September 15, 2016

The Honorable Earl Ray Tomblin
Governor of West Virginia
State Capitol, Building 1
Charleston, WV 25305

Dear Governor Tomblin,

The West Virginia Board of Physical Therapy is pleased to provide you with our report of the biennium covering activities during the period between July 1, 2014 and June 30, 2016

The mission of our board is to promote and protect the public health, safety, and welfare through the examination, licensure, and regulation of physical therapists and physical therapist assistants. Also, through requiring athletic trainers to register with our board, we also are protecting the title of athletic trainers.

Physical therapist and physical therapist assistant applicants are licensed by endorsement or by exam (NPTE). Athletic trainer applicants are registered by endorsement or new registrant and are required to BOC certified. License and registration renewals are biennial. Physical therapist and physical therapist assistant can renew online or by mail and athletic trainers can renew by mail.

FSBPT

The Federation of State Boards of Physical Therapy develops and administers the National Physical Therapy Examination (NPTE) for both physical therapists and physical therapist assistants in 53 jurisdictions (the 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands.) These exams assess the basic entry-level competence for first time licensure or registration as a PT or PTA within the 53 jurisdictions.

CE REQUIREMENTS

The board monitors licensed physical therapist and physical therapist assistant's compliance with continuing education requirements. Effective June 16, 2011, the licensee is required to have 24 WV board approved CE hours per licensing period. The board conducts a random 10% annual audit each year. The board decreased their fees by 70% for individual CE course review from \$50.00 to \$15.00 effective June 1, 2015.

Because the athletic trainers do not have a scope of practice, their CE's are not monitored by our board. We require athletic trainers to follow BOC continuing education guidelines.

PT/PTA Renewal Fees

Effective June 1, 2015 the board decreased license renewal fees for both PT's and PTA's; PT renewals went from \$120.00 to \$100.00 and PTA renewals went from \$80.00 to \$60.00. To offset this decrease the board is working to reduce its expenditures.
