[Introduced February 20, 2017; Referred

INTRODUCED H.B.

A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,
 designated §60A-4-414, relating to conspiracy to commit violations of the Uniform
 Controlled Substances Act; creating the felony offense of conspiracy; providing penalties;
 establishing a sentencing guideline based upon quantity for certain controlled substances;
 authorizing the court to make the determination of applicable quantity; and authorizing the
 aggregation of quantities from all participants and members of the conspiracy.

Be it enacted by the Legislature of West Virginia:

That the Code of West Virginia, 1931, as amended, be amended by adding thereto a new
 section, designated §60A-4-414, to read as follows:

ARTICLE 4. OFFENSES AND PENALTIES.

§60A-4-414. Conspiracy.

1 (a) Legislative findings. -- The Legislature finds and declares that the substance abuse issues which plague the state are significant factors in the decline of the state's economic 2 3 conditions, a lack of growth in its population, the inability to attract new businesses, and a massive 4 drain on the resources of the state and its people. In order to be competitive in developing new 5 employment opportunities for the citizens of the state, maintain a drug-free workforce, improve 6 the mental and physical health of West Virginians, and create opportunities to keep its people 7 from leaving, the Legislature must make all efforts to fight back against the substance abuse 8 issues the state faces. Further, the Legislature also finds that a significant amount of the illegal 9 substances which are sold in the state are brought across state lines by individuals who do so on 10 the behalf of others in another state. 11 (b) Legislative intent. -- It is the intent of the Legislature in the enactment of this section to 12 help stem the flow of controlled substances into West Virginia from surrounding states. As a 13 consequence, it is the intent of the Legislature to increase the penalties for those who conspire 14 with another to distribute controlled substances, to provide law enforcement with a greater ability 15 to arrest those individuals who conspire to distribute controlled substances in this state but who
