156 (2) The Commission shall defend any member, officer, executive director, employee, or
157 representative of the Commission in any civil action seeking to impose liability arising out of any
158 actual or alleged act, error, or omission that occurred within the scope of Commission
159 employment, duties, or responsibilities or that the person against whom the claim is made had a
160 reasonable basis for believing it occurred within the scope of Commission employment, duties, or
161 responsibilities: *Provided*, That nothing herein may be construed to prohibit that person from
162 retaining his or her own counsel, and that the actual or alleged act, error, or omission did not
163 result from that person's intentional or willful or wanton misconduct.

164 (3) The Commission shall indemnify and hold harmless any member, officer, executive
165 director, employee, or representative of the Commission for the amount of any settlement or
166 judgment obtained against that person arising out of any actual or alleged act, error, or omission
167 that occurred within the scope of Commission employment, duties, or responsibilities or that such
168 person had a reasonable basis for believing occurred within the scope of Commission

169 employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission
170 did not result from the intentional or willful or wanton misconduct of that person.

§16-59-11. Coordinated database.

1 (a) The Commission shall provide for the development and maintenance of a coordinated
2 database and reporting system containing licensure, adverse action, and significant investigatory
3 information on all licensed individuals in member states.

4 (b) Notwithstanding any other provision of state law to the contrary, a member state shall
5 submit a uniform data set to the coordinated database on all individuals to whom this Compact is
6 applicable as required by the rules of the Commission, including:

7 (1) Identifying information;

8 (2) Licensure data;

9 (3) Significant investigatory information;

10 (4) Adverse actions against an individual's license;

11 (5) An indicator that an individual's privilege to practice is restricted, suspended, or
12 revoked;

13 (6) Nonconfidential information related to alternative program participation;

14 (7) Any denial of application for licensure and the reason(s) for such denial; and

15 (8) Other information that may facilitate the administration of this Compact, as determined
16 by the rules of the Commission.

17 (c) The coordinated database administrator shall promptly notify all member states of any
18 adverse action taken against, or significant investigative information on, any individual in a
19 member state.

20 (d) Member states contributing information to the coordinated database may designate
21 information that may not be shared with the public without the express permission of the
22 contributing state.

23 (e) Any information submitted to the coordinated database that is subsequently required
24 to be expunged by the laws of the member state contributing the information shall be removed
25 from the coordinated database.

§16-59-12. Rulemaking.

1 (a) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth
2 in this section and the rules adopted thereunder. Rules and amendments shall become binding
3 as of the date specified in each rule or amendment: *Provided*, That no rule may become binding
4 on the State of West Virginia as law until it has been authorized by the Legislature pursuant to
5 the provisions of §29A-3-1 *et seq.* of this code.

6 (b) If a majority of the legislatures of the member states rejects a rule, by enactment of a
7 statute or resolution in the same manner used to adopt the Compact, then such rule shall have
8 no further force and effect in any member state.

9 (c) Rules or amendments to the rules shall be adopted at a regular or special meeting of
10 the Commission.

11 (d) Prior to promulgation and adoption of a final rule or rules by the Commission, and at
12 least 60 days in advance of the meeting at which the rule will be considered and voted upon, the
13 Commission shall file a Notice of Proposed Rulemaking:

14 (1) On the website of the Commission; and

15 (2) On the website of each member state EMS authority or the publication in which each
16 state would otherwise publish proposed rules.

17 (e) The Notice of Proposed Rulemaking shall include:

18 (1) The proposed time, date, and location of the meeting in which the rule will be
19 considered and voted upon;

20 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

21 (3) A request for comments on the proposed rule from any interested person; and

22 (4) The manner in which interested persons may submit notice to the Commission of their
23 intention to attend the public hearing and any written comments.

24 (f) Prior to adoption of a proposed rule, the Commission shall allow persons to submit
25 written data, facts, opinions, and arguments, which shall be made available to the public.

26 (g) The Commission shall grant an opportunity for a public hearing before it adopts a rule
27 or amendment if a hearing is requested by:

28 (1) At least 25 persons;

29 (2) A governmental subdivision or agency; or

30 (3) An association having at least 25 members.

31 (h) If a hearing is held on the proposed rule or amendment, the Commission shall publish
32 the place, time, and date of the scheduled public hearing.

33 (1) All persons wishing to be heard at the hearing shall notify the executive director of the
34 Commission or other designated member in writing of their desire to appear and testify at the
35 hearing not less than five business days before the scheduled date of the hearing.

36 (2) Hearings shall be conducted in a manner providing each person who wishes to
37 comment a fair and reasonable opportunity to comment orally or in writing.

