5 operating pursuant to §33-12B-3(a)(14) of this code;

6 (2) Must comply with all claims payments requirements of the insurance code; and

7 (3) Must be certified as compliant with this section by a licensed adjuster that is an officer

13 claims.

14 (d) "Home state" means the District of Columbia or any state, commonwealth, or territory  
15 of the United States in which an adjuster maintains his or her principal place of residence or  
16 business and in which he or she is licensed to act as a resident adjuster. If a person's principal  
17 place of residence or business does not license adjusters for the type of adjuster license sought  
18 in this state, he or she shall designate as his or her home state any state in which he or she has  
19 such a license.

20 (e) "Independent adjuster" means a person who:

21 (1) Is an individual, a business entity, an independent contractor, or an employee of a  
22 contractor, who contracts for compensation with insurers or self-insurers;

23 (2) Is one whom the insurer's or self-insurer's tax treatment of the individual is consistent

1 (a) No person may act or hold himself, herself, or itself out as a company adjuster, an  
2 independent adjuster, or a public adjuster in this state unless the person is licensed in accordance  
3 with this article or is exempt from licensure under this article.

10 act on the insurer's behalf for that specific claim or purpose. A licensed public adjuster is  
11 prohibited from charging that specific claimant a fee when appointed by the insurer and the  
12 appointment is accepted by the public adjuster.

13 (d) The commissioner shall license an individual as a company adjuster, independent  
14 adjuster, or public adjuster. An individual may be licensed concurrently under separate licenses

36 this state in the course of adjusting such claims: *Provided*, That such adjusters shall be subject  
37 to the jurisdiction of, and regulation by, the commissioner in regard to their adjustment of West  
38 Virginia claims: *Provided, however*, That the commissioner may require such adjusters to

2 commissioner with an application for temporary emergency licensure for each individual who will  
3 act as an emergency company adjuster or emergency independent adjuster on behalf of the  
4 insurer.

5 (b) A person who is otherwise qualified to adjust claims, but not already licensed in this  
6 state when the insurance emergency has been declared, may act as an emergency company or  
7 independent adjuster and adjust claims if, within five days of the declared insurance emergency,  
8 the insurer notifies the commissioner by providing the following information in a format proposed  
9 by the commissioner:

10 (1) Name and address of the individual;

11 (2) National Producer Number of the individual if the individual has a National Producer  
12 Number;

13 (3) Name of the insurer which the company or independent adjuster will represent;

14 (4) Effective date of the contract between the insurer and independent adjuster, if

19 (c) An emergency company or independent adjuster's license shall remain in force for a  
20 period not to exceed 90 days, unless extended for an additional period by the commissioner.

21 (d) The fee for emergency company or independent adjuster application for licensure shall  
22 be in an amount specified in §33-12B-8 of this code. The fee shall be due and payable at the time  
23 of application for licensure.

**§33-12B-4a. Exemptions from license.**

1 [Repealed]

**§33-12B-5. Qualifications for resident adjuster's license; examination; exemptions.**

1 (a) An individual applying for a resident adjuster license shall make application to the  
2 commissioner and declare under penalty of suspension, revocation, or refusal of the license that  
3 the statements made in the application are true, correct, and complete to the best of the  
4 individual's knowledge and belief. Before approving the application, the commissioner shall find  
5 that the individual:

6 (1) Is 18 years of age or more;

7 (2) Is a resident of West Virginia, or eligible to designate West Virginia as his or her home  
8 state;

9 (3) Is trustworthy, competent, reliable, and of good reputation, evidence of which may be  
10 determined by the commissioner;

11 (4) Has a business or mailing address in this state for acceptance of service of process  
12 or, if residing outside of this state, acknowledges that by adjusting claims in this state he or she  
13 is subject to this state's jurisdiction, pursuant to §56-3-33 of this code, and automatically appoints  
14 the West Virginia Secretary of State as his or her agent for service of process;

15 (5) Has not committed any act that is a ground for probation, suspension, revocation, or  
16 refusal of an adjuster's license as set forth in §33-12B-11 of this code;

17 (6) Has successfully passed the written examination for the line or lines of authority for  
18 which the person has applied; and

19 (7) Has paid the fees applicable to licensure.

