7 program expenses. These stamps, issued in a form prescribed by the director, shall be in addition  
8 to a Class AB-L, B, B-L, F, L, LL, X, XJ or XXJ license or Class Q permit. These stamps require

4 the director or Natural Resources Commission and except when additional licenses, stamps or  
5 permits are required. To fish for trout, a Class L licensee must purchase and carry a valid Class

7 purchase of a prerequisite license to participate in the activities specified in this section, except  
8 as noted.

15 stamps shall be carried forward to the next fiscal year.

NOTE: The purpose of this bill is to provide for a five day resident fishing license for \$8.
