INDEPENDENT AUDITOR'S REPORT

Board of Directors
Wood County Senior Citizens Association, Inc.
Parkersburg, West Virginia:

Report on the Financial Statements

We have audited the accompanying financial statements of the Wood County Senior Citizens Association (the "Association") (a nonprofit organization), which comprise the statement of financial position as of September 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the

appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of September 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of federal and non-federal support, revenue, expenses and changes in net assets on pages 14 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 8, 2016, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide

an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

September 30, 2015

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING AND REPORTING POLICIES

The major accounting principles employed in the preparation of the accompanying financial statements are summarized as follows:

Organization

Wood County Senior Citizens Association, Inc. (the "Organization") is a not-for-profit corporation in the State of West Virginia and qualifies as a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code and, therefore, is not subject to federal and state income taxes, except for income derived on income that is unrelated to the Organization's exempt purpose. The Organization is not classified as a private foundation.

Nature of Activities

The Organization was formed to promote programs and activities related to aging, encourage participation of older persons in the programs and activities, and diminish social isolation of the elderly through the group activities and programs; as well as informing the public of the special problems of the elderly and informing the elderly of their rights and responsibilities.

Temporarily Restricted Net Assets

The Organization reports grants and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. At September 30, 2015, the Organization had only unrestricted net assets and did not have any temporarily restricted or permanently restricted net assets.

Revenue and Expense Recognition

The financial statements of the Organization are prepared on the accrual basis of accounting whereby revenues, other than donations, are recognized when earned and expenses are recognized when incurred.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments instruments purchased with a maturity of three months or less to be cash equivalents. There were no cash equivalents as of September 30, 2015.

Functional Allocation of Expenses

The cost of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Costs are allocated between management and general, fund raising or the appropriate program based on evaluations of the related benefits. Management and General expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Advertising

It is the policy of the Organization to expense all advertising as incurred. Total advertising expense was \$1,218 for the year ended September 30, 2015.

Operations

Management of the Organization acknowledges that, to the best of their ability, all assets received have been used for the purpose for which they were contributed or have been accumulated to allow management to conduct the operations and programs of the Organization as effectively and efficiently as possible.

Accounts Receivable and Concentration of Credit Risk

The Organization provides various services to the elderly and low income individuals on a third-party reimbursement basis. The Organization bills the various funding sources in accordance with the contractual agreements without requiring collateral or any other security. Accounts and grants receivable have been adjusted for all known uncollectible accounts. An allowance for bad debts has not been set up as the amount is not considered material. Charitable adjustments related to non-billable services due to inadequate patient income levels are recognized when services are incurred. Discounts related to billable services that are based on patient income levels and other contractual requirements are recognized and recorded upon final collection settlement. Such uncollectible amounts at the statement of financial position date are considered insignificant.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Financial Statement Presentation

Financial statement preparation follows the recommendations of the Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In addition, the Organization is required to present statements of cash flows and functional expenses.

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period.

NOTE 2 CAPITAL ASSETS

The allocation of the original cost of land, buildings and improvements, furniture and equipment, program equipment, vehicles, and paving purchased by utilizing federal and state allocated funds, and purchased with other revenue sources are as follows for the fiscal year ended:

| | |
|--------------------------------|--------------------|
| Land | \$ 198,252 |
| Buildings | 1,212,748 |
| Furniture and equipment | <u>270,865</u> |
| Total | 1,681,865 |
| Less: Accumulated depreciation | <u>(1,303,264)</u> |
| Capital assets, net | <u>\$ 378,601</u> |

Depreciation expense for 2015 was \$67,199. Land is carried at cost. Buildings and improvements, furniture and equipment, program equipment, vehicles, and paving are carried at cost less accumulated depreciation. Donated assets are carried at fair market value less accumulated depreciation. Buildings and improvements, furniture and equipment, program equipment, vehicles, and paving are depreciated over their estimated useful lives,

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

ranging from three to thirty-nine years, using the straight line method of depreciation. Maintenance and repairs are charged to expense and major renewals and betterments are capitalized. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are included in current operations as realized.