38 (3) No transcript of the hearing is required, unless a written request for a transcript is
39 made, in which case the person requesting the transcript shall bear the cost of producing the
40 transcript. A recording may be made in lieu of a transcript under the same terms and conditions
41 as a transcript. This subsection shall not preclude the Commission from making a transcript or
42 recording of the hearing if it so chooses.

43 (4) Nothing in this section may be construed as requiring a separate hearing on each rule.
44 Rules may be grouped for the convenience of the Commission at hearings required by this
45 section.

46 (i) Following the scheduled hearing date, or by the close of business on the scheduled
47 hearing date if the hearing was not held, the Commission shall consider all written and oral
48 comments received.

49 (j) The Commission shall, by majority vote of all members, take final action on the
50 proposed rule and shall determine the effective date of the rule, if any, based on the rule-making
51 record and the full text of the rule.

52 (k) If no written notice of intent to attend the public hearing by interested parties is received,
53 the Commission may proceed with promulgation of the proposed rule without a public hearing.

54 (l) Upon determination that an emergency exists, the Commission may consider and adopt
55 an emergency rule without prior notice, opportunity for comment, or hearing, provided that the
56 usual rule-making procedures provided in the Compact and in this section shall be retroactively
57 applied to the rule as soon as reasonably possible, in no event later than 90 days after the
58 effective date of the rule. For the purposes of this provision, an emergency rule is one that shall
59 be adopted immediately in order to:

60 (1) Meet an imminent threat to public health, safety, or welfare;

61 (2) Prevent a loss of Commission or member state funds;

62 (3) Meet a deadline for the promulgation of an administrative rule that is established by
63 federal law or rule; or

64 (4) Protect public health and safety.

65 (m) The Commission or an authorized committee of the Commission may direct revisions
66 to a previously adopted rule or amendment for purposes of correcting typographical errors, errors
67 in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
68 posted on the website of the Commission. The revision shall be subject to challenge by any
69 person for a period of 30 days after posting. The revision may be challenged only on grounds that
70 the revision results in a material change to a rule. A challenge shall be made in writing and
71 delivered to the chair of the Commission prior to the end of the notice period. If no challenge is

72 made, the revision will take effect without further action. If the revision is challenged, the revision
73 may not take effect without the approval of the Commission.

74 (n) Applicability of West Virginia Administrative Procedures Act. —

75 (1) Notwithstanding any provision of this Compact to the contrary, no rule proposed or
76 promulgated by the Commission may become binding on the State of West Virginia as law until it
77 has been authorized by the Legislature pursuant to the provisions of §29A-3-1 et seq. of this code.

78 (2) Within 30 days of a rule or operating procedure that affects the regulation of emergency
79 medical services in the State of West Virginia is promulgated by the Commission, the
80 Commissioner of the Bureau for Public Health shall propose the rule for legislative approval in
81 accordance with the provisions of §29A-3-1 et seq. of this code.

82 (3) The Commissioner has emergency rule-making authority. For purposes of this section,
83 the Legislature finds that the promulgation of a rule or operating procedure by the Commission
84 that affects the regulation of emergency medical services in the State of West Virginia constitutes
85 an emergency for the purposes of filing an emergency rule pursuant to §29A-3-15 of this code.

86 (4) A rejection of a legislative rule proposed pursuant to this subsection shall have the
87 effect of making that rule not binding on the State of West Virginia, notwithstanding any
88 emergency rule previously promulgated pursuant thereto, and notwithstanding the failure of a
89 majority of states to take action to invalidate the rule pursuant to the provisions of subsection (b)
90 of this section.

§16-59-13. Oversight, dispute resolution, and enforcement.

1 (a) Oversight. —

2 (1) The executive, legislative, and judicial branches of state government in each member
3 state shall enforce this Compact and take all actions necessary and appropriate to effectuate the
4 Compact's purposes and intent. The provisions of this Compact and the rules promulgated
5 hereunder shall have standing as statutory law once authorized by the Legislature pursuant to
6 the provisions of §29A-3-1, et seq. of this code.

7 (2) All courts shall take judicial notice of the Compact and the rules in any judicial or
8 administrative proceeding in a member state pertaining to the subject matter of this Compact
9 which may affect the powers, responsibilities, or actions of the Commission.

10 (3) The Commission shall be entitled to receive service of process in any such proceeding
11 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
12 service of process to the Commission shall render a judgment or order void as to the Commission,
13 this Compact, or promulgated rules.

14 (b) Default, technical assistance, and termination. —

15 (1) If the Commission determines that a member state has defaulted in the performance
16 of its obligations or responsibilities under this Compact or the promulgated rules, the Commission
17 shall:

18 (A) Provide written notice to the defaulting state and other member states of the nature of
19 the default, the proposed means of curing the default, and/or any other action to be taken by the
20 Commission; and

21 (B) Provide remedial training and specific technical assistance regarding the default.

