Be it enacted by the Legislature of West Virginia:

That chapter forty-nine of the Code of West Virginia, 1931, as amended, be amended and reenacted, all to read as follows:

ARTICLE 1. GENERAL PROVISIONS AND DEFINITIONS.

PART I. GENERAL PROVISIONS AND PURPOSE.

§49-1-101. Short title; intent of recodification.

- 1 (a) This chapter shall be known and may be cited as the
- 2 “West Virginia Child Welfare Act.”

3 (b) The recodification of this chapter during the regular
4 session of the Legislature in the year 2015 is intended to
5 embrace in a revised, consolidated, and codified form and
6 arrangement the laws of the State of West Virginia relating to
7 child welfare at the time of that enactment.

§49-1-102. Legislative Intent; continuation of existing statutory provisions; no increase in funding obligations.

1 In recodifying the child welfare law of this state during the
2 regular session of the Legislature in the year 2015, it is intended
3 by the Legislature that each specific reenactment of a
4 substantively similar prior statutory provision will be construed
5 as continuing the intended meaning of the corresponding prior
6 statutory provision and any existing judicial interpretation of the
7 prior statutory provision. It is not the intent of the Legislature, by
8 recodifying the child welfare law of this state during the regular
9 session of the Legislature in the year 2015 to alter the
10 substantive law of this state as it relates to child welfare or to
11 increase or enlarge any funding obligation of any spending unit
12 of the state.

§49-1-103. Operative date of enactment; effect on existing law.

1 The amendment and reenactment of chapter forty-nine of
2 this code, as enacted by the Legislature during the regular
3 session, 2015, are operative ninety days from passage. The prior
4 enactments of chapter forty-nine of this code, whether amended
5 and reenacted or repealed by the action of the Legislature during
6 the 2015 regular session, have full force and effect until that
7 time.

§49-1-104. West Virginia Code replacement; no increase of funding obligations to be construed.

1 (a) The Department of Health and Human Resources and the
2 Department of Military Affairs and Public Safety are not

3 required to change any form or letter that contains a citation to
4 this code that is changed or otherwise affected by the
5 recodification of this chapter during the 2015 regular session of
6 the Legislature unless specifically required by a provision of this
7 code.

8 (b) No provision of the recodification of this chapter during
9 the 2015 regular session of the Legislature may be construed to
10 increase or enlarge any funding obligation of any spending unit
11 of the state.

§49-1-105. Purpose.

1 (a) It is the purpose of this chapter to provide a system of
2 coordinated child welfare and juvenile justice services for the
3 children of this state. The state has a duty to assure that proper
4 and appropriate care is given and maintained.

5 (b) The child welfare and juvenile justice system shall:

6 (1) Assure each child care, safety and guidance;

7 (2) Serve the mental and physical welfare of the child;

8 (3) Preserve and strengthen the child family ties;

9 (4) Recognize the fundamental rights of children and
10 parents;

11 (5) Develop and establish procedures and programs which
12 are family-focused rather than focused on specific family
13 members, except where the best interests of the child or the
14 safety of the community are at risk;

15 (6) Involve the child, the child's family or the child's
16 caregiver in the planning and delivery of programs and services;

17 (7) Provide community-based services in the least restrictive
18 settings that are consistent with the needs and potentials of the
19 child and his or her family;

20 (8) Provide for early identification of the problems of
21 children and their families, and respond appropriately to prevent
22 abuse and neglect or delinquency;

23 (9) Provide for the rehabilitation of status offenders and
24 juvenile delinquents;

25 (10) As necessary, provide for the secure detention of
26 juveniles alleged or adjudicated delinquent;

27 (11) Provide for secure incarceration of children or juveniles
28 adjudicated delinquent and committed to the custody of the
29 director of the Division of Juvenile Services; and

30 (12) Protect the welfare of the general public.

31 (c) It is also the policy of this state to ensure that those
32 persons and entities offering quality child care are not
33 over-encumbered by licensure and registration requirements and
34 that the extent of regulation of child care facilities and child
35 placing agencies be moderately proportionate to the size of the
36 facility.

37 (d) Through licensure, approval, and registration of child
38 care, the state exercises its benevolent police power to protect
39 the user of a service from risks against which he or she would
40 have little or no competence for self protection. Licensure,
41 approval, and registration processes shall, therefore, continually
42 balance the child's rights and need for protection with the
43 interests, rights and responsibility of the service providers.

§49-1-106. Location of child welfare services; state and federal cooperation; juvenile services.

1 (a) The child welfare service of the state shall be located
2 within and administered by the Department of Health and
3 Human Resources. The Division of Juvenile Services of the
4 Department of Military Affairs and Public Safety shall
5 administer the secure predispositional juvenile detention and
6 juvenile correctional facilities of the state. Notwithstanding any
7 other provision of this code to the contrary, the administrative
8 authority of the Division of Juvenile Services over any child or
9 juvenile in this state extends only to those detained or committed
10 to a secure detention facility or secure correctional facility
11 operated and maintained by the division by an order of a court of
12 competent jurisdiction during the period of actual detention or
13 confinement in the facility.

14 (b) The Department of Health and Human Resources is
15 designated as the state entity to cooperate with the United States
16 Department of Health and Human Services and United States
17 Department of Justice in extending and improving child welfare
18 services, to comply with federal regulations, and to receive and
19 expend federal funds for these services. The Division of Juvenile
20 Services of the Department of Military Affairs and Public Safety
21 is designated as the state entity to cooperate with the United
22 States Department of Health and Human Services and United
23 States Department of Justice in operating, maintaining and
24 improving juvenile correction facilities and centers for the
25 predispositional detention of children, to comply with federal
26 regulations, and to receive and expend federal funds for these
27 services.

28 (c) The Division of Juvenile Services of the Department of
29 Military Affairs and Public Safety is authorized to operate and
30 maintain centers for juveniles needing detention pending

31 disposition by a court having juvenile jurisdiction or temporary
32 care following that court action.

7 (b) The secretary shall prescribe by legislative rule forms
8 and reasonable application procedures including, but not limited
9 to, fingerprinting of applicants and other persons responsible for
10 the care of children for submission to the State Police and, if
11 necessary, to the Federal Bureau of Investigation for criminal
12 history record checks.

13 (c) Before issuing a license, or approval, the secretary shall
14 investigate the facility, program and persons responsible for the
15 care of children. The investigation shall include, but not be
16 limited to, review of resource need, reputation, character and
17 purposes of applicants, a check of personnel criminal records, if
18 any, and personnel medical records, the financial records of
19 applicants, review of the facilities emergency evacuation plan
20 and consideration of the proposed plan for child care from intake
21 to discharge.

22 (d) Before a home registration is granted, the secretary shall
23 make inquiry as to the facility, program and persons responsible
24 for the care of children. The inquiry shall include
25 self-certification by the prospective home of compliance with
26 standards including, but not limited to:

27 (1) Physical and mental health of persons present in the
28 home while children are in care;

29 (2) Criminal and child abuse or neglect history of persons
30 present in the home while children are in care;

31 (3) Discipline;

32 (4) Fire and environmental safety;

33 (5) Equipment and program for the children in care; and

34 (6) Health, sanitation and nutrition.

35 (e) Further inquiry and investigation may be made as the
36 secretary may direct and sees as necessary.

37 (f) The secretary shall make a decision on each application
38 within sixty days of its receipt and shall provide to unsuccessful
39 applicants written reasons for the decision.

§49-2-115. Conditions of licensure, approval and registration.

1 (a) A license or approval is effective for a period up to two
2 years from the date of issuance, unless revoked or modified to
3 provisional status based on evidence of a failure to comply with
4 this chapter or any legislative rules promulgated by the secretary.
5 The license or approval shall be reinstated upon application to
6 the secretary and a determination of compliance.

7 (b) An initial six-month license or approval shall be issued
8 to an applicant establishing a new service found to be in

9 compliance on initial review with regard to policy, procedure,
10 organization, risk management, human resources, service
11 environment and record keeping regulations.

12 (c) A provisional license or approval may be issued when a
13 licensee is not in compliance with the legislative rules
14 promulgated by the secretary but does not pose a significant risk
15 to the rights, well-being, health and safety of a consumer. It shall
16 expire not more than six months from date of issuance, and not
17 be consecutively reissued unless the provisional
18 recommendation is that of the State Fire Marshal.

19 (d) A renewal license or approval may be issued of any
20 duration up to two years at the discretion of the secretary. In the
21 event a renewal license is not issued, the facility must make
22 discharge plans for residents and cease operation within thirty
23 days of the expiration of the license.

24 (e) A certificate of registration is effective for a period up to
25 two years from the date of issuance, unless revoked based on
26 evidence of a failure to comply with this article or any rules
27 promulgated pursuant to this article. The certificate of
28 registration shall be reinstated upon application to the secretary,
29 including a statement of assurance of continued compliance with
30 the legislative rules promulgated pursuant to this article.

31 (f) The license, approval or registration issued under this
32 article is not transferable and applies only to the facility and its
33 location stated in the application. The license, registration or
34 approval shall be publicly displayed. The foster and adoptive
35 family homes, informal family child care homes and relative
36 family child care homes shall be required to display registration
37 certificates of registration or approval upon request rather than
38 by posting.

39 (g) Provisional certificates of registration may be issued to
40 family child care homes.

41 (h) The secretary, as a condition of issuing a license,
42 registration or approval, may:

43 (1) Limit the age, sex or type of problems of children
44 allowed admission to a particular facility;

45 (2) Prohibit intake of any children; or

46 (3) Reduce the number of children which the agency, facility
47 or home operated by the agency is licensed, approved, certified
48 or registered to receive.

§49-2-116. Investigative authority; evaluation; complaint.

1 (a) The secretary shall enforce this article.

2 (b) An on-site evaluation of every facility regulated pursuant
3 to this chapter, except registered family child care homes,
4 informal family child care and relative family child care homes
5 shall be conducted no less than once per year by announced or
6 unannounced visits.

7 (c) A random sample of not less than five percent of the total
8 number of registered family child care homes, informal family
9 child care homes and relative family child care homes shall be
10 monitored annually through on-site evaluations.

11 (d) The secretary shall have access to the premises,
12 personnel, children in care and records of each facility subject to
13 inspection, including at a minimum, case records, corporate and
14 financial records and board minutes. Applicants for licenses,
15 approvals, and certificates of registration shall consent to
16 reasonable on-site administrative inspections, made with or
17 without prior notice, as a condition of licensing, approval, or
18 registration.

19 (e) When a complaint is received by the secretary alleging
20 violations of licensure, approval, or registration requirements,

21 the secretary shall investigate the allegations. The secretary may
22 notify the facility's director before or after a complaint is
23 investigated and shall cause a written report of the results of the
24 investigation to be made.

25 (f) The secretary may enter any unlicensed, unregistered or
26 unapproved child care facility or personal residence for which
27 there is probable cause to believe that the facility or residence is
28 operating in violation of this article. Those entries shall be made
29 with a law-enforcement officer present. The secretary may enter
30 upon the premises of any unregistered residence only after two
31 attempts by the secretary to bring this facility into compliance.

§49-2-117. Revocation; provisional licensure and approval.

1 (a) The secretary may revoke or make provisional the
2 licensure registration of any home facility or child welfare
3 agency regulated pursuant to this chapter if a facility materially
4 violates this article, or any terms or conditions of the license,
5 registration or approval issued, or fails to maintain established
6 requirements of child care. This section does not apply to family
7 child care homes.

8 (b) The secretary may revoke the certificate of registration
9 of any family child care home if a facility materially violates this
10 article, or any terms or conditions of the registration certificate
11 issued, or fails to maintain established requirements of child
12 care.

**§49-2-118. Closing of facilities by the secretary; placement of
children.**

1 When the secretary finds that the operation of a facility
2 constitutes an immediate danger of serious harm to children
3 served by the facility, the secretary shall issue an order of
4 closure terminating operation of the facility. When necessary,

5 the secretary shall place or direct the placement of the children
6 in a residential facility which has been closed into appropriate
7 facilities. A facility closed by the secretary may not operate
8 pending administrative or judicial review without court order.

§49-2-119. Supervision; consultation; State Fire Marshall to cooperate.

1 (a) The secretary shall provide supervision to ascertain
2 compliance with the rules promulgated pursuant to this chapter
3 through regular monitoring, visits to facilities, documentation,
4 evaluation and reporting. The secretary is responsible for
5 training and education, within fiscal limitations, specifically for
6 the improvement of care in family child care homes and
7 facilities. The secretary shall consult with applicants, the
8 personnel of child welfare agencies, and children under care to
9 assure the highest quality child care possible.

10 (b) The State Fire Marshal shall cooperate with the secretary
11 in the administration of this article by providing reports and
12 assistance as may be requested by the secretary.

§49-2-120. Penalties; injunctions; venue.

1 (a) Any individual or corporation which operates a child
2 welfare agency, residential facility or child care center without
3 a license when a license is required is guilty of a misdemeanor
4 and, upon conviction, shall be confined in jail not exceeding one
5 year, or fined not more than \$500, or both fined and confined.

6 (b) Any family child care facility which operates without a
7 license when a license is required is guilty of a misdemeanor
8 and, upon conviction, shall be fined not more than \$500.

9 (c) Where a violation of this article or a legislative rule
10 promulgated by the secretary may result in serious harm to
11 children under care, the secretary may seek injunctive relief

12 against any person, corporation, child welfare agency, child
13 placing agency, child care center, family child care facility,
14 family child care home or governmental official through
15 proceedings instituted by the Attorney General, or the
16 appropriate county prosecuting attorney, in the Circuit Court of
17 Kanawha County or in the circuit court of any county where the
18 children are residing or may be found.

§49-2-121. Rule-making.

1 (a) The secretary shall promulgate legislative rules in
2 accordance with chapter twenty-nine-a of this code regarding the
3 licensure, approval, certification and registration of child care
4 facilities and the implementation of this article. The rules shall
5 provide at a minimum the requirement that every residential
6 child care facility shall be subject to an annual time study
7 regarding the quantification of staff supervision time at each
8 facility. Every residential child care facility shall participate in
9 the time study at the request of the department.

10 (b) The secretary shall review the rules promulgated
11 pursuant to this article at least once every five years, making
12 revisions when necessary or convenient.

13 (c) The rules shall incorporate by reference the requirements
14 of the Integrated Pest Management Program established by
15 legislative rule by the Department of Agriculture under section
16 four, article sixteen-a, chapter nineteen of this code.

§49-2-122. Waivers and variances to rules.

1 Waivers or variances of rules may be granted by the
2 secretary if the health, safety or well-being of a child would not
3 be endangered thereby. The secretary shall promulgate by
4 legislative rule criteria and procedures for the granting of
5 waivers or variances so that uniform practices may be
6 maintained throughout the state.

§49-2-123. Annual reports; directory; licensing reports and recommendations.

1 (a) The secretary shall submit on or before January 1, of
2 each year a report to the Governor and the Legislative Oversight
3 Commission on Health and Human Resources Accountability,
4 concerning the regulation of child welfare agencies, child
5 placing agencies, child care centers, family child care facilities,
6 family child care homes, informal family child care homes,
7 relative family child care homes and child care facilities during
8 the year. The report shall include at a minimum, data on the
9 number of children and staff at each facility (except family child
10 care, informal family child care homes and relative family child
11 care), applications received, types of licenses, approvals and
12 registrations granted, denied, made provisional or revoked and
13 any injunctions obtained or facility closures ordered.

14 (b) The secretary also shall compile annually a directory of
15 licensed, certified and approved child care providers including
16 a brief description of their program and facilities, the program's
17 capacity and a general profile of children served. A listing of
18 family child care homes shall also be compiled annually.

19 (c) Licensing reports and recommendations for licensure
20 which are a part of the yearly review of each licensed facility
21 shall be sent to the facility director. Copies shall be available to
22 the public upon written request to the secretary.

§49-2-124. Certificate of need not required; conditions; review.

1 (a) A certificate of need, as provided in article two-d, chapter
2 sixteen of this code, is not required by an entity proposing
3 behavioral health care facilities or behavioral health care
4 services for children who are placed out of their home, or who
5 are at imminent risk of being placed out of their home, if a
6 summary review is performed in accordance with this section.

7 (b) A summary review of proposed health care facilities or
8 health care services for children who are placed out of their
9 home, or who are at imminent risk of being placed out of their
10 home, is initiated when the proposal is recommended to the
11 health care cost review authority by the Secretary of the
12 Department of Health and Human Resources and the secretary
13 has made the following findings:

14 (1) That the proposed facility or service is consistent with
15 the state health plan;

16 (2) That the proposed facility or service is consistent with
17 the department's programmatic and fiscal plan for behavioral
18 health services for children with mental health and addiction
19 disorders;

20 (3) That the proposed facility or service contributes to
21 providing services that are child and family driven, with priority
22 given to keeping children in their own homes;

23 (4) That the proposed facility or service will contribute to
24 reducing the number of child placements in out-of-state facilities
25 by making placements available in in-state facilities;

26 (5) That the proposed facility or service contributes to
27 reducing the number of child placements in in-state or
28 out-of-state facilities by returning children to their families,
29 placing them in foster care programs or making available
30 school-based and out-patient services; and

31 (6) If applicable, that the proposed services will be
32 community-based, locally accessible and provided in an
33 appropriate setting consistent with the unique needs and
34 potential of each child and his or her family.

35 (c) The secretary's findings required by subsection (b) of
36 this section shall be filed with the secretary's recommendation

37 and appropriate documentation. If the secretary's findings are
38 supported by the accompanying documentation, the proposal
39 shall not require a certificate of need.

40 (d) Any entity that does not qualify for summary review
41 shall be subject to certificate of need review.

42 (e) Notwithstanding any other provision of law to the
43 contrary, the provision of regular or therapeutic foster care
44 services does not constitute a behavioral health care facility or
45 a behavioral health care service that would subject it to the
46 summary review procedure established in this section or to the
47 certificate of need requirements provided in article two-d,
48 chapter sixteen of this code.

**§49-2-125. Commission to Study Residential Placement of
Children; findings; requirements; reports;
recommendations; termination.**

1 (a) The Legislature finds that the state's current system of
2 serving children and families in need of or at risk of needing
3 social, emotional and behavioral health services is fragmented.
4 The existing categorical structure of government programs and
5 their funding streams discourages collaboration, resulting in
6 duplication of efforts and a waste of limited resources. Children
7 are usually involved in multiple child-serving systems, including
8 child welfare, juvenile justice and special education. More than
9 ten percent of children presently in care are presently in
10 out-of-state placements. Earlier efforts at reform have focused
11 on quick fixes for individual components of the system at the
12 expense of the whole. It is the purpose of this section to establish
13 a mechanism to achieve systemic reform by which all of the
14 state's child-serving agencies involved in the residential
15 placement of at-risk youth jointly and continually study and
16 improve upon this system and make recommendations to their
17 respective agencies and to the Legislature regarding funding and

18 statutory, regulatory and policy changes. It is further the
19 Legislature's intent to build upon these recommendations to
20 establish an integrated system of care for at-risk youth and
21 families that makes prudent and cost-effective use of limited
22 state resources by drawing upon the experience of successful
23 models and best practices in this and other jurisdictions, which
24 focuses on delivering services in the least restrictive setting
25 appropriate to the needs of the child, and which produces better
26 outcomes for children, families and the state.

27 (b) There is created within the Department of Health and
28 Human Resources the Commission to Study the Residential
29 Placement of Children. The commission consists of the Secretary
30 of the Department of Health and Human Resources, the
31 Commissioner of the Bureau for Children and Families, the
32 Commissioner for the Bureau for Behavioral Health and Health
33 Facilities, the Commissioner for the Bureau for Medical
34 Services, the State Superintendent of Schools, a representative
35 of local educational agencies, the Director of the Office of
36 Institutional Educational Programs, the Director of the Office of
37 Special Education Programs and Assurance, the Director of the
38 Division of Juvenile Services and the Executive Director of the
39 Prosecuting Attorney's Institute. At the discretion of the West
40 Virginia Supreme Court of Appeals, circuit and family court
41 judges and other court personnel, including the Administrator of
42 the Supreme Court of Appeals and the Director of the Juvenile
43 Probation Services Division, may serve on the commission.
44 These statutory members may further designate additional
45 persons in their respective offices who may attend the meetings
46 of the commission if they are the administrative head of the
47 office or division whose functions necessitate their inclusion in
48 this process. In its deliberations, the commission shall also
49 consult and solicit input from families and service providers.

50 (c) The Secretary of the Department of Health and Human
51 Resources shall serve as chair of the commission, which shall
52 meet on a quarterly basis at the call of the chair.

53 (d) At a minimum, the commission shall study:

54 (1) The current practices of placing children out-of-home
55 and into in-residential placements, with special emphasis on
56 out-of-state placements;

57 (2) The adequacy, capacity, availability and utilization of
58 existing in-state facilities to serve the needs of children requiring
59 residential placements;

60 (3) Strategies and methods to reduce the number of children
61 who must be placed in out-of-state facilities and to return
62 children from existing out-of-state placements, initially targeting
63 older youth who have been adjudicated delinquent;

64 (4) Staffing, facilitation and oversight of multidisciplinary
65 treatment planning teams;

66 (5) The availability of and investment in community-based,
67 less restrictive and less costly alternatives to residential
68 placements;

69 (6) Ways in which up-to-date information about in-state
70 placement availability may be made readily accessible to state
71 agency and court personnel, including an interactive secure web
72 site;

73 (7) Strategies and methods to promote and sustain
74 cooperation and collaboration between the courts, state and local
75 agencies, families and service providers, including the use of
76 inter-agency memoranda of understanding, pooled funding
77 arrangements and sharing of information and staff resources;

78 (8) The advisability of including "no-refusal" clauses in
79 contracts with in-state providers for placement of children whose
80 treatment needs match the level of licensure held by the
81 provider;

82 (9) Identification of in-state service gaps and the feasibility
83 of developing services to fill those gaps, including funding;

84 (10) Identification of fiscal, statutory and regulatory barriers
85 to developing needed services in-state in a timely and responsive
86 way;

87 (11) Ways to promote and protect the rights and
88 participation of parents, foster parents and children involved in
89 out-of-home care;

90 (12) Ways to certify out-of-state providers to ensure that
91 children who must be placed out-of-state receive high quality
92 services consistent with this state's standards of licensure and
93 rules of operation; and

94 (13) Any other ancillary issue relative to foster care
95 placement.

96 (e) The commission shall report annually to the Legislative
97 Oversight Commission on Health and Human Resources
98 Accountability its conclusions and recommendations, including
99 an implementation plan whereby:

100 (1) Out-of-state placements shall be reduced by at least ten
101 percent per year and by at least fifty percent within three years;

102 (2) Child-serving agencies shall develop joint operating and
103 funding proposals to serve the needs of children and families that
104 cross their jurisdictional boundaries in a more seamless way;

105 (3) Steps shall be taken to obtain all necessary federal plan
106 waivers or amendments in order for agencies to work
107 collaboratively while maximizing the availability of federal
108 funds;

109 (4) Agencies shall enter into memoranda of understanding to
110 assume joint responsibilities;

111 (5) System of care components and cooperative relationships
112 shall be incrementally established at the local, state and regional
113 levels, with links to existing resources, such as family resource
114 networks and regional summits, wherever possible; and

115 (6) Recommendations for changes in fiscal, statutory and
116 regulatory provisions are included for legislative action.

117 (f) The commission shall terminate on December 31, 2015,
118 unless continued by act of the Legislature.

PART II. HOME-BASED FAMILY PRESERVATION ACT

§49-2-201. Findings and purpose.

1 The Legislature finds that there exists a need in this state to
2 assist dysfunctional families by providing nurture and care to
3 those families' children as an alternative to removing children
4 from the families.

5 The Legislature also finds that the family is the primary
6 social institution responsible for meeting the needs of children
7 and that the state has an obligation to assist families in this
8 regard.

9 The Legislature further finds that children have significant
10 emotional and social ties to the natural or surrogate family
11 beyond basic care and nurture for which the family is
12 responsible.

13 The purpose of this article is to establish a pilot program to
14 evaluate the utility of providing intensive intervention with the
15 families of children that are at risk of being removed from the
16 home. For these limited purposes, the department is authorized
17 to use available appropriate funds for that intervention service,
18 but only to the extent that moneys would normally be available
19 for the removal and placement of the particular child at risk.

§49-2-202. When family preservation services required.

1 Home-based family preservation services are required in all
2 cases where the removal of a child or children is seriously being
3 considered, whether from a natural home or a surrogate home,
4 wherein a child or children have lived for a substantial period of
5 time. However, those services are not required when the child
6 appears in imminent danger of serious bodily or serious
7 emotional injury.

§49-2-203. Caseload limits for home-based preservation services.

1 For purposes of this article, no contractor employee of the
2 department may exceed three families during any period of time
3 when that contractor employee is engaged in providing intensive,
4 short term home-based family preservation intervention. In
5 addition, no caseload may exceed six families during any period
6 of time when home-based aftercare is provided pursuant to this
7 article. When providing either type of home-based family
8 preservation services to any family, the department or contractor
9 shall provide trained personnel who shall be available during
10 nonworking hours to assist families on an emergency basis.

§49-2-204. Situational criteria requiring service.

1 The services required by this article shall be made available
2 to any dysfunctional family in which there exists an imminent
3 risk of placement of at least one child outside the home as the
4 result of abuse, neglect, dependency or delinquency or any
5 emotional and behavioral problems. Payment for contractual
6 services shall be on a cost-per-family basis. Any renewal of a
7 contract shall be based on performance.

**§49-2-205. Service delivery through service contracts;
accountability.**

1 The services required by this article which are not practically
2 deliverable directly from the department may be subcontracted

3 to professionally qualified private individuals, associations,
4 agencies, corporations, partnerships or groups. The service
5 provider shall be required to submit monthly activity reports as
6 to any services rendered to the department of human services.
7 The activity reports shall include project evaluation in relation
8 to individual families being served as well as statistical data
9 concerning families that are referred for services which are not
10 served due to unavailability of resources. The costs of program
11 evaluation are an allowable cost consideration in any service
12 contract negotiated in accordance with this article. The
13 department shall conduct a thorough investigation of the
14 contractors utilized by the department pursuant to this article.

§49-2-206. Special services to be provided.

1 The costs of providing special services to families receiving
2 regular services in accordance with this article are allowable to
3 the extent those goods and services are justified pursuant to
4 carrying out the purposes of this article. Those special services
5 may include, but are not limited to, homemaker assistance, food,
6 clothing, educational materials, respite care and recreational or
7 social activities.

§49-2-207. Development of home-based family preservation services.

1 The department is authorized to use appropriate state,
2 federal, and/or private funds within its budget for the provision
3 of family preservation and reunification services. Appropriated
4 state funding made available through capture of additional
5 federal funds shall be utilized to provide family preservation and
6 reunification services as described in this article. Costs of
7 providing home-based services described in this article shall not
8 exceed the costs of out-of-home care which would be incurred
9 otherwise.

PART III. QUALITY IMPROVEMENT AND
RATING SYSTEM FOR CHILD CARE.

§49-2-301. Findings and intent; advisory council.

1 (a) The Legislature finds that:

2 (1) High quality early childhood development substantially
3 improves the intellectual and social potential of children and
4 reduces societal costs;

5 (2) A child care program quality rating and improvement
6 system provides incentives and resources to improve the quality
7 child care programs; and

8 (3) A child care program quality rating and improvement
9 system provides information about the quality of child care
10 programs to parents so they may make more informed decisions
11 about the placement of their children.

12 (b) It is the intent of the Legislature to require the Secretary
13 of the Department of Health and Human Resources promulgate
14 a legislative rule and establish a plan for the phased
15 implementation of a child care program quality rating and
16 improvement system not inconsistent with the provisions of this
17 article.

18 (c) The Secretary of the Department of Health and Human
19 Resources shall create a Quality Rating and Improvement
20 System Advisory Council to provide advice on the development
21 of the rule and plan for the phased implementation of a child
22 care program quality rating and improvement system and the
23 ongoing program review and policies for quality improvement.
24 The secretary shall facilitate meetings of the advisory council.
25 The advisory council shall include representatives from the
26 provider community, advocacy groups, the Legislature,
27 providers of professional development services for the early

28 childhood community, regulatory agencies and others who may
29 be impacted by the creation of a quality rating and improvement
30 system.

31 (d) Nothing in this article requires an appropriation, or any
32 specific level of appropriation, by the Legislature.

**§49-2-302. Creation of statewide quality rating system; rule-
making; minimum requirements.**

1 (a) The Secretary of the Department of Health and Human
2 Resources shall propose rules for legislative approval in
3 accordance with the provisions of article three, chapter
4 twenty-nine-a of this code to implement a quality rating and
5 improvement system. The quality rating and improvement
6 system shall be applicable to licensed child care centers and
7 facilities and registered family child care homes. If other types
8 of child care settings, such as school-age child care programs
9 become licensed after the implementation of a statewide quality
10 rating and improvement system, the secretary may develop
11 quality criteria and incentives that will allow the other types of
12 child care settings to participate in the quality rating and
13 improvement system. The rules shall include, but are not limited
14 to, the following:

15 (1) A four-star rating system for registered family child care
16 homes and a four-star rating system for all licensed programs,
17 including family child care facilities and child care centers, to
18 easily communicate to consumers four progressively higher
19 levels of quality child care. One star indicating meeting the
20 minimum acceptable standard and four stars indicating meeting
21 or exceeding the highest standard. The system shall reflect the
22 cumulative attainment of the standards at each level and all
23 lesser levels. However, any program accredited by the National
24 Association for the Education of Young Children or the National
25 Association for Family Child Care, as applicable, shall
26 automatically be awarded four-star status;

27 (2) Program standards for registered family child care homes
28 and program standards for all licensed programs, including
29 family child care facilities and child care centers, that are each
30 divided into four levels of attributes that progressively improve
31 the quality of child care beginning with basic state registration
32 and licensing requirements at level one, through achievement of
33 a national accreditation by the appropriate organization at level
34 four. Participation beyond the first level is voluntary. The
35 program standards shall be categorized using the West Virginia
36 State Training and Registry System Core Knowledge Areas or its
37 equivalent;

38 (3) Accountability measures that provide for a fair, valid,
39 accurate and reliable assessment of compliance with quality
40 standards, including, but not limited to:

41 (A) Evaluations conducted by trained evaluators with
42 appropriate early childhood education and training on the
43 selected assessment tool and with a demonstrated inter-rater
44 reliability of eighty-five percent or higher. The evaluations shall

6 required for a child with special health care needs, shall be
7 applied toward the total cost of treatment.

PART VI. WEST VIRGINIA FAMILY SUPPORT PROGRAM.

§49-2-601. Findings; intent.

1 (a) The West Virginia Legislature finds that families are the
2 greatest resource available to individuals with developmental
3 disabilities, and they must be supported in their role as primary
4 caregivers. It further finds that supporting families in their effort
5 to care for their family members at home is more efficient, cost
6 effective and humane than placing the developmentally disabled
7 person in an institutional setting.

8 (b) The Legislature accepts the following as basic principles
9 for providing services to support families of people with
10 developmental disabilities:

11 (1) The quality of life of children with developmental
12 disabilities, their families and communities is enhanced by
13 caring for the children within their own homes. Children with
14 disabilities benefit by growing up in their own families, families
15 benefit by staying together and communities benefit from the
16 inclusion of people with diverse abilities.

17 (2) Adults with developmental disabilities should be
18 afforded the opportunity to make decisions for themselves, live

19 in typical homes and communities and exercise their full rights
20 as citizens. Developmentally disabled adults should have the
21 option of living separately from their families but when this is
22 not the case, families of disabled adults should be provided the
23 support services they need.

24 (3) Services and support for families should be
25 individualized and flexible, should focus on the entire family and
26 should promote the inclusion of people with developmental
27 disabilities in all aspects of school and community life.

28 (4) Families are the best experts about what they need. The
29 service system can best assist families by supporting families as
30 decision makers as opposed to making decisions for them.

31 (c) The Legislature finds that there are at least ten thousand
32 West Virginians with developmental disabilities who live with
33 and are supported by their families, and that the state's policy is
34 to prevent the institutionalization of people with developmental
35 disabilities.

36 (d) To maximize the number of families supported by this
37 program, each family will contribute to the cost of goods and
38 services based on their ability to pay, taking into account their
39 needs and resources.

40 (e) Therefore, it is the intent of the Legislature to initiate,
41 within the resources available, a program of services to support
42 families who are caring for family members with developmental
43 disabilities in their homes.

**§49-2-602. Family support services; responsibilities; funds; case
management; outreach; differential fees.**

1 (a) The regional family support agency, designated under
2 article two of this chapter, shall direct and be responsible for the
3 individual assessment of each developmentally disabled person

4 which it has designated and shall prepare a service plan with the
5 developmentally disabled person's family. The needs and
6 preferences of the family will be the basis for determining what
7 goods and services will be made available within the resources
8 available.

9 (b) The family support program may provide funds to
10 families to purchase goods and services included in the family
11 service plan. Those goods and services related to the care of the
12 developmentally disabled person may include, but are not
13 limited to:

- 14 (1) Respite care;
- 15 (2) Personal and attendant care;
- 16 (3) Child care;
- 17 (4) Architectural and vehicular modifications;
- 18 (5) Health-related costs not otherwise covered;
- 19 (6) Equipment and supplies;

- 22 (9) Transportation;
- 23 (10) Utility costs;
- 24 (11) Integrated community activities; and
- 25 (12) Training and technical assistance.

26 (c) As part of the family support program, the regional
27 family support agency, designated under section six hundred two

28 of this article, shall provide case management for each family to
29 provide information, service coordination and other assistance as
30 needed by the family.

31 (d) The family support program shall assist families of
32 developmentally disabled adults in planning and obtaining
33 community living arrangements, employment services and other
34 resources needed to achieve, to the greatest extent possible,
35 independence, productivity and integration of the
36 developmentally disabled adult into the community.

37 (e) The family support program shall conduct outreach to
38 identify families in need of assistance and shall maintain a
39 waiting list of individuals and families in the event that there are
40 insufficient resources to provide services to all those who request
41 them.

42 (f) The family support program may provide for differential
43 fees for services under the program or for appropriate cost
44 participation by the recipient families consistent with the goals
45 of the program and the overall financial condition of the family.

46 (g) Funds, goods or services provided to eligible families by
47 the family support program under this article shall not be
48 considered as income to those families for any purpose under
49 this code or under the rules and regulations of any agency of
50 state government.

§49-2-603. Eligibility; primary focus.

1 (a) To be eligible for the family support program, a family
2 must have at least one family member who has a developmental
3 disability, as defined in this article, living with the family.

