CASE DISCUSSION

Case 2002-04 and 2004-04

The Consent Decree was agreed to and signed August 24, 2005.

An Invoice was mailed to William Galeota, Attorney for Jane Gemlich, on April 3, 2006. The itemized list came to a total due of: \$4,537.70. We gave them 30 days to submit payment or to establish a payment plan. Our request letter was received by them on April 7th.(The money should be received by this meeting date.)

The check in the amount of \$609.70 and the accompanying letter from Mr. Galeota were discussed.

It was agreed that Kate Campbell of the A.G.'s Office would draft a letter to Mr. Galeota in regards to his refusal to reimburse the Board for Attorneys Fees. Kate will include wording as it appears in the Budget Bill wherein it states that the A.G.'s Office can charge for services. A draft of the letter will be emailed and circulated to F. Cayton and to the Board Members when it is ready.

Don Sensabaugh suggested that in the future that Attorneys Fees be included in future Consent Decrees as part of the costs that the Board could assess the Respondents. He also suggested that the invoice for fees to be collected be included in the Consent Decree.

Kate Campbell of the A.G.'s Office did draft a letter for Board review which was ultimately sent in final form to Mr. Galeota. His response has been circulated to the Board Members.

Case No. 2006-01 (Original Complaint received 02/01/06) (18 mos. = August 1, 2007)

This is a new case file and we are in the processing of gathering written statements from the parties involved.

The Disciplinary Committee decided that a letter would be written to the Complainant requesting copies of the patient's records, written orders and Physical Therapy Notes.

A written request was made to the Complainant for the patient's records. Subsequently, we were contacted by Counsel for the facility who requested that our request be made in the form of a subpoena. Kate Campbell created the subpoena and it was sent to the Attorney for the facility. The records have since been received by the office; copied; and forwarded to the two Members of the Disciplinary Committee for their review.

The Disciplinary Committee Members believe that there is Probable Cause in this Case. It was requested that Kate Campbell create a Statement of Charges which will be mailed to the Respondent which will state that the Respondent violated §30-20-10 b.3. and b.7.

It was also discussed that the DHHR should also be informed regarding this case since the regulation of Nursing Homes falls under their jurisdiction.

(A copy of the patient's medical records have been given by Cynthia Fox to Ralph Utzman PT for his review and opinion.)

The Disciplinary Committee Members believe that there is Probable Cause in this Case. It was requested that Kate Campbell create a Statement of Charges which will be mailed to the Respondent which will state that the Respondent violated §30-20-10 b.3. and b.7.

General Discussion

*** (F. Cayton has not received any paperwork (WV-48) or Invoice for Services from Ralph Utzman PT (Ethics Investigator) as of this writing.)

Those present agreed that Mr. Utzman needed to follow through and submit an invoice for his services.

*** Discuss Cynthia Fox's role as Ethics Investigator based on her CLEAR BASIC NCIT Certification; as well as funding Cynthia Fox and F. Cayton to the Advanced NCIT when it becomes available in or near WV.

It was agreed by those present that they would like to continue to enhance the training and education of Cynthia Fox PT and Frankie Cayton, Administrator.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

The office is still moving towards the goal of making on-line renewals via the new Web Site for licensees a reality. In lieu of this goal, a Web-based data base is being created by Matthew Thornton who also created our new Web Site: www.wvbopt.com On-line renewals should be a reality for licenses expiring 12/31/2007.

We are planning to transition to the Web-based database after the August Board Meeting.

*** The Web-based licensure database became "live" October 23, 2006. Training has been held for the staff in order that transition from the old database to the new one can transpire.

6. Office Updates.

B. Office relocation.

*** Welcome to the new home of the WV BOPT...!!
We have a five-year lease for this space that includes a paved, lighted parking lot and room inside to expand. It is especially nice to have a dedicated conference room that doesn't interfere with the work room area.

C. Loaner equipment.

Our IT person who helped in networking all our computers and hooking up the cable Internet service, works full-time for the Federal Government. He is responsible for the acquisition and disposal of 3-yr. old computer equipment. Many units are given to police departments or other government offices. He has made 3 emergency workstations available to us until we can purchase new equipment. Conda lost her mouse and monitor in the move. Vicki's tower and mouse have also expired. So far, my workstation is not giving me any problems.

*** We will need to plan on upgrading the three workstations at some point in the near future; either in calendar year 2007 or fiscal year 2008.

Case No. 2006-01 (Original Complaint received 02/01/06) (18 mos. = August 1, 2007) (Cont.)

Don Sensabaugh made a recommendation on behalf of the Disciplinary Committee that the Members find Probable Cause in Case 2006-01. The Committee finds that the Respondent violated §30-20-10 b.3. (unprofessional conduct) and b.7 (gross negligence). He further recommended that the Members agree to entering into a Consent Decree with the Respondent in Case 2006-01 which would provide for a suspension of the PT's license for four to six weeks; and also require that the Respondent reimburse the Board for administrative and procedural costs which would include attorneys' fees and the fees of the Ethics Investigator.

John DeBlasis made Motion that Probable Cause does exist in Case 2006-01 and that the Consent Decree be created as recommended by the Disciplinary Committee. Sally Oxley Seconded the Motion. It carried unanimously as there was No Dissent.

Discussion was held in regards to the length of suspension. John DeBlasis felt that the PT's license should be suspended for a period of four weeks. It then became the Disciplinary Committee's recommendation to suspend the License of the PT for a period of four weeks.

Elizabeth Meyer seconded the Committee's recommendation to suspend the PT's License for four weeks and that this amount of time be stipulated in the Consent Decree. The Motion carried as there was No Dissent.

The Financial Report was reviewed and Motion for approval was made by Cynthia Fox and seconded by John DeBlasis.

3. Legislative Updates and Reports.)

A. (New Board Appointments by the Governor's Office)

Discussion was held regarding the two calls that had been made into the office by two new appointees. Both wanted to know what the calendar was for upcoming Board Meetings.

Don Sensabaugh shared with the group that an individual had contacted him in regards to being asked by the Governor's Office if he would be willing to serve. He was interested in finding out what kind of time commitment he would be making to serve on the Board.

F. Cayton then shared that as a result of the two people calling into the Office that she had called the Governor's Office and had talked with Scott Cosco who gave her a list of names that had been contacted to replace the current Members whose terms had expired.

3. Legislative Updates and Reports. (Cont.)

A. (New Board Appointments by the Governor's Office) (Cont.)

Mr. Cosco said that all of the current Members who had served at least two terms were being replaced except for Don Sensabaugh; which meant that Sally Oxley PT, Cynthia Fox PT, John Williams PT, John DeBlasis PT and Elizabeth Meyer PT were all going to be replaced.

The current Members had not been contacted by the Governor's Office nor did they know that they were being replaced. Mr. Cosco had also never contacted the Board Office to check and see if the potential new Board appointees that were slated to replace the current Members were "Active" or in "Good Standing". (This was an issue that F. Cayton ultimately discussed with Mr. Cosco on at least three separate occasions.)

It was unanimously decided that F. Cayton would have further communications with the Governor's Office to see if and when the new appointees would take their positions and to also appeal to them to leave some of the current Members on in order that continuity could be maintained.

B. Athletic Trainers Board (report/discussion)

There is a Task Force Committee in place that communicates and stays abreast of all current developments concerning this issue. People comprising the Task Force are: John DeBlasis PT, ATC, Gina Brown PTA, ATC, Clark Vaughan PT, OCS, Lori Lovern PT, OCS, Mia Erickson PT, CHT, ATC, EdD, and Eric Shaw PT.

John said the Task Force Committee is looking at several issues with the prospect of an Athletic Trainers Board being established: 1. should they be licensed (licensure will not change their employment opportunities); 2. if they are to be licensed - - then, who will license them; 3. and, should they be brought under the Physical Therapy Board. John DeBlasis also related that the Athletic Trainers Association is neither large nor strong.

John DeBlasis reported that there were three Bills in Committee; but that as of this date, there was no movement on any of them.

General Discussion

(Report from Cynthia Fox in regards to her contact with Ralph Utzman PT and his willingness to participate on the Disciplinary Committee.)

Cynthia Fox reported that she had communicated with Ralph Utzman PT and that he might be interested in serving on the Disciplinary Committee as long as the Members and the representative from the A.G.'s Office felt that there was no conflict of interest.

It was discussed and decided that it did not appear that there would be any ethical conflicts with Mr. Utzman participating in Disciplinary Matters. The Members went on to discuss the idea presented by Kate Campbell of the A.G.'s Office that Mr. Utzman might also be useful to the Board as an Expert Witness in Disciplinary Case Hearings. It was not decided as to whether or not Mr. Utzman could also serve as the Board's Investigator.

Cynthia Fox is to find out what Mr. Utzman's hourly rate would be in order that the appropriate State WV-48 paperwork could be created which would allow the Board to pay him an hourly rate not to exceed \$10,000.00 per calendar year.

*** It was unanimously decided that Ralph Utzman's title would be "Ethics Investigator" based on Cynthia Fox checking with at least six other Boards and researching the issue.

*** We are planning to transition to the Web-based database after the August Board Meeting.

B. Office relocation.

*** Welcome to the new home of the WV BOPT...!!
We have a five-year lease for this space that includes a paved, lighted parking lot and room inside to expand. It is especially nice to have a dedicated conference room that doesn't interfere with the work room area.

C. Loaner equipment.

*** Our IT person who helped in networking all our computers and hooking up the cable Internet service, works full-time for the Federal Government. He is responsible for the acquisition and disposal of 3-yr. old computer equipment. Many units are given to police departments or other government offices. He has made 3 emergency workstations available to us until we can purchase new equipment. Conda lost her mouse and monitor in the move. Vicki's tower and mouse have also expired. So far, my workstation is not giving me any problems.

(NEW BUSINESS)

8. The Federation of State Boards of Physical Therapy (FSBPT) has requested that the WV Board send a representative to the Jurisdictional Board Member Training to be held July 21 - 23, 2006, in Alexandria, VA.

- A. Sally Oxley as Board Chair attended this meeting representing our Board.

Sally did speak about her experience at this important training and shared some of the topics that were covered: "FSBPT Benchmark Studies"; "Exam Updates and Information" which included that it now only takes 48 hours for scores to be reported to respective jurisdictions. In regards to students who may be tempted to cheat on the Exam, they should consider that if caught they will be guilty of "moral turpitude" and will be subject to disciplinary proceedings. It was also learned that jurisdictional license application forms should include the question, "Have you ever voluntarily surrendered your license?" Most States require applicants to complete questions regarding felony convictions or disciplinary actions by the Board; but not many ever inquire if an applicant has ever voluntarily given their license privileges up. It was learned that a licensee can opt to do this in some instances which enables them avoid having a negative record in the event of a complaint or wrong doing.

(NEW BUSINESS) (Cont.)

A. (Cont.)

Sally also passed out copies of documents entitled: "Board Member Code of Conduct" and "Board Member Bill of Rights".

In summary, Ms. Oxley felt that this Board Member training was very beneficial and that the Board should take advantage of sending new Members to potential future sessions.

9. Cynthia Fox and Frankie Cayton attended Basic NCIT sponsored by C.L.E.A.R.

Cynthia and Frankie both shared what their experience was like at the C.L.E.A.R. Basic NCIT held in Charleston on May 16 - 18, 2006. After the three-days training, a test was taken and both ladies passed and received their Basic Certification as Investigators.

It was generally discussed that even though Cynthia's term on the Board may be expired, that the general consensus of the current Board Members would be that the future Members utilize her as an Investigator/Consultant. It was recognized that Cynthia has dedicated a lot of time in her efforts as Chair of the Disciplinary Committee and that the Board as a whole had thus far invested a lot of time and money into her training.

10. Jennifer Trimble - WVU PT graduate - but not a WV Licensee

Cindy Skiles PT of Teays Valley PT had contacted Sally Oxley and the Board Office to report that Ms. Trimble was working out of Dr. VanScoys' Chiropractic Office in Hurricane, WV. Copies of Dr. VanScoy's office sign board had been emailed into the office as evidence that Ms. Trimble was there and that they were advertising her as being their Physical Therapist.

It was discussed and decided that F. Cayton would send Ms. Trimble a "Certified" Letter informing her to "Cease and Desist" holding herself out to be a Physical Therapist since she does not possess a license to practice in WV. A copy of the letter is also to go to Dr. VanScoy and the Prosecuting Attorney of Putnam County. It was agreed that an Application for licensure should also be included in Ms. Trimble's letter in order that she could be afforded the opportunity to apply as required by Law.

11. Questions submitted by Mike Kessler PT

1. In an outpatient clinic, under the direct supervision of a PT, may a PTA complete a status report to a physician on a patient they are familiar with? Can the report include objective (ROM, strength, etc...) measurements, an assessment (i.e. interpretation of objective data only, as to gains or lack of gains, without why the changes occurred) and a plan section without changing the plan of care from the primary PT?

(NEW BUSINESS) (Cont.)

11. Questions submitted by Mike Kessler PT (Cont.)

1. (Cont.)

