141 is for three years only, commencing on July 1, 1993, and ending June 30, 1996. This money  
142 would come from the current existing balance in the greyhound development fund.

143 Each pari-mutuel greyhound track shall provide stakes races for accredited West Virginia  
144 whelped greyhounds: *Provided*, That each pari-mutuel track shall have one juvenile and one open  
145 stake race annually. Each pari-mutuel dog track shall provide at least three restricted races for  
146 accredited West Virginia whelped greyhounds per race card: *Provided, however*, That sufficient

147 dogs are available. To assure breeders of accredited West Virginia whelped greyhounds an  
148 opportunity to participate in the West Virginia Greyhound Breeding Development Fund the West  
149 Virginia Racing Commission by July 1, each year shall establish and announce the minimum  
150 number of accredited West Virginia whelped greyhounds that greyhound racing kennels at West  
151 Virginia dog tracks must have on their racing active list during the calendar year following such  
152 action. The minimum number may vary from dog track to dog track. The minimum number shall  
153 be established after consultation with the West Virginia Greyhound Owners and Breeders  
154 Association and kennel owners and operators. Factors to be considered in establishing this  
155 minimum number shall be the number of individually registered accredited West Virginia whelped  
156 greyhounds whelped in the previous two years. The number of all greyhounds seeking  
157 qualification at each West Virginia dog track, the ratio of active running greyhounds to housed  
158 number of greyhounds at each West Virginia dog track, and the size and number of racing kennels  
159 at each West Virginia dog track. Any greyhound racing kennel not having the minimum number  
160 of accredited West Virginia whelped greyhounds determined by the West Virginia Racing  
161 Commission on their active list shall only be permitted to race the maximum allowable number on  
162 the active list less the number of accredited West Virginia whelped greyhounds below the  
163 established minimum number. Consistent violations of this minimum requirement may be  
164 reviewed by the Racing Commission and may constitute cause for denial or revocation of a  
165 kennel's racing license. The Racing Commission shall oversee and approve racing schedules  
166 and purse amounts.

167           Ten percent of the deposits into the Greyhound Breeding Development Fund beginning  
168 July 1, 1993 and continuing each year thereafter, shall be withheld by the Racing Commission  
169 and placed in a special revenue account hereby created in the State Treasury called the  
170 Administration, Promotion, Education, Capital Improvement and Greyhound Adoption Programs  
171 to include Spaying and Neutering Account. The Racing Commission is authorized to expend the  
172 moneys deposited in the Administration, Promotion, Education, Capital Improvement and

173 Greyhound Adoption Programs to include Spaying and Neutering Account at such times and in  
174 such amounts as the commission determines to be necessary for purposes of administering and  
175 promoting the greyhound development program: *Provided*, That beginning with fiscal year 1995  
176 and in each fiscal year thereafter in which the commission anticipates spending any money from  
177 the account, the commission shall submit to the executive department during the budget  
178 preparation period prior to the Legislature convening before that fiscal year for inclusion in the  
179 Executive Budget Document and Budget Bill, the recommended expenditures, as well as requests  
180 of appropriations for the purpose of administration, promotion, education, capital improvement  
181 and greyhound adoption programs to include spaying and neutering. The commission shall make  
182 an annual report to the Legislature on the status of the Administration, Promotion, Education,  
183 Capital Improvement and Greyhound Adoption Programs to include Spaying and Neutering  
184 Account, including the previous year's expenditures and projected expenditures for the next year.

185         The Racing Commission, for the fiscal year 1994 only, may expend up to \$35,000 from  
186 the West Virginia Greyhound Breeding Development Fund to accomplish the purposes of this  
187 section without strictly following the requirements in the previous paragraph.

188         (e) All daily license and pari-mutuel pools tax payments required under the provisions of  
189 this section shall be made to the Racing Commission or its agent after the last race of each day  
190 of each horse or dog race meeting, and the pari-mutuel pools tax payments shall be made from  
191 all contributions to all pari-mutuel pools to each and every race of the day.

192         (f) Every association or licensee subject to the provisions of this article, including the  
193 changed provisions of sections nine and ten of this article, shall annually submit to the Racing  
194 Commission and the Legislature financial statements, including a balance sheet, income  
195 statement, statement of change in financial position and an audit of any electronic data system  
196 used for pari-mutuel tickets and betting, prepared in accordance with generally accepted auditing  
197 standards, as certified by an experienced public accountant or a certified public accountant.

**§19-23-10a. West Virginia Greyhound Breeding Development Fund; transfer of current funds and future deposits.**

1 (a) Notwithstanding any other provision of this code, effective July 1, 2017, the West  
2 Virginia Greyhound Breeding Development Fund created in section ten of this article is  
3 discontinued. On or before July 1, 2017, all amounts remaining in the West Virginia Greyhound  
4 Breeding Development Fund shall be transferred to the State Excess Lottery Revenue Fund  
5 created in section eighteen-a, article twenty-two, chapter twenty-nine of this code for appropriation  
6 by the Legislature: *Provided*, That \$1 million shall be withheld by the Racing Commission and  
7 placed in the special revenue account called the Administration, Promotion, Education, Capital  
8 Improvement and Greyhound Adoption Programs to include Spaying and Neutering Account  
9 created in subsection (d), section ten of this article, to be allocated specifically to facilitate care  
10 for and adoption of, or placement in, no-kill animal shelters of accredited West Virginia whelped  
11 greyhounds actively running at each West Virginia dog track.