4 (b) The primary focus of the family support program is
5 supporting: (1) Developmentally disabled children, school age
6 and younger, within their families; (2) adults with developmental

7 disabilities who choose to live with their families; and (3) adults
8 with developmental disabilities for whom other community
9 living arrangements are not available and who are living with
10 their families.

**§49-2-604. Program administration; implementation; procedures;

2 is the Department of Health and Human Resources.

4 initially implement the family support program through contracts
5 with an agency within four of the state's behavioral health
6 regions, with the four regions to be determined by the
7 Department of Health and Human Resources in consultation with
8 the state family support council. These regional family support
9 agencies of the family support program will be responsible for
10 implementing this article and subsequent policies for the families
11 of persons with developmental disabilities residing within their
12 respective regions.

13 (c) The Department of Health and Human Resources, in
14 conjunction with the state family support council, shall adopt
15 policies and procedures regarding:

16 (1) Development of annual budgets;

17 (2) Program specifications;

18 (3) Criteria for awarding contracts for operation of regional
19 family support programs and the role of regional family support
20 councils;

21 (4) Annual evaluation of services provided by each regional
22 family support agency, including consumer satisfaction;

29 the funds available; and

31 actions of the family support program.

32 (d) The Department of Health and Human Resources shall
33 submit a report to the Governor and the Legislature on the family
34 support program by September 15, of every year so long as the
35 program is funded.

**§49-2-605. Regional and state family support councils;
membership; meetings; reimbursement of
expenses.**

1 (a) Each regional family support agency shall establish a
2 regional family support council comprised of at least seven
3 members, of whom at least a majority shall be persons with
4 developmental disabilities or their parents or primary caregivers.
5 Each regional family support council shall meet at least quarterly
6 to advise the regional family support agency on matters related
7 to local implementation of the family support program and to
8 communicate information and recommendations regarding the
9 family support program to the State Family Support Council.

10 (b) The Secretary of the Department of Health and Human
11 Resources shall appoint a State Family Support Council

6 home;

7 (3) To stabilize the home environment, to preserve family
8 life whenever possible;

9 (4) To promote adult responsibility for protecting children;
10 and

11 (5) To encourage cooperation among the states to prevent

13 the problems of child abuse and neglect.

**§49-2-802. Establishment of child protective services; general
duties and powers; administrative procedure;
immunity from civil liability; cooperation of other
state agencies.**

2 county a local child protective services office to perform the
3 duties and functions set forth in this article.

4 (b) The local child protective services office shall investigate
5 all reports of child abuse or neglect. Under no circumstances
6 may investigating personnel be relatives of the accused, the child
7 or the families involved. In accordance with the local plan for
8 child protective services, it shall provide protective services to
9 prevent further abuse or neglect of children and provide for or
10 arrange for and coordinate and monitor the provision of those
11 services necessary to ensure the safety of children. The local
12 child protective services office shall be organized to maximize
13 the continuity of responsibility, care and service of individual
14 workers for individual children and families. Under no
15 circumstances may the secretary or his or her designee
16 promulgate rules or establish any policy which restricts the scope
17 or types of alleged abuse or neglect of minor children which are
18 to be investigated or the provision of appropriate and available
19 services.

20 (c) Each local child protective services office shall:

21 (1) Receive or arrange for the receipt of all reports of
22 children known or suspected to be abused or neglected on a
23 twenty-four hour, seven-day-a-week basis and cross-file all
24 reports under the names of the children, the family and any

25 person substantiated as being an abuser or neglecter by
26 investigation of the Department of Health and Human
27 Resources, with use of cross-filing of the person's name limited
28 to the internal use of the department;

29 (2) Provide or arrange for emergency children's services to
30 be available at all times;

31 (3) Upon notification of suspected child abuse or neglect,
32 commence or cause to be commenced a thorough investigation
33 of the report and the child's environment. As a part of this
34 response, within fourteen days there shall be a face-to-face
35 interview with the child or children and the development of a
36 protection plan, if necessary for the safety or health of the child,
37 which may involve law-enforcement officers or the court;

38 (4) Respond immediately to all allegations of imminent
39 danger to the physical well-being of the child or of serious
40 physical abuse. As a part of this response, within seventy-two
41 hours there shall be a face-to-face interview with the child or
42 children and the development of a protection plan, which may
43 involve law-enforcement officers or the court; and

44 (5) In addition to any other requirements imposed by this
45 section, when any matter regarding child custody is pending, the
46 circuit court or family court may refer allegations of child abuse
47 and neglect to the local child protective services office for
48 investigation of the allegations as defined by this chapter and
49 require the local child protective services office to submit a
50 written report of the investigation to the referring circuit court or
51 family court within the time frames set forth by the circuit court
52 or family court.

53 (d) In those cases in which the local child protective services
54 office determines that the best interests of the child require court

55 action, the local child protective services office shall initiate the
56 appropriate legal proceeding.

57 (e) The local child protective services office shall be
58 responsible for providing, directing or coordinating the
59 appropriate and timely delivery of services to any child
60 suspected or known to be abused or neglected, including services
61 to the child's family and those responsible for the child's care.

62 (f) To carry out the purposes of this article, all departments,
63 boards, bureaus and other agencies of the state or any of its
64 political subdivisions and all agencies providing services under
65 the local child protective services plan shall, upon request,
66 provide to the local child protective services office any
67 assistance and information as will enable it to fulfill its
68 responsibilities.

69 (g)(1) In order to obtain information regarding the location
70 of a child who is the subject of an allegation of abuse or neglect,
71 the Secretary of the Department of Health and Human Resources
72 may serve, by certified mail or personal service, an
73 administrative subpoena on any corporation, partnership,
74 business or organization for the production of information
75 leading to determining the location of the child.

76 (2) In case of disobedience to the subpoena, in compelling
77 the production of documents, the secretary may invoke the aid
78 of:

79 (A) The circuit court with jurisdiction over the served party
80 if the person served is a resident; or

81 (B) The circuit court of the county in which the local child
82 protective services office conducting the investigation is located
83 if the person served is a nonresident.

84 (3) A circuit court shall not enforce an administrative
85 subpoena unless it finds that:

86 (A) The investigation is one the Division of Child Protective
87 Services is authorized to make and is being conducted pursuant
88 to a legitimate purpose;

89 (B) The inquiry is relevant to that purpose;

90 (C) The inquiry is not too broad or indefinite;

91 (D) The information sought is not already in the possession
92 of the Division of Child Protective Services; and

93 (E) Any administrative steps required by law have been
94 followed.

95 (4) If circumstances arise where the secretary, or his or her
96 designee, determines it necessary to compel an individual to
97 provide information regarding the location of a child who is the
98 subject of an allegation of abuse or neglect, the secretary, or his
99 or her designee, may seek a subpoena from the circuit court with
100 jurisdiction over the individual from whom the information is
101 sought.

102 (h) No child protective services caseworker may be held
103 personally liable for any professional decision or action taken
104 pursuant to that decision in the performance of his or her official
105 duties as set forth in this section or agency rules promulgated
106 thereupon. However, nothing in this subsection protects any
107 child protective services worker from any liability arising from
108 the operation of a motor vehicle or for any loss caused by gross
109 negligence, willful and wanton misconduct or intentional
110 misconduct.

§49-2-803. Persons mandated to report suspected abuse and neglect; requirements.

1 (a) Any medical, dental or mental health professional,
2 Christian Science practitioner, religious healer, school teacher or
3 other school personnel, social service worker, child care or foster
4 care worker, emergency medical services personnel, peace
5 officer or law-enforcement official, humane officer, member of
6 the clergy, circuit court judge, family court judge, employee of
7 the Division of Juvenile Services, magistrate, youth camp
8 administrator or counselor, employee, coach or volunteer of an
9 entity that provides organized activities for children, or
10 commercial film or photographic print processor who has
11 reasonable cause to suspect that a child is neglected or abused or
12 observes the child being subjected to conditions that are likely to
13 result in abuse or neglect shall immediately, and not more than
14 forty-eight hours after suspecting this abuse or neglect, report the
15 circumstances or cause a report to be made to the Department of
16 Health and Human Resources. In any case where the reporter
17 believes that the child suffered serious physical abuse or sexual
18 abuse or sexual assault, the reporter shall also immediately
19 report, or cause a report to be made, to the State Police and any
20 law-enforcement agency having jurisdiction to investigate the
21 complaint. Any person required to report under this article who
22 is a member of the staff or volunteer of a public or private
23 institution, school, entity that provides organized activities for
24 children, facility or agency shall also immediately notify the
25 person in charge of the institution, school, entity that provides
26 organized activities for children, facility or agency, or a
27 designated agent thereof, who may supplement the report or
28 cause an additional report to be made.

29 (b) Any person over the age of eighteen who receives a
30 disclosure from a credible witness or observes any sexual abuse
31 or sexual assault of a child, shall immediately, and not more than
32 forty-eight hours after receiving that disclosure or observing the

33 sexual abuse or sexual assault, report the circumstances or cause
34 a report to be made to the Department of Health and Human
35 Resources or the State Police or other law-enforcement agency
36 having jurisdiction to investigate the report. In the event that the
37 individual receiving the disclosure or observing the sexual abuse
38 or sexual assault has a good faith belief that the reporting of the
39 event to the police would expose either the reporter, the subject
40 child, the reporter's children or other children in the subject
41 child's household to an increased threat of serious bodily injury,
42 the individual may delay making the report while he or she
43 undertakes measures to remove themselves or the affected
44 children from the perceived threat of additional harm and the
45 individual makes the report as soon as practicable after the threat
46 of harm has been reduced. The law-enforcement agency that
47 receives a report under this subsection shall report the
48 allegations to the Department of Health and Human Resources
49 and coordinate with any other law-enforcement agency, as
50 necessary to investigate the report.

51 (c) Nothing in this article is intended to prevent individuals
52 from reporting suspected abuse or neglect on their own behalf.
53 In addition to those persons and officials specifically required to
54 report situations involving suspected abuse or neglect of
55 children, any other person may make a report if that person has
56 reasonable cause to suspect that a child has been abused or
57 neglected in a home or institution or observes the child being
58 subjected to conditions or circumstances that would reasonably
59 result in abuse or neglect.

§49-2-804. Notification of disposition of reports.

1 The Department of Health and Human Resources shall
2 continue to develop, update and implement a procedure to notify
3 any person mandated to report suspected child abuse and neglect
4 pursuant to section eight hundred three of this article, of whether

6 been initiated and when the investigation is completed.

4 well as implement evidence-based programs that reduce
5 incidents of child maltreatment including sexual abuse. Training
6 for persons require to report and the general public shall include:

7 (1) Indicators of child abuse and neglect;

8 (2) Tactics used by sexual abusers;

9 (3) How and when to make a report; and

10 (4) Protective factors that prevent abuse and neglect in order
11 to promote adult responsibility for protecting children,
12 encourage maximum reporting of child abuse and neglect, and
13 to improve communication, cooperation and coordination among
14 all agencies involved in the identification, prevention and
15 treatment of the abuse and neglect of children.

**§49-2-806. Mandatory reporting of suspected animal cruelty by
child protective service workers.**

1 In the event a child protective service worker, in response to
2 a report mandated by section eight hundred two and eight
3 hundred three of this article, forms a reasonable suspicion that an
4 animal is the victim of cruel or inhumane treatment, he or she
5 shall report the suspicion and the basis therefor to the county
6 humane officer provided under section one, article ten, chapter
7 seven of this code within twenty-four hours of the response to
8 the report.

**§49-2-807. Mandatory reporting to medical examiner or coroner;
postmortem investigation.**

1 Any person or official who is required pursuant to section
2 eight hundred three of this article to report cases of suspected

3 child abuse or neglect and who has reasonable cause to suspect
4 that a child has died as a result of child abuse or neglect, shall
5 report that fact to the appropriate medical examiner or coroner.
6 Upon the receipt of that report, the medical examiner or coroner
7 shall cause an investigation to be made and report his or her
8 findings to the police, the appropriate prosecuting attorney, the
9 local child protective service agency and, if the institution
10 making a report is a hospital, to the hospital.

§49-2-808. Photographs and X rays.

1 Any person required to report cases of children suspected of

5 radiological examinations of the child. Any photographs or X
6 rays taken shall be sent to the appropriate child protective
7 service as soon as possible.

§49-2-809. Reporting procedures.

1 (a) Reports of child abuse and neglect pursuant to this article

3 child protective service agency and shall be followed by a
4 written report within forty-eight hours if so requested by the
5 receiving agency. The state department shall establish and
6 maintain a twenty-four hour, seven-day-a-week telephone
7 number to receive those calls reporting suspected or known child
8 abuse or neglect.

9 (b) A copy of any report of serious physical abuse, sexual
10 abuse or assault shall be forwarded by the department to the
11 appropriate law-enforcement agency, the prosecuting attorney or
12 the coroner or medical examiner's office. All reports under this
13 article are confidential. Reports of known or suspected
14 institutional child abuse or neglect shall be made and received as
15 all other reports made pursuant to this article.

§49-2-810. Immunity from liability.

1 Any person, official or institution participating in good faith
2 in any act permitted or required by this article are immune from
3 any civil or criminal liability that otherwise might result by
4 reason of those actions.

§49-2-811. Abrogation of privileged communications; exception.

1 The privileged quality of communications between husband
2 and wife and between any professional person and his or her
3 patient or his or her client, except that between attorney and
4 client, is hereby abrogated in situations involving suspected or
5 known child abuse or neglect.

5 knowingly fails to do so or knowingly prevents another person
6 acting reasonably from doing so, is guilty of a misdemeanor and,
7 upon conviction, shall be confined in jail not more than thirty
8 days or fined not more than \$1,000, or both fined and confined.

§49-2-813. Statistical index; reports.

1 The Department of Health and Human Resources shall
2 maintain a statewide child abuse and neglect statistical index of
3 all substantiated allegations of child abuse or neglect cases to
4 include information contained in the reports required under this
5 article and any other information considered appropriate by the
6 Secretary of the Department of Health and Human Resources.
7 Nothing in the statistical data index maintained by the
8 Department of Health and Human Resources may contain
9 information of a specific nature that would identify individual
10 cases or persons. Notwithstanding section two hundred one,
11 article four of this chapter, the Department of Health and Human

12 Resources shall provide copies of the statistical data maintained
13 pursuant to this subsection to the State Police child abuse and
14 neglect investigations unit to carry out its responsibilities to
15 protect children from abuse and neglect.

§49-2-901. Policy; cooperation.

1 (a) It is the policy of the state to:

2 (1) Provide a coordinated continuum of care for its children
3 who have been charged with an offense which would be a crime
4 if committed by an adult, whether they are taken into custody
5 and securely detained or released pending adjudication by the
6 court; and

7 (2) Ensure the safe and efficient custody of a securely
8 detained child through the entire juvenile justice process, and
9 this can best be accomplished by the state by providing for

11 government which are charged with responsibilities for the
12 children of the state.

13 (b) When any juvenile is ordered by the court to be
14 transferred from the custody of one of these agencies into the

§49-4-104. General provisions relating to court orders regarding custody; rules.

1 (a) The Supreme Court of Appeals, in consultation with the
2 Department of Health and Human Resources and the Division of
3 Juvenile Services in order to eliminate unnecessary state funding

6 chapter forty-nine of this code which authorize disclosure and
7 transfer of juvenile records between agencies while requiring
8 maintenance of confidentiality, Child Welfare Services, 42

6 particular needs of the child. A court may not order the
7 placement of a child in a particular facility, including status
8 offender facilities operated by the Division of Juvenile Services,
9 if it has reached its licensed capacity or order conditions on the

12 and adjust the schedule as appropriate. Every psychologist,
13 psychiatrist, physician, therapist or other health care professional
14 shall be paid by the Department of Health and Human Resources

18 Human Resources.

2 appointed hereunder the guardianship of the estate of the child,
3 or to change the age of minority for any other purpose except the
4 custody of the child.

5 The guardian of the estate of a child committed to
6 guardianship hereunder shall furnish, when and in the form as
7 may be required, full information concerning the property of the
8 child to the state department or to the court or judge before
9 whom the case of the child is heard.

**§49-4-110. Foster care; quarterly status review; transitioning
adults; annual permanency hearings.**

1 (a) For each child who remains in foster care as a result of a
2 juvenile proceeding or as a result of a child abuse and neglect
3 proceeding, the circuit court with the assistance of the
4 multidisciplinary treatment team shall conduct quarterly status
5 reviews in order to determine the safety of the child, the
6 continuing necessity for and appropriateness of the placement,

7 the extent of compliance with the case plan, and the extent of
8 progress which has been made toward alleviating or mitigating
9 the causes necessitating placement in foster care, and to project
10 a likely date by which the child may be returned to and safety
11 maintained in the home or placed for adoption or legal
12 guardianship. Quarterly status reviews shall commence three
13 months after the entry of the placement order. The permanency
14 hearing provided in subsection (c) of this section may be
15 considered a quarterly status review.

16 (b) For each transitioning adult as that term is defined in
17 section two hundred two, article one of this chapter who remains
18 in foster care, the circuit court shall conduct status review
19 hearings as described in subsection (a) of this section once every
20 three months until permanency is achieved.

21 (c) For each child or transitioning adult who continues to
22 remain in foster care, the circuit court shall conduct a
23 permanency hearing no later than twelve months after the date
24 the child or transitioning adult is considered to have entered
25 foster care, and at least once every twelve months thereafter until
26 permanency is achieved. For purposes of permanency planning
27 for transitioning adults, the circuit court shall make factual
28 findings and conclusions of law as to whether the department
29 made reasonable efforts to finalize a permanency plan to prepare
30 a transitioning adult for emancipation or independence or
31 another approved permanency option such as, but not limited to,
32 adoption or legal guardianship pursuant to the West Virginia
33 Guardianship and Conservatorship Act.

34 (d) Nothing in this section may be construed to abrogate the
35 responsibilities of the circuit court from conducting required
36 hearings as provided in other provisions of this code, procedural
37 court rules, or setting required hearings at the same time.

§49-4-111. Criteria and procedure for temporary removal of child from foster home; foster care arrangement termination; notice of child's availability for placement; adoption; sibling placements; limitations.

1 (a) The department may temporarily remove a child from a
2 foster home based on an allegation of abuse or neglect, including
3 sexual abuse, that occurred while the child resided in the home.
4 If the department determines that reasonable cause exists to
5 support the allegation, the department shall remove all foster
6 children from the arrangement, preclude contact between the
7 children and the foster parents, provide written notice to the
8 multidisciplinary treatment team members and schedule an
9 emergency team meeting to address placement options. If, after
10 investigation, the allegation is determined to be true by the
11 department or after a judicial proceeding a court finds the
12 allegation to be true or if the foster parents fail to contest the
13 allegation in writing within twenty calendar days of receiving
14 written notice of the allegations, the department shall
15 permanently terminate all foster care arrangements with the
16 foster parents. If the department determines that the abuse
17 occurred due to no act or failure to act on the part of the foster
18 parents and that continuation of the foster care arrangement is in
19 the best interests of the child, the department may, in its
20 discretion, elect not to terminate the foster care arrangement or
21 arrangements.

22 (b) When a child has been placed in a foster care
23 arrangement for a period in excess of eighteen consecutive
24 months, and the department determines that the placement is a
25 fit and proper place for the child to reside, the foster care
26 arrangement may not be terminated unless the termination is in
27 the best interest of the child and:

28 (1) The foster care arrangement is terminated pursuant to
29 subsection (a) of this section;

30 (2) The foster care arrangement is terminated due to the
31 child being returned to his or her parent or parents;

32 (3) The foster care arrangement is terminated due to the
33 child being united or reunited with a sibling or siblings;

34 (4) The foster parent or parents agree to the termination in
35 writing;

36 (5) The foster care arrangement is terminated at the written
37 request of a foster child who has attained the age of fourteen; or

38 (6) A court orders the termination upon a finding that the
39 department has developed a more suitable long-term placement
40 for the child upon hearing evidence in a proceeding brought by
41 the department seeking removal and transfer.

42 (c) When a child has been residing in a foster home for a
43 period in excess of six consecutive months in total and for a
44 period in excess of thirty days after the parental rights of the
45 child's biological parents have been terminated and the foster
46 parents have not made an application to the department to
47 establish an intent to adopt the child within thirty days of
48 parental rights being terminated, the department may terminate
49 the foster care arrangement if another, more beneficial,
50 long-term placement of the child is developed. If the child is
51 twelve years of age or older, the child shall be provided the
52 option of remaining in the existing foster care arrangement if the
53 child so desires and if continuation of the existing arrangement
54 is in the best interest of the child.

55 (d)(1) When a child is placed into foster care or becomes
56 eligible for adoption and a sibling or siblings have previously
57 been placed in foster care or have been adopted, the department
58 shall notify the foster parents or adoptive parents of the
59 previously placed or adopted sibling or siblings of the child's

60 availability for foster care placement or adoption to determine if
61 the foster parents or adoptive parents are desirous of seeking a
62 foster care arrangement or adoption of the child.

63 (2) Where a sibling or siblings have previously been
64 adopted, the department shall also notify the adoptive parents of
65 a sibling of the child's availability for foster care placement in
66 that home and a foster care arrangement entered into to place the
67 child in the home if the adoptive parents of the sibling are
68 otherwise qualified or can become qualified to enter into a foster
69 care arrangement with the department and if the arrangement is
70 in the best interests of the child.

71 (3) The department may petition the court to waive
72 notification to the foster parents or adoptive parents of the
73 child's siblings. This waiver may be granted, ex parte, upon a
74 showing of compelling circumstances.

75 (e)(1) When a child is in a foster care arrangement and is
76 residing separately from a sibling or siblings who are in another
77 foster home or who have been adopted by another family and the
78 parents with whom the placed or adopted sibling or siblings
79 reside have made application to the department to establish an
80 intent to adopt or to enter into a foster care arrangement
81 regarding a child so that the child may be united or reunited with
82 a sibling or siblings, the department shall, upon a determination
83 of the fitness of the persons and household seeking to enter into
84 a foster care arrangement or seek an adoption which would unite
85 or reunite siblings, and if termination and new placement are in
86 the best interests of the children, terminate the foster care
87 arrangement and place the child in the household with the sibling
88 or siblings.

89 (2) If the department is of the opinion based upon available
90 evidence that residing in the same home would have a harmful
91 physical, mental or psychological effect on one or more of the

92 sibling children or if the child has a physical or mental disability
93 which the existing foster home can better accommodate, or if the
94 department can document that the reunification of the siblings
95 would not be in the best interest of one or all of the children, the
96 department may petition the circuit court for an order allowing
97 the separation of the siblings to continue.

98 (3) If the child is twelve years of age or older, the
99 department shall provide the child the option of remaining in the
100 existing foster care arrangement if remaining is in the best
101 interests of the child. In any proceeding brought by the
102 department to maintain separation of siblings, the separation
103 may be ordered only if the court determines that clear and
104 convincing evidence supports the department's determination.

105 (4) In any proceeding brought by the department seeking to
106 maintain separation of siblings, notice afforded, in addition to
107 any other persons required by any provision of this code to
108 receive notice, to the persons seeking to adopt a sibling or
109 siblings of a previously placed or adopted child and the persons
110 may be parties to the action.

111 (f) Where two or more siblings have been placed in separate
112 foster care arrangements and the foster parents of the siblings
113 have made application to the department to enter into a foster
114 care arrangement regarding the sibling or siblings not in their
115 home or where two or more adoptive parents seek to adopt a
116 sibling or siblings of a child they have previously adopted, the
117 department's determination as to placing the child in a foster
118 care arrangement or in an adoptive home shall be based solely
119 upon the best interests of the siblings.

§49-4-112. Subsidized adoption and legal guardianship; conditions.

1 (a) From funds appropriated to the Department of Health and
2 Human Resources, the secretary shall establish a system of

3 assistance for facilitating the adoption or legal guardianship of
4 children. An adoption subsidy shall be available for children who
5 are legally free for adoption and who are dependents of the
6 department or a child welfare agency licensed to place children
7 for adoption. A legal guardianship subsidy may not require the
8 surrender or termination of parental rights. For either subsidy,
9 the children must be in special circumstances because one or
10 more of the following conditions inhibit their adoption or legal
11 guardianship placement:

12 (1) They have a physical or mental disability;

13 (2) They are emotionally disturbed;

14 (3) They are older children;

15 (4) They are a part of a sibling group; or

16 (5) They are a member of a racial or ethnic minority.

17 (b) (1) The department shall provide assistance in the form
18 of subsidies or other services to parents who are found and
19 approved for adoption or legal guardianship of a child certified
20 as eligible for subsidy by the department, but before the final
21 decree of adoption or order of legal guardianship is entered,
22 there must be a written agreement between the family entering
23 into the subsidized adoption or legal guardianship and the
24 department.

25 (2) Adoption or legal guardianship subsidies in individual
26 cases may commence with the adoption or legal guardianship
27 placement, and will vary with the needs of the child as well as
28 the availability of other resources to meet the child's needs. The
29 subsidy may be for special services only, or for money
30 payments, and either for a limited period, or for a long term, or
31 for any combination of the foregoing.

32 (3) The specific financial terms of the subsidy shall be
33 included in the agreement between the department and the
34 adoptive parents or legal guardians. The agreement may
35 recognize and provide for direct payment by the department of
36 attorney's fees to an attorney representing the adoptive parent.

37 (4) The amount of the time-limited or long-term subsidy
38 may in no case exceed that which would be allowable from time
39 to time for the child under foster family care or, in the case of a
40 special service, the reasonable fee for the service rendered.

41 (5) In addition, the department shall provide either Medicaid
42 or other health insurance coverage for any special needs child for
43 whom there is an adoption or legal guardianship assistance
44 agreement between the department and the adoptive parent or
45 legal guardian and who the department determines cannot be
46 placed with an adoptive parent or legal guardian without medical
47 assistance because the child has special needs for medical,
48 mental health or rehabilitative care.

49 (c) After reasonable efforts have been made without the use
50 of subsidy and no appropriate adoptive family or legal guardian
51 has been found for the child, the department shall certify the
52 child as eligible for a subsidy in the event of adoption or a legal
53 guardianship. Reasonable efforts to place a child without a
54 subsidy shall not be required if it is in the best interest of the
55 child because of the factors as the existence of significant
56 emotional ties developed between the child and the prospective
57 parent or guardian while in care as a foster child.

58 (d) If the child is the dependent of a voluntary licensed
59 child-placing agency, that agency shall present to the department
60 evidence of the inability to place the child for adoption or legal
61 guardianship without the use of subsidy or evidence that the
62 efforts would not be in the best interests of the child. In no event
63 may the value of the services and assistance provided by the

64 department under an agreement pursuant to this section exceed
65 the value of assistance available to foster families in similar
66 circumstances. All records regarding subsidized adoptions or
67 legal guardianships are to be held in confidence; however,
68 records regarding the payment of public funds for subsidized
69 adoptions or legal guardianships shall be available for public
70 inspection provided they do not directly or indirectly identify
71 any child or persons receiving funds for the child.

**§49-4-113. Duration of custody or guardianship of children
committed to department.**

1 (a) A child committed to the department for guardianship,
2 after termination of parental rights, shall remain in the care of
3 the department until he or she attains the age of eighteen years,
4 or is married, or is adopted, or guardianship is relinquished
5 through the court.

6 (b) A child committed to the department for custody shall
7 remain in the care of the department until he or she attains the
8 age of eighteen years, or until he or she is discharged because he
9 or she is no longer in need of care.

**§49-4-114. Consent by agency or department to adoption of child;
statement of relinquishment by parent; counseling
services; petition to terminate parental rights;
notice; hearing; court orders.**

1 (a)(1) Whenever a child welfare agency licensed to place
2 children for adoption or the Department of Health and Human
3 Resources has been given the permanent legal and physical
4 custody of any child and the rights of the mother and the rights
5 of the legal, determined, putative, outside or unknown father of
6 the child have been terminated by order of a court of competent
7 jurisdiction or by a legally executed relinquishment of parental
8 rights, the child welfare agency or the department may consent

9 to the adoption of the child pursuant to article twenty-two,
10 chapter forty-eight of this code.

11 (2) Relinquishment for an adoption to an agency or to the
12 department is required of the same persons whose consent or
13 relinquishment is required under section three hundred one,
14 article twenty-two, chapter forty-eight of this code. The form of
15 any relinquishment so required shall conform as nearly as
16 practicable to the requirements established in section three
17 hundred three, article twenty-two, chapter forty-eight, and all
18 other provisions of that article providing for relinquishment for
19 adoption shall govern the proceedings herein.

20 (3) For purposes of any placement of a child for adoption by
21 the department, the department shall first consider the suitability
22 and willingness of any known grandparent or grandparents to
23 adopt the child. Once grandparents who are interested in
24 adopting the child have been identified, the department shall
25 conduct a home study evaluation, including home visits and
26 individual interviews by a licensed social worker. If the
27 department determines, based on the home study evaluation, that
28 the grandparents would be suitable adoptive parents, it shall
29 assure that the grandparents are offered the placement of the
30 child prior to the consideration of any other prospective adoptive
31 parents.

32 (4) The department shall make available, upon request, for
33 purposes of any private or agency adoption proceeding,
34 preplacement and post-placement counseling services by persons
35 experienced in adoption counseling, at no cost, to any person
36 whose consent or relinquishment is required pursuant to article
37 twenty-two, chapter forty-eight of this code.

38 (b)(1) Whenever the mother has executed a relinquishment
39 pursuant to this section, and the legal, determined, putative,
40 outsider or unknown father, as those terms are defined pursuant

41 to part one, article twenty-two, chapter forty-eight of this code,
42 has not executed a relinquishment, the child welfare agency or
43 the department may, by verified petition, seek to have the
44 father's rights terminated based upon the grounds of
45 abandonment or neglect of the child. Abandonment may be
46 established in accordance with section three hundred six, article
47 twenty-two, chapter forty-eight of this code.

48 (2) Unless waived by a writing acknowledged as in the case
49 of deeds or by other proper means, notice of the petition shall be
50 served on any person entitled to parental rights of a child prior
51 to its adoption who has not signed a relinquishment of custody
52 of the child.

53 (3) In addition, notice shall be given to any putative, outsider
54 or unknown father who has asserted or exercised parental rights
55 and duties to and with the child and who has not relinquished
56 any parental rights and the rights have not otherwise been
57 terminated, or who has not had reasonable opportunity before or
58 after the birth of the child to assert or exercise those rights,
59 except that if the child is more than six months old at the time
60 the notice would be required and the father has not asserted or
61 exercised his or her parental rights and he or she knew the
62 whereabouts of the child, then the father shall be presumed to
63 have had reasonable opportunity to assert or exercise any rights.

64 (c)(1) Upon the filing of the verified petition seeking to have
65 the parental rights terminated, the court shall set a hearing on the
66 petition. A copy of the petition and notice of the date, time and
67 place of the hearing on the petition shall be personally served on
68 any respondent at least twenty days prior to the date set for the
69 hearing.

70 (2) The notice shall inform the person that his or her parental
71 rights, if any, may be terminated in the proceeding and that the
72 person may appear and defend any rights within twenty days of

73 the service. In the case of a person who is a nonresident or whose
74 whereabouts are unknown, service shall be achieved: (1) By
75 personal service; (2) by registered or certified mail, return
76 receipt requested, postage prepaid, to the person's last known
77 address, with instructions to forward; or (3) by publication. If
78 personal service is not acquired, then if the person giving notice
79 has any knowledge of the whereabouts of the person to be
80 served, including a last known address, service by mail shall be
81 first attempted as herein provided. Service achieved by mail
82 shall be complete upon mailing and is sufficient service without
83 the need for notice by publication. In the event that no return
84 receipt is received giving adequate evidence of receipt of the
85 notice by the addressee or of receipt of the notice at the address
86 to which the notice was mailed or forwarded, or if the
87 whereabouts of the person are unknown, then the person required
88 to give notice shall file with the court an affidavit setting forth
89 the circumstances of any attempt to serve the notice by mail, and
90 the diligent efforts to ascertain the whereabouts of the person to
91 be served. If the court determines that the whereabouts of the
92 person to be served cannot be ascertained and that due diligence
93 has been exercised to ascertain the person's whereabouts, then
94 the court shall order service of the notice by publication as a
95 Class II publication in compliance with article three, chapter
96 fifty-nine of this code, and the publication area shall be the
97 county where the proceedings are had, and in the county where
98 the person to be served was last known to reside. In the case of
99 a person under disability, service shall be made on the person
100 and his or her personal representative, or if there be none, on a
101 guardian ad litem.

102 (3) In the case of service by publication or mail or service on
103 a personal representative or a guardian ad litem, the person is
104 allowed thirty days from the date of the first publication or
105 mailing of the service on a personal representative or guardian
106 ad litem in which to appear and defend the parental rights.

107 (d) A petition under this section may be instituted in the
108 county where the child resides or where the child is living.

109 (e) If the court finds that the person certified to parental
110 rights is guilty of the allegations set forth in the petition, the
111 court shall enter an order terminating his or her parental rights
112 and shall award the legal and physical custody and control of the
113 child to the petitioner.

§49-4-115. Emancipation.

1 (a) A child over the age of sixteen may petition a court to be
2 declared emancipated. The parents or custodians shall be made
3 respondents and, in addition to personal service thereon, there
4 shall be publication as a Class II legal advertisement in
5 compliance with article three, chapter fifty-nine of this code.

6 (b) Upon a showing that the child can provide for his or her
7 physical and financial well-being and has the ability to make
8 decisions for himself or herself, the court may for good cause
9 shown declare the child emancipated. The child shall thereafter
10 have full capacity to contract in his or her own right and the
11 parents or custodians have no right to the custody and control of
12 the child or duty to provide the child with care and financial
13 support.

14 (c) A child over the age of sixteen years who marries is
15 emancipated by operation of law. An emancipated child has all
16 of the privileges, rights and duties of an adult, including the right
17 of contract, except that the child remains a child as defined for
18 the purposes of part ten, article two, or part seven, article four of
19 this chapter.

**§49-4-116. Voluntary placement; petition; requirements; attorney
appointed; court hearing; orders.**

1 (a) Within ninety days of the date of the signatures to a
2 voluntary placement agreement, after receipt of physical

3 custody, the department shall file with the court a petition for
4 review of the placement. The petition shall include:

5 (1) A statement regarding the child's situation; and,

6 (2) The circumstance that gives rise to the voluntary
7 placement.

8 (b) If the department intends to extend the voluntary
9 placement agreement, the department shall file with the court a
10 copy of the child's case plan.

11 (c) The court shall appoint an attorney for the child, who
12 shall receive a copy of the case plan as provided in subsection
13 (b) of this section.

14 (d) The court shall schedule a hearing and give notice of the
15 time and place and right to be present at the hearing to:

16 (1) The child's attorney;

17 (2) The child, if twelve years of age or older;

18 (3) The child's parents or guardians;

19 (4) The child's foster parents;

20 (5) Any preadoptive parent or relative providing care for the
21 child; and

22 (6) Any other persons as the court may in its discretion
23 direct.

