44 than that provided by this article.

15 member insurer which fails to pay an assessment when due. ~~Such~~ The fine ~~shall~~ may not exceed  
16 five percent of the unpaid assessment per month, except that no fine ~~shall~~ may be less than \$100  
17 per month.

4 cooperate with the association to the same extent as ~~such~~ that person would have been required  
5 to cooperate with the insolvent insurer. The association ~~shall have~~ has no cause of action against  
6 the insured of the insolvent insurer for any sums it has paid out except such causes of action as  
7 the insolvent insurer would have had if ~~such~~ the sums had been paid by the insolvent insurer and  
8 except as provided in subsection (b) of this section. In the case of an insolvent insurer operating  
9 on a plan whereby insurance policies with assessment liability have been issued to insureds,  
10 payments of claims by the association ~~shall~~ may not operate to reduce the liability of ~~such~~ the  
11 insureds to the receiver, liquidator or statutory successor for unpaid assessments.

12 ~~(2)~~ (b) The association may recover from the following persons all amounts paid by the  
13 association on behalf of the person, whether for indemnity or defense or otherwise:

14 (1) Any insured whose net worth on December 31 of the year immediately preceding the  
15 date the insurer becomes an insolvent insurer exceeds \$25 million: *Provided*, That an insured's  
16 net worth on such date shall be considered to include the aggregate net worth of the insured and  
17 all of its subsidiaries and affiliates as calculated on a consolidated basis: *Provided, however*, That  
18 this provision may not apply to any claim for benefits under a workers' compensation insurance

20 (2) Any person who is an affiliate of the insolvent insurer.

21 (c) The association and any association similar to the association in another state shall be

 25 a, article ten of this chapter. The receiver, liquidator or statutory successor of an insolvent insurer  
 26 shall be bound by determinations of covered claim eligibility under this article and by settlements  
 27 of ~~covered~~ claims made by the association or a similar organization in another state, ~~subject to~~  
 28 ~~the approval of the court having jurisdiction of the receivership.~~ The court having jurisdiction shall  
 29 grant such claims priority equal to that to which the claimant would have been entitled, in the  
 30 absence of this article, against the assets of the insolvent insurer. The expenses of the association  
 31 or similar organization in handling claims shall be accorded the same priority as the receiver's  
 32 expenses.

33 ~~(3)~~ (d) The association shall periodically file with the receiver or the liquidator of the  
 34 insolvent insurer statements of the covered claims paid by the association and estimates of  
 35 anticipated claims against the association which shall preserve the rights of the association

**§33-26-12. ~~Nonduplication of recovery~~ Exhaustion of other coverage; deductible  
reimbursement.**

 2 ~~insurance policy other than a policy of an insolvent insurer, which is also a covered claim, is~~  
 3 ~~required to exhaust first his or her right under the solvent insurer's policy. Any amount payable on~~  
 4 ~~a covered claim under this article shall be reduced by the amount of any recovery under the~~  
 5 ~~solvent insurer's policy~~

6 (a) Any person having a claim under an insurance policy, whether or not it is a policy  
 7 issued by a member insurer, and the claim under such other policy arises from the same facts,  
 8 injury, or loss that gave rise to the covered claim against the association, shall first exhaust all  
 9 coverage provided by any such policy. Any amount payable on a covered claim under this article  
 10 shall be reduced by the full applicable limits stated in such other insurance policy and the

11 association shall receive a full credit for such stated limits or, where there are no applicable stated  
12 limits, the claim shall be reduced by the total recovery. Notwithstanding the foregoing, no person  
13 may be required to exhaust any right under the policy of an insolvent insurer.

14 (1) A claim under a policy providing liability coverage to a person who may be jointly and  
15 severally liable with or a joint tortfeasor with the person covered under the policy of the insolvent  
16 insurer that gives rise to the covered claim is considered to be a claim arising from the same facts,  
17 injury or loss that gave rise to the covered claim against the association.

18 (2) A claim under an insurance policy shall also include, for purposes of this section:

19 (A) A claim against a health maintenance organization, a hospital plan corporation or a  
20 professional health service corporation; and

21 (B) Any amount payable by or on behalf of a self-insurer.

22 (3) To the extent that the association's obligation is reduced by the application of this  
23 section, the liability of the person insured by the insolvent insurer's policy for the claim shall be  
24 reduced in the same amount.

25 ~~(2)~~ (b) Any person having a claim which may be recovered under more than one Insurance  
26 Guaranty Association or its equivalent shall seek recovery first from the association of the place  
27 of residence of the insured except that if it is a first party claim for damage to property with a  
28 permanent location, he or she shall seek recovery first from the association of the location of the  
29 property, and if it is a workers' compensation claim, the person shall seek recovery first from the  
30 association of the residence of the claimant. Any recovery under this article shall be reduced by  
31 the amount of the recovery from any other insurance guaranty association or its equivalent.

32 (c) To the extent the association pays any deductible claim for which the insurer would  
33 have been entitled to reimbursement from the insured, the association is entitled to the full amount  
34 of the reimbursement and available collateral as provided under this subsection to the extent  
35 necessary to reimburse the association. Reimbursements paid to the association pursuant to this  
36 subsection may not be treated as distributions or as early access payments. To the extent that

37 the association pays a deductible claim that is not reimbursed either from collateral or by insured  
38 payments, or incurred expenses in connection with large deductible policies that are not  
39 reimbursed under this subsection, the association has an exclusive cause of action against the  
40 insured, including the right to enforce against the insured the rights of the insurer with respect to  
41 any obligation of the insured to reimburse the insurer for deductibles or pay claims within a  
42 deductible. Further, the fund is vested with a first lien in any collateral provided by the insured to  
43 the insolvent insurer to secure the insured's performance, to the extent of claims paid by the  
44 association, which lien can be perfected by notice to the liquidator. Nothing in this subsection  
45 limits any rights of the association that may otherwise exist under applicable law to obtain  
46 reimbursement from insureds for claims payments made by the association under policies of the  
47 insurer or for the association's related expenses.

26 ~~commissioner for the detection and prevention of insurer insolvencies~~

27 ~~(6) The board of directors shall, at the conclusion of any insurer insolvency in which the~~

30 ~~the commissioner~~

31 (1) The board of directors may, upon majority vote, make recommendations to the  
32 commissioner on matters generally related to improving or enhancing regulation for solvency.

35 on the history and causes of the insolvency, based on the information available to the association  
36 and submit the report to the commissioner.

37 (3) Reports and recommendations provided under this section may not be considered  
38 public documents subject to disclosure under chapter twenty-nine-b of this code.

4 court from the date ~~the proof of claim provided for in section eighteen, article ten of this chapter~~  
5 ~~is filed with the receiver~~ the insolvency is determined to permit proper defense by the association  
6 of all pending causes of action.

7 (b) The liquidator, receiver or statutory successor of an insolvent insurer covered by this  
8 article shall permit access by the association, or its authorized representative to such of the
