SENATORS WELD, CLINE, BALDWIN, LINDSAY, ROBERTS,  
STOLLINGS, JEFFRIES, AND MARONEY, *original sponsors*

[Passed March 7, 2020; in effect from passage]

1 AN ACT to amend and reenact §18-2-40 of the Code of West Virginia, 1931, as amended, relating  
2 to suicide prevention awareness training and dissemination of information; providing  
3 findings; requiring State Board of Education to provide routine education in suicide  
4 prevention under guidelines established by board; requiring dissemination of information;  
5 and naming provisions of section Jamie’s Law.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 2. STATE BOARD OF EDUCATION.**

**§18-2-40. Suicide prevention awareness training; dissemination of information.**

1 (a)(1) *Legislative findings.* — The Legislature recognizes that the state of West Virginia  
2 has one of the highest rates of suicide in the nation, and that suicide serves as one of the leading  
3 causes of death in our state.

4 (2) The Legislature further finds that nationwide, suicide rates amongst adolescents and  
5 young adults are on the rise. As a result of disrupted families, poverty, and the opioid crises which  
6 have severely affected a significant number of families across this state, West Virginia’s students  
7 face a number of issues which may increase their risk of suicide.

8 (3) Consequently, the Legislature finds that it is imperative that those in our education  
9 system closest to our students receive training to increase their ability to better recognize students  
10 who may be exhibiting signs that they are at risk of suicide.

11 (b) On or before September 1, 2020, and each year thereafter, the State Board of  
12 Education shall provide for the routine education of all professional educators, including principals  
13 and administrators, and those service personnel having direct contact with students on warning  
14 signs and resources to assist in suicide prevention under guidelines established by the state  
15 board. The education may be accomplished through self-review of suicide prevention materials  
16 and resources approved by the state board.

17 (c) On or before September 1, 2020, and each year thereafter, a public middle and high  
18 school administrator shall disseminate and provide opportunities to discuss suicide prevention

19 awareness information to all middle and high school students. The information may be obtained  
20 from the Bureau for Behavioral Health and Health Facilities or from a commercially developed  
21 suicide prevention training program approved by the State Board of Education in consultation with  
22 the bureau to assure the accuracy and appropriateness of the information.

23 (d) The provisions of this section shall be known as Jamie's Law.

The Joint Committee on Enrolled Bills hereby certifies that the foregoing bill is correctly enrolled.