24 The child's presence at the hearing may be waived by the
25 child's attorney at the request of the child or if the child would
26 suffer emotional harm.

27 (e) At the conclusion of the proceedings, but no later than
28 ninety days after the date of the signatures to the voluntary
29 placement agreement, the court shall enter an order:

30 (1) Determining whether or not continuation of the voluntary
31 placement is in the best interests of the child;

32 (2) Specifying under what conditions the child's placement
33 will continue;

34 (3) Specifying whether or not the department is required to
35 and has made reasonable efforts to preserve and to reunify the
36 family; and

37 (4) Providing a plan for the permanent placement of the
38 child.

PART II. EMERGENCY POSSESSION OF CERTAIN RELINQUISHED CHILDREN.

§49-4-201. Accepting possession of certain relinquished children.

1 (a) A hospital or health care facility operating in this state,
2 shall, without a court order, take possession of a child if the child
3 is voluntarily delivered to the hospital or health care facility by
4 the child's parent within thirty days of the child's birth, and the
5 parent did not express an intent to return for the child.

6 (b) A hospital or health care facility that takes possession of
7 a child under this article shall perform any act necessary to
8 protect the physical health or safety of the child. In accepting
9 possession of the child, the hospital or health care facility may
10 not require the person to identify himself or herself and shall
11 otherwise respect the person's desire to remain anonymous.

§49-4-202. Notification of possession of relinquished child; department responsibilities.

1 (a) Not later than the close of the first business day after the
2 date on which a hospital or health care facility takes possession
3 of a child pursuant to section two hundred one of this article, the

4 hospital or health care facility shall notify the Child Protective
5 Services division of the Department of Health and Human
6 Resources that it has taken possession of the child and shall
7 provide the division any information provided by the parent
8 delivering the child. The hospital or health care facility shall
9 refer any inquiries about the child to the Child Protective
10 Services division.

11 (b) The Department of Health and Human Resources shall
12 assume the care, control and custody of the child as of the time
13 of delivery of the child to the hospital or health care facility, and
14 may contract with private child care agency for the care and
15 placement of the child after the child leaves the hospital or
16 health care facility.

**§49-4-203. Filing petition after accepting possession of relinquished
child.**

1 A child of whom the Department of Health and Human
2 Resources assumes care, control and custody under this article
3 is a relinquished child and to be treated in all respects as a child
4 taken into custody pursuant to section three hundred three,
5 article four of this chapter. Upon taking custody of a child under
6 this article, the department, with the cooperation of the county
7 prosecuting attorney, shall cause a petition to be presented
8 pursuant to section six hundred two, article four of this chapter.
9 The department and county prosecuting attorney may not
10 identify in the petition the parent(s) who utilized this article to
11 relinquish his or her child. Thereafter, the department shall
12 proceed in compliance with part six, of this article.

§49-4-204. Immunity from certain prosecutions.

1 A parent who relinquishes his or her child in good faith
2 within thirty days of the child's birth under this article is
3 immune from prosecution under subsection (a), section four,
4 article eight-d, chapter sixty-one of this code.

§49-4-205. Adoption eligibility.

1 The child is eligible for adoption as an abandoned child
2 under chapter forty-eight of the code.

**PART III. EMERGENCY CUSTODY OF CHILDREN
PRIOR TO PETITION.**

**§49-4-301. Custody of a neglected child by law enforcement in
emergency situations; protective custody;
requirements; notices; petition for appointment of
special guardian; discharge; immunity.**

1 (a) A child believed to be a neglected child or an abused
2 child may be taken into custody without the court order
3 otherwise required by section six hundred two of this article by
4 a law-enforcement officer if:

5 (1) The child is without supervision or shelter for an
6 unreasonable period of time in light of the child's age and the
7 ability to care for himself or herself in circumstances presenting
8 an immediate threat of serious harm to that child; or

9 (2) That officer determines that the child is in a condition
10 requiring emergency medical treatment by a physician and the
11 child's parents, parent, guardian or custodian refuses to permit
12 the treatment, or is unavailable for consent. A child who suffers
13 from a condition requiring emergency medical treatment, whose
14 parents, parent, guardian or custodian refuses to permit the
15 providing of the emergency medical treatment, may be retained
16 in a hospital by a physician against the will of the parents,
17 parent, guardian or custodian, as provided in subsection (c) of
18 this section.

19 (b) A child taken into protective custody pursuant to
20 subsection (a) of this section may be housed by the department
21 or in any authorized child shelter facility. The authority to hold

22 the child in protective custody, absent a petition and proper order
23 granting temporary custody pursuant to section six hundred two
24 of this article, terminates by operation of law upon the happening
25 of either of the following events, whichever occurs first:

26 (1) The expiration of ninety-six hours from the time the child
27 is initially taken into protective custody; or

28 (2) The expiration of the circumstances which initially
29 warranted the determination of an emergency situation.

30 No child may be considered in an emergency situation and
31 custody withheld from the child's parents, parent, guardian or
32 custodian presenting themselves, himself or herself in a fit and
33 proper condition and requesting physical custody of the child.
34 No child may be removed from a place of residence as in an
35 emergency under this section until after:

36 (1) All reasonable efforts to make inquiries and
37 arrangements with neighbors, relatives and friends have been
38 exhausted; or if no arrangements can be made; and

39 (2) The state department may place in the residence a home
40 services worker with the child for a period of not less than
41 twelve hours to await the return of the child's parents, parent,
42 guardian or custodian.

43 Prior to taking a child into protective custody as abandoned
44 at a place at or near the residence of the child, the
45 law-enforcement officer shall post a typed or legibly handwritten
46 notice at the place the child is found, informing the parents,
47 parent, guardian or custodian that the child was taken by a
48 law-enforcement officer, the name, address and office telephone
49 number of the officer, the place and telephone number where
50 information can continuously be obtained as to the child's
51 whereabouts, and if known, the worker for the state department
52 having responsibility for the child.

53 (c) A child taken into protective custody pursuant to this
54 section for emergency medical treatment may be held in a
55 hospital under the care of a physician against the will of the
56 child's parents, parent, guardian or custodian for a period not to
57 exceed ninety-six hours. The parents, parent, guardian or
58 custodian may not be denied the right to see or visit with the
59 child in a hospital. The authority to retain a child in protective
60 custody in a hospital as requiring emergency medical treatment
61 terminates by operation of law upon the happening of either of
62 the following events, whichever occurs first:

63 (1) When the condition, in the opinion of the physician, no
64 longer required emergency hospitalization, or;

65 (2) Upon the expiration of ninety-six hours from the
66 initiation of custody, unless within that time, a petition is
67 presented and a proper order obtained from the circuit court.

68 (d) Prior to assuming custody of a child from a
69 law-enforcement officer, pursuant to this section, a physician or
70 worker from the department shall require a typed or legibly
71 handwritten statement from the officer identifying the officer's
72 name, address and office telephone number and specifying all
73 the facts upon which the decision to take the child into protective
74 custody was based, and the date, time and place of the taking.

75 (e) Any worker for the department assuming custody of a
76 child pursuant to this section shall immediately notify the
77 parents, parent, guardian or custodian of the child of the taking
78 of the custody and the reasons therefor, if the whereabouts of the
79 parents, parent, guardian or custodian are known or can be
80 discovered with due diligence; and if not, notice and explanation
81 shall be given to the child's closest relative, if his or her
82 whereabouts are known or can be discovered with due diligence
83 within a reasonable time. An inquiry shall be made of relatives
84 and neighbors, and if a relative or appropriate neighbor is willing

85 to assume custody of the child, the child will temporarily be
86 placed in custody.

87 (f) No child may be taken into custody under circumstances
88 not justified by this section or pursuant to section six hundred
89 two of this article without appropriate process. Any retention of
90 a child or order for retention of a child not complying with the
91 time limits and other requirements specified in this article shall
92 be void by operation of law.

93 (g) *Petition for appointment of special guardian.* — Upon
94 the verified petition of any person showing:

95 (1) That any person under the age of eighteen years is
96 threatened with or there is a substantial possibility that the
97 person will suffer death, serious or permanent physical or
98 emotional disability, disfigurement or suffering; and

99 (2) That disability, disfigurement or suffering is the result of
100 the failure or refusal of any parent, guardian or custodian to
101 procure, consent to or authorize necessary medical treatment, the
102 circuit court of the county in which the person is located may
103 direct the appointment of a special guardian for the purposes of
104 procuring, consenting to and giving authorization for the
105 administration of necessary medical treatment. The circuit court
106 may not consider any petition filed in accordance with this
107 section unless it is accompanied by a supporting affidavit of a
108 licensed physician.

109 (h) *Notice of petition.* — So far as practicable, the parents,
110 guardian or custodian of any person for whose benefit medical
111 treatment is sought shall be given notice of the petition for the
112 appointment of a special guardian under this section. Notice is
113 not necessary if it would cause a delay that would result in the
114 death or irreparable harm to the person for whose benefit
115 medical treatment is sought. Notice may be given in a form and
116 manner as may be necessary under the circumstances.

117 (i) *Discharge of special guardian.* – Upon the termination of
118 necessary medical treatment to any person under this section, the
119 circuit court order the discharge of the special guardian from any
120 further authority, responsibility or duty.

121 (j) *Immunity from civil liability.* — No person appointed
122 special guardian in accordance with this article is civilly liable
123 for any act done by virtue of the authority vested in him or her
124 by order of the circuit court.

**§49-4-302. Authorizing a family court judge to order custody of a
child in emergency situations; requirements;
orders; investigative reports; notification required.**

1 (a) Notwithstanding the jurisdictional limitations contained
2 in section two, article two-a, chapter fifty-one of this code,
3 family court judges are authorized to order the department to
4 take emergency custody of a child who is in the physical custody
5 of a party to an action or proceeding before the family court, if
6 the family court judge finds that there is clear and convincing
7 evidence that:

8 (1) There exists an imminent danger to the physical
9 well-being of the child as defined in section two hundred one,
10 article one of this chapter;

11 (2) The child is not the subject of a pending action before the
12 circuit court alleging abuse and neglect of the child; and

13 (3) There are no reasonable available alternatives to the
14 emergency custody order.

15 (b) An order entered pursuant to subsection (a) of this
16 section must include specific written findings.

17 (c) A copy of the order issued pursuant to subsection (a) of
18 this section shall be transmitted forthwith to the department, the
19 circuit court and the prosecuting attorney.

20 (d) Upon receipt of an order issued pursuant to subsection
21 (a) of this section, the department shall immediately respond and
22 assist the family court judge in emergency placement of the
23 child.

24 (e)(1) Upon receipt of an order issued pursuant to subsection
25 (a) of this section, the circuit court shall cause to be entered and
26 served, an administrative order in the name of and regarding the
27 affected child, directing the department to submit, within
28 ninety-six hours from the time the child was taken into custody,
29 an investigative report to both the circuit and family court.

30 (2) The investigative report shall include a statement of
31 whether the department intends to file a petition pursuant to
32 section six hundred two of this article.

33 (f)(1) An order issued pursuant to subsection (a) of this
34 section terminates by operation of law upon expiration of
35 ninety-six hours from the time the child is initially taken into
36 protective custody unless a petition is filed with the circuit court
37 under section six hundred two of this article within ninety-six
38 hours from the time the child is initially taken into protective
39 custody.

40 (2) The filing of a petition within ninety-six hours from the
41 time the child is initially taken into protective custody extends
42 the emergency custody order issued pursuant to subsection (a) of
43 this section until a preliminary hearing is held before the circuit
44 court, unless the circuit court orders otherwise.

45 (g)(1) Any worker for the department assuming custody of
46 a child pursuant to this section shall immediately notify the
47 parents, parent, grandparents, grandparent, guardian or custodian
48 of the child of the taking of the custody and the reasons therefor
49 if the whereabouts of the parents, parent, grandparents,
50 grandparent, guardian or custodian are known or can be

51 discovered with due diligence and, if not, a notice and
52 explanation shall be given to the child's closest relative if his or
53 her whereabouts are known or can be discovered with due
54 diligence within a reasonable time. An inquiry shall be made of
55 relatives and neighbors and, if an appropriate relative or
56 neighbor is willing to assume custody of the child, the child will
57 temporarily be placed in that person's custody.

58 (2) In the event no other reasonable alternative is available
59 for temporary placement of a child pursuant to subdivision (1) of
60 this subsection, the child may be housed by the department in an
61 authorized child shelter facility.

**§49-4-303. Emergency removal by department before filing of
petition; conditions; referee; application for
emergency custody; order.**

1 Prior to the filing of a petition, a child protective service
2 worker may take the child or children into his or her custody
3 (also known as removing the child) without a court order when:

4 (1) In the presence of a child protective service worker a
5 child or children are in an emergency situation which constitutes
6 an imminent danger to the physical well-being of the child or
7 children, as that phrase is defined in section two hundred one,
8 article one of this chapter; and

9 (2) The worker has probable cause to believe that the child
10 or children will suffer additional child abuse or neglect or will be
11 removed from the county before a petition can be filed and
12 temporary custody can be ordered.

13 After taking custody of the child or children prior to the
14 filing of a petition, the worker shall forthwith appear before a
15 circuit judge or referee of the county where custody was taken

16 and immediately apply for an order. If no judge or referee is
17 available, the worker shall appear before a circuit judge or
18 referee of an adjoining county, and immediately apply for an
19 order. This order shall ratify the emergency custody of the child
20 pending the filing of a petition.

21 The circuit court of every county in the state shall appoint at
22 least one of the magistrates of the county to act as a referee. He
23 or she serves at the will and pleasure of the appointing court, and
24 shall perform the functions prescribed for the position by this
25 subsection.

26 The parents, guardians or custodians of the child or children
27 may be present at the time and place of application for an order
28 ratifying custody. If at the time the child or children are taken
29 into custody by the worker he or she knows which judge or
30 referee is to receive the application, the worker shall so inform
31 the parents, guardians or custodians.

32 The application for emergency custody may be on forms
33 prescribed by the Supreme Court of Appeals or prepared by the
34 prosecuting attorney or the applicant, and shall set forth facts
35 from which it may be determined that the probable cause
36 described above in this subsection exists. Upon the sworn
37 testimony or other evidence as the judge or referee deems
38 sufficient, the judge or referee may order the emergency taking
39 by the worker to be ratified. If appropriate under the
40 circumstances, the order may include authorization for an
41 examination as provided in subsection (b), section six hundred
42 three of this article.

43 If a referee issues an order, the referee shall by telephonic
44 communication have that order orally confirmed by a circuit
45 judge of the circuit or an adjoining circuit who shall, on the next
46 judicial day, enter an order of confirmation. If the emergency

47 taking is ratified by the judge or referee, emergency custody of
48 the child or children is vested in the department until the
49 expiration of the next two judicial days, at which time any child
50 taken into emergency custody shall be returned to the custody of
51 his or her parent or guardian or custodian unless a petition has
52 been filed and custody of the child has been transferred under
53 section six hundred two of this article.

PART IV. MULTIDISCIPLINARY TEAMS, CASE PLANS,
TRANSITION PLANS AND AFTERCARE PLANS.

**§49-4-401. Purpose; system to be a complement to existing
programs.**

1 (a) This article:

2 (1) Provides a system for evaluation of and coordinated
3 service delivery for children who may be victims of abuse or
4 neglect and children undergoing certain status offense and
5 delinquency proceedings;

6 (2) Establishes, as a complement to other programs of the
7 Department of Health and Human Resources, a multidisciplinary
8 screening, advisory and planning system to assist courts in
9 facilitating permanency planning, following the initiation of
10 judicial proceedings, to recommend alternatives and to
11 coordinate evaluations and in-community services; and

12 (3) Ensures that children are safe from abuse and neglect and
13 to coordinate investigation of alleged child abuse offenses and
14 competent criminal prosecution of offenders to ensure that
15 safety, as determined appropriate by the prosecuting attorney.

16 (b) Nothing in this article precludes any multidisciplinary
17 team from considering any case upon the consent of the
18 members of the team.

§49-4-402. Multidisciplinary investigative teams; establishment; membership; procedures; coordination among agencies; confidentiality.

1 (a) The prosecuting attorney of each county shall establish
2 a multidisciplinary investigative team in that county. The
3 multidisciplinary team shall be headed and directed by the
4 prosecuting attorney, or his or her designee, and includes as
5 permanent members:

6 (1) The prosecuting attorney, or his or her designee;

7 (2) A local child protective services caseworker from the
8 Department of Health and Human Resources;

9 (3) A local law-enforcement officer employed by a
10 law-enforcement agency in the county;

11 (4) A child advocacy center representative, where available;

12 (5) A health care provider with pediatric and child abuse
13 expertise, where available;

14 (6) A mental health professional with pediatric and child
15 abuse expertise, where available;

16 (7) An educator; and

17 (8) A representative from a licensed domestic violence
18 program serving the county.

19 The Department of Health and Human Resources and any
20 local law-enforcement agency or agencies selected by the
21 prosecuting attorney shall appoint their representatives to the
22 team by submitting a written designation of the team to the
23 prosecuting attorney of each county within thirty days of the

24 prosecutor's request that the appointment be made. Within
25 fifteen days of the appointment, the prosecuting attorney shall
26 notify the chief judge of each circuit within which the county is
27 situated of the names of the representatives so appointed. Any
28 other person or any other appointee of an agency who may
29 contribute to the team's efforts to assist a minor child as may be
30 determined by the permanent members of the team may also be
31 appointed as a member of the team by the prosecutor with
32 notification to the chief judge.

33 (b) Any permanent member of the multidisciplinary
34 investigative team shall refer all cases of accidental death of any
35 child reported to their agency and all cases when a child dies
36 while in the custody of the state for investigation and review by
37 the team. The multidisciplinary investigative team shall meet at
38 regular intervals at least once every calendar month.

39 (c) The investigative team shall be responsible for
40 coordinating or cooperating in the initial and ongoing
41 investigation of all civil and criminal allegations pertinent to
42 cases involving child sexual assault, child sexual abuse, child
43 abuse and neglect and shall make a recommendation to the
44 county prosecuting attorney as to the initiation or
45 commencement of a civil petition and/or criminal prosecution.

46 (d) State, county and local agencies shall provide the
47 multidisciplinary investigative team with any information
48 requested in writing by the team as allowable by law or upon
49 receipt of a certified copy of the circuit court's order directing
50 the agencies to release information in its possession relating to
51 the child. The team shall assure that all information received and
52 developed in connection with this article remains confidential.
53 For purposes of this section, the term "confidential" shall be
54 construed in accordance with article five of this chapter.

§49-4-403. Multidisciplinary treatment planning process; coordination; access to information.

1 (a)(1) A multidisciplinary treatment planning process for
2 cases initiated pursuant to part six and part seven of article four,
3 shall be established within each county of the state, either
4 separately or in conjunction with a contiguous county, by the
5 secretary of the department with advice and assistance from the
6 prosecutor's advisory council as set forth in section four, article
7 four, chapter seven of this code. The Division of Juvenile
8 Services shall establish a similar treatment planning process for
9 delinquency cases in which the juvenile has been committed to
10 its custody, including those cases in which the juvenile has been
11 committed for examination and diagnosis.

12 (2) This section does not require a multidisciplinary team
13 meeting to be held prior to temporarily placing a child or
14 juvenile out-of-home under exigent circumstances or upon a
15 court order placing a juvenile in a facility operated by the
16 Division of Juvenile Services.

17 (b) The case manager in the Department of Health and
18 Human Resources for the child, family or juvenile or the case
19 manager in the Division of Juvenile Services for a juvenile shall
20 convene a treatment team in each case when it is required
21 pursuant to this article.

22 (1) Prior to disposition, in each case in which a treatment
23 planning team has been convened, the team shall advise the court
24 as to the types of services the team has determined are needed
25 and the type of placement, if any, which will best serve the needs
26 of the child. If the team determines that an out-of-home
27 placement will best serve the needs of the child, the team shall
28 first consider placement with appropriate relatives then with
29 foster care homes, facilities or programs located within the state.
30 The team may only recommend placement in an out-of-state

31 facility if it concludes, after considering the best interests and
32 overall needs of the child, that there are no available and suitable
33 in-state facilities which can satisfactorily meet the specific needs
34 of the child.

35 (2) Any person authorized by this chapter to convene a
36 multidisciplinary team meeting may seek and receive an order of
37 the circuit court setting the meeting and directing attendance.
38 Members of the multidisciplinary team may participate in team
39 meetings by telephone or video conferencing. This subsection
40 does not prevent the respective agencies from designating a
41 person other than the case manager as a facilitator for treatment
42 team meetings. Written notice shall be provided to all team
43 members of the availability to participate by videoconferencing.

44 (c) The treatment team shall coordinate its activities and
45 membership with local family resource networks and coordinate
46 with other local and regional child and family service planning
47 committees to assure the efficient planning and delivery of child
48 and family services on a local and regional level.

49 (d) The multidisciplinary treatment team shall be afforded
50 access to information in the possession of the Department of
51 Health and Human Resources, Division of Juvenile Services,
52 law-enforcement agencies and other state, county and local
53 agencies. Those agencies shall cooperate in the sharing of
54 information, as may be provided in article five or this chapter or
55 any other relevant provision of law. Any multidisciplinary team
56 member who acquires confidential information may not disclose
57 the information except as permitted by this code or court rules.

§49-4-404. Court review of service plan; hearing; required findings; order; team member's objections.

1 (a) In any case in which a multidisciplinary treatment team
2 develops an individualized service plan for a child or family

3 pursuant to this article, the court shall review the proposed
4 service plan to determine if implementation of the plan is in the
5 child's best interests. If the multidisciplinary team cannot agree
6 on a plan or if the court determines not to adopt the team's
7 recommendations, it shall, upon motion or *sua sponte*, schedule
8 and hold within ten days of the determination, and prior to the
9 entry of an order placing the child in the custody of the
10 department or in an out-of-home setting, a hearing to consider
11 evidence from the team as to its rationale for the proposed
12 service plan. If, after a hearing held pursuant to this section, the
13 court does not adopt the teams's recommended service plan, it
14 shall make specific written findings as to why the team's
15 recommended service plan was not adopted.

16 (b) In any case in which the court decides to order the child
17 placed in an out-of-state facility or program it shall set forth in
18 the order directing the placement the reasons why the child was
19 not placed in an in-state facility or program.

20 (c) Any member of the multidisciplinary treatment team who
21 disagrees with recommendations of the team may inform the
22 court of his or her own recommendations and objections to the
23 team's recommendations. The recommendations and objections
24 of the dissenting team member may be made in a hearing on the
25 record, made in writing and served upon each team member and
26 filed with the court and indicated in the case plan, or both made
27 in writing and indicated in the case plan. Upon receiving
28 objections, the court will conduct a hearing pursuant to
29 paragraph (a) of this section.

**§49-4-405. Multidisciplinary treatment planning process involving
child abuse and neglect; team membership; duties;
reports; admissions.**

1 (a) Within thirty days of the initiation of a judicial
2 proceeding pursuant to part six, of this article, the Department of

3 Health and Human Services shall convene a multidisciplinary
4 treatment team to assess, plan and implement a comprehensive,
5 individualized service plan for children who are victims of abuse
6 or neglect and their families. The multidisciplinary team shall
7 obtain and utilize any assessments for the children or the adult
8 respondents that it deems necessary to assist in the development
9 of that plan.

10 (b) In a case initiated pursuant to part six of this article, the
11 treatment team consists of:

12 (1) The child or family's case manager in the Department of
13 Health and Human Resources;

14 (2) The adult respondent or respondents;

15 (3) The child's parent or parents, guardians, any
16 copetitioners, custodial relatives of the child, foster or
17 preadoptive parents;

18 (4) Any attorney representing an adult respondent or other
19 member of the treatment team;

20 (5) The child's counsel or the guardian ad litem;

21 (6) The prosecuting attorney or his or her designee;

22 (7) A member of a child advocacy center when the child has
23 been processed through the child advocacy center program or
24 programs or it is otherwise appropriate that a member of the
25 child advocacy center participate;

26 (8) Any court-appointed special advocate assigned to a case;

27 (9) Any other person entitled to notice and the right to be
28 heard;

29 (10) An appropriate school official; and

30 (11) Any other person or agency representative who may
31 assist in providing recommendations for the particular needs of
32 the child and family, including domestic violence service
33 providers.

34 The child may participate in multidisciplinary treatment
35 team meetings if the child's participation is deemed appropriate
36 by the multidisciplinary treatment team. Unless otherwise
37 ordered by the court, a party whose parental rights have been
38 terminated and his or her attorney may not be given notice of a
39 multidisciplinary treatment team meeting and does not have the
40 right to participate in any treatment team meeting.

41 (c) Prior to disposition in each case which a treatment
42 planning team has been convened, the team shall advise the court
43 as to the types of services the team has determined are needed
44 and the type of placement, if any, which will best serve the needs
45 of the child. If the team determines that an out-of-home
46 placement will best serve the needs of the child, the team shall
47 first consider placement with appropriate relatives then with
48 foster care homes, facilities or programs located within the state.
49 The team may only recommend placement in an out-of-state
50 facility if it concludes, after considering the best interests and
51 overall needs of the child, that there are no available and suitable
52 in-state facilities which can satisfactorily meet the specific needs
53 of the child.

54 (d) The multidisciplinary treatment team shall submit written
55 reports to the court as required by the rules governing this type
56 of proceeding or by the court, and shall meet as often as deemed
57 necessary but at least every three months until the case is
58 dismissed from the docket of the court. The multidisciplinary
59 treatment team shall be available for status conferences and
60 hearings as required by the court.

61 (e) If a respondent or copetitioner admits the underlying
62 allegations of child abuse or neglect, or both abuse and neglect,
63 in the multidisciplinary treatment planning process, his or her
64 statements may not be used in any subsequent criminal
65 proceeding against him or her, except for perjury or false
66 swearing.

**§49-4-406. Multidisciplinary treatment process for juvenile status
offenders and delinquents; requirements; custody;
procedure; reports; cooperation; inadmissability of
certain statements.**

1 (a) When a juvenile is adjudicated as a status offender
2 pursuant to section seven hundred eleven, of this article, the
3 Department of Health and Human Resources shall promptly
4 convene a multidisciplinary treatment team and conduct an
5 assessment, utilizing a standard uniform comprehensive
6 assessment instrument or protocol, to determine the juvenile's
7 mental and physical condition, maturity and education level,
8 home and family environment, rehabilitative needs and
9 recommended service plan, which shall be provided in writing
10 to the court and team members. Upon completion of the
11 assessment, the treatment team shall prepare and implement a
12 comprehensive, individualized service plan for the juvenile.

13 (b) When a juvenile is adjudicated as a delinquent or has
14 been granted a preadjudicatory community supervision period
15 pursuant to section seven hundred eight of this article, the court,
16 either upon its own motion or motion of a party, may require the
17 Department of Health and Human Resources to convene a
18 multidisciplinary treatment team and conduct an assessment,
19 utilizing a standard uniform comprehensive assessment
20 instrument or protocol, to determine the juvenile's mental and
21 physical condition, maturity and education level, home and
22 family environment, rehabilitative needs and recommended
23 service plan, which shall be provided in writing to the court and

24 team members. A referral to the Department of Health and
25 Human Resources to convene a multidisciplinary treatment team
26 and to conduct an assessment shall be made when the court is
27 considering placing the juvenile in the department's custody or
28 placing the juvenile out-of-home at the department's expense
29 pursuant to section seven hundred fourteen, of this article. In any
30 delinquency proceeding in which the court requires the
31 Department of Health and Human Resources to convene a
32 multidisciplinary treatment team, the probation officer shall
33 notify the department at least fifteen working days before the
34 court proceeding in order to allow the department sufficient time
35 to convene and develop an individualized service plan for the
36 juvenile.

37 (c) When a juvenile has been adjudicated and committed to
38 the custody of the Director of the Division of Juvenile Services,
39 including those cases in which the juvenile has been committed
40 for examination and diagnosis, the Division of Juvenile Services
41 shall promptly convene a multidisciplinary treatment team and
42 conduct an assessment, utilizing a standard uniform
43 comprehensive assessment instrument or protocol, to determine
44 the juvenile's mental and physical condition, maturity and
45 education level, home and family environment, rehabilitative
46 needs and recommended service plan. Upon completion of the
47 assessment, the treatment team shall prepare and implement a
48 comprehensive, individualized service plan for the juvenile,
49 which will be provided in writing to the court and team
50 members. In cases where the juvenile is committed as a
51 post-sentence disposition to the custody of the Division of
52 Juvenile Services, the plan shall be reviewed quarterly by the
53 multidisciplinary treatment team. Where a juvenile has been
54 detained in a facility operated by the Division of Juvenile
55 Services without an active service plan for more than sixty days,
56 the director of the facility may call a multidisciplinary team
57 meeting to review the case and discuss the status of the service
58 plan.

59 (d)(1) The rules of juvenile procedure govern the procedure
60 for obtaining an assessment of a juvenile, preparing an
61 individualized service plan and submitting the plan and
62 assessment to the court.

63 (2) In juvenile proceedings conducted pursuant to part seven
64 of this article, the treatment team consists of:

65 (A) The juvenile;

66 (B) The juvenile's case manager in the Department of Health
67 and Human Resources or the Division of Juvenile Services;

68 (C) The juvenile's parent or parents, guardian or guardians
69 or custodial relatives;

70 (D) The juvenile's attorney;

71 (E) Any attorney representing a member of the treatment
72 team;

73 (F) The prosecuting attorney or his or her designee;

74 (G) An appropriate school official; and

75 (H) Any other person or agency representative who may
76 assist in providing recommendations for the particular needs of
77 the juvenile and family, including domestic violence service
78 providers. In delinquency proceedings, the probation officer
79 shall be a member of a treatment team. When appropriate, the
80 juvenile case manager in the Department of Health and Human
81 Resources and the Division of Juvenile Services shall cooperate
82 in conducting multidisciplinary treatment team meetings when
83 it is in the juvenile's best interest.

84 (3) Prior to disposition, in each case in which a treatment
85 planning team has been convened, the team shall advise the court

86 as to the types of services the team has determined are needed
87 and type of placement, if any, which will best serve the needs of
88 the child. If the team determines that an out-of-home placement
89 will best serve the needs of the child, the team shall first
90 consider placement at facilities or programs located within the
91 state. The team may only recommend placement in an
92 out-of-state facility if it concludes, after considering the best
93 interests and overall needs of the child, that there are no
94 available and suitable in-state facilities which can satisfactorily
95 meet the specific needs of the child.

96 (4) The multidisciplinary treatment team shall submit written
97 reports to the court as required by applicable law or by the court,
98 shall meet with the court at least every three months, as long as
99 the juvenile remains in the legal or physical custody of the state,
100 and shall be available for status conferences and hearings as
101 required by the court.

102 (5) In any case in which a juvenile has been placed out of his
103 or her home except for a temporary placement in a shelter or
104 detention center, the multidisciplinary treatment team shall
105 cooperate with the state agency in whose custody the juvenile is
106 placed to develop an after-care plan. The rules of juvenile
107 procedure and section four hundred nine of this article govern
108 the development of an after-care plan for a juvenile, the
109 submission of the plan to the court and any objection to the
110 after-care plan.

111 (6) If a juvenile respondent admits the underlying allegations
112 of the case initiated pursuant to part VII of this article, in the
113 multidisciplinary treatment planning process, his or her
114 statements may not be used in any juvenile or criminal
115 proceedings against the juvenile, except for perjury or false
116 swearing.

§49-4-407. Team directors; records; case logs.

1 All persons directing any team created pursuant to this
2 article shall maintain records of each meeting indicating the
3 name and position of persons attending each meeting and the
4 number of cases discussed at the meeting, including a
5 designation of whether or not that case was previously discussed
6 by any multidisciplinary team. Further, all investigative teams
7 shall maintain a log of all cases to indicate the number of
8 referrals to that team, whether or not a police report was filed
9 with the prosecuting attorney's office, whether or not a petition
10 was sought pursuant to part six of this article or whether or not
11 a criminal complaint was issued and a case was criminally
12 prosecuted. All treatment teams shall maintain a log of all cases
13 to indicate the basis for failure to review a case for a period in
14 excess of six months.

**§49-4-408. Unified child and family case plans; treatment teams;
programs; agency requirements.**

1 (a) The Department of Health and Human Resources shall
2 develop a unified child and family case plan for every family
3 wherein a person has been referred to the department after being
4 allowed an improvement period or where the child is placed in
5 foster care. The case plan must be filed within sixty days of the
6 child coming into foster care or within thirty days of the
7 inception of the improvement period, whichever occurs first. The
8 department may also prepare a case plan for any person who
9 voluntarily seeks child abuse and neglect services from the
10 department, or who is referred to the department by another
11 public agency or private organization. The case plan provisions
12 shall comply with federal law and the rules of procedure for
13 child abuse and neglect proceedings.

14 (b) The department shall convene a multidisciplinary
15 treatment team, which shall develop the case plan. Parents,
16 guardians or custodians shall participate fully in the development

17 of the case plan, and the child shall also fully participate if
18 sufficiently mature and the child's participation is otherwise
19 appropriate. The case plan may be modified from time to time to
20 allow for flexibility in goal development, and in each case the
21 modifications shall be submitted to the court in writing.
22 Reasonable efforts to place a child for adoption or with a legal
23 guardian may be made at the same time as reasonable efforts are
24 being made to prevent removal or to make it possible for a child
25 to return safely home. The court shall examine the proposed case
26 plan or any modification thereof, and upon a finding by the court
27 that the plan or modified plan can be easily communicated,
28 explained and discussed so as to make the participants
29 accountable and able to understand the reasons for any success
30 or failure under the plan, the court shall inform the participants
31 of the probable action of the court if goals are met or not met.

32 (c) In furtherance of the provisions of this article, the
33 department shall, within the limits of available funds, establish
34 programs and services for the following purposes:

35 (1) For the development and establishment of training
36 programs for professional and paraprofessional personnel in the
37 fields of medicine, law, education, social work and other
38 relevant fields who are engaged in, or intend to work in, the field
39 of the prevention, identification and treatment of child abuse and
40 neglect; and training programs for children, and for persons
41 responsible for the welfare of children, in methods of protecting
42 children from child abuse and neglect;

43 (2) For the establishment and maintenance of centers,
44 serving defined geographic areas, staffed by multidisciplinary
45 teams and community teams of personnel trained in the
46 prevention, identification and treatment of child abuse and
47 neglect cases, to provide a broad range of services related to
48 child abuse and neglect, including direct support as well as
49 providing advice and consultation to individuals, agencies and
50 organizations which request the services;

51 (3) For furnishing services of multidisciplinary teams and
52 community teams, trained in the prevention, identification and
53 treatment of child abuse and neglect cases, on a consulting basis
54 to small communities where the services are not available;

55 (4) For other innovative programs and projects that show
56 promise of successfully identifying, preventing or remedying the
57 causes of child abuse and neglect, including, but not limited to,
58 programs and services designed to improve and maintain
59 parenting skills, programs and projects for parent self help, and
60 for prevention and treatment of drug-related child abuse and
61 neglect; and

62 (5) Assisting public agencies or nonprofit private
63 organizations or combinations thereof in making applications for
64 grants from, or in entering into contracts with, the federal
65 Secretary of the Department of Health and Human Services for
66 demonstration programs and projects designed to identify,
67 prevent and treat child abuse and neglect.

