of licensure in West Virginia, Mr. Wooton seconded the motion, and the motion carried.

While awaiting its next appearance, the Committee considered items on its agenda requiring discussion.

The Committee reviewed and discussed the request to withdraw the application of **Juni Ayodeji Olumide Femi-Pearse, MD** for medical licensure. Mr. Wooton moved that the Committee recommend that the Board grant Dr. Femi-Pearse's withdrawal request. Ms. Takubo seconded the motion, and the motion carried.

**NEW
DISCUSSIONS**

The Committee reviewed and discussed the request to withdraw the application of **Murat Dag Mardirossian, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant Dr. Mardirossian's withdrawal request. Ms. Takubo seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Eston Robert Caldwell, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Jasdeep Singh Dalawari, MD** for medical licensure. Mr. Wooton moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Ahmed Robbie, MD** for medical licensure. Mr. Wooton moved that the Committee require Dr. Robbie to supply additional information verifying his medical education from institutions that may have previously received primary source verification of his education and are able to corroborate this information to the Board. Mr. Wooton further moved that if Dr. Robbie demonstrates that these efforts are unsuccessful in obtaining medical education verification, the applicant be invited to appear before the Committee in July. Rev Harmon seconded the motion, and the motion carried.

The Committee was notified that one of its scheduled appearances had arrived.

Dorothy Claire van Oppen, MD appeared before the Committee in support of her application for medical licensure. After a thorough discussion with Dr. van Oppen, Ms. Mayfield moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, Ms. Takubo seconded the motion, and the motion carried.

**APPEARING
APPLICANTS**

Kelly Kathleen Rhodes, MD appeared before the Committee in support of her application for medical licensure. After a thorough discussion with Dr. Rhodes, Rev. Harmon moved that the Committee offer Dr. Rhodes the opportunity to request the withdrawal of her application. Rev. Harmon further moved that, if Dr. Rhodes declines the Committee's invitation to seek the withdrawal of her application, that she be directed to personally update multiple application components, including her FCVS information, the Uniform Application and the West Virginia Online Application and provide certain

additional information and attestations to the Committee prior to the July meeting agenda deadline. Ms. Mayfield seconded the motion, and the motion carried.

Luigi Fabrizio Lagazzi Garros, MD appeared before the Committee in support of his application for a restricted license in extraordinary circumstances (“extraordinary circumstance license”). After a thorough discussion with the applicant, and after reviewing the requirements for extraordinary circumstance licenses, Rev. Harmon moved that the Committee offer Dr. Lagazzi the opportunity to withdraw his application. Ms. Mayfield seconded the motion, and the motion carried.

Mehmet Sertac Cicek, MD appeared before the Committee in support of his application for a restricted license in extraordinary circumstances (“extraordinary circumstance license”). After a thorough discussion with the applicant, and after reviewing the requirements for extraordinary circumstance license, Ms. Takubo moved that the Committee recommend to the Board that Dr. Cicek be approved for restricted licensure in extraordinary circumstances and that the Board make the following findings:

1. Dr. Cicek has exceptional education, training and practice credentials, including:

He is an internationally renowned leader in the practice of pediatric and congenital cardiothoracic surgery;

In addition to memberships in many other national and international professional associations, Dr. Cicek serves on the executive counsel of the European Association for Congenital Heart Surgeons; recently served as Chairman of the World Congress of Pediatric Cardiology and Cardiac Surgery; and is Immediate Past President of the Minimally Invasive and Robotic Cardiovascular Surgery Association;

He has recently served on faculty at the Mayo Clinic in Rochester, Minnesota since March 2017, and held the

faculty position of Professor of Surgery from November 2017 until December 2019;

2. Dr. Cicek's practice in the state would be beneficial to the public welfare because West Virginia has a critical need for congenital heart surgery expertise. West Virginia currently has a very limited ability to provide in-state care for pediatric cardiology patients.
3. Dr. Cicek's specialty is pediatric and congenital cardiothoracic surgery and there is a need for this specialty in West Virginia.
4. The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While Dr. Cicek's education and initial training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state he has advanced fellowship training in Cardiovascular Surgery and Cardiopulmonology Transplantation at the Mayo Clinic and advanced fellowship training in Pediatric Cardiothoracic Surgery and Transplantation at USC Children's Hospital Los Angeles. In association with his superior research, extensive clinical experience, scholarship, including primary or co-authorship of 79 peer reviewed articles and 5 book chapters, satisfy this requirement.
5. Dr. Cicek has no professional discipline which would render him ineligible for an extraordinary circumstances license.
6. Dr. Cicek is eligible for a restricted license in extraordinary circumstances.

Ms. Takubo further moved that, based upon these findings, the Committee recommend that the Board grant Dr. Cicek a restricted license in extraordinary circumstances restricted to

the practice of **pediatric and congenital cardiothoracic surgery**. Rev. Harmon seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Irina Eduardovna Vinarski, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia, pending payment of the Patient Injury Compensation Fund fee. Ms. Takubo seconded the motion, and the motion carried.

**NEW
DISCUSSIONS**

The Committee reviewed and discussed the application of **Richard James Straker, MD** for medical licensure. Rev. Harmon moved that the Committee recommend that the Board grant the applicant a license to practice medicine and surgery in West Virginia. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Cassandra Michele Kirkpatrick, MD** for medical license reactivation. Ms. Takubo moved that the Committee recommend that the Board grant the applicant reactivation of licensure. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Kingsley Atton Orraca-Tetteh, MD** for medical license reactivation. Rev. Harman moved that the Committee recommend that the Board grant the applicant reactivation of licensure. Ms. Mayfield seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **William Joseph Welsh, MD** for medical license reactivation. Rev. Harman moved that the Committee recommend that the Board grant the applicant reactivation of licensure. Ms. Takubo seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Devyani Nainan Desai, MD** for medical licensure. Mr. Wooton moved that the Committee place Dr. Desai's application on hold pending receipt of verification of her training. Ms. Takubo seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **John Wesley Luiza, MD** for medical licensure. Ms. Takubo moved that the Committee request Dr. Luiza's appearance at its July Committee meeting. Mr. Wooton seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Thomas Markus Roesch, MD** for medical licensure. Mr. Wooton moved that the Committee request Dr. Roesch's appearance at its July Committee meeting. Ms. Takubo seconded the motion, and the motion carried.

The Committee reviewed and discussed the application of **Stephen Linday Carter, MD** for medical licensure. Ms. Mayfield moved that the Committee request Dr. Carter's appearance at its July Committee meeting. Rev. Harmon seconded the motion, and the motion carried.

Board staff provided the Committee with the following updates and information:

The Committee received and reviewed a list of applicants whose applications do not require an appearance or individualized discussion. The list includes forty-two initial medical license applications. A complete list of the initial physician applicants considered by the Committee is attached to these minutes and incorporated herein by reference.

Members of the Committee reviewed the list for conflicts. No conflicts having been declared, Ms. Mayfield moved that the Committee approve the following applicants

and recommend that the Board grant each applicant a license to practice medicine and surgery in West Virginia. Ms. Takubo seconded the motion, and the motion carried.

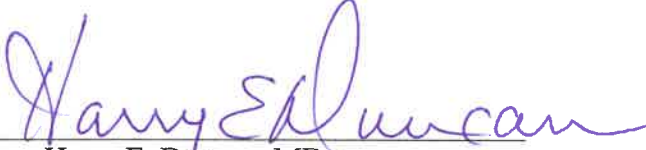

The Committee received an update on other licensure activity for the months of March and April 2020, including an update on licensure through the IMLC and the issuance of educational permits. Copies of these reports are attached to these minutes and incorporated herein by reference.

The Committee received an update on 2020 renewal. Online renewal for physicians whose last names beginning with the letters A through L began on Monday, May 11, 2020 and will continue through 4:30 pm on September 30, 2020. As of Friday, May 15, 2020, 376 physicians have completed the online renewal process. Renewal is also ongoing for Controlled Substance Dispensing Registration (Physicians A-L) and PLLCs. Educational Permit renewal begins July 1, 2020.

There being no further business, Ms. Takubo moved that the meeting be adjourned.

Mr. Wooton seconded, the motion carried and the meeting adjourned.

Licensure Committee Minutes

May 29, 2020

The West Virginia Board of Medicine's Licensure Committee met via GoToMeeting on May 29, 2020 at 4:30 pm.

The following Committee members attended the meeting:

Harry E. Duncan, MD, Licensure Committee Chair
Timothy J. Donatelli, DPM
Reverend Janet Harman
Jonathon P. Lilly, MD
Angela Mayfield
Victoria L. Takubo, PA-C
Russell O. Wooton
K. Dean Wright, PA-C¹

The following Staff members attended the meeting via teleconference:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Sheree J. Thompson

Dr. Duncan called the meeting to order.

**CALL TO
ORDER**

On May 16, 2020, the Licensure Committee of the West Virginia Board of Medicine met with Luigi Fabrizio Lagazzi Garros, MD concerning his application for restricted

licensure in extraordinary circumstances. Thereafter, the Board corresponded with the applicant concerning his options relative to his pending application. On May 21, 2020, Dr. Lagazzi Garros submitted a request to withdraw his application for restricted licensure in extraordinary circumstances and asked that the Board consider his application materials in support of his subsequent request for a medical school faculty license. The Committee also reviewed a Certification of Faculty Appointment form from West Virginia University School of Medicine certifying Dr. Lagazzi Garros' faculty appointment in Morgantown, West Virginia. Having reviewed the supplemental materials submitted by Dr. Lagazzi Garros, Dr. Donatelli moved that Dr. Lagazzi Garros be approved for medical school faculty licensure to practice medicine and surgery at the Morgantown, West Virginia medical center of West Virginia University School of Medicine. Rev. Harman seconded the motion, and the motion carried.

The Committee received and reviewed a list of seven medical doctor licensure applications which do not require an appearance or individualized discussion. A complete list thereof is attached to these minutes and incorporated herein by reference as Attachment 1. Members of the Committee reviewed the lists of initial medical licensure applications for conflicts. No conflicts having been declared; Ms. Takubo moved that the Board grant the applications as presented. Ms. Mayfield seconded the motion, and the motion carried.

The Committee received and reviewed a list of three complete physician assistant licensure applications which do not require an appearance or individualized discussion. A complete list thereof is attached to these minutes and incorporated herein by reference as Attachment 2. Members of the Committee reviewed the lists of initial physician assistant licensure applications for conflicts. No conflicts having been declared; Ms. Takubo moved that the Board grant the applications as presented. Mr. Wright seconded the motion, and the motion carried.

There being no further business to consider, Ms. Takubo moved that the meeting be adjourned. Dr. Donatelli seconded the motion, and the meeting adjourned.

Legislative Committee Minutes

July 23, 2019

The West Virginia Board of Medicine's Legislative Committee met at 101 Dee Drive, Charleston, West Virginia, on July 23, 2019 at 4:30 pm.

The following Committee members attended the meeting via teleconference:

Kenneth Dean Wright, PA-C, Legislative Committee Chair
Kishore K. Challa, MD, FACC
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD

The following Committee members were absent:

Timothy J. Donatelli, DPM
Mustafa Rahim, MD
Catherine C. Slemph, MD, MPH

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Mr. Wright called the meeting to order and roll call was taken by Ms. Frame. Prior to today's meeting copies of the proposed amendments to the Board's legislative rule 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and the proposed new rule series 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*, were made available for members to review.

CALL TO
ORDER

Mr. Spangler reported that on June 19, 2019, board staff filed a Notice of Comment Period on Proposed Rules 11 CSR 1B and 11 CSR 13. The Notice established a thirty-day comment period on the proposed rules, which concluded at 4:30 pm on July 19, 2019. Prior to today's meeting, a copy of each of the comments the Board received was made available for member to review.

The Board received seven written comments regarding the proposed amendments to 11 CSR 1B from the following individuals and/or the entities that they represent:

Commenter	Date Received
1. Vikrant Mittal, MD	June 19, 2019
2. Sudha Reddy	June 24, 2019
3. A. Cyrus Tahernia, MD Emeritus	July 1, 2019
4. Brandon Hatfield, Esq. / West Virginia Hospital Association	July 12, 2019
5. Gary Reed Culver, PA-C, MMS	July 16, 2019
6. Ginger Boles, MS PA-C	July 17, 2019
7. Stephanie Radix, JD / American Academy of Physician Assistants/ West Virginia Association of Physician Assistants	July 19, 2019

Following review, consideration and discussion of each of the comments received, Dr. Sheth moved that the Committee incorporate the following three modifications into the agency approved version of 11 CSR 1B:

1. Modify the definition of “Hospital” in 2.1.q to read as follows:

2.1.oq. “Hospital” means a facility licensed as a hospital pursuant to W. Va. Code §16-5B-1 et seq., and any acute-care facility operated by the state government that primarily provides inpatient diagnostic, treatment or rehabilitative services to injured, disabled or sick persons under the supervision of physicians and includes psychiatric hospitals. Hospital does not include any health care facility which provides health care services to persons on an outpatient basis; is not licensed as a hospital pursuant to W. Va. Code §16-5B-1 et seq., even if the facility: is physically attached to the hospital; is situated within the physical boundaries of a hospital; or is operated by or in connection with a hospital.

2. Modify the language relating to prescriptive authority in hospitals, which is located in subsection 15.3 to read as follows:

15.3. On an annual basis, the Board shall approve and publish on its website a list classifying pharmacologic categories of all drugs which are not within

a physician assistant's prescriptive authority. This list shall, at a minimum, exclude the following drugs from physician assistant prescriptive authority:

15.3.a. Schedules I and II of the Uniform Controlled Substances Act;

15.3.b. Antineoplastics

15.3.c. Radio-pharmaceuticals; and

15.3.d. General anesthetics.

The prescriptive authority for physician assistants with respect to medications listed under Schedule III of the Uniform Controlled Substances Act shall be limited to a 30 day supply without refill.

The limitations on physician assistant prescriptive authority set forth in this subsection do not apply to:

Medications administered or dispensed by a physician assistant in a hospital pursuant to physician orders; or

The ordering of medications for hospital patients by a physician assistant who is authorized and/or credentialed by the hospital to issue such orders.

3. Correct a typographical error in the definition of "Licensure" in subsection 2.1.t to make physician assistants plural.

Dr. Sheth further moved that the Committee approve the responses, as presented in draft form, to all commenters except: (1) Brandon Hatfield, Esq. / West Virginia Hospital Association; (2) Ginger Boles, MS PA-C; and (3) Stephanie Radix, JD / American Academy of Physician Assistants / West Virginia Association of Physician Assistants. With regard to these three individual's / entities, the Committee directed staff to respond as follows:

Brandon Hatfield, Esq. / West Virginia Hospital Association – The Board did not intend to change the definition of the term hospital by adding a second clarifying sentence in the rule. Rather, the Board's intention was to provide clarity and additional information and guidance to physician assistants in determining whether their practice setting makes them eligible to file a Practice Notification. While the Board does not believe that its original language meaningfully changed the

definition of “hospital,” it acknowledges that the reference to outpatient care could be misconstrued. The Board’s desire to provide clarification to physician assistants can be better met with a modification to this language which also eliminates any concern that the definition of the term hospital has been altered. The definition of “hospital” was modified to provide that a hospital “does not include any health care facility which is not licensed as a hospital pursuant to W. Va. Code §16-5B-1 et seq., even if the facility: is physically attached to the hospital; is situated within the physical boundaries of a hospital; or is operated by or in connection with a hospital.”

Ginger Boles, MS PA-C - The Board’s proposed rule amendments were not intended to modify current physician assistant practice. They are only intended to implement a new and less burdensome regulatory process for physician assistants practicing in hospitals. To ensure that the regulatory changes do not affect physician assistant practice, the Board has added the language which appears in bold font to subsection 15.3 of the proposed amended rule:

15.3. On an annual basis, the Board shall approve and publish on its website a list classifying pharmacologic categories of all drugs which are not within a physician assistant’s prescriptive authority. This list shall, at a minimum, exclude the following drugs from physician assistant prescriptive authority:

15.3.a. Schedules I and II of the Uniform Controlled Substances Act;

15.3.b. Antineoplastics

15.3.c. Radio-pharmaceuticals; and

15.3.d. General anesthetics.

The prescriptive authority for physician assistants with respect to medications listed under Schedule III of the Uniform Controlled Substances Act shall be limited to a 30 day supply without refill.

The limitations on physician assistant prescriptive authority set forth in this subsection do not apply to:

Medications administered or dispensed by a physician assistant in a hospital pursuant to physician orders; or

**The ordering of medications for hospital patients by a physician assistant
who is authorized and/or credentialed by the hospital to issue such orders.**

Stephanie Radix, JD / American Academy of Physician Assistants / West Virginia Association of Physician Assistants - The Board has strived to make Practice Notification forms as streamlined as possible. The form will not require physician assistants and hospitals to provide specific details about the physician assistant's collaborating physicians or the delegated medical acts the hospital credentials the physician assistant to perform. However, physician assistants were recently granted statutory authority to sign death certificates if they have completed appropriate training and are delegated this medical act. On a monthly basis, the Board provides a list of physician assistants who are eligible to complete death certificates to the state's Vital Registration Office. It is the Board's understanding that the Vital Registration Office relies on this information to determine whether to accept certain death certificates. Currently, this information is collected on physician assistant Practice Agreements. Pursuant to Senate Bill 668, Practice Notifications will replace Practice Agreements for hospital-based physician assistants. Accordingly, to provide accurate data to the Vital Registration Office, the Board needs to collect information regarding physician assistant authorization to complete death certificates on the Practice Notification. Including this information on the Practice Notification does not alter the fact that the decision regarding whether or not to authorize a physician assistant to complete death certificates is made at the practice level by the hospital and physician assistant. The Board has not made any changes to the proposed amended rule as a result of this comment.

The Board also considered the suggestion that section 15 of the proposed amended rule be modified to authorize physician assistants in hospitals to accept free samples and register as controlled substance dispensing practitioners. These provisions appear in section 12 of the proposed amended rule, which governs physician assistant prescriptive authority in non-hospital practice settings. The Board intentionally did not include these provisions in section 15 because they are inapplicable to physician assistant practice in hospitals. Free samples are typically offered to office or clinic-based medical practices for dispensing to outpatients. Additionally, registration as a controlled substance dispensing practitioner is only required for Board licensees who administer and / or dispense controlled substances in an office-based setting. Pursuant to the Board's dispensing rule, 11 CSR 5, practitioners who dispense and / or administer controlled substances in a hospital setting are exempt from registration as controlled substance dispensing practitioners.

The Board has corrected the typographical error that was identified in the definition of licensure in subsection 2.1.t. The strikethrough which erroneously extended into the last letter of “assistants” on line two of the definition has been removed.

Dr. Challa seconded, and the motion carried.

Dr. Faheem moved that the Committee authorize staff to file an agency approved version of 11 CSR 1B which incorporates the three modifications identified above. Dr. Sheth seconded, and the motion carried.

Dr. Faheem moved that the Committee authorize staff to file an amended version of Emergency Rule 11 CSR 1B, which mirrors the modification to the agency approved version of 11 CSR 1B, with the Secretary of State’s Office. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the Board received three written comments regarding the proposed new rule series 11 CSR 13 from the following individuals:

Commenter	Date Received
1. Wayne Minton, DPM	June 19, 2019
2. Sudha Reddy	June 24, 2019
3. A. Cyrus Tahernia, MD, Emeritus	June 28, 2019

The Committee thoroughly reviewed the comments that were received. These comments were general in nature and did not offer any suggested modification to the rule. No modifications were made to 11 CSR 13. Dr. Challa moved that the Committee authorize staff to file an agency approved version of 11 CSR 13 with the Secretary of State’s Office. Dr. Sheth seconded, and the motion carried.

There being no further business to consider, the meeting adjourned.

Mr. Wright called the meeting to order. Dr. Sheth moved that the minutes of the Committee's May 19, 2019 meeting be approved. Dr. Challa seconded, and the motion carried. Dr. Faheem moved that the minutes of the Committee's June 11, 2019 special meeting be approved, Dr. Challa seconded, and the motion carried. Dr. Challa moved that the minutes of the Committee's July 23, 2019 special meeting be approved. Dr. Sheth seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Mr. Spangler reported that Board staff have filed the agency approved version of the Board's proposed legislative rule 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, with the West Virginia Secretary of State's Office. Board staff also filed an amended version of the emergency rule 11 CSR 1B with the Secretary of

State's Office. The Secretary of State's Office approved the Emergency Rule, as amended, and the rule became effective on July 30, 2019. There has been some confusion regarding the definition of "Hospital" included in the rule. The definition of hospital in 11 CSR 1B provides that "Hospital does not include any health care facility which is not licensed as a hospital pursuant to W. Va. Code §16-5B-1 et seq., even if the facility: is physically attached to the hospital; is situated within the physical boundaries of a hospital; or is operated by or in connection with a hospital." The statutory definition of "Hospital" in the Physician Assistants Practice Act provides that a hospital is "a facility licensed pursuant to article five-b, chapter sixteen of this code and any acute-care facility operated by the state government that primarily provides inpatient diagnostic, treatment or rehabilitative services to injured, disabled or sick persons under the supervision of physicians and includes psychiatric hospitals." To alleviate any confusion, Dr. Challa moved that the Committee recommend that the Board support a change during the Legislative Rule-Making Review process which would modify the definition of "Hospital" in 11 CSR 1B to mirror the definition of "Hospital" as defined in the Physician Assistants Practice Act. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that Board staff have filed the agency approved version of the Board's proposed legislative rule 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*. The proposed rule is currently awaiting review by the Legislative Rule-Making Review Committee.

Mr. Spangler reported that representatives of Dinsmore & Shohl, LLP, counsel for iSelect MD, would like the Board's support of a telemedicine bill which would permit a physician to establish a physician-patient relationship through the use of audio-only communication, similar to Senate Bill 464 which was defeated on the Senate floor during the 2019 legislative session. Dr. Faheem moved that representatives of Dinsmore & Shohl, LLP be invited to speak to the Committee at the November 2019 meeting. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that, per conversation between Board staff and the West Virginia Secretary of State's Office, there is not currently a process for vetting business names which contain medical terminology which may be misleading to the public. Dr. Slemple moved that Board staff contact the Secretary of State's Office and inquire regarding their willingness to work with

the Board in ensuring that business names which contain medical terminology are properly vetted. Dr. Sheth seconded, and the motion carried.

Mr. Spangler asked Committee members to begin thinking about any ideas or topics that they would like Board staff to research for possible consideration during the 2020 legislative session. No ideas or topics were identified at this meeting, but the Committee requested that this subject be revisited at the November meeting.

There being no further business to consider, the meeting adjourned.

Mr. Wright called the meeting to order. The Committee received public comments from individuals representing iSelectMD and a representative from the West Virginia Association of Nurse Anesthetists.

CALL TO
ORDER AND
PUBLIC
COMMENTS

Dr. Slemp joined the meeting at this time.

Dr. Rahim moved that the minutes of the Committee's September 8, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

APPROVAL
OF MINUTES

At the beginning of the meeting, the Committee received comments from individuals representing iSelectMD and who are seeking the Board's support of a telemedicine bill which would permit a physician to establish a physician-patient relationship through the use of audio-

only communication, similar to Senate Bill 464 which was defeated on the Senate floor during the 2019 legislative session. Mr. Foster provided an overview of the telemedicine requirements in the states that surround West Virginia. A lengthy discussion ensued. Mr. Wright announced that the Committee will table the vote on this matter and readdress it later in the meeting.

Prior to today's meeting, a draft proposed bill to be introduced during the 2020 legislative session which would make scleral tattooing unlawful in West Virginia was made available for members to review. Dr. Challa moved that the Committee recommend that the Board support legislation which would make scleral tattooing unlawful in West Virginia. Dr. Faheem seconded, and the motion carried.

The Committee resumed discussion regarding telemedicine. Dr. Challa moved that the Committee recommend that the Board be open to legislation similar in content to Senate Bill 464, which was not passed during the 2019 legislative session, provided that the legislation is limited to a pilot project for Public Employees Insurance Agency (PEIA), includes a two year sunset provision and requires an independent third party evaluation of the pilot project to determine that: (1) the treatment conforms with the standard of care; and (2) that the pilot project demonstrates financial feasibility for PEIA and its members. Dr. Challa further moved that the Board not support further expansion until the sunset provision is complete and the results of the independent third-party evaluation are available for review. Dr. Faheem seconded, and the motion carried.

At the beginning of the meeting, the Committee received public comments from a West Virginia Association of Nurse Anesthetists representative regarding current Certified Registered Nurse Anesthetists (CRNA) practice in West Virginia and proposed changes to W. Va. Code §30-7-15. Currently, W. Va. Code §30-7-15 requires physician or dentist supervision of a CRNA who is administering anesthesia for surgical procedures. The West Virginia Association of Nurse Anesthetists is seeking the Board's support of a bill which would allow CRNAs to administer anesthesia in cooperation with a physician, podiatric physician or dentist, but without requiring supervision. Dr. Challa moved that the Committee recommend that the Board support the concept of a revision to W. Va. Code §30-7-15 which would provide that if an anesthesiologist is not available, CRNAs may administer anesthetics in procedures which are performed by physicians, podiatric physicians and dentists. Dr. Faheem seconded, and the motion carried.

At the September 7, 2019 meeting, Mr. Spangler reported that per conversation with the West Virginia Secretary of State's Office, there is currently no process for vetting business names which contain medical terminology that may be misleading to the public. At that time, the Committee directed Board staff to contact the Secretary of State's Office and inquire regarding their willingness to work with the Board of Medicine in ensuring that business names which contain medical terminology are properly vetted. Mr. Spangler reported that since the September meeting he has had conversation with, and has provided written correspondence to, Donald Kersey, Deputy Legal Counsel for the Secretary of State, regarding this matter and he is awaiting a reply.

Mr. Spangler reported that during the 2019 legislative session, Senate Bill 567 was introduced but was not passed. This bill would have permitted West Virginia Board of Medicine investigators to carry a concealed weapon. Dr. Faheem moved that the Committee recommend that the Board authorize staff to seek a sponsor to reintroduce legislation during the 2020 session which would permit Board of Medicine investigators to carry a concealed weapon. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that as a result of recommendations by the Legislative Rule-Making Review Committee, minor modifications were made to the Board's proposed rules 11 CRS 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*. The modified rules have been filed with the West Virginia Secretary of State's Office.

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

January 12, 2020

The West Virginia Board of Medicine's Legislative Committee met at 101 Dee Drive, Charleston, West Virginia, on January 12, 2020 at 9:30 am.

The following Committee members were present:

Kenneth Dean Wright, PA-C, Legislative Committee Chair
Kishore K. Challa, MD, FACC
Timothy J. Donatelli, DPM
Ashish P. Sheth, MD
Catherine C. Slemph, MD, MPH

The following Committee members were absent:

Ahmed D. Faheem, MD, DLFAPA
Mustafa Rahim, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Mr. Wright called the meeting to order. Dr. Challa moved that the minutes of the Committee's November 3, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Mr. Spangler reported that **Senate Bill 28**, allowing West Virginia Board of Medicine investigators to carry concealed weapons, was introduced on January 8, 2020.

Mr. Spangler reported that **House Bill 3089**, modifying licensing requirements for the practice of telemedicine and surgery or podiatry, has been introduced. This bill would allow a physician-patient or podiatrist-patient relationship to be established through audio-only communication if the physician or podiatric physician determines that video is not necessary to conform to the standard of care. This is not the telemedicine bill that iSelectMD plans to introduce

during the 2020 legislative session and that was discussed at the November 2019 meeting. Dr. Sheth moved that the Board oppose House Bill 3089. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that it is anticipated that there will be proposed legislation introduced during this session to modify W. Va. Code §30-7-15, regarding the administration of anesthetics by certified registered nurse anesthetists. To date, no such legislation has been introduced.

Dr. Donatelli joined the meeting at this time.

Mr. Spangler reported that West Virginia Board of Pharmacy staff recently contacted Board of Medicine staff inquiring as to whether the Board of Medicine would be open to jointly reviewing the rule pertaining to Collaborative Pharmacy Practice. The Collaborative Pharmacy Practice Rule is a joint rule between the Board of Pharmacy, the Board of Osteopathic Medicine and the Board of Medicine. The Committee directed staff to work with the Board of Pharmacy in reviewing this rule for possible revisions.

Mr. Spangler reported that following the November 2019 meeting, and in response to the Board's inquiry, he was contacted by Donald Kersey, Deputy Legal Counsel for the West Virginia Secretary of State, regarding establishing a process for vetting business names which contain medical terminology that may be misleading to the public. Mr. Kersey proposed a modification to statute and rule which would allow the Board of Medicine to approve or disapprove the proposed name of a business which contains medical terminology. The Committee directed Board staff to further explore ways to improve the vetting of business names for health-related services. This process will include a survey of how other jurisdictions regulate the naming of medical and health service entities.

Mr. Spangler reported that currently medical doctors who are licensed by the Board are able to satisfy all of their continuing medical education (CME) requirements, except the 3-hour drug diversion training and best practice prescribing of controlled substances training, by sitting for and passing a certificate or recertification examination of an American Board of Medical Specialties (ABMS) member board and receiving certification or recertification during the relevant

reporting period. Additionally, the CME requirements, except the 3-hour drugs diversion training and best practice prescribing of controlled substances training, can be fulfilled by successful involvement in maintenance of certification (MOC) through an ABMS member board during the relevant reporting period. The Committee reviewed correspondence requesting that the Board's continuing education rule be modified to allow podiatric physicians to satisfy their continuing education requirements by sitting for and passing a certification or recertification examination or participating in MOC style processes during the relevant period. A change to the Board's continuing education rule would require legislative action. The Committee directed Board staff to research continuing education requirements for podiatric physicians in other states and gather information regarding whether certification and/or recertification examinations and/or processes may be added to the Board's legislative rule as approved continuing education for podiatric physicians.

The Committee reviewed the following proposed interim meeting dates:

Tuesday, January 28, 2020

Tuesday, February 11, 2020

Tuesday, February 2, 2020

Dr. Sheth moved that the interim meeting dates be changed to:

Tuesday, January 21, 2020 at 5:00 pm

Tuesday, February 4, 2020 at 5:00 pm

Tuesday, February 18, 2020 at 5:00 pm

Tuesday, March 3, 2020 at 5:00 pm

Dr. Challa seconded, and the motion carried. Dr. Challa moved that the Committee recommend that the Board grant the Legislative Committee authority to act on behalf of the Board as necessary to respond to legislative matters at these meetings, and any other special meetings which become necessary during the legislative session. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the following bills have been introduced and are being monitored by Board staff:

Senate Bill 12, prohibiting lobbying by counsel of state boards and commissions.

Senate Bill 29, relating to involuntary hospitalization order by physician in certain cases.

House Bill 4011, reorganizing various boards and authorities for the licensing and oversight of trades, occupations and professions into different chapters of state code, has been introduced. This bill would separate Chapter 30 licensing boards into the following three categories: (1) medical/health boards; (2) regulatory boards for professions that require a bachelor's degree; and (3) skilled trades that require a license to practice. As drafted, there would be no change to the Board of Medicine. Staff will monitor this bill closely.