12 (b) Notwithstanding any other provision of this code, effective July 1, 2017, and thereafter,  
13 all amounts required to be deposited into the West Virginia Greyhound Breeding Development  
14 Fund prior to the enactment of this section shall, in lieu thereof, be deposited into the State Excess  
15 Lottery Revenue Fund for appropriation by the Legislature: *Provided*, That net terminal lottery  
16 income shall be distributed as provided in subdivision (5), subsection (c), section ten, article  
17 twenty-two-a, chapter twenty-nine of this code and subdivision (5), subsection (a), section ten-b  
18 of said article.

19 (c) Notwithstanding any other provision of this code, effective July 1, 2017, and thereafter,  
20 all amounts required to be deposited into any fund or paid for the purpose of funding purses,  
21 awards or providing any other funding for greyhound races shall, in lieu thereof, be deposited into  
22 State Excess Lottery Fund for appropriation by the Legislature.

**§19-23-12b. Televised racing days; merging of pari-mutuel wagering pools.**

1 (a) For the purposes of this section:

2 (1) "Televised racing day" means a calendar day, assigned by the commission, at a  
3 licensed racetrack on which pari-mutuel betting is conducted on horse or dog races run at other  
4 racetracks in this state or at racetracks outside of this state which are broadcast by television at  
5 a licensed racetrack and which day or days have had the prior written approval of the  
6 representative of the majority of the owners and trainers who hold permits required by section two  
7 of this article; and

8 (2) "Host racing association" means any person who, pursuant to a license or other  
9 permission granted by the host governmental entity, conducts the horse or dog race upon which  
10 wagers are placed.

11 (b) (1) A licensee conducting not less than two hundred twenty live racing dates for each  
12 horse or dog race meeting may, with the prior approval of the state Racing Commission, contract  
13 with any legal wagering entity in this state or in any other governmental jurisdiction to receive  
14 telecasts and accept wagers on races conducted by the legal wagering entity: *Provided*, That  
15 effective July 1, 2017, and thereafter, a licensee that was licensed prior to January 1, 1994 to  
16 conduct dog racing is not required to conduct a minimum number of live racing dates to contract  
17 with a legal wagering entity in this state or in any other governmental jurisdiction to receive  
18 telecasts and accept wagers on dog and horse races: *Provided, however*, That at those  
19 thoroughbred racetracks the licensee, in applying for racing dates, shall apply for not less than  
20 two hundred ten live racing dates for each horse race meeting: *Provided further*, That at those  
21 thoroughbred racetracks that have participated in the West Virginia Thoroughbred Development  
22 Fund for a period of more than four consecutive calendar years prior to December 31, 1992, the  
23 licensee may apply for not less than one hundred fifty-nine live racing dates during the calendar  
24 year 1997. If, thereafter, for reasons beyond the licensee's control, related to adverse weather  
25 conditions, unforeseen casualty occurrences or a shortage of thoroughbred horses eligible to  
26 compete for purses, the licensee concludes that this number of racing days cannot be attained,  
27 the licensee may file a request with the Racing Commission to reduce the authorized live racing

28 days. Upon receipt of the request the Racing Commission shall within seventy-two hours of the  
29 receipt of the request notify the licensee and the representative of a majority of the owners and  
30 trainers at the requesting track and the representative of the majority of the mutuel clerks at the  
31 requesting track that such request has been received and that if no objection to the request is  
32 received within ten days of the notification the request will be approved: *And provided further,*  
33 That the commission shall give consideration to whether there existed available unscheduled  
34 potential live racing dates following the adverse weather or casualty and prior to the end of the  
35 race meeting which could be used as new live racing dates in order to maintain the full live racing  
36 schedule previously approved by the Racing Commission. If an objection is received by the  
37 commission within the time limits, the commission shall, within thirty days of receipt of such  
38 objection, set a hearing on the question of reducing racing days, which hearing shall be conducted  
39 at a convenient place in the county in which the requesting racetrack is located. The commission  
40 shall hear from all parties concerned and, based upon testimony and documentary evidence  
41 presented at the hearing, shall determine the required number of live racing days: *And provided*  
42 *further,* That the commission shall not reduce the number of live racing days below one hundred  
43 eighty-five days for a horse race meeting unless the licensee requesting such reduction has: (i)  
44 Filed with the commission a current financial statement, which shall be subject to independent  
45 audit; and (ii) met the burden of proving that just cause exists for such requested reduction in live  
46 racing days. The telecasts may be received and wagers accepted at any location authorized by  
47 the provisions of section twelve-a of this article. The contract must receive the approval of the  
48 representative of the majority of the owners and trainers who hold permits required by section two  
49 of this article at the receiving thoroughbred racetrack.

50 (2) A facility that was licensed prior to January 1, 1994, to conduct dog racing is required  
51 to hold a racing license to receive telecasts and accept wagers on dog and horse races,  
52 regardless of whether the facility continues to conduct live dog racing.