20 (b)(1) A resident individual applying for an adjuster license shall pass a written  
21 examination unless exempt pursuant to §33-12B-5(b)(5) or §33-12B-5(b)(6) of this code. The  
22 examination shall test the knowledge of the individual concerning the line or lines of authority for  
23 which application is made, if applicable, the duties and responsibilities of an adjuster, and the  
24 insurance laws and rules of this state. However, to qualify for an adjuster license with the crop  
25 line of authority, the commissioner may accept, in lieu of such an examination, certification that  
26 the individual has passed a proficiency examination approved by the United States Department  
27 of Agriculture Risk Management Agency.

28 (2) Each examinee shall pay a nonrefundable \$25 examination fee for each examination  
29 to the commissioner, which fees shall be used for the purposes set forth in §33-3-13 of this code.  
30 The commissioner may, at his or her discretion, designate an independent testing service to  
31 prepare and administer such examination subject to direction and approval by the commissioner,  
32 and examination fees charged by such service shall be paid by the applicant.

33 (3) An individual who fails to appear for the examination as scheduled, or fails to pass the  
34 examination, shall reapply for an examination and remit all required fees and forms before being  
35 rescheduled for another examination.

36 (4) An individual who initially fails to pass an examination required by this section is limited  
37 to seven additional attempts to pass the examination.

38 (5) An individual who applies for an adjuster license in this state, who was previously  
39 licensed for the same lines of authority in another jurisdiction, shall not be required to complete  
40 any preclicensing examination. This exemption is only available if the individual is currently  
41 licensed in that jurisdiction, or if the application is received within 90 days of the cancellation of  
42 the applicant's previous license, and if the prior jurisdiction issues a certification that, at the time  
43 of cancellation, the applicant was in good standing in that jurisdiction or the jurisdiction's adjuster  
44 database records, maintained by the National Association of Insurance Commissioners, its

45 affiliates or subsidiaries, indicate that the adjuster is or was licensed in good standing for the line  
46 of authority requested. The certification must be of a license with the same line of authority for  
47 which the individual has applied.

48 (6) An individual licensed as an adjuster in another jurisdiction who moves to this state  
49 shall make application within 90 days of establishing legal residence to become a resident  
50 licensee pursuant to this section: *Provided*, That no pre-licensing examination shall be required  
51 of that individual to obtain any line of authority previously held in the prior jurisdiction, except  
52 where the commissioner determines otherwise by rule.

53 (7) Examinations may be developed and conducted under rules proposed by the  
54 commissioner.

55 (8) Examinations required by this subsection are applicable for individual adjusters first  
56 licensed on or after July 1, 2021, or for individual adjusters who add a line of authority to an  
57 existing adjuster license on or after July 1, 2021.

58 (c) A business entity applying for a resident independent or public adjuster license shall  
59 make application to the commissioner on forms proposed by the commissioner and shall declare  
60 under penalty of suspension, revocation, or refusal of the license that the statements made in the  
61 application are true, correct, and complete to the best of the business entity's knowledge and  
62 belief. Before approving the application, the commissioner shall find that the business entity:

- 63 (1) Is eligible to designate West Virginia as its home state;
- 64 (2) Has a business or mailing address in this state for acceptance of service of process;
- 65 (3) Has designated a licensed independent or public adjuster responsible for the business  
66 entity's compliance with the insurance laws and rules of this state; and
- 67 (4) Has not committed an act that is a ground for probation, suspension, revocation, or  
68 refusal of an independent or public adjuster's license as set forth in §33-12B-11 of this code.

69 (d) The requirements of this section do not apply to temporary licenses issued to  
70 emergency company adjusters or emergency independent adjusters.

**§33-12B-6. Authorization for criminal history record check; fees.**

1 (a) In furtherance of the national goal of promoting uniformity and reciprocity among the  
2 states, commonwealths, territories, and the District of Columbia with regard to adjuster licensing,  
3 this section sets forth the requirements to obtain access to the Federal Bureau of Investigation  
4 Criminal Justice Information Services Division criminal history record information and to secure  
5 information or reports from the Federal Bureau of Investigation Criminal Justice Information  
6 Services Division. The scope of this section is to set forth the applicability of the criminal history  
7 record check to applicants for a home state insurance adjuster license.

8 (b) As used in this section, the following terms have the meanings ascribed in this  
9 subsection, unless a different meaning is clearly required by the context:

10 (1) "Applicant" means a natural person applying for:

11 (A) An initial home state license as an insurance adjuster;

12 (B) An additional line of authority under an existing home state insurance adjuster license  
13 where a criminal history record check has not been obtained; or

14 (C) A resident insurance adjuster license under change of home state provisions.