Mr. Spangler reported on **Senate Bill 218**, creating Occupational Licensing Consumer Choice Act. This bill would allow individuals to work for employers or consumers without obtaining a professional license. As currently written, this bill applies to the regulation of all occupations in West Virginia except for medical doctors, registered nurses, licensed practical nurses, dentists and pharmacists. While no substantive position was taken with respect to this bill, Dr. Slemp moved that Board staff seek inclusion of osteopathic physicians, podiatric physicians, advanced practice registered nurses and physician assistants in the list of exempt professions. Dr. Sheth seconded, and the motion carried.

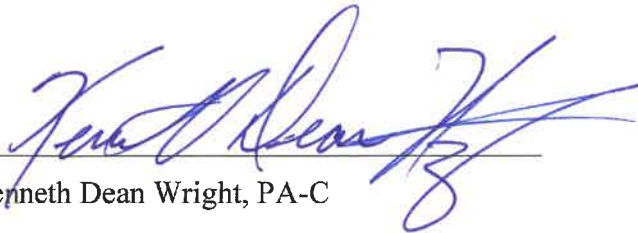

Mr. Spangler reported that **Senate Bill 220** and **House Bill 2847**, relating to exemptions from mandated immunizations, have been introduced. These bills would permit a child to be exempt from compulsory immunizations upon presentation to the child's school any one of the following certifications: (1) a certification of a licensed physician or advanced practice nurse who has personally examined the patient stating that the physical condition of the child is such that immunization is contraindicated or there exists a specific precaution to a particular vaccine; (2) a notarized certification signed by any parent or legal guardian of the child that the religious beliefs of the signator are contrary to the compulsory immunizations; or (3) a notarized certification signed by any parent or legal guardian of the child indicating that the signator has either a conscientious or personal objection to the immunization of the child. Dr. Sheth moved that the Committee recommend that the Board not support Senate Bill 220 or House Bill 2847. Dr. Challa seconded, and the motion carried.

Dr. Slemp reported that she has been monitoring **Senate Bill 286**, prohibiting syringe exchange programs, and that input from various stakeholders would be welcomed by the Bureau

for Public Health, and that input from various stakeholders would be welcomed by the Bureau for Public Health.

ADJOURNMENT

There being no further business to consider, the meeting adjourned.

Kenneth Dean Wright, PA-C
Legislative Committee Chair

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

January 21, 2020

The West Virginia Board of Medicine's Legislative Committee met at 101 Dee Drive, Charleston, West Virginia, on January 21, 2020 at 5:00 pm.

The following Committee members attended the meeting via teleconference:

Ashish P. Sheth, MD, Acting Legislative Committee Chair
Kishore K. Challa, MD, FACC
Timothy J. Donatelli, DPM
Ahmed D. Faheem, MD, DLFAPA
Catherine C. Slemp, MD, MPH

The following Committee members were absent:

Mustafa Rahim, MD
Kenneth Dean Wright, PA-C, Legislative Committee Chair

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

In the absence of Mr. Wright, Dr. Sheth called the meeting to order and chaired the meeting.

CALL TO
ORDER

Mr. Spangler reported on the following Board of Medicine Proposed legislative rule bills: (1) **Senate Bill 406** and **House Bill 4302**, Board of Medicine rule relating to licensure, disciplinary and complaint procedures, continuing education, and physician assistants; and (2) **Senate Bill 407** and **House Bill 4303**, Board of Medicine rule relating to waiver of initial licensing fees. There has been no activity with regard to Senate Bill 406, Senate Bill 407 and House Bill 4303. House Bill 4302 passed House Health and Human Resources Committee this afternoon, and now moves to House Judiciary Committee.

Mr. Spangler reported that **Senate Bill 28**, allowing West Virginia Board of Medicine investigators to carry concealed weapons, is single referenced to Senate Judiciary Committee, but has not yet been placed on an agenda.

Prior to today's meeting, a copy of draft proposed telemedicine legislation was made available for members to review. Mr. Spangler reported that iSelect MD provided the draft proposed telemedicine legislation for consideration and input prior to the legislation being introduced as a bill during the 2020 legislative session. Following a lengthy discussion, Dr. Faheem moved that Board staff communicate to iSelect MD that it remains open to a two-year PEIA pilot project that would permit and study the practice of medicine to PEIA patients without an initial face to face encounter, either in person or via video. The Board proposes that iSelect MD consider revising its draft bill to place all components of the pilot project into a separate section of code to avoid practitioner confusion. Dr. Faheem further moved that the Board recommend that the pilot program contain a preamble which would explain the purpose of the pilot program, which is to evaluate the efficacy of audio-only telemedicine while protecting public safety, and that the independent audit be obtained by PEIA based upon Board of Medicine approved parameters. The purpose of the independent audit would be to determine that the treatment conforms with the standard of care and the financial feasibility of the pilot program for PEIA and its members. Dr. Donatelli seconded, and the motion carried.

Mr. Spangler reported on **Senate Bill 12**, prohibiting lobbying by counsel of state boards and commissions. This bill would allow the director and appointed board members to lobby on behalf of the Board, but would prohibit lobbying by Board counsel. Dr. Challa moved that the Committee authorize Mr. Spangler to seek additional information regarding the reasoning behind this bill, and to report back to the Committee at a future meeting. Dr. Donatelli seconded, and the motion carried.

Mr. Spangler reported that **Senate Bill 313**, **House Bill 4011**, and **House Bill 4122**, relating to reorganizing various board and authorities for licensing and oversight of trades, occupations and professions, have been introduced. Senate Bill 313 and House Bill 4122 have not yet been placed on an agenda. House Bill 4011 is a complex bill which would reorganize Chapter 30 licensing boards into the following three categories: (1) medical/health boards; (2) regulatory

boards for professions that require a bachelor's degree; and (3) skilled trades that require a license to practice. As drafted, there would be no change to the Board of Medicine. This bill was placed on House Health and Human Resources Committee agenda for January 17, 2020 and January 20, 2020 but was not taken up on either of these dates. Board staff will continue to monitor this bill closely and will keep the Committee apprised of any updates.

Mr. Spangler reported that **House Bill 4121**, relating to state boards of examination or registration, has been introduced. This bill provides that when the special fund of any board accumulates to an amount which exceeds twice the annual average actual spending over the preceding five years of the board or \$10,000, whichever is greater, the West Virginia Treasurer's Office shall: (1) transfer the excess amount to the State General Revenue Fund; and (2) notify the Legislative Auditor that the transfer has been made. Board staff will continue to monitor this bill.

Mr. Foster reported on **House Bill 4356**, relating to the administration of anesthetics. At the November 4, 2019 Board meeting, the Board voted to generally support the concept of a revision to W. Va. Code § 30-7-15 which would provide that if an anesthesiologist is not available, certified registered nurse anesthetists (CRNAs) may administer anesthetics in procedures which are performed by physicians so long as liability falls with the CRNA. The Board did not support CRNAs administering anesthetics in procedures which are performed by podiatric physicians, and the Board took no position with regard to dentists. As introduced, House Bill 4356 is not consistent with the Board's position. Dr. Faheem moved that the Committee authorize Board staff to communicate to the West Virginia Association of Nurse Anesthetists that the bill does not comport with the concept that the Board voted to support in November 2019. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **House Bill 4387** would create a Donated Drug Repository Program that would be administered by the West Virginia Board of Pharmacy. The bill sets forth eligible drugs and eligible recipients and also establishes how the drugs are received, handled, stored, dispensed, distributed and disposed of. Dr. Donatelli moved that the Committee authorize Board staff collaborate with the West Virginia Board of Pharmacy and to gather additional information regarding House Bill 4387. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that the following bills are being monitored by Board staff:

Senate Bill 189, Relating to partial filling of prescriptions

Senate Bill 218, Creating Occupational Licensing Consumer Choice Act

Senate Bill 220, Relating to exemptions from mandatory immunizations

Senate Bill 231, Creating Born Alive Abortion Survivors Protection Act

Senate Bill 286, Prohibiting syringe exchange programs

Senate Bill 318, Prohibiting regulation and licensing of occupations by local government

Senate Bill 437, Requiring physicians to notify parents when prescribing contraceptives to minors.

Dr. Slemp reported that West Virginia has the highest instance of sexually active teenagers, and that if this bill is passed, it would deter individuals from using contraceptives. Dr. Slemp moved that the Committee not support Senate Bill 437. Dr. Challa seconded, and the motion carried.

Senate Bill 538, Repealing excise tax on soft drinks. This bill would repeal the article imposing excise tax on soft drinks. Dr. Challa moved that the Board oppose Senate Bill 538. Dr. Donatelli seconded, and the motion carried.

Senate Bill 544, Authorizing pharmacists and pharmacy interns administer vaccines. This bill would authorize the Board of Pharmacy, the Board of Medicine and the Board of Osteopathic Medicine to propose joint rules for legislative approval to permit a licensed pharmacist or pharmacy intern to administer immunizations in accordance with definitive treatment guidelines for immunizations promulgated by the latest notice from the United States Department of Health and Human Services Centers for Disease Control and prevention. Dr. Slemp moved that the Board support Senate Bill 544. Dr. Challa seconded, and the motion carried.

Senate Bill 548, Relating to occupational licensing or government certification. This bill seems to be a reciprocity bill that provides a number of limited reasons why an applicant would qualify for an exception. The bill limits the application fee to \$100.00. Dr. Challa moved that the Committee authorize Board staff to closely monitor this bill and seek a carve-out for the Board of Medicine if this bill is placed on an agenda. Dr. Donatelli seconded, and the motion carried.

Senate Bill 549, Relating to informed consent for vaccinations

Senate Bill 558 and House Bill 4434 , Relating to study of health care workforce

Senate Bill 560 and House Bill 4423, Permitting nursing home to use trained individuals to administer medication

House Bill 3019, Health Care Transparency Act

House Bill 3089, Modifying licensing requirements for the practice of telemedicine and surgery or podiatry

House Bill 4009, Relating to the process for involuntary hospitalization. This bill would permit an authorized staff physician, to order the involuntary hospitalization of an individual whom the physician believes is addicted or mentally ill. Dr. Faheem moved that the Board support House Bill 4009. Dr. Challa seconded, and the motion carried.

House Bill 4020, Removing authority of municipalities to require occupational licensure if licensure for the occupation is required by the state

House Bill 4028, Relating to licensure of hospitals

House Bill 4037, Fetal Heartbeat Act

House Bill 4052, Persistent Symptoms Act

House Bill 4059, Increasing access to long acting reversible contraception

House Bill 4062, Reducing the cost of prescription drugs

House Bill 4100, Relating to requiring the Office of Health Facility Licensure and Certification

House Bill 4102, Relating to opioid antagonists

House Bill 4108, Relating generally to certificate of need for health care services

House Bill 4114, Informed Consent Protection Act

House Bill 4115, Requiring compulsory immunization of public school children

House Bill 5145, Prohibiting the regulation and licensing of occupations by local government

House Bill 4160, Youth Mental Health Protection Act

House Bill 4161, Making it illegal to scleral tattoo a person

House Bill 4368, Relating to the Medical Cannabis Act

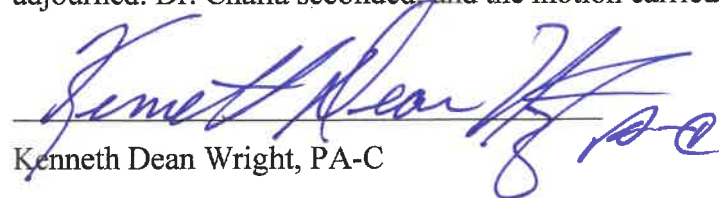

House Bill 4391, Redefining certain definitions, including the definition of “Life-prolonging intervention”

House Bill 4417, Relating to Permitting Professional Boards

House Bill 4419, Relating to the Controlled Substances Monitoring Database

House Bill 4422, The Patient Brokering Act

There being no further business to consider, Dr. Donatelli moved that the meeting be adjourned. Dr. Challa seconded, and the motion carried.

Legislative Committee Minutes

February 4, 2020

The West Virginia Board of Medicine's Legislative Committee met at 101 Dee Drive, Charleston, West Virginia, on February 4, 2020 at 5:00 pm.

The following Committee members were present via teleconference:

Kenneth Dean Wright, PA-C, Legislative Committee Chair
Ashish P. Sheth, MD
Kishore K. Challa, MD, FACC
Ahmed D. Faheem, MD, DLFAPA
Mustafa Rahim, MD

The following Committee members were absent:

Catherine C. Slemp, MD, MPH
Timothy J. Donatelli, DPM

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

The following Staff member attended the meeting via teleconference:

Andrew R. Wessels

Mr. Wright called the meeting to order, and roll call was taken by Ms. Frame. The Committee received public comments from Danny Scalise, Executive Director of the West Virginia State Medical Associations, regarding House Bill 4356, relating to the administration of anesthetics. Following his remarks to the Committee, Mr. Scalise and his guest, Ms. Novotny left the meeting.

CALL TO
ORDER AND
PUBLIC
COMMENTS

Mr. Spangler reported on the following Board of Medicine proposed legislative rule bills: (1) **Senate Bill 406** and **House Bill 4302**, Board of Medicine rule relating to licensure, disciplinary and complaint procedures, continuing education, and physician assistants; and (2) **Senate Bill 407**

and **House Bill 4303**, Board of Medicine rule relating to waiver of initial licensing fees. There has been no activity with regard to Senate Bill 406, Senate Bill 407 and House Bill 4303. House Bill 4302 passed House Health and Human Resources Committee on January 21, 2020 and now moves to House Judiciary Committee.

Mr. Spangler reported that **Senate Bill 28**, allowing West Virginia Board of Medicine investigators to carry concealed weapons, is single referenced to Senate Judiciary Committee, but has not yet been placed on an agenda.

Mr. Foster joined the meeting at this time.

Mr. Spangler reported that following the January 21, 2020 Legislative Committee meeting, Board staff communicated to iSelect MD that the Board remains open to a two-year PEIA pilot project that would permit and study the practice of medicine to PEIA patients without an initial face to face encounter, either in person or via video, and that the Board proposes that iSelect MD consider revising its draft bill to place all components of the pilot project into a separate section of code to avoid practitioner confusion. Additionally, Board staff recommended that the pilot program contain a preamble which would explain the purpose of the pilot program, which is to evaluate the efficacy of audio-only telemedicine while protecting public safety, and that the independent audit be obtained by PEIA based upon Board of Medicine approved parameters. The purpose of the independent audit would be to determine that the treatment conforms with the standard of care and the financial feasibility of the pilot program for PEIA and its members. To date, an iSelect MD proposed telemedicine bill has not been introduced. Senator Tom Takubo will host a meeting tomorrow, February 5, 2020, to discuss proposed telemedicine legislation to be introduced during the 2020 legislative session.

Mr. Spangler reported that Board staff continue to monitor **Senate Bill 12**, prohibiting lobbying by counsel of state boards and commissions. To date, this bill has not been placed on an agenda.

Ms. Alley reported on **Senate Bill 646**, relating to proposals for new occupational regulation. This bill would establish standards and procedures for analysis and consideration in

determining what level, if any, of government regulation of an occupation should be imposed on that occupation. The bill would also require periodic review of existing occupation regulation to determine if and when less restrictive alternatives should be implemented. Dr. Faheem moved that the Board oppose Senate Bill 646. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that **Senate Bill 647**, permitting physician assistants and advanced practice registered nurses issue do-not-resuscitate order, has been introduced. Dr. Sheth moved that the Board support Senate Bill 647. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **Senate Bill 664**, adding physician's assistant to list of medical professionals capable of determining if individual lacks capacity, has been introduced. Dr. Sheth moved that the Board support Senate Bill 664. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that **House Bill 4011**, relating to reorganizing various board and authorities for licensing and oversight of trades, occupations and professions, has passed the House and has been communicated to the Senate, where it is double referenced to Senate Government Organization Committee and Senate Judiciary Committee. Board staff continue to monitor this bill closely.

Mr. Spangler reported that Board staff continue to monitor **House Bill 4417**, which would permit professional boards to approve different types of continuing education programs on drug diversion. This bill has passed the House and has been communicated to the Senate, where it is single referenced to Senate Government Organization Committee. Board staff will keep the Committee apprised regarding this bill.

Mr. Wessels left the meeting at this time.

Mr. Spangler reported that Board staff continue to monitor **House Bill 4121**, relating to state boards of examination or registration. This bill has passed House Government Organization Committee and now moves to House Finance Committee.

Mr. Spangler reported on **Senate Bill 585**, relating to Human Life Non-Discrimination Act. This bill would prohibit abortions based upon race, gender and genetic abnormality, except in a medical emergency. Additionally, the bill provides that the Board of Medicine shall sanction and/or fine a physician who violates this Act. The Board was required to submit a fiscal note for this bill. In the fiscal note, Mr. Spangler provided that “it is difficult to speculate the financial impact this legislation might have in that it is impossible to predict how many complaints the Board would received associate with this bill that would lead to the level of probable cause and proceed to hearing.” Additionally, in the fiscal note, the Board provided that based on actual average costs of two-day hearings, the estimated cost to the Board of Medicine is \$19,300.00 per case.

Mr. Spangler reported that Board Staff are monitoring the following bills, which were introduced after January 21, 2020:

- **Senate Bill 605**, Redefining definition of “life-prolonging intervention”
- **Senate Bill 622**, Relating to taxation of prescription opioids
- **Senate Bill 627**, Authorizing local Board of Health to engage in office-based medication-assisted treatment
- **Senate Bill 643**, Creating Youth Mental Health Protection Act
- **House Bill 4467**, Relating to the posting of information regarding the West Virginia Tobacco Quitline
- **House Bill 4481**, Relating to health care decisions
- **House Bill 4498**, Relating to a woman’s right to know
- **House Bill 4521**, Requiring rules of local Board of Health to be approved by the County Commission, exceptions

Mr. Spangler reported that:

Senate Bill 77, establishing tax credit for physicians who locate to practice in West Virginia, has passed Senate Health and Human Resources Committee, and now moves to Senate Finance Committee.

Senate Bill 544, authorizing pharmacists and pharmacy interns administer vaccines, has passed Senate Health and Human Resources Committee and was on second reading in the House today.

Senate Bill 560, permitting nursing home to use trained individuals to administer medication, has passed Senate Health and Human Resources Committee, and was on second reading in the Senate today, February 4, 2020.

Senate Bill 628 and **House Bill 4492**, Creating West Virginia Children’s Vision Act, would require proof that a comprehensive eye examination, performed by an optometrist or ophthalmologist, be submitted to the school for all children enrolled in public or private preschool, public or private school or Head Start program. Prior to today’s meeting, correspondence that was received by Geoff Bradford, MD, was made available for members to review. The correspondence provides that “organized ophthalmology in WV opposes this bill and if you feel our Board of Medicine can help to oppose it, your assistance would be greatly appreciated.” The Committee tabled this matter to allow for additional time to review the materials received.

House Bill 4007, Born Alive Abortion Survivors Act, has passed the House and Senate Health and Human Resources Committee, and now moves to Senate Judiciary Committee.

House Bill 4009, relating to the process for involuntary hospitalization, was amended in House Health and Human Resources Committee to include “other mental health professional” as an individual who may order involuntary hospitalization of a patient who is likely to harm themselves or others if allowed to remain at liberty. “Other mental health professional” is not defined in the bill. The bill was also amended to require the physician “to sign a statement attesting to his or her decision that the patient presents as a harm to him or herself or others and needs to be held involuntarily for up to 72 hours.” This bill now moves to House Judiciary Committee.

House Bill 4020, removing authority of municipalities to require occupational licensure if licensure for the occupation is required by state, has passed the House and now moves to Senate Judiciary Committee.

House Bill 4100, relating to requiring the Office of Health Facility Licensure and Certification, has passed House Prevention and Substance Abuse Committee and now moves to House Finance Committee.

House Bill 4102, relating to opioid antagonists, was on third reading in the House today, February 4, 2020.

House Bill 4103, relating to the Office of Drug Control Policy, has passed the house and was amended on the senate floor. The senate has asked the house to concur.

House Bill 4108, relating generally to certificate of need for health care services, has passed House Health and Human Resources Committee, and now moves to Senate Health and Human Resources Committee.

House Bill 4161, making it illegal to scleral tattoo a person, has passed House Health and Human Resources Committee and was on second reading in the House today.

At the November 4, 2019 Board meeting, the Board voted to generally support the concept of a revision to W. Va. Code § 30-7-15 which would provide that if an anesthesiologist is not available, certified registered nurse anesthetists (CRNAs) may administer anesthetics in procedures which are performed by physicians. The Board did not support CRNAs administering aesthetics in procedures which are performed by podiatric physicians, and the Board took no position with regard to dentists. Following the January 21, 2020 meeting, at the request of the Committee, Board staff communicated to the West Virginia Association of Nurse Anesthetists that **House Bill 4356** does not comport with the concept that the Board voted to support in November 2019. To date, the bill has not been amended to align with the Board's recommendations or address its concerns. An amendment was introduced which provides that "The West Virginia Board of Medicine, with the advice of the West Virginia State Society of Anesthesiologists, shall propose rules for legislative approval, in accordance with the provisions of article three, chapter twenty-nine-a of this code, to: (1) Establish the scope of practice of Anesthesiologist Assistants; (2) Develop the education and training requirements for Anesthesiologist Assistants; and (3) Regulate Anesthesiologist Assistants. It does not appear that this amendment passed. The bill was on third

reading in the House today and it appears that an amendment was introduced which would add “at critical access hospitals” to the bill, whereby the bill would read “The administration of anesthesia at critical access hospitals may be provided by a certified registered nurse anesthetist in cooperation with a physician or dentist.” At this time, it is unclear if the amendment passed or received a vote. Dr. Challa moved that the Board continue to oppose the bill as currently constituted. Dr. Sheth seconded, and the motion carried.

House Bill 4395, removing the requirement that a veterinarian access and report to the Controlled Substance Monitoring Program (CSMP) database, was on second reading in the house today. Currently, all practitioners who prescribe Schedules II, III, and/or IV controlled substances are required to access the CSMP. The bill was amended to also require registration by practitioners who only prescribe Schedule V controlled substances.

House Bill 4419, relating to the controlled substance monitoring program database, has passed the house, and now moves to Senate Health and Human Resources Committee.

House Bill 4422, prohibit patient brokering, has passed House Health and Human Resources Committee, and now moves to House Judiciary Committee.

House Bill 4434, West Virginia health care workforce sustainability study, was on third reading in the house today, February 4, 2020.

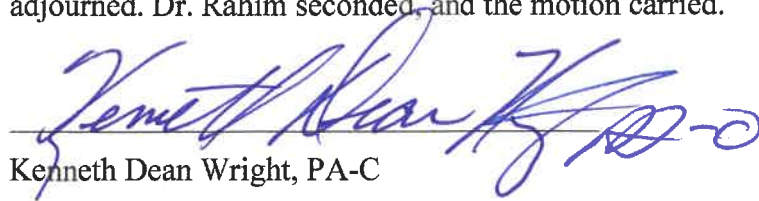

Mr. Spangler reported that the following bills were introduced after January 30, 2020 and are being monitored by Board staff:

Senate Bill 688, relating to telemedicine practice

House Bill 4642, relating to uniform credentialing for health practitioners

House Bill 4650, lowering excise tax on cigarettes

There being no further business to consider, Dr. Challa moved that the meeting be adjourned. Dr. Rahim seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Legislative Committee Minutes

February 18, 2020

The West Virginia Board of Medicine's Legislative Committee met at 101 Dee Drive, Charleston, West Virginia, on February 18, 2020 at 5:00 pm.

The following Committee members were present via teleconference:

Kenneth Dean Wright, PA-C, Legislative Committee Chair
Timothy J. Donatelli, DPM
Ashish P. Sheth, MD
Kishore K. Challa, MD, FACC
Ahmed D. Faheem, MD, DLFAPA
Mustafa Rahim, MD

The following Committee members were absent:

Catherine C. Slemp, MD, MPH

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew Wessels

Mr. Wright called the meeting to order, and roll call was taken by Ms. Frame.

CALL TO
ORDER

Mr. Spangler reported that **House Bill 4302**, Board of Medicine rule relating to licensure, disciplinary and complaint procedures, continuing education, and physician assistants; and **House Bill 4303**, Board of Medicine rule relating to waiver of initial licensing fees remain in house Judiciary Committee. Once passed, they will be bundled and read on the House Floor.

Mr. Spangler reported that **Senate Bill 28**, allowing West Virginia Board of Medicine investigators to carry concealed weapons, is single referenced to Senate Judiciary Committee, but has not yet been placed on an agenda.

Mr. Spangler reported that **Senate Bill 12**, prohibiting lobbying by counsel of state boards and commissions, has not yet been placed on an agenda.

Mr. Spangler reported that **Senate Bill 646**, relating to proposals for new occupational regulation, was on Senate Government Organization agenda today, February 18, 2020, but it was not taken up. Board staff will continue to monitor this bill.

Mr. Spangler reported that **Senate Bill 647**, permitting physician assistants and advanced practice registered nurses to issue do-not-resuscitate orders, and **Senate Bill 664**, adding physician assistants to list of medical professionals capable of determining if individual lacks capacity, have passed the Senate, and now move to the House for consideration.

Mr. Spangler reported that **Senate Bill 710**, establishing a pilot program to evaluate telemedicine health services, has passed Senate Banking and Insurance Committee. The bill now moves to Senate Health and Human Resources Committee where it is anticipated that a committee substitute will be introduced.

Mr. Foster reported on **Senate Bill 763**, improving accountability of opioid manufacturers. This bill would require a manufacturer who sells, delivers or distributes an opioid medication in West Virginia to pay an annual registration fee of \$250,000 to the Board of Pharmacy each year for each opioid medication manufactured, sold, delivered or distributed in this state. If a manufacturer does not sell, deliver or distribute two million or more units of an opioid medication in West Virginia in the year in which a registration fee is due, they would not be required to pay the registration fee. Board staff will continue to monitor this bill.

Ms. Alley reported on **Senate Bill 770**, revising requirements for post-doctoral training. This bill would amend the osteopathic regulation to allow the Board of Osteopathic Medicine to accept Accreditation Council for Graduate Medical Education (ACGME) training, which would better align the standards for between the Board of Medicine and the Board of Osteopathic Medicine. This bill has not yet been placed on an agenda.

Dr. Challa joined the meeting at this time.

Mr. Spangler reported that **House Bill 4011**, relating to reorganizing various board and authorities for licensing and oversight of trades, occupations and professions, has passed the House and has been communicated to the Senate, where it is double referenced to Senate Government Organization Committee and Senate Judiciary Committee. Board staff continue to monitor this bill closely.

Mr. Spangler reported that Board staff continue to monitor **House Bill 4417**, which would permit professional boards to approve different types of continuing education programs on drug diversion. This bill has passed the House and has been communicated to the Senate, where it is single referenced to Senate Government Organization Committee. Board staff will keep the Committee apprised with regard to this bill.

Mr. Spangler reported that Board staff continue to monitor **House Bill 4121**, relating to state boards of examination or registration. This bill has passed House Government Organization Committee, and now moves to House Finance Committee.

Mr. Spangler reported on **House Bill 4796**. This bill would require the Public Employees Insurance Agency and other health insurance providers to provide mental health parity between behavioral health, mental health, substance use disorders and medical and surgical procedures. This bill has not yet been placed on an agenda.

Mr. Spangler reported that **House Bill 4835**, requiring all boards to be located in the same area and office space, has been introduced. This bill has not yet been placed on an agenda.

Mr. Spangler reported on **House Bill 4857**, relating to the addition of mandatory, inter-board reporting by licensees or registrants of the boards of medicine. This bill would require licensees of the boards of medicine, osteopathic medicine, registered professional nursing, and practical nursing to report to their licensing board any professional incompetence or inability to practice involving a licensee of another profession. Board staff will continue to monitor this bill.

Mr. Spangler reported that Board staff are monitoring **House Bill 4865**, requiring certain boards that seek to increase a fee or seek to impose a new fee to also submit cost saving measures.

Dr. Faheem joined the meeting as Mr. Foster reported on **House Bill 4934**. This bill would create an unlicensed practice review board, which would not be under the direction or control of any professional or occupational licensing board. Each licensing board in West Virginia, except the West Virginia State Bar, would submit all complaints pertaining to the unlicensed practice of a profession or occupation to the unlicensed practice review board for review and approval before any action could be taken against any unlicensed entity. The newly created board would also conduct hearings to determine if probable cause exists to take action upon an unlawful practice complaint. Following discussion, Dr. Sheth moved that the Board oppose House Bill 4934. Dr. Donatelli seconded, and the motion carried.

Mr. Spangler reported that **House Bill 4949**, Occupational Board Reform Act, would place all occupational boards in this state under the purview of the West Virginia Attorney General's Office. Dr. Sheth moved that the Board oppose House Bill 4949. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported on **Senate Bill 700**. This bill would permit physicians to be exempt from specified traffic laws when responding to an emergency call. The bill would require rulemaking by the Board of Medicine and the Board of Osteopathic Medicine. Board staff will continue to monitor this bill.

Mr. Spangler reported that **Senate Bill 724** would add ulcerative colitis to the list of serious medical conditions set forth in the West Virginia Medical Cannabis Act. This bill has not yet been placed on an agenda.

Mr. Spangler reported that **Senate Bill 748**, increasing awareness of palliative care services, has been introduced. This bill would create a work group to create the content of education material regarding palliative care for distribution to providers. This bill was on second reading on the Senate floor today, February 18, 2020.

Mr. Spangler reported on **Senate Bill 752**, relating generally to medical cannabis. This bill would increase the geographic locations of dispensaries and the forms of acceptable medical cannabis. The bill would also allow for a compassionate exemption, which would allow patient

and caregivers to home grow plants. Additionally, this bill would allow the Commissioner to approve medical conditions for which the use of medical cannabis is acceptable. Board staff will continue to monitor this bill.

Mr. Foster reported that **Senate Bill 762**, creating Preserving Patient Stability Act of 2020, has been introduced. This bill would ensure that covered persons who are stable on their biological product prescription drug regimens have continuous care, and that third-party payers cannot make restrictive changes to their prescription formularies after a plan year has begun or has been renewed.

Mr. Foster reported on **House Bill 4734**, rewriting the article on registered professional nurses. This bill provides that “In addition to the scope of practice set forth in §30-7-9 of this code, the practice of advanced practice registered nursing includes the following: (1) Conducting an advanced assessment; (2) Ordering and interpreting diagnostic procedures; (3) Establishing primary and differential diagnoses; (4) Prescribing, ordering, administering, dispensing, and furnishing therapeutic measures as set forth in §30-7-15 of this code; (5) Delegating and assigning therapeutic measures to assistive personnel standards; (6) Consulting with other disciplines and providing referrals to health care agencies, health care providers, and community resources; and (7) Performing other acts for which an advanced practice registered nurse is educated and trained, consistent with professional standards which require formalized didactic and clinical education.” Dr. Faheem moved that the Board oppose House Bill 4734. Dr. Sheth seconded, and the motion carried.

Mr. Foster reported that Board staff are monitoring **House Bill 4764**, which would increase the excise tax on e-cigarettes to be equal to excise tax on a pack of cigarettes.