53           (3) The commission shall have authority to promulgate rules, including emergency rules,  
54 in accordance with article three, chapter twenty-nine-a of this code, as it deems necessary to  
55 implement and efficiently administer the requirement of subdivision (2) of this subsection:  
56 *Provided*, That the rules are to be consistent with the rules promulgated for pari-mutuel wagering  
57 on televised races at live racetracks.

58           (c) The commission may allow the licensee to commingle its wagering pools with the  
59 wagering pools of the host racing association. If the pools are commingled, the wagering at the  
60 licensee's racetrack must be on tabulating equipment capable of issuing pari-mutuel tickets and  
61 be electronically linked with the equipment at the sending racetrack. Subject to the approval of  
62 the commission, the types of betting, licensee commissions and distribution of winnings on pari-  
63 mutuel pools of the sending licensee racetrack are those in effect at the licensee racetrack.  
64 Breakage for pari-mutuel pools on a televised racing day must be calculated in accordance with  
65 the law or rules governing the sending racetrack and must be distributed in a manner agreed to  
66 between the licensee and the sending racetrack. For the televised racing services it provides, the  
67 host racing association shall receive a fee to be paid by the receiving licensee racetrack which  
68 shall be in an amount to be agreed upon by the receiving licensee racetrack and the host racing  
69 association.

70           (d) The commission may assign televised racing days at any time. When a televised racing  
71 day is assigned, the commission shall assign either a steward or an auditor to preside over the  
72 televised races at the licensee racetrack.

73           (e) (1) From the licensee commissions authorized by subsection (c) of this section, the  
74 licensee shall pay one tenth of one percent of each commission into the general fund of the  
75 county, in which the racetrack is located and at which the wagering occurred and there is imposed  
76 and the licensee shall pay, for each televised racing day on which the total pari-mutuel pool  
77 exceeds \$100,000, the greater of either: (i) The total of the daily license tax and the pari-mutuel  
78 pools tax required by section ten of this article; or (ii) a daily license tax of \$1,250. For each

79 televised racing day on which the total pari-mutuel pool is \$100,000 or less, the licensee shall pay  
80 a daily license tax of \$500 plus an additional license tax of \$100 for each \$10,000, or part thereof,  
81 that the pari-mutuel pool exceeds \$50,000, but does not exceed \$100,000. The calculation of the  
82 total pari-mutuel pool for purposes of this subsection shall include only one half of all wagers  
83 placed at a licensed racetrack in this state on televised races conducted at another licensed  
84 racetrack within this state. Payments of the tax imposed by this section are subject to the  
85 requirements of subsection (e), section ten of this article.

86 (2) From the licensee commissions authorized by subsection (c) of this section, after  
87 payments are made in accordance with the provisions of subdivision (1) of this subsection, the  
88 licensee shall pay, for each televised racing day, one-fourth of one percent of the total pari-mutuel  
89 pools for and on behalf of all employees of the licensed racing association by making a deposit  
90 into a special fund to be established by the Racing Commission and to be used for payments into  
91 the pension plan for all employees of the licensed racing association.

92 (3) From the licensee commissions authorized by subsection (c) of this section, after  
93 payments are made in accordance with the provisions of subdivisions (1) and (2) of this  
94 subsection, thoroughbred licensees shall pay, one-half percent of net simulcast income and for  
95 each televised racing day on or after July 1, 1997, an additional five and one-half percent of net  
96 simulcast income into the West Virginia Thoroughbred Development Fund established by the  
97 Racing Commission according to section thirteen-b of this article: *Provided*, That no licensee  
98 qualifying for the alternate tax provisions of subsection (b), section ten of this article shall be  
99 required to make the payments unless the licensee has participated in the West Virginia  
100 Thoroughbred Development Fund for a period of more than four consecutive calendar years prior  
101 to December 31, 1992. For the purposes of this section, the term "net simulcast income" means  
102 the total commission deducted each day by the licensee from the pari-mutuel pools on simulcast  
103 horse or dog races, less direct simulcast expenses, including, but not limited to, the cost of  
104 simulcast signals, telecommunication costs and decoder costs.

105 (f) After deducting the tax and other payments required by subsection (e) of this section,  
106 the amount required to be paid under the terms of the contract with the host racing association  
107 and the cost of transmission, the horse racing association shall make a deposit equal to fifty  
108 percent of the remainder into the purse fund established under the provisions of subdivision (1),  
109 subsection (b), section nine of this article. After deducting the tax and other payments required  
110 by subsection (e) of this section, dog racetracks shall pay an amount equal to two-tenths of one  
111 percent of the daily simulcast pari-mutuel pool to the West Virginia Racing Commission Special  
112 Account-West Virginia Greyhound Breeding Development Fund: *Provided*, That effective July 1,  
113 2017, and thereafter, the amount required to be paid to the West Virginia Greyhound Breeding  
114 Development Fund by this subsection shall instead be paid to the State Excess Lottery Revenue  
115 Fund pursuant to section ten-a of this article.

116 (g) The provisions of the Federal Interstate Horseracing Act of 1978, also known as Public  
117 Law 95-515, Section 3001-3007 of Title 15, U. S. Code, as amended, controls in determining the  
118 intent of this section.

