AN ACT to amend and reenact §33-26A-3, §33-26A-5, §33-26A-6, §33-26A-8, §33-26A-9, §33-26A-10 and §33-26A-18 of the Code of West Virginia, 1931, as amended, all relating to the life and health insurance guaranty association; making specific provision for treatment of unallocated annuity contracts and structured settlement contracts; providing how payments to residents and nonresidents are determined; providing that duplicate payments not be made; excluding certain policies, portions of policies and obligations from coverage; setting new limits on coverage for various types of policies and contracts; defining terms; changing the composition of the annuity and unallocated annuity accounts; eliminating the association's power to make loans to an insolvent insurer and making other changes to its powers and duties; increasing the permissible maximum annual pro rata assessment; setting forth a process for the protest of assessments; mandating that members comply

with requests for information from the association; requiring that the plan of operation include provisions for removing a director for cause and addressing conflicts of interest; and increasing the length of the stay of court proceedings involving an insolvent insurer.

Be it enacted by the Legislature of West Virginia:

That §33-26A-3, §33-26A-5, §33-26A-6, §33-26A-8, §33-26A-9, §33-26A-10 and §33-26A-18 of the Code of West Virginia, 1931, as amended, be amended and reenacted, all to read as follows:

§33-26A-3. Scope of article; policies and contracts covered; exclusions; extent of liability.

1 (a) This article shall provide coverage for the policies and
2 contracts specified in subsection (b) of this section:

3 (1) To persons who, regardless of where they reside, are
4 the beneficiaries, assignees or payees of the persons covered
5 under subdivision (2) of this subsection: *Provided*, That the
6 provisions of this subdivision shall not apply to nonresident
7 certificate holders under group policies or contracts;

8 (2) To persons who are owners of or certificate holders
9 under such policies or contracts, other than unallocated
10 annuity contracts and structured settlement annuities, and in
11 each case who:

12 (A) Are residents of this state; or

13 (B) Are not residents of this state, but only under all of
14 the following conditions:

15 (i) The insurer that issued the policies or contracts is
16 domiciled in this state;

17 (ii) The states in which the persons reside have
18 associations similar to the association created by this article;
19 and

20 (iii) The persons are not eligible for coverage by an
21 association in any other state because the insurer was not
22 licensed in the state at the time specified in the state's
23 guaranty association law.

24 (3) For unallocated annuity contracts specified in
25 subdivisions (1) and (2), subsection (b) of this section shall
26 not apply, and this article shall, except as provided in
27 subdivisions (5) and (6) of this subsection, provide coverage
28 to:

29 (A) Persons who are the owners of the unallocated
30 annuity contracts if the contracts are issued to or in
31 connection with a specific benefit plan whose plan sponsor
32 has its principal place of business in this state; and

33 (B) Persons who are owners of unallocated annuity
34 contracts issued to or in connection with government lotteries
35 if the owners are residents.

36 (4) For structured settlement annuities specified in
37 subdivisions (1) and (2), subsection (b) of this section shall
38 not apply, and this article shall, except as provided in
39 subdivisions (5) and (6) of this subsection, provide coverage
40 to a person who is a payee under a structured settlement
41 annuity or beneficiary of a payee if the payee is deceased, if
42 the payee:

43 (A) Is a resident, regardless of where the contract owner
44 resides; or

45 (B) Is not a resident, but only under both of the following
46 conditions:

47 (i) (I) The contract owner of the structured settlement
48 annuity is a resident; or

49 (II) The contract owner of the structured settlement
50 annuity is not a resident, but the insurer that issued the
51 structured settlement annuity is domiciled in this state and the
52 state in which the contract owner resides has an association
53 similar to the association created by this article; and

54 (ii) Neither the payee or beneficiary nor the contract
55 owner is eligible for coverage by the association of the state
56 in which the payee or contract owner resides.

57 (5) This article shall not provide coverage to:

58 (A) A person who is a payee or beneficiary of a contract
59 owner resident of this state, if the payee or beneficiary is
60 afforded any coverage by the association of another state; or

61 (B) A person covered under subdivision (3) of this
62 subsection, if any coverage is provided by the association of
63 another state to the person.

64 (6) This article is intended to provide coverage to a
65 person who is a resident of this state and, in special
66 circumstances, to a nonresident. In order to avoid duplicate
67 coverage, if a person who would otherwise receive coverage
68 under this article is provided coverage under the laws of any
69 other state, the person shall not be provided coverage under
70 this article. In determining the application of the provisions
71 of this subdivision in situations where a person could be
72 covered by the association of more than one state, whether as
73 an owner, payee, beneficiary or assignee, this article shall be
74 construed in conjunction with other state laws to result in
75 coverage by only one association.

76 (b) Coverage as provided by this article shall be as
77 follows:

78 (1) This article shall provide coverage to the persons
79 specified in subsection (a) of this section for direct, nongroup
80 life, health, and annuity policies or contracts, for any
81 supplemental policies to the foregoing, for certificates under
82 direct group policies and contracts, and for unallocated
83 annuity contracts, issued by member insurers, except as
84 limited by this article. Annuity contracts and certificates
85 under group annuity contracts include, but are not limited to,
86 guaranteed investment contracts, deposit administration
87 contracts, unallocated funding agreements, allocated funding
88 agreements, structured settlement annuities, annuities issued
89 in connection with government lotteries and any immediate
90 or deferred annuity contracts.