Mr. Spangler reported that Board staff are monitoring the following bills:

House Bill 4784, Relating to disposal of unused, unwanted or expired medications

House Bill 4858, Classifying “Marihuana” and Tetrahydrocannabinols as a Schedule IV controlled substance

House Bill 4896, relating to oversight of syringe exchange programs by Department of Health and Human Resources

Mr. Spangler reported that **Senate Bill 786**, recognizing anesthesiologist assistants, has been introduced. This bill would require the Board of Medicine to regulate anesthesiologist assistants. Additionally, the bill would require the Board of Medicine to promulgate rules for this profession. Board staff will contact legislators to determine how this bill originated and the intended goals of the bill and will report back to the Committee at a future meeting.

Mr. Spangler reported that Board staff continue to monitor **House Bill 4356**, relating to the administration of anesthetics by CRNAs. There was an attempt to amend this bill, to include anesthesiologist assistants, on the House floor, but the amendment was withdrawn.

Mr. Spangler reported that **Senate Bill 548**, relating to occupational licensing or government certification, was on Senate Government Organization Committee agenda for today, February 18, 2020, but the bill was tabled. Board staff will continue to monitor this bill.

ADJOURNMENT

There being no further business to consider, the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

July 14, 2019

A meeting of the West Virginia Board of Medicine Executive/Management Committee was held at 101 Dee Drive, Charleston, West Virginia, on the 14th day of July 2019 at 10:30 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Executive / Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Catherine C. Slemp, MD, MPH
Harry E. Duncan, MD

The following Committee member was absent:

Ashish P. Sheth, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Sheree J. Thompson

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the May 19, 2019 meeting be approved. Dr. Slemp seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of May and June 2019 were made available for members to review. Dr. Faheem moved that the purchasing card transactions for the months of May and June 2019 be approved. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that Alex Yazhbin, MD's application for medical licensure was transferred from the Licensure Committee to the Executive/Management Committee for consideration at a Sunday Meeting. Dr. Faheem moved that the Committee enter into executive session for the purpose of receiving legal advice. Dr. Slemp seconded, and the motion carried. Ms. Frame left the meeting room at this time.

The executive session concluded, and the Executive/Management Committee meeting returned to public session. Ms. Frame returned to the meeting room at this time. Dr. Yazhbin appeared before the Executive/Management Committee in support of his application for medical licensure. Ms. Thompson, Supervisor of the Licensure, Certification and Renewals Division joined the meeting at this time. After a thorough discussion with Dr. Yazhbin, Dr. Faheem moved that the Committee recommend that the Board approve Dr. Yazhbin for medical licensure. Dr. Duncan seconded, and the motion carried. Dr. Duncan and Ms. Thompson left the meeting at this time.

The Committee reviewed and discussed correspondence regarding the denial of certain medications by an insurance company. Dr. Faheem moved that Board staff respond to the correspondence indicating that the Board of Medicine is not the appropriate state agency to address the concern, but that the Board is interested in engaging with stakeholders to consider and advocate for resolution of this problem. Dr. Faheem further moved that Board staff contact the West Virginia Insurance Commissioner's Office to obtain information regarding how complaints such as this are handled by their office. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that the Board's position statement titled *Model Guidelines for the Appropriate Use of Social Medical and Social Networking in Medical Practice* was adopted in July 2012 and is antiquated. The Federation of State Medical Boards updated their policy titled *Social Media and Electronic Communications* in April 2019. Board staff will review the FSMB policy and draft proposed amendments to the Board's position statement for consideration at a future meeting.

The Committee reviewed and discussed correspondence inquiring whether a physician who holds a medical school faculty license is permitted to provide services via telemedicine. For reference, currently seven Board of Medicine licensees hold a medical school faculty license. Dr.

Faheem moved that that Committee recommend that the Board authorize staff to respond indicating that pursuant to W. Va. Code 30-3-11a.(c), the medical practice of a physician licensed pursuant to this section is limited to the medical center of the medical school to which the physician has been appointed to the faculty, and that W. Va. Code 30-3-13a.(b)(1) provides that the practice of medicine occurs where the patient is located at the time the telemedicine technologies are used. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that currently medical doctors who are licensed by the Board are able to satisfy all of their continuing medical education (CME) requirements, except the 3-hour drug diversion training and best practice prescribing of controlled substances training, by sitting for and passing a certificate or recertification examination of an American Board of Medical Specialties (ABMS) member board and receiving certification or recertification during the relevant reporting period. Additionally, the CME requirements, except the 3-hour drugs diversion training and best practice prescribing of controlled substances training, can be fulfilled by successful involvement in maintenance of certification (MOC) through an ABMS member board during the relevant reporting porting. The Committee reviewed correspondence requesting that the Board's continuing education rule be modified to allow podiatric physicians to satisfy their continuing education requirements by sitting for and passing a certification or recertification examination or participating in MOC during the relevant period. A change to the Board's continuing education rule would require legislative action. The deadline for filing rules for consideration during the 2020 legislative session has passed, therefore the earliest this matter could be considered is during the 2021 legislative session. The Committee directed Board staff to research this topic and to report back to the Committee at a future meeting.

Mr. Spangler reported that during the 2019 legislative session, the Legislature passed House Bill 2324, authorizing the acupuncture board to issue certificates to perform auricular acudetox therapy. The Board of Acupuncture is accepting public comments on their proposed legislative rule 32 CSR 14, Auricular Detoxification Therapy Certificate, through midnight tonight, July 14, 2019. The proposed rule sets forth the application process, the qualifications needed and the causes for denial, probation, limitation, discipline, suspension or revocation of certificates for auricular acudetox. Physician assistants are among the individuals who are eligible

to apply for an auricular detoxification therapy certificate. Dr. Faheem moved that Board staff submit a comment which suggests that the Board of Acupuncture:

1. Notify the auricular detoxification therapy certificate holder's licensing board when a certificate is issued and when a certificate expires;
2. Notify the auricular detoxification therapy certificate holder's licensing board when any action is taken by the Board of Acupuncture; and
3. Include a provision in the proposed rule which permits the Board of Acupuncture to share complaint and investigation information with the certificate holder's licensing board.

Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that the Board is currently accepting written comments on proposed amendments to 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and a proposed new rule series 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*. The comment period ends at 4:30 pm on July 19, 2019. In the past, the Board has authorized the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to reviewing the comments received, making any necessary amendments, and authorizing staff to file the agency approved version of the rules with the Secretary of State's Office. Since the Legislative Committee did not meet this weekend, Dr. Slemp moved that the Executive/Management Committee recommend that the Board authorize the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to proposed legislative and emergency rule 11 CSR 1B and proposed legislative rule 11 CSR 13. Dr. Faheem seconded, and the motion carried.

At the May 19, 2019 meeting, the Committee reviewed and discussed correspondence received inquiring whether a medical license is required to eviscerate a body for pathological examination. The Committee requested and has received additional information regarding pathology practice in West Virginia. Mr. Spangler reported that Board staff will respond to the inquiry indicating that the evisceration of a body for pathological examination constitutes the practice of medicine in West Virginia. Additionally, Board staff will request that the individual provide information regarding what, if any, role a pathologist or a licensed physician would play in directing, performing or supervising the evisceration process.

At the May 19, 2019 meeting, the Committee reviewed and discussed correspondence received from a nurse practitioner who was seeking authorization from the Board of Medicine to open a company named Integrated Psychiatric Services. At that time, the Committee directed Board staff to contact the Secretary of State's Office regarding the business registration process and corporate name approval for medical corporations and professional limited liability companies which are not owned and operated by licensees of this Board. Per conversation with West Virginia Secretary of State staff, it was discovered that there is currently no process for vetting business names for non-physician owned businesses which contain medical terminology that may be misleading to the public. Dr. Faheem moved that this matter will be referred to the Legislative Committee for consideration. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that the following three litigation matters remain in a pending status:

John France MD, v. West Virginia Board of Medicine;
Jan Kletter MD, v. West Virginia Board of Medicine; and
Amy Young v. West Virginia Board of Medicine.

Mr. Spangler reported the number of licenses, certificates and registrations that were renewed, as well as the number that expired, during the 2019 renewal cycle. Additionally, Mr. Spangler reported that 856 initial medical doctor licenses were issued between July 1, 2018 and June 30, 2019. The chart below was made available for members to review.

2019 Renewal Results

License/Registration Type	Renewed	Expired on June 30, 2019

Mr. Spangler reported that for the 2019-2020 fiscal year, the Board has contracted with the following hearing examiners and court reporters:

Hearing Examiners

Lewis Brewer, Esq.
Jack McClung, Esq.
J. Rudy Martin, Esq.
Janis Reynolds, Esq.
Jennifer Taylor, Esq.

Court Reporters

Wilda Stonestreet
Sargent's Court Reporting

Mr. Spangler reported that the Board recently hired Valerie Anderson as the physician assistant licensure analyst and Joseph Lewis as the Board's paralegal. The Board looks forward to working with Ms. Anderson and Mr. Lewis.

There being no further business to consider, the meeting adjourned.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

September 8, 2019

The West Virginia Board of Medicine's Executive/Management Committee met at 101 Dee Drive, Charleston, West Virginia, on September 8, 2019 at 11:15 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Executive / Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Catherine C. Slemp, MD, MPH
Ashish P. Sheth, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

Dr. Challa called the meeting to order. Dr. Sheth moved that the minutes of the Committee's July 14, 2019 meeting be approved. Dr. Slemp seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of July and August 2019 were made available for members to review. Dr. Sheth moved that the purchasing card transactions for the months of July and August 2019 be approved. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that in 2018 the Board of Medicine began receiving notices of outstanding checks that were purportedly issued to the Board but have not yet been deposited. Most of the notices relate to checks issued in 2013 from one entity and appear to relate to drug dispensing registrations. Board staff have been reviewing records to determine which licensees

have discrepant drug dispensing information, and to attempt to associate the outstanding checks with the appropriate licensee and to determine whether these payments are owed to the Board of Medicine or not. Mr. Spangler will consult with the West Virginia Auditor's Office and the West Virginia Treasurer's Office regarding the outstanding checks.

Dr. Faheem joined the meeting at this time.

Mr. Spangler reported that at its May 2019 meeting, the Board issued a Final Order and Decision in the matter of *West Virginia Board of Medicine v. Nathan David Airhart, MD*. In addition to being publicly reprimanded, Dr. Airhart was ordered to pay a civil fine in the amount of \$1,500.00 and to pay the costs and expenses of the proceeding against him. The costs of the proceeding were calculated, and at the July 2019 meeting the Board approved an invoice for the proceedings, totaling \$5,678.00. On August 19, 2019, the Board received payment of the civil fine and the expenses of the proceeding as well as correspondence from Dr. Airhart requesting that the Board reconsider "the amount of the penalty." Following discussion, Dr. Faheem moved that the Committee recommend that the Board decline Dr. Airhart's request to modify the Board's Final Order. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the Board has received correspondence from Arnold Erwin Feldman, MD and Richard Arjun Kaul, MD regarding their intent to file suit against the Federation of State Medical Boards (FSMB) "to ascertain whether the current system of physician regulation by state medical boards is legal, in light of their commercial relationships with the Federation of State Medical Boards, a for-profit, non-government agency." The correspondence will be maintained in accordance with the Board's Record Retention Policy.

Mr. Spangler reported that in 2018, the Board of Medicine approved the West Virginia Board of Pharmacy's proposed recommended parameters to be used in identifying abnormal or unusual prescribing or dispensing patterns among prescribers and recommended that the Board's reassess the efficacy of the parameters in one year. Dr. Faheem moved that the Board of Medicine receive a report from the Complaint Committee and reevaluate the parameters in 2020. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the Board currently provides medical doctor information such as name, address, etc. to the FSMB on a monthly basis pursuant to a Memorandum of Understanding (MOU). The Committee reviewed correspondence received from the FSMB requesting that the Board provide the same information for physician assistants that are licensed by the Board. Dr. Sheth moved that the Board authorize staff to provide public information regarding physician assistants to the FSMB and pursue a MOU to be executed by the Board and the FSMB regarding physician assistant data. Dr. Sheth further moved that the Board begin reviewing and updating all Board of Medicine MOUs and agreements. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that the Board cooperates with state and federal authorities with regard to producing documents in association with appropriate law enforcement subpoenas. Due to recent concerns related to how third parties protect the Board's confidential information, Board staff have developed a protocol to mark all confidential records prior to production and to provide a cover letter reminding law enforcement agencies that the records are confidential and protected.

Mr. Spangler reported that the annual strategic planning meeting will be held on Saturday, October 19, 2019.

Mr. Spangler reported that the following three litigation matters remain in a pending status in the Circuit Court of Kanawha County:

John France MD v. West Virginia Board of Medicine;

Jan Kletter MD v. West Virginia Board of Medicine; and

Amy Young v. West Virginia Board of Medicine.

Mr. Spangler reported that Board staff continue to work with inLumon in developing the database. The 180-day deadline for the database to be fully implemented is November 11, 2019.

Mr. Spangler reported that Joshua Waine, Administrative Office Assistant/Receptionist for the Board, has submitted his resignation. The Board wishes Mr. Waine the best in his future endeavors.

There being no further business to consider, Dr. Sheth moved that the meeting adjourn. Dr. Slemph seconded, and the motion carried.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

November 3, 2019

The West Virginia Board of Medicine's Executive/Management Committee met at 101 Dee Drive, Charleston, West Virginia, on November 3, 2019 at 11:00 am.

The following Committee members were present:

Kishore K. Challa, MD, FACC, Executive / Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Catherine C. Slemp, MD, MPH
Ashish P. Sheth, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the Committee's September 8, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of September and October 2019 were made available for members to review. Dr. Sheth moved that the purchasing card transactions for the months of September and October 2019 be approved. Dr. Slemp seconded, and the motion carried.

The Committee reviewed the proposed schedule of 2020 Board meeting dates. Dr. Sheth moved that the following meeting dates be presented to the Board for approval:

January 13, 2020;
March 9, 2020;
May 18, 2020;
July 13, 2020;
September 14, 2020; and
November 9, 2020.

Dr. Slemph seconded, and the motion carried.

The Committee reviewed the Board's 2020 Strategic Plan that was established during the October 19, 2019 strategic planning meeting. Dr. Faheem moved that the Committee recommend that the Board adopt the 2020 Strategic Plan as presented. Dr. Sheth seconded, and the motion carried.

Prior to today's meeting, a copy of the draft proposed *Data Sharing Agreement* between the Board of Medicine and the Federation of State Medical Boards (FSMB) was made available for members to review. The proposed agreement sets forth the specific Board of Medicine data that is to be shared with the FSMB and the terms of the agreement. Mr. Spangler reported that a few modifications will need to be made prior to the Board entering into the agreement.

Mr. Spangler reported that Board staff are drafting proposed revisions to the Board's current position statement entitled *Appropriate Use of Social Media* for consideration at a future meeting.

Mr. Spangler reported that Board of Medicine applicants are currently required to utilize the Uniform Application (UA) when applying for licensure. In addition to the \$400.00 application fee that is charged by the Board, applicants are required to pay \$60.00 for utilization of the UA service. Legislative changes were mandated during the 2019 session, which require the Board to waive the initial licensing fee for certain low-income and military family applicants. The Board is unable to waive the \$60.00 fee charged for using the UA. Additionally, the Board is currently in the process of transitioning database vendors, and in order to solely use the UA a mechanism to transfer the applicant's information from the UA to the Board's database will be required. Dr.

Sheth moved that the Committee recommend that the Board continue to accept applications via the UA, but also authorize staff to develop an online initial licensure application to be incorporated into the new database, which can be submitted directly to the Board as an alternative to the UA. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and considered correspondence which requests an opinion from the Board regarding several Certified Registered Nurse Anesthetist (CRNA) matters, including whether a clinician not trained or credentialed in anesthesiology may supervise a CRNA. Dr. Faheem moved that Board staff respond to the requestor indicating that under current legal standards, the Board recommends that the best practice is for anesthesiologists to provide oversight of CRNAs and anesthesia plans of care. Dr. Sheth seconded, and the motion carried.

The Committee reviewed and considered correspondence which inquires whether microneedling is considered the practice of medicine and whether it can be performed by independent practice Nurse Practitioners (NPs). Additionally, the correspondence asks if NPs can administer ablative and non-ablative cosmetic laser procedures without physician supervision. Dr. Sheth moved that Board staff respond to the individual indicating that the West Virginia Board of Professional Registered Nurses licenses and regulates nurse practitioners, and that questions regarding nurse practitioner practice should be directed to the appropriate Board. Dr. Sheth further moved that Board staff refer the individual to the Board of Medicine's *Policy Statement on Surgery Using Laser, Pulsed Light, Radiofrequency Devices or Other Techniques*. Dr. Slemp seconded, and the motion carried.

The Committee reviewed and considered correspondence from a licensee expressing concern that some physicians are cutting back and/or ceasing to prescribe medications to patients, thus leading to situations where patients cannot obtain appropriate pain management care. Mr. Spangler reported that he will respond to the licensee indicating that the Board agrees that safe and appropriate prescribing of controlled substances can be an important part of patient care, and that the Center for Disease Control provides guidance on the appropriate standard of care. The Board will continue to provide education and information on safe and appropriate prescribing.

The Committee reviewed and considered correspondence which requests that the Board define the term “direct supervision” as used in the Board’s *Policy Statement on Surgery Using Laser, Pulsed Light, Radiofrequency Devices or Other Techniques*. Direct supervision is an older term that has been replaced in new Board rules with the term “on-site collaboration”, which has a substantially equivalent definition. Dr. Faheem moved that Board staff respond to the requestor and provide that direct supervision means that the supervising physician must be present in the office suite and immediately available to furnish assistance and directions to the advanced practice provider. Dr. Sheth seconded, and the motion carried.

The Committee reviewed and considered correspondence requesting that the Board email physicians a survey entitled *WV Physician Retention*. Dr. Faheem moved that the Committee recommend that the Board authorize staff to email all active status medical doctors a link to the survey. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that a hearing regarding the *Plaintiff’s Motion for Summary Judgment* in the matter of *John France, MD v. West Virginia Board of Medicine* is scheduled to occur on November 14, 2019. Kelli Talbott, Senior Deputy Attorney General, is representing the Board in this matter.

Mr. Spangler reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains in a pending status in the Circuit Court of Kanawha County.

Mr. Spangler reported that depositions are being scheduled in the matter of *Amy Young v. West Virginia Board of Medicine*.

Mr. Spangler provided an update regarding the notices received in 2019 of outstanding checks that were purportedly issued to the Board but were not deposited. After researching this matter, it was determined that most of the funds were not owed to the Board, and therefore were not submitted to the West Virginia State Treasures Office as unclaimed property.

Mr. Spangler reported that Board staff continue to work with inLumon in developing the new database and website. The 180-day deadline for implementation is November 11, 2019. As

the Board has not yet been able to view Board of Medicine data in the inLumon database, it is anticipated that implementation will not occur on November 11, 2019. The Board will likely need to enter into an Extension Agreement with inLumon and our current database vendor, Big Picture.

Mr. Spangler reported that Thomas Matthew McCall has been hired as Administrative Office Assistant/Receptionist for the Board.

ADJOURNMENT

There being no further business to consider, Dr. Slemp moved that the meeting adjourn. Dr. Sheth seconded, and the motion carried.

The following Committee member was absent:

Ahmed D. Faheem, MD, DLFAPA

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order. Dr. Slemp moved that the minutes of the Committee's November 3, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of November and December 2019 were made available for members to review. Dr. Sheth moved that the purchasing card transactions for the months of November and December 2019 be approved. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that during a recent purchasing card audit, it was discovered that the Board's internal purchasing card practice is not consistent with our *Purchasing Card Internal*

Controls and Security Policy, as the written policy has not been updated in some time. Board staff have updated the *Purchasing Card Internal Controls and Security Policy*. Prior to today's meeting, a copy of the revised policy was made available for members to review. Dr. Slemp moved that the Committee recommend that the Board adopt the *Purchasing Card Internal Controls and Security Policy* as presented. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the West Virginia Treasurer's Office applies a 2.25% convenience fee to all payments made to the Board via credit card transaction. In January 2016, and again in January 2018, the Board elected to absorb the 2.25% convenience fee that is applied to credit card transactions for a period of two years and reevaluate thereafter. Dr. Sheth moved that the Committee recommend that the Board continue to absorb the 2.25% convenience fee that is applied to credit card transactions for a period of two years and reevaluate thereafter. Dr. Slemp seconded, and the motion carried.

Prior to today's meeting, a copy of the draft proposed *Data Sharing Agreement* between the Board of Medicine and the Federation of State Medical Boards (FSMB) was made available for members to review. The proposed agreement, which will supersede a prior, expired agreement with the FSMB, sets forth the specific Board of Medicine data that is to be shared with the FSMB and the terms of the agreement. Dr. Sheth moved that the Committee recommend that the Board enter into the *Data Sharing Agreement* with the FSMB. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that in April 2019, the FSMB Ethics and Professionalism Committee released updated guidance on the use of social media and electronic communications in medical practice. Board staff have updated the Board's position statement, which was originally based on 2012 FSMB guidelines. The revised position statement incorporates most of the updated FSMB guidelines. Significant changes were made to section five, as it related to the use of social media by medical boards as opposed to licensees. Dr. Sheth moved that the Board change the policy title from *Model Guidelines for the Appropriate Use of Social Media and Social Networking in Medical Practice* to *The Appropriate Use of Social Media and Electronic Communications in Medical Practice* and recommend that the Board adopt the revised policy. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that in keeping with the Board's strategic goal to continue to build relationships with other healthcare related boards and associations, Board staff would like to explore the possibility of a joint training session with various other boards and associations. Preliminary proposed training topics include confidentiality, ethics and how to issue a final order in a disciplinary matter. The Committee directed Board staff to explore the possibility of a joint training session, to include the Board of Medicine and other healthcare related boards and associations.

The Committee reviewed and considered correspondence which requests that a representative of the Board attend a meeting on February 20, 2020 to discuss certified registered nurse anesthetists supervising fluoroscopy procedures in the absence of a licensed physician. Board staff will respond to the requestor advising them that a representative of the Board is not available to attend their meeting on February 20, 2020; however, if they wish to provide a detailed explanation of the issue at hand, including any specific questions that they have, the Executive/Management Committee will consider their correspondence at its March 8, 2020 meeting.

Mr. Spangler reported that a hearing regarding the *Plaintiff's Motion for Summary Judgment* and *Defendant's Cross-Motion for Summary Judgment* in the matter of *John France, MD v. West Virginia Board of Medicine* was held on November 14, 2019 in the Circuit Court of Kanawha County. At the hearing, the Judge ruled in the Board's favor and denied the *Plaintiff's Motion for Summary Judgment* and granted the *Defendant's Cross-Motion for Summary Judgment*.

Mr. Spangler reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains in a pending status in the Circuit Court of Kanawha County.

Mr. Spangler reported that depositions were occurring in the matter of *Amy Young v. West Virginia Board of Medicine*; however, counsel representing Ms. Young changed. On December 20, 2019, counsel for the Board, Charles R. Bailey, Esq., filed a *Motion for Summary Judgment* in the Circuit Court of Kanawha County. Additionally, the new counsel representing Ms. Young has filed a *Motion for Continuance*, which the Board does not intend to contest.

Mr. Spangler reported that Board staff continue to work with inLumon in developing the new database and website. inLumon and Board staff are meeting on a weekly basis. While implementation of the database and website are behind schedule, progress is being made.

ADJOURNMENT

There being no further business to consider, Dr. Sheth moved that the meeting adjourn. Dr. Slemp seconded, and the motion carried.

Dr. Challa called the meeting to order. Dr. Sheth moved that the minutes of the Committee's January 12, 2019 meeting be approved. Dr. Faheem seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of January and February 2020 were made available for members to review. Dr. Sheth moved that the purchasing card transactions for the months of January and February 2020 be approved. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and considered correspondence from the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners seeking an opinion concerning its interpretive rule, 18 CSR 6, section 4.8, which states that interpretative fluoroscopic procedures are to be performed only under direct supervision of a West Virginia licensed physician. The reason for the request is that the Imaging Board has received a request to allow a certified registered nurse anesthetist to replace the role of a licensed physician in supervising interpretative fluoroscopy procedures. Dr. Sheth moved that the Committee authorize Board staff to respond to the Medical Imaging & Radiation Therapy Technology Board of Examiners indicating that the Board concurs with the standards set forth in 18 CSR 6 section 4.8. Dr. Faheem seconded, and the motion carried.

The Committee reviewed and considered correspondence which seeks clarification regarding physician compounding of sterile drug products without a pharmacist present in their medical oncology office. Dr. Faheem moved that the Committee authorize Board staff to respond to the requestor indicating that the West Virginia Board of Pharmacy would be the appropriate entity to address their questions. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that Board staff have begun receiving quotes for converting paper licensee historical records to electronic format. Board staff will continue to obtain quotes and will report back to the Committee at a future date.

Mr. Spangler reported that the Board's legislative rule 11 CSR 4, *Fees for Services Rendered by the Board of Medicine Including Assistance to the Board-Designated Physician Health Program for Physicians, Podiatrists, and Physician Assistants*, provides that the Board's written licensure verification fee is \$25.00. Since 2009, the Board has contracted with VeriDoc to provide license verification services. VeriDoc recently increased its charges to \$42 for verification of a West Virginia license. Given that the amount charged by VeriDoc exceeds the amount set forth in 11 CSR 4, Dr. Faheem moved that the Committee recommend that the Board authorize staff to begin processing written licensure verification in-house for \$25.00 for practitioners who elect not to utilize VeriDoc. It is anticipated that in-house verifications will be processed within four to six weeks. VeriDoc would remain an alternate verification pathway for licensees who need expedited verification of licensure. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that the Board's policy entitled *Public Policy Statement on Surgery Using Laser, Pulsed Light, Radiofrequency Devices, or Other Techniques* was adopted in July 2007 and readopted in May 2010. Board staff will review the policy and draft proposed amendments for consideration at a future meeting.

Mr. Spangler reported that a hearing on cross motions for summary judgement in the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* is scheduled for March 30, 2020 in the Circuit Court of Kanawha County.

Mr. Spangler reported that the matter of *Amy Young v. West Virginia Board of Medicine* remains pending in the Circuit Court of Kanawha County. The Board has filed a *Motion for Summary Judgment* in this matter.

Mr. Spangler reported that the *Data Sharing Agreement* between the West Virginia Board of Medicine and the Federation of State Medical Boards became effective on January 28, 2020. The Agreement will remain in effect until terminated by either the Board of Medicine or the Federation of State Medical Boards.

Mr. Spangler reported that Board staff continue to work with inLumon in developing the new database and website. While implementation of the database and website are behind schedule, Board staff are seeing progress with regard to the licensure component of the database as well as website design. In order to allow inLumon additional time to develop and implement the new database and website, the Board will need to enter into an extension agreement with them. Additionally, the Board will need to enter into an extension agreement with our current database vendor, Big Picture, to ensure that they continue to provide services for the Board until the inLumon database and website are implemented. Dr. Sheth moved that the Committee recommend that the Board enter into an extension agreement with inLumon and Big Picture. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that Valerie Anderson, Physician Assistant Licensure Analyst for the Board, has submitted her resignation. The Board is currently accepting applications for this position. The Board wishes Ms. Anderson the best in her future endeavors.

Mr. Spangler reported that the Board is in the process of hiring a temporary employee to assist the licensure division through July 2020. In July 2020, Board staff will reevaluate staffing needs.

ADJOURNMENT

There being no further business to consider, Dr. Sheth moved that the meeting adjourn. Dr. Slemp seconded, and the motion carried.

Executive/Management Committee Minutes

April 17, 2020

The West Virginia Board of Medicine's Executive/Management Committee met at 101 Dee Drive, Charleston, West Virginia, on April 17, 2020 at 5:00 pm.

The following Committee members attended the meeting via teleconference:

Kishore K. Challa, MD, FACC, Executive/Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD

The following Committee member was absent:

Catherine C. Slemp, MD, MPH

The following Staff members was present:

Mark A. Spangler, MA

The following Staff members attended the meeting via teleconference:

Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Mr. Spangler reported that the Board has received correspondence which requests that the Board amend 11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*, to expand the scope of practice for graduate medical education training participants during the declared State of Emergency. However, after the correspondence was received, and this meeting called, the requesting hospital indicated that it wanted to defer action on its request at the current time. Any modification to 11 CSR 12 would

require the issuance of an Executive Order by Governor Jim Justice. Following discussion, Dr. Sheth moved that the Committee table this agenda item and authorize Board staff to respond to the requestor indicating that their request for the Board to amend 11 CSR 12 to expand the scope of practice for graduate medical training participants has been tabled in accord with their request. The Board will readdress this matter if the need arises. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that educational permit renewal is scheduled to commence on May 6, 2020. The Board has previously extended permit expiration until September 30, 2020. Given the volume of emergency registrations that Board staff are processing in response to the current State of Emergency, and in light of the extended expiration date, Dr. Sheth moved that educational permit renewal begin on July 1, 2020 and conclude as scheduled on September 30, 2020. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that during the current State of Emergency the West Virginia Medical Professionals Health Program (WVMPHP) has temporarily modified some of its monitoring practices for WVMPHP participants. For example, rather than attending required meetings in a face-to-face setting, participants are permitted to attend the meetings electronically. There is no change with regard to reporting participant noncompliance to the Board of Medicine. The temporary modifications are scheduled to continue through July 14, 2020.

Mr. Spangler reported that the upcoming regularly scheduled committee and board meetings are slated to be held on May 16-18, 2020. Given the current State of Emergency and pursuant to Executive Order 9-20, which prohibits gatherings of more than ten individuals in an area, it is likely that the Board will need to hold the May 2020 meetings via teleconference. There are currently several licensure applicants who have been requested to appear before the Licensure Committee at its May 16, 2020 meeting. Dr. Faheem moved that the Committee authorize Board staff to discuss with the Licensure Committee Chair, Harry E. Duncan, MD, the best way to facilitate licensure appearances at the May 16, 2020. Dr. Sheth seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, the meeting adjourned by consensus.

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

CALL TO
ORDER

Prior to today's meeting, a copy of Executive Order 30-20 and proposed *Guidance and Best Practices for the Safe Resumption of Practice for Board of Medicine Licensees* that was drafted by Board staff was made available for members to review. Mr. Spangler reported that Executive Order 30-20, which was entered by Governor Justice on April 27, 2020, directs all Chapter 30 Health Care Boards "to develop, publish, and disseminate guidance, including as to timing of implementation and resumption or expansion of services under the jurisdiction of the respective boards, and best practices to their respective memberships and professional communities for the safe resumption or expansion of services, in order to protect the medical and health care providers and the public alike against the COVID-19 virus." Following discussion, Dr.