PART VIII. DISPOSITION OF FUNDS FOR PAYMENT OF OUTSTANDING AND UNREDEEMED PARI-  
MUTUEL TICKETS; IRREDEEMABLE TICKETS; AWARDS.

**§19-23-13. Disposition of funds for payment of outstanding and unredeemed pari-mutuel  
tickets; publication of notice; irredeemable tickets; payment of past obligations.**

1 (a) All moneys held by any licensee for the payment of outstanding and unredeemed pari-  
2 mutuel tickets, if not claimed within ninety days after the close of a horse or dog race meeting or  
3 the televised racing day, as the case may be, in connection with which the tickets were issued,  
4 shall be turned over by the licensee to the Racing Commission within fifteen days after the  
5 expiration of the ninety-day period, and the licensee shall give any information required by the  
6 Racing Commission concerning the outstanding and unredeemed tickets. The moneys shall be  
7 deposited by the Racing Commission in a banking institution of its choice in a special account to

8 be known as West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel  
9 Tickets. Notice of the amount, date and place of each deposit shall be given by the Racing  
10 Commission, in writing, to the State Treasurer. The Racing Commission shall then cause to be  
11 published a notice to the holders of the outstanding and unredeemed pari-mutuel tickets, notifying  
12 them to present their unredeemed tickets for payment at the principal office of the Racing  
13 Commission within ninety days from the date of the publication of the notice. The notice shall be  
14 published within fifteen days following the receipt of the outstanding and unredeemed pari-mutuel  
15 ticket moneys by the commission from the licensee as a Class I legal advertisement in compliance  
16 with the provisions of article three, chapter fifty-nine of this code, and the publication area for the  
17 publication shall be the county in which the horse or dog race meeting was held and the county  
18 in which the televised racing day wagering was conducted in this state.

19 (b) Any outstanding and unredeemed pari-mutuel tickets that are not presented for  
20 payment within ninety days from the date of the publication of the notice are thereafter  
21 irredeemable, and the moneys theretofore held for the redemption of the pari-mutuel tickets shall  
22 become the property of the Racing Commission and shall be expended as provided in  
23 subsections (c) and (d) of this section. The Racing Commission shall maintain separate accounts  
24 for each licensee and shall record in each separate account the moneys turned over by the  
25 licensee and the amount expended at the licensee's track for the purposes set forth in this  
26 subsection.

27 (c) In the fiscal year beginning on July 1, 2010, the Racing Commission shall keep  
28 separate the unredeemed pari-mutuel tickets received from each of the two licensee horse  
29 racetracks.

30 (1) The unredeemed pari-mutuel tickets attributable to each licensee horse racetrack  
31 together with funds distributed pursuant to section eighteen-a, article twenty-two, chapter twenty-  
32 nine of this code shall be used for claims received pursuant to this subsection by the Racing  
33 Commission each calendar quarter: *Provided*, That the first distribution after the effective date of

34 amendments to this section made during the 2010 regular legislative session shall not occur until  
35 February 2011 and then each calendar quarter thereafter. Any claims made pursuant to this  
36 subsection must be submitted to the Racing Commission no later than fifteen days after the race  
37 where the funds are awarded. The funds in the two special accounts - unredeemed pari-mutuel  
38 tickets shall be distributed based on claims received from each horse racetrack as follows:

39 (A) To the owner of the winning horse in any horse race at a horse race meeting held or  
40 conducted by any licensee: *Provided*, That the owner of the horse is at the time of the horse race  
41 a bona fide resident of this state, a sum equal to ten percent of the purse won by the horse at that  
42 race: *Provided, however*, That in the event there are more than ten races in any performance, the  
43 award to the resident owner of the winning horse will be that fractional share of the purse with a  
44 numerator of one and a denominator representing the number of races on the day of the  
45 performance. The commission may require proof that the owner was, at the time of the race, a  
46 bona fide resident of this state. Upon proof by the owner that he or she filed a personal income  
47 tax return in this state for the previous two years and that he or she owned real or personal  
48 property in this state and paid taxes in this state on real or personal property for the previous two  
49 years, he or she shall be presumed to be a bona fide resident of this state; and

50 (B) To the breeder (that is the owner of the mare) of the winning horse in any horse race  
51 at a horse race meeting held or conducted by any licensee: *Provided*, That the mare foaled in this  
52 state, a sum equal to ten percent of the purse won by the horse: *Provided, however*, That in the  
53 event there are more than ten races in any performance, the award to the breeder will be that  
54 fractional share of the purse with a numerator of one and a denominator representing the number  
55 of races on the day of the performance; and

56 (C) To the owner of the stallion which sired the winning horse in any horse race at a horse  
57 race meeting held or conducted by any licensee: *Provided*, That the mare which foaled the  
58 winning horse was served by a stallion standing and registered in this state, a sum equal to ten  
59 percent of the purse won by the horse: *Provided, however*, That in the event there are more than

60 ten races in any performance, the award to the owner of the stallion will be percentage of the  
61 purse based upon the fractional share represented by the number of races on the day of the  
62 performance.