91 (2) This article shall not provide coverage for:

92 (A) A portion of a policy or contract not guaranteed by
93 the insurer, or under which the risk is borne by the policy or
94 contract owner;

95 (B) A policy or contract of reinsurance, unless
96 assumption certificates have been issued pursuant to the
97 reinsurance policy or contract;

98 (C) A portion of a policy or contract to the extent that the
99 rate of interest on which it is based, or the interest rate,
100 crediting rate or similar factor determined by use of an index
101 or other external reference stated in the policy or contract
102 employed in calculating returns or changes in value:

103 (i) Averaged over the period of four years prior to the
104 date on which the member insurer becomes an impaired or
105 insolvent insurer under this article, exceeds a rate of interest

106 determined by subtracting two percentage points from
107 Moody's Corporate Bond Yield Average averaged for that
108 same four-year period or for such lesser period if the policy
109 or contract was issued less than four years before the member
110 insurer becomes an impaired or insolvent insurer under this
111 article, whichever is earlier; and

112 (ii) On and after the date on which the member insurer
113 becomes an impaired or insolvent insurer under this article,
114 whichever is earlier, exceeds the rate of interest determined
115 by subtracting three percentage points from Moody's
116 Corporate Bond Yield Average as most recently available;

117 (D) A portion of a policy or contract issued to a plan or
118 program of an employer, association or other person to
119 provide life, health or annuity benefits to its employees,
120 members or others, to the extent that the plan or program is
121 self-funded or uninsured, including, but not limited to,
122 benefits payable by an employer, association or other person
123 under:

124 (i) A multiple employer welfare arrangement as defined
125 in section 514 of the Employee Retirement Income Security
126 Act of 1974, 29 U.S.C. §1144, as amended;

127 (ii) A minimum premium group insurance plan;

128 (iii) A stop-loss group insurance plan; or

129 (iv) An administrative services only contract;

130 (E) A portion of a policy or contract to the extent that it
131 provides for dividends or experience rating credits, voting
132 rights, or payment of any fees or allowances to any person,
133 including the policy or contract owner, in connection with the
134 service to or administration of the policy or contract;

135 (F) A policy or contract issued in this state by a member
136 insurer at a time when it was not licensed or did not have a
137 certificate of authority to issue the policy or contract in this
138 state;

139 (G) An unallocated annuity contract issued to an
140 employee benefit plan protected under the federal pension
141 benefit guaranty corporation, regardless of whether the
142 federal pension benefit guaranty corporation has yet become
143 liable to make any payments with respect to the benefit plan;
144 and

145 (H) A portion of any unallocated annuity contract which
146 is not issued to or in connection with a specific employee,
147 union or association of natural persons benefit plan or a
148 government lottery.

149 (I) A portion of a policy or contract to the extent that the
150 assessments required by section nine of this article with
151 respect to the policy or contract are preempted by federal or
152 state law;

153 (J) An obligation that does not arise under the express
154 written terms of the policy or contract issued by the insurer
155 to the contract owner or policy owner, including without
156 limitation:

157 (i) Claims based on marketing materials;

158 (ii) Claims based on side letters, riders or other
159 documents that were issued by the insurer without meeting
160 applicable policy form filing or approval requirements;

161 (iii) Misrepresentations of or regarding policy benefits;

162 (iv) Extra-contractual claims; or

163 (v) A claim for penalties or consequential or incidental
164 damages;

165 (K) A contractual agreement that establishes the member
166 insurer's obligations to provide a book value accounting
167 guaranty for defined contribution benefit plan participants by
168 reference to a portfolio of assets that is owned by the benefit
169 plan or its trustee, which in each case is not an affiliate of the
170 member insurer;

171 (L) A portion of a policy or contract to the extent it
172 provides for interest or other changes in value to be
173 determined by the use of an index or other external reference
174 stated in the policy or contract, but which have not been
175 credited to the policy or contract, or as to which the policy or
176 contract owner's rights are subject to forfeiture, as of the date
177 the member insurer becomes an impaired or insolvent insurer
178 under this article, whichever is earlier. If a policy's or
179 contract's interest or changes in value are credited less
180 frequently than annually, then for purposes of determining
181 the values that have been credited and are not subject to
182 forfeiture, the interest or change in value determined by using
183 the procedures defined in the policy or contract will be
184 credited as if the contractual date of crediting interest or
185 changing values was the date of impairment or insolvency,
186 whichever is earlier, and will not be subject to forfeiture.

187 (M) A policy or contract providing any hospital, medical,
188 prescription drug or other health care benefits pursuant to
189 Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42
190 of the United States Code (commonly known as Medicare
191 Part C & D) or any regulations issued pursuant thereto.

192 (c) The benefits that the association may become liable
193 for shall in no event exceed the lesser of:

194 (1) The contractual obligations for which the insurer is
195 liable or would have been liable if it were not an impaired or
196 insolvent insurer; or

197 (2) (A) With respect to any one life, regardless of the
198 number of policies or contracts:

199 (i) Three hundred thousand dollars in life insurance death
200 benefits, but no more than \$100,000 in net cash surrender and
201 net cash withdrawal values for life insurance;

202 (ii) In health insurance benefits:

203 (I) One hundred thousand dollars for coverages not
204 defined as disability insurance or basic hospital, medical and
205 surgical insurance or major medical insurance or long-term
206 care insurance as defined in section four, article fifteen-a, of
207 this chapter, including any net cash surrender and net cash
208 withdrawal values;

209 (II) Three hundred thousand dollars for disability
210 insurance and \$300,000 for long-term care insurance as
211 defined in section four, article fifteen-a of this chapter;

212 (III) \$500,000 for basic hospital, medical and surgical
213 insurance or major medical insurance; or

214 (iii) \$250,000 in the present value of annuity benefits,
215 including net cash surrender and net cash withdrawal values;

216 (B) With respect to each individual participating in a
217 governmental retirement plan established under section 401,
218 403(b) or 457 of the United States Internal Revenue Code
219 covered by an unallocated annuity contract or the
220 beneficiaries of each such individual if deceased, in the
221 aggregate, \$250,000 in present value annuity benefits,
222 including net cash surrender and net cash withdrawal values.

223 (C) With respect to each payee of a structured settlement
224 annuity, or beneficiary or beneficiaries of the payee if
225 deceased, \$250,000 in present value annuity benefits, in the
226 aggregate, including net cash surrender and net cash
227 withdrawal value;

228 (D) However, in no event shall the association be
229 obligated to cover more than:

230 (i) An aggregate of \$300,000 in benefits with respect to
231 any one life under paragraphs (A), (B) and (C) of this
232 subdivision except with respect to benefits for basic hospital,
233 medical and surgical insurance and major medical insurance
234 under subparagraph (ii), paragraph (A) of this subdivision,
235 in which case the aggregate liability of the association shall
236 not exceed \$500,000 with respect to any one individual, or

237 (ii) With respect to one owner of multiple nongroup
238 policies of life insurance, whether the policy owner is an
239 individual, firm, corporation or other person, and whether the
240 persons insured are officers, managers, employees or other
241 persons, more than \$5 million in benefits, regardless of the
242 number of policies and contracts held by the owner.

243 (E) With respect to either one contract owner provided
244 coverage under paragraph (B), subdivision (3), subsection (a)
245 of this section or one plan sponsor whose plans own directly
246 or in trust one or more unallocated annuity contracts not
247 included in paragraph (B), subdivision (2) of this subsection,
248 \$5 million in benefits, irrespective of the number of contracts
249 with respect to the contract owner or plan sponsor. However,
250 in the case where one or more unallocated annuity contracts
251 are covered contracts under this article and are owned by a
252 trust or other entity for the benefit of two or more plan
253 sponsors, coverage shall be afforded by the association if the
254 largest interest in the trust or entity owning the contract or

255 contracts is held by a plan sponsor whose principal place of
256 business is in this state. In no event shall the association be
257 obligated to cover more than \$5 million in benefits with
258 respect to all of these unallocated contracts.

259 (F) The limitations set forth in this subsection are
260 limitations on the benefits for which the association is
261 obligated before taking into account either its subrogation
262 and assignment rights or the extent to which those benefits
263 could be provided out of the assets of the impaired or
264 insolvent insurer attributable to covered policies. The costs
265 of the association's obligations under this article may be met
266 by the use of assets attributable to covered policies or
267 reimbursed to the association pursuant to its subrogation and
268 assignment rights.

269 (d) In performing its obligations to provide coverage
270 under section eight of this article, the association shall not be
271 required to guarantee, assume, reinsure or perform, or cause
272 to be guaranteed, assumed, reinsured or performed, the
273 contractual obligations of the insolvent or impaired insurer
274 under a covered policy or contract that do not materially
275 affect the economic values or economic benefits of the
276 covered policy or contract.

**§33-26A-6. Creation of association; required accounts;
supervision of commissioner; meetings and
records.**

1 (a) There is created a nonprofit legal entity to be known
2 as the West Virginia Life and Health Insurance Guaranty
3 Association. All member insurers shall be and remain
4 members of the association as a condition of their authority
5 to transact insurance in this state. The association shall
6 perform its functions under the plan of operation established
7 and approved under section ten of this article and shall
8 exercise its powers through a board of directors established
9 under section seven of this article. For purposes of
10 administration and assessment, the association shall maintain
11 the following two accounts:

12 (1) The life insurance and annuity account which includes
13 the following subaccounts:

14 (A) Life insurance account;

15 (B) Annuity account which shall include annuity
16 contracts owned by a governmental retirement plan or its

17 trustee established under section 401, 403(b) or 457 of the
18 United States Internal Revenue Code, but shall otherwise
19 exclude unallocated annuities; and

20 (C) Unallocated annuity account which shall exclude
21 contracts owned by a governmental retirement plan or its
22 trustee established under section 401, 403(b) or 457 of the
23 United States Internal Revenue Code.

24 (2) The health insurance account.

25 (b) The association shall come under the immediate
26 supervision of the commissioner and shall be subject to the
27 applicable provisions of the insurance laws of this state.
28 Meetings or records of the association may be opened to the
29 public upon majority vote of the board of directors of the
30 association.

§33-26A-8. Powers and duties of association.

1 (a) If a member insurer is an impaired insurer, the
2 association may, in its discretion, and subject to any
3 conditions imposed by the association that do not impair the
4 contractual obligations of the impaired insurer, that are
5 approved by the commissioner:

6 (1) Guarantee, assume, or reinsure, or cause to be
7 guaranteed, assumed or reinsured, any or all of the covered
8 policies or contracts of the impaired insurer; or

9 (2) Provide such moneys, pledges, notes, guarantees or
10 other means as are proper to effectuate subdivision (1) of this
11 subsection and assure payment of the contractual obligations
12 of the impaired insurer pending action under said subdivision
13 (1).

14 (b) If a member insurer is an insolvent insurer, the
15 association shall, in its discretion, either:

16 (1) (A) (i) Guarantee, assume or reinsure, or cause to be
17 guaranteed, assumed or reinsured, the policies or contracts of
18 the insolvent insurer; or

19 (ii) Assure payment of the contractual obligations of the
20 insolvent insurer; and

21 (B) Provide moneys, pledges, guarantees, or other means
22 as are reasonably necessary to discharge such duties; or

23 (2), Provide benefits and coverages in accordance with
24 the following provisions:

25 (A) With respect to life and health insurance policies and
26 annuities assure payment of benefits for premiums identical
27 to the premiums and benefits, except for terms of conversion
28 and renewability, that would have been payable under the
29 policies or contracts of the insolvent insurer, for claims
30 incurred:

31 (i) With respect to group policies and contracts, not later
32 than the earlier of the next renewal date under such policies
33 or contracts or forty-five days, but in no event less than thirty
34 days, after the date on which the association becomes
35 obligated with respect to such policies and contracts;

36 (ii) With respect to nongroup policies, contracts and
37 annuities, not later than the earlier of the next renewal date,
38 if any, under these policies or contracts or one year, but in no
39 event less than thirty days, from the date on which the
40 association becomes obligated with respect to such policies
41 or contracts;

42 (B) Make diligent efforts to provide all known insureds
43 or annuitants or group policyholders with respect to group
44 policies and contracts thirty days' notice of the termination of
45 the benefits provided pursuant to paragraph (A) of this
46 subdivision; and

47 (C) With respect to nongroup life and health insurance
48 policies and annuities covered by the association, make
49 available to each known insured or annuitant, or owner if
50 other than the insured or annuitant, and with respect to an
51 individual formerly insured or formerly an annuitant under a
52 group policy who is not eligible for replacement group
53 coverage, make available substitute coverage on an
54 individual basis in accordance with the provisions of
55 paragraph (D) of this subdivision, if the insureds or
56 annuitants had a right under law or the terminated policy or
57 annuity to convert coverage to individual coverage or to
58 continue an individual policy or annuity in force until a
59 specified age or for a specified time, during which the insurer
60 had no right unilaterally to make changes in any provision of
61 the policy or had a right only to make changes in premium by
62 class.