Faheem moved that the Committee adopt the *Guidance and Best Practices for the Safe Resumption of Practice for Board of Medicine Licensees* as presented. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that medical doctor license renewal and controlled substance dispensing practitioner registration renewal for physicians whose last names begin with the letters A through L is scheduled to commence on May 6, 2020. In testing the medical doctor online renewal application, Board staff have identified several issues with the renewal application. These issues have been reported to the Board's database vendor, Big Picture, and the vendor is working to resolve the issues. The Board has previously extended the expiration date for medical licenses and controlled substance dispensing practitioner registrations until September 30, 2020. Given the outstanding issues with the renewal application, Dr. Sheth moved that the Committee delegate authority to Mr. Spangler to determine when the 2020 medical doctor license and controlled substance dispensing practitioner registration renewal should begin. Dr. Sheth further moved that the new renewal date should not exceed 30 days from the current date that renewal is scheduled to commence, which is May 6, 2020. Dr. Faheem seconded, and the motion carried.

ADJOURNMENT

There being no further business to consider, the meeting adjourned by consensus.

WEST VIRGINIA BOARD OF MEDICINE

Executive/Management Committee Minutes

May 17, 2020

The West Virginia Board of Medicine's Executive/Management Committee met via GoToMeeting on May 17, 2020 at 11:00 am.

The following Committee members attended the meeting:

Kishore K. Challa, MD, FACC, Executive/Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slemp, MD, MPH

The following Staff members attended the meeting:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Andrew R. Wessels

In the absence of Dr. Challa, Dr. Sheth chaired the meeting. Dr. Sheth called the meeting to order. Dr. Slemp moved that the minutes of the Committee's March 8, 2020 meeting, April 17, 2020 special meeting and April 29, 2020 emergency meeting be approved. Dr. Faheem seconded, and the motion carried.

CALL TO
ORDER AND
APPROVAL
OF MINUTES

Prior to today's meeting, a copy of the fiscal report and purchasing card transactions for the months of March and April 2020 were made available for members to review. Dr. Faheem moved that the purchasing card transactions for the months of April and May 2020 be approved. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that the Board has received correspondence from the Joint Standing Committee on Government Organization which indicates that during the 2020-2021 Legislative Interims, the Committee will be studying professional and occupational licensure pursuant to:

House Committee Resolution 114, requesting the Joint Committee on Government and Finance to conduct a study of licensure, certification and registration forms of occupational and professional regulation;

House Committee Resolution 116, requesting the Joint Committee on Government and Finance to conduct a study of duplicative and unnecessary professional and occupation regulations; and

House Committee Resolution 129, requesting that the Joint Committee on Government and Finance study the professional and occupational licensing policies.

Legislative Auditors have previously recommended that certain Chapter 30 Boards could benefit from combining staff functions by participating in a multi-professional licensing agency. They have also previously recommended that certain smaller boards partner with the Board of Medicine and the Board of Osteopathic Medicine to improve their access to the public and to improve their processes. The Joint Standing Committee on Government Organization has requested that on or before July 1, 2020, the Board of Medicine and the Board of Osteopathic Medicine provide a written response which answers several questions posed by the Committee. Dr. Faheem moved that Board staff contact the Board of Osteopathic Medicine to determine if they are interested in meeting to discuss the subject matter of the request. Dr. Faheem further moved that Board staff draft a proposed response to the Joint Standing Committee on Government Organization. Dr. Slemp seconded, and the motion carried. The proposed response will be considered by the Executive/Management Committee at a special meeting, which will be held prior to July 1, 2020.

Mr. Spangler reported that the Board has received correspondence from the Legislature reminding the Board that pursuant to W. Va. Code §29A-3-20(b) executive agencies with rule-making authority must review all rules under the agency's jurisdiction to determine whether the rule should be continued without change, modified or repealed. On or before July 1, 2020, each agency must submit to the Legislative Rule-Making Review Committee the following information for each rule:

a description of the rule;
a determination of whether the rule should be continued without change, be modified or be repealed; and
the reasoning for the determination.

Board staff will review each of the Board's rules and will draft a response to be considered by the Board at a special meeting, which will be held prior to July 1, 2020. Dr. Faheem moved that the Committee recommend that the Board authorize the Executive/Management Committee to convene a special meeting to act on behalf of the Board with regard to the regulatory reform review. Dr. Slemp seconded, and the motion carried.

Dr. Challa joined the meeting at this time.

Mr. Spangler reported that the Board is currently accepting written comments on proposed legislative rule 11 CSR 14, *Registration to Practice During Declared State of Emergency*. The comment period concludes at 4:30 pm on Saturday, May 23, 2020. In the past, the Board has authorized the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to reviewing the comments received, making any necessary amendments, and authorizing staff to file the agency approved version of the rule with the Secretary of State's Office. As the Legislative Committee did not meet yesterday, Dr. Faheem moved that the Executive/Management Committee recommend that the Board authorize the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to proposed legislative rule 11 CSR 14. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that the Board has received correspondence from a nurse practitioner which seeks clarification regarding the role of a medical doctor in prescribing Schedule II medications for a nurse practitioner's patients. Specifically, the correspondence asks "If I myself see a patient every 3 months is the doctor that will be sending in the prescription medication for Schedule II also required to see that patient face to face prior to sending in the medication?" Dr. Faheem moved that the Board staff provide a written response to the requestor referring them to the appropriate statutory authority and advising them that future questions should be directed to

the West Virginia Board of Examiners for Registered Professional Nurses, as that entity licenses and regulates nurse practitioners. Dr. Challa seconded, and the motion carried.

Mr. Spangler reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains pending in the Kanawha County Circuit Court.

Mr. Spangler reported that the matter of *Amy Young v. West Virginia Board of Medicine* remains pending in the Kanawha County Circuit Court. A pretrial conference is scheduled for February 18, 2021 and the trial is scheduled to convene on March 1, 2021.

Mr. Spangler reported that on or around April 27, 2020, the Board received notice of *Women's Health Center of West Virginia v. Patrick Morrissey, et al*, which named the Board of Medicine as a defendant. This matter related to the Governor's issuance of an Executive Order prohibiting elective medical procedures during the declared state of emergency. Women's Health Center of West Virginia sought a temporary restraining order prohibiting the application of the Executive Order to abortions. Following the Governor's issuance of an Executive Order authorizing the resumption of elective medical procedures, Women's Health Center of West Virginia filed a *Notice of Voluntary Dismissal* in this matter.

Mr. Spangler reported that online medical doctor license renewal for physicians whose last names begin with the letters A through L began at 8:30 am on May 11, 2020 and will conclude at 4:30 pm on September 30, 2020. As of Friday, May 15, 2020, 376 medical doctors have completed the online renewal process. Controlled substance dispensing practitioner registration renewal for physicians whose last names begin with the letters A through L and professional limited liability company renewal also began on May 11, 2020 and will conclude at 4:30 pm on September 30, 2020. Educational permit renewal will begin on July 1, 2020.

Mr. Spangler reported that the Board has entered into an extension agreement with our current database vendor, Big Picture, which is valid through May 2021. The extension agreement will allow Big Picture to continue to provide services for the Board until the inLumon database and website are implemented. Board staff continue to work with inLumon in developing the

database and website. It is anticipated that the inLumon database and website will be fully implemented in the fall.

Mr. Spangler reported that in 2016, the Legislature established the Joint Advisory Council on Limited Prescriptive Authority. The purpose of the Council is to advise the West Virginia Board of Examiners for Registered Professional Nurses regarding collaborative agreements and prescriptive authority for advanced practice registered nurses. The Governor is to appoint two allopathic physicians, as recommended by the Board of Medicine, who are in a collaborative relationship with an advanced practice registered nurse to serve on the Council. To date, no allopathic physicians have been appointed. Dr. Challa announced that he will recommend that the Governor appoint Ashish P. Sheth, MD and Jonathan P. Lilly, MD to serve as members of the Council.

Executive/Management Committee Minutes

June 24, 2020

The West Virginia Board of Medicine's Executive/Management Committee met on June 24, 2020 at 12:00 pm via GoToMeeting.

The following Committee members attended the meeting:

Kishore K. Challa, MD, FACC, Executive/Management Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Ashish P. Sheth, MD
Catherine C. Slem, MD, MPH

The following Staff members attended the meeting:

Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

At its May 2020 meeting, the Executive/Management Committee discussed correspondence that was received from the Joint Standing Committee on Government Organization. The correspondence indicated that during the 2020-2021 Legislative Interims, the Committee will be studying professional and occupational licensure. The Joint Standing Committee on Government Organization requested that on or before July 1, 2020, the Board of Medicine and the Board of Osteopathic Medicine provide written correspondence which answers several questions posed by the Committee. In May, the Executive/Management Committee directed Board of Medicine staff to contact the Board of Osteopathic Medicine to determine if they would be interested in meeting to discuss the subject matter of the request. Mr. Spangler reported

that Board staff contacted the Board of Osteopathic Medicine as directed, and that the staff level discussions occurred between the boards' respective executive directors and legal counsel. As a result, it was jointly determined that as there were no material changes in the boards' respective positions, a board-level meeting was not needed to respond to the correspondence. Prior to today's meeting, a draft proposed response to the Joint Standing Committee on Government Organization was made available for members to review. The proposed response provides: a brief introduction into the public protection responsibilities of the Board of Medicine; an overview of licensure, registration, permitting and certification activity; an overview of complaints, investigations and disciplinary activity; an overview of education, outreach, publications and regulation activity; and a detailed answer to each of the questions posed by the Joint Committee. Following discussion, Dr. Faheem moved that the Committee adopt the draft correspondence and authorize Board staff to respond to the Joint Committee on Government Organization as presented to and discussed by the Committee. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that on November 1, 2018, the Board of Medicine provided a review of each rule promulgated by the Board and under its jurisdiction to the Governor and the Legislative Rule-Making Review Committee. Board staff have reviewed each of the Board's rules and have drafted a proposed supplemental response which update the Board's November 1, 2018 response. The proposed response includes a brief description of each rule, as well as a determination as to whether the rule should be continued without change, modified or repealed and the reasoning for the determination. Prior to today's meeting, a copy of the proposed supplemental response was made available to members for review. Board staff recommended that the following rules be reviewed within the next two years:

11 CSR 3, *Board Organization and Meeting Procedure; Complaint and Contested Case Hearing Procedures* – review within the next twenty-four months.

11 CSR 6, *Continuing Education for Physicians and Podiatric Physicians* – review in 2022

11 CSR 7, *Formation and Approval of Professional Limited Liability Companies* – review in 2021

11 CSR 8, *Collaborative Pharmacy Practice* – review in 2022

11 CSR 10, *Practitioner Requirements for Accessing the West Virginia Controlled Substances Monitoring Program Database* – review in 2022.

Following discussion, Dr. Sheth moved that Board staff modify the supplemental response to reflect that Board rule 11 CSR 6 will be reviewed in 2021 rather than 2022. Dr. Sheth further

moved that the Committee authorize Board staff to submit the supplemental response to the Governor and the Legislative Rule-Making Review Committee as modified. Dr. Slemp seconded, and the motion carried.

Mr. Spangler reported that on April 23, 2020, Board staff filed a Notice of Comment Period on proposed rule 11 CSR 14, *Registration to Practice During Declared State of Emergency*. The Notice established a thirty-day comment period on the proposed new rule, which concluded at 4:30 pm on Saturday, May 23, 2020. Prior to today's meeting, a copy of each of the comments that the Board received was made available for members to review. In total, the Board received thirteen written comments regarding the proposed rule. Following review, consideration and discussion of each of the comments received, Dr. Faheem moved that the Committee authorize Mr. Spangler to act on behalf of the Board and file the agency-approved without modification. Dr. Slemp seconded, and the motion carried.

There being no further business to consider, the Dr. Sheth moved that the meeting be adjourned. Dr. Faheem seconded, and the motion carried.

**CALL TO
ORDER**

Dr. Steele, presiding as Acting Chair by designation, called the meeting to order.

**APPROVAL
OF**

MINUTES Dr. Mullins made a motion to approve the May 19, 2019 Complaint Committee meeting minutes. Dr. Lakin seconded the motion, and the motion carried.

**BOARD
COUNSEL**

REPORT Mr. Foster provided an update with respect to the Consent Orders offered by the Committee. Since the May 2019 meeting, fully executed Consent Orders have been entered with respect to the following licensees:

1. Manuel Cortez Barit, MD: On May 20, 2019, the licensee entered into a Consent Order immediately and permanently surrendering his West Virginia medical license. The physician also agreed not to submit any application or request seeking reinstatement or reactivation of his surrendered license in the future.
2. Stephen J. Mallott, MD: On June 4, 2019, the licensee entered into a Consent Order permanently surrendering his West Virginia medical license, effective July 1, 2019. His license was subject to terms and conditions between June 4, 2019 and July 1, 2019, during the winding down of his medical practice. The physician also agreed not to submit any application or request seeking reinstatement or reactivation of his surrendered license in the future.
3. Nicholas Clay Vance, PA-C: On May 20, 2019, the licensee entered into a Consent Order with the Board which imposes a fine in the amount of \$200.00 for failure to disclose his DUI arrest on his 2017 license renewal application.

EXECUTIVE

SESSION Dr. Lakin moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Mullins seconded the motion, and the motion carried.

PUBLIC

SESSION The Committee re-entered public session. Dr. Lakin declared a conflict in a pending Complaint Committee matter. Dr. Lakin disclosed that her conflict relates to the fact that the responding licensee's legal counsel represents her in a pending legal matter and exited the meeting room. Dr. Challa joined the meeting room, and a quorum was present for the consideration of the matter for which Dr. Lakin declared a conflict. Dr. Mullins moved to withdraw Complaint No. 19-29-W. Dr. Challa seconded the motion and the motion carried. Having completed that matter which Dr. Lakin declared a conflict, Dr. Lakin returned to the meeting room for the remainder of the meeting.

EXECUTIVE

SESSION Dr. Mullins moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Lakin seconded the motion, and the motion carried.

PUBLIC

SESSION The Committee re-entered public session. Dr. Mullins declared a conflict in a pending Complaint Committee matter. Dr. Mullins identified the matter as a confidential report pending before the Committee for the possible initiation of Committee complaints and investigations. Dr. Mullins disclosed that his conflict relates to the fact that his professional

interactions with the licensee may create an appearance of partiality or bias and exited the meeting room. Dr. Lakin moved that the Committee initiate Complaint No. 19-84-W. Dr. Challa seconded the motion, and the motion carried. Having completed the matter which Dr. Mullins declared a conflict, Dr. Mullins returned to the meeting room for the remainder of the meeting and Dr. Challa left the meeting and was not present for the remainder of the meeting.

EXECUTIVE

SESSION Dr. Lakin moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Mullins seconded the motion, and the motion carried.

PUBLIC

SESSION The Executive Session having concluded, the Complaint Committee returned to Public Session.

Va. Code § 30-3-14(c)(17) and W. Va. Code R. §§ 11-1A-12.1.e, 12.1.j and 12.2.d.

EXECUTIVE

SESSION Dr. Steele moved that the Public Session be recessed in order to enter into Executive Session pursuant to W. Va. Code §§ 6-9A-4(b)(4) and (6), and West Virginia Code §30-3-6 to discuss pre-probable cause disciplinary matters, matters effecting a license, and information that, if disclosed, would constitute an unwarranted invasion of privacy. Dr. Lakin seconded the motion, and the motion carried.

PUBLIC

SESSION The Executive Session concluded, and the Complaint Committee returned to Public Session.

COMPLAINT COMMITTEE

ACTIONS Upon return to Public Session, Dr. Steele moved that the Committee take the following actions:

Dr. Steele moved that the Committee seek authority from the Board to issue Consent Orders or Amended Consent Orders in nine ongoing matters. Dr. Mullins seconded the motion, and the motion carried.

Dr. Sheth moved that the Committee recommend that the Board order a Mental and Physical Examination for Physician Assistant A based upon the following:

1. The Complaint Committee of the Board is currently conducting an investigation in connection with allegations against Physician A related to a potential impairment issue.
2. Physician Assistant A appeared before the Complaint Committee on March 8, 2020 in connection with the Committee's investigation. The licensee has declined a referral to the West Virginia Medical Professionals Health Program, asserting that he or she does not meet the criteria for participation. Based upon information currently in possession of the Complaint Committee, the Committee unanimously agreed that it has concerns regarding the mental and physical health and well-being of Physician Assistant Physician
3. West Virginia Code § 30-3-14(f) and West Virginia Code Rule § 11-1B-19 authorizes the Board, under any circumstances, to require a licensee to submit to a mental or physical examination by a physician or physicians approved by the Board.
4. Such mental and physical examination should be scheduled as soon as practical and should include a recommendation regarding whether or not participation in the WVMPHP is indicated for the licensee's continuation in practice.

Dr. Lakin seconded the motion, and the motion carried.

ADJOURNMENT There being no further business, the Complaint Committee determined by consensus to adjourn.

WEST VIRGINIA BOARD OF MEDICINE

Board Meeting Minutes

July 15, 2019

The West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on July 15, 2019 at 9:00 am.

The following Board members were present for the meeting:

Kishore K. Challa, MD, FACC, President and Executive/Management Committee and Personnel Committee Chair
Ashish P. Sheth, MD, Vice President and Complaint Committee Chair
Timothy J. Donatelli, DPM
Harry E. Duncan, MD, Licensure Committee Chair
Ahmed D. Faheem, MD, DLFAPA
Reverend Janet M. Harman
Carrie A. Lakin, DPM
Jonathan P. Lilly, MD
David A. Mullins, MD
Victoria L. Mullins, PA-C, Physician Assistant Committee Chair
Mustafa Rahim, MD
Thomas Wesley Steele, MD
Russell O. Wooton
Kenneth Dean Wright, PA-C, Legislative Committee Chair

The following Board members were absent:

Angela A. Mayfield
Catherine C. Slemp, MD, MPH, Secretary

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Valerie S. Anderson
Greg S. Foster, Esq.
Jamie C. Frame
Joseph A. Lewis
Sheree J. Thompson
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Challa called the meeting to order and welcomed new employees Valerie Anderson, physician assistant licensure analyst, and Joseph Lewis, paralegal. The Board looks forward to working with Ms. Anderson and Mr. Lewis.

Dr. Challa reminded members that the annual strategic planning meeting is scheduled for Saturday, October 19, 2019.

Dr. Challa announced that following today's meeting, P. Bradley Hall, MD, Executive Director of the West Virginia Medical Professional Health Program will be presenting to the Board.

Dr. Faheem moved that the minutes of the Board's May 20, 2019 meeting be approved. Dr. Duncan seconded, and the motion carried. Dr. Lakin moved that the minutes of the Board's June 18, 2019 special meeting be approved. Reverend Harman seconded, and the motion carried.

**APPROVAL
OF MINUTES**

Mr. Spangler reported that the Board is meeting the goals and objectives outlined in the 2019 Strategic Plan. Additionally, Mr. Spangler reported that the Federation of State Medical Board has acknowledged the Board's strategic planning efforts as well as the quality of the Board's newsletter.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler reported that Jordan Alexander Bleecker, PA-C and Anthony Paul Brunetti, PA-C were inadvertently left off of the July 13, 2019 Physician Assistant Committee Agenda. Their applications were complete prior to the meeting deadline and were omitted due to a clerical error. While the Physician Assistant Committee did not have the opportunity to review these compliant applications on Saturday, Physician Assistant Committee members reviewed Mr. Bleecker and Mr. Brunetti's application prior to today's meeting. Reverend Harman, who serves on the Physician Assistant Committee, moved that Mr. Brunetti be approved for physician assistant licensure. Ms. Mullins seconded, and the

motion carried. Dr. Challa declared a conflict with regard to Mr. Bleecker and left the meeting room at this time. Reverend Harman moved that Mr. Bleecker be approved for physician assistant licensure. Dr. Duncan seconded, and the motion carried. Dr. Challa returned to the meeting room at this time.

Ms. Thompson and Ms. Anderson left the meeting room at this time and were not present for the remainder of the meeting.

Dr. Challa reported that the Executive/Management Committee met on Sunday, July 14, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for May and June 2019.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Dr. Challa reported that Alex Yazhbin, MD's application for medical licensure was transferred from the Licensure Committee to the Executive/Management Committee for consideration at a Sunday meeting. Having met with Dr. Yazhbin, the Committee recommended that Dr. Yazhbin be approved for medical licensure. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Committee reviewed correspondence regarding the denial of certain medications by an insurance company. The Committee directed Board staff to respond to the correspondence indicating that the Board of Medicine is not the appropriate state agency to address this concern but that the Board is interested in engaging with stakeholders to consider and advocate for resolution of this problem. Board staff was also directed to contact the West Virginia Insurance Commissioner's Office to obtain information regarding how complaints such as this are handled by their office and whether there are any ongoing initiatives to address this concern.

Dr. Challa reported that the Committee reviewed correspondence inquiring whether medical school faculty licensees may provide services via telemedicine to patients who are not physically located at the medical center of the medical school where the medical school

faculty licensee holds an academic appointment. Currently, 7 Board of Medicine licensees hold a medical school faculty license. The Committee recommended that the Board authorize staff to respond to the inquiry indicating that, pursuant to W. Va. Code § 30-3-11a.(c) the medical practice of a physician licensed pursuant to this section is limited to the medical center of the medical school to which the physician has been appointed to the faculty, and that W. Va. Code § 30-3-13a.(b)(1) provides that the practice of medicine occurs where the patient is located at the time that telemedicine technologies are used. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Committee reviewed correspondence requesting that the Board's continuing education rule be modified to allow podiatric physicians to satisfy their continuing education requirements through Board certification, recertification or maintenance of certification during the relevant period. A change to the Board's continuing education rule would require legislative action. The deadline for filing rules for consideration during the 2020 legislative session has passed, therefore the earliest this matter could be considered is during the 2021 session. The Committee directed Board staff to research this topic and to report back to the Committee at a future meeting for consideration of possible rulemaking next cycle.

Dr. Challa reported that during the 2019 session, the Legislature passed House Bill 2324, authorizing the Board of Acupuncture to issue certificates to perform auricular acudetox therapy. The Board of Acupuncture was accepting public comments on their proposed legislative rule 32 CSR 14, *Auricular Detoxification Therapy Certificate*, through midnight yesterday, July 14, 2019. The proposed rule sets forth the application process, the qualifications needed and the causes for denial, probation, limitation, discipline, suspension or revocation of certificates for auricular acudetox. Physician assistants are among the individuals who are eligible to apply for an auricular detoxification therapy certificate. At the direction of the Committee, Board staff submitted a comment suggesting that the Board of Acupuncture:

1. Notify the auricular detoxification therapy certificate holder's licensing board when a certificate is issued and when a certificate expires;
2. Notify the auricular detoxification therapy certificate holder's licensing board when any action is taken by the Board of Acupuncture; and
3. Include a provision in the proposed rule which permits the Board of Acupuncture to share complaint and investigation information with the certificate holder's licensing Board.

A copy of the Board's comment that was submitted to the Board of Acupuncture was made available for members to review.

Dr. Challa reported that the Board is currently accepting written comments on proposed amendments to 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and a proposed new rule series 11 CSR 13 *Waiver of Initial Licensing Fees for Certain Initial Licensure Applications*. The comment period ends at 4:30 pm on July 19, 2019. In the past, the Board has authorized the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to reviewing the comments received, making any necessary amendments, and authorizing staff to file the agency approved version of the rules with the Secretary of State's Office. As the Legislative Committee did not meet yesterday, the Executive/Management Committee recommended that the Board authorize the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to proposed legislative and emergency rule 11 CSR 1B and proposed legislative rule 11 CSR 13. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that at the May 19, 2019 meeting, the Committee directed Board staff to contact the West Virginia Secretary of State's Office regarding the business registration process and corporate name approval for medical corporations and professional limited liability companies which are not owned and operated by licensees of this Board. Per conversation with Secretary of State staff, there is currently no process for vetting business names for non-physician owned businesses which contain medical terminology

that may be misleading to the public. The Committee will refer this matter to the Legislative Committee for consideration.

Dr. Challa reported that the following three litigation matters remain in a pending status:

John France, MD v. West Virginia Board of Medicine;
Jan Kletter, MD v. West Virginia Board of Medicine; and
Amy Young v. West Virginia Board of Medicine.

Dr. Challa reported on the number of licenses, certificates and registrations that were renewed, as well as the number that expired, during the 2019 renewal cycle. The chart below was made available for members to review.

2019 Renewal Results

License/Registration Type	Renewed	Expired on June 30, 2019

Dr. Challa reported that for the 2019 – 2020 fiscal year, the Board has contracted with the following hearing examiners and court reporters:

Hearing Examiners

Lewis Brewer, Esq.
Jack McClung, Esq.
J. Rudy Martin, Esq.
Janis Reynolds, Esq.
Jennifer Taylor, Esq.

Court Reporters

Wilda Stonestreet
Sargent’s Court Reporting

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Foster reported that there are currently seven disciplinary hearings in a pending status. Additionally, one disciplinary matter is pending before the West Virginia Supreme Court of Appeals.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that on May 20, 2019, the Board entered a Final Decision and Order in the matter of *West Virginia Board of Medicine v. Nathan David Airhart, MD*, Complaint No. 17-100-W. In addition to being publicly reprimanded, Dr. Airhart was ordered to pay a civil fine to the Board of Medicine in the amount of \$1,500.00 and to pay the costs and expenses of the proceeding against him. An invoice for the costs and expenses of the proceeding, totaling \$5,687.00, was made available for members to review. Dr. Lakin moved the Board approve the invoice for the costs and expenses of the proceeding. Dr. Lilly seconded, and the motion carried.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, July 13, 2019.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following applicants be approved for physician assistant licensure:

Vincenzina Patricia Drosky, PA-C
Katherine Elizabeth Hohos, PA-C
Robert Benson Morris, PA-C
David Philip Vitez, PA-C
Kristen Renee Walker, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

The Committee recommended that Danielle Kaufman, PA-C and Julie Ann Strother, PA-C be approved for reactivation of physician assistant licensure. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that one matter, regarding possible unauthorized practice, will be referred to the Complaint Committee.

Ms. Mullins reported that Board staff have processed one reinstatement application, for Peter Samir Hanna, PA-C, since April 1, 2019.

Ms. Mullins reported that the Committee discussed Senate Bill 668, which provides changes for physician assistant practice authorization in hospital settings, and Senate Bill 396 which implements initial application fee waivers for low-income and military family applicants. The Committee also discussed the Board's related rulemaking.

Ms. Mullins reported that the Committee reviewed and approved a Practice Notification Form for implementation once the Board's emergency rule regarding physician assistant hospital practice becomes effective. The Committee's approval delegates discretion to Board staff to make any modifications which are necessary as a result of any changes which are made to the final agency approved version of the rule and/or the emergency rule once the comment period concludes.

Ms. Mullins reported that Board staff have authorized 31 practice agreements and processed 10 alternate collaborating physician designations since May 20, 2019.

The Committee recommended that the Board accept and ratify the report of the Physician Assistant Committee. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, July 13, 2019.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that five applicants appeared before the Licensure Committee to discuss their applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Leon Browning McNealy, MD
Ellis Senanu Kojo Sampram, MD (pending receipt of the patient injury compensation fund assessment fee)

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Bruce Lawrence Lasker, MD be approved for reinstatement of medical licensure pending receipt of the patient injury compensation fund assessment fee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Milind Deogaonkar, MD be approved for medical school faculty licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee will offer Eric Alfon, MD the opportunity to withdraw his application for medical licensure.

Dr. Duncan asked Board members to review the list of physicians up for action, and to advise of any conflicts. No conflicts were declared. Dr. Duncan reported that the Committee reviewed and discussed 21 applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Susan Kaufman Arnoult, MD
John Paul Duque, MD
Lawrence Jerome Glad, MD
James Frederick Littles, Jr., MD
Paula Pons, MD (pending receipt of the patient injury compensation fund assessment fee)
Samir Mahendra Shah, MD (pending receipt of the patient injury compensation fund assessment fee)

The Committee recommended that the Board approve the following applicants for reactivation of medical licensure:

Mingxin Che, MD
Marcus Ma, MD
Arunava Paul, MD
Steven Michael Sharp, MD
Joseph Richard Twanmoh, MD (pending receipt of the patient injury compensation fund assessment fee)
Stephen Edward Winikoff, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that Dr. Securo appeared before the Committee pursuant to his Consent Order. Dr. Securo reactivated licensure on October 26, 2017 with the following terms and restrictions:

1. Dr. Securo shall not practice pain management or work in a pain management clinic, and shall refer patients with chronic pain, as necessary, to a pain management specialist or licensed clinic;
2. In the event that Dr. Securo regains a DEA registration which permits the prescribing of schedule II and III controlled substances he shall not prescribe controlled substances to any patient at an amount more than the morphine equivalent daily dose (MEDD) of 30mg and such prescriptions shall not be for more than one (1) week of medication per procedure;
3. Prior to prescribing, administering, ordering or dispensing any controlled substances, Dr. Securo shall detail in full, in the patient's file, the examination performed and diagnosis reached in the particular patient's file. Dr. Securo shall specifically record all physical data of the patient and detail the exact nature of his evaluation of the patient. In addition to this requirement, Dr. Securo agrees to comply with all record keeping requirements of the Board;
4. At six month intervals after the date of entry of this Consent Order, the Board may, in its discretion, query Dr. Securo's controlled substance prescribing practices with the West Virginia Board of Pharmacy's Controlled Substance Monitoring Database and/or similar state or federal entities in surrounding states to monitor Dr. Securo's compliance with the prescribing restrictions imposed by this Order;
5. Dr. Securo acknowledges that it is a best practice to chart in the medical record the name of the chaperone and/or female staff member present whenever he conducts a breast examination, gynecological examination, or any other medical test or procedure which requires contact with or exposure of the breast or genitals. Dr. Securo agrees that he will strictly comport with this practice and will always chart the name of the female staff member/chaperone present for all such medical procedures;

6. Dr. Securo shall maintain current and accurate contact information with the Board, including home address, preferred mailing address, all practice addresses in West Virginia and e-mail address. Dr. Securo shall provide the Board with any changes or additions to his contact information within 5 days of any such change;
7. Within ten days of commencing practice at any place of practice in West Virginia, and for so long as the practice restrictions imposed by this Consent Order remain in place, Dr. Securo shall provide a complete copy of the fully executed Consent Order, to any and all employers and places where he practices and/or has privileges in West Virginia;
8. Dr. Securo shall appear before the Licensure Committee on an annual basis, at the discretion of the Board, to discuss his practice of medicine and/or his compliance with the terms of his probation or this Consent Order; and
9. After Dr. Securo has been in active practice in West Virginia for one full year, he may petition to the Board to modify and/or lift the practice restrictions related thereto which are imposed by this Order.

Dr. Securo has requested that the prescribing limitations included in his current Consent Order be lifted. The Licensure Committee recommended that the Board decline to modify the terms of Dr. Securo's Consent Order at this time. This recommendation is based, in part, on the fact that Dr. Securo does not appear to have been in active practice in West Virginia for one full year since October 26, 2017 and is therefore ineligible for a modification. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Licensure Committee will refer a licensee who is licensed through a Consent Order to the Complaint Committee.

Dr. Duncan reported that the Committee received an update from Board staff regarding applications that were approved in May 2019 pending receipt of the patient injury compensation fund assessment fee.

Dr. Duncan reported that the Board issued 106 optional educational permits for training period ending on June 30, 2019. Of those permits, 76 were renewed and 30 expired.