63 (2) If in any calendar quarter insufficient funds are available in each licensee horse  
64 racetrack's special account - unredeemed pari-mutuel tickets administered by the Racing  
65 Commission for payments pursuant to subdivision (1), payments shall be made on a pro rata  
66 basis pursuant to paragraphs (A), (B) and (C), subdivision (1) of this subsection of the claims  
67 submitted from races won at each horse racetrack. Once payments on each claim are made,  
68 whether in full or on a pro rata basis, no further obligation for payment is created by this  
69 subdivision. Claims received after the deadline are not valid.

70 (3) If after paying any claims pursuant to this subsection and funds remain in the accounts,  
71 those funds shall carry over to the next calendar quarter. If in any quarter the surplus in either  
72 account reaches a balance of \$1 million, then that surplus balance shall be placed in to the regular  
73 purse fund of that licensee horse racetrack whose unredeemed pari-mutuel account achieves the  
74 surplus.

75 (d) Any unredeemed pari-mutuel tickets received from licensee dog racetracks shall be  
76 combined into a single balance and distributed quarterly to the West Virginia Racing Commission  
77 special account - West Virginia Greyhound Breeding Development Fund: *Provided*, That effective  
78 July 1, 2017, and thereafter, the balance shall instead be distributed to the State Excess Lottery  
79 Revenue Fund pursuant to section ten-a of this article. The deposit made pursuant to this  
80 subsection does not create a continuing obligation of payment except to the extent that there are  
81 unredeemed pari-mutuel tickets from the licensee dog racetracks.

82 (e) The amendments to this section made during the 2010 regular legislative session shall  
83 become effective July 1, 2010.

84 (f) The Racing Commission shall satisfy obligations of the prior enactment of this section  
85 for all claims received on purses won on or before June 30, 2010. Claimants must submit all

86 claims on or before July 15, 2010, for verification by the Racing Commission. Claims received  
87 after July 15, 2010, are not valid.

88 (1) A transfer of \$2.5 million from the State Excess Lottery Revenue Fund available on the  
89 last day of the fiscal year which began July 1, 2009, shall be made to the nonappropriated fund  
90 with the State Treasurer known as the Unredeemed Pari-Mutuel Tickets Fund. The Racing  
91 Commission shall also transfer to the account with the State Treasurer moneys from the Racing  
92 Commission Special Account - Unredeemed Pari-Mutuel Tickets for deposits received in each of  
93 those accounts that have been credited with unredeemed pari-mutuel tickets for races completed  
94 at any licensee racetrack as of June 30, 2010, and any other moneys appropriated by the  
95 Legislature. Unredeemed pari-mutuel tickets for races completed after June 30, 2010 must remain  
96 in the special accounts - unredeemed pari-mutuel tickets to satisfy future payments pursuant to  
97 this section.

98 (2) The Racing Commission is authorized to pay claims received for races completed on  
99 or before June 30, 2010, without regard to date of deposit or date of claim. Claims shall be paid  
100 in date order, with the oldest claims being paid first, until all claims have been satisfied. All  
101 payments made pursuant to this subsection for claims received on purses won on or before June  
102 30, 2010, shall extinguish any further obligation by the state with respect to those claims.

103 (g) The commission shall submit to the Legislative Auditor a quarterly report and  
104 accounting of the income and expenditures in the special account created by this section known  
105 as the West Virginia Racing Commission Special Account - Unredeemed Pari-Mutuel Tickets.

106 (h) Nothing contained in this article shall prohibit one person from qualifying for all or more  
107 than one of the aforesaid awards or for awards under section thirteen-b of this article.

108 (i) The cost of publication of the notice provided for in this section shall be paid from the  
109 funds in the hands of the State Treasurer collected from the pari-mutuel pools' tax provided for in  
110 section ten of this article, when not otherwise provided in the budget; but no such costs shall be  
111 paid unless an itemized account thereof, under oath, be first filed with the State Auditor.

112 (j) The Racing Commission is authorized to promulgate emergency rules, prior to  
113 September 1, 2010, to incorporate the revisions to this article enacted during the 2010 regular  
114 legislative session.

PART IX. DISPOSITION OF PERMIT FEES, REGISTRATION FEES AND FINES.

**§19-23-13c. Expenditure of racetrack video lottery distribution.**

1 (a) Funds received by the Racing Commission pursuant to subdivision (6), subsection (c),  
2 section ten, article twenty-two-a, chapter twenty-nine of this code, and subdivision (5), subsection  
3 (a), section ten-b of said article, after the effective date of this section together with the balance  
4 in the bank account previously established by the commission to receive those funds shall be  
5 deposited in a banking institution of its choice in a special account to be known as West Virginia  
6 Racing Commission Racetrack Video Lottery Account. Notice of the amount, date and place of  
7 each deposit shall be given by the Racing Commission, in writing, to the State Treasurer.

