# **WEST VIRGINIA LEGISLATURE**

## **2018 REGULAR SESSION**

Introduced

## Senate Bill 546

BY SENATORS JEFFRIES, OJEDA, STOLLINGS, CLINE,

ROMANO, PREZIOSO, BEACH, AND BALDWIN

[Introduced February 15, 2018; Referred

to the Committee on the Judiciary]

1	A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article,
2	designated §15-3C-1, §15-3C-2, §15-3C-3, §15-3C-4, and §15-3C-5; and to amend and
3	reenact §61-5-17 of said code, all relating to improving the ability of law enforcement to
4	locate and return missing persons; establishing short title; declaring findings; defining
5	terms; setting forth details of process for filing a missing persons report; detailing actions
6	that must be taken by law enforcement upon filing of a missing persons report; authorizing
7	reporting and obtaining of additional information under certain circumstances; improving
8	the identification of human remains; improving the timely information and notification to
9	family members of missing persons; authorizing expeditious record exchanges between
10	national and state databases related to missing and unidentified persons; and creating a
11	criminal offense of filing a false missing persons report.

Be it enacted by the Legislature of West Virginia:

### CHAPTER 15. PUBLIC SAFETY.

#### ARTICLE 3C. MISSING PERSONS ACT.

#### §15-3C-1. Short title.

1 This article shall be known and may be cited as the "Missing Persons Act."

#### §15-3C-2. Findings.

- 1 (a) The Legislature finds that:
- 2 (1) Public information can be one of the most effective tools in locating a missing person;
- 3 (2) Law-enforcement officers and other professionals specializing in the field of missing
- 4 persons agree that the most critical moments in the search for a missing person are the first few
- 5 hours immediately following the discovery that the individual is missing, asserting that if he or she
- 6 <u>is not found within 24 hours, it is unlikely that he or she will be found alive or without serious injury.</u>
- 7 The rapid dissemination of information, including a description of the missing person, details of
- 8 how he or she became missing, and of any vehicle involved, to the citizens of the affected

2018R2645

9	community and region is, therefore, critical;
10	(3) Alerted to the situation, the citizenry become an extensive network of eyes and ears
11	serving to assist law enforcement in quickly locating and safely recovering the missing person;
12	(4) All forms of developing technologies are helpful in assisting law enforcement in rapidly
13	responding to these alerts and are an additional tool for assuring the well-being and safety of our
14	citizenry. Thus, the use of traffic video recording and monitoring devices for the purpose of
15	surveillance of a suspect vehicle adds yet another set of eyes to assist law enforcement and aid
16	in the safe recovery of the missing person.
17	(b) The Legislature declares that given the successes other states and regions have
18	experienced in using missing person networks to quickly locate and identify persons, and, with
19	the recent development of highway video recording and monitoring systems, it is altogether fitting
20	and proper, and within the public interest, to establish these programs for West Virginia.
	§15-3C-3. Definitions.

The complaint shall include, but need not be limited to:</li> <li>(1) Name of the missing person and his or her date of birth;</li> <li>(2) Address of the missing person;</li> <li>(3) Identifying characteristics of the missing person, including, if known, birthmarks, moles,</li> <li>tattoos, scars, height and weight, gender, race, current hair color and true or natural hair color,</li> </ul>

#### 10 <u>other distinguishing characteristics;</u>

- 11 (5) Date of last known contact or length of time the person has been missing;
- 12 (6) The missing person's driver's license and Social Security numbers, if known, or other
- 13 known numbers related to other forms of identification;
- 14 (7) A recent photograph of the missing person:
- 15 (8) Information on the missing person's electronic communication devices, such as cell
- 16 phone numbers, social networking login information, and email addresses;
- 17 (9) Reasons why the complainant believes that the person is missing;
- 18 (10) Name and location of the missing person's school or employer;
- 19 (11) Name and location of the missing person's dentist or primary care physician;
- 20 (12) Description of the possible means of transportation of the missing person, including
- 21 make, model, color, license, and identification number of a vehicle;
- 22 (13) Identifying information about a known or possible abductor or person last seen with
- 23 the missing person, including name; physical description; date of birth; identifying marks;
- 24 description of the possible means of transportation, including the make, model, color, license, and
- 25 identification number of a vehicle, and any known associates;
- 26 (14) Name of the complainant and his or her relationship to the missing person; and
- 27 (15) Any additional information considered relevant by either the complainant or the law-
- 28 <u>enforcement agency.</u>
- 29 (b) High-risk determination and reports --
- 30 (1) Upon initial receipt of a missing person report, the lead law-enforcement agency shall
- 31 immediately assess whether there is a basis to determine that the person missing is a high-risk
- 32 missing person. If a law-enforcement agency has previously determined that a missing person is
- 33 not a high-risk missing person, but obtains new information, it shall immediately determine
- 34 whether the information provided to the law-enforcement agency indicates that the person missing
- 35 is a high-risk missing person. Risk assessments shall be performed no later than eight hours after

