404 1. All persons wishing to be heard at the hearing shall notify the executive director of the
405 Commission or other designated member in writing of their desire to appear and testify at the
406 hearing no fewer than five business days before the scheduled date of the hearing.

407 2. Hearings shall be conducted in a manner providing each person who wishes to

408 comment a fair and reasonable opportunity to comment orally or in writing.

409 3. All hearings will be recorded. A copy of the recording will be made available on request.

410 4. Nothing in this section shall be construed as requiring a separate hearing on each rule.

411 Rules may be grouped for the convenience of the Commission at hearings required by this
412 section.

413 I. Following the scheduled hearing date, or by the close of business on the scheduled
414 hearing date if the hearing was not held, the Commission shall consider all written and oral
415 comments received.

416 J. If no written notice of intent to attend the public hearing by interested parties is received,
417 the Commission may proceed with promulgation of the proposed rule without a public hearing.

418 K. The Commission shall, by majority vote of all members, take final action on the
419 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
420 record and the full text of the rule.

421 L. Upon determination that an emergency exists, the Commission may consider and adopt
422 an emergency rule without prior notice, opportunity for comment or hearing, provided that the
423 usual rulemaking procedures provided in the Compact and in this section shall be retroactively
424 applied to the rule as soon as reasonably possible, in no event later than 90 days after the
425 effective date of the rule. For the purposes of this provision, an emergency rule is one that must
426 be adopted immediately in order to:

427 1. Meet an imminent threat to public health, safety, or welfare;

428 2. Prevent a loss of Commission or member state funds;

429 3. Meet a deadline for the promulgation of an administrative rule that is established by
430 federal law or rule; or

431 4. Protect public health and safety.

432 M. The Commission or an authorized committee of the Commission may direct revisions
433 to a previously adopted rule or amendment for purposes of correcting typographical errors, errors

434 in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
435 posted on the website of the Commission. The revision shall be subject to challenge by any
436 person for a period of 30 days after posting. The revision may be challenged only on grounds that
437 the revision results in a material change to a rule. A challenge shall be made in writing and
438 delivered to the chair of the Commission prior to the end of the notice period. If no challenge is
439 made, the revision will take effect without further action. If the revision is challenged, the revision
440 may not take effect without the approval of the Commission.

441 SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

442 A. Oversight:

443 1. The executive, legislative, and judicial branches of state government in each member
444 state shall enforce this Compact and take all actions necessary and appropriate to effectuate the
445 Compact's purposes and intent. The provisions of this Compact and the rules promulgated
446 hereunder shall have standing as statutory law subject to the limitations set forth herein.

447 2. All courts shall take judicial notice of the Compact and the rules, if approved by the
448 Legislature, in any judicial or administrative proceeding in a member state pertaining to the subject
449 matter of this Compact which may affect the powers, responsibilities, or actions of the
450 Commission.

451 3. The Commission shall be entitled to receive service of process in any such proceeding,
452 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
453 service of process to the Commission shall render a judgment or order void as to the Commission,
454 this Compact, or promulgated rules.

455 B. Default, Technical Assistance, and Termination:

456 1. If the Commission determines that a member state has defaulted in the performance of
457 its obligations or responsibilities under this Compact or the promulgated rules, the Commission
458 shall:

459 a. Provide written notice to the defaulting state and other member states of the nature of

460 the default, the proposed means of curing the default and/or any other action to be taken by the
461 Commission; and

462 b. Provide remedial training and specific technical assistance regarding the default.

463 2. If a state in default fails to cure the default, the defaulting state may be terminated from,
464 the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges
465 and benefits conferred by this Compact may be terminated on the effective date of termination. A
466 cure of the default does not relieve the offending state of obligations or liabilities incurred during
467 the period of default.

468 3. Termination of membership in the Compact shall be imposed only after all other means
469 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
470 given by the Commission to the governor, the majority and minority leaders of the defaulting
471 state's legislature, and each of the member states.