68 (d) Agencies, organizations and programs funded to carry
69 out the purposes of this section shall be structured so as to
70 comply with any applicable federal law, any regulation of the
71 federal Department of Health and Human Services or its
72 secretary, and any final comprehensive plan of the federal
73 advisory board on child abuse and neglect. In funding
74 organizations, the department shall, to the extent feasible, ensure
75 that parental organizations combating child abuse and neglect
76 receive preferential treatment.

**§49-4-409. After care plans; contents; written comments; contacts;
objections; courts.**

1 (a) Prior to the discharge of a child from any institution or
2 facility to which the child was committed pursuant to this
3 chapter, the superintendent of the institution or facility shall call
4 a meeting of the multidisciplinary treatment team to which the

5 child has been referred or, if no referral has been made, convene
6 a multidisciplinary treatment team for any child for which a
7 multidisciplinary treatment plan is required by this article and
8 forward a copy of the child's proposed after-care plan to the
9 court which committed the child. A copy of the plan shall also
10 be sent to: (1) The child's parents or legal guardian; (2) the
11 child's lawyer; (3) the child's probation officer or community
12 mental health center professional; (4) the prosecuting attorney of
13 the county in which the original commitment proceedings were
14 held; and (5) the principal of the school which the child will
15 attend. The plan shall have a list of the names and addresses of
16 these persons attached to it.

17 (b) The after-care plan shall contain a detailed description of
18 the education, counseling and treatment which the child received
19 while at the institution or facility and it shall also propose a plan
20 for education, counseling and treatment for the child upon the
21 child's discharge. The plan shall also contain a description of
22 any problems the child has, including the source of those
23 problems, and it shall propose a manner for addressing those
24 problems upon discharge.

25 (c) Within twenty-one days of receiving the plan, the child's
26 probation officer or community mental health center
27 professional shall submit written comments upon the plan to the
28 court which committed the child. Any other person who received
29 a copy of the plan pursuant to subsection (a) of this section may
30 submit written comments upon the plan to the court which
31 committed the child. Any person who submits comments upon
32 the plan shall send a copy of those comments to every other
33 person who received a copy of the plan.

34 (d) Within twenty-one days of receiving the plan, the child's
35 probation officer or community mental health center
36 professional shall contact all persons, organizations and agencies
37 which are to be involved in executing the plan to determine

38 whether they are capable of executing their responsibilities under
39 the plan and to further determine whether they are willing to
40 execute their responsibilities under the plan.

41 (e) If adverse comments or objections regarding the plan are
42 submitted to the circuit court, it shall, within forty-five days of
43 receiving the plan, hold a hearing to consider the plan and the
44 adverse comments or objections. Any person, organization or
45 agency which has responsibilities in executing the plan, or their
46 representatives, may be required to appear at the hearing unless
47 they are excused by the circuit court. Within five days of the
48 hearing, the circuit court shall issue an order which adopts the
49 plan as submitted or as modified in response to any comments or
50 objections.

51 (f) If no adverse comments or objections are submitted, a
52 hearing need not be held. In that case, the court shall consider
53 the plan as submitted and shall, within forty-five days of
54 receiving the plan, issue an order which adopts the plan as
55 submitted.

56 (g) Notwithstanding the provisions of subsections (e) and (f)
57 of this section, the plan which is adopted by the court shall be in
58 the best interests of the child and shall also be in conformity with
59 West Virginia's interest in youths as embodied in this chapter.

60 (h) The court which committed the child shall appoint the
61 child's probation officer or community mental health center
62 professional to act as supervisor of the plan. The supervisor shall
63 report the child's progress under the plan to the court every sixty
64 days or until the court determines that no report or no further
65 care is necessary.

§49-4-410. Other agencies of government required to cooperate.

1 State, county and local agencies shall provide the
2 multidisciplinary teams with any information requested in

3 writing by the team as allowable by law or upon receipt of a
4 certified copy of the circuit court's order directing the agencies
5 to release information in its possession relating to the child. The
6 team shall assure that all information received and developed in
7 connection with this article remain confidential. For purposes of
8 this section, the term "confidential" shall be construed in
9 accordance with article five of this chapter.

§49-4-411. Law enforcement; prosecution; interference with performance of duties.

1 No multidisciplinary team may take any action which, in the
2 determination of the prosecuting attorney or his or her assistant,
3 impairs the ability of the prosecuting attorney, his or her
4 assistant, or any law-enforcement officer to perform his or her
5 statutory duties.

§49-4-412. Exemption from multidisciplinary team review before emergency out-of-home placements.

1 Notwithstanding any provision of this article to the contrary,
2 a multidisciplinary team meeting may not be required before
3 temporary out-of-home placement of a child in an emergency
4 circumstance or for purposes of assessment as provided by this
5 article. As soon as practicable after the emergency circumstance,
6 the multidisciplinary treatment team shall convene to explore
7 placement options.

PART V. DUTIES OF THE PROSECUTING ATTORNEY.

§49-4-501. Prosecuting attorney representation of the Department of Health and Human Resources; conflict resolution.

1 (a) The prosecuting attorney shall render to the Department
2 of Health and Human Resources, without additional
3 compensation, the legal services as the department may require.
4 This section shall not be construed to prohibit the department

5 from developing plans for cooperation with courts, prosecuting
6 attorneys, and other law-enforcement officials in a manner as to
7 permit the state and its citizens to obtain maximum fiscal
8 benefits under federal laws, rules and regulations.

9 (b) Nothing in this code may be construed to limit the
10 authority of a prosecuting attorney to file an abuse or neglect
11 petition, including the duties and responsibilities owed to its
12 client the Department of Health and Human Resources, in his or
13 her fulfillment of the provisions of this article.

14 (c) Whenever, pursuant to this chapter, a prosecuting
15 attorney acts as counsel for the Department of Health and
16 Human Resources, and a dispute arises between the prosecuting
17 attorney and the department's representative because an action
18 proposed by the other is believed to place the child at imminent
19 risk of abuse or serious neglect, either the prosecuting attorney
20 or the department's representative may contact the secretary of
21 the department and the executive director of the West Virginia
22 Prosecuting Attorneys Institute for prompt mediation and
23 resolution. The secretary may designate either his or her general
24 counsel or the director of social services to act as his or her
25 designee and the executive director may designate an objective
26 prosecuting attorney as his or her designee.

**§49-4-502. Prosecuting attorney to represent and cooperate with
persons other than the department in child abuse and
neglect matters; duties.**

1 It is the duty of every prosecuting attorney to fully and
2 promptly cooperate with persons seeking to apply for relief,
3 including co-petitioners with the department, under this article
4 in all cases of suspected child abuse and neglect; to promptly
5 prepare applications and petitions for relief requested by those
6 persons, to investigate reported cases of suspected child abuse
7 and neglect for possible criminal activity; and to report at least

8 annually to the grand jury regarding the discharge of his or her
9 duties with respect thereto.

§49-4-503. Prosecuting attorney to represent petitioner in juvenile cases.

1 The prosecuting attorney shall represent the petitioner in all
2 proceedings under this article before the court judge or
3 magistrate having juvenile jurisdiction.

§49-4-504. Prosecuting attorney duty to establish multidisciplinary investigative teams.

1 The prosecuting attorney of each county shall establish a
2 multidisciplinary investigative team in that county, pursuant to
3 section four hundred two of this article, and section five, article
4 four of chapter seven.

**PART VI. PROCEDURES IN CASES OF CHILD
NEGLECT OR ABUSE.**

§49-4-601. Petition to court when child believed neglected or abused; venue; notice; right to counsel; continuing legal education; findings; proceedings; procedure.

1 (a) *Petitioner and venue.* — If the department or a reputable
2 person believes that a child is neglected or abused, the
3 department or the person may present a petition setting forth the
4 facts to the circuit court in the county in which the child resides,
5 or if the petition is being brought by the department, in the
6 county in which the custodial respondent or other named party
7 abuser resides, or in which the abuse or neglect occurred, or to
8 the judge of the court in vacation. Under no circumstance may
9 a party file a petition in more than one county based on the same
10 set of facts.

11 (b) *Contents of Petition.* — The petition shall be verified by
12 the oath of some credible person having knowledge of the facts.
13 The petition shall allege specific conduct including time and
14 place, how the conduct comes within the statutory definition of
15 neglect or abuse with references thereto, any supportive services
16 provided by the department to remedy the alleged circumstances
17 and the relief sought.

18 (c) *Court action upon filing of petition.* — Upon filing of the
19 petition, the court shall set a time and place for a hearing and
20 shall appoint counsel for the child. When there is an order for
21 temporary custody pursuant to this article, the preliminary
22 hearing shall be held within ten days of the order continuing or
23 transferring custody, unless a continuance for a reasonable time
24 is granted to a date certain, for good cause shown.

25 (d) *Department action upon filing of the petition.* — At the
26 time of the institution of any proceeding under this article, the
27 department shall provide supportive services in an effort to
28 remedy circumstances detrimental to a child.

29 (e) *Notice of hearing.* —

30 (1) The petition and notice of the hearing shall be served
31 upon both parents and any other custodian, giving to the parents
32 or custodian at least five days' actual notice of a preliminary
33 hearing and at least ten days' notice of any other hearing.

34 (2) Notice shall be given to the department, any foster or
35 preadoptive parent, and any relative providing care for the child.

36 (3) In cases where personal service within West Virginia
37 cannot be obtained after due diligence upon any parent or other
38 custodian, a copy of the petition and notice of the hearing shall
39 be mailed to the person by certified mail, addressee only, return
40 receipt requested, to the last known address of the person. If the

41 person signs the certificate, service shall be complete and the
42 certificate shall be filed as proof of the service with the clerk of
43 the circuit court.

44 (4) If service cannot be obtained by personal service or by
45 certified mail, notice shall be by publication as a Class II legal
46 advertisement in compliance with article three, chapter fifty-nine
47 of this code.

48 (5) A notice of hearing shall specify the time and place of
49 the hearing, the right to counsel of the child and parents or other
50 custodians at every stage of the proceedings and the fact that the
51 proceedings can result in the permanent termination of the
52 parental rights.

53 (6) Failure to object to defects in the petition and notice may
54 not be construed as a waiver.

55 (f) *Right to counsel.* —

56 (1) In any proceeding under this article, the child, his or her
57 parents and his or her legally established custodian or other
58 persons standing in *loco parentis* to him or her has the right to be
59 represented by counsel at every stage of the proceedings and
60 shall be informed by the court of their right to be so represented
61 and that if they cannot pay for the services of counsel, that
62 counsel will be appointed.

63 (2) Counsel shall be appointed in the initial order. For
64 parents, legal guardians, and other persons standing in *loco*
65 *parentis*, the representation may only continue after the first
66 appearance if the parent or other persons standing in *loco*
67 *parentis* cannot pay for the services of counsel.

68 (3) Counsel for other parties shall only be appointed upon
69 request for appointment of counsel. If the requesting parties have
70 not retained counsel and cannot pay for the services of counsel,

71 the court shall, by order entered of record, appoint an attorney or
72 attorneys to represent the other party or parties and so inform the
73 parties.

74 (4) Under no circumstances may the same attorney represent
75 both the child and the other party or parties, nor may the same
76 attorney represent both parents or custodians. However, one
77 attorney may represent both parents or custodians where both
78 parents or guardians consent to this representation after the
79 attorney fully discloses to the client the possible conflict and
80 where the attorney assures the court that she or he is able to
81 represent each client without impairing her or his professional
82 judgment; however, if more than one child from a family is
83 involved in the proceeding, one attorney may represent all the
84 children.

85 (5) A parent who is a copetitioner is entitled to his or her
86 own attorney. The court may allow to each attorney so appointed
87 a fee in the same amount which appointed counsel can receive in
88 felony cases.

89 (g) *Continuing education for counsel.* — Any attorney
90 representing a party under this article shall receive a minimum
91 of eight hours of continuing legal education training per
92 reporting period on child abuse and neglect procedure and
93 practice. In addition to this requirement, any attorney appointed
94 to represent a child must first complete training on
95 representation of children that is approved by the administrative
96 office of the Supreme Court of Appeals. The Supreme Court of
97 Appeals shall develop procedures for approval and certification
98 of training required under this section. Where no attorney has
99 completed the training required by this subsection, the court
100 shall appoint a competent attorney with demonstrated knowledge
101 of child welfare law to represent the parent or child. Any
102 attorney appointed pursuant to this section shall perform all

103 duties required of an attorney licensed to practice law in the
104 State of West Virginia.

105 (h) *Right to be heard.* — In any proceeding pursuant to this
106 article, the party or parties having custodial or other parental
107 rights or responsibilities to the child shall be afforded a
108 meaningful opportunity to be heard, including the opportunity to
109 testify and to present and cross-examine witnesses. Foster
110 parents, preadoptive parents, and relative caregivers shall also
111 have a meaningful opportunity to be heard.

112 (i) *Findings of the court.* — Where relevant, the court shall
113 consider the efforts of the department to remedy the alleged
114 circumstances. At the conclusion of the adjudicatory hearing, the
115 court shall make a determination based upon the evidence and
116 shall make findings of fact and conclusions of law as to whether
117 the child is abused or neglected and whether the respondent is
118 abusing, neglecting, or, if applicable, a battered parent, all of
119 which shall be incorporated into the order of the court. The
120 findings must be based upon conditions existing at the time of
121 the filing of the petition and proven by clear and convincing
122 evidence.

123 (j) *Priority of proceedings.* — Any petition filed and any
124 proceeding held under this article shall, to the extent practicable,
125 be given priority over any other civil action before the court,
126 except proceedings under section three hundred nine, article
127 twenty-seven, chapter forty-eight of this code and actions in
128 which trial is in progress. Any petition filed under this article
129 shall be docketed immediately upon filing. Any hearing to be
130 held at the end of an improvement period and any other hearing
131 to be held during any proceedings under this article shall be held
132 as nearly as practicable on successive days and, with respect to
133 the hearing to be held at the end of an improvement period, shall
134 be held as close in time as possible after the end of the

135 improvement period and shall be held within thirty days of the
136 termination of the improvement period.

137 (k) *Procedural safeguards.* — The petition may not be taken
138 as confessed. A transcript or recording shall be made of all
139 proceedings unless waived by all parties to the proceeding. The
140 rules of evidence shall apply. Following the court's
141 determination, it shall be inquired of the parents or custodians
142 whether or not appeal is desired and the response transcribed. A
143 negative response may not be construed as a waiver. The
144 evidence shall be transcribed and made available to the parties
145 or their counsel as soon as practicable, if the same is required for
146 purposes of further proceedings. If an indigent person intends to
147 pursue further proceedings, the court reporter shall furnish a
148 transcript of the hearing without cost to the indigent person if an
149 affidavit is filed stating that he or she cannot pay therefor.

**§49-4-602. Petition to court when child believed neglected or
abused; temporary care, custody, and control of
child at different stages of proceeding; temporary
care; orders; emergency removal; when reasonable
efforts to preserve family are unnecessary.**

1 (a) (1) *Temporary care, custody, and control upon filing of*
2 *the petition.* — Upon the filing of a petition, the court may order
3 that the child alleged to be an abused or neglected child be
4 delivered for not more than ten days into the care, custody, and
5 control of the department or a responsible person who is not the
6 custodial parent or guardian of the child, if it finds that:

7 (A) There exists imminent danger to the physical well-being
8 of the child; and

9 (B) There are no reasonably available alternatives to removal
10 of the child, including, but not limited to, the provision of
11 medical, psychiatric, psychological or homemaking services in
12 the child's present custody.

13 (2) Where the alleged abusing person, if known, is a member
14 of a household, the court shall not allow placement pursuant to
15 this section of the child or children in the home unless the
16 alleged abusing person is or has been precluded from visiting or
17 residing in the home by judicial order.

18 (3) In a case where there is more than one child in the home,
19 or in the temporary care, custody or control of the alleged
20 offending parent, the petition shall so state. Notwithstanding the
21 fact that the allegations of abuse or neglect may pertain to less
22 than all of those children, each child in the home for whom relief
23 is sought shall be made a party to the proceeding. Even though
24 the acts of abuse or neglect alleged in the petition were not
25 directed against a specific child who is named in the petition, the
26 court shall order the removal of the child, pending final
27 disposition, if it finds that there exists imminent danger to the
28 physical well-being of the child and a lack of reasonable
29 available alternatives to removal.

30 (4) The initial order directing custody shall contain an order
31 appointing counsel and scheduling the preliminary hearing, and
32 upon its service shall require the immediate transfer of care,
33 custody, and control of the child or children to the department or
34 a responsible relative, which may include any parent, guardian,
35 or other custodian. The court order shall state:

36 (A) That continuation in the home is contrary to the best
37 interests of the child and why; and

38 (B) Whether or not the department made reasonable efforts
39 to preserve the family and prevent the placement or that the
40 emergency situation made those efforts unreasonable or
41 impossible. The order may also direct any party or the
42 department to initiate or become involved in services to facilitate
43 reunification of the family.

44 (b) *Temporary care, custody and control at preliminary*
45 *hearing.* — Whether or not the court orders immediate transfer
46 of custody as provided in subsection (a) of this section, if the
47 facts alleged in the petition demonstrate to the court that there
48 exists imminent danger to the child, the court may schedule a
49 preliminary hearing giving the respondents at least five days'
50 actual notice. If the court finds at the preliminary hearing that
51 there are no alternatives less drastic than removal of the child
52 and that a hearing on the petition cannot be scheduled in the
53 interim period, the court may order that the child be delivered
54 into the temporary care, custody, and control of the department
55 or a responsible person or agency found by the court to be a fit
56 and proper person for the temporary care of the child for a period
57 not exceeding sixty days. The court order shall state:

58 (1) That continuation in the home is contrary to the best
59 interests of the child and set forth the reasons therefor;

60 (2) Whether or not the department made reasonable efforts
61 to preserve the family and to prevent the child's removal from
62 his or her home;

63 (3) Whether or not the department made reasonable efforts
64 to preserve the family and to prevent the placement or that the
65 emergency situation made those efforts unreasonable or
66 impossible;

67 (4) Whether or not the department made reasonable
68 accommodations in accordance with the Americans with
69 Disabilities Act of 1990, 42 U.S.C. §12101, *et seq.*, to parents
70 with disabilities in order to allow them meaningful access to
71 reunification and family preservation services; and

72 (5) What efforts should be made by the department, if any,
73 to facilitate the child's return home. If the court grants an
74 improvement period as provided in section six hundred ten of

75 this article, the sixty-day limit upon temporary custody is
76 waived.

77 (c) *Emergency removal by department during pendency of*
78 *case.* — Regardless of whether the court has previously granted
79 the department care and custody of a child, if the department
80 takes physical custody of a child during the pendency of a child
81 abuse and neglect case (also known as removing the child) due
82 to a change in circumstances and without a court order issued at
83 the time of the removal, the department must immediately notify
84 the court and a hearing shall take place within ten days to
85 determine if there is imminent danger to the physical well-being
86 of the child, and there is no reasonably available alternative to
87 removal of the child. The court findings and order shall be
88 consistent with subsections (a) and (b) of this section.

89 (d) *Situations when reasonable efforts to preserve the family*
90 *are not required.* — For purposes of the court's consideration of
91 temporary custody pursuant to subsection (a), (b), or (c) of this
92 section, the department is not required to make reasonable
93 efforts to preserve the family if the court determines:

94 (1) The parent has subjected the child, another child of the
95 parent or any other child residing in the same household or under
96 the temporary or permanent custody of the parent to aggravated
97 circumstances which include, but are not limited to,
98 abandonment, torture, chronic abuse and sexual abuse;

99 (2) The parent has:

100 (A) Committed murder of the child's other parent, guardian
101 or custodian, another child of the parent or any other child
102 residing in the same household or under the temporary or
103 permanent custody of the parent;

104 (B) Committed voluntary manslaughter of the child's other
105 parent, guardian or custodian, another child of the parent or any

106 other child residing in the same household or under the
107 temporary or permanent custody of the parent;

108 (C) Attempted or conspired to commit murder or voluntary
109 manslaughter or been an accessory before or after the fact to
110 either crime;

111 (D) Committed unlawful or malicious wounding that results
112 in serious bodily injury to the child, the child's other parent,
113 guardian or custodian, to another child of the parent or any other
114 child residing in the same household or under the temporary or
115 permanent custody of the parent;

116 (E) Committed sexual assault or sexual abuse of the child,
117 the child's other parent, guardian or custodian, another child of
118 the parent or any other child residing in the same household or
119 under the temporary or permanent custody of the parent; or

120 (F) Has been required by state or federal law to register with
121 a sex offender registry, and the court has determined in
122 consideration of the nature and circumstances surrounding the
123 prior charges against that parent, that the child's interests would
124 not be promoted by a preservation of the family; or

125 (3) The parental rights of the parent to another child have
126 been terminated involuntarily.

**§49-4-603. Medical and mental examinations; limitation of
evidence; probable cause; testimony; judge or
referee.**

1 (a)(1) At any time during proceedings under this article the
2 court may, upon its own motion or upon motion of the child or
3 other parties, order the child or other parties to be examined by
4 a physician, psychologist or psychiatrist, and may require
5 testimony from the expert, subject to cross-examination and the
6 rules of evidence.

7 (2) The court may not terminate parental or custodial rights
8 of a party solely because the party refuses to submit to the
9 examination, nor may the court hold a party in contempt for
10 refusing to submit to an examination.

11 (3) The physician, psychologist or psychiatrist shall be
12 allowed to testify as to the conclusions reached from hospital,
13 medical, psychological or laboratory records provided the same
14 are produced at the hearing.

15 (4) If the child, parent or custodian is indigent, the witnesses
16 shall be compensated out of the Treasury of the State, upon
17 certificate of the court wherein the case is pending.

18 (5) No evidence acquired as a result of an examination of the
19 parent or any other person having custody of the child may be
20 used against the person in any subsequent criminal proceedings
21 against the person.

22 (b) (1) If a person with authority to file a petition under this
23 article shall have probable cause to believe that evidence exists
24 that a child has been abused or neglected and that the evidence
25 may be found by a medical examination, the person may apply
26 to a judge or juvenile referee for an order to take the child into
27 custody for delivery to a physician or hospital for examination.

28 (2) The application may be on forms prescribed by the
29 Supreme Court of Appeals or prepared by the prosecuting
30 attorney or the applicant, and shall set forth facts from which it
31 may be determined that probable cause exists for the belief.

32 (3) Upon sworn testimony or other evidence as the judge or
33 referee deems sufficient, the judge or referee may order any
34 law-enforcement officer to take the child into custody and
35 deliver the child to a physician or hospital for examination.

36 (4) If a referee issues an order the referee shall by telephonic
37 communication have such order orally confirmed by a circuit

38 judge of the circuit or an adjoining circuit who shall, on the next
39 judicial day, enter an order of confirmation.

40 (5) Any child protection worker and the child's parents,
41 guardians or custodians may accompany the officer for
42 examination.

43 (6) After the examination the officer may return the child to
44 the custody of his or her parent, guardian or custodian, retain
45 custody of the child or deliver custody to the state department
46 until the end of the next judicial day, at which time the child
47 shall be returned to the custody of his or her parent, guardian or
48 custodian unless a petition has been filed and custody of the
49 child has been transferred to the department under section six
50 hundred two of this article.

**§49-4-604. Disposition of neglected or abused children; case plans;
dispositions; factors to be considered; reunification;
orders; alternative dispositions.**

1 (a) *Child and family case plans.* — Following a
2 determination pursuant to section six hundred two of this article
3 wherein the court finds a child to be abused or neglected, the
4 department shall file with the court a copy of the child's case
5 plan, including the permanency plan for the child. The term
6 "case plan" means a written document that includes, where
7 applicable, the requirements of the family case plan as provided
8 in section four hundred eight of this article and that also
9 includes, at a minimum, the following:

10 (1) A description of the type of home or institution in which
11 the child is to be placed, including a discussion of the
12 appropriateness of the placement and how the agency which is
13 responsible for the child plans to assure that the child receives
14 proper care and that services are provided to the parents, child,
15 and foster parents in order to improve the conditions that made

16 the child unsafe in the care of his or her parent(s), including any
17 reasonable accommodations in accordance with the Americans
18 with Disabilities Act of 1990, 42 U.S.C. §12101 *et seq.*, to
19 parents with disabilities in order to allow them meaningful
20 access to reunification and family preservation services;

21 (2) A plan to facilitate the return of the child to his or her
22 own home or the concurrent permanent placement of the child;
23 and address the needs of the child while in relative or foster care,
24 including a discussion of the appropriateness of the services that
25 have been provided to the child.

26 The term “permanency plan” refers to that part of the case
27 plan which is designed to achieve a permanent home for the
28 child in the least restrictive setting available. The plan must
29 document efforts to ensure that the child is returned home within
30 approximate time lines for reunification as set out in the plan.
31 Reasonable efforts to place a child for adoption or with a legal
32 guardian should be made at the same time, or concurrent with,
33 reasonable efforts to prevent removal or to make it possible for
34 a child to return to the care of his or her parent(s) safely. If
35 reunification is not the permanency plan for the child, the plan
36 must state why reunification is not appropriate and detail the
37 alternative, concurrent permanent placement plans for the child
38 to include approximate time lines for when the placement is
39 expected to become a permanent placement. This case plan shall
40 serve as the family case plan for parents of abused or neglected
41 children. Copies of the child’s case plan shall be sent to the
42 child’s attorney and parent, guardian or custodian or their
43 counsel at least five days prior to the dispositional hearing. The
44 court shall forthwith proceed to disposition giving both the
45 petitioner and respondents an opportunity to be heard.

46 (b) *Disposition decisions.* — The court shall give precedence
47 to dispositions in the following sequence:

48 (1) Dismiss the petition;

49 (2) Refer the child, the abusing parent, the battered parent or
50 other family members to a community agency for needed
51 assistance and dismiss the petition;

52 (3) Return the child to his or her own home under
53 supervision of the department;

54 (4) Order terms of supervision calculated to assist the child
55 and any abusing parent or battered parent or parents or custodian
56 which prescribe the manner of supervision and care of the child
57 and which are within the ability of any parent or parents or
58 custodian to perform;

59 (5) Upon a finding that the abusing parent or battered parent
60 or parents are presently unwilling or unable to provide
61 adequately for the child's needs, commit the child temporarily
62 to the care, custody, and control of the state department, a
63 licensed private child welfare agency, or a suitable person who
64 may be appointed guardian by the court. The court order shall
65 state:

66 (A) That continuation in the home is contrary to the best
67 interests of the child and why;

68 (B) Whether or not the department has made reasonable
69 efforts, with the child's health and safety being the paramount
70 concern, to preserve the family, or some portion thereof, and to
71 prevent or eliminate the need for removing the child from the
72 child's home and to make it possible for the child to safely return
73 home;

74 (C) Whether the department has made reasonable
75 accommodations in accordance with the Americans with
76 Disabilities Act of 1990, 42 U.S.C. §12101 *et seq.*, to parents

77 with disabilities in order to allow them meaningful access to
78 reunification and family preservation services;

79 (D) What efforts were made or that the emergency situation
80 made those efforts unreasonable or impossible; and

81 (E) The specific circumstances of the situation which made
82 those efforts unreasonable if services were not offered by the
83 department. The court order shall also determine under what
84 circumstances the child's commitment to the department are to
85 continue. Considerations pertinent to the determination include
86 whether the child should:

87 (i) Be considered for legal guardianship;

88 (ii) Be considered for permanent placement with a fit and
89 willing relative; or

90 (iii) Be placed in another planned permanent living
91 arrangement, but only in cases where the child has attained 16
92 years of age and the department has documented to the circuit
93 court a compelling reason for determining that it would not be in
94 the best interests of the child to follow one of the options set
95 forth in subparagraphs (i) or (ii) of this paragraph. The court may
96 order services to meet the special needs of the child. Whenever
97 the court transfers custody of a youth to the department, an
98 appropriate order of financial support by the parents or guardians
99 shall be entered in accordance with part eight of this article; and

100 (6) Upon a finding that there is no reasonable likelihood that
101 the conditions of neglect or abuse can be substantially corrected
102 in the near future and, when necessary for the welfare of the
103 child, terminate the parental, custodial and guardianship rights
104 and responsibilities of the abusing parent and commit the child
105 to the permanent sole custody of the nonabusing parent, if there
106 be one, or, if not, to either the permanent guardianship of the

107 department or a licensed child welfare agency. The court may
108 award sole custody of the child to a nonabusing battered parent.
109 If the court shall so find, then in fixing its dispositional order the
110 court shall consider the following factors:

111 (A) The child's need for continuity of care and caretakers;

112 (B) The amount of time required for the child to be
113 integrated into a stable and permanent home environment; and

114 (C) Other factors as the court considers necessary and
115 proper. Notwithstanding any other provision of this article, the
116 court shall give consideration to the wishes of a child fourteen
117 years of age or older or otherwise of an age of discretion as
118 determined by the court regarding the permanent termination of
119 parental rights. No adoption of a child shall take place until all
120 proceedings for termination of parental rights under this article
121 and appeals thereof are final. In determining whether or not
122 parental rights should be terminated, the court shall consider the
123 efforts made by the department to provide remedial and
124 reunification services to the parent. The court order shall state:

125 (i) That continuation in the home is not in the best interest of
126 the child and why;

127 (ii) Why reunification is not in the best interests of the child;

128 (iii) Whether or not the department made reasonable efforts,
129 with the child's health and safety being the paramount concern,
130 to preserve the family, or some portion thereof, and to prevent
131 the placement or to eliminate the need for removing the child
132 from the child's home and to make it possible for the child to
133 safely return home, or that the emergency situation made those
134 efforts unreasonable or impossible; and

135 (iv) Whether or not the department made reasonable efforts
136 to preserve and reunify the family, or some portion thereof,

137 including a description of what efforts were made or that those
138 efforts were unreasonable due to specific circumstances.

139 (7) For purposes of the court's consideration of the
140 disposition custody of a child pursuant to this subsection, the
141 department is not required to make reasonable efforts to preserve
142 the family if the court determines:

143 (A) The parent has subjected the child, another child of the
144 parent or any other child residing in the same household or under
145 the temporary or permanent custody of the parent to aggravated
146 circumstances which include, but are not limited to,
147 abandonment, torture, chronic abuse and sexual abuse;

148 (B) The parent has:

149 (i) Committed murder of the child's other parent, guardian
150 or custodian, another child of the parent or any other child
151 residing in the same household or under the temporary or
152 permanent custody of the parent;

153 (ii) Committed voluntary manslaughter of the child's other
154 parent, guardian or custodian, another child of the parent or any
155 other child residing in the same household or under the
156 temporary or permanent custody of the parent;

157 (iii) Attempted or conspired to commit murder or voluntary
158 manslaughter or been an accessory before or after the fact to
159 either crime;

160 (iv) Committed a felonious assault that results in serious
161 bodily injury to the child, the child's other parent, guardian or
162 custodian, to another child of the parent or any other child
163 residing in the same household or under the temporary or
164 permanent custody of the parent; or

165 (v) Committed sexual assault or sexual abuse of the child,
166 the child's other parent, guardian or custodian, another child of
167 the parent or any other child residing in the same household or
168 under the temporary or permanent custody of the parent;

169 (C) The parental rights of the parent to another child have
170 been terminated involuntarily;

171 (D) A parent has been required by state or federal law to
172 register with a sex offender registry, and the court has
173 determined in consideration of the nature and circumstances
174 surrounding the prior charges against that parent, that the child's
175 interests would not be promoted by a preservation of the family.

176 (c) As used in this section, "no reasonable likelihood that
177 conditions of neglect or abuse can be substantially corrected"
178 means that, based upon the evidence before the court, the
179 abusing adult or adults have demonstrated an inadequate
180 capacity to solve the problems of abuse or neglect on their own
181 or with help. Those conditions exist in the following
182 circumstances, which are not exclusive:

183 (1) The abusing parent or parents have habitually abused or
184 are addicted to alcohol, controlled substances or drugs, to the
185 extent that proper parenting skills have been seriously impaired
186 and the person or persons have not responded to or followed
187 through the recommended and appropriate treatment which
188 could have improved the capacity for adequate parental
189 functioning;

190 (2) The abusing parent or parents have willfully refused or
191 are presently unwilling to cooperate in the development of a
192 reasonable family case plan designed to lead to the child's return
193 to their care, custody and control;

194 (3) The abusing parent or parents have not responded to or
195 followed through with a reasonable family case plan or other

196 rehabilitative efforts of social, medical, mental health or other
197 rehabilitative agencies designed to reduce or prevent the abuse
198 or neglect of the child, as evidenced by the continuation or
199 insubstantial diminution of conditions which threatened the
200 health, welfare or life of the child;

201 (4) The abusing parent or parents have abandoned the child;

202 (5) The abusing parent or parents have repeatedly or
203 seriously injured the child physically or emotionally, or have
204 sexually abused or sexually exploited the child, and the degree
205 of family stress and the potential for further abuse and neglect
206 are so great as to preclude the use of resources to mitigate or
207 resolve family problems or assist the abusing parent or parents
208 in fulfilling their responsibilities to the child;

209 (6) The battered parent's parenting skills have been seriously
210 impaired and the person has willfully refused or is presently
211 unwilling or unable to cooperate in the development of a
212 reasonable treatment plan or has not adequately responded to or
213 followed through with the recommended and appropriate
214 treatment plan.

215 (d) The court may, as an alternative disposition, allow the
216 parents or custodians an improvement period not to exceed six
217 months. During this period the court shall require the parent to
218 rectify the conditions upon which the determination was based.
219 The court may order the child to be placed with the parents, or
220 any person found to be a fit and proper person, for the temporary
221 care of the child during the period. At the end of the period, the
222 court shall hold a hearing to determine whether the conditions
223 have been adequately improved and at the conclusion of the
224 hearing shall make a further dispositional order in accordance
225 with this section.

§49-4-605. When department efforts to terminate parental rights are required.

