

1           day.

2           Notwithstanding any provision to the contrary, at the next  
3 general election in 2014 every ballot issued to a voter within the  
4 boundary of a municipality in this state shall include the  
5 following question for the voters of that municipality:

6           "Shall the municipality of \_\_\_\_\_ hold its future  
7 municipal elections on a state general election day?

8                   [ ] Yes                   [ ] No

9           (Place a cross mark in the square next to your choice)"

10          If a majority of the voters of that municipality vote "Yes,"  
11 the municipality shall provide for regular municipal elections on  
12 the state general election day beginning in 2018, and thereafter on  
13 a state general election day. Municipalities are authorized to  
14 stagger the terms of elected municipal officers to effectuate the  
15 transition to the initial election of municipal officers on the  
16 state general election day in 2018.

17          If a majority of the voters in that municipality vote "No,"  
18 the regular election of officers shall continue to be held on the  
19 second Tuesday in June of the appropriate year, unless otherwise  
20 provided in the charter of the city or the special legislative  
21 charters of the towns or villages.

NOTE: The purpose of this bill is to place on the ballot of voters in every municipality of this state the question of whether the municipality shall hold its future municipal elections on a

state general election day.

This section is new; therefore, it has been completely underscored.