63 (D)(i) In providing the substitute coverage required under
64 paragraph (C) of this subdivision, the association may offer
65 either to reissue the terminated coverage or to issue an
66 alternative policy.

67 (ii) Alternative or reissued policies shall be offered
68 without requiring evidence of insurability, and shall not
69 provide for any waiting period or exclusion that would not
70 have applied under the terminated policy.

71 (iii) The association may reinsure any alternative or
72 reissued policy.

73 (E)(i) Alternative policies adopted by the association
74 shall be subject to the approval of the domiciliary
75 commissioner and the receivership court. The association
76 may adopt alternative policies of various types for future
77 issuance without regard to any particular impairment or
78 insolvency.

79 (ii) Alternative policies shall contain at least the
80 minimum statutory provisions required in this state and
81 provide benefits that shall not be unreasonable in relation to
82 the premium charged. The association shall set the premium
83 in accordance with a table of rates which it shall adopt. The
84 premium shall reflect the amount of insurance to be provided
85 and the age and class of risk of each insured, but shall not
86 reflect any changes in the health of the insured after the
87 original policy was last underwritten.

88 (iii) Any alternative policy issued by the association shall
89 provide coverage of a type similar to that of the policy issued
90 by the impaired or insolvent insurer, as determined by the
91 association.

92 (F) If the association elects to reissue terminated
93 coverage at a premium rate different from that charged under
94 the terminated policy, the premium shall be set by the
95 association in accordance with the amount of insurance
96 provided and the age and class of risk, subject to approval of
97 the domiciliary commissioner and the receivership court.

98 (G) The association's obligations with respect to coverage
99 under any policy of the impaired or insolvent insurer or under
100 any reissued or alternative policy shall cease on the date that
101 the coverage or policy is replaced by another similar policy
102 by the policyholder, the insured or the association.

103 (H) When proceeding under subdivision (2) of this
104 subsection with respect to any policy or contract carrying

105 guaranteed minimum interest rates, the association shall
106 assure the payment or crediting of a rate of interest consistent
107 with paragraph (C), subdivision (2), subsection (b), section
108 three of this article.

109 (c) Nonpayment of premium within thirty-one days after
110 the date required under the terms of any guaranteed,
111 assumed, alternative or reissued policy or contract or
112 substitute coverage shall terminate the association's
113 obligations under such policy or coverage under this article
114 with respect to such policy or coverage, except with respect
115 to any claims incurred or any net cash surrender value which
116 may be due in accordance with the provisions of this article.

117 (d) Premiums due for coverage after entry of an order of
118 liquidation of an insolvent insurer shall belong to and be
119 payable at the direction of the association. If the liquidator of
120 an insolvent insurer requests, the association shall provide a
121 report to the liquidator regarding such premium collected by
122 the association. The association shall be liable for unearned
123 premiums due to policy or contract owners arising after the
124 entry of the order.

125 (e) The protection provided by this article shall not apply
126 where any guaranty protection is provided to residents of this
127 state by the laws of the domiciliary state or jurisdiction of the
128 impaired or insolvent insurer other than this state.

129 (f) In carrying out its duties under subsection (b) of this
130 section, the association may, subject to approval by a court in
131 this state:

132 (1) Impose permanent policy or contract liens in
133 connection with any guarantee, assumption or reinsurance
134 agreement, if the association finds that the amounts which
135 can be assessed under this article are less than the amounts

136 needed to assure full and prompt performance of the
137 association's duties under this article, or that the economic or
138 financial conditions as they affect member insurers are
139 sufficiently adverse to render the imposition of such
140 permanent policy or contract liens, to be in the public
141 interest;

142 (2) Impose temporary moratoriums or liens on payments
143 of cash values and policy loans, or any other right to
144 withdraw funds held in conjunction with policies or contracts,
145 in addition to any contractual provisions for deferral of cash
146 or policy loan value. In the event of a temporary moratorium
147 or moratorium charge imposed by the receivership court on
148 payment of cash values or policy loans, or on any other right
149 to withdraw funds held in conjunction with policies or
150 contracts, out of the assets of the impaired or insolvent
151 insurer, the association may defer the payment of cash values,
152 policy loans or other rights by the association for the period
153 of the moratorium or moratorium charge imposed by the
154 receivership court, except for claims covered by the
155 association to be paid in accordance with a hardship
156 procedure established by the liquidator or rehabilitator and
157 approved by the receivership court.

158 (g) A deposit in this state, held pursuant to law or
159 required by the commissioner for the benefit of creditors,
160 including policy owners, not turned over to the domiciliary
161 liquidator upon the entry of a final order of liquidation or
162 order approving a rehabilitation plan of an insurer domiciled
163 in this state or in a reciprocal state, pursuant to article ten of
164 this chapter, shall be promptly paid to the association. The
165 association shall be entitled to retain a portion of any amount
166 so paid to it equal to the percentage determined by dividing
167 the aggregate amount of policy owners claims related to that
168 insolvency for which the association has provided statutory
169 benefits by the aggregate amount of all policy owners' claims

170 in this state related to that insolvency and shall remit to the
171 domiciliary receiver the amount so paid to the association
172 less the amount retained pursuant to this subsection. Any
173 amount so paid to the association and retained by it shall be
174 treated as a distribution of estate assets pursuant to article ten
175 of this chapter.

176 (h) If the association fails to act within a reasonable
177 period of time with respect to an insolvent insurer as
178 provided in subsection (b) of this section, the commissioner
179 shall have the powers and duties of the association under this
180 article with respect to the insolvent insurer.

181 (i) The association may render assistance and advice to
182 the commissioner, upon his or her request, concerning
183 rehabilitation, payment of claims, continuance of coverage,
184 or the performance of other contractual obligations of any
185 impaired or insolvent insurer.

186 (j) The association shall have standing to appear or
187 intervene before any court in this state with jurisdiction over
188 an impaired or insolvent insurer concerning which the
189 association is or may become obligated under this article
190 standing shall extend to all matters germane to the powers
191 and duties of the association, including, but not limited to,
192 proposals for reinsuring, modifying, or guaranteeing the
193 policies or contracts of the impaired or insolvent insurer and
194 the determination of the policies or contracts and contractual
195 obligations. The association shall also have the right to
196 appear or intervene before a court or agency in another state
197 with jurisdiction over an impaired or insolvent insurer for
198 which the association is or may become obligated or with
199 jurisdiction over any person or property against whom the
200 association may have rights through subrogation of the
201 insurer's policyholders, payees or beneficiaries.

202 (k)(1) Any person receiving benefits under this article
203 shall be deemed to have assigned the rights under, and any
204 causes of action against any person for losses arising under,
205 resulting from or otherwise relating to, the covered policy or
206 contract to the association to the extent of the benefits
207 received because of this article, whether the benefits are
208 payments of or on account of contractual obligations,
209 continuation of coverage or provision of substitute or
210 alternative coverages. The association may require an
211 assignment to it of such rights and cause of action by any
212 payee, policy or contract owner, beneficiary, insured or
213 annuitant as a condition precedent to the receipt of any right
214 or benefits conferred by this article upon such person.

215 (2) The subrogation rights of the association under this
216 subsection shall have the same priority against the assets of
217 the impaired or insolvent insurer as that possessed by the
218 person entitled to receive benefits under this article.

219 (3) In addition to subdivisions (1) and (2) of this
220 subsection, the association shall have all common law rights
221 of subrogation and any other equitable or legal remedy that
222 would have been available to the impaired or insolvent
223 insurer or owner or insured of a policy or contract with
224 respect to such policy or contracts.

225 (l) In addition to the rights and powers elsewhere in this
226 article, the association may:

227 (1) Enter into such contracts as are necessary or proper to
228 carry out the provisions and purposes of this article;

229 (2) Sue or be sued, including taking any legal actions
230 necessary or proper to recover any unpaid assessments under
231 section nine of this article and to settle claims or potential
232 claims against it;

233 (3) Borrow money to effect the purpose of this article;
234 any notes or other evidence of indebtedness of the association
235 not in default shall be legal investments for domestic insurers
236 and may be carried as admitted assets;

237 (4) Employ or retain such persons as are necessary to
238 handle the financial transactions of the association, and to
239 perform such other functions as become necessary or proper
240 under this article;

241 (5) Take such legal action as may be necessary to avoid
242 or recover payment of improper claims;

243 (6) Exercise, for the purposes of this article and to the
244 extent approved by the commissioner, the powers of a
245 domestic life or health insurer, but in no case may the
246 association issue insurance policies or annuity contracts other
247 than those issued to perform its obligations under this article.

248 (7) Organize itself as a corporation or in other legal form
249 permitted by the laws of the state;

250 (8) Request information from a person seeking coverage
251 from the association in order to aid the association in
252 determining its obligations under this article with respect to
253 the person, and the person shall promptly comply with the
254 request; and

255 (9) Take other necessary or appropriate action to
256 discharge its duties and obligations under this article or to
257 exercise its powers under this article.

258 (m) The association may join an organization of one or
259 more other state associations of similar purposes, to further
260 the purposes and administer the powers and duties of the
261 association.

262 (n) (1) (A) At any time within one hundred eighty days of
263 the date of the order of liquidation, the association may elect
264 to succeed to the rights and obligations of the ceding member
265 insurer that relate to policies or annuities covered, in whole
266 or in part, by the association, in each case under any one or
267 more reinsurance contracts entered into by the insolvent
268 insurer and its reinsurers and selected by the association.
269 Any such assumption shall be effective as of the date of the
270 order of liquidation. The election shall be effected by the
271 association or the National Organization of Life and Health
272 Insurance Guaranty Associations (NOLHGA) on its behalf
273 sending written notice, return receipt requested, to the
274 affected reinsurers.

275 (B) To facilitate the earliest practicable decision about
276 whether to assume any of the contracts of reinsurance, and in
277 order to protect the financial position of the estate, the
278 receiver and each reinsurer of the ceding member insurer
279 shall make available upon request to the association or to
280 NOLHGA on its behalf as soon as possible after
281 commencement of formal delinquency proceedings (i) copies
282 of in-force contracts of reinsurance and all related files and
283 records relevant to the determination of whether such
284 contracts should be assumed, and (ii) notices of any defaults
285 under the reinsurance contracts or any known event or
286 condition which with the passage of time could become a
287 default under the reinsurance contracts.

