§44-5B-4. User direction for disclosure of digital assets.

1 (a) A user may use an online tool to direct the custodian to disclose or not to disclose to a
2 designated recipient some or all of the user's digital assets, including the content of electronic
3 communications. If the online tool allows the user to modify or delete a direction at all times, a
4 direction regarding disclosure using an online tool overrides a contrary direction by the user in a
5 will, trust, power of attorney, or other record.

6 (b) If a user has not used an online tool to give direction under §44B-5B-3(a) of this code
7 or if the custodian has not provided an online tool, the user may allow or prohibit in a will, trust,

5 recipient acts or represents.

6 (c) A fiduciary's or a designated recipient's access to digital assets may be modified or
7 eliminated by a user, by federal law, or by a terms-of-service agreement if the user has not
8 provided direction under §44-5B-4 of this code.

§44-5B-6. Procedure for disclosing digital assets.

1 (a) When disclosing digital assets of a user under this article, the custodian may at its sole

4 (2) Grant a fiduciary or designated recipient partial access to the user's account sufficient
5 to perform the tasks with which the fiduciary or designated recipient is charged; or

6 (3) Provide a fiduciary or designated recipient a copy in a record of any digital asset that,
7 on the date the custodian received the request for disclosure, the user could have accessed if the
8 user were alive and had full capacity and access to the account.

9 (b) A custodian may assess a reasonable administrative charge for the cost of disclosing
10 digital assets under this article.

11 (c) A custodian need not disclose under this article a digital asset deleted by a user.

12 (d) If a user directs or a fiduciary requests a custodian to disclose under this article some,
13 but not all, of the user's digital assets, the custodian need not disclose the assets if segregation
14 of the assets would impose an undue burden on the custodian. If the custodian believes the
15 direction or request imposes an undue burden, the custodian or fiduciary may seek an order from
16 the court to disclose:

17 (1) A subset limited by date of the user's digital assets;

18 (2) All of the user's digital assets to the fiduciary or designated recipient;

19 (3) None of the user's digital assets; or

1 If a deceased user consented or a court directs disclosure of the contents of electronic
2 communications of the user, the custodian shall disclose to the personal representative of the
3 estate of the user the content of an electronic communication sent or received by the user if the
4 representative gives the custodian:

5 (a) A written request for disclosure in physical or electronic form;

6 (b) A certified copy of the death certificate of the user;

7 (c) A certified copy of the letter of appointment of the representative;

16 (A) The user had a specific account with the custodian, identifiable by the information

20 (C) Unless the user provided direction using an online tool, the user consented to
21 disclosure of the content of electronic communications; or

22 (D) Disclosure of the content of electronic communications of the user is reasonably
23 necessary for administration of the estate.

1 Unless the user prohibited disclosure of digital assets or the court directs otherwise, a
2 custodian shall disclose to the personal representative of the estate of a deceased user a
3 catalogue of electronic communications sent or received by the user and digital assets, other than
4 the content of electronic communications of the user, if the personal representative gives the
5 custodian:

6 (a) A written request for disclosure in physical or electronic form;

7 (b) A certified copy of the death certificate of the user;

8 (c) A certified copy of the letter of appointment of the representative; and

9 (d) If requested by the custodian:

10 (1) A number, username, address, or other unique subscriber or account identifier
11 assigned by the custodian to identify the user's account;

12 (2) Evidence linking the account to the user;

13 (3) An affidavit stating that disclosure of the user's digital assets is reasonably necessary
14 for administration of the estate; or

15 (4) A finding by the court that:

16 (A) The user had a specific account with the custodian, identifiable by the information
17 specified in §44-5B-8(d)(1) of this code; or

18 (B) Disclosure of the user's digital assets is reasonably necessary for administration of the
19 estate.

§44-5B-9. Disclosure of content of electronic communications of principal.

1 To the extent a power of attorney expressly grants an agent authority over the content of
2 electronic communications sent or received by the principal and unless directed otherwise by the
3 principal or the court, a custodian shall disclose to the agent the content if the agent gives the
4 custodian:

5 (a) A written request for disclosure in physical or electronic form;

6 (b) An original or copy of the power of attorney expressly granting the agent authority over
7 the content of electronic communications of the principal;

8 (c) A certification by the agent, under penalty of perjury, that the power of attorney is in
9 effect; and

10 (d) If requested by the custodian:

11 (1) A number, username, address, or other unique subscriber or account identifier
12 assigned by the custodian to identify the principal's account; or

13 (2) Evidence linking the account to the principal.

§44-5B-10. Disclosure of other digital assets of principal.

1 Unless otherwise ordered by the court, directed by the principal, or provided by a power
2 of attorney, a custodian shall disclose to an agent with specific authority over digital assets or
3 general authority to act on behalf of a principal a catalogue of electronic communications sent or
4 received by the principal and digital assets, other than the content of electronic communications,
5 of the principal if the agent gives the custodian:

6 (a) A written request for disclosure in physical or electronic form;

7 (b) An original or a copy of the power of attorney that gives the agent specific authority
8 over digital assets or general authority to act on behalf of the principal;

9 (c) A certification by the agent, under penalty of perjury, that the power of attorney is in
10 effect; and

11 (d) If requested by the custodian:
