3 growing of marijuana in the workplace or to affect the ability of employers to have policies  
4 restricting the use of marijuana by employees.

5 (b) Nothing in this article shall be construed to permit driving or operating under the  
6 influence of drugs or liquor, nor shall this article prevent the state from enacting and imposing  
7 penalties for driving under the influence of or while impaired by marijuana.

8 (c) Nothing in this article shall be construed to permit the transfer of marijuana, with or  
9 without remuneration, to a person under the age of twenty-one, or to allow a person under the  
10 age of twenty-one to purchase, possess, use, transport, grow, or consume marijuana.

11 (d) Nothing in this article shall prohibit a state or county correctional facility from prohibiting

25 or regulations.

1 Contracts related to the operation of a marijuana establishment registered pursuant to this  
2 chapter shall be enforceable under state law. No contract entered into by a registered marijuana  
3 establishment or its employees or agents as permitted pursuant to a valid registration, or by those  
4 who allow property to be used by an establishment, its employees, or its agents as permitted  
5 pursuant to a valid registration, shall be unenforceable on the basis that cultivating, obtaining,  
6 manufacturing, distributing, dispensing, transporting, selling, possessing, or using marijuana or  
7 hemp is prohibited by federal law.

NOTE: The purpose of this bill is to legalize the manufacture, sale and possession of marijuana and establish a regulatory program for growing, selling and testing of marijuana sold in West Virginia.