288 (C) The following shall apply to reinsurance contracts so
289 assumed by the association:

290 (i) The association shall be responsible for all unpaid
291 premiums due under the reinsurance contracts for periods
292 both before and after the date of the order of liquidation, and
293 shall be responsible for the performance of all other
294 obligations to be performed after the date of the order of

295 liquidation, in each case which relate to policies or annuities
296 covered, in whole or in part, by the association. The
297 association may charge policies or annuities covered in part
298 by the association, through reasonable allocation methods,
299 the costs for reinsurance in excess of the obligations of the
300 association and shall provide notice and an accounting of
301 these charges to the liquidator;

302 (ii) The association shall be entitled to any amounts
303 payable by the reinsurer under the reinsurance contracts with
304 respect to losses or events that occur in periods after the date
305 of the order of liquidation and that relate to policies or
306 annuities covered, in whole or in part, by the association,
307 provided that, upon receipt of any such amounts, the
308 association shall be obliged to pay to the beneficiary under
309 the policy or annuity on account of which the amounts were
310 paid a portion of the amount equal to lesser of:

311 (I) The amount received by the association; and

312 (II) The excess of the amount received by the association
313 over the amount equal to the benefits paid by the association
314 on account of the policy or annuity less the retention of the
315 insurer applicable to the loss or event.

316 (iii) Within thirty days following the association's
317 election (the "election date"), the association and each
318 reinsurer under contracts assumed by the association shall
319 calculate the net balance due to or from the association under
320 each reinsurance contract as of the election date with respect
321 to policies or annuities covered, in whole or in part, by the
322 association, which calculation shall give full credit to all
323 items paid by either the insurer or its receiver or the reinsurer
324 prior to the election date. The reinsurer shall pay the receiver
325 any amounts due for losses or events prior to the date of the
326 order of liquidation, subject to any set-off for premiums

327 unpaid for periods prior to the date, and the association or
328 reinsurer shall pay any remaining balance due the other, in
329 each case within five days of the completion of the
330 aforementioned calculation. Any disputes over the amounts
331 due to either the association or the reinsurer shall be resolved
332 by arbitration pursuant to the terms of the affected
333 reinsurance contracts or, if the contract contains no
334 arbitration clause, as otherwise provided by law. If the
335 receiver has received any amounts due the association
336 pursuant to subparagraph (ii) of this paragraph, the receiver
337 shall remit the same to the association as promptly as
338 practicable.

339 (iv) If the association or receiver, on the association's
340 behalf, within sixty days of the election date, pays the unpaid
341 premiums due for periods both before and after the election
342 date that relate to policies or annuities covered, in whole or
343 in part, by the association, the reinsurer shall not be entitled
344 to terminate the reinsurance contracts for failure to pay
345 premium insofar as the reinsurance contracts relate to policies
346 or annuities covered, in whole or in part, by the association,
347 and shall not be entitled to set off any unpaid amounts due
348 under other contracts, or unpaid amounts due from parties
349 other than the association, against amounts due the
350 association.

351 (2) During the period from the date of the order of
352 liquidation until the election date or, if the election date does
353 not occur, until one hundred eighty days after the date of the
354 order of liquidation,

355 (A) (i) Neither the association nor the reinsurer shall have
356 any rights or obligations under reinsurance contracts that the
357 association has the right to assume under subdivision (1) of
358 this subsection, whether for periods prior to or after the date
359 of the order of liquidation; and

360 (ii) The reinsurer, the receiver and the association shall,
361 to the extent practicable, provide each other data and records
362 reasonably requested;

363 (B) Provided that once the association has elected to
364 assume a reinsurance contract, the parties' rights and
365 obligations shall be governed by subdivision (1) of this
366 subsection.

367 (3) If the association does not elect to assume a
368 reinsurance contract by the election date pursuant to
369 subdivision (1) of this subsection, the association shall have
370 no rights or obligations, in each case for periods both before
371 and after the date of the order of liquidation, with respect to
372 the reinsurance contract.

373 (4) When policies or annuities, or covered obligations
374 with respect thereto, are transferred to an assuming insurer,
375 reinsurance on the policies or annuities may also be
376 transferred by the association, in the case of contracts
377 assumed under subdivision (1) of this subsection, subject to
378 the following:

379 (A) Unless the reinsurer and the assuming insurer agree
380 otherwise, the reinsurance contract transferred shall not cover
381 any new policies of insurance or annuities in addition to those
382 transferred;

383 (B) The obligations described in subdivision (1) of this
384 subsection shall no longer apply with respect to matters
385 arising after the effective date of the transfer; and

386 (C) Notice shall be given in writing, return receipt
387 requested, by the transferring party to the affected reinsurer
388 not less than thirty days prior to the effective date of the
389 transfer.

390 (5) The provisions of this subsection shall supersede the
391 provisions of any law or of any affected reinsurance contract
392 that provides for or requires any payment of reinsurance
393 proceeds, on account of losses or events that occur in periods
394 after the date of the order of liquidation, to the receiver of the
395 insolvent insurer or any other person. The receiver shall
396 remain entitled to any amounts payable by the reinsurer
397 under the reinsurance contracts with respect to losses or
398 events that occur in periods prior to the date of the order of
399 liquidation, subject to applicable setoff provisions.

400 (6) Except as otherwise provided in this subsection,
401 nothing in this subsection shall alter or modify the terms and
402 conditions of any reinsurance contract. Nothing in this
403 subsection shall abrogate or limit any rights of any reinsurer
404 to claim that it is entitled to rescind a reinsurance contract.
405 Nothing in this subsection shall give a policyholder or
406 beneficiary an independent cause of action against a reinsurer
407 that is not otherwise set forth in the reinsurance contract.
408 Nothing in this subsection shall limit or affect the
409 association's rights as a creditor of the estate against the
410 assets of the estate. Nothing in this subsection shall apply to
411 reinsurance agreements covering property or casualty risks.

412 (o) The board of directors of the association shall have
413 discretion and may exercise reasonable business judgment to
414 determine the means by which the association is to provide
415 the benefits of this article in an economical and efficient
416 manner.

417 (p) Where the association has arranged or offered to
418 provide the benefits of this article to a covered person under
419 a plan or arrangement that fulfills the association's
420 obligations under this article, the person shall not be entitled
421 to benefits from the association in addition to or other than
422 those provided under the plan or arrangement.

423 (q) Venue in a suit against the association arising under
424 the article shall be in Kanawha County. The association shall
425 not be required to give an appeal bond in an appeal that
426 relates to a cause of action arising under this act.

