FISCAL
NOTE

BY DELEGATES JENNINGS, SYPOLT, WILLIAMS,
CANESTRARO, HANSEN, PYLES, WALKER AND MILEY

[Introduced February 1, 2019; Referred
to the Committee on Technology and Infrastructure
then Government Organization.]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,
 2 designated §17-2A-25, relating to requiring Department of Highways to make available a
 3 calendar of projects and related information for each district.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2A. WEST VIRGINIA COMMISSIONER OF HIGHWAYS.

§17-2A-25. Commissioner shall post information concerning projects in each district.

1 In addition to all other powers granted and duties imposed upon the commissioner, he or
 2 she shall post information about projects currently planned or underway in each district. The
 3 posting shall include information as to where and when such work as ditching, mowing, patching
 4 or paving is being conducted, in order that the public may see the status of projects in areas, and
 5 whether there is delay of work due to weather or other causes.

NOTE: The purpose of this bill is to require the Commissioner of Highways to post information to inform the public about projects planned or being completed in each district, and reasons for any delay of work on projects.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
