6 Services shall establish a similar treatment planning process for
7 delinquency cases in which the juvenile has been committed to its
8 custody, including those cases in which the juvenile has been
9 committed for examination and diagnosis.

10 (2) The provisions of this section do not require a
11 multidisciplinary team meeting to be held prior to temporarily
12 placing a child or juvenile out-of-home under exigent circumstances
13 or upon a court order placing a juvenile in a facility operated by
14 the Division of Juvenile Services.

22 to the types of services the team has determined are needed and the
23 type of placement, if any, which will best serve the needs of the
24 child. If the team determines that an out-of-home placement will

1 best serve the needs of the child, the team shall first consider
2 placement with appropriate relatives then with foster care homes,
3 facilities or programs located within the state. The team may only
4 recommend placement in an out-of-state facility if it concludes,
5 after considering the best interests and overall needs of the
6 child, that there are no available and suitable in-state facilities
7 which can satisfactorily meet the specific needs of the child.

8 Any person authorized by the provisions of this chapter to
9 convene a multidisciplinary team meeting may seek and receive an
10 order of the circuit court setting such meeting and directing

21 placement at facilities or programs located within the state. The
22 team may only recommend placement in an out-of-state facility if it
23 concludes, after considering the best interests and overall needs