The Board has issued or renewed a total of 633 education permits for the July 1, 2019 to June 30, 2020 permit period.

Dr. Duncan reported that as of June 30, 2019, 366 medical doctors, 10 podiatric physicians and 37 physician assistants are actively registered as controlled substance dispensing practitioners.

Dr. Duncan reported that Board staff have processed 29 reinstatement applications and 14 change of status applications since July 1, 2018. Twelve applications are currently pending.

Dr. Duncan reported that in May and June 2019, the Board issued licenses to the following 14 applicants, listed along with their state of principal licensure, through the interstate medical licensure compact application process.

State of Principal Licensure	Name of the Licensee
TN	Hamad Ahmad, MD
MS	Allyn Harris Bond, MD
WI	Kristen Marjorie Dall-Winther, MD
WY	Jonathan Andrew Figg, MD
TN	Eric James Gratias, MD
TN	Neetu Gupta, MD
WI	Amy Denise Halanski, MD
AL	Peter Alan Karth, MD
MT	Joey Vinoj Louis, MD
WI	Monica Lee McDonald, MD
WA	Timothy James Neher, MD
TN	Norman Avery Scarborough, MD
WA	Saman Ali Selahi, MD
IL	Yong Duk Suh, MD

Dr. Duncan reported that Camille Marie Ristroph, MD was issued a Letter of Qualification in May 2019.

Dr. Duncan reported that the Committee reviewed proposed changes to United State Medical Licensing Examination (USMLE) score reporting that are currently open for comment. The USMLE proposes limiting score information reported out to licensing boards to Pass/Fail information only. Currently the Board receives specific score information in addition to Pass/Fail results. The Committee believes that the proposed changes will not adversely affect the Board's ability to evaluate applicants for licensure.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Challa appointed Dr. Sheth to chair the remainder of the meeting. Dr. Challa left the meeting room at this time and was not present for the remainder of the meeting.

Dr. Steele chaired the Complaint Committee meeting on Sunday, July 14, 2019 and delivered the Complaint Committee Report.

Consent Orders

Dr. Steele requested that the Board authorize the Complaint Committee to offer 12 Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Steele, and the motion carried.

Executed Consent Orders

Dr. Steele reported that since the May 2019 meeting, executed Consent

Orders have been entered with respect to the following licensees:

Manuel Cortez Barit, MD - On May 20, 2019, Dr. Barit entered into a Consent Order to immediately and permanently surrender his West Virginia medical license. Dr. Barit also agreed not to submit any application or request seeking reinstatement or reactivation of his surrendered license in the future.

Stephen J. Mallott, MD - On June 4, 2019, Dr. Mallott entered into a Consent Order to permanently surrender his West Virginia medical license, effective July 1, 2019. His license was subject to terms and conditions between June 4, 2019 and July 1, 2019, during the winding down of his medical practice. Dr. Mallott also agreed not to submit any application or request seeking reinstatement or reactivation of his surrendered license in the future.

Nicholas Clay Vance, PA-C - On May 20, 2019, Mr. Vance entered into a Consent Order with the Board which imposed a fine in the amount of \$200.00 for failure to disclose information in response to professional practice, character and fitness question number two on his 2017 license renewal application.

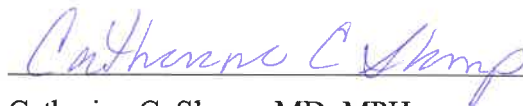

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Steele, and the motion carried.

There being no further business to consider, Dr. Lakin moved that the meeting be adjourned. Dr. Duncan seconded, and the motion carried.

Kenneth Dean Wright, PA-C, Legislative Committee Chair

The following Board members were absent:

Reverend Janet M. Harman
Mustafa Rahim, MD
Thomas Wesley Steele, MD

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the Board's July 15, 2019 meeting be approved. Dr. Sheth seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL OF
MINUTES**

Mr. Spangler reminded members that the annual strategic planning meeting will be held on Saturday, October 19, 2019, beginning at 1:00 pm at the Board Office.

**EXECUTIVE
DIRECTOR
REPORT**

Dr. Challa reported that the Executive/Management Committee met on Sunday, September 8, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for July and August 2019.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Dr. Challa reported that in 2018 the Board of Medicine began receiving notices of outstanding checks that were purportedly issued to the Board but had not yet been deposited. Most of the notices relate to checks issued to the Board in 2013 from one entity and appear to relate to drug dispensing registrations. Board staff have been reviewing records to try and determine which licensees have discrepant drug dispensing information, to attempt to associate the outstanding checks with the appropriate licensee and to determine whether the payments are owed to the Board of Medicine or not. Mr. Spangler will consult with the West Virginia Treasurer's Office and the West Virginia Auditor's Office regarding the outstanding checks.

Dr. Challa reported that at its May 2019 meeting, the Board issued a Final Order and Decision in the matter of *West Virginia Board of Medicine v. Nathan David Airhart, MD*. In addition to being publicly reprimanded, Dr. Airhart was ordered to pay a civil fine in the amount of \$1,500.00 and to pay the costs and expenses of the proceeding against him. The costs and expenses of the proceeding were calculated, and at the July 2019 meeting, the Board approved an invoice for the proceedings, totaling \$5,687.00. Dr. Airhart recently submitted payment of the invoices but has requested that the Board reconsider "the amount of the penalty". The Committee recommended that the Board decline Dr. Airhart's request to modify the Board's Final Order. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that in 2018, the Board of Medicine approved the West Virginia Board of Pharmacy's proposed recommended parameters to be used in identifying

abnormal or unusual prescribing or dispensing patterns among prescribers and recommended that the Board's reassess the efficacy of the parameters in one year. The Executive/Management Committee will receive a report from the Complaint Committee and will reevaluate the parameters in 2020.

Dr. Challa reported that the Board currently provides medical doctor information such as name, address, etc. to the Federation of State Medical Boards (FSMB) on a monthly basis pursuant to a Memorandum of Understanding (MOU). The Committee reviewed correspondence received from the FSMB requesting that the Board provide the same information for physician assistants that are licensed by the Board. The Committee recommended that the Board authorize staff to pursue a MOU to be executed by the Board and the FSMB regarding physician assistant data, and to begin reviewing and updating all Board of Medicine MOUs and Agreements. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Board cooperates with state and federal authorities with regard to producing documents in association with appropriate law enforcement subpoenas. Due to recent concerns related to how third parties protect the Board's confidential information, Board staff have developed a protocol to mark all confidential records prior to production and to provide a cover letter reminding law enforcement agencies that the records are confidential and protected.

Dr. Challa reported that the following three litigation matters remain in a pending status in the Circuit Court of Kanawha County:

John France, MD, v. West Virginia Board of Medicine;
Jan Kletter, MD, v. West Virginia Board of Medicine; and
Amy Young v. West Virginia Board of Medicine.

Dr. Challa reported that Board staff continue to work with inLumon in developing the new database and website. The 180-day deadline for implementation is November 11, 2019.

Dr. Challa reported that Joshua Waine, Administrative Office Assistant for the Board, has submitted his resignation. The Board wishes Mr. Waine the best in his future endeavors.

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, September 8, 2019, at which time Mr. Spangler reported that Board staff have filed the agency approved version of the Board's proposed legislative rule 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, with the West Virginia Secretary of State's Office. Board staff also filed an amended version of the emergency rule, 11 CSR 1B, with the Secretary of State's Office. The Secretary of State's Office approved the emergency rule, as amended, and the rule became effective on July 30, 2019. There has been some confusion with regard to the definition of "Hospital" included in the rule. The definition of hospital in 11 CSR 1B provides that "Hospital does not include any health care facility which is not licensed as a hospital pursuant to W. Va. Code §16-5B-1 et seq., even if the facility: is physically attached to the hospital; is situated within the physical boundaries of a hospital; or is operated by or in connection with a hospital." The statutory definition of hospital in the Physician Assistants Practice Act provides that a hospital is "a facility licensed pursuant to article five-b, chapter sixteen of this code and any acute-care facility operated by the state government that primarily provides inpatient diagnostic, treatment or rehabilitative services to injured, disabled or sick persons under the supervision of physicians and includes psychiatric hospitals." To alleviate any confusion, the Committee recommended that the Board support a change during the Legislative Rule-Making Review process which would modify the definition of

LEGISLATIVE
COMMITTEE
REPORT

“Hospital” in 11 CSR 1B to mirror the definition of “Hospital” as defined in the Physician Assistants Practice Act. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Wright reported that Board staff have filed the agency approved version of the Board’s proposed legislative rule 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*. The proposed rule is currently awaiting review by the Legislative Rule-Making Review Committee.

Mr. Wright reported that representatives from Dinsmore & Shohl, LLP, counsel for iSelect MD, would like the Board’s support of a telemedicine bill which would permit a physician to establish a physician-patient relationship through the use of audio-only communication, similar to Senate Bill 464 which was defeated on the Senate floor during the 2019 legislative session. Representative of Dinsmore & Shohl, LLP will be invited to speak to the Committee at the November 2019 meeting.

Mr. Wright reported that, per conversation with the West Virginia Secretary of State’s Office, there is currently no process for vetting business names which contain medical terminology that may be misleading to the public. The Committee directed Board staff to contact the Secretary of State’s Office and inquire regarding their willingness to work with the Board of Medicine in ensuring that business names which contain medical terminology are properly vetted.

The Committee recommended that the Board accept and ratify the Legislative Committee Report. The motion of the Committee was given by Mr. Wright, and the motion carried.

Mr. Foster reported that there are currently seven disciplinary hearings in a pending status. Additionally, the Board is awaiting a decision by the West Virginia Supreme Court of Appeals in a disciplinary matter.

**BOARD
ATTORNEY
REPORT**

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, September 7, 2019.

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following applicants be approved for physician assistant licensure:

Elizabeth Gayle Abbott, PA-C
Shelby Lynne Baker, PA-C
Kara Shae Criswell, PA-C
Taylor Erin D'Etcheverry, PA-C
Ashley LaRae Eschbaugh, PA-C
Ashley Elizabeth Freeman, PA-C
Ashley Danielle Haught, PA-C
Jade Nicole Naylor, PA-C
Adam Phillip Otworth, PA-C
David Gene Seibert, PA-C
Mariah Janelle Shultz, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

The Committee recommended that Kiesha Marie Bullough, PA-C be approved for reactivation of physician assistant licensure. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that the Committee reviewed correspondence from a physician assistant seeking information regarding the educational eligibility requirements for physician assistant licensure. The Committee provided direction to Board staff as to how to respond to the inquiry.

Ms. Mullins reported that Board staff have authorized 32 practice agreements and 3 practice notifications since July 15, 2019. Additionally, alternate collaborating physicians were authorized.

The Committee recommended that the Board accept and ratify the Physician Assistant Committee Report. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, September 7, 2019.

LICENSURE
COMMITTEE
REPORT

Dr. Duncan reported that nine applicants appeared before the Licensure Committee to discuss their applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Douglas Coleman Brown, MD
Julio Cesar Galindo Sanchez, MD
Yusuf Hassan, MD
Dallas Wayne Johnson, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Joseph William Jasser, MD be approved for medical licensure contingent upon his acceptance of Consent Order which would restrict his practice to administrative medicine only. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that Roberto Carlos Lopez Solis, MD has applied for a restricted license in extraordinary circumstances. The Committee recommended that the Board make the following findings:

1. Dr. Lopez Solis has exceptional education, training and practice credentials, including:

He has conducted significant research in his field of transplant surgery;

He is a member of the International Liver Transplantation Society, the American Society of Transplant Surgeons, the American College of Surgeons, the American Association for the Study of Liver Diseases and the International Society for Organ Donation and Procurement;

He was a visiting instructor at the Thomas E. Starzl Transplantation Institute of the University of Pittsburg Medical Center between July 1997 and June 2003;

He completed a two-year fellowship in Transplant Surgery at the Thomas E. Starzl Transplantation Institute of the University of Pittsburg Medical Center from 2003-2005;

He is the recipient of the 2006 Thomas E. Starzl Transplantation Institute Young Investigator Award for his research into developing a program of preparedness for potential liver transplant candidates;

He has served as Assistant Professor of Surgery at the Thomas E. Starzl Transplantation Institute of the University of Pittsburg Medical Center since 2005.

He has served as and Director of Organ Procurement at the Thomas E. Starzl Transplantation Institute of the University of Pittsburg Medical Center since 2009.

2. Dr. Lopez Solis's practice in the state would be beneficial to the public welfare because West Virginia has high rates of diabetes, high blood pressure, metabolic disorders and obesity, which affect kidney and liver function and as a result has a significant unmet need for transplantation procedures. The addition of a renal transplant center in northern West Virginia would be beneficial to the state.
3. Dr. Lopez Solis's specialty is transplant surgery and organ procurement, and there is a need for this specialty in West Virginia because West Virginia's only renal transplant program currently has a lengthy waitlist and does not provide live donor transplantation procedures.
4. The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While Dr. Lopez Solis's education and most of his training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state his superior research, extensive clinical experience, scholarship, including primary or co-authorship of seventeen articles, seven book chapters and forty-seven abstracts, satisfy this requirement.
5. Dr. Lopez Solis has no professional discipline which would render him ineligible for an extraordinary circumstances license.

6. Dr. Lopez Solis is eligible for a restricted license in extraordinary circumstances.

Based upon the proposed findings, the Committee recommended that the Board grant Dr. Lopez Solis a restricted license in extraordinary circumstances restricted to the practice of transplant surgery and organ procurement/preparation. The Board voted unanimously to make the proposed findings, accept the Committee's recommendation and approve Dr. Lopez Solis for a restricted license in extraordinary circumstances restricted to the practice of transplant surgery and organ procurement/preparation.

The Committee will offer Guiherme Cardinali Barrierio, MD the opportunity to withdraw his application for a restricted license in extraordinary circumstances.

Geertruida Kints, MD's change of status application and Sandra Jean Lewis, MD's reactivation of licensure application will be placed on hold pending receipt of additional information.

Melissa Rife Larzo, MD will be invited to appear before the Committee at its November 2019 meeting.

The Committee requested that the Board issue an Appearance Subpoena requiring Hemant Sarin, MD to appear before the Committee at its November 2019 meeting. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee reviewed and discussed 15 applications. Based thereupon, the Committee recommended that the following six applicants be approved for medical licensure:

Justin Chuang, MD
Joseph James Colella, MD
Lisa Hamilton, MD
Monica Wei-Funn Loke, MD
Terrance Dewitt Morton, Jr., MD (pending payment of the PICF assessment fee)
Steven Brad Sonnabend, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept Alexia Frances Fernandez Bozek, MD's continuing medical education out of cycle, and approve Dr. Bozek's application to change licensure status from inactive status to active status. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan indicated that the next licensee for discussion was Mohammad Salim Ratnani, MD. Dr. Challa declared a conflict with regard to Dr. Ratnani, MD due to a personal/professional relationship with the licensee. Dr. Challa left the meeting room at this time. In his absence, as Vice President of the Board, Dr. Sheth conducted the meeting. The Committee recommended that the Board approve Dr. Ratnani's application to change his licensure status from inactive status to active status. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Challa returned to the meeting room at this time and presided over the remainder of the meeting.

The Committee recommended that the Board permit the following applicants to withdraw their respective applications for medical licensure:

Eric Alfon, MD
Gerald Etiemowei Dariah, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee will offer James Lawrence Fernau, MD the opportunity to withdraw his application for medical licensure.

Dr. Duncan reported that the application for the following physicians will be placed on hold pending receipt of additional information:

Abdul Hafeez Abbasi, MD
Tejaswi Reddy Voladri, MD

The Committee will request that the following applicants appear before the Committee at its November 2019 meeting:

Michael Andrew Arata, MD
Juni Ayodeji Olumide Femi-Pearse, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve the following applicants for medical licensure:

Catherine Ann Adams, MD
Majdi Saleh Mohammad Al Nabulsi, MD
Aman Arora, MD

The Committee recommended that the Board approve the following applicants for podiatric medical licensure:

Richard Chapman Harris, III, DPM
Brigette Frances Kuhn, DPM

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee received an update from Board staff regarding:

1. Applications that were approved at the July 2019 meeting that were pending payment of the patient injury compensation fund assessment fee;
2. Applicants who received a license through the Interstate Medical Licensure Compact (IMLC) process;
3. Licensees who sought a Letter of Qualification from the Board to pursue licensure in other states pursuant to the IMLC; and

4. Educational Permits issued since July 1, 2019.

Copies of these reports are attached to these minutes.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Sheth provided the report of the Complaint Committee, which met on Sunday, September 8, 2019.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer two Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Orders

Dr. Sheth reported that since the July 2019 meeting, executed Consent Orders have been entered with respect to the following licensees:

Madhu Aggarwal, MD - On July 19, 2019, the licensee entered into a Consent Order with

the Board that effectuated the immediate permanent surrender of his West Virginia medical license. The Order also rendered Dr. Aggarwal permanently ineligible for licensure by the West Virginia Board of Medicine. Dr. Aggarwal also agreed not to submit any application or request seeking reinstatement or reactivation of the surrendered license.

Randy Lee Swackhammer, MD - On July 19, 2019, Dr. Swackhammer entered into a Consent Order with the Board that effectuated the immediate permanent surrender of his West Virginia medical license. This Order also rendered Dr. Swackhammer permanently ineligible for licensure by the West Virginia Board of Medicine. Dr. Swackhammer also agreed not to submit any application or request seeking reinstatement or reactivation of the surrendered license.

Jeffery Floyd Addison, MD - On September 4, 2019, Dr. Addison entered into a Consent Order with the Board that effectuated the immediate permanent surrender of his West Virginia medical license. This Order also rendered Dr. Addison permanently ineligible for licensure by the West Virginia Board of Medicine. Dr. Addison also agreed not to submit any application or request seeking reinstatement or reactivation of the surrendered license.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Sheth, and the motion carried.

There being no further business to consider, Dr. Duncan moved that the meeting be adjourned. Mr. Wooton seconded, and the motion carried.

Reverend Janet M. Harman

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Thomas Matthew McCall
Leslie A. Thornton, CMBI
Andrew R. Wessels

Dr. Challa called the meeting to order and welcomed Thomas Matthew McCall, who was hired in October 2019 as the administrative office assistant/receptionist for the Board.

**CALL TO
ORDER AND
ANNOUNCEMENTS**

Dr. Challa thanked board and staff members for their participation at the third annual strategic planning session that was held on October 19, 2019.

Mr. McCall left the meeting room at this time and was not present for the remainder of the meeting.

Dr. Sheth moved that the minutes of the Board's September 9, 2019 meeting be approved. Dr. Duncan seconded, and the motion carried. Mr. Wright moved that the minutes of the Board's October 19, 2019 meeting be approved. Dr. Duncan seconded, and the motion carried.

**APPROVAL OF
MINUTES**

Dr. Faheem and Mr. Wooton joined the meeting at this time.

Mr. Spangler announced that Ms. Alley and Mr. Foster will be attending the 2019 Federation of State Medical Boards Board Attorneys Workshop in New Orleans, Louisiana, on November 7th and 8th, 2019. Additionally, Mr. Spangler will be attending an Interstate Medical Licensure Compact Commission meeting in Las Vegas, Nevada, on November 17th through November 19th, 2019.

**EXECUTIVE
DIRECTOR
REPORT**

Dr. Challa reported that the Executive/Management Committee met on Sunday, November 3, 2019, at which time the Committee approved the fiscal report and purchasing card transactions for September and October 2019.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

The Committee recommended that the Board approve the following 2020 Board meeting dates:

January 13, 2020
March 9, 2020
May 18, 2020
July 13, 2020
September 14, 2020
November 9, 2020

Dr. Slemp moved that the Board accept the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

Prior to today's meeting, a copy of the proposed 2020 Strategic Plan was made available for members to review. Dr. Faheem moved that the Board adopt the 2020 Strategic Plan as presented. Dr. Sheth seconded, and the motion carried.

Prior to today's meeting, a copy of a proposed Data Sharing Agreement between the Board of Medicine and the Federation of State Medical Boards (FSMB) was made available for members to review. The proposed agreement sets forth the specific Board of Medicine data that is to be shared with the FSMB and the terms of the agreement. A few modifications will need to be made prior to the Board entering into the agreement.

Dr. Challa reported that Board of Medicine applicants are currently required to utilize the Uniform Application (UA) when applying for licensure. In addition to the \$400.00 application fee that is charged by the Board, applicants are required to pay \$60.00 for utilization of the UA service. Legislative changes were mandated during the 2019 session, which require the Board to waive the initial licensing fee for certain low-income and military family applicants. The Board is unable to waive the \$60.00 fee charged for using the UA. Additionally, the Board is currently in the process of transitioning database vendors and in order to solely use the UA a mechanism to transfer the applicant's information from the UA to the Board's database will be required. The Committee recommended that the Board continue to accept applications via the UA, but also authorize staff to develop an online initial licensure application to be incorporated into the new

database, which can be submitted directly to the Board as an alternative to the UA. Dr. Faheem moved that the Board accept the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

The Committee reviewed and considered correspondence which requests opinions from the Board regarding several Certified Registered Nurse Anesthetist (CRNA) matters, including whether a clinician not trained or credentialed in anesthesiology may supervise a CRNA. The Committee directed Board staff respond to the requestor indicating that under current statutory standards, the Board recommends that the best practice is for anesthesiologists to provide oversight of CRNAs and anesthesia plans of care.

The Committee reviewed and considered correspondence which inquires whether microneedling is considered the practice of medicine and whether it can be performed by independent practice Nurse Practitioners (NPs). Additionally, the correspondence asks if NPs can administer ablative and non-ablative cosmetic laser procedures without physician supervision. The Committee directed Board staff to respond to the individual indicating that the West Virginia Board of Examiners for Registered Professional Nurses licenses and regulates NPs, and that questions regarding nurse practitioner practice should be directed to the appropriate Board. Additionally, Board staff will refer the individual to the Board of Medicine's *Policy Statement on Surgery Using Laser, Pulsed Light, Radiofrequency Devices or Other Techniques*.

The Committee reviewed and considered correspondence from a licensee expressing concern that some physicians are cutting back and/or ceasing to prescribe medications to patients, thus leading to situations where patients cannot obtain appropriate pain management care. Mr. Spangler will respond to the licensee indicating that the Board agrees that safe and appropriate prescribing of controlled substances can be an important part of patient care, and that the Center for Disease Control provides guidance on the appropriate standard of care. The Board will continue to provide education and information on safe and appropriate prescribing.

The Committee reviewed and considered correspondence which requests that the Board define the term “direct supervision” as used in the Board’s *Policy Statement on Surgery Using Laser, Pulsed Light, Radiofrequency Devices or Other Techniques*. Direct supervision is an older term that has been replaced in new Board rules with the term “on-site collaboration”, which has a substantially equivalent definition. The Committee directed Board staff respond to the requestor and provide that direct supervision means that the supervising physician must be present in the office suite and immediately available to furnish assistance and directions to the advanced practice provider.

The Committee reviewed and considered correspondence requesting that the Board email physicians a survey entitled *WV Physician Retention*. The Committee recommended that the Board authorize staff to email all active status medical doctors a link to the survey. Dr. Sheth moved that the Board accept the Committee’s recommendation. Dr. Slemp seconded, and the motion carried.

Dr. Challa reported that a hearing regarding the *Plaintiff’s Motion for Summary Judgment* in the matter of *John France, MD v. West Virginia Board of Medicine* is scheduled to occur on November 14, 2019. Kelli Talbott, Senior Deputy Attorney General, is representing the Board in this matter.

Dr. Challa reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains in a pending status in the Circuit Court of Kanawha County.

Dr. Challa reported that depositions are being scheduled in the matter of *Amy Young v. West Virginia Board of Medicine*.

Dr. Challa provided an update regarding the notices received in 2019 of outstanding checks that were purportedly issued to the Board but were not deposited. After researching this matter, it was determined that most of the funds were not owed to the Board, and therefore were not submitted to the West Virginia State Treasures Office as unclaimed property.

Dr. Challa reported that Board staff continue to work with inLumon in developing the new database and website. The 180-day deadline for implementation is November 11, 2019. As the Board has not yet been able to view Board of Medicine data in the inLumon database, it is anticipated that implementation will not occur on November 11, 2019. The Board will likely need to enter into an Extension Agreement with inLumon and our current database vendor, Big Picture.

The Executive/Management Committee Report concluded. Dr. Sheth moved that the Board accept and ratify the Executive/Management Committee Report. Dr. Lakin seconded, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, November 3, 2019, at which time the Committee received comments from individuals representing iSelectMD. iSelectMD would like the Board's support of a telemedicine bill which would permit a physician to establish a physician-patient relationship through the use of audio-only communication, similar to Senate Bill 464 that was defeated on the Senate floor during the 2019 legislative session. The Committee recommended that the Board be open to legislation similar in content to Senate Bill 464 provided that the legislation is limited to a pilot project for Public Employees Insurance Agency (PEIA), includes a two year sunset provision, and requires an independent third party evaluation of the pilot project to determine that: (1) the treatment conforms with the standard of care; and (2) that the pilot project demonstrates financial feasibility for PEIA and its members. The Committee further recommended that the Board not support further expansion until the sunset provision is complete and the results of the independent third-party evaluation are available for review. Dr. Faheem moved that the Board accept the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

**LEGISLATIVE
COMMITTEE
REPORT**

The Committee reviewed a draft proposed bill to be introduced during the 2020 legislative session which would make scleral tattooing unlawful in West Virginia. A copy of the proposed bill was made available for members to review. The Committee

recommended that the Board support legislation which would prohibit scleral tattooing in the state of West Virginia. Dr. Lakin moved that the Board accept the Committee's recommendation. Dr. Sheth seconded, and the motion carried.

Mr. Wright reported that the Committee received comments from Kellon Smith, West Virginia Association of Nurse Anesthetists Government Relations Chair, regarding current Certified Registered Nurse Anesthetist (CRNA) practice in West Virginia and proposed changes to W. Va. Code §30-7-15. Currently, W. Va. Code §30-7-15 requires physician or dentist supervision of a CRNA who is administering anesthesia for surgical procedures. The West Virginia Association of Nurse Anesthetists is seeking the Boards support of a bill which would allow CRNAs to administer anesthesia in cooperation with a physician, podiatric physician or dentist, but without requiring supervision. A copy of the proposed bill language was made available for members to review. The Committee recommended that the Board support the concept of a revision to W. Va. Code §30-7-15 which would provide that if an anesthesiologist is not available, CRNAs may administer anesthetics in procedures which are performed by physicians, podiatric physicians and dentists. Dr. Lakin moved that the Committee's recommendation be amended to exclude podiatric physicians from the proposed bill. Ms. Mayfield seconded, and the motion carried. Dr. Faheem further moved that the Board not take a position with regard to dentists, as they are licensed and regulated by the West Virginia Board of Dentistry rather than the Board of Medicine. Dr. Lakin seconded, and the motion carried. Dr. Rahim moved that the Board support the concept of a revision to W. Va. Code §30-7-15 which would provide that if an anesthesiologist is not available, CRNAs may administer anesthetics in procedures which are performed by physicians. Dr. Lakin seconded, and the motion carried. Dr. Duncan expressed a concern regarding the possibility of insurance premiums rising if the proposed legislation is passed, and he opposed a revision to W. Va. Code §30-7-15.

At the September 2019 meeting, Mr. Spangler reported that, per conversation with the West Virginia Secretary of State's Office, there is currently no process for vetting business names which contain medical terminology that may be misleading to the public.

The Committee direct Board staff to contact the Secretary of State's Office and inquire regarding their willingness to work with the Board of Medicine in ensuring that business names which contain medical terminology are properly vetted. Mr. Spangler has had conversation with, and has provided written correspondence to, Donald Kersey, Deputy Legal Counsel for the Secretary of State, regarding this matter and is awaiting a reply.

Mr. Wright reported that during the 2019 legislative session, Senate Bill 567 was introduced which would permit West Virginia Board of Medicine investigators to carry a concealed weapon. This bill was not passed in 2019. The Committee recommended that the Board authorize staff to seek a sponsor to reintroduce legislation during the 2020 session that would permit West Virginia Board of Medicine investigators to carry a concealed weapon. Dr. Sheth moved that the Board accept the Committee's recommendation. Dr. Steele seconded, and the motion carried.

Mr. Wright reported that minor changes were made to the Board's proposed rules 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*, as a result of recommendations by the Legislative Rule-Making Review Committee. The modified rules have been filed with the West Virginia Secretary of State's Office.

The Legislative Committee Report concluded. Dr. Steele moved that the Board accept and ratify the Legislative Committee Report. Mr. Wooton seconded, and the motion carried.

Mr. Foster reported that a public hearing was held in October 2019. It is likely the *Hearing Examiner's Findings of Fact, Conclusions of Law and Recommended Decision* regarding this matter will be available for consideration by the Board at its January 2020 meeting. There are four additional upcoming hearings scheduled; one in December, one in January, one in February and one in April.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that there are four formal complaints regarding three licensees that will be prepared and issued.

Mr. Foster reported that the Board is awaiting a decision by the West Virginia Supreme Court of Appeals in a disciplinary matter.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, November 2, 2019.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following 27 applicants be approved for physician assistant licensure:

Kevin Christopher Barney, PA-C
Brenna Nicole Becca, PA-C
Jordan Ann Brewer, PA-C
Shayla Alyce Cech, PA-C
Connor Matthew Clark, PA-C
Kaitlynn Elizabeth Cullen, PA-C
Katelyn Maria Dantzler, PA-C
Kristen Marie Fijalkowski, PA-C
Megan Nicole Garcia, PA-C
Avery James Gookin, PA-C
Nicole Marilyn Hangsterfer, PA-C
Autumn Marie Hultz, PA-C
Kelly Elizabeth Jernigan, PA-C
Derek Michael Miller, PA-C
Samantha Taylor Miller, PA-C
Jessica Lynn Newson, PA-C
Taylor Elizabeth Nida, PA-C
Edward A. Ranzenbach, PA-C
Victoria Ann Sanders, PA-C
Julia Lynn Semonco, PA-C
Sarah Danielle Spatzer, PA-C
Sahara Joelle Stanley, PA-C
Leanna Nicole Sullivan, PA-C
Nikolas David Tasser, PA-C
Yusef Uriel Terry, PA-C

Katie Ann Winner, PA-C
Seth Parker Worthing, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

The Committee recommended that the following applicants be approved for reactivation of physician assistant licensure:

Lawrence Douglas Bailes, II, PA-C
Natasha Margaret Christman Kline, PA-C
Ashley Sara Mears, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins declared a conflict with regard to Lakyn Allison Merrifield, PA-C due to a personal friendship with the applicant. Ms. Mullins left the meeting room at this time. In her absence, Dr. Challa provided the Physician Assistant Committee Report. The Committee recommended that Ms. Merrifield be approved for reactivation of physician assistant licensure. The motion of the Committee was given by Dr. Challa, and the motion carried. Ms. Mullins returned to the meeting room at this time and provided the remainder of the Physician Assistant Committee Report.

Ms. Mullins reported that the Committee discussed an inquiry concerning physician assistant hospital practice via telemedicine with off-site collaboration. The Committee determined that a Practice Notification should be completed for each hospital location where the physician assistant would be practicing. Additionally, the Committee directed staff to provide a proposed amendment to the Practice Notification and Practice Agreement forms to include a designation for telemedicine practice.