- 36 the initial missing person report or when new information is provided to the law-enforcement
- 37 agency. The circumstances that indicate that an individual is a high-risk missing person include
- 38 any of the following, but are not limited to:
- 39 (A) A person missing as a result of a stranger abduction;
- 40 (B) A person missing under suspicious circumstances;
- 41 (C) A person missing under unknown circumstances;
- 42 (D) A person missing under known dangerous circumstances;
- 43 (E) A person missing more than 30 days;
- 44 (F) A person already designated as high-risk by another law-enforcement agency;
- 45 (G) There is evidence that the person does not have a pattern of running away or
- 46 disappearing, may have been abducted by a noncustodial parent, is mentally impaired, is a
- 47 person under the age of 21, or has been the subject of past threats or acts of violence; or
- 48 (H) Factors that may, in the judgment of the law-enforcement official, determine that the
- 49 missing person may be at high-risk.
- 50 (2) If, upon assessment, the lead law-enforcement agency determines that the missing
- 51 person is at high-risk, the agency shall:
- (A) Immediately notify the West Virginia State Police with information most likely to aid in
   the location and safe return of the missing person and shall provide all other information obtained
   relating to the missing person case within 24 hours. The West Virginia State Police shall
- 55 immediately notify all law-enforcement agencies within the state and surrounding region with
- 56 information that will aid in the prompt location and safe return of the missing person. Local law-
- 57 enforcement agencies who receive the notification shall notify officers to be on the lookout for the
- 58 missing person or a suspected abductor; and
- 59 (B) Immediately, and no more than two hours after the determination that the missing
- 60 person is high-risk, enter all collected information relating to the missing person case into local,
- 61 state, and federal databases, as specified in subdivision (4) of this subsection. If the lead law-

2018R2645

62	enforcement agency does not have the capability to enter the data directly into state and federal
63	databases, the West Virginia State Police shall enter all collected information relating to the
64	missing person case into the databases. The information shall be provided in accordance with
65	applicable guidelines relating to the databases. Supplemental information in missing person
66	cases shall be entered as soon as practicable.
67	(3) If, upon assessment, the lead law-enforcement agency determines that the missing
68	person is not at high-risk, the agency shall, within 24 hours, enter all collected information relating
69	to the missing person case into local, state, and federal databases, as specified in subdivision (4)
70	of this subsection. If the lead law-enforcement agency does not have the capability to enter the
71	data directly into state and federal databases, the West Virginia State Police shall enter all
72	collected information relating to the missing person case into the databases. The information shall
73	be provided in accordance with applicable guidelines relating to the databases. Supplemental
74	information in missing person cases shall be entered as soon as practicable.
75	(4) Filing and removal of reports –
76	(A) A report of the complaint of a missing person shall be entered into the data systems
77	of the West Virginia State Police, the National Crime Information Center, and the National Missing
78	and Unidentified Persons System. Any information obtained from the data systems shall be
79	disseminated to the lead law-enforcement agency and to other law-enforcement agencies who
80	may come in contact with or be involved in the investigation or location of a missing person;
81	(B) All DNA profiles shall be uploaded into the West Virginia State Police and NamUs
82	databases after completion of the DNA analysis and other procedures required for database entry;
83	(C) Information collected under this article that is relevant to the Federal Bureau of
84	Investigation's Violent Criminal Apprehension Program shall be entered as provided under this
85	section as soon as possible;
86	(D) Upon the location of a missing person, or determination that the person is no longer
07	

87 missing, the lead law-enforcement agency shall immediately, and no later than 24 hours after the

