## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
North Central West Virginia Community Action Association, Inc.  
Fairmont, West Virginia:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the North Central West Virginia Community Action Association, Inc. (the "Association") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses, schedules of grant support, revenue and expenses - CSGB - compared to grant budgets to actual (Non-GAAP) and the schedule of revenues and expenditures of state awards are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 19, 2019, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

**NOTE 1      DESCRIPTION OF ORGANIZATION**

North Central West Virginia Community Action Association, Inc. (the "Association") is a private, not-for-profit organization dedicated to helping individuals and families reach their highest levels of social and economic independence, while assisting the communities served to become involved in the activities of the Association. The Association collaborates with local, state, and national agencies to provide a broad range of direct, anti-poverty services for moderate to low-income customers and their communities. These services include the operations of several Head Start centers throughout north central West Virginia. The Association is funded primarily through grants and other agreements with the federal and state governments.

The Association provides services to residents and communities of Marion, Monongalia, Preston, Taylor, Tucker, Barbour, Randolph, Pocahontas, and Greenbrier counties in West Virginia. The organization also provides Head Start services in Webster County and weatherization services in Harrison County.

Programs include the following:

**Head Start and Early Head Start**

Head Start is a federally funded comprehensive child development program that has served low-income children and their families since 1965. Head Start actually consists of two programs: Head Start (HS) and Early Head Start (EHS). HS is a comprehensive early childhood development program primarily serving low-income preschool-age children and their families. Early Head Start was established during the 1994 Reauthorization of HS. EHS is a comprehensive early childhood program serving primarily low-income children prenatal to age three, pregnant women, and their families. Funding for the program goes directly from the federal government to local grantees. The federal government provides 80 percent of the yearly cost to operate a HS program, and the remaining 20 percent must come from a "local match" or "in-kind" contributions, which may be in the form of monetary contributions, donations of goods or services, or volunteer hours. The Association has been a grantee receiving Head Start funds and providing these services for several decades.

**Community Services Block Grant Programs**

The Community Services Block Grant (CSBG) is a federal, anti-poverty block grant that funds the operation of a state-administrated network of local agencies. The purpose of the CSBG is to provide assistance to states and local communities, working through a network of community action agencies and other neighbor-based organizations, for the reduction of poverty.

**LIEAP**

The Association is in partnership with the Division of Health and Human Resources to process the regular Low Income Energy Assistance Program (LIEAP) applications. This program supplements low-income individuals with their primary heating costs during the winter months. Applications are usually available in the early winter months. Upon the depletion of funds from the regular LIEAP, emergency LIEAP funds come into effect. Emergency LIEAP is for individuals who qualify for regular LIEAP and are in danger of having no heat in the immediate future. Emergency LIEAP is available through the Division of Health and Human Resources.

**Summer Feeding**

The Summer Feeding program meets the nutritional needs of children ages birth to 18 that may not have access to meals during the summer months when school is not in session. Some sites provide breakfast and lunch while other sites only provide lunch. Each county establishes approved sites and locations to provide these meals. Funding occurs through Program Income, Contributions, Summer Food Income, and the Department of Education.

**Gardens Program**

The Gardens Program was established to help supplement an applicant's food supply, thus allowing the applicant more disposable income to address monthly household expenses. Counties use various funding sources that provide garden packages (seeds, plants, potatoes, fertilizer, and dust) to low income households. Items provided by this program help supplement the daily nutritional needs of eligible applicants.

**CHDO**

Comprehensive Housing Development Associations are grants from the West Virginia Housing Development Fund for specific low income housing projects. In recent years, the Association has received funding to complete housing units in Taylor and Barbour County.

**HOMELESS SHELTERS**

The Association operates two homeless shelters. Scott Place Shelter is located in Marion County which provides a 31-bed facility for men, women, and children. The Randolph County Shelter is a 15-bed facility located in Elkins, West Virginia. Funding is provided from many sources including, DHHR, VETS, United Way, and other donations.

