

1  ~~fishing rod or other hunting, fishing or trapping paraphernalia,~~  
2  ~~shall, upon demand of any~~ officer authorized to enforce the  
3 provisions of this chapter shall have authority to require any  
4 person who is hunting, pursuing, or in possession of game in or  
5 near the fields or woods or about the streams of this state to  
6 state his or her correct name and address, and shall exhibit for  
7 inspection: ~~(a)~~ (1) All applicable licenses and documents set  
8 forth in section thirty-six of this article; and ~~(b)~~ (2) all  
9 firearms and wildlife which he or she may have in his or her  
10 possession.

11 (b) The mere fact that a person possesses a firearm shall not  
12 trigger the authority of subsection (a) but may be considered along  
13 with other evidence in a determination as to whether a person is  
14 hunting or pursuing game.

15 (c) Nothing in this section may be construed as authorizing  
16 searches that violate article three, section six of the West  
17 Virginia Constitution or the Fourth Amendment to the Constitution  
18 of the United States, nor may anything in this section be construed  
19 as effecting a waiver of these Constitutional provisions.

NOTE: The purpose of this section is to better clarify the distinction between hunters and shooters in the field. It would allow shooters who are in possession of a firearm in or near the woods to not have to possess a valid hunting license.

Strike-throughs indicate language that would be stricken from the present law, and underscoring indicates new language that would be added.
