WEST VIRGINIA LEGISLATURE

2021 THIRD EXTRAORDINARY SESSION

Originating

Senate Bill 3034

BY SENATORS SWOPE, SYPOLT, AND TARR

[Originating in the Select Committee on Redistricting;

reported on October 11, 2021]

1 A BILL to amend and reenact §1-2-1 and §1-2-2b of the Code of West Virginia, 1931, as amended,

2 all relating to dividing and altering the state into senatorial districts; defining terms; setting

3 forth legislative findings; providing for senatorial districts; clarifying constitutional

4 residency dispersal provision; providing requirements for nomination, election, and

5 appointment of senators; providing requirements for filing certificate of candidacy for

6 election from a multi-county senatorial district; providing for effect of redistricting on

7 senators elected in 2018 and 2020 general elections and on senators appointed to fill

8 vacancies; authorizing rulemaking; providing for precinct and magisterial district boundary

9 changes and notice therefor; and making technical changes.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2. APPORTIONMENT OF REPRESENTATION.

§1-2-1. Senatorial districts.

1 (a) This section shall be known and may be cited as the Senate Redistricting Act of ~~2011~~

2 2021.

3 (b) As used in this section:

4 (1) "County" means the territory comprising a county of this state as such county existed

5 on January 1, ~~2010~~ 2020, notwithstanding any boundary changes thereof made subsequent

6 thereto;

7 (2) ~~"Block" and "voting district"~~ "Tract", "block group", and "block" mean those geographic

8 areas as those terms are respectively defined by the Bureau of the Census of the United States

9 Department of Commerce for the taking of the ~~2010~~ 2020 census of population and described on

10 census maps and data prepared by the Bureau of the Census. Such maps and data are, at the

11 time of this enactment, maintained by the Bureau of the Census and ~~filed in the Redistricting~~

12 ~~Office of the Joint Committee on Government and Finance~~ have been provided to the West

13 Virginia Legislature;

14 (3) "Incumbent senator" means ~~a senator elected at the general election held in the year~~

15   ~~2010 or at any general election thereafter, with an unexpired term of at least two years in duration.~~:

16   (A) For purposes of the general election to be held in the year 2022,

17   (i) A senator elected at the general election held in the year 2020; or

18   (ii) A senator appointed to complete the term of office of a senator who was elected at the

19   general election held in 2020.

20   (B) For purposes of the general election to be held in the year 2024 or any general election

21   thereafter,

22   (i) A senator elected at the immediately preceding general election; or

23   (ii) A senator appointed to complete the term of office of a senator who was elected at the

24   immediately preceding general election.

25   (c) The Legislature recognizes that in dividing the state into senatorial districts, the

26   Legislature is bound not only by the United States Constitution but also by the West Virginia

27   Constitution; that in any instance where the West Virginia Constitution conflicts with the United

28   States Constitution, the United States Constitution must govern and control, as provided by article

29   VI of the United States Constitution and as recognized in section one, article I of the West Virginia

30   Constitution; that the United States Constitution, as interpreted by the United States Supreme

31   Court and other federal courts, requires state legislatures to be apportioned so as to achieve

32   equality of population as ~~near~~ nearly as is practicable, population disparities being permissible

33   where justified by rational state policies, and population disparities being presumptively

34   constitutional where the maximum population deviation between the largest and the smallest

35   district is less than 10%, as recognized by the United States Supreme Court in *Brown v.*

36   *Thompson,* 462 U.S. 835 (1983) and *Evenwel v. Abbott,* 136 S.Ct. 1120 (2016); and that the West

37   Virginia Constitution requires two senators to be elected from each senatorial district for terms of

38   four years each, one such senator being elected every two years, with one half of the senators

39   being elected biennially, and requires senatorial districts to be compact, formed of contiguous

40   territory and bounded by county lines. The Legislature finds and declares that it is not possible to

41   divide the state into senatorial districts so as to achieve equality of population as near as is

42   practicable as required by the United States Supreme Court and other federal courts and at the

43   same time adhere to all of these provisions of the West Virginia Constitution; but that, in an effort

44   to adhere as closely as possible to all of these provisions of the West Virginia Constitution, the

45   Legislature, in dividing the state into senatorial districts, as described and constituted in

46   subsection (d) of this section, has:

47   (1) Adhered to the equality of population ~~concept~~ <u>requirement as delineated in the cases</u>

48   <u>referenced in subsection (c) of this section</u>, while at the same time recognizing that from the

49   formation of this state in the year 1863, each Constitution of West Virginia and the statutes

50   enacted by the Legislature have recognized ~~political subdivision~~ <u>county</u> lines and many functions,

51   policies, and programs of government have been implemented along ~~political subdivision~~ <u>county</u>

52   lines;

53   (2) Made the senatorial districts ~~as~~ compact ~~as possible~~, consistent with the equality of

54   population ~~concept~~ <u>requirement, and with the requirement of section four, article VI of the West</u>

55   <u>Virginia Constitution that senatorial districts be bounded by county lines</u>;

56   (3) Formed the senatorial districts<u>, without exception,</u> of "contiguous territory" as that term

57   has been construed and applied by the West Virginia Supreme Court of Appeals;

58   (4) Deviated from the ~~long-established state policy, recognized in subdivision (1) above,~~

59   <u>requirement of section four, article VI of the West Virginia Constitution that senatorial districts be</u>

60   <u>bounded by county lines</u> by crossing county lines only when necessary to ensure that all senatorial

61   districts were formed of contiguous territory or when adherence to county lines produced

62   unacceptable population inequalities and only to the extent necessary in order to maintain

63   contiguity of territory and to achieve acceptable equality of population; and

64   (5) Also taken into account in crossing county lines, to the extent feasible, the community

65   of interests of the people involved.

66   (d) The Senate shall be composed of thirty-four senators, one senator to be elected at the

67 general election to be held in the year ~~2012~~ <u>2022</u>, and biennially thereafter for a four-year term

68 from each of the senatorial districts hereinafter in this subsection described and constituted as

69 follows:
