34 written for a patient in a LTCF or for a terminally ill patient may  
35 be filled in partial quantities, including, but not limited to,

61 maintained in a computerized system if such a system has the  
62 capability to permit either by display or printout, for each patient  
63 and each medication, all of the information required by this  
64 section as well as the patient's name and address, the name of  
65 each medication, original prescription number, date of issue, and  
66 prescribing practitioner information. The system shall also  
67 allow immediate updating of the prescription record each time  
68 a partial filling of the prescription is performed and immediate  
69 retrieval of all information required under this section.

**§30-5-29. Limitations of article.**

19 her patients such medicines as he or she may deem proper, if  
20 such supply is not made as a sale.

21 (c) The exception provided in subsection (b) of this section  
22 does not apply to an ambulatory health care facility: *Provided,*  
23 That a legally licensed and qualified practitioner of medicine or

8 investigation, the board shall determine if probable cause exists  
9 that the licensee, registrant or permittee has violated subsection  
10 (g) of this section or rules promulgated pursuant to this article.

11 (c) Upon a finding of probable cause to go forward with a  
12 complaint, the board shall provide a copy of the complaint to the

163 (4) A change in the location where the records of the  
164 licensee are retained;

165 (5) The felony conviction of a key person of the licensee;  
166 and

167 (6) Any other material change that the board may specify by  
168 rule.

169 (g) Before denial of a license or application for renewal of  
170 a license, the applicant shall be entitled to a hearing in  
171 accordance with subsection (h), section eight, article one, chapter  
172 thirty of this code.

173 (h) The licensing of any person as a wholesale drug  
174 distributor subjects the person and the person's agents and  
175 employees to the jurisdiction of the board and to the laws of this  
176 state for the purpose of the enforcement of this article, article  
177 five, chapter thirty of this code and the rules of the board.  
178 However, the filing of an application for a license as a wholesale  
179 drug distributor by, or on behalf of, any person or the licensing  
180 of any person as a wholesale drug distributor may not, of itself,  
181 constitute evidence that the person is doing business within this  
182 state.

183 (i) The Board of Pharmacy may adopt rules pursuant to  
184 section nine of this article which permit out-of-state wholesale  
185 drug distributors to obtain any license required by this article on  
186 the basis of reciprocity to the extent that: (1) An out-of-state  
187 wholesale drug distributor possesses a valid license granted by  
188 another state pursuant to legal standards comparable to those  
189 which must be met by a wholesale drug distributor of this state  
190 as prerequisites for obtaining a license under the laws of this  
191 state; and (2) such other state would extend reciprocal treatment  
192 under its own laws to a wholesale drug distributor of this state.