8 (b) Funds in this account shall be allocated and expended as follows:

9 (1) For each fiscal year, the first \$800,000 deposited in the separate account plus the  
10 amount then remaining of the June 30, 1997, balance in the separate account previously  
11 established for the West Virginia breeders classic under section thirteen of this article, shall be

2 determined that the applicant satisfies all of the following qualifications:

3 (1) An applicant for a video lottery license must hold a valid racing license granted by the  
4 West Virginia Racing Commission under provisions of article twenty-three, chapter nineteen of  
5 this code: *Provided*, That effective July 1, 2017, and thereafter, an applicant that held a valid dog  
6 racing license prior to January 1, 1994, is not required to hold a valid racing license in order to

12 furnish fingerprints for a national criminal records check by the Criminal Identification Bureau of  
13 the West Virginia State Police and the Federal Bureau of Investigation. The fingerprints shall be  
14 furnished by all persons required to be named in the application and shall be accompanied by a

27 for which a video lottery license or permit application is made. The commission shall determine  
28 whether financing is from a source which meets the qualifications of this section and is adequate  
29 to support the successful performance of the duties and responsibilities of the licensed racetrack  
30 or permit holder. An applicant for a video lottery license shall disclose all financing or refinancing  
31 arrangements for the purchase, lease or other acquisition of video lottery terminals and  
32 associated equipment in the degree of detail requested by the commission. A licensed racetrack  
33 shall request commission approval of any change in financing or lease arrangements at least  
34 thirty days before the effective date of the change.

35           (6) A horse racetrack applying for a video lottery license or a license renewal must present  
36 to the commission evidence of the existence of an agreement, regarding the proceeds from video  
37 lottery terminals, between the applicant and the representative of a majority of the horse owners  
38 and trainers, the representative of a majority of the pari-mutuel clerks for horse racing  
39 associations and the representative of a majority of the horse breeders for the applicable

51 applicant:

53 company, parent company or subsidiary company of the applicant, but not including a bank or

61 power to exercise significant influence over decisions concerning any part of the applicant's  
62 business operation.

63           (c) Applicants must furnish all information, including financial data and documents,  
64 certifications, consents, waivers, individual history forms and other materials requested by the  
65 commission for purposes of determining qualifications for a license or permit. No video lottery  
66 license or permit may be granted to an applicant who fails to provide information and  
67 documentation requested by the commission. The burden of proving qualification for any video  
68 lottery license or permit is on the applicant.

69           (d) Each applicant bears all risks of adverse public notice, embarrassment, criticism,  
70 damages or financial loss which may result from any disclosure or publication of any material or  
71 information obtained by the commission pursuant to action on an application. The applicant shall,  
72 as a part of its application, expressly waive any and all claims against the commission, the State  
73 of West Virginia and the employees of either for damages as a result of any background

74 investigation, disclosure or publication relating to an application for a video lottery license or  
75 permit.

76 (e) All application, registration and disclosure forms and other documents submitted to the  
77 commission by or on behalf of the applicant for purposes of determining qualification for a video  
78 lottery license or permit shall be sworn to or affirmed before an officer qualified to administer  
79 oaths.

Accounting and reporting; commission to provide communications protocol data; distribution of net terminal income; remittance through electronic transfer of funds; establishment of accounts and nonpayment penalties; commission control of accounting for net terminal income; settlement of accounts; manual reporting and payment may be required; request for reports; examination of accounts and records.**

1 (a) The commission shall provide to manufacturers, or applicants applying for a  
2 manufacturer's permit, the protocol documentation data necessary to enable the respective  
3 manufacturer's video lottery terminals to communicate with the commission's central computer  
4 for transmitting auditing program information and for activation and disabling of video lottery  
5 terminals.

6 (b) The gross terminal income of a licensed racetrack shall be remitted to the commission  
7 through the electronic transfer of funds. Licensed racetracks shall furnish to the commission all  
8 information and bank authorizations required to facilitate the timely transfer of moneys to the  
9 commission. Licensed racetracks must provide the commission thirty days' advance notice of any  
10 proposed account changes in order to assure the uninterrupted electronic transfer of funds. From  
11 the gross terminal income remitted by the licensee to the commission:

12           (1) The commission shall deduct an amount sufficient to reimburse the commission for its  
13 actual costs and expenses incurred in administering racetrack video lottery at the licensed  
14 racetrack and the resulting amount after the deduction is the net terminal income. The amount  
15 deducted for administrative costs and expenses of the commission may not exceed four percent  
16 of gross terminal income: *Provided*, that the commission shall transfer fifteen percent of the  
17 amount deducted, generated from racetrack video lottery at licensed thoroughbred racetracks, to  
18 the West Virginia Racing Commission's General Administrative Account created in section  
19 eleven, article twenty-three, chapter nineteen of this code. *Provided, however*, That any amounts  
20 deducted by the commission for its actual costs and expenses that exceeds its actual costs and  
21 expenses shall be deposited into the State Lottery Fund. For the fiscal years ending June 30,  
22 2011, through June 30, 2020, the term "actual costs and expenses" may include transfers of up  
23 to \$10 million in surplus allocations for each fiscal year, as calculated by the commission when it  
24 has closed its books for the fiscal year, to the Licensed Racetrack Modernization Fund created  
25 by subdivision (2), subsection (b) of this section. For all fiscal years beginning on or after July 1,  
26 2001, the commission shall not receive an amount of gross terminal income in excess of the  
27 amount of gross terminal income received during the fiscal year ending on June 30, 2001, but  
28 four percent of any amount of gross terminal income received in excess of the amount of gross  
29 terminal income received during the fiscal year ending on June 30, 2001, shall be deposited into  
30 the fund established in section eighteen-a, article twenty-two of this chapter; and