Ms. Mullins reported that Matthew Ryan Dincher, PA-C's, physician assistant license was reinstated on September 23, 2019.

Ms. Mullins reported that the Committee considered and approved the following procedures as advanced duties for physician assistants:

Rigid sigmoidoscopy
Anoscopy
Internal hemorrhoidal ligation
Excision of thrombosed external hemorrhoids
Cautery of anal fissures
I & D anal abscess

The procedures will be added to the Board Approved Advanced Procedure List and will require the submission of ten logs for approval.

Ms. Mullins reported that Board staff authorized 24 practice agreements and 35 practice notifications in the months September and October 2019.

The Committee recommended that the Board accept and ratify the Physician Assistant Committee Report. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, November 2, 2019.

**LICENSURE
COMMITTEE
REPORT**

Dr. Duncan reported that four applicants appeared before the Licensure Committee to discuss their applications. Based thereupon, the Committee recommended that Mark Charles Nenow, MD be approved for medical licensure pending payment of the Patient Injury Compensation Fund (PICF) assessment fee. Dr. Faheem moved that the Board accept the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that Michael Andrew Arata, MD be approved for medical licensure contingent upon his acceptance of Consent Order which imposes the following terms and restrictions:

1. Dr. Arata's license shall be issued in probationary status. His license shall be subject to a period of probation for five years.
2. During his period of probation, Dr. Arata:
 - a. Shall comply with all of the terms and conditions of his California and Maryland Consent Orders;
 - b. Shall provide quarterly written certifications to the Board attesting to his continuing compliance with the terms of his California and Maryland Consent Orders;
 - c. Shall notify the Board within three business days of any changes to either his California or Maryland requirements/orders;
 - d. Is prohibited from engaging in solo practice. Prohibited solo practice includes, but is not limited to, a practice where, (1) Respondent merely shares office space with another physician but is not affiliated for purposes of providing patient care; or (2) Respondent is the sole physician practitioner at that location;
 - e. Is prohibited from supervising or entering into collaborative agreements or practice agreements with physician assistants and advanced practice registered nurses;
 - f. Shall comply with the Food and Drugs Administration's (FDA) revocation of his eligibility to conduct clinical trials or investigations for products regulated by the FDA, and agrees that he will not seek reinstatement from or with the FDA to have his eligibility to conduct clinical trials or investigations restored; and
 - g. Shall provide a copy to this order to each West Virginia employer and facility prior to commencing practice there.
3. After five years of probation, Dr. Arata may petition the Board to lift his period of probation. Provided, that Dr. Arata may petition for early release from probation: (1) after he has successfully completed two years of probation in West Virginia; and (2) he has been successfully released from probation in California and Maryland.
4. Dr. Arata agrees that in the event that his California and/or Maryland license is revoked, that such action is prima facie evidence of an immediate threat to public safety and his West Virginia license shall immediately be converted to suspended status.

Dr. Faheem moved that the Board accept the Committee's recommendation. Dr. Lakin seconded, and the motion carried.

The Committee recommended that Erona Reza, MD be approved for medical school faculty licensure at the medical center of West Virginia University in Morgantown, West Virginia pending payment of the PICF assessment fee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept Hemant Sarin, MD's request to withdraw his reinstatement application. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that Juni Ayodeji Olumide Femi-Pearse, MD's licensure application will be placed on hold pending receipt of additional information.

Dr. Duncan reported that the Committee reviewed and discussed 21 applications. Based thereupon, the Committee recommended that the following six applicants be approved for medical licensure:

Avinash Aggarwal, MD
Gordon Rider Archibald, MD
Ali Reza Homayuni, MD
Ronald Clifford Kinsey, MD
Stanley Mark Redwood, MD
Tejaswi Reddy Voladri, MD (pending payment of the PICF assessment fee)

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve Peter Louis Duffy, MD for reactivation of medical licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that Board approve Geertruida Kints, MD's application to change the status of her license from inactive status to active status

contingent upon her acceptance of a Consent Order with the following terms and conditions:

1. To satisfy her Continuing Medical Education (CME) deficiency for the reporting period of July 1, 2016 through June 30, 2018, on January 21, 2019, Dr. Kints completed a three-hour Board approved course in drug diversion training and best practice prescribing of controlled substances. The Board accepts this course in satisfaction of Dr. Kints' CME deficiency for the July 1, 2016 through June 30, 2018 reporting period.
2. Dr. Kints may not utilize the January 21, 2019 course to satisfy her CME obligations for the current reporting period of July 1, 2018 through June 30, 2020.
3. Dr. Kints is assessed a civil fine in the amount of five hundred dollars for her CME delinquency and deficiencies.

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve Richard Sidney Frank, MD for medical licensure pending his acceptance of a Consent Order restricting his practice to administrative medicine only. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept the request for withdrawal of medical licensure application from the following applicants:

Guilherme Cardinali Barreiro, MD (Extraordinary circumstance applicant)
James Lawrence Fernau, MD (reactivation application)
Melissa Rife Larzo, MD (change of licensure status applicant)

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve Ramesh Babu Daggubati, MD for medical licensure pending receipt of original verification of medical school education. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee will offer the following applicants the opportunity to withdraw their medical licensure application:

Gary Patrick McCarthy, MD (reinstatement applicant)
Jan Anthony Pijanowski, MD

The Committee will request that the following applicants appear before the Committee at its January 2020 meeting:

Abdul Hafeez Abbasi, MD
Azam Jan, MD (change of licensure status applicant)
Michael Huy Le, MD
David Nicholas Lortscher, MD
Murat Dag Mardirossian, MD
Mohammad Kamal Shah, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve 53 initial medical licensure applicants. A list of the 53 applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve four reactivation of medical licensure applicants. A list of the four applicants is attached to these minutes and incorporated herein by reference. The motion of the committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the Committee received an update from Board staff regarding applications that were approved at the September 2019 meeting that were pending payment of the PICF assessment fee. Additionally, the Committee received updates on the following licensure activity:

Reinstatement applications
Change of Status Applications
Interstate Medical Licensure Compact (IMLC) Applications
Letters of Qualification (LOQ) Issued
Educational and Reciprocal Education Permits Issued

A copy of the reports reflecting the above licensure actions are attached to these minutes and incorporated herein by reference.

Dr. Duncan reported that the Committee discussed the Board process for expiration of incomplete applications. Board staff will prepare a draft policy for the Committee's consideration at the January 2020 meeting.

Dr. Duncan reported that the following licensure related Consent Orders have been entered since the September 2019 meeting:

Joseph William Jasser, MD - On October 17, 2019, Dr. Jasser was granted a license pursuant to a Consent Order which restricts his practice of medicine to administrative medicine only. The Consent Order includes procedures for seeking a modification of the restriction.

Mohamed Chebaclo, MD – On October 21, 2019, Dr. Chebaclo was granted a license pursuant to a Consent Order which imposed a \$500.00 fine for failing to disclose action against his Kentucky license on his West Virginia application. The Consent Order also affirmatively requires Dr. Chebaclo to personally complete all of his future West Virginia applications.

Copies of all Consent Orders are available on the Board's website.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Sheth reported that the Complaint Committee held an emergency meeting on August 27, 2019, at which time the Committee initiated complaint number 19-114-W.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer sixteen Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Order

Dr. Sheth reported that since the July 2019 meeting, an executed Consent Order has been entered with respect to Alexander Vladimirovich Otellin, MD. On September 9, 2019, Dr. Otellin entered into a Consent Order with the Board that placed his license on probationary status for a period of three years, during which time he is subject to probationary terms and conditions including additional continuing education in controlled substance prescribing and annual audits of active patient records.

All Consent Orders are available on the Board's website.

Dr. Sheth reported that on November 3, 2019, the Complaint Committee reviewed certified court records regarding licensee Marc Jonathan Spelar, MD in association with an ongoing matter. A copy of the certified court records were made available for Board members to review. Ms. Alley provided an overview of this matter. Dr. Spelar holds a restricted West Virginia medical license, license number 25264. Dr. Spelar was initially granted a West Virginia medical license on May 20, 2013. Since August 30, 2017, pursuant to a Consent Order with the Board, Dr. Spelar's West Virginia medical license has been subject to restrictions that prohibit him from participating in the clinical practice of medicine

in West Virginia. On April 2, 2019, a ten count Indictment was issued against Dr. Spelar in the United States Court for the Southern District of West Virginia, in the matter of *United States of America v. Marc J. Spelar, MD*, Criminal Action No. 3:19-00101. All ten counts of the Federal Indictment charged Dr. Spelar with felony violations of 21 U.S.C. §841(a)(1), relating to ten prescriptions issued by Dr. Spelar for Scheduled II Controlled Substances without a legitimate medical purpose and beyond the bounds of medical practice, between October 21, 2016 and April 6, 2017. On August 27, 2019, Dr. Spelar entered into a Plea Agreement wherein he pled guilty to Count 1 of the Federal Indictment, a felony, which charged Dr. Spelar with violating 21 U.S.C. §841(a)(1) with respect to an illegal prescription issued by Dr. Spelar to a patient on April 6, 2017. In his August 27, 2019 Plea Agreement, Dr. Spelar expressly stipulated to certain facts with respect to his conduct in violation of 21 U.S.C. §841(a)(1), including the following:

On several occasions from October 2016 through April 2017, I issued prescriptions for controlled substances to individuals who were not legitimate patients. I was not permitted to issue these prescriptions that were not for legitimate medical purposes and issued outside the course of professional medical practice.

I operated a clinic in Huntington, West Virginia. My former patient, A.J. was addicted to opiates when they began treatment with me. I never performed physical examinations on this patient, did not require urine or blood analysis, or question the patient about their drug use. I prescribed Patient A.J., Dextroamphetamine, Methylphenidate, Amphetamine Salt, and Suboxone. I required this patient to pay for the Suboxone and made them return to me the Methylphenidate (Ritalin) that I prescribed. This patient did not have symptoms or a diagnosis that would require a prescription for Ritalin. I often mailed prescriptions to this patient without seeing them.

On September 3, 2019, Dr. Spelar filed his written guilty plea with the Court, wherein he formally pled guilty to Count 1 of the Federal Indictment. On September 3, 2019, the Court entered an Order which accepted Dr. Spelar's written guilty plea and adjudged Dr. Spelar guilty of violating 21 U.S.C. §841(a)(1). Pursuant to the September 3, 2019 Order, Dr. Spelar's federal sentencing hearing is scheduled for December 9, 2019. West Virginia

Code §30-3-14(d) imposes a nondiscretionary duty upon the Board to revoke a license if a licensee has been found guilty and/or pled guilty in a court of competent jurisdiction to any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Dr. Faheem moved that:

- a. the Board conclude that it has received sufficient proof, pursuant to W.Va. Code §30-3-14(d), to determine that Dr. Spelar has been found guilty in a court of competent jurisdiction of one felony count of unlawful dispensing and distributing a Schedule II Controlled Substance (Count 1), in violation of 21 U.S.C. §841(a)(1);
- b. Dr. Spelar's plea of guilty to one felony count of unlawful dispensing and distributing a Schedule II Controlled Substance (Count 1) in violation of 21 U.S.C. §841(a)(1) constitutes a felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes; and
- c. Pursuant to West Virginia Code §30-3-14(d), the license to practice medicine and surgery of Dr. Spelar, License No. 25264, must be revoked.

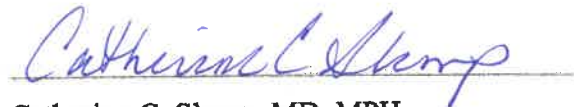

Dr. Duncan seconded, and the motion carried.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Sheth, and the motion carried.

There being no further business to consider, the meeting adjourned.

Board Meeting Minutes

January 13, 2020

The West Virginia Board of Medicine met at 101 Dee Drive, Charleston, West Virginia, on January 13, 2020 at 9:00 am.

The following Board members were present for the meeting:

Kishore K. Challa, MD, FACC, President and Executive/Management
Committee and Personnel Committee Chair
Ashish P. Sheth, MD, Vice President and Complaint Committee Chair
Catherine C. Slemp, MD, MPH, Secretary
Timothy J. Donatelli, DPM
Harry E. Duncan, MD, Licensure Committee Chair
Reverend Janet M. Harman
Carrie A. Lakin, DPM
Jonathan P. Lilly, MD
Angela A. Mayfield
David A. Mullins, MD
Victoria L. Mullins, PA-C, Physician Assistant Committee Chair
Mustafa Rahim, MD
Thomas Wesley Steele, MD
Russell O. Wooton

The following Board members were absent:

Ahmed D. Faheem, MD, DLFAPA
Kenneth Dean Wright, PA-C, Legislative Committee Chair

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Jamie C. Frame
Leslie A. Thornton, CMBI

The following representative from the West Virginia Attorney General's Office was present:

Kelli D. Talbott, Senior Deputy Attorney General

Dr. Challa called the meeting to order. Dr. Rahim moved that the minutes of the Board's November 4, 2019 meeting be approved. Dr. Duncan seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL OF
MINUTES**

Mr. Spangler reported that Reverend Harman has been nominated to the Federation of State Medical Board's Nominating Committee.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler reported that he has accepted an invitation to join the United States Medical Licensing Examination State Board Advisory Panel.

Mr. Spangler reported that Jonathan Osborne was recently appointed as executive director of the West Virginia Board of Osteopathic Medicine, succeeding Diana Shepherd. The Board of Medicine wishes Ms. Shepherd the best in her retirement and looks forward to working with Mr. Osborne.

Dr. Challa reported that the Executive/Management Committee met on Sunday, January 12, 2020, at which time the Committee approved the fiscal report and purchasing card transactions for November and December 2019.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

Prior to today's meeting, a copy of a proposed revised *P-Card Internal Controls and Security Policy* was made available for members to review. Dr. Challa reported that during a recent purchasing card (P-Card) audit, it was discovered that the Board's internal P-Card practice is not consistent with the written *P-Card Internal Controls and Security Policy*, as the written policy has not been updated in some time. Dr. Sheth moved that the

Board adopt the updated *P-Card Internal Controls and Security Policy* as presented. Dr. Rahim seconded, and the motion carried.

Dr. Challa reported that the West Virginia Treasurer's Office applies a 2.25% convenience fee to all payments made to the Board via credit card transaction. In January 2016, and again in January 2018, the Board elected to absorb the 2.25% convenience fee that is applied to credit card transactions for a period of two years and reevaluate thereafter. Dr. Sheth moved that the Board continue to absorb the 2.25% convenience fee that is applied to credit card transactions for a period of two years and reevaluate thereafter. Dr. Steele seconded, and the motion carried.

Prior to today's meeting, a proposed *Data Sharing Agreement* between the Board and the Federation of State Medical Boards (FSMB) was made available for members to review. Dr. Challa reported that the proposed agreement, which will supersede a prior, expired agreement with the FSMB, sets forth the specific Board of Medicine data that is to be shared with the FSMB and the terms of the agreement. The Committee recommended that the Board enter into the *Data Sharing Agreement* with the FSMB. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Slemp joined the meeting at this time.

Prior to today's meeting, a proposed revised policy entitled *The Appropriate Use of Social Media and Electronic Communications in Medical Practice* was made available for members to review. Dr. Challa reported that in April 2019, the FSMB Ethics and Professionalism Committee released updated *Model Policy Guidelines Regarding Social Media and Electronic Communication in Medical Practice*. Board staff have updated the Board's position statement, which was originally based on a 2012 FSMB report, to incorporate most of the updated FSMB guidelines. Significant changes were made to section five, as it related to the use of social media by medical boards as opposed to licensees. The Committee recommended that the Board adopt the revised policy entitled

The Appropriate Use of Social Media and Electronic Communications in Medical Practice.
The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that in keeping with the Board's strategic goal to continue to build relationships with other healthcare-related boards and associations, the Committee directed Board staff to explore the possibility of a joint training session, to include the Board of Medicine and other healthcare-related boards and associations. Preliminary proposed training topics include confidentiality, ethics and how to issue a final order in a disciplinary matter.

Dr. Challa reported that the Committee reviewed and considered correspondence requesting that a representative from the Board attend a meeting on February 20, 2020 to discuss certified registered nurse anesthetists supervising fluoroscopy procedures in the absence of a licensed physician. The Committee directed staff to respond to the requestor and provide that a representative of the Board is not available to attend their meeting on February 20th; however, if they wish to provide a detailed explanation of the issue at hand, including any specific questions that they have, the Executive/Management Committee will consider their correspondence at its March meeting.

Dr. Challa reported that a hearing regarding the *Plaintiff's Motion for Summary Judgment* and *Defendant's Cross-Motion for Summary Judgment* in the matter of *John France, MD v. West Virginia Board of Medicine* was held on November 14, 2019 in the Circuit Court of Kanawha County. At the hearing, the Judge ruled in the Board's favor and denied the *Plaintiff's Motion for Summary Judgment* and granted the *Defendant's Cross-Motion for Summary Judgment*.

Dr. Challa reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains in a pending status in the Circuit Court of Kanawha County.

Dr. Challa reported that depositions were occurring in the matter of *Amy Young v. West Virginia Board of Medicine*; however, the case was transferred to a different law firm

for the plaintiff. opposing counsel in this matter changed. On December 20, 2019, counsel for the Board filed a *Motion for Summary Judgement* in this matter. Additionally, the new opposing counsel has filed a *Motion for Continuance*, which the Board does not intend to contest.

Dr. Challa reported that Board staff continue to work with inLumon in developing the new database and website.

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa announced that the next matter relates to consideration of the *Hearing Examiner's Findings of Fact, Conclusions of Law and Recommended Decision* in the matter of *West Virginia Board of Medicine, Petitioner, v. John Michel Shamma'a, MD, Respondent*, Complaint No. 17-193-W. Dr. Challa asked that all board members who need to declare a conflict with regard to this matter do so at this time.

CONSIDERATION
OF A
RECOMMENDED
DECISION

The following board members declared a conflict due to their participation on the Board's Complaint Committee, either currently or during the investigation of the underlying administrative complaint:

Kishore K. Challa, MD, FACC
Carrie Lakin, DPM
David A. Mullins, MD
Ashish P. Sheth, MD
Thomas (Wes) Steele, MD

Dr. Challa designated Dr. Slemp to chair the meeting in his absence. The members who declared a conflict (identified above) left the meeting room at this time. Additionally, the following staff members left the meeting room at this time:

Mark A. Spangler, MA
Jamie S. Alley, Esq.

Greg S. Foster, Esq.
Leslie A. Thornton, CMBI

With a quorum of the Board present and participating, Ms. Talbott advised the Board in the matter of *West Virginia Board of Medicine, Petitioner, v. John Michel Shamma'a, MD, Respondent*, Complaint No. 17-193-W. Ms. Talbott gave the procedural history of the case and reported on the *Hearing Examiner's Recommended Findings of Fact, Conclusions of Law and Recommended Decision*.

Dr. Rahim moved that the Board adopt and accept the *Hearing Examiner's Recommended Findings of Fact, Conclusion of Law and Recommended Decision*. Mr. Wootton seconded, and the motion carried.

Dr. Duncan moved that the licensure revocation become effective on today's date, January 13, 2020. Ms. Mullins seconded, and the motion carried.

The following board and staff members returned to the meeting room at this time:

Kishore K. Challa, MD, FACC
Carrie Lakin, DPM
David A. Mullins, MD
Ashish P. Sheth, MD
Thomas (Wes) Steele, MD
Mark A. Spangler, MA
Jamie S. Alley, Esq.
Greg S. Foster, Esq.
Leslie A. Thornton, CMBI

Dr. Challa resumed chairing the meeting. Ms. Talbott left the meeting at this time and was not present for the remainder of the meeting.

In Mr. Wright's absence, Dr. Donatelli reported that the Legislative Committee met on Sunday, January 12, 2020, at which time Mr. Spangler reported that there have been numerous bills, both new and carryover from the 2019 legislative session, introduced

**LEGISLATIVE
COMMITTEE
REPORT**

during the 2020 legislative session which commenced on January 8, 2020. Key bills of note include:

Senate Bill 12, prohibiting lobbying by counsel of state boards and commissions

Senate Bill 28, allowing West Virginia Board of Medicine investigators to carry concealed weapons. This bill was introduced at the Board's request.

Senate Bill 218, creating Occupational Licensing Consumer Choice Act. This bill would allow individuals to work for employers or consumers without obtaining a professional license. As currently written, this bill applies to the regulation of all occupations in West Virginia except for medical doctors, registered nurses, licensed practical nurses, dentists and pharmacists. Osteopathic physicians, podiatric physicians, advanced practice registered nurses and physician assistants are not currently carved out. The Committee took no position regarding the merits of the bill, but directed staff to seek inclusion of osteopathic physicians, physician assistants, podiatric physicians and advanced practice registered nurses in the list of exempted professions.

Senate Bill 286, prohibiting syringe exchange programs

House Bill 4011, reorganizing various boards and authorities for the licensing and oversight of trades, occupations and professions into different chapters of state code. This bill would separate Chapter 30 licensing boards into the following three categories: (1) medical/health boards (which would be left alone); (2) regulatory boards for professions that require a bachelor's degree; and (3) skilled trades that require a license to practice. Board staff will monitor this bill carefully.

House Bill 3089, modifying licensing requirements for the practice of telemedicine and surgery or podiatry. This bill would allow a physician-patient or podiatric physician-patient relationship to be established through audio-only communication if the physician/podiatric physician determines that video is not necessary to conform to the standard of care. This is not the telemedicine bill that iSelectMD plans to introduce during this legislative session and that was discussed at the November 2019 meeting. Consistent with past positions taken by the Board, the Committee recommended that the Board oppose House Bill 3089. The motion of the Committee was given by Dr. Donatelli, and the motion carried.

Senate Bill 220 and **House Bill 2847**, relating to exemptions from mandated immunizations. This bill would permit a child to be exempt from compulsory

immunizations upon presentation to the child's school any one of the following certifications: (1) a certification of a licensed physician or advanced practice nurse who has personally examined the patient stating that the physical condition of the child is such that immunization is contraindicated or there exists a specific precaution to a particular vaccine; (2) a notarized certification signed by any parent or legal guardian of the child that the religious beliefs of the signator are contrary to the compulsory immunizations; or (3) a notarized certification signed by any parent or legal guardian of the child indicating that the signator has either a conscientious or personal objection to the immunization of the child. The Committee recommended that the Board not support Senate Bill 220 and House Bill 2847. The motion of the Committee was given by Dr. Donatelli, and the motion carried.

Dr. Donatelli reported that the West Virginia Board of Pharmacy recently contacted Board of Medicine staff inquiring as to whether our Board would be open to jointly reviewing and revising the rule pertaining to collaborative pharmacy practice. This is a joint rule between the Board of Pharmacy, the Board of Medicine and the Board of Osteopathic Medicine. The Committee directed staff to work with the Board of Pharmacy in reviewing this rule for possible revisions.

Dr. Donatelli reported that the Committee directed Board staff to further explore ways to improve the vetting of corporation names for health-related services. This process will include a survey of how other jurisdictions regulate the naming of medical and health service entities.

Dr. Donatelli reported that the Committee directed Board staff to research continuing education requirements for podiatric physicians in other states and gather information regarding whether certification and/or recertification examinations and/or processes may be added to the Board's legislative rule as approved continuing education for podiatric physicians.

Dr. Donatelli reported that the Committee will hold four interim meetings between

this Board meeting and the March Board meeting. The tentative dates of these meetings are:

January 21, 2020
February 4, 2020
February 18, 2020
March 3, 2020

Each of these meetings will begin at 5:00 pm. It has been the practice of the Board to delegate authority to the Legislative Committee to act on behalf of the Board as necessary to respond to legislative matters at these meetings, and any other special meetings which become necessary during the legislative session. The committee recommended that the Board delegate such authority to the Committee again this year. The motion of the Committee was given by Dr. Donatelli, and the motion carried.

The Committee recommended that the Board accept and ratify the Legislative Committee Report. The motion of the Committee was given by Dr. Donatelli, and the motion carried.

Mr. Foster reported that in December, the West Virginia Supreme Court of Appeals issued its decision in the matter of *Omar Khalid Hasan, MD v. West Virginia Board of Medicine*, which affirmed the Kanawha County Circuit Court's Order denying Dr. Hasan's appeal of the Board's June 21, 2017 Final Order. Pursuant to the June 21, 2017 Final Order, Dr. Hasan's medical license was placed in a suspended status effective January 9, 2020.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that there was a hearing scheduled to convene in January; however, that hearing has been continued. Additionally, there was a hearing scheduled to convene in February, but that hearing has been continued. There is currently one hearing scheduled to convene in April.

Mr. Foster reported that there are six formal complaints regarding three licenses that will be prepared and issued.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, January 11, 2020.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following thirty applicants be approved for physician assistant licensure:

Lindsey Joan Ackles, PA-C
Nicholas George Alexander, PA-C
Charlene Marie Arena, PA-C
Megan Dawn Bartlett, PA-C
Joanne Lastrri Campbell, PA-C
Ryan Franklin Chambers, PA-C
Marie Sue Christenson, PA-C
Ana Laura Goldberg, PA-C
April Melody Hala, PA-C
Brittany Paige Halpern, PA-C
Josiah James Hannen, PA-C
Jasmine Palmiano Henderson, PA-C
Melissa Louise Jensen, PA-C
Paul David Kalina, PA-C
Holly Lyn Mays, PA-C
Angela Marie McCarthy, PA-C
Ellyn Lindsey McGinnis, PA-C
Joshua James Montgomery, PA-C
Sierra Nicole Moore, PA-C
Jin U O, PA-C
Olivia LeAnn Price, PA-C
Ethan Robert Ramsey, PA-C
Monica Sulema Sanchez, PA-C
Brooke Michelle Scheider, PA-C
Nicholas Ronald Schubring, PA-C
Brent Michael Selders, PA-C
Katherine Anne Shelton, PA-C
Teresa Lynne Slager, PA-C
Brianna Lyn Topolnak, PA-C
Whitney Nicole Wigal, PA-C

The motion of the Committee was given by Ms. Mullins, and the motion carried.

Ms. Mullins reported that the Committee discussed an inquiry concerning what role a physician assistant may play in providing informed consent to surgical patients. The Committee directed staff to respond that while the ultimate responsibility to ensure a patient receives informed consent lies with the physician performing a surgical procedure, it is within a physician assistant's scope of practice to collaborate with a surgeon to obtain informed consent for such procedures from the patient with respect to mutual patients.

Ms. Mullins reported that the Committee reviewed and discussed a self-report from a physician assistant of possible unauthorized practice. Based upon the facts and circumstances presented, the Committee determined not to take any action relative to the report.

Ms. Mullins reported that in November 2019, the Committee asked Board staff to propose modifications to the Board's Practice Agreement and Practice Notification forms for the purpose of clarifying whether the proposed practice will incorporate telemedicine. The Committee received and approved the modifications as proposed.

Ms. Mullins reported that the Committee considered and approved the external hardware and pin removal and/or pin adjustment procedure as an advanced duty for physician assistants. The procedure will be added to the *Board Approved Advanced Procedure List* and will require the submission of ten logs for approval.

Ms. Mullins reported that Board staff authorized twenty-two practice agreements and fifty practice notifications in the months of November and December 2019.

The Committee recommended that the Board accept and ratify the Physician Assistant Committee Report. The motion of the Committee was given by Ms. Mullins, and the motion carried.

Dr. Duncan provided the report of the Licensure Committee which met on Saturday, January 11, 2020.

Dr. Duncan reported that three applicants appeared before the Licensure Committee to discuss their applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Abdul Hafeez Abbasi, MD
Hrishi Thakorbbhai Patel, MD
Mohammad Kamal Shah, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee will request that the following two applicants appear before the Committee at its March 2020 meeting:

Michael Huy Le, MD
Jan Anthony Pijanowski, MD

Dr. Duncan reported that Azam Jan, MD's change of licensure status application will be placed on hold pending receipt of additional information.

Dr. Duncan reported that the Committee reviewed and discussed seventeen applications. Based thereupon, the Committee recommended that the following six applicants be approved for medical licensure:

Dean Robert Carpenter, MD
Christine Cosentino Chalfant, MD
James Allen Hughes, MD
Hamid Nawaz, MD (pending payment of the PICF fee)
Murray H. Weissmann, MD
Steven Lee Woolley, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve Jarrett Cain, DPM, for podiatric licensure. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept Richard Sidney Frank, MD's request to withdrawal his medical licensure application. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the application for the following two physicians will be placed on hold pending receipt of additional information:

Juni Ayodeji Olumide Femi-Pearse, MD
Sandra Jean Lewis, MD (reinstatement application)

The Committee will request that the following seven applicants appear before the Committee at a subsequent meeting:

Mitchell Ira Burken, MD
Keith Erick Cook, MD
David Nicholas Lortscher, MD
Murat Dag Mardirossian, MD
Siva Rao Murthy, MD
Anna Davina Tuddenham, MD
Gary Patrick McCarthy, MD (reinstatement applicant)

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve ninety-three initial medical licensure applicants. A list of the ninety-three applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve five reactivation of medical licensure applicants. A list of the five applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve three initial podiatric medical licensure applicants. A list of the three applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Prior to today's meeting, a draft proposed *Application Expiration Policy* was made available for members to review. Dr. Duncan reported that in November 2019, the Committee requested that Board staff prepare a formal policy regarding application expiration which is consistent with the Board's current practice of requiring updated information for incomplete applications at six months and expiration if the application is not complete within one year. The Committee recommended that the Board adopt the *Application Expiration Policy*. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the application for initial medical licensure of Muhamad Haroon Burhanullah, MD was complete and awaiting action by the Board on July 13, 2019. However, Dr. Burhanullah's name was inadvertently omitted from the list presented at the Board meeting on that date. The Committee recommended that the Board ratify the issuance of Dr. Burhanullah's license, effective July 13, 2019. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee received an update from Board staff regarding applications that were approved at the November 2019 meeting that were pending payment of the PICF assessment fee. Additionally, the Committee received updates on the following licensure activity in November and December 2019:

Reinstatement Applications
Change of Status Applications
IMLC Applications
Letters of Qualifications Issued
Educational and Reciprocal Educational Permits Issued

A copy of the reports reflecting the above licensure actions are attached to these minutes and incorporated herein by reference.

Dr. Duncan reported that the following licensure related Consent Orders have been entered since the November 2019 meeting:

Michael Andrew Arata, MD - On December 20, 2019, Dr. Arata was granted a probationary medical license via Consent Order. Dr. Arata's license was subject to a five year period of probation, however, he may petition for early release from probation: (1) after he has successfully completed a minimum of two years of probation in West Virginia; and (2) his California and Maryland licenses have been restored to unrestricted status.

While on probation Dr. Arata must: (1) comply with all of the terms and conditions imposed by California and Maryland; (2) provide the Board with written quarterly certifications attesting to his continuing compliance in California and Maryland; (3) provide written notice of any modifications to his California and/or Maryland orders; and (4) comply with the FDA's revocation of his eligibility to conduct clinical trials or investigations for products regulated by the FDA.

