3 rendered within the pharmacist's scope of practice if benefits would be provided for such  
4 services performed by other health care providers; providing for reimbursement pursuant  
5 to negotiations; and providing for effective date.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 53. HEALTH CARE SERVICES PROVIDED BY PHARMACISTS.**

**§33-53-1. Services provided by pharmacists.**

1 (a) For health plans, policies, contracts, or agreements issued, amended, adjusted, or  
2 renewed on or after January 1, 2021:

3 (1) Benefits may not be denied for any health care service performed by a pharmacist  
4 licensed under §30-5-1 et seq. of this code if:

5 (A) The service performed was within the lawful scope of the pharmacist's license;

6 (B) The plan would have provided benefits if the service had been performed by another

11 (b) The participation of pharmacies in the plan network's drug benefit does not satisfy the  
12 requirement that plans include pharmacists in their network of participating health care providers.

13 (c) Health benefit plans, policies, contracts, or agreements issued, amended, adjusted, or  
14 renewed on or after January 1, 2020, but before January 1, 2021, that delegate credentialing  
15 agreements to contracted health care facilities shall accept credentialing for pharmacists  
16 employed or contracted by those facilities. Health plans shall reimburse facilities for covered  
17 services provided by network pharmacists within the pharmacists' scope of practice per  
18 negotiations with the facility.