The Board Members agreed that the PTA may not interpret objective data; however, the PTA may state his/her findings. With that correction, the above answer would be "yes" as long as the supervising PT signs the report.

2. Is it acceptable as per Practice Act, for a PTA to take objective measurements, which would be used by the primary PT in the preparation of a status report to be sent to a physician?

The Board Members agreed that this would be acceptable.

3. Section 16-1-9.2.d. states that the PTA shall not perform "final discharge assessment/evaluation....Can the PTA take part in any part of the discharge?

The Board Members agreed that this would be acceptable with the supervising PT's signature.

12. Lynn Mendicino - (U.S. Citizen who was educated in Norway)

Ms. Mendicino previously applied to our Board for a License in 2003. . However, the credential evaluation performed by I.C.A. did not indicate at that time that she had the equivalent of a B.S. Degree in PT - - but instead, a B.S. Degree in Biology. I.C.A. also said that much of what they requested was supplied to them by Ms. Mendicino herself instead of it coming directly from the school as is the requirement. There is still no completed I.C.A. Evaluation that has arrived to add to her file material.

She has hired an attorney from Charleston to aid her in gaining a WV PT License.
(A couple pieces of correspondence are included for your review.)

It was generally discussed and decided that this would not be an issue that the Board would address until the time that Ms. Mendicino would apply for a license

5. Disciplinary Committee Report. (Conference calls take place one time per month.)

CASE DISCUSSION

Case 2002-04

The Consent Decree was agreed to and signed August 24, 2005.

An Invoice was mailed to William Galeota, Attorney for Jane Gemlich, on April 3, 2006. The itemized list came to a total due of: \$4,537.70. We gave them 30 days to submit payment or to establish a payment plan. Our request letter was received by them on April 7th.(The money should be received by this meeting date.)

The check in the amount of \$609.70 and the accompanying letter from Mr. Galeota were discussed.

It was agreed that Kate Campbell of the A.G.'s Office would draft a letter to Mr. Galeota in regards to his refusal to reimburse the Board for Attorneys Fees. Kate will include wording as it appears in the Budget Bill wherein it states that the A.G.'s Office can charge for services. A draft of the letter will be emailed and circulated to F. Cayton and to the Board Members when it is ready.

Don Sensabaugh suggested that in the future that Attorneys Fees be included in future Consent Decrees as part of the costs that the Board could assess the Respondents. He also suggested that the invoice for fees to be collected be included in the Consent Decree.

Case No. 2004-07 (Original Complaint received 09/16/04) (18 mos. = March 16, 2006)

The Disciplinary Committee said at the August 2005 Board Meeting that they anticipate being able to enter into a Consent Decree with the Respondent in this Case.

A copy of the Case File was made for Kate Campbell's review. She will construct a Consent Decree and forward it to the Disciplinary Committee Members for review.

A copy of the APTA's Codes of Professional Conduct (expanded version) was downloaded from the APTA's Web Site and faxed to Kate Campbell's Office for her review as well.

A Consent Decree was created and mailed first class and "certified/return receipt requested" to the Respondent's address in WV as well as to the newly discovered address in PA. (A search was done via Google and then confirmed by Robert Kline, Admin. for the PA Bd.)

We have been contacted by an Attorney who has been retained by the Respondent. The Attorney informed F. Cayton that the Consent Decree would be signed by the Respondent and returned to the Office address.

*** The Consent Decree signed by the Respondent was received by the Office. It was then signed by Sally Oxley, Board Chair. An Invoice will now be created in order that the Board can be reimbursed for administrative and procedural costs associated with this Case.

Case No. 2005-03 (Original Complaint received 11/10/05) (18 mos. = May 10, 2007)

Kate Campbell created the subpoena and it was sent to the Attorney for the facility. The records have since been received by the office; copied; and forwarded to the two Members of the Disciplinary Committee for their review.

General Discussion

*** There was some general old business discussed regarding David Lyle whose PTA License had been Revoked. Mr. Lyle has never paid any of the money due the Board for the costs involved with his two Cases. The Members had wondered if in the future, if he would be allowed by Law to reapply for another License to practice. Kate Campbell informed those present that before Mr. Lyle could ever consider such a course of action, that he would have to pay the Board the money he owes.

A proposal was made by Cynthia Fox in regards to hiring a third person to participate on the Disciplinary Committee. She thought it might be beneficial to have Ralph Utzman PT who is an educator with the PT Program at West Virginia University. If he and the Members would agree to such an arrangement, fees for his services would then be discussed and determined.

John DeBlasis made Motion that Cynthia contact Ralph in order to see if he would be interested in such a proposal. Elizabeth Meyer seconded the Motion and it passed unanimously.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

*** The office is still moving towards the goal of making on-line renewals via the new Web Site for licensees a reality. In lieu of this goal, a Web-based data base is being created by Matthew Thornton who also created our new Web Site: www.wvbopt.com
You may want to see what he has done for the WV Licensing Board Association. You can access their Web Page at www.wvlicensingboards.com

Incorporated into this program will be a mechanism that will organize, track, and record Continuing Education courses. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

*** B. Office relocation.

Our current Lease expires February 28, 2006. The Landlord does not wish to renew the Lease. In lieu of that, I have secured a new home for the Office. We will be moving to 642 Davisson Run Road which is about one mile from here. The space consists of 2500 sq. ft. for \$7.20/sq ft. - - or \$1500.00 per month. Outside and yard maintenance will be

provided as well as water and garbage. We will pay the electric and gas bills. It is a fairly new structure and we are the second tenants.

We will have our own kitchen, three offices, a dedicated conference/hearing room, large multi-purpose room, two bathrooms, patio and a lighted, paved parking lot. It is ADA accessible and is an ideal location in which to house the Licensing Board. We will have a five-year, renewable lease. Our new Landlord is David Allen who is a quadriplegic.

It was unanimously decided that anyone posing a question to the Board regarding the Law must make their inquiry in writing. Whenever possible the Policy of the Board will be to discuss the Questions and possible Answers in a group at the next Board Meeting. Questions may or not be answered based on the appropriateness of the Board to give an Answer. When agreed upon and deemed appropriate, some Questions with Answers may be published in the Board News Letter.

8. (Review several recently asked questions; and recent letter from the FSBPT on “Certified Personal Trainers - Cpt”.) (Cont.)

*** B. The FSBPT Letter that was sent to Jurisdiction Board Members and Administrators was reviewed and discussed. The concern that the letter addresses is the issue of the job title or initials used by Personal Trainers. Personal Trainers are being called cPT’s which creates an issue of title protection for Physical Therapists. Personal Trainers are not regulated, so there is no uniformity. Anyone can call themselves a Personal Trainer. There are many different certification programs for Personal Trainers. These certification Programs are non-governmental with no accreditation or regulatory requirements. Each organization, therefore, is able to develop its own titles and abbreviations.

After review and discussion of the concerns surrounding this issue, it was unanimously decided that the Federation’s Letter would be added to our next Board News Letter.

10. Course Work Evaluation Tool

Ms. Cayton distributed two copies of a Course Work Evaluation Tool to be reviewed and discussed by the Members at the May 2005 Board Meeting. One is the current Tool being utilized by our Board-approved credentialing agency and the other is the Federation of State Boards Of Physical Therapy’s 4th Edition that was approved by the Delegate Assembly in September 2004.

The previous versions of the recommended FSBPT Course Work Evaluation Tools were created to measure the equivalency of the foreign educated person against our U.S., B.S. Degree graduates. However, effective January 1, 2003, there were no more B.S. Degree granting Programs in the U.S.; they all went to Masters Entry Level Degrees. So, the FSBPT 4th Edition Course Work Tool measures the equivalency of the foreign educated person to a person graduating from a U.S. PT Program possessing a Masters Degree (not a DPT Degree).

In order to maintain accreditation, all PT Programs had to convert to a post baccalaureate degree by 01/01/2003. This means that the last B.S. Degrees would have to have been issued by 12/31/2002. The 4th Edition FSBPT Course Work Eval. Tool reflects this change.

(INFORMATION) - CONT.

10. Course Work Evaluation Tool - Cont.

*** We adopted the 4th Version Tool at the August 2005 Board Meeting. It has since been learned from Ralph Utzman of the PT Program at WVU that the 11th intervention, electrotherapy, was omitted and that the Tool still only measures an education that is equivalent to a B.S. Degree. It does not measure a foreign-educated person's education for equivalency to a Masters Degree which is what the FCCPT has led the Delegate Assembly to believe.

In speaking with Lili Garrett of I.C.A. and Sue Lindeblad of the FCCPT, I have further learned that the FCCPT does not strictly adhere to the Tool and only requires that an applicant only meet 75% of the criteria. Sue Lindeblad of the FCCPT even made an on-site visit to I.C.A. in order to "train" the Garretts on how to utilize the Tool "by reading between the lines and making assumptions in regards to what courses they could give credit for". It has been recommended by I.C.A. that States use an amended form of this Tool. I have asked for their input by the Feb. 2006 Bd. Mtg.

The Members unanimously decided that WV would require that a foreign-educated applicant meet 100% of the criteria listed on the Tool and that the 11th intervention be included in the Credentials Evaluation performed by I.C.A. It was also suggested that we could get some input from Ralph Utzman PT of WVU and Leetha Zook PT of Wheeling Jesuit.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

Frankie Cayton told the Members that her goal for this next calendar year was to go to on line renewals via the new Web Site for licensees. In order to precipitate this endeavor, the data base would be upgraded to Microsoft Access.

It is also the goal of the office to create a program that would be computerized to track and record Continuing Education courses along. The program would also incorporate a mechanism whereby those that are approved could be categorized separately from those that were rejected. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

(The Web-based Licensure data base is being created by Matthew Thornton who created the new Web Site.)

Initial cost to switch over will be around \$3500.

We will then work towards having licenses renewed on line (additional cost will be approx. \$1000 to \$3000 depending on how advanced we make it). A link into the Treasurer of State's accounting section will be necessary. (Target date to have this completed will be next year for renewal season.)

*** The Members had inquired of Kate Campbell as to whether or not Mr. Lyle could at some point in the future, reapply for his PTA License. Kate said that she would research wording of the Law and get back to Board.

(The Board has not heard back from Kate Campbell as of this meeting.)

The Members decided that in future Cases that language should be added concerning the waiting period that would be necessary before a Licensee with a "Revoked License" could reapply. (If David Lyle should attempt to reapply at some point in the future, he would be required to pay all outstanding costs associated with the dissolution of his Case.)

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

A second Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

5. Disciplinary Committee Report (Cont.)

Case 2002-04

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

It was generally decided that at some point clarification in the wording of the two Laws could be better explained with roles and supervision being more clearly specified.

Kate Campbell of the A.G.'s Office drafted another Consent Decree for Mr. Galeota's review. He rejected some of the wording as his recollection of what was agreed upon from our previous Informal Hearing differed from the Disciplinary Committee's recollection. His recollection also differed from the Notes that were taken of the meeting by F. Cayton.

A conference call was held on Monday, April 25th among Kate Campbell, Cynthia Fox, Don Sensabaugh, William Galeota, Jane Gemlich and Frankie Cayton. (We were on the phone for one hour and 45 minutes.)

A second conference call will be scheduled for Tuesday, May 10th at 10:00 am. The Members unanimously agreed that the wording in a Consent Decree needed to be agreed upon during this upcoming conference call.

*** The conference call was held. Those participating agreed that the new Consent Decree would only be acceptable if the wording stating that we would not publish the outcome of the Case be omitted.

The Board's Decision was presented to Mr. Galeota and Ms. Gemlich which prompted Mr. Galeota to write a letter objecting to the publishing of the outcome of the Case in the Board News Letter. As a result of his refusal to accept our most recent offer, the Members then communicated with one another regarding acquiescing to their request - - and once again agreeing not to publish the outcome of the Case in the Board News Letter. The new Consent Decree will be drawn up with new cover letter once a quorum of the Members agree to this latest proposal

The Consent Decree was agreed to and signed this date.

5. Disciplinary Committee Report (Cont.)

Case 2004-05 (CASE CLOSED) (this Case is cross referenced with Case No. 2001-01)

Case No. 2004-07

This is a new case file and we are in the processing of gathering written statements from the parties involved.

The Disciplinary Committee said that they anticipate being able to enter into a Consent Decree with the Respondent in this Case.

It was discussed and decided that the Case File should be duplicated and given to Darlene Ratliff-Thomas who would then review it and construct a Consent Decree with potential Discipline outcomes. The Disciplinary Committee would confer and/or review the wording as constructed by Ms. Thomas. If approved, the Consent Decree would then be forwarded to the Respondent for his signature. In the event that the Respondent would not cooperate and sign, then the Respondent would have the opportunity to request an Informal Meeting.

Case No. 2005-01 (CASE CLOSED)

Case No. 2005-02 (CASE CLOSED)

General Discussion

Discussion was held in regards to the types of documentation that could take place at an Informal Meeting. The idea of always having it recorded or always having a court reporter present was ruled out. The majority along with the representative of the Attorney General's Office felt that taking accurate notes would suffice. It was felt and agreed that if a situation arose that would justify a more formal form of documentation, then a recording or a court reporter would be utilized.