Additionally, Dr. Arata is prohibited from: (1) conducting clinical trials or investigations for products regulated by the FDA in West Virginia, and that he will not seek reinstatement from or with the FDA to have his eligibility to conduct clinical trials or investigations restored; (2) engaging in solo medical practice in West Virginia; and (3) from supervising or entering into collaborative agreements or practice agreements with physician assistants and advanced practice registered nurses/nurse practitioners.

Geertruida Kints, MD - On January 9, 2020, Dr. Kints' inactive status license was converted to active status pursuant to a Consent Order which addresses Dr. Kints' inaccurate certification of successful completion of a 3-hour Board approved course in drug diversion training and best practice prescribing of controlled substances between July 1,

2016 and June 30, 2018. Dr. Kints was required to pay a \$500 fine for her continuing medical education delinquency.

Copies of all Consent Orders are available on the Board's website.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Sheth provided the report of the Complaint Committee, which met on Sunday, January 12, 2020.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer nineteen Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Orders

Dr. Sheth reported that since the November 2019 meeting, executed Consent Orders have been entered with respect to the following licensees:

Fadi Alkhankan, MD - On December 16, 2019, Dr. Alkhankan entered into a Consent Order with the Board that imposed a \$500.00 fine for continuing medical education noncompliance.

Darci Barger, PA-C - On January 2, 2020, Ms. Barger entered into a Consent Order with the Board that imposed a \$200.00 fine for failing to disclose a 2018 Consent Order on her 2019 license renewal application.

John David Crompton, MD - On December 16, 2019, Dr. Crompton entered into a Consent Order with the Board that imposed a \$500.00 fine for continuing medical education

noncompliance.

Sally Ong Dee, MD - On December 16, 2019, Dr. Dee entered into a Consent Order with the Board that imposed a \$500.00 fine for continuing medical education noncompliance.

Brian Francis, MD - On December 16, 2019, Dr. Francis entered into a Consent Order with the Board that imposed a \$975.00 fine for continuing medical education noncompliance.

James Albert Paine, Jr., MD - On January 2, 2020, Dr. Paine entered into a Consent Order with the Board that imposed a \$400.00 fine for failure to report a malpractice settlement on his 2019 license renewal application.

Anita Frances Petite, PA - On December 16, 2019, Ms. Petite entered into a Consent Order with the Board that imposed a \$200.00 fine for failing to disclose a 2017 Consent Order on her 2019 license renewal application.

Robert Jeffrey Shalowitz, MD - On December 19, 2019, Dr. Shalowitz entered into a Consent Order with the Board that imposed a \$400.00 fine for failure to report a malpractice settlement on his 2019 license renewal application.

Douglas Raymond Smith, PA - On November 4, 2019, Mr. Smith entered into a Consent Order with the Board that effectuated the immediate and permanent surrender of his West Virginia physician assistant license. The Order also rendered Mr. Smith permanently ineligible for licensure by the West Virginia Board of Medicine. Mr. Smith also agreed not to submit any application or request seeking reinstatement or reactivation of the surrendered license.

David Leon Soulsby, MD - On January 2, 2020, Dr. Soulsby entered into a Consent Order with the Board that imposed a \$400.00 fine for his failure to report a malpractice settlement on his 2019 license renewal application.

All Consent Orders are available on the Board's website.

Dr. Sheth reported that on March 5, 2018, Joy Jeannine Juskowich, MD entered into a Consent Order with the Board providing that her medical license would remain in an inactive status until she fully complied with certain requirements and could demonstrate her fitness to resume the practice of medicine. Dr. Juskowich satisfied the conditions of her original Consent Order, and on June 5, 2018, she entered into an Amended Consent Order which converted her license to active status with a probationary period. Dr. Juskowich has held a probationary status license for 17 months and has been compliant with the terms of her probation. In accordance with the terms and conditions of her Amended Consent Order, she has requested that her period of probation be ended. After meeting with Dr. Juskowich, the Committee recommends that the Board enter an Order terminating Dr. Juskowich's Amended Consent Order. The motion of the Committee was given by Dr. Sheth, and the motion carried.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Sheth, and the motion carried.

There being no further business to consider, Dr. Duncan moved that the meeting be adjourned. Dr. Lakin seconded, and the motion carried.

Greg S. Foster, Esq.

Jamie C. Frame

Leslie A. Thornton, CMBI

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

**CALL TO
ORDER**

Dr. Sheth provided the report of the Complaint Committee which met earlier today, February 4, 2020. He reported that the Complaint Committee is presenting a recommendation to the full Board concerning possible discipline of a licensee, Sriramloo Kesari, MD, license number 12006. He asked members to advise of any conflicts.

Dr. Challa declared a conflict due to a close personal friendship with Dr. Kesari. Dr. Challa designated Dr. Faheem to Chair the remainder of the meeting. Dr. Challa left the teleconference at this time.

Dr. Sheth reported that the Committee has concluded that the evidence in its possession supports a determination that Dr. Kesari is unable to practice medicine and surgery with reasonable skill and safety due to physical or mental impairment. W. Va. Code §30-3-14(c)(21).

**COMPLAINT
COMMITTEE
REPORT**

West Virginia Code § 30-3-14(k) provides that:

if the board determines the evidence in its possession indicates that a physician's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the board may take any of the actions provided for in subsection G) of this section on a temporary basis and without a hearing, if institution of procedures for a hearing before the board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The board shall render its decision within five days of the conclusion of a hearing under this subsection.

The Committee determined, that under the circumstances and based upon the evidence in its possession, to recommend that the full Board summarily suspend Dr. Kesari's West Virginia medical license on the grounds that Dr. Kesari's continuation in practice or unrestricted practice constitutes an immediate danger to the health, welfare and safety of the public.

The Complaint Committee recommended that the Board:

1. Ratify the Complaint Committee's conclusions as reported here today;
2. Determine that under all of the circumstances, for Dr. Kesari to continue to hold an unrestricted license to practice medicine in the State of West Virginia, constitutes an immediate danger to the health, welfare and safety of the public;
3. Conclude, as a matter of law, that such a danger to the public demands extraordinary measures; and
4. In accordance with its statutory mandate to protect the public interest, summarily suspend the license to practice medicine of Dr. Kesari, license number 12006, in accordance with the provisions of W. Va. Code § 30-3-14(k) and W. Va. Code R. § 11-3-10.16 (2010).

Dr. Sheth reported that if the Board votes to summarily suspend Dr. Kesari's medical license, it must determine an effective date of the suspension. A hearing before a minimum of nine eligible Board members and a hearing examiner, must be held within fifteen days of the suspension. The licensee must be given ten days' notice of any hearing. Within five days of the conclusion of the hearing, the Board has to decide what action to take and must issue an order setting forth its final determination. Members of the Complaint Committee may not participate in the full hearing or the final vote.

The Committee recommended that the Board accept and ratify the Complaint Committee report.

Dr. Mullins, Dr. Sheth, Dr. Steele and Dr. Lakin, as members of the Complaint Committee, left the meeting at this time and the Board considered this matter in their absence.

Dr. Rahim moved that the Board enter into executive session to discuss personal medical information regarding the licensee which was obtained in the course of the investigation. Dr. Duncan seconded, and the motion carried.

**EXECUTIVE
SESSION**

The executive session concluded, and the Board reentered public session.

**PUBLIC
SESSION**

With a quorum of the Board present and voting, Dr. Rahim moved that the Board accept and ratify the Complaint Committee's determination that Sriramloo Kesari, MD's continuation in practice or unrestricted practice constitutes an immediate danger to the health, welfare and safety of the public and therefore, in accordance with the Board's mandate to protect the public interest, that Dr. Kesari's license to practice medicine and surgery in West Virginia be summarily suspended in accordance with the provisions of W. Va. Code §30-3-14(k) and W. Va. Code R. § 11-3-10.16. Dr. Rahim further moved that the summary suspension become effective on February 5, 2020 at 12:01 am. Mr. Wright seconded, and the motion carried.

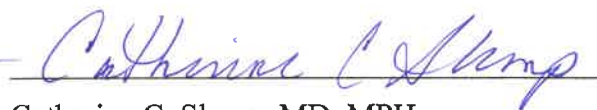

Dr. Rahim moved that the summary suspension hearing regarding this matter convene at 3:00 pm on Thursday, February 20, 2020 at the Board Office. Mr. Wright seconded, and the motion carried.

There being no further business to consider, Dr. Rahim moved that the meeting be adjourned. Mr. Wooton seconded, and the motion carried.

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.
Melissa Cross
Greg S. Foster, Esq.
Jamie C. Frame
Jacob Spradling
Leslie A. Thornton, CMBI
Andrew Wessels

Dr. Challa called the meeting to order. Dr. Faheem moved that the minutes of the Board's January 13, 2020 meeting be approved. Dr. Lakin seconded, and the motion carried. Mr. Wright moved that the minutes of the Board's February 4, 2020 emergency meeting be approved. Dr. Sheth seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

Dr. Challa welcomed Melissa Cross, who will serve as a technical writer/administrative assistant for the Board. Dr. Challa also welcomed Jacob Spradling, who succeeds John B. Smith, as complaints coordinator for the Board.

ANNOUNCEMENTS

Dr. Challa announced that the Federation of State Medical Board's annual meeting will be held on April 30 – May 2, 2020 in San Diego, California. Any member who is interested in attending the meeting, and who has not yet notified Board staff regarding their interest, should see Mr. Spangler at the conclusion of today's meeting.

A copy of the 2019 *West Virginia Board of Medicine Executive Summary* was provided to each member. Mr. Spangler reported that the Executive Summary contains statistical information such as the number of practitioners licensed by the Board, the number of registrations issued by the Board and the number of complaints received and/or processed by the Board.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler reported that the renewal period for medical doctors whose last names begin with the letters A through L, controlled substance dispensing practitioner registration for physicians whose last names begin with the letters A through L, and professional limited liability companies will begin on May 6, 2020. The Board will also hold educational permit renewal this spring and summer.

Dr. Challa reported that the Executive/Management Committee met on Sunday, March 8, 2020, at which time the Committee approved the fiscal report and purchasing card transactions for January and February 2020.

The Committee reviewed and considered correspondence from the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners seeking an opinion concerning its interpretive rule, 18 CSR 6, section 4.8, which states that interpretative fluoroscopic procedures are to be performed only under direct supervision of a West Virginia licensed physician. The reason for the request is that the Imaging Board has received a request to allow a certified registered nurse anesthetist to replace the role of a licensed physician in supervising interpretative fluoroscopy procedures. The Committee directed Board staff to respond to the Imaging Board indicating that the Board concurs with the standards set forth in 18 CSR 6 section 4.8.

Dr. Rahim joined the meeting at this time.

The Committee reviewed and considered correspondence that was received which seeks clarification regarding physician compounding of sterile drug products without a pharmacist present in their medical oncology office. The Committee directed staff to respond to the requestor indicating that the West Virginia Board of Pharmacy would be the appropriate entity to address their questions.

Dr. Challa reported that the Board's legislative rule 11 CSR 4, *Fees for Services Rendered by the Board of Medicine Including Assistance to the Board-Designated Physician Health Program for Physicians, Podiatrists, and Physician Assistants*, provides that the Board's written licensure verification fee is \$25.00. Since 2009, the Board has contracted with VeriDoc to provide license verification services. VeriDoc recently increased its charges to \$42 for verification of a West Virginia license. Given that the amount charged by VeriDoc exceeds the amount set forth in the Board's rule, the Committee recommended that the Board authorize staff to begin processing written licensure verification in-house for \$25.00 for practitioners who elect not to utilize VeriDoc.

It is anticipated that in-house verifications will be processed within four to six weeks of receipt of a verification request. VeriDoc would remain an alternate verification pathway for licensees who need expedited verification of licensure. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that a hearing on cross motions for summary judgment in the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* is scheduled for March 30, 2020 in the Circuit Court of Kanawha County.

Dr. Challa reported that the matter of *Amy Young v. West Virginia Board of Medicine* remains pending in the Circuit Court of Kanawha County. The Board has filed a *Motion for Summary Judgment* in this matter.

Dr. Challa reported that the *Data Sharing Agreement* between the West Virginia Board of Medicine and the Federation of State Medical Boards became effective on January 28, 2020. The Agreement will remain in effect until terminated by either the Board of Medicine or the Federation of State Medical Boards.

Dr. Challa reported that Board staff continue to work with inLumon in developing the new database and website. While implementation of the database and website are behind schedule, Board staff are seeing progress with regard to the licensure component of the database as well as website design. In order to allow inLumon additional time to develop and implement the new database and website, the Board will need to enter into an extension agreement with them. Additionally, the Board will need to enter into an extension agreement with our current database vendor, Big Picture, to ensure that they continue to provide services for the Board until the inLumon database and website are implemented. The Committee recommended that the Board enter into an extension agreement with inLumon and Big Picture. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that Valerie Anderson, physician assistant licensure analyst for the Board, has submitted her resignation. The Board is currently accepting applications for this position. The Board wishes Ms. Anderson the best in her future endeavors.

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Wright reported that the Legislative Committee met on Sunday, March 8, 2020, at which time Mr. Spangler reported that the bills listed below, which were being monitored by Board staff, have completed the 2020 legislative process.

LEGISLATIVE
COMMITTEE
REPORT

House Bill 4252, which contains Board of Medicine rules 11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*, and 11 CSR 13, *Waiver of Initial Licensing Fees for Certain Initial Licensure Applicants*.

Senate Bill 175, requiring certain agencies maintain a website which contains specific information.

Senate Bill 544, authorizing pharmacists and pharmacy interns administer vaccines.

Senate Bill 560, permitting nursing homes to use trained individuals to administer medication.

Senate Bill 576, relating to management of public records.

Senate Bill 647, permitting physician assistants and advanced practice registered nurses to issue do-not-resuscitate orders.

Senate Bill 664, adding physician assistants to the list of medical professionals capable of determining if an individual lacks capacity.

Senate Bill 747, requiring the Bureau for Public Health to develop a diabetes action plan.

Senate Bill 748, increasing awareness of palliative care services.

Senate Bill 767, relating to licensure of hospitals.

Senate Bill 770, revising requirements for post-doctoral training.

Senate Bill 787, providing benefits to pharmacists for rendered care.

Senate Bill 846, requiring hospitals to publish notification prior to facility closure regarding patient medical records.

Senate Bill 851, requiring the Governor's Committee on Crime, Delinquency and Correction propose a rule in coordination with law enforcement and certain medical boards.

House Bill 4007, Born-Alive Abortion Survivors Protection Act.

House Bill 4009, relating to the process of involuntary hospitalization.

House Bill 4020, removing authority of municipalities to require occupational licensure if licensure for the occupation is required by the state.

House Bill 4161, making it illegal to scleral tattoo a person

House Bill 4395, removing the requirement that a veterinarian access and report to the controlled substance monitoring database.

House Bill 4417, relating to permitting professional boards.

House Bill 4422, The Patient Brokering Act.

House Bill 4434, West Virginia health care workforce sustainability study.

House Bill 4494, Tobacco Use Cessation Initiative.

Mr. Wright reported that the bills listed below, which were monitored by Board staff, did not complete the legislative 2020 legislative process:

Senate Bill 28, allowing West Virginia Board of Medicine investigators to carry concealed weapons.

Senate Bill 700, exempting physicians from specified traffic laws when responding to emergencies.

Senate Bill 710, establishing a pilot program to evaluate telemedicine health services.

Senate Bill 752, relating generally to medical cannabis.

Senate Bill 762, creating preserving patient stability act of 2020

Senate Bill 821, providing immunity from civil liability to facilities and employees providing crisis stabilization.

Senate Bill 847, updating controlled substance lists in Schedules I and V

House Bill 4011, reorganizing various boards and authorities for the licensing and oversight of trades, occupations and professions.

House Bill 4059, increasing access to long acting reversible contraception.

House Bill 4062, reducing the cost of prescription drugs.

House Bill 4356, relating to the administration of anesthetics.

House Bill 4734, rewriting the article on registered professional nurses.

Mr. Wright reported that **House Committee Resolution 136**, requesting a study to present a plan for the combination of the Board of Medicine and the Board of Osteopathic Medicine originated in House Health and Human Resources. This resolution passed the House and was referenced to the Senate where it was not taken up. While the resolution did not pass this year, there may be attempts to combine the two Boards in the future.

Mr. Wright reported that **House Bill 4003**, relating to telehealth insurance requirements, was passed during the 2020 legislative session. This bill provides that a health insurance policy cannot exclude a service for coverage solely because the service is provided through telehealth services. The bill also requires boards to promulgate rules relating to the regulation of telemedicine. The Medical Practice Act sets forth telemedicine regulation for the Board of Medicine; therefore, our Board is not required to promulgate rules as a result of this legislation. Board staff will monitor proposed telemedicine rules submitted by other entities and will keep the Legislative Committee and Board apprised.

Mr. Wright reported that the Committee directed Board staff to evaluate current legislative and procedural rules to determine which will need to undergo rulemaking during the 2021 legislative session.

The Committee recommended that the Board accept and ratify the Legislative Committee Report. The motion of the Committee was given by Mr. Wright, and the motion

carried.

Mr. Foster reported that a hearing convened in December 2019. This matter will be available for consideration by the Board at a future meeting.

**BOARD
ATTORNEY
REPORT**

Mr. Foster reported that there are three hearings scheduled to convene in the coming months, one in March, one in April and one in May. Two hearings have been continued and two matters are in the process of being scheduled.

Ms. Mullins provided the report of the Physician Assistant Committee which met on Saturday, March 7, 2020.

**PHYSICIAN
ASSISTANT
COMMITTEE
REPORT**

Ms. Mullins asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following twenty-three applicants be approved for initial physician assistant licensure:

Dr. Duncan reported that the application for the following physicians will be placed on hold pending receipt of additional information:

Juni Ayodeji Olumide Femi-Pearse, MD
Michael Huy Le, MD

The Committee will request that the following applicants appear before the Committee at a subsequent meeting:

Robert Brentwood Bux, MD
Jesse David Lawrence, MD
Kayvon Modjarrad, MD (Reactivation)
Kelly Kathleen Rhodes, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve seventy-nine initial medical licensure applicants. A list of the seventy-nine applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve four reactivation of medical licensure applicants. A list of the four applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board approve two initial podiatric medical licensure applicants. A list of the two applicants is attached to these minutes and incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee received an update from Board staff regarding applications that were approved at the January 2020 meeting that were pending payment of the PICF assessment fee. Additionally, the Committee received updates on the following licensure activity in January and February 2020:

- Reinstatement of Medical Licensure
- Change of Status Applications
- Interstate Medical Licensure Compact Applications
- Letters of Qualification Issued
- Educational and Reciprocal Educational Permits Issued

A copy of the reports reflecting the above licensure actions are attached to these minutes and incorporated herein by reference.

Dr. Duncan reported that the renewal period for the following credential types is scheduled to begin on Wednesday, May 6, 2020:

- Physicians whose last names begin with the letters A through L
- Controlled Substance Dispensing Practitioner Registration for physicians whose last names begin with the letters A through L
- Education Permits
- Professional Limited Liability Companies

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Sheth provided the report of the Complaint Committee, which met on Sunday, March 8, 2020.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer thirteen Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Orders

Dr. Sheth reported that since the January 2020 meeting, executed Consent Orders have been entered with respect to the following licensees:

Anup Kumar Das, MD - On January 8, 2020, Dr. Das entered into a Consent Order with the Board that imposed a \$1,000.00 fine for continuing medical education noncompliance.

Theodore Randolph Gover, PA-C - On January 8, 2020, Mr. Gover entered into a Consent Order with the Board that imposed a \$200.00 fine for his failure to report a malpractice settlement on his 2019 license renewal application.

James Edwin Prommersberger, DPM - On January 13, 2020, Dr. Prommersberger entered into an Interim Consent Order with the Board that continues his probationary licensure status and prohibits him from administering, ordering or prescribing any and all controlled substances. The interim order will remain in effect until a final resolution is complete.

All Consent Orders are available on the Board's website.

Board Orders

Dr. Sheth reported that the next matter relates to Omar K. Hasan, MD. Dr. Faheem declared a conflict with regard to this matter as he was a witness at the underlying hearing. Dr. Faheem left the meeting room at this time.

Dr. Sheth reported that the Board currently has one final order in effect, regarding licensee Omar K. Hasan, MD which requires intermittent monitoring and consideration of certain requests for approval. These requirements are substantially similar to the requirements that are routinely incorporated into certain Consent Orders which are monitored by the Complaint Committee. The Committee requested that the Board delegate authority to the Committee to take action on behalf of the Board to monitor compliance and to receive and evaluate requests from the licensee concerning the requirements of the Order. This authority would not extend to action upon any petition for license restoration at the conclusion of the period of suspension, which will be presented to the full Board for consideration at the appropriate time. The motion of the Committee was given by Dr. Sheth, and the motion carried.

Dr. Faheem returned to the meeting room at this time.

Dr. Sheth reported that the Committee reviewed certified court records regarding licensee Parth Sarathi Bharill, MD in association with an ongoing matter. The Committee referred these records to the Board for review and possible action pursuant to West Virginia Code § 30-3-14(d). Dr. Sheth asked Mr. Foster to present this matter to the Board.

Mr. Foster reported that on or about May 1, 2018, a twelve-count criminal Indictment was filed in the United States District Court for the Northern District of West Virginia against Dr. Bharill, in the matter of the *United States of America v. Parth Bharill*, Criminal Action No. 1:18-cr-00025-IMK-MJA.

On January 30, 2020, a sentencing hearing was held before the Honorable Thomas S. Kleeh, whereat Dr. Bharill pled guilty to Count One of the Indictment. The Judgement Order was entered against Dr. Bharill on February 4, 2020, wherein Dr. Bharill was adjudicated guilty of Count One of the Indictment for the offense of conspiracy to distribute a suboxone outside of the usual course of professional practice, in violation of 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(E)(i) and (iii). Counts Two through Twelve of the Indictment were dismissed in accordance with the Plea Agreement.

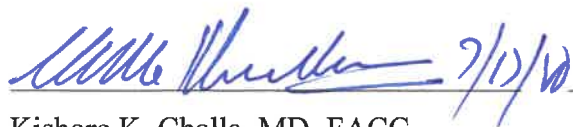

West Virginia Code §30-3-14(d) imposes a nondiscretionary duty upon the Board to revoke a license if a licensee has been found guilty and/or pled guilty in a court of competent jurisdiction to any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes.

Having reviewed the records in this matter, Dr. Duncan moved that the Board conclude that it has received sufficient proof, pursuant to W. Va. Code §30-3-14(d), to determine that Dr. Bharill has been found guilty in a court of competent jurisdiction of one felony count of unlawfully conspiring to distribute a suboxone, a Schedule III controlled substance, in violation of 21 U.S.C. §§ 846, 841(a)(1) and 841(b)(1)(E)(i) and (iii), and that Dr. Bharill's conviction constitutes a felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes. Dr. Duncan further moved that Dr. Bharill's license, License No. 16925, be revoked effective upon entry of an Order of Revocation. Dr. Faheem seconded, and the motion carried with no opposition.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Sheth, and the motion carried.

ADJOURNMENT

There being no further business to consider, the meeting adjourned.

The following Staff members were present:

Mark A. Spangler, MA
Jamie S. Alley, Esq.

The following Staff members attended the meeting via teleconference:

Greg S. Foster, Esq.
Jamie C. Frame

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

CALL TO
ORDER

Mr. Spangler provided an overview of Gubernatorial Executive Orders 7-20, 10-20 and 11-20.

Prior to today's meeting, a draft proposed emergency rule 11 CSR 14, *Registration to Practice During Declared State of Emergency* was made available for members to review. Ms. Alley reported that while the executive orders issued by the Governor suspend certain provisions of the West Virginia Medical Practice Act, W. Va. Code §30-3-1 *et seq.*, and the West Virginia Physician Assistants Practice Act, W. Va. Code § 30-3E-1 *et seq.*, the Board will need to promulgate an emergency rule to establish procedures for authorizing physicians and physician assistants who do not hold an active status medical license to practice in West Virginia during a declared State of Emergency. The proposed emergency rule provides that physicians and physician assistants licensed in another state may register with the Board to provide medical care in West Virginia under special provisions during the period of the declared emergency. To be eligible to practice pursuant to this provision of the rule, the physician or physician assistant:

1. must hold a valid, permanent, current, and unrestricted license to practice in another state;
2. must not be the subject of a pending or active complaint, investigation, Consent Order, Board Order or pending disciplinary proceeding in any jurisdiction; and
3. must not have surrendered a license while under investigation or had a license revoked in any jurisdiction.

Additionally, the proposed rule provides that inactive and retired physicians and retired physician assistants may register with the Board to provide medical care in West Virginia under special provisions during the period of the declared emergency. To be eligible to practice pursuant to this provision of the rule, the physician or physician assistant must:

1. have had an active clinical practice within the last five years;
2. no longer hold an active status medical or physician assistant license in any state;
3. not have surrendered a medical license or physician assistant license while under

investigation or had a license revoked in any jurisdiction, unless the revocation was subsequently withdrawn or overturned; and

4. have been in good standing at the time the physician's West Virginia medical license or the physician assistant's West Virginia physician assistant license became inactive or expired.

With respect to both out of state and retired rule provisions, physician assistants must also submit a Practice Agreement or Practice Notification prior to practicing in West Virginia. Dr. Sheth moved that the Board authorize staff to file emergency rule 11 CSR 14, *Registration to Practice During Declared State of Emergency*, with the West Virginia Secretary of State's Office. Dr. Rahim seconded and the motion carried.

Prior to today's meeting, a proposed form to be submitted by out of state licensed medical doctors who seek to register with the Board to practice in West Virginia during the COVID-19 State of Emergency was made available for members to review. Dr. Sheth moved that the Board adopt the out of state licensed medical doctor registration form and authorize Board staff to replicate the form for out of state licensed physician assistants, retired or inactive status West Virginia medical doctors and retired West Virginia physician assistants. Mr. Wooton seconded, and the motion carried.

Ms. Alley reported that pursuant to the executive orders issued by Governor Justice, the Board has discretion to extend the licensure expiration date of all licenses that are currently scheduled to expire on June 30, 2020. Dr. Sheth moved that the Board extend the licensure expiration date for all physicians whose last names begin with the letters A-L and the associated controlled substance dispensing practitioner registrations until September 30, 2020, permit physicians to complete continuing medical education (CME) for the reporting period of July 1, 2018 through September 30, 2020, extend the upcoming renewal cycle to conclude at 4:30 pm EDT on September 30, 2020, and establish that all license renewals will be valid through June 30, 2022. Dr. Rahim seconded, and the motion carried.

Ms. Alley reported that, unlike change of status and reinstatement applications, currently all reactivation applications are presented to the Licensure Committee for

consideration. Additionally, when submitting a change of status, reinstatement or reactivation application, the applicant is required to submit documentation demonstrating successful completion of CME. Dr. Duncan moved that the Board permit all change of status, reinstatement and reactivation applications to be processed by Board staff unless Committee discussion of discrepant information is necessary. Dr. Duncan further moved that the Board permit applicants to attest to successfully completing CME requirements in lieu of producing CME documentation. Dr. Sheth seconded, and the motion carried.

Mr. Spangler reported that pursuant to the executive orders issued by Governor Justice, the Board has discretion to extend the expiration date of all educational permits that are currently scheduled to expire on June 30, 2020. Reverend Harman moved that the Board extend the educational permit expiration date for all current permits until September 30, 2020, extend the upcoming renewal cycle to conclude at 4:30 pm EDT on September 30, 2020, and establish that renewed permits will be valid through June 30, 2021. Reverend Harman further moved that the Board authorize staff to modify the current educational permit renewal process. Dr. Sheth seconded, and the motion carried.

Prior to today's meeting, a proposed modified physician assistant practice agreement form was made available for members to review. Ms. Alley reported that Board staff would like to implement a temporary, streamlined process for physician assistant practice agreements and practice notifications to facilitate practitioner surge and agility during the current State of Emergency. The proposed process would temporarily suspend the number of physician assistants that a physician is permitted to collaborate with, include implementation of simplified practice agreement and practice notification forms which would be accepted via electronic mail and would be effective upon e-filing (with the exception of advanced duties not previously approved by the Physician Assistant Committee). Additionally, the fees associated with filing a practice agreement or practice notification would be waived during the State of Emergency. Mr. Wright moved that the Board authorize staff to implement the temporary, streamlined practice agreement and practice notification process outlined above. Dr. Duncan seconded, and the motion carried.

Ms. Alley reported that, pursuant to the executive orders issued by Governor Justice, the Board has discretion to extend the certificate of authorization expiration date for professional limited liability companies that are currently scheduled to expire on June 30, 2020 and medical corporations which operate on a rolling renewal cycle and which are scheduled to expire on or before July 1, 2020. Dr. Sheth moved that the Board extend the expiration date for all professional limited liability companies until September 30, 2020 and extend the renewal period for professional limited liability companies to conclude at 4:30 pm EDT on September 30, 2020. Dr. Sheth further moved that upon receipt of a written request, the expiration date for medical corporations be extended until September 1, 2020, which would result in the medical corporations renewing during the month of August 2020. Dr. Steele seconded, and the motion carried.

Prior to today's meeting, draft temporary rule provision suspension memoranda for the following Board of Medicine rules were made available for members to review:

11 CSR 1A, *Licensing and Disciplinary Procedures: Physicians; Podiatric Physicians and Surgeons*

11 CSR 1B, *Licensure, Disciplinary and Complaint Procedures, Continuing Education, Physician Assistants*

11 CSR 3, *Board Organization and Meeting Procedure; Complaint and Contested Case Hearing Procedures*

11 CSR 5, *Board of Medicine Rules for Dispensing of Prescription Drugs by Practitioners*

11 CSR 6, *Continuing Education for Physicians and Podiatric Physicians*

11 CSR 7, *Formation and Approval of Professional Limited Liability Companies*

11 CSR 12, *Permitting and Disciplinary Procedures: Educational Permits for Graduate Medical Interns, Residents and Fellows*

Ms. Alley reported that pursuant to the executive orders and the State of Emergency issued by Governor Justice, the Board has "the ability to suspend rules, if strict compliance therewith would in any way prevent, hinder or delay necessary action in coping with the emergency." Board staff have drafted seven proposed rule suspension memoranda. Each

memorandum identifies the specific provisions of the rule that should be temporarily suspended. Mr. Wooton moved that the Board authorize staff to file rule suspensions with the West Virginia Secretary of State's Office that are consistent with the memoranda presented to the Board. Dr. Duncan seconded, and the motion carried.

Mr. Spangler reported that during the current State of Emergency, the Board may want to consider delegating authority for certain Committees to act on behalf of the Board.

Dr. Sheth moved that the Board delegate authority to the Licensure Committee to act on behalf of the Board to approve all licensure applications requiring action between now and the May 2020 Board meeting. Dr. Rahim seconded, and the motion carried.

Dr. Duncan moved that the Board delegate authority to the Licensure Committee to consider matters relating to physician assistants. Dr. Duncan further moved that all members of the Physician Assistant Committee be invited to participate in Licensure Committee meetings which are necessary between now and the May 2020 Board meeting. Mr. Wooton seconded, and the motion carried.

