- 1. The executive, legislative, and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.
- 4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
- 5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.
- 6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.
- B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law

- C. Any member state may withdraw from this Compact by enacting a statute repealing the same:
- 1. A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.