NOTE 3 NOTES PAYABLE

Notes payable at September 30, 2015 are comprised of the following:

| | |
|--|-------------------|
| Note to First National Bank, maturing in 2030 with an interest rate of 7.75% and monthly payments of \$3,535. This agreement is secured by a deed of trust for property at 914 Market Street | \$ 370,797 |
| Less: current maturities | <u>(14,175)</u> |
| Long-term debt, net of current maturities | <u>\$ 356,622</u> |

The approximate future commitments for principal reduction on long-term debt for the next five years and in the aggregate are as follows:

| Year Ending September 30, | Principal | Interest | Total |
|------------------------------|-------------------|----------------|----------------|
| 2016 | \$ 14,175 | 28,240 | 42,415 |
| 2017 | 15,313 | 27,102 | 42,415 |
| 2018 | 16,543 | 25,872 | 42,415 |

| 2021 - 2025 | 122,439 | 89,636 | 212,075 |
| 2026 - 2030 | <u>165,148</u> | <u>32,067</u> | <u>197,215</u> |
| Total | <u>\$ 370,797</u> | <u>250,568</u> | <u>621,365</u> |

WOOD COUNTY SENIOR CITIZENS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 4 COMPENSATED ABSENCES

Eligible employees of the Organization are entitled to paid vacation, paid sick days, and personal days off depending on length of service and other factors. Such compensated absences were \$24,862 at September 30, 2015 and have been recorded as "Accrued annual leave" in the statement of financial position.

NOTE 5 LEASES

The Organization owns a building at 912, 914 and 916 Market Street, Parkersburg, West Virginia in which certain offices in the building are rented to area businesses. At September 30, 2015, most lease contracts could be cancelled with a thirty-day or sixty-day notice. Other property owned by the Organization is leased on an occasional basis for specific activities of various organizations.

NOTE 6 COMMITMENTS, CONTINGENCIES, AND CREDIT RISK ASSESSMENT

The Organization provides senior health and welfare services to those in need over the Mid-Ohio Valley region within West Virginia. The Organization grants credit for the services provided to substantially all of its patients without regard to the patients' ability to pay.

A substantial portion of the Organizations patient revenue is derived through Medicaid reimbursements. These reimbursements are subject to change from time to time dependent upon federal and state authorities' decisions on allowable rates and services as well as various policies, rules, and regulations governing Medicaid reimbursements.

The Organization receives significant financial assistance from numerous federal, state, and local governmental agencies in the form of grants and revenue sharing. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant instrument. Failure to fulfill the conditions could result in the return of the funds to grantors. In addition, the grants could be subjected to an audit by the grantor agencies and any disallowed claims resulting from such audits could be a liability to the Organization. However, in the opinion of management, any such disallowed claims will not have a material effect on the overall financial position of the Organization at September 30, 2015.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 7 IRS 941 BACK TAXES

The accrued expenses account includes \$261,201 of unpaid 941 withholdings from the 2003 fiscal year and before.

NOTE 8 SUBSEQUENT EVENTS

Management has evaluated events and transactions occurring after September 30, 2015 through the date of the Auditors' Report, which is the release date. No significant events were noted requiring adjustments to or disclosure in the financial statements.

SCHEDULE OF FEDERAL AND NON-FEDERAL SUPPORT, REVENUE,
EXPENSES AND CHANGES IN NET ASSETS

Year Ended September 30, 2015

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of federal and non-federal support, revenues, expenses and changes in net assets includes the federal and nonfederal grant activity of Wood County Senior Citizens Association, Inc. and is presented on the basis of accounting practices prescribed by the U.S. Department of Health and Human Services and the West Virginia Bureau of Senior Services. These practices differ in some respects from generally accepted accounting principles whereby, property and equipment is expensed when purchased.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Wood County Senior Citizens Association, Inc.
Parkersburg, West Virginia:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Wood County Senior Citizens Association, Inc. (the "Association") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 8, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
