The bill requires the PEIA reserve fund to be maintained at an actuarially recommended amount and removes the requirement that any amount in excess of 15 percent of the recommended reserve be transferred out of the fund and into the Retiree Health Benefit Trust Funds. The bill establishes the Rainy Day Fee as a dedicated source of funding for PEIA; provides for those funds to be deposited in a new special revenue account created in the State Treasury to be known as the PEIA Rainy Day Fund.