8. **Eric Shaw PT** representing the **WV PT Association** will be sharing his concerns regarding the conflict in terminology and practice (WV PT Law vs. WV Chiropractic Law).

Eric Shaw PT current President of the WV PT Association was present and discussed his concerns about the inconsistent and contradictory language as it appears in our Law versus the Chiropractor's Law regarding who can perform Physical Therapy modalities.

It was generally discussed and decided that our goal and mission would not be to restrict Chiropractic Practice; however, the Chiropractors should not be allowed to use terms that infer that they do Physical Therapy. It was agreed by those present that there is contradictory language in the two Laws.

It was also discussed that Members of both the PT Association and the Board should get together and strategically plan to change wording in the PT Law prior to Sunset in 2009.

Sally Oxley agreed to make mention of the prospect of PT's and PTA's doing school visits in the upcoming Board Newsletter. (This was done.)

A Joint Resolution Committee is meeting in Charleston on Sunday, Nov. 7, 2004. A representative from our Board has been invited to attend. The Committee was formed at the close of the last Legislative Session to research the alleged shortage of PT's and Physical Therapy services in the southern part of WV.

Cynthia Fox did attend this meeting and described to those present what the experience was like. As it turned out, Rick Staton was not present due to illness. The PT profession was represented by educators, Association members and herself. Cynthia was afforded time to speak and to answer questions that were posed to her. Overall she felt that the meeting went well and got no indication from those on the Committee that their intent was to lower licensure standards and criteria for foreign-educated applicants. The Chair of the Committee is Roman Prezioso Senator from Fairmont, WV and the Co-Chair is Margarett Leach Delegate from Huntington, WV. There was no information regarding future meetings.

B. Athletic Trainers Board (report/discussion)

John DeBlasis reported that the Sunrise application for Athletic Trainers is in an Interim Committee and that the Legislature will most likely begin addressing the issue sometime in October of this year. There is a Task Force Committee in place that communicates and stays abreast of all current developments concerning this issue. People comprising the Task Force are: John DeBlasis PT, ATC, Gina Brown PTA, ATC, Clark Vaughan PT, OCS, Lori Lovern Pt, OCS, Mia Erickson PT, CHT, ATC, EdD, and Eric Shaw PT.

John said the Task Force Committee is looking at several issues with the prospect of an Athletic Trainers Board being established: 1. should they be licensed (licensure will not change their employment opportunities); 2. if they are to be licensed - - then, who will license them; 3. and, should they be brought under the Physical Therapy Board. John DeBlasis also related that the Athletic Trainers Association is neither large nor strong.

John DeBlasis reported that Interim Meetings were being held to discuss whether or not an Athletic Trainers Board was needed. The most recent of these meeting was held at Martinsburg. The Task Force is working closely with the Athletic Trainers in order to maintain a dialogue with them to discuss their plans and desires. It is believed that

B. Athletic Trainers Board (report/discussion) (cont.)

the Chiropractors in the State are going to oppose the idea of licensure for AT's even though the Athletic Trainers intend to pursue the issue during this next Legislative Session

According to John DeBlasis, S.B. 174 is going to be introduced on Monday, February 21st. If passed, this Bill would establish the creation of an Athletic Trainers Board in the State. The progression of the Bill will be monitored.

*** It was learned at the WV Licensing Bd. Assoc. Mtg. on Friday, March 11, 2005 that the Athletic Trainers' Bill was "dead".

C. Rules and Regulatory Law.

*** (Nothing to report at this time)

4. Continuing Education Updates.

John DeBlasis and Elizabeth Meyer are reviewing course work. In the event that a third opinion is needed, Sally Oxley is contacted.

Approved courses are being added weekly to our Web Page.

The Random Audit was run. Thirty-three (33) persons contacted have sent in their Proof of Compliance with our requirement to obtain 10 Contact Hrs. of Continuing Education for the calendar year of 2004.

*** It was generally discussed and decided that if no Board Members' names come up in the audit that we should randomly audit those that serve on the Board and that they should be included in the total count.

5. Disciplinary Committee Report. (Conference calls take place one time per month; in the month of a Bd. Mtg., they will take place the Tuesday prior.)

CASE DISCUSSION

Case 2001-01 (File has been reactivated due to his violating the Amended Order)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we sent him an Amended Order that included costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days was up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.) Nothing has been paid to this date.

(Other history concerning this Case appears in previous Minutes)

(New Information)

A second complaint has been filed against David Lyle which is numbered **Case No. 2004-05**. His response to that Complaint is also his response to this original Complaint wherein he justifies not only working during his suspension period, but also the non-payment of his fee.

The Members unanimously agreed that a second Statement of Charges should be created and mailed to Mr. Lyle. Kate Campbell of the Attorney General's Office agreed to create the appropriate paperwork. The Members were inclined to agree that there was now reasonable cause to revoke his license. The Statement of Charges will include a Notice of Hearing - - that Hearing will most likely take place on the date of our next Board Meeting which will be November 3, 2004.

The Hearing did take place this date. It began at approximately 10:30 am and lasted until approximately 12:00 noon. David Lyle appeared and represented himself. The Board was represented by Kate Campbell of the Attorney General's Office. Francis Camigliano, Court Reporter was present to record the proceedings. Members of the Board who are not on the Disciplinary Committee comprised the Jury.

5. Disciplinary Committee Report. (Cont.)

Case 2001-01 (cont.)

Findings of Fact and Conclusions of Law compiled by Kate Campbell of the A.G.'s Office and by David Lyle PTA Respondent were circulated to the Members of the Jury. After some review and brief discussion, Elizabeth Meyer made Motion to adopt the Findings of Fact and Conclusions of Law as compiled by Kate Campbell of the A. G.'s Office and Revoke David Lyle's PTA License in the State of WV. John DeBlasis seconded the Motion. The Motion carried unanimously. (Cynthia Fox abstained from voting being as she is Chair of the Disciplinary Committee.)

Kate Campbell of the A.G.'s Office said that she would do the necessary paperwork and forward it to us for the Board Chair to sign. (This was done.)

*** David Lyle sent a personal letter into the Board Office saying that he is going to appeal the Board's Decision. (Kate Campbell says that he was suppose to file his appeal with a Circuit Court by April 25, 2005. She is going to write to him and inform him of his error.)

Kate Campbell of the A.G.'s Office will draft a letter for Frankie's signature informing Mr. Lyle of his error of not filing with the Circuit Court; and also apprize him of the cost involved to make his requested copies of file material.

It was decided by the Members that Mr. Lyle's license revocation would be published in the Board Newsletter.

The Members also inquired of Kate Campbell as to whether or not Mr. Lyle could at some point in the future, reapply for his PTA License. Kate said that she would research wording of the Law and get back to Board.

Case 2001-02 (Case Closed - Discipline in Force)

(Other history concerning this Case appears in previous Minutes)

John DeBlasis made an on site visit on September 16, 2004. His findings and documentation have been copied and forwarded to the Disciplinary Committee Members as well as Kate Campbell of the A.G.'s Office.

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... - - which is \$150.00 in addition to travel reimbursement - - 40.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

5. Disciplinary Committee Report (Cont.)

Case 2001-02 (cont.)

John DeBlasis said that the Board needs a recommendation from the Disciplinary Committee in regards to his findings from when he made the on site visit to Sorongon's place of business. There was even discussion that there could possibly be a need for a new Statement of Charges. Cynthia Fox and Don Sensabaugh as the two members of the Disciplinary Committee will review John's documentation and make a decision as how to proceed.

Kate Campbell told the Members that this Case file was one of the ones that had been kept by Karen Thornton who formerly represented us in legal matters. Ms. Campbell suggested that Cynthia Fox email Karen with the information regarding John DeBlasis' findings and get her input on how it would be best to proceed.

*** A letter was written to Mr. Sorongon which documented the findings from John DeBlasis' on-site visit. (This was previously circulated to the Members.)

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

A second Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

5. Disciplinary Committee Report (Cont.)

Case 2002-04

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

It was generally decided that at some point clarification in the wording of the two Laws could be better explained with roles and supervision being more clearly specified.

*** Kate Campbell of the A.G.'s Office drafted another Consent Decree for Mr. Galeota's review. He rejected some of the wording as his recollection of what was agreed upon from our previous Informal Hearing differed from the Disciplinary Committee's recollection. His recollection also differed from the Notes that were taken of the meeting by F. Cayton.

A conference call was held on Monday, April 25th among Kate Campbell, Cynthia Fox, Don Sensabaugh, William Galeota, Jane Gemlich and Frankie Cayton. (We were on the phone for one hour and 45 minutes.)

A second conference call will be scheduled for Tuesday, May 10th at 10:00 am.

The Members unanimously agreed that the wording in a Consent Decree needed to be agreed upon during this upcoming conference call.

Case 2004-05 (new) (this Case is cross referenced with Case No. 2001-01)

The Hearing took place this date (Nov. 3, 2004 at 10:30 a.m.)

General Discussion

Discussion was briefly held in regards to the role of an Athletic Trainer in a Physical Therapy setting. This is an issue that will be discussed further in the future.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

Frankie Cayton told the Members that her goal for this next calendar year was to go to on line renewals via the new Web Site for licensees. In order to precipitate this endeavor, the data base would be upgraded to Microsoft Access.

It is also the goal of the office to create a program that would be computerized to track and record Continuing Education courses along. The program would also incorporate a mechanism whereby those that are approved could be categorized separately from those that were rejected. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

B. We are contracting with a person who creates "State of WV" Web Sites. His name is Matthew Thornton and he lives here locally. The site will be a CMS site which will allow us to add and delete information as necessary. The wall paper background of the site will consist of WV State Logo and scenes. Initial cost to switch over will be around \$3500.

We will then work towards having licenses renewed on line (additional cost will be approx. \$1000 to \$3000 depending on how advanced we make it). A link into the Treasurer of State's accounting section will be necessary. (Target date to have this completed will be next year for renewal season.)

You may want to see what he has done for the WV Licensing Board Association. You can access their Web Page at www.wvlicensingboards.com

Our Web Site has been created and converted. The address is: www.wvbopt.com

C. Temporary help is being used on an hourly basis.

We need to hire Vicki Maxwell effective June 1, 2005. Her other part time job with Gear Up in Doddridge County School System will be over as funding is no longer going to be provided for the program.

She will have been here five years as of June. We are working her four days per week when her schedule permits. We are to the place now that she cannot keep up with the assigned work that is given her. This office has always been short one full time staff person.

*** (Discussion as to whether to retain the current Tool or adopt the new Federation Tool)

After review and discussion, the Members decided that a little more information was needed in order to make an informed decision.

(MISCELLANEOUS)

*** 9. Sandra Hewitt - Question

On March 30th, we received a phone call from Ms. Hewitt. She asked the following question:

"In the PT scope of practice, is a PT allowed to pop a shoulder back into place without an xray being performed and without the patient's permission...?"

An immediate answer was insisted upon. After contacting both Sally Oxley (who was not available), I then contacted John DeBlasis who provided an answer.

It was unanimously decided by the Members that all questions pertaining to matters of the Law or PT practice should be requested to come into the office in writing - - either by mail, fax or email. This was officially adopted as the Board's position and Policy regarding such questions should they arise in the future.

The committee members will be Cynthia Fox, Elizabeth Meyer, Shirliebeth Wooton, Mary Beth Mandich, and Leetha Zook. To facilitate ease of discussion, conference calls may be set up as necessary.)

It was the consensus of those present that the role of the Board should be to work with the Accredited PT and PTA school programs and to assure that those graduating students are Licensed. 4. Continuing Education Updates.

John DeBlasis and Elizabeth Meyer are reviewing course work. In the event that a third opinion is needed, Sally Oxley is contacted.

Approved courses are being added weekly to our Web Page which is currently under construction.

Question: When a facility (CAMC) contracts with a "for profit" company that provides Continuing Education, shouldn't the company request and pay for Board review of the Course to be offered? (For profit companies pay \$50.00 per course for review.) As it is, we don't charge facilities (CAMC) when they ask us to review a course that they are hosting. CAMC has been making the request for review on behalf of the "for profit" companies thereby circumventing paying the required fee.

It was discussed and agreed that the review of courses for a profit making company should be paid for. The company interested in presenting the course and desiring Board review/ approval, should submit the appropriate documentation to the office and pay the required fee as allowed by Law.

*** The Random Audit was run. Thirty-three (33) persons contacted have sent in their Proof of Compliance with our requirement to obtain 10 Contact Hrs. of Continuing Education for the calendar year of 2004.

CASE DISCUSSION

Case 2001-01 (File has been reactivated due to his violating the Amended Order)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we sent him an Amended Order that included costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days was up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.) Nothing has been paid to this date.

(Other history concerning this Case appears in previous Minutes) .

(New Information)

A second complaint has been filed against David Lyle which is numbered Case No. 2004-05. His response to that Complaint is also his response to this original Complaint wherein he justifies not only working during his suspension period, but also the non-payment of his fee.

The Members unanimously agreed that a second Statement of Charges should be created and mailed to Mr. Lyle. Kate Campbell of the Attorney General's Office agreed to create the appropriate paperwork. The Members were inclined to agree that there was now reasonable cause to revoke his license. The Statement of Charges will include a Notice of Hearing - - that Hearing will most likely take place on the date of our next Board Meeting which will be November 3, 2004.

The Hearing did take place this date. It began at approximately 10:30 am and lasted until approximately 12:00 noon. David Lyle appeared and represented himself. The Board was represented by Kate Campbell of the Attorney General's Office. Francis Camigliano, Court Reporter was present to record the proceedings. Members of the Board who are not on the Disciplinary Committee comprised the Jury.

5. Disciplinary Committee Report. (Cont.)

Case 2001-01 (cont.)

Findings of Fact and Conclusions of Law are to be created and submitted to the Board Office by Mr. Lyle and Ms. Campbell. Ms. Camigliano will forward transcribed copies of the proceeding to Ms. Campbell, Mr. Lyle and the Board Office. Once the Findings of Fact and Conclusions of Law have been circulated to the Members of the Jury, then a Decision will be forthcoming as to whether or not Mr. Lyle's license to practice should be disciplined.

*** Findings of Fact and Conclusions of Law compiled by Kate Campbell of the A.G.'s Office and by David Lyle PTA Respondent were circulated to the Members of the Jury. After some review and brief discussion, Elizabeth Meyer made Motion to adopt the Findings of Fact and Conclusions of Law as compiled by Kate Campbell of the A. G.'s Office and Revoke David Lyle's PTA License in the State of WV. John DeBlasis seconded the Motion. The Motion carried unanimously. (Cynthia Fox abstained from voting being as she is Chair of the Disciplinary Committee.)

Kate Campbell of the A.G.'s Office said that she would do the necessary paperwork and forward it to us for the Board Chair to sign.

Case 2001-02 (Case Closed - Discipline in Force)

(Other history concerning this Case appears in previous Minutes)

It was discussed and decided that Mr. Sorongon practice should be monitored on a periodic basis during the supervisory period. Sally Oxley is to create a checklist for the monitor to utilize during visits. A monitor will be recruited to make on site visits. The monitor will be reimbursed mileage as well as \$250.00 per day while performing this service on behalf of the Board. Mr. Sorongon is to be contacted in writing in order to have him supply us with the names and addresses of each and every place wherein he is functioning as a Physical Therapist. (As of this writing that info has been supplied to us.) Also, all monies owed us have been paid in full.

The checklist has been created by Sally Oxley and approved by the Members of the Board. An on-site visit is being planning for the near future by John DeBlasis. Sally Oxley

signed a letter on Board Stationery which will identified John DeBlasis as representing the Board and also authorize him to make the on-site visit. The letter will stipulate that Mr. Sorongon is to cooperate fully with the on-site visit and inspection of employees' licenses and patient records. John will take with him a copy of the Final Order and the authorization letter.

John DeBlasis made the on site visit on September 16, 2004. His findings and documentation

5. Disciplinary Committee Report (Cont.)

Case 2001-02 (cont.)

have been copied and forwarded to the Disciplinary Committee Members as well as Kate Campbell of the A.G.'s Office.

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... -- which is \$150.00 in addition to travel reimbursement -- 37.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

John DeBlasis said that the Board needs a recommendation from the Disciplinary Committee in regards to his findings from when he made the on site visit to Sorongon's place of business. There was even discussion that there could possibly be a need for a new Statement of Charges. Cynthia Fox and Don Sensabaugh as the two members of the Disciplinary Committee will review John's documentation and make a decision as how to proceed.

*** Kate Campbell told the Members that this Case file was one of the ones that had been kept by Karen Thornton who formerly represented us in legal matters. Ms. Campbell suggested that Cynthia Fox email Karen with the information regarding John DeBlasis' findings and get her input on how it would be best to proceed.

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

The Members agreed that Kate Campbell would create a Statement of Charges and Notice of Hearing in this matter that would be forwarded to Ms. Gemlich and her Counsel.

Statement of Charges and Notice of Hearing will be signed at this Board Meeting. (Date in February 2005 needs to be set.)

*** The Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

*** Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

General Discussion

Frankie Cayton inquired in regards to what action (if any) should be taken against a licensee who had been disciplined in another State; and what was this office to report on a verification for a licensee who had been disciplined in another State - - but was in good standing in WV.

Kate Campbell said that there was no action necessary to be taken against a licensee who had been disciplined in another State. She also suggested that when we do verifications on such an individual that we include a statement on the verification form stating that the interested party might want to check with the HIPDB (Health Integrity Professional Data Base) where all disciplinary actions taken against licensees are reported and recorded.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

Frankie Cayton told the Members that her goal for this next calendar year was to go to on line renewals via the new Web Site for licensees. In order to precipitate this endeavor, the data base would be upgraded to Microsoft Access.

It is also the goal of the office to create a program that would be computerized to track and record Continuing Education courses along. The program would also incorporate a mechanism whereby those that are approved could be categorized separately from those that were rejected. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

B. Temporary help is being used on an hourly basis.

We need to hire Vicki Maxwell effective June 1, 2005. Her other part time job with Gear Up in Doddridge County School System will be over as funding is no longer going to be provided for the program.

She will have been here five years as of June. We are working her four days per week when her schedule permits. We are to the place now that she cannot keep up with the assigned work that is given her. This office has always been short one full time staff person.

If an Athletic Trainers Board is added this year, then we will need a fourth person - - not a third person.

Frankie Cayton once again made an appeal to the Members in regards to permanently hiring Ms. Maxwell based on the on-going increased workload in the office. Ms. Maxwell's demeanor and work ethic are perfectly suited for this job. She has proven herself to be not only responsible and motivated; but also invaluable to the efficiency of the office and its systems. The balance in the Board's account is consistently above \$100,000 per quarter. To add a third person might take about \$25,000 more per year. Ms. Maxwell would be a State Employee entitled to benefits.

The Members discussed the issue after asking Ms. Cayton to leave the room. Upon returning, she was told that the Board Chair, Sally Oxley would like to meet with Vicki at the next scheduled Board Meeting which is to take place May 4, 2005. Ms. Cayton was also instructed to draw up a sample salary with the necessary deductions in order that those figures could be reviewed and discussed. A decision will be forthcoming at the May Meeting.

6. Office Updates. (Cont.)

C. (Info. Re: Law Suit filed by Attorney Harvey Peyton in Kanawha County Court which raises the issue of State Agencies having their seat of government in Charleston. Kelli Talbott of the Attorney General's Office is closely monitoring the suit and that her office would keep us apprized of any new developments.)

(Additional papers have been served on other "outlying Agencies/Boards)

Kate Campbell shared with those present at the November 3rd, 2004 meeting that Judge Berger refused to hear this Case; therefore, the Lottery Commission has to stay in Charleston, WV. No other Boards were enjoined in this Law Suit.

*** Kate Campbell said that this issue is CLOSED.

D. We are going to contract with a person who creates "State of WV" Web Sites. His name is Matthew Thornton and he lives here locally. The site will be a CMS site which will allow us to add and delete information as necessary. The wall paper background of the site will consist of WV State Logo and scenes. Initial cost to switch over will be around \$3500.

We will then work towards having licenses renewed on line (additional cost will be approx. \$1000 to \$3000 depending on how advanced we make it). A link into the Treasurer of State's accounting section will be necessary. (Target date to have this completed will be next year for renewal season.)

You may want to see what he has done for the WV Licensing Board Association. You can access their Web Page at www.wvlicensingboards.com

Then compare that to what our site looks like: www.wvbopt.com

*** The Web Site has been created and is awesome. The temporary site name (for viewing purposes only) is: www.matthew-thornton.com/wvbopt

A Motion was made by John DeBlasis to endorse and move forward with Items A. and D. regarding the conversion of the licensure database to Microsoft Access; as well as making the necessary improvements to our Web Site to facilitate on line renewals. Cynthia Fox seconded the Motion. The Motion carried unanimously.

7. Board Newsletter. (Past Newsletters now appear on the Web Site)

(Articles for the next issue should be submitted in March 2005.)

Assigned topics for the spring/summer newsletter will be as following:

- | | |
|------------------------------------|------------------|
| A. Introduction/Greeting | - Sally Oxley |
| B. Sexual Misconduct | - Sally Oxley |
| C. Jurisprudence questions/answers | - Cynthia Fox |
| D. Recently asked questions | - Frankie Cayton |
- Disciplinary Actions
Address Change Reminder
Continuing Education Requirement Reminder
Exam Cheating

*** Discussion was held in regards to asking the WV PT Association if they would like to have someone contribute an article based on "Professional Ethics". The Members agreed that this would be a good idea and that Ms. Cayton should contact the Association to see if they had anyone who would be willing to write such an article.

(NEW BUSINESS)

8. Ms. Cayton distributed two copies of a Course Work Evaluation Tool to be reviewed and discussed by the Members at the next Board Meeting. One is the current Tool being utilized by our Board-approved credentialing agency and the other is the Federation of State Boards Of Physical Therapy's 4th Edition that was approved by the Delegate Assembly in September 2004.

(MISCELLANEOUS)

9. Kay Lazenby PT - Question

Ms. Lazenby had requested that the Members discuss and provide her an answer to the following question:

Can a Physical Therapist working in an outpatient facility of a hospital provide "general supervision to the PTA's working in the hospital? (The two buildings are separated by a parking lot.)

After discussion, the Members unanimously decided that the answer to Ms. Lazenby's Question would be "no".

(INFORMATION)

10. (Nothing at this time.)

(NEXT MEETING DATE)

12. The next meeting date of the Board will be: Wednesday, May 4, 2005.
Other meetings will be as follows:

August 24, 2005
November 2, 2005

A Meeting with Delegate Rick Staton took place on Tuesday, February 17, 2004 in Charleston. Attending from our Board were: Sally Oxley, Cynthia Fox, and John DeBlasis.

As a result of the meeting with Delegate Staton, the Board Members along with the State Chapter Association are working to provide Mr. Staton with the information that he has requested.

Leetha Zook shared with those present some productive ideas that the WV PT Association had formulated that could be put into writing as well as readily implemented - - that information is attached as part of the permanent record. She also invited the Members of the Board to the Association Meeting to be held in Morgantown in April 2004.

The Members agreed that Frankie Cayton would check our licensure records for the past five years in order to see who we haven't licensed and why. From this information, we

3. Legislative Updates and Reports (cont.)

should be able to come up with statistical information to prove that the Board's standards have not prevented anyone from getting licensed.

Upon discussion and comparison of WV's passing score requirements on the English Proficiency Tests, it was unanimously decided that the passing scores would be adjusted as follows:

TOEFL	-	600 reduced to 560 (paper-based test)
		250 reduced to 220 (computer-based test)
TSE	-	55 reduced to 50
TWE	-	5.0 reduced to 4.5

A committee was established to further discuss some of the issues that Delegate Staton raised. The committee members will be Cynthia Fox, Elizabeth Meyer, Shirliebeth Wooton, Mary Beth Mandich, and Leetha Zook. To facilitate ease of discussion, conference calls may be set up as necessary.

Cynthia Fox made Motion that there be a joint initiative between the Board Members and the WV PT Association in order to provide education to WV high schools via career day; and to begin an education program to be provided to middle and high school students to promote Physical Therapy in the State. John Williams seconded the Motion and it carried unanimously.

CASE DISCUSSION

Case 2001-01 (File is Closed)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we need to send him an Amended Order that includes costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days is up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.)

Related Invoices Received to date:

Dannie Monk, Investigator	\$ 1078.40
Kenneth Blake, Hand Writing Analyst	400.00
Attorney General's Office	2516.50
Melinda Krepps, Court Reporter	615.60
Pete Johnson, Hearing Examiner	1664.82

Frankie Cayton told those present that no money had been received from David Lyle as of this date. Karen Thornton said that she had drafted a letter to him wherein she offers him the option of splitting the total amount due into payments and wanted to know if the Board Members could agree to that.

The Members of the Board unanimously agreed that Mr. Lyle's payment could be made in installments and that the letter that Ms. Thornton had drafted be mailed to Mr. Lyle.

Case 2001-02 (Hearing took place on Oct. 10, 2001) **Final Order** was signed for at Kanawha Valley Physical Therapy by Cyndi Frye. A Motion to Stay Our Final Order was filed by Attorney, James McHugh and approved by the Court.

5. Disciplinary Committee Report (Cont.)

As it stands, Mr. Sorongon's license will be suspended for a period of 18 months and supervision will take place for 18 months. According to Mr. McHugh, Mr. Sorongon's supervision will be conducted by Ma Gracely Sorongon PT (who is Ferdinand's wife).

Related Invoices Received to date:

John Whalen - OT Bd. Investigator	\$ 950.61
Attorney General's Office	7212.55
Tim Miley, Hearing Examiner	1680.00

An Amended Final Order that includes an itemized list of administrative and procedural costs in the amount of \$14,402.46 was created.

The Amended Final Order was received on November 18, 2003. Mr. Sorongon has made two payments to the Board; one for \$3784.37 and a second one in the amount of \$6000.00.

