- (a) (1) The Office of Health Facility Licensure and Certification shall inspect each:
- 2 (A) Opioid treatment program annually; and
- 3 (B) Office-based medication-assisted treatment program at least every 24 months.
  - including (2) Inspections shall include a review of the patient records, to ensure that the program complies with this article and the applicable rules. A pharmacist, employed or contracted by the secretary, licensed in this state, and a law-enforcement officer may be present at each inspection.
  - (b) The Office of Health Facility Licensure and Certification shall perform unannounced complaint and verification inspections at office-based medication-assisted treatment programs, including a review of the patient records, to ensure that the program complies with this article and the applicable rules. A pharmacist, employed or contracted by the secretary, licensed in this state and a law-enforcement officer may be present at each inspection.
  - (c) During an onsite inspection, the inspectors shall make a reasonable attempt to discuss each violation with the medical director or other owners of the medication-assisted treatment program before issuing a formal written notification.
  - (d) Any action taken to correct a violation shall be documented in writing by the medical director or other owners of the medication-assisted treatment program and may be verified by follow-up visits by the Office of Health Facility Licensure and Certification.
  - (e) Notwithstanding the existence or pursuit of any other remedy, the secretary may, in the manner provided by law, maintain an action in the name of the state for an inspection warrant
