Senate Bill No. 1006

(By Senators Unger, Stollings, Browning, Edgell, D. Facemire,
Foster, Klempa, Laird, Miller, Palumbo, Plymale, Prezioso,
Williams, Barnes, Boley and Hall)

[Originating in the Select Committee on Redistricting;
reported August 1, 2011.]

A BILL to amend and reenact §1-2-1 and §1-2-2b of the Code of West Virginia, 1931, as amended, all relating to dividing and altering the state into senatorial districts; defining terms; setting forth legislative findings; providing for senatorial districts; and requiring incidental precinct boundary changes.

Be it enacted by the Legislature of West Virginia:

That §1-2-1 and §1-2-2b of the Code of West Virginia, 1931, as amended, be amended and reenacted, all to read as follows:

ARTICLE 2. APPORTIONMENT OF REPRESENTATION.

§1-2-1. Senatorial districts.

(a) This section shall be known and may be cited as the "Senate Redistricting Act of 2011".

1 (b) As used in this section:

2 (1) "County" means the territory comprising a county of this
3 state as such county existed on January 1, 2010, notwithstanding
4 any boundary changes thereof made subsequent thereto;

5 (2) "Block" and "voting district" mean those geographic areas
6 as defined by the Bureau of the Census of the United States
7 Department of Commerce for the taking of the 2010 census of
8 population and described on census maps prepared by the Bureau of
9 the Census. Such maps are, at the time of this enactment,
10 maintained by the Bureau of the Census and filed in the
11 Redistricting Office of the Joint Committee on Government and
12 Finance;

13 (3) "Incumbent senator" means a senator elected at the general
14 election held in the year 2010 or at any general election
15 thereafter, with an unexpired term of at least two years in
16 duration.

17 (c) The Legislature recognizes that in dividing the state into
18 senatorial districts, the Legislature is bound not only by the
19 United States Constitution but also by the West Virginia
20 Constitution; that in any instance where the West Virginia
21 Constitution conflicts with the United States Constitution, the
22 United States Constitution must govern and control, as recognized
23 in section one, article one of the West Virginia Constitution; that
24 the United States Constitution, as interpreted by the United States
25 Supreme Court and other federal courts, requires state legislatures
26 to be apportioned so as to achieve equality of population as near

1 as is practicable, population disparities being permissible where
2 justified by rational state policies; and that the West Virginia
3 Constitution requires two senators to be elected from each
4 senatorial district for terms of four years each, one such senator
5 being elected every two years, with one half of the senators being
6 elected biennially, and requires senatorial districts to be
7 compact, formed of contiguous territory and bounded by county
8 lines. The Legislature finds and declares that it is not possible
9 to divide the state into senatorial districts so as to achieve
10 equality of population as near as is practicable as required by the
11 United States Supreme Court and other federal courts and at the
12 same time adhere to all of these provisions of the West Virginia
13 Constitution; but that, in an effort to adhere as closely as
14 possible to all of these provisions of the West Virginia
15 Constitution, the Legislature, in dividing the state into
16 senatorial districts, as described and constituted in subsection
17 (d) of this section, has:

18 (1) Adhered to the equality of population concept, while at
19 the same time recognizing that from the formation of this state in
20 the year 1863, each Constitution of West Virginia and the statutes
21 enacted by the Legislature have recognized political subdivision
22 lines and many functions, policies and programs of government have
23 been implemented along political subdivision lines;

24 (2) Made the senatorial districts as compact as possible,
25 consistent with the equality of population concept;

26 (3) Formed the senatorial districts of "contiguous territory"

1 as that term has been construed and applied by the West Virginia
2 Supreme Court of Appeals;

3 (4) Deviated from the long-established state policy,
4 recognized in subdivision (1) above, by crossing county lines only
5 when necessary to ensure that all senatorial districts were formed
6 of contiguous territory or when adherence to county lines produced
7 unacceptable population inequalities and only to the extent
8 necessary in order to maintain contiguity of territory and to
9 achieve acceptable equality of population; and

10 (5) Also taken into account in crossing county lines, to the
11 extent feasible, the community of interests of the people involved.

12 (d) The Senate shall be composed of thirty-four senators, one
13 senator to be elected at the general election to be held in the
14 year 2012, and biennially thereafter for a four-year term from each
15 of the senatorial districts hereinafter in this subsection

26 (e) The West Virginia Constitution further provides, in

1 section four, article VI thereof, that where a senatorial district
2 is composed of more than one county, both senators for such
3 district shall not be chosen from the same county, a residency
4 dispersal provision which is clear with respect to senatorial
5 districts which follow county lines, as required by such
6 Constitution, but which is not clear in application with respect to
7 senatorial districts which cross county lines. However, in an
8 effort to adhere as closely as possible to the West Virginia
9 Constitution in this regard, the following additional provisions,
10 in furtherance of the rationale of such residency dispersal
11 provision and to give meaning and effect thereto, are hereby
12 established:

13 (1) With respect to a senatorial district which is composed of
14 one or more whole counties and one or more parts of another county
15 or counties, no more than one senator shall be chosen from the same
16 county or part of a county to represent such senatorial district;

17 (2) With respect to a senatorial district which does not
18 contain any whole county but only parts of two or more counties, no
19 more than one senator shall be chosen from the same part to
20 represent such senatorial district; and

21 (3) With respect to superimposed senatorial districts which
22 contain only one whole county, all senators shall be chosen from
23 such county to represent such senatorial districts.

24 (f) Candidates for the Senate shall be nominated as provided
25 in section four, article five, chapter three of this code, except
26 that such candidates shall be nominated in accordance with the

1 residency dispersal provisions specified in section four, article
2 VI of the West Virginia Constitution and the additional residency
3 dispersal provisions specified in subsection (e) of this section.
4 Candidates for the Senate shall also be elected in accordance with
5 the residency dispersal provisions specified in said section and
6 the additional residency dispersal provisions specified in
7 subsection (e) of this section. In furtherance of the foregoing
8 provisions of this subsection, no person may file a certificate of
9 candidacy for election from a senatorial district described and
10 constituted in subsection (d) of this section if he or she resides
11 in the same county and the same such senatorial district wherein
12 also resides an incumbent senator, whether the senatorial district
13 wherein such incumbent senator resides was described and
14 constituted by chapter ten, Acts of the Legislature, Fifth
15 Extraordinary Session 2001, or was described and constituted in
16 subsection (d) of this section or its immediately prior enactment.
17 Any vacancy in a nomination shall be filled, any appointment to
18 fill a vacancy in the Senate shall be made and any candidates in an
19 election to fill a vacancy in the Senate shall be chosen so as to
20 be consistent with the residency dispersal provisions specified in
21 section four, article VI of the West Virginia Constitution and the
22 additional residency dispersal provisions specified in subsection
23 (e) of this section.

24 (g) Regardless of the changes in senatorial district
25 boundaries made by the provisions of subsection (d) of this
26 section, all senators elected at the general election held in the

1 year 2008 and at the general election held in the year 2010 shall
2 continue to hold their seats as members of the Senate for the term,
3 and as representatives of the senatorial district, for which each
4 thereof, respectively, was elected. Any appointment made or
5 election held to fill a vacancy in the Senate shall be for the
6 remainder of the term and as a representative of the senatorial
7 district, for which the vacating senator was elected or appointed,
8 and any such election shall be held in the district as the same was
9 described and constituted at the time the vacating senator was
10 elected or appointed.

11 (h) The Secretary of State may promulgate rules and
12 regulations to implement the provisions of this section, including
13 emergency rules and regulations promulgated pursuant to the
14 provisions of section five, article three, chapter twenty-nine-a of
15 this code.

16 **§1-2-2b. Precinct boundary changes.**

17 If an election precinct of this state includes territory
18 contained in more than one congressional, senatorial or delegate
19 district, as ~~such~~ the congressional districts are established by
20 section three of this article, the senatorial districts are
21 established by section one of this article, and as ~~such~~ the
22 delegate districts are established by section two of this article,
23 the county commission of the county in which the precinct is
24 located shall, prior to ~~March 15, 2002~~ January 21, 2012, alter the
25 boundary lines of its election precincts so that no precinct
26 contains territory included in more than one congressional,

senatorial or delegate district.