**Weatherization**

The Weatherization Assistance Program provides weatherization assistance utilizing US Department of Energy (DOE) and US Department of Health & Human Resources (DHHR) appropriations, along with utility partnership funding to increase the energy efficiency of dwellings owned or occupied by low-income persons or to provide such persons with renewable energy systems or technologies, reduce their total residential expenditures, and improve their health and safety. The funds are limited to low-income persons who are particularly vulnerable such as elderly, persons with disabilities, families with children, high residential energy users, and households with high energy burden.

**Emergency Food and Shelter Program**

The Emergency Food and Shelter Program (EFSP) (formerly known as FEMA) provides funding for special emergency needs. Emergency needs for this program must be economic, not disaster-related emergencies. The funding is used to supplement feeding, sheltering (including transitional sheltering), rent and mortgage, and utility payments. The Association is the administrator of EFSP funds in Marion, Preston, Randolph, Tucker, Pocahontas, Greenbrier, and Harrison Counties.

**Volunteer Income Tax Assistance**

The Volunteer Income Tax Assistance (VITA) Program offers free income tax preparation services to low to moderate-income people and assists eligible individuals in securing the Earned Income Tax Credit (EITC), a credit available to many working families in West Virginia. The EITC is a special federal tax credit for working families who meet the eligibility requirements. Eligibility generally changes from year to year. If eligible, families may receive money back from the Internal Revenue Service (IRS) even if they don't owe taxes, but a return must be filed. Working families in West Virginia may also qualify for the Child Tax Credit (CTC), depending on income and the number of dependent children in the household. Free Tax preparation is offered in every county that the Association serves. The Association also works with other organizations on a local and state level to ensure that free tax assistance, asset development, and financial literacy are offered to all working families. For several years, the Association has received funding from the West Virginia Department of Health and Human Services to assist with this program.

**Continuum of Care**

The Continuum of Care Program is designed to promote community wide commitment to the goal of ending homelessness by providing services to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness. The program's goal

NORTH CENTRAL WEST VIRGINIA  
COMMUNITY ACTION ASSOCIATION, INC.

---

is to promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

**Trailco Electric Efficiency Partnership**

This is a program designed to reduce heating, cooling, and electric base load costs for low-income families in the power company's service territory, by improving the energy efficiency services of their homes. Participation will be restricted to those low-income customers who qualify for the U.S Department of Energy's Weatherization Assistance Program and are customers of the local power company.

**SSVF**

Supportive Services for Veteran Families Program purpose is to provide supportive services to very low-income Veteran families living in or transitioning to permanent housing.

**NOTE 2      SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Financial Reporting**

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, whereby revenues are recognized when earned and expenses are recognized when incurred. These financial statements are presented in accordance with Statement on Financial Accounting Standards No. 117 *Financial Statements for Nonprofit Organizations*, which requires that resources be classified for reporting purposes into three net asset categories as temporarily restricted, permanently restricted and unrestricted net assets according to the existence or absence of donor-imposed restrictions.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

**Cash and Cash Equivalents**

Cash and cash equivalents include cash accounts not subject to withdrawal restrictions and highly liquid instruments with an initial maturity of three months or less.

NORTH CENTRAL WEST VIRGINIA  
COMMUNITY ACTION ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

---

**Inventory**

In accordance with grant award budgets approved by funding sources, inventory is charged to expense in the period during which it is purchased instead of being recognized as an asset and being expensed when consumed. Management believes the effect on the financial statements are not significant.

**Accounts Receivable and Grants Receivable**

Management considers accounts receivable and grants receivables fully collectible at June 30, 2018, and writes off uncollectible receivables to operations.

**Property and Equipment**

The Association purchases the majority of its property and equipment with funds provided by restrictive grants. Property and equipment purchased with funds from such grants are subject to restrictions regarding use and disposition. Property and equipment are recorded at cost. Depreciation is computed using the straight-line method over the estimated useful life of the respective assets. Items of property and equipment purchased with grant funds are not reported as contributions as grantors expect to receive commensurate value from the Association.