A Final Order of Dismissal from Kanawha County Court was signed on November 19, 2003.

An appeal was made by Attorney McHugh on behalf of Mr. Sorongon requesting that the balance of money owed be split into payments and the time for payment be extended. The Members agreed to Mr. McHugh's request and Karen Thornton will send him a letter to that effect.

It was discussed and decided that Mr. Sorongon practice should be monitored on a periodic basis during the supervisory period. Sally Oxley is to create a checklist for the monitor to utilize during visits. A monitor will be recruited to make on site visits. The monitor will be reimbursed mileage as well as \$250.00 per day while performing this service on behalf of the Board. Mr. Sorongon is to be contacted in writing in order to have him supply us with the names and addresses of each and every place wherein he is functioning as a Physical Therapist.

Case 2002-01

The employment records of Comprehensive Care Center were subpoenaed with the assistance of Karen Thornton of the A.G.'s Office . We received payroll and earnings records on September 30th. We did not receive time sheets, or employment schedules.

Upon the advice of Ms. Thornton, the subpoena requesting the employment records was re-sent on October 31, 2003. We received a reply from the Respondent on November 10, 2003 in which he states that the accountant did not keep the time sheets that were provided to him for payroll purposes and that he has complied with the subpoena to the best of his ability.

5. Disciplinary Committee Report (cont.)

Case 2002-01

The Members of the Board agreed to Close this Case for no stating that there is "No Probable Cause" to discipline the Respondent's license. The form letter is to go out with Frankie Cayton's signature on behalf of the Disciplinary Committee Members.

Case 2002-03

The Disciplinary Committee stated that the complete investigative record needs to be acquired from Marilyn Bonnett who made the complaint on behalf of Aegis Therapies.

It was learned that Marilyn Bonnett is no longer the responsible person to release that information. Her successor, Christy Bougher complied with our request and the documentation was forwarded to the Disciplinary Committee on June 27, 2003.

A Statement of Charges has been created by Karen Thornton of the A.G.'s Office.

The Statement of Charges and Notice of Hearing will be signed by Sally Oxley on behalf of the Board. The cover letter will offer the Respondent the option of contacting the office in order to set up an informal meeting with the Disciplinary Committee Members in order to enter into a Consent Decree. If the Respondent will do this, there will be no formal Hearing.

Case 2002-04

In order to facilitate options for discipline, the Alabama Board of PT will be contacted in order to see how the wording of their Statement of Charges reads. In that State, the Respondent is allowed to choose among three or so choices in regards to entering into a Consent Decree.

Karen Thornton will construct the Statement of Charges and Hearing Notice and email to the Office.

The Statement of Charges and Notice of Hearing will be signed by Sally Oxley on behalf of the Board. The cover letter will offer the Respondent the option of contacting the office in order to set up an informal meeting with the Disciplinary Committee Members in order to enter into a Consent Decree. If the Respondent will do this, there will be no formal Hearing.

5. Disciplinary Committee Report (cont.)

General Discussion

It was generally agreed that the Disciplinary Committee Members need to stick with a time line in regards to the Open Case Files in order that we do not get behind.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

The new license database is up and functional on Conda's PC. The computer in the Administrator's office is networked and we are working on the third one in the conference room. All three computers will soon be able to share and have access to the licensure database.

B. Temporary help is being used at the rate of \$8.27 per hour.

Two people are being utilized on alternating days. We should consider hiring one of them on a full-time basis. One has worked here for three years so we have that much training invested. She also works for Gear Up in Doddridge County. During the summer, Vicki Maxwell is here four days per week. The funding for her job there will not be renewed for the upcoming fall semester. She is currently job hunting and interviewing within Harrison County.

Frankie made an appeal to the Members that Vicki Maxwell be hired on a permanent basis. Vicki does our Continuing Education work, Verifications, mails out requested Applications, and maintains those files. She watches the inventory and lets us know when it is time to replenish items. During renewal season, she kept track of incoming and outgoing renewals and licenses. In situations where someone needed to be corrected in regards to what information or money they had or had not supplied, she organized and did follow up on those pieces of correspondence. She entered data into the system and ran licenses and corresponding labels. She keeps accurate records of all the incoming money.

The Board Members said that if an Athletic Training Board was added to our responsibilities that we could consider hiring another full time person then.

C. The office was moved to temporary quarters effective October 1st. The new State Office Building may take from two to four years to complete. The Lease was approved by the Leasing Dept. We have not heard any more from Mr. Tom Susman in regards to our current location.

6. Office Updates. (Cont.)

C. (cont.)

Karen Thornton mentioned the law suit that had been filed by Attorney Harvey Peyton in Kanawha County Court which raises the issue of State Agencies having their seat of government in Charleston. Ms. Thornton said that the Attorney General's Office is closely monitoring the suit and that her office would keep us apprized of any new developments.

D. The IRS has insisted that all temporary employees and Board Members have and participate in a payroll deduction plan. Effective, January 1, 2004, taxes will be taken out of Per Diem pay and pay earned by temporary contract employees. In the future, you will not receive a 1099, but instead will receive a W-2 from the State.

E. There is a good possibility that a Board of Athletic Trainers may be created this Legislative Session. I have been contacted and asked to supply information concerning our annual budget and number of licensees. It is not likely that this newly created Board will have the funds necessary to have an office and hire office staff. The proposal has been made that the duties and functions of that Board be combined with our Office responsibilities. They would be a separate and distinct entity from the current Board. (My letter to Mr. John Sylvia in response to his proposal is attached for your review.)

The Members agreed that they would be in favor of exploring the idea of a "combined Board" or a "joint Board" - - not a separate Board. It was further agreed that Sally Oxley should send a letter requesting more information regarding the potential number of Athletic Trainers as well as additional funding to cover all of our expenses.

F. WVFIMS is going to increase fees for processing paperwork. The estimated cost to our Board will be \$700.00 per quarter. The cost to process one transmittal (request for payment) is \$80.00.

G. Discussion was held in regards to selling our mailing list on CD.

This item was added to the agenda at the request of Leetha Zook, President of the WV PT Association.

Frankie Cayton was opposed to this idea in that the Board generates a certain amount of revenue from the sale of mailing lists and labels. To sell our data on a CD creates the temptation and opportunity for the information to be pirated in that the CD's could be "burned/copied" and resold by the purchaser. Ms. Cayton also told those present that the WV PT Association currently buys mailing labels from the Board Office under cost. We only charge for the cost of the box of labels which runs approximately \$40.00 and the cost for two-day priority mail which is an additional \$3.85.

The Members agreed that a legal contract needs to be constructed prohibiting the re-

production or resale of our material and that it should also state that we maintain ownership. It was believed that the WV Board of Medicine sold their mailing list via CD and Ms. Cayton was instructed to contact them in order to find out how much per name and address they were charging.

Case 2002-01 -CASE CLOSED.

Case 2002-03

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 1:00 pm. The Respondent did agree to terms that have been documented in a Consent Decree. The Consent Decree was constructed by Darlene Ratliff-Thomas of the A.G.'s Office and has since been forwarded to the Respondent for her signature.

The Consent Decree was reviewed by those Members present. Shirliabeth Wooton made Motion that the Consent Decree be approved and signed by the Board Members. Elizabeth Meyer Seconded the Motion. The Motion passed unanimously with no Dissent.

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

Case 2004-01

We are in the investigative process in order to gather facts and information.
(Respondent has fired all parties involved with filing the original Complaint.)

5. Disciplinary Committee Report (Cont.)

Case 2004-01

The Members agreed that the Board does not have jurisdiction in regards to people getting fired as a result of filing a Complaint. It was decided that a letter be constructed by Frankie Cayton on behalf of the Disciplinary Committee with that information and sent to the Respondent in this Case. The whole file is to be copied and forwarded to the A.G.'s Office.

B. Temporary help is being used on an hourly basis.

Consideration should be given to hiring the Temporary person, Vicki Maxwell, on a full-time basis. She has worked here three years as of June 2004.

If an Athletic Trainers Board is added next year, then we will need a fourth person - - not a third person.

C. The office was moved to temporary quarters effective October 1st. The construction of the new State Office Building is in limbo. The City of Clarksburg and the State of WV cannot come to terms on ownership and cost per square foot. There is even talk of the State remodeling the old building and moving everyone back into it. The Health Dept. has been quoted as saying that they are not interested in moving back into the old location. current location. (This has all been documented in the local paper.)

6. Office Updates. (Cont.)

D. Law Suit filed by Attorney Harvey Peyton

The law suit that had been filed by Attorney Harvey Peyton in Kanawha County Court which raises the issue of State Agencies having their seat of government in Charleston was discussed. Ms. Ratliff-Thomas said that Kelli Talbott of the Attorney General's Office is closely monitoring the suit and that her office would keep us apprized of any new developments.

(Additional papers have been served on other "outlying Agencies/Boards)

E. The IRS has insisted that all temporary employees and Board Members participate in a payroll deduction plan. Effective, January 1, 2004, taxes will be taken out of Per Diem pay and pay earned by temporary contract employees. In the future, the Board Members and temporary help will not receive a 1099, but instead will receive a W-2 from the State.

(Per Diem & travel amounts are late due to implementing the new system and completing required paperwork - - WV-11's for new hires.)

F. The Legislature may continue to discuss the addition of an Athletic Trainers Board next Session.

G. WVFIMS is going to increase fees for processing paperwork. The estimated cost to our Board will be \$700.00 per quarter. The cost to process one transmittal (request for payment) is \$80.00.

(More and more emphasis is being placed on procuring supplies, services and products via the P-Card - - State of WV Visa Card in order to reduce and/or eliminate the amount of paperwork being processed.)

H. Discussion was held in regards to selling our mailing list on CD.

F. Cayton has learned that the WV Board of Medicine's data is maintained by WVU and it is WVU that sells their info on CD to interested parties. Exec. Director, Ron Walton had no contact info to give me regarding who to contact at WVU to find out how much they charge.

Our Netware Engineer, Debbie Nosse, who is also employed by the Government of WV does not recommend producing or selling our database in a format that is easily duplicated, or re-sold. Ms. Nosse is also utilized by other WV State Licensing Boards for database creation and maintenance.

CASE DISCUSSION

Case 2001-01 (File has been reactivated due to his violating the Amended Order)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we sent him an Amended Order that included costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days is up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.)

Related Invoices Received to date:

Kenneth Blake, Hand Writing Analyst	400.00
Attorney General's Office	2516.50

Frankie Cayton told those present that no money had been received from David Lyle as of this date. Karen Thornton said that she had drafted a letter to him wherein she offers him the option of splitting the total amount due into payments and wanted to know if the Board Members could agree to that.

The Members of the Board unanimously agreed that Mr. Lyle's payment could be made in installments and that the letter that Ms. Thornton had drafted be mailed to Mr. Lyle.

As of this writing, he has not paid nor responded to our request for the amount he owes.

John DeBlasis made Motion that we send another Certified letter seeking an immediate response from him or we will legally pursue collection of this debt. Shirliabeth Wooton seconded the Motion. The Motion and the Second to the Motion passed by unanimous assent.

Case 2001-01 (New Information)

A second complaint has been filed against David Lyle which is numbered Case No. 2004-05. His response to that Complaint is also his response to this original Complaint wherein he justifies not only working during his suspension period, but also the non-payment of his fee.

The Members unanimously agreed that a second Statement of Charges should be created and mailed to Mr. Lyle. Kate Campbell of the Attorney General's Office agreed to create the appropriate paperwork. The Members were inclined to agree that there had now been reasonable cause to revoke his license. The Statement of Charges will include a Notice of Hearing - - that Hearing will most likely take place on the date of our next Board Meeting which will be November 3, 2004.

Case 2001-02 (Hearing took place on Oct. 10, 2001) Final Order was signed for at Kanawha Valley Physical Therapy by Cyndi Frye. A Motion to Stay Our Final Order was filed by Attorney, James McHugh and approved by the Court.

As it stands, Mr. Sorongon's license will be suspended for a period of 12 months and supervision will take place for 18 months. According to Mr. McHugh, Mr. Sorongon's supervision will be conducted by Ma Gracely Sorongon PT (who is Ferdinand's wife).

An Amended Final Order that includes an itemized list of administrative and procedural costs in the amount of \$14,402.46 was created.

The Amended Final Order was received on November 18, 2003. Mr. Sorongon has made two payments to the Board; one for \$3784.37 and a second one in the amount of \$6000.00.

A Final Order of Dismissal from Kanawha County Court was signed on November 19, 2003.

An appeal was made by Attorney McHugh on behalf of Mr. Sorongon requesting that the balance of money owed be split into payments and the time for payment be extended. The Members agreed to Mr. McHugh's request and Karen Thornton will send him a letter to that effect. (Additional monies have been received; with one installment left.)

5. Disciplinary Committee Report (Cont.)

Case 2001-02 (cont.)