2018R2645

all respective data systems.
(E) The chief officer of each law-enforcement agency shall ensure that persons entering
data relating to fingerprints, medical, or dental records in state or federal databases are
specifically trained to understand and correctly enter the information sought by these databases.
Chief Officers are strongly encouraged to either use persons with specific expertise in fingerprints,
medical, or dental records for this purpose or to consult with West Virginia's Office of the Chief
Medical Examiner to ensure accuracy and completeness of information entered into state and
federal databases.
(F) In cases of a missing person under the age of 21, the responding local law-
enforcement agency shall contact the National Center for Missing and Exploited Children and
request the case be entered into their database and the photograph and information of that
missing person be displayed on their website.
(c) Investigations must occur
(1) Law-enforcement agencies may not prevent an immediate active investigation on the
basis of an agency rule which specifies an automatic time limitation for a missing person
investigation.
(2) Law-enforcement agencies may not refuse to accept a missing person report for any
reason, including that the report does not meet all the requirements contained in this article.
(3) Law-enforcement agencies shall accept missing person reports in person. Law-
enforcement agencies are encouraged to accept reports by phone or by electronic or other media
to the extent that such reporting is consistent with law-enforcement policies or practices.
(4) Law-enforcement agencies are not required to obtain written authorization before
(4) Law-enforcement agencies are not required to obtain written authorization before publicly releasing any photograph that would aid in the investigation or identification of the missing

2018R2645

114	member, or other person in a position to assist in efforts to locate the missing person:
115	(1) If they are seeking additional information and materials that will aid in locating the
116	missing person, such as credit or debit cards the missing person has access to, other banking
117	information, and records of phone use;
118	(2) That any DNA samples provided for the missing person case are provided on a
119	voluntary basis and will be used solely to help locate or identify the missing person and will not
120	be used for any other purpose; and
121	(3) Regarding general information about the handling of the missing person case or about
122	intended efforts in the case, except when the disclosure would adversely affect the ability to locate
123	or protect the missing person or to apprehend or prosecute any person criminally involved in the
124	disappearance. Law-enforcement agencies may provide information materials through
125	publications or other means regarding available resources and how they are used, based upon
126	the age of the missing person.
127	(e) Lead law-enforcement agencies shall make use of all available tools, resources, and
128	technologies available as applicable to resolve a missing person case. This includes assistance
129	from: (1) Other law-enforcement agencies, whether at a local, state, or federal level; (2) nonprofit
130	search and rescue organizations, which may provide at no charge trained animal searches, use
131	of specialized equipment, and man trackers; (3) services provided by qualified organizations; (4)
132	cell phone triangularization and tracking; (5) the subpoena of cell phone, land line, Internet, email,
133	and social networking website records; and (6) technology experts to examine any available
134	information gleaned from a computer belonging to or used by the missing person.
135	(f) If a person remains missing after 30 days, and the additional information and materials
136	specified in this section have not been received, the law-enforcement agency shall attempt to
137	obtain:
138	(1) DNA samples from family members and the missing person along with any needed

139 documentation, including any consent forms, required for the entry of the information into state or

140	national DNA databases. All DNA samples obtained in missing persons cases shall be
141	immediately forwarded to an appropriate crime laboratory for analysis. The laboratory shall
142	establish procedures for determining how to prioritize analysis of the samples relating to missing
143	persons cases;
144	(2) An authorization to release dental or skeletal x-rays of the missing person, and any
145	other medical and dental records of the person reported missing, to the lead law-enforcement
146	agency and to the patrol. If no family or next of kin exists or can be located, the law-enforcement
147	agency may execute a written declaration, stating that an active investigation seeking the location
148	of the missing person is being conducted and that the records are necessary for the exclusive
149	purpose of furthering the investigation. The written declaration, signed by a law-enforcement
150	officer, is sufficient authority for a health care practitioner to release the missing person's x-rays,
151	dental records, dental x-rays, and records of any surgical implants to the local law-enforcement
152	agency, and may not be the basis for disciplinary action. Upon receipt of a properly executed
153	release, request or declaration, records shall be submitted within 10 days to the requesting
154	agency;
155	(3) Additional photographs of the missing person that may aid the investigation or
156	identification; and
157	(4) Fingerprints of the missing person;
158	(g) Nothing in this section precludes a law-enforcement agency from attempting to obtain
159	the materials identified this subsection (f) of this section or elsewhere in this section before the
160	expiration of the 30-day period.
161	(h) Any person or persons who maliciously and knowingly files a false missing person
162	report to a law-enforcement officer is subject to prosecution under §61-5-17(c) of this code.
	§15-3C-4. Reporting and handling of an unidentified person and human remains.
1	(a) The Office of the West Virginia Medical Examiner shall provide information to local law-
2	enforcement agencies about best practices for handling death scene investigations.

