Finding

FINDING 1: UNALLOWABLE PURCHASE TOTALING $1,456

Condition:  The Winfield District Volunteer Fire Department made a $1,456 expenditure for accident and sickness insurance which is not allowed under West Virginia Code.

Criteria:  W.Va. Code §8-15-8b, as amended, states in part:

“Authorized expenditures of revenues from the municipal pensions and protection fund and the fire protection fund.

Revenues allocated to volunteer and part volunteer fire companies and departments may be expended only for the items listed in subdivisions (1) through (15) of this section.” (Emphasis Added)

Cause:  The Department was unaware that accident and sickness insurance was not allowed to be purchased with its state money.

Effect:  Use of state funding for unallowable purchases negates the purpose for which the money was given to the Department, leaving the Department vulnerable to not being able to purchase other items needed and allowed per WV Code.

Recommendation:

1. The Legislative Auditor recommends the Department use state funds in accordance with WV Code §8-15-8(b) and reimburse its state account $1,456 for the unallowable item.