It was discussed and decided that Mr. Sorongon practice should be monitored on a periodic basis during the supervisory period. Sally Oxley is to create a checklist for the monitor to utilize during visits. A monitor will be recruited to make on site visits. The monitor will be reimbursed mileage as well as \$250.00 per day while performing this service on behalf of the Board. Mr. Sorongon is to be contacted in writing in order to have him supply us with the names and addresses of each and every place wherein he is functioning as a Physical Therapist. (As of this writing that info has been supplied to us.) Also, all monies owed us have been paid in full.

The checklist has been created by Sally Oxley and approved by the Members of the Board. An on-site visit is being planning for the near future by John DeBlasis. Sally Oxley will sign a letter on Board Stationery which will identify John DeBlasis as representing the Board and also authorize him to make the on-site visit. The letter will stipulate that Mr. Sorongon is to cooperate fully with the on-site visit and inspection of employees' licenses and patient records. John will take with him a copy of the Final Order and the authorization letter.

Case 2002-03 - (Case Closed)

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 1:00 pm. The Respondent did agree to terms that have been documented in a Consent Decree. The Consent Decree was constructed by Darlene Ratliff-Thomas of the A.G.'s Office and has since been forwarded to the Respondent for her signature.

The Consent Decree was reviewed by those Members present. Shirliabeth Wooton made Motion that the Consent Decree be approved and signed by the Board Members. Elizabeth Meyer Seconded the Motion. The Motion passed unanimously with no Dissent.

The Consent Decree stipulated that administrative and procedural costs be reimbursed to the Board in the amount of \$536.10 which was received.

Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

(Cynthia Fox has been making progress and giving the office updates in this pursuit.)
The Members agreed that Kate Campbell would create a Statement of Charges and Notice of Hearing in this matter that would be forwarded to Ms. Gemlich and her Counsel.

Case 2004-01

We are in the investigative process in order to gather facts and information.
(Respondent has fired all parties involved with filing the original Complaint.)

The Members agreed that the Board does not have jurisdiction in regards to people getting fired as a result of filing a Complaint. It was decided that a letter be constructed by Frankie Cayton on behalf of the Disciplinary Committee with that information and sent to the Respondent in this Case. The whole file is to be copied and forwarded to the

General Discussion

Frankie Cayton asked about "requests for verifications" that we get on individuals who have an "open" disciplinary case file - - what is the status of those people and what do we tell other States or interested parties.

After some discussion, it was decided that the correct answer would be that the individual is in "good standing" prior to any formal determination being made as to guilt or innocence. It would be acceptable to report that there is an "open disciplinary case file" in regards to an "unresolved complaint"; and/or that there has been no determination made as to "probable or no probable cause".

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

The database is continually being perfected with changes and upgrades taking place.

B. Temporary help is being used on an hourly basis.

Consideration should be given to hiring the Temporary person, Vicki Maxwell, on a full-time basis. She has worked here three years as of June 2004.

If an Athletic Trainers Board is added next year, then we will need a fourth person - - not a third person.

There was no decision made at this meeting to hire a third full time person.

C. (Info. Re: Law Suit filed by Attorney Harvey Peyton in Kanawha County Court which raises the issue of State Agencies having their seat of government in Charleston. 6. Office Updates (cont.)

- D. The IRS has insisted that all temporary employees and Board Members participate in a payroll deduction plan. Effective, January 1, 2004, taxes will be taken out of Per Diem pay and pay earned by temporary contract employees. In the future, the Board Members and temporary help will not receive a 1099, but instead will receive a W-2 from the State.

(Per Diem & travel amounts are late due to implementing the new system and completing required paperwork - - WV-11's for new hires.)

This paperwork was completed on May 14, 2004, which enabled the Admin. to process Travel and Per Diem checks for the Board Members for the February and May meetings.

- E. WVFIMS is going to increase fees for processing paperwork. The estimated cost to our Board will be \$700.00 per quarter. The cost to process one transmittal (request for payment) is \$80.00.

(More and more emphasis is being placed on procuring supplies, services and products via the P-Card - - State of WV Visa Card in order to reduce and/or eliminate the amount of paperwork being processed.) P-Card audits are taking place quarterly.

3. Legislative Updates and Reports (cont.)

A. (cont.)

Sally Oxley agreed to make mention of the prospect of PT's and PTA's doing school visits in the upcoming Board Newsletter. (This was done.)

A Joint Resolution Committee is meeting in Charleston on Sunday, Nov. 7, 2004. A representative from our Board has been invited to attend. The Committee was formed at the close of the last Legislative Session to research the alleged shortage of PT's and Physical Therapy services in the southern part of WV.

After discussion it was decided that Cynthia Fox and/or Frankie Cayton would attend this Meeting.

B. Athletic Trainers Board (report/discussion)

John DeBlasis reported that the Sunrise application for Athletic Trainers is in an Interim Committee and that the Legislature will most likely begin addressing the issue sometime in October of this year. There is a Task Force Committee in place that communicates and stays abreast of all current developments concerning this issue. People comprising the Task Force are: John DeBlasis PT, ATC, Gina Brown PTA, ATC, Clark Vaughan PT, OCS, Lori Lovern Pt, OCS, Mia Erickson PT, CHT, ATC, EdD, and Eric Shaw PT.

John said the Task Force Committee is looking at several issues with the prospect of an Athletic Trainers Board being established: 1. should they be licensed (licensure will not change their employment opportunities); 2. if they are to be licensed - - then, who will license them; 3. and, should they be brought under the Physical Therapy Board.

John DeBlasis also related that the Athletic Trainers Association is neither large nor strong.

John DeBlasis reported that Interim Meetings were being held to discuss whether or not an Athletic Trainers Board was needed. The most recent of these meeting was held at Martinsburg. The Task Force is working closely with the Athletic Trainers in order to maintain a dialogue with them to discuss their plans and desires. It is believed that the Chiropractors in the State are going to oppose the idea of licensure for AT's even though the Athletic Trainers intend to pursue the issue during this next Legislative Session.

C. Rules and Regulatory Law.

(Nothing to report at this time)

4. Continuing Education Updates.

John DeBlasis and Elizabeth Meyer are reviewing course work. In the event that a third opinion is needed, Sally Oxley is contacted.

Approved courses are being added weekly to our Web Page which is currently under construction.

Question: When a facility (CAMC) contracts with a "for profit" company that provides Continuing Education, shouldn't the company request and pay for Board review of the Course to be offered? (For profit companies pay \$50.00 per course for review.) As it is, we don't charge facilities (CAMC) when they ask us to review a course that they are hosting. CAMC has been making the request for review on behalf of the "for profit" companies thereby circumventing paying the required fee.

It was discussed and agreed that the review of courses for a profit making company should be paid for. The company interested in presenting the course and desiring Board review/ approval, should submit the appropriate documentation to the office and pay the required fee as allowed by Law.

5. Disciplinary Committee Report. (Conference calls take place one time per month; in the month of a Bd. Mtg., they will take place the Tuesday prior.)

CASE DISCUSSION

Case 2001-01 (File has been reactivated due to his violating the Amended Order)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we sent him an Amended Order that included costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days was up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.) Nothing has been paid to this date.

(Other history concerning this Case appears in previous Minutes)

5. Disciplinary Committee Report (Cont.)

Case 2001-01 (New Information)

A second complaint has been filed against David Lyle which is numbered Case No. 2004-05. His response to that Complaint is also his response to this original Complaint wherein he justifies not only working during his suspension period, but also the non-payment of his fee.

The Members unanimously agreed that a second Statement of Charges should be created and mailed to Mr. Lyle. Kate Campbell of the Attorney General's Office agreed to create the appropriate paperwork. The Members were inclined to agree that there was now reasonable cause to revoke his license. The Statement of Charges will include a Notice of Hearing - - that Hearing will most likely take place on the date of our next Board Meeting which will be November 3, 2004.

The Hearing did take place this date. It began at approximately 10:30 am and lasted until approximately 12:00 noon. David Lyle appeared and represented himself. The Board was represented by Kate Campbell of the Attorney General's Office. Francis Camigliano, Court Reporter was present to record the proceedings. Members of the Board who are not on the Disciplinary Committee comprised the Jury.

Findings of Fact and Conclusions of Law are to be created and submitted to the Board Office by Mr. Lyle and Ms. Campbell. Ms. Camigliano will forward transcribed copies of the proceeding to Ms. Campbell, Mr. Lyle and the Board Office. Once the Findings of Fact and Conclusions of Law have been circulated to the Members of the Jury, then a Decision will be forthcoming as to whether or not Mr. Lyle's license to practice should be disciplined.

Case 2001-02 (Case Closed - Discipline in Force)

(Other history concerning this Case appears in previous Minutes)

It was discussed and decided that Mr. Sorongon practice should be monitored on a periodic basis during the supervisory period. Sally Oxley is to create a checklist for the monitor to utilize during visits. A monitor will be recruited to make on site visits. The monitor will be reimbursed mileage as well as \$250.00 per day while performing this service on behalf of the Board. Mr. Sorongon is to be contacted in writing in order to have him supply us with the names and addresses of each and every place wherein he is functioning as a Physical Therapist. (As of this writing that info has been supplied to us.) Also, all monies owed us have been paid in full.

The checklist has been created by Sally Oxley and approved by the Members of the Board. An on-site visit is being planning for the near future by John DeBlasis. Sally Oxley

signed a letter on Board Stationery which will identified John DeBlasis as representing the Board and also authorize him to make the on-site visit. The letter will stipulate that Mr. Sorongon is to cooperate fully with the on-site visit and inspection of employees' licenses and patient records. John will take with him a copy of the Final Order and the authorization letter.

John DeBlasis made the on site visit on September 16, 2004. His findings and documentation has been copied and forwarded to the Disciplinary Committee Members as well as Kate Campbell of the A.G.'s Office.

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... - - which is \$150.00 in addition to travel reimbursement - - 37.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

John DeBlasis said that the Board needs a recommendation from the Disciplinary Committee in regards to his findings from when he made the on site visit to Sorongon's place of business. There was even discussion that there could possibly be a need for a new Statement of Charges. Cynthia Fox and Don Sensabaugh as the two members of the Disciplinary Committee will review John's documentation and make a decision as how to proceed.

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. 9. Nancy Tonkin Letter

Nancy Tonkin who is the Executive Director of the WV PT Association had made a request that we provide her with specific answers to questions concerning the Law governing the practice of Physical Therapy. Her reason being was that she gets asked certain questions and she needs to know how to answer people when they come to her seeking help.

It was discussed and agreed that Ms. Tonkin needed to be told to refer all questions concerning the Law to the Board Office.

The committee members will be Cynthia Fox, Elizabeth Meyer, Shirliebeth Wooton, Mary Beth Mandich, and Leetha Zook. To facilitate ease of discussion, conference calls may be set up as necessary.)

It was the consensus of those present that the role of the Board should be to work with the Accredited PT and PTA school programs and to assure that those graduating students are Licensed. It was also agreed that a collaboration with the WV PT Association was feasible as long as the purpose was to works towards public protection.

3. Legislative Updates and Reports (cont.)

A. (cont.)

Sally Oxley agreed to make mention of the prospect of PT's and PTA's doing school visits in the upcoming Board Newsletter. (This was done.)

A Joint Resolution Committee is meeting in Charleston on Sunday, Nov. 7, 2004. A representative from our Board has been invited to attend. The Committee was formed at the close of the last Legislative Session to research the alleged shortage of PT's and Physical Therapy services in the southern part of WV.

After discussion it was decided that Cynthia Fox and/or Frankie Cayton would attend this Meeting.

Cynthia Fox did attend this meeting and described to those present what the experience was like. As it turned out, Rick Staton was not present due to illness. The PT profession was represented by educators, Association members and herself. Cynthia was afforded time to speak and to answer questions that were posed to her. Overall she felt that the meeting went well and got no indication from those on the Committee that their intent was to lower licensure standards and criteria for foreign-educated applicants. The Chair of the Committee is Roman Prezioso Senator from Fairmont, WV and the Co-Chair is Margarette Leach Delegate from Huntington, WV. There was no information regarding future meetings.

B. Athletic Trainers Board (report/discussion)

John DeBlasis reported that the Sunrise application for Athletic Trainers is in an Interim Committee and that the Legislature will most likely begin addressing the issue sometime in October of this year. There is a Task Force Committee in place that communicates and stays abreast of all current developments concerning this issue. People comprising the Task Force are: John DeBlasis PT, ATC, Gina Brown PTA, ATC, Clark Vaughan PT, OCS, Lori Lovern Pt, OCS, Mia Erickson PT, CHT, ATC, EdD, and Eric Shaw PT.

John said the Task Force Committee is looking at several issues with the prospect of an Athletic Trainers Board being established: 1. should they be licensed (licensure will not change their employment opportunities); 2. if they are to be licensed - - then, who will license them; 3. and, should they be brought under the Physical Therapy Board.

John DeBlasis also related that the Athletic Trainers Association is neither large nor strong.

John DeBlasis reported that Interim Meetings were being held to discuss whether or not an Athletic Trainers Board was needed. The most recent of these meeting was held at Martinsburg. The Task Force is working closely with the Athletic Trainers in order to maintain a dialogue with them to discuss their plans and desires. It is believed that

B. Athletic Trainers Board (report/discussion) (cont.)

the Chiropractors in the State are going to oppose the idea of licensure for AT's even though the Athletic Trainers intend to pursue the issue during this next Legislative Session.