3	(b) The Office of the Chief Medical Examiner shall identify any publications or training
4	opportunities that may be available to local law-enforcement agencies or law-enforcement officers
5	concerning the handling of death scene investigations.
6	(c) After performing any death scene investigation considered appropriate under the
7	circumstances, the official with custody of the human remains shall ensure that the human
8	remains are delivered to the county's coroner or medical examiner.
9	(d) Any person with custody of human remains that are not identified within 24 hours of
10	discovery shall promptly notify the Office of the Chief Medical Examiner of the location of those
11	remains.
12	(e) If the person with custody of remains cannot determine whether the remains found are
13	human or not, it shall notify the Office of the Chief Medical Examiner of the existence of possible
14	human remains.
	§15-3C-5. Unidentified person and human remains identification.
1	(a) If the official with custody of the human remains is not a medical examiner, the official
1 2	(a) If the official with custody of the human remains is not a medical examiner, the official shall promptly transfer the unidentified remains to the nearest medical examiner agency within
2	shall promptly transfer the unidentified remains to the nearest medical examiner agency within
2 3	shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification.
2 3 4	shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification. (b) Notwithstanding any other action considered appropriate, the medical examiner shall
2 3 4 5	shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification. (b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but
2 3 4 5 6	shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification. (b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but are not limited to, obtaining:
2 3 4 5 6 7	shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification. (b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but are not limited to, obtaining: (1) Photographs of the human remains, prior to an autopsy:
2 3 4 5 6 7 8	<ul> <li>shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification.</li> <li>(b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but are not limited to, obtaining: <ul> <li>(1) Photographs of the human remains, prior to an autopsy;</li> <li>(2) Dental or skeletal X-rays;</li> </ul> </li> </ul>
2 3 4 5 6 7 8 9	<ul> <li>shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification.</li> <li>(b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but are not limited to, obtaining: <ul> <li>(1) Photographs of the human remains, prior to an autopsy;</li> <li>(2) Dental or skeletal X-rays;</li> <li>(3) Photographs of items found with the human remains;</li> </ul> </li> </ul>
2 3 4 5 6 7 8 9 10	<ul> <li>shall promptly transfer the unidentified remains to the nearest medical examiner agency within the state which is qualified to examine human remains for the purpose of identification.</li> <li>(b) Notwithstanding any other action considered appropriate, the medical examiner shall make reasonable attempts to promptly identify human remains. These actions may include, but are not limited to, obtaining: <ul> <li>(1) Photographs of the human remains, prior to an autopsy;</li> <li>(2) Dental or skeletal X-rays;</li> <li>(3) Photographs of items found with the human remains;</li> <li>(4) Fingerprints from the remains;</li> </ul> </li> </ul>

14	(c) A medical examiner or any other person may not dispose of, or engage in actions that
15	will materially affect the unidentified human remains before the medical examiner obtains:
16	(1) Samples suitable for DNA identification archiving;
17	(2) Photographs of the unidentified person or human remains; and
18	(3) All other appropriate steps for identification have been exhausted.
19	(d) Cremation of unidentified human remains is prohibited.
20	(e) The medical examiner shall make reasonable efforts to obtain prompt DNA analysis of
21	biological samples, if the human remains have not been identified by other means, within 30 days.
22	(f) The medical examiner shall seek support from appropriate state and federal agencies
23	for human remains identification efforts. The support may include, but is not limited to, available
24	mitochondrial or nuclear DNA testing, federal grants for DNA testing, or federal grants for crime
25	laboratory or medical examiner office improvement.
26	(g) The medical examiner shall promptly enter information in federal and state databases
27	that can aid in the identification of missing persons. Information shall be entered into federal
27 28	that can aid in the identification of missing persons. Information shall be entered into federal databases as follows:
28	databases as follows:
28 29	databases as follows: (1) Information for the NCIC and NamUs databases, including dental information if
28 29 30	databases as follows: (1) Information for the NCIC and NamUs databases, including dental information if possible within 24 hours;
28 29 30 31	databases as follows:         (1) Information for the NCIC and NamUs databases, including dental information if         possible within 24 hours;         (2) DNA profiles and information shall be entered into CODIS within five business days
28 29 30 31 32	databases as follows:         (1) Information for the NCIC and NamUs databases, including dental information if         possible within 24 hours;         (2) DNA profiles and information shall be entered into CODIS within five business days         after the completion of the DNA analysis and procedures necessary for the entry of the DNA
28 29 30 31 32 33	databases as follows:         (1) Information for the NCIC and NamUs databases, including dental information if         possible within 24 hours;         (2) DNA profiles and information shall be entered into CODIS within five business days         after the completion of the DNA analysis and procedures necessary for the entry of the DNA         profile;

