INDEPENDENT AUDITORS' REPORT

Board of Directors PRIDE Community Services, Inc. Logan, West Virginia

We have audited the accompanying statements of financial position of PRIDE Community Services, Inc. (PRIDE), as of December 31, 2010, and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of PRIDE's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PRIDE's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PRIDE as of December 31, 2010, and 2009 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 26, 2011 on our consideration of PRIDE's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Support, Revenue and Expenditures, Summary Schedule of State Awards, and Schedules of Grant Support, Revenue and Expenditures Compared to Grant Budget are presented for purposes of additional analysis. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations.* These schedules are not a required part of the December 31, 2010 basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the 2010 basic financial statements taken as a whole

NOTE 1 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS - PRIDE Community Services, Inc. (PRIDE) is a nonprofit community action agency located in Logan, West Virginia created to provide services to low income individuals, families and the elderly in Logan County, West Virginia. The organization is funded primarily through grants and other agreements with the federal and state government.

UNRESTRICTED NET ASSETS - Unrestricted net assets are comprised of funds whose use is limited only to the extent that the organization's by-laws limit the activities of the organization. Contributions with donor-imposed restrictions that are met in the same year in which the contribution is recognized are reported as changes in unrestricted net assets.

USE OF ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

REVENUE RECOGNITION - Contributions and grants with donor imposed conditions are reported as revenue when qualifying expenses have been incurred or other conditions have been met. Cash received but not yet expended for these conditional grants is recorded as refundable advances. Use of this cash is restricted to the purposes of the grant contribution. Unrestricted grants and contributions are recorded as revenue in the period received.

PROPERTY AND EQUIPMENT - As of January 1, 2010, property and equipment with a cost of \$5,000 or more are capitalized at cost and depreciated over the estimated useful lives of the assets. Useful lives are 30 to 39 years for buildings, and 4 to 5 years for office equipment and vehicles. Prior to this, property and equipment with a cost of \$1,000 or more were capitalized. Items which were capitalized in prior years were not removed.

CONTRIBUTED SERVICES AND SPACE - Contributions of services are recognized if the services received create or enhance nonfinancial assets, or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. Contributed services which are recognized are valued at the estimated cost that would be been incurred by PRIDE to purchase similar services. Donated space is valued at the estimated fair rental value.

NOTE 1 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

CONTRIBUTIONS - Contribution income is recognized in the period in which PRIDE received restricted or unrestricted assets or unconditional promises of future donation. Contribution income shall be classified as increases in unrestricted, temporarily restricted or permanently restricted net assets based on the existence or absence of such restrictions. Unconditional promises to give that are to be collected within one year shall be recorded at fair value, less any reserve for uncollectable promises, as estimated by management. Unconditional promises to give that are collectible in excess of one year shall be recorded at their discounted net present value and recorded up to the date

INCOME TAXES - PRIDE is a nonprofit corporation classified under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes derived from its nonprofit activities. For the year ended December 31, 2010, management believes that PRIDE has no material uncertain tax positions to be accounted for in the financial statements. As of December 31, 2010, tax years ending on or after December 31, 2007 remain subject to examination.

CASH AND CASH EQUIVALENTS - For purposes of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents.

INVENTORY - Inventory is considered immaterial and, therefore, is charged to expense in the period during which it is purchased instead of being recognized as an asset and being expensed as it is used.

ADVERTISING COSTS - Advertising costs are expensed as incurred.

RECLASSIFICATIONS - Certain amounts in the 2009 financial statements have been reclassified to conform with the 2010 presentation. Such reclassifications had no effect on net assets or the change in net assets.

SUBSEQUENT EVENTS - In preparing these financial statements, PRIDE has evaluated events and transactions for potential recognition or disclosure through August 26, 2011, the date the financial statements were issued.

NOTE 2 -- CASH AND CASH EQUIVALENTS

Federal Deposit Insurance Corporation (FDIC) coverage is \$250,000. PRIDE maintains the cash balance in their account below this amount at all times. Therefore, the balance in PRIDE's accounts at December 31, 2010 and 2009 were fully FDIC insured.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors PRIDE Community Services, Inc. Logan, West Virginia

We have audited the financial statements of PRIDE Community Services, Inc. (PRIDE) as of and for the year ended December 31, 2010, and have issued our report thereon dated August 26, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered PRIDE's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PRIDE's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of PRIDE's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether PRIDE's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* which are described in the accompanying *Schedule of Findings and Questioned Costs* as item 2010-01.

PRIDE's response to the finding identified in our audit is described in the accompanying *Schedule of Findings and Questioned Costs*. We did not audit PRIDE's response and, accordingly, we express no opinion on it.

We noted certain other matters that we have reported to management of PRIDE in a separate letter dated August 26, 2011.

This report is intended solely for the information and use of the Board of Directors, management, federal awarding agencies, pass through entities, and other grantor agencies and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO THE MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors PRIDE Community Services, Inc. Logan, West Virginia

Compliance

We have audited the compliance of PRIDE Community Services, Inc. (PRIDE) with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2010. PRIDE's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of PRIDE's management. Our responsibility is to express an opinion on PRIDE's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about PRIDE's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on PRIDE's compliance with those requirements.

In our opinion, PRIDE complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2010. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying *Schedule of Findings and Questioned Costs* as item 2010-01.

Internal Control Over Compliance

Management of PRIDE is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered PRIDE's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of PRIDE's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, we identified certain deficiencies in internal control over of findings and questioned costs as item 2011-1. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

PRIDE's response to the finding identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. We did not Audit PRIDE's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Board of Directors, management, federal awarding agencies, pass through entities, and other grantor agencies and is not intended to be and should not be used by anyone other than these specified parties.

Criteria:	The specific requirements for eligibility are found in the laws, regulations, and the provisions of contract or grant agreements pertaining to the program. This compliance requirement specifies the criteria for determining the individuals that can participate in the program.			
Condition:	A total of three individuals for CSBG eligibility in the Leadership Enrichment After School Program (LEAP) and Life Skills Program were not eligible for participation. For LEAP two participants from a sample of eight were ineligible, and for Life Skills one participant from a sample of four was ineligible based on the Federal Poverty Level Requirement.			
Questioned Costs:	Unknown			
Context:	There were a total of 32 participants in LEAP and 10 participants in Life Skills during the year.			
Cause:	The programs were new to the Agency.			
Effect:	Benefits were provided to ineligible participants, resulting in questioned costs.			
Recommendation:	We recommend that management review current policies and procedures and compare these to grant requirements. Grant requirements should be monitored for proper adherence.			
Management's Response/Views of Responsible Officials:	Participants who were not income eligible received services due to the turnover of program managers, who did not follow eligibility guidelines. Although both programs are no longer in operation, policies are in place and all CSBG activities will be monitored for proper adherence in the future.