15 "Applicant" does not mean a person applying for renewal or continuation of a home state  
16 insurance adjuster license or a nonresident insurance adjuster license.

17 (2) "Fingerprint" means an impression of the lines on the finger taken for the purpose of  
18 identification. The impression may be obtained electronically or in ink converted to an electronic  
19 format.

20 (c) In order to make a determination of adjuster license eligibility, the commissioner is  
21 authorized to require fingerprints of applicants and to submit the fingerprints and the fee required  
22 to perform a criminal history record check to the West Virginia State Police and to the Federal  
23 Bureau of Investigation.

24 (d) The commissioner shall require a criminal history record check on each applicant in  
25 accordance with this section. The commissioner shall require each applicant to submit a full set  
26 of fingerprints, including a scanned file from a hard copy fingerprint, in order for the commissioner  
27 to obtain and receive national criminal history records from the Federal Bureau of Investigation's  
28 Criminal Justice Information Services Division.

29 (e) The commissioner shall collect a fee from each applicant in an amount sufficient to  
30 cover:

31 (1) The cost of the collection and transmittal of fingerprints by persons, including local law  
32 enforcement agencies that are approved by the commissioner to capture fingerprints, to the West  
33 Virginia State Police and the Federal Bureau of Investigation; and

34 (2) The cost of any amounts charged by the West Virginia State Police and the Federal  
35 Bureau of Investigation to perform the criminal history record checks.

36 (f) The commissioner may contract for the collection and transmission of fingerprints  
37 authorized under this section and may order that the fee for collecting and transmitting fingerprints  
38 be payable directly by the applicant to the contractor.

39 (g) The commissioner is authorized to receive criminal history record information directly  
40 from the Federal Bureau of Investigation, in lieu of via transmission of the information from the  
41 Federal Bureau of Investigation to the West Virginia State Police.

42 (h) The commissioner shall treat and maintain an applicant's fingerprints and any criminal  
43 history record information obtained under this section as confidential and shall apply security  
44 measures consistent with the Federal Bureau of Investigation's Criminal Justice Information  
45 Services Division standards for the electronic storage of fingerprints and necessary identifying  
46 information. The commissioner shall limit the use of records solely to the purposes authorized in  
47 this section. The fingerprints and the criminal history record information in the custody of the  
48 commissioner are not subject to subpoena, other than one issued in a criminal action or

49 investigation, are confidential by law and privileged, and are not subject to discovery or admissible  
50 in evidence in any private civil action.

**§33-12B-7. Lines of authority.**

1 (a) An independent adjuster or a company adjuster may qualify for a license in one or  
2 more of the following lines of authority:

- 3 (1) Property and casualty;
- 4 (2) Workers' compensation; or
- 5 (3) Crop.

6 (b) A public adjuster may only qualify for a license designating a property and casualty line  
7 of authority.

**§33-12B-8. License fees.**

1 (a) The annual fee for an individual adjuster license shall be \$25.

2 (b) The annual fee for a business entity adjuster license shall be \$200.

3 (c) The fee for a temporary emergency adjuster license shall be \$25.

4 (d) All fees collected pursuant to this section shall be used for the purposes set forth in  
5 §33-3-13 of this code.

**§33-12B-9. Licensing of nonresident adjusters.**

1 (a) A nonresident applicant for an adjuster license who holds a similar license in his or her  
2 home state may be licensed as a nonresident adjuster in this state if the applicant's home state  
3 has established, by law or regulation, like requirements for the licensing of a resident of this state  
4 as a nonresident adjuster.

5 (b) As a condition of continuing a nonresident adjuster license, the licensee must maintain  
6 a license in his or her home state. The commissioner may verify the adjuster's licensing status  
7 through the producer database maintained by the National Association of Insurance  
8 Commissioners, its affiliates, or subsidiaries.

9 (c) If a nonresident adjuster desires to become a resident adjuster, he or she must apply  
10 to become one within 90 days of establishing legal residency in this state.

11 (d) If a nonresident adjuster has his or her license suspended, terminated, or revoked by  
12 his or her home state, the adjuster must immediately notify the commissioner of that action and,  
13 with respect to license terminations or revocations, surrender the license to the commissioner.