31           (2) A Licensed Racetrack Modernization Fund is created within the lottery fund. For all  
32 fiscal years beginning on or after July 1, 2011, and ending with the fiscal year beginning July 1,  
33 2020, the commission shall deposit such amounts as are available according to subdivision (1),  
34 subsection (b) of this section into a separate facility modernization account maintained within the  
35 Licensed Racetrack Modernization Fund for each racetrack. Each racetrack's share of each  
36 year's deposit shall be calculated in the same ratio as each racetrack's apportioned contribution  
37 to the four percent administrative costs and expenses allowance provided for in subdivision (1),

38 subsection (b) of this section for that year. For each two dollars expended by a licensed racetrack  
39 for facility modernization improvements at the racetrack, having a useful life of three or more years  
40 and placed in service after July 1, 2011, the licensed racetrack shall receive \$1 in recoupment  
41 from its facility modernization account. If the licensed racetrack's facility modernization account  
42 contains a balance in any fiscal year, the unexpended balance from that fiscal year will be  
43 available for matching for one additional fiscal year, after which time, the remaining unused  
44 balance carried forward shall revert to the lottery fund. For purposes of this section, the term  
45 "facility modernization improvements" includes acquisitions of new and unused video lottery  
46 terminals and related equipment. Video lottery terminals financed through the recoupment  
47 provided in this subdivision must be retained by the licensee in its West Virginia licensed location  
48 for a period of not less than five years from the date of initial installation.

49 (c) The amount resulting after the deductions required by subsection (b) of this section  
50 constitutes net terminal income that shall be divided as set out in this subsection. For all fiscal  
51 years beginning on or after July 1, 2001, any amount of net terminal income received in excess  
52 of the amount of net terminal income received during the fiscal year ending on June 30, 2001,  
53 shall be divided as set out in section ten-b of this article. The licensed racetrack's share is in lieu  
54 of all lottery agent commissions and is considered to cover all costs and expenses required to be  
55 expended by the licensed racetrack in connection with video lottery operations. The division shall  
56 be made as follows:

57 (1) The commission shall receive thirty percent of net terminal income, which shall be paid  
58 into the State Lottery Fund as provided in section ten-a of this article;

59 (2) Until July 1, 2005, fourteen percent of net terminal income at a licensed racetrack shall  
60 be deposited in the special fund established by the licensee, and used for payment of regular  
61 purses in addition to other amounts provided in article twenty-three, chapter nineteen of this code,  
62 on and after July 1, 2005, the rate shall be seven percent of net terminal income;

63 (3) The county where the video lottery terminals are located shall receive two percent of  
64 the net terminal income: *Provided, That:*

65 (A) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent  
66 received during the fiscal year 1999 by a county in which a racetrack is located that has  
67 participated in the West Virginia Thoroughbred Development Fund since on or before January 1,  
68 1999 shall be divided as follows:

69 (i) The county shall receive fifty percent of the excess amount; and

70 (ii) The municipalities of the county shall receive fifty percent of the excess amount, said  
71 fifty percent to be divided among the municipalities on a per capita basis as determined by the  
72 most recent decennial United States census of population; and

73 (B) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent  
74 received during the fiscal year 1999 by a county in which a racetrack other than a racetrack  
75 described in paragraph (A) of this proviso is located and where the racetrack has been located in  
76 a municipality within the county since on or before January 1, 1999 shall be divided, if applicable,  
77 as follows:

78 (i) The county shall receive fifty percent of the excess amount; and

79 (ii) The municipality shall receive fifty percent of the excess amount; and

80 (C) This proviso shall not affect the amount to be received under this subdivision by any  
81 other county other than a county described in paragraph (A) or (B) of this proviso;

82 (4) One percent of net terminal income shall be paid for and on behalf of all employees of  
83 the licensed racing association by making a deposit into a special fund to be established by the  
84 Racing Commission to be used for payment into the pension plan for all employees of the licensed  
85 racing association;

87 b, article twenty-three, chapter nineteen of this code and the West Virginia Greyhound Breeding  
88 Development Fund created under section ten of said article shall receive an equal share of a total

89 of not less than one and one-half percent of the net terminal income. Effective July 1, 2017, the  
90 requirements of this paragraph are discontinued.

91 (B) Effective July 1, 2017, and thereafter, the West Virginia Thoroughbred Development  
92 Fund, created under section thirteen-b, article twenty-three, chapter nineteen of this code, shall  
93 receive one and one-half percent of the net terminal income originating at licensed thoroughbred  
94 racetracks.