1 (a) Except as provided in subsection (b) of this section, the
2 department shall file or join in a petition or otherwise seek a
3 ruling in any pending proceeding to terminate parental rights:

4 (1) If a child has been in foster care for fifteen of the most
5 recent twenty-two months as determined by the earlier of the
6 date of the first judicial finding that the child is subjected to
7 abuse or neglect or the date which is sixty days after the child is
8 removed from the home;

9 (2) If a court has determined the child is abandoned,
10 tortured, sexually abused, or chronically abused; or

11 (3) If a court has determined the parent has committed
12 murder or voluntary manslaughter of another of his or her
13 children, another child in the household, or the other parent of
14 his or her children; has attempted or conspired to commit murder
15 or voluntary manslaughter or has been an accessory before or
16 after the fact of either crime; has committed unlawful or
17 malicious wounding resulting in serious bodily injury to the
18 child or to another of his or her children, another child in the
19 household, or to the other parent of his or her children; or the
20 parental rights of the parent to another child have been
21 terminated involuntarily.

22 (b) The department may determine not to file a petition to
23 terminate parental rights when:

24 (1) At the option of the department, the child has been
25 placed permanently with a relative by court order;

26 (2) The department has documented in the case plan made
27 available for court review a compelling reason, including, but
28 not limited to, the child's age and preference regarding

29 termination or the child's placement in custody of the
30 department based on any proceedings initiated under part seven
31 of this article, that filing the petition would not be in the best
32 interests of the child; or

33 (3) The department has not provided, when reasonable
34 efforts to return a child to the family are required, the services to
35 the child's family as the department deems necessary for the safe
36 return of the child to the home.

**§49-4-606. Modification of dispositional orders; hearings;
treatment team; unadopted children.**

1 (a) Upon motion of a child, a child's parent or custodian or
2 the department alleging a change of circumstances requiring a
3 different disposition, the court shall conduct a hearing pursuant
4 to section six hundred four of this article and may modify a
5 dispositional order if the court finds by clear and convincing
6 evidence a material change of circumstances and that the
7 modification is in the child's best interests. A dispositional order
8 may not be modified after the child has been adopted, except as
9 provided in subsections (b) and (c) of this section. Adequate and
10 timely notice of any motion for modification shall be given to
11 the child's counsel, counsel for the child's parent or custodian,
12 the department and any person entitled to notice and the right to
13 be heard. The circuit court of origin has exclusive jurisdiction
14 over placement of the child, and the placement may not be
15 disrupted or delayed by any administrative process of the
16 department.

17 (b) If the child is removed or relinquished from an adoptive
18 home or other permanent placement after the case has been
19 dismissed, any party with notice thereof and the receiving
20 agency shall promptly report the matter to the circuit court of
21 origin, the department and the child's counsel, and the court
22 shall schedule a permanency hearing within sixty days of the

23 report to the circuit court, with notice given to any appropriate
24 parties and persons entitled to notice and the right to be heard.
25 The department shall convene a multidisciplinary treatment team
26 meeting within thirty days of the receipt of notice of permanent
27 placement disruption.

28 (c) If a child has not been adopted, the child or department
29 may move the court to place the child with a parent or custodian
30 whose rights have been terminated and/or restore the parent's or
31 guardian's rights. Under these circumstances, the court may
32 order the placement and/or restoration of a parent's or guardian's
33 rights if it finds by clear and convincing evidence a material
34 change of circumstances and that the placement and/or
35 restoration is in the child's best interests.

§49-4-607. Consensual termination of parental rights.

1 An agreement of a natural parent in termination of parental
2 rights are valid if made by a duly acknowledged writing, and
3 entered into under circumstances free from duress and fraud.
4 Where during the pendency of an abuse and neglect proceeding,
5 a parent offers voluntarily relinquish of his or her parental rights,
6 and the relinquishment is accepted by the circuit court, the
7 relinquishment may, without further evidence, be used as the
8 basis of an order of adjudication of abuse and neglect by that
9 parent of his or her children.

**§49-4-608. Permanency hearing; frequency; transitional planning;
out-of-state placements; findings; notice; permanent
placement review.**

1 (a) *Permanency hearing when reasonable efforts are not*
2 *required.* — If the court finds, pursuant to this article, that the
3 department is not required to make reasonable efforts to preserve
4 the family, then, notwithstanding any other provision, a
5 permanency hearing must be held within thirty days following

6 the entry of the court order so finding, and a permanent
7 placement review hearing must be conducted at least once every
8 ninety days thereafter until a permanent placement is achieved.

9 (b) *Permanency hearing every twelve months until*
10 *permanency is achieved.* — If, twelve months after receipt by the
11 department or its authorized agent of physical care, custody, and
12 control of a child either by a court-ordered placement or by a
13 voluntary agreement, the department has not placed a child in an
14 adoptive home; placed the child with a natural parent, placed the
15 child in legal guardianship, or permanently placed the child with
16 a fit and willing relative, the court shall hold a permanency
17 hearing. The department shall file a progress report with the
18 court detailing the efforts that have been made to place the child
19 in a permanent home and copies of the child's case plan,
20 including the permanency plan as defined in section two hundred
21 one, article one, and section six hundred four, article four of this
22 chapter. Copies of the report shall be sent to the parties and all
23 persons entitled to notice and the right to be heard. The court
24 shall schedule a hearing, giving notice and the right to be present
25 to the child's attorney; the child; the child's parents; the child's
26 guardians; the child's foster parents; any preadoptive parent or
27 any relative providing care for the child; any person entitled to
28 notice and the right to be heard; and other persons as the court
29 may, in its discretion, direct. The child's presence may be
30 waived by the child's attorney at the request of the child or if the
31 child is younger than twelve years and would suffer emotional
32 harm. The purpose of the hearing is to review the child's case, to
33 determine whether and under what conditions the child's
34 commitment to the department shall continue, to determine what
35 efforts are necessary to provide the child with a permanent
36 home, and to determine if the department has made reasonable
37 efforts to finalize the permanency plan. The court shall conduct
38 another permanency hearing within twelve months thereafter for
39 each child who remains in the care, custody, and control of the

40 department until the child is placed in an adoptive home,
41 returned to his or her parents, placed in legal guardianship, or
42 permanently placed with a fit and willing relative.

43 (c) *Transitional planning for older children.* — In the case
44 of a child who has attained sixteen years of age, the court shall
45 determine the services needed to assist the child to make the
46 transition from foster care to independent living. The child's
47 case plan should specify services aimed at transitioning the child
48 into adulthood. When a child turns seventeen, or as soon as a
49 child aged seventeen comes into a case, the department must
50 immediately provide the child with assistance and support in
51 developing a transition plan that is personalized at the direction
52 of the child. The plan must include specific options on housing,
53 health insurance, education, local opportunities for mentors,
54 continuing support services, work force support, and
55 employment services, and the plan should be as detailed as the
56 child may elect. In addition to these requirements, when a child
57 with special needs turns seventeen, or as soon as a child aged
58 seventeen with special needs comes into a case, he or she is
59 entitled to the appointment of a department adult services worker
60 to the multidisciplinary treatment team and coordination
61 between the multidisciplinary treatment team and other
62 transition planning teams, such as special education
63 individualized education planning (IEP) teams.

64 (d) *Out-of-state placements.* — In any case in which the court
65 decides to order the child placed in an out-of-state facility or
66 program it shall set forth in the order directing the placement the
67 reasons why the child was not placed in an in-state facility or
68 program. If the child is to be placed with a relative or other
69 responsible person out of state, the court shall use judicial
70 leadership to help expedite the process under the Interstate
71 Compact for the Placement of Children provided in part one,
72 article seven of this chapter and the Uniform Child Custody

73 Jurisdiction and Enforcement Act provided in article twenty,
74 chapter forty-eight of this code.

75 (e) *Findings in order.* – At the conclusion of the hearing the
76 court shall, in accordance with the best interests of the child,
77 enter an order containing all the appropriate findings. The court
78 order shall state:

79 (1) Whether or not the department made reasonable efforts
80 to preserve the family and to prevent out-of-home placement or
81 that the specific situation made the effort unreasonable;

82 (2) Whether or not the department made reasonable efforts
83 to finalize the permanency plan and concurrent plan for the
84 child;

85 (3) The appropriateness of the child's current placement,
86 including its distance from the child's home and whether or not
87 it is the least restrictive one (most family-like one) available;

88 (4) The appropriateness of the current educational setting
89 and the proximity to the school in which the child is enrolled at
90 the time of placement;

91 (5) Services required to meet the child's needs and achieve
92 permanency; and

93 (6) In addition, in the case of any child for whom another
94 planned permanent living arrangement is the permanency plan,
95 the court shall (A) inquire of the child about the desired
96 permanency outcome for the child; (B) make a judicial
97 determination explaining why, as of the date of the hearing,
98 another planned permanent living arrangement is the best
99 permanency plan for the child; and, (C) provide in the court
100 order compelling reasons why it continues to not be in the best
101 interest of the child to (i) return home, (ii) be placed for

102 adoption, (iii) be placed with a legal guardian, or (iv) be placed
103 with a fit and willing relative.

104 (f) The department shall annually report to the court the
105 current status of the placements of children in the care, custody
106 and control of the state department who have not been adopted.

107 (g) The department shall file a report with the court in any
108 case where any child in the custody of the state receives more
109 than three placements in one year no later than thirty days after
110 the third placement. This report shall be provided to all parties
111 and persons entitled to notice and the right to be heard. Upon
112 motion by any party, the court shall review these placements and
113 determine what efforts are necessary to provide the child with a
114 permanent home. No report may be provided to any parent or
115 parent's attorney whose parental rights have been terminated
116 pursuant to this article.

117 (h) The department shall give actual notice, in writing, to the
118 court, the child, the child's attorney, the parents and the parents'
119 attorney at least forty-eight hours prior to the move if this is a
120 planned move, or within forty-eight hours of the next business
121 day after the move if the child is in imminent danger in the
122 child's current placement, except where the notification would
123 endanger the child or the foster family. A multidisciplinary
124 treatment team shall convene as soon as practicable after notice
125 to explore placement options. This requirement is not waived by
126 placement of the child in a home or other residence maintained
127 by a private provider. No notice may be provided pursuant to this
128 provision to any parent or parent's attorney whose parental rights
129 have been terminated pursuant to this article.

130 (i) Nothing in this article precludes any party from
131 petitioning the court for review of the child's case at any time.
132 The court shall grant the petition upon a showing that there is a
133 change in circumstance or needs of the child that warrants court
134 review.

135 (j) Any foster parent, preadoptive parent or relative
136 providing care for the child shall be given notice of and the right
137 to be heard at the permanency hearing provided in this section.

§49-4-609. Conviction for offenses against children.

1 In any case where a person is convicted of an offense against
2 a child described in section twelve, article eight, chapter
3 sixty-one of this code or articles eight-b or eight-d of that
4 chapter and the person has custodial, visitation or other parental
5 rights to the child who is the victim of the offense or to any child
6 who resides in the same household as the victim, the court shall,
7 at the time of sentencing, find that the person is an abusing
8 parent within the meaning of this chapter as to the child victim,
9 and may find that the person is an abusing parent as to any child
10 who resides in the same household as the victim, and the court
11 shall take further steps as are required by this article.

**§49-4-610. Improvement periods in cases of child neglect or abuse;
findings; orders; extensions; hearings; time limits.**

1 In any proceeding brought pursuant to this article, the court
2 may grant any respondent an improvement period in accord with
3 this article. During the period, the court may require temporary
4 custody with a responsible person which has been found to be a
5 fit and proper person for the temporary custody of the child or
6 children or the state department or other agency during the
7 improvement period. An order granting an improvement period
8 shall require the department to prepare and submit to the court
9 a family case plan in accordance with section four hundred eight,
10 of this article. The types of improvement periods are as follows:

11 (1) *Preadjudicatory improvement period.* — A court may
12 grant a respondent an improvement period of a period not to
13 exceed three months prior to making a finding that a child is
14 abused or neglected pursuant to section six hundred one of this
15 article only when:

16 (A) The respondent files a written motion requesting the
17 improvement period;

18 (B) The respondent demonstrates, by clear and convincing
19 evidence, that the respondent is likely to fully participate in the
20 improvement period and the court further makes a finding, on
21 the record, of the terms of the improvement period;

22 (C) In the order granting the improvement period, the court:

23 (i) Orders that a hearing be held to review the matter within
24 sixty days of the granting of the improvement period; or

25 (ii) Orders that a hearing be held to review the matter within
26 ninety days of the granting of the improvement period and that
27 the department submit a report as to the respondents progress in
28 the improvement period within sixty days of the order granting
29 the improvement period; and

30 (D) The order granting the improvement period requires the
31 department to prepare and submit to the court an individualized
32 family case plan in accordance with section four hundred eight
33 of this article;

34 (2) *Post-adjudicatory improvement period.* — After finding
35 that a child is an abused or neglected child pursuant to section
36 six hundred one of this article, a court may grant a respondent an
37 improvement period of a period not to exceed six months when:

38 (A) The respondent files a written motion requesting the
39 improvement period;

40 (B) The respondent demonstrates, by clear and convincing
41 evidence, that the respondent is likely to fully participate in the
42 improvement period and the court further makes a finding, on
43 the record, of the terms of the improvement period;

44 (C) In the order granting the improvement period, the court:

45 (i) orders that a hearing be held to review the matter within
46 thirty days of the granting of the improvement period; or

47 (ii) orders that a hearing be held to review the matter within
48 ninety days of the granting of the improvement period and that
49 the department submit a report as to the respondent's progress in
50 the improvement period within sixty days of the order granting
51 the improvement period;

52 (D) Since the initiation of the proceeding, the respondent has
53 not previously been granted any improvement period or the
54 respondent demonstrates that since the initial improvement
55 period, the respondent has experienced a substantial change in
56 circumstances. Further, the respondent shall demonstrate that
57 due to that change in circumstances the respondent is likely to
58 fully participate in a further improvement period; and

59 (E) The order granting the improvement period requires the
60 department to prepare and submit to the court an individualized
61 family case plan in accordance with section four hundred eight
62 of this article.

63 (3) *Post-dispositional improvement period.* – The court may
64 grant an improvement period not to exceed six months as a
65 disposition pursuant to section six hundred four of this article
66 when:

67 (A) The respondent moves in writing for the improvement
68 period;

69 (B) The respondent demonstrates, by clear and convincing
70 evidence, that the respondent is likely to fully participate in the
71 improvement period and the court further makes a finding, on
72 the record, of the terms of the improvement period;

73 (C) In the order granting the improvement period, the court:

74 (i) Orders that a hearing be held to review the matter within
75 sixty days of the granting of the improvement period; or

76 (ii) Orders that a hearing be held to review the matter within
77 ninety days of the granting of the improvement period and that
78 the department submit a report as to the respondent's progress in
79 the improvement period within sixty days of the order granting
80 the improvement period;

81 (D) Since the initiation of the proceeding, the respondent has
82 not previously been granted any improvement period or the
83 respondent demonstrates that since the initial improvement
84 period, the respondent has experienced a substantial change in
85 circumstances. Further, the respondent shall demonstrate that
86 due to that change in circumstances, the respondent is likely to
87 fully participate in the improvement period; and

88 (E) The order granting the improvement period shall require
89 the department to prepare and submit to the court an
90 individualized family case plan in accordance with section four
91 hundred eight of this article.

92 (4) *Responsibilities of the respondent receiving improvement*
93 *period.* —

94 (A) When any improvement period is granted to a
95 respondent pursuant to this section, the respondent shall be
96 responsible for the initiation and completion of all terms of the
97 improvement period. The court may order the state department
98 to pay expenses associated with the services provided during the
99 improvement period when the respondent has demonstrated that
100 he or she is unable to bear the expenses.

101 (B) When any improvement period is granted to a
102 respondent pursuant to this section, the respondent shall execute

103 a release of all medical information regarding that respondent,
104 including, but not limited to, information provided by mental
105 health and substance abuse professionals and facilities. The
106 release shall be accepted by a professional or facility regardless
107 of whether the release conforms to any standard required by that
108 facility.

109 (5) *Responsibilities of the department during improvement*
110 *period.* — When any respondent is granted an improvement
111 period pursuant to this article, the department shall monitor the
112 progress of the person in the improvement period. This section
113 may not be construed to prohibit a court from ordering a
114 respondent to participate in services designed to reunify a family
115 or to relieve the department of any duty to make reasonable
116 efforts to reunify a family required by state or federal law.

117 (6) *Extension of improvement period.* — A court may extend
118 any improvement period granted pursuant to subdivision (2) or
119 (3) of this section for a period not to exceed three months when
120 the court finds that the respondent has substantially complied
121 with the terms of the improvement period; that the continuation
122 of the improvement period will not substantially impair the
123 ability of the department to permanently place the child; and that
124 the extension is otherwise consistent with the best interest of the
125 child.

126 (7) *Termination of improvement period.* — Upon the motion
127 by any party, the court shall terminate any improvement period
128 granted pursuant to this section when the court finds that
129 respondent has failed to fully participate in the terms of the
130 improvement period or has satisfied the terms of the
131 improvement period to correct any behavior alleged in the
132 petition or amended petition to make his or her child unsafe.

133 (8) *Hearings on improvement period.* —

134 (A) Any hearing scheduled pursuant to this section may be
135 continued only for good cause upon a written motion properly
136 served on all parties. When a court grants a continuance, the
137 court shall enter an order granting the continuance specifying a
138 future date when the hearing will be held.

139 (B) Any hearing to be held at the end of an improvement
140 period shall be held as nearly as practicable on successive days
141 and shall be held as close in time as possible after the end of the
142 improvement period and shall be held no later than thirty days of
143 the termination of the improvement period.

144 (9) *Time limit for improvement periods.* — Notwithstanding
145 any other provision of this section, no combination of any
146 improvement periods or extensions thereto may cause a child to
147 be in foster care more than fifteen months of the most recent
148 twenty-two months, unless the court finds compelling
149 circumstances by clear and convincing evidence that it is in the
150 child's best interests to extend the time limits contained in this
151 paragraph.

PART VII. JUVENILE PROCEEDINGS.

§49-4-701. Juvenile jurisdiction of circuit courts, magistrate courts and municipal courts; constitutional guarantees; requirements; hearings; right to counsel; opportunity to be heard; evidence and transcripts.

1 (a) The circuit court has original jurisdiction of proceedings
2 brought under this article. A person under the age of eighteen
3 years who appears before the circuit court in proceedings under
4 this article is a ward of the court and protected accordingly.

5 (b) If during a criminal proceeding in any court it is
6 ascertained or appears that the defendant is under the age of
7 nineteen years and was under the age of eighteen years at the

8 time of the alleged offense, the matter shall be immediately
9 certified to the juvenile jurisdiction of the circuit court. The
10 circuit court shall assume jurisdiction of the case in the same
11 manner as cases which are originally instituted in the circuit
12 court by petition.

13 (c) Notwithstanding any other provision of this article,
14 magistrate courts have concurrent juvenile jurisdiction with the
15 circuit court for a violation of a traffic law of West Virginia, for
16 a violation of section nine, article six, chapter sixty, section three
17 or section four, article nine-a, chapter sixteen, or section
18 nineteen, article sixteen, chapter eleven of this code, or for any
19 violation of chapter twenty of this code. Juveniles are liable for
20 punishment for violations of these laws in the same manner as
21 adults except that magistrate courts have no jurisdiction to
22 impose a sentence of incarceration for the violation of these
23 laws.

24 (d) Notwithstanding any other provision of this article,
25 municipal courts have concurrent juvenile jurisdiction with the
26 circuit court for a violation of any municipal ordinance
27 regulating traffic, for any municipal curfew ordinance which is
28 enforceable or for any municipal ordinance regulating or
29 prohibiting public intoxication, drinking or possessing alcoholic
30 liquor or nonintoxicating beer in public places, any other act
31 prohibited by section nine, article six, chapter sixty or section
32 nineteen, article sixteen, chapter eleven of this code or underage
33 possession or use of tobacco or tobacco products, as provided in
34 article nine-a, chapter sixteen of this code. Municipal courts may
35 impose the same punishment for these violations as a circuit
36 court exercising its juvenile jurisdiction could properly impose,
37 except that municipal courts have no jurisdiction to impose a
38 sentence of incarceration for the violation of these laws.

39 (e) A juvenile may be brought before the circuit court for
40 proceedings under this article only by the following means:

41 (1) By a juvenile petition requesting that the juvenile be
42 adjudicated as a status offender or a juvenile delinquent; or

43 (2) By certification or transfer to the juvenile jurisdiction of
44 the circuit court from the criminal jurisdiction of the circuit
45 court, from any foreign court, or from any magistrate court or
46 municipal court in West Virginia.

47 (f)(1) If a juvenile commits an act which would be a crime
48 if committed by an adult, and the juvenile is adjudicated
49 delinquent for that act, the jurisdiction of the court which
50 adjudged the juvenile delinquent continues until the juvenile
51 becomes twenty-one years of age. The court has the same power
52 over that person that it had before he or she became an adult, and
53 has the power to sentence that person to a term of incarceration.
54 Any term of incarceration may not exceed six months. This
55 authority does not preclude the court from exercising criminal
56 jurisdiction over that person if he or she violates the law after
57 becoming an adult or if the proceedings have been transferred to
58 the court's criminal jurisdiction pursuant to section seven
59 hundred four of this article.

60 (2) If a juvenile is adjudicated as a status offender because
61 he or she is habitually absent from school without good cause,
62 the jurisdiction of the court which adjudged the juvenile a status
63 offender continues until either the juvenile becomes twenty-one
64 years of age, completes high school, completes a high school
65 equivalent or other education plan approved by the court, or the
66 court otherwise voluntarily relinquishes jurisdiction, whichever
67 occurs first. If the jurisdiction of the court is extended pursuant
68 to this subdivision, the court has the same power over that
69 person that it had before he or she became an adult. No person
70 so adjudicated who has attained the age of nineteen may be
71 ordered to attend school in a regular, nonalternative setting.

72 (g) A juvenile is entitled to be admitted to bail or
73 recognizance in the same manner as an adult and be afforded the
74 protection guaranteed by Article III of the West Virginia
75 Constitution.

76 (h) A juvenile has the right to be effectively represented by
77 counsel at all stages of proceedings under this article, including
78 participation in multidisciplinary team meetings, until the child
79 is no longer under the jurisdiction of the court. If the juvenile or
80 the juvenile's parent or custodian executes an affidavit showing
81 that the juvenile cannot afford an attorney, the court shall
82 appoint an attorney, who shall be paid in accordance with article
83 twenty-one, chapter twenty-nine of this code.

84 (i)(1) In all proceedings under this article, the juvenile will
85 be afforded a meaningful opportunity to be heard. This includes
86 the opportunity to testify and to present and cross-examine
87 witnesses. The general public shall be excluded from all
88 proceedings under this article except that persons whose
89 presence is requested by the parties and other persons whom the
90 circuit court determines have a legitimate interest in the
91 proceedings may attend.

92 (2) In cases in which a juvenile is accused of committing
93 what would be a felony if the juvenile were an adult, an alleged
94 victim or his or her representative may attend any related
95 juvenile proceedings, at the discretion of the presiding judicial
96 officer.

97 (3) In any case in which the alleged victim is a juvenile, he
98 or she may be accompanied by his or her parents or
99 representative, at the discretion of the presiding judicial officer.

100 (j) At all adjudicatory hearings held under this article, all
101 procedural rights afforded to adults in criminal proceedings shall
102 be afforded the juvenile unless specifically provided otherwise
103 in this chapter.

104 (k) At all adjudicatory hearings held under this article, the
105 rules of evidence applicable in criminal cases apply, including
106 the rule against written reports based upon hearsay.

107 (l) Except for res gestae, extrajudicial statements made by a
108 juvenile who has not attained fourteen years of age to
109 law-enforcement officials or while in custody are not admissible
110 unless those statements were made in the presence of the
111 juvenile's counsel. Except for res gestae, extrajudicial statements
112 made by a juvenile who has not attained sixteen years of age but
113 who is at least fourteen years of age to law-enforcement officers
114 or while in custody, are not admissible unless made in the
115 presence of the juvenile's counsel or made in the presence of,
116 and with the consent of, the juvenile's parent or custodian, and
117 the parent or custodian has been fully informed regarding the
118 juvenile's right to a prompt detention hearing, the juvenile's
119 right to counsel, including appointed counsel if the juvenile
120 cannot afford counsel, and the juvenile's privilege against
121 self-incrimination.

122 (m) A transcript or recording shall be made of all transfer,
123 adjudicatory and dispositional hearings held in circuit court. At
124 the conclusion of each of these hearings, the circuit court shall
125 make findings of fact and conclusions of law, both of which shall
126 appear on the record. The court reporter shall furnish a transcript
127 of the proceedings at no charge to any indigent juvenile who
128 seeks review of any proceeding under this article if an affidavit
129 is filed stating that neither the juvenile nor the juvenile's parents
130 or custodian have the ability to pay for the transcript.

**§49-4-702. Prepetition interventions; court referrals; probation
officers; giving of counsel.**

1 (a) Before a juvenile petition is formally filed with the court,
2 the court may refer the matter to a state department worker or
3 probation officer for preliminary inquiry to determine whether

4 the matter can be resolved informally without the formal filing
5 of a petition with the court.

6 (b) The court at any time, or the department or other official
7 upon a request from a parent, guardian or custodian, may, before
8 proceedings under this article are formally instituted by the filing
9 of a petition with the court, refer a juvenile alleged to be
10 delinquent or a status offender to a counselor at the department
11 or a community mental health center, or other professional
12 counselor in the community. In the event the juvenile refuses to
13 respond to this referral, the department may serve a notice by
14 first class mail or personal service of process upon the juvenile,
15 setting forth the facts and stating that a noncustodial order will
16 be sought from the court directing the juvenile to submit to
17 counseling. The notice shall set forth the time and place for the
18 hearing on the matter. The court after a hearing may direct the
19 juvenile to participate in a noncustodial period of counseling that
20 may not exceed six months. Upon recommendation of the
21 department or request by the juvenile's parent, custodian or
22 guardian, the court may allow or require the parent, custodian or
23 guardian to participate in this noncustodial counseling. No
24 information obtained as the result of this counseling is
25 admissible in a subsequent proceeding under this article.

26 (c) Before a petition is formally filed with the court, the
27 probation officer or other officer of the court designated by it,
28 subject to its direction, may give counsel and advice to the
29 parties with a view to an informal adjustment period if it
30 appears:

31 (1) The admitted facts bring the case within the jurisdiction
32 of the court;

33 (2) Counsel and advice without an adjudication would be in
34 the best interest of the public and the juvenile; and

35 (3) The juvenile and his or her parents, guardian or other
36 custodian consent thereto with knowledge that consent is not
37 obligatory.

38 (d) The giving of counsel and advice pursuant to this section
39 may not continue longer than six months from the day it is
40 commenced unless extended by the court for an additional period
41 not to exceed six months.

§49-4-703. Juvenile drug courts; hearing officers.

1 Juvenile drug courts shall be designed and operated
2 consistent with the developmental and rehabilitative needs of
3 juveniles as defined in this article. The Supreme Court shall
4 provide uniform referral, procedure and order forms that shall be
5 used in juvenile drug courts. The Supreme Court is further
6 authorized to appoint appropriate hearing officers in those
7 jurisdictions which choose to operate a juvenile drug court.
8 Hearing officers for juvenile drug courts shall be limited to
9 current or senior status circuit court judges or family court
10 judges.

**§49-4-704. Institution of proceedings by petition; notice to juvenile
and parents; preliminary hearings; subpoena.**

1 (a)(1) A petition alleging that a juvenile is a status offender
2 or a juvenile delinquent may be filed by a person who has
3 knowledge of or information concerning the facts alleged. The
4 petition shall be verified by the petitioner, shall set forth the
5 name and address of the juvenile's parents, guardians or
6 custodians, if known to the petitioner, and shall be filed in the
7 circuit court in the county where the alleged status offense or act
8 of delinquency occurred. However, a proceeding under this
9 chapter may be removed, for good cause shown, in accordance
10 with section one, article nine, chapter fifty-six of this code. The
11 petition shall contain specific allegations of the conduct and

12 facts upon which the petition is based, including the approximate
13 time and place of the alleged conduct; a statement of the right to
14 have counsel appointed and consult with counsel at every stage
15 of the proceedings; and the relief sought.

16 (2) Upon the filing of the petition, the court shall set a time
17 and place for a preliminary hearing and may appoint counsel. A
18 copy of the petition and summons may be served upon the
19 respondent juvenile by first class mail or personal service of
20 process. If a juvenile does not appear in response to a summons
21 served by mail, no further proceeding may be held until the
22 juvenile is served a copy of the petition and summons by
23 personal service of process. If a juvenile fails to appear in
24 response to a summons served in person upon him or her, an
25 order of arrest may be issued by the court for that reason alone.

26 (b) The parents, guardians or custodians shall be named in
27 the petition as respondents and shall be served with notice of the
28 proceedings in the same manner as provided in subsection (a) of
29 this section for service upon the juvenile and required to appear
30 with the juvenile at the time and place set for the proceedings
31 unless the respondent cannot be found after diligent search. If a
32 respondent cannot be found after diligent search, the court may
33 proceed without further requirement of notice. However, the
34 court may order service by first class mail to the last known
35 address of the respondent. The respondent shall be afforded
36 fifteen days after the date of mailing to appear or answer.

37 (c) The court or referee may order the issuance of a
38 subpoena against the person having custody and control of the
39 juvenile ordering him or her to bring the juvenile before the
40 court.

41 (d) When any case of a juvenile charged with the
42 commission of a crime is certified or transferred to the circuit
43 court, the court shall forthwith cause the juvenile and his or her

44 parents, guardians or custodians to be served with a petition as
45 provided in subsections (a) and (b) of this section. In the event
46 the juvenile is in custody, the petition shall be served upon the
47 juvenile within ninety-six hours of the time custody began and
48 if the petition is not served within that time, the juvenile shall be
49 released forthwith.

50 (e) The clerk of the court shall notify, within two judicial
51 days, the local office of the Department of Health and Human
52 Resources of all proceedings under this article, which is
53 responsible for convening and directing the multidisciplinary
54 treatment planning process in accordance with section four
55 hundred six of this article. In status offense or delinquency cases
56 where a case manager has not been assigned, the juvenile
57 probation officer is responsible for notifying the local office of
58 the Department of Health and Human Services which will assign
59 a case manager who will initiate assessment and be responsible
60 for convening and directing the multidisciplinary treatment
61 planning process.

62 (f) Notwithstanding any other provision of this code to the
63 contrary, a petition filed pursuant to section four hundred three,
64 article twenty-seven, chapter forty-eight of this code in which
65 the petition for the emergency protective order is filed by or on
66 behalf of the juvenile's parent, guardian or custodian or other
67 person with whom the juvenile resides and that results in the
68 issuance of an emergency protective order naming a juvenile as
69 the respondent, shall be treated as a petition authorized by this
70 section, alleging the juvenile is a juvenile delinquent. However,
71 the magistrate court shall notify the prosecuting attorney in the
72 county where the emergency protective order is issued within
73 twenty-four hours of the issuance of the emergency protective
74 order and the prosecuting attorney may file an amended verified
75 petition to comply with subsection (a) of this section within two
76 judicial days.

§49-4-705. Taking a juvenile into custody; requirements; existing conditions; detention centers; medical aid.

1 (a) In proceedings formally instituted by the filing of a
2 juvenile petition, the circuit court or a magistrate may issue an
3 order directing that a juvenile be taken into custody before
4 adjudication only upon a showing of probable cause to believe
5 that one of the following conditions exists: (1) The petition
6 shows that grounds exist for the arrest of an adult in identical
7 circumstances; (2) the health, safety and welfare of the juvenile
8 demand custody; (3) the juvenile is a fugitive from a lawful
9 custody or commitment order of a juvenile court; or (4) the
10 juvenile is alleged to be a juvenile delinquent with a record of
11 willful failure to appear at juvenile proceedings and custody is
12 necessary to assure his or her presence before the court. A
13 detention hearing pursuant to section seven hundred six of this
14 article shall be held by the judge or magistrate authorized to
15 conduct the hearings without unnecessary delay and in no event
16 may any delay exceed the next day.

17 (b) Absent a court order, a juvenile may be taken into
18 custody by a law-enforcement official only if one of the
19 following conditions exists:

20 (1) Grounds exist for the arrest of an adult in identical
21 circumstances;

22 (2) Emergency conditions exist which, in the judgment of
23 the officer, pose imminent danger to the health, safety and
24 welfare of the juvenile;

25 (3) The official has reasonable grounds to believe that the
26 juvenile has left the care of his or her parents, guardian or
27 custodian without the consent of the person and the health, safety
28 and welfare of the juvenile is endangered;

29 (4) The juvenile is a fugitive from a lawful custody or
30 commitment order of a juvenile court;

31 (5) The official has reasonable grounds to believe the
32 juvenile to have been driving a motor vehicle with any amount
33 of alcohol in his or her blood; or

34 (6) The juvenile is the named respondent in an emergency
35 domestic violence protective order issued pursuant to section
36 four hundred three, article twenty-seven, chapter forty-eight of
37 this code and the individual filing the petition for the emergency
38 protective order is the juvenile's parent, guardian or custodian or
39 other person with whom the juvenile resides.

40 (c) Upon taking a juvenile into custody, with or without a
41 court order, the official shall:

42 (1) Immediately notify the juvenile's parent, guardian,
43 custodian or, if the parent, guardian or custodian cannot be
44 located, a close relative;

45 (2) Release the juvenile into the custody of his or her parent,
46 guardian or custodian unless:

47 (A) Circumstances present an immediate threat of serious
48 bodily harm to the juvenile if released;

49 (B) No responsible adult can be found into whose custody
50 the juvenile can be delivered. Each day the juvenile is detained,
51 a written record must be made of all attempts to locate a
52 responsible adult; or

53 (C) The juvenile has been taken into custody for an alleged
54 act of delinquency for which secure detention is permissible.

55 (3) If the juvenile is an alleged status offender or has been
56 taken into custody pursuant to subdivision (6), subsection (b) of
57 this section, immediately notify the Department of Health and
58 Human Resources and, if the circumstances of either paragraph
59 (A) or (B), subdivision (2) of this subsection exist and the

60 requirements therein are met, the official may detain the
61 juvenile, but only in a nonsecure or staff-secure facility;

62 (4) Take the juvenile without unnecessary delay before a
63 judge of the circuit court for a detention hearing pursuant to
64 section seven hundred six of this article. If a circuit court judge
65 is not available in the county, the official shall take the juvenile
66 without unnecessary delay before any magistrate available in the
67 county for the sole purpose of conducting the detention hearing.
68 In no event may any delay in presenting the juvenile for a
69 detention hearing exceed the next day after he or she is taken
70 into custody.