Dr. Duncan moved that the Board delegate authority to the Executive/Management Committee to make decisions on behalf of the Board concerning Board policies and practices as necessary to respond to the State of Emergency. Mr. Wright seconded, and the motion carried.

Prior to today's meeting a draft proposed policy regarding working at home during the State of Emergency was made available for members to review. Mr. Spangler reported that the purpose of the proposed policy is to ensure that as many employees as reasonably possible work from home, to memorialize best practices while in the office, and to implement a protocol for employees in the event they are exposed or potentially exposed to COVID-19. Dr. Sheth moved that the Board adopt the policy as presented. Reverend Harman seconded, and the motion carried.

There being no further business to consider, Dr. Sheth moved that the meeting be adjourned. Ms. Mullins seconded, and the motion carried.

Jonathan P. Lilly, MD
Angela A. Mayfield
David A. Mullins, MD
Victoria L. Mullins, PA-C, Physician Assistant Committee Chair
Mustafa Rahim, MD
Thomas Wesley Steele, MD
Russell O. Wooton
Kenneth Dean Wright, PA-C, Legislative Committee Chair

The following Board member was absent:

Catherine C. Slemp, MD, MPH, Secretary

The following Staff member was present:

Jamie S. Alley, Esq.

The following Staff members attended the meeting via teleconference:

Mark A. Spangler, MA
Greg S. Foster, Esq.
Jamie C. Frame

The following representative from the West Virginia Attorney General's Office attended the meeting via teleconference:

Kelli D. Talbott, Deputy Attorney General

Dr. Challa called the meeting to order and roll call was taken by Ms. Frame.

CALL TO
ORDER

Mr. Spangler reported that there are thirty initial medical licensure applicants who have completed the application process, whose applications do not require an appearance or individualized discussion, and who are pending consideration by the Board. A list of the thirty applicants is attached to these minutes and incorporated herein by reference. Dr. Sheth moved that the Board approve the thirty medical licensure applicants. Dr. Faheem seconded, and the motion carried.

Mr. Spangler reported that there are two initial medical licensure applicants who have completed the application process apart from paying the patient injury compensation fund assessment fee, whose applications do not require an appearance or individualized discussion, and who are pending consideration by the Board. A list of the two applicants is attached to these minutes and incorporated herein by reference. Dr. Sheth moved that the Board approve the two initial medical licensure applicants pending payment of the patient injury compensation fund assessment fee. Mr. Wright seconded, and the motion carried.

Mr. Spangler reported that there are six initial physician assistant licensure applicants who have completed the application process, whose applications do not require an appearance or individualized discussion and who are pending consideration by the Board. A list of the six physician assistant applicants is attached to these minutes and incorporated herein by reference. Dr. Sheth moved that the Board approve the six physician assistant licensure applicants. Dr. Steele seconded, and the motion carried.

Mr. Spangler reported that pursuant to W. Va. Code R. §11-1A-8 *et seq.* and W. Va. Code R. §11-1B-3.4.-3.18., applicants seeking initial licensure by the West Virginia Board of Medicine are required to request and submit to the Board the results of a fingerprint-based state and national/federal criminal history record check. Several

fingerprinting locations have closed as a result of the COVID-19 State of Emergency; therefore, potentially making it difficult for applicants to fulfill this licensure requirement. Additionally, licensing boards in several states have waived the criminal history record check requirement during the COVID-19 pandemic. Dr. Faheem moved that the Board authorize staff to consult with the Governor's Office regarding an Executive Order to suspend the requirement that an applicant submit the results of a criminal history record check to the Board during the duration of the COVID-19 State of Emergency. Dr. Rahim seconded, and the motion carried.

Prior to today's meeting, certified copies of the Indictment and the Jury Verdict Forms in the matter of *United States of America v. Roger Dale Anderson*, Criminal Action No. 2:19-cr-67 were made available for members to review. Ms. Alley reported that Roger Dale Anderson, MD holds a license to practice medicine and surgery in West Virginia, License Number 14185. Dr. Anderson has been licensed in West Virginia since February 6, 1985. On or about March 21, 2019, a fourteen-count criminal Indictment was filed in the United States District Court for the Southern District of Ohio against Dr. Anderson, in the matter of the *United States of America v. Roger Dale Anderson*, Criminal Action No. 2:19-cr-67.

The indictment charges Dr. Anderson with felony conspiracy to dispense and distribute controlled substances other than for a legitimate medical purpose in the usual course of professional practice, in violation of 21 U.S.C. §§ 841(a)(1), (b)(1)(C), (b)(1)(E)(i) and 846. In support of this charge, the Indictment alleges that between January 1, 2012 and March 29, 2016, Dr. Anderson pre-signed Schedule II and III Controlled Substance prescriptions for staff to complete and distribute to patients in his absence. The indictment further alleges that Dr. Anderson did not establish a legitimate diagnosis for the patients who received the pre-signed prescriptions, and that he did not evaluate the patients on days when the pre-signed prescriptions were tendered to patients. The Indictment also charges Dr. Anderson with nine felony counts of knowingly and intentionally dispensing and distributing Schedule II Controlled Substances without a legitimate medical purpose in the usual course of medical practice in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C).

The final counts of the Indictment charge Dr. Anderson with health care fraud and conspiracy to commit health care fraud in violation of 18 U.S.C. §1347, §1349 and §2. Four counts of the Indictment were dismissed prior to trial: one count of distributing a Schedule II Controlled Substance and three counts related to health care fraud.

On or about March 5, 2020, Dr. Anderson was found guilty of:

- a. One felony count of conspiracy to dispense and distribute controlled substances other than for a legitimate medical purpose in the usual course of professional practice, in violation of 21 U.S.C. §§ 841(a)(1), (b)(1)(C), (b)(1)(E)(i) and 846;
- b. Eight felony counts of knowingly and intentionally dispensing and distributing Schedule II Controlled Substances, not for a legitimate medical purpose in the usual course of medical practice in violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(C); and
- c. One felony count of knowingly and willfully executing a scheme or artifice to defraud a health care benefit program in connection with the delivery or payment for, health care benefits, items or services by causing the submission of claims to health care benefit programs for prescriptions that were issued in violation of law or otherwise outside the bounds of accepted medical practice in violation of 18 U.S.C. § 1347.

West Virginia Code §30-3-14(d) imposes a nondiscretionary duty upon the Board to revoke a license if a licensee has been found guilty and/or pled guilty in a court of competent jurisdiction to any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes.

Having reviewed the certified court records, Dr. Rahim moved that the Board conclude that it has received sufficient proof to determine that Dr. Anderson has been found guilty in a court of competent jurisdiction of nine felonies involving prescribing,

selling, administering, dispensing, mixing or otherwise preparing a prescription drug, including a controlled substance under state or federal law, for other than generally accepted therapeutic purposes, and therefore, as a matter of law the Dr. Anderson's license, License No. 14185, be revoked effective upon entry of an Order of Revocation. Dr. Rahim further moved that the Board direct staff to assign this matter a complaint number in the Board's Investigation, Complaint and Compliance Division's tracking system for case tracking and reporting purposes. Dr. Duncan seconded, and the motion carried.

Dr. Challa announced that the next agenda item relates to consideration of the *Decision of Hearing Examiner with Regard to the Summary Suspension of License to Practice Medicine* in the matter of *West Virginia Board of Medicine, Petitioner, v. Nabil Gaballa Guirguis, MD*, Complaint No. 18-116-W. Dr. Challa asked that all members who need to declare a conflict with regard to this matter do so at this time.

The following board members declared a conflict due to their participation on the Board's Complaint Committee, either currently or during the investigation of the underlying administrative complaint:

Kishore K. Challa, MD, FACC

Carrie A. Lakin, DPM

David A. Mullins, MD

Ashish P. Sheth, MD

Thomas (Wes) Steele, MD

Additionally, Ahmed D. Faheem, MD, declared a conflict due to having an established physician/patient relationship with Dr. Guirguis.

Dr. Challa designated Dr. Duncan to chair the meeting in his absence. The members who declared a conflict (identified above) left the teleconference at this time. Additionally, the following staff members left the teleconference at this time:

Mark A. Spangler, MA

Jamie S. Alley, Esq.

Greg S. Foster, Esq.

All identified Board and staff members were absent for the remainder of the meeting.

Roll call was taken by Ms. Frame. With a quorum of the Board present and participating, Ms. Talbott advised the Board in the matter of *West Virginia Board of Medicine, Petitioner, v. Nabil Gaballa Guirguis, MD*, Complaint No. 18-116-W. Ms. Talbott gave the procedural history of the case and reported on the *Decision of Hearing Examiner with Regard to the Summary Suspension of License to Practice Medicine*. Following consideration of the Hearing Examiner's Decision, and the underlying record adduced in this matter, Dr. Rahim moved that the Board modify the recommended decision to permit the Board to invoice for attorney fees associated with legal counsel provided to the Board by the West Virginia Attorney General's Office, and adopt and accept the remainder of the *Hearing Examiner's Decision with Regard to the Summary Suspension of License to Practice Medicine*. Dr. Rahim further moved that the revocation become effective upon entry of the *West Virginia Board of Medicine's Final Decision and Order*. Mr. Wooton seconded, and the motion carried with no opposition.

ADJOURNMENT

There being no further business to consider, Dr. Rahim moved that the meeting be adjourned. Mr. Wooton seconded, and the motion carried.

**CALL TO
ORDER AND
APPROVAL
OF MINUTES**

and April 6, 2020 special meeting be approved. Dr. Duncan seconded, and the motion carried.

ANNOUNCEMENTS

Dr. Challa congratulated Reverend Harman on her appointment to the Federation of State Medical Boards Ethics and Professionalism Committee. Additionally, Dr. Challa congratulated Andrew Wessels, Director of Intergovernmental and Public Relations, on his reappointment to the Federation of State Medical Boards Editorial Committee.

Dr. Challa announced that he, Dr. Sheth, and Mr. Spangler recently collaborated with West Virginia Senators Joe Manchin and Shelly Moore Capito to draft legislation that creates payment parity for audio-only telehealth services and video telehealth services.

Dr. Challa announced that in preparation for the election of officers at the July 2020 Board meeting, he has established a Nominating Committee which will consist of the following members:

Harry E. Duncan, MD, Chair
Victoria L. Takubo, PA-C
Jonathan P. Lilly, MD

Dr. Challa advised any Board member who is interested in running for office or who would like to recommend a fellow Board member for nomination, to contact a member of the Nominating Committee.

On behalf of Board and Staff members, Mr. Spangler expressed condolences to Dr. Challa due to the recent loss of his mother.

**EXECUTIVE
DIRECTOR
REPORT**

Mr. Spangler thanked board and staff members for their efforts and adaptability during the COVID-19 State of Emergency.

Dr. Faheem joined the meeting at this time.

Dr. Challa reported that the Personnel Committee met on Sunday, May 17, 2020.

**PERSONNEL
COMMITTEE
REPORT**

Prior to today's meeting, a proposed *Flex Hours Policy for FLSA Exempt Employees* was made available for all Board members to review. Dr. Challa reported that the Board holds six regularly scheduled Board meetings each year. Preceding each regularly scheduled Board meeting, Committees of the Board meet at length on Saturday and Sunday to conduct business in preparation for the full Board meeting. Board staff who are salaried and classified as exempt pursuant to the Fair Labor Standards Act do not receive overtime compensation for the hours worked during the weekend Committee meetings. The Committee recommended that the Board adopt the *Flex Hours Policy for FLSA Exempt Employees*, and that the policy be retroactively implemented beginning May 15, 2020. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Board Office remains closed to the public. Board staff continue to primarily work remotely. The Board's Safety Committee, which is comprised of four staff members, will meet in the coming weeks to establish a plan for reentry into the office.

The Committee recommended that the Board accept and ratify the Personnel Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Executive/Management Committee met on Sunday, May 17, 2020, at which time the Committee approved the fiscal report and purchasing card transactions for March and April 2020.

**EXECUTIVE /
MANAGEMENT
COMMITTEE
REPORT**

The Committee reviewed and considered correspondence from the Joint Standing Committee on Government Organization which indicates that during the 2020-2021 Legislative Interims, the Committee will be studying professional and occupational licensure. Legislative Auditors have previously recommended that certain Chapter 30

Boards could benefit from combining staff functions by participating in a multi-professional licensing agency. They have also previously recommended that certain smaller boards partner with the Board of Medicine and the Board of Osteopathic Medicine to improve their access to the public and their processes. The Joint Standing Committee on Government Organization has requested that on or before July 1, 2020, the Board of Medicine and the Board of Osteopathic Medicine provide written correspondence which answers several questions posed by the Committee. The Executive/Management Committee directed Board staff to contact the Board of Osteopathic Medicine to determine if they are interested in meeting to discuss the subject matter of the request. Additionally, Board staff will draft a proposed response to the Joint Standing Committee on Government Organization. The proposed response will be considered by the Executive/Management Committee at a special meeting, which will be held prior to July 1, 2020.

Dr. Challa reported that pursuant to W. Va. Code §29A-3-20(b), on or before July 1, 2020, executive agencies with rule-making authority must review all rules under the agency's jurisdiction to determine whether the rules should be continued without change, modified or repealed. Board staff will review the Board's rules and will draft a response for approval. The Committee recommended that the Board authorize the Executive/Management Committee to convene a special meeting to act on behalf of the Board with regard to the regulatory reform review. The motion of the Committee was given by Dr. Challa, and the motion carried.

Dr. Challa reported that the Board is currently accepting written comments on proposed rule 11 CSR 14, *Registration to Practice During Declared State of Emergency*. The comment period ends at 4:30 pm on May 23, 2020. In the past, the Board has authorized the Legislative Committee to convene a special meeting to act on behalf of the Board with regard to reviewing the comments received, making any necessary amendments, and authorizing staff to file the agency approved version of the rule with the Secretary of State's Office. As the Legislative Committee did not meet yesterday, the Executive/Management Committee recommended that the Board authorize the Legislative

Committee to convene a special meeting to act on behalf of the Board with regard to proposed legislative rule 11 CSR 14. The motion of the Committee was given by Dr. Challa, and the motion carried.

The Committee reviewed and considered correspondence that was received which seeks clarification regarding the role of a medical doctor in prescribing Schedule II medications for a nurse practitioner's patients, specifically who is responsible for performing a physical exam of the patient every 90 days. The Committee directed Board staff to provide a written response to the requestor referring them to the appropriate statutory authority and advising that future questions should be directed to the West Virginia Board of Examiners for Registered Professional Nurses.

Dr. Challa reported that the matter of *Jan Kletter, MD v. West Virginia Board of Medicine* remains pending in the Kanawha County Circuit Court.

Dr. Challa reported that the matter of *Amy Young v. West Virginia Board of Medicine* remains pending in the Kanawha County Circuit Court. A pretrial conference is scheduled for February 18, 2021, and the trial is scheduled for March 1, 2021.

Dr. Challa reported that on or around April 27, 2020, the Board received notice of *Women's Health Center of WV v. Patrick Morrissey, et al*, which named the West Virginia Board of Medicine as a defendant. This matter related to the Governor's Executive Order prohibiting elective procedures. Women's Health Center of WV sought a temporary restraining order prohibiting the application of the Executive Order to abortions. Following the issuance of an Executive Order regarding resumption of elective procedures, Women's Health Center of WV filed a *Notice of Voluntary Dismissal* in this matter.

Dr. Challa reported that the Board has entered into an extension agreement with our current database vendor, Big Picture, which is valid through May 2021. The extension

agreement permits Big Picture to continue to provide services for the Board until the inLumon database and website are implemented. Board staff are seeing progress with regard to the inLumon database, and it is anticipated that the inLumon database and website will be implemented in the fall.

Dr. Challa reported that in 2016, the Legislature established a Joint Advisory Council on Limited Prescriptive Authority. The purpose of the Council is to advise the West Virginia Board of Examiners for Registered Professional Nurses regarding collaborative agreements and prescriptive authority for advanced practice registered nurses. The Governor is to appoint two allopathic physicians as recommended by the West Virginia Board of Medicine who are in a collaborative relationship with advanced practice registered nurses. To date, no allopathic physicians have been appointed to the Committee. Dr. Challa announced that he will recommend that the Governor appoint Dr. Sheth and Dr. Lilly to the council.

The Committee recommended that the Board accept and ratify the Executive/Management Committee Report. The motion of the Committee was given by Dr. Challa, and the motion carried.

Mr. Foster reported that there are two hearings currently in a pending status. There are two hearings scheduled to convene in the coming months, one in June and one in October. Additionally, five hearings have been continued and one matter is in the process of being scheduled.

Mr. Foster reported that the Board has been notified that Parth Sarathi Bharill, MD will appeal his recent license revocation Order, which was issued pursuant to W. Va. Code §30-3-14(d).

**BOARD
ATTORNEY
REPORT**

Ms. Takubo provided the report of the Physician Assistant Committee which met on Saturday, May 16, 2020.

Ms. Takubo asked Board members to review the list of physician assistants up for action, and to advise of any conflicts. No conflicts were declared. The Committee recommended that the following six applicants be approved for initial physician assistant licensure:

Shawn Alan Bollinger, PA-C
Dacin Idaya Kemmerer, PA-C
Sarah Anne Mann, PA-C
Nicholas Alexander McDuffee, PA-C
Terrance Hunter Shank, PA-C
Kimberly Dawn Slater, PA-C

The motion of the Committee was given by Ms. Takubo, and the motion carried.

Ms. Takubo reported that the Committee discussed an inquiry concerning whether it is within the scope of practice for physician assistants to order home health and sign home health plans of care. The Committee directed Board staff to respond that the ordering of home health and signing home health plans of care are within the physician assistant scope of practice.

Ms. Takubo reported that Board staff authorized forty-five licensee practice agreements, twenty-four emergency registrant practice agreements and fifty-nine practice notifications in March and April 2020.

Ms. Takubo reported that Board staff processed reinstatement applications for the following four licensees since the March 2020 meeting:

Sidney Alan Humphrey, PA-C
Amber Dawn King, PA-C
Tonya Gail Ruby, PA-C
Christina Marie Saggio, PA-C

Ms. Takubo reported that pursuant to the authority delegated to Board staff during the COVID-19 State of Emergency, staff have processed reactivation applications for the following three licensees since the March 2020 meeting:

Joshua Madison Deaton, PA-C
Wiley Reed Kent, II, PA-C
Jaclyn Swick, PA-C

Ms. Takubo reported that since the implementation of the Board's emergency rule, 11 CSR 14, *Registration to Practice During Declared State of Emergency*, Board staff have registered sixty-seven out-of-state physician assistants for emergency practice. No retired West Virginia physician assistants have registered for emergency practice.

The Committee recommended that the Board accept and ratify the Physician Assistant Committee Report. The motion of the Committee was given by Ms. Takubo, and the motion carried.

Dr. Duncan reported that pursuant to the authority delegated to the Licensure Committee by the Board on March 25, 2020, the Licensure Committee met on April 30, 2020 to review and approve licensure applications on behalf of the Board for both physicians and physician assistants. Mr. Wright joined the Committee by designation of the Board as these matters were reviewed. The Committee approved: twenty-six initial medical doctor applicants; one initial medical doctor applicant pending payment of the Patient Injury Compensation Fund (PICF) assessment fee; and nine initial physician assistant applicants. Lists of the approved applicants are attached hereto as Attachment 1 to these minutes and are incorporated herein by reference.

**LICENSURE
COMMITTEE
REPORT**

Due to the continued State of Emergency, Dr. Sheth moved that the Board authorize the Licensure Committee, with Mr. Wright continuing to participate by Board designation, to convene interim meetings, as needed, between today's meeting and the July 13, 2020 meeting to consider medical doctor, podiatric physician and physician assistant licensure matters. Dr. Steele seconded, and the motion carried.

Dr. Duncan reported that the Licensure Committee met on Saturday, May 16, 2020. Six out of the seven scheduled applicants appeared before the Committee via GoToMeeting to discuss their licensure application. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Jesse David Lawrence, MD
Kayvon Modjarrad, MD (reactivation)(pending payment of
the PICF fee)
Dorothy Clair Van Oppen, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that Mehmet Sertac Cicek, MD has applied for a restricted license in extraordinary circumstances (“extraordinary circumstance license”). The Committee recommended that the Board make the following findings:

1. Dr. Cicek has exceptional education, training and practice credentials, including:

He is an internationally renowned leader in the practice of pediatric and congenital cardiothoracic surgery;

In addition to memberships in many other national and international professional associations, Dr. Cicek serves on the executive counsel of the European Association for Congenital Heart Surgeons; recently served as Chairman of the World Congress of Pediatric Cardiology and Cardiac Surgery; and is Immediate Past President of the Minimally Invasive and Robotic Cardiovascular Surgery Association;

He has recently served on faculty at the Mayo Clinic in Rochester, Minnesota since March 2017, and held the faculty position of Professor of Surgery from November 2017 until December 2019;

2. Dr. Cicek’s practice in the state would be beneficial to the public welfare because West Virginia has a critical need for congenital heart surgery expertise. West Virginia currently has a very limited ability to provide in-state care for pediatric cardiology patients.

3. Dr. Cicek's specialty is pediatric and congenital cardiothoracic surgery and there is a need for this specialty in West Virginia.
4. The applicant's education, training and practice credentials are substantially equivalent to the requirements of licensure established in W. Va. Code §30-3-10(b). While Dr. Cicek's education and initial training occurred outside of the United States and are not, standing alone, substantially equivalent to the licensure requirements in this state he has advanced fellowship training in Cardiovascular Surgery and Cardiopulmonology Transplantation at the Mayo Clinic and advanced fellowship training in Pediatric Cardiothoracic Surgery and Transplantation at USC Children's Hospital Los Angeles. In association with his superior research, extensive clinical experience, scholarship, including primary or co-authorship of 79 peer reviewed articles and 57 book chapters, satisfy this requirement.
5. Dr. Cicek has no professional discipline which would render him ineligible for an extraordinary circumstances license.
6. Dr. Cicek is eligible for a restricted license in extraordinary circumstances.

The Committee further recommended that the Board grant Dr. Cicek a restricted license in extraordinary circumstances restricted to the practice of pediatric and congenital cardiothoracic surgery in the State of West Virginia. The motion of the Committee was given by Dr. Duncan, and the motion carried unanimously, exceeding the statutory requirement of approval by $\frac{3}{4}$ of the membership of the Board.

Dr. Duncan reported that the application for the following physicians will be placed on hold pending receipt of additional information:

Luigi Fabrizio Lagazzi Garros, MD (extraordinary
circumstance)
Kelly Kathleen Rhodes, MD

Dr. Duncan reported that the Committee reviewed and discussed fourteen physician licensure applications. Based thereupon, the Committee recommended that the following applicants be approved for medical licensure:

Applicant Name	License Application Type	Pending PICF Fee
Eston Robert Caldwell, III, MD	Initial Medical Licensure	
Jasdeep Singh Dalawari, MD	Initial Medical Licensure	
Cassandra Michele Kirkpatrick, MD	Reactivation of Licensure	
Kingsley Attah Orraca-Tetteh, MD	Reactivation of Licensure	X
Richard James Straker, II, MD	Initial Medical Licensure	
Irina Eduardovna Vinarski, MD	Initial Medical Licensure	X
William Joseph Welsh, MD	Reactivation of Licensure	

The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee recommended that the Board accept licensure application withdrawal requests from the following applicants:

Juni Ayodeji Olumide Femi-Pearse, MD
Murat Dag Mardirossian, MD

The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Duncan reported that the application for the following physicians will be placed on hold pending receipt of additional information:

Devyani Nainan Desai, MD
Ahmed Robbie, MD

The Committee will request that the following applicants appear before the Committee at a subsequent meeting:

Stephen Lindsay Carter, MD (change of status)
John Wesley Luiza, MD
Thomas Markus Roesch, MD

Dr. Duncan asked Board members to review the list of physicians up for action and to advise of any conflicts. No conflicts were declared. The Committee recommended that the Board approve forty-two applicants for initial medical licensure. A list of the forty-two applicants is attached to these minutes as Attachment 2, and are incorporated herein by reference. The motion of the Committee was given by Dr. Duncan, and the motion carried.

The Committee received an update from Board staff regarding the following licensure activity in March and April 2020:

Previous Committee Action Update
Interstate Medical Licensure Compact Licenses Issued
Letters of Qualification Issued
Educational and Reciprocal Educational Permits Issued
Reinstatements of Medical Licensure
Reactivations of Medical Licensure
Change in Status of Medical Licensure
Emergency Practice Registrations

A copy of the reports reflecting the above licensure actions are attached to these minutes as Attachment 3, and are incorporated herein by reference.

The Committee received an update on 2020 renewal. Online renewal for physicians whose last names begin with the letters A through L began on Monday, May 11, 2020 and will continue through 4:30 pm on September 30, 2020. As of Friday, May 15, 2020, 376 physicians have completed the online renewal process. Controlled substance dispensing

practitioner registration renewal for physicians whose last names begin with the letters A through L and professional limited liability company renewal are also ongoing. Educational permit renewal will begin on July 1, 2020.

The Committee recommended that the Board accept and ratify the report of the Licensure Committee. The motion of the Committee was given by Dr. Duncan, and the motion carried.

Dr. Sheth provided the report of the Complaint Committee, which met on Sunday, May 17, 2020.

Consent Orders

Dr. Sheth requested that the Board authorize the Complaint Committee to offer nine Consent Orders and/or Amended Consent Orders in ongoing Complaint Committee matters.

The motion of the Committee was given by Dr. Sheth, and the motion carried.

Executed Consent Orders

Dr. Sheth reported that executed Consent Orders have been entered with respect to the following licensees:

Barbara Blasko, MD - On March 4, 2020, Dr. Blasko entered into a Consent Order that imposed a civil fine of \$2,000.00 and issued a public reprimand for her treatment of patients via telemedicine without first establishing a physician-patient relationship in accordance with the requirements of W. Va. Code § 30-3-13a(c).

Daniel Chan, MD - On March 17, 2020, Dr. Chan entered into a Consent Order that imposed a civil fine of \$2,000.00 and issued a public reprimand for his treatment of patients via telemedicine without first establishing a physician-patient relationship in accordance with the requirements of W. Va. Code § 30-3-13a(c).

Bill Herbert Harris, MD - On May 12, 2020, Dr. Harris entered into a Consent Order that issued a public reprimand for his dishonorable, unprofessional and unethical conduct based upon action taken against the licensee in Kentucky and Virginia.

Marc Kolender, MD - On March 9, 2020, Dr. Kolender entered into a Consent Order that imposed a civil fine of \$2,000.00 and issued a public reprimand for his treatment of patients via telemedicine without first establishing a physician-patient relationship in accordance with the requirements of W. Va. Code § 30-3-13a(c).

Cyrus Mali, MD - On May 2, 2020, Dr. Mali entered into a Consent Order with the Board that imposed a \$400.00 fine for his failure to report a malpractice settlement on his 2019 license renewal application.

Michelle Ann Murray, DPM - On March 4, 2020, Dr. Murray entered into a Consent Order with the Board that imposed a \$400.00 fine for her failure to report a malpractice settlement on her 2019 license renewal application.

Joshua Mordechai Muyderman, MD - On May 12, 2020, Dr. Muyderman entered into a Consent Order with the Board that requires him to complete additional continuing medical education training entitled *PBI Elevating Civility and Communications in Health Care*.

Richard Ernest Person, MD - On May 12, 2020, Dr. Person entered into a Consent Order with the Board that imposed a \$400.00 fine for his failure to report a malpractice settlement on his 2019 license renewal application.

Frank Lewis Petrola, MD - On May 2, 2020, Dr. Petrola entered into a Consent Order with the Board that effectuated the immediate permanent surrender of his West Virginia medical license. The Order also rendered Dr. Petrola permanently ineligible for licensure by the West Virginia Board of Medicine.

Furhan Qureshi, MD - On April 24, 2020, Dr. Qureshi entered into a Consent Order with the Board that imposed a civil fine of \$2,000.00 and issued a public reprimand for his treatment of patients via telemedicine without first establishing a physician-patient relationship in accordance with the requirements of W. Va. Code § 30-3-13a(c).

Michael Shramowiat, MD - On March 4, 2020, Dr. Shramowiat entered into an Interim Consent Order with the Board that prohibits him from administering, ordering or prescribing any and all controlled substances during the effective period of the Interim Order.

Anna Marie Suray, MD - On March 17, 2020, Dr. Suray entered into a Consent Order with the Board that imposed a \$400.00 fine for her failure to report a malpractice settlement on her 2019 license renewal application.

Ajay Virmani, MD - On April 24, 2020, Dr. Virmani entered into a Consent Order with the Board that imposed a \$400.00 fine for his failure to report a malpractice settlement on his 2019 license renewal application.

Rajwardhan Harishcandra Yadav, MD - On May 12, 2020, Dr. Yadav entered into a Consent Order with the Board that issued a public reprimand for his failure to maintain appropriate boundaries in his physician-patient relationship in violation of W. Va. Code § 30-3-14(c)(17) and W. Va. Code R. §§ 11-1A-12.1.e, 12.1.j and 12.2.d.

All Consent Orders are available on the Board's website.

Dr. Sheth reported that Complaint Committee is currently conducting an investigation in connection with allegations against a particular physician assistant related to the physician assistant's current fitness to practice. In order to protect the privacy of the licensee, and to ensure the impartiality of the Board should the matter come before it in the future for adjudication, the physician assistant in question was identified for purposes of this discussion as "Physician Assistant A." Physician Assistant A appeared before the Complaint Committee on March 8, 2020 in connection with the Committee's investigation. The licensee has declined a referral to the West Virginia Medical Professionals Health Program, asserting that he or she does not meet the criteria for participation. Based upon information currently in possession of the Complaint Committee, the Committee unanimously agreed that there are concerns regarding the mental and physical health and well-being of Physician Assistant A. West Virginia Code § 30-3-14(f) and West Virginia Code Rule § 11-1B-19 authorizes the Board, under any circumstances, to require a licensee to submit to a mental or physical examination by a physician or physicians approved by the Board. In connection with its current investigation, and pursuant to these legal authorities, the Complaint Committee recommended that the Board authorize the issuance of an Order requiring Physician Assistant A to submit to a complete mental and physical examination by a physician or physicians approved by the Board. The mental and physical examination will be conducted at the expense of the Board. Such mental and physical examination should be scheduled as soon as practical and should

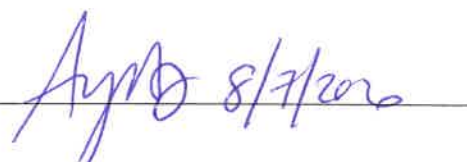

include a recommendation regarding whether or not participation in the West Virginia Medical Professionals Health Program is indicated for the licensee's continuation in practice. The motion of the Committee was given by Dr. Sheth, and the motion carried.

The Committee recommended that the Board accept and ratify the Complaint Committee report. The motion of the Committee was given by Dr. Sheth, and the motion carried.

ADJOURNMENT

There being no further business to consider, Dr. Rahim moved that the meeting adjourn. Dr. Lakin seconded, and the motion carried.