95 (C) Effective July 1, 2017, and thereafter, the State Excess Lottery Revenue Fund, created  
96 under section eighteen-a, article twenty-two, chapter twenty-nine of this code, shall receive one  
97 and one-half percent of the net terminal income originating at licensed dog racetracks;

99 income which shall be deposited and used as provided in section thirteen-c, article twenty-three,  
100 chapter nineteen of this code;

101 (7) A licensee shall receive forty-six and one-half percent of net terminal income;

111 (B) Notwithstanding any provision of paragraph (A) of this subdivision to the contrary, for  
112 each fiscal year beginning after June 30, 2004, this three percent of net terminal income and the  
113 three percent of net terminal income described in paragraph (B), subdivision (8), subsection (a),

180 (B) For each fiscal year beginning after June 30, 2004:

181 (i) Five hundred thousand dollars of the one percent of net terminal income shall be  
182 deposited in the State Treasury in a special fund of the Department of Administration, created  
183 under section five, article four, chapter five-a of this code, to be used for construction and

188 amounts into the Capitol Dome and Capitol Improvements Fund created under section two, article  
189 four, chapter five-a of this code and the Cultural Facilities and Capitol Resources Matching Grant

193 Improvements Fund.

194 (d) Each licensed racetrack shall maintain in its account an amount equal to or greater  
195 than the gross terminal income from its operation of video lottery machines, to be electronically  
196 transferred by the commission on dates established by the commission. Upon a licensed  
197 racetrack's failure to maintain this balance, the commission may disable all of a licensed  
198 racetrack's video lottery terminals until full payment of all amounts due is made. Interest shall  
199 accrue on any unpaid balance at a rate consistent with the amount charged for state income tax

201 payment is due to the commission.

202 (e) The commission's central control computer shall keep accurate records of all income  
203 generated by each video lottery terminal. The commission shall prepare and mail to the licensed  
204 racetrack a statement reflecting the gross terminal income generated by the licensee's video  
205 lottery terminals. Each licensed racetrack shall report to the commission any discrepancies  
206 between the commission's statement and each terminal's mechanical and electronic meter  
207 readings. The licensed racetrack is solely responsible for resolving income discrepancies  
208 between actual money collected and the amount shown on the accounting meters or on the  
209 commission's billing statement.

210 (f) Until an accounting discrepancy is resolved in favor of the licensed racetrack, the  
211 commission may make no credit adjustments. For any video lottery terminal reflecting a  
212 discrepancy, the licensed racetrack shall submit to the commission the maintenance log which  
213 includes current mechanical meter readings and the audit ticket which contains electronic meter  
214 readings generated by the terminal's software. If the meter readings and the commission's  
215 records cannot be reconciled, final disposition of the matter shall be determined by the  
216 commission. Any accounting discrepancies which cannot be otherwise resolved shall be resolved  
217 in favor of the commission.

218 (g) Licensed racetracks shall remit payment by mail if the electronic transfer of funds is  
219 not operational or the commission notifies licensed racetracks that remittance by this method is  
220 required. The licensed racetracks shall report an amount equal to the total amount of cash  
221 inserted into each video lottery terminal operated by a licensee, minus the total value of game  
222 credits which are cleared from the video lottery terminal in exchange for winning redemption  
223 tickets, and remit the amount as generated from its terminals during the reporting period. The  
224 remittance shall be sealed in a properly addressed and stamped envelope and deposited in the  
225 United States mail no later than noon on the day when the payment would otherwise be completed  
226 through electronic funds transfer.

227 (h) Licensed racetracks may, upon request, receive additional reports of play transactions  
228 for their respective video lottery terminals and other marketing information not considered  
229 confidential by the commission. The commission may charge a reasonable fee for the cost of  
230 producing and mailing any report other than the billing statements.

231 (i) The commission has the right to examine all accounts, bank accounts, financial  
232 statements and records in a licensed racetrack's possession, under its control or in which it has  
233 an interest and the licensed racetrack shall authorize all third parties in possession or in control  
234 of the accounts or records to allow examination of any of those accounts or records by the  
235 commission.

203 these funds may be pledged to make payments on lottery revenue bonds issued pursuant to  
204 article two-h, chapter thirteen of this code; and

205 (4) Transfer ten percent, to be divided and paid in equal shares, to the governing bodies  
206 of each municipality in the state that is not eligible to receive a distribution under subdivisions (5)  
207 and (6), subsection (b) of this section: *Provided*, That funds transferred to municipalities under

211 revenue bonds issued pursuant to article two-h, chapter thirteen of this code.

212 (e) All expenses of the commission incurred in the administration and enforcement of this  
213 article shall be paid from the Racetrack Table Games Fund, including reimbursement of state law-

218 to, all license fees or other amounts attributable to the licensee's operation of table games under  
219 this article, except as provided in subdivision (2), subsection (a) of this section. However, for the

225 or other amounts attributable to the licensee's operation of table games under this article, except  
226 as provided in subdivision (2), subsection (a) of this section. These expenses shall either be  
227 allocated to the racetrack with West Virginia Lottery table games for which the expense is  
228 incurred, if practicable, or be treated as general expenses related to all racetrack table games  
229 facilities and be allocated pro rata among the racetrack table games facilities based on the ratio  
230 that annual adjusted gross receipts from operation of table games at each racetrack with West  
231 Virginia Lottery table games bears to total annual adjusted gross receipts from operation of table  
232 games at all racetracks with West Virginia Lottery table games during the fiscal year of the state.  
233 From this allowance, the commission shall transfer at least \$100,000 but not more than \$500,000