*** According to John DeBlasis, S.B. 174 is going to be introduced on Monday, February 21st. If passed, this Bill would establish the creation of an Athletic Trainers Board in the State. The progression of the Bill will be monitored.

C. Rules and Regulatory Law.

(Nothing to report at this time)

4. Continuing Education Updates.

John DeBlasis and Elizabeth Meyer are reviewing course work. In the event that a third opinion is needed, Sally Oxley is contacted.

Approved courses are being added weekly to our Web Page which is currently under construction.

Question: When a facility (CAMC) contracts with a "for profit" company that provides Continuing Education, shouldn't the company request and pay for Board review of the Course to be offered? (For profit companies pay \$50.00 per course for review.) As it is, we don't charge facilities (CAMC) when they ask us to review a course that they are hosting. CAMC has been making the request for review on behalf of the "for profit" companies thereby circumventing paying the required fee.

It was discussed and agreed that the review of courses for a profit making company should be paid for. The company interested in presenting the course and desiring Board review/ approval, should submit the appropriate documentation to the office and pay the required fee as allowed by Law.

*** The Random Audit was run. Thirty-three (33) persons contacted have sent in their Proof of Compliance with our requirement to obtain 10 Contact Hrs. of Continuing Education for the calendar year of 2004.

5. Disciplinary Committee Report. (Conference calls take place one time per month; in the month of a Bd. Mtg., they will take place the Tuesday prior.)

CASE DISCUSSION

Case 2001-01 (File has been reactivated due to his violating the Amended Order)

The Statement of Charges was signed by the Jury Members on May 14, 2003. The paperwork was forwarded to David Lyle via Certified Mail which he signed for on May 21, 2003.

The original Statement of Charges neglected to say that he is responsible for reimbursing the Board for "administrative and procedural costs"; although according to Law we are permitted to do so. Therefore, we sent him an Amended Order that included costs.

Karen Thornton of the A.G.'s Office said that she would do an Amended Order that would include costs. Upon the Respondent's receipt of said Amended Order, he would then have sixty (60) days to remit the requested funds. (Respondent signed for the Amended Order on Dec. 19, 2003; the sixty days was up on Feb. 20, 2004. The total amount of the costs owed to the Board is \$8,337.72.) Nothing has been paid to this date.

(Other history concerning this Case appears in previous Minutes)

(New Information)

A second complaint has been filed against David Lyle which is numbered Case No. 2004-05. His response to that Complaint is also his response to this original Complaint wherein he justifies not only working during his suspension period, but also the non-payment of his fee.

The Members unanimously agreed that a second Statement of Charges should be created and mailed to Mr. Lyle. Kate Campbell of the Attorney General's Office agreed to create the appropriate paperwork. The Members were inclined to agree that there was now reasonable cause to revoke his license. The Statement of Charges will include a Notice of Hearing - - that Hearing will most likely take place on the date of our next Board Meeting which will be November 3, 2004.

The Hearing did take place this date. It began at approximately 10:30 am and lasted until approximately 12:00 noon. David Lyle appeared and represented himself. The Board was represented by Kate Campbell of the Attorney General's Office. Francis Camigliano, Court Reporter was present to record the proceedings. Members of the Board who are not on the Disciplinary Committee comprised the Jury.

5. Disciplinary Committee Report. (Cont.)

Case 2001-01 (cont.)

Findings of Fact and Conclusions of Law are to be created and submitted to the Board Office by Mr. Lyle and Ms. Campbell. Ms. Camigliano will forward transcribed copies of the proceeding to Ms. Campbell, Mr. Lyle and the Board Office. Once the Findings of Fact and Conclusions of Law have been circulated to the Members of the Jury, then a Decision will be forthcoming as to whether or not Mr. Lyle's license to practice should be disciplined.

*** Findings of Fact and Conclusions of Law compiled by Kate Campbell of the A.G.'s Office and by David Lyle PTA Respondent were circulated to the Members of the Jury. After some review and brief discussion, Elizabeth Meyer made Motion to adopt the Findings of Fact and Conclusions of Law as compiled by Kate Campbell of the A. G.'s Office and Revoke David Lyle's PTA License in the State of WV. John DeBlasis seconded the Motion. The Motion carried unanimously. (Cynthia Fox abstained from voting being as she is Chair of the Disciplinary Committee.)

Kate Campbell of the A.G.'s Office said that she would do the necessary paperwork and forward it to us for the Board Chair to sign.

Case 2001-02 (Case Closed - Discipline in Force)

(Other history concerning this Case appears in previous Minutes)

It was discussed and decided that Mr. Sorongon practice should be monitored on a periodic basis during the supervisory period. Sally Oxley is to create a checklist for the monitor to utilize during visits. A monitor will be recruited to make on site visits. The monitor will be reimbursed mileage as well as \$250.00 per day while performing this service on behalf of the Board. Mr. Sorongon is to be contacted in writing in order to have him supply us with the names and addresses of each and every place wherein he is functioning as a Physical Therapist. (As of this writing that info has been supplied to us.) Also, all monies owed us have been paid in full.

The checklist has been created by Sally Oxley and approved by the Members of the Board. An on-site visit is being planning for the near future by John DeBlasis. Sally Oxley

signed a letter on Board Stationery which will identified John DeBlasis as representing the Board and also authorize him to make the on-site visit. The letter will stipulate that Mr. Sorongon is to cooperate fully with the on-site visit and inspection of employees' licenses and patient records. John will take with him a copy of the Final Order and the authorization letter.

John DeBlasis made the on site visit on September 16, 2004. His findings and documentation

5. Disciplinary Committee Report (Cont.)

Case 2001-02 (cont.)

have been copied and forwarded to the Disciplinary Committee Members as well as Kate Campbell of the A.G.'s Office.

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... - - which is \$150.00 in addition to travel reimbursement - - 37.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

John DeBlasis said that the Board needs a recommendation from the Disciplinary Committee in regards to his findings from when he made the on site visit to Sorongon's place of business. There was even discussion that there could possibly be a need for a new Statement of Charges. Cynthia Fox and Don Sensabaugh as the two members of the Disciplinary Committee will review John's documentation and make a decision as how to proceed.

*** Kate Campbell told the Members that this Case file was one of the ones that had been kept by Karen Thornton who formerly represented us in legal matters. Ms. Campbell suggested that Cynthia Fox email Karen with the information regarding John DeBlasis' findings and get her input on how it would be best to proceed.

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

5. Disciplinary Committee Report (Cont.)

Case 2002-04

(Cynthia Fox has been making progress and giving the office updates in this pursuit.)
The Members agreed that Kate Campbell would create a Statement of Charges and Notice of Hearing in this matter that would be forwarded to Ms. Gemlich and her Counsel.

Statement of Charges and Notice of Hearing will be signed at this Board Meeting. (Date in February 2005 needs to be set.)

*** The Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

*** Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

It was generally decided that at some point clarification in the wording of the two Laws could be better explained with roles and supervision being more clearly specified.

General Discussion

Frankie Cayton inquired in regards to what action (if any) should be taken against a licensee who had been disciplined in another State; and what was this office to report on a verification for a licensee who had been disciplined in another State - - but was in good standing in WV.

Kate Campbell said that there was no action necessary to be taken against a licensee who had been disciplined in another State. She also suggested that when we do verifications on such an individual that we include a statement on the verification form stating that the interested party might want to check with the HIPDB (Health Integrity Professional Data Base) where all disciplinary actions taken against licensees are reported and recorded.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

Frankie Cayton told the Members that her goal for this next calendar year was to go to on line renewals via the new Web Site for licensees. In order to precipitate this endeavor, the data base would be upgraded to Microsoft Access.

It is also the goal of the office to create a program that would be computerized to track and record Continuing Education courses along. The program would also incorporate a mechanism whereby those that are approved could be categorized separately from those that were rejected. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

B. Temporary help is being used on an hourly basis.

We need to hire Vicki Maxwell effective June 1, 2005. Her other part time job with Gear Up in Doddridge County School System will be over as funding is no longer going to be provided for the program.

She will have been here five years as of June. We are working her four days per week when her schedule permits. We are to the place now that she cannot keep up with the assigned work that is given her. This office has always been short one full time staff person.

If an Athletic Trainers Board is added this year, then we will need a fourth person - - not a third person.

Frankie Cayton once again made an appeal to the Members in regards to permanently hiring Ms. Maxwell based on the on-going increased workload in the office. Ms. Maxwell's demeanor and work ethic are perfectly suited for this job. She has proven herself to be not only responsible and motivated; but also invaluable to the efficiency of the office and its systems. The balance in the Board's account is consistently above \$100,000 per quarter. To add a third person might take about \$25,000 more per year. Ms. Maxwell would be a State Employee entitled to benefits.

The Members discussed the issue after asking Ms. Cayton to leave the room. Upon returning, she was told that the Board Chair, Sally Oxley would like to meet with Vicki at the next scheduled Board Meeting which is to take place May 4, 2005. Ms. Cayton was also instructed to draw up a sample salary with the necessary deductions in order that those figures could be reviewed and discussed. A decision will be forthcoming at the May Meeting.

6. Office Updates. (Cont.)

C. (Info. Re: Law Suit filed by Attorney Harvey Peyton in Kanawha County Court which raises the issue of State Agencies having their seat of government in Charleston. Kelli Talbott of the Attorney General's Office is closely monitoring the suit and that her office would keep us apprized of any new developments.)

(Additional papers have been served on other "outlying Agencies/Boards)

Kate Campbell shared with those present at the November 3rd, 2004 meeting that Judge Berger refused to hear this Case; therefore, the Lottery Commission has to stay in Charleston, WV. No other Boards were enjoined in this Law Suit.

*** Kate Campbell said that this issue is CLOSED.

D. We are going to contract with a person who creates "State of WV" Web Sites. His name is Matthew Thornton and he lives here locally. The site will be a CMS site which will allow us to add and delete information as necessary. The wall paper background of the site will consist of WV State Logo and scenes. Initial cost to switch over will be around \$3500.

We will then work towards having licenses renewed on line (additional cost will be approx. \$1000 to \$3000 depending on how advanced we make it). A link into the Treasurer of State's accounting section will be necessary. (Target date to have this completed will be next year for renewal season.)

You may want to see what he has done for the WV Licensing Board Association. You can access their Web Page at www.wvlicensingboards.com

Then compare that to what our site looks like: www.wvbopt.com

*** The Web Site has been created and is awesome. The temporary site name (for viewing purposes only) is: www.matthew-thornton.com/wvbopt

A Motion was made by John DeBlasis to endorse and move forward with Items A. and D. regarding the conversion of the licensure database to Microsoft Access; as well as making the necessary improvements to our Web Site to facilitate on line renewals. Cynthia Fox seconded the Motion. The Motion carried unanimously.

The Members agreed that this would be a good idea and that Ms. Cayton should contact the Association to see if they had anyone who would be willing to write such an article.

(NEW BUSINESS)

8. Ms. Cayton distributed two copies of a Course Work Evaluation Tool to be reviewed and discussed by the Members at the next Board Meeting. 5. Disciplinary Committee Report. (Cont.)

Case 2001-01 (cont.)

Findings of Fact and Conclusions of Law compiled by Kate Campbell of the A.G.'s Office and by David Lyle PTA Respondent were circulated to the Members of the Jury. After some review and brief discussion, Elizabeth Meyer made Motion to adopt the Findings of Fact and Conclusions of Law as compiled by Kate Campbell of the A. G.'s Office and Revoke David Lyle's PTA License in the State of WV. John DeBlasis seconded the Motion. The Motion carried unanimously. (Cynthia Fox abstained from voting being as she is Chair of the Disciplinary Committee.)

Kate Campbell of the A.G.'s Office said that she would do the necessary paperwork and forward it to us for the Board Chair to sign. (This was done.)

David Lyle sent a personal letter into the Board Office saying that he is going to appeal the Board's Decision. (Kate Campbell says that he was suppose to file his appeal with a Circuit Court by April 25, 2005. She is going to write to him and inform him of his error.)

Kate Campbell of the A.G.'s Office will draft a letter for Frankie's signature informing Mr. Lyle of his error of not filing with the Circuit Court; and also apprise him of the cost involved to make his requested copies of file material.

It was decided by the Members that Mr. Lyle's license revocation would be published in the Board Newsletter.

The Members also inquired of Kate Campbell as to whether or not Mr. Lyle could at some point in the future, reapply for his PTA License. Kate said that she would research wording of the Law and get back to Board.

Case 2001-02 (Case Closed - Discipline in Force)

(Other history concerning this Case appears in previous Minutes)

John DeBlasis made an on site visit on September 16, 2004. His findings and documentation have been copied and forwarded to the Disciplinary Committee Members as well as Kate Campbell of the A.G.'s Office.

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... - - which is \$150.00 in addition to travel reimbursement - - 40.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

5. Disciplinary Committee Report (Cont.)

Case 2001-02 (cont.)