427 (r) In carrying out its duties in connection with
428 guaranteeing, assuming or reinsuring policies or contracts
429 under subsections (a) or (b) of this section, the association
430 may, subject to approval of the receivership court, issue
431 substitute coverage for a policy or contract that provides an
432 interest rate, crediting rate or similar factor determined by use
433 of an index or other external reference stated in the policy or
434 contract employed in calculating returns or changes in value
435 by issuing an alternative policy or contract in accordance
436 with the following provisions:

437 (1) In lieu of the index or other external reference
438 provided in the original policy or contract, the alternative
439 policy or contract provides for:

440 (i) A fixed interest rate;

441 (ii) Payment of dividends with minimum guarantees; or

442 (iii) A different method for calculating interest or changes
443 in value;

444 (2) There is no requirement for evidence of insurability,
445 waiting period or other exclusion that would not have applied
446 under the replaced policy or contract; and

447 (3) The alternative policy or contract is substantially
448 similar to the replaced policy or contract in all other material
449 terms.

§33-26A-9. Assessments.

1 (a) For the purpose of providing the funds necessary to
2 carry out the powers and duties of the association, the board
3 of directors shall assess the member insurers, separately for
4 each account, at such time and for such amounts as the board
5 finds necessary. Assessments shall be due not less than thirty
6 days after prior written notice to the member insurers and
7 shall accrue interest at ten percent per annum on and after the
8 due date.

9 (b) There shall be two assessments, as follows:

10 (1) Class A assessments shall be authorized and called for
11 the purpose of meeting administrative and legal costs and
12 other expenses. Class A assessments may be authorized and
13 called whether or not related to a particular impaired or
14 insolvent insurer.

15 (2) Class B assessments shall be authorized and called to
16 the extent necessary to carry out the powers and duties of the
17 association under section eight of this article with regard to
18 an impaired or insolvent insurer.

19 (c)(1) The amount of any Class A assessment shall be
20 determined by the board and may be authorized and called on
21 a pro rata or nonpro rata basis. If pro rata, the board may
22 provide that it be credited against future Class B assessments.
23 A nonpro rata assessment shall not exceed \$300 per member
24 insurer in any one calendar year. The amount of any Class B
25 assessment shall be allocated for assessment purposes among
26 the accounts pursuant to an allocation formula which may be
27 based on the premiums or reserves of the impaired or
28 insolvent insurer or any other standard deemed by the board
29 in its sole discretion as being fair and reasonable under the
30 circumstances.

31 (2) Class B assessments against member insurers for each
32 account and subaccount shall be in the proportion that the
33 premiums received on business in this state by each assessed
34 member insurer on policies or contracts covered by each
35 account for the three most recent calendar years for which
36 information is available preceding the year in which the
37 insurer became impaired or insolvent, as the case may be,
38 bears to such premiums received on business in this state for
39 such calendar years by all assessed member insurers.

40 (3) Assessments for funds to meet the requirements of the
41 association with respect to an impaired or insolvent insurer
42 shall not be authorized or called until necessary to implement
43 the purposes of this article. Classification of assessments
44 under subsection (b) of this section and computation of
45 assessments under this subsection shall be made with
46 reasonable degree of accuracy, recognizing that exact
47 determinations may not always be possible. The association
48 shall notify each member insurer of its anticipated pro rata
49 share of an authorized assessment not yet called within one
50 hundred eighty days after the assessment is authorized.

51 (d) The association may abate or defer, in whole or in
52 part, the assessment of a member insurer if, in the opinion of
53 the board, payment of the assessment would endanger the
54 ability of the member insurer to fulfill its contractual
55 obligations. In the event an assessment against a member
56 insurer is abated, or deferred, in whole or in part, the amount
57 by which such assessment is abated or deferred may be
58 assessed against the other member insurers in a manner
59 consistent with the basis for assessments set forth in this
60 section. Once the conditions that caused a deferral have been
61 removed or rectified, the member insurer shall pay all
62 assessments that were deferred pursuant to a repayment plan
63 approved by the association.

64 (e) (1) (A) Subject to the provisions of paragraph (B) of
65 this subdivision, the total of all assessments upon a member
66 insurer for each subaccount of the life and annuity account
67 and for the health account shall not in any one calendar year
68 exceed two percent of such insurer's average premiums
69 received in this state on the policies and contracts covered by
70 the subaccount or account during the three calendar years
71 preceding the year in which the insurer became an impaired
72 or insolvent insurer.

73 (B) If two or more assessments are authorized in one
74 calendar year with respect to insurers that become impaired
75 or insolvent in different calendar years, the average annual
76 premiums for purposes of the aggregate assessment
77 percentage limitation referenced in paragraph (A) of this
78 subdivision shall be equal and limited to the higher of the
79 three-year average annual premiums for the applicable
80 subaccount or account as calculated pursuant to this section.

81 (C) If the maximum assessment, together with the other
82 assets of the association in an account, does not provide in
83 any one year in either account an amount sufficient to carry
84 out the responsibilities of the association, the necessary
85 additional funds shall be assessed as soon thereafter as
86 permitted by this article.

87 (2) The board may provide in the plan of operation a
88 method of allocating funds among claims, whether relating to
89 one or more impaired or insolvent insurers, when the
90 maximum assessment will be insufficient to cover anticipated
91 claims.

92 (3) If the maximum assessment for any subaccount of the
93 life and annuity account in any one year does not provide an
94 amount sufficient to carry out the responsibilities of the
95 association, then pursuant to subdivision (2), subsection (c)

96 of this section, the board shall assess all subaccounts of the
97 life and annuity account for the necessary additional amount,
98 subject to the maximum stated in subdivision (1), subsection
99 (e) of this section.

