Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Braxton County Senior Citizens Center, Inc.'s internal control over financial reporting and compliance.

FOR THE YEAR ENDED SEPTEMBER 30, 2014

Note 1. Summary of Significant Accounting Policies

Braxton County Senior Citizens Center, Inc. is a nonprofit organization whose purpose is to improve the quality of life for senior citizens in Braxton County, West Virginia. The purpose of the Organization is to study and document the needs of the seniors, to encourage, promote and aid in the establishment of programs for the seniors, to conduct programs of public education on the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is implementing.

This summary of significant accounting policies of the Braxton County Senior Citizens Center, Inc. is presented to assist in understanding the Organization's financial statements. The financial statements and notes are the representation of the management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management must make estimates based on future events that effect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

Grants Receivable

Contributions/grants are recognized when the donor/grantor makes a promise to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor/grantor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor/grantor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets. The Organization uses the allowance method to determine uncollectible contributions/grants receivable. As of September 30, 2014, all grants receivable are deemed collectible.

Accounts Receivable

Accounts receivable represent amounts owed the Organization for services it provided under the West Virginia Department of Health and Human Resources – Medicaid Waiver and Community Care Programs. In addition, the Organization uses the allowance method for accounting for bad debts whereby an allowance for doubtful accounts is established based on the realization of the accounts receivable at year end. As of September 30, 2014, the allowance for doubtful accounts is \$30,171.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Braxton County Senior Citizens Center, Inc.
Sutton, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Braxton County Senior Citizens Center, Inc. a nonprofit organization), which comprise the statement of financial position as of September 30, 2014, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 25, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Braxton County Senior Citizens Center, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Braxton County Senior Citizens Center, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

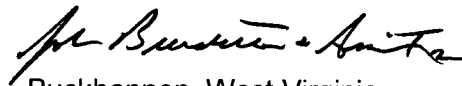

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Braxton County Senior Citizens Center, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of Braxton County Senior Citizens Center, Inc. in a separate letter dated June 25, 2015

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

However, during our audit we became aware of some matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. A separate letter on pages 17 and 18 dated June 25, 2015 contains our communication of significant deficiencies or material weaknesses in the Organization's internal control. This letter does not affect our report dated June 25, 2015, on the financial statements of Braxton County Senior Citizens Center, Inc.

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various Organization personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Organizational Structure

The size of the Organization's accounting and administrative staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties. This situation dictates that the Board of Directors remain involved in the financial affairs of the Organization to provide oversight and independent review functions.

We wish to thank the Executive Director and her staff for their support and assistance during our audit.

This report is intended solely for the information and use of management, Board of Directors, and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.