2018R2645

40	ensure appropriate training of the West Virginia State Police data entry personnel and the
41	establishment of a quality assurance protocol for ensuring the ongoing quality of data entered in
42	the federal and state databases;
43	(i) Nothing in this article shall be interpreted to preclude any medical examiner office, the
44	West Virginia State Police or local law-enforcement agency from pursuing other efforts to identify
45	unidentified human remains including efforts to publicize information, descriptions or photographs
46	that may aid in the identification of the unidentified remains, allow family members to identify
47	missing persons, and seek to protect the dignity of missing persons.
48	(i) Agencies handling the remains of a missing person who is now deceased shall notify
49	the law-enforcement agency handling the missing person case. Documented efforts must be
50	made to locate family members of the deceased person to inform them of the death and location
51	of the remains of their family member.
52	(k) When a person previously reported missing has been identified, the medical examiner,
53	regional forensic center, or other identifying agency, shall promptly notify the lead law-
54	enforcement agency or, if the lead agency is unknown, the West Virginia State Police that the
55	person has been identified.
56	(I) Unless evidence contradicts otherwise, the date of death for a missing person is the
57	date of disappearance.
58	(m) Nothing in this section prohibits law-enforcement agencies or regional forensic centers
59	from maintaining case files related to missing citizens or unidentified bodies.

### CHAPTER 61. CRIMES AND THEIR PUNISHMENT.

#### ARTICLE 5. CRIMES AGAINST PUBLIC JUSTICE.

- §61-5-17. Obstructing officer; fleeing from officer; making false statements to officer; interfering with emergency communications; penalties; definitions.
- (a) A person who by threats, menaces, acts or otherwise forcibly or illegally hinders or
   obstructs or attempts to hinder or obstruct a law-enforcement officer, probation officer or parole

officer acting in his or her official capacity is guilty of a misdemeanor and, upon conviction thereof,
shall be fined not less than \$50 nor more than \$500 or confined in jail not more than one year, or
both fined and confined.

(b) A person who intentionally disarms or attempts to disarm a law-enforcement officer,
correctional officer, probation officer or parole officer, acting in his or her official capacity, is guilty
of a felony and, upon conviction thereof, shall be imprisoned in a state correctional facility not less
than one nor more than five years.

10 (c) A person who, with intent to impede or obstruct a law-enforcement officer in the conduct 11 of an investigation of a felony offense, knowingly and willfully makes a materially false statement, 12 or files a false missing persons report is guilty of a misdemeanor and, upon conviction thereof, 13 shall be fined not less than \$25 nor more than \$200, or confined in jail for five days, or both fined 14 and confined. The provisions of this section do not apply to statements made by a spouse, parent, 15 stepparent, grandparent, sibling, half sibling, child, stepphild or grandchild, whether related by 16 blood or marriage, of the person under investigation. Statements made by the person under 17 investigation may not be used as the basis for prosecution under this subsection. For purposes 18 of this subsection, "law-enforcement officer" does not include a watchman, a member of the West 19 Virginia State Police or college security personnel who is not a certified law-enforcement officer.

(d) A person who intentionally flees or attempts to flee by any means other than the use of a vehicle from a law-enforcement officer, probation officer or parole officer acting in his or her official capacity who is attempting to make a lawful arrest of the person, and who knows or reasonably believes that the officer is attempting to arrest him or her, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than \$50 nor more than \$500 or confined in jail not more than one year, or both fined and confined.

(e) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement
officer, probation officer or parole officer acting in his or her official capacity after the officer has
given a clear visual or audible signal directing the person to stop is guilty of a misdemeanor and,

upon conviction thereof, shall be fined not less than \$500 nor more than \$1,000 and shall beconfined in jail not more than one year.