71 (d) In the event that a juvenile is delivered into the custody
72 of a sheriff or director of a detention facility, the sheriff or
73 director shall immediately notify the sheriff or director shall
74 immediately provide to every juvenile who is delivered into his
75 or her custody a written statement explaining the juvenile's right
76 to a prompt detention hearing, his or her right to counsel,
77 including appointed counsel if he or she cannot afford counsel,
78 and his or her privilege against self-incrimination. In all cases
79 when a juvenile is delivered into a sheriff's or detention center
80 director's custody, that official shall release the juvenile to his or
81 her parent, guardian or custodian by the end of the next day
82 unless the juvenile has been placed in detention after a hearing
83 conducted pursuant to section seven hundred six of this article.

84 (e) The law-enforcement agency that takes a juvenile into
85 custody or places a juvenile under arrest is responsible for the
86 juvenile's initial transportation to a juvenile detention center or
87 other Division of Juvenile Services' residential facility.

88 (f) Notwithstanding any other provision of this code, a
89 juvenile detention center, or other Division of Juvenile Services'
90 residential facility, is not required to accept a juvenile if the
91 juvenile appears to be in need of medical attention of a degree

92 necessitating treatment by a physician. If a juvenile is refused
93 pursuant to this subsection, the juvenile detention center, or other
94 Division of Juvenile Services' residential facility, may not
95 subsequently accept the juvenile for detention until the arresting
96 or transporting officer provides the juvenile detention center, or
97 other Division of Juvenile Services' residential facility, with a
98 written clearance from a licensed physician reflecting that the
99 juvenile has been examined and, if necessary, treated and which
100 states that in the physician's medical opinion the juvenile can be
101 safely confined in the juvenile detention center or other Division
102 of Juvenile Services' residential facility.

**§49-4-706. Detention hearing; rights of juvenile; notification;
counsel; hearings.**

1 (a) The circuit court judge or magistrate shall inform the
2 juvenile of his or her right to remain silent, that any statement
3 may be used against him or her and of his or her right to counsel,
4 and no interrogation may be made without the presence of a
5 parent or counsel. If the juvenile or his or her parent, guardian or
6 custodian has not retained counsel, counsel shall be appointed as
7 soon as practicable. The circuit court judge or magistrate shall
8 hear testimony concerning the circumstances for taking the
9 juvenile into custody and the possible need for detention. The
10 sole mandatory issue at the detention hearing is whether the
11 juvenile should be detained pending further court proceedings.
12 The court shall, if the health, safety and welfare of the juvenile
13 will not be endangered thereby, release the juvenile on
14 recognizance to his or her parents, custodians or an appropriate
15 agency; however, if warranted, the court may require bail, except
16 that bail may be denied in any case where bail could be denied
17 if the accused were an adult. The court shall:

18 (1) Immediately notify the juvenile's parent, guardian or
19 custodian or, if the parent, guardian or custodian cannot be
20 located, a close relative;

21 (2) Release the juvenile into the custody of his or her parent,
22 guardian or custodian unless:

23 (A) Circumstances present an immediate threat of serious
24 bodily harm to the juvenile if released;

25 (B) No responsible adult can be found into whose custody
26 the juvenile can be delivered. However, each day the juvenile is
27 detained, a written record must be made of all attempts to locate
28 a responsible adult; or

29 (C) The juvenile is charged with an act of delinquency for
30 which secure detention is permissible; and

31 (3) If the juvenile is an alleged status offender, immediately
32 notify the Department of Health and Human Resources, and, if
33 the circumstances of either paragraph (A) or (B), subdivision (2)
34 of this subsection exist and the requirements therein are met, the
35 court may order the juvenile detained, but only in a nonsecure or
36 staff-secure facility. Any juvenile detained pursuant to this
37 subdivision shall be placed in the legal custody of the
38 Department of Health and Human Resources pending further
39 proceedings by the court.

40 (b) The circuit court judge or magistrate may, in conjunction
41 with the detention hearing, conduct a preliminary hearing
42 pursuant to section seven hundred and four of this article if all
43 the parties are prepared to proceed and the juvenile has counsel
44 during the hearing.

49-4-707. Review of order following detention hearing.

1 Upon the application of any person in interest or on his or
2 her own motion, a circuit court judge may modify or vacate any
3 order entered in his or her court after a detention hearing and
4 enter the order as to detention, or release from detention, as he
5 or she deems just and proper.

§49-4-708. Preliminary hearing; counsel; custody; court requirements; preadjudicatory community supervision period.

1 (a) Following the filing of a juvenile petition, unless a
2 preliminary hearing has previously been held in conjunction with
3 a detention hearing with respect to the same charge contained in
4 the petition, the circuit court judge or magistrate shall hold a
5 preliminary hearing. In the event that the juvenile is being
6 detained, the hearing shall be held within ten days of the time the
7 juvenile is placed in detention unless good cause is shown for a
8 continuance. If no preliminary hearing is held within ten days of
9 the time the juvenile is placed in detention, the juvenile shall be
10 released on recognizance unless the hearing has been continued
11 for good cause. If the judge is in another county in the circuit,
12 the hearing may be conducted in that other county or by video
13 conferencing. Written notice shall be provided to all parties of
14 the availability to participate by videoconferencing. The
15 preliminary hearing may be waived by the juvenile, upon advice
16 of counsel. At the hearing, the circuit court judge or magistrate
17 shall:

18 (1) If the juvenile is not represented by counsel, inform the
19 juvenile and his or her parents, guardian or custodian or any
20 other person standing in loco parentis to him or her of the
21 juvenile's right to be represented at all stages of proceedings
22 under this article and the right to have counsel appointed;

23 (2) Appoint counsel by order entered of record, if counsel
24 has not already been retained, or appointed. Counsel must
25 represent the child until he or she is no longer under the
26 jurisdiction of the court;

27 (3) Determine after hearing if there is probable cause to
28 believe that the juvenile is a status offender or a juvenile
29 delinquent. If probable cause is not found, the juvenile, if in

30 detention, shall be released and the proceedings dismissed. If
31 probable cause is found, the case shall proceed to adjudication.
32 At this hearing or as soon thereafter as is practicable, the date for
33 the adjudicatory hearing shall be set to give the juvenile and the
34 juvenile's parents and attorney at least ten days' notice unless
35 notice is waived by all parties;

36 (4) In lieu of placing the juvenile in a detention facility, the
37 court may place the juvenile in the temporary legal and/or
38 physical custody of the department. If the juvenile is detained,
39 the detention may not continue longer than thirty days without
40 commencement of the adjudicatory hearing unless good cause
41 for a continuance is shown by either party or, if a jury trial is
42 demanded, no longer than the next regular term of the court. A
43 juvenile who is alleged to be a status offender may not be placed
44 in a secure detention facility; and

45 (5) Inform the juvenile of the right to demand a jury trial.

46 (b) The juvenile may move to be allowed a preadjudicatory
47 community supervision period not to exceed one year. If the
48 court is satisfied that the best interest of the juvenile is likely to
49 be served by a preadjudicatory community supervision period,
50 the court may delay the adjudicatory hearing and allow a
51 preadjudicatory community supervision period upon terms
52 calculated to serve the rehabilitative needs of the juvenile. At the
53 conclusion of the preadjudicatory community supervision period,
54 the court shall dismiss the proceeding if the terms have been
55 fulfilled; otherwise, the court shall proceed to the adjudicatory
56 stage. A motion for a pre-adjudicatory community supervision
57 period, may not be construed as an admission or be used as
58 evidence. Preadjudicatory community supervision periods
59 authorized by this subsection may be, in the court's discretion,
60 either custodial or noncustodial.

§49-4-709. Right to jury trial for juveniles; inapplicability.

1 (a) In a proceeding under this article, the juvenile, the
2 juvenile's counsel or the juvenile's parent or guardian may
3 demand, or the judge on his or her own motion may order a jury
4 trial on any question of fact, in which the juvenile is accused of
5 any act or acts of delinquency which, if committed by an adult
6 would expose the adult to incarceration.

7 (b) A juvenile who is charged with a status offense or other
8 offense where incarceration is not a possibility due either to the
9 statutory penalty or where the court rules pretrial that a sentence
10 of incarceration will not be imposed upon adjudication is not
11 entitled to a trial by jury.

12 (c) This section is inapplicable to proceedings held pursuant
13 to section one hundred seventeen of this article.

14 (d) Juries consist of twelve members.

§49-4-710. Waiver and transfer of jurisdiction.

1 (a) Upon written motion of the prosecuting attorney filed at
2 least eight days prior to the adjudicatory hearing and with
3 reasonable notice to the juvenile, his or her counsel, and his or
4 her parents, guardians or custodians, the court shall conduct a
5 hearing to determine if juvenile jurisdiction should or must be
6 waived and the proceeding transferred to the criminal
7 jurisdiction of the court. Any motion filed in accordance with
8 this section is to state, with particularity, the grounds for the
9 requested transfer, including the grounds relied upon as set forth
10 in subsection (d), (e), (f) or (g) of this section, and the burden is
11 upon the state to establish the grounds by clear and convincing
12 evidence. Any hearing held under this section is to be held
13 within seven days of the filing of the motion for transfer unless
14 it is continued for good cause.

15 (b) No inquiry relative to admission or denial of the
16 allegations of the charge or the demand for jury trial may be
17 made by or before the court until the court has determined
18 whether the proceeding is to be transferred to criminal
19 jurisdiction.

20 (c) The court shall transfer a juvenile proceeding to criminal
21 jurisdiction if a juvenile who has attained the age of fourteen
22 years makes a demand on the record to be transferred to the
23 criminal jurisdiction of the court. The case may then be referred
24 to magistrate or circuit court for further proceedings, subject to
25 the court's jurisdiction.

26 (d) The court shall transfer a juvenile proceeding to criminal
27 jurisdiction if there is probable cause to believe that:

28 (1) The juvenile is at least fourteen years of age and has
29 committed the crime of treason under section one, article one,
30 chapter sixty-one of this code; the crime of murder under
31 sections one, two and three, article two of that chapter; the crime
32 of robbery involving the use or presenting of firearms or other
33 deadly weapons under section twelve, article two of that chapter;
34 the crime of kidnapping under section fourteen-a of article two
35 of that chapter; the crime of first degree arson under section one,
36 article three of that chapter; or the crime of sexual assault in the
37 first degree under section three, article eight-b of that chapter;

38 (2) The juvenile is at least fourteen years of age and has
39 committed an offense of violence to the person which would be
40 a felony if the juvenile was an adult. However, the juvenile has
41 been previously adjudged delinquent for the commission of an
42 offense of violence to the person which would be a felony if the
43 juvenile was an adult; or

44 (3) The juvenile is at least fourteen years of age and has
45 committed an offense which would be a felony if the juvenile

46 was an adult. However, the juvenile has been twice previously
47 adjudged delinquent for the commission of an offense which
48 would be a felony if the juvenile was an adult.

49 (e) The court may transfer a juvenile proceeding to criminal
50 jurisdiction if there is probable cause to believe that the juvenile
51 would otherwise satisfy the provisions of subdivision (1),
52 subsection (d) of this section, but who is younger than fourteen
53 years of age.

54 (f) The court may, upon consideration of the juvenile's
55 mental and physical condition, maturity, emotional attitude,
56 home or family environment, school experience and similar
57 personal factors, transfer a juvenile proceeding to criminal
58 jurisdiction if there is probable cause to believe that the juvenile
59 would otherwise satisfy the provisions of subdivision (2) or (3),
60 subsection (d) of this section, but who is younger than fourteen
61 years of age.

62 (g) The court may, upon consideration of the juvenile's
63 mental and physical condition, maturity, emotional attitude,
64 home or family environment, school experience and similar
65 personal factors, transfer a juvenile proceeding to criminal
66 jurisdiction if there is probable cause to believe that:

67 (1) The juvenile, who is at least fourteen years of age, has
68 committed an offense of violence to a person which would be a
69 felony if the juvenile was an adult;

70 (2) The juvenile, who is at least fourteen years of age, has
71 committed an offense which would be a felony if the juvenile
72 was an adult. However, the juvenile has been previously
73 adjudged delinquent for the commission of a crime which would
74 be a felony if the juvenile was an adult;

75 (3) The juvenile, who is at least fourteen years of age, used
76 or presented a firearm or other deadly weapon during the
77 commission of a felony; or

78 (4) The juvenile has committed a violation of section four
79 hundred one, article four, chapter sixty-a of this code which
80 would be a felony if the juvenile was an adult involving the
81 manufacture, delivery or possession with the intent to deliver a
82 narcotic drug. For purposes of this subdivision, the term narcotic
83 drug has the same definition as that set forth in section one
84 hundred one, article one of that chapter;

85 (5) The juvenile has committed the crime of second degree
86 arson as defined in section two, article three, chapter sixty-one
87 of this code involving setting fire to or burning a public building
88 or church. For purposes of this subdivision, the term public
89 building means a building or structure of any nature owned,
90 leased or occupied by this state, a political subdivision of this
91 state or a county board of education and used at the time of the
92 alleged offense for public purposes. For purposes of this
93 subdivision, the term church means a building or structure of any
94 nature owned, leased or occupied by a church, religious sect,
95 society or denomination and used at the time of the alleged
96 offense for religious worship or other religious or benevolent
97 purpose, or as a residence of a minister or other member of
98 clergy.

99 (h) For purposes of this section, the term offense of violence
100 means an offense which involves the use or threatened use of
101 physical force against a person.

102 (i) If, after a hearing, the court directs the transfer of any
103 juvenile proceeding to criminal jurisdiction, it shall state on the
104 record the findings of fact and conclusions of law upon which its
105 decision is based or shall incorporate findings of fact and
106 conclusions of law in its order directing transfer.

107 (j) A juvenile who has been transferred to criminal
108 jurisdiction pursuant to subsection (e), (f) or (g) of this section,
109 by an order of transfer, has the right to either directly appeal an

110 order of transfer to the supreme court of appeals or to appeal the
111 order of transfer following a conviction of the offense of
112 transfer. If the juvenile exercises the right to a direct appeal from
113 an order of transfer, the notice of intent to appeal and a request
114 for transcript is to be filed within ten days from the date of the
115 entry of any order of transfer, and the petition for appeal is to be
116 presented to the Supreme Court of Appeals within forty-five
117 days from the entry of the order of transfer. Article five, chapter
118 fifty-eight of this code pertaining to the appeals of judgments in
119 civil actions applies to appeals under this chapter except as
120 modified in this section. The court may, within forty-five days
121 of the entry of the order of transfer, by appropriate order, extend
122 and reextend the period in which to file the petition for appeal
123 for additional time, not to exceed a total extension of sixty days,
124 as in the court's opinion may be necessary for preparation of the
125 transcript. However, the request for a transcript was made by the
126 party seeking appeal within ten days of entry of the order of
127 transfer. In the event any notice of intent to appeal and request
128 for transcript be timely filed, proceedings in criminal court are
129 to be stayed upon motion of the defendant pending final action
130 of the Supreme Court of Appeals.

**§49-4-711. Adjudication for alleged status offenders and
delinquents; mandatory initial disposition of status
offenders; court orders.**

1 At the outset of an adjudicatory hearing, the court shall
2 inquire of the juvenile whether he or she wishes to admit or deny
3 the allegations in the petition. The juvenile may elect to stand
4 mute, in which event the court shall enter a general denial of all
5 allegations in the petition.

6 (1) If the respondent juvenile admits the allegations of the
7 petition, the court shall consider the admission to be proof of the
8 allegations if the court finds: (1) The respondent fully
9 understands all of his or her rights under this article; (2) the

10 respondent voluntarily, intelligently and knowingly admits all
11 facts requisite for an adjudication; and (3) the respondent in his
12 or her admission has not set forth facts which constitute a
13 defense to the allegations.

14 (2) If the respondent juvenile denies the allegations, the
15 court shall dispose of all pretrial motions and the court or jury
16 shall proceed to hear evidence.

17 (3) If the allegations in a petition alleging that the juvenile
18 is delinquent are admitted or are sustained by proof beyond a
19 reasonable doubt, the court shall schedule the matter for
20 disposition pursuant to section seven hundred four of this article.

21 (4) If the allegations in a petition alleging that the juvenile
22 is a status offender are admitted or sustained by clear and
23 convincing proof, the court shall refer the juvenile to the
24 Department of Health and Human Resources for services,
25 pursuant to section seven hundred twelve of this article and order
26 the department to report back to the court with regard to the
27 juvenile's progress at least every ninety days or until the court,
28 upon motion or sua sponte, orders further disposition under
29 section seven hundred four of this article or dismisses the case
30 from its docket. In a judicial circuit operating its own truancy
31 program, a circuit judge may in lieu of referring truant juveniles
32 to the department, order that the juveniles be supervised by his
33 or her probation office.

34 (5) If the allegations in a petition are not sustained by proof
35 as provided in subsections (3) and (4) of this section, the petition
36 shall be dismissed and the juvenile shall be discharged if he or
37 she is in custody.

38 (6) Findings of fact and conclusions of law addressed to all
39 allegations in the petition shall be stated on the record or reduced
40 to writing and filed with the record or incorporated into the order
41 of the court.

§49-4-712. Intervention and services by the department pursuant to initial disposition for status offenders; service plan; enforcement; further disposition; detention; out-of-home placement; department custody; least restrictive alternative; appeal.

1 (a) The services provided by the department for juveniles
2 adjudicated as status offenders shall be consistent with part ten,
3 article two of this chapter and shall be designed to develop skills
4 and supports within families and to resolve problems related to
5 the juveniles or conflicts within their families. Services may
6 include, but are not limited to, referral of juveniles and parents,
7 guardians or custodians and other family members to services for
8 psychiatric or other medical care, or psychological, welfare,
9 legal, educational or other social services, as appropriate to the
10 needs of the juvenile and his or her family.

11 (b) If the child or family of the child fails to comply with the
12 service plan, the department may petition the circuit court:

13 (1) For a valid court order, as defined in section two hundred
14 seven, article one of this chapter, to enforce compliance with a
15 service plan or to restrain actions that interfere with or defeat a
16 service plan; or

17 (2) For a valid court order to place a juvenile out of home in
18 a nonsecure or staff-secure setting, and/or to place a juvenile in
19 custody of the department.

20 (c) In ordering any further disposition under this section, the
21 court is not limited to the relief sought in the department's
22 petition and reasonable efforts made to prevent removal of the
23 juvenile from his or her home or as an alternative to place the
24 juvenile in community-based facilities which are the least
25 restrictive alternatives appropriate to the needs of the juvenile
26 and the community.

27 (d) The disposition of the juvenile may not be affected by the
28 fact that the juvenile demanded a trial by jury or made a plea of
29 denial. Any order providing disposition other than mandatory
30 referral to the department for services is subject to appeal to the
31 Supreme Court of Appeals.

32 (e) Following any further disposition by the court, the court
33 shall inquire of the juvenile whether or not appeal is desired and
34 the response shall be transcribed; a negative response may not be
35 construed as a waiver. The evidence shall be transcribed as soon
36 as practicable and made available to the juvenile or his or her
37 counsel, if it is requested for purposes of further proceedings. A
38 judge may grant a stay of execution pending further proceedings.

**§49-4-713. Graduated penalties for juvenile alcohol consumption;
fines; community service; revocation of driver's
license.**

1 (a) Notwithstanding any provision of this article to the
2 contrary, in addition to any other penalty available to the court,
3 any child who is adjudicated to have consumed alcoholic liquor
4 or nonintoxicating beer as defined in section five, article one,
5 chapter sixty of this code, shall:

6 (1) Upon a first adjudication, he or she shall be ordered to
7 perform community service for not more than eight hours or
8 fined not more than \$25, or both performing community service
9 and fined.

10 (2) Upon a second adjudication, he or she shall be ordered to
11 perform community service for not more than sixteen hours or
12 fined not more than \$50, or both performing community service
13 and fined.

14 (3) Upon a third or subsequent adjudication, he or she shall
15 be ordered to perform not more than twenty-four hours of

16 community service or fined not more than \$100, or both
17 performing community service and fined.

18 (b) In addition to the penalties set forth in subsection (a) of
19 this section and notwithstanding the provisions of subdivision
20 (4), subsection (a), section seven hundred fifteen of this article,
21 any child adjudicated a second time for consumption of alcoholic
22 liquor or nonintoxicating beer shall have his or her license to
23 operate a motor vehicle suspended for a definite term of not less
24 than five nor more than ninety days. Any child adjudicated a
25 third or subsequent time for consumption of an alcoholic liquor
26 or nonintoxicating beer shall have his or her license to operate a
27 motor vehicle suspended until he or she attains the age of
28 eighteen years.

**§49-4-714. Disposition of juvenile delinquents; investigation;
proceedings; court discretion; orders; appeal.**

1 (a) In aid of disposition of juvenile delinquents, the juvenile
2 probation officer assigned to the court shall, upon request of the
3 court, make an investigation of the environment of the juvenile
4 and the alternative dispositions possible. The court, upon its own
5 motion, or upon request of counsel, may order a psychological
6 examination of the juvenile. The report of an examination and
7 other investigative and social reports are not to be made
8 available to the court until after the adjudicatory hearing. Unless
9 waived, copies of the report shall be provided to counsel for the
10 petitioner and counsel for the juvenile no later than seventy-two
11 hours prior to the dispositional hearing.

12 (b) Following the adjudication, the court shall conduct the
13 dispositional proceeding, giving all parties an opportunity to be
14 heard. In disposition the court shall not be limited to the relief
15 sought in the petition and shall, in electing from the following
16 alternatives, consider the best interests of the juvenile and the
17 welfare of the public:

18 (1) Dismiss the petition;

19 (2) Refer the juvenile and the juvenile's parent or custodian
20 to a community agency for needed assistance and dismiss the
21 petition;

22 (3) Upon a finding that the juvenile is in need of
23 extra-parental supervision: (A) Place the juvenile under the
24 supervision of a probation officer of the court or of the court of
25 the county where the juvenile has his or her usual place of abode
26 or other person while leaving the juvenile in custody of his or
27 her parent or custodian; and (B) prescribe a program of treatment
28 or therapy or limit the juvenile's activities under terms which are
29 reasonable and within the child's ability to perform, including
30 participation in the litter control program established pursuant to
31 section three, article fifteen-a, chapter twenty-two of this code or
32 other appropriate programs of community service;

33 (4) Upon a finding that a parent or custodian is not willing
34 or able to take custody of the juvenile, that a juvenile is not
35 willing to reside in the custody of his or her parent or custodian
36 or that a parent or custodian cannot provide the necessary
37 supervision and care of the juvenile, the court may place the
38 juvenile in temporary foster care or temporarily commit the
39 juvenile to the department or a child welfare agency. The court
40 order shall state that continuation in the home is contrary to the
41 best interest of the juvenile and why; and whether or not the
42 department made a reasonable effort to prevent the placement or
43 that the emergency situation made those efforts unreasonable or
44 impossible. Whenever the court transfers custody of a youth to
45 the department, an appropriate order of financial support by the
46 parents or guardians shall be entered in accordance with part
47 eight, article four of this chapter and guidelines promulgated by
48 the Supreme Court of Appeals;

49 (5)(A) Upon a finding that the best interests of the juvenile
50 or the welfare of the public require it, and upon an adjudication

51 of delinquency the court may commit the juvenile to the custody
52 of the Director of the Division of Juvenile Services for
53 placement in a juvenile services facility for the treatment,
54 instruction and rehabilitation of juveniles. The court maintains
55 discretion to consider alternative sentencing arrangements.

56 (B) Notwithstanding any provision of this code to the
57 contrary, in the event that the court determines that it is in the
58 juvenile's best interests or required by the public welfare to
59 place the juvenile in the custody of the Division of Juvenile
60 Services, the court shall provide the Division of Juvenile
61 Services with access to all relevant court orders and records
62 involving the underlying offense or offenses for which the
63 juvenile was adjudicated delinquent, including sentencing and
64 presentencing reports and evaluations, and provide the division
65 with access to school records, psychological reports and
66 evaluations, medical reports and evaluations or any other records
67 as may be in the court's possession as would enable the Division
68 of Juvenile Services to better assess and determine the
69 appropriate counseling, education and placement needs for the
70 juvenile offender.

71 (C) Commitments may not exceed the maximum term for
72 which an adult could have been sentenced for the same offense
73 and any maximum allowable sentence to be served in a juvenile
74 correctional facility may take into account any time served by
75 the juvenile in a detention center pending adjudication,
76 disposition or transfer. The order shall state that continuation in
77 the home is contrary to the best interests of the juvenile and why;
78 and whether or not the state department made a reasonable effort
79 to prevent the placement or that the emergency situation made
80 those efforts unreasonable or impossible; or

81 (6) After a hearing conducted under the procedures set out
82 in subsections (c) and (d), section four, article five, chapter
83 twenty-seven of this code, commit the juvenile to a mental health
84 facility in accordance with the juvenile's treatment plan; the

85 director of the mental health facility may release a juvenile and
86 return him or her to the court for further disposition. The order
87 shall state that continuation in the home is contrary to the best
88 interests of the juvenile and why; and whether or not the state
89 department made a reasonable effort to prevent the placement or
90 that the emergency situation made those efforts unreasonable or
91 impossible.

92 (c) In any case in which the court decides to order the
93 juvenile placed in an out-of-state facility or program, it shall set
94 forth in the order directing the placement the reasons the juvenile
95 was not placed in an in-state facility or program.

96 (d) The disposition of the juvenile may not be affected by the
97 fact that the juvenile demanded a trial by jury or made a plea of
98 denial. Any dispositional order is subject to appeal to the
99 Supreme Court of Appeals.

100 (e) Following disposition, the court shall inquire whether the
101 juvenile wishes to appeal and the response shall be transcribed;
102 a negative response may not be construed as a waiver. The
103 evidence shall be transcribed as soon as practicable and made
104 available to the juvenile or his or her counsel, if the same is
105 requested for purposes of further proceedings. A judge may grant
106 a stay of execution pending further proceedings.

107 (f) Notwithstanding any other provision of this code to the
108 contrary, if a juvenile charged with delinquency under this
109 chapter is transferred to adult jurisdiction and there tried and
110 convicted, the court may make its disposition in accordance with
111 this section in lieu of sentencing the person as an adult.

**§49-4-715. Authority of the courts to impose additional penalties;
public service projects; ineligible to operate a motor
vehicle; restitution.**

1 (a) In addition to the methods of disposition provided in
2 section seven hundred fourteen of this article, the court may

3 enter an order imposing one or more of the following penalties,
4 conditions and limitations:

5 (1) Impose a fine not to exceed \$100 upon the child;

6 (2) Require the child to make restitution or reparation to the
7 aggrieved party or parties for actual damages or loss caused by
8 the offense for which the child was found to be delinquent, or if
9 the child does not make full restitution, require the custodial
10 parent or parents, as defined in section two, article seven-a,
11 chapter fifty-five, of the child to make partial or full restitution
12 to the victim to the extent the child fails to make full restitution;

13 (3) Require the child to participate in a public service project
14 under the conditions as the court prescribes, including
15 participation in the litter control program established pursuant to
16 the authority of section three, article fifteen-a, chapter
17 twenty-two of this code; and

18 (4) When the child is fifteen years of age or younger and has
19 been adjudged delinquent, the court may order that the child is
20 not eligible to be issued a junior probationary operator's license
21 or when the child is between the ages of sixteen and eighteen
22 years and has been adjudged delinquent, the court may order that
23 the child is not eligible to operate a motor vehicle in this state,
24 and any junior or probationary operator's license shall be
25 surrendered to the court. The child's driving privileges shall be
26 suspended for a period not to exceed two years, and the clerk of
27 the court shall notify the Commissioner of the Division of Motor
28 Vehicles of the order.

29 (b) Nothing may limit the discretion of the court in disposing
30 of a juvenile case. The juvenile may not be denied probation or
31 any other disposition pursuant to this article because the juvenile
32 is financially unable to pay a fine or make restitution or
33 reparation. All penalties, conditions and limitations imposed

34 under this section shall be based upon a consideration by the
35 court of the seriousness of the offense, the child's ability to pay
36 and a program of rehabilitation consistent with the best interests
37 of the child.

38 (c) Notwithstanding any other provisions of this code to the
39 contrary, in the event a child charged with delinquency under
40 this chapter is transferred to adult jurisdiction and there
41 convicted, the court may nevertheless, in lieu of sentencing the
42 person as an adult, make its disposition in accordance with this
43 section.

**§49-4-716. Teen court program; alternative; suitability;
unsuccessful cooperation; requirements; fees.**

1 (a) Notwithstanding any provision of this article to the
2 contrary, any county or municipality may choose to institute a
3 teen court program in accordance with this section.

4 (b) An juvenile may be given the option of proceeding in a
5 teen court program as an alternative to the filing of a formal
6 proceeding pursuant to section seven hundred four or section
7 seven hundred fourteen of this article if:

8 (1) The juvenile is alleged to have committed a status
9 offense or an act of delinquency that would be a misdemeanor if
10 committed by an adult;

11 (2) The juvenile is alleged to have violated a municipal
12 ordinance over which municipal court and state court have
13 concurrent jurisdiction; or

14 (3) The juvenile is otherwise subject to the provisions of this
15 article.

16 (c) If the circuit court or municipal court finds that the
17 offender is a suitable candidate for the teen court program, it

18 may extend the option to enter the program as an alternative
19 procedure. A juvenile may not enter the teen court program
20 unless he or she and his or her parent or guardian consent to
21 participating in the program.

22 (d) Any juvenile who does not successfully cooperate in, and
23 complete, the teen court program and any disposition imposed
24 during the juvenile's participation shall be returned to the circuit
25 court for further disposition as provided by section seven
26 hundred and twelve or seven hundred fourteen of this article, as
27 the case may be or returned to the municipal court for further
28 disposition for cases originating in municipal court consistent
29 with any applicable ordinance.

30 (e) The following provisions apply to all teen court
31 programs:

32 (1) The judge for each teen court proceeding shall be an
33 acting or retired circuit court judge or an active member of the
34 West Virginia State Bar, who serves on a voluntary basis.

35 (2) Any juvenile who selects the teen court program as an
36 alternative disposition shall agree to serve thereafter on at least
37 two occasions as a teen court juror.

38 (3) Volunteer students from grades seven through twelve of
39 the schools within the county shall be selected to serve as
40 defense attorney, prosecuting attorney, court clerk, bailiff and
41 jurors for each proceeding.

42 (4) Disposition in a teen court proceeding shall consist of
43 requiring the juvenile to perform sixteen to forty hours of
44 community service, the duration and type of which shall be
45 determined by the teen court jury from a standard list of
46 available community service programs provided by the county
47 juvenile probation system and a standard list of alternative

48 consequences that are consistent with the purposes of this article.
49 The performance of the juvenile shall be monitored by the
50 county juvenile probation system for cases originating in the
51 circuit court's jurisdiction, or municipal teen court coordinator
52 or other designee for cases originating in the municipal court's
53 jurisdiction. The juvenile shall also perform at least two sessions
54 of teen court jury service and, if considered appropriate by the
55 circuit court judge or teen court judge, participate in an
56 education program. Nothing in this section may be construed so
57 as to deny availability of the services provided under section
58 seven hundred and twelve of this article to juveniles who are
59 otherwise eligible for the service.

60 (f) The rules for administration, procedure and admission of
61 evidence shall be determined by the chief circuit judge or teen
62 court judge, but in no case may the court require a juvenile to
63 admit the allegation against him or her as a prerequisite to
64 participation in the teen court program. A copy of these rules
65 shall be provided to every teen court participant.

66 (g) Each county or municipality that operates, or wishes to
67 operate, a teen court program as provided in this section is
68 hereby authorized to adopt a mandatory fee of up to \$5 to be
69 assessed as provided in this subsection. Municipal courts may
70 assess a fee pursuant to this section upon authorization by the
71 city council of the municipality. Assessments collected by the
72 clerk of the court pursuant to this subsection shall be deposited
73 into an account specifically for the operation and administration
74 of a teen court program. The clerk of the court of conviction
75 shall collect the fees established in this subsection and shall
76 remit the fees to the teen court program.

77 (h) Any mandatory fee established by a county commission
78 or city council in accordance with this subsection shall be paid
79 by the defendant on a judgment of guilty or a plea of nolo
80 contendere for each violation committed in the county or

81 municipality of any felony, misdemeanor or any local ordinance,
82 including traffic violations and moving violations but excluding
83 municipal parking ordinances. Municipalities operating teen
84 courts are authorized to use fees assessed in municipal court
85 pursuant to this subsection for operation of a teen court in their
86 municipality

§49-4-717. Sexting educational diversion program; requirements.

1 (a) Before a juvenile petition is filed for activity proscribed
2 by article eight-a or eight-c, chapter sixty-one of this code, or
3 after probable cause has been found to believe a juvenile has
4 committed a violation thereof, but before an adjudicatory hearing
5 on the petition, the court or a prosecuting attorney may direct or
6 allow a minor who engaged in the activity to participate in an
7 educational diversion program which meets the requirements of
8 subsection (b) of this section. The prosecutor or court may refer
9 the minor to the educational diversion program, as part of a
10 prepetition intervention pursuant to section seven hundred two
11 of this article.

12 (b) The West Virginia Supreme Court of Appeals may
13 develop an educational diversion program for minors who are
14 accused of activity proscribed by article eight-a or eight-c,
15 chapter sixty-one of this code. As a part of any specialized
16 educational diversion program so developed, the following
17 issues and topics should be included:

18 (1) The legal consequences of and penalties for sharing
19 sexually suggestive or explicit materials, including applicable
20 federal and state statutes;

21 (2) The nonlegal consequences of sharing sexually
22 suggestive or explicit materials including, but not limited to, the
23 effect on relationships, loss of educational and employment
24 opportunities, and being barred or removed from school
25 programs and extracurricular activities;

26 (3) How the unique characteristics of cyberspace and the
27 Internet, including searchability, replicability and an infinite
28 audience, can produce long-term and unforeseen consequences
29 for sharing sexually suggestive or explicit materials; and

30 (4) The connection between bullying and cyber-bullying and
31 minors sharing sexually suggestive or explicit materials.

32 (c) Once a specialized educational diversion program is
33 established by the West Virginia Supreme Court of Appeals
34 consistent with this section, the minor's successful completion
35 of the educational diversion program shall be duly considered by
36 the prosecutor or the court in their respective decisions to either
37 abstain from filing the juvenile petition or to dismiss the juvenile
38 petition, as follows:

39 (1) If the minor has not previously been judicially
40 determined to be delinquent, and the minor's activities represent
41 a first offense for a violation of section three-b, article eight-c,
42 chapter sixty-one of this code, the minor is not subject to the
43 requirements of that section, as long as he or she successfully
44 completes the educational diversion program; and

45 (2) If the minor commits a second or subsequent violation of
46 article eight-a or eight-c, chapter sixty-one of this code, the
47 minor's successful completion of the educational diversion
48 program may be considered as a factor to be considered by the
49 prosecutor and court in deciding to not file a petition or to
50 dismiss a petition, upon successful completion of an
51 improvement plan established by the court.