472 4. A state that has been terminated is responsible for all assessments, obligations, and
473 liabilities incurred through the effective date of termination, including obligations that extend
474 beyond the effective date of termination.

475 5. The Commission shall not bear any costs related to a state that is found to be in default
476 or that has been terminated from the Compact, unless agreed upon in writing between the
477 Commission and the defaulting state.

478 6. The defaulting state may appeal the action of the Commission by petitioning the U.S.
479 District Court for the District of Columbia or the federal district where the Commission has its
480 principal offices. The prevailing member shall be awarded all costs of such litigation, including
481 reasonable attorneys' fees.

482 C. Dispute Resolution:

483 1. Upon request by a member state, the Commission shall attempt to resolve disputes
484 related to the Compact that arise among member states and between member and non-member
485 states.

486 2. The Commission shall promulgate a rule providing for both mediation and binding
487 dispute resolution for disputes as appropriate.

488 D. Enforcement:

489 1. The Commission, in the reasonable exercise of its discretion, shall enforce the
490 provisions and rules of this Compact.

491 2. By majority vote, the Commission may initiate legal action in the United States District
492 Court for the District of Columbia or the federal district where the Commission has its principal
493 offices against a member state ~~in the state in which the state member is located, where a member~~
494 ~~state is found to be~~ in default, in order to enforce compliance with the provisions of the Compact,
495 its promulgated rules, and bylaws. The relief sought may include both injunctive relief and
496 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded
497 all costs of such litigation, including reasonable attorneys' fees.

498 3. The remedies herein shall not be the exclusive remedies of the Commission. The
499 Commission may pursue any other remedies available under federal or state law.

500 SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
501 PHYSICAL THERAPY PRACTICE; ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

502 A. The Compact shall come into effect on the date on which the Compact statute is
503 enacted into law in the tenth member state. The provisions, which become effective at that time,
504 shall be limited to the powers granted to the Commission relating to assembly and the
505 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers
506 necessary to the implementation and administration of the Compact.

507 B. Any state that joins the Compact subsequent to the Commission's initial adoption of the
508 rules shall be subject to the rules as they exist on the date on which the Compact becomes law
509 in that state. Any rule that has been previously adopted by the Commission shall have the full
510 force and effect of law on the day the Compact becomes law in that state.

511 C. Any member state may withdraw from this Compact by enacting a statute repealing the

512 same:

513 1. A member state's withdrawal shall not take effect until six months after enactment of
514 the repealing statute.

515 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
516 physical therapy licensing board to comply with the investigative and adverse action reporting
517 requirements of this act prior to the effective date of withdrawal.

518 D. Nothing contained in this Compact shall be construed to invalidate or prevent any
519 physical therapy licensure agreement or other cooperative arrangement between a member state
520 and a non-member state that does not conflict with the provisions of this Compact.

521 E. This Compact may be amended by the member states. No amendment to this Compact
522 shall become effective and binding upon any member state until it is enacted into the laws of all
523 member states.

524 SECTION 12. CONSTRUCTION AND SEVERABILITY

525 This Compact shall be liberally construed so as to effectuate the purposes thereof. The
526 provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of
527 this Compact is declared to be contrary to the constitution of any party state or of the United
528 States or the applicability thereof to any government, agency, person, or circumstance is held
529 invalid, the validity of the remainder of this Compact and the applicability thereof to any
530 government, agency, person, or circumstance shall not be affected thereby. If this Compact shall
531 be held contrary to the constitution of any party state, the Compact shall remain in full force and
532 effect as to the remaining party states and in full force and effect as to the party state affected as
533 to all severable matters.”

NOTE: The purpose of this bill is to amend the venue, enforcement and rulemaking sections of the Physical Therapy Licensure Compact Act (Enrolled Committee Substitute for SB 456) to conform with the provisions of the model act provided by the Physical Therapy Compact Commission to allow West Virginia to become a participating member. Otherwise, West Virginia cannot participate in the multi-state licensure compact.
