3 by others for recreational purposes, or to give any warning of a dangerous or hazardous condition,  
4 use, structure, or activity on the premises to persons entering for recreational purposes.

5 (b) Unless otherwise agreed in writing, an owner who grants a lease, easement, or license  
6 of land to the authority for recreational purposes, whether with or without charge, owes no duty of

7 care to keep that land safe for entry or use by others or to give warning to persons entering or  
8 going upon the land of any dangerous or hazardous conditions, uses, structures, or activities  
9 thereon. An owner who grants a lease, easement, or license of land to the authority for  
10 recreational purposes does not by giving a lease, easement, or license: (1) Extend any assurance  
11 to any person using the land that the premises are safe for any purpose; (2) confer upon those  
12 persons the legal status of an invitee or licensee to whom a duty of care is owed; or (3) assume  
13 responsibility for or incur liability for any injury to person or property caused by an act or omission  
14 of a person who enters upon the leased land. The provisions of this section apply whether the  
15 person entering upon the land is an invitee, licensee, trespasser, or otherwise.

16 (c) Nothing herein limits in any way any liability that otherwise exists for deliberate, willful  
17 or malicious infliction of injury to persons or property: *Provided*, That nothing herein limits in any  
18 way the obligation of a person entering upon or using the land of another for recreational purposes  
19 to exercise due care in his or her use of the land and in his or her activities thereon, so as to  
20 prevent the creation of hazards or the commission of waste by himself or herself.

**§20-14A-9. Purchasing and bidding procedures.**

1 (a) Whenever the authority proposes to purchase or contract for commodities or services  
2 reasonably anticipated to equal or exceed \$2,500 in cost, the purchase or contract shall be based  
3 on competitive bids. Where the purchase of particular commodities or services is reasonably  
4 anticipated to be \$25,000 or less, the executive director may, on behalf of the authority, solicit  
5 bids or price quotes in any manner that the executive director deems appropriate and the authority  
6 shall obtain its commodities or services by the lowest bid. In lieu of seeking bids or quotes for  
7 commodities or services in this price range, the authority may purchase those commodities and  
8 services pursuant to state master contracts as provided in §5A-3-10e of this code.

9 (b) Where the cost for the purchase of commodities or services is reasonably anticipated  
10 to exceed \$25,000, the executive director shall solicit sealed bids for the commodities or services

11 to be provided: *Provided*, That the executive director may permit bids by electronic transmission  
12 be accepted in lieu of sealed bids. Bids shall be solicited by public notice. The notice shall be  
13 published as a Class II legal advertisement in all participating counties in compliance with the  
14 provisions of §59-3-1 *et seq.* of this code and by such other means as the executive director  
15 deems appropriate. The notice shall state the general character of the work and general character  
16 of the materials to be furnished, the place where plans and specifications therefore may be  
17 examined and the time and place of receiving bids. After all bids are received, the authority shall  
18 enter into a written contract with the lowest responsible bidder, however, the authority may reject  
19 any or all bids that fail to meet the specifications required by the authority or that exceed the  
20 authority's budget estimation for those commodities or services. If the executive director  
21 determines in writing that there is only one responsive and responsible bidder, and that there has  
22 been sufficient public notice to attract competitive bids, he or she may negotiate the price for a  
23 noncompetitive award or the specifications for a noncompetitive award based solely on the  
24 original purpose of the solicitation.

25 (c) For any contract that exceeds \$25,000 in total cost, the authority shall require the  
26 vendors to post a bond, with form and surety to be approved by the authority, in an amount equal  
27 to at least 50 percent of the contract price conditioned upon faithful performance and completion  
28 of the contract.

29 (d) The bidding requirements specified in this section do not apply to any leases for real  
30 property upon which the authority makes improvements for public access to the recreation area,  
31 information distribution and welcome centers. This exemption does not apply to leases for offices,  
32 vehicle and heavy equipment storage, or administrative facilities.

33 (e) Any person who violates a provision of this section is guilty of a misdemeanor and,  
34 upon conviction thereof, shall be confined in jail not less than 10 days nor more than one year, or  
35 fined not less than \$10 nor more than \$1,000, or both confined and fined.

**§20-14A-10. Conflicts of interest prohibiting certain contracts.**

1       (a) No contract, change order to a prior contract, or renewal of any contract may be  
2 awarded or entered into by the authority when: (1) The vendor or prospective vendor is a member  
3 of the board or an employee of the authority; (2) the vendor or prospective vendor is a spouse,  
4 sibling, child, or parent of a member of the board or an employee of the authority; or (3) a member  
5 of the board or employee of the authority, or a spouse, sibling, child, or parent of a member of the  
6 board or an employee of the authority, has an ownership interest of greater than five percent in  
7 the company of the vendor or prospective vendor.

8       (b) No contract, change order to a prior contract or renewal of any contract may be  
9 awarded or entered by the authority when: (1) The vendor or prospective vendor is a member of  
10 the West Virginia Legislature, or a spouse, sibling, child, or parent of a member of the Legislature;  
11 or (2) a member of the Legislature, or a spouse, sibling, child, or parent of a member of the  
12 Legislature, has an ownership interest of greater than five percent in the company of the vendor  
13 or prospective vendor.

14       (c) All responses to bid solicitations, requests for quotation, requests for proposal,  
15 contracts, change orders, and contract renewals with the authority submitted or approved under  
16 the provisions of this article shall include an affidavit that the vendor or prospective vendor is not  
17 in violation of this section.

18       (d) Any person who violates a provision of this section is guilty of a misdemeanor and,  
19 upon conviction thereof, shall be confined in jail not less than 10 days nor more than one year, or  
20 fined not less than \$10 nor more than \$1,000, or both confined and fined.

**§20-14A-11. Civil remedies for unlawful purchasing and contracts.**

1       The county commission of any participating county may challenge the validity of any  
2 contract or purchase entered, solicited, or proposed by the authority in violation of this article by  
3 seeking declaratory or injunctive relief in the circuit court of the county of the challenging party. If  
4 the court finds by a preponderance of evidence that the provisions of this article have been

5 violated, the court may declare the contract or purchase to be void and may grant any injunctive  
6 relief necessary to correct the violations and protect the funds of the authority as a joint  
7 development entity.

## **ARTICLE 15. ATV, UTV, AND MOTORCYCLE RESPONSIBILITY ACT.**

### **§20-15-1. Legislative findings.**

2 highway recreational vehicle enthusiasts offered by the Hatfield-McCoy Regional Recreation  
3 Authority and other regional recreation authorities formed pursuant to §20-14A-1 et seq. of this