§49-4-718. Modification of dispositional orders; motions; hearings.

1 (a) A dispositional order of the court may be modified:

2 (1) Upon the motion of the probation officer, a department
3 official, the director of the division of juvenile services or
4 prosecuting attorney; or

5 (2) Upon the request of the child or a child's parent or
6 custodian who alleges a change of circumstances relating to
7 disposition of the child.

8 (b) Upon a motion or request, the court shall conduct a
9 review proceeding, except that if the last dispositional order was
10 within the previous six months the court may deny a request for
11 review. Notice in writing of a review proceeding shall be given
12 to the child, the child's parent or custodian and all counsel not
13 less than seventy-two hours prior to the proceeding. The court
14 shall review the performance of the child, the child's parent or
15 custodian, the child's social worker and other persons providing
16 assistance to the child or child's family. If the motion or request
17 for review of disposition is based upon an alleged violation of a
18 court order, the court may modify the dispositional order to a
19 more restrictive alternative if it finds clear and convincing proof
20 of substantial violation. In the absence of proof, the court may
21 decline to modify the dispositional order or may modify the
22 order to one of the less restrictive alternatives set forth in section
23 seven hundred twelve of this article. A juvenile may not be
24 required to seek a modification order as provided in this section
25 in order to exercise his or her right to seek release by habeas
26 corpus.

27 (c) In a hearing for modification of a dispositional order, or
28 in any other dispositional hearing, the court shall consider the
29 best interests of the child and the welfare of the public.

**§49-4-719. Juvenile probation officers; appointment; salary;
facilities; expenses; duties; powers.**

1 (a)(1) Each circuit court, subject to the approval of the
2 Supreme Court of Appeals and in accordance with the rules of
3 the Supreme Court of Appeals, shall appoint one or more
4 juvenile probation officers and clerical assistants for the circuit.
5 A probation officer or clerical assistant may not be related by
6 blood or marriage to the appointing judge.

7 (2) The salary for juvenile probation officers and clerical
8 assistants shall be determined and fixed by the Supreme Court of
9 Appeals. All expenses and costs incurred by the juvenile
10 probation officers and their staff shall be paid by the Supreme
11 Court of Appeals in accordance with its rules. The county
12 commission of each county shall provide adequate office
13 facilities for juvenile probation officers and their staff. All
14 equipment and supplies required by juvenile probation officers
15 and their staff shall be provided by the Supreme Court of
16 Appeals.

17 (3) A juvenile probation officer may not be considered a
18 law-enforcement official under this chapter.

19 (b) The clerk of a court shall notify, if practicable, the chief
20 probation officer of the county, or his or her designee, when a
21 juvenile is brought before the court or judge for proceedings
22 under this article. When notified, or if the probation officer
23 otherwise obtains knowledge of fact, he or she or one of his or
24 her assistants shall:

25 (1) Make investigation of the case; and

26 (2) Furnish information and assistance that the court or judge
27 may require.

**§49-4-720. Prohibition on committing juveniles to adult facilities;
copy provided to juvenile.**

1 (a) No juvenile, including one who has been transferred to
2 criminal jurisdiction of the court, shall be detained or confined
3 in any institution in which he or she has contact with or comes
4 within sight or sound of any adult persons incarcerated because
5 they have been convicted of a crime or are awaiting trial on
6 criminal charges or with the security staff (including
7 management) or direct-care staff of a jail or locked facility for
8 adults.

9 (b) No child who has been convicted of an offense under the
10 adult jurisdiction of the circuit court shall be held in custody in
11 a correctional facility of this state. The Division of Juvenile
12 Services shall be responsible for notifying the sentencing court
13 within forty-five days of the child's eighteenth birthday that the
14 child will be turning eighteen years of age. Within ten days of
15 the child's eighteenth birthday, the court shall transfer the
16 offender to an adult correctional facility or to any other
17 disposition the court deems appropriate for adult offenders.
18 Notwithstanding any other provision of this code to the contrary,
19 prior to the transfer the child shall be returned to the sentencing
20 court for the purpose of reconsideration and modification of the
21 imposed sentence, which shall be based upon a review of all
22 records and relevant information relating to the child's
23 rehabilitation since his or her conviction under the adult
24 jurisdiction of the court.

§49-4-721. Rules governing juvenile facilities; rights of juveniles.

1 (a) The Director of the Division of Juvenile Services within
2 the Department of Military Affairs and Public Safety shall
3 propose legislative rules for promulgation in accordance with
4 article three, chapter twenty-nine-a of this code, outlining
5 policies and procedures governing the operation of those
6 correctional, detention, predispositional detention centers and
7 other facilities wherein juveniles may be housed. These policies
8 and procedures shall include, but are not limited to, standards of
9 cleanliness, temperature and lighting; availability of medical and
10 dental care; provision of food, furnishings, clothing and toilet
11 articles; supervision; procedures for enforcing rules of conduct
12 consistent with due process of law; and visitation privileges. A
13 juvenile in custody or detention has, at a minimum, the
14 following rights, and the policies prescribed ensuring that:

15 (1) A juvenile may not be punished by physical force,
16 deprivation of nutritious meals, deprivation of family visits or
17 imposition of solitary confinement;

18 (2) A juvenile shall be afforded an opportunity to participate
19 in physical exercise each day;

20 (3) Except for sleeping hours, a juvenile in a state facility
21 may not be locked alone in a room unless that juvenile is not
22 amenable to reasonable direction and control;

23 (4) A juvenile shall be provided with his or her own clothing
24 or individualized clothing which is clean and supplied by the
25 facility, and shall also be afforded daily access to showers;

26 (5) A juvenile shall be afforded constant access to writing
27 materials and may send mail without limitation, censorship or
28 prior reading, and may receive mail without prior reading, except
29 that mail may be opened in the juvenile's presence, without
30 being read, to inspect for contraband;

31 (6) A juvenile may make and receive regular local phone
32 calls without charge and long distance calls to his or her family
33 without charge at least once a week, and receive visitors daily
34 and on a regular basis;

35 (7) A juvenile shall be afforded immediate access to medical
36 care as needed;

37 (8) A juvenile in a juvenile detention facility or juvenile
38 corrections facility shall be provided access to education,
39 including teaching, educational materials and books;

40 (9) A juvenile shall be afforded reasonable access to an
41 attorney upon request; and

42 (10) A juvenile shall be afforded a grievance procedure,
43 including an appeal mechanism.

44 (b) Upon admission to a detention facility or juvenile
45 corrections facility, a juvenile shall be furnished with a copy of

46 the rights provided him or her by virtue of this section and as
47 further prescribed by rules proposed and promulgated pursuant
48 to this section.

§49-4-722. Conviction for offense while in custody.

1 (a) Notwithstanding any other provision of law to the
2 contrary, any person who is eighteen years of age or older who
3 is convicted as an adult of an offense that he or she committed
4 while in the custody of the Division of Juvenile Services and
5 who is therefor sentenced to a regional jail or state correctional
6 facility for the offense may not be returned to the custody of the
7 division upon the completion of his or her adult sentence until a
8 hearing is held before the court which committed the person to
9 the custody of the Division of Juvenile Services at which hearing
10 the division may present any objections it may have to return the
11 person to its custody. If the division does object and the court
12 overrules the division's objections, it shall make specific written
13 findings as to its rationale for overruling the objections.

14 (b) No person who is eighteen years of age or older who is
15 convicted as an adult of a felony crime of violence against the
16 person while in the custody of the Division of Juvenile Services
17 be returned to the custody of the Division of Juvenile Services
18 upon completion of his or her adult sentence.

§49-4-723. Discrimination prohibited; penalties; damages.

1 (a) No individual, firm, corporation or other entity may
2 discriminate against any person in any manner due to that
3 person's prior involvement in a proceeding under this article if
4 that person's records have been expunged pursuant to this
5 article. This includes, but is not limited to, discrimination
6 relating to employment, housing, education, obtaining credit, and
7 contractual rights.

8 (b) Any person who willfully violates this section is guilty
9 of a misdemeanor and, upon conviction, shall be fined not more

10 than \$1,000, or confined in jail for not more than six months, or
11 both fined and confined. Additionally, a person who violates this
12 section is liable to the person who has been discriminated against
13 for damages in the amount of \$300 or the actual amount of
14 damages, whichever is greater.

PART VIII. SUPPORT AND SUPPORT ORDERS.

§49-4-801. Support of a child removed from home pursuant to this chapter; order requirements.

1 (a) It is the intent of the Legislature that to the extent
2 practicable, this article should encourage and require a child's
3 parents to meet the obligation of providing that child with
4 adequate food, shelter, clothing, education, and health and child
5 care.

6 (b) This article shall be construed to be consistent with
7 articles one, eleven, twelve, thirteen, fourteen, fifteen, sixteen,
8 eighteen, nineteen and twenty four of chapter forty-eight of this
9 code, and those articles apply to actions pursuant to this chapter
10 unless expressly stated otherwise.

11 (c) When a child is removed from his or her home pursuant
12 to this chapter, the court shall issue a support order payable by
13 the child's mother. If the child's legal father has been
14 determined, the court shall issue a child support order payable by
15 the legal father. If no legal father has been determined, the court
16 shall issue an order establishing paternity prior to or
17 simultaneously with establishing a support order payable by the
18 child's legal father. Copies of the orders shall be provided to the
19 Department of Health and Human Resources, Bureau of Child
20 Support Enforcement.

21 (d) The order establishing a child support obligation must
22 use the Guidelines for Child Support Awards that are set forth in
23 article thirteen, chapter forty-eight of this code.

24 (e) In addition to the reasons for deviation listed in section
25 seven hundred two, article thirteen, chapter forty-eight of this
26 code, deviation from the child support guidelines is appropriate
27 when the court finds that:

28 (1) It may assist the parent in successful completion of an
29 improvement period;

30 (2) It may be in the best interest of the minor child to issue
31 a zero child support order; and/or

32 (3) The parent temporarily or permanently has no gross
33 income as defined in section two hundred twenty eight, article
34 one, chapter forty-eight of this code.

§49-4-802. General provisions for support orders; contempt.

1 (a) Any pre-existing support order from any other court or
2 administrative agency with authority to issue a support order
3 shall remain in full force and effect until a superseding order is
4 issued.

5 (b) If a child is returned to the physical custody of a parent,
6 that parent is not responsible for paying child support for the
7 duration of time that parent has physical custody of the child
8 without the necessity of entry of another court order terminating
9 that parent's child support obligation.

10 (c) If the action is dismissed for failure to prove the
11 allegations of abuse or neglect, any support provision issued
12 pursuant to this chapter are void ab initio. Any adjudication of
13 paternity shall remain in full force and effect.

14 (d) The support obligation shall automatically continue
15 beyond the termination of the payor's parental rights, unless the
16 support obligation is explicitly ended in an order.

§49-4-803. Enforcement of support orders.

1 (a) Support orders may be enforced through any manner
2 provided in chapters thirty-eight and forty-eight of this code.

3 (b) An action for contempt for nonpayment of support may
4 be brought by the Department of Health and Human Resources,
5 Bureau for Children and Families or Bureau for Child Support
6 Enforcement; the child's physical custodian; the child's guardian
7 ad litem; or the prosecuting attorney.

PART IX. CONTRIBUTING TO THE
DELINQUENCY OF A CHILD.

**§49-4-901. Contributing to delinquency or neglect of a child;
penalties; payment of medical costs; proof; court
discretion; other payments; suspended sentence;
maintenance and care; temporary custody.**

1 (a) A person who by any act or omission contributes to,
2 encourages or tends to cause the delinquency or neglect of any
3 child, including, but not limited to, aiding or encouraging the
4 child to habitually or continually refuse to respond, without just
5 cause, to the lawful supervision of the child's parents, guardian
6 or custodian or to be habitually absent from school without just
7 cause, is guilty of a misdemeanor and, upon conviction thereof,
8 shall be fined not less than \$50 nor more than \$500, or confined
9 in jail for a period not exceeding one year, or both fined and
10 confined.

11 (b) In addition to any penalty provided under this section and
12 any restitution which may be ordered by the court under article
13 eleven-a, chapter sixty-one of this code, the court may order any
14 person convicted under this section to pay all or any portion of
15 the cost of medical, psychological or psychiatric treatment of the
16 child resulting from the act or acts for which the person is

17 convicted, whether or not the child is considered to have
18 sustained bodily injury.

19 (c) This section does not apply to any parent, guardian or
20 custodian who fails or refuses, or allows another person to fail or
21 refuse, to supply a child under the care, custody or control of the
22 parent, guardian or custodian with necessary medical care, when
23 medical care conflicts with the tenets and practices of a
24 recognized religious denomination or order of which parent,
25 guardian or custodian is an adherent or member.

26 (d) In finding a person guilty of contributing to the
27 delinquency of a child, it is not necessary to prove that the child
28 has actually become delinquent, if it appears from the evidence
29 that the accused is guilty of conduct or of an act of neglect or
30 omission of duty on his or her part toward the child which would
31 tend to bring about or to encourage the delinquency.

32 (e) A court or judge, upon convictions as are imposed in
33 accordance with this chapter, may:

34 (1) Suspend the sentence of a person found guilty of
35 contributing to the delinquency of a child;

36 (2) Stay or postpone the enforcement of execution of
37 sentence; or

38 (3) Release the person from custody.

39 (f) If the sentence of the person found guilty is suspended,
40 the court or judge may make it a condition of suspending
41 sentence that the person pay for whatever treatment and care
42 may be required for the welfare of the child, and for its support
43 and maintenance while in the custody of the department, person,
44 or institution, and any other expense that may have resulted
45 from, or be necessary because of, the act or acts of the person
46 found guilty.

47 (g) The conditions upon which the sentence of a person
48 found guilty of contributing to the delinquency, or to the neglect
49 of any child, may be suspended, may include the furnishing of a
50 good and sufficient bond to the State of West Virginia in the
51 penal sum as the court shall determine, not exceeding \$1,000,
52 conditioned upon:

53 (1) Furnishing whatever treatment and care may be required
54 for the welfare of the child;

55 (2) Doing whatever may be calculated to secure obedience
56 to the law or to remove the cause of delinquency, or neglect; and

57 (3) Payment of the amount as the court may order, not
58 exceeding \$20 per month, for the support, care, and maintenance
59 of the child to whose delinquency the person contributed. The
60 sum shall be expended under the order of the court or judge for
61 the purposes enumerated.

62 (h)(1) The penalty of a bond given upon suspension of
63 sentence which becomes forfeited is recoverable without
64 separate suit. The court or judge may cause citation or summons
65 to issue to the principal and surety, requiring that they appear at
66 a time named by the court or judge, not less than ten nor more
67 than twenty days from the issuance of the summons, and show
68 cause why judgment should not be entered for the penalty of the
69 bond and execution issued against the property of the principal
70 and of the surety. Upon failure to appear, or failure to show
71 sufficient cause, the court shall enter judgment in behalf of the
72 State of West Virginia against the principal and surety in an
73 amount not to exceed the penalty of the bond plus costs.

74 (2) Any money collected or paid upon an execution, or upon
75 the bond, shall be deposited with the clerk of the court in which
76 the bond was given. The money shall be applied first to the
77 payment of all court costs and then to the treatment, care, or

78 maintenance of the child for whose delinquency conviction was
79 had. If any money so collected is not required for these purposes,
80 it shall be paid within one year into the State Treasury.

81 (i) If it appear to the satisfaction of the court or judge at any
82 time while a suspension of sentence or stay of execution remains
83 in effect, that the sentence ought to be enforced, the court or
84 judge may enforce the sentence. A jail sentence shall commence
85 from the date upon which the sentence is so ordered to be
86 enforced.

87 (j) If the conditions of suspension are complied with, the
88 sentence shall remain suspended, subject to enforcement upon
89 the violation of any of the conditions imposed. Upon a failure to
90 comply with any of the conditions imposed, the sentence shall be
91 enforced and any bond given to insure the performance of the
92 conditions shall be forfeited.

93 (k) A sentence may not be suspended, or final judgment or
94 execution stayed, for a period exceeding two years. At the end of
95 two years from the time of imposition of sentence or sooner in
96 the discretion of the court or judge, the defendant shall be finally
97 released and discharged.

98 (l) Where a person is found guilty of contributing to the
99 delinquency of a child, the court or judge may place the child in
100 the temporary custody of the department or of some responsible
101 person or approved institution.

§49-4-902. Custody of child by convicted person.

1 If the guilty person had custody of the child prior to
2 conviction, the court or judge may, on suspending sentence,
3 permit the child to remain in the custody of the person, and make
4 it a condition of suspending sentence that the person provides
5 whatever treatment and care may be required for the welfare of

6 the child, and shall do whatever may be calculated to secure
7 obedience to the law or to remove the cause of the delinquency.

**§49-4-903. Interference with disposition of child punishable as
contempt of court.**

1 A person who interferes with the direction of disposition of
2 a child in accordance with an order of the court or judge made in
3 pursuance of this chapter, or with the department, or a probation
4 or other officer of the court in carrying out the directions of the
5 court or judge under an order, is subject to punishment as for
6 contempt of court.

§49-4-904. Enticing child from custody; penalties.

1 A person who personally or by agent entices or forcibly
2 removes a child from a custody in which the child was placed
3 under this chapter is guilty of a misdemeanor and, upon
4 conviction shall be fined not more than \$100, or confined in jail
5 not more than six months, or fined and confined.

ARTICLE 5. RECORD KEEPING AND DATABASE.

**§49-5-101. Confidentiality of records; nonrelease of records;
exceptions; penalties.**

1 (a) Except as otherwise provided in this chapter or by order
2 of the court, all records and information concerning a child or
3 juvenile which are maintained by the Division of Juvenile
4 Services, the Department of Health and Human Resources, a
5 child agency or facility, court or law-enforcement agency is
6 confidential and shall not be released or disclosed to anyone,
7 including any federal or state agency.

8 (b) Notwithstanding the provisions of subsection (a) of this
9 section or any other provision of this code to the contrary,
10 records concerning a child or juvenile, except adoption records

11 and records disclosing the identity of a person making a
12 complaint of child abuse or neglect may be made available:

13 (1) Where otherwise authorized by this chapter;

14 (2) To:

15 (A) The child;

16 (B) A parent whose parental rights have not been terminated;

17 or

18 (C) The attorney of the child or parent;

19 (3) With the written consent of the child or of someone
20 authorized to act on the child's behalf; or

21 (4) Pursuant to an order of a court of record. However, the
22 court shall review the record or records for relevancy and
23 materiality to the issues in the proceeding and safety, and may
24 issue an order to limit the examination and use of the records or
25 any part thereof.

26 (c) In addition to those persons or entities to whom
27 information may be disclosed under subsection (b) of this
28 section, information related to child abuse or neglect
29 proceedings, except information relating to the identity of the
30 person reporting or making a complaint of child abuse or
31 neglect, shall be made available, upon request, to:

32 (1) Federal, state or local government entities, or any agent
33 of those entities, including law-enforcement agencies and
34 prosecuting attorneys, having a need for that information in
35 order to carry out its responsibilities under law to protect
36 children from abuse and neglect;

37 (2) The child fatality review team;

38 (3) Child abuse citizen review panels;

39 (4) Multidisciplinary investigative and treatment teams; or

40 (5) A grand jury, circuit court or family court, upon a finding
41 that information in the records is necessary for the determination
42 of an issue before the grand jury, circuit court or family court.

43 (d) In the event of a child fatality or near fatality due to child
44 abuse and neglect, information relating to a fatality or near
45 fatality shall be made public by the Department of Health and
46 Human Resources and to the entities described in subsection (c)
47 of this section, all under the circumstances described in that
48 subsection. However, information released by the Department of
49 Health and Human Resources pursuant to this subsection may
50 not include the identity of a person reporting or making a
51 complaint of child abuse or neglect. For purposes of this
52 subsection, "near fatality" means any medical condition of the
53 child which is certified by the attending physician to be life
54 threatening.

55 (e) Except in juvenile proceedings which are transferred to
56 criminal proceedings, law-enforcement records and files
57 concerning a child or juvenile shall be kept separate from the
58 records and files of adults and not included within the court files.
59 Law-enforcement records and files concerning a child or
60 juvenile shall only be open to inspection pursuant to section one
61 hundred three of this article.

62 (f) Any person who willfully violates this section is guilty of
63 a misdemeanor and, upon conviction, shall be fined not more
64 than \$1,000, or confined in jail for not more than six months, or
65 both fined and confined. A person convicted of violating this
66 section is also liable for damages in the amount of \$300 or actual
67 damages, whichever is greater.

68 (g) Notwithstanding the provisions of this section, or any
69 other provision of this code to the contrary, the name and
70 identity of any juvenile adjudicated or convicted of a violent or
71 felonious crime shall be made available to the public;

72 (h)(1) Notwithstanding the provisions of this section, or any
73 other provision of this code to the contrary, the Division of
74 Juvenile Services may provide access to and the confidential use
75 of a treatment plan, court records or other records of a juvenile
76 to an agency in another state which:

77 (A) Performs the same functions in that state that are
78 performed by the Division of Juvenile Services in this state;

79 (B) Has a reciprocal agreement with this state; and

80 (C) Has legal custody of the juvenile.

81 (2) A record which is shared under this subsection may only
82 provide information which is relevant to the supervision, care,
83 custody and treatment of the juvenile.

84 (3) The Division of Juvenile Services is authorized to enter
85 into reciprocal agreements with other states and to propose rules
86 for legislative approval in accordance with article three, chapter
87 twenty-nine-a of this code to implement this subsection.

88 (4) Other than the authorization explicitly given in this
89 subsection, this subsection may not be construed to enlarge or
90 restrict access to juvenile records as provided elsewhere in this
91 code.

§49-5-102. Preservation of records.

1 The proceedings, records, reports, case histories, and all
2 other papers or documents of or received by the state department

3 in the administration of this chapter shall be filed of record and
4 preserved.

§49-5-103. Confidentiality of juvenile records; permissible disclosures; conditions; penalties; damages.

1 (a) Any findings or orders of the court in a juvenile
2 proceeding shall be known as the “juvenile record” and shall be
3 maintained by the clerk of the court.

4 (b) Records of a juvenile proceeding conducted under this
5 chapter are not public records and shall not be disclosed to
6 anyone unless disclosure is otherwise authorized by this section.

7 (c) Notwithstanding the provisions of subsection (a) of this
8 section, a copy of a juvenile’s records shall automatically be
9 disclosed to certain school officials, subject to the following
10 terms and conditions:

11 (1) Only the records of certain juveniles shall be disclosed.
12 These include, and are limited to, cases in which:

13 (A) The juvenile has been charged with an offense which:

14 (i) Involves violence against another person;

15 (ii) Involves possession of a dangerous or deadly weapon; or

16 (iii) Involves possession or delivery of a controlled
17 substance as that term is defined in section one hundred one,
18 article one, chapter sixty-a of this code; and

19 (B) The juvenile’s case has proceeded to a point where one
20 or more of the following has occurred:

21 (i) A circuit court judge or magistrate has determined that
22 there is probable cause to believe that the juvenile committed the
23 offense as charged;

24 (ii) A circuit court judge or magistrate has placed the
25 juvenile on probation for the offense;

26 (iii) A circuit court judge or magistrate has placed the
27 juvenile into an pre-adjudicatory community supervision period
28 in accordance with section seven hundred eight, article four of
29 this chapter; or

30 (iv) Some other type of disposition has been made of the
31 case other than dismissal.

32 (2) The circuit court for each judicial circuit in West
33 Virginia shall designate one person to supervise the disclosure
34 of juvenile records to certain school officials;

35 (3) If the juvenile attends a West Virginia public school, the
36 person designated by the circuit court shall automatically
37 disclose all records of the juvenile's case to the county
38 superintendent of schools in the county in which the juvenile
39 attends school and to the principal of the school which the
40 juvenile attends, subject to the following:

41 (A) At a minimum, the records shall disclose the following
42 information:

43 (i) Copies of the arrest report;

44 (ii) Copies of all investigations;

45 (iii) Copies of any psychological test results and any mental
46 health records;

47 (iv) Copies of any evaluation reports for probation or facility
48 placement; and

49 (v) Any other material that would alert the school to
50 potential danger that the juvenile may pose to himself, herself or
51 others;

52 (B) The disclosure of the juvenile's psychological test results
53 and any mental health records may only be made in accordance
54 with subdivision (14) of this subsection;

55 (C) If the disclosure of any record to be automatically
56 disclosed under this section is restricted in its disclosure by the
57 Health Insurance Portability and Accountability Act of 1996, PL
58 104-191, and any amendments and regulations under the act, the
59 person designated by the circuit court shall provide the
60 superintendent and principal any notice of the existence of the
61 record that is permissible under the act and, if applicable, any
62 action that is required to obtain the record; and

63 (D) When multiple disclosures are required by this
64 subsection, the person designated by the circuit court is required
65 to disclose only material in the juvenile record that had not
66 previously been disclosed to the county superintendent and the
67 principal of the school which the juvenile attends.

68 (4) If the juvenile attends a private school in West Virginia,
69 the person designated by the circuit court shall determine the
70 identity of the highest ranking person at that school and shall
71 automatically disclose all records of a juvenile's case to that
72 person.

73 (5) If the juvenile does not attend school at the time the
74 juvenile's case is pending, the person designated by the circuit
75 court may not transmit the juvenile's records to any school.
76 However, the person designated by the circuit court shall
77 transmit the juvenile's records to any school in West Virginia
78 which the juvenile subsequently attends.

79 (6) The person designated by the circuit court may not
80 automatically transmit juvenile records to a school which is not
81 located in West Virginia. Instead, the person designated by the
82 circuit court shall contact the out-of-state school, inform it that
83 juvenile records exist and make an inquiry regarding whether the

84 laws of that state permit the disclosure of juvenile records. If so,
85 the person designated by the circuit court shall consult with the
86 circuit judge who presided over the case to determine whether
87 the juvenile records should be disclosed to the out-of-state
88 school. The circuit judge has discretion in determining whether
89 to disclose the juvenile records and shall consider whether the
90 other state's law regarding disclosure provides for sufficient
91 confidentiality of juvenile records, using this section as a guide.
92 If the circuit judge orders the juvenile records to be disclosed,
93 they shall be disclosed in accordance with subdivision (7) of this
94 subsection.

95 (7) The person designated by the circuit court shall transmit
96 the juvenile's records to the appropriate school official under
97 cover of a letter emphasizing the confidentiality of those records
98 and directing the official to consult this section of the code. A
99 copy of this section of the code shall be transmitted with the
100 juvenile's records and cover letter.

101 (8) Juvenile records are absolutely confidential by the school
102 official to whom they are transmitted, and nothing contained
103 within the juvenile's records may be noted on the juvenile's
104 permanent educational record. The juvenile records are to be
105 maintained in a secure location and are not to be copied under
106 any circumstances. However, the principal of a school to whom
107 the records are transmitted shall have the duty to disclose the
108 contents of those records to any teacher who teaches a class in
109 which the subject juvenile is enrolled and to the regular driver of
110 a school bus in which the subject juvenile is regularly
111 transported to or from school, except that the disclosure of the
112 juvenile's psychological test results and any mental health
113 records may only be made in accordance with subdivision (14)
114 of this subsection. Furthermore, any school official to whom the
115 juvenile's records are transmitted may disclose the contents of
116 those records to any adult within the school system who, in the

117 discretion of the school official, has the need to be aware of the
118 contents of those records.

119 (9) If for any reason a juvenile ceases to attend a school
120 which possesses that juvenile's records, the appropriate official
121 at that school shall seal the records and return them to the circuit
122 court which sent them to that school. If the juvenile has changed
123 schools for any reason, the former school shall inform the circuit
124 court of the name and location of the new school which the
125 juvenile attends or will be attending. If the new school is located
126 within West Virginia, the person designated by the circuit court
127 shall forward the juvenile's records to the juvenile's new school
128 in the same manner as provided in subdivision (7) of this
129 subsection. If the new school is not located within West
130 Virginia, the person designated by the circuit court shall handle
131 the juvenile records in accordance with subdivision (6) of this
132 subsection.

133 If the juvenile has been found not guilty of an offense for
134 which records were previously forwarded to the juvenile's
135 school on the basis of a finding of probable cause, the circuit
136 court may not forward those records to the juvenile's new
137 school. However, this does not affect records related to other
138 prior or future offenses. If the juvenile has graduated or quit
139 school or will otherwise not be attending another school, the
140 circuit court shall retain the juvenile's records and handle them
141 as otherwise provided in this article.

142 (10) Under no circumstances may one school transmit a
143 juvenile's records to another school.

144 (11) Under no circumstances may juvenile records be
145 automatically transmitted to a college, university or other
146 post-secondary school.

147 (12) No one may suffer any penalty, civil or criminal, for
148 accidentally or negligently attributing certain juvenile records to

149 the wrong person. However, that person has the affirmative duty
150 to promptly correct any mistake that he or she has made in
151 disclosing juvenile records when the mistake is brought to his or
152 her attention. A person who intentionally attributes false
153 information to a certain person shall be subjected to both
154 criminal and civil penalties in accordance with subsection (e) of
155 this section.

156 (13) If a circuit court judge or magistrate has determined that
157 there is probable cause to believe that a juvenile has committed
158 an offense but there has been no final adjudication of the charge,
159 the records which are transmitted by the circuit court shall be
160 accompanied by a notice which clearly states in bold print that
161 there has been no determination of delinquency and that our
162 legal system requires a presumption of innocence.

163 (14) The county superintendent shall designate the school
164 psychologist or psychologists to receive the juvenile's
165 psychological test results and any mental health records. The
166 psychologist designated shall review the juvenile's
167 psychological test results and any mental health records and, in
168 the psychologist's professional judgment, may disclose to the
169 principal of the school that the juvenile attends and other school
170 employees who would have a need to know the psychological
171 test results, mental health records and any behavior that may
172 trigger violence or other disruptive behavior by the juvenile.
173 Other school employees include, but are not limited to, any
174 teacher who teaches a class in which the subject juvenile is
175 enrolled and the regular driver of a school bus in which the
176 subject juvenile is regularly transported to or from school.

177 (c) Notwithstanding the provisions of subsection (a) of this
178 section, juvenile records may be disclosed, subject to the
179 following terms and conditions:

180 (1) If a juvenile case is transferred to the criminal
181 jurisdiction of the circuit court pursuant to subsection (c) or (d),

182 section seven hundred ten, article four of this chapter, the
183 juvenile records are open to public inspection.

184 (2) If a juvenile case is transferred to the criminal
185 jurisdiction of the circuit court pursuant to subsection (e), (f) or
186 (g), section seven hundred ten, article four of this chapter, the
187 juvenile records are open to public inspection only if the juvenile
188 fails to file a timely appeal of the transfer order, or the Supreme
189 Court of Appeals refuses to hear or denies an appeal which has
190 been timely filed.

191 (3) If a juvenile is fourteen years of age or older and a court
192 has determined there is a probable cause to believe the juvenile
193 committed an offense set forth in subsection (g), section seven
194 hundred ten of article four of this chapter, but the case is not
195 transferred to criminal jurisdiction, the juvenile records are open
196 to public inspection pending trial only if the juvenile is released
197 on bond and no longer detained or adjudicated delinquent of the
198 offense.

199 (4) If a juvenile is younger than fourteen years of age and a
200 court has determined there is probable cause to believe that the
201 juvenile committed the crime of murder under section one, two
202 or three, article two, chapter sixty-one of this code, or the crime
203 of sexual assault in the first degree under section three, article
204 eight-b of chapter sixty-one, but the case is not transferred to
205 criminal jurisdiction, the juvenile records are open to public
206 inspection pending trial only if the juvenile is released on bond
207 and no longer detained or adjudicated delinquent of the offense.

208 (5) Upon a written petition and pursuant to a written order,
209 the circuit court may permit disclosure of juvenile records to:

210 (A) A court, in this state or another state, which has juvenile
211 jurisdiction and has the juvenile before it in a juvenile
212 proceeding;

213 (B) A court, in this state or another state, exercising criminal
214 jurisdiction over the juvenile which requests records for the
215 purpose of a presentence report or disposition proceeding;

216 (C) The juvenile, the juvenile's parents or legal guardian, or
217 the juvenile's counsel;

218 (D) The officials of a public institution to which the juvenile
219 is committed if they require those records for transfer, parole or
220 discharge; or

221 (E) A person who is conducting research. However, juvenile
222 records may be disclosed for research purposes only upon the
223 condition that information which would identify the subject
224 juvenile or the juvenile's family may not be disclosed.

225 (6) Notwithstanding any other provision of this code,
226 juvenile records shall be disclosed, or copies made available, to
227 a probation officer upon his or her request. Any probation officer
228 may access relevant juvenile case information contained in any
229 electronic database maintained by or for the Supreme Court of
230 Appeals and share it with any other probation officer.

231 (7) Notwithstanding any other provision of this code,
232 juvenile records shall be disclosed, or copies made available, in
233 response to any lawfully issued subpoena from a federal court or
234 federal agency.

235 (d) Any records open to public inspection pursuant to this
236 section are subject to the same requirements governing the
237 disclosure of adult criminal records.

238 (e) Any person who willfully violates this section is guilty
239 of a misdemeanor and, upon conviction, shall be fined not more
240 than \$1,000, or confined in jail for not more than six months, or
241 both fined and confined. A person who violates this section is

242 also liable for damages in the amount of \$300 or actual damages,
243 whichever is greater.

§49-5-104. Confidentiality of juvenile records for children who become of age while a ward of the state or who have been transferred to adult criminal jurisdiction; separate and secure location; penalties; damages.

1 (a) One year after the juvenile's eighteenth birthday, or one
2 year after personal or juvenile jurisdiction has terminated,
3 whichever is later, the records of a juvenile proceeding
4 conducted under this chapter, including, but not limited to,
5 law-enforcement files and records, may be kept in a separate
6 secure confidential place and the records may not be inspected
7 except by order of the circuit court.

8 (b) The records of a juvenile proceeding in which a juvenile
9 was transferred to criminal jurisdiction pursuant to section seven
10 hundred ten, article four of this chapter shall be kept in a
11 separate secure confidential place and the records may not be
12 inspected except by order of the circuit court if the juvenile is
13 subsequently acquitted or found guilty only of an offense other
14 than an offense upon which the waiver or order of transfer was
15 based, or if the offense upon which the waiver or order of
16 transfer was based is subsequently dismissed.

17 (c) To keep the confidentiality of juvenile records, they shall
18 be returned to the circuit court in which the case was pending
19 and be kept in a separate confidential file. The records shall be
20 physically marked to show that they are to remain confidential
21 and shall be securely kept and filed in a manner so that no one
22 can have access to determine the identity of the juvenile, except
23 upon order of the circuit court.