14 (e) A resident of Canada may be licensed as a nonresident adjuster under this section if  
15 that person has obtained a resident or home state adjuster license in another United States  
16 jurisdiction.

**§33-12B-10. Expiration of license; renewal.**

1 (a) The commissioner may, in his or her discretion, fix the dates of expiration of respective  
2 licenses for all adjusters in any manner as is considered by him or her to be advisable for an  
3 efficient distribution of the workload of his or her office. If the expiration date so fixed would upon  
4 first occurrence shorten the period for which a license fee has theretofore been paid, no refund of  
5 the unearned fee shall be made. If the expiration date so fixed would upon first occurrence  
6 lengthen the period for which license fee had theretofore been paid, the commissioner shall  
7 charge no additional fee for the lengthened period. If another date is not so fixed by the  
8 commissioner, each license shall, unless continued as herein above provided, expire at midnight  
9 on May 31 next following the date of issuance, and the commissioner shall renew annually the  
10 license of all such licensees who qualify, and make application therefor, and have paid the fees  
11 set forth in this article.

12 (b) An adjuster whose license expires may, if application is made within one year of the  
13 expiration date, be reissued a license upon payment of twice the renewal fee.

14 (c) The commissioner may waive any renewal requirement for any adjuster who is unable  
15 to comply due to military service, long-term medical disability, or other extenuating circumstance.

16 (d) As a condition of the renewal of an adjuster license with the designation of a crop  
17 insurance line of authority, the commissioner may require that the licensee demonstrate that he

18 or she has maintained certification of proficiency issued or approved by the United States  
19 Department of Agriculture Risk Management Agency.

**§33-12B-11. Denial, revocation, suspension, probation, or refusal to renew license;  
penalties; violations.**

1 (a) The commissioner may examine and investigate the business affairs and conduct of  
2 persons applying for or holding an adjuster license to determine whether such person is  
3 trustworthy and competent or has been or is engaged in any violation of the insurance laws or  
4 rules of this state or in any unfair or deceptive acts or practices in any state.

5 (b) If the commissioner denies an initial or renewal application for a license, he or she shall  
6 notify the applicant or licensee in writing of the reason for such action. The applicant or licensee  
7 may, within 10 days of receipt of such notice, make written demand for a hearing before the  
8 commissioner to determine the reasonableness of the action, and such hearing shall be held in  
9 accordance with the provisions of §33-2-13 of this code.

10 (c) Whenever, after notice and hearing, the commissioner is satisfied that any adjuster  
11 has violated any provision of this chapter or of rules promulgated or proposed hereunder, or is  
12 incompetent or untrustworthy, he or she shall place the adjuster on probation or refuse to issue,  
13 revoke, suspend, or, if renewal of license is pending, refuse to renew the license of such adjuster.  
14 In addition to placing a licensee on probation or revoking, suspending, or refusing to renew or  
15 issue his or her license, the commissioner may in his or her discretion order such licensee to pay  
16 to the State of West Virginia an administrative penalty in a sum not to exceed \$1,000 for each  
17 violation. Upon the failure of a licensee to pay within 30 days a civil penalty imposed by the  
18 commissioner, his or her license shall be revoked or suspended by the commissioner.

19 (d) Each of the following shall constitute a violation under this article:

20 (1) Providing incorrect, misleading, incomplete, or materially untrue information in the  
21 license application;

22 (2) Violating any insurance statute, rule, subpoena, or order of the commissioner or of  
23 another state's insurance commissioner;

24 (3) Obtaining or attempting to obtain a license through misrepresentation or fraud;

25 (4) Improperly withholding, misappropriating, or converting any monies or properties  
26 received in the course of doing insurance business;

27 (5) Intentionally misrepresenting the terms of an actual or proposed insurance contract or  
28 application for insurance;

29 (6) Having been convicted of or pleaded nolo contendere to any felony;

30 (7) Having been convicted of or pleaded nolo contendere to a misdemeanor in connection  
31 with his or her activities relating to the business of insurance;

32 (8) Having admitted or been found to have committed any insurance unfair trade practice  
33 or fraud;

34 (9) Having an insurance license or its equivalent suspended, revoked, or refused in any  
35 other state, province, district, or territory;

36 (10) Forging any document or signature relating to an insurance transaction or fraudulently  
37 procuring a forged signature to any document related to an insurance transaction;

38 (11) Cheating, including improperly using notes or any other reference material, in the