(f) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement officer, probation officer or parole officer acting in his or her official capacity after the officer has given a clear visual or audible signal directing the person to stop, and who operates the vehicle in a manner showing a reckless indifference to the safety of others, is guilty of a felony and, upon conviction thereof, shall be fined not less than \$1,000 nor more than \$2,000 and shall be imprisoned in a state correctional facility not less than one nor more than five years.

(g) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement officer, probation officer or parole officer acting in his or her official capacity after the officer has given a clear visual or audible signal directing the person to stop, and who causes damage to the real or personal property of a person during or resulting from his or her flight, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than \$1,000 nor more than \$3,000 and shall be confined in jail for not less than six months nor more than one year.

(h) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement
officer, probation officer or parole officer acting in his or her official capacity after the officer has
given a clear visual or audible signal directing the person to stop, and who causes bodily injury to
a person during or resulting from his or her flight, is guilty of a felony and, upon conviction thereof,
shall be imprisoned in a state correctional facility not less than three nor more than 10 years.

(i) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement
officer, probation officer or parole officer acting in his or her official capacity after the officer has
given a clear visual or audible signal directing the person to stop, and who causes death to a
person during or resulting from his or her flight, is guilty of a felony and, upon conviction thereof,
shall be imprisoned in a state correctional facility for not less than five nor more than 15 years. A
person imprisoned pursuant to this subsection is not eligible for parole prior to having served a
minimum of three years of his or her sentence or the minimum period required by §62-12-13 of

55 this code, whichever is greater.

(j) A person who intentionally flees or attempts to flee in a vehicle from a law-enforcement
officer, probation officer or parole officer acting in his or her official capacity after the officer has
given a clear visual or audible signal directing the person to stop, and who is under the influence
of alcohol, controlled substances or drugs, is guilty of a felony and, upon conviction thereof, shall
be imprisoned in a state correctional facility not less than three nor more than 10 years.

(k) For purposes of this section, the term "vehicle" includes any motor vehicle, motorcycle,
motorboat, all-terrain vehicle or snowmobile as those terms are defined in §17A-1-1 of this code,
whether or not it is being operated on a public highway at the time and whether or not it is licensed
by the state.

(I) For purposes of this section, the terms "flee", "fleeing" and "flight" do not include a
person's reasonable attempt to travel to a safe place, allowing the pursuing law-enforcement
officer to maintain appropriate surveillance, for the purpose of complying with the officer's direction
to stop.

(m) The revisions to subsections (e), (f), (g) and (h) of this section enacted during the
regular session of the 2010 regular legislative session shall be known as the Jerry Alan Jones
Act.

(n) (1) No person, with the intent to purposefully deprive another person of emergency
services, may interfere with or prevent another person from making an emergency
communication, which a reasonable person would consider necessary under the circumstances,
to law-enforcement, fire, or emergency medical service personnel.

(2) For the purpose of this subsection, the term "interfere with or prevent" includes, but is
not limited to, seizing, concealing, obstructing access to or disabling or disconnecting a telephone,
telephone line or equipment or other communication device.

(3) For the purpose of this subsection, the term "emergency communication" means
 communication to transmit warnings or other information pertaining to a crime, fire, accident,

81 power outage, disaster or risk of injury or damage to a person or property.

(4) A person who violates this subsection is guilty of a misdemeanor and, upon conviction
thereof, shall be confined in jail for a period of not less than one day nor more than one year or
shall be fined not less than \$250 nor more than \$2,000, or both fined and confined.

(5) A person who is convicted of a second offense under this subsection is guilty of a
misdemeanor and, upon conviction thereof, shall be confined in jail for not less than three months
nor more than one year or fined not less than \$500 nor more than \$3,000, or both fined and
confined.

(6) A person who is convicted of a third or subsequent offense under this subsection is
guilty of a misdemeanor and, upon conviction thereof, shall be confined in jail not less than six
months nor more than one year or fined not less than \$500 nor more than \$4,000, or both fined
and confined.

93 (7) In determining the number of prior convictions for purposes of imposing punishment
94 under this subsection, the court shall disregard all such prior convictions occurring more than 10
95 years prior to the offense in question.

NOTE: The purpose of this bill is to improve the process of coordinating law-enforcement agencies in finding missing persons and identifying found remains.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