**Net Asset Classification**

Net assets of the Association and changes therein are classified and reported as follows:

*Unrestricted Net Assets* – Unrestricted net assets that are not subject to donor-imposed stipulations.

*Temporarily and Permanently Restricted Net Assets* – Net assets subject to donor-imposed stipulations that will be met either by actions of the Association and/or the passage of time.

At June 30, 2018, the Association reported \$299,496 in Temporarily Restricted Net Assets on the Statement of Activities. The Temporarily Restricted Net Assets are the result of receiving grants from the West Virginia Housing Development Fund to build low income housing units in Taylor and Barbour County.

**Donor Restrictions**

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received.

**NORTH CENTRAL WEST VIRGINIA  
COMMUNITY ACTION ASSOCIATION, INC.**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

---

The Association reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

When long-lived assets are placed in service, thus satisfying purpose restrictions, the amount is included as a change in net assets, restricted and unrestricted. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

The Association reports gifts of equipment, or other long-lived assets, as unrestricted support unless donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support.

Absent explicit donor restrictions about how long those long-lived assets must be maintained, the Association reports expiration of donor restrictions when the donated or acquired long-lived assets are placed in service.

**Grant Revenues**

Grant revenues related to the provision of services and/or the incurrence of qualified expenses are reported as unrestricted revenues inasmuch as these grant revenues are based on the premise that the grantor, generally governmental agencies, provided the funding or transferred assets in exchange transactions whereby the grantor expects to receive commensurate value.

Long-lived assets provided by the grantor and cash provided explicitly for the purpose of acquiring long-lived assets are excluded from the excess of revenues and other support over expenses. The Association has received substantial grant funding used for the purpose of long-lived assets, and certain obligations relating to the use of such items exist, including potential return of the respective assets to the grantor agency or proceeds received from the sale of such respective items.

**Interest**

All interest costs incurred during the year ended June 30, 2018, were expensed.

NORTH CENTRAL WEST VIRGINIA  
COMMUNITY ACTION ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

---

**Advertising Costs**

All advertising costs of \$14,996 were expensed during the year.

**Income Taxes**

Under provisions of the Internal Revenue Code, Section 501( c ) 3, and the applicable income tax regulations of the State of West Virginia, the Association is exempt from taxes on income other than unrelated business income. Since the Association had no net unrelated business income during the year ended June 30, 2018, no provision for income taxes has been made.

The Association has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities.

The Association has no material uncertain tax positions to be accounted for in the financial statements under the new rules. The Association recognizes interest and penalties, if any, related to unrecognized tax benefits in interest expense. Management believes that returns filed for years prior to 2012 are no longer subject to examination.

**Donated Services, Space and Other**

Donated (in-kind) matching is required by certain funding sources. For the Head Start programs, donated hourly services are valued at the beginning wage of a Head Start program aide plus the applicable fringe benefit rate. For the COC program, donated hourly services are valued at a per dollar amount based on a memorandum on an understanding agreement with provider.

Donated space is valued at the estimated fair rental value determined by an independent, certified appraisal. Donated other is valued at the estimated fair market value at the date of receipt.

**NOTE 3**      **CASH AND CASH EQUIVALENTS**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To The Board of Directors of  
North Central West Virginia Community Action Association, Inc.  
Fairmont, West Virginia:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of North Central West Virginia Community Action Association, Inc. (the "Association") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 19, 2019.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To The Board of Directors:  
North Central West Virginia Community Action Association, Inc.  
Fairmont, West Virginia:

**Report on Compliance for Each Major Federal Program**

We have audited North Central West Virginia Community Action Association, Inc.'s (the "Association") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Association's major federal programs for the year ended June 30, 2018. The Association's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Association's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Association's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Association's compliance.

**Opinion on Each Major Federal Program**

In our opinion, the North Central West Virginia Community Action Association, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

### **Report on Internal Control Over Compliance**

Management of the Association is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Association's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