22 (2) If a state in default fails to cure the default, the defaulting state may be terminated from
23 the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges,
24 and benefits conferred by this Compact may be terminated on the effective date of termination. A
25 cure of the default does not relieve the offending state of obligations or liabilities incurred during
26 the period of default.

27 (3) Termination of membership in the Compact shall be imposed only after all other means
28 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be
29 given by the Commission to the Governor, the majority and minority leaders of the defaulting
30 state's Legislature, and each of the member states.

31 (4) A state that has been terminated from the Compact is responsible for all assessments,
32 obligations, and liabilities incurred through the effective date of termination, including obligations
33 that extend beyond the effective date of termination.

34 (5) The Commission may not bear any costs related to a state that is found to be in default
35 or that has been terminated from the Compact, unless agreed upon in writing between the
36 Commission and the defaulting state.

37 (6) The defaulting state may appeal the action of the Commission by petitioning the U.S.
38 District Court for the District of Columbia or the federal district where the Commission has its
39 principal offices. The prevailing member shall be awarded all costs of such litigation, including
40 reasonable attorney fees.

41 (c) *Dispute Resolution.* —

42 (1) Upon request by a member state, the Commission shall attempt to resolve disputes
43 related to the Compact that arise among member states and between member and nonmember
44 states.

45 (2) The Commission shall promulgate a rule providing for both mediation and binding
46 dispute resolution for disputes as appropriate, subject to the provisions of §16-59-12(n) of this
47 code.

48 (d) *Enforcement.* —

49 (1) The Commission, in the reasonable exercise of its discretion, shall enforce the
50 provisions and rules of this Compact.

51 (2) By majority vote, the Commission may initiate legal action in the United States District
52 Court for the District of Columbia or the federal district where the Commission has its principal
53 offices, against a member state in default to enforce compliance with the provisions of the
54 Compact and its promulgated rules and bylaws: *Provided*, That pursuant to article VI, section 35
55 of the Constitution of West Virginia, neither the State of West Virginia nor any officer or agency
56 thereof shall be named as a defendant in any court of law or equity except in the State of West

57 Virginia. The relief sought may include both injunctive relief and damages. In the event judicial
58 enforcement is necessary, the prevailing member shall be awarded all costs of such litigation,
59 including reasonable attorney fees.

60 (3) The remedies herein shall not be the exclusive remedies of the Commission. The
61 Commission may pursue any other remedies available under federal or state law.

§16-59-14. Date of implementation of the Interstate Commission for EMS Personnel

Practice and associated rules; withdrawal; amendment.

1 (a) The Compact shall come into effect on the date on which the Compact statute is
2 enacted into law in the tenth member state. The provisions, which become effective at that time,
3 shall be limited to the powers granted to the Commission relating to assembly and the
4 promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers
5 necessary to the implementation and administration of the Compact.

6 (b) Any state that joins the Compact subsequent to the Commission's initial adoption of
7 the rules shall be subject to the rules as they exist on the date on which the Compact becomes
8 law in that state. Any rule that has been previously adopted by the Commission shall have the full
9 force and effect of law on the day the Compact becomes law in that state.

10 (c) Any member state may withdraw from this Compact by enacting a statute repealing
11 the same. Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS
12 authority to comply with the investigative and adverse action reporting requirements of this act
13 prior to the effective date of withdrawal.

14 (d) Nothing contained in this Compact shall be construed to invalidate or prevent any EMS
15 personnel licensure agreement or other cooperative arrangement between a member state and
16 a nonmember state that does not conflict with the provisions of this Compact.

17 (e) This Compact may be amended by the member states. No amendment to this Compact
18 may become effective and binding upon any member state until it is enacted into the laws of all
19 member states.

§16-59-15. Construction and severability.

- 1 (a) This Compact shall be liberally construed so as to effectuate the purposes thereof. If
2 this Compact shall be held contrary to the constitution of any member state thereto, the Compact
3 shall remain in full force and effect as to the remaining member states. Nothing in this Compact
4 supersedes state law or rules related to licensure of EMS agencies.
- 5 (b) The Emergency Medical Services Advisory Council shall review decisions of the
6 Interstate Commission for Emergency Medical Services Personnel Practice established pursuant
7 to this Compact and, upon approval by the Interstate Commission for Emergency Medical
8 Services Personnel Practice of any action that will have the result of increasing the cost to the
9 state of membership in the Compact, may recommend to the Legislature that the state withdraw
10 from the Compact.

NOTE: The purpose of this bill is to enact the Recognition of Emergency Medical Services Personnel Licensure Interstate Compact. The bill enters the state into the Compact with all jurisdictions that also enact the Compact.

This bill was recommended by the Joint Committee on Volunteer Fire Departments and Emergency Medical Services for introduction and passage during the 2020 Regular Session of the Legislature.