100 (f) The board may, by an equitable method as established
101 in the plan of operation, refund to member insurers, in
102 proportion to the contribution of each insurer to that account,
103 the amount by which the assets of the account exceed the
104 amount the board finds is necessary to carry out during the
105 coming year the obligations of the association with regard to
106 that account, including assets accruing from assignment,
107 subrogation, net realized gains and income from investments.
108 A reasonable amount may be retained in any account to
109 provide funds for the continuing expenses of the association
110 and for future claims.

111 (g) It shall be proper for any member insurer, in
112 determining its premium rates and policy owner dividends as
113 to any kind of insurance within the scope of this article, to
114 consider the amount reasonably necessary to meet its
115 assessment obligations under this article.

116 (h) The association shall issue to each insurer paying an
117 assessment under this article, other than Class A assessment,
118 a certificate of contribution, in a form prescribed by the
119 commissioner, for the amount of the assessment so paid. All
120 outstanding certificates shall be of equal dignity and priority
121 without reference to amounts or dates of issue. A certificate
122 of contribution may be shown by the insurer in its financial
123 statement as an asset in such form and for such amount, if
124 any, and period of time as the commissioner may approve.

125 (i) (1) A member insurer that wishes to protest all or part
126 of an assessment shall pay when due the full amount of the
127 assessment as set forth in the notice provided by the

128 association. The payment shall be available to meet
129 association obligations during the pendency of the protest or
130 any subsequent appeal. Payment shall be accompanied by a
131 statement in writing that the payment is made under protest
132 and setting forth a brief statement of the grounds for the
133 protest.

134 (2) Within sixty days following the payment of an
135 assessment under protest by a member insurer, the
136 association shall notify the member insurer in writing of its
137 determination with respect to the protest unless the
138 association notifies the member insurer that additional time
139 is required to resolve the issues raised by the protest.

140 (3) Within thirty days after a final decision has been
141 made, the association shall notify the protesting member
142 insurer in writing of that final decision. Within sixty days of
143 receipt of notice of the final decision, the protesting member
144 insurer may appeal that final action to the commissioner.

145 (4) In the alternative to rendering a final decision with
146 respect to a protest based on a question regarding the
147 assessment base, the association may refer protests to the
148 commissioner for a final decision, with or without a
149 recommendation from the association.

150 (5) If the protest or appeal on the assessment is upheld,
151 the amount paid in error or excess shall be returned to the
152 member company. Interest on a refund due a protesting
153 member shall be paid at the rate actually earned by the
154 association.

155 (j) The association may request information of member
156 insurers in order to aid in the exercise of its power under this
157 section and member insurers shall promptly comply with a
158 request.

§33-26A-10. Plan of operation.

1 (a) (1) The association shall submit to the commissioner
2 a plan of operation and any amendments thereto necessary or
3 suitable to assure the fair, reasonable and equitable
4 administration of the association. The plan of operation and
5 any amendments thereto shall become effective upon the
6 commissioner's written approval or unless he or she has not
7 disapproved of the same within thirty days.

8 (2) If the association fails to submit a suitable plan of
9 operation within one hundred eighty days following the
10 effective date of this article or if at any time thereafter the
11 association fails to submit suitable amendments to the plan,
12 the commissioner shall, after notice and hearing, adopt and
13 promulgate such reasonable rules as are necessary or
14 advisable to effectuate the provisions of this article. Such
15 rules shall continue in force until modified by the
16 commissioner or superseded by a plan submitted by the
17 association and approved by the commissioner.

18 (b) All member insurers shall comply with the plan of
19 operation.

20 (c) The plan of operation shall, in addition to
21 requirements enumerated elsewhere in this article:

22 (1) Establish procedures for handling the assets of the
23 association;

24 (2) Establish the amount and method of reimbursing
25 members of the board of directors under section seven of this
26 article;

27 (3) Establish regular places and times for meetings
28 including telephone conference calls of the board of
29 directors;

30 (4) Establish procedures for records to be kept of all
31 financial transactions of the association, its agents, and the
32 board of directors;

33 (5) Establish the procedures whereby selections for the
34 board of directors will be made and submitted to the
35 commissioner;

36 (6) Establish any additional procedures for assessments
37 under section nine of this article;

38 (7) Contain additional provisions necessary or proper for
39 the execution of the powers and duties of the association;

40 (8) Establish procedures whereby a director may be
41 removed for cause, including in the case where a member
42 insurer director becomes an impaired or insolvent insurer;
43 and

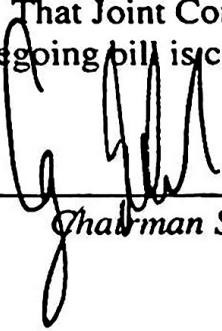

44 (9) Require the board of directors to establish a policy
45 and procedures for addressing conflicts of interests.

46 (d) The plan of operation may provide that any or all
47 powers and duties of the association, except those under
48 subdivision (3), subsection (1), section eight and section nine
49 of this article, are delegated to a corporation, association, or
50 other organization which performs or will perform functions
51 similar to those of this association, or its equivalent, in two or
52 more states. Such a corporation, association or organization
53 shall be reimbursed for any payments made on behalf of the
54 association and shall be paid for its performance of any
55 function of the association. A delegation under this
56 subsection shall take effect only with the approval of both the
57 board of directors and the commissioner, and may be made
58 only to a corporation, association or organization which
59 extends protection not substantially less favorable and
60 effective than that provided by this article.

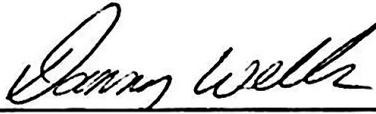

§33-26A-18. Stay of court proceedings; reopening default judgments.

1 All proceedings in which the impaired or insolvent
2 insurer is a party in any court in this state shall be stayed one
3 hundred eighty days from the date an order of liquidation,
4 rehabilitation or conservation is final to permit proper legal
5 action by the association on any matters germane to its
6 powers or duties. As to a judgment under any decision,
7 order, verdict or finding based on default the association may
8 apply to have the judgment set aside by the same court that
9 made the judgment and shall be permitted to defend against
10 the suit on the merits.