John DeBlasis said that the Board needs a recommendation from the Disciplinary Committee in regards to his findings from when he made the on site visit to Sorongon's place of business. There was even discussion that there could possibly be a need for a new Statement of Charges. Cynthia Fox and Don Sensabaugh as the two members of the Disciplinary Committee will review John's documentation and make a decision as how to proceed.

Kate Campbell told the Members that this Case file was one of the ones that had been kept by Karen Thornton who formerly represented us in legal matters. Ms. Campbell suggested that Cynthia Fox email Karen with the information regarding John DeBlasis' findings and get her input on how it would be best to proceed.

A letter was written to Mr. Sorongon which documented the findings from John DeBlasis' on-site visit. (This was previously circulated to the Members.)

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

A second Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

5. Disciplinary Committee Report (Cont.)

Case 2002-04

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

It was generally decided that at some point clarification in the wording of the two Laws could be better explained with roles and supervision being more clearly specified.

Kate Campbell of the A.G.'s Office drafted another Consent Decree for Mr. Galeota's review. He rejected some of the wording as his recollection of what was agreed upon from our previous Informal Hearing differed from the Disciplinary Committee's recollection. His recollection also differed from the Notes that were taken of the meeting by F. Cayton.

A conference call was held on Monday, April 25th among Kate Campbell, Cynthia Fox, Don Sensabaugh, William Galeota, Jane Gemlich and Frankie Cayton. (We were on the phone for one hour and 45 minutes.)

A second conference call will be scheduled for Tuesday, May 10th at 10:00 am.

The Members unanimously agreed that the wording in a Consent Decree needed to be agreed upon during this upcoming conference call.

Case No. 2005-02

This is a new case file and we are in the processing of gathering written statements from the parties involved. (Cynthia Fox is ready to Close this Case once she gets agreement from another Member of the Disciplinary Committee.)

The Disciplinary Committee agreed that there was No Probable Cause in this matter and that both the Complainant and the Respondent should be notified in writing.

General Discussion

Discussion was briefly held in regards to the role of an Athletic Trainer in a Physical Therapy setting. This is an issue that will be discussed further in the future.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

Frankie Cayton told the Members that her goal for this next calendar year was to go to on line renewals via the new Web Site for licensees. In order to precipitate this endeavor, the data base would be upgraded to Microsoft Access.

It is also the goal of the office to create a program that would be computerized to track and record Continuing Education courses along. The program would also incorporate a mechanism whereby those that are approved could be categorized separately from those that were rejected. We are currently spending three (3) manpower days in the office receiving, sorting, organizing, disseminating, documenting, and filing CE materials.

B. We are contracting with a person who creates "State of WV" Web Sites. His name is Matthew Thornton and he lives here locally. The site will be a CMS site which will allow us to add and delete information as necessary. The wall paper background of the site will consist of WV State Logo and scenes. Initial cost to switch over will be around \$3500.

We will then work towards having licenses renewed on line (additional cost will be approx. \$1000 to \$3000 depending on how advanced we make it). A link into the Treasurer of State's accounting section will be necessary. (Target date to have this completed will be next year for renewal season.)

You may want to see what he has done for the WV Licensing Board Association. You can access their Web Page at www.wvlicensingboards.com

Our Web Site has been created and converted. The address is: www.wvbopt.com

C. Temporary help is being used on an hourly basis.

We need to hire Vicki Maxwell effective June 1, 2005. Her other part time job with Gear Up in Doddridge County School System will be over as funding is no longer going to be provided for the program.

She will have been here five years as of June. We are working her four days per week when her schedule permits. We are to the place now that she cannot keep up with the assigned work that is given her. This office has always been short one full time staff person.

6. Office Updates. (Cont.)

Position for Vicki Maxwell.

Elizabeth Meyer made Motion that the Board hire Vicki Maxwell effective June 1, 2005. The Motion was seconded by Cynthia Fox and was approved unanimously.

D. Performance Appraisals

After Performance Appraisals were reviewed and discussed, John DeBlasis made Motion that Frankie Cayton and Conda Mace each receive a 3% increase. The Motion was seconded by John Williams and was approved unanimously.

*** 9. Sandra Hewitt - Question

On March 30th, we received a phone call from Ms. Hewitt. She asked the following question:

"In the PT scope of practice, is a PT allowed to pop a shoulder back into place without an xray being performed and without the patient's permission...?"

An immediate answer was insisted upon. After contacting both Sally Oxley (who was not available), I then contacted John DeBlasis who provided an answer.

It was unanimously decided by the Members that all questions pertaining to matters of the Law or PT practice should be requested to come into the office in writing - - either by mail, fax or email. This was officially adopted as the Board's position and Policy regarding such questions should they arise in the future.

CASE DISCUSSION

Case 2001-01 (CASE CLOSED)

(History concerning this Case appears in previous Minutes)

(New Information)

A second complaint was filed against David Lyle which is numbered **Case No. 2004-05.**

The revocation of Mr. Lyles' WV PTA License was published in the Board's News Letter.

*** The Members had inquired of Kate Campbell as to whether or not Mr. Lyle could at some point in the future, reapply for his PTA License. Kate said that she would research wording of the Law and get back to Board.

(The Board has not heard back from Kate Campbell as of this meeting.)

The Members decided that in future Cases that language should be added concerning the waiting period that would be necessary before a Licensee with a "Revoked License" could reapply. (If David Lyle should attempt to reapply at some point in the future, he would be required to pay all outstanding costs associated with the dissolution of his Case.)

5. Disciplinary Committee Report. (Cont.)

Case 2001-02 (Case Closed - Discipline in Force) Check date in Sept. 2005 when supervision is to cease. (September 3, 2005.)

(Other history concerning this Case appears in previous Minutes)

(Information - any Board Member acting as "investigator" for the Board can only receive the per diem amount for each day utilized in on site visits, etc... - - which is \$150.00 in addition to travel reimbursement - - 40.5 cents per mile. The State will not reimburse for meals on a one day trip and they will not pay the \$250.00 per day amount as previously discussed and agreed upon.)

Case 2002-04

The Respondent was contacted and agreed to meet with the Members of the Disciplinary Committee prior to the May 12th Bd. Mtg.

The informal hearing was held at the office address on April 6, 2004 at 2:30 pm. The Respondent appeared with an Attorney. Respondent's Attorney has drafted two different Consent Decrees which the Disciplinary Committee Members are reviewing. Upon review the documents will then be forwarded to the Bd. Members in order that one may be chosen.

It was unanimously decided that the Board could not enter into a Consent Decree at this time based on a recent anonymous Complaint that had been filed with the Board. Cynthia Fox said that she would attempt to contact the person who filed the Complaint as well as the patient who was referred to in the body of the Complaint in order that we could proceed with the investigatory process.

A second Statement of Charges was created and mailed giving Notice that the Hearing would take place on February 16, 2005. The Respondent had the option of meeting for an Informal Hearing on Wednesday, January 19, 2005, which they agreed to.

5. Disciplinary Committee Report (Cont.)

Case 2002-04

The weather was extremely bad this date. Kate Campbell had to conference in by phone. Don Sensabaugh was involved in another matter that prevented him from attending. Cynthia Fox came as did Jane Gemlich and her Attorney, William Galeota.

A Draft of the Consent Decree has been created and will be forwarded to Mr. Galeota for his response. The Members of the Board will also have to review and approve it prior to it being signed and enacted. (Review may happen at this meeting.)

Discussion was held in regards to wording in the Regulatory Law as compared to wording in the Statutory Law concerning differentiating between Physical Therapist Assistants, PT Aides and Other Assistive Personnel.

It was generally decided that at some point clarification in the wording of the two Laws could be better explained with roles and supervision being more clearly specified.

Kate Campbell of the A.G.'s Office drafted another Consent Decree for Mr. Galeota's review. He rejected some of the wording as his recollection of what was agreed upon from our previous Informal Hearing differed from the Disciplinary Committee's recollection. His recollection also differed from the Notes that were taken of the meeting by F. Cayton.

A conference call was held on Monday, April 25th among Kate Campbell, Cynthia Fox, Don Sensabaugh, William Galeota, Jane Gemlich and Frankie Cayton. (We were on the phone for one hour and 45 minutes.)

A second conference call will be scheduled for Tuesday, May 10th at 10:00 am. The Members unanimously agreed that the wording in a Consent Decree needed to be agreed upon during this upcoming conference call.

*** The conference call was held. Those participating agreed that the new Consent Decree would only be acceptable if the wording stating that we would not publish the outcome of the Case be omitted.

The Board's Decision was presented to Mr. Galeota and Ms. Gemlich which prompted Mr. Galeota to write a letter objecting to the publishing of the outcome of the Case in the Board News Letter. As a result of his refusal to accept our most recent offer, the Members then communicated with one another regarding acquiescing to their request - - and once again agreeing not to publish the outcome of the Case in the Board News Letter. The new Consent Decree will be drawn up with new cover letter once a quorum of the Members agree to this latest proposal

The Consent Decree was agreed to and signed this date.

5. Disciplinary Committee Report (Cont.)

Case 2004-05 (CASE CLOSED) (this Case is cross referenced with Case No. 2001-01)

Case No. 2004-07

This is a new case file and we are in the processing of gathering written statements from the parties involved.

The Disciplinary Committee said that they anticipate being able to enter into a Consent Decree with the Respondent in this Case.

It was discussed and decided that the Case File should be duplicated and given to Darlene Ratliff-Thomas who would then review it and construct a Consent Decree with potential Discipline outcomes. The Disciplinary Committee would confer and/or review the wording as constructed by Ms. Thomas. If approved, the Consent Decree would then be forwarded to the Respondent for his signature. In the event that the Respondent would not cooperate and sign, then the Respondent would have the opportunity to request an Informal Meeting.

Case No. 2005-01 (CASE CLOSED)

Case No. 2005-02 (CASE CLOSED)

General Discussion

Discussion was held in regards to the types of documentation that could take place at an Informal Meeting. The idea of always having it recorded or always having a court reporter present was ruled out. The majority along with the representative of the Attorney General's Office felt that taking accurate notes would suffice. It was felt and agreed that if a situation arose that would justify a more formal form of documentation, then a recording or a court reporter would be utilized.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

8. **Eric Shaw PT** representing the **WV PT Association** will be sharing his concerns regarding the conflict in terminology and practice (WV PT Law vs. WV Chiropractic Law).

Eric Shaw PT current President of the WV PT Association was present and discussed his concerns about the inconsistent and contradictory language as it appears in our Law versus the Chiropractor's Law regarding who can perform Physical Therapy modalities.

It was generally discussed and decided that our goal and mission would not be to restrict Chiropractic Practice; however, the Chiropractors should not be allowed to use terms that infer that they do Physical Therapy. It was agreed by those present that there is contradictory language in the two Laws.

It was also discussed that Members of both the PT Association and the Board should get together and strategically plan to change wording in the PT Law prior to Sunset in 2009.

(INFORMATION)

10. Ms. Cayton distributed two copies of a Course Work Evaluation Tool to be reviewed and discussed by the Members at the May 2005 Board Meeting. One is the current Tool being utilized by our Board-approved credentialing agency and the other is the Federation of State Boards Of Physical Therapy's 4th Edition that was approved by the Delegate Assembly in September 2004.

(Discussion was held as to whether to retain the current Tool or adopt the new Federation Tool)

After review and discussion, the Members decided that a little more information was needed in order to make an informed decision

The previous versions of the recommended FSBPT Course Work Evaluation Tools were created to measure the equivalency of the foreign educated person against our U.S., B.S. Degree graduates. However, effective January 1, 2003, there were no more B.S. Degree granting Programs in the U.S.; they all went to Masters Entry Level Degrees. So, the FSBPT 4th Edition Course Work Tool measures the equivalency of the foreign educated person to a person graduating from a U.S. PT Program possessing a Masters Degree (not a DPT Degree).

In order to maintain accreditation, all PT Programs had to convert to a post baccalaureate degree by 01/01/2003. This means that the last B.S. Degrees would have to have been issued by 12/31/2002. The 4th Edition FSBPT Course Work Eval. Tool reflects this change.

(Copy of the FSBPT Board liaison letter - - via email from Ann Tyminski, Exec. Director of the Maryland Board of PT - - attached for your review. This was previously emailed to the WV BOPT Board Members on approximately July 7, 2005.)

Shirliabeth Wooton made Motion that our Board adopt the 4th Edition Version of the FSBPT Course Work Eval. Tool. Don Sensabaugh seconded the Motion and it passed by acclamation.

His License was **Suspended** until **December 31, 2003**; and he was invoiced for administrative and procedural costs in the amount of **\$8,337.72**)
(CLOSED)

(It was later learned and reported to the Board that Mr. Lyle violated the provisions of the Final Order by working during his Suspension period. A second Case File was created - **Case 2004-05** - - A second Hearing was held November 3, 2004. Based on a Decision of the Jury, Mr. Lyle's Physical Therapist Assistant License in the State of WV was **Revoked** effective **February 16, 2005.**)

A Final Order was put into place which **Suspended** Mr. Sorongon's License for a period of 18 months with an 18-month supervisory period to follow.
