## **List of Active Licensees**

In accordance with **W. Va. Code §30-1-2(a)**, the West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners (**Board**) maintains a listing of all licensees (both active and inactive).

In accordance with **W. Va. Code §30-1-2(b)**, the Board submits the following information compiled for the list of Active licensees based on a dataset prepared on August 3, 2015. The accuracy of information within the Board's database is dependent upon information provided by each individual licensee as well as updates made by the Board's staff members on an ongoing basis. This list is limited to those individuals who were active at the point of retrieval of this dataset.

Based on the August 3, 2015 dataset, there were a grand total of 3,077 Active licensees of which 2,503 reporting employment within West Virginia. Of the grand total, 217 did not list an employer; 17 were Podiatry Medical Assistants; and an additional 340 listed an out of state employer.

The list of Active licensees has been prepared based on the State and County provided by the licensee. Active licensees are listed by State and County of employment in the following manner: Employer State; Employer County; Last Name; First name; WV Medical Imaging License Number; Status; Current License Date; and License Expiration Date.

The "Status" column utilizes the following acronyms to indicate the following:

- A** Active WV Medical Imaging Technologist