24 (d) Marking the juvenile records to show they are to remain
25 confidential has the legal effect of extinguishing the offense as
26 if it never occurred.

27 (e) The records of a juvenile convicted under the criminal
 28 jurisdiction of the circuit court pursuant to subdivision (1),
 29 subsection (d), section seven hundred ten, article four of this
 30 chapter may not be marked and kept as confidential.

31 (f) Any person who willfully violates this section is guilty of
 32 a misdemeanor and, upon conviction thereof, shall be fined not
 33 more than \$1,000, or confined in jail for not more than six
 34 months, or both so fined and confined, and is liable for damages
 35 in the amount of \$300 or actual damages, whichever is greater.

**§49-5-105. Juvenile justice database; individual records
 confidential.**

1 The West Virginia Supreme Court of Appeals is responsible
 2 for collecting, compiling and disseminating information in the
 3 juvenile justice database. Notwithstanding any other provision
 4 of this code to the contrary, the court shall grant the Division of
 5 Justice and Community Services access to confidential juvenile
 6 records for the limited purpose of the collection and analysis of
 7 statistical data. However, the division shall keep the records
 8 confidential and not publish any information that would identify
 9 any individual juvenile.

**§49-6-101. Clearinghouse function; State Police requirements;
 rule-making.**

43 article.

**§49-6-102. State Department of Education; missing children
program; rule-making.**

1 (a) The State Department of Education shall develop and
2 administer a program for the location of missing children who
3 may be enrolled in the West Virginia school system, including
4 private schools, and for the reporting of children who may be
5 missing or who may be unlawfully removed from schools.

6 (b) The program shall include the use of information
7 received from the clearinghouse and shall be coordinated with
8 the operations of the clearinghouse.

9 (c) The State Board of Education may promulgate rules in
10 accordance with article three, chapter twenty-nine-a of this code
11 for the operation of the program and shall require the
12 participation of all school districts and state-accredited private

§49-6-103. Information to clearinghouse.

1 Every law-enforcement agency in West Virginia shall
2 provide to the clearinghouse any information the
3 law-enforcement agency has that would assist in locating or
4 identifying a missing child.

§49-6-104. Custodian request for information.

1 (a) Upon written request made to a law-enforcement agency
2 by the custodian of a missing child, the law-enforcement agency
3 shall request from the clearinghouse information concerning the
4 child that may aid the custodian in locating or identifying the
5 child.

6 (b) A law-enforcement agency to which a request has been
7 made pursuant to subsection (a) of this section shall report to the
8 custodian on the results of its inquiry within fourteen calendar
9 days after the day the written request is received by the
10 law-enforcement agency.

§49-6-105. Missing child report forms; where filed.

1 (a) The clearinghouse shall distribute missing child report

12 (b) Information not immediately available shall be obtained

18 their jurisdiction into the clearinghouse and the national crime
19 information center unidentified person file, including all
20 available identifying features of the body and a description of the

22 national crime information center file results in an automatic
23 entry of the information into the clearinghouse, the
24 law-enforcement agency is not required to make a direct entry of
25 that information into the clearinghouse.

§49-6-107. Release of dental records; cause shown; immunity.

1 (a) The clearinghouse shall, in accordance with national
2 crime information center policies and procedures, cross-check
3 and attempt to match unidentified bodies with descriptions of
4 missing children. When the clearinghouse discovers a possible

7 law-enforcement agencies.

8 (b) A law-enforcement agency that receives notice of a

§49-6-109. Interagency cooperation.

1 (a) State agencies and public and private schools shall

9 determines that release of the information would be deleterious
10 to the investigation;

11 (3) Are records or notations that the clearinghouse maintains
12 for internal use in matters relating to missing children and

17 (4) Are records or information that the State Police
18 determines might interfere with an investigation or otherwise
19 harm a child or custodian.

2 law-enforcement agency shall immediately forward the contents
3 of the report to the missing children information clearinghouse
4 and the national crime information center's missing person file.
5 However, if an information entry into the national crime
6 information center file results in an automatic entry of the
7 information into the clearinghouse, the law-enforcement agency
8 is not required to make a direct entry of that information into the
9 clearinghouse.

10 (b) Within fifteen days after completion of the report, if the
11 child is less than thirteen years of age the law-enforcement

ARTICLE 7. INTERSTATE COOPERATION.

PART I. INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN.

§49-7-101. Adoption of compact.

1 The interstate compact on the placement of children is
2 hereby enacted into law and entered into with all other
3 jurisdictions legally joining therein in form substantially as
4 follows:

5 INTERSTATE COMPACT ON THE PLACEMENT OF
6 CHILDREN

ARTICLE I. PURPOSE AND POLICY.

1 It is the purpose and policy of the party states to cooperate
2 with each other in the interstate placement of children to the end
3 that:

4 (a) Each child requiring placement shall receive the
5 maximum opportunity to be placed in a suitable environment and
6 with persons or institutions having appropriate qualifications and
7 facilities to provide a necessary and desirable degree and type of
8 care.

9 (b) The appropriate authorities in a state where a child is to
10 be placed may have full opportunity to ascertain the
11 circumstances of the proposed placement, thereby promoting full
12 compliance with applicable requirements for the protection of
13 the child.

14 (c) The proper authorities of the state from which the
15 placement is made may obtain the most complete information on
16 the basis of which to evaluate a projected placement before it is
17 made.

18 (d) Appropriate jurisdictional arrangements for the care of
19 children will be promoted.

ARTICLE II. DEFINITIONS.

1 As used in this compact:

2 (a) "Child" means a person who, by reason of minority is
3 legally subject to parental, guardianship or similar control.

4 (b) "Sending agency" means a party state, officer or
5 employee thereof; a subdivision of a party state, or officer or
6 employee thereof; a court of a party state; a person, corporation,
7 association, charitable agency or other entity which sends,

8 brings, or causes to be sent or brought any child to another party
9 state.

10 (c) "Receiving state" means the state to which a child is sent,
11 brought, or caused to be sent or brought, whether by public
12 authorities or private persons or agencies, and whether for
13 placement with state or local public authorities or for placement
14 with private agencies or persons.

15 (d) "Placement" means the arrangement for the care of a
16 child in a family free home or boarding home or in a child-caring
17 agency or institution but does not include any institution caring
18 for the mentally ill, mentally defective or epileptic or any
19 institution primarily educational in character, and any hospital or
20 other medical facility.

ARTICLE III. CONDITIONS FOR REPLACEMENT.

1 (a) No sending agency shall send, bring, or cause to be sent
2 or brought into any other party state any child for placement in
3 foster care or as a preliminary to a possible adoption unless the
4 sending agency shall comply with each and every requirement
5 set forth in this article and with the applicable laws of the
6 receiving state governing the placement of children therein.

7 (b) Prior to sending, bringing or causing any child to be sent
8 or brought into a receiving state for placement in foster care or
9 as a preliminary to a possible adoption, the sending agency shall
10 furnish the appropriate public authorities in the receiving state
11 written notice of the intention to send, bring, or place the child
12 in the receiving state. The notice shall contain:

13 (1) The name, date and place of birth of the child.

14 (2) The identity and address or addresses of the parents or
15 legal guardian.

16 (3) The name and address of the person, agency or institution
17 to or with which the sending agency proposes to send, bring, or
18 place the child.

19 (4) A full statement of the reasons for the proposed action
20 and evidence of the authority pursuant to which the placement is
21 proposed to be made.

22 (c) Any public officer or agency in a receiving state which
23 is in receipt of a notice pursuant to paragraph (b) of this article
24 may request of the sending agency, or any other appropriate
25 officer or agency of or in the sending agency's state, and shall be
26 entitled to receive therefrom, the supporting or additional
27 information as it may deem necessary under the circumstances
28 to carry out the purpose and policy of this compact.

29 (d) The child shall not be sent, brought, or caused to be sent
30 or brought into the receiving state until the appropriate public
31 authorities in the receiving state shall notify the sending agency,
32 in writing, to the effect that the proposed placement does not
33 appear to be contrary to the interests of the child.

ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT.

1 The sending, bringing, or causing to be sent or brought into
2 any receiving state of a child in violation of the terms of this
3 compact shall constitute a violation of the laws respecting the
4 placement of children of both the state in which the sending
5 agency is located or from which it sends or brings the child and
6 of the receiving state. A violation may be punished or subjected
7 to penalty in either jurisdiction in accordance with its laws. In
8 addition to liability for any punishment or penalty, a violation
9 shall constitute full and sufficient grounds for the suspension or
10 revocation of any license, permit, or other legal authorization
11 held by the sending agency which empowers or allows it to
12 place, or care for children.

ARTICLE V. RETENTION OF JURISDICTION.

1 (a) The sending agency shall retain jurisdiction over the
2 child sufficient to determine all matters in relation to the
3 custody, supervision, care, treatment and disposition of the child
4 which it would have had if the child had remained in the sending
5 agency's state, until the child is adopted, reaches majority,
6 becomes self-supporting or is discharged with the concurrence
7 of the appropriate authority in the receiving state. The
8 jurisdiction shall also include the power to effect or cause the
9 return of the child or its transfer to another location and custody
10 pursuant to law. The sending agency shall continue to have
11 financial responsibility for support and maintenance of the child
12 during the period of the placement. Nothing contained herein
13 shall defeat a claim of jurisdiction by a receiving state sufficient
14 to deal with an act of delinquency or crime committed therein.

15 (b) When the sending agency is a public agency, it may enter
16 into an agreement with an authorized public or private agency in
17 the receiving state providing for the performance of one or more
18 services in respect of the case by the latter as agent for the
19 sending agency.

20 (c) Nothing in this compact shall be construed to prevent a
21 private charitable agency authorized to place children in the
22 receiving state from performing services or acting as agent in
23 that state for a private charitable agency of the sending state; nor
24 to prevent the agency in the receiving state from discharging
25 financial responsibility for the support and maintenance of a
26 child who has been placed on behalf of the sending agency
27 without relieving the responsibility set forth in paragraph (a)
28 hereof.

ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN.

1 A child adjudicated delinquent may be placed in an
2 institution in another party jurisdiction pursuant to this compact

3 but no placement shall be made unless the child is given a court
4 hearing on notice to the parent or guardian with opportunity to
5 be heard, prior to his or her being sent to the other party
6 jurisdiction for institutional care and the court finds that:

7 1. Equivalent facilities for the child are not available in the
8 sending agency's jurisdiction; and

9 2. Institutional care in the other jurisdiction is in the best
10 interest of the child and will not produce undue hardship.

ARTICLE VII. COMPACT ADMINISTRATOR.

1 The executive head of each jurisdiction party to this compact
2 shall designate an officer who shall be general coordinator of
3 activities under this compact in his or her jurisdiction and who,
4 acting jointly with like officers of other party jurisdictions, shall
5 have power to promulgate rules and regulations to carry out
6 more effectively the terms and provisions of this compact.

ARTICLE VIII. LIMITATIONS.

1 This compact shall not apply to:

2 (a) The sending or bringing of a child into a receiving state
3 by his or her parent, stepparent, grandparent, adult brother or
4 sister, adult uncle or aunt, or his or her guardian and leaving the
5 child with a relative or nonagency guardian in the receiving
6 state.

7 (b) Any placement, sending or bringing of a child into a
8 receiving state pursuant to any other interstate compact to which
9 both the state from which the child is sent or brought and the
10 receiving state are party, or to any other agreement between the
11 states which has the force of law.

ARTICLE IX. ENACTMENT AND WITHDRAWAL.

1 This compact shall be open to joinder by any state, territory
2 or possession of the United States, the District of Columbia, the

3 Commonwealth of Puerto Rico, and, with the consent of
4 Congress, the government of Canada or any province thereof. It
5 shall become effective with respect to those jurisdictions when
6 that other jurisdiction has enacted the same into law. Withdrawal
7 from this compact shall be by the enactment of a statute
8 repealing the same, but shall not take effect until two years after
9 the effective date of the statute and until written notice of the
10 withdrawal has been given by the withdrawing state to the
11 Governor of each other party jurisdiction. Withdrawal of a party
12 state shall not affect the rights, duties and obligations under this
13 compact of any sending agency therein with respect to a
14 placement made prior to the effective date of withdrawal.

ARTICLE X. CONSTRUCTION.

1 The provisions of this compact shall be liberally construed
2 to effectuate the purposes thereof. The provisions of this
3 compact shall be severable and if any phrase, clause, sentence or
4 provision of this compact is declared to be contrary to the
5 Constitution of any party state or of the United States or the
6 applicability thereof to any government, agency, person or
7 circumstance is held invalid, the validity of the remainder of this
8 compact and the applicability thereof to any government,
9 agency, person or circumstance shall not be affected thereby. If
10 this compact shall be held contrary to the Constitution of any
11 state party thereto, the compact shall remain in full force and
12 effect as to the remaining states and in full force and effect as to
13 the state affected as to all severable matters.

§49-7-102. Definitions; implementation.

1 (a) Financial responsibility for any child placed pursuant to
2 the provisions of the Interstate Compact on the Placement of
3 Children shall be determined in accordance with the provisions
4 of Article V thereof in the first instance. However, in the event
5 of partial or complete default of performance thereunder, section
6 one hundred one, article two of this chapter may be invoked.

7 (b) The “appropriate public authorities” as used in Article III
8 of the Interstate Compact on the Placement of Children shall,
9 with reference to this state, mean the Department of Health and
10 Human Resources and the agency shall receive and act with
11 reference to notices required by Article III.

12 (c) As used in paragraph (a) of Article V of the Interstate
13 Compact on the Placement of Children, the phrase “appropriate
14 authority in the receiving state” with reference to this state shall
15 mean the Department of Health and Human Resources.

16 (d) The officers and agencies of this state and its
17 subdivisions having authority to place children are hereby
18 empowered to enter into agreements with appropriate officers or
19 agencies of or in other party states pursuant to paragraph (b) of
20 Article V of the Interstate Compact on the Placement of
21 Children. An agreement which contains a financial commitment
22 or imposes a financial obligation on this state or subdivision or
23 agency thereof is not binding unless it has the approval in
24 writing of the Auditor in the case of the state and of the chief
25 local fiscal officer in the case of a subdivision of the state.

26 (e) Any requirements for visitation, inspection or supervision
27 of children, homes, institutions or other agencies in another party
28 state which may apply under sections one hundred eight and one
29 hundred eleven, article two of this chapter shall be deemed to be
30 met if performed pursuant to an agreement entered into by
31 appropriate officers or agencies of this state or a subdivision
32 thereof as contemplated by paragraph (b) of Article V of the
33 Interstate Compact on the Placement of Children.

34 (f) Section one hundred nine, article two of this chapter does
35 not apply to placements made pursuant to the Interstate Compact
36 on the Placement of Children.

37 (g) Any court having jurisdiction to place delinquent
38 children may place a child in an institution of or in another state

39 pursuant to Article VI of the Interstate Compact on the
40 Placement of Children and shall retain jurisdiction as provided
41 in Article V thereof.

42 (h) As used in Article VII of the interstate compact on the
43 placement of children, the term “executive head” means the
44 Governor. The Governor is hereby authorized to appoint a
45 compact administrator in accordance with the terms of that
46 Article VII.

PART II. INTERSTATE ADOPTION ASSISTANCE COMPACT.

6 period, require special measures when the adoptive parents move
7 to other states or are residents of another state; and

13 (1) Authorize the Department of Health and Human
14 Resources to enter into interstate agreements with agencies of
15 other states for the protection of children on behalf of whom

4 behalf of this state with other states to implement one or more of
5 the purposes set forth in sections two hundred one through two

7 long as it shall remain in force, the compact shall have the force
8 and effect of law.

PART III. INTERSTATE COMPACT FOR JUVENILES.

§49-7-301. Execution of interstate compact for juveniles.

1 The Governor of this state is authorized and directed to
2 execute a compact on behalf of the State of West Virginia with
3 any state or states of the United States legally joining therein,
4 and substantially as follows:

INTERSTATE COMPACT FOR JUVENILES

ARTICLE I. PURPOSE.

1 (a) The compacting states to this interstate compact
2 recognize that each state is responsible for the proper supervision
3 or return of juveniles, delinquents and status offenders who are
4 on probation or parole and who have absconded, escaped or run
5 away from supervision and control and in so doing have
6 endangered their own safety and the safety of others. The
7 compacting states also recognize that each state is responsible

8 for the safe return of juveniles who have run away from home
9 and in doing so have left their state of residence. The compacting
10 states also recognize that Congress, by enacting the Crime
11 Control Act, 4 U.S.C. Section 112 (1965), has authorized and
12 encouraged compacts for cooperative efforts and mutual
13 assistance in the prevention of crime.

14 (b) It is the purpose of this compact, through means of joint
15 and cooperative action among the compacting states:

16 (1) To ensure that the adjudicated juveniles and status
17 offenders subject to this compact are provided adequate
18 supervision and services in the receiving state as ordered by the
19 adjudicating judge or parole authority in the sending state;

20 (2) To ensure that the public safety interests of the citizens,
21 including the victims of juvenile offenders, in both the sending
22 and receiving states are adequately protected;

23 (3) To return juveniles who have run away, absconded or
24 escaped from supervision or control or have been accused of an
25 offense to the state requesting their return;

26 (4) To make contracts for the cooperative institutionalization
27 in public facilities in member states for delinquent youth needing
28 special services;

29 (5) To provide for the effective tracking and supervision of
30 juveniles;

31 (6) To equitably allocate the costs, benefits and obligations
32 of the compacting states;

33 (7) To establish procedures to manage the movement
34 between states of juvenile offenders released to the community
35 under the jurisdiction of courts, juvenile departments, or any

36 other criminal or juvenile justice agency which has jurisdiction
37 over juvenile offenders;

38 (8) To ensure immediate notice to jurisdictions where
39 defined offenders are authorized to travel or to relocate across
40 state lines;

41 (9) To establish procedures to resolve pending charges
42 (detainers) against juvenile offenders prior to transfer or release
43 to the community under the terms of this compact;

44 (10) To establish a system of uniform data collection on
45 information pertaining to juveniles subject to this compact that
46 allows access by authorized juvenile justice and criminal justice
47 officials, and regular reporting of compact activities to heads of
48 state executive, judicial, and legislative branches and juvenile
49 and criminal justice administrators;

50 (11) To monitor compliance with rules governing interstate
51 movement of juveniles and initiate interventions to address and
52 correct noncompliance;

53 (12) To coordinate training and education regarding the
54 regulation of interstate movement of juveniles for officials
55 involved in the activity; and

56 (13) To coordinate the implementation and operation of the
57 compact with the interstate compact for the placement of
58 children, the interstate compact for adult offender supervision
59 and other compacts affecting juveniles, particularly in those
60 cases where concurrent or overlapping supervision issues arise.

61 (c) It is the policy of the compacting states that the activities
62 conducted by the interstate commission created herein are the
63 formation of public policies and therefore are public business.
64 Furthermore, the compacting states shall cooperate and observe
65 their individual and collective duties and responsibilities for the

66 prompt return and acceptance of juveniles subject to the
67 provisions of this compact. The provisions of this compact shall
68 be reasonably and liberally construed to accomplish the purposes
69 and policies of the compact.

26 interested parties.

27 (d) Allow, not later than sixty days after a rule is
28 promulgated, any interested person to file a petition in the United
29 States District Court for the District of Columbia or in the
30 federal district court where the interstate commission's principal
31 office is located for judicial review of such rule. If the court
32 finds that the interstate commission's action is not supported by
33 substantial evidence in the rule-making record, the court shall
34 hold the rule unlawful and set it aside. For purposes of this
35 subsection, evidence is substantial if it would be considered
36 substantial evidence under the Model State Administrative
37 Procedures Act.

38 (e) If a majority of the Legislatures of the compacting states
39 rejects a rule, those states may, by enactment of a statute or
40 resolution in the same manner used to adopt the compact, cause
41 that such rule shall have no further force and effect in any
42 compacting state.

43 (f) The existing rules governing the operation of the
44 “Interstate Compact on Juveniles” superceded by this article
45 shall be null and void twelve months after the first meeting of
46 the interstate commission created hereunder.

47 (g) Upon determination by the interstate commission that a
48 state-of-emergency exists, it may promulgate an emergency rule
49 which shall become effective immediately upon adoption,
50 provided that the usual rule-making procedures provided
51 hereunder shall be retroactively applied to the rule as soon as
52 reasonably possible, but no later than ninety days after the
53 effective date of the emergency rule.

**ARTICLE VII. OVERSIGHT, ENFORCEMENT AND DISPUTE SOLUTION
BY THE INTERSTATE COMMISSION.**

Section A. Oversight.

1 (a)(1) The interstate commission shall oversee the
2 administration and operations of the interstate movement of
3 juveniles subject to this compact in the compacting states and
4 shall monitor such activities being administered in
5 noncompacting states which may significantly affect compacting
6 states.

7 (2) The courts and executive agencies in each compacting
8 state shall enforce this compact and shall take all actions
9 necessary and appropriate to effectuate the compact’s purposes
10 and intent.

11 (3) The provisions of this compact and the rules promulgated
12 hereunder shall be received by all the judges, public officers,
13 commissions, and departments of the state government as
14 evidence of the authorized statute and administrative rules. All
15 courts shall take judicial notice of the compact and the rules.

16 (4) In any judicial or administrative proceeding in a
17 compacting state pertaining to the subject matter of this compact

18 which may affect the powers, responsibilities or actions of the
19 interstate commission, it shall be entitled to receive all service
20 of process in any such proceeding, and shall have standing to
21 intervene in the proceeding for all purposes.

Section B. Dispute Resolution.

1 (b)(1) The compacting states shall report to the interstate
2 commission on all issues and activities necessary for the
3 administration of the compact as well as issues and activities
4 pertaining to compliance with the provisions of the compact and
5 its bylaws and rules.

6 (2) The interstate commission shall attempt, upon the request
7 of a compacting state, to resolve any disputes or other issues
8 which are subject to the compact and which may arise among
9 compacting states and between compacting and noncompacting
10 states. The commission shall promulgate a rule providing for
11 both mediation and binding dispute resolution for disputes
12 among the compacting states.

13 (3) The interstate commission, in the reasonable exercise of
14 its discretion, shall enforce the provisions and rules of this
15 compact using any or all means set forth in Article XI of this
16 compact.

ARTICLE VIII. FINANCE.

1 (a) The interstate commission shall pay or provide for the
2 payment of the reasonable expenses of its establishment,
3 organization and ongoing activities.

4 (b) The interstate commission shall levy on and collect an
5 annual assessment from each compacting state to cover the cost
6 of the internal operations and activities of the interstate
7 commission and its staff which must be in a total amount
8 sufficient to cover the interstate commission's annual budget as
9 approved each year. The aggregate annual assessment amount

10 shall be allocated based upon a formula to be determined by the
11 interstate commission, taking into consideration the population
12 of each compacting state and the volume of interstate movement
13 of juveniles in each compacting state and shall promulgate a rule
14 binding upon all compacting states which governs the
15 assessment.

16 (c) The interstate commission shall not incur any obligations
17 of any kind prior to securing the funds adequate to meet the
18 same; nor shall the interstate commission pledge the credit of
19 any of the compacting states, except by and with the authority of
20 the compacting state.

21 (d) The interstate commission shall keep accurate accounts
22 of all receipts and disbursements. The receipts and
23 disbursements of the interstate commission shall be subject to
24 the audit and accounting procedures established under its
25 bylaws. However, all receipts and disbursements of funds
26 handled by the interstate commission shall be audited yearly by
27 a certified or licensed public accountant and the report of the
28 audit shall be included in and become part of the annual report
29 of the interstate commission.

ARTICLE IX. THE STATE COUNCIL.

1 Each member state shall create a state council for interstate
2 juvenile supervision. While each state may determine the
3 membership of its own state council, its membership must
4 include at least one representative from the legislative, judicial,
5 and executive branches of government, victims groups, and the
6 compact administrator, deputy compact administrator or
7 designee. Each compacting state retains the right to determine
8 the qualifications of the compact administrator or deputy
9 compact administrator. Each state council will advise and may
10 exercise oversight and advocacy concerning that state's
11 participation in interstate commission activities and other duties
12 as may be determined by that state, including, but not limited to,

13 development of policy concerning operations and procedures of
14 the compact within that state.

**ARTICLE X. COMPACTING STATES, EFFECTIVE DATE AND
AMENDMENT.**

1 (a) Any state, the District of Columbia (or its designee), the
2 Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam,
3 American Samoa, and the Northern Marianas Islands as defined
4 in Article II of this compact is eligible to become a compacting
5 state.

6 (b) The compact shall become effective and binding upon
7 legislative enactment of the compact into law by no less than
8 thirty-five of the states. The initial effective date shall be the
9 later of July 1, 2004, or upon enactment into law by the
10 thirty-fifth jurisdiction. Thereafter it shall become effective and
11 binding as to any other compacting state upon enactment of the
12 compact into law by that state. The Governors of nonmember
13 states or their designees shall be invited to participate in the
14 activities of the interstate commission on a nonvoting basis prior
15 to adoption of the compact by all states and territories of the
16 United States.

17 (c) The interstate commission may propose amendments to
18 the compact for enactment by the compacting states. No
19 amendment shall become effective and binding upon the
20 interstate commission and the compacting states unless and until
21 it is enacted into law by unanimous consent of the compacting
22 states.

**ARTICLE XI. WITHDRAWAL, DEFAULT, TERMINATION AND JUDICIAL
ENFORCEMENT.**

Section A. Withdrawal.

1 (a)(1) Once effective, the compact shall continue in force and
2 remain binding upon each and every compacting state; provided

3 that a compacting state may withdraw from the compact by
4 specifically repealing the statute which enacted the compact into
5 law.

6 (2) The effective date of withdrawal is the effective date of
7 the repeal.

8 (3) The withdrawing state shall immediately notify the
9 chairperson of the interstate commission in writing upon the
10 introduction of legislation repealing this compact in the
11 withdrawing state. The interstate commission shall notify the
12 other compacting states of the withdrawing state's intent to
13 withdraw within sixty days of its receipt thereof.

14 (4) The withdrawing state is responsible for all assessments,
15 obligations and liabilities incurred through the effective date of
16 withdrawal, including any obligations, the performance of which
17 extend beyond the effective date of withdrawal.

18 (5) Reinstatement following withdrawal of any compacting
19 state shall occur upon the withdrawing state reenacting the
20 compact or upon such later date as determined by the interstate
21 commission.

Section B. Technical Assistance, Fines, Suspension, Termination and Default.

1 (b)(1) If the interstate commission determines that any
2 compacting state has at any time defaulted in the performance of
3 any of its obligations or responsibilities under this compact, or
4 the bylaws or duly promulgated rules, the interstate commission
5 may impose any or all of the following penalties:

6 (A) Remedial training and technical assistance as directed by
7 the interstate commission;

8 (B) Alternative dispute resolution;

9 (C) Fines, fees, and costs in such amounts as are deemed to
10 be reasonable as fixed by the interstate commission; and

11 (D) Suspension or termination of membership in the
12 compact shall be imposed only after all other reasonable means
13 of securing compliance under the bylaws and rules have been
14 exhausted and the interstate commission has therefore
15 determined that the offending state is in default. Immediate
16 notice of suspension shall be given by the interstate commission
17 to the Governor, the chief justice or the chief judicial officer of
18 the state, the majority and minority leaders of the defaulting
19 state's Legislature, and the state council.

20 (2) The grounds for default include, but are not limited to,
21 failure of a compacting state to perform such obligations or
22 responsibilities imposed upon it by this compact, the bylaws, or
23 duly promulgated rules and any other grounds designated in
24 commission bylaws and rules.

25 (3) The interstate commission shall immediately notify the
26 defaulting state in writing of the penalty imposed by the
27 interstate commission and of the default pending a cure of the
28 default.

29 (4) The commission shall stipulate the conditions and the
30 time period within which the defaulting state must cure its
31 default. If the defaulting state fails to cure the default within the
32 time period specified by the commission, the defaulting state
33 shall be terminated from the compact upon an affirmative vote
34 of a majority of the compacting states and all rights, privileges
35 and benefits conferred by this compact shall be terminated from
36 the effective date of termination.

37 (5) Within sixty days of the effective date of termination of
38 a defaulting state, the commission shall notify the Governor, the
39 chief justice or chief judicial officer, the majority and minority

40 leaders of the defaulting state's Legislature, and the state council
41 of such termination.

42 (6) The defaulting state is responsible for all assessments,
43 obligations and liabilities incurred through the effective date of
44 termination including any obligations, the performance of which
45 extends beyond the effective date of termination.

46 (7) The interstate commission shall not bear any costs
47 relating to the defaulting state unless otherwise mutually agreed
48 upon in writing between the interstate commission and the
49 defaulting state.

50 (8) Reinstatement following termination of any compacting
51 state requires both a reenactment of the compact by the
52 defaulting state and the approval of the interstate commission
53 pursuant to the rules.

Section C. Judicial Enforcement.

1 (c) The interstate commission may, by majority vote of the
2 members, initiate legal action in the United States District Court
3 for the District of Columbia or, at the discretion of the interstate
4 commission, in the federal district where the interstate
5 commission has its offices, to enforce compliance with the
6 provisions of the compact, its duly promulgated rules and
7 bylaws, against any compacting state in default. In the event
8 judicial enforcement is necessary the prevailing party shall be
9 awarded all costs of such litigation including reasonable
10 attorneys fees.

Section D. Dissolution of Compact.

1 (d)(1) The compact dissolves effective upon the date of the
2 withdrawal or default of the compacting state, which reduces
3 membership in the compact to one compacting state.

4 (2) Upon the dissolution of this compact, the compact
5 becomes null and void and shall be of no further force or effect,
6 and the business and affairs of the interstate commission shall be
7 concluded and any surplus funds shall be distributed in
8 accordance with the bylaws.

ARTICLE XII. SEVERABILITY AND CONSTRUCTION.

1 (a) The provisions of this compact shall be severable, and if
2 any phrase, clause, sentence or provision is deemed
3 unenforceable, the remaining provisions of the compact shall be
4 enforceable.

5 (b) The provisions of this compact shall be liberally
6 construed to effectuate its purposes.

ARTICLE XIII. BINDING EFFECT OF COMPACT AND OTHER LAWS.

Section A. Other Laws.

1 (a)(1) Nothing herein prevents the enforcement of any other
2 law of a compacting state that is not inconsistent with this
3 compact.

4 (2) All compacting states' laws other than state Constitutions
5 and other interstate compacts conflicting with this compact are
6 superseded to the extent of the conflict.

Section B. Binding Effect of the Compact.

1 (b)(1) All lawful actions of the interstate commission,
2 including all rules and bylaws promulgated by the interstate
3 commission, are binding upon the compacting states.

4 (2) All agreements between the interstate commission and
5 the compacting states are binding in accordance with their terms.

6 (3) Upon the request of a party to a conflict over meaning or
7 interpretation of interstate commission actions, and upon a

8 majority vote of the compacting states, the interstate commission
9 may issue advisory opinions regarding such meaning or
10 interpretation.

11 (4) In the event any provision of this compact exceeds the
12 constitutional limits imposed on the Legislature of any
13 compacting state, the obligations, duties, powers or jurisdiction
14 sought to be conferred by such provision upon the interstate
15 commission shall be ineffective and such obligations, duties,
16 powers or jurisdiction shall remain in the compacting state and
17 shall be exercised by the agency thereof to which such
18 obligations, duties, powers or jurisdiction are delegated by law
19 in effect at the time this compact becomes effective.

**§49-7-302. State council for interstate juvenile supervision;
members; authority.**

1 (a) Upon the effective date of the interstate compact for
2 juveniles, there shall be created a state council for interstate
3 juvenile supervision. The state council shall be comprised of a
4 total of nine members, to be selected and designated as follows:

5 (1) Two members designated by the Legislature, one of
6 whom shall be named and appointed by the Speaker of the
7 House, and the other of whom shall be designated by the
8 President of the Senate;

9 (2) Two members designated by the judiciary, both of whom
10 shall be named and appointed by the Chief Justice of the
11 Supreme Court of Appeals of West Virginia;

12 (3) The compact administrator or a designee of the compact
13 administrator; and

14 (4) Four members to be designated and appointed by the
15 Governor, two of whom must be representatives of state agencies
16 dealing with juvenile corrections, juvenile placement or juvenile

17 services, and one of whom must be a representative of a victims'
18 group.

19 (b) Within ninety days of the effective date of this compact,
20 the state council shall meet and designate a commissioner who
21 shall represent the state as the compacting state's voting
22 representative under Article III of this compact.

23 (c) The state council will exercise oversight and advocacy
24 concerning West Virginia's participation in interstate
25 commission activities and rule makings, and engage in other
26 duties and activities as determined by its members, including,
27 but not limited to, the development of policy concerning the
28 operations and procedures for implementing the compact and
29 interstate commission rules within West Virginia.

§49-7-303. Appointment of compact administrator.

1 (a) Upon and after the effective date of the interstate
2 compact for juveniles, the Governor is hereby authorized and
3 empowered to designate an officer who shall be the compact
4 administrator and who, acting jointly with like offices of the
5 other party states, shall be responsible for the administration and
6 management of this state's supervision and transfer of juveniles
7 subject to the terms of this compact, the rules adopted by the
8 interstate commission and the policies adopted by the state
9 council under this compact. The compact administrator shall
10 serve subject to the will and pleasure of the Governor, and must
11 meet the minimum qualifications for the position of compact
12 administrator, as established by the state council. The compact
13 administrator is hereby authorized, empowered and directed to
14 cooperate with all departments, agencies and officers of and in
15 the government of this state and its subdivisions in facilitating
16 the proper administration of the compact or of any
17 supplementary agreement or agreements entered into by this
18 state hereunder.

19 (b) Until the state council has met and established minimum
20 qualifications for the position of compact administrator the
21 individual or administrator who has been designated to act as the
22 juvenile compact administrator for the interstate compact for
23 juveniles may perform the duties and responsibilities of compact
24 administrator under this article.

25 (c) Until the state council has met and designated a
26 commissioner to vote on behalf of the State of West Virginia at
27 the interstate commission, the individual or administrator who
28 has been designated to act as the juvenile compact administrator
29 for the interstate compact for juveniles shall function as the
30 acting commissioner for the State of West Virginia before the
31 interstate commission formed under the new compact.

**§49-7-304. Notification of the effective date of the interstate
compact for juveniles.**

1 Within ten days of the date that the thirty-fifth state adopts
2 legislation approving this compact, the appointed or designated
3 juvenile compact administrator under section three hundred
4 three, article seven of this chapter shall advise the Governor, the
5 Chief Justice of the Supreme Court of Appeals of West Virginia,
